**BRUSH PARK FORM-BASED CODE**

**Sec. 1. Intent.**

This Brush Park Form-Based Code (“Form-Based Code”) is intended to provide the public with a predictable vision of the built environment in the Brush Park neighborhood. This Form-Based Code regulates land development using form as the primary basis to define the developing character of the neighborhood. This Form-Based Code creates opportunities for medium-density mixed-use development while incorporating elements from the Brush Park Rehabilitation Project Fourth Modified Development Plan, the City of Detroit Master Plan of Policies for the Brush Park neighborhood, and the design guidelines for the Brush Park and Brewster-Wheeler Recreation Center Historic Districts. This Form-Based Code designates civic space for community recreational use, encourages pedestrian-friendly streets, and the advancement of a walkable urban neighborhood. The organizing principle for this Form-Based Code is a hierarchy of street types that determine

the placement of specific building types and by-right uses based on intensity.

**Sec. 2. Purpose.**

The purpose of this Form-Based Code is:

(1) To implement the goals and objectives of the Brush Park Rehabilitation Project Fourth Modified Development Plan, the City of Detroit Master Plan of Policies for the Brush Park neighborhood, and the design guidelines for the Brush Park and Brewster-Wheeler Recreation Center Historic Districts;

(2) To provide the Brush Park Community with predictability in the outcome of development and redevelopment through an efficient administrative permitting process;

(3) To provide a diversity of urban housing choices appropriate to Brush Park;

(4) To place commercial uses within a safe, comfortable walking distance of residential units;

(5) To prevent the establishment of incompatible developments in Brush Park;

(6) To encourage mixed-use development in order to reinforce Brush Park as a walkable urban neighborhood; and

(7) To permit the development of attached medium to high-density residential buildings and multi-story, multi-unit, mixed-use buildings that relate to the size and scale of the existing historic district context.

**Sec. 3. Applicability.**

(a) This Form-Based Code is applicable to all zoning lots that are both located within the area depicted in the regulating maps set forth in Section 7 of this Form-Based Code and shown on Zoning District Map No. 4, set forth in Section 50-17-5 of this Code as having a PD Planned Development zoning classification.

(b) If any provision of this Form-Based Code conflicts with any other provision set forth elsewhere in this chapter, the provisions of this Form-Based Code control.

**Sec. 4. Definitions.**

<b>Term</b>	<b>Definition</b>
<b>Basement</b>	A space having one-half or more of its floor-to-ceiling height below the average level of the adjoining ground and with a floor- to-ceiling height of not less than seven feet.
<b>Blank wall area</b>	Any portion of a façade that does not include fenestration or surface relief through the use of windows, columns, cornices, moldings, piers, pilasters, sills, sign bands, or other equivalent architectural features that either recess or project from the plane of the façade by at least four inches.
<b>Building coverage</b>	The portion of a zoning lot that is covered by a building or structure, as measured from the outside of the building or structure at ground level, and expressed as a percentage of the area of the zoning lot.
<b>Building height</b>	The vertical distance from the grade plane at the center of the front of a building or structure to either the highest point of the building or structure for a flat or mansard roof, or to the mean height level (midpoint) between eaves and ridge for a gabled, hip, or gambrel roof.

<u>Civic space</u>	<u>An open space or park, either publicly or privately owned and operated, that is open to and maintained for public recreational purposes.</u>
<u>Dooryard</u>	<u>A fenced or elevated garden or patio that buffers dwellings from the adjacent public sidewalk.</u>
<u>Façade, front</u>	<u>All exterior walls of a building or structure that are oriented in whole or in part toward a front lot line.</u>
<u>Façade build out</u>	<u>The ratio of building width to lot width for any zoning lot measured at the point of maximum front façade and expressed as a percentage. The measurement of façade build out is depicted in Figure 9(c) of this Form-Based Code.</u>
<u>Historic house</u>	<u>A principal building type built as a residential dwelling prior to 1940 and located within the Brush Park Historic District.</u>
<u>Lobby entrance</u>	<u>An at-grade principal entrance providing access to a portion of a building.</u>
<u>Lot, flag</u>	<u>A zoning lot not fronting or abutting a public right-of-way for which access to a public right-of-way is possible only via a private driveway or right-of-way.</u>
<u>Lot, key</u>	<u>A zoning lot for which a side lot line abuts the rear lot line of another zoning lot.</u>
<u>Lot line, party</u>	<u>A side lot line shared between two adjacent zoning lots.</u>
<u>Nonconformity</u>	<u>A nonconforming use, nonconforming structure, or nonconforming lot, as each is defined in this Form-Based Code.</u>
<u>Nonconforming lot</u>	<u>A zoning lot that was legally established but that does not currently comply with applicable configuration requirements, including minimum lot area, lot depth and lot width standards, as set forth in this Form-Based Code.</u>
<u>Nonconforming structure</u>	<u>A building or structure that was legally established but that does not currently comply with applicable development or building type standards as set forth in this Form-Based Code.</u>
<u>Nonconforming use</u>	<u>A use of a zoning lot that was legally established but that is not currently permissible for such zoning lot as set forth in this Form-Based Code.</u>
<u>Porch</u>	<u>An elevated covered or uncovered entrance to a building or a roofed structure projecting from the exterior wall or walls of a principal structure and supported by piers, posts, or columns and commonly open to weather.</u>
<u>Portico</u>	<u>A roofed landing leading to an at-grade entrance of a building.</u>
<u>Principal building</u>	<u>The building or structure located on a zoning lot that is intended to contain the principal use for such zoning lot. Specific permissible types of principal buildings are Historic House, Single-Family House, Mid-Rise Building, Multiplex, and Townhouse, all of which are depicted in Table 12(a) in Section 12 of this Form-Based Code.</u>
<u>Principal entrance</u>	<u>A main point of access for pedestrians into a building or structure, including to an upper story or ground story thereof. A building or structure can have more than one principle entrance.</u>
<u>Rear building</u>	<u>A building or structure located in the rear portion of a zoning lot behind the principal building for such zoning lot. Specific permissible types of rear buildings are Carriage House and Mews Building, both of which are depicted in Table 12(b) in Section 12 of this Form-Based Code.</u>
<u>Stoop</u>	<u>An unroofed landing, with a set of stairs, leading to an entrance of a building.</u>
<u>Storefront</u>	<u>An at-grade portion of the front façade consisting of a principal entrance and substantial windows for the display of goods, services, and signs associated with a ground story non-residential use of a principal building.</u>
<u>Story, ground</u>	<u>The lowest story of a building or structure for which the height of the finished floor is at or above the established grade at the center of the front of such building or structure.</u>
<u>Story, upper</u>	<u>Any story of a building or structure above its ground story.</u>
<u>Structured parking</u>	<u>Motor vehicle parking spaces located within a building or structure, whether aboveground or underground.</u>
<u>Visible Light Reflectance (VLR)</u>	<u>The portion of total visible light that is reflected by a glazing system and expressed as a percentage.</u>
<u>Visible Light Transmittance (VLT)</u>	<u>The portion of total visible light that is transmitted through a glazing system and expressed as a percentage.</u>

**Sec. 5. Development review.****(a) Development review.**

(1) All development to which this Form-Based Code applies is subject to development review in accordance with Article XI, Division 2, of this chapter and this section.

(2) Applications for development review must be made on a form acceptable to the City Planning Commission staff and must contain a complete site plan, prepared in accordance with Article III, Division 5, of this chapter, as well as construction drawings, building elevations, lighting, landscaping, signage plans, proposed uses, and any additional information reasonably identified by City Planning Commission staff as necessary to adequately depict the proposed development.

(3) Applications for development review must be submitted to City Planning Commission staff.

(4) The City Planning Commission staff, upon receipt of a complete application for development review, shall review such application and determine if the development proposed in such application is in accordance with the applicable standards and requirements of this Form-Based Code. If the City Planning Commission staff determines that the proposed development accords with the applicable standards and requirements of this Form-Based Code, it shall issue preliminary approval of the application.

(5) Upon receipt of preliminary approval, an applicant may apply for any other regulatory approvals that may be necessary for the proposed development, including, but not limited to, a certificate of appropriateness or other approval by the Historic District Commission.

(6) Upon issuance of all other necessary approvals, the applicant shall resubmit the site plan, all construction drawings, building elevations, lighting, landscaping, signage plans, proposed uses, and other information necessary to adequately depict the proposed development, whether or not any such information has been revised subsequent to preliminary approval, to the City Planning Commission staff for final review. The applicant shall also submit a community impact plan to minimize disruption to the surrounding neighborhood during construction and address any negative impacts that may arise. A community impact plan must provide for the following:

(i) A construction schedule to describe the start and end dates and other anticipated milestones of the development;

(ii) A strategy to mitigate fugitive dust, noise pollution, and pest infestation that may arise from ground disturbance and other construction activities;

(iii) A strategy for temporary site screening, construction staging, and construction-related vehicle parking; and

(iv) A vibration analysis or other impact analysis if determined to be necessary by the City Planning Commission.

(7) The City Planning Commission staff shall perform final development review to confirm that the proposed development remains in accordance with this Form-Based Code. If the proposed development remains in accordance, the City Planning Commission staff shall issue final approval of the application.

(8) Upon receipt of final approval, the applicant shall distribute its community impact plan to the owners and occupants of all properties located adjacent to or across the street from the proposed development as well to any local neighborhood community organizations that the City Planning Commission may identify in its final approval. Upon distribution of its community impact plan, the applicant may apply for building permits from the Buildings, Safety Engineering, and Environmental Department and any other permits or approvals from the City that may be necessary for construction of the proposed development.

(9) In performing each preliminary and final review of an application, the City Planning Commission staff may consult with and solicit advice from the Planning and Development Department as to the proposed development's compliance with this Form-Based Code, the Detroit Water and Sewerage Department as to the proposed development's post-construction stormwater management plans, and any other City department whose expertise may apply to the proposed development.

**(b) Historic review.**

(1) Any development located within an historic district, as established in Chapter 21 of this Code, is subject to review and approval by the City of Detroit Historic District Commission in accordance with the procedures set forth therein.

(2) The boundaries of all historic districts located within the area to which this Form-Based Code applies, existing as of the date of enactment of this Form-Based Code, are shown on Map 7(a) in Section 7 of this Form-Based Code.

**(c) Administrative Adjustments.** The City Planning Commission staff may authorize the modification of any numeric standard that is set forth in this Form-Based Code by a factor not to exceed fifteen percent of such numeric standard.

**(d) Waivers and Variances.** Any waiver or variance of any requirement, prohibition, or numeric standard beyond the extent permissible as an administrative adjustment is prohibited, except as expressly authorized in this Form-Based Code.

**FIGURE 5: Brush Park Development Review Process Diagram.**

**Preliminary Review**

Application submitted to City Planning Commission office to be reviewed by the City Planning Commission staff. City Planning Commission to determine conformance with the Brush Park Form-Based Code. Applicant to engage the community. Applicant receives preliminary approval letter.

**Historic District Commission Review and Approval**

Any development located within an historic district is subject to review and approval by the Historic District Commission in accordance with Chapter 21, Article II, of this Code. Applicant receives Certificate of Appropriateness.

**Final Review**

All final construction documents must be reviewed and approved by the City Planning Commission staff for consistency with approved preliminary plans. Applicant receives final approval letter.

**Permit Review**

Apply to Buildings, Safety Engineering, and Environmental Department for building permit review.

**Sec. 6. Nonconformities and savings provision.**

(a) *In general.* The regulations set forth in this section govern all nonconformities that are located within the area to which this Form-Based Code applies notwithstanding any conflicting provision set forth in Article XV of this chapter.

(b) *Authority to continue.* Any nonconformity may be continued but must not be expanded, intensified, or otherwise modified except as expressly allowed in this section. The ability to continue a nonconformity is not affected by changes in tenancy, ownership, or management thereof.

(c) *Determination of nonconforming status.*

(1) A nonconformity may exist if:

(i) A use, structure, or lot legally existed as of the effective date of this Form-Based Code but is not currently in compliance with all applicable provisions of this Form-Based Code; or

(ii) A use, structure, or lot has been legally constructed or established in accordance with this Form-Based Code but is not currently in compliance with all applicable provisions of this Form-Based Code solely as a result of an amendment thereof.

(2) The burden of establishing that any instance of noncompliance with any provision of this Form-Based Code applicable to an existing use, structure, or lot constitutes a nonconformity rests upon the owner or operator of such use, structure, or lot.

(3) The City Planning Commission staff may require an applicant for development review under this Form-Based Code to submit evidence, in the form of a prior permit or other supporting documentation, showing that a use, structure, or lot that is not currently in compliance with all applicable provisions of this Form-Based Code was legally constructed or established and constitutes a nonconformity.

(4) The City Planning Commission staff, with advice from the Planning and Development Department as the staff may request, shall determine whether the evidence submitted by the applicant adequately establishes that a nonconformity exists. Upon determining that a nonconformity exists, the City Planning Commission staff shall allow such nonconformity to continue in accordance with this section.

(d) *Determination of the extent of nonconformity.*

(1) For a nonconforming use, the extent of the nonconformity is the area, measured in square feet, of the building or structure, or portion thereof, in which the nonconforming use operates.

(2) For a nonconforming structure or lot, the extent of the nonconformity is the magnitude of the difference between the actual dimension of any specific feature of the structure or lot and the permissible dimension of such feature as currently set forth in this Form-Based Code.

(e) *Nonconforming uses.*

(1) Any change of a nonconforming use to another use that is permissible according to Table 13 in Section 13 of this Form-Based Code is permissible.

(2) Any change of a nonconforming use to another use that is not permissible according to Table 13 in Section 13 of this Form-Based Code is prohibited.

(3) Any change to a nonconforming use or to the building or structure in which a nonconforming use operates that would increase the extent of the nonconformity is prohibited. Any change to a nonconforming use or to the building or structure in which a nonconforming use operates that would decrease the extent of the nonconformity is permissible.

(f) *Nonconforming structures.*

(1) Any ordinary repair and maintenance of a nonconforming structure,

including, but not limited to, painting, roof replacement, re-siding, window replacement, and other improvements that are reasonably determined by the City Planning Commission staff to be cosmetic or de minimis in nature is permissible.

(2) Any modification to a nonconforming structure that would cause the structure to conform to applicable standards currently set forth in this Form-Based Code or that would otherwise reduce the extent of the nonconformity is permissible.

(3) Any modification to a nonconforming structure that would cause any feature of the nonconforming structure to become newly noncompliant with the applicable standards currently set forth in this Form-Based Code or that would otherwise increase the extent of the nonconformity is prohibited.

(4) Nothing in this section that provides for the modification of a nonconforming structure may be construed as limiting the authority of the Historic District Commission to review and approve or deny such modification.

(g) Nonconforming lots.

(1) Any modification of the dimensions of a nonconforming lot or any combination of a nonconforming lot with another lot that would reduce the extent of the nonconformity or that would cause the nonconforming lot to conform with applicable provisions currently set forth in this Form-Based Code is permissible.

(2) Any modification to the dimensions of a nonconforming lot that would increase the extent of the nonconformity is prohibited.

(3) For any nonconforming lot, the City Planning Commission staff is authorized to waive or vary any development standard, building type standard, or other numerical standard set forth in this Form-Based Code solely, and only to the extent necessary, to enable the development of a principle building type that is permissible for the nonconforming lot according to Table 7(a) in Section 7 of this Form-Based Code.

(h) Site characteristics not compliant with applicable standards. All zoning lots subject to this Form-Based Code shall comply with all applicable parking, landscaping, and screening provisions currently set forth in this Form-Based Code. Any zoning lot that is not in compliance with all such current parking, landscaping, and screening standards is in noncompliance with this Form-Based Code and must not be considered nonconforming.

(i) Casualty. For any building or structure containing a nonconforming use or for any nonconforming structure that is damaged or destroyed:

(1) If the extent of the damage or destruction is equal to or greater than 60 percent of the assessed valuation of the building or structure at the time the dam-

age or destruction occurred, the nonconformity must not be re-established and any new or restored structure must comply with all applicable provisions currently set forth in this Form-Based Code.

(2) If the extent of the damage or destruction is less than 60 percent of the assessed valuation of the building or structure at the time the damage occurred, the nonconformity may be re-established only if all of the following conditions are satisfied:

(i) The cause of the damage or destruction was not the deliberate action of a person or entity with legal interest in the property or its agent.

(ii) Reconstruction or restoration of the building or structure would not increase the extent of the nonconformity as existed prior to the damage or destruction of the building or structure.

(iii) Reconstruction or restoration of the building or structure is started within a period of two years following the date that the damage or destruction of the structure met or exceeded the 60 percent threshold. Upon written request, the City Planning Commission staff may extend this two-year period for not more than two additional years.

(iv) Plans for reconstruction or restoration of the building or structure undergo development review in accordance with the procedures set forth in Section 5 of this Form-Based Code and is issued final approval as a result of such review prior to application for a building permit for such reconstruction or restoration.

(j) Abandonment. The question of abandonment of any nonconforming use must be addressed in accordance with the procedures and standards set forth in Section 50-15-31 of this Code. Notwithstanding Section 50-15-28 of this Code, the re-establishment of any abandoned nonconforming use is prohibited.

(k) Savings provision. Notwithstanding any provision in this Form-Based Code to the contrary, all terms, conditions, and other regulations for development set forth in any of the following duly-enacted ordinances are incorporated into this Form-Based Code by reference, such that no building, structure, or development in compliance with such development regulations constitute a nonconformity:

(1) Ordinance No. 07-16, effective April 23, 2016;

(2) Ordinance No. 24-17, effective September 9, 2017;

(3) Ordinance No. 27-17, effective October 28, 2017;

(4) Ordinance No. 14-19, effective August 24, 2019; and

(5) Ordinance No. 35-19, effective December 4, 2019.

**Sec. 7. Regulating maps.**

(a) District boundaries. The boundaries of the area to which this Form-Based

Code applies are shown on Map 7(a) and Map 7(b) of this section.

(b) Street types map. All streets located within the area to which this Form-Based Code applies are classified by type, being "A" Streets, "B" Streets, and "C" Streets. Such classifications are shown in Map 7(a) of this section.

(c) Civic spaces map. All areas designated as "civic spaces" are shown in Map 7(b) of this section. All zoning lots shown as civic spaces must be used as civic space in accordance with Section 13(c)(5) of this Form-Based Code.

(d) Permissible building types. Principal

and rear building types are permissible for a zoning lot based on the type of the street that abuts the primary front lot line of the zoning lot. The permissibility of each building type is set forth in Table 7(a) in this section, subject to the following:

(1) Where any zoning lot fronts a B or C Street and includes a side lot line that abuts a zoning lot that contains a Historic House, the only principal building types that is permissible for the zoning lot is the Multiplex.

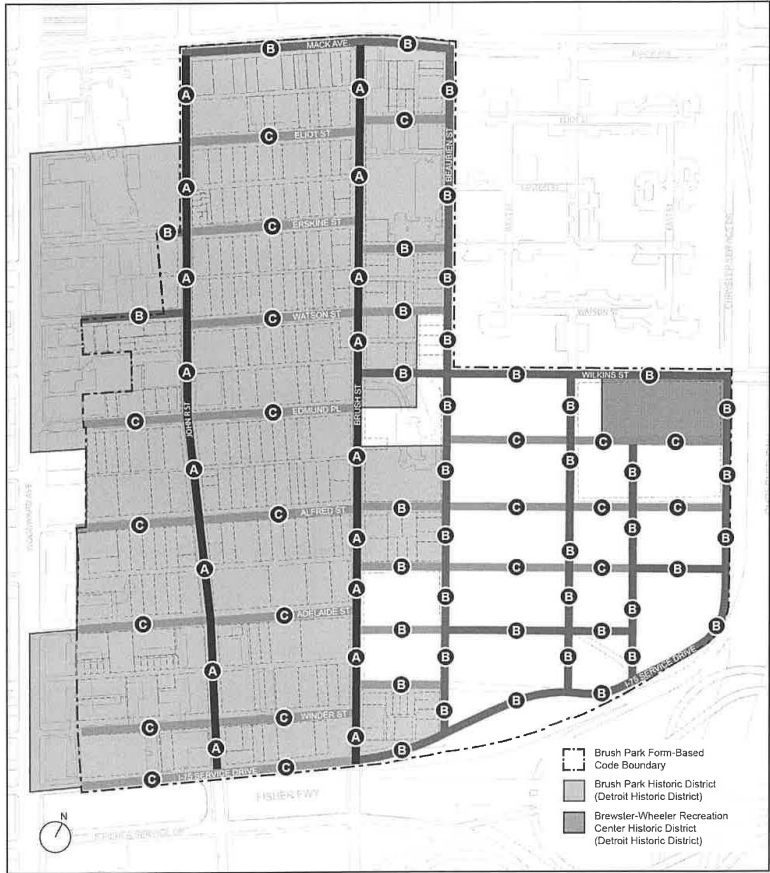

(2) A rear building is permissible on a zoning lot only if the lot also contains a principal building.

**MAP 7(b): Civic Spaces Map.**

**Sec. 8. Civic space standards.**

(a) The area of any zoning lot located within the area identified as “Civic Space A” on Map 7(b) in Section 7 of this Form-Based Code must be not less than 44,000 square feet.

(b) The area of any zoning lot located within the area identified as “Civic Space B” on Map 7(b) in Section 7 of this Form-Based Code must be not less than 7,500 square feet.

**Sec. 9. Development standards.**

(a) *In general.* This section establishes the standards for all development located within the area to which this Form-Based Code applies.

(b) *Zoning lot standards.*

(1) *Permissible zoning lot types.* Any newly-established zoning lot must be configured as a corner, interior, or key lot. The establishment of a new flap lot or through lot is prohibited.

(2) *Front lot lines.* Every zoning lot

must have not more than one primary front lot line. For any zoning lot that abuts a single street such as an interior lot, flag lot, or key lot the lot line that abuts such street is the primary front lot line for the zoning lot. For any zoning that abuts more than one street, such as a through lot or corner lot, the primary front lot line must be determined as follows, and all other lot lines abutting a street are secondary front lot lines:

(i) For an existing through lot, the primary front lot line is as designated by the City Planning Commission staff.

(ii) For a corner lot that abuts an A Street the primary front lot line is the lot line that abuts such A Street.

(iii) For all other zoning lots that abut more than one street, the primary front lot line may be determined by the property owner and so designated in the development review application for the proposed development.

(3) Lot dimensions, including lot width and depth, for each building type are required as set forth in Section 12 of this Form-Based Code.

(4) Lot width must be measured as the horizontal distance between two points along the lot lines on either side of the primary front lot line, each 20 feet from the primary front lot line.

(5) Lot depth must be measured as the horizontal distance between the midpoint of the primary front lot line and the midpoint of the rear lot line or, where there is no rear lot line, to the most distant point on any other lot line.

(c) *Building placement.*

(1) Not more than one principal building and one rear building type may be located on any zoning lot. A rear building may be located on a zoning lot only if a principal building is also located on the same lot. A principle building may be located on a zoning lot regardless of whether or not a rear building is also located on the same lot.

(2) Building placement standards for each principal and rear building type, including building setback standards, are required as set forth in Section 12 of this Form-Based Code.

(3) Unless otherwise specified in this section, all buildings and structures must be located at or behind any required minimum front, side, or rear setback.

(4) Unless otherwise specified in this section, the front façade of each story of a principal building must be located at or in front of any maximum front setback for the building.

(5) Notwithstanding the front setbacks for each principal building type, as set forth in Section 12 of this Form-Based Code, any new development located on a zoning lot that is on the same block face as a Historic House must have a contextual front setback as follows, provided, that the maximum front setback must not exceed the distance set forth in Section 12 of this Form-Based Code for the applicable building type:

(i) If the zoning lot is an interior lot or key lot, the minimum and maximum front setbacks must be equal to the actual setbacks for the Historic House that is located on the same block face; or

(ii) If the zoning lot is a corner lot, the minimum primary front setback must be the actual front setback of any Historic House located on the same block face as its primary front lot line and the minimum secondary front setback must be the actual front setback of any Historic House located within 50 feet of the zoning lot on the same block face as its secondary front lot line.

**FIGURE 9(a): Lot Dimensions.**

**FIGURE 9(b): Setbacks.**

(6) Stoops, porticos, porches, awnings, and entry canopies may encroach any distance into any front setback.

(7) Cornices, belt courses, sills, buttresses, and other architectural features not otherwise specified in this subsection may encroach not more than two feet into any setback.

(8) Chimneys may encroach up to four feet into any setback, provided, that any chimney must be located not less than two feet from any lot line.

(9) Balconies may project not more than four feet into any front or rear setback and not more than three feet into any side setbacks, provided, that any such balcony must be located not less than two feet from any side lot line.

(10) Building eaves and roof overhangs may encroach not more than three feet into any setback, provided that any such eave or overhang must be located not less than two feet from any side lot line.

(11) Unenclosed fire escapes and emergency egress stairways may encroach up to four feet into any side or rear setback, provided that any such fire escape or stairway must be located not less than two feet from any side or rear lot line.

(12) Mechanical equipment associated with residential uses, such as HVAC units and security lighting, may encroach any distance into a side or rear setback, provided, that such equipment must be located not less than two feet from any side or rear lot line.

(13) Terraces, uncovered and unenclosed patios, and structures below and covered by the ground may encroach any distance into a setback.

(14) Minor structures accessory to utilities, such as hydrants, manholes, transformers and other cabinet structures, may encroach any distance into a setback.

(d) Building standards.

(1) Building standards for each principal and rear building type, including building coverage, massing, fenestration standards and outdoor amenity space standards, are required as set forth in Section 12 of this Form-Based Code.

(2) Any rear building located on a zoning lot may be oriented either toward a front lot line of the zoning lot or toward an alley abutting the zoning lot.

(3) The front façade of a principal building must be oriented toward and constructed parallel to the primary front lot line of the zoning lot.

(4) The front façade of a building must be constructed in accordance with the façade build-out ratio for the applicable building type as set forth in Section 12 of this Form-Based Code.

(5) Front facades of principal and rear buildings that are wider than 60 feet must vary in vertical plane so as to create rhythm and articulation in the building massing.

(6) Building width must be measured as the distance between the exterior of the side walls of the building, parallel to the front façade of the building.

(7) Building depth must be measured as the maximum length of any exterior side wall of the building, perpendicular to the front façade of the building.

(8) The total number of stories of a building must be calculated as follows:

(i) The ground story counts as one story, except that a ground story that is 25 feet or more in height counts as two stories.

(ii) Each upper story counts as one story, except that any upper story with a mezzanine or loft counts as two stories.

(iii) Interstitial space between stories counts as a story if the space has a walking surface, permanent lighting, a ceiling height of seven feet six inches (7'6") or more, and is accessible via a stairwell or elevator door.

(iv) A basement counts as one story only if the finished floor of the ground story is five feet or more above the established grade at the center of the front of the building, but otherwise does not count as a story.

FIGURE 9(c): Façade Build-Out.

FIGURE 9(d): Building Stories.

FIGURE 9(e): Fenestration.

(9) The maximum number of stories for any new structure located immediately adjacent to a Historic House is eight stories, provided, that the front façade of any fifth through eighth story must be stepped back from the front façade of the adjacent Historic House by not less than 30 feet as shown in Figure 9(f) of this Form-Based Code.

**FIGURE 9(f): Stepback for Buildings Adjacent to a Historic House.**

(10) For any Mid-Rise Building that is located in the area bounded by Wilkins Street on the north, I-75 Service Drive on the east and south and Beaubien Street on the west, the maximum number of stories is 15 and the maximum height is 180 feet.

(11) For any Mid-Rise Building that is located in the area bounded by Mack Avenue on the north, Beaubien Street on the east, I-75 Service Drive on the south and Brush Street on the west, the maximum number of stories is nine and the maximum height is 110 feet.

(12) Story height must be measured vertically from the surface of the finished floor of the story to the surface of the finished floor of the above story. If there is no story above, story height must be measured from the surface of the finished floor to the top of the structural beam or joists above or the top of the wall plate, whichever is higher. Minimum story height requirements are not applicable for half-stories.

(13) Ground story elevation must be measured from the grade plane to the top of the finished floor of the ground story of a building.

(14) Roof decks; mechanical and stair-well penthouses; roof mounted cellular, radio, and internet transmission equipment; vents or exhausts; solar panels or skylights; flagpoles; belfries; chimneys, cupolas, monuments, parapets, spires, steeples; and other non-habitable architectural features are permissible and are not subject to applicable building height limitations.

(15) All principal entrances to a building or structure must be located in the front façade of the building or structure.

(16) Access to any principal entrance

for a residential use must be provided by way of a stoop, portico, porch, dooryard, or lobby entrance.

(17) Any principal entrance to a building must include an awning or entry canopy, except where the principal entrance is recessed into the façade of the building. Any such awning or entry canopy must be constructed with a width of not less than the width of the doorway surround, trim, or exterior casing above which it is mounted, a depth of not less than three feet, and a clearance of not less than eight feet.

(18) Fenestration must be provided for each building type as set forth in Section 12 of this Form-Based Code, expressed as a percentage of the total area of each façade as follows:

(i) Ground story fenestration must be determined as a percentage of the area located between the heights of two feet and 12 feet above the grade plane.

(ii) Upper story fenestration must be determined as a percentage of the area located between the top of a finished floor and the top of the finished floor above.

(19) Glazing must meet the following criteria:

(i) For ground story fenestration, glazing must have a minimum of 60 percent Visible Light Transmittance and no more than 15 percent Visible Light Reflectance. Not less than 75 percent of all ground floor commercial storefront glazing must be unobstructed to a depth of not less than five feet; and

(ii) For upper story fenestration, glazing must have a minimum of 40 percent Visible Light Transmittance and no more than 15 percent Visible Light Reflectance.

(20) Blank wall area limitations for any façade applies both vertically and horizontally.

(21) If outdoor amenity space is required as set forth in Section 12 of this Form-Based Code, it must be provided for as a balcony, deck, patio, porch, roof deck, roof terrace, or yard.

(22) The minimum area of any outdoor amenity space must be not less than 36 square feet without obstruction and with no dimension less than four feet.

(23) For all building types, outdoor amenity space may be shared by multiple dwelling units, provided that the area of such shared space must be not less than the sum of the areas of the outdoor amenity spaces required for all dwelling units that the shared space is intended to serve.

(24) Ground story dwelling units must be not less than 20 feet in depth.

#### **Sec. 10. Access and parking.**

(a) *In general.* This section establishes the parking requirements for all building types as well as the standards for access to such parking. Use of any parking facility must be limited to the temporary storage of operable private passenger vehicles.

(b) *Construction.* Parking may be provided as surface off-street parking, surface on-street parking, above-ground structured parking, and underground structured parking.

(c) *Number of parking spaces: minimum required and maximum permissible.*

(1) The minimum number of parking spaces required for each principal and rear building type is as set forth in Section 12 of this Form-Based Code.

(2) Any nonresidential use located in a building or structure that does not exceed 3,000 square feet of gross floor area is exempt from applicable minimum parking requirements.

(3) For any building or structure over 3,000 square feet of gross floor area, the City Planning Commission staff may grant a waiver of applicable parking requirements for the first 3,000 square feet of retail, service, or commercial use of such building or structure, if both of the following criteria can be satisfied:

(i) The area subject to the waiver contains a use that is pedestrian-oriented; and

(ii) The waiver will not be injurious to the surrounding areas by creating or increasing traffic congestion or by disrupting traffic circulation.

(4) The maximum number of parking spaces permissible for each principal and rear building type is 150 percent of the minimum number of spaces required for that building type, notwithstanding any exemptions or waivers to such requirements that may apply to any particular building or structure, except where an alternative maximum number for any building type is set forth in Section 12 of this Form-Based Code, such number must control.

(d) *Parking setbacks.* Parking setbacks for each principal and rear building type are required as set forth in Section 12 of this Form-Based Code. Unless otherwise specified, no off-street surface or above-ground structured parking may be located within any parking setback. Additionally, all such parking facilities, including associated drive aisles and other paved surfaces, must be set back not less than six feet from any lot line abutting a zoning lot used solely for residential purposes.

(e) *Parking access.* Parking must be directly accessible to a street via a driveway, alley, or vehicular entrance into a building or structure, subject to the following:

(1) The permissible means of access to parking for each principle and rear building type are as set forth in Section 12 of this Form-Based Code.

(2) Parking, as well as loading docks and associated service areas, must be accessible from an alley or across a secondary front lot line. Access across a primary front lot line is prohibited.

(3) Parking for multiple adjacent zoning lots may be accessible by means of a shared driveway, provided that the own-

ers of all zoning lots with the benefit or burden of such shared driveway maintain an access easement for its use.

(f) *Satellite parking.* Parking associated with a zoning lot, excluding any required handicapped parking, may be constructed at an off-site satellite location within 1,320 feet of the zoning lot. Such distance between a zoning lot and its satellite parking must be measured radially between the nearest points of the lot lines of the zoning lot and the satellite parking, respectively. Satellite parking is further subject to the following requirements:

(1) Pedestrian access to any satellite parking facility must be via a paved sidewalk or walkway.

(2) The owner of the zoning lot that is served by the satellite parking must have an ownership or leasehold interest in the property on which the satellite parking is located. The City Planning Commission staff may require evidence of such ownership or leasehold interest in the form of a lease, recorded covenant, or other comparable legal instrument as part of the development review process set forth in Section 5 of this Form-Based Code.

(g) *Shared parking facilities.* If a zoning lot cannot feasibly contain onsite the minimum number of required parking spaces, the City Planning Commission staff may authorize the use of a shared parking facility if such facility satisfies the following standards:

(1) *Capacity.* The shared parking facility must have sufficient parking capacity to accommodate the minimum number of required parking spaces for each zoning lot that shares in its use. A single parking space in a shared parking facility may be counted against the minimum parking requirements of multiple zoning lots only if such zoning lots are reasonably anticipated to have distinct time frames for peak parking demand.

(2) *Location.* The shared parking facility must be located not more than 1,320 feet from the zoning lot, measured radially in accordance with the method set forth in Subsection (f) of this section.

(3) *Required study and analysis.* The applicant for development of the zoning lot shall submit a shared parking analysis to the City Planning Commission staff as part of the development review process that demonstrates the feasibility of use of the shared parking facility. The study must identify the size and type of the proposed development, the minimum number of required parking spaces, the anticipated rate of parking turnover and the anticipated peak parking and traffic loads for all uses to be located on the zoning lot, and the distance between the shared parking facility and the zoning lot; and

(4) *Shared parking agreement.* The owner of the zoning lot must have all necessary rights, in the form of an ownership or leasehold interest in the property on

which the shared parking facility is located or a shared parking agreement or other contractual agreement, for use of the requisite number of parking spaces in the shared parking facility. The applicant for development of the zoning lot shall submit evidence of such rights to the City Planning Commission staff as part of the development review process.

(h) All street frontage of any zoning lot along which on-street parking is permissible may be utilized to satisfy a portion of the applicable minimum parking requirement for the zoning lot. Every continuous length of street frontage alone which on-street parking is permissible that is at least 23 feet long and abuts the zoning lot may be counted as one space for purposes of satisfying the minimum parking requirement for the zoning lot.

**Sec. 11. Perimeter definition, landscaping, fencing, and signage.**

(a) Lot perimeter standards for each principle and rear building type, including fencing and hedge height standards, are required as set forth in Section 12 of this Form-Based Code.

(b) Any parking lot that is adjacent to a street or an abutting zoning lot must be effectively screened from such street or zoning lot by a perimeter wall or fence in accordance with Sections 50-14-341 and 50-14-342 of this Code.

(c) A fence or hedge row may be placed along the lot lines of any zoning lot

so as to define the perimeter of such zoning lot. Permissible fencing and hedging for each building type is set forth in Section 12 of this Form-Based Code, subject to the following standards:

(1) Chain link fences are prohibited along primary and secondary front lot lines.

(2) Fence posts and supporting rails must face inward toward the zoning lot being fenced and the finished face must be oriented towards the adjacent zoning lot or street, as applicable.

(3) Fences located forward of any maximum primary or secondary front setback must not exceed four feet in height and must be no more than 50 percent opaque.

(d) Fences located behind any maximum front setback must be not exceed six feet in height and may be fully opaque.

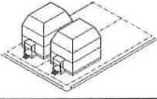

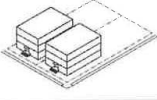

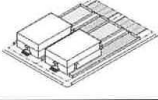

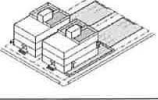

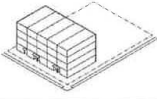

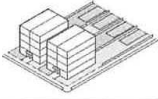

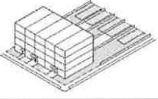

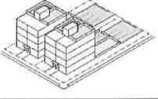

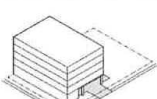

(e) *Landscaping.* Landscaping for any zoning lot to which this Form-Based Code applies must be in accordance with the provisions of Article XIV, Division 2, of this Chapter.

(f) *Signage.* Signage located on any zoning lot to which this Form-Based Code applies must be in accordance with applicable provisions of Chapter 4 and Chapter 50 of this Code. All signage must be tastefully designed to be visually appealing in character with surrounding development and in accordance with the Brush Park Historic District Elements of Design and the Brewster-Wheeler Recreation Center Historic District Elements of Design, as applicable.

**Sec. 12. Principal and rear building types.**

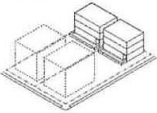

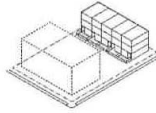

(a) Permissible principle building types are Single-Family House, Multiplex, Townhouse, and Mid-Rise Building, each of which is depicted in Table 12(a) in this section.

**TABLE 12(a): Principal Building Types and Example Variations.**

Multiplex	Duplex	Triplex	Sixplex
			
Townhouses	Side by Side Townhouses	Attached Townhouses	Stacked Townhouses
			
Mid-Rise Building	Apartment Building	Mixed-use Building	
			

(b) Permissible rear building types are Carriage House and Mews Building, each of which is depicted in Table 12(b) in this Section.

**Sec. 13. Use standards.****(a) *In general.***

(1) The use of any zoning lot within the area to which this Form-Based Code applies is subject to the applicable provisions of Article XII, Divisions 2 and 3, of this chapter. If any provision in this section conflicts with the provisions of Article XII of this chapter, this section controls.

(2) Uses are permissible on a zoning lot based on the type of the street that abuts the primary front lot line of the zoning lot according to Table 13 in this section. Use categories and specific use types not expressly authorized for any particular street type are prohibited.

(b) ***Use categories.*** Multiple uses may operate within any building type on a zoning lot, provided, that each use is permissible for that building type.

**(c) *Understanding the use table.*** Table 13 in this Section is organized as follows:

(1) Use categories and specific use types are identified in the first column of Table 13 in this Section and are separated by headings for organizational purposes.

(2) The permissibility of each specific use type on zoning lots that are adjacent to each street type are identified in the second, third, and fourth columns of Table 13 in this section.

(3) ***Uses permissible by-right.*** An "R" in Table 13 in this section corresponding to a particular specific use type and street type indicates that the specific use type is permissible as a matter-of-right on any zoning lot for which the primary front lot line abuts a street of the specified street type, subject to compliance with all other applicable regulations of this chapter.

(4) ***Uses not permissible.*** An "N" in Table 13 in this section corresponding to a particular specific use type and street type indicates that the specific use type is not permissible on any zoning lot for which the primary front lot line abuts a street of the specified street type.

(5) ***Uses for civic spaces.*** Notwithstanding anything in this Form-Based Code to the contrary, the following specific use types are permissible as a matter of right on any zoning lot shown as civic space on Map 7(b) in Section 7 of this Form-Based Code regardless of the street type that abuts the primary front lot line of the zoning lot. Specific use types that are not expressly authorized as a matter of right are prohibited.

(i) Outdoor recreation facility.

(ii) Outdoor art exhibition grounds; sculpture gardens.

(iii) Urban garden.

(iv) Retail sales incidental and accessory to permissible uses in the Civic Spaces, such as food service, concession stands, and other activities deemed appropriate by the City Planning Commission staff.

To your Committee of the Whole was referred Petition of Rubo Music Solutions (#1299), to hold "Rubofest 2020". After consultation with all the concerned departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,

SCOTT BENSON

Chairperson

By Council Member Benson:

Resolved, That permission be and is hereby granted to Petition of Rubo Music Solutions (#1299), to hold "Rubofest 2020" at St. Anne and Bagley, on August 29, 2020 from 11:00 AM to 10:30 PM with set up and teardown to be complete on event date.

Resolved, That Buildings and Safety Engineering Department is hereby authorized to waive the zoning restrictions on said property during the period of the event.

Provided, That the petitioner secures a temporary use of land permit which will include the erection of any mechanical devices and temporary structures. An inspection of electrical work is required prior to opening the facility to the public, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding "use of Tents for Public Assembly", and further

Provided, That said activity is conducted under the rules and regulations of concerned departments and the supervision of the Police Department, (Grant subject to departmental conditions), and further

Provided, That such permission is granted with the distinct understanding that petitioners assume full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petitions, and further

Provided, That site be returned to its original condition at the termination of its use, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Honorable City Council:

Re: Petition No. 1279 — Sabra Thompson, request to vacate and convert to easement the public alley between Pickford Avenue and Curtis Avenue, bounded by Prairie Avenue and Monica Avenue.

Petition No. 1279 — Sabra Thompson, request to vacate and convert to easement the public alley between Pickford Avenue (50 ft. wide) and Curtis Avenue (66 ft. wide), bounded by Prairie Avenue (70 ft. wide) and Monica Avenue (70 ft. wide).

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an unimproved alley from the City of Detroit right-of-way network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, The public alley between Pickford Avenue (50 ft. wide) and Curtis Avenue (66 ft. wide), bounded by Prairie Avenue (70 ft. wide) and Monica Avenue

(70 ft. wide), further described as land in the City of Detroit, Wayne County, Michigan being: All of the north-south alley (18 ft. wide) lying easterly of and adjoining lots 572 through 588 and lying westerly of and adjacent to lots 555 through 571 all within "Canterbury Gardens No. 1" as recorded in Liber 37, Page 66 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all

costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

City Engineering Division – DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Hudson Real Property, LLC or their assigns to install and maintain encroachments for event terraces, structural overhangs, and a canopy on the building facade of the proposed building at 1208 Woodward Avenue, further described as follows:

1. Terrace encroachments extending 6 ft. into the right-of-way and ranging from 19 ft. above grade to 186 ft. above grade on the east side of Woodward Avenue (120 ft. wide), south side of Grand River Avenue (60 ft. wide) and the west side of Farmer Street (71 ft. wide) adjoining lots 33 through 36 and part of lot 37; lots 72 through 75 and part of lot 76; and adjoining the northerly opening of the north-south vacated alley (20 ft. wide) and the easterly opening of the east west vacated alley (20 ft. wide) all within "Plat of Section of the Governor and Judges Plan" as recorded in Liber 34, Page 544 of Deeds, Wayne County Records.

2. Overhang encroachments extending 1 ft. into the right-of-way and ranging from 19.5 ft. above grade to 140 ft. above grade on the north side of Gratiot Avenue (60 ft. wide) and on the west side of Farmer Street (71 ft. wide) adjoining lots 39 and 77-78, also the southerly opening of the north-south vacated alley (20 ft. wide) all within "Plat of Section of the Governor and Judges Plan" as recorded in Liber 34, Page 544 of Deeds, Wayne County Records.

3. Canopy encroachment extending 22.5 ft. into the right-of-way, having a width of 8812 ft. and ranging from 15 ft. above grade to 24 ft. above grade, with the lip of the canopy being 17.1 ft. above grade on the west side of Woodward Avenue (120 ft. wide) adjoining part of lots 38 & 39 within "Plat of Section of the Governor and Judges Plan" as recorded in Liber 34, Page 544 of Deeds, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner: and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain a vertical clearance of 18 feet above grade from DWSD facilities for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the underground pipes are encased in concrete to protect them from inadvertent damage, and permanent monuments be installed at the intersection of the property line and the centerline of the installed pipes, and further

Provided, That the Hudson Real Prop-

erty LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works City Engineering Division, and further

Provided, Hudson Real Property LLC or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

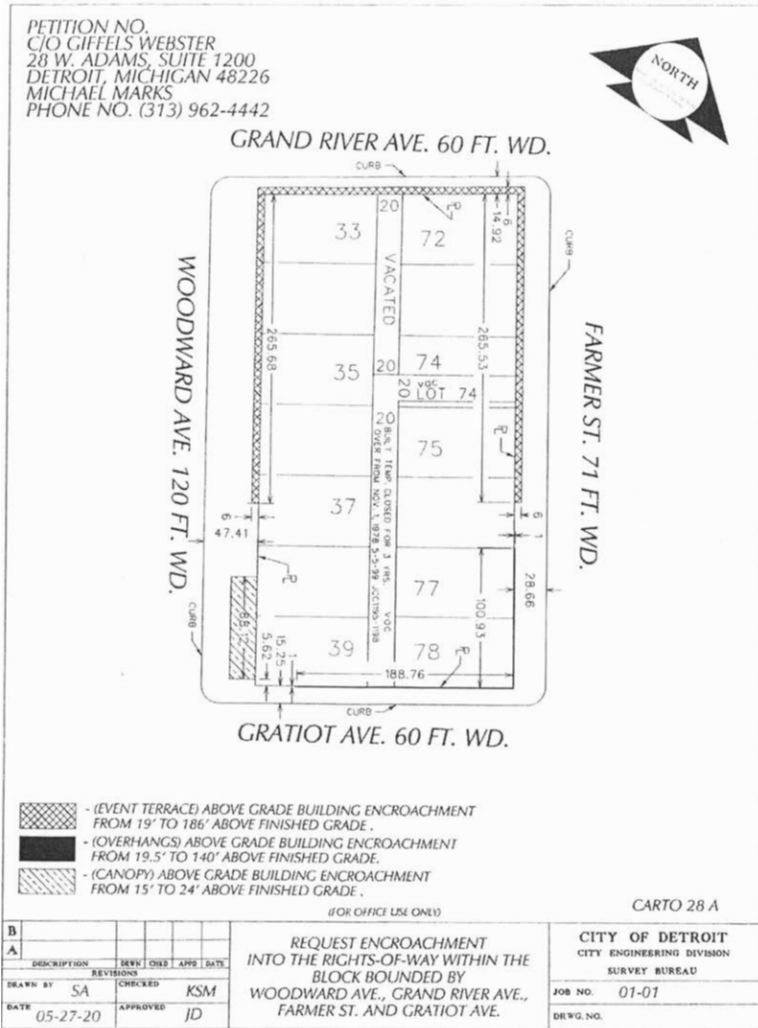

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Hudson Real Property LLC or their assigns, and further

Provided, That, all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Hudson Real Property LLC or their assigns. Should damages to utilities occur Hudson Real Property LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Hudson Real Property LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims.

Re: Petition No. 1291 — Belal Baydoun & Shadonna Rawls, request to vacate and convert to easement the public alley between West McNichols Road and Grove Street, bounded by Baylis Street and Inverness Street.

Petition No. 1291 — Belal Baydoun &

Shadonna Rawls, request to vacate and convert to easement the public alley between West McNichols Road (66 ft. wide) and Grove Street (66 ft. wide), bounded by Baylis Street (70 ft. wide) and Inverness Street (80 ft. wide).

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an unimproved alley from the City of Detroit right-of-way network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Depart-

ment (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Resolved, The public alley between West McNichols Road (66 ft. wide) and Grove Street (66 ft. wide), bounded by Baylis Street (70 ft. wide) and Inverness Street (80 ft. wide), further described as land in the City of Detroit, Wayne County, Michigan being:

1. All of the north-south alley (10 ft. wide) lying easterly of and adjoining lots 3 through 18; also the east-west alley (18 ft. wide) lying southerly and adjacent to lots 1 & 2 and northerly and adjacent to lot 3 all within "Nagel's Golf Club Subdivision" as recorded in Liber 42, Page 47 of Plats, Wayne County Records.

2. All of the north-south alley (10 ft. wide) lying west of and adjacent to lots 221 through 233, and part of the east-west alley (18 ft. wide) lying southerly and adjacent to lots 219 & 220 and northerly of lot 221 all within "Log Cabin Heights" as recorded in Liber 31, Page 52 of Plats, Wayne County Records

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever

accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of back-hoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

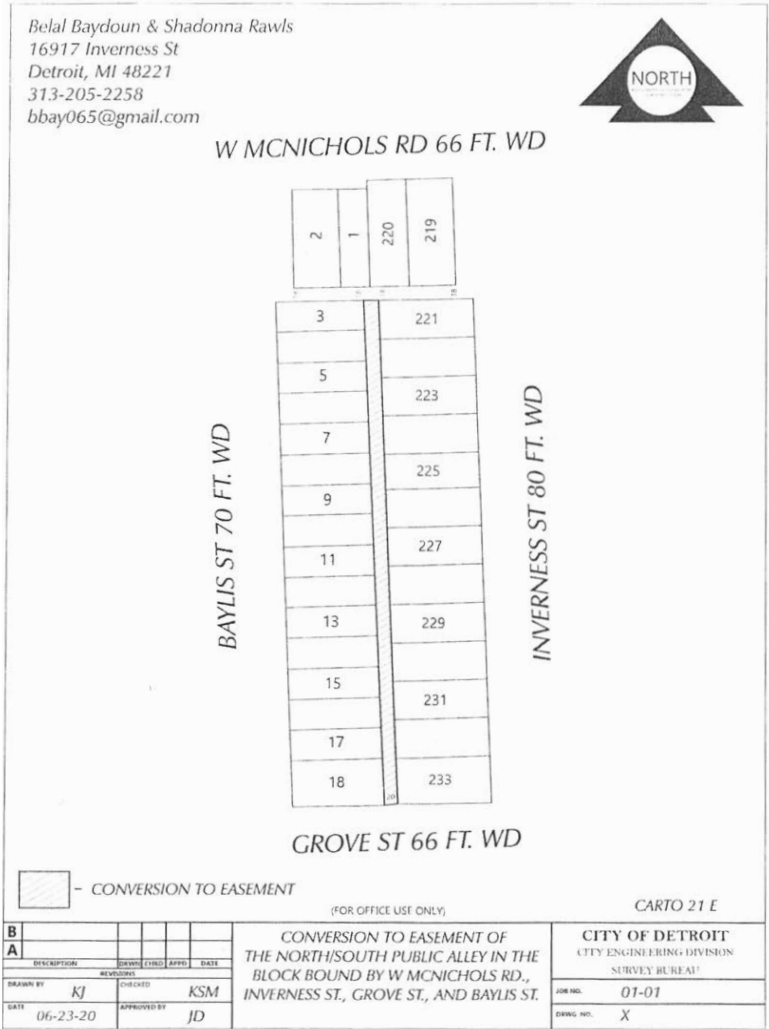

Provided, That if any time in the future, the owners of any lots abutting on said

vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:  
 Re: Petition No. 1293 – Walters & Associates, on behalf of Joe Mifsud, request to vacate and convert to easement the public alley between Michigan Avenue and Rose Street, bounded by Sixteenth Street and Seventeenth Street.

Petition No. 1293 – Walters & Associates, on behalf of Joe Mifsud, request to vacate and convert to easement the public alley between Michigan Avenue (120 ft.) and Rose Street (50 ft.), bounded by Sixteenth Street (60 ft.) and Seventeenth Street (60 ft.).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made for the consolidation of abutting parcels and land use expansion of businesses.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley between Michigan Avenue (120 ft.) and Rose Street (50 ft.), bounded by Sixteenth Street (60 ft.) and Seventeenth Street (60 ft.), further described as land in the City of Detroit, Wayne County, Michigan being:

1. All of the north-south alley (10 ft. wide) lying easterly of and adjoining lots 300, 301, 308, 309, 316, 317, 324, and 325; also the east-west alley (20 ft. wide) lying southerly and adjacent to lots 341 & 342 and northerly and adjacent to lot 325 all within "Plat of Subdivision of Part of Private Claim No. 473 known as the Stanton Farm" as recorded in Liber 47, Page 558-559 of Plats, Wayne County Records.

2. All of the north-south alley (10 ft. wide) lying west of and adjacent to lots 4 through 11, and part of the east-west alley (20 ft. wide) lying southerly and adjacent to lot 3 all within "Plat of Front Subdivision of Lafontaine Farm, Private Claim No. 44 between Detroit River & Chicago Road" as recorded in Liber 59, Page 154-155 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances,

with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities: and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future,

the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

**Permit**

Honorable City Council:  
 To your Committee of the Whole was referred Petition of Tabernacle Missionary Baptist Church (#1245), request to install approximately six (6) banners on West Grand Blvd. and Grand River Ave. to promote, recognize and celebrate the 100th anniversary of Tabernacle Missionary Baptist Church — a Detroit — Westside Historic Landmark Church, from July 1st, 2020 through October 1st, 2020. After

consultation with the Public Works Department and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,  
**SCOTT BENSON**  
 Chairperson

By Council Member Benson:  
 Resolved, That subject to the approval of the concerned departments, permission be and is hereby granted to referred Petition of Tabernacle Missionary Baptist Church (#1245), request to install approximately six (6) banners on West Grand Blvd. and Grand River Ave. to promote, recognize and celebrate the 100th anniversary of Tabernacle Missionary Baptist Church — a Detroit — Westside Historic

Landmark Church, from July 1, 2020 through October 1, 2020 and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department, and further

Provided, That the banners are erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for, a traffic control device, or which attempts to direct the movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which may be construed to advertise, promote the sales of or publicize any merchandise or commodity or to be political in nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That banners are placed on Public Lighting Department poles as not to cover traffic control devices, and further

Provided, That banners are installed under the rules and regulations of the concerned departments, and further

Provided, That petitioner assumes full responsibility for installation and removal of the banners, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petitioner, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

July 15, 2020

Honorable City Council:  
 Re: Delegation of City Council Special District Review and approval of building permit applications during Summer recess 2020. (RECOMMEND APPROVAL)

According to the City of Detroit Zoning Ordinance the Detroit City Council approves by resolution any work undertaken by permit on land zoned PC or PCA after receiving recommendation from the Planning and Development Department and the City Planning Commission. It has become the practice of your Honorable Body to delegate this responsibility to the staff of the City Planning Commission during periods of recess when permit applications of this sort may be submitted and need to be addressed in a timely fashion. The Council's delegation of this responsibility allows work, compliant with the City Code, to advance during recess and/or when the Body is not conducting business in the context of your regular meetings.

Attached for your consideration You will find a resolution effectuating the delegation of Special District Review and corresponding action jointly to the Planning and Development Department and the City Planning Commission staff for your Summer recess 2020.

Respectfully submitted,  
 MARCELL R. TODD, JR.  
 Director

By Council Member Tate:  
 Whereas, The Detroit Zoning Ordinance requires that any permit application submitted to the Building and Safety Engineering and Environmental Department related to the Exterior design, location and appearance of work within the Public Center (PC) District and the Public Center Adjacent/Restricted Central Business (PCA) District must be reviewed by the City Planning Commission (CPC) and the Planning and Development Department (P&DD); and

Whereas, Consistent with Sec. 50-3-182 of the Zoning Ordinance, the City Council approves by resolution, any such permit application subsequent to receipt of a report and recommendation from the Planning and Development Department and the City Planning Commission; and

Whereas, The Detroit City Council will be on recess July 29, 2020 through September 7, 2020, and the City Council's Committees will not resume meeting until that time; and

Whereas, Time sensitive requests for work in these districts may be received by the City while the Council is not in session; and

Whereas, It is the desire of the Detroit City Council to facilitate such requests and not unnecessarily delay the issuance of building permits.

Now Therefore Be It

Resolved, The Detroit City Council authorizes the Planning and Development Department and the City Planning Commission staff to jointly review, approve, approve with conditions or deny any permit applications for land zoned PC or PCA submitted between July 29, 2020 and September 7, 2020 and to do so in consultation with other City agencies as may be appropriate.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

**City Planning Commission**

July 14, 2020

Honorable City Council:

Re: Special District Review of proposed signs at 511 Woodward Avenue. (RECOMMEND APPROVAL)

**REQUEST**

The City Planning Commission (CPC) has received a request to review the installation of business signs on a portion of the building at 511 Woodward Avenue.

The PCA (Restricted Central Business District) zoning classification, in which the building is located, calls for City Council approval of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (P&DD), found in Sections 50-3-222 and 50-11-96 of the Zoning Ordinance. This address is within the Financial Center Historic District and the proposed signs require the review and approval of the Detroit Historic District Commission (HDC) as well.

On July 23, 2019, City Council approved the request of Iconic-55, LLC for PCA review of overall redevelopment and exterior changes to 511 Woodward – the former Detroit Federal Savings and Loan Association Building. On June 26, 2019, the HDC approved the overall redevelopment of 511 Woodward Avenue subject to several conditions.

This specific request involves signs for the Capital One Café and Peet's Coffee, who are tenants within the building. CPC

and P&DD staff reviewed the proposed modifications, and CPC staff submits this report and recommendation.

Attached are the proposed plans for the signs.

**PROPOSAL**

Six signs are proposed and summarized as follows:

1. Capital One Café wall sign, Woodward facade, 20 inch Halo-Lit, 94.2 square feet (sf)
2. Capital One Café wall sign, Congress facade, 10 3/8 inch Halo-Lit, 25.3 sf
3. Capital One Café illuminated blade sign, Congress facade, 4.8 sf
4. Peet's Coffee hanging window sign, Congress facade, interior illuminated, 9 sf
5. Peet's Coffee hanging window sign, Woodward facade, interior illuminated, 9 sf
6. Capital One Café hanging window sign, Woodward facade, interior illuminated, 9 sf

**REVIEW**

In accordance with the Special District Review provision of Sec. 50-3-225 of the Detroit Zoning Ordinance and the PCA provisions of Section 50-11-97, reviews of proposed signs should be conducted in light of the following criteria:

"Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner."

In general, the proposed signs appear to meet the requirements of City Code and the criteria of the PCA provisions. However, the HDC staff has noted that the first sign listed above (1. Capital One Café wall sign, Woodward facade, 20 inch Halo-Lit, 94.2 square feet) is proposed to be mounted too high and should be lowered to be consistent with the location shown in the original building plans approved by the HDC in June 2019.

**RECOMMENDATION**

CPC staff has completed its review of the proposed signs, as has the P&DD staff. We find that the signs would be in keeping with the spirit and intent of the PCA zoning district. Therefore, staff recommends approval of the location and design of the proposed signs, with the recommended change by the HDC that the Capital One wall sign facing Woodward Avenue be lowered. Please find attached the appropriate resolution to effectuate your approval should you concur.

Respectfully submitted,

Staff

By Council Member Tate:

Whereas, SSG, on behalf of Capital One Cafe and Peet's Coffee, has requested to install six business signs (three on Woodward Avenue and three on

Congress Avenue) on the building located at 511 Woodward Avenue; and

Whereas, The building is subject to provisions of Sec. 50-3-225 (Special District Review) and Sec. 50-11-97, the PCA (Restricted Central Business District) zoning classification of the Detroit Zoning Ordinance; and

Whereas, The PCA zoning district classification requires that the location and design of proposed signs within a PCA district be approved by resolution of the City Council following the receipt of a written report and recommendation from the City Planning Commission; and

Whereas, Both the Planning and Development Department and the staff of the City Planning Commission have reviewed the proposal in order to ensure that the proposed signs are in keeping with the spirit, purpose and intent of the PCA zoning district classification; and

Whereas, The Historic District Commission staff based on the Historic District Commission approval of the overall building changes, notes that one of the six signs (the Capital One Café wall sign, on the Woodward facade, 20 inch Halo-Lit, 94.2 square feet) should be lowered to be consistent with the location shown in the approved plans from its review in June 2019; and

Whereas, The signs meet the requirements for business signs provided in Chapter 3, Article VII of the 1984 Detroit City Code;

Now, Therefore, Be It

Resolved, That the Detroit City Council approves the location and design of the six proposed business signs for the building located at 511 Woodward Avenue, described in the foregoing communication from the City Planning Commission staff and as depicted in the drawing prepared by SSG and dated May 14, 2019 and Image Industries dated December 23, 2019, with the condition that the Capital One Café wall sign (on the Woodward façade, 20 inch Halo-Lit containing 94.2 square feet) should be lowered to be consistent with the location in the approved plans by the Historic District Commission in June 2019.

Honorable City Council:

Re: 2021-22 Community Development Block Grant/ Neighborhood Opportunity Fund (CDBG/NOF) Program Update, Threshold Criteria, and Funding Priorities.

Similar to previous years, the Housing and Revitalization Department (HRD) is in the process of preparing its Request for Proposals (RFP) for the 2021-22 CDBG/NOF Public Service funding cycle. The City will be inviting community organizations, human service organizations, and non-profit organizations who wish to participate to submit proposals. This report provides an update of the timeline and requests Council Members to reaffirm the threshold criteria and its funding priorities for the 2021-22 CDBG/NOF Public Service review.

New this year, the City will be switching its RFP submittal mechanism from Bidsync to Oracle. As a result, HRD and the Office of Contracting and Procurement will be providing additional training for using the Oracle based system and will be hosting Oracle training on July 27, 2020.

Also consistent with previous years, HRD held a NOF best practices forum for community groups on July 1, 2020. HRD will be hosting two proposal writing workshops (virtually): one in August and one in September 2020. The workshop will also be available via YouTube. The workshops will also provide additional training for the Oracle system. The RFP is expected to be released August 28, 2020 and due for submission by October 2, 2020.

Detroit City Council has annually adopted threshold criteria and funding priorities for the Public Service CDBG/NOF allocations. The threshold criteria and Council's funding priorities have generally remained the same year after year. It is recommended that Council take the necessary actions to formally adopt the joint threshold criteria and funding priorities that City Planning Commission staff and the Housing and Revitalization staff use in reviewing the CDBG/NOF proposals for the applicable fiscal year.

Attached for your consideration is a resolution to be used jointly by the Legislative and Executive branches of government for the review and evaluation of the 2021-22 CDBG/NOF Public Service proposals.

Respectfully submitted,

**RESOLUTION APPROVING  
BROWNFIELD PLAN OF THE  
CITY OF DETROIT BROWNFIELD  
REDEVELOPMENT AUTHORITY FOR  
THE ROYAL PALM DETROIT  
REDEVELOPMENT PROJECT**

City of Detroit  
County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution

establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Royal Palm Detroit Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on June 24, 2020, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on July 7, 2020 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on June 24, 2020; and

WHEREAS, The Authority approved the Plan on July 8, 2020 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on July 23, 2020.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381.

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226

July 17, 2020

Honorable City Council:

Re: Amended & Restated Obsolete Property Rehabilitation Exemption Certificate Agreement K8 Partners LLC in the area of 2119 Field, Detroit, Michigan.

On October 22, 2019, your Honorable Body adopted a resolution that (1) approved an Obsolete Property Rehabilitation Exemption Certificate for K8 Partners LLC ("Developer") at 2119 Field

("Project Site") in support the rehabilitation of the Project Site (the "Project") and (2) authorized the Planning and Development Department to enter into an Obsolete Property Rehabilitation Exemption Certificate Agreement ("OPRA Agreement") for the Project.

The OPRA Agreement requires that the Developer lease two (2) rental units at the Project Site to those earning not more than 80% of the Detroit SMSA area median income ("Affordable Housing Restriction"). The City and the Developer now wish to amend and restate the OPRA Agreement to replace the Affordable Housing Restriction with a requirement for the Developer to lease one (1) rental unit at the Project Site to those earning not more than 50% of the Detroit SMSA area median income. This deeper level of affordability will better support the housing needs of the neighborhood surrounding the Project Site.

In anticipation of completion of the Project, we hereby request that your Honorable Body adopt the attached resolution that approves an amended and restated OPRA Agreement that includes the above referenced deeper level of affordability.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, On October 22, 2019, your Honorable Body adopted that certain resolution that approved an Obsolete Property Rehabilitation Exemption Certificate for K8 Partners LLC ("Developer") at 2119 Field ("Project Site") in support the rehabilitation of the Project Site (the "Project") and (2) authorized the Planning and Development Department and City Assessor's Office to enter into that certain Obsolete Property Rehabilitation Exemption Certificate Agreement ("OPRA Agreement") for the Project; and

Whereas, The City of Detroit and Developer now wish to amend and restate the OPRA Agreement to provide for a deeper level of affordable housing; and

Whereas, Such amended and restated OPRA Agreement is attached hereto in Exhibit A (the "Amended & Restated OPRA Agreement"), which is incorporated herein by reference; and now therefore be it

Resolved, That Detroit City Council hereby approves the Amended & Restated OPRA Agreement; and be it further

Resolved, That the City of Detroit's Planning and Development Department ("P&DD") is hereby authorized to enter into and execute the Amended & Restated OPRA Agreement; and be it finally

Resolved, That P&DD, the City Assessor's Office and Detroit City Clerk are hereby authorized to submit and execute any and all documents that may be necessary or convenient to further process the Amended & Restated OPRA Agreement.

**EXHIBIT A  
AMENDED & RESTATED  
OPRA AGREEMENT**

**AMENDED & RESTATED OBSOLETE  
PROPERTY REHABILITATION  
EXEMPTION CERTIFICATE  
AGREEMENT**

THIS AMENDED & RESTATED AGREEMENT (this "Agreement"), by and between the City of Detroit (the "City"), a Michigan municipal corporation acting by and through its Planning & Development Department with an office at 2 Woodward Avenue, Suite 808, Detroit, MI 48226 and K8 Partners LLC (the "Applicant") with an office at 175 Great Neck Road, Suite 407, Great Neck, NY 1021 is made this 17th day of July, 2020.

**WITNESSETH:**

WHEREAS, Public Act 146 of 2000, as amended, also known as the Obsolete Property Rehabilitation Act (the "Act"), (1) provides for the establishment of obsolete property rehabilitation districts by local governmental units, (2) provides for the abatement or exemption from certain taxes for qualified obsolete property owners, and (3) allows local governmental units to levy and collect a specific tax from the owners of an obsolete property, among other provisions; and

WHEREAS, The Applicant has submitted an Application (the "Application") for an Obsolete Property Rehabilitation Exemption Certificate ("OPREC") for the property located at: 2119 Field, Detroit, MI 48214 (the "Property"). A copy of the Application is attached hereto as Exhibit A and made a part hereof; and

WHEREAS, The City has previously approved an obsolete property rehabilitation district pursuant to the Act, and the Property is located in such district; and

WHEREAS, The Applicant has committed to complete a Rehabilitation of the Property, as defined in the Act, and to hire or retain a certain amount of full-time employees at the Property during the Term (as defined below); and

WHEREAS, The City has approved the Application by adopting a resolution granting the OPREC to the Applicant, contingent upon the representations contained herein and pending approval by the Michigan State Tax Commission. A copy of the City resolution granting the OPREC is attached hereto as Exhibit B and made a part hereof; and

WHEREAS, This Agreement amends, restates and replaces in all respects that certain other Obsolete Property Rehabilitation Exemption Certificate Agreement dated the 11th day of October, 2019 by and between the parties and pertaining to the Property; and

NOW, THEREFORE, For good and valuable consideration, the receipt and

sufficiency of which are hereby acknowledged, the parties agree as follows:

**1. General.**

a. Unless earlier revoked as provided for in Section 12 of the Act, being MCL 125.2792, or as provided for in this Agreement, the term of the OPREC and the term of this Agreement (collectively, the "Term") will be twelve (12) years, beginning on the certificate beginning date stated in the OPREC issued by the Michigan State Tax Commission.

b. The Applicant will complete the Property Rehabilitation, as defined in the Act and as set forth in the Application, no later than Friday, October 1, 2021

c. The Applicant shall create, or cause to be created, at least one (1) (the "Employee Commitment Number") full-time employees at the Property within one (1) year of the effective date of the Agreement.

d. The Applicant will recruit and hire City of Detroit residents in accordance with specified targets as set forth in the City of Detroit Resident Employment Plan ("Employment Plan") submitted by the Applicant to the City as part of the Application and approved by the City of Detroit Civil Rights, Inclusion and Opportunity Department ("CRIO"). Throughout the Term, the Employment Plan may be modified in CRIO's sole discretion. CRIO will monitor the Applicant's compliance with the Employment Plan on an annual basis throughout the Term. Upon notice from CRIO of a discrepancy between the Applicant's commitment in the Employment Plan and the actual number of City of Detroit residents employed at the Property, Applicant shall submit a correction plan setting forth the Applicant's plan to bring the number of City of Detroit residents employed at the Property back up to the specified targets as set forth in the Employment Plan. Applicant's correction plan must be approved by CRIO. Applicant shall be required to fulfill the terms of such correction plan in the timeline set forth in the correction plan.

e. For purposes of this Agreement, a "full-time employee" is defined as a person: 1) who is employed by the Applicant or its affiliates on a salary, wage, commission, or other basis for a minimum period of forty (40) hours a week and 2) from whose compensation the Applicant or its affiliates, including a staffing agency, are required by law to withhold City of Detroit income taxes. Affiliates may include Applicant's tenant(s) that lease space at the Property.

f. The Applicant will comply with the attached Addendum 2 — Affordability Requirements, which is incorporated herein.

**2. Applicant Representations.**

In compliance with the Act, and in order to induce the City to grant the OPREC to the Applicant, the Applicant represents that:

a. The Applicant is the owner of the Property at the time of the Application and this Agreement.

b. The Property is an "Obsolete Property" as defined under the Act.

c. During the Term, no portion of the Property will be used as a professional sports stadium.

d. During the Term, no portion of the Property will be used, owned or operated by a casino or affiliated company, as defined in the Act.

e. The Applicant would not have considered accomplishing Rehabilitation of the Property without an OPREC.

f. Rehabilitation of the Property did not start prior to establishment of the obsolete property rehabilitation district in which the Property sits.

g. There are no delinquent taxes owed on the Property.

h. The Applicant will pay any applicable taxes on the Property as they become due.

i. The Rehabilitation and planned future operation of the Property is in compliance with the City of Detroit Zoning Ordinance and Master Plan.

j. If the Rehabilitation of the Property will include the provision of housing at the Property, the Applicant agrees to: 1) comply with Fair Housing Practices that meet the guidelines set forth by the U.S. Fair Housing Act (42 U.S.C. 3601 through 3619); and 2) comply with the Affordability Requirements set forth on Addendum 2, attached hereto.

### **3. Community Benefits Requirements.**

Pursuant to City of Detroit Ordinance 35-16 ("Ordinance"), also known as the Community Benefits Ordinance, if the Property involves a Tier 2 Development Project (as defined by the Ordinance), then the Applicant will:

a. Partner with the City and, when appropriate, a workforce development agency to promote the hiring, training and employability of Detroit residents, consistent with State and Federal Law.

b. Partner with the Director of the Planning & Development Department to address and mitigate negative impacts that the Tier 2 Development Project may have on the community and local residents. The Applicant will adhere to the mitigation requirements, if any, stated in the attached Addendum 1-4. b. Requirements, which is incorporated herein by reference.

### **4. Reporting to the City by the Applicant.**

Applicant agrees to provide the City with sufficient information, subject to review and audit by the City, in order to determine compliance with this Agreement. At a minimum, the Applicant shall provide the City with the following during the Term:

a. Upon request, the Applicant shall provide the Planning & Development Department copies of all construction

plans, building permits and certificates of occupancy related to the Rehabilitation of the Property. These documents, along with periodic site visits to the Property by the City, will serve to establish whether the Applicant is completing the Rehabilitation to the Property as required by the Act and this Agreement.

b. Within two (2) weeks after the first year of the Term and for each year of the Term thereafter, Applicant shall submit to the Planning & Development Department a certified status report ("Status Report") signed by an authorized officer of the Applicant. The Status Report shall set forth for the previous year: 1) the Rehabilitation work completed at the Property; 2) Applicant's financial investment in the Property for that year; and 3) the number of full-time employees at the Property for that year.

c. Within two (2) weeks after the last day of the first year of the Term and each year of the Term thereafter, the Applicant shall submit to CRIO the Annual Employment Report for Tax Abatements (the "Status Report"), including copies of proofs of residency that have been accepted by CRIO.

### **5. Revocation of OPREC and Termination of this Agreement.**

The City may, in its sole discretion and by resolution of Detroit City Council, revoke the OPREC if the City finds that: 1) the completion of Rehabilitation of the Property has not occurred in the time or manner authorized by this Agreement; or 2) that the Applicant has not proceeded in good faith with the Rehabilitation of the Property in a manner consistent with the purposes of the Act, taking into account any circumstances that are beyond the control of the Applicant.

Good faith efforts include, but are not limited to, the following: 1) Applicant is actively working with an agency or City Department to hire and ascertain methods of recruiting and employing Detroit residents at the Property, and 2) Applicant is actively working with the Detroit Economic Growth Corporation, the City's Planning & Development Department, and CRIO to ascertain methods of obtaining resources to improve Applicant's business in a manner that will allow for compliance with this Agreement.

### **6. Payment of Exempted Taxes for Shortfall of Employment.**

If the average number of full-time employees at the Property for any given year of the Term is less than the Employee Commitment Number, the Applicant agrees to pay to the City, in addition to the Obsolete Properties Tax due under the OPREC, an amount equal to the difference between the amount of ad valorem tax that would be due on the Property without the OPREC, and the amount of Obsolete Properties Tax due on the Property under the OPREC, for

that given year, multiplied by a fraction, the numerator of which is the shortfall in the number of full-time employees indicated in the Status Report, and the denominator of which is the Employee Commitment Number. Prior to taking any action to require the Applicant to pay an amount to the City pursuant to this Section, the City must afford the Applicant an opportunity to present reasons for the employment shortfall at a public hearing.

In the event that the Applicant fails to report the number of full-time employees at the Property for a given year of the Term in either the Status Report or Employment Plan, the number of full-time employees at the Property for purposes of this Section shall be deemed to be zero (0).

**7. Notice to City of Discontinuance of Operations.**

If during the Term the Applicant intends to discontinue operations at the Property, the Applicant will provide thirty (30) days' prior written notice of such shutdown of operations to the Director of the Planning & Development Department.

**8. Reservation of Remedies.**

The City and the Applicant agree that each of the rights and remedies provided by this Agreement may be exercised separately or cumulatively, and shall not be exclusive of any other rights and remedies provided by law. Invalidation of any of the provisions contained in this Agreement by operation of law, judgment, court order or otherwise shall not invalidate any of the other provisions of this Agreement.

**9. Transfer.**

Neither the OPREC nor this Agreement may be transferred or assigned by the Applicant to a new owner of the Property unless the City, in its sole discretion, approves such transfer or assignment upon application by the new owner.

**10. Headings.**

The headings contained in this Agreement are for descriptive purposes only, and do not alter or govern the substantive content of the provisions of the Agreement.

IN WITNESS WHEREOF, The City and the Applicant, by and through their authorized officers and representatives, have executed this Agreement as follows:

**ADDENDUM 1**

**4. b. Requirements**

[ None ]

**ADDENDUM 2**

**Affordability Requirements**

1. Affordable Housing Undertaking. The Applicant, as developer of the 2119 Field Street mixed-use project (the "Project") on the Property, will implement during the Term the following affordable housing plan for the planned eight residential apartments to be included within the Project:

a. The Applicant will offer for lease one (1) apartment unit ("Affordable Unit") to those earning not more than 50% of the Detroit SMSA area median income ("AMI"), based on the income limits most recently published by the United States Department of Housing and Urban Development ("HUD"). Rental rates will be based upon occupancy of 1 person in a studio and 1.5 people per bedroom for all other rental unit sizes.

b. Applicant will verify the income of any individual(s) who apply to lease an Affordable Unit.

c. In the event that the income of a tenant of an Affordable Unit becomes more than 50% of AMI, such tenant's unit shall be considered to comply with paragraph 1 above until the termination of the lease such unit, including during any extensions thereof.

d. Applicant currently intends to offer one three-bedroom unit as the Affordable Unit. Applicant may alter this unit mix in its discretion.

e. A vacant unit offered for rent pursuant to this paragraph counts toward satisfaction of Section (1)a above.

f. The commitments set forth herein may be terminated in the event an arms-length lender forecloses on a mortgage secured by the Project.

2. Payment for Exempted Taxes for Violation of Undertaking. If Applicant is not in compliance with its obligations under paragraph 1 of this Addendum and fails to cure its non-compliance within 60 days of written notice from the City, the Applicant shall pay to the City, in addition to the Obsolete Properties Tax due under the OPREC on the Property, an amount equal to the difference for the year of non-compliance between the amount of ad valorem tax otherwise due on the Property without the OPREC and the amount of the Obsolete Properties Tax due on the Property with the OPREC, multiplied by a fraction, the numerator of which is shortfall of the number of units that are not in compliance and the denominator of which is one. Prior to taking any action to require the Applicant to pay any amount to the City pursuant to this paragraph 2, the City shall afford the Applicant an opportunity to present at a public hearing reasons for the shortfall by the Applicant in its compliance with this Addendum.

<sup>1</sup>In the event that the AMI decreases in a subsequent year, the prior year AMI shall

continue in effect for the Project until and to the extent the AMI level later increases.

**Housing and  
Revitalization Department**

November 16, 2020

Honorable City Council:

Re: Annual HOME, CDBG, NSP Awards.  
New Awards / Additions to Previous Awards.

The City of Detroit (“City”), through the Housing and Revitalization Department (“HRD”), makes annual funding available for “ready-to-proceed projects” from HOME, CDBG and NSP federal funds allocated to the City through the U.S. Department of Housing and Urban Development (“HUD”). HRD has continued to work closely with HUD to meet required commitment and disbursement deadlines for new and ongoing projects approved by the City.

In support of affordable housing opportunities. HRD is hereby requesting approval to award funding to the following new projects:

1. La Joya Gardens (\$2,500,000.00 in HOME) — \$2,500,000.00 in HOME will be spent on this project at 4000-4060 W. Vernor to construct 53 new rental units with 40 units being affordable.

Additionally, HRD is hereby requesting approval to increase and/or revise funding sources for the following previously approved projects:

1. Clay Center (\$230,523.00 in CDBG-CV) — \$230,523.00 in CDBG-CV funds will be added to this project to cover additional construction costs related to COVID-19 to aid in the construction of 42 affordable units.

2. Brush & Watson – The previous award of \$2,100,000.00 in HOME funding will be reduced to \$1,050,000 in HOME funding. Additionally, \$1,500,000.00 in CDBG funding will be added to this project to due gap financing related to needed project infrastructure improvements.

3. University Meadows (\$392,410.00 in HOME) — \$392,410 in HOME funds will be added to this project to cover additional construction costs.

4. Peterboro Arms (Replace \$536,000.00 in AHD&PF funds with CDBG-CV Funds) — \$536,000.00 in AHD&PF funds will be replaced with

CDBG-CV funds due to certain construction costs being attributable to COVID-19.

We hereby request that your Honorable Body adopt the attached resolution that: (1) approves the aforementioned new project funding, (2) approves the aforementioned project funding increases and revised funding sources, (3) authorizes the HRD Director, or his authorized designee, to execute such documents as may be necessary or convenient to complete the transactions.

Respectfully submitted,

DONALD RENCHER

Budget Director

By Council Member Tate:

Whereas, The City of Detroit receives an annual allocation of HOME, CDBG and NSP (program income) Development funds from the U.S. Department of Housing and Urban Development (“HUD”), through the Housing and Revitalization Department (“HRD”), for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized HRD’s Director to accept and utilize HOME, CDBG and NSP funds according to HUD regulations during the City’s annual budgeting process; and now therefore be it

Resolved, That the City Council approves the new and revised allocations for the HOME and CDBG loans and/or grants for developers and/or borrowers as provided for herein and in the attached Exhibit 1: New and Amended 2020 HOME, CDBG and NSP Awards in the amounts indicated and with authorization to vary such new and revised allocation amounts by not more or less than 10% at the discretion of the HRD Director; and be it further

Resolved, That HRD will use Appropriation No. 10821 to spend \$2,500,000.00 in HOME funds on the following new project: “La Joya Gardens” — \$2,500,000.00; and be it further

Resolved, That HRD will use Appropriation No. 20813 to add \$230,523.00 in CDBG-CV funds on the following existing project: “Clay Center” — add \$230,523.00; and be it further

Resolved, That HRD will reduce the \$2,100,000.00 HOME award such that Appropriation No. 10821 will be used to spend only \$1,050,000.00 and will add an award of \$1,500,000.00 from Appropriation No. 20343 for the following existing project: “Brush & Watson” — reduce HOME to \$1,050,000.00 and add \$1,500,000.00 in CDBG; and be it further

Resolved, That HRD will use Appropriation No. 10821 to add \$392,410.00 in HOME funds on the following existing project: “University Meadows” — add \$392,410.00; and be it further

Resolved, That HRD will reduce the \$536,000.00 AHD&PF award such that AHD&PF funds will not be used and, instead, an increase of \$536,000.00 in CDBG-CV will come from Appropriation No. 20813 for the following existing project: "Peterboro Arms" - reduce AHD&PF to \$0.00 and add \$536,000.00 in CDBG-CV; and be it further

Resolved, That the HRD Director, or his authorized designee, is authorized to process, prepare and execute any and all loan and grant documents necessary or

convenient to close, secure and use HOME, CDBG and CDBG-CV funds according to HUD regulations and as approved by this resolution; and be it finally

Resolved, That the Budget and Finance Directors of the Office of the Chief Financial Officer are hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls when presented in accordance with the foregoing communication and standard City procedures.

Honorable City Council:

Re: Request to Review Prior Resolution.

The Housing & Revitalization Department ("HRD") is hereby requesting the authorization of your Honorable Body to amend a prior resolution passed by this Honorable Body on November 21, 2017, which, among other things, approved the acquisition of certain Exchange-Eligible Homes by the City as part of HRD's Bridging Neighborhoods Program ("BNP"). BNP desires to amend the list of Exchange-Eligible Homes that was attached to the 2017 resolution to add one (1) property that was originally omitted from that list.

I appreciate your assistance in making this possible, and am available at your convenience to discuss this request.

Respectfully submitted,

**Housing and Revitalization Department**

July 20, 2020

Honorable City Council:

Re: FY 2020-21 Budget Amendment to CDBG/NOF, ESG, HOME & HOPWA.

The Housing & Revitalization Department (HRD) hereby requests to amend the 2020-21 Community Development Block Grant, Neighborhood Opportunity Fund (CDBG/NOF), Emergency Solutions Grant (ESG), HOME Investment Partnerships (HOME) and Housing Opportunities for Persons With Aids (HOPWA) budgets to reflect the actual allocations received from the U.S. Department of Housing and Urban Development (HUD). Please see the attached spreadsheet (Schedule A) for all account information relative to this amendment.

The fiscal year 2020-21 budget for HUD's final allocations were received after the Departmental budgets were finalized. Therefore, the budgets in these programs needs to be adjusted to reflect HUD's final allocations. The Department is requesting that the revisions are approved to enable HRD to begin working with the actual allocations and community partners to facilitate the great work planned in the City of Detroit.

We respectfully request that your Honorable Body approve the attached resolution authorizing this amendment to the 2020-21 budget for the stated purpose.

Re: Request to Transfer Commercial Rehabilitation Certificate C2015-025 on behalf of Method MJ LLC in the area of 6540 St. Antoine Detroit, Michigan, in accordance with Public Act 210 of 2005 (Related to Petition #972).

The Housing and Revitalization Department and Finance Departments have reviewed the application of Method MJ LLC and find that it satisfies the criteria set forth by P.A. 210 of 2005 and would be consistent with development and economic goals of the Master Plan.

Public Act 210 of 2005 states that the legislative body of the qualified local governmental unit, may transfer and assign the holder of the certificate to a new owner of the rehabilitated facility.

We request that a City Council approve the transfer application for Method MJ LLC. Attached for your consideration, please find a resolution approving said transfer.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 210 of 2005 ("the Act") this City Council may adopt resolution approving the transfer application of a Commercial Rehabilitation Exemption Certificate by new owner of a rehabilitated facility within the boundaries of the City of Detroit; and

Whereas, Town Partners was the original owner of the property located at 6540 St. Antoine, Detroit, MI; and

Whereas, This City Council approved the application of Town Partners for a Commercial Exemption Certificate (Certificate no. C2015-025); and

Whereas, The new owner of the rehabilitated facility is Method MJ LLC.

Now Therefore Be It

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Method MJ LLC for the transfer of a Commercial Rehabilitation Exemption Certificate (Certificate No. C2015-025), is hereby approved with the certificate expiring December 30, 2027, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act.

iments to the establishment of the District were presented at the public hearing

Please find attached, a resolution and legal description, which will establish a Commercial Rehabilitation District in the Area bounded by 1000-1008 Townsend, Detroit, Michigan in accordance with Public Act 210 of 2005 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of the property.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
KELLY R. VICKERS  
Associate Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 210 of 2005 ("the Act") this City Council may adopt resolution approving the transfer application of a Commercial Rehabilitation Exemption Certificate by new owner of a rehabilitate facility within the boundaries of the City of Detroit; and

Whereas, Town Partners was the original owner of the property located at 6540 St. Antoine, Detroit, MI; and

Whereas, Pursuant to Public Act No. 210 of Public Acts of 2005 ("Act 210"), this City Council has the authority to establish "Commercial Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, CRES QOZB, LLC has requested that this City Council establish a Commercial Rehabilitation District in the area of 1000-1008 Townsend, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is in a duly designated business area, and is contiguous commercial property or commercial housing property; and

Whereas, Act 210 requires that, prior to establishing a Commercial Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on July 23, 2020 for the purpose of considering the establishment of the proposed Commercial Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, That the Commercial Rehabilitation District, more particularly described in the map and legal descrip-

tion attached hereto, is hereby approved and established by this City Council in accordance with Public Act 210 of 2005.

**Planning and Development Department**

July 10, 2020

Honorable City Council:

Re: Request for Property Transfers to the City of Detroit Brownfield Redevelopment Authority in Connection with the Eastern Market Framework Plan.

From 2018 to 2020, the Economic Development Corporation of the City of Detroit led a Neighborhood Framework Planning Study for the Eastern Market area (the "Framework Plan") on behalf of the City of Detroit Planning Department ("P&DD"). The three main goals of the Framework Plan are: 1) create jobs for Detroiters by expanding the food sector; 2) improve the quality of life for residents; and 3) keep the authenticity and function of Eastern Market.

The demand and need for new or improved food manufacturing and processing real estate space continues to increase. As of March of 2018, there were over 300 businesses and 6700 employees in the Eastern Market area, of which 97 business and over 1500 employees are directed connected to the food sector. Existing food manufacturing businesses within Eastern Market need to expand due

to antiquated facility space, and increased sales. At the same time, new food businesses desire to locate near Eastern Market to take advantage of the synergy of food sector supply line. Lack of space within the Eastern Market core significantly limits this expansion.

The Eastern Market Framework Plan lays out an urban sensitive design and thoughtful manner for food industry businesses to locate or expand in an area immediately adjacent to the Eastern Market core known as "Greater Eastern Market" (as depicted on **Exhibit A** and hereinafter referred to as the "Greater Eastern Market"). The boundaries of Greater Eastern Market are generally Dequindre Cut or Rail line on the west, Grandy St. on the east, Superior St on the North, and Wilkins St. on the South.

P&DD has requested the assistance of the City of Detroit Brownfield Redevelopment Authority ("DBRA") in land assembly activities aimed at establishing market-ready sites in and around Greater Eastern Market in order to attract food manufacturing and logistics companies (the "EM Land Assembly Project"). DBRA's activities in connection with the EM Land Assembly Project are expected to include, but not be limited to, the acquisition, marketing, and disposition of publicly and privately-owned property, primarily in Greater Eastern Market, with limited parcels in Eastern Market core, and public infrastructure and site readiness activities relating thereto.

In connection with the EM Land Assembly Project, DBRA has requested that the City convey to it certain City-owned parcels located in and around Eastern Market, primarily in Greater Eastern Market, as set forth on **Exhibit B**, together with (i) any other parcels now or hereinafter owned by the City within the marked development blocks depicted on **Exhibit A** and (ii) any streets and alleys adjacent to such parcels that have been previously vacated or will be vacated, in connection with the EM Land Assembly Project or otherwise (collectively, the "Property").

The DBRA will enter into development agreements with developers and/or end users for assembled development areas, including the Property. Sale proceeds generated under each such development agreement will be used to fund ongoing costs of the EM Land Assembly Project, including but not limited to acquisition of parcels owned by third parties, closing costs and carrying costs of the Property and/or any property so acquired, site preparation costs, the costs of public and private infrastructure, and local match requirements for any grants obtained in connection with the EM Land Assembly Project. The purchase price to be paid to the City for the Property will be the City assessor's land value for each City-owned parcels, as reflected in the most recent City

property tax records or as otherwise determined by the City Assessor, payable from the remaining net sale proceeds following the last in time sale of the Property pursuant to a development agreement, or the termination of the land transfer agreement, whichever occurs earlier.

In addition, the DBRA has requested approval of City Council of the conveyance by the Detroit Land Bank Authority ("DLBA") to the DBRA of all parcels now or hereinafter owned by the DLBA within the Greater Eastern Market, including but not limited to the parcels described on **Exhibit D** hereto (the "DLBA Parcels"), for purposes of the EM Land Assembly Project, subject to terms approved by the DLBA Board of Directors.

The Planning and Development seeks City Council's approval to enter into a Land Transfer Agreement, substantially in the form attached hereto as **Exhibit C**, to convey the Property to DBRA for the Purchase Price for the purpose of the EM Land Assembly Project, and approval of the DLBA's transfer of the DLBA Parcels to the DBRA for the EM Land Assembly Project.

Based on the foregoing, we respectfully request that this honorable body approve the attached Resolution in furtherance of the transactions described in this letter.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

Planning & Development Director  
By Council Member Tate:

Whereas, the City's Planning and Development Department ("P&DD") has requested the assistance of the City of Detroit Brownfield Redevelopment Authority ("DBRA") in land assembly activities aimed at establishing market-ready industrial sites in and around Greater Eastern Market, being the area generally bounded by the Dequindre Cut or Rail line on the west, Grandy St. on the east, Superior St. on the North, and Wilkins St. on the South and depicted on Exhibit A hereto ("Greater Eastern Market"), in order to attract food manufacturing and logistics companies (the "EM Land Assembly Project"), which activities are expected to include, but not be limited to, the acquisition, marketing, preparing and disposition of publicly and privately-owned property pursuant to development agreements with developers and/or end users for assembled development areas, including the Property; and

Whereas, In connection with the EM Land Assembly Project, DBRA has requested that the City convey to it certain City-owned parcels located in and around Eastern Market, primarily in Greater Eastern Market, as set forth on Exhibit B, together with any other parcels now or hereinafter owned by the City within the marked development blocks depicted on Exhibit A and any streets and alleys adja-

cent to such parcels that have been previously vacated or will be vacated in connection with the EM Land Assembly Project or otherwise (collectively, the "Property"); and

Whereas, The purchase price to be paid to the City for the Property will be the City Assessor's land value for each City-owned parcel transferred to DBRA, as reflected in the most recent City property tax records or as otherwise determined by the City Assessor, payable from the remaining sale proceeds following the last in time sale of the Property pursuant to a development agreement, or the termination of the land transfer agreement, whichever occurs earlier, net of DBRA's ongoing costs of the EM Land Assembly Project, including but not limited to acquisition of parcels owned by third parties, closing costs and carrying costs of the Property and/or any property so acquired, site preparation costs, the costs of public and private infrastructure, and local match requirements for any grants obtained in connection with the EM Land Assembly Project; and

Whereas, The DBRA has also requested approval of City Council of the conveyance by the Detroit Land Bank Authority ("DLBA") to the DBRA of all parcels now or hereinafter owned by the DLBA within the Greater Eastern Market, including but not limited to the parcels described on Exhibit C hereto (the "DLBA Parcels") for purposes of the EM Land Assembly Project, subject to terms approved by the DLBA Board of Directors; and

Whereas, The City of Detroit is authorized pursuant to the Brownfield Redevelopment Financing Act, being Act 381 of 1996, to transfer property to the DBRA; and now therefore be it

Whereas, The transfer of the Property by the City to the DBRA to promote the revitalization, redevelopment, and reuse of the Property, is in the best interests of the City, and will promote economic development.

Resolved, That the conveyance by the City, through P&DD, of the Property, for a purchase price equal to the City Assessor's land value for each City-owned parcel transferred to DBRA, as reflected in the most recent City property tax records or as otherwise determined by the City Assessor, payable from the remaining sale proceeds following the last in time sale of the Property pursuant to a development agreement, or the termination of the land transfer agreement, whichever occurs earlier, net of DBRA's ongoing costs of the EM Land Assembly Project, including but not limited to acquisition of parcels owned by third parties, closing costs and carrying costs of the Property and/or any property so acquired, site preparation costs, the costs of public and

private infrastructure, and local match requirements for any grants obtained in connection with the EM Land Assembly Project, is hereby approved; and be it further

Resolved, That Detroit City Council hereby approves the Land Transfer Agreement in substantially the form attached hereto as **Exhibit D** (the "Land Transfer Agreement"); and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute the Land Transfer Agreement and issue quit claim deeds for the sale of the Property, as well as execute such other documents as may be necessary or convenient to effect the transfer of the Property to the DBRA consistent with this resolution; and be it further

Resolved, That the P&DD Director, or his authorized designee is authorized to execute any required instruments to make and incorporate technical amendments to the Land Transfer Agreement or the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of closing and/or tender of possession of particular parcels) including in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it further

Resolved, That the Property, or any parcel or parcels comprising the Property, authorized to be conveyed to the DBRA under this resolution may, at DBRA's election and subject to the consent of the DLBA, be conveyed by the City to the DLBA for purposes of quieting title, with the DLBA thereafter deeding a property so transferred either back to the City, to the DBRA, or to DBRA's designee; and be it further

Resolved, That the City Council hereby approves the conveyance by the DLBA of the DLBA Parcels for purposes of the EM Land Assembly Project, subject to terms approved by the DLBA Board of Directors; and be it finally

Resolved, That the Land Transfer Agreement and quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

**Form of Land Transfer Agreement**  
**LAND TRANSFER AGREEMENT**  
**Eastern Market and**  
**Greater Eastern Market**

This Transfer of Land Transfer Agreement ("Transfer Agreement") made this \_\_\_\_ day of \_\_\_\_\_, 2020, by and between the CITY OF DETROIT, a

Michigan municipal corporation, acting by and through its Planning and Development Department (hereinafter referred to as the "City"), and THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY, a Michigan public authority and body corporate organized and existing under the Authority of Act 381 of the Public Acts of Michigan 1996, as amended (hereinafter referred to as the "DBRA").

**WITNESSETH;**

WHEREAS, The City has requested assistance from the DBRA in acquiring and/or preparing land in the City for the purpose of contributing such land to one or more economic development projects in the City, providing jobs for residents of the City, generating significant private financial investment in the City and creating other economic benefits for the City (the "Land Assembly Activities"); and

WHEREAS, From 2018 to 2020, the Economic Development Corporation of the City of Detroit led a Neighborhood Framework Planning Study for the Eastern Market area (the "Framework Plan") on behalf of the City of Detroit Planning Department ("PDD"), the three main goals of which are: 1) create jobs for Detroiters by expanding the food sector; 2) improve the quality of life for residents; and 3) keep the authenticity and function of Eastern Market; and

WHEREAS, In order to implement the recommendations of the Framework Plan, PDD has requested that the DBRA undertake Land Assembly Activities in and around Greater Eastern Market, being the area generally bounded by the Dequindre Cut or Rail line on the west, Grandy St. on the east, Superior St. on the North, and Wilkins St. on the South and depicted on **Exhibit A** hereto ("Greater Eastern Market"); and

WHEREAS, in order to implement the Land Assembly Activities in and around Eastern Market, DBRA has requested that the City convey to it certain City-owned parcels located in and around Eastern Market, primarily in Greater Eastern Market, as set forth on **Exhibit B**, together with any other parcels now or hereinafter owned by the City within the marked development blocks depicted on **Exhibit A** (each such parcel now or hereinafter owned by the City, a "Parcel"); and

WHEREAS, Certain streets and alleys adjacent to the Parcels have been previously vacated or will be vacated in connection with the Land Assembly Activities (all such heretofore or hereinafter vacated streets and alleys, the "Streets and Alleys" and the Streets and Alleys together with the Parcels, the "Property"); and

WHEREAS, DBRA intends to fund the Land Assembly Activities, in part, from the sale proceeds generated upon the sale of

the Property to third-party developers and/or end users (each, a "Developer"); and

WHEREAS, The City has agreed to transfer the Property to the DBRA in accordance herewith, pursuant to resolution of the City of Detroit City Council dated July, 2020 and attached hereto as **Exhibit C**; and

WHEREAS, The City and the DBRA have determined that the transfer of the Property by the City to the DBRA to promote the revitalization, redevelopment, and reuse of the Property, is in the best interests of the City, and will promote economic development.

NOW, THEREFORE, in consideration of the foregoing premises and of the covenants and agreements hereinafter contained, it is mutually agreed as follows:

**ARTICLE I**

1.01 Sale. Subject to the terms, covenants and conditions of this Transfer Agreement, the DBRA agrees to purchase and the City agrees to convey the Property by one or more quit claim deed for the Purchase Price (as defined below).

1.02 Purchase Price. The "Purchase Price" shall be an amount equal to the City Assessor's land value for each Parcel, as reflected in the most recent City property tax records or if not so reflected as otherwise determined by the City Assessor. The aggregate Purchase Price for Property transferred hereunder shall be paid to the City pursuant to the terms of a promissory note, executed by the DBRA for the benefit of the City (the "Promissory Note"), which Promissory Note shall be in form and substance satisfactory to the City. The Promissory Note shall be payable following earlier to occur of the last in time sale of the Property to a Developer and the termination of the Transfer Agreement pursuant to Section 8.12 hereof and shall be payable solely from the then remaining sale proceeds from the sales of the Property to the Developers, net of all Land Assembly Costs (as defined below). The City acknowledges and agrees that in the event that then remaining net sale proceeds are insufficient to pay the Purchase Price in full, the Promissory Note shall be non-recourse to the DBRA and the DBRA's payment of a portion of the Purchase Price shall fulfill all obligations contained under the Promissory Note. In the event that the then remaining net sale proceeds are in excess of amounts required to pay the Purchase Price in full, the DBRA shall return or use such excess proceeds in a manner approved by the Director of P&DD.

1.03 Title Commitments and Insurance. The DBRA may obtain and review commitments for title insurance insuring marketable title to a fee simple interest in the Property, at DBRA's sole cost and

expense. If the DBRA objects to the condition of title to any portion of the Property, the DBRA may decline to accept the transfer of such portion of the Property until the title is resolved to the DBRA's satisfaction. The City shall have no obligation to address, cure, or remove any exception to marketable or insurable title to the Property. The City will not order or pay the premium for an owner's policy of title insurance, nor will the City be required to provide any estoppel or seller's certificate to the DBRA, any grantee of the DBRA, or any title insurance company.

1.04 Quitclaim Deed. The City shall convey the Property to the DBRA by one or more quitclaim deeds from time to time as elected by DBRA.

1.05 Payment of Miscellaneous Expenses. The DBRA shall be responsible for recording and paying any fees for recording the quitclaim deed(s) and any other documents that the City determines must be recorded in connection with the transfer and development of the Property.

1.06 Condition of the Property. The DBRA shall accept the Property "AS IS", without any representation by or warranty from the City as to the condition of the Property.

## **ARTICLE II**

2.01 Developer. The DBRA may enter into one or more development agreements (each such agreement singularly referred to as a "Development Agreement" and all such agreements collectively referred to as the "Development Agreements") with one or more Developers. Any such Development Agreements shall provide for the sale of all or any portion of the Property to one or more private developers who shall develop the Property in accordance with the Development Agreement and such other conditions and/or limitations as the DBRA may require. Each Development Agreement shall require that the Developer comply with all then in effect City ordinances, executive orders and other legal requirements that would apply to such Development Agreement if the City were the selling party, including but not limited to City ordinances, executive orders and other legal requirements relating to affordable housing, Detroit resident hiring, and community benefits. DBRA shall have the right to use the sale proceeds from the sale of the Property under any Development Agreement to fund the costs of the Land Assembly Activities in the Eastern Market area, including but not limited to acquisition of parcels owned by third parties, closing costs and carrying costs of the Property and/or any property so acquired, site preparation costs, the costs of public and private infrastructure, and local match requirements for any grants obtained in connection with the Land Assembly Activities (the "Land Assembly Costs"). The

DBRA shall, prior to executing or amending any Development Agreement, submit the proposed terms of such Development Agreement or amendment thereto (the "Proposed Development Terms") to the City for review by the Detroit City Council, the Director of PDD, and the City's Corporation Counsel. Further, any Development Agreement or amendment thereof must be approved in writing by the Director of PDD and the City's Corporation Counsel; which approval shall not be provided prior to the date that is fourteen (14) days following delivery to City Council of the Proposed Terms. Notwithstanding the foregoing, DBRA shall provide notice to the Director of PDD of amendments relating solely to the extension of dates set forth in the Development Agreement, but such amendments shall not be subject to approval by the City.

2.02 Certificate of Completion. With respect to any portion of the Property conveyed to a Developer pursuant to a Development Agreement (the "Developed Parcels"), upon the satisfaction of the terms and conditions of such Development Agreement by the Developer, the DBRA may record a certificate of completion acknowledging that the development of the Developed Parcels has been completed in accordance with the Development Agreement (the "Certificate of Completion"). Upon the recording of said Certificate of Completion, the DBRA's obligations pursuant to this Transfer Agreement with respect to the Developed Parcels shall be deemed satisfied, and the terms and conditions of this Transfer Agreement, including but not limited to the provisions of Article III, shall no longer apply to any Developed Parcels which are described in the Certificate of Completion.

## **ARTICLE III**

3.01 Default. If the DBRA fails to comply with any material terms of this Transfer Agreement, the DBRA shall within thirty (30) days after receipt of written notice from the City, convey the Property back to the City by quitclaim deed and assign to the City the DBRA's interest in the Property, including any mortgage, security interest, promissory note or other instrument pertaining to the Property that was executed pursuant hereto. In the event that the DBRA fails to convey the Property and assign its interest in the Property in accordance with this Section 3.01, the DBRA hereby appoints the City its attorney-in-fact, with full power and authority to execute any and all documents necessary or convenient to convey the Property by quitclaim deed from the DBRA to the City and otherwise assign the DBRA's interest in the Property to the City.

3.02 Non-exclusive Remedy. The remedy provided for in Section 3.01 hereof shall be cumulative of all other remedies at law or in equity and shall not be the

exclusive remedy of the City against the DBRA for default by the DBRA under the terms of this Transfer Agreement.

#### **ARTICLE IV**

4.01 Independent Contractors. The relationship of the City and the DBRA is, and shall continue to be, an independent contractor relationship and no liability or benefits such as workers' compensation, pension rights or liabilities, insurance rights or liabilities or other provisions of liabilities arising out of or relating to a contractor for hire or employer/employee relationship shall arise or accrue to either party or either party's agents or employees with respect to the City as a result of this Transfer Agreement.

#### **ARTICLE V**

5.01 Mutual Cooperation. The parties acknowledge that mutual cooperation will be required to accomplish the intent and objectives of this Transfer Agreement, and therefore agree to cooperate mutually in the development of the Property in order to best serve the respective interests of the public, the City and the DBRA.

#### **ARTICLE VI**

6.01 Conflict of Interest. No officer or employee of the City or the DBRA shall have any personal interest, direct or indirect, in this Transfer Agreement or the Property, nor shall any such official or employee participate in any decision relating to this Transfer Agreement which affects his or her personal interest or the interest of any corporation, partnership, association or other legal entity in which he or she is directly or indirectly interested.

6.02 No Individual Liability. No official or employee of the City shall be personally liable to the DBRA or its successor in interest in the event of any default or breach by the City of any of the terms of this Transfer Agreement. No official or employee of the DBRA shall be personally liable to the City or its successor in interest in the event of any default or breach by the DBRA of any of the terms of this Transfer Agreement other than Section 6.01 hereof.

#### **ARTICLE VII**

7.01 Fair Employment Practices. In accordance with the United States Constitution and all federal legislation and regulations governing fair employment practices and equal employment opportunity, including but not limited to Title VI of the Civil Rights Act of 1964 (P.L. 88-352, 78 STAT. 252) and United States Department of Justice Regulations (28 C.F.R. Part 42) issued pursuant to the title, and in accordance with the Michigan Constitution and all state laws and regulations governing fair employment practices and equal employment opportunity, including but not limited to the Michigan Civil Rights Act (1976 PA 220), the DBRA agrees that it will not discriminate against any person, employee, consultant or applicant for

employment, training, education, or apprenticeship connected directly or indirectly with the performance of this Land Transfer Agreement with respect to his or her hire, promotion, job assignment, tenure, terms, conditions or privileges of employment or hire because of his (her) religion, race, color, creed, national origin, age, sex, height, weight, marital status, public benefit status, sexual orientation or handicap that is unrelated to the individual's ability to perform the duties of a particular job or position. The DBRA recognizes the right of the United States and the State of Michigan to seek judicial enforcement of the foregoing covenants against discrimination against itself or its subcontractors.

Breach of the terms and conditions of this section may be regarded as a material breach of this Land Transfer Agreement.

#### **ARTICLE VIII**

8.01 Notices. When either party desires to give notice to the other in connection with and in accordance with the terms of this Transfer Agreement, such notice shall be given by certified mail and shall be deemed given when deposited in the United States mail, postage prepaid, return receipt requested, and such notice shall be addressed as follows:

**Planning and Development Department**

July 13, 2020

Honorable City Council:

Re: Property Sale, 19519 W. Warren.

The City of Detroit, Planning and Development Department (“P&DD”) has received an offer from O & A Holdings LLC, a Michigan Limited Liability Company (the “Purchaser”), to purchase certain City-owned real property at 19519 W. Warren, Detroit, MI (the “Property”) for the purchase price of Thirty Thousand and 00/100 Dollars (\$30,000.00).

The Property consists of a 1700 square foot structure situated on land measuring approximately 20,000 square feet and zoned B4 (General Business District). The Purchaser proposes to demolish the Property and develop it as additional parking. This will be used in conjunction and to support their adjacent business, Tango Healthy Cannabis, located at 19533 W. Warren. Any use of the Property by the Purchaser shall be consistent with the allowable uses for which the Property is zoned.

We, therefore, request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee, to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to O & A Holdings LLC, a Michigan Limited Liability Company.

Sincerely,  
**KATHARINE G. TRUDEAU**  
 Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 19519 W. Warren, Detroit, MI (the “Property”), as more particularly described in the attached Exhibit A incorporated herein, to O & A Holdings LLC, a Michigan Limited Liability Company (the “Purchaser”), for the purchase price of Thirty Thousand and 00/100 Dollars (\$30,000.00); and be it further

Resolved, That the Director of the Planning and Development Department (“P&DD”), or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City’s Property Management Agreement with the Detroit Building Authority (“DBA”): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) shall be paid to the DBA’s

real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

**Department of Public Works  
 City Engineering Division**

June 9, 2020

Honorable City Council:

Re: Petition No. 1240 — Crossroads Consulting, request to convert to easement the alley located adjacent to property at 634 Selden and runs perpendicular to Selden Avenue.

Petition No. 1240 from the year 2017 – City of Detroit – Department of Public Works, request a revision to the previously adopted resolution to outright vacate the alley (14.75 ft. wide) adjacent to 634 Selden and runs perpendicular to Selden Avenue (100 ft. wide).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request for revision is being made as a result of the conditions of the outright vacation not being met. Said conditions set for the outright vacation were for the

City of Detroit to bear the costs of removing utility services located within the alley. After approval of petition x 1240 the City of Detroit sold the alley to the property owner of 628 Selden in a Quit Claim deed. The new owner cannot bear the costs of utility removal and has requested that this petition be amended to convert the alley to utility easement.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion to easement.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Whereas, On July 5th, 2017, your Honorable Body adopted a resolution Cross-roads Consulting in which the alley abutting 634 Selden was outright vacated, and

Whereas, At this time the City of Detroit desires to have a utility easement established within said alley, therefore be it

Resolved, That all of the north-south alley (14.75 feet wide) first west of Second Boulevard (100 ft. wide) in the block of Selden Avenue (100 ft. wide), Alexandrine Avenue (100 ft. wide), Third Avenue (70 ft. wide), and Second Boulevard (100 ft. wide) and further described as lying easterly of and adjoining the easterly line of Lot 20. Block 94 "Subdivision of part of Cass Farm" as recorded in Liber 1, Pages 175-177; also lying westerly of and adjoining the westerly of and adjoining the westerly line of Lots A, B, C, D, E, and F "Subdivision of Lots 17, 18, and 19 of Block 94 of Cass Farm" as recorded in Liber 4, Page 11 of Plats, Wayne County Records.

Be and the same are hereby converted to utility easement, subject to the following conditions and provisions:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and

inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gales), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of back-hoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE: facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to

the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal

and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:  
 Re: Petition No. 988 – Raincheck Development LLC, request to vacate and convert to easement part of the public alley between Philadelphia Avenue and Hague Avenue, bounded by Woodward Avenue and John R Street.

Petition No. 988 – Raincheck Development LLC, request to vacate and convert to easement part of the public alley between Philadelphia Avenue (60 ft. wide) and Hague Avenue (60 ft. wide), bounded by Woodward Avenue (100 ft. wide) and John R Street (60 ft. wide).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made for the consolidation of abutting parcels and land use expansion of businesses.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley between Philadelphia Avenue (60 ft. wide) and Hague Avenue (60 ft. wide), bounded by Woodward Avenue (100 ft. wide) and John R Street (60 ft. wide), further described as land in the City of Detroit, Wayne County, Michigan being: All of the north-south alley (20 ft. wide) lying easterly of and adjoining lots 3 & 4 and westerly and adjacent to lot 5; also the cast-west alley (10 ft. wide) lying northerly and adjacent to lot 5 and the west 30 ft. of lot 6 all within "Bela Hubbards Subdivision" as recorded in Liber 21, Page 7 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water, main, gas line or main, telephone or light pole or any utility facility placed or installed in the

utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break, or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for

the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

ment (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer

City Engineering Division – DPW  
By Council Member Benson:

Resolved, All of the alleys bounded by Brush Street (60 ft. wide), Watson Street (50 ft. wide), Beaubien Street (50 ft. wide), and Wilkins Street (50 ft. wide), further described as land in the City of Detroit, Wayne County, Michigan being:

1. The east-west alley lying northerly of and adjacent to lot 1 and southerly of and adjacent to lot 2 all within "Block II of Brush Subdivision of Part of Park lots 14 & 15 and Park of Brush Farm" as recorded in Liber 2, Page 25 of Deeds, Wayne County Records.

2. The east-west alley lying northerly of and adjacent to lots 7 through 9 and southerly of and adjacent to lots 15 through 17 all within "Miller and Wilcox's Subdivision of Out Lots 180, 182, & 184 of the Subdivision of the Lambert Beaubien Farm" as recorded in Liber 1, Page 86 of Deeds, Wayne County Records.

3. The north-south alley lying easterly of and adjacent to lots 9 & 15 and westerly of and adjacent to lots 10 through 14 all within "Miller and Wilcox's Subdivision of Out Lots 180, 182, & 184 of the Subdivision of the Lambert Beaubien Farm" as recorded in Liber 1, Page 86 of Deeds, Wayne County Records.

Be and the same are hereby vacated (outright) as public rights-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services, and further

Provided, That the petitioner shall design and construct proposed sewers and to make the connections to the existing public sewers as required by Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers, and further

Provided, That the plans for the sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers, and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City, and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed sewers, and further

Provided, That upon satisfactory completion, the sewers shall become City property and become part of the City system. And any existing sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**RESOLUTION IN SUPPORT OF  
 REDUCING EVENT WASTE IN  
 THE CITY OF DETROIT**

By Council Member Benson:  
 WHEREAS, The City of Detroit understands after cessation of coronavirus pandemic physical distancing measures there will be great opportunity for waste reduction in the course of large-scale events — those live events that take place outdoors, involve more than 2500 attendees, are open to the public, staffed by two or

more food vendors, and last at least 8 hours long — that take place within the city boundaries; limiting waste reduces the need for waste processing resources; and  
 WHEREAS, The City of Detroit created a Sustainability Action Agenda in 2019 that includes a specific goal of reducing waste sent to landfills; and  
 WHEREAS, Disposing of waste beneficially can provide for regenerated soil and revenue opportunities while disposing of waste incorrectly can lead to increased human health risks, resource depletion and planet warming; and  
 WHEREAS, The City of Detroit recognizes the importance of creating and adhering to a set of environmental guidelines by which large-scale events taking place in the city would abide; and

WHEREAS, The City of Detroit and the local events in our community strive to be leaders in the field of waste reduction as it pertains to large-scale events within the city boundaries; and

WHEREAS, The City of Detroit and the local events community view the natural surroundings (Detroit River, River Rouge protected wildlife areas, DNR-appointed protected fisheries and habitats, etc.) as valuable assets that the city and people must protect, sustain and improve; and

WHEREAS, The City of Detroit and the local events community must refocus and view the natural environment through a futuristic lens, creating a world for future inhabitants that is better than the one in which we now live; and

NOW THEREFORE, BE IT

RESOLVED, That the Detroit City Council recommends that City of Detroit adopt the following actions to reduce waste at events in Detroit:

A set of guidelines for waste reduction shall be created and distributed to the appropriate event signatory during the contract phase; the event signatory must confirm they have received the document by initialing the document.

Waste reduction recommendation policy and contract language shall be created and included in all contracts/permits for large-scale city events.

A welcome video promoting waste reduction shall be created and posted at the City's website in the Events tab.

A list of waste reduction Best Practices shall be created and posted at the City's website in the Events tab.

A list of proven waste reduction partners shall be created and posted at the City's website in the Events tab.

A marketing campaign shall be created around this initiative to be shared across social media platforms highlighting the innovation and leadership qualities of this program, specifically related to the Sustainability Action Agenda.

Guidelines for follow-up on the efficiency of this program shall be created; the program's effectiveness should be inspected and measured every year. Changes and improvements shall be made every 5 years, if necessary, based on the findings.

Oversight of this initiative should be assigned to the most appropriate position within the existing city personnel structure to guarantee the long-term survival of the initiative.

AND BE IT FURTHER RESOLVED THAT copies of this resolution shall be distributed to the Mayor and local media and citizen groups.

**RESOLUTION URGING DISMISSAL OF CRIMINAL CHARGES AGAINST INDIVIDUALS ARRESTED FOR PARTICIPATING IN RECENT PROTESTS AGAINST POLICE BRUTALITY**

By Council Member Castaneda-Lopez:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions and policy; and

WHEREAS, African Americans have long been disproportionately affected by surveillance technology and the target of racially-discriminatory policing. Police use of force is a leading cause of death for young men of color. Blacks are significantly more likely to endure policy brutality than whites, revealing that structural racism permeates the US law enforcement system; and

WHEREAS, The murder of George Floyd on May 25, 2020, after a police officer pressed his knee into Mr. Floyd's neck for nearly nine minutes, obstructing his breathing, as well as the equally senseless police murders of Breonna Taylor, Ahmaud Arbery, and other unarmed black individuals has sparked widespread protest, indignation and mourning across the country and in Detroit. As a result, thousands took to the streets in solidarity to engage in demonstrations against police brutality and systemic racism; and

WHEREAS, Protesters have voiced their outrage at a society and system of government that is inherently racist. Police brutality is one part of a larger system of racism that has devastating effects on black communities. As the Pediatric Infectious Diseases Society recently stated, "structural racism is more harmful to the health and well-being of children than infectious diseases, including COVID-19." In keeping with the long tradition of civil rights movements, Detroiters have marched in our streets and communities to keep unjustified police violence in the public eye, and have advocated for the immediate divesting of excessive funding for, and demilitarization of, police departments, and against police surveillance, among other things; and

WHEREAS, The First Amendment rights to freedom of speech, assembly, and to petition the government are foundational principles of a functioning democracy. The Supreme Court has stated that the "principle function of free speech under our system of government is to invite dispute. It may indeed best serve its high purpose when it induces a condition of unrest, creates dissatisfaction with conditions as they are, or even stirs people to anger". Public streets and other spaces have historically served as key places to exercise these rights, make democracy real and voice dissent and political

expression to stimulate public discourse and bring about social change; and

WHEREAS, The mass arrests of protestors who sought to exercise their constitutional rights to peaceably assemble have further fueled tensions between law enforcement and members of the community, and impede the urgently needed dialogue about systemic injustice and police brutality. NOW THEREFORE BE IT

RESOLVED, Detroit City Council strongly urges local law enforcement officials to dismiss all charges and not pursue prosecutions in cases stemming from individuals' participation in recent protests related to police brutality and racial justice. AND BE IT FINALLY

RESOLVED, That a copy of this resolution be transmitted to Mayor Mike Duggan, Detroit Police Chief James Craig, Detroit Corporation Counsel Lawrence Garcia, and Wayne County Prosecutor Kym Worthy.

1. *Agency* means, where appropriate and unless indicated otherwise, one or all of the following: any department, office, multi-member body, subdivision of the Legislative Branch of City government or other organization of City government and includes any elective officer, appointee, employee, or person acting or purporting to act in the exercise of official duties.

2. *Appoint* means being named to a position in the exempt service.

3. *Appointee* means a person holding either a compensated or uncompensated position.

4. *Appointive office or appointive officer* means compensated positions and appointees holding compensated positions.

5. *City* means the City of Detroit.

6. *City Clerk* means the City Clerk of the City of Detroit.

7. *City Council* means the legislative body of the City of Detroit.

8. *Confidential Information* means information obtained by a public servant by reason of his or her official position concerning the property, government or affairs of the City, or any office, department or agency thereof, not available to members of the public pursuant to the Michigan Freedom of Information Act or other applicable laws, regulations or procedures.

9. *Contractor* means a party who, or which, seeks to enter, or enters, into a contract with the City of Detroit for the delivery of goods or services, but does not mean one who seeks to enter, or enters, into a personal services contract, as defined in this section, with the City.

10. *Corrupt Conduct* means the conduct of a public servant, in carrying out his duties, that violates applicable laws or the Standards of Conduct articulated in this Charter.

-- *Debarment* means action taken by the City to exclude a person or entity from acting as contractor for a specified period of time.

11. *Director* means the administrative head of any department or agency regardless of the title of a particular director.

12. *District or ward* means a district drawn on a geographical basis, which constitutes a political unit from which members of the City Council, Board of Police Commissioners, and Community Advisory Councils are elected.

13. *Elective officers* means the Mayor, each member of the City Council, elected Board of Police Commissioners, and the City Clerk.

14. *Employee* means a person employed by the City of Detroit, whether on a full-time or part-time basis.

15. *Exempt service* means both compensated and uncompensated positions.

16. *Exercises significant authority* means having the ability to influence the outcome of a decision on behalf of the City of Detroit government in the course of the performance of a public servant's duties and responsibilities.

17. *Filling of vacancies* means, except as otherwise provided by this Charter, whenever a vacancy occurs in any appointive position, the vacancy shall be filled by appointment (for the unexpired term, if any) in the manner provided for the original appointment.

18. *General election in the City* (distinguished from "City general election") means a City-wide general election regardless of whether its purpose is to fill national, state, county or City offices.

19. *Hire* means being employed for a position in the classified service as defined in Section 6-417 of this Charter.

20. *Immediate family member* means a public servant's spouse, domestic partner, parent, sibling, individual who lives in the public servant's household or an individual claimed by a public servant or a public servant's spouse as a dependent under the United States Internal Revenue Code at 26 USC 1 *et seq.*

21. *Lobbying* means all communications with a public servant for the purpose of influencing legislative or executive action.

22. *Lobbyist* means with respect to lobbying City government: ~~(a) a person whose expenditures for lobbying are more than \$1,000.00 in value in any 12-month period; (b) a person whose expenditures for lobbying are more than \$250.00 in value in any 12-month period, if the amount is expended on lobbying a single public official; or (c) a registered lobbyist under applicable laws, who lobbies Detroit City government.~~

23. *Multi-Member Body* means any board, commission, or other organization of City government.

24. *Official Act* means any action, omission, decision, recommendation, practice or procedure of any agency.

25. *Personal services contract* means a contract for the retention of an individual to perform services on behalf of the City of Detroit for a fixed period and for fixed compensation.

26. *Proceedings* means, with respect to City Council, any gathering of that body for purposes of conducting the legislative affairs of the City of Detroit. It includes, but is not limited to, hearings, council meetings, committee meetings and other council related activities where the body is required to convene by law or Charter to execute its legislative function, as dictated by law, Charter or ordinance.

27. *Public servant* means the Mayor, members of City Council, City Clerk, appointive officers, any member of a board, commission or other voting body established by either branch of City government or this Charter, and any appointee, employee or individual who provides services to the City within or outside of its offices or facilities pursuant to a personal services contract.

28. *Resident(s) or residence* means, in reference to qualification for elective office, service on a multi-member body or other Charter residency requirement, a person's principal, permanent place of residence. It shall be that place at which a person habitually sleeps, keeps their personal effects, and regularly lodges. If someone has more than one (1) residence, or a residence separate from that of their spouse, the place where the person resides the greater part of the time

will be considered their official residence. Any relevant judicial interpretation of these terms shall be applicable.

29. *Retain* (distinguishing legal representation other than the Corporation Counsel) means the temporary hiring of outside legal counsel.

30. *Serving and present* means, when calculating an ordinary or extraordinary majority of:

a. *City Council* members serving, vacant City Council seats are not included; and

b. *City Council* members present, neither vacant City Council seats nor those of absent members are included.

31. *Vacancy* means that the position of any elective officer or appointee is deemed vacant upon death, resignation, permanent disability or dismissal from the position in any manner authorized by law or this Charter.

32. *Voter of the City or City voter* means a person who has the qualifications of and is registered as an elector of the City of Detroit under state law.

33. *Willful Neglect of Duty* means the intentional failure of a public servant to perform the duties of his office.

B. *Rules of Construction.* For purposes of this Charter, the following rules of construction apply:

*Including or included.* Unless the contrary is expressly stated, these are not words of limitation, but mean "including but not by way of limitation" or "included but not by way of limitation."

*Number and gender.* The singular number includes the plural, the plural number includes the singular, and the masculine gender includes the feminine gender and the neuter.

*Tense.* This Charter is to be regarded as speaking in the present and continuously. For example, the phrase "as provided by law" will incorporate the provisions of law as they change from time-to-time.

**Changes:**

- Provide a definition for the term *debarment*.

- Include parents and siblings in the definition of the term 'immediate family member'.

- Term 'lobbyist' to include only those who are registered lobbyists. This change may allow fewer persons or entities to be required to register as a lobbyist even though their activities may generally be considered lobbying.

**Sec. 2-107. Dismissal Proceedings.**

(A) Recall of Elective City Officers. Any of the elective City officers provided for in Section 3-107 of this Charter may be recalled by the voters of the City in the manner provided for by law.

(B) Forfeiture of Office Held by Elective City Officers.

1. *Grounds for Mandatory Forfeiture.*

The office of an elective City officer shall be forfeited for the following:

- a. Lacks at any time any qualifications required by law or by Section 2-101 of this Charter;
- b. Plead to, or is convicted of, a felony while holding the office;
- c. Engages in official misconduct;
- d. Willful or gross neglect of duty;
- e. Corrupt conduct in office; or
- f. Any other misfeasance or malfeasance.

**2. Grounds for Permissive Forfeiture.**

The City Council may determine that the office of an elective City officer should be forfeited where the officer:

- a. Based on a recommendation of the Board of Ethics to the City Council, is determined by a three-fourths (3/4) vote of City Council members serving to have violated the Ethics Ordinance or ethics provisions of this Charter;
- b. Refuses to cooperate in an investigation of the Inspector General, Board of Ethics, or Ombudsperson;
- c. Neglects or refuses to comply with the provisions of this Charter after being provided an opportunity to comply pursuant to Section 7.5-209 (Enforcement of Charter); or
- d. Violates any provision of this Charter punishable by forfeiture.

**e. Misdemeanor convictions that involve a breach of public trust, dishonesty, theft or fraud.**

3. *Procedure.* Where the City Council determines that forfeiture under Subsections (B)(1) or (B)(2) of this section, or both, is proper, the officer shall be charged through adoption of a resolution, which provides the factual basis for each charge, by a two-thirds (2/3) vote of members serving. Upon adoption of the resolution, the City Clerk shall forward a certified copy of the resolution to the officer by registered mail.

An elective City officer charged with conduct constituting grounds for forfeiture is entitled to a public hearing before the City Council and to outside legal representation, as permitted by law, which shall be paid by the City of Detroit at rates commensurate with the hourly rate normally paid by the City. A City Council member charged with conduct constituting grounds for forfeiture may not participate in the resolution of the charge.

Notice of the hearing and the charging resolution shall be published in a daily newspaper of general circulation in the City, and by electronic posting available to the public, at least fourteen (14) days in advance of the hearing. A decision by the City Council for forfeiture of the office of an elective City officer is subject to judicial review in accordance with Michigan law.

4. *Hearing Rules.* In accordance with Section 2-111 of this Charter, the City Council shall promulgate rules for the Body's forfeiture hearings. Such rules

shall comport with procedural due process and shall be in effect prior to any resolution charging the elective City officer. The City Council may request that Corporation Counsel retain an outside legal advisor to assist it regarding the interpretation, application and enforcement of the rules for the hearing, admissibility of evidence, objections and other legal issues arising in connection with the proceedings.

**(C) Removal of City Appointees.**

1. *Grounds.* A City appointee who serves at the pleasure of his or her appointing authority may be removed by the appointing authority without cause. A City appointee who is subject to removal for cause may be removed by the appointing authority for:

- a. Lack of qualifications;
- b. Incompetence;
- c. Neglect of duties;
- d. Misconduct;
- e. Pleading to or conviction of a felony;
- f. Violation of this Charter;
- g. Violation of federal or state law;
- h. Violation of any City ordinance, rule, or regulation; or
- i. Any reason under Subsections (B)(1) and (B)(2) of this section.

In addition, where a person is appointed to a multi-member body, the appointee is subject to removal for cause for habitual non-attendance of meetings as defined in the Body's rules, or as established by review of the minutes from the Body's meetings.

2. *Procedure.* A City appointee who is removable for cause may not be removed under this subsection without an opportunity for a hearing before the appointing authority. A copy of the charges shall be furnished at least fourteen (14) days in advance of the hearing.

3. *Hearing Rules.* In accordance with Section 2-111 of this Charter, each appointing authority shall promulgate procedural rules for removal hearings. Such rules shall comport with procedural due process and shall be in effect prior to any notice or resolution charging the City appointee.

**Change:**

• *Include in grounds for permissible forfeiture misdemeanor convictions that involve a breach of public trust, dishonesty, theft or fraud.*

**Sec. 4-102. Meetings.**

The City Council shall hold its first (1st) meeting in the first (1st) week of January after the regular City general election and, during ten (10) months of the year, shall meet every business day unless otherwise provided by resolution at such times and places as it may provide.

On at least eight (8) occasions during each calendar year, the City Council shall hold meetings in areas of the City, to be determined by the City Council. ~~These~~

~~meetings shall begin between the hours of seven (7) o'clock p.m. and eight (8) o'clock p.m.~~

Special meetings may be held at the call of the Mayor or four (4) or more City Council members and, whenever practicable, upon no less than twenty-four (24) hours' notice to each member and to the public. All business which the City Council may perform shall be conducted at a public meeting held in compliance with the Michigan Open Meetings Act, MCL 15.261 *et seq.*

**Change:**

- *Remove specific time requirements for City Council's evening community meetings.*

**Sec. 4-111. Confirmation Authority.**

Except as otherwise provided in this Charter or as may be required by law, all Mayoral appointment of directors, as defined in section 5-103, and all positions that have directors subordinate to them the Chief of Police, Fire Commissioner, Director of Planning and Development, Director of Human Resources and Corporation Council, is subject to approval by City Council. However, if the City Council does not disapprove the appointment within thirty (30) days after submission by the Mayor, the appointment is confirmed. Any employment contracts for positions approved under this section shall be approved by City Council.

**Changes:**

- *City Council to approve appointments of all department directors.*
- *City Council to approve the appointment of all positions that have department directors to reporting to them. This is to address the large number of cabinet level positions created that seem to have power over department heads.*

**Sec. 5-106. Powers and Duties of Department Directors.**

Except as otherwise provided by law or this Charter, the Director of each department of the Executive Branch shall:

1. In accordance with Article 6, Chapter 4, hire, promote, supervise, discipline and remove all employees of the department.
2. Assign duties to the employees and supervise the performance of these duties.
3. Prescribe rules which are necessary for the organization and internal governance of the department. However, no rule may be inconsistent with any collective bargaining contract or any rule or policy of the Human Resources Department.
4. Prepare reasonable rules governing dealings between the department and the public. A rule becomes effective in accordance with Section 2-111.
5. Present annually in quantitatively measurable terms the department's operational performance during the past year and the objective for planned improve-

ment in the coming year. The report shall be submitted to the Mayor and City Council not later than the date established for the Mayor to submit to the City Council a proposed annual budget for the next fiscal year. The annual report shall be presented to City Council at a public meeting.

6. Respond to any inquiry or investigation of the Inspector General, Ombudsman, Board of Ethics, Auditor General, and City Council.

**Change:**

- *Require all department directors to present their annual reports before City Council. Arguably this is already done during the budget hearings.*

**Sec. 5-108. Deputy Mayor.**

By a writing filed with the City Clerk, the Mayor shall designate a member of the Mayoral staff or the director of a department of the Executive Branch as the Deputy Mayor. The Chief of Police or the Fire Commissioner may not be designated as the Deputy Mayor. The Mayor may terminate the designation without cause by filing a notice of termination with the City Clerk.

During the absence or temporary disability of the Mayor, the Deputy Mayor shall be acting Mayor and shall exercise all the powers and perform all the duties of the Mayor to the full extent permitted by law, except that the Deputy Mayor may not:

1. Exercise any power of appointment to or removal from office, except in an emergency declared by a two-thirds (2/3) majority of City Council members present; or
2. Approve or veto any ordinance or resolution within the first five (5) days of the seven (7) days allowed under Section 4-117 for exercise of the Mayor's veto power.

**Change:**

- *Prohibit the Chief of Police or the Fire Commissioner from being designated as Deputy Mayor.*

**Sec. 6-301. Finance—Department Office of the Chief Financial Officer**

~~The Finance Department is headed by the Finance Director. The Office of the Chief Financial Officer is headed by the Chief Financial Officer.~~

**Changes 6-301–6-306:**

- *Change the head of finance from the Finance Director to the Chief Financial Officer.*

**Sec. 6-3--. Qualifications**

The chief financial officer shall have substantial experience with sophisticated municipal financial transactions, complex multidimensional governmental restructurings, governmental labor relations, health care benefits or pension matters, and local government management with governmental units having aggregate revenues of \$250,000,000.00 or more.

**6-3--. Powers and Duties**

The Chief Financial Officer shall:

1. Supervise all financial and budget activities of the city.
2. Coordinate the city's activities relating to budgets, financial plans, financial management, financial reporting, financial analysis, and compliance with the budget and financial plan of the city.
3. Certify that the city's annual budget complies with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a; and
4. Submit in writing to the mayor and City Council his or her opinion on the effect that policy or budgetary decisions made by the mayor or the City Council will have on the city's annual budget and its 4-year financial plan.

**Sec. 6-302. Departmental Divisions.**

The ~~Finance Director~~ Chief Financial Officer shall direct and coordinate the financial activities of the accounts division, the assessments division, the treasury, and the purchasing division. The ~~Finance Director~~ Chief Financial Officer shall also secure and maintain compliance with all laws pertaining to financial controls for the protection of public funds.

**Sec. 6-303. - Accounts Division.**

The Accounts Division is headed by the Chief Accounting Officer. The ~~Finance Director~~ Chief Financial Officer, with the consent of the Mayor, shall appoint the Chief Accounting Officer, who serves at the pleasure of the Finance Director.

The Chief Accounting Officer shall maintain records showing the financial condition of the City and perform such other duties as provided by law, this Charter or ordinance.

**Sec. 6-304. - Assessments Division.**

The Assessments Division is headed by a three (3) member Board of Assessors. The term of membership on the Board is three (3) years. One (1) term expires each year. Compensation for Board members shall be established by ordinance.

The Mayor shall appoint the members of the Board and may remove a member for cause. Each member must possess the qualifications required by law for assessing officers.

Staff services required by the Division shall be provided as determined by the ~~Finance Director~~ Chief Financial Officer.

A majority of the Board may review and correct any assessment made by an employee of the Division.

Except as otherwise provided by this Charter or ordinance, the powers, duties and procedures of the Board and the Division are those provided by law.

**Sec. 6-305. Treasury Division.**

The Treasury Division is headed by the Treasurer. The ~~Finance Director~~ Chief Financial Officer, with the consent of the Mayor, shall appoint the Treasurer, who serves at the pleasure of the ~~Finance Director~~ Chief Financial Officer.

The Treasurer shall:

1. Collect all moneys of the City and receive from other officers and employees all moneys of the City collected by them.
2. Have custody of all moneys, funds and securities of the City, keep accounts of them and deposit them as directed by law or ordinance.
3. Disburse all City funds in accordance with law, this Charter or ordinance.
4. Except as otherwise provided by this Charter or ordinance, have such powers and immunities for the collection of taxes as provided by law.

**Sec. 6-306. Purchasing Division.**

The Purchasing Division is headed by the Purchasing Director. The ~~Finance Director~~ Chief Financial Officer, with the consent of the Mayor, shall appoint the Purchasing Director, who serves at the pleasure of the ~~Finance Director~~ Chief Financial Officer.

The Purchasing Director shall, subject to the provisions of Section 4-122:

1. Procure all property and all services of independent contractors to be paid for from appropriations made in the annual budget in accordance with Section 8-302, except that an agency may be authorized by ordinance to procure specified kinds of property and services directly.
2. Follow all procedures established by ordinance to protect the interests of the City and to assure fairness in procuring property and services. Except in cases of emergency, those procedures shall require competitive bidding for purchases and contracts which are major as defined by ordinance. However, for purposes of this requirement, the "lowest responsible bidder" may be defined by ordinance in terms of lowest overall cost to the City.

3. Sell, lease or transfer in the ordinary course of City operations all personal property of the City which has become unsuitable for public use. Dispositions of personal property which are not in the ordinary course of City operations shall be defined by ordinance and are subject to City Council control.

4. Follow procedures established by ordinance to protect the interests of the City and to assure fairness in disposing of personal property. Except in cases of emergency, those procedures shall require competitive bidding for all sales, leases and transfers which are major as defined by ordinance.

**Sec. 7-802. Board of Police Commissioners.** (Sheffield's suggestion)

The Board of Police Commissioners has supervisory control and oversight of the Police Department as set forth in this Chapter. The Board of Police Commissioners is composed of eleven (11) members, seven of whom shall be elected from each non at-large district and four (4) members shall be from each at-large dis-

~~strict. Four (4) members of the Board shall be appointed by the Mayor, subject to the approval of the City Council. However, if the City Council does not disapprove an appointment within thirty (30) days, an appointment is confirmed. Appointed members shall serve a term of five (5) years, and not more than one (1) member's term expires each year. The Mayor shall not remove appointed members of the Board except for cause. Vacancies in positions held by appointed members shall be filled by the Mayor for the unexpired term, in the same manner as the initial appointment. All Members of the Board must be residents of the City.~~

The Board shall elect a chairperson annually. A member of the Board may not serve consecutive terms as chairman, nor may an appointed person serve more than five (5) years consecutively as a member of the Board. The Board shall meet at the call of its chairperson, but shall meet at least once each week and may recess during Thanksgiving, Christmas and New Year holidays. All meetings shall be held in accordance with the Michigan Open Meetings Act. ~~No appointed member of the Board shall have been an employee or elective or appointive officer of the City within three (3) years prior to appointment or while serving as a member of the Board.~~ Unless required by state law, ~~electe~~d members shall not be entitled to salaries, retirement benefits, health benefits or other fringe benefits. ~~Appointed members, and elected members not entitled to compensation by state law, but may receive by ordinance reimbursement for parking, mileage and other reasonable expenses.~~ All appointed Commissioners serving at the time of the effective date of this Charter shall continue in their office until their term expires or office becomes vacant.

**Change:**

*• Make all of the board members elected rather than some elected and some appointed.*

**Sec. 7-802. Board of Police Commissioners.** (Spivey's suggestion)

The Board of Police Commissioners has supervisory control and oversight of the Police Department as set forth in this Chapter. The Board of Police Commissioners is composed of eleven (11) members, seven of whom shall be elected from each non at-large. Four (4) members of the Board shall be appointed by the Mayor, subject to the approval of the City Council. However, if the City Council does not disapprove an appointment within thirty (30) days, an appointment is confirmed. Appointed members shall serve a term of five (5) years, and not more than one (1) member's term expires each year. The Mayor shall not remove appointed members of the Board except for cause. Vacancies in positions held by appointed

members shall be filled by the ~~Mayor~~ City Council for the unexpired term, in the same manner as the initial appointment. All members of the Board must be residents of the City.

The Board shall elect a chairperson annually. A member of the Board may not serve consecutive terms as chairman, nor may an appointed person serve more than five (5) years consecutively as a member of the Board. The Board shall meet at the call of its chairperson, but shall meet at least once each week and may recess during Thanksgiving, Christmas and New Year holidays. All meetings shall be held in accordance with the Michigan Open Meetings Act. No appointed member of the Board shall have been an employee or elective or appointive officer of the City within three (3) years prior to appointment or while serving as a member of the Board. Unless required by state law, elected members shall not be entitled to salaries, retirement benefits, health benefits or other fringe benefits. Appointed members, and elected members not entitled to compensation by state law, may receive by ordinance reimbursement for parking, mileage and other reasonable expenses. All appointed Commissioners serving at the time of the effective date of this Charter shall continue in their office until their term expires or office becomes vacant.

**Change:**

*• Change the appointing authority from the Mayor to the City Council when filling vacancies on the Board.*

**Sec. 7-12--. Water Rates.**

~~The City Council shall approve all water and sewage rates charged by the Department.~~

**Change:**

*• Affirms the City Council's authority to approve water rates for DWSD.*

**Sec. 7.5-104. Employees.**

~~In accordance with Article 6, Chapter 1, the Auditor General may hire, promote, discipline and remove employees of the agency, assign duties to the employees, and supervise the performance of those duties.~~

The Auditor General may hire, promote, discipline and remove employees of the agency, assign duties to the employees and supervise the performance of those duties. The staff of the office may include persons who are both subject to, and exempt from, Article 6, Chapter 4 of this Charter.

**Change:**

*• This would allow the Office of the Auditor General to have a combination of employee, appointees and civil service, classifications in the same manner as the other independent agencies.*

**Sec. 7.5-105. – Powers and Duties.**

The Auditor General shall:

1. Make audits of the financial transactions, performance and operations of City

agencies based on an annual risk-based audit plan prepared by the Auditor General, or as otherwise directed by the City Council. Audits shall focus on high risk agencies and/or processes identified in the annual risk-based audit plan. The Auditor General shall make an annual financial analysis of all agencies not selected for audit in the current year. The Auditor General shall have access to all financial records, human resource records, and other records of City agencies necessary to perform his/her functions. Records shall include, but not limited to, all paper records and digital and electronic records. Make a full report to the City Council of each individual audit and file a copy with the Mayor.

2. As soon as possible after the close of each fiscal year, make a report of the financial position of the City. The report shall be a public record.

3. Investigate the administration and operation of any City agency and report findings and recommendations to the City. The Auditor General may request and shall be given necessary assistance and information by each agency. The Auditor General may subpoena witnesses, administer oaths, take testimony, require the production of evidence relevant to a matter under investigation, enter and inspect premises within the control of any agency during regular business hours. To enforce a subpoena or order for production of evidence or to impose any penalty prescribed for failure to obey a subpoena or order, the Auditor General shall apply to the appropriate court.

4. From time to time make reports to City agencies of irregularities of practice and erroneous accounting methods with recommendations for improving the accounting procedures and systems of the agencies.

Recommendations which are not put into effect by the agency shall be reviewed by the Finance Director, who shall advise the Auditor General and the City Council of action being taken with respect to the recommendations.

5. Upon request of the Budget Director, make available to the Budget Director all information useful in the preparation of the capital agenda or annual budget.

6. Settle all disputed claims in favor of or against the City to the extent and in the manner provided by ordinance. All appeals from determinations made by the Auditor General shall be brought in the court provided by law. However, no proceedings may be brought upon a claim within the jurisdiction of the Auditor General until the claim is rejected by the Auditor General or until six (6) months have elapsed from the time of filing the claim with the Auditor General.

7. The Office of the Auditor General shall not be denied independent legal counsel.

**Changes:**

- Clarify that all forms of records should be made available during audits, i.e. paper records, and digital and electronic records.

- Affirm the fact that Auditor General shall not be denied independent legal counsel.

**Sec. 7.5-1-- Conflict of Interest; Special Counsel.**

Where there exists a conflict of interest between the Auditor General and another branch of City government, the Auditor General has the authority to retain an attorney licensed to practice law in Michigan who shall represent the Auditor General in legal proceedings. Such attorney shall not represent the City as a municipal corporation in any legal proceeding.

**Change:**

- This new section, it mirrors the conflict of interest provision for the Inspector General. Affirms the right of the Auditor General to receive legal representation in cases of conflicts of interest with another branch of government.

**Sec. 7.5-1-- Funding.**

The City shall annually appropriate funds sufficient to enable the Office of Auditor General to perform its duties. Funding shall be in accordance with Section 8-214 (Proportional Funding for Oversight Agencies.)

**Change:**

- This is a new section, it mirrors a similar provision for the Inspector General. This requires the City to fund the Auditor General's Office so that it can perform its duties.

**Sec. 7.5-208. — Intra Government Dispute Resolution.**

~~In all disputes between branches or units of City government, before any branch or unit can institute legal proceedings, they shall have first requested and obtained from Corporation Counsel a legal opinion which details which party's position is consistent with the current state of the law. Corporation Counsel shall then instruct the branch or unit whose legal position is inconsistent with the current state of the law to retain legal assistance and representation from an outside law firm or outside attorney if they intend to institute legal proceedings.~~

In cases of disputes between the branches of government, prior to filing a lawsuit or taking other legal action, the highest public official from the disputing branches of government shall first meet to resolve the matter. In the case of the Executive Branch the highest public official shall be the Mayor or designee; in the case of the Legislative Branch it shall be the Council President or designee; and in case of the Office of the City Clerk it shall be the City Clerk or designee. The parties shall engage in facilitation of the matter over a period of fourteen (14) business

days, or more as agreed to by the parties, before taking legal action. The facilitation shall be conducted by a facilitator, mutually agreed to by the parties. Nothing in this section shall preclude a branch or unit of government from seeking a temporary restraining order, injunction or other emergency legal action based on irreparable harm, but this section shall be complied with if the court rules that no irreparable harm exists, in which case the facilitation period shall be twenty eight (28) business days from the date of the court's decision, or longer as agreed to by the parties.

**Change:**

• *This provision should be stricken from the Charter. It has proven to not really function in a manner that allows the other branches of government to properly assert its rights when there is conflict with the Administration. It only serves to suppress the rights of any entity that opposes the Administration by giving the Law Department control over access to special counsel and over the process to by which the right to counsel may be exercised. Additionally, although the Law Department strives to be an independent agency, there still seems to be no effective way for the Department to oppose the will of the Mayor which interferes with impartial role that it plays here.*

**Sec. 7.5-302. – Appointment, Removal, Term of Office and Vacancy.**

The Inspector General shall be appointed by the majority of City Council members serving. The Inspector General may be removed for cause by a two-thirds (2/3) vote of City Council members serving and shall be appointed for a term of six (6) ten (10) years.

If a vacancy occurs in the Office of Inspector General, the City Council shall, within sixty (60) days, fill the office for a full term.

**Change:**

• *Changes the term of the appointment to 10 years, aligning it with the other independent agencies and inspector general offices nationwide.*

**Sec. 7.5-309. – Employees.**

The Office of Inspector General shall include an Inspector General and such deputies, assistants and other employees as deemed necessary by the Inspector General. The Office of Inspector General staff shall include, at a minimum, attorneys, investigators, and auditors who ~~are certified public accountants~~ have been certified as a fraud examiner, an internal auditor, an inspector general auditor or a government auditing professional. The Inspector General may hire, promote, discipline and remove employees of the office, assign duties to the employees and supervise the performance of those duties. The staff of the office may include persons who are both

subject to, and exempt from, Article 6, Chapter 4, of this Charter.

**Change:**

• *CPAs tend to have more experience and training as financial advisors, focusing on things like financial statements, tax preparation and financial planning. The certifications above have specialized training that deal with the type of audits conducted by auditors in an inspector general's office.*

**Sec. 8-214. – Proportional Funding for Oversight Agencies.**

The City Council shall establish a proportional method to fund oversight agencies to insure the proper oversight of Executive and Legislative Branches of government. City Council shall arrive at an equitable proportional method to fund oversight agencies in local government. City Council shall prepare and adopt a proportional funding system within ninety (90) days of the effective date of this Charter.

~~The proportional funding system shall be enacted include a formula to distribute funds to each of the agencies contained in this section and any other agencies added by ordinance. The distribution of funds to each of the agencies shall be based on a percentage of the City's overall general fund budget. The percentage shall be no less than the agency's average percentage of the general fund City budget for the 3 years prior to the enactment of the ordinance. In the case of the Auditor General, the cost of the auditing contract for the City's Comprehensive Annual Financial Report shall not be consider in the computation. Prior to the enactment of the ordinance, City Council shall meet with the oversight agencies to ensure the funding percentage is sufficient for each agency to carry out their Charter-mandated duties, and make changes to the funding percentage as necessary. Once enacted, each oversight agency's funding percentage will be applied to the overall City budget, showing minimum funding allocated to each agency. This does not preclude the oversight agencies from requesting additional funds as necessary through the normal City budget process. internal cost allocation plan shall determine the amount of funds to be appropriated to each agency for oversight functions. The proportional funding system shall be enacted by ordinance.~~ The ordinance shall contain this mandate to establish a proportional method of funding for oversight agencies, the list of agencies included in this section and other agencies determined by City Council.

The oversight agencies referred to in this section shall include the Office of the Inspector General, Auditor General, Ombudsperson, and Board of Ethics.

**Change:**

• *Implementation of this provision has not occurred because there was no specificity to drive its use. This ensures baseline funding for the oversight agencies' budgets.*

**Sec. 9-103. – Powers, Duties and Limitations.**

City Council shall, by ordinance, prescribe uniform procedures, for the exercise of the powers and duties for all Community Advisory Councils. Included in those powers and duties shall be the provision that a community council may require that the City Council representative receive prior consultation from the Community Advisory Council on all issues which relate exclusively to that district.

Community Advisory Councils ~~shall~~ may receive ~~no~~ appropriations from City funds, ~~but and~~ may accept donations or grants in accordance with state, federal or local law.

A particular Community Advisory Council shall be dissolved only by a petition signed by the same number of qualified voters residing in the Community Advisory Council district required above, and an ordinance adopted after public hearing by City Council with public notice to the Community Advisory Council district in question.

Each Community Advisory Council shall hold public meetings not less than four (4) times each year. The meetings will be held within the respective districts and will be held in donated facilities with an attempt to provide as broad of a geographical distribution for the meetings as possible. The meetings shall be held in accordance with the Michigan Open Meetings Act and the Community Advisory Councils shall comply with the Michigan Freedom of Information Act.

The powers and duties of each Community Advisory Council shall include:

1. Communicating to City Council the concerns of groups, agencies, businesses and residents within its districts with respect to the delivery of programs and services.
2. Assisting groups, agencies, businesses and residents in community problem solving by meeting with groups to:
  - a. Clarify issues; and
  - b. Demonstrate proper procedural approaches to accessing City government.
3. Disseminating information to groups, agencies, businesses and residents on social and physical plans for the districts areas.
4. Providing advice to community representatives and City Council on major issues within the council district which may include:
  - a. Housing development;
  - b. Commercial blight;
  - c. Safety and security;
  - d. Economic and community development;

- e. Employment opportunities;
- f. Code enforcement; and
- g. Other concerns impacting social, economic, cultural and environmental conditions within the district.

5. Familiarizing themselves with the City Charter, with the objective of assisting the community in understanding the intent and relevance of Charter provisions.

6. Familiarizing themselves with the Master Plan for the City of Detroit in relationship to the City generally and the land area within their district generally.

7. Meeting annually with the Mayor and annually with City Council to discuss the challenges confronting the district and the resources required to advance the interest and support the viability of the district.

**Change:**

• *This allows the Community Advisory Councils to received funding for their activities. Under the current Charter, no appropriations are allowed.*

**Sec. 9-403. – Revision Question.**

The question of whether there shall be a general revision of the City Charter shall be submitted to the voters of the City of Detroit at the gubernatorial primary of 2040 ~~2019~~, and at every fourth (4th) gubernatorial primary thereafter and may be submitted at other times in the manner provided by law. A primary election shall be held for the offices of Charter Revision Commissioners at the same election and shall be void if the proposition to revise is not adopted. If the proposition to revise is adopted, Charter Revision Commissioners shall be elected at the ensuing general election for governor.

**Change:**

• *Changes the next charter revision question to the gubernatorial election of 2040.*

**Sec. 9-405. – Elimination of Redundancy in Government.**

Every effort shall be made by City elective officers, employees, and branches and units of government to reduce duplication of efforts and increase and maintain efficiency in the operations of City government. ~~Within one hundred eighty (180) days of the effective date of this Charter, the Executive and Legislative Branches, and City Clerk shall conduct a comprehensive evaluation of its programs, services, activities, policies and operations to identify and eliminate any redundancy. Thereafter, the evaluations~~ Evaluations shall be made within the first quarter of the year following the regular City general election. Each evaluation shall result in a compiled report of the City of Detroit entitled "Report on Elimination of Redundancy," which, at a minimum, outlines the efforts and means taken to identify redundancy, makes findings on redundancy and details methods imple-

mented to eliminate, reduce or avoid redundancy. The report shall be published and presented to City Council and the Auditor General in April of the year of its completion.

As much as practicable attempts shall be made to realign service delivery systems and eliminate operational duplication and inefficiency, which may include cooperative agreements with other government entities as allowed by law.

**Change:**

• Removes the initial comprehensive evaluation of the redundancy as it has already occurred.

**Sec. 9-701. – Risk Management Council.**

The Risk Management Council is an advisory body to the Mayor comprised of persons in the following positions or their deputy directors:

1. A chairperson, appointed by the Mayor, who shall be an appropriately qualified Mayoral cabinet-level official, which may not be any person identified in this section;
2. The Corporation Counsel;
3. The Chief of Police;
4. The Finance Director;
5. The Human Resources Director;
6. The Auditor General;
7. A City Council designee who is a City employee, other than a member of City Council;
8. The Inspector General; and
9. The Transportation Director; and
10. Ombudsperson.

**Changes:**

• Allows the deputy directors to serve on the Risk Management Council in the Director's stead.

• Adds the Ombudsperson to the Risk Management Council.

**RESOLUTION URGING THE CITY OF DETROIT TO UTILIZE THE DETROIT AVERAGE MEDIAN INCOME AS THE BASIS FOR AFFORDABILITY IN DETROIT HOUSING PROJECTS**

By ALL COUNCIL MEMBERS:

WHEREAS, The Area Median Income (AMI) is defined as the midpoint of a region's income distribution, whereby half of families in a region earn more than the median and half earn less than the median. It is often used for housing policy income thresholds that are set relative to the area median income to identify a household's eligibility to live in income-restricted housing units and the affordability of housing units to low-income households. The median is based on the income distribution of all households, including those with no income; and

WHEREAS, Relying on a Metropolitan Area Median Income has created a situation in which so-called "affordable" units are still far beyond the reach of most Detroiters and individuals and entities engaged in the important work of meeting critical affordable housing needs would be better suited to calculate affordability levels by utilizing the area median incomes of Detroit residents that reside within the geographic boundaries of the city of Detroit exclusively; and

WHEREAS, A localized area median income calculation will allow affordable housing funding to benefit more residents that have the most pressing financial need that could be addressed through affordable housing programs, housing agencies, housing developers, housing financiers, community development financial institutions, corporate and philanthropic partners, shelter providers, elected officials, city departments, among many others; and

WHEREAS, The U.S. Department of Housing and Urban Development (HUD) defines and calculates different levels of AMI for geographic areas across the country by household size.

WHEREAS, HUD uses median family income data from the American Community Survey (ACS) for all areas in the United States. The medians are developed for each metropolitan area, parts of some metropolitan areas, and each non-metropolitan county; and

WHEREAS, The AMI for the Metropolitan Detroit Area (consisting of Livonia-Warren-Detroit) in 2018 was \$60,513, however the Detroit Median Household Income was \$31,283. The use of the Detroit median Household Income instead of the HUD Area Median Income data in housing programs would provide more affordability to match the actual median income level of Detroiters; BE IT THEREFORE

RESOLVED, The Detroit City Council urges that the City of Detroit begin the utilization of the local area median income calculation in evaluating affordable housing projects used by housing programs, housing agencies, housing developers, housing financiers, community development financial institutions, corporate and philanthropic partners, shelter providers, elected officials, city departments, among many others unless HUD Area Median Income data is required by law; and BE IT FINALLY

RESOLVED, That a copy of this resolution be provided to Mayor Duggan, the Housing and Revitalization Department and the Planning and Development Department for consideration.

**RESOLUTION IN OPPOSITION TO OPERATION RELENTLESS PURSUIT**

By COUNCIL MEMBERS SHEFFIELD, CASTANEDA-LOPEZ and PRESIDENT JONES:

WHEREAS, On December 18, 2019, according to a Department of Justice (DOJ) press release, Attorney General William P. Barr announced the launch of "Operation Relentless Pursuit" (ORP) at a press conference in Detroit. See, <https://www.justice.gov/opa/pr/attorney-general-william-p-barr-announces-launch-operation-relentless-pursuit>. The press release describes the project as "an initiative aimed at combating violent crime in seven of America's most violent cities through a surge in federal resources", through a "surge in federal agents" complemented by "mission-critical equipment and technology." The seven named cities are Albuquerque, Baltimore, Cleveland, Detroit, Kansas City, Memphis, and Milwaukee. AG Barr was joined in the announcement by Detroit Police Chief James Craig, who welcomed the announcement, noting that such "collaborations between local and federal law enforcement work"; and

WHEREAS, A subsequent press release, dated May 11, 2020, announced a DOJ award of \$61 million to support ORP, See, <https://www.justice.gov/opa/pr/justice-department-releases-61-million-awards-support-efforts-combat-violent-crime-seven-us>; and

WHEREAS, Two weeks later, on Memorial Day, May 25, 2020, George Floyd, an unarmed black man, was brutally murdered by Minneapolis police officers, triggering citizen protests around the globe against police brutality and centuries old systemic racism in this country; and

WHEREAS, Although protests in other cities involved numerous injuries, fires, and significant property destruction resulting in the summoning of the National Guard, demonstrations in Detroit remained overwhelmingly peaceful. To its immense credit, the City's Administration recognized the permanently damaging effects of invoking National Guard presence in response to the 1967 rebellion, understanding that even now, 53 years later to the week, that action has left a pall over police/community relations in our City; and

WHEREAS, In July 2020, in response to two months of ongoing racial justice protests in Portland, Oregon, President Donald Trump directed the Department of Homeland Security to work to suppress the demonstrations. Unidentified federal agents have, according to accounts, served to exacerbate the situation, and have been accused of violating the civil rights of first amendment protesters

(arguably in an attempt to divert attention from the President's current political problems).

See, <https://nymag.com/intelligencer/2020/07/trumps-military-tactics-in-portland-will-likely-backfire.html>, commentary by former U.S. Attorney Barbara McQuade; and

WHEREAS, On July 20, 2020, The Detroit News reported that the President announced that he plans to send federal law enforcement into several cities, including Detroit, to quell ongoing police brutality protests. See, <https://www.detroitnews.com/story/news/politics/2020/07/20/trump-considers-more-federal-law-enforcement-detroit-protests/3287770001/>. This announcement was met with objection from the Administration, as well as the Governor, the Attorney General, and others; and

WHEREAS, A mere three days later, on July 23, 2020, the Detroit Free Press reported, "[t]he White House says federal agents are coming to Detroit in the next few weeks as part of a broader effort to help crime-ridden cities fight escalating violence." See, <https://www.freep.com/story/news/local/michigan/detroit/2020/07/23/federal-agents-violence-detroit-white-house/5493535002/>. The initiative, now dubbed "Operation Legend" by the DOJ still focuses on the same seven cities as Operation Relentless Pursuit. Although City officials (the Mayor and Police Chief) sought to clarify that the federal presence would be unrelated to the ongoing Black Lives Matter protests, the President conflated the two issues in his remarks; and

WHEREAS, By all reports, there has been a significant spike in gun violence in Detroit recently, undoubtedly amplified by the convergence of the explosion of activism in reaction to the striking of the match – George Floyd's videotaped vicious murder – and the COVID 19 pandemic with its resulting social and economic upheaval. At this time in history, however, we must question whether the appropriate response to pleas to rethink police/community interactions should include welcoming an outside police presence into our midst, particularly by an entity entirely lacking in transparency, which has demonstrated it is less than trustworthy, with shifting motivations, and which the City may not ultimately be able to control or rein in; and

WHEREAS, The Detroit City Council urges the Mayor, the Chief of Police and the Board of Police Commissioners, which is responsible for police policy, to cautiously consider whether the continued militarization of the City's policing efforts is advisable, or perhaps, a tone deaf response to the problem of increased gun violence in the City, particularly following the City's recent record of messaging with respect to guns, and to decline the Department of

Justice's offer to send federal agents to our City. See, [https://www.mlive.com/news/detroit/2014/01/police\\_chief\\_james\\_craig\\_more.html](https://www.mlive.com/news/detroit/2014/01/police_chief_james_craig_more.html), [https://www.huffpost.com/entry/james-craig-detroit-guns\\_n\\_4536332](https://www.huffpost.com/entry/james-craig-detroit-guns_n_4536332), <https://www.clickondetroit.com/news/2014/05/19/detroit-police-chief-james-craig-explains-nra-article/>, <https://www.metrotimes.com/newshits/archives/2018/02/26/detroit-police-chief-james-craig-advocates-for-arming-teachers>, <https://www.metrotimes.com/news-hits/archives/2018/02/26/detroit-police-chief-james-craig-advocates-for-arming-teachers>.

NOW THEREFORE, BE IT

RESOLVED, That the Detroit City Council strongly urges the Administration to decline to allow federal agents into the City of Detroit to police our friends, neighbors, and families. AND BE IT FURTHER

RESOLVED, The City Clerk's office is directed to send a copy of this resolution to Mayor Mike Duggan, Chief James Craig and the Board of Police Commissioners.

Honorable City Council

Re: Savannah-Wilshire Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT).

Southwest Housing Solutions Corporation has formed Savannah-Wilshire Limited Dividend Housing Association Limited Partnership in order to develop the Project known as Savannah-Wilshire. The Project consists of forty (40) existing family units located in two (2) three and one-half story buildings in an area bounded by Shady Lane on the north, 25th Street on the east, West Lafayette Boulevard on the south and West Grand Boulevard on the west. The Historic Rehabilitation Project will include twenty-eight (28) 1 bedroom/1 bath, two (2) 2 bedroom/1 bath and ten (10) studio apartments.

A tax-exempt bond construction loan in the amount of \$4,041,212, a permanent mortgage loan in the amount of \$1,507,392 and a HOME Loan in the amount of \$1,320,826 will be provided by the Michigan State Housing Development Authority ("MSHDA"). Two existing City of Detroit HOME loans are to be combined, reduced to \$800,000 and assumed by this new entity. Cinnaire will make Capital Contributions of \$3,025,316 which includes

the purchase of Federal Historic and Low Income Housing Tax Credits. The new entity's General Partner will provide a loan in the amount of \$450,000. Additionally, the Sponsor has agreed to defer \$462,358 of the developer fee.

Rents for all units have been set at or below sixty percent (60%) of the area median income, adjusted for family size. All residents will contribute only thirty percent (30%) of their adjusted gross income towards the rent amount. All forty (40) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A).

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this housing project.

Respectfully submitted,

ALVIN HORHN

Deputy CFO/Assessor

By Council Member Ayers:

WHEREAS, Pursuant to the provisions of the Michigan State Housing Development Act, Act 346 of the Public Acts of 1966, as amended, being MCL 125.1401 se seq. (the "Act"), a request for exemption from property taxes has been received on behalf of Southwest Housing Solutions Corporation (the "Sponsor"); and

WHEREAS, A housing project as defined in the Act is eligible for exemption from property taxes under Section 15a of the Act (MCL 125.1415a) if the Michigan State Housing Development Authority ("MSHDA") provides funding for the housing project, or if the housing project is funded with a federally-aided mortgage as determined by MSHDA; and

WHEREAS, Section 15a of the Act (MCL 125.1415a) provides that the local legislative body may establish by ordinance the service charge to be paid in lieu of taxes, commonly known as a PILOT; and

WHEREAS, The City of Detroit has adopted Ordinance 9-90, as amended, being Sections 18-9-10 through 18-9-16 of the Detroit City Code to provide for the exemption from property taxes of eligible housing projects and to provide for the amount of the PILOT for said housing projects to be established by resolutions of the Detroit City Council after review and report by the Board of Assessors; and

WHEREAS, The Sponsor is proposing to undertake the rehabilitation of an existing housing project to be known Savannah-

Wilshire consisting of the rehabilitation of forty (40) units in two (2) buildings located on four (4) parcels of property owned or to be acquired by the Sponsor as described by street address and tax parcel in Exhibit A to this resolution, with forty (40) units for low and moderate income housing (the "Project"); and

WHEREAS, The purpose of the Project is to serve low to moderate income persons as defined by Section 15a(7) of the Act, being MCL 125.1415a(7); and

WHEREAS, MSHDA has provided notice to the Sponsor that it intends to approve federal-aided financing for the Project, provided that the Detroit City Council adopts a resolution establishing the PILOT for the Project; and

WHEREAS, Pursuant to Section 15a of the Act, being MCL 125.1415a(1), the tax exemption is not effective until the Sponsors first obtain MSHDA certification that the housing project is eligible for exemption, and files an affidavit, as so certified by MSHDA, with the Board of Assessors; and

WHEREAS, Pursuant to Section 18-9-13(G) of the Detroit City Code, the tax exemption shall be effective on adoption, with the tax exemption and PILOT payment to occur only upon bona fide use and physical occupancy by persons and families eligible to move into the project, in accordance with the Act, which must occur as of December 31 of the year preceding the tax year in which the exemption is to begin;

NOW, THEREFORE, BE IT –

RESOLVED, That in accordance with City Code Section 18-9-13, the Project known as Savannah-Wilshire as described above is entitled to be exempt from taxation but subject to the provisions of a service charge of four percent (4%) for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended, being MCL 125.1401, et seq.; and be it further

RESOLVED, That arrangements to have collections of a payment in lieu of taxes from the Sponsor be established upon occupancy for future years with respect to the same be prepared by the Office of the Chief Financial Officer; and be it further

RESOLVED, That specific legal description for the Project shall be as set forth in the certification from MSHDA; and be it further

RESOLVED, That in accordance with Section 15a(3) of the Act, MCL 125.1415a(3), the exemption from taxation shall remain in effect for as long as the MSHDA-aided or Federally-aided financing is in effect, but not longer than fifty (50) years, and shall terminate upon the determination by the Board of Assessors that the Project is no longer eligible for the exemptions; and be it further

RESOLVED, That the City Clerk fur-

nish the Office of the Chief Financial Officer – Office of the Assessor two certified copies of this resolution; and be it further

RESOLVED, That this resolution is adopted with a waiver of reconsideration.

Council Member Benson moved the following resolution on behalf of Council President Brenda Jones:

**RESOLUTION URGING GOVERNOR WHITMER TO IMPLEMENT POLICIES ALLOWING RETURNING CITIZENS TO TOW VEHICLES ON BEHALF OF THE STATE OF MICHIGAN**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBER AYERS:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

WHEREAS, Formerly incarcerated people need stable jobs, access to commerce for the same reasons as everyone else: to support themselves and their loved ones, pursue life goals, which culminates in strengthening our community; and

WHEREAS, In April 2011, The Pew Research Center released the report, Revolving Door of America's Prisons, which suggests that if states could lower recidivism rates by just 10 percent, they

could save an average of \$635 million annually; and

WHEREAS, After decades of repressive laws and policies that continue to punish offenders well after they have completed their sentences, even hard line law and order advocates are finally admitting, that discriminatory policies, make reentry into the community extremely difficult for someone previously incarcerated. But most importantly, they are recognizing the potential cost savings to government by reforming this system; and

WHEREAS, On September 7, 2018, then Gov. Snyder signed an executive directive instructing all state departments and agencies to remove the felony question box; and

WHEREAS, The Detroit City Council is committed to welcoming returning citizens into the community by implementing ordinances that remove barriers for housing and employment, in an efforts to decrease rates of recidivism:

- In 2010, The City enacted the "Ban the Box" ordinance, which limits questioning applicants about criminal convictions until after they are determined to be qualified for hiring;

- Further, In 2012 the City also asked its vendor and contractors to remove the conviction history question from job applications; and

- Council Member Ayers, introduced the *Fair Chance Access to Rental Housing Ordinance*, affords citizens with criminal records a fair opportunity to secure housing by regulating the use of criminal background checks as part of the tenant screening process. The ordinance became effective in July 2019; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council urges Michigan Governor Whitmer to implement policies allowing returning citizens in the state of Michigan to tow vehicles on behalf of the State of Michigan; BE IT FINALLY

RESOLVED, That copies of this resolution be forwarded to the Mayor, the City's lobbyist, the Detroit delegation in the Michigan House and Senate and the Governor.

**TEACH FOR AMERICA**

June 26, 2020

Good evening,

I am pleased to announce that the City

of Detroit General Services Department, Recreation Division has been accepted into Teach for America's pilot program.

Detroit Summer Impact Fellowship (DSIF) is approximately a 4-6 week summer leadership opportunity for corps members or alumni. A fellow will be matched with your division to complete a project that is high priority and equity focused. The goal is to provide current or former teachers additional experience to become system level leaders in the field of education, policy, and/or nonprofit while creating a unique learning space for the cohort to learn, execute, and reflect together.

The fellow you are partnered with will receive a stipend of \$1,200 for Teach for America-Detroit to complete quality work for your division. We hope that providing fellows with a stipend will provide our partners with quality interns.

Please don't hesitate to reach out to us if you have any questions, comments or concerns.

Thank you,  
JACOB ROBINSON

Re: Request to Accept and Appropriate the Transportation Economic Development Fund – Category A Grant for Conner Street.

The Michigan Department of Transportation has awarded the City of Detroit Department of Public Works with the Transportation Economic Development Fund – Category A Grant for a total of \$2,817,000.00. The State share is \$2,817,000.00 of the approved amount, and there is a required cash match of \$1,095,498.00. The total project cost is \$3,912,498.00.

The objective of the grant is to improve Conner Street in order to manage the increased truck traffic for the rehabilitated Fiat Chrysler Automobiles Mack Engine Plant and Jefferson North Assembly Plant. The funding allotted to the department will be utilized to resurface, repave and make other miscellaneous repairs to Conner Street, as well as move all bike lanes to the east side of the road and away from the plants on the west side. The specific section of road to be improved is Conner Street from Shoemaker Street south to Jefferson Avenue.

If approval is granted to accept and appropriate this funding, the appropriation number is 20822, with the match amount coming from appropriation number 04189.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Request to accept private donations for COVID-19 Relief Efforts.

In response to the COVID-19 pandemic, various City departments have received donations in the form of cash, supplies, equipment and other miscellaneous gifts, in order to combat the COVID-19 pandemic and provide Detroit-ers with the support they need to reduce the impact of the pandemic.

The Office of Development and Grants, in partnership with various City departments, is hereby respectfully requesting authorization from Detroit City Council to accept COVID-19 relief donations on a rolling basis through December 31, 2020. There are no match requirements for these donations.

The objective of these donations is to combat the COVID-19 pandemic and provide Detroiters with the support they need to reduce the impact of the pandemic. Donations may include, but are not limited to, masks, face-shields, gloves, COVID-19 testing equipment, food for shelters, cleaning supplies/equipment, and cash for the specific and sole purpose of supporting the COVID-19 relief efforts. This requested resolution does not apply to grants. All grants will continue to be sub-

mitted to council for authorization to apply, accept and appropriate grant funding.

If approval is granted to accept and appropriate donations for COVID-19 relief efforts on a rolling basis, the appropriation number is 20785, which was established by this body for emergency actions related to COVID-19.

I respectfully ask your approval to accept and appropriate donations for the specific purpose of supporting COVID-19 relief efforts, in accordance with the attached resolution.

#### **2020 CARES Act Agreement Sub Grant # DET-11720**

The Michigan Department of Transportation, acting as a Federal Aviation Administration (FAA) Block Grant Program Participant, has executed FAA CARES Act Grant Number 3-26-SBGP-117-2020. This Block Grant outlines specific requirements, terms, conditions, and assurances required of the Michigan Department of Transportation and any subordinate grant recipients.

This CARES ACT Agreement shall convey the specific requirements, terms, conditions, and assurances contained in FAA CARES Act Grant Number 3-26-SBGP-117-2020 to Coleman A. Young Municipal Airport hereafter referred to as "the SPONSOR" as a subgrant recipient of funds. FAA CARES Act Grant Number 3-26-SBGP-1 17-2020 is attached to this CARES Act Agreement.

The maximum obligation payable to the

SPONSOR is \$69,000.00. The SPONSOR shall use these funds for any purpose for which airport revenues may be lawfully used. CARES Act Grant subgrant recipients shall follow the FAA's Policy and Procedures Concerning the Use of Airport Revenues ("Revenue Use Policy"), 64 Federal Register 7696 (64 FR 7696), as amended by 78 Federal Register 55330 (78 FR 55330). The Revenue Use Policy defines permitted uses of airport revenue. In addition to the detailed guidance in the Revenue Use Policy, the funds received under 3-26-SBGP-117-2020 or any associated subgrants may not be used for any purpose not related to the airport.

The SPONSOR shall upload each payment request to MDOT's ProjectWise software. Each request shall include the following information:

- a) 2020 CARES Act Operational Funding Reimbursement Request Form;
- b) Summary Sheet (if multiple items are included); and
- c) Supporting documentation.

Once completed payment requests are received, MDOT will review, process, and submit the request to FAA via the Delphi Invoicing System.

**In addition to all specific requirements, terms, conditions, and assurances contained in FAA CARES Act Grant Number 3-26-SBGP-117-2020, the Sponsor shall ensure strict adherence to the following audit requirements:**

1. The SPONSOR will establish and maintain accurate records, in accordance with generally accepted accounting principles, of all expenses incurred for which payment is sought or made under this Agreement (RECORDS). Separate accounts will be established and maintained for all costs incurred under this Agreement.

2. The SPONSOR will maintain the RECORDS for at least six (6) years from the date of final payment made by MDOT under this Agreement. In the event of a dispute with regard to allowable expenses or any other issue under this Agreement, the SPONSOR will thereafter continue to maintain the RECORDS at least until that dispute has been finally decided and the time for all available challenges or appeals of that decision has expired.

3. MDOT or its representative may inspect, copy, scan, or audit the RECORDS at any reasonable time after giving reasonable notice.

4. If any part of the work is subcontracted, the SPONSOR will assure compliance with sections (1), (2), and (3) above for all subcontracted work.

5. The SPONSOR agrees that the costs reported to MDOT for this Agreement will represent only those items that are properly chargeable in accordance with this Agreement. The SPONSOR also certifies that it has read the Agreement terms and has made itself aware of the applicable laws,

regulations, and terms of this Agreement that apply to the reporting of costs incurred under the terms of this Agreement.

6. In the event that an audit performed by or on behalf of MDOT indicates an adjustment to the costs reported under this Agreement or questions the allowability of an item of expense, MDOT will promptly submit to the SPONSOR a Notice of Audit Results and a copy of the audit report, which may supplement or modify any tentative findings verbally communicated to the SPONSOR at the completion of an audit.

Within sixty (60) days after the date of the Notice of Audit Results, the SPONSOR will (a) respond in writing to the responsible Bureau of MDOT indicating whether or not it concurs with the audit report, (b) clearly explain the nature and basis for any disagreement as to a disallowed item of expense, and (c) submit to MDOT a written explanation as to any questioned or no opinion expressed item of expense (RESPONSE). The RESPONSE will be clearly stated and will provide any supporting documentation necessary to resolve any disagreement or questioned or no opinion expressed item of expense. Where the documentation is voluminous, the SPONSOR may supply appropriate excerpts and make alternate arrangements to conveniently and reasonably make that documentation available for review by MDOT. The RESPONSE will refer to and apply the language of the Agreement. The SPONSOR agrees that failure to submit a RESPONSE within the sixty (60) day period constitutes agreement with any disallowance of an item of expense and authorizes MDOT to finally disallow any items of questioned or no opinion expressed cost.

MDOT will make its decision with regard to any Notice of Audit Results and RESPONSE within one hundred twenty (120) days after the date of the Notice of Audit Results. If MDOT determines that an overpayment has been made to the SPONSOR, the SPONSOR will repay that amount to MDOT or reach agreement with MDOT on a repayment schedule within thirty (30) days after the date of an invoice from MDOT. If the SPONSOR fails to repay the overpayment or reach agreement with MDOT on a repayment schedule within the thirty (30) day period, the SPONSOR agrees that MDOT will deduct all or a portion of the overpayment from any funds then or thereafter payable by MDOT to the SPONSOR under this Agreement or any other agreement or payable to the SPONSOR under the terms of 1951 PA 51, as applicable. Interest will be assessed on any partial payments or repayment schedules based on the unpaid balance at the end of each month until the balance is paid in full. The assessment of interest will begin thirty

(30) days from the date of the invoice. The rate of interest will be based on the Michigan Department of Treasury common cash funds interest earnings. The rate of interest will be reviewed annually by MDOT and adjusted as necessary based on the Michigan Department of Treasury common cash funds interest earnings. The SPONSOR expressly consents to this withholding or offsetting of funds under those circumstances, reserving the right to file a lawsuit in the Court of Claims to contest MDOT's decision only as to any item of expense the disallowance of which was disputed by the SPONSOR in a timely filed RESPONSE.

The Sponsor agrees to comply with all portions of this grant Agreement.

Honorable City Council:

Re: Applications for Neighborhood Enterprise Zone Certificate for Hubbard Farms.

On October 21, 1992, your Honorable Body established Neighborhood Enterprise Zones. I am in receipt of one (1) application for a Neighborhood Enterprise Zone Certificate. This application has been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve this application.

Respectfully submitted,

By Council Member Ayers:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from as valorem property taxes, and the imposition of specific property tax in lieu of as valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992.

Now, Therefore, Be It

Resolved, That the City Council approve the following address for receipt of Neighborhood Enterprise Zone Certificate for a fifteen-year period:

August 10, 2020

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of an existing eight-unit condominium building located at 1255 Hubbard Avenue in the Hubbard Farms Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of an existing eight-unit condominium building located at 1255 Hubbard Avenue. This application corresponds to a qualified site which will accommodate the rehabilitation of a current building consistent with zoning and the Master Plan of Policies. The building is anticipated to undergo substantial work, including mechanical, HVAC, interior and exterior renovations. CPC staff has reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the Hubbard Farms NEZ which was established by a vote of Council on October 22, 2002, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost of rehabilitation for 1255 Hubbard Avenue is \$75,000.00 per unit for an approximate total cost of \$600,000.00. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

Re: Resolution Approving Creation of the "City of Detroit Large Claim Workers' Compensation Fund".

For reasons outlined in a privileged and confidential memorandum submitted under separate cover, the Law Department, in conjunction with the Office of the Chief Financial Officer, recommends that this Honorable Council vote "YES" on the attached *Resolution Creating City of Detroit Large Claim Workers' Compensation Fund*.

Respectfully submitted,  
CHARLES RAIMI  
Deputy Corporation Counsel

**RESOLUTION CREATING CITY OF  
DETROIT LARGE CLAIM WORKERS'  
COMPENSATION FUND**

By Council Member McCalister, Jr.:

WHEREAS, The City of Detroit is now and has for many years been self-insured for its civilian and public safety workers

disability compensation liabilities ("WC Liabilities");

WHEREAS, To act as a self-insurer for WC Liabilities the City must obtain approval from the State of Michigan regulatory authorities, namely, the Workers' Disability Compensation Agency ("WC Agency");

WHEREAS, The WC Agency has required the City, as a condition of being able to self-insure its WC Liabilities, to purchase a policy providing excess insurance coverage;

WHEREAS, For reasons set forth in a previously-circulated privileged and confidential memorandum to City Council, the Law Department and OCFO recommend that the City establish a Large Claim Workers' Compensation Fund ("LCWC Fund") in lieu of purchasing excess insurance;

WHEREAS, The WC Agency has agreed that the City, based on current circumstances, may use the LCWC Fund established by this Resolution to support its self-insured status; and NOW, THEREFORE, BE IT

RESOLVED, That the City of Detroit Large Claim Workers' Compensation Fund ("LCWC Fund") is hereby established and shall be maintained as a dedicated account in accordance with this resolution; AND BE IT FURTHER

RESOLVED, That the purpose of the City of Detroit Large Claim Workers' Compensation Fund ("LCWC Fund") is to provide a dedicated financial source to ensure that workers' compensation benefits are paid in the event of a catastrophic claim or occurrence; AND BE IT FURTHER

RESOLVED, That the LCWC Fund shall initially be funded with \$9.5 million. The LCWC Fund's initial balance of \$9.5 million shall be deposited in a dedicated account and will be reflected in the City's CAFR for the 2021 fiscal year ending June 30, 2021 and thereafter. The City will provide an accounting to the Workers' Disability Compensation Agency (WC Agency) confirming the \$9.5 million deposit no later than October 1, 2020; AND BE IT FURTHER

RESOLVED, That the City will make an annual deposit into the LCWC Fund. The annual deposit is \$250,000 and is subject to change at the discretion of the WC Agency. The deposit will be made prior to the City's annual renewal date and evidence of the deposit will be provided as part of the annual renewal; AND BE IT FURTHER

RESOLVED, That the City may utilize the Fund for payment of Workers' Disability Compensation Benefits as provided in statute for Large Claims. A Large Claim is defined as a claim greater than \$750,000; AND BE IT FURTHER

RESOLVED, That the WC Agency may request financial documentation in rela-

tion to the Fund at any time and the City shall provide the requested documentation within a reasonable time following the request. In addition, the City is subject to the annual renewal process; NOW THEREFORE BE IT FINALLY

RESOLVED, That in addition to the annual renewal, the City will be responsible for providing quarterly updates to the WC Agency.

Re: Scan Clear, LLC (Robin Warwick) vs. City of Detroit. Case No: 19-00938-GC. File No: L19-00237 (RG).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Three Thousand Seven Hundred and Fifty Dollars and No Cents (\$3,750.00) is in the best interest of the City of Detroit.

We, Therefore, request authorization to settle this matter in the amount of Three Thousand Seven Hundred and Fifty Dollars and No Cents (\$3,750.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Scan Clear, LLC and its attorney, Vahdat Weisman, PLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-00938-GC, approved by the Law Department.

Request for Corrected  
Settlement Resolution

Re: City of Detroit vs. 5625 Military, LLC, et al. Case No: 19-014688-CH. File No. L19-00550 (SLDeJ).

Your Honorable Body previously approved the settlement of the referenced lawsuit in a resolution adopted on July 21, 2020. However, the resolution submitted to and approved by City Council had a typographical error. The resolution referred to the purchaser as "Frontier Development, LLC," when the purchaser's correct legal name is "Frontier Developments, L.L.C."

We, Therefore, request that the City Council's July 21, 2020 resolution, authorizing the settlement be rescinded, and the City Council approve the resolution submitted with this letter correcting the error referred to above, authorizing the settlement of the referenced lawsuit by the reimbursement of the demolition cost for 5625 Military, Detroit, MI, at a discounted amount, that will be paid in full at the closing and sale of two (2) city parcels identified as 5600 Livernois and 5650 Livernois, Detroit, MI, conditioned upon the receipt of a properly executed Stipulation and Order of Dismissal with prejudice, to be entered in the referenced lawsuit, approved by the Law Department.

Respectfully submitted,

By Council Member McCalister, Jr.:

Whereas, That the July 21, 2020, resolution authorizing the settlement of Wayne County Circuit Court Case No. 19-

014688-CH, that referred to the purchaser as "Frontier Development, LLC," rather than "Frontier Developments, L.L.C." is to be rescinded;

Whereas, The City of Detroit, through its Law Department, is seeking settlement of the matter given in the foregoing communication, which includes the City of Detroit being reimbursed for the demolition cost and the sale of two (2) city owned lots for the total sum of Ninety-Five Thousand Dollars (\$95,000.00) to be paid in full at a closing. The settlement also includes the sale, As Is, of two (2) city owned vacant lots that are identified as 5600 Livernois and 5650 Livernois, Detroit, MI, Tax Parcel ID Nos. 16-017261 (5600 Livernois, Detroit, MI 48210) and 16-017267 (5650 Livernois, Detroit, MI 48210),

E S LIVERNOIS 58 W T HURDS SUB L6 P17 PLATS, WCR 16/156 30 X 95.35A (hereinafter collectively referred to as the "2 City Owned Vacant Lots").

The purchaser, Frontier Developments, L.L. C., is a Michigan Limited Liability Company. The Ninety Five Thousand Dollars (\$95,000.00) will be paid, in full, to the City of Detroit, for the costs incurred by the City of Detroit, to demolish the building and abate the nuisances at 5625 Military, Detroit, MI. and the sale of the 2 City Owned Vacant Lots.;

Whereas, The City's Housing Revitalization Department recommends acceptance of the settlement of the demolition cost recovery lawsuit and the sale of the 2 City Owned Vacant Lots, As Is, for the total sum of Ninety Five Thousand and 00/100 Dollars (\$95,000.00) to be paid in full to the City of Detroit at a real estate closing; and

Now, Therefore Be It

Resolved, That the July 21, 2020, resolution authorizing the settlement of Wayne County Circuit Court Case No. 19-014688-CH, referring to the purchaser as "Frontier Development, LLC," rather than "Frontier Developments, L.L.C." is Rescinded,

Resolved, That Detroit City Council hereby approves the settlement of the above referenced demolition cost recovery lawsuit against 5625 Military, LLC and the sale of the 2 City Owned Vacant Lots, As Is, to Frontier Developments, L.L.C.; and be it further

Resolved, That the value of the 2 City Owned Vacant Lots, for the consideration in the deed(s) is/are: Five Thousand Thirty One Dollars (\$5,031.00) for 5650 Livernois, Detroit, MI and Nine Thousand Four Hundred Fifty-Two Dollars (\$9,452.00) for 5600 Livernois, Detroit, MI; and it is further

Resolved, That the applicable City of Detroit Department is authorized to accept the reimbursement of the demolition cost and the sale of the 2 City Owned Vacant Lots for the total sum of Ninety Five Thousand and 00/100 Dollars (\$95,000.00), with the terms and conditions of a Stipulated Order and/or an agreement dismissing Wayne County Circuit Court Case No. 19-014688-CH, with prejudice, to be approved by the City of Detroit Law Department; and be it further

Resolved, Upon payment in full of the Ninety Five Thousand and 00/100 Dollars (\$95,000.00) to the City of Detroit, the applicable City of Detroit Department is authorized to dismiss the demolition cost recovery lawsuit with prejudice, and execute a general release for the entire demolition cost and all liabilities related to 5625 Military, Detroit, MI, incurred by the City of Detroit against all of the defendants and interested parties, and issue the appropriate deed(s), to be determined by the City of Detroit Law Department, conveying ownership of the 2 City Owned Vacant Lots, As Is, to Frontier Developments, L.L.C.

**City Planning Commission**

July 16, 2020

Honorable City Council;

Re: Request of Henry Ford Health Systems to amend Article XVII, District Map 7, of the 2019 Detroit City Code Chapter 50, *Zoning* by showing a PD (Planned Development) zoning classification where an R3 (Low Density Residential) zoning classification is currently shown on 26 parcels generally bounded by Pallister Avenue, the John C. Lodge Freeway Service Drive, Seward Street and Poe Street. (RECOMMEND APPROVAL)

**BACKGROUND AND PROPOSAL**

The City Planning Commission (CPC) has received a request from Henry Ford Health Systems requesting that the City of Detroit amend Article XVII, District Map No. 7 of Chapter 50 of the 2019 Detroit City Code, *Zoning*, to show a PD (Planned Development) zoning classification where an R3 (Low Density Residential) zoning classification currently exists on 26 parcels generally bounded by Pallister Avenue, the John C. Lodge Freeway Service Drive, Seward Street and Poe Street.

The subject property is currently developed with a surface parking lot with approximately 300 parking spaces. The property is located on the city's west side in City Council District 5.

**Proposed Development**

Henry Ford Health Systems (HFHS) proposes to build and operate a new parking structure, generally for employees who currently park in surface lots several blocks away and are shuttled to the main hospital. The proposed garage would consist of seven levels and accommodate approximately 2,000 vehicles. Previously, a garage for the hospital's shuttle busses was proposed on the northernmost portion of the site adjacent to Seward Street; but that has been eliminated from the proposal. That portion will remain a surface parking lot as shown on the submitted plans.

A landscaped setback of 14-30 feet is proposed around the new structure, similar to the existing setback of the parking lot. The proposed structure would be clad primarily with brick and concrete panels with some metal panels on the stair towers. The brick coordinates with surrounding structures which are primarily brick,

and the concrete panels echo the cladding of the adjacent apartment building to the west.

#### **Public Hearing – June 20, 2019**

On June 20, 2019 the City Planning Commission (CPC) held a 5:15 P.M. public hearing on the subject rezoning. Four members of the public spoke, all in opposition. They were generally concerned with additional air pollution, blockage of sunlight and views, increased taxes, decreased property value, security and storm water management. Questions were also raised regarding whether the parking structure could be built in another location that isn't immediately adjacent to residential dwellings.

#### **Community Outreach**

In preparation for the City Planning Commission public hearing, HFHS walked the neighborhood surrounding the proposed parking garage to discuss the project with residents. HFHS then held four public meetings throughout summer and fall of 2019 to receive feedback from neighbors and propose alterations to the project. Additional details about the meetings such as dates and locations are included in the attached memo from HFHS.

As a result of feedback received from neighbors, HFHS made several alterations to the proposal and offered additional benefits to the surrounding community:

- The northernmost portion of the garage that would house the shuttle busses was eliminated.
- The north façade was redesigned based on neighborhood feedback to include more brick and smaller openings.
- A row of trees was added between the garage and the alley.
- HFHS will partner with neighbors to beautify the alley between the proposed garage and the homes on Seward Street.
- A sunlight study was conducted to explore the amount of sunlight that would be blocked by the proposed structure.
- HFHS offered to pay the fees for the neighborhood to participate in the residential parking permit program (which would restrict or eliminate employee parking on the surrounding residential streets).
- Health and wellness classes will be offered at Lexington Village (the apartment building to the west) and open to all neighbors.
- Initially, extensive construction was thought to be required in the alley to re-route a water main. HFHS did additional research and found that the water line could be re-routed to the south, thus preventing significant disruption of traffic in the alley adjacent to the Seward Street houses. Although this was not the easiest option, as HFHS was required to get an easement from Lexington Village, they

felt that it would be better for the Seward Street residents.

- A representative from the City's Office of the Assessor spoke at one of the meetings regarding property values and the numerous factors that influence them.

Generally, the nearby residents did not feel that the changes addressed their concerns and continued to oppose the project. HFHS didn't see any further opportunity for compromise or that any additional conversation would be productive. Last fall and winter, several community members appeared before your Honorable Body during public comment to speak in opposition to the project.

CPC staff continued to meet with HFHS representatives to get a better understanding of their near and longer term development needs and to find a compromise that would resolve the parking issue without the majority of the impact affecting a few residents. HFHS provided additional context regarding recent developments such as the construction of the Cancer Center and the sale of several parking lots for development by other entities. CPC staff requested the submission of additional information to provide more context, including:

1. A **comprehensive vision and master plan** for the entire hospital campus and all properties under HFHS control in order to provide the City with documentation to evaluate the hospital's needs and corresponding requests;
2. A **parking study** establishing current and projected parking demands and exploring the means by which to address them;
3. A **traffic study** reflecting the current and projected future needs of the hospital including options such as street closures to segregate traffic and protect the surrounding neighborhood;
4. A **redesign of the proposed parking structure** to be lower in height, stepping down to meet the neighborhood. Also, to ensure ample intake capacity at the southern entrance and proper traffic flow along Pallister Avenue;
5. **Additional engagement** with the immediately impacted community members including appropriate City agencies such as City Planning Commission and Planning and Development Department staff.

HFHS discussed each of these requests but declined to submit additional information. They concluded that the proposed parking garage is already the minimum size that would be reasonable for the project and any further decrease would render the project infeasible. Staff had hoped the submission of the requested information would fully justify the current request, while presenting the City and general public with a better understanding of the future needs and plans.

## PLANNING CONSIDERATIONS

### ***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

North: R3 (Low Density Residential) – Child Care Center, Residential Dwellings.

East: John C. Lodge Freeway (immediately adjacent) Across freeway – R1 (Single Family Residential) and SD2 (Special Development District, Mixed-Use) – Vacant Elementary School, Union Hall.

South: R6 (High Density Residential) – Parking Structure (owned by Henry Ford Hospital).

West: PD (Planned Development) and R3 (Low Density Residential) – Multi-Family Dwelling (12 story, Lexington Village Apartments), Single Family Dwelling

### ***Zoning Ordinance Approval Criteria***

Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. Following are the relevant criteria with CPC staffs analysis in italics:

- Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.

*The proposed amendment does meet the challenge of a changing condition. The hospital needs additional on-site parking to replace surface parking lots which have been sold for development and to accommodate the repair or replacement of existing parking structures which are nearing the end of their useful life.*

- Whether the proposed amendment will protect the health, safety, and general welfare of the public. *While the proposed amendment may harm the residents directly adjacent to the site by reducing access to natural light and adding to traffic congestion and vehicle emissions; the general public will benefit from the map amendment due to decreased hospital parking on residential streets, and more generally by the continued presence of the hospital.*

- Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management. *The proposed development will have a positive impact on stormwater management as the site currently drains to the combined sewer system and the proposed parking garage would mitigate stormwater run-off onsite as required. The proposed development also will have slightly more landscaping than the current surface parking lot as additional trees are specified along the alley where none currently exist.*

As a PD district, this proposal is also subject to the approval criteria in Section 50-3-96. Following are the relevant criteria with CPC staffs analysis in italics:

- Whether the subject site covers a minimum of two acres of contiguous land under the control of one owner or group of owners; and is capable of being planned and developed as one integral unit. *Yes, the site meets the size requirement and will be one development.*

- That no other zoning district classification would be more appropriate. *No existing zoning district would allow a parking structure of this size by-right.*

- That the development will result in a recognizable and substantial benefit to the ultimate users of the project and to the City, where such benefits would otherwise be unfeasible or unlikely to be achieved. *Urban planning theory generally promotes parking structures over surface parking lots as creating more walkable areas and better urban design. As this proposed parking structure will eliminate the need for several surface parking lots in the area, it is beneficial to the City. The intended users of the parking structure will benefit by being able to park closer to the hospital and not having to spend additional time shuttling back and forth.*

- Whether the location of the proposed Planned Development District is appropriate. *There are several other properties in the area that are zoned PD including the apartment building directly to the west.*

### ***Master Plan Consistency***

The subject site is located within the Rosa Parks area of Neighborhood Cluster 6 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Institutional" & "Low-Medium Density Residential" for the subject property. The Planning & Development Department submitted a formal Master Plan interpretation that the proposed rezoning conforms to the Future General Land Use characteristics of the area.

### ***CONCLUSION & RECOMMENDATION***

Henry Ford Hospital has been an important anchor and community institution for more than 100 years. As the flagship location of Henry Ford Health System, it both provides medical care for Detroit residents, and draws patients from the metropolitan region and beyond for innovative treatments and specialized care. As the campus continues to change and grow to meet staff and patient needs, additional parking capacity is essential.

Several developments in the last number of years, including the cancer center to the south and the sale of several surface parking lots for development have accelerated this parking deficit. Existing parking structures are nearing the end of their life expectancy and will require substantial rehabilitation or replacement in the next decade. On-street parking is a burden on the surrounding community. Constructing a new parking garage is necessary for the hospital to continue to

serve its mission and to attract both employees and patients.

Although HFHS partially illustrated the immense need for a new parking structure, surrounding residents, businesses and property owners must also be considered. Balancing and evaluating these sometimes conflicting demands is difficult. Regarding the proposed parking garage, too much of the burden seemed to fall on just a few residents. CPC staff felt that despite a great deal of effort from HFHS representatives, that a satisfactory compromise couldn't be reached and that the rezoning should be denied. When the matter finally returned to the City Planning Commission, staff presented the project and recommendation to the Commission, they disagreed and concluded that the needed parking and benefit to the greater community outweighed the issues of the immediately impacted residents.

On February 20, 2020, the City Planning Commission voted to recommend approval of this rezoning request with the following condition:

1. That final site plans, elevations, lighting, landscape, and signage plans be submitted by the developer to the staff of the City Planning Commission for review and approval prior to submitting applications for applicable permits.

The ordinance establishing the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

**Sec. 50-17-8. District Map No. 7.**

(1) The existing R3 Low Density Residential District zoning classification is revised to a PD Planned Development District zoning classification for the 26 parcels generally bounded by Seward Street to the north, the John C. Lodge Freeway Service Drive to the east, Pallister Avenue to the south, and Poe Street to the west, more specifically described as:

A parcel of land being Lots 3 through 14, the West 35 feet of Lots 1 and 2, and the East 13 feet of Lots 15 and 16 in Block 3, and also Lots 2 through 7, the West 35 feet of Lot 1 and the East 13 feet of Lot 8 in Block 4, together with the interest of vacated Delaware Avenue and adjoining vacated alleys, all within Irving Place Subdivision of 1/4 Section 55 of 10.000 Acre Tract in T.1 S.R.11 E. as recorded in Liber 11 of Plats on Page 5, Wayne County Records; and also Lots 1 through 5 lying West of the John C. Lodge Service Drive and Lots 13 and 14, and adjoining alleys of Sullivan's Subdivision, a replat of Lots 21 through 24, of Block 11 of Beck's Subdivision of 1/4 Section 55, 10,000 Acre Tract, City of Detroit, Wayne County, Michigan, as recorded in Liber 15 of Plats on Page 69, Wayne County Records.

More particularly described as follows: Beginning at a point on the North line of Pallister Avenue (70 feet wide) and the Southwest corner of the East 13.00 feet of Lot 16, Block 3, Irving Place Subdivision; thence N.27°-16'-56"W, along the West line of the East 13.00 feet of Lots 16, 15 of said Block 3, and the West line of the East 13.00 feet of Lot 8 of Block 4 of said Irving Place Subdivision. 418.49 feet to the Northwest corner of the East 13.00 feet of said Lot 8, Block 4, Irving Place Subdivision: thence N.63°-01'-14"E, along the North line of Lots 5, 6, 7, and 8, of said Block 4, 127.83 feet to the Southerly extension of the West line of Lot 13 of Sullivan's Subdivision; thence N.26°-59'-37"W, on said Southerly extension and the West line of said Lot 13 185.00 feet to the Northwest corner of said Lot 13 and the South line of Seward Street (75 feet wide); thence N.63°-01'-14"E, along the North line of Lots 13, 14 and 5 of said Sullivan's Subdivision and said South line of Seward Street (75 feet wide), 164.24 feet to the West line of John C. Lodge Service Drive; thence S.27°-16'-56"E, along said West line of John C. Lodge Service Drive 599.53 feet to the North line of said Pallister Avenue (70 feet wide) and the Southeast corner of the West 35 feet of Lot 1, Block 3, Irving Place Subdivision; thence S.62°-18'-04"W, on said North line of Pallister Avenue (70 feet wide) and the South line of Block 3 of said Irving Place Subdivi-

sion, 293.00 feet to the point of beginning, containing 3.50 acres of land and subject to any easements of record.

(2) All development within the PD Planned Development District zoning classification described herein must be in accordance with the site plans, elevations, and other components of the development proposals for the "Henry Ford Health System Parking Deck" project, as drawn by Hobbs+Black Architects, dated November 21, 2019, and must be subject to the following conditions:

(i) The applicant shall work with the adjacent community to minimize disruption to the neighborhood during construction and to address any impacts on an ongoing basis.

(ii) All final site plans, elevations, lighting, landscape, and signage plans are subject to review and approval by the City

Planning Commission staff prior to submitting any applications for applicable building or construction permits.

**Section 2.** All ordinances, or parts of ordinances, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** This ordinance shall become effective on the eighth (8th) day after publication in accordance with Section 401(6) of Public Act 110 of 2006, as amended. M.C.L. 125.3401(6) and Section 4-118, paragraph 3 of the 2012 Detroit City Charter. Approved as to Form:

RESOLUTION SETTING HEARING

By Council Member Tate:

Resolved, That a public hearing will be held by this body virtually using videoconferencing for the Planning and Economic Development Standing Committee, for the purpose of considering the advisability of adopting the foregoing proposed ordinance to Chapter 50 of the 2019 Detroit City Code, Zoning, by amending Article XVII, Section 50-17-8, District Map No. 7, to show a PD Planned Development District zoning classification where an R3 Low Density Residential zoning classification is currently shown on 26 parcels generally bounded by Seward Street to the north, the John C. Lodge Freeway Service Drive to the east, Pallister Avenue to the south, and Poe Street to the west. Governor Gretchen Whitmer's "Stay Home, Stay Safe" Executive Order (EO 2020-154) went into effect on Friday, July 17, 2020. Therefore, Detroit City Council will be meeting virtually using videoconferencing. This action is being taken in accordance with Governor Whitmer's Executive Order 2020-154, which allows electronic meetings for legislative bodies.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

Historic Designation Advisory Board

August 31, 2020

Honorable City Council:

Re: Petition No. 900 — Historic Designation Advisory Board Final Report, recommendation and draft ordinance for the proposed Blue Bird Inn Historic District (For introduction of an ordinance and the setting of a public hearing.)

At the direction of the Historic Designation Advisory Board at its meeting of May 14, 2020, we are pleased to submit to your Honorable Body the Board's final report on the proposed Blue Bird Inn Historic District. The unanimous recommendation of the Advisory Board is for the designation. The ordinance of designation is attached and has been approved as to form by the Law Department.

This designation was requested by the Detroit Sound Conservancy, building owner. Dr. Carleton Gholz and Gerald Underwood have been appointed as ad hocs representing the community interest of the proposed district. A public hearing was held on January 9, 2020 which had twenty-two people in attendance. All were in favor of the district and there was no registered opposition.

If you should have any questions, please contact our office at 224-3487.

Respectfully submitted,

**Draft Final Report  
Proposed Blue Bird Inn  
Historic District  
5021 Tireman Street**

By a resolution dated July 16, 2019, the Detroit City Council charged the Historic Designation Advisory Board, a study committee, with the official study of the proposed Blue Bird Inn Historic District in accordance with Chapter 21 of the 2019 Detroit City Code and the Michigan Local Historic Districts Act.

The proposed Blue Bird Inn Historic District consists of a single contributing building located on the south side of Tireman Street approximately 1/2 mile west of Grand Boulevard and addressed as 5021 Tireman Street. It is located approximately five miles northwest of downtown Detroit in the historic Old Westside neighborhood – a few blocks north of the nearby Nacirema Club and St. Cyprian’s Church local historic districts. The surrounding area is residential with scattered commercial and institutional buildings along Tireman Street, a major east-west road that once separated Greenfield and Springwells Townships prior to annexation by Detroit and later served as the unofficial “Jim

Crow Line” whereby African Americans were prevented from moving north of Tireman via racial covenants banning black home ownership. The Orsel and Minnie McGhee House, located one block north from the Blue Bird Inn, would play a crucial role in the 1948 U.S. Supreme Court ruling deeming the practice of racial covenants unconstitutional. The building is presently vacant and owned by Detroit Sound Conservancy, a Detroit-based nonprofit dedicated to the preservation of the City’s musical heritage.

**BOUNDARIES**

The boundaries of the proposed Blue Bird Inn Historic District, outlined in heavy black on the attached map, are as follows:

*On the north*, the centerline of Tireman Street;

*On the east*, the east line, as extended north and south, of lot 32 of the Beech Hurst William L. Holmes Subdivision, Liber 17, Page 40, Wayne County Records;

*On the south*, the centerline of the east-west alley south of Tireman Street; and

*On the west*, the west line, as extended north and south, of lot 32 of the Beech Hurst William L. Holmes Subdivision, Liber 17, Page 40, Wayne County Records.

Boundary Justification

The boundaries described above delineate the parcel presently and historically occupied by the Blue Bird Inn and contains the entire footprint of the building.

**STATEMENT OF SIGNIFICANCE**

The Blue Bird Inn is significant under National Register Criteria A at the national level for its contributions to modern jazz through the development of the bebop musical art form. As a black-owned working-class jazz club, the Blue Bird Inn uniquely exemplifies the rapid racial

demographic shifts of Detroit in the 1940s and 1950s as well as the development of Detroit’s early African American neighborhoods through extensive economic and social networks, and is thus also significant under Criteria A at the local level.

For its direct association with jazz musicians of national renown such as local artists Terry Pollard, Thad Jones, Elvin Jones, Tommy Flanagan, Barry Harris, Billy Mitchell, Sonny Stitt, Joe Henderson, Yusef Lateef, and Donald Byrd as well as touring artists such as

Sarah Vaughan, Charlie Parker, John Coltrane, and Miles Davis, the Blue Bird Inn is significant under National Register Criteria B at the national level.

Finally, based on the archaeological investigations undertaken by faculty and students of Wayne State University in 2015, the Blue Bird Inn is significant under National Register Criteria D at the local level for its ability to yield important archaeological information exclusive to African American history in Detroit.

#### Period of Significance

The period of significance is defined as 1948, when the first house band was formed with a primary focus on bebop, to 1960, when the Blue Bird Inn no longer featured a permanent house band and the predominance of bebop began to transition to hard bop, post-bop, and free jazz styles.

#### **HISTORY**

##### Early History of the Site

The land where 5021 Tireman sits is part of the traditional territory of the Confederacy of Three Fires, comprised of the Ojibwe (Chippewa), Odawa (Ottawa), and Bodewadmi (Potawatomi) Nations and referred to as Waawiyatanong, or "where the water goes around," in the Anishinaabemowin language of the Anishinaabe indigenous community. The region's original inhabitants, including Anishinaabe as well as Wyandot, Iroquois, Fox, Miami, and Sauk tribes, are known to have traveled throughout the area surrounding 5021 Tireman by using multiple trail systems including the Shiawassee Trail that now roughly corresponds to today's Grand River Avenue.

After Springwells Township was created by an act of Michigan Territorial Governor Lewis Cass in 1818, Greenfield Township was created from its northern portion in 1832 and included the land where 5021 Tireman sits. The earliest record of European settlers in Greenfield Township is listed as 1826, describing the territory as a "vast wilderness, each settler being obliged to cut his way through the forest to his own land."<sup>1</sup> Later known for its agricultural lands, including the immense seed farm of D. M. Ferry & Company that encompassed nearly three hundred acres, Greenfield Township received its name in reference to "its green fields [that] are both beautiful and productive."<sup>2</sup>

By 1892, the area was platted as the "Beech Hurst" William L. Holmes Subdivision. A well-regarded Detroit businessman, William L. Holmes served as the president of the Detroit Telephone Company (1896) and the Detroit Tool Company (1905). In 1906, Beech Hurst subdivision was annexed by the City of Detroit as part of its 6.9 square mile expansion westward, bringing the City's total size to 35.65 square miles.<sup>3</sup> According to Baist's real

estate atlases, in 1911 the surrounding area was largely undeveloped but by 1923 commercial development was concentrated along Grand River and Warren avenues with residential development throughout the area and encompassing both sides of Tireman Street.

On April 13, 1926, Jacob Molin was deeded the land where 5021 Tireman sits under the will of Illinois Webster, the widow of Orange Webster who purchased the land directly from William Holmes in 1889. On September 3, 1926, Molin pulled a building permit to erect a one-story brick store measuring 30' wide x 60' long x 12' tall for \$6,000. Molin was active in the Jewish community and the owner of Realty Cornice & Roofing Company, addressed as 585 Kennilworth Avenue in the North End neighborhood of Detroit, although the business was bankrupt by 1927. On March 18, 1927, Molin sold the property to Jacob Stiglitz, who operated a hat and clothing store in the North End.

At that time, the building housed two separate storefronts and was addressed as both 5019 and 5021 Tireman Street. Paul Gorman's tire repair shop was the first recorded business operating out of the 5021 Tireman storefront from 1927-1932, with Detroit Chrome, a plating works company, operating out of the 5019 Tireman storefront from 1929-1931. The property sat vacant from 1932-1934 and was sold at public auction to First National Bank on September 30, 1935. Detroit Refrigeration Service operated out of the 5019 Tireman storefront from 1935-1937.

##### The Blue Bird Inn

The separate 5019 and 5021 addresses were combined in 1937 when William DuBois opened the Blue Bird Inn as a neighborhood bar and restaurant at 5021 Tireman. DuBois, who migrated with his family from Alabama to Detroit in the mid-1920s and purchased a home at 6534 Whitewood, around the corner from 5021 Tireman, worked various jobs as a laborer, grocer, and machine operator at Ford Motor Company.<sup>4</sup> From 1934-1937, he operated a beer garden with his wife, Pinkie, a block away at 5113 Tireman.

On August 12, 1937, DuBois pulled a building permit to alter the building by making the doors swing out and enlarging the men's bathroom. Three months later, he was shot and killed by his son, Robert "Buddy" DuBois, who pled self-defense and was sentenced to a life-term in Jackson Prison.<sup>5</sup> The Blue Bird Inn remained open under several different managers and its first advertisement appeared on April 30, 1938, featuring jam sessions on Thursday and swing music by the Sonny Boy Williams quartet.<sup>6</sup> The bar also featured the Jimmy Caldwell orchestra and Ella "Black Beauty" Lee, a blues singer who also performed at various Paradise Valley clubs.

On September 20, 1943, Pinkie DuBois purchased the property from First Liquidated Corp and, reflecting the bar's growing popularity, a building permit was pulled on January 6, 1944 to construct a 21' by 12' one-story cement block rear addition to expand the kitchen and bathrooms. By 1946, Buddy DuBois returned from prison and resumed management of the bar along with his sisters, Gertrude Bukley and LaJean DuBois, who were actively involved with its operations and finances.

Seeking to expand the current clientele and attract a younger crowd to the bar, Buddy DuBois embarked on a plan to modernize the Blue Bird Inn. To achieve this, he installed a television set in the bar (a relatively new technology in the late 1940s) and pulled a building permit on April 27, 1948 to alter the front facade of the building, described as a "distinctive exterior — a pure blue façade accented with a New York City-style awning that ran across the sidewalk and right up to the curb."<sup>7</sup>

DuBois also implemented a new live music policy by hiring pianist Phil Hill with the instructions to assemble an exclusive house band "specializing in the new thing from New York City - bebop."<sup>8</sup> According to a payroll ledger,<sup>9</sup> this change occurred on September 9, 1948, and for the next two years. Phil Hill's five-piece band would present "progressive jazz" every Thursday through Sunday. The Blue Bird Inn quickly became a favorite hangout for jazz musicians throughout the city, receiving rave reviews from the *Michigan Chronicle* in every weekly issue for the rest of the year.

The casual, unpretentious atmosphere

of the Blue Bird Inn distinguished it from other more formal jazz clubs in the city. Pepper Adams, baritone saxophonist at the club in the 1950s. Described the Blue Bird Inn as "the kind of neighborhood club patronized largely by working people, with terrific jazz on a regular basis"<sup>10</sup> and "how a jazz club should be at its peak. Great place. Great atmosphere. Nothing phony about it in any way."<sup>11</sup> In fact, the Blue Bird Inn is regarded as the club that came closest to the prototype of the modern jazz club with an emphasis on small, intimate listening rooms instead of dancing or large-scale performances.<sup>12</sup> Billy Mitchell, Blue Bird Inn house band leader from 1951-1954, further recalls his experience as a jazz musician in the 1940s:

"I was working with groups that were playing in clubs that were more show-oriented than actually jazz-oriented...there was some jamming going on, but the time of the extended solo...for example, in those days it was almost an unwritten law that you played two choruses and then sat down. Whereas today, two choruses, ain't nobody took a deep breath yet...that era came for us in Detroit, when the Blue Bird era started."<sup>13</sup>

On October 11, 1949, as further testimony to the Blue Bird Inn's growing reputation for skilled improvisation and musical collaboration, Charlie "Yardbird" Parker, nationally renowned jazz saxophonist and early originator of bebop, joined the Phil Hill band from the audience in an unpublicized and impromptu jam session.<sup>14</sup> For the next decade, the Blue Bird Inn would play a crucial role in the development of local and visiting musicians, helping to create a talent pipeline for modern jazz ensembles throughout the nation often referred to as a "finishing school" incubator for new talent and a "neighborhood lounge turned into a jazz academy."<sup>15</sup>

In late 1951, DuBois fired Phil Hill for breaking the Blue Bird Inn's exclusivity contract and performing, under the pseudonym Baron Emanuel, at the Crystal jazz club on Grand River Avenue.<sup>16</sup> Tenor saxophonist Billy Mitchell took over the house band at age twenty-five and formed a quartet with Terry Pollard on piano, James "Beans" Richardson on bass, and Elvin Jones on drums. The musical "renaissance" taking place at the Blue Bird Inn was described as:

"The musicians who take chorus after chorus on the Blue Bird Inn bandstand are just about the most uninhibited, relaxed, and frenetic bunch of men (sic) in the city...there's always the chance that 'anybody' may drop in for a series of choruses. Anybody, of course, refers to somebody who is somebody, musically. Mitchell's group is a progressive one that emphasizes solo lines more than harmonic construction."<sup>17</sup>

Terry Pollard, at age twenty-three, was the youngest member of the band. Pollard had started playing professionally at age seventeen and was extremely well respected for her piano and vibraphone technique and perfect pitch. Jazz clubs were a predominantly masculine space, and while there were several female jazz vocalists performing in the 1940s and 1950s, there were very few female bebop instrumentalists. In 1953, Terry Gibbs heard her perform at the Blue Bird Inn and recruited her to join his band in New York City where she remained until returning to Detroit in 1957, later becoming an influential member of the Yusef Lateef Quintet.

#### Attraction At Blue Bird Inn

*MODERN jazz top instrumentalists, trumpeter Miles Davis is the current attraction at Clarence Eddin's Blue Bird Inn, 5021 Tireman at Beechwood. He is supported by the crack Billy Mitchell and his swinging quintet. They appear nightly Thursday through Monday, at the Blue Bird which also features a Sunday Cocktail Hour, 5 to 8 p.m. The jumping west side spot is noted for its fine food and choice liquors, and is managed by Bob DuBois. --Adv.*

Replacing Pollard on piano for the Mitchell house band was Tommy Flanagan. Together with trumpeter Thad Jones, the new Billy Mitchell quintet hosted national acts such as Sonny Stitt, famed saxophonist often compared to Charlie Parker in terms of style and skill who also had family in the Old Westside neighborhood. The Billy Mitchell quintet would later become associated with Miles Davis' five-month stay in Detroit from 1953-1954. Davis came to Detroit to kick his heroin habit. Davis, one of the most influential

jazz trumpeters in the development of the "cool" or "west coast" jazz style, spent significant time at the Blue Bird Inn performing with the house bands led by Mitchell and then Beans Richardson, featuring Pepper Adams on baritone saxophone, Barry Hams on piano, and Elvin Jones on drums. Illustrating the impact of musical collaboration between the Blue Bird Inn and Miles Davis. Richardson recalls:

"I remember playing 'Bitty Ditty', one of Thad's numbers, where the band had played the melody with the chords, but then when soloing we got into a blues thing. Miles suggested changing it around, to play the chords during the solo as well, and this became the standard way of playing it."<sup>18</sup>

Davis, who would record "Bitty Ditty" himself in 1955, later returned to the Blue Bird Inn with a quintet featuring John Coltrane. Coltrane, a renowned jazz saxophonist who heavily influenced the development of the "free" or "modal" jazz style, would later hire multiple Detroit jazz musicians in his own quintet and recording group, most of whom were also affiliated with the Blue Bird Inn. From 1955-1956, Davis and Coltrane performed with the Blue Bird Inn house band led by bassist Alvin Jackson with Yusef Lateef on tenor sax and flute, Donald Byrd on trumpet, Barry Harris on piano, Art Mardigan on drums, and Bernard McKinncy on trombone. *Down Beat*, a leading national magazine specializing in jazz, described the club in glowing terms as:

"Symptomatic of the Detroit approach to jazz is the atmosphere, the look and the feel and the sound, of the Blue Bird...they're a pert, perky group of musicians who deserve every sort of support, at home in Detroit, and abroad in the rest of the country, for the simple, swinging modernity of their music."<sup>19</sup>

On January 21, 1957, Clarence Eddins pulled a permit for interior renovations at the Blue Bird Inn for \$2,000. A co-owner of the club since August 26, 1952, Eddins had taken over management in 1956 following the unsolved murder of Buddy DuBois. Eddins had migrated with his mother from Alabama to Detroit in the early 1920s, worked for a time at Chrysler auto factory, and later became a 32nd Degree mason. Well respected in Detroit jazz circles, under his leadership and vision the Blue Bird Inn thrived as the "hottest jazz joint in the nation west of New York City."<sup>20</sup>

The extensive 1957 remodeling dramatically changed the interior of the Blue Bird Inn, adding booth seating along the western wall and expanding the main floor by removing the rear kitchen space. With a new total capacity of 125 people, the Blue Bird Inn's primary focus shifted from a low-key neighborhood bar and restaurant to a premier jazz club.<sup>21</sup> As a part of this shift, the stage, previously located on a small platform to the right of the front entrance, was moved to the rear of the bar and "prominently placed as the centerpiece of the room," completely redesigned as an elevated, semicircular wooden platform with a decorative backdrop and railing encircling its outer edge.<sup>22</sup> The new, modern interior was described as:

"A cozy, shoe-boxed shaped room blessed with warm acoustics and friendly sightlines. A long bar runs down the left side and a row of booths down the right. A geometric pattern adorns the back wall, painted salmon, lime green, and white, covered with stucco sparkles."<sup>23</sup>

In addition to updating the club's interior, Eddins instituted a new music policy that focused on bringing in national acts for five to six day engagements. Former Blue Bird Inn house band members, who had left Detroit and built further distinguished jazz careers in New York City, would also regularly return and play at the club. These returning musicians included:

- Trumpeters **Thad Jones**, who recorded with Thelonious Monk, received a 1978 Grammy Award for his own Thad Jones/Mel Lewis Orchestra, and later took over leadership for the Count Basie Orchestra, and **Donald Byrd**, who performed with Art Blakely, John Coltrane, Sonny Rollins, and Thelonious Monk and later served as a heavy musical influence for Herbie Hancock;

- Drummer **Elvin Jones**, who was a member of the John Coltrane quartet and also played with Miles Davis, Charles Mingus, and Sonny Rollins;

- Pianists **Tommy Flanagan**, who recorded with Miles Davis, Sonny Rollins, and John Coltrane and later served as Ella Fitzgerald's full-time accompanist, and **Barry Harris**, who performed with

Coleman Hawkins and would later assume leadership of the Jazz Cultural Workshop in New York City; and

- Multi-instrumentalist and composer **Yusef Lateef**, an innovator in blending jazz with world music who would receive a 1987 Grammy Award.

Although the Blue Bird Inn would continue to feature live music throughout the 1960s, it was no longer the epicenter of bebop as other Detroit clubs such as Minor Key and Baker's Keyboard Lounge began to bring in modern jazz acts. In fact, its last house band from 1958-1959, the International Jazz Quartet led by Ernie Farrow, was not exclusive to the Blue Bird Inn and would regularly play at the Bohemian Club. By 1970, the Blue Bird Inn would no longer present live music (although live music briefly resumed in 1993, following Eddins' death and at the request of his widow, Mary, and continued with special guest performances for the next four years).<sup>24</sup>

After being listed on the Wayne County Real Estate Auction in 2007, the vacant building had multiple owners and suffered from deterioration and neglect. While the historic interior has been completely scrapped, leaving few vestiges of the historic nightclub, a 2015 archaeological survey undertaken by Wayne State University uncovered numerous artifacts.<sup>25</sup> In recognition of the site's ability to yield important information specific to African American history in the early twentieth century, the Blue Bird Inn was listed on the Michigan Inventory of Archaeological Resources in 2017.<sup>26</sup> The building was purchased in 2019 by the Detroit Sound Conservancy with plans to reinstall the elevated stage and restore the club.

#### Bebop and Modern Jazz in Detroit

Detroit's early jazz scene first emerged in the early twentieth century as a culmination of previous blues and society band (ragtime) styles that flourished in the Paradise Valley and Black Bottom neighborhoods, the center of Detroit's African American commercial and social life.<sup>27</sup> During the height of the "Swing Era" and the growing popularity of ballroom dancing and big band jazz in the 1920s, early jazz venues such as Arcadia Ballroom and Graystone Ballroom became regular stops for popular national bands (Duke Ellington, Count Basie, Cab Calloway, Bennie Goodman, etc.) While the large venues booked both white and black acts, smaller venues did not offer opportunities for black bands until the 1930s and audiences were typically segregated with the notable exception of "black and tan" clubs in Paradise Valley, such as Club Plantation, that attracted a mixed-race audience.

Bebop grew out of the Swing Era but marked a radical departure in musical form and style. Known as "musician's

music," bebop was not as danceable and demanded close listening with an emphasis on fast tempo, complex chord progressions and harmony, and improvisation.<sup>28</sup> Bebop groups also featured a small combo (four to six players) supporting the soloist performers, as compared with the big band ensembles that featured up to fourteen players. Mirroring the rapid shifts in American society in the early 1940s and "early stirrings of black consciousness," Detroit was one of the first cities outside New York City that bebop took root in a "complex network of musical practice sites and performance spaces...the new music fit Detroit's established character as a locus of black advancement."<sup>29</sup>

An important reason that bebop flourished in Detroit in the 1940s and 1950s was the stellar music education offered by the Detroit Public School System. Recognized among the country's best programs by the mid-1920s, students would take music classes three to four times a week in elementary school and often play an instrument by middle school.<sup>30</sup> High schools offered further specialized musical study with rigorous curriculum and school concert bands, and the most celebrated music programs took place at Miller, Northwestern, Northern, and Cass Technical high schools. According to Billy Mitchell: "I would say it would compare with some of the college programs of today."<sup>31</sup>

In addition to preparing young musicians with the technical skills necessary to master the speed, precision, and harmonic theory required by bebop, the Detroit Public School System created a knowledgeable and appreciative audience for modern jazz. Combined with the postwar economic boom, this constant demand for jazz resulted in a steady growth of jobs for musicians in nightclubs, dance halls, and bars, allowing performers to further experiment with and expand the bebop style. According to Porter Crutcher:

"If it wasn't for Detroit, I think bop would have died. I lived in New York after the war and, believe me, they didn't really enjoy jazz there as much as we did here. They just wanted people to think they were hip. There was nothing like Detroit, and the Blue Bird was very much at the center of that scene."<sup>32</sup>

The established culture of local mentorship between musicians was also an important factor in the spread and success of modern jazz in Detroit. In addition to the strong social networks and exposure to new music available for aspiring young musicians in school, church, and music halls, leading local jazz artists such as Thad Jones, Barry Harris, and Yusef Lateef would offer advanced training classes in music theory and improvisation in the bebop style.

While the lack of major record labels in Detroit would force many musicians to leave and seek opportunity in New York and California, the local jazz community remains strong and Detroit continues to make meaningful contributions to the legacy of modern jazz with creative programming and music education, as illustrated by the present-day Carr Center Arts Academy and the Detroit Jazz Festival, the world's largest free yearly jazz festival, founded in 1980.

#### Role of Jazz Clubs in Detroit's Early African American Neighborhoods

During the "Great Migration" in the early twentieth century, large numbers of African Americans fleeing the south in search of economic opportunity settled in Detroit, attracted by well-paying manufacturing jobs and black entrepreneurship. Black Bottom and Paradise Valley were the first neighborhoods in Detroit with the largest concentration of black-owned businesses and housing, but overcrowding and deteriorating building conditions soon led many African Americans to move into other areas of the city such as the North End, Conant Gardens, Eight Mile-Wyoming, and Old Westside neighborhoods.

The Old Westside was the largest black enclave outside Paradise Valley, home to about a third of Detroit's African American population by the 1940s and centered on Tireman Street and West Grand Boulevard.<sup>33</sup> Proudly featuring the motto, "The West Side is the Best Side," the Old Westside neighborhood boasted an attractive building stock, large concentration of influential churches,<sup>34</sup> and over three hundred family-owned black businesses by the 1950s. Supporting a solid black working-class population, the largest employer of Westsiders was Ford Motor Company followed by the nearby Kelsey Hayes Wheel Company.<sup>35</sup>

The expansion of jazz clubs in Detroit from the 1920s to 1950s mirrored the shifting black population from Paradise Valley across the city, especially concentrating in the North End and Old Westside neighborhoods. As African Americans in Detroit experienced segregation on a daily basis through racially biased civil rights policies, jazz clubs offered a crucial social and economic network that connected and maintained ties between the geographically disparate early black neighborhoods. For example, although located almost five miles away from Paradise Valley, the Blue Bird Inn paid annual dues to the Paradise Valley Businessmen's Association and regularly contracted business from local black-owned stores, distributors, and repair shops (for example, beer was purchased from Paradise Valley Distributing Company, the first black-owned beer distributor in the country, and the jukebox was managed

by Ray Music Company, based in Paradise Valley).<sup>36</sup>

The Blue Bird Inn would also provide check-cashing services for the neighborhood, providing an alternative to banks and other financial institutions known for predatory and discriminatory practices towards African Americans.<sup>37</sup> Both Eddins and DuBois were well-known “numbers men”<sup>38</sup> in the Old Westside neighborhood, active in the daily lottery game popular across African American neighborhoods in Detroit. A lucrative gambling enterprise that created a thriving underground economy, numbers men helped circulate capital within the black community and “in many ways filled the void left by a formal economy indifferent to black residents’ needs: They bankrolled many small businesses, from bars to restaurants to corner groceries, and also saved many businesses from bankruptcy.”<sup>39</sup>

Finally, Detroit jazz clubs have a long history of challenging de facto segregation by providing informal meeting spaces for black and white musicians and audience members alike. Bebop, in particular, attempted to “change society, or to at least work out in a lived context the unfinished attempt to chart a meaningful urban existence in the face of continuing white racism.”<sup>40</sup> The Blue Bird Inn, functioning as a black-owned working-class bar with an open attendee policy from the 1930s to 1960s, thus uniquely captures the racial and social demographic shifts in Detroit during that time. With its centralized location on Tireman Street coinciding with African Americans challenging housing discriminatory policies in the 1940s and 1950s by moving north of Tireman, comprising ninety percent of its population by 1960,<sup>41</sup> the Blue Bird Inn reflects the important role of cultural institutions amidst rapidly changing social and economic norms throughout the city.

#### ARCHITECTURAL DESCRIPTION

The proposed Blue Bird Inn Historic District is located on the south side of Tireman Street approximately mid-block between Beechwood and Whitewood streets. To its east are two contiguous commercial buildings and to its west is an auto repair shop separated by a shallow vacant lot. Built in 1926, the one-story commercial block building occupies a rectangular footprint and is constructed in the simple commercial vernacular style common in the 1920s. Clad in alternating beige and orange polychrome vertical-scored brick laid in a running-bond pattern, the building rests on a concrete slab foundation and is capped with a flat, asphalt roof. With a rectangular cement-block rear addition from 1944, the building footprint occupies nearly the entire parcel with a broad grassy lawn extending from its rear wall to the back alley.

The front façade (north elevation) is

symmetrical and modestly embellished with a decorative brick parapet capped with concrete and defined by a central Roman arch inlaid with a concrete medallion featuring a rosette and egg-and-dart motifs and flanked by simple concrete volutes; vertical concrete bands featuring a shield motif on the outermost corners; alternating brickwork interlaced with three plain concrete blocks; and a concrete running belt-course spanning the entire length of the façade. Slight vestiges remain on the eastern-most horizontal band of block letter signage from the previous building tenant, “Detroit Chrome Co.”

The original entryway and storefront windows were modified by a significant 1948 exterior alteration and are now comprised of two recessed wooden doors barred by a black metal security gate and flanked by two vertical column single glass-block windows and two large rectangular openings, the western opening filled with glass-block and the eastern opening covered with plywood. Both storefront openings are covered with a smooth stucco veneer painted cobalt blue and featuring decorative images of birds, musicians with various instruments, musical notes, and cocktail glasses painted white, black, brown, and pink and arranged in a roughly symmetrical pattern. The painting is signed “A. O. Stewart, 1994.” Directly above the entryway is a slightly protruding horizontal electric marquee sign featuring “THE BLUE-BIRD INN” in pink capital letters.

A simple brick chimney is found in the westernmost corner of the building’s rear façade (south elevation) along with a one-story rectangular rear addition comprised of cement blocks and containing three regularly spaced windows covered with metal bars. The building’s eastern elevation abuts directly with its eastern neighboring commercial building, but the western elevation features a common brick veneer, recently exposed after the demolition of its western neighboring commercial building.

While the interior suffers from a loss of integrity as the majority of interior architectural features have been removed (such as the bar, stage, and booth seating), the building as a whole maintains historic integrity as no substantive alterations to the exterior have taken place since the 1948 front facade alteration that occurred within the period of significance.

#### CRITERIA

The proposed Blue Bird Inn Historic District appears to meet the National Register of Historic Places Criteria A, B, and D:

- A) That are associated with events that have made a significant contribution to the broad patterns of our history;
- B) That are associated with the lives of significant persons in our past; and

D) The property must show, or may be likely to yield, information important to history or prehistory.

List of Contributing and Noncontributing Resources

The proposed Blue Bird Inn Historic District consists of a single contributing resource.

**AN ORDINANCE to amend Chapter 21 Article II, of the 2019 Detroit City Code by adding Section 21-2-245 to establish the Blue Bird Inn Historic District, and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 21, Article II, of the 2019 Detroit City Code be amended by adding Section 21-2-245 to read as follows: **Sec. 21-2-245. Blue Bird Inn Historic District**

- (a) A historic district to be known as

the Blue Bird Inn Historic District is hereby established in accordance with the provisions of this article.

(b) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Blue Bird Inn Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: On the north, the centerline of Tireman Street; On the east, the east line, as extended north and south, of lot 32 of the Beech Hurst William L. Holmes Subdivision, Liber 17 Page 40, Wayne County Records; On the south, the centerline of the east-west alley south of Tireman Street; and On the west, the west line, as extended north and south, of lot 32 of the Beech Hurst William L. Holmes Subdivision, Liber 17 Page 40, Wayne County Records.

(d) The defined elements of design, as provided for in Section 21-2-2 of this Code, shall be as follows:

(1) *Height.* The building at 5021 Tireman Street consists of a single, low, one-story brick commercial building with a flat roof.

(2) *Proportion of building's front façade.* The front façade is wider than tall.

(3) *Proportion of openings within the façades.* The front façade consists of approximately thirty percent (30%) openings. A small single-door entrance opening is centrally positioned with a recessed vestibule and two (2) single-door entrance openings behind. A small narrow window opening, taller than wide, flanks the entrance opening and a large, rectangular window opening, wider than tall, occupies each bay.

(4) *Rhythm of solids to voids in the front façades.* Openings in the front façade are regularly arranged and symmetrical with a horizontal flow.

(5) *Rhythm of spacing of buildings on streets.* The Blue Bird Inn is a single building district; therefore, no rhythm is created. However, the building abuts its neighbors to the east and west on Tireman Street, creating continuity along the streetscape. All of the buildings on the block of Tireman Street between Beechwood and Whitewood streets have zero setback, i.e. are set at the public right-of-way.

(6) *Rhythm of entrance and/or porch projections.* The Blue Bird Inn is a single building district; therefore, no rhythm is created. However, the progression of storefront openings to the east and west on Tireman Street results in a rhythm of entrance configurations flush against the front façade.

(7) *Relationship of materials.* The major building material is brick with concrete trim details on the front façade. Face brick on the front façade changes to common brick for the rear and side elevations. A

smooth stucco veneer has been applied to the storefront openings on the front façade. Aluminum window frames are filled with glass block and plywood on the front façade. The rear addition is comprised of concrete block, its aluminum window frames covered with metal bars. The building is clad in asphalt shingles.

(8) *Relationship of textures.* The major textural relationship is that of stretcher bond, vertical-scored brick with mortar joints juxtaposed with smooth concrete surrounds. The smooth stucco veneer, aluminum window frames, and glass block windows also add textural interest to the front façade. Asphalt shingled roofs generally do not add to textural interest.

(9) *Relationship of colors.* The building is clad in orange and beige brick which results in a colorful pattern. Light concrete surrounds provides contrast to the darker materials. The applied stucco veneer has been painted cobalt blue and contrasts sharply with the other materials. Other colors painted on the stucco veneer include light pink, white, black, and brown, although the application of these colors occurred outside the period of significance. The windows, lacking a high degree of transparency, appear light grey in the daytime.

(10) *Relationship of architectural details.* The building is commercial vernacular in style. Architectural detail is concentrated at the brick parapet modestly decorated with a central Roman arch inlaid with a rosette concrete medallion, alternating brickwork, and concrete running belt-course. A horizontal, electric marquee protrudes above the entryway with the building's name: "THE BLUE-BIRD INN."

(11) *Relationship of roof shapes.* The building's flat roof is not visible from the street.

(12) *Walls of continuity.* Not applicable due to single building district, although a wall of continuity is created along the Tireman streetscape as all surrounding buildings are located on the building (lot) line.

(13) *Relationship of significant landscape features and surface treatments.* The front façade abuts the concrete public sidewalk. The building's rear elevation features a broad, grassy lawn that extends to the rear alley. No other significant landscaping or street furniture exist.

(14) *Relationship of open space to structures.* Open space in the form of a large grass yard exists in the rear elevation.

(15) *Scale of façades and façade elements.* The Blue Bird Inn is a moderately-scaled commercial building typical of the 1920s. Larger elements within the façade, such as the glass block windows, are balanced with repetitive small-scaled detail, such as the ornamental brick and concrete.

(16) *Directional expression of front*

elevation. The front elevation is somewhat horizontal in expression due to the parapet's running belt-course and the rectangular stucco veneer applied to the storefront openings.

(17) Rhythm of building setbacks. The building extends to its lot line, resulting in no setback and continuing the common rhythm of buildings along the Tireman streetscape.

(18) Relationship of lot coverage. The footprint of the building occupies approximately seventy percent (70%) of its lot.

(19) Degree of complexity within the façade. The building's front façade is straightforward in its massing, fenestration, and architectural detail, resulting in a low degree of complexity.

(20) Orientation, vistas, overviews. The Blue Bird Inn is oriented north towards Tireman Street on a neighborhood commercial thoroughfare.

(21) Symmetric or asymmetric appearance. The building is symmetrical in appearance.

(22) General environmental character. The Blue Bird Inn is located in the middle of the block in a low-scale, mixed-use neighborhood commercial district. Commercial buildings of similar scale and vernacular style run along the streetscape of its block on the south side Tireman Street; an uninterrupted row of single-family homes occupies the north side of Tireman Street; and a low-density residential neighborhood scattered with vacant lots continues across its alley to the south.

**Section 2.** All ordinances, or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118 (2) of the 2012 Detroit City Charter.

Approved as to Form:

LAWRENCE T. GARCIA  
Corporation Counsel

**RESOLUTION SETTING HEARING**

By Council Member Tate:

Resolved, that a public hearing will be held by this body virtually using videoconferencing for the Planning and Economic Development Standing Committee on Thursday, October 1st, 2020 at 11:20 a.m., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 21,

Article II, of the 2019 Detroit City Code by adding Section 21-2-245 to establish the Blue Bird Inn Historic District, and to define the elements of design for the district. This action is being taken in accordance with Governor Whitmer's Executive Order 2020-154, which allows electronic meetings for legislative bodies.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

Honorable City Council:

Re: Revised – Resolution Establishing the GWI Cass Neighborhood Enterprise Zone in the area of 3444 Second Avenue, Detroit, Michigan in accordance with Public Act 147 of 1992 on behalf of GWI Cass, LLC. (Petition #1274).

Attached for your consideration please find a resolution and legal description which will establish the GWI Cass Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on July 16, 2020 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to rehabilitate the 70-unit Heather Hall Apartment building, and has entered into an affordability agreement with the City of Detroit.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
DONALD RENCHER

Director

By Council Member Tate:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from ad valorem taxes, and the imposition of a specific property tax in lieu of ad valorem real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the GWI Cass NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the GWI Cass NEZ was conducted before the Detroit City Council on July 16, 2020, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the GWI Cass NEZ were cited; and

Whereas, After the public hearing, City Council legally established a Neighborhood Enterprise Zone in the area located at 3444 Second Avenue, Detroit MI, on \_\_\_\_\_; and

Whereas, In anticipation of approval of the GWI Cass NEZ, the property owner within the NEZ has agreed to the terms of that certain Affordable Housing Agreement that is attached hereto and incorporated herein as Exhibit A (the "Affordable Housing Agreement") that pertains to properties at 3444 Second Avenue and 686 Selden, Detroit, MI; and

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the GWI Cass NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act; and Be It Further

Resolved, That Detroit City Council hereby approves the Affordable Housing Agreement; and Be It Finally

Resolved, That Affordable Housing Agreement will be considered confirmed

when executed by the Director of the City of Detroit Housing and Revitalization Department and the Chief Procurement Officer, and approved by Corporation Counsel as to form.

#### EXHIBIT A

#### Affordable Housing Agreement CITY OF DETROIT AFFORDABLE HOUSING AGREEMENT

This Affordable Housing Agreement ("Agreement") is entered into on \_\_\_\_\_, 2020, by and between the City of Detroit ("City"), a Michigan public body corporate acting by and through its Housing and Revitalization Department ("HRD") with an address of 2 Woodward Avenue, Suite 908, Detroit, Michigan 48226, and GW1 Cass LLC ("Developer"), a Delaware limited liability company with an address of 205 East 42nd Street, c/o WeWork, 20th Floor, New York, NY 10017.

#### WITNESSETH:

Whereas, The City has a vested interest to: (1) promote the health, safety and general welfare of the citizens of the City through the implementation of housing goals, objectives and policies that support economically integrated housing opportunities in the development or rehabilitation of housing; (2) stimulate the production of rental housing available to low income individuals or families; (3) optimize benefits available to low and moderate income residents by incentivizing affordable residential housing projects; and (4) promote the development of residential housing projects that include residential dwelling units within a project that are affordable for households with incomes of eighty percent (80%) or less of Area Median Income; and

Whereas, Developer owns certain real property located at 3444 Second Ave., Detroit, MI 48201 (the "Heather Hall Property"), the legal description of which is set forth on Exhibit A attached hereto and incorporated herein by reference, to which it wishes to make significant renovations (the "Heather Hall Project"); and

Whereas, Developer owns certain real property located at 686 Selden, Detroit, MI 48201 (the "Selden Manor Property"), the legal description of which is set forth on Exhibit B attached hereto and incorporated herein by reference, to which it wishes to make significant renovations (the "Selden Manor Project"); and

Whereas, The Heather Hall Project and the Selden Manor Project (collectively, the "Project") may be economically impracticable without receipt of tax abatements from the City (referred to herein as the "Financial Incentives"); and

Whereas, The City is willing to support the Developer's Financial Incentives for the Heather Hall Project and the Selden Manor Project, provided that Developer preserves a certain number of residential

dwelling units within the Heather Hall Project and the Selden Manor Project as affordable for certain low-income households as further described herein; and

Whereas, Developer desires to make available apartments which will be affordable for households with incomes of sixty percent (60%) or less of Area Median Income; and

Now, Therefore, For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Developer agree as follows:

1. **Definitions.** The following terms used throughout this Agreement shall be defined as follows:

a. "**Affordable**" means, as generally defined by the U.S. Department of Housing and Urban Development ("HUD"), housing for which the occupants are paying no more than thirty percent (30%) of their income for gross housing costs, including a utility allowance consistent with the annual rate established by the applicable funding resources for the Project, and only pertaining to the Affordable Housing Requirement. If there is no utility allowance rate that can be utilized from such applicable funding resources, the utility allowance shall be consistent with an annual rate established by the Detroit Housing Commission.

b. "**Affordable Housing Requirement**" means, subject to Section 3, that ten percent (10%) of the residential dwelling units renovated by Developer on a combined basis of the Heather Hall Project and the Selden Manor Project shall be Affordable Units for lease at Affordable rates to tenants with household incomes of sixty percent (60%) of AMI or less for the duration of the Affordability Period. Units rented by Current LI residents shall be counted towards the Affordable Housing Requirement.

c. "**Affordability Period**" means the specific time period for which Developer shall be required to maintain the Affordable Units at the Heather Hall Project and the Selden Manor Project, which shall begin upon the issuance of a temporary or permanent certificate of occupancy for both the Heather Hall Project and the Selden Manor Project (after such buildings are vacated in connection with the rehabilitations) and shall expire on the expiration date of the NEZ Certificates (as defined below).

d. "**Affordable Units**" means residential dwelling rental units at the Project that are leased at Affordable rates to tenants whose annual gross incomes are equal to or less than sixty percent (60%) of the AMI. Affordable Units shall in no instance exceed market rents in unrestricted units.

e. "**Area Median Income**" or "**AMI**" means the median family income for the Detroit-Warren-Livonia Metropolitan Statistical Area as published by the U.S.

Bureau of Census and HUD, based on household size.

f. "**Current Rents**" means monthly rents paid by Current LI Residents at the Heather Hall Project and the Selden Manor Project as of January 31, 2020.

g. "**Current Residents**" means all residents residing at the Heather Hall Project and the Selden Manor Project as of March 31, 2020.

h. "**Current LI Residents**" means those approximately 13 residents residing at the Heather Hall Project and the Selden Manor Project as of March 31, 2020 whose household income is at or below sixty percent (60%) of the AMI and who have been identified by Developer and verified by HRD.

i. "**NEZ Certificate**" means the Financial Incentive, which is a Neighborhood Enterprise Zone Certificate for the Heather Hall Property and a Neighborhood Enterprise Zone Certificate for the Selden Manor Property, both to be issued by the Michigan State Tax Commission, as applicable, pursuant to the Neighborhood Enterprise Zone Act, PA 147 of 1992, as amended.

j. "**Property**" means the Heather Hall Property and the Selden Manor Property.

k. "**Rent Differential Payment**" means the amount by which a tenant's monthly rent obligation at an interim housing location (including a utility allowance for those utilities paid by the tenant consistent with the monthly rate established by the Detroit Housing Commission) exceeds the Current Rents (including utility allowances as described in this definition).

2. **Term of Agreement.** This Agreement shall be effective upon the date this Agreement is approved by Detroit City Council. This Agreement shall expire upon the latest expiration date of either of the respective NEZ Certificates. Developer may terminate this Agreement by providing a written notice of termination to City, if both the NEZ Certificates for the Heather Hall Project and the Selden Manor Project are not issued effective on or before December 31, 2021. In addition, if one of the NEZ Certificates for the Heather Hall Project and the Selden Manor Project is not issued effective on or before December 31, 2021, by written notice by Developer to the City, the requirements of this Agreement shall without further action be deemed to apply to only the Project for which an NEZ Certificate is issued on or before December 31, 2021 and this Agreement shall be interpreted as if the other project was not included under this Agreement.

3. **Obligations of Developer.** The following obligations of the Developer under this Agreement are as follows:

a. During the Affordability Period, Developer shall meet the Affordable Housing Requirement. Affordable Units

may be allocated across the Heather Hall Property and Selden Manor Property as Developer deems fit, provided that each property include some number of Affordable Units.

b. Developer shall ensure that all Current LI Residents are offered the opportunity to enter into a new 1-year lease beginning when they move into a renovated unit in their current building, comparable in number of bedrooms to the resident's original unit. For Current LI Residents with Current Rents that do not exceed 30% of their monthly income per income verification dated as of March 31, 2020 ("Verified Income"), initial lease rent in renovated units shall not exceed 30% of their Verified Income. For Current LI Residents with Current Rents that exceed 30% of their Verified Income, initial lease rent in renovated units shall not exceed the Current Rent by more than the greater of 2% or the most recent annual percentage change in the published AMI. Annual rent increases for Current LI Residents following the execution of new lease agreements for rehabilitated units shall be limited to the greater of 2% or the most recent annual percentage change in the published AMI. Rental rates need not be reduced or increased in the event of a reduction or increase of annual income of a Current LI Resident.

c. As part of its effort to achieve the Affordable Housing Requirement, Developer shall use resources known to it to be available, including any resources identified by HRD, to advertise the availability of Affordable Units. If the number of leased Affordable Units is less than the Affordable Housing Requirement in effect at such time, whether by Developer's default subject to Penalties or by an inadequate number of eligible tenants available, Developer shall make available for rent at least one unit as an Affordable Unit for a period of thirty (30) days ("Offering Period"). In the event that Developer has not entered into a lease with a qualified potential tenant for such available Affordable Unit by the expiration of the Offering Period for the unit, Developer may enter into a lease for such unit with any tenant at a rate determined by Developer, including at a market rate. In such case, Developer shall then offer at least one vacant unit as an available Affordable Unit for a period of thirty (30) days, provided that if the Developer has not entered into a lease with a qualified potential tenant for the available Affordable Unit by the expiration of such thirty (30) days, Developer may enter into a lease for such unit with any tenant at a rate determined by Developer, including at a market rate. This process shall continue until Developer has entered into a lease with a qualified tenant for an Affordable Unit to satisfy the Affordable Housing Requirement. Pro-

vided that Developer is following the procedures set forth in this Section 3, Developer shall be deemed to have satisfied the Affordable Housing Requirement.

d. At any time, if the lease of an Affordable Unit to a qualified tenant whose household income increases above sixty percent (60%) of the AMI for any reason during the term of such lease, including but not limited to a change in the number of occupants of such unit, such unit shall continue to be considered the lease of an Affordable Unit for the duration of the term of such lease, including any renewals thereof, that are leased at an Affordable rate.

e. Developer shall give Current LI Residents a minimum sixty (60) day advance notice of when a renovated unit at the Property is expected to be ready to occupy. Current LI Residents may elect to return to the applicable Property by entering into a new lease within thirty (30) days of mailing of this notice, after which their opportunity to return with the privilege of a Current LI Resident shall expire and the unit shall become available for other tenants.

f. Developer shall offer payments for the first month's rent and security deposit at an off-site interim or new rental unit, as well as reasonable moving services as needed, to move two (2) Current Residents who have been identified to HRD as not qualifying as Current LI Residents, as well as reasonable relocation costs to return these two (2) Current Residents to the Project following temporary relocation should they choose to return. Developer shall be entitled to the balance of any security deposit when the two (2) Current LI Residents vacate their off-site interim or new rental unit.

g. Developer shall offer all Current Residents the opportunity to apply for Affordable Units and/or market rate units. Current Residents shall have the first right to occupy such units should they qualify.

h. Developer shall adhere to the Tenant Relocation & Transition Plan outlined in Exhibit C. attached hereto and incorporated herein by reference.

i. Affordable Unit Specifications. The Affordable Units and units subject to the Affordable Housing Requirement shall be generally comparable in design, unit type, and overall quality of construction to the market-rate rental units in the Project. Affordable Units shall be distributed throughout the buildings and not concentrated on specific floors or wings.

j. Online Posting. Developer shall provide and maintain a website that posts the following information: 1) number of Affordable Units required at the Project, 2) number of Affordable Units vacant and available and 3) instructions for how to apply to become a tenant in an Affordable Unit at the Project.

k. Reporting to City. Within sixty (60) days after the end of each calendar year of this Agreement, Developer shall provide the HRD Director with a status report that includes the following for the previous calendar year: 1) progress of construction of the Project; 2) the applicable income and/or rent restriction for the Affordable Units; 3) the actual rent charged for each of the units; 4) the actual income reported to Developer of each household that leased an Affordable Unit at the Project, on an anonymized basis; and 5) such other information relevant to enforce the terms of this Agreement as the City may reasonably require; provided that rental rates for market rate units provided by Developer shall be treated by the City as confidential and proprietary information exempt from disclosure under the Michigan Freedom of Information Act to the fullest extent permitted by law and the City shall not disclose such information in the absence of a court order or with the consent of Developer.

Additionally, Developer's submission and format of such status reports shall be subject to HRD reasonable processes and procedures.

1. Notification of End of Affordability Period. The Developer shall comply with the City's Ordinance 22-2-1 through 22-2-6, being Chapter 22 of the 2019 Detroit City Code, Article II, Affordable Housing Notification Requirements (the "Ordinance").

4. Obligations of City. The obligations of the City under this Agreement are as follows:

a. HRD shall support the Developer's application for a Financial Incentive. Notwithstanding the foregoing obligation, HRD's efforts do not guarantee final City approvals or Detroit City Council approval of any Financial Incentives.

b. Transition Support Program. The City shall cause its agent, currently the United Community Housing Coalition ("City Agent"), to work with each Current Resident to craft an individual relocation plan that fits within one of the following two options:

(1) Current Residents may elect to return to the building in which they were previously located prior to temporary relocation for rehabilitation of the Property, in which case their relocation costs will be paid by City Agent and their Rent Differential Payments will be made by City Agent during the period of their relocation, or (2) Current Residents may elect to move to other new permanent housing that is not on the Property.

5. Recording & Subordination. This Agreement may be recorded by the City with the Wayne County Register of Deeds as a restriction encumbering the Property, running with the land and applicable to the Developer's successors and assigns. This Agreement shall be subordinate in all

respects, notwithstanding order of recording, to the following: all rights and remedies imposed against Developer arising under all current or future mortgages, assignments of leases and rents, UCC fixture filing and financing statements, easements, liens, leases, licenses and/or restrictions when recorded against the Property. After the Agreement has expired, Developer or its successor in interest in the Property may, at its option, unilaterally execute and record an Affidavit of Discharge with the Wayne County Register of Deeds referencing the expiration of this Agreement. All persons reviewing such recorded Affidavit of Discharge may rely on it to be the final and accurate determinant of the expiration of this Agreement, along with the rights and remedies thereunder.

6. Casualty Events. If any of the Affordable Units are damaged or destroyed as the result of fire, damage, or other casualty ("Casualty Event"), the Developer shall provide prompt written notice of such Casualty Event to the City. Further, the Developer shall provide prompt written notice to the City of the Developer's plan to replace any such units in the Project.

So long as the Developer is taking affirmative steps to 1) restore such units affected by the Casualty Event and 2) temporarily relocate any affected residents, the Developer shall not be penalized pursuant to Section 7 of this Agreement for failure to provide those Affordable Units.

7. Default and Remedies. If there is a breach of any provision of this Agreement, the following shall be among the City's remedies:

a. If the Affordable Housing Requirement is not met or maintained, the Developer shall be responsible for the payment to the City of the following penalties (the "Penalties"):

(1) Upon the failure to maintain and provide the required Affordable Units available for rent or lease at Affordable rates, all of the following:

(i) the excess of actual rent received over the Affordable rate that would otherwise apply; and

(ii) a penalty for each Affordable Unit not in compliance in the amount not more than 25% of the Affordable monthly rent for each month or part of a month of non-compliance; and

(2) The reasonable enforcement costs of the City; and

(3) Any other sanctions or penalties under applicable laws, rules or regulations in effect as of the date of this Agreement.

b. The Penalties shall be assessed to the Developer subject to the following:

(1) Prior to the application of the Penalties, the Developer shall have sixty (60) days to cure the breach.

(2) If the Developer has failed to cure the breach within sixty (60) days, the Penalties shall be assessed from the first day of the breach.

(3) The sixty (60) day cure period may be extended by the HRD Director for a reasonable period for good cause shown, which shall be stated in a written notice to Developer referencing such extension. An example of good cause includes, but is not limited to, situations where the current qualifying tenant's income increases above the applicable AMI thresholds.

8. **Notices.** All notices, consents, approvals, requests and other communications, herein collectively called "Notices", required or permitted under this Agreement shall be given in writing, signed by an authorized representative of City or Developer, as the case may be, and either mailed by certified or registered mail return receipt requested or sent by recognized overnight delivery service, and addressed as follows:

## 9. **Miscellaneous Provisions.**

a. The invalidity of any article, section, subsection or clause or provision of this Agreement shall not affect the validity of the remaining articles, sections, subsections, clauses or provisions hereof.

b. All actions arising under this Agreement shall be governed by, subject to, and construed according to the laws of the State of Michigan. Developer and the City agree, consent and submit to the jurisdiction of any competent court in Wayne County, Michigan, for any action brought against it arising out of this Agreement. Developer also agrees that it will not commence any action against the City because of any matter whatsoever arising out of or relating to the validity, construction, interpretation and enforcement of this Agreement in any courts other than those in Wayne County, Michigan.

c. This Agreement may be executed in any number of electronic (.PDF) or other counterparts, all of which shall be deemed to be originals and together shall constitute one and the same instrument.

d. Titles of the headings of Sections and subsections herein are not part of this Agreement and shall not be deemed to affect the meaning or construction of any of its provisions.

e. The City reserves and shall have the exclusive right to waive, at the sole discretion of the City, and to the extent permitted by law, any requirement or provision applicable to Developer under this Agreement. No act by or on behalf of the City shall be, or be deemed or construed to be, any waiver of any such requirement or provision, unless the same be in writing, signed by the authorized representative of the City and expressly stated to constitute such waiver.

f. No failure by the City or Developer to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right, term or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or such covenant, agreement, term and condition. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

g. Nothing contained herein shall be construed or permitted to operate as any restriction upon the power granted by law to the City of Detroit or Detroit City Council.

h. Neither the City nor the City's agents have made any representations except those expressly set forth herein, and no rights or remedies are or shall be acquired by Developer by implication or otherwise unless expressly set forth herein.

i. This Agreement shall be binding upon successors and assigns of either party to this Agreement, and all rights, obligations, benefits and advantages of this Agreement and shall inure to such successors and assigns.

j. Authority of City. Notwithstanding anything in this Agreement or otherwise to the contrary, this Agreement shall not be effective until it has been fully executed by the duly authorized representatives of the City.

The City and Developer, by and through their duly authorized officers and representatives, have executed this Agreement as follows:

**TENANT RETENTION &  
TRANSITION PLAN**

**Tenant Relocation & Transition Plan  
Content**

*All plans must include the following information. Note that Transition Plans prepared for MSHDA may be submitted along with an addendum as needed to meet the requirements below.*

• Summary of redevelopment strategy & plan for preventing displacement.

Heather Hall (3444 2nd Avenue) and Selden Manor (686 Selden) are apartment buildings located three blocks from each other in Midtown, Detroit. Heather Hall has 70 units, and Selden Manor has 48 units.

Both buildings have substantial deferred maintenance and require extensive renovations in order to make them fully occupiable. Renovation will include major investments in the electric, plumbing and heating systems; replacements of kitchens and bathrooms; upgrades to common areas; and, at Heather Hall, complete replacement of the passenger elevator and substantial demolition and reconstruction of the 2nd Avenue facade.

The extent of the required work means there is no safe and comfortable way for residents to remain in the buildings during construction. Construction will take approximately 16-18 months.

After the renovation, all current tenants will have the right to return to renovated units. Today 13 tenants live in Heather Hall, 11 of whom have incomes below 80% AMI, one with income above 80%

AMI, and one with income that has not yet been verified. There are two tenants today in Selden Manor, both of whom have income below 80% AMI.

The owner of these buildings is committing that 10% of the units (12 units out of 118 units at both buildings) will be affordable at the level of 60% AMI during the abatement period. Existing tenants who choose to return will count towards that affordability commitment. If fewer existing residents choose to return, or if during the duration of the abatement period some elect to leave, those units would be made available for new affordable tenants at 60% AMI.

UCHC will work with tenants to facilitate their relocation. Tenants that express a desire to return to the building will receive support for their moving expenses and for a differential in rent between what they pay today and the cost of their temporary apartment.

- Affordability Plan
    - o Current occupancy and rent levels for all tenants
      - Heather Hall
        - 13 occupied units out of 70 total units (19% occupied)
        - Blended average rental rate = \$411/month
        - Blended average AMI level = 45%
      - Selden Manor
        - 2 occupied units out of 48 total units (4% occupied)
        - Blended average rental rate = \$347/month
        - Blended average AMI level = 23%
    - o Timing and amount of rent increases
- In general, tenants who move back

after renovation will pay their current rent, plus an increase of not more than the greater of 2% or the most recent annual percentage change in the published AMI. There are a couple tenants that are currently paying less than their AMI rent, and if they return after renovation their rent will be set at their appropriate AMI rent (i.e., equivalent to 30% of their income). Annual rent increases for Current Low-Income Residents following the execution of new lease agreements for rehabilitated units shall be limited to the greater of 2% or the most recent annual percentage change in the published AMI.

- Tenant Communication Plan
  - o Schedule for communication, including meetings and distribution of materials.

Claudia Sanford from UCHC is managing tenant communications. UCHC has been in contact with many of the tenants since September of 2019 and has a profile on all the tenants.

In order to keep tenants and staff safe during the pandemic, UCHC is communicating with the tenants using letters and phone calls. All the tenants have received a letter (attached) describing the relocation process and encouraging them to contact UCHC. UCHC followed up with the tenants to ensure that they completed the intake process, and is now actively working with them to develop and execute relocation plans.

- o Sample letters to tenants [see attachment]
  - Tenant Habitability Plan
  - o Timeline for construction
  - o Scope of work by phase

	<b>Selden Manor</b>	<b>Heather Hall</b>
Phase 0: Façade demolition and make-safe work	Not Applicable	May-July, 2020
Phase 1: Mobilization / Interior Demolition / Façade and Masonry Work	June-August, 2020	August-December, 2020
Phase 2: Replacement of Mechanical, Electrical and Plumbing Systems / Rough Carpentry	September-December, 2020	January-May, 2021
Phase 3: Rough Inspection / Drywall / Millwork Procurement / Trim Carpentry Mobilization	January-February, 2021	June-July, 2021
Phase 4: Trim Carpentry / Kitchen and Bathroom Installation / Flooring Installation / Last Drywall as Necessary	March-July, 2021	July-September, 2021
Phase 5: Punch List	August-September, 2021	October-November, 2021

- o Plan for residents
  - Rehab while occupied, temporary relocation, and/or permanent relocation

Due to the nature of the renovation, there is no safe and comfortable way for residents to remain in the buildings during construction. Tenants who wish to return after renovation will be offered support for temporary relocation.

- Process for identifying and accounting for specific residents who may have special needs during the rehab or temporary relocation

The UCHC tenant intake process identifies tenant demographics and any special needs of the tenants. For example, the tenant intake will identify income, disability, age, and any background issues that may impair ability to find housing, such as eviction history, credit, criminal background, and mental health.

- o Temporary relocation plan
  - Timeline

After intake, as described above, UCHC is working with the tenants to start the housing search.

UCHC is working with the network of landlords that they know to find vacancies, beginning with nearby properties in the Cass Corridor, but also including other proximate neighborhoods such as the North End.

The overall pacing of the relocations will depend on several factors, but the goal is to have relocations completed on the following schedule:

- Heather Hall, units on the front of building: relocations complete by the end of May, in order to accommodate make-safe work on the 2nd Avenue façade of the building
- Selden Manor: two remaining tenants relocated by end of June
- Heather Hall, units on the back of the building: tenants relocated by end of July
  - Plan for packing, storage and/or moving assistance

UCHC will arrange for a moving service to move tenants. Boxes can be supplied as needed. If a tenant prefers to move in with a relative storage can be arranged for the year. Parking services will be on an as needed basis.

- Payment plan for relocation costs and replacement housing payments

Working with the tenants, UCHC will offer them two choices and determine with the tenant what they would prefer to elect:

1. Tenants who indicate a desire to return to their buildings after renovation will receive several elements of financial support:
  - Payment of relocation expenses into temporary housing during renovation
  - Payment of "Rent Differential" – the excess in rent over what they are paying today – in their temporary housing
  - Payment of relocation expenses to return to buildings after renovation is complete

For these tenants, UCHC will work with landlords to negotiate housing cost and move-in dates. First month's rent and security deposit will be paid once a tenant has completed a file with UCHC and the landlord has returned all the necessary documents and a housing inspection is completed. Each month a check for the differential payment will be delivered to the landlord on the first of the month. For tenants who elect to return to their current buildings after renovation, UCHC will ensure that the same moving process is in place to return tenants to their units.

2. For tenants who prefer to identify new permanent housing, all efforts will be made to move tenants into units based on their income so as to prevent future displacement. Tenants will receive payment of relocation expenses for their move out of the building only.

- o Timing of service interruptions, including fire safety systems, electricity, water, and elevators

All services will be maintained until existing tenants are temporarily relocated out during construction. When construction commences, the only services active will be those necessary for the safe execution of the construction work.

- Plan for notifying residents and providing directions if any emergency systems become inoperable

All tenants will be temporarily relocated before service interruptions.

- o Plan for ensuring sufficient resident parking is available (including designated parking and storage areas used by Contractor if required)

All tenants will be temporarily relocated, and buildings will be vacant during construction.

Honorable City Council:

Re: Second Correction of Sales Resolution. Surplus Property Sale by Development Agreement, 1425 E. Jefferson.

On May 12, 2020, your Honorable Body adopted a resolution that amended that certain November 8, 2017 resolution to authorize the sale by development

agreement of 1425 E. Jefferson, Detroit, MI (the "Property") to Jefferson Larned Development Company LLC (the "Purchaser") to develop, along with certain other adjacent property, into an approximately 43,000 sq. ft. grocery market with 100-space surface parking lot with capital improvements also being made to the adjacent Lafayette Park Entrance (the "Project").

Due to construction financing constraints on the Project related to the COVID-19 pandemic, the Purchaser's same development team has restructured a second time into a new single purpose entity named RDG Rivertown Market, L.L.C., a Michigan limited liability company, to complete the Project. Upon approval of this second corporate name change, we anticipate a September 2020 closing and subsequent construction start.

In anticipation of closing on the sale of the Property in September 2020, we hereby request that your Honorable Body adopt the attached resolution that amends the above referenced sales resolution to reflect a name change in the Purchaser from Jefferson Larned Development Company LLC to RDG Rivertown Market, L.L.C.

Respectfully submitted  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, On May 12, 2020, your Honorable Body adopted that certain resolution that amended that certain November 8, 2017 resolution to approve the sale by development agreement of certain City of Detroit property at 1425 E. Jefferson (the "Property") to Jefferson Larned Development Company LLC ("Purchaser"), a Michigan limited liability company, for the purchase price of Two Hundred Forty Thousand and 0/100 Dollars (\$240,000.00) (the "Purchase Price"); and

Whereas, The Purchaser has requested that another name change in the Purchaser be made from Jefferson Larned Development Company LLC to RDG Rivertown Market, L.L.C., a Michigan limited liability company; and Now Therefore Be It

Resolved, That the above referenced resolutions are hereby amended such that the Purchaser's name be changed from Jefferson Larned Development Company LLC to RDG Rivertown Market, L.L.C.; and Be It Further

Resolved, That the Property's legal description is hereby confirmed to be consistent with the legal description in the attached Exhibit A, which is incorporated herein by reference; and be it further

Resolved, That the Director of the Planning and Development Department ("P&DD"), or his authorized designee, be and is hereby authorized to execute a development agreement, issue a quit claim deed to the Property and execute such other documents as may be neces-

sary or convenient to convey the Property from the City to RDG Rivertown Market, L.L.C. for the Purchase Price; and Be It Further

Resolved, That it is hereby confirmed that the development agreement shall obligate RDG Rivertown Market, L.L.C. to develop the Property into an approximately 43,000 sq. ft. grocery market with 100-space surface parking lot with capital improvements included to the adjacent Lafayette Park Entrance; and Be It Further

Resolved, That the Director of P&DD, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the development agreement and/or quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the development agreement and quit claim deed will be considered confirmed when executed by the Director of P&DD, or his authorized designee, and approved by the Corporation Counsel as to form.

**BOARD OF REVIEW**

1. Submitting report relative to Board of Review Update. **(This communication will serve as an update and report related to the activities of the Board of Review. The first phase of the online filing process has been launched. This allows homeowners to file for the Homeowners Property Tax Assistance Program online. It is important to note that we are still working on the long term solution that will provide all of the services and functions needed for the Board of Review to become almost paperless. While we strive to achieve a completely paperless system, it is important to understand that some members of the community will not have the ability to file the application electronically so we will need to continue to at least accept paper applications for now as a part of the process.)**

CRIO has requested the Law Department to prepare an ordinance to amend Chapter 23 of the 2019 Detroit City Code, *Human Rights*, Article II, *Administration and Enforcement*, Division 2, *Processing of Complaints*, by amending Section 23-2-11 to eliminate the requirement that filed complaints be notarized and submitted in writing and require that all complaints be documented in writing on a form provided by the Human Rights Department.

A copy of the ordinance is attached for your consideration.

Respectfully submitted,

TIFFANY I. HENTON TURNER

Assistant Corporation Counsel  
Municipal Section

By Council Member McCalister, Jr.:

**AN ORDINANCE to amend Chapter 23 of the 2019 Detroit City Code, *Human Rights*, Article II, *Administration and Enforcement*, Division 2, *Processing of Complaints*, by amending Section 23-2-11, *Complaint; contents thereof; limitation of action; running of limitations of action*, to remove the requirement that filed complaints be**

**notarized and submitted in writing and require that all complaints be documented in writing on a form provided by the Human Rights Department.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 23 of the 2019 Detroit City Code, *Human Rights*, be amended by amending Article II, Division 2, Section 23-2-11 to read as follows:

WHEREAS, With the assistance of the Coalition, a wave of legislation has been enacted across the country over the last twelve to fourteen months, both at the federal and state level, which specifically adds race-based hair discrimination to the legal definition of race discrimination; and

WHEREAS, Beginning in California in July 2019, The *CROWN Act* ("Creating a Respectful and Open Workplace for Natural Hair") has now been adopted in seven states and legislation is under consideration in more than twenty other states, as well as in Congress; and

WHEREAS, In Michigan, State Representative Sarah Anthony of Lansing introduced House Bill 4811 in July 2019, to amend Michigan's Elliott Larsen Civil Rights Act (ELCRA), MCL 37.2101 *et seq.*, to include the definition of "race" as "inclusive of traits historically associated with race, including . . . hair texture and protective hairstyles . . ."; and

WHEREAS, At the federal level, and Representative Cedric Richmond and Senator Cory Booker introduced the "Crown Act of 2019", in the form of H.R. 5309 in December 2019 and S. 3167 in January 2020, respectively, which would amend a panoply of existing federal civil rights law prohibiting race discrimination in federally assisted programs, housing programs, public accommodations, employment, and access to equal rights under the law. The stated purpose of the identical bills is "to institute definitions of race and national origin for Federal civil rights laws that effectuate the comprehensive scope of protection Congress intended to be afforded by such laws and Congress' objective to eliminate race and national origin discrimination in the United States"; and

WHEREAS, The pending federal bills include an initial section of Congressional "findings", providing an eloquent and compelling argument for the necessity of the proposed Act, as follows:

(1) Throughout United States history, society has used (in conjunction with skin color) hair texture and hairstyle to classify individuals on the basis of race.

(2) Like one's skin color, one's hair has served as a basis of race and national origin discrimination.

(3) Racial and national origin discrimination can and do occur because of longstanding racial and national origin biases and stereotypes associated with hair texture and style.

(4) For example, routinely, people of African descent are deprived of educational and employment opportunities because they are adorned with natural or protective hairstyles in which hair is tightly coiled or tightly curled, or worn in locs, cornrows, twists, braids, Bantu knots, or Afros.

(5) Racial and national origin discrimination is reflected in school and workplace policies and practices that bar natural or protective hairstyles commonly worn by people of African descent.

(6) For example, as recently as 2018, the United States Armed Forces had grooming policies that barred natural or protective hairstyles that servicewomen of African descent commonly wear and that described these hairstyles as "unkempt".

(7) In 2018, the United States Armed Forces rescinded these policies and recognized that this description perpetuated derogatory racial stereotypes.

(8) The United States Armed Forces also recognized that prohibitions against natural or protective hairstyles that African-American servicewomen are commonly adorned with are racially discriminatory and bear no relationship to African-American servicewomen's occupational qualifications and their ability to serve and protect the Nation.

(9) As a type of racial or national origin discrimination, discrimination on the basis of natural or protective hairstyles that people of African descent are commonly adorned with violates existing Federal law, including provisions of the Civil Rights Act of 1964 (42 U.S.C. 2000e et seq.), section 1977 of the Revised Statutes (42 U.S.C. 1981), and the Fair Housing Act (42 U.S.C. 3601 et seq.). However, some Federal courts have misinterpreted Federal civil rights law by narrowly interpreting the meaning of race or national origin, and thereby permitting, for example, employers to discriminate against people of African descent who wear natural or protective hairstyles even though the employment policies involved are not related to workers' ability to perform their jobs.

(10) Applying this narrow interpretation of race or national origin has resulted in a lack of Federal civil rights protection for individuals who are discriminated against on the basis of characteristics that are commonly associated with race and national origin.

(11) In 2019, State legislatures and municipal bodies throughout the United States have introduced and passed legislation that rejects certain Federal courts' restrictive interpretation of race and national origin, and expressly classifies race and national origin discrimination as inclusive of discrimination on the basis of natural or protective hairstyles commonly associated with race and national origin.

WHEREAS, It is the Detroit City Council's responsibility to advocate on behalf of all of Detroit's citizens, and the Council recognizes, as espoused by the Crown Act of 2019, that "clear, consistent, and enforceable legal standards must be provided to redress the widespread incidences of race and national origin discrimination based upon hair texture and hairstyle in schools,

workplaces, housing . . . and other contexts” and to “explicitly prohibit the adoption or implementation of grooming requirements that disproportionately impact people of African descent.” NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council fully supports prompt legislative action in Michigan as well as in Congress to advance and pass into law the Crown Act as proposed; AND BE IT FURTHER

RESOLVED, The Detroit City Clerk is directed to send copies of this resolution to the Detroit delegation to the Michigan Legislature, Governor Gretchen Whitmer, Michigan Senators Debbie Stabenow and Gary Peters, and Congressperson Rashida Tlaib.

September 1, 2020

Honorable City Council:

Re: Request to accept donated assets to improve existing City of Detroit parks from Community Organizations, Foundations, Businesses and/or Individuals.

Community organizations, foundations, and individuals have periodically gifted the City of Detroit General Services Department with donated assets to improve existing City of Detroit parks and recreation centers. The General Services Department, in partnership with the Office of Development and Grants, is hereby requesting authorization from Detroit City Council to accept donated assets to improve existing City of Detroit parks, not to exceed a \$25,000.00 value per donation, as they are received. There are no match requirements for these donations.

The objective of these donations is to improve City-owned public parks and recreation centers. Asset donations include, but are not limited to, play-scape improvements, installation of new playground equipment, park benches, picnic tables and other amenities, art murals, and enhancements to, installations of, or additions to sports fields and courts.

All organizations or individuals seeking to make donations to City-owned parks will complete Asset Improvements Forms, which will be signed and approved by the Director of the General Services Department. All donors must comply with the terms and conditions associated with the Asset Improvements Form, as determined by the City of Detroit Law Department, and must sign the form and adhere to the terms and conditions set by the Law Department accordingly. The General Services Department, in partnership with the Office of Development and Grants, will submit a complete report for the prior calendar year to City Council, including copies of all completed, signed Asset Improvement Forms.

I respectfully ask your approval to accept asset donations for park improvements in accordance with the attached resolution.

Sincerely,  
**KATERLI BOUNDS**  
 Director

Office of Development and Grants

By Council Member Sheffield:

Whereas, The City of Detroit, by and through the General Services Department, is requesting authorization to accept donated assets for park improvements and recreation centers, not to exceed a \$25,000.00 value per donation, as they are received;

Whereas, These donations do not include cash awards and do not require match;

Whereas, These donations include, but are not limited to, play-scape improvements, installation of new playground equipment, park benches, picnic tables and other amenities, art murals, and enhancements to, installations of, or additions to sports fields and courts; and

Whereas, All community organizations, foundations, businesses, or individuals seeking to make donations to City-owned parks will complete Asset Improvements Forms, which will be signed and approved by the Director of the General Services Department; and

Whereas, All donors must comply with the terms and conditions associated with the Asset Improvements Form, as determined by the Law Department, and must sign the form and adhere to the terms and conditions set by the City of Detroit accordingly;

Whereas, The General Services Department, in partnership with the Office of Development and Grants, will provide a detailed report to Detroit City Council, of all asset improvements accepted under the authorization granted in this resolution, for improvements under \$25,000.00, on an annual basis in the month of January, that includes all donated assets accepted during the prior calendar year; and

Whereas, The Law Department will review each Asset Improvement Form submitted on an individual basis; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the General Services Department is authorized to accept donated assets to improve City-owned public parks and recreation centers that do not exceed a \$25,000.00 value per donation, and that the General Services Department is responsible for accepting the park improvements, and will report on these accepted donations in January of each year, to the Honorable City Council.

Re: Request to accept an increase in appropriation for the Section 5307 Congestion Mitigation Air Quality (CMAQ) and Section 5339 Bus Replacement Grant.

The Federal Transit Administration has awarded an increase in appropriation to the City of Detroit Department of Transportation (DDOT) for the Section 5307 Congestion Mitigation Air Quality (CMAQ) and Section 5339 Bus Replacement Grant, in the amount of \$3,376,500.00. There is also a required State match for the award, from the Michigan Department of Transportation, in the amount of \$844,125.00. There is no local match requirement. The

total increase is \$4,220,625.00. This funding will increase appropriation 20675, previously approved in the amount of \$8,241,914.00, by council on October 8, 2019, to a total of \$12,462,539.00.

The objective of the grant is to replace DDOT buses that have met or surpassed their useful life with new buses for DDOT's fixed route service. The funding allotted to the department will be utilized to purchase up to twenty new 40-foot buses. This is a reimbursement grant.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Re: Petition No. 1054 by Wyoming-Ellsworth, LLC request to vacate existing encroachments of paving improvements into the public R.O.W. located adjoining property at 15100 Wyoming, Detroit, MI, 48238.

Petition No. 1054 by Wyoming-Ellsworth, LLC request for encroachments consisting of a building and stairway. The building encroachment is on the east side of Wyoming Avenue, 66 feet wide, between DeSoto Avenue, 50 feet wide, and Ellsworth Avenue, 50 feet wide. The stairway encroachment is on the north side of DeSoto Avenue between Wyoming Avenue and the north-south alley 1st east of Wyoming Avenue.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request is being made for an existing building and stairway that encroach into the public rights-of-way. The owner wants the encroachments to be a matter of record with the City of Detroit.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by DPW — Traffic Engineering Division (TED) provided certain conditions are met. The TED conditions are a part of the resolution.

Detroit Water and Sewerage Department (DWSD) reports involvement. The standard DWSD provisions for encroachments have been made a part of the resolution. DTE — Gas reports involvement and the DTE conditions are a part of the resolution.

All other involved City Departments and privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Wyoming-Ellsworth, LLC or their assigns to install and maintain encroachments consisting of building encroachment on the east, side of Wyoming Avenue, 66 feet wide, between DeSoto Avenue, 50 feet wide, and Ellsworth Avenue, 50 feet wide; also a stairway encroachment on the north side of DeSoto Avenue between Wyoming Avenue and the north-south alley 1" east

of Wyoming Avenue. Location of die encroachments described as follows: land in the City of Detroit, Wayne County, Michigan being part of Wyoming Avenue, 66 feet wide, and part of DeSoto Avenue, 50 feet wide, lying southerly of and adjoining the southerly line, also lying westerly of and adjoining the westerly line of a parcel of land being Lots 8, 9, 10, 11, 12, 14, 14, 95, and 96 "Leys Subdivision of the west half of Lot 14 of the Harper Tract, Section 21, T.1S., R.11E. Greenfield Township, Wayne County, Michigan" as recorded in Liber 15, Page 71 of Plats, Wayne County Records. The encroachments further described as follows:

1) A building encroachment lying westerly of and adjoining the westerly line of the above described parcel for the south 102.3 feet of frontage on Wyoming Avenue and extending 0.3 feet west into Wyoming Avenue at the southwest corner of the parcel, also being the southwest corner of said Lot 14 and tapering to an extension of 0.2 feet west into Wyoming Avenue at the northwest building corner being 102.3 feet northerly of the southwest corner of said Lot 14.

2) A stairway encroachment lying southerly of and adjoining the southerly line of said Lot 14 and beginning at a point being 27 feet west of the southeast corner of Lot 14 and ending at a point being 33.9 feet west of the southeast corner of Lot 14 and extending into De Soto Avenue 1.3 feet. Encroachment being 6.9 feet in length and 1.3 feet in width.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That the petitioner shall maintain a minimum of 6 feet clear unobstructed sidewalk for pedestrian traffic, and further

Provided, That the petitioner be responsible for any cost of removing and/or rerouting of DTE Gas Company facilities in the area of encroachment, and further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alter-

ation, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That DWSD requires a vertical clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Wyoming-Ellsworth, LLC or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division – DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division – DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Wyoming-Ellsworth, LLC or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Wyoming-Ellsworth, LLC or their assigns. Should damages to utilities occur Wyoming-Ellsworth, LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division – DPW; and further

Provided, That Wyoming-Ellsworth, LLC or their assigns shall file with the Department of Public Works – City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Wyoming-Ellsworth, LLC or their assigns of the terms thereof. Further, Wyoming-Ellsworth, LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement and construction of the encroachments shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Wyoming-Ellsworth, LLC, or their assigns; and further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Wyoming-Ellsworth, LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Re: Petition No. 1264 — 5725 Walnut LLC, request to encroach into the public alley right-of-way bounded by Congress Street, Shelby Street, Larned Street, and Griswold Street.

Petition No. 1264 — 5725 Walnut LLC, request an encroachment with underground emergency power conduits from

the Buhl Parking Garage, located at 525 Griswold Street, to the Buhl Building, located at 535 Griswold Street. The encroachments are in the public alley, 20 feet wide, in the block bounded by Congress Street, 60 ft. wide, Shelby Street, 60 ft. wide, Larned Street, 60 ft. wide, and Griswold Street, 90 ft wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made to place an emergency generator in the Buhl Parking Garage to support the Buhl Building.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Honorable City Council:

Re: Petition No. 1240 – Crossroads Consulting, request to convert to easement the alley located adjacent to property at 634 Selden and runs perpendicular to Selden Avenue.

Petition No. 1240 from the year 2017 – City of Detroit – Department of Public Works, request a revision to the previously adopted resolution to outright

vacate the alley (14.75 ft. wide) adjacent to 634 Selden and runs perpendicular to Selden Avenue (100 ft. wide).

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request for revision is being made as a result of the conditions of the outright vacation not being met. Said conditions set for the outright vacation were for the City of Detroit to bear the costs of removing utility services located within the alley. After approval of petition x1240 the City of Detroit sold the alley to the property owner of 628 Selden in a Quit Claim deed. The new owner cannot bear the costs of utility removal and has request that this petition be amended to convert the alley to utility easement.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion to easement.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Whereas, On July 5th, 2017, your Honorable Body adopted a resolution Cross-roads Consulting in which the alley abutting 634 Selden was outright vacated, and

Whereas, At this time the City of Detroit desires to have a utility easement established within said alley, therefore be it

Resolved, That all of the north-south alley (14.75 feet wide) first west of Second Boulevard (100 ft. wide) in the block of Selden Avenue (100 ft. wide), Alexandrine Avenue (100 ft. wide), Third Avenue (70 ft. wide), and Second Boulevard (100 ft. wide) and further described as lying easterly of and adjoining the easterly line of Lot 20, Block 94 "Subdivision of part of Cass Farm" as recorded in Liber 1, Pages 175-177; also lying westerly of and adjoining the westerly of and adjoining the westerly line of Lots A, B, C, D, E, and F "Subdivision of Lots 17, 18, and 19 of Block 94 of Cass Farm" as recorded in Liber 4, Page 11 of Plats, Wayne County Records.

Be and the same are hereby converted to utility easement, subject to the following conditions and provisions:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and

egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to

install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or

appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:  
Re: Resolution Establishing the Gratiot Acquisition Partners Neighborhood Enterprise Zone in the area bounded by Gratiot Avenue to the North, Brush Street to the East, Macomb Street to the South in Detroit, Michigan in accordance with Public Act 147 of 1992 on behalf of Gratiot Acquisition Partners, LLC. (Petition #1270).

Attached for your consideration please find a resolution and legal description which will establish the Gratiot Acquisition Partners Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on July 23, 2020 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes constructing a 16-story residential tower. Said tower will feature 6,538 square feet of retail and private office space on the first floor and approximately 165 residential units on floors 2 through 16.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
**KELLY R. VICKERS**  
Associate Director

By Council Member Tate:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from ad valorem taxes, and the imposition of a specific property tax in lieu of ad valorem real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Gratiot Acquisition Partners NEZ to be consistent

with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Gratiot Acquisition Partners NEZ was conducted before the Detroit City Council on July 23, 2020, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Gratiot Acquisition Partners NEZ where cited; and

Whereas, After the public hearing, City Council legally established a Neighborhood Enterprise Zone in the area bounded by Gratiot Avenue to the North, Brush Street to the East, Macomb Street to the South, \_\_\_\_\_, 2020.

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Gratiot Acquisition Partners NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Honorable City Council:  
Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on Behalf of Harper Investment V, LLC in the area 8631 W. Vernor Hwy., Detroit, Michigan, in Accordance with Public Act 146 of 2000. (Petition #927)

On September 17, 2020, a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Harper Investment V, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

DONALD RENCHER

Associate Director

By Council Member Tate:

Whereas, Harper Investment V, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on January 28, 2020 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 8631 W. Vernor Hwy., Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or

increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, This City Council has granted until September 1, 2022 for the completion of the rehabilitation; and

Whereas, on September 17, 2020, in accordance with Executive Order 2020-42, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Harper Investment V, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2020 and the certificate expiring December 31, 2032, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than September 1, 2022, unless an extension of that time period is granted by this City Council, which extension shall be granted

if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Neighborhood Improvement Program (NIP) – Closing Resolution

The Administration is pleased to present the Neighborhood Improvement Program (NIP) resolution for the Council's consideration. The resolution outlines a series of governance, procurement and community development policy objectives the administration is committed to implement in the expenditure of the bond funds.

If the ballot item is approved by the electorate, the resolution will become a guide for the use of the funds.

If you have any questions about this proposal, please reach out to me at [ajemison@detroitmi.gov](mailto:ajemison@detroitmi.gov) or Stephanie Washington at [washingtons@detroitmi.gov](mailto:washingtons@detroitmi.gov). Thank you for your time and consideration.

Respectfully submitted,

ARTHUR JEMISON

Group Executive

Planning, Housing & Development

Mayor's Office

By Council Member Ayers:

Whereas, The Mayor has requested the City Council to approve a ballot initiative by which the City shall borrow an amount not to exceed \$250,000,000 and issue Unlimited Tax General Obligation Bonds of the City for the purpose of Neighborhood Improvement through the preservation and rehabilitation of as many vacant houses as possible, the demolition of abandoned houses that cannot be saved, and improvement from related blight remediation activities (the "Neighborhood Improvement Plan"); and

Whereas, The City of Detroit is experiencing historically high unemployment rates and economic hardship on Detroit businesses; and

Whereas, The \$250 million Neighborhood Improvement Bonds provide a much needed opportunity for stimulus for Detroit businesses and employment opportunity for Detroit residents under the commitments specified in this resolution; and

Whereas, In consideration of the City Council's approval of the proposed Neighborhood Improvement Bond Resolution the Administration agrees to undertake the items within the resolve of this resolution and City Council agrees that its ongoing oversight of the implementation of the Neighborhood Improvement Plan will

assure that its implementation will follow the seven goals specified herein; Be It Therefore

1. Resolved, The City of Detroit will implement the Neighborhood Improvement Plan operated to accomplish eight primary goals as proposed by the Mayor and agreed to by City Council:

1. Save every house possible from demolition by prioritizing the rehab of vacant homes.
2. Give preference to Detroit companies in all rehabilitation and demolition related contracts with a goal of 50%+ work performed by Detroit contractors.
3. Give preference to companies who commit to train and employ Detroiters with a goal of getting these companies to employ at least 51% Detroit residents.
4. Partner with Detroit Community Development Organizations (CDO's) and other qualified groups to rehab homes and redevelop property in the neighborhoods.
5. Give preference to Detroit residents to acquire and reuse the properties in their neighborhoods.
6. Combine the Neighborhood Improvement Bonds with other funding sources for broader neighborhood redevelopment.
7. Bring Accountability for the Demolition back under the oversight of City Government.
8. Keep the property tax rate at current levels while supporting a \$250 million reinvestment in the neighborhoods; and

2. Resolved, Subject to state law and City ordinance, the administration will operate the securing of vacant houses for rehabilitation and for demolition of abandoned houses through a Detroit Vacant House Management Department. The changes will be proposed in an Executive Organization Plan amendment submitted to City Council before the end of the Council Session in November 2020 and will modify the existing Detroit Demolition Department to become the Detroit Vacant House Management Department. The Detroit Vacant House Management Department will be responsible for securing or demolishing vacant houses, but will not be engaged in the sale or ultimate redevelopment of those houses; and

3. Resolved, The City will create a Neighborhood Improvement Plan Advisory Board made up of three members appointed by the Mayor, three members appointed by City Council, and one jointly appointed member from a selection of candidates submitted by City of Detroit residents. The Board will review and monitor the goals of the final resolution, review the Quarterly Reports from the Vacant

House Management Department and provide recommendations to the Administration and City Council; and

4. Resolved, By the end of Council Session in November, 2020, the Vacant House Management Department and DLBA will submit a plan to City Council to provide for the following:

1. A process of identifying all public owned vacant properties that have potential to be rehabbed and occupied if they are promptly secured.
2. A plan for securing all publicly owned salvageable vacant houses from further deterioration, including a plan to clean out debris, to install exterior security materials sufficient to strongly deter entrance from trespassers or vandals, and to protect the interiors from ongoing water damage from leaking roofs or other sources; and

5. Resolved, The Office of Contracting and Procurement agrees to submit non-emergency residential demolition contracts in packages not to exceed 2,000 properties not more than quarterly; and

6. Resolved, Through the use of the equalization ordinances and aggressive work by Civil Rights, Inclusion & Opportunity Department. The City will qualify contractors for the exterior security of houses and for demolition, with the goal of over 50% of the contracts with one of the following certifications: Detroit Based Businesses, Detroit Headquartered Businesses, Detroit Small Businesses, Detroit Resident Businesses, Detroit Based Micro Businesses, Minority Owned Business Enterprises, Women-Owned Business Enterprises, Mentor Ventures, and Joint Ventures. Special packages may be brought to City Council outside of the biannual process to address emergency, public safety or economic development needs. For bond offerings from this authorization, the City will endeavor to contract with minority owned and operated professional services providers, including but not limited to legal services, bond underwriting and financial advisory services. The Office of Procurement and the Civil Rights, Inclusion & Opportunity Department will implement target business outreach to attract and certify additional demolition and rehabilitation businesses in the future. The Administration will also target outreach to unemployed Detroit residents; and

7. Resolved, Within each procurement for house security services or demolitions, the Office of Contracting and Procurement will set aside contracts for certified Detroit Small Businesses and Detroit Based Micro Businesses. The Office of Procurement intends to set aside 30% of the contracts for certified Detroit Small Businesses and Detroit Based

Micro Businesses in the procurement to be awarded in January 2021 and will report to the Administration and City Council following the completion of the procurement. If there is insufficient capacity to meet the 30% set aside in the January 2021 procurement, the Office of Contracting and Procurement and the Civil Rights, Inclusion & Opportunity Department will report to City Council on actions they will take to attract and certify additional Detroit Small Businesses and Detroit Based Micro Businesses in house security or demolition in the future; and

8. Resolved, Prior to the submission of a house security or demolition bid package, the Office of Contracting and Procurement agrees to submit at the time of each major procurement for demolition report for all house security or demolition contractors that are not certified as a Detroit Resident Business including the number of employees and the number of Detroit-resident employees at the time of bidding; and

9. Resolved, By December 31, representatives from the OCFO and CRIO will work with the Budget, Finance and Audit Standing Committee to review the existing ordinance, develop outcome metrics and recommend changes to the ordinance to better meet the objectives of the Administration and City Council; and

10. Resolved, The Neighborhood Improvement Plan will provide employment opportunities for Detroiters, including the following:

1. For employees hired directly by the Vacant House Management Department, every effort will be made to hire Detroiters with the expectation of a success rate comparable to the General Service Department's performance in hiring Detroiters in the recent citywide board-up effort.
2. For all bids awarded under the Neighborhood Improvement Plan, the administration has agreed to extend the application of Executive Order 2016-1, regardless of the size of the rehabilitation or demolition contract.
3. Detroit Employment Solutions Corporation agrees to schedule a meeting with house securing and demolition contractors that have been pre-qualified to determine the hiring and training needs of each contractor to inform a gap analysis for implementation of the Blight Elimination Strategy within one (1) month of the approval of this agreement; and

11. Resolved, Within one (1) month of approval of this agreement, the Detroit Employment Solutions Corporation agrees to implement a Neighborhood Improvement Employment Outreach marketing

plan that may include, but not limited to the following: outdoor signage; digital and social media outreach across Detroit at Work and all city channels; outreach to our community partners including City Council, Faith-based, community partners, Detroit Public Community School District. Department of Neighborhoods; Detroit at Work website banners and landing page highlighting details and how to sign up and find our more information ([detroitatwork.com](http://detroitatwork.com) averages 50,000 visits a month); Detroit at Work newsletter with over 120,000 Detroiters subscribing; press conference to announce efforts and garner media partners stories, including ethnic media; and translation of marketing materials; and

12. Resolved, The Office of Contracting and Procurement, Detroit Employment Solutions Corporation, the Vacant House Management Department, and the Civil Rights, Inclusion & Opportunity Department agree to host employment fairs for contractors that do not qualify for the Detroit Resident Business certification. The Office of Contracting and Procurement will encourage those house security and demolition businesses that do not qualify for this certification to attend; and

13. Resolved, In consultation with the City Council, City and Detroit Land Bank Authority (DLBA) will work together to accomplish the following:

1. Evaluate and recommend new discount programs for Detroit residents.
2. Evaluate and recommend methods to make it easier for Detroiters to acquire vacant land and housing (such as the Building Blocks Program).
3. Make recommendations on the future of all vacant lots currently in the DLBA's inventory as well as future vacant lots resulting from the Neighborhood Improvement Plan.
4. Continue to implement the Building Blocks program across the City as structures and land are made available for sale.
5. Implement the Vacant Land Policies Approved by the DLBA Board in March of 2020.
6. Implement Rehab Academy; and

14. Resolved, In partnership with the DLBA, the City will pursue a goal of converting the secured houses into rehabilitation as quickly as possible, with a goal of increasing the number of rehabs to 2,500 per year. This will vary based on housing market conditions, but the City will use multiple strategies to achieve this goal including sales, affordable housing subsidies (with a 50% AMI target), encouraging bank lending for home repair, rehabilitation subsidies, coordinated demolition

strategies, expanding programs such as Rehabbed and Ready, planning support, and other initiatives; and

15. Resolved, The City and DLBA agree to maximize the use of Community Development Organizations such as Detroit 21 and other non-profits, including churches, to develop community partnerships to speed up the renovation of the secured vacant houses. The City of Detroit and DLBA will implement an outreach plan to inform and prepare CDOs for training opportunities; and

16. Resolved, The City will have a rehab and marketing strategy that is aimed at assisting lower income residents (targeting households below 50% AMI) and seniors in purchasing rehabbed or partially rehabbed houses; and

17. Resolved, The City will use sustainable renovation standards to provide future property owners with low utility costs, to include but not limited to, high efficiency systems (such as furnace, water heater) and updated windows; and

18. Resolved, The Vacant House Management Department will submit quarterly reports detailing the following: number of homes secured, number of houses demolished, proof of field liaisons' visits to each property, proof that all securing and demolition work was monitored – including the backfill activity, any ongoing investigations or litigation, and any violations issued; and

19. Resolved, The Vacant House Management Department will conduct a deconstruction pilot which preserves reusable materials that are then made available for purchase by residents engaged in rehabilitation or construction of their homes, to determine the feasibility of incorporating deconstruction into the demolition program on a larger scale; and

20. Resolved, Planning and Development Department will complete neighborhood plans driven by the community, through outreach and engagement, including those neighborhoods most impacted by abandoned structures and vacant land, and update the master plan for the City over the next five years with community input; and

21. Resolved, In the areas most affected by demolition of vacant and abandoned structures, the City will be investigating four primary areas for neighborhood planning: the history of the neighborhood; tactical historic preservation opportunities; housing rehabilitation opportunities for vacant properties; interim and medium-term open space strategies. These pillars will help the city and neighbors plan for redevelopment while also creating amenities, prevent illegal dumping and making the neighborhood more attractive. The City will continue to use at least six large community meetings as part of its community

engagement in the manner it has conducted its prior neighborhood plans; and

22. Resolved, Through community meetings, the Planning and Development Department will develop side-lot, landscape and interim use strategies for areas that will remain vacant for the medium term. The City and DLBA will create land use policies that promote and protect public space and explore shared land ownership models such as land trusts; and

23. Resolved, The Neighborhood Improvement Plan will include efforts to address nonstructural blight, including alley clean-ups, vacant lot cutting, and dead tree removal, and efforts to discourage illegal dumping; and

24. Resolved, The City will continue to partner with nonprofits and philanthropies to provide information about pathways out of foreclosure through Make it Home, Homeowner Property Tax Exemption Program, Pay as You Stay, and Right of First Refusal. These efforts will be extended in an unprecedented door-to-door community outreach campaign through a new established Detroit Community Health Corps; and

25. Resolved, The City's Mayor's office and applicable department and affiliates will conduct a Community Outreach Plan exceeding the requirements of the proposed Community Engagement Ordinance, the Plan will include but not be limited to:

- a. 7 Charter mandated meetings by the Mayor (Aug-Sep).
- b. 4 Virtual info sessions.
- c. 7 Council District meetings (Council member hosted).
- d. 1 Mayor Public Address via TV (pre-Election day); and

26. Resolved, The City OCP, in collaboration with the Vacant House Management Department, will consider a procurement for services that provide support such as certified soil, insurance, equipment leasing, etc. for certified Detroit-Based, Detroit headquartered and small businesses; and Be It Finally

27. Resolved, HRD agrees to use future CARES Act CDBG, HOME, future non-CARES Act CDBG or other eligible funds to support the Detroit Housing Compact / Building the Engine Community Development home rehabilitation pilot program. HRD, the Detroit 21 and the Housing Compact members will work together through August 2020 to complete due diligence on the program to help redevelop vacant DLBA structures to be included in the City's HUD Annual Action Plan.

Honorable City Council:

Re: REC Center Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT).

Full Circle Communities, Inc. has formed REC Center Limited Dividend Housing Association Limited Partnership in order to develop the Project known as the Ruth Ellis Clairmount Center. The Project is a newly constructed mixed-use building with elevator access and will consist of forty-three (43) units on the second through fourth floors with commercial space for supportive services on the ground floor. The building will be located in an area bounded by Clairmount on the north, Woodward on the east, Hazelwood on the south and Second on the west.

The Project will include eleven (11) 1 bedroom/1 bath and thirty-two (32) studio apartments. The building will provide affordable, permanent supportive housing and services for homeless or disabled persons as well as Lesbian, Gay, Bisexual, Transgender and Queer youth. A non-income producing unit will be reserved for a peer support specialist. There will also be 9,215 square feet of first floor commercial space.

A construction loan in the amount of \$9,900,000 will be provided by Bank of America N.A. National Equity Fund, Inc. will make Capital Contributions of

\$13,838,299 which includes the purchase of Low Income Housing Tax Credits ("LIHTC"). The City of Detroit will provide a Community Development Block Grant Loan in the amount of \$1,000,000. Additionally, the Sponsor has agreed to defer \$338,519 of the developer fee.

Rents for all units have been set at or below sixty percent (60%) of the Area Median Household Income ("AMHI"). Resident rent amounts will be determined according to the project-based voucher, rental assistance, LIHTC and Section 811 program AMHI allowances. All forty-three (43) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A). Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this housing project.

Respectfully submitted,  
ALVIN HORHN  
Deputy CFO/Assessor

By Council Member Ayers:

Whereas, Pursuant to the provisions of the Michigan State Housing Development Act, Act 346 of the Public Acts of 1966, as amended, being MCL 125.1401 se seq. (the "Act"), a request for exemption from property taxes has been received on behalf of Full Circle Communities, Inc. (the "Sponsor"); and

Whereas, A housing project as defined in the Act is eligible for exemption from property taxes under Section 15a of the Act (MCL 125.1415a) if the Michigan State Housing Development Authority ("MSHDA") provides funding for the housing project, or if the housing project is funded with a federally-aided mortgage as determined by MSHDA; and

Whereas, Section 15a of the Act (MCL 125.1415a) provides that the local legislative body may establish by ordinance the service charge to be paid in lieu of taxes, commonly known as a PILOT; and

Whereas, The City of Detroit has adopted Ordinance 9-90, as amended, being Sections 18-9-10 through 18-9-16 of the Detroit City Code to provide for the exemption from property taxes of eligible housing projects and to provide for the amount of the PILOT for said housing projects to be established by resolutions of the Detroit City Council after review and report by the Board of Assessors; and

Whereas, The Sponsor is proposing to undertake the construction of a housing

project to be known as the Ruth Ellis Center consisting of forty-three (43) units in a building located on one parcel of property owned or to be acquired by the Sponsor as described by street address and tax parcel in Exhibit A to this resolution, with all forty-three (43) units for low and moderate income housing (the "Project"); and

Whereas, the purpose of the Project is to serve low to moderate income persons as defined by Section 15a(7) of the Act, being MCL 125.1415a(7); and

Whereas, MSHDA has provided notice to the Sponsor that it intends to approve federal-aided financing for the Project, provided that the Detroit City Council adopts a resolution establishing the PILOT for the Project; and

Whereas, Pursuant to Section 15a of the Act, being MCL 125.1415a(l), the tax exemption is not effective until the Sponsors first obtain MSHDA certification that the housing project is eligible for exemption, and files an affidavit, as so certified by MSHDA, with the Board of Assessors; and

Whereas, Pursuant to Section 18-9-13(6) of the Detroit City Code, the tax exemption shall be effective on adoption, with the tax exemption and PILOT payment to occur only upon bona fide use and physical occupancy by persons and families eligible to move into the project, in accordance with the Act, which must occur as of December 31 of the year preceding the tax year in which the exemption is to begin;

Now, Therefore, Be It

Resolved, That in accordance with City Code Section 18-9-13, the Project known as the Ruth Ellis Center as described above is entitled to be exempt from taxation but subject to the provisions of a service charge of four percent (4%) for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended, being MCL 125.1401, et seq.; and be it further

Resolved, That arrangements to have collections of a payment in lieu of taxes from the Sponsor be established upon occupancy for future years with respect to the same be prepared by the Office of the Chief Financial Officer; and be it further

Resolved, That specific legal description for the Project shall be as set forth in the certification from MSHDA; and be it further

Resolved, That In accordance with Section 15a(3) of the Act, MCL 125.1415a(3), the exemption from taxation shall remain in effect for as long as the MSHDA-aided or Federally-aided financing is in effect, but not longer than fifty (50) years, and shall terminate upon the determination by the Board of Assessors that the Project is no longer eligible for the exemptions; and be it further

Resolved, That the City Clerk furnish

the Office of the Chief Financial Officer – Office of the Assessor two certified copies of this resolution; and be it further

Resolved, That this resolution is adopted with a waiver of reconsideration.

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of an existing single-family residential structure located at 1321 Labrosse Avenue in the Corktown Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL).

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of an existing single-family residential structure located at 1321 Labrosse Avenue. This application corresponds to a qualified site which will accommodate the rehabilitation of a current building consistent with zoning and the Master Plan of Policies. The building is anticipated to

undergo substantial work, including mechanical, HVAC, interior and exterior renovations. CPC staff has reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the Corktown NEZ which was established by a vote of Council on October 25, 1994, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost of rehabilitation for 1321 Labrosse Avenue is \$275,000.00. The NEZ certificate application appears to have been submitted after the issuance of applicable building permits. The building permits show that the permits were issued on February 14, 2019 for interior and exterior alterations, July 15, 2020 for mechanical, and August 25, 2020 for plumbing, and the application for the NEZ certificate was filed with the City of Detroit Clerk's office on June 18, 2020. MCL 207.774 states the application must be filed before a building permit is issued or as otherwise provided by the local governmental unit by resolution if the application is filed not later than 6 months following the date the building permit is issued.

In order to proceed the City of Detroit would have to approve a resolution which contains language that approves the submission of the application after the issuance of the building permit, however, no later than 6 month following the date the building permit was issued.

The required resolution is attached for your consideration.

Please contact our office should you have any questions.

Respectfully submitted,

By Council Member Ayers:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992; and

Whereas, It has been determined that building permits were issued on February 14, 2019 for interior and exterior alterations, July 15, 2020 for mechanical, and August 25, 2020 for plumbing, and the application for the NEZ certificate was filed with the City of Detroit Clerk's office on June 18, 2020. MCL 207.774 states that the application must be filed before a building permit is issued or as otherwise provided by the local governmental unit

by resolution if the application is filed not later than 6 months following the date the building permit is issued.

Now, Therefore, Be It

Resolved, That the Detroit City Council approves the submission of the application to the State Tax Commission, noting that the application was submitted not later than 6 months following the date the building permits were issued pursuant to the provisions of Public Act 147 of 1992.

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the new construction of ten condominiums located at 1454 Townsend Avenue, Units 26-35 in the Islandview Neighborhood Enterprise Zone area. (Recommend Approval)

The office of the City Planning Commission (CPC) has received ten applications requesting Neighborhood Enterprise Zone (NEZ) certificates forwarded from the office of the City Clerk for the new construction often condominiums located at 1454 Townsend Avenue, Units 26-35. These applications correspond to a qualified site which will accommodate the development project. This new facility is a

part of the complete redevelopment of the Saint Charles School Redevelopment Project in which the existing school building located at 1454 Townsend Street was rehabilitated into a modern loft-style residential building consisting of approximately 25 apartments. In total 10,069 square feet of one and two-bedroom townhome units will be made available.

The subject property has been confirmed as being within the boundaries of the Islandview NEZ which was established by a vote of Council on May 1, 2006, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost of the project is approximately \$75,000 per unit. The applicant is seeking a 15-year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

Re: Request to Accept and Appropriate the Southeast Michigan Resilience Fund Grant for Palmer Park.

The National Fish and Wildlife Foundation has awarded the City of Detroit General Services Department with the Southeast Michigan Resilience Fund Grant for a total of \$300,000.00. The funder share is 50 percent or \$300,000.00 of the approved amount, and there is a required cash match of 50 percent or \$300,000.00. The total project cost is \$600,000.00.

The objective of the grant is to make improvements to the Palmer Park Lake Frances area. The funding allotted to the department will be utilized to restore the aquatic habitat at Lake Frances and connect it to Witherell Woods natural area. The project will restore more than 60 acres of natural habitat, improve public access to the park and increase educational opportunities in an urban setting. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20818, with the match amount coming from appropriation number 21001.

Council Member Sheffield moved the following resolution on behalf of President Jones:

**COMMUNITY ENGAGEMENT AND OUTREACH RESOLUTION**

By COUNCIL PRESIDENT JONES joined by COUNCIL MEMBERS McCALISTER, JR. and BENSON:

Whereas, The residents of the City of Detroit have a long history of personal investment in the operations and functioning of their communities, neighborhoods, and government as evidenced through grass roots organizing in support of community projects or opposition to unhealthy or undesirable projects, investment of sweat equity in the maintenance of neighborhood parks and structures, or essential citizen oversight of City government; and

Whereas, In recognition of the City's commitment to community outreach "that promotes transparency and accountability and ensures community awareness on legislation, contracts, agreements, and resolutions related to . . . City Wide Proposals and Neighborhood Proposals", the Detroit City Council proposes an amendment to the Detroit City Code, Chapter 12, Community Development, by adding Article X, Community Outreach, to provide residents with the opportunity to weigh in on important issues impacting their communities, with the exception of construction projects covered by the City's Community Benefits Ordinance, by creating a standard community outreach policy in the City of Detroit to facilitate civic involvement; and

Whereas, In addition to the specific provisions of the proposed Detroit Community Outreach Ordinance, the Detroit City Council urges the Administration to endeavor to accomplish the following:

- If additional financial or staffing resources are developed, an expansion of the current in-person hard copy distribution requirement to a 1,000 foot, hard copy distribution requirement for residents within the impacted neighborhood;
- As staffing and financial resources permit, inclusion of residents from the impact area at the *earliest* phases of proposal development;
- Adoption of fair and transparent policies, in consultation with City Council, for identification of impacted neighborhoods, as well as the time frame for implementing outreach; and

Whereas, In furtherance of the stated

purpose and provisions of the *Detroit Community Outreach Ordinance*, the Administration and City Council have agreed to certain additional provisions as described below. Now Therefore, Be It

Resolved, That the Detroit City Council and the Administration agree to the following provisions:

- Outreach meetings will only be held in densely populated areas;
- A City-Wide Registration Database will be created, including the following:

(a) The Department of Neighborhoods will create and maintain an electronic database, accessible to City Council, of all residents, block clubs, community groups or associations, businesses, food pantries, non-profit organizations, senior citizen facilities, and established Community Advisory Councils in each of the City districts, that are registered to receive notification of the community outreach and notification process set forth in this Article.

(b) The Department of Neighborhoods will provide a consistent means for all residents and entities referenced in Subsection (a) to register with the electronic database by:

- (1) Accessing the Department of Neighborhoods website;
- (2) Providing registration materials at in-person or virtual meetings; and
- (3) Through an established process for telephonic registration.

(c) From January 1st through January 31st of each year, the Department of Neighborhoods will launch an annual City-wide campaign encouraging block clubs, community groups and associations, food pantries, non-profit organizations, senior citizen facilities and the established Community Advisory Councils in each City district to register on the electronic database. And Be It Further

Resolved, The City Clerk's office is directed to send a copy of this resolution to Mayor Mike Duggan and the Director of the Department of Neighborhoods.

**Housing and Revitalization Department**

September 18, 2020

Honorable City Council:

Re: Annual HOME, CDBG, NSP Awards. New Awards / Additions to Previous Awards.

The City of Detroit ("City"), through the Housing and Revitalization Department ("HRD"), makes annual funding available for "ready-to-proceed projects" from HOME, CDBG and NSP federal funds allocated to the City through the U.S. Department of Housing and Urban Development ("HUD"). HRD has continued to work closely with HUD to meet required commitment and disbursement deadlines for new and ongoing projects approved by the City.

In support of affordable housing opportunities, HRD is hereby requesting approval to award funding to the following new projects:

1. LifeBuilders II (\$611,588.71 in CDBG) – \$611,588.71 in CDBG will be spent on this new project to renovate an additional 3 single family homes in the Gratiot/7 Mile area for sale to households with an income of 80% of AMI or less.

2. Marwood Apartments (\$1,760,000 in HOME and \$505,028 in CDBG-CV) – \$1,760,000 in HOME and \$505,028 in CDBG-CV will be spent on this project to rehab an existing five-story structure at 53 Marston Street, as well as to construct two new residential buildings at 67 and 81 Marston Street. This project will have 71 total rental units, all of which will be affordable.

Additionally, HRD is hereby requesting approval to increase funding for the following previously approved projects:

1. Mack/Alter Homes Community (\$178,630 in CDBG-CV) – \$178,630 in CDBG-CV funds will be added to this project to cover additional construction costs related to COVID-19 to aid in the new construction of 14 affordable units.

2. Peterboro Arms (\$707,706.72 in CDBG-CV) – \$707,706.72 in CDBG-CV funds will be added to this project to cover additional construction and financing costs related to COVID-19 to aid in the rehab of 56 affordable units of permanent supportive housing.

3. Marlborough (Additional \$600,000 in CDBG) - additional \$600,000 in CDBG funds will be spent on this project to cover additional construction and financing costs to aid in the historic rehab of 23 rental units, 12 of which are affordable.

We hereby request that your Honorable Body adopt the attached resolution that: (1) approves the aforementioned new project funding. (2) approves the aforementioned project funding increases and (3) authorizes the HRD Director, or his authorized designee, to execute such documents as may be necessary or convenient to complete the transactions.

Respectfully submitted,

DONALD RENCHER  
Director

By Council Member Tate:

Whereas, The City of Detroit receives an annual allocation of HOME, CDBG and NSP (program income) Development funds from the U.S. Department of Housing and Urban Development (“HUD”), through the Housing and Revitalization Department (“HRD”), for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized

HRD’s Director to accept and utilize HOME, CDBG and NSP funds according to HUD regulations during the City’s annual budgeting process; and now therefore be it

Resolved, That the City Council approves the new and revised allocations for the HOME and CDBG loans and/or grants for developers and/or borrowers as provided for herein and in the attached Exhibit 1: New and Amended 2019/2020 HOME, CDBG and NSP Awards in the amounts indicated and with authorization to vary such new and revised allocation amounts by not more or less than 10% at the discretion of the HRD Director; and be it further

Resolved, That HRD will use Appropriation No. 20343 to spend \$611,588.71 in CDBG funds on the following new project: “LifeBuilders II” – \$611,588.71; and be it further

Resolved, That HRD will use Appropriation No. 10821 to spend \$1,760,000.00 in HOME funds and Appropriation No. 20813 to spend \$505,028.00 in CDBG-CV for the following new project: “Marwood Apartments” – \$2,265,028.00; and be it further

Resolved, That HRD will use Appropriation No. 20813 to spend \$178,630.00 in CDBG-CV funds on the following existing project: “Mack/Alter Homes Community” – \$178,630.00; and be it further

Resolved, That HRD will use Appropriation No. 20813 to spend \$707,706.72 in CDBG-CV funds on the following existing project: “Peterboro Arms” – \$707,706.72; and be it further

Resolved, That HRD will use Appropriation No. 20343 to spend an additional \$600,000.00 in CDBG funds on the following existing project: “Marlborough” – \$600,000.00; and be it further

Resolved, That the HRD Director, or his authorized designee, is authorized to process, prepare and execute any and all loan and grant documents necessary or convenient to close, secure and use HOME, CDBG and CDBG-CV funds according to HUD regulations and as approved by this resolution; and be it finally

Resolved, That the Budget and Finance Directors of the Office of the Chief Financial Officer are hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls when presented in accordance with the foregoing communication and standard City procedures.

### Housing and Revitalization Department

September 16, 2020

Honorable City Council:

Re: Memorandum of Agreement, 150 Bagley – Demolition Mitigation MOA.

The City of Detroit, Housing and Revitalization Department (“HRD”) has entered in to a Memorandum of Agreement (“MOA”) with Bagley Development Group, LLC (the “Developer”), to outline and resolve the anticipated potential adverse impacts described below that may be caused to historic properties by the Developer’s project at 150 Bagley Street in the City of Detroit (the “Project”).

The Developer has stated that the project will consist of renovating and repurposing the existing eighteen story 217,300 sq. ft. building commonly known as the United Artists Building in to one hundred forty-eight (148) one and two bedroom market rate apartment units (20% of which will be affordable) totaling approximately 206,800 sq. ft. on floors 2-18 and 10,500 sq. ft. of commercial/retail/restaurant space on the ground floor. The developer, in conjunction with the Michigan Economic Development Corporation, HUD, and other investors, anticipates a capital expenditure of approximately \$56 Million on the project. Furthermore, this honorable body has approved tax abatements in the form of a Neighborhood Enterprise Zone and an Obsolete Property Rehabilitation certificate for the project.

As part of the project, the Developer has indicated that they will be demolishing the theater portion of the existing structure (the “Theater”). The Theater is listed on the National Register of Historic Places. At the request of HUD, the Developer has agreed to enter in to the MOA and has taken several steps outlined in said agreement to mitigate any adverse effects of this demolition. These steps, which include, amongst others, creating an exhibit detailing the history of the building, preserving the interior lobby of the Theater, salvaging any architecturally significant features, and submitting all construction plans to the City’s Preservation Specialist for approval prior to any construction being initiated. These proposed steps have been reviewed and approved by the City of Detroit Historic Designation Advisory Board (the “HDAB”), the City of Detroit Planning and Development Department (“P&DD”), Preservation Detroit, and the Downtown Detroit Partnership (“DDP”).

Lastly, HRD, along with the Developer, engaged in extensive public outreach

regarding the demolition of this historic site, including publishing a request for public comment on the project and its impacts on May 27, 2020. In total, HRD received seven (7) total responses from the Michigan Regional Council of Carpenters & Millwrights, Mack Alive Community Resource Center, the Laborers International Union of North America Local 1191, the Detroit Edison Public School Academy, the Council of Baptist Pastors of Detroit & Vicinity, Inc., Olympia Development of Michigan, and Francis Grunow, an historic preservation advocate in the City. Of these seven, six (6) came in the form of letters of support, with Mr. Grunow offering alternatives to mitigating the effects of the proposed demolition.

We request that your Honorable Body adopt the attached resolution to authorize the Director of HRD to execute the MOA and such other documents as may be necessary or convenient to complete the Memorandum of Agreement between the City of Detroit and Bagley Development Group.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves that certain Memorandum of Agreement by and between the City of Detroit (“City”) and Bagley Development Group, LLC, a Michigan Limited Liability Company, (the “Developer”) that is attached hereto and incorporated herein as Exhibit A (the “MOA”); and be it further

Resolved, That the Director of the City of Detroit Housing and Revitalization Department, or his authorized designee, is authorized to execute the MOA on behalf of the City; and be it further

Resolved, That the City’s Chief Financial Officer be and is hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls when presented in accordance with this resolution and the MOA; and be it finally

Resolved, That the MOA will be considered confirmed when executed by the Director of the Housing and Revitalization Department, or his authorized designee, and the Chief Procurement Officer, and approved by the Corporation Counsel as to form.

Whereas, Pursuant to 24 CFR § 58, the United States Department of Housing and

Urban Development (HUD) has delegated the responsibility for compliance with the requirements of Section 106 of the National Historic Preservation Act of 1966, as amended (54 U.S.C. § 306108) and its implementing regulations (36 CFR § 800) to the City of Detroit (City) as a recipient of HUD funds; and

Whereas, A Programmatic Agreement was executed on November 9, 2016, between the City of Detroit, the State Historic Preservation Officer (SHPO), and the Advisory Council on Historic Preservation (ACHP), as amended, for the administration of HUD funding; and

Whereas, The City plans to use Community Development Block Grant (CDBG) funds to support the 150 Bagley Project (the Undertaking); and

Whereas, The Undertaking consists of the adaptive reuse of the existing office tower into residential units as well as the demolition of the theater portion of the building leased by Bagley Development Group, LLC (BDG) and located at 150 Bagley Street, located in the City of Detroit, Wayne County, Michigan (Subject Property); and

Whereas, The City has defined the Undertaking's area of potential effects (APE) as described being roughly bounded by Grand River Avenue to the west, Clifford Street to the south, Washington Boulevard to the east, and East Adams Avenue to the north; and

Whereas, The City has determined that the Undertaking may have an adverse effect on the Grand Circus Park Historic District, which is listed in the National Register of Historic Places, and has consulted with the SHPO pursuant to 36 CFR § 800, the regulations implementing Section 106 of the National Historic Preservation Act (54 U.S.C. § 306108) and the PA; and

Whereas, The City in accordance with Appendix D, Section A.4 of the Programmatic Agreement and 36 CFR § 800.6 provided the SHPO with documentation related to the Undertaking and adverse effect determination; and

Whereas, On March 3, 2020, the SHPO concurred with the City's determination of adverse effect; and

Whereas, The City has consulted with the Lac Vieux Desert Band of Lake Superior Chippewa Indians, Little River Band of Ottawa Indians, Little Traverse Bay Bands of Odawa Indians, Pokagon Band of Potawatomi Indians, and Sault Ste. Marie Tribe of Chippewa Indians per Stipulation VII of the PA and as of July 21, 2020 the City has not received a response from any of the aforementioned Tribes; and

Whereas, The City has consulted with BDG, regarding the effects of the undertaking on historic properties and has invited them to sign this Agreement along

with the City and the SHPO as an invited signatory, which BDG has chosen to do; and

Whereas, The City has consulted with Preservation Detroit (PD), the Downtown Detroit Partnership (DDP), the City of Detroit Historic Designation Advisory Board (HDAB), and the City of Detroit Planning & Development Department (PDD) regarding the effects of the undertaking on historic properties and has invited them to sign this Agreement as concurring parties (collectively, the "Concurring Parties"); and

Whereas, In accordance with 36 CFR § 800.6(a)(1), the City has notified the ACHP of its adverse effect determination with specified documentation, and the ACHP has, in a letter dated June 1, 2020, chosen to not participate in the consultation pursuant to 36 CFR § 800.6(a)(1)(iii); and

Now, Therefore, The City and SHPO (the "Signatories"), along with BDG, agree that the Undertaking shall be implemented in accordance with the following stipulations in order to take into account the effect of the undertaking on historic properties.

#### **STIPULATIONS**

The City shall ensure that the following measures are carried out:

##### **I. RECORDATION**

Prior to the start of demolition activities, the City and BDG shall document the Subject Property using the National Park Service (NPS), Historic American Buildings Survey (HABS) standards. The City, through its Preservation Specialist, shall contact the NPS to determine what level of HABS recordation is required for the Subject Property.

A. Based on guidance from NPS and SHPO, the Preservation Specialist shall repackage existing documentation obtained from BDG and its own research into a format adhering to the NPS HABS standards. Additional research may be undertaken if required by NPS. BDG shall provide a copy of their Part 2 Federal Historic Rehabilitation Tax Credit submission, which includes the following: site plan, photographs, descriptive narrative and structural condition report. BDG shall also supply the Preservation Specialist with any additional historic records, images or other information they have acquired to complete the HABS documentation of the building.

B. The Preservation Specialist will work with the HDAB and PDD staff to gather any additional information about the Subject Property that should be included in the HABS documentation.

C. BDG shall contract with a qualified photographer to obtain large-format photography of the Subject Property. These photographs shall meet the *NPS HABS/HAER/HALS Photography Guidelines (November 2011, updated June 2015)*.

The Preservation Specialist and SHPO shall assist BDG in the identification of qualified photographers for this work.

D. Prior to final submittal of the HABS documentation to the NPS, the Preservation Specialist shall submit draft materials to the SHPO for review and comment. These draft materials will also be shared with BDG, the HDAB, and the PDD for review and comment. The SHPO, BDG, HDAB, and PDD shall have 30 calendar days to provide a response to the Preservation Specialist.

E. A copy of the final HABS documentation of the Subject Property, including photographs and film negatives, shall be provided to NPS to be housed at the *Library of Congress* as part of the *Historic American Buildings Survey/Historic American Engineering Record/Historic American Landscapes Survey Collection*. Additional digital copies shall be provided to the SHPO, the City and BDG on or before the date a Certificate of Occupancy (COO) is issued by the City of Detroit's Building, Safety Engineering and Environmental Department (BSEED) for the Undertaking.

## II. INTERPRATIVE EXHIBIT/SIGNAGE

BDG shall consult with the City and SHPO regarding the development of an interpretive exhibit and signage which will display the history of the Grand Circus Park Local Historic District and the Subject Property.

A. In the interior lobby of the Subject Property, BDG will design, fabricate and erect a permanent interpretive exhibit to mitigate the loss of the theater portion of the building (the "Exhibit"). The Exhibit will be developed using information from Stipulation I of this Agreement. BDG will consult with the City and SHPO regarding the size, design and content of the Exhibit. The Exhibit will be installed within three (3) months after the issuance of a COO by BSEED for the Undertaking.

B. BDG will design, fabricate and erect two permanent interpretive signs within Grand Circus Park Local Historic District (Signage) and consult with the City, SHPO, Historic District Commission (HDC), and the Downtown Detroit Partnership (DDP) to identify locations and seek feedback on the size, design and content of the Signage. Additionally, BDG will receive approval from the HDC prior to erecting the Signage.

C. BDG will be responsible for the continued maintenance of both the Exhibit and Signage and will develop a continued maintenance plan in consultation with the City and the SHPO after the installation of both the Exhibit and Signage. The relocation, redesign, or removal of the Exhibit and/or Signage is prohibited without prior written approval from the City, the Detroit Historic District Commission, and the SHPO.

## III. REHABILITATION/NEW CONSTRUCTION

The City and BDG, in compliance with the NPS Part 2 Submission and the requirements of the Section 106 36 CFR § 800 implementation regulations, agree to the following as it relates to the Undertaking:

A. The interior of the theater lobby will remain and be preserved by BDG as part of the adaptive reuse of the office tower. Once a tenant has been determined for the space, BDG will work with the SHPO on a design for the space in accordance with the Secretary of the Interior's Standards for Rehabilitation (Standards). The exterior façade of the theater entrance will be restored by BDG as part of the adapted use; including restoring terracotta tile and the faces of Comedy and Tragedy above the former theater marquee location.

B. BDG will, to the extent feasible and practical, salvage any materials or architecturally significant features from the theater portion of the Subject Property. These features shall be integrated into the Undertaking planned for the Subject Property.

C. Prior to the start of any work on the Subject Property, BDG shall forward all construction drawings, specifications and photographs to the City's Preservation Specialist for review to ensure the work is being done according to the Standards. This review will be conducted according to Stipulation V.B. of the PA, attached and incorporated into this Agreement as Attachment A. All construction/rehabilitation work shall follow the best practices outlined in the Standards and be completed by qualified professionals.

## IV. CHANGES TO APPROVED SCOPE OF WORK

BDG will notify the City as soon as practicable of any proposed change to the approved scope of work for this Undertaking.

A. If the change involves the use of funds not covered under Section 106 such that there is no longer an undertaking, the City shall notify the SHPO and further consultation with the SHPO will not be necessary.

B. If the change involves the Undertaking on the Subject Property, the BDG shall notify the City of the change and the rehabilitation shall be treated according to Stipulation V.B. of the PA, attached and incorporated into this Agreement as Attachment A.

## V. DURATION

This Agreement shall expire if its terms are not carried out within three (3) years from the date of its execution. Prior to such time, the City may consult with the Signatories to reconsider the terms of this Agreement and amend it in accordance with Stipulation IX below. The actions related to Section 106 mitigation mea-

asures required by HRD and NPS Federal Rehabilitation Tax Credit application will be completed by BDG before expiration of this Agreement.

#### **VI. POST-REVIEW DISCOVERIES**

If historic properties, human remains, or unanticipated effects on historic properties are encountered during the course of the Undertaking, BDG shall notify the City within 24 hours of such discovery (the BDG Notification). The City shall notify the SHPO within two (2) business days of receiving the BDG Notification and consult with the SHPO in accordance with the PA.

#### **VII. MONITORING & REPORTING**

A. BDG shall provide the City with a quarterly summary report (the Quarterly Report), beginning one month following the date of the last signature on this Agreement, and continuing for each quarter thereafter, detailing the work undertaken on the Subject Property. The Quarterly Report shall include any scheduling changes proposed, any problems encountered and any disputes or objections received in the City's efforts to carry out the terms of this Agreement. The Quarterly Report will be reviewed by the Preservation Specialist and then forwarded to the SHPO for review. If the Quarterly Report is found to be incomplete or include discrepancies, it will be returned to BDG for revision and resubmittal.

B. BDG shall provide the City with a final report (the Final Report) within thirty (30) calendar days of the completion of the stipulations within this Agreement which details all the work completed on the Subject Property. The Final Report will be reviewed by the Preservation Specialist and then forwarded to the SHPO for review. If the Final Report is found to be incomplete or include discrepancies, it will be returned to BDG for revision and resubmittal.

#### **VIII. DISPUTE RESOLUTION**

Should either of the Signatories object at any time to any actions proposed or the manner in which the terms of this Agreement are implemented, the objecting Signatory shall consult with the other Signatory to resolve the objection. If the objecting Signatory determines that the objection cannot be resolved, the objecting Signatory shall:

A. Forward all documentation relevant to the dispute, including the objecting Signatory's proposed resolution, to the ACHP. The ACHP shall provide the objecting Signatory with its advice on the resolution of the objection within thirty (30) calendar days of receiving adequate documentation. After considering the ACHP's advice and prior to reaching a final decision on the dispute, the objecting Signatory shall prepare a written response that takes into account any timely advice or comments regarding the

dispute from the ACHP, the other Signatory, BDG, and/or the Concurring Parties. The objecting Signatory shall then provide the ACHP, the other Signatory, BDG and the Concurring Parties with a copy of the written response. The objecting Signatory will then proceed according to the final decision of the ACHP.

B. If the ACHP does not provide its advice regarding the dispute within the thirty (30) calendar day time period, the City may make a final decision on the dispute and proceed accordingly. Prior to reaching such a final decision, the City shall prepare a written response that takes into account any timely comments regarding the dispute from the Signatories, BDG, and/or Concurring Parties. The City shall then provide the Signatories, BDG, and Concurring Parties, as well as the ACHP, with a copy of the City's written response.

C. The City's responsibility to carry out all other actions subject to the terms of this Agreement, that are not the subject of the dispute, remain unchanged.

#### **IX. AMENDMENTS**

This Agreement may be amended when a proposed amendment is agreed to in writing by both of the Signatories and BDG. The amendment will be effective on the date a copy signed by both Signatories and BDG is filed with the ACHP.

#### **X. TERMINATION**

A. If the City or BDG determines it cannot implement the terms of this Agreement, or if the SHPO determines that the Agreement has not been properly implemented, the City, BDG, or the SHPO may propose that this Agreement be terminated (Terminating Party).

B. The Terminating Party shall provide a notice to the other Signatory and BDG, which notice (1) explains the reasons the Terminating Party is seeking to terminate this Agreement and (2) provides for at least sixty (60) calendar days for the Signatories and BDG to consult and seek alternatives to termination. The Signatories and BDG shall then consult.

C. Should consultation fail, either the City, BDG, or the SHPO may terminate this Agreement by so notifying all the other Signatory, BDG, and all Concurring Parties.

D. Should this Agreement be terminated, the City shall either:

1. Consult in accordance with 36 CFR § 800.6 to develop a new Agreement; or
2. Request the comments of the ACHP pursuant to 36 CFR § 800.7.

**EXECUTION** of this Agreement by the City, SHPO, and BDG and implementation of its terms evidence the City has taken into account the effects of this undertaking on Historic Properties and has afforded the ACHP an opportunity to comment on this Undertaking.

Honorable City Council:

Re: Property Sale: 13214 Fenkell.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Wayne Norris (the "Purchaser"), to purchase certain City-owned real property at 13214 Fenkell (the "Property") for the purchase price of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00).

The Property consists of a small dilapidated structure in need of significant repair, situated on approximately 2000 square feet. The Purchaser owns the adjacent rental hall at 13200 Fenkell and proposes to rehabilitate the Property into retail space. Currently, the property is within a B2 zoning district (Local Business and Residential District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 13214 Fenkell, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Wayne Norris (the "Purchaser") for the purchase price of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Ninety and 00/100 Dollars (\$90.00) shall be paid to the DBA from the sale proceeds, 2) Seventy Five and 00/100 Dollars (\$75.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

**RESOLUTION TO ENHANCE ENFORCEMENT AND OVERSIGHT IN VETERANS HOMES**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBER McCALISTER, JR.:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

WHEREAS, The most recent US Census Bureau's Five-year Estimated American Community Survey (ACS), approximates the veteran population in Wayne County at approximately 83,000, which represents approximately 13% of Michigan's veteran population; and

WHEREAS, Prior to COVID-19, the number of veterans seeking nursing home care was already increasing. As the Vietnam veterans population ages, the Veteran Administration (VA) has projected the use of veterans' nursing home care will grow 16% from 2017 to 2022; while veterans' use of nursing home care grew just 3% from 2012 through 2017; and

WHEREAS, A July 2019 review conducted by the Government Accountability Office (GAO), concluded that the VA has

not adequately monitored its contractor's performance of State Veteran Home (SVH) inspections, in order to ensure that contractor staff effectively determine whether SVHs are meeting the required VA standards. This failure increases the risk that problems in SVHs could be overlooked, thereby placing the health of veterans at risk. The GAO also found that the VA is not transparent about its assessments of care quality at SVHs, given the fact that it does not publish information on the quality of SVHs on its website, even though there is no limit to the VA's authority to do so; and

WHEREAS, In May 2020, US Senator Elizabeth Warren (D-MA), US Senate Veterans' Affairs Committee ranking member Jon Tester (D-MT), and US Senators Edward J. Markey (D-MA.) and Bob Casey (D-PA) have requested that the GAO conduct an audit following a spike in veteran deaths and other reported care deficiencies at SVHs across the nation during the coronavirus disease (COVID-19) pandemic; and

WHEREAS, The Government Accountability Office (GAO) has offered four recommendations. The first, calls for the creation of a plan to monitor contractors' performance at community living centers and state veterans' homes. The second, recommends that the VA call for state veterans home inspectors to designate all "failures to meet quality standards" as "deficiencies" and not "recommendations," as is currently the practice. Third, a recommendation that the VA should develop guidelines for medical center staff for onsite inspections of community nursing homes. Lastly, a recommendation that the VA should maintain information about state-run veterans' homes on its website; NOW THEREFORE BE IT

RESOLVED, That given the importance of State Veterans Homes in VA's overall portfolio for providing institutional care to veterans and ongoing concerns about VA's role monitoring states' operation of these facilities, the Detroit City Council urges the GAO to conduct a more detailed examination of the VA's oversight of State Veterans Homes' quality of care and report on any progress in implementing the recommendations from GAO's July 2019 report; BE IT FINALLY

RESOLVED, That copies of this resolution be transmitted to the Michigan delegation of the US Congress, Senate and members of the Senate Veterans' Affairs Committee.

By COUNCIL PRESIDENT JONES:

**AN ORDINANCE to amend Chapter 12 of the 2019 Detroit City Code, *Community Development*, by adding Article X, *Community Outreach*, Division 1, *Generally*, consisting of Sections 12-10-1 through 12-10-10, Division 2, *Notice and Distribution Requirements for Outreach Meetings, Technology Aided Outreach, and Outreach Alerts*, to include Sections 12-10-11 through 12-10-20; Division 3, *City-wide Proposals, Class A Neighborhood Proposals, Class B Neighborhood Proposals, Class C Neighborhood Proposals, and Class D Neighborhood Proposals* to include Sections 12-10-21 Sections 12-10-21 through 12-10-25 to establish a community outreach process that promotes transparency and accountability and ensures community awareness on legislation, contracts, agreements, and resolutions regarding the City-wide Proposals and Neighborhood Proposals identified in this article.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 12 of the 2019 Detroit City Code, *Community Development*, be amended by adding Article X, *Community Outreach*, Sections 12-10-1 through 12-10-25, to read as follows:

### CHAPTER 12. COMMUNITY DEVELOPMENT

#### ARTICLE X. COMMUNITY OUTREACH DIVISION 1. GENERALLY

##### Sec. 12-10-1. Purpose and title.

(a) The City is committed to community outreach that promotes transparency and accountability and ensures community awareness on legislation, contracts, agreements, and resolutions related to the City-wide Proposals and Neighborhood Proposals identified in this article.

(b) This article shall be known as the "Detroit Community Outreach Ordinance."

**Sec. 12-10-2. Application of article; not applicable to certain development projects; limitations; exemptions.**

(a) The application of this Article shall be limited to the City-wide Proposals and Neighborhood Proposals as defined in Section 12-10-4 of this Code.

(b) This Article shall not apply to any development projects governed by Chapter 12, *Community Development*, Article VIII, *Community Benefits* of this Code.

(c) If a stricter form of community outreach is required by other law, then this article shall not apply.

(d) The requirements of this Article may be waived by a two-thirds roll call vote of City Council upon submission of a resolution by the Director of the Administering Department, identifying reasons that the requirements of this article are impractical or not feasible, and identifying how the City will otherwise provide an opportunity for other forms of community outreach. If the resolution of a waiver is approved by City Council, the Administering Department in collaboration with the Department of Neighborhoods shall forward an Outreach Alert notifying the impacted area of the waiver in accordance with the notice requirements of Section 12-10-16 of this Code.

**Sec. 12-10-3. Timing; requirements of article may be fulfilled by other mandated forms of outreach; more than one City-wide or Neighborhood Proposal may be addressed during a community outreach process; appointment of liaison.**

(a) The community outreach requirements of this Article shall be completed prior to City Council's consideration of the City-wide Proposals, Class A Neighborhood Proposals and Class B Neighborhood Proposals or the Administering Department's implementation of the Class C Neighborhood Proposals and Class D Neighborhood Proposals identified in this Article.

(b) The community outreach requirements of this Article may be fulfilled by other forms of outreach required by City Charter, local rules and regulations, or applicable state law, provided, that such proceedings are noticed in accordance with the requirements of this article.

(c) The community outreach requirements of this article may be fulfilled by administering a community outreach process that addresses more than one City-wide or Neighborhood Proposal.

(d) City Council shall appoint a liaison from its Legislative Policy Division to monitor the community outreach process set forth in this Article to provide updates to City Council.

**Sec. 12-10-4. Definitions.**

Honorable City Council:

Re: Antwon Johns vs. Allstate Fire and Casualty Insurance Company, *et al.* Case No: Case No. 19-012046-NI. File No: L19-00620/TI.

On September 16, 2020, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifteen Thousand Dollars and No Cents (15,000.00) in favor of the plaintiff. The parties have until October 14, 2020, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Fifteen Thousand Dollars and No Cents (15,000.00) is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in that amount payable to Antwon Johns and his attorney, At Law Group, PLLC, to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 19-012046-NI and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

**RESOLUTION URGING IMPROVEMENTS TO CITYWIDE WI-FI ACCESS BY PETITIONING THE CITY’S INTERNET PROVIDERS TO TAKE SEVERAL ACTIONS TO CLOSE THE DIGITAL DIVIDE IN DETROIT**

By Council Member Castaneda-Lopez:

WHEREAS, The necessity of adequate internet access has been emphasized in the wake of school, library, and non-essential business closures due to the ongoing Coronavirus pandemic. Effective online education and access to valuable information online has become more difficult for people who live in low-income households and lack sufficient high-speed internet connections during the pandemic; and

WHEREAS, The United Nations Human Rights Council declared access to broadband internet a universal human right in 2016. Unfortunately, Detroit is one of the least digitally connected cities in the country, which is a result of many of its citizens living at or below the poverty line. The median household income in the City of Detroit is \$26,249 per year; and

WHEREAS, According to research by the University of Michigan, 38% of Detroit homes do not have internet connection at all and 63% of low-income households do not have in-home broadband. Furthermore, 48% of Detroiters earning less than \$20,000 per year and 27% earning between \$20,000-\$74,000 per year do not have high-speed internet access; and

WHEREAS, Affordable internet access is crucial for educational development, exploring employment opportunities, participating in community engagement activities, and benefiting from health-related resources such as online doctor visits, particularly during a pandemic. In spite of that, accessibility to valuable technology remains unevenly distributed across race and socioeconomic class; and

WHEREAS, Communities of color often experience unequal access to the internet. According to the US Census 2017 American Community Survey, certain communities in Detroit have higher internet speeds and more options for service. According to the University of Michigan, those without internet access in the City of Detroit are demographically, 28% Asian, 29% Black, and 31% Latino; and

WHEREAS, Young people are the most affected by inefficient, or lack of, internet access. Limited internet access inadvertently infringes upon children’s Constitutional right to an education. Of the 51,979 Detroit Public School students, 70% do not have internet access at home, forcing them to rely on mobile data devices with small screens and limited data plans; and

WHEREAS, Students depend on the internet to engage with teachers on a variety of online platforms for live instruction, distribute class assignments, and host resources for programs such as youth employment opportunities, SAT preparation, enrichment coursework, amongst many other programs during the summer; and

WHEREAS, Comcast has the largest internet adoption program in the nation that partners with communities to close the proverbial “Digital Divide” by providing in-home, high-speed internet to over 8 million low-income families nationwide, including over 29,000 families in Detroit, since as of August 2019. Comcast’s “Internet Essentials Program” provides internet access to people who are eligible for public assistance programs for less than \$10 a month, in addition to, a one-time option to purchase a computer for a fraction of its typical cost. Through this important program, Comcast has set the example for the other providers to follow; and

WHEREAS, The ongoing pandemic has compounded the effects of the digital divide as Adults and children struggle and learn. According to Kagan, a media

research group with S&P Global Intelligence, 45.7% of households in the United States have internet broadband download speeds of at least 100/10 Mbps, which is much faster than the FCC's current definition of broadband at 25/3 Mbps in-home internet currently available to many households in Detroit.

WHEREAS, Detroit is home to the Equitable Internet Initiative (EII), which has worked to close the digital divide for the past four years. Training community members to install their own neighborhood governed wireless internet infrastructure and hotspots in response to the pandemic – connecting 150 households to the Internet since the program began and 7 public hotspots since the pandemic; and

WHEREAS, It is the Detroit City Council's responsibility to advocate on behalf of all of Detroit's citizens, as well as, to explore partnerships in the private and public sector to ensure adequate internet access and continue efforts toward closing the digital divide in Detroit. NOW THEREFORE, BE IT

RESOLVED, That the Detroit City Council urges all internet providers in the City to support the existing work of EII to ensure that all Detroiters have access to Wi-Fi, and to continue its efforts to close the Digital Divide in the City of Detroit by:

- Urging all public Wi-Fi, commercial, mobile, and residential providers to allocate a percentage of their infrastructure to support public Wi-Fi in areas of the City most in need of digital equity investment; and
- Opening all existing internet provider hotspots, not including those located within private residences, free to the public until 60 days after the full restoration of in-person public school classes. BE IT FURTHER

RESOLVED, That the Detroit City Council urges the FCC to permanently increase download and upload speeds. BE IT FINALLY

RESOLVED, The Detroit City Clerk is directed to send copies of this resolution to Mayor Mike Duggan, the FCC, and all City of Detroit internet providers.

Re: Request to accept an increase in appropriation for the Section 5310 – Americans with Disabilities Act (ADA) Para-transit Service Grant.

The Federal Transit Administration has awarded an increase in appropriation to the City of Detroit Department of Transportation (DDOT) for the Section 5310 – Americans with Disabilities Act (ADA) Para-transit Service Grant, in the amount of \$1,800,000.00. There is also a required State match for the award, from the Michigan Department of Transportation, in the amount of \$324,337.00. The required State match did not increase. Finally, there is an additional local match requirement of \$1,800,000.00. The total increase is \$3,600,000.00. This funding will increase appropriation 20760, previously approved in the amount of \$2,187,564.00, by council on January 14, 2020, to a total of \$5,787,564.00.

The objective of the grant is to support the operation of Metro-Lift, which is DDOT’s ADA-complementary para-transit service. The funding allotted to the department will be utilized to support mobility management activities, including

the operation of a call center, and the coordination of services between providers. This is a reimbursement grant.

If approval is granted to accept and appropriate this increase, the match will be coming from appropriation number 00151.

Honorable City Council:

Re: Fourth extension of review period for Zoning Ordinance text amendment – Short Term Rentals.

As provided in Sec. 50-3-48 of the 2019 Detroit City Code, where a proposed text amendment is not acted upon by the City Council within one hundred twenty (120) days of the date of receipt of the City Planning Commission's report, it shall be deemed to have been denied, unless extended by the City Council.

The City Planning Commission's report and recommendation to approve the Zoning Ordinance text amendment relative to the repeal of the "home occupation" prohibition of short term rentals was taken up by your Honorable Body on June 25, 2019. The original 120-day review period was scheduled to expire on October 23, 2019. On October 22, 2019, your Honorable Body passed a resolution to extend the review period an additional 120 days until February 20, 2020. Subsequently, a second extension of the review period

was approved until June 19, 2020. A further extension of the review period was approved until October 17, 2020.

Council's deliberations concerning the non-zoning provisions in the City Code relative to short term rentals are continuing and it would be appropriate to act on the Zoning Ordinance amendment for short term rentals at the same time as the Chapter 8 non-zoning ordinance. A fourth extension of the review period for the Zoning text amendment can be authorized by a vote on the attached resolution to further continue the review period until February 14, 2021.

Respectfully submitted,  
MARCELL R. TODD, JR.  
Director

By Council Member Tate:

Whereas, The City Planning Commission held a public hearing on June 6, 2019 relative to the proposed Zoning Ordinance text amendment to repeal the "home occupation" prohibition of short term rentals; and

Whereas, At its meeting of June 20, 2019, the City Planning Commission voted to recommend approval of the text amendment; and

Whereas, City Council took up the recommendation of the City Planning Commission for approval of the proposed text amendment June 25, 2019; and

Whereas, The Detroit Zoning Ordinance provides in Sec. 50-3-48 of the 2019 Detroit City Code that where a petition for a proposed text amendment is not acted upon by the City Council within one hundred twenty (120) days of the date of receipt of the City Planning Commission's report, it shall be deemed to have been denied, unless extended by the City Council; and

Whereas, The original 120-day review was set to expire on October 23, 2019; and

Whereas, City Council acted on October 22, 2019 to extend the review period for an additional 120 days until February 20, 2020 and then subsequently to extend the review period until June 19, 2020 and then further extended the review period until October 17, 2020; and

Whereas, The Chapter 50 Zoning Ordinance text amendment relative to short term rentals will be ripe for action when the related Chapter 8 amendment to the City Code relative to short term rentals is ready for Council's vote; and

Whereas, The Detroit City Council finds it appropriate to further review the proposed text amendment; Now Therefore Be It

Resolved, That the Detroit City Council hereby further extends the review period of the proposed text amendment to repeal the "home occupation" prohibition of short

term rentals for an additional 120 days until February 14, 2021.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 8.

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Petition on Behalf of D-Town Grand, LLC located at 3040 Grand Boulevard, Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition #1319).

On October 1, 2020, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

D-Town Grand, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, D-Town Grand, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on Tuesday, April 11, 2017 established by Resolution a Commercial Property Rehabilitation District in the vicinity of 3040 E. Grand Boulevard, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of October 31, 2021 for the completion of the rehabilitation; and

Whereas, On October 1, 2020, in a publicly held electronic meeting via Zoom, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and Be It Further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and Be It Further

Resolved, That the application of D-Town Grand, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2020 and the certificate expiring December 31, 2030, in accordance with the provisions of the Act; and Be It Finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and Be It Further

Resolved, That the rehabilitation of the facility shall be completed no later than October 31, 2021, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and Be It Finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

September 25, 2020

Honorable City Council:

Re: 2020-2021 Homelessness Solutions Program / ESG, ESG-CV and CDBG Funds Subrecipient Agreements.

On June 10, 2020, the City of Detroit ("City"), acting through its Housing and Revitalization Department ("HRD"), issued that certain Homelessness Solutions and ESG-CV RFP 2020-2021 – Notice of Funding Availability ("ESG NOFA"). Through the ESG NOFA, HRD sought proposals from eligible organizations to subgrant Emergency Solutions Grant ("ESG"), Emergency Solutions Grant Coronavirus Aid, Relief, and Economic Security Act ("ESG-CV") and Community Development Block Grant ("CDBG") funds to help address the urgent needs of residents who are homeless or at imminent risk of homelessness.

Eligible organizations must demonstrate experience and capacity to assist in one or more of the following areas:

- Avert households from entering into homelessness through prevention services;
- Increase the quality of emergency services by improving shelter space, continue to operate isolation shelter(s), and expand street outreach; and
- Quickly move households out of homelessness and into rapid re-housing thus ending their homelessness.

Based on the proposals received, HRD has made thirty-eight (38) Subrecipient Agreement awards to those certain eligible organizations that meet the expectations and requirements of the ESG NOFA.

We hereby request that your Honorable Body adopt the attached resolution that authorizes and approves the award and execution of the ESG NOFA Subrecipient Agreement to each of the identified organizations.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves the award and execution of a City of Detroit ("City") Subrecipient Agreement, substantially in the form attached hereto and incorporated herein as Exhibit B ("ESG Subrecipient Agreement"), to each of those certain thirty eight (38) organizations, for the respective uses, in the respective amounts, and from the respective funding sources outlined in the 2020-2021 ESG/ESG-CV Subrecipient Awards List attached hereto and incorporated herein as Exhibit A; and Be It Further

Resolved, That the ESG Subrecipient Agreements shall each have a term beginning and expiring on the dates as outlined in Exhibit A; and Be It Further

Resolved, That the Director of the Housing & Revitalization Department ("HRD"), or his authorized designee, is authorized to execute the ESG Subrecipient Agreements on behalf of the City; and Be It Further

Resolved, That the Chief Financial Officer be and is hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls when presented in accordance with this resolution and the ESG Subrecipient Agreements; and Be It Finally

Resolved, That the ESG Subrecipient Agreements will be considered confirmed when executed by the Director of HRD, or his authorized designee, the Chief Procurement Officer, and approved as to form by the Corporation Counsel.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 8.

September 8, 2020

Honorable City Council:

Re: Property Sale by Detroit Land Bank Authority. Hamilton Corridor, LLC. Development: Generally bounded by John C. Lodge Fwy. (US 10), W. Grand St., Thompson St. and La Belle St.

Pursuant to the First Amended and Restated Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority ("DLBA"), approved by your Honorable Body on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City to the same transferee within any rolling 12 month period without the prior approval of the Mayor and City Council.

The DLBA is now in receipt of an offer from Hamilton Corridor LLC, a Michigan Limited Liability Company ("Hamilton Corridor") to enter into an option to purchase forty eight (48) properties ("the Property") acquired by the DLBA from the City (as described in the attached Exhibit A). The Property is located within the boundaries of the John C. Lodge Fwy. (US 10), W. Grand St., Thompson St. and La Belle St.

The total area of land measures approximately 153,000 square feet. Hamilton Corridor proposes to utilize the Property as ancillary parking and green-space for storm water infrastructure. This will be in support of their new industrial complex to be constructed on adjacent property in the City of Highland Park.

The Property is zoned R2 (Two Family Residential District). The use of the Property as parking is not a permitted use by right. Hamilton Corridor shall apply for and obtain Conditional Land Use approval in accordance with the zoning guidelines and approval processes.

Conditions to Exercise Option and Execute Development Agreement are to include:

- Finalizing financing for project
- City of Detroit Planning and Development Department ("PDD") Design Review and approval for final site plan (parking and/or storm water infrastructure)
- Zoning compatibility/successful conditional land use hearing for parking
- City of Highland Park, Wayne County Land Bank, and Michigan Land Bank approvals

The Planning & Development Department, therefore, requests that your Honorable Body authorize the Detroit Land Bank Authority to enter into an Option Agreement with Hamilton Corridor LLC, a Michigan Liability Company to sell the

Property as more particularly referenced in the attached Exhibit A for \$30,000; and, upon exercise of the option by the optionee, to sell such property in accordance with the terms set forth in the Option Agreement.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

Planning & Development Department  
By Council Member Tate:

Whereas, The Detroit Land Bank Authority ("DLBA") was created to assemble and dispose of publicly owned properties in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit; and

Whereas, Pursuant to the First Amended and Restated Memorandum of Understanding ("MOU") between the City of Detroit and the DLBA, approved by the Detroit City Council on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City of Detroit to the same transferee within any rolling twelve (12) month period without the prior approval of the Mayor and City Council; and

Whereas, The DLBA is now in receipt of an offer from Hamilton Corridor LLC, a Michigan Limited Liability Company ("Hamilton Corridor"), to enter into an option to purchase forty eight (48) properties ("the Property") acquired from the City by the DLBA (as described in the attached Exhibit A). September 1, 2020

Honorable City Council:

Re: Property Sale. 450 Marlborough.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Scott Craig (the "Purchaser"), to purchase certain City-owned real property at 450 Marlborough (the "Property") for the purchase price of Twenty Nine Thousand and 00/100 Dollars (\$29,000.00).

Purchaser proposes to rehabilitate the property into a residential rental property. Currently, the property is within a R1 zoning district (Single-Family Residential District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 450 Marlborough, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Scott Craig (the "Purchaser") for the purchase price of Twenty Nine Thousand and 00/100 Dollars (\$29,000.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and Be It Further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand Four Hundred Fifty and 00/100 Dollars (\$1,450.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars

(\$200.00) shall be paid from the sale proceeds; and Be It Further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and Be It Finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

November 4, 2020

Honorable City Council:

Re: Anthony Reese, et al. vs. City of Detroit, et al Case No. 19-009593-NI File No. L19-00524 (GP).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty Thousand Dollars and No Cents (\$20,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty Thousand Dollars and No Cents (\$20,000.00) and that your Honorable Body direct the Finance Director to issue a draft in favor of Wyoming Chiropractic Health Clinic and its attorney Haas & Goldstein, PC, in the amount of Twenty Thousand Dollars and No Cents (\$20,000.00) to be delivered upon receipt of a properly executed Release and Order of Dismissal entered in Case No. 19-009593-NI, approved by the Law Department.

September 29, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the Safe Voting Plan Part II Grant.

The Center for Tech and Civic Life has awarded the City of Detroit Clerk's Office with the Safe Voting Plan Part II Grant for a total of \$3,724,450.00. There is no match requirement. The total project cost is \$3,724,450.00.

The objective of the grant is to ensure safe election day voting and dramatically expand strategic voter education and outreach efforts. The funding allotted to the department will be utilized to provide assistance to voters with mail ballot requests, utilize secure drop-boxes to facilitate the return of absentee ballots, and deploy additional technology to expedite and improve the accuracy of the mail ballot process.

If approval is granted to accept and appropriate this funding, the appropriation number is 20854.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director

Office of Development and Grants

WHEREAS, The FFCRA provides assistance to workers and their families impacted by the economic fall-out of

COVID-19. The FFCRA provides a new Emergency Paid Sick Leave Act (EPSLA) which requires employers with less than 500 employees to provide paid sick leave to employees who cannot work (including remote work), employees affected by isolation/quarantine orders, employees with COVID-19 symptoms, employees caring for another person in one of those categories, or employees caring for a minor child due to school or daycare closures. Additionally, it provides longer paid leave and extends FMLA protection through the end of 2020, if an employee needs to care for a child under age 18 or if their school or daycare is closed; and

WHEREAS, The temporary closing of major companies has left many workers unable to meet the yearly requirement of 1,250 hours worked to qualify for the Family Medical Leave Act (FMLA). This distinction effected many Detroiters and Michiganders, especially those working in automobile manufacturing and other industries. These workers are deprived of the protections most other workers were afforded because they were laid off during the companies' closures; NOW THEREFORE BE IT

RESOLVED, The Detroit City Council urges the federal government to extend the Families First Coronavirus Response Act beyond its expiration date of December 31, 2020, and to include private employers with over 500 employees within its definition of covered employees and to ensure that when a company shuts down all manufacturing operations due to coronavirus related impacts, that employees, who would have been regularly scheduled to work, would have those non-worked hours counted, for the purpose of accruing the hours needed to meet the 1250-hour minimum to qualify for FMLA; BE IT FINALLY

RESOLVED, The Detroit City Clerk is directed to send copies of this resolution to the Mayor Mike Duggan, Governor Gretchen Whitmer, Congressional Representatives Nancy Pelosi, Nita Lowey, Brenda Lawrence and Rashida Tlaib, Senators Gary Peters, Debbie Stabenow and Charles Schumer.

The contents of the law include modifications in unemployment benefits, expands food assistance, establishes free coronavirus testing, increases food assistance for vulnerable children and families, protects front-line health workers, and provides additional funding to states for the ongoing economic consequences of the pandemic, among other provisions to support Americans.

**RESOLUTION IN SUPPORT OF  
MICHIGAN HOUSE BILL 6207  
AND SENATE BILL 1108**

By COUNCIL MEMBER TATE, joined by COUNCIL MEMBERS McCALISTER, JR. and PRESIDENT JONES:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through the exercise of its Charter-mandated legislative functions; and

WHEREAS, Michigan's Open Meetings Act, MCL 15.261 *et seq.*, took effect in 1977, part of a nationwide movement to guaranteed public access to government, particularly public policy decisions, to promote a better informed citizenry; and

WHEREAS, As the world has reacted to the new landscape of life under the continuing threat of the COVID-19 pandemic, Governor Whitmer issued Executive Order 2020-15, temporarily suspending certain provisions of the Open Meetings Act (OMA), to authorize public bodies (otherwise subject to the Act) to hold meetings by safer, alternative means, specifically electronically or "virtually". This action facilitated the continuation of government operations in a manner that has proven to be safe, transparent, and accessible to citizens, while maintaining the basic legal structure of the OMA, i.e., quorum, adequate meeting notice, voting requirements, and significantly, public input; and

WHEREAS, House Bill 6207 and Senate Bill 1108 were introduced in the Michigan Legislature on September 15, 2020, to amend the OMA by adding section 3a to include the following:

- Require a public body to establish procedures to accommodate the absence of a member due to a medical condition or a statewide or locally declared state of emergency that would risk the health and safety of members or the public;
- Allow a meeting of a public body to be held electronically and specify that a meeting held in that manner would be subject to the same requirements as an in-person meeting;
- Require an electronically held meeting to be conducted in a manner that permitted two-way communication between members and participants;
- Prescribe notice requirements for meetings held electronically;
- Prohibit a public body from requiring a person to register or provide his or her name as a condition of participating in an electronic meeting; and
- Require members of the public to be excluded from participating in a closed session of a public body held electronically, if that session complied with the Act; and

WHEREAS, COVID-19 has restructured society in dramatic ways. It is within these crisis moments that the opportunity

to create more refined and malleable use of technology presents itself. As communication and virtual technology have advanced, the substantial benefits of adapting the OMA to incorporate technological capacity has been a recurring theme in the public sector. School boards, local legislative bodies, boards, commissions, and other public regulatory bodies would greatly benefit from the proposed bills, while protecting the public's right of full access as well as protecting the safety of all. NOW THEREFORE, BE IT

RESOLVED, Given the paramount importance of maintaining public health and safety during the current and continuing pandemic, as well as to create the necessary flexibility to address a potential future need, the Detroit City Council strongly urges the Michigan Legislature to expeditiously advance House Bill 6207 and Senate Bill 1108 at this most critical time. BE IT FINALLY

RESOLVED, The Detroit City Clerk is directed to send copies of this resolution to the Detroit delegation of the Michigan Legislature, the Michigan House Committee on Government Operations, Mayor Mike Duggan, the City of Detroit's Lansing lobbyist, and Governor Gretchen Whitmer.

Honorable City Council:

To your Committee of the Whole was referred petition of Detroit 300 Conservancy/Downtown Detroit Partnership (#1321), request to hold "The Rink at Campus Martius Park." After consultation with the all departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,

MARY SHEFFIELD

Chairperson

By Council Member Sheffield:

Resolved, That permission be and is hereby granted to Petition of Detroit 300 Conservancy/Downtown Detroit Partnership (#1321), request to hold "The Rink at Campus Martius Park" from November 11, 2020 to March 7, 2021 with set-up to begin October 19, 2020 and teardown completion on April 9, 2021.

Provided, That Buildings, Safety Engineering and Environmental Department is hereby authorized to waive the zoning restrictions on said property during the period of the event, and further

Provided, That petitioner secures a tem-

porary use of land permit, which includes the erection of any mechanical devices and temporary structures, and further

Provided, That petitioner has an inspection of electrical work prior to opening the facility to the public, and further

Provided, That petitioner complies with the provisions of Ordinance 503-H regarding festival permits and carnival licenses, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding "use of Tents for Public Assembly," and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That said activity is conducted under the rules and regulations of concerned departments and the supervision of the Police Department, (Grant subject to departmental conditions), and further

Provided, That such permission is granted with the distinct understanding that petitioners assume full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That site be returned to its original condition at the termination of its use, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Honorable City Council:

Re: Request to accept a donation of various park improvements from Sidewalk Detroit for Eliza Howell Park via a Grant from the National Fish and Wildlife Foundation.

Sidewalk Detroit has awarded a donation of various park improvements to the City of Detroit General Services Department for Eliza Howell Park, valued at \$500,000.00. There is no match requirement for this donation. The total project cost is \$500,000.00. This donation is made possible by a grant awarded to Sidewalk Detroit from the National Fish and Wildlife Foundation.

The objective of the donation to the department is to make improvements to

Eliza Howell Park. The funding allotted to the department will be utilized to install a rain garden, vernal pond, and boardwalk. Sidewalk Detroit will also make infrastructure improvements, including resurfacing and widening a significant portion of the existing limestone walking trail, as well as expanding and protecting habitat with new native plantings and no-mow delineators.

I respectfully ask your approval to accept this donation in accordance with the attached resolution.

Sincerely,

October 19, 2017

Honorable City Council:

Re: Petition No. 1303 United States Environmental Protection Agency Great Lakes National Program request for temporary closure and permanent vacationing a portion of Springwells Court located in Delray, Detroit.

Petition No. 1303 of United States Environmental Protection Agency, Great Lakes National Program Office request to vacate part of Springwells Court, variable width, lying southerly of Aggregate Drive, variable width; also for a subsurface encroachment consisting of seawall tie-backs and a dead-man wall.

Phase 2 of the request, for vacation of Springwells Court and encroachment in Springwells Court, will be addressed in the attached resolution. Phase 1 of the request, for the temporary closure of Springwells Court was previously addressed in a resolution.

The request is being made as a part of a major clean-up on the Lower Rouge River Old Channel (LRROC) which will serve to improve the quality of Michigan's waters. The U.S. Environmental Protection Agency and Honeywell Inc. have been working cooperatively to remediate coal tar contaminated sediment in the LRROC. Dredging as part of the remedy requires building a permanent bulkhead wall along the shoreline including tiebacks for the wall. Springwells Court is in close proximity to the LRROC and that is the reason for the request. The Economic Development Corporation (EDC) of the City of Detroit are owners of the properties accessed by Springwells Court and the EDC has been involved with the petitioners and approve of the request The EDC has requested certain provisions that are included in the attached resolution.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report This is our report.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and encroachment provided certain provisions are met The DWSD provisions are a part of the attached resolution.

Public Lighting Authority (PLA) reports being involved and estimates a cost of \$3,723 for the removal of the street lighting in the vacation area. A provision for removal of PLA facilities at cost to be borne by the petitioner is a part of the resolution.

AT&T reports being involved and does not object provided the petitioner remove the AT&T facilities in the vacation area. A provision for removal of AT&T facilities at cost to be borne by the petitioner is a part of the resolution.

DTE Energy – Electric Division (DTE) reports being involved and estimates a cost of \$24,173.31 for the removal of the electric facilities in the vacation area. A provision for removal of DTE facilities at cost to be borne by the petitioner is a part of the resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacation and encroachment Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division – DPW

By Council Member Benson:

Resolved, That part of Springwells Court described as land in the City of Detroit, Wayne County, Michigan being: Springwells Court, variable width, lying southerly of and adjoining the southerly line of Lots 9 and part of Lot 10 and lying northerly of and adjoining the northerly line of Lot 7 and part of Lot 6 and lying easterly of and adjoining the easterly line of Lot 8 "Amended Plat of the vacated portions of Lots 13 to 19 inclusive, of William Dwights Subdivision of the Fronts of Private Claims 267, 270 and 268" and the vacated portions of Lots 95 to 101, inclusive, of Crawford's Fort Tract, being Private Claim 270, the East part of Private Claim 267, and the West part of Private Claim No. 268, and parts of Private Claims 67 and 267" as recorded in Liber 121, Pages 62-69 of Plats, Wayne County Records; and being further described as all that part of Springwells Court lying easterly of the easterly line of said Lot 8 and lying westerly of a line more particularly described as follows: Commencing at the southeasterly corner of above said Lot 10; thence along the southerly line of Lot 10 a distance of 127.03 feet along the arc of a curve, concave to the north, with a delta of 16°10'27", a radius of 450.00 feet and a long chord of 126.61 which bears S68°32'24"W to the point of beginning; thence S13°22'22"E 94.06 feet to a point on the north line of above said Lot 6 and the point of ending.

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City, and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed sewers and or water mains, and further

Provided, That upon satisfactory completion, the sewers and or water mains shall become City property and become part of the City system. And any existing sewers and or water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That the petitioner shall construct a new cul-de-sac for Springwells Court traffic. The cul-de-sac design shall be subject to the approval of DPW – Traffic Engineering Division; and the construction shall be done under city permit and inspection according to City Engineering Division – DPW specifications with all costs borne by the petitioner or their assigns, and further

Provided, That any construction in the public rights-of-way such as removal and construction of new pavement, driveways, curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division – DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the petitioner shall extend subsurface utilities required for the future development of Lots adjacent to the vacated portion of Springwells Court as required by the EDC of the City of Detroit, and further

Provided, That the petitioner shall install any subsurface storm water drainage facilities in said Lot 7 or 1661 Springwells Court, so that it can be developed in the future, as required by the EDC of the City of Detroit including submitting the necessary drawings for such improvements subject to the approval of the EDC, and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

And be it also Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to United States Environmental Protection Agency, Great Lakes National Program or their assigns to install and maintain an encroachment consisting of tiebacks and dead-man wall in Springwells Court, variable width, said part of Springwells Court more particularly described as: land in the City of Detroit, Wayne County, Michigan being part of Springwells Court and more particularly described as follows: Commencing at the southeast corner of Lot 10 "Amended Plat of the vacated portions of Lots 13 to 19 inclusive, of William Dwights Subdivision of the Fronts of Private Claims 267, 270 and 268" and the vacated portions of Lots 95 to 101, inclusive, of Crawford's Fort Tract, being Private Claim 270, the East part of Private Claim 267, and the West part of Private Claim No. 268, and parts of Private Claims 67 and 267" as recorded in Liber 121, Pages 62-69 of Plats, Wayne County Records; thence along the southerly line of Lot 10 a distance of 127.03 feet along the arc of a curve, concave to the north, with a delta of  $16^{\circ}10'27''$ , a radius of 450.00 feet and a long chord of 126.61 which bears  $S68^{\circ}32'24''W$ ; thence  $S13^{\circ}22'22''E$  70.63 feet to the point of beginning; thence  $S13^{\circ}22'22''E$  23.46 feet to the southerly line of Springwells Court, variable width, thence along said southerly line of Springwells Court along a curve 115.07 feet, concave to the north, with a delta of  $11^{\circ}59'13''$ , a radius of 550.00 feet, and a long chord of 114.86 feet which bears  $N71^{\circ}46'00''E$ ; thence  $S83^{\circ}28'00''W$  115.27 feet to the point of beginning.

Honorable City Council:

Re: Petition No. 1292 — Cedar Investments LLC, request to encroach into the Miller Avenue and Selkirk Avenue right-of-way between Mount Elliott Street and Foster Avenue.

Petition No. 1292 — Cedar Investments LLC, request an encroachment of rail spurs within Miller Avenue, 66 ft. wide, and Selkirk Avenue, 50 ft. wide, between Mount Elliott Avenue, 66 ft. wide, and Foster Avenue, 50 ft wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made in relation to the shipping operations located at 6836 Georgia Street, where a rail line will connect 6836 Georgia Street to the New York Central Belt Line.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

 Petition No. 1077 – Giffels Webster request to outright vacate the public alleys bounded by First Street, 60 ft. wide,

Bagley Avenue, 90 ft. wide, Cass Avenue, 80 ft. wide, and Plaza Drive, 40 ft. wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to remove public alleys from the City right of way network that were long ago incorporated into a secured parking lot.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Honorable City Council:  
 Re: Petition No. 1310 — Matt Williams request to vacate and convert to easement a segment of the public alley bounded by Virginia Park Avenue, La Salle Boulevard, La Salle Gardens North, and Linwood Avenue.  
 Petition No. 1310 — Matt Williams

request to vacate and convert to easement a segment of the public alley bounded by Virginia Park Avenue, 60 ft. wide, La Salle Boulevard, 80 ft. wide, La Salle Gardens North, 60 ft. wide, and Linwood Avenue, 66 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an inactive alley from the City road network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility ease-

ment provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
 RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division – DPW  
 By Council Member Benson:

Resolved, The public alley bounded by Virginia Park Avenue, 60 ft. wide, La Salle Boulevard, 80 ft. wide, La Salle Gardens North, 60 ft. wide, and Linwood Avenue, 66 ft. wide, further described as land in the City of Detroit, Wayne County, Michigan being: the east-west public alley lying northerly of and abutting lots 167 through 169 and lying southerly of and abutting lot 170 of "La Salle Gardens Subdivision" as recorded in Liber 25, Page 100 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility

easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division – DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location

guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall

break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**City Planning Commission**

September 28, 2020

Honorable City Council:

Re: Request of Brush Park Properties, LLC to modify the provisions of an existing PD-H (Planned Development-Historic) zoning classification to amend Chapter 50 of the 2019 Detroit City Code, Zoning by amending Article XVII, Zoning District Maps, Section 50-17-5, District Map No. 4 to allow for a five-story mixed-use building to include a restaurant-bar, office space and residential building with an adjacent four-story mixed-use parking structure which will include townhomes. This property is commonly known as 2827 John R. Street, 79 and 105 Alfred Street. (RECOMMEND APPROVAL)

**BACKGROUND**

Brush Park Properties, LLC (BPP) is led by principal, Michael Van Overbeke who has been involved in the Brush Park neighborhood for many years, having completed projects such as the Hudson Evans House, Mt. Sinai Grand Lodge Building, the HP Pulling Home, and the Lucien Moore Estate. A portion of the subject block is currently under the ownership of entities associated with this developer.

In 2018, BPP requested to develop properties commonly known as 79 and 105 Alfred and 2827 John R. The existing historic building on this site is underutilized and the project called for it to be restored and incorporated into the new construction project.

**PROPOSAL**

The developer is currently proposing two buildings on 2/3rd of an acre, at property commonly known as 2827 John R and 79 and 105 Alfred. The first building is 62 feet high and consists of a five-story residential building with eight for-sale residential units. The building at 2827 John R Street also includes reuse of an existing carriage house on the site to create a new restaurant and bar, and including commercial office space. The second building consists of two townhome units combined with a 48 foot high, 80-stall parking structure. The two buildings collectively total 89, 250 gross square feet. Amenities that are planned for the buildings include an outdoor terrace with shifting glass partitions, a fitness room, meeting room, and bike storage.

**COMMUNITY INPUT AND PUBLIC HEARING RESULTS**

When this project originally came before the Commission, there were some elements of the project that caused contention. Most of those elements have been resolved through a series of meetings with the community and developer over the years, while a couple of discrepancies still linger.

At the time of the original approval, all of the previously mentioned issues were heard. Public comment was taken from several community members during the public hearing, some in support and some with concern and/or in opposition. Two public hearings were held with regard to this matter in 2018 and the Commission, after hearing all related testimony, voted to recommend approval of the project.

More recently, after revisions to the plan post CPC approval, staff requested that the developer once again present their latest revisions to the Brush Park CDC. This was done on May 19, 2020 at the Brush Park CDC regularly scheduled meeting. A letter has been submitted by the Brush Park CDC, voting against the project with a four to five vote and one abstention. Based on comments in the letter and those garnered from the meetings held on this matter, those objections seem to stem from an

existing curb cut that the developer plans to use as the vehicular entrance for the proposed parking structure. In response, the developer has submitted a plan detailing the operations and a traffic mitigation strategy for the development, and, has requested to move forward in the processing of the request. Below are listed some of the meetings that have taken place for the development:

- June 2017 – PDD Meeting
- September 2017 – PDD Meeting
- October 2017 – HDC Informal Meeting
- November 2017 – Brush Park CDC Formal Presentation
- December 2017 – PDD Meeting
- January 2017 – CPC Meeting
- February 2017 – CPC Meeting
- March 2018 – CPC Public Hearing 1
- March 2018 – Alfred Neighbors Meeting 1
- April 2018 – Alfred Neighbors Meeting 2
- April 2018 – Edmund Neighbors 1
- May 2018 – Edmund Neighbors 2
- May 2018 – CPC Public Hearing 2
- June 2018 – CPC/PDD staff meet with residents
- May 2020 – Brush Park CDC meeting

**HISTORIC DISTRICT CRITERIA**

On June 10, 2020, the Historic District Commission voted to approve the newest iteration of the project that is before this Honorable Body. In accordance with Chapter 21 of the 2019 Detroit City Code, the Historic District Commission, is tasked with reviewing development proposals in the historic district to determine whether or not the proposal is appropriate for the historic district. The HDC has issued a certificate of appropriateness for the project.

**PLANNING CONSIDERATIONS**

***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

- North: PD; Carlton Lofts
- South: PD; City Modern
- East: PD; City Modern
- West: PD; J. L. Hudson Mansion-Law Offices

***Master Plan Consistency***

The subject property is located in the Lower Woodward area of Neighborhood Cluster 4. The future land use designation for the subject parcels indicates (MRC) Mixed Residential-Commercial. The Planning and Development department has submitted a letter stating that this development is appropriate for the mixed-use character of the Master Plan (MP) designation of the area and thus is consistent.

**ANALYSIS**

This project is generally in conformance with the PD District design criteria of Sec. 50-11-15 of the Zoning Ordinance. CPC's review is as follows:

Criterion (a) *Master Plan outlines that this zoning ordinance requires that the proposed major land use be consistent*

*with the adopted Master Plan in all PD developments.*

Regarding the City of Detroit Master Plan of Policies, the subject property is located in the Lower Woodward area of Neighborhood Cluster 4. The future land use designation for the subject parcels indicates (MRC) Mixed Residential-Commercial. The Planning and Development department has submitted a letter stating that this development will contribute to the mixed-use character of the MP designation of the area. CPC concurs that the proposed development is consistent with the MRC designation.

Criterion (b) *addresses scale, form, massing and density*

As it relates to scale, form, massing and density, CPC believes that the building heights and scale are appropriate for the current site. The heights and massing fit the existing context of the Brush Park neighborhood. The proposed buildings have been designed to fit into the context of the community. This is accomplished by providing a liner building of residential units to mask the parking structure that sits 20 feet from the front lot line. The restaurant in the development is oriented towards John R to appeal to the higher level of pedestrian activity. The building's height has been thoughtfully placed at similar scale with surrounding buildings in order to not overpower other structures.

Criterion (c) *asks whether the proposed development is compatible with surrounding development in terms of land use, general appearance and function, and should not adversely affect the value of properties in the immediate vicinity.*

CPC believes that the development is compatible with the surrounding area and that the developer has worked closely with the community and City to come to a product that takes into consideration all concerns that can reasonably be accommodated and make the project remain feasible.

(f) *Environmental impacts and (g) Open Space inquire into any health impacts and open space provided by the development.*

CPC does not expect that this project would create any deleterious impacts on the environment related to pollution, waste or other toxic conditions. Regarding open space, the development does provide balconies and terraces for recreational space, as well as a green roof. The restaurant and commercial space also add to the amenities of the project.

(h) *Rights-of-way, easements, and dedications*

To CPC's knowledge, there is no need for easements or dedications, but there is likely a requirement for a maintenance agreement by the petitioner to maintain the portion of the alley that immediately abuts their project since the plans show the alleys as a component of the circulation plan.

(o) *Preservation and restoration-Preservation and restoration of buildings.*

The plans preserve the historic carriage home on John R. which has been in disrepair for some time before it is beyond preserving.

**CONCLUSION**

The development team has worked to resolve many of the community concerns over the life of this project. There were many engagement efforts that took place. The design and programming of the subject buildings have changed drastically as a result of the community and City feedback. CPC voted to approve this project in 2018, taking those items and public testimony into account. For the reasons as stated above, the Commission again reaffirmed its vote in July 2020.

**RECOMMENDATION**

The City Planning Commission having completed its review and processing of the requested rezoning recommends approval. This recommendation comes with the following condition:

- 1. That the developer submit a community impact plan to the CPC staff and surrounding neighborhood prior to construction which will address negative impacts that may arise. The community impact plan must provide the following:
  - a. A construction schedule to describe the start and end dates and other anticipated milestones of the development.
  - b. A strategy to mitigate fugitive dust, noise pollution, and pest infestation that may arise from ground disturbance and other construction activities.
- 2. The developer provide a strategy for temporary site screening, construction staging, and construction-related vehicle parking.
- 3. The developer must submit final site plans and elevations, landscaping, lighting, and signage plans to the CPC staff for review and approval prior to making application for required permits.

RESOLUTION SETTING HEARING

By Council Member Tate:

Resolved, That a public hearing will be held on Thursday, November 5, 2020 at 11:05 a.m. by this body virtually using videoconferencing for the Planning and Economic Development Standing Committee, for the purpose of considering the advisability of adopting the foregoing

proposed ordinance to Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, Section 50-17-5, District Map No. 4, to modify the development regulations of the existing PD-H Planned Development District-Historic zoning classification for the properties commonly identified as 2827 John R Street, 79 Alfred Street, and 105 Alfred Street to allow for two residential and mixed-use buildings with a supportive parking structure. Governor Gretchen Whitmer's "Stay Home, Stay Safe" Executive Order (EO 2020-154) went into effect on Friday, July 17, 2020. Therefore, Detroit City Council will be meeting virtually using videoconferencing. This action is being taken in accordance with Governor Whitmer's Executive Order 2020-154, which allows electronic meetings for legislative bodies.

**City Planning Commission**  
 September 28, 2020

Honorable City Council;  
 Re: Request of Brian Hurtienne, to amend Chapter 50 of the 2019 Detroit City Code, Zoning, by amending Article XVII, Zoning District Maps, Section 50-17-4, District Map No. 3, of the Detroit Zoning Ordinance to show an R3 (Low Density Residential District) zoning classification where an R1 (Single-Family Residential District) zoning classification is currently shown for the properties commonly known as 1552, 1558, 1564, 1570 Perry Street. The petitioner is proposing to develop a multiple-family dwelling.  
 Additionally, the City Planning Commission is requesting to amend Section 50-17-4 District Map No. 3 of the Detroit Zoning Ordinance to show an R3 (Low

Density Residential District) zoning classification where an R1 (Single-Family Residential District) zoning classification is currently shown for the properties commonly known as 1578 Perry Street and 1520 Perry Street. This request is being proposed in order to maintain the zoning consistency of the subject parcels. (RECOMMEND APPROVAL).

**PROPOSAL**  
 Before Your Honorable Body is the request of Brian Hurtienne, to amend Chapter 50 of the 2019 Detroit City Code, Zoning, by amending Article XVII, Zoning District Maps, Section 50-17-4, District Map No. 3, of the Detroit Zoning Ordinance to show an R3 (Low Density Residential District) zoning classification where an R1 (Single-Family Residential District) zoning classification is currently shown for the properties commonly known as 1552, 1558, 1564, 1570 Perry Avenue. The petitioner is proposing to develop a 15-unit multiple-family dwelling with parking.  
 Additionally, the City Planning Commission is requesting to amend Section 50-17-4 District Map No. 3 of the Detroit Zoning Ordinance to show an R3 (Low Density Residential District) zoning clas-

sification where an R1 (Single-Family Residential District) zoning classification is currently shown for the properties commonly known as 1578 Perry Street

and 1520 Perry Avenue. The request of CPC is being proposed in order to maintain the zoning consistency of the subject parcels.

NORTHWEST PERSPECTIVE ORIGINAL SCALE 1/8" = 1'-0"

The petitioner, Brian Hurttienne, is proposing to build a 15-unit residential apartment building on the north side of Perry Avenue between Cochrane Avenue and Trumbull Avenue.

Of the properties located at 1552, 1558, 1564, and 1570 Perry Avenue, two are privately held and the other two are held by the Detroit Land Bank Authority and are under an Option to Purchase & Develop Agreement with the developer. The properties commonly known as 1578 and 1520 Perry Avenue are privately held by other owners. The subject properties comprise just under an acre of total land.

The developer is proposing the rezoning in order to build the 15-unit multiple-family dwelling. The R1 Single-family Residential District is designed to preserve primarily single-family detached dwellings while other permitted uses are reserved to serve the immediate area and are allowed on a conditional basis.

The R3 Low Density Residential District permits a low-density multi-family district. The regulations are designed to promote a mix of housing types from town homes to multiple-family dwellings and community facilities that serve the needs of a residential district.

If adopted, the R3 zoning district will allow for the developer's proposed 15-unit multi-family dwelling. This use is allowed by-right if fewer than 50% of the units in the structure are efficiency units. If there are more than 50% efficiency units, the R3 district requires a special land use hearing where 50% or more of the units in the structure are efficiency units.

**PLANNING CONSIDERATIONS**

***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows: North: R2; Unimproved parcels South: R1; Teamsters parking lot East: R4; Office building and parking lot West: R2; Unimproved parcel; residential homes

***Master Plan Consistency***

The subject site is located within the Jeffries area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows Low/Medium – Density Residential (RLM). According to the MP, these areas should have an overall density of 8 to 16 dwelling units per net residential acre. The areas are often characterized by two or four family homes with small yards, on-street parking or garages with alley

access. The Master Plan-Zoning Table which identifies the correlation between MP designations and zoning districts, classifies the R3 zoning district as consistent with the RLM designation.

#### **COMMUNITY OUTREACH AND PUBLIC HEARING RESULTS**

The developer presented this project to the North Corktown Neighborhood Association (NCNA) in September of 2019. There have also been additional conversations with NCNA with regard to the proposal. Based on CPC's conversations with the association, it was expressed at the time that the association would remain neutral with regard to the proposal.

Additionally, in 2019, CPC visited the residential homes immediately to the west of the subject properties to leave information regarding the proposal including staff contact information. To-date, staff has received no calls with either questions or concerns. CPC also visited and spoke to representatives at the Michigan Teamster's Joint Council main office. Subsequently, a phone call was held with the president of the Teamster's Joint Council to describe the proposal and answer questions. CPC also directed the developer to speak to the Teamsters regarding their proposal. This has since taken place.

A CPC public hearing was held on August 6, 2020. The developer spoke to all questions raised by the Commission. No members of the public spoke in favor or opposition to the proposed map amendment.

#### **ANALYSIS**

There is currently a Corktown Planning Study underway which may yield a large-scale rezoning proposal at the end of the planning study term. Right now, PDD has expressed that the proposed rezoning will not interfere with their current engagement process with the community.

The proposed development is a change from the single-family zoning development that has been allowed in this neighborhood. However, there is a large amount of vacant or unimproved parcels in the area. Similar to some other areas of the city, this project seeks to bring denser development than has been historically permissible, but at a relatively low scale.

While the developer does have a plan to build a multiple-family dwelling, it should be noted that no specific plans will be tied to the approval of the proposed rezoning. Some of the uses that are allowed by-right under the R3 zoning classification include, but are not limited to: boarding school and dormitory, child caring institution, religious residential facilities, shelter for victims of domestic violence, town homes, adult day care center, libraries, non-profit centers, and outdoor recreation facility.

While there are more intensive uses that would be allowed under this new zon-

ing classification, ultimately, PDD has the authority to review site plan applications through the site plan review process and take final action to approve, approve with conditions, or deny applications within the R3 district per Sec. 50-2-51 of the Zoning Ordinance. Essentially, there will be oversight on what can be developed at the subject site, even though an approval of a map amendment by this Honorable Body will allow all of the uses in the R3 district.

#### **APPROVAL CRITERIA**

Approval criteria for Planned Developments are outlined in Sec. 50-3-70, Approval Criteria of the Zoning Ordinance. There are eight criteria that the Zoning Ordinance sets forth for approval of a rezoning to PD.

(1) *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;*

The trend in demand happening in certain places around the city is for missing middle housing typologies in places that have historically been single- or two-family housing areas. There is a trend in these types of low-scale, higher density proposals. This development will allow for lower cost housing in an area where the cost of land and housing has seen a sharp increase. It will allow for a varied type of lifestyle in the neighborhood.

(2) *Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this chapter;*

The City Planning Commission deems this project consistent with the Master Plan based on the Master-Plan Zoning Table of the Master Plan of Policies. PDD will provide their interpretation of the proposal and staff will share with the City Council. In internal discussions, PDD has been supportive of the rezoning.

(3) *Whether the proposed amendment will protect the health, safety, and general welfare of the public;*

As provided for in the report, the R3 zoning classification, if approved, will allow for all of the by-right uses in the district. The conditional uses would be subject to a special land use hearing. Furthermore, the by-right uses are still subject to site plan review by PDD, which adds a layer of protection on what can be built. The development as proposed in drawings that have been provided is not considered to have an adverse impact on the health, safety and welfare of the public.

(4) *Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;*

Staff anticipates no hardship in public facilities and services being provided for the development.

(5) *Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water,*

soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;

Staff does not anticipate any adverse impacts on the natural environment from this rezoning or development.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

Staff does not anticipate any adverse impacts on surrounding properties due to this rezoning.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

The proposed zoning classification is suitable for this location in staffs opinion and according to the Master Plan.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Due to the CPC staff co-petitioning for the two additional parcels included in this rezoning and consistency with the Master Plan of Policies, staff does not anticipate that this would be considered an illegal spot zone.

**RECOMMENDATION**

After hearing all related details on the proposed rezoning, on August 6, the City Planning Commission voted to recommend approval of the subject map amendment. This recommendation to approve is now before Your Honorable Body for consideration.

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 COVID-19 Epi Lab Capacity Contact Tracing Testing Coordination Violation Monitoring Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 COVID-19 Epi Lab Capacity Contact Tracing Testing Coordination Violation Monitoring Grant for a total of \$2,755,800.00. There is no required match. The total project cost is \$2,755,800.00. The grant period is October 1, 2020 through September 30, 2021.

The objective of the grant is to support staff time and supplies associated with COVID-19 response efforts. This is a reimbursement grant. This grant will enable the department to pay for testing, tracing, case investigations, and enforcement activities.

If approval is granted to accept and appropriate this funding, the appropriation number is 20850.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

KATERLI BOUNDS

Director

Honorable City Council:

Re: Resolution Approving a Plant Rehabilitation District on behalf of 6600 MTE Holdings, LLC in the area of 6600 Mt. Elliott Street, Detroit, Michigan, in Accordance with Public Act 198 of 1974 (Petition #1328).

On October 8, 2020, a public hearing in connection with establishing a Plant Rehabilitation District was held before your Honorable Body's Planning and Economic Development Committee. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description which will establish a Plant Rehabilitation District in the area of 6600 Mt. Elliott Street Detroit, Michigan in accordance with Public Act 198 of 1974 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of the property.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 198 of Public Acts of 1974 ("Act 198"), this City Council has the authority to establish "Industrial Development Districts" and "Plant Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, 6600 MTE Holdings, LLC has requested that this City Council approve a Plant Rehabilitation District in the area of 6600 Mt. Elliott Street, Detroit, Michigan, the area being more particu-

larly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is in a duly designated business area, and is contiguous commercial property or commercial housing property; and

Whereas, Act 198 requires that, prior to approving a Plant Rehabilitation District, the City Council shall provide an opportunity for a hearing on the approval of the Certificate, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, Construction, acquisition, alternation, or installation of a proposed facility has not commenced at the time of filing the request to establish this district; and

Whereas, That the property comprising not less than 50 percent of the state equalized valuation of the property within the proposed Plant Rehabilitation District is obsolete;

Whereas, A public hearing was conducted before City Council on October 8, 2020 for the purpose of considering the establishment of the proposed Plant Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, That the Plant Rehabilitation District more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Public Act 198 of 1974.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

Honorable City Council:

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Petition on Behalf of Cass Parking Garage, LLC at 1009 Cass Avenue, Detroit MI 48226, Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition #: 1032).

On October 8, 2020, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All inter-

ested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Cass Parking Garage, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Cass Parking Garage, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on June 30, 2020 established by Resolution a Commercial Property Rehabilitation District in the area located at 1009 Cass Avenue, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more

of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of March 1, 2021 for the completion of the rehabilitation; and

Whereas, On October 8, 2020, in a publicly held electronic meeting via Zoom, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Cass Parking Garage, LLC for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2020 and the certificate expiring December 31, 2030, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than March 1, 2021, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's

Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the rehabilitation of two residential units located at 81 Petersboro Avenue, Units 26 and 27 in the Petersboro Charlotte Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received two applications requesting Neighborhood Enterprise Zone (NEZ) certificates forwarded from

the office of the City Clerk for the rehabilitation of two residential units located at 81 Petersboro Avenue, Units 26 and 27. These applications correspond to a qualified site which will accommodate the rehabilitation of two rental units within an existing three-story building (aka James Scott Manson). The proposed project will consist of the total rehabilitation of 27 apartment units. The applications before Your Honorable Body for consideration are only for two of the twenty-seven units. This project is among the last taken on by Mr. Joel Landy before his passing this summer.

The subject property has been confirmed as being within the boundaries of the Petersboro Charlotte NEZ which was established by a vote of Council on November 7, 2001, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost for the residential components of the project is approximately \$200,000 per unit. The applicant is seeking a 17-year tax abatement, given the historic designation of the property. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

These applications correspond to a qualified site which will accommodate the rehabilitation of the multi-family residential building. The proposed projects will consist of the total rehabilitation of 70 rental apartment units in the Heather Hall Apartment Building as well as some exterior modifications and improvements.

The rehabilitation is expected to include limestone repair, facade/lentil work, & new windows. Each unit being renovated will include new flooring, kitchens (excluding appliances\*), & bathrooms. Lobby renovations will consist of new millwork, elevator work, and security/intercom system installation. Hallway updates will consist of new lighting and new doors. Additional updates include mechanical, electrical, and plumbing throughout the building.

The overall unit count in the building will be 50 studios and 20 one-bedroom apartments. There five studio apartment units and two one-bedroom units on each floor. The owner will offer approximately 7 affordable units in the overall building at rents affordable to those with income not greater than 60% of the Area Median Income.

The affordable units are expected to be spread approximately among the studio and one bedroom units throughout various floors of the building. Of these units, 12 current tenants who have reported that they are on fixed income of less than \$40,000/year and are not students ("legacy tenants") will be allowed to return to the building after completion of the building rehabilitation with rents based upon a formula provided in an Affordable Housing Agreement between the applicant and the City of Detroit.

The subject property has been confirmed as being within the boundaries of the GW 1 Cass NEZ which was established by a vote of Council on July 15, 2020, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated con-

struction cost for the respective projects is approximately \$83.744 per unit. The applicants are seeking a 15-year tax abatement. The NEZ certificate applications appears to have been submitted prior to the issuance of any applicable building permits.

Resolved, The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Jeffrey Sanders vs. City of Detroit, Department of Transportation, Wayne County Circuit Court

Case No. 19-003803 NF, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiff shall recover a minimum amount of Zero Dollars (\$0.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of Ninety Thousand Dollars (\$90,000.00).

3. Any award under \$90,000.00 shall be interpreted to be in the amount of \$750,000.00. Any award in excess of \$90,000.00 shall be interpreted to be in the amount of \$90,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about March 25, 2018 at Warren near Eastlawn; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$90,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Jeffrey Sanders and his attorneys, Applebaum & Stone PLC, in the amount of the arbitrators' award, but said draft may not be less than Zero Dollars (\$0.00) and shall not exceed Ninety Thousand Dollars (\$90,000.00).

Honorable City Council:

Subject: Request to Amend the Official Compensation Schedule.

Recommendation is submitted to amend the 2020-2021 Official Compensa-

tion Schedule to include the pay range for the following classification:

**Class Code Classification**  
22-20-30 Clinical Operations Manager

**Salary Range**  
\$72,833-\$101,967

The above recommendation is at the request of Chrisanthia Westbrook. Operations Manager — Health and Angelique Rodriguez. Director of Operations — Health, based on the current operational needs of the Detroit Health Department (DHD).

The Clinical Operations Manager is needed to provide first level clinical management and all day to day operations of the COVID-19 rapid testing site as well as the quarantine and isolation shelter. The Clinical Operations Manager will run these two sites with the overall clinical direction and goals provided by the Nursing Director. Certification as a Nurse Practitioner (NP) is required as the Clinical Operations Manager may have to step into clinical nursing activities as needed, a requirement not needed for any existing jobs considered to be a similar level within DHD.

To determine the appropriate salary range for the classification, a market study was conducted by Classification and Compensation using data from external survey sources. The proposed salary is essential for recruitment purposes, has been deemed internally equitable, and is based on the City of Detroit's ability to fund the increase. The proposed salary recommendation is subject to City Council approval.

Respectfully submitted,

Re: Implementation of Rescission of Wage and Step Increases and/or Bonus Payments Scheduled for July 1, 2020 through June 30, 2021 for the Foreman's Association of American – Non Supervisory (FAA – Non-Supervisory)

The unprecedented events surrounding the COVID-19 pandemic has caused an economic and financial crisis throughout the United States, Michigan, and the City of Detroit (City).

The City's revenue collections have suffered due to COVID-19. Specifically, the City is facing a projected \$154 Million revenue shortfall for this fiscal year and a projected \$194 Million revenue shortfall for fiscal year 2021. The City recognizes the sacrifices of its employees who have taken reductions in hours and layoffs. The parties recognize the need for additional savings from its full time employees to balance the budget and to avoid State of Michigan oversight.

Labor Relations presented a written proposal to the FAA – Non-Supervisory for the elimination of economic increases negotiated beginning July 1, 2020; and based on mutual consideration, the 2019 – 2023 Collective Bargaining Agreement (CBA) has been amended.

- I. Extension of 2019-2023 Master Agreement
- II. Wages
- III. Health Care

Therefore, in accordance with standard City procedure, the Labor Relations Division respectfully requests that your Honorable Body pass a resolution which approves the specified changes.

Honorable City Council:

Re: Implementation of Rescission of Wage and Step Increases and/or Bonus Payments Scheduled for July 1, 2020 through June 30, 2021 for the International Union of Operating Engineers, Local 324 – Park Management (IUOE, Local 324 – Park Management).

The unprecedented events surrounding the COVID-19 pandemic has caused an economic and financial crisis throughout the United States, Michigan, and the City of Detroit (City).

The City’s revenue collections have

suffered due to COVID-19. Specifically, the City is facing a projected \$154 Million revenue shortfall for this fiscal year and a projected \$194 Million revenue shortfall for fiscal year 2021. The City recognizes the sacrifices of its employees who have taken reductions in hours and layoffs. The parties recognize the need for additional savings from its full time employees to balance the budget and to avoid State of Michigan oversight.

Labor Relations presented a written proposal to the IUOE, Local 324 – Park Management for the elimination of economic increases negotiated beginning July 1, 2020; and based on mutual consideration, the 2019-2023 Collective Bargaining Agreement (CBA) has been amended.

- I. Extension of 2019-2023 Master Agreement
- II. Wages
- III. Health Care

Therefore, in accordance with standard City procedure, the Labor Relations Division respectfully requests that your Honorable Body pass a resolution which approves the specified changes.

We further request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,

Honorable City Council:

Re: Request to Accept and Appropriate a Sub-award of the 2018 and 2019 Operation Stonegarden Grant.

The Wayne County Homeland Security Emergency and Management Department has awarded the City of Detroit Police Department with a sub-award of the 2018 and 2019 Operation Stonegarden Grant (OPSG). The total amount for 2018 OPSG is \$38,400.00 and the total amount for 2019 OPSG is \$31,935.00. The 2018 OPSG was adopted in the FY 2019 budget in the amount of \$10,000.00. The grant was awarded at a higher amount than was budgeted. We are asking for an increase in appropriation 20448, in the amount of \$28,400.00, in order to reflect the total project cost of \$38,400.00. There is no match requirement for this grant.

The objective of the grant is to support enhanced cooperation and coordination among local law enforcement agencies in a joint mission to secure the United States borders. The funding allotted to the department will be utilized to pay for overtime expenses associated with border security response activities.

If approval is granted to accept and appropriate this funding, the appropriation number is 20448 for the 2018 OPSG allocation. Appropriation number 20845 will be used for the 2019 OPSG allocation.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Chairperson

By Council Member Benson:

Resolved, That subject to the approval of the concerned departments, permission be and is hereby granted to The Parade Company (#1331), request to install 50 banners on Woodward Ave. between John R St. and Jefferson Ave. from November 2, 2020 to November 27, 2020 in order to commemorate the 2020 America's Thanksgiving Parade.

Provided, That the banners are erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for, a traffic control device, or which attempts to direct the movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which may be construed to advertise, promote the sales of or publicize any merchandise or commodity or to be political in nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That banners are placed on Public Lighting Department poles as not to cover traffic control devices, and further

Provided, That banners are installed under the rules and regulations of the concerned departments, and further

Provided, That petitioner assumes full responsibility for installation and removal of the banners, and further

Provided, That such permission is

granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Re: Petition No. 1164 — Grand Lahser LLC request to outright vacate the public alley bounded by Grand River Avenue, Redford Avenue, and Lahser Avenue.

Petition No. 1164 — Grand Lahser LLC request to outright vacate the public alley bounded by Grand River Avenue, 120 Ft. wide, Redford Avenue, 66 Ft. wide, and Lahser Avenue, 66 Ft. wide. Said alley having been vacated and converted to a utility easement per the Redford Board Proceedings dated 1924-1925, pages 8 & 19.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to clarify ambiguous language used in the 1924-1925 vacation.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Resolved, All of the public alley bounded by Grand River Avenue, 120 Ft. wide, Redford Avenue, 66 Ft wide, and Lahser Avenue, 66 Ft. wide, further described as land in the City of Detroit, Wayne County, Michigan being: All that part of the east-west public alley, 12 ft. wide, lying southerly of and abutting the

south line of lots 8 & 9, both inclusive, and lying northerly of and abutting the north line of lots 2 through 7, both inclusive, all in the "A.P. McIntyre's Allotment of Part of the S.E. 1/4 of Section 9 Redford Village T.I.S.R.10 E Wayne CO. Mich" as recorded in Liber 33, Page 72 of Plats, Wayne County Records.

Be and the same are hereby vacated (outright) as public rights-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services, and further

Provided, That the petitioner/property

owner acknowledges that DWSD relinquishes all responsibility for underground sewers, if any, and further

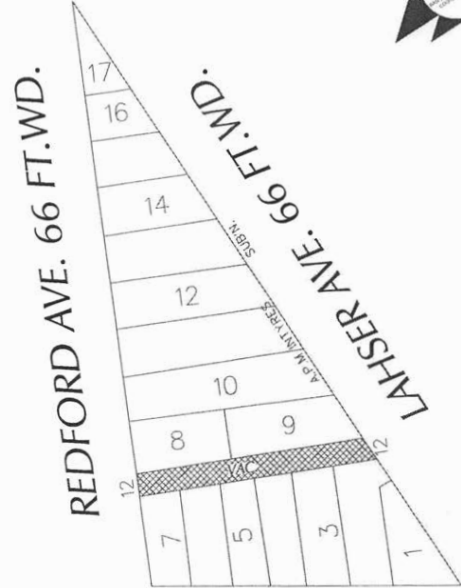

Provided, That the petitioner/property owner bear the entire cost of any modification to the sewer, in any, including costs related to construction, demolition, permitting, inspection, and survey, and further

Provided, That any construction in the public rights-of-way such as curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Re: Petition No.1293 — ODM Parking Properties, LLC, request to vacate and convert to easement the public alley between Clifford Street and Park Avenue, bounded by Montcalm Street and Fisher Freeway Service Drive.

Petition No. 1293 – ODM Parking Properties, LLC request to vacate and convert to easement the public alley between Clifford Street (60 ft. wide) and Park Avenue (60 ft. wide), bounded by Montcalm Street (50 ft. wide) and Fisher Freeway Service Drive.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made for the construction of a parking owned by ODM Parking Properties, LLC.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

By Council Member Benson:  
City Engineering Division — DPW

Resolved The public alley between Clifford Street (60 ft. wide) and Park Avenue (60 ft. wide), bounded by Montcalm Street (50 ft. wide) and Fisher Freeway Service Drive, further described as land in the City of Detroit, Wayne County, Michigan being: All of the east-west alley (15 ft. wide) lying northerly of and adjoining lots 28 through 36, and lying southerly of and adjoining lot 57 through 65 of "Lothrop's Subdivision of Park Lot 83 and Part of Park Lot 82" as recorded in Liber 39 Page 430 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the owners of the high-rise structure located at 2305 Park Avenue and the adjacent parcel to the west known as 120 West Montcalm a perpetual access easement over the east 200 ft. of the described alley, full width, for the purposes of allowing waste removal services, loading, and other business functions.

Second, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Third, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Fourth, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fifth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all

costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Sixth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**City Planning Commission**

October 8, 2020

Honorable City Council:

Re: Request of Thomas Group Consulting and Parkstone Development Partners to amend Article XVII, District Map No. 63 of the 2019 Detroit City Code, Chapter 50, Zoning, by defining the legal boundaries of the B1 (Restricted Business District) zoning classification and the B4 (General Business District) zoning classification on one (1) parcel commonly identified as 18520 West Seven Mile Road, generally bounded by Vassar Avenue to the north, Glastonbury Avenue to the east, W. Seven Mile Road to the south and Greenview Avenue to the west. (RECOMMEND APPROVAL)

**RECOMMENDATION**

The City Planning Commission (CPC) staff is submitting this supplemental report for your review and consideration in regards to the amendatory ordinance to define the legal boundaries of the B1 and B4 zoning classifications, previously approved by your Honorable Body, associated with the rezoning request of Thomas Group Consulting and Parkstone Development Partners to amend District Map No. 63. The CPC recommends approval.

**BACKGROUND**

The previously approved map amendments were requested to allow for the establishment of a "store of a generally recognized retail nature whose primary business is the sale of new merchandise" along the W. Seven Mile Road frontage and to allow for the establishment of a "governmental service agency" on the balance of the site located at 18520 W. Seven Mile Road. At the time of Council's initial approval of this request, the defined boundaries of the B1 and B4 zoning classifications were not specified, nor defined in accordance with standard zoning practices or legal requirements. This error was brought to the Commission's attention and is being submitted to the City Council for a rehearing in this regard.

Because a change to Zoning Map No. 63 is required showing the legally defined separation between the B1 and B4 zoning classifications; a substantial enough change has been made from what was previously published in the Detroit Legal News, necessitating the need for this rehearing.

A copy of the Commission's initial report and recommendation is attached for reference, along with the revised ordinance approved-as-to-form by the Law Department.

Re: Request to Accept and Appropriate the FY 2021 Detroit DUI & Seat Belt Overtime Traffic Enforcement Grant.

The Michigan Office of Highway Safety Planning has awarded the City of Detroit Police Department with the FY 2021 Detroit DUI & Seat Belt Overtime Traffic Enforcement Grant for a total of \$187,851.00. There is no match requirement for this grant. The total project cost is \$187,851.00. The grant was adopted in the FY 2021 budget in the amount of \$154,034.00. The grant was awarded at a higher amount than was budgeted. We are requesting to increase appropriation 20736, in the amount of \$33,817.00, in order to reflect the total project cost of \$187,851.00.

The objective of the grant is to increase traffic safety in the City of Detroit. The funding allotted to the department will be utilized to cover overtime costs to officers in order to increase traffic enforcement. This is a reimbursement grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

**Planning and Development Department**

October 7, 2020

Honorable City Council:

Re: Revised — Property Sale of 20110 Woodward, Detroit, MI Request for Authorization to Amend 2020-21 Budget.

The City of Detroit ("City"), through its Planning and Development Department ("P&DD"), has received an offer from State Fair Partners, LLC ("Purchaser"), a Delaware limited liability company, to purchase certain City-owned real property at 20110 Woodward (the "Property"), formerly known as the Michigan State Fairgrounds, for the purchase price of Sixteen Million and 00/100 Dollars (\$16,000,000.00) ("Purchase Price").

The Purchaser proposes to initially redevelop an approximately 78-acre portion of the Property into a new 3.8 million square-foot anchor tenant facility to be used by Amazon as a distribution center. It is anticipated that this proposed use of the Property will bring approximately 1,200 new jobs to Detroit. The remainder of the Property will be redeveloped into potential spaces for automotive industry suppliers or other light industrial uses that create additional jobs at the Property. Currently, the Property is within a B4 zon-

ing district (General Business District). The Purchaser's proposed use of the Property will be consistent with the allowable uses for which the Property is zoned, however it is anticipated that the Purchaser may eventually seek a rezoning of the Property for any proposed future uses that are inconsistent with the current zoning. The City has committed to conducting two public meetings within the community before any conditional land use or rezoning hearings will be approved for uses on the remainder of the Property. Furthermore, the City will conduct a health assessment of the Property that includes air quality baseline testing, so that results can be made available should any future industrial uses be proposed on the Property.

To improve the passenger experience of bus riders and serve the transportation needs of the area, the City has proposed to design and construct a new state-of-the-art transit center ("Transit Center") to replace the current one on Woodward Avenue. Design and construction of the new Transit Center will be completed by the Detroit Building Authority ("DBA") under an agreement that will be brought before this Honorable Body for separate approval. The City will work with the Purchaser to design and construct certain dedicated interior roadways within the Property that utilize complete streets standards and that provide pedestrian and non-motorized connections to the Transit Center. Such connections will also be studied and, if appropriate, the City will encourage the creation of other pedestrian and non-motorized connections elsewhere within the Property. Additionally and as part of the demolition and environmental remediation work required for the new Transit Center, the City will conduct a 3-month feasibility study of certain historic structures that may require demolition.

In addition to the new Transit Center, the City's General Services Department has committed to undertaking two park improvement projects within the surrounding communities of the Property by either rehabbing an existing park or constructing a new park near the Property with bond funds to be borrowed in 2020 for public park improvements.

To support capital projects, the City requests that the Fiscal Year 2020-2021 Budget be amended for Appropriation No. 20507 — Capital Projects to accept and appropriate for expenditure Fourteen Million and 00/100 Dollars (\$14,000,000.00) of the Purchase Price. The City plans to use capital funding to support the design and construction of the new Transit Center (estimated at \$7,000,000.00), to reimburse the City Capital Project Fund for the initial Property acquisition payment made to the State of Michigan Land Bank Fast Track

Authority (“MLBFTA”) (\$3,500,000.00) and to make the final Property acquisition payment to the MLBFTA (\$3,500,000.00). The Property acquisition payments are consistent with the resolution approved by Detroit City Council on July 24, 2018 that approved the City’s acquisition of the Property.

The remaining Two Million and 00/100 Dollars (\$2,000,000.00) of the Purchase Price will be accounted for as surplus land sale revenue. With each recommended budget, the Office of Budget completes a reconciliation procedure as determined by the Deputy CFO/Budget Director to determine the appropriation to the Detroit Affordable Housing Development and Preservation Fund in accordance with Sec. 22-3-7(c) of the 2019 Detroit City Code.

We hereby request that your Honorable Body adopt the attached resolution to: (1) authorize the P&DD Director to execute a quit claim deed, Agreement of Purchase and Sale, and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser and (2) amend the Fiscal Year 2020-2021 Budget for Appropriation No. 20507 to accept and appropriate a portion of the Purchase Price for capital projects, and (3) authorize the City to pay the balance owed to the MLBFTA for the Property.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director  
TANYA STOUDEMIRE  
Deputy CFO/Budget Director

By Council Member Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves the sale of certain real property at 20110 Woodward, Detroit, MI (the “Property”), as more particularly described in the attached Exhibit A incorporated herein, to State Fair Partners, LLC (“Purchaser”), a Delaware limited liability company, or its affiliates, for the purchase price of Sixteen Million and 00/100 Dollars (\$16,000,000.00) (the “Purchase Price”); and be it further

Resolved, That the final legal description of the Property to be sold to Purchaser pursuant to this resolution may be reduced at the discretion of the Director of the Planning and Development Department (“P&DD”), or his authorized designee, by a certain identified area of real property that will be retained by the City of Detroit (“City”) for the City’s construction and operation of a new transit center (“Transit Center”); and be it further

Resolved, That any such reduction in the final legal description of the Property to be sold to Purchaser shall not reduce the Purchase Price. The Purchase Price shall be Sixteen Million and 00/100 Dollars (\$16,000,000.00) regardless of the size of the final legal description of the Property; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to

execute a quit claim deed, Agreement of Purchase and Sale, and such other documents as may be necessary or convenient to effect the transfer of the Property to Purchaser consistent with this resolution; and be it further

Resolved, That the Fiscal Year 2020-2021 Budget is hereby amended for Appropriation No. 20507 — Capital Projects to accept and appropriate Fourteen Million and 00/100 Dollars (\$14,000,000.00) of the Purchase Price to support capital projects, such as the Transit Center, land acquisition or other capital projects; and be it further

Resolved, That the City is hereby authorized to pay the State of Michigan Land Bank Fast Track Authority (“MLBFTA”) Three Million Five Hundred Thousand and 00/100 Dollars (\$3,500,000.00) from Appropriation No. 20507 — Capital Projects (“Balance Amount”) to cover the remaining balance owed on the City’s acquisition of the Property pursuant to that certain separate resolution approved by Detroit City Council on July 24, 2018; and be it further

Resolved, That for clarification purposes, the Purchase Price revenue will be allocated by the City as follows:

1. \$14,000,000.00 accepted and appropriated in Appropriation No. 20507 — Capital Projects;
2. \$2,000,000.00 accepted in Appropriation No. 00014 — HRD Community Development as surplus land sale proceeds.

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular portions of the Property) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it further

Resolved, That the quit claim deed and Agreement of Purchase and Sale will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form; and be it further

Resolved, That upon the City’s receipt of the Purchase Price, the Office of the Chief Financial Officer is hereby authorized to pay the Balance Amount to the MLBFTA; and be it further

Resolved, That the City’s General Services Department (“GSD”) shall initiate two park improvements projects within the surrounding communities of the Property; and be it further

Resolved, That the City will allow a 3-month period for a feasibility study of those certain buildings known as the Dairy Cattle Building, Coliseum and Agriculture Building (Joe Dumars Fieldhouse) prior to the demolition of any such buildings to make way for the Transit Center, enabling advocates, P&DD and the DBA to evaluate potential reuse or relocation of those buildings; and be it further

Resolved, That the City will conduct a health assessment consisting of the following: (1) air quality baseline testing in and around the Property prior to completion of the first phase of construction on the Property and subsequent to the start of operations, so that results can be made available should any future industrial uses be proposed on the Property that are in addition to the proposed new Amazon distribution center contemplated for the Property, and (2) verify the accuracy of the existing sound and lighting assessments based on the actual conditions of operations; and be it further

Resolved, That the City will work with the Purchaser to design and construct certain dedicated interior roadways within the Property that utilize complete streets standards and that provide pedestrian and non-motorized connections to the Transit Center. Further, the City will work with the Purchaser to study such connections and, if appropriate, encourage the creation of other pedestrian and non-motorized connections elsewhere within the Property; and be it further

Resolved, That upon notification by the City's Buildings, Safety Engineering and Environmental Department ("BSEED"), P&DD or GSD of an administrative hearing, or a Board of Zoning Appeals ("BZA") proceeding or a City Planning Commission ("CPC") proceeding for a land use or rezoning proceeding for the Property related to future uses of the Property that are in addition to use for an Amazon distribution center, the City will: (1) host up to two community meetings total if any such hearing or proceeding is requested and (2) at such community meetings, solicit community input and present industrial buffering methods, which the City will recommend to BSEED, BZA or the CPC if an applicant seeks applicable land use or rezoning approvals for the Property; and be it finally

Resolved, That the Office of the Chief Financial Officer be and it hereby authorized to increase the necessary accounts and honor expenditures and vouchers, when presented in accordance with this resolution and standard City procedures.

Honorable City Council:

Re: Property Sale: 4635 W. Grand River, 4629 W. Grand River, 4619 W. Grand River, 2223 W. Forest, 4499 14th St., 4493 14th St., 4479 14th St. and 4473 14th St.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Designing Justice + Designing Spaces, a California Non-Profit Corporation (the "Purchaser"), to purchase certain City-owned real property at 4635 W. Grand River, 4629 W. Grand River, 4619 W. Grand River, 2223 W. Forest, 4499 14th St., 4493 14th St., 4479 14th St. and 4473 14th St. (the "Property") for the purchase price of Two Hundred Fifteen Thousand and 00/100 Dollars (\$215,000.00).

Purchaser proposes to construct additional office space adjacent to their property at 4731 Grand River. Currently, the property is within a B4 zoning district (General Business District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 4635 W. Grand River, 4629 W. Grand River, 4619 W. Grand River, 2223 W. Forest, 4499 14th St., 4493 14th St., 4479 14th St. and 4473 14th St., Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Designing Justice + Designing Spaces, a California Non-Profit Corporation (the "Purchaser") for the purchase price of Two Hundred Fifteen Thousand and 00/100 Dollars (\$215,000.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other

such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Twelve Thousand Nine Hundred and 00/100 Dollars (\$12,900.00) shall be paid to the DBA from the sale proceeds, 2) Ten Thousand Seven Hundred Fifty and 00/100 Dollars (\$10,750.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

**Planning and Development Department**

October 9, 2020

Honorable City Council:

Re: Authorization to Acquire Real Property from NSO Properties 3430 and 3436 Third, Detroit, MI.

On November 26, 2019, your Honorable Body adopted a resolution authorizing the sale by development agreement of 269, 281 and 291 Winder and 2515 Brush, Detroit, MI (the "Sale Properties") to MHT Housing, Inc. (the "Purchaser") to construct a mixed-use development with approximately 60-80 affordable rental units. Such resolution allowed for the purchase price to be either: (1) One Million and 00/100 Dollars (\$1,000,000.00) or (2) certain real property at 3430 and 3436 Third ("Acquisition Properties") that Purchaser has an assignable option to acquire. Further, such resolution required the City, if it were to accept the Acquisition Properties in exchange for the Sale Properties, to first: (1) conduct an assessment of the Acquisition Properties and (2) seek additional approvals from Detroit City Council consistent with Chapter 2, Article VI, of the Detroit City Code.

The Acquisition Properties have received the requisite environmental assessments.

Such assessments were reviewed by the City's Buildings, Safety Engineering and Environmental Department.

In anticipation of closing on the Sale Properties, the City, through its Planning & Development Department ("P&DD"), wishes to accept the Acquisition Properties in exchange for the Sale Properties. Once acquired, the Acquisition Properties will be held for public purposes and/or marketed for sale with other immediately adjacent City-owned properties at 3458 Third and 708 Peterboro. We feel that the acquisition may allow the opportunity for a new mixed-use residential development on a site that is currently vacant and underutilized. The Acquisition Properties are within a B4 zoning district (General Business District) and SD2 zoning district (Special Development District, Mixed-Use).

We, therefore, hereby request that your Honorable Body adopt the attached resolution to authorize the acquisition of the Acquisition Properties in exchange for the Sale Properties.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

WHEREAS, On November 26, 2019, your Honorable Body adopted that certain resolution ("Prior Resolution") that approved the sale by development agreement of certain City of Detroit ("City") property at 269, 281 and 291 Winder and 2515 Brush, Detroit, MI (the "Sale Properties") to MHT Housing, Inc. ("Purchaser"), a Michigan nonprofit corporation, for the purchase price of either: (1) One Million and 00/100 Dollars (\$1,000,000.00) or (2) certain real property at 3430 and 3436 Third (together the "Acquisition Properties"), as more particularly described in the attached Exhibit A incorporated herein; and

Whereas, Such resolution required that in order for the City to accept the Acquisition Properties, the City must first: (1) conduct an environmental inquiry of the Acquisition Properties and, if required an environmental assessment, as reviewed by the Buildings, Safety Engineering and Environmental Department and (2) seek additional approvals and findings by Detroit City Council consistent with Chapter 2, Article VI, of the Detroit City Code; and

Whereas, The Building Safety Engineering and Environmental Department ("BSEED") has reviewed the environmental assessments conducted for the Acquisition Properties; and now therefore be it

Resolved, That in accordance with Chapter 2, Article VI of the Detroit City Code: (1) the City Council finds that the Acquisition Properties have received appropriate environmental inquiry and assessment in accordance with the

review referred to in the preceding paragraph and that the Acquisition Properties are determined to be a "facility"; (2) City Council finds and declares that despite the presence of environmental contamination at the Acquisition Properties, acquisition of the Acquisition Properties is necessary to promote the health, safety and welfare of the public; (3) City Council finds and declares that the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and assessment, and therefore, waives the requirement that the seller bear the cost of the environmental inquiry and assessment; and (4) the Planning & Development Department ("P&DD") shall prepare a Baseline Environmental Assessment ("BEA") with required field work within 45 days of the City's acquisition of the Acquisition Property. Such BEA shall be filed with the Michigan Department of Environment, Great Lakes and Energy within 6 months of the City's acquisition of the Acquisition Property; and be it further

Resolved, That Detroit City Council hereby approves acquisition of the Acquisition Properties in exchange for transfer of the Sale Properties to Purchaser in further accordance with the Prior Resolution and this resolution; and be it further

Resolved, That the P&DD Director, or his authorized designee, be and is hereby authorized to accept and record a deed to the City of Detroit for the Acquisition Properties, as well as execute any such other documents as may be necessary to effectuate transfer of the Acquisition Properties to the City of Detroit; and be it further

Resolved, That the legal description of the Sale Properties to be transferred to Purchaser as given in the Prior Resolution may be reduced at the discretion of the P&DD Director, or his authorized designee, by a certain identified area of real property within 269 Winder that will be transferred to another party pursuant to a separate resolution of Detroit City Council; and be it further

Resolved, That the quit claim deed to the City for the Acquisition Properties shall note consideration equal to and presumed to be the true cash value of the Acquisition Properties as determined by the City's Assessor; and be it further

Resolved, That the quit claim deed to the Purchase for the Sale Properties shall note consideration equal to and presumed to be the true cash value of the Sale Properties as determined by the City's Assessor, with such amount adjusted on a per square foot basis for any reductions in the legal description as allowed for by this resolution; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amend-

ments or changes to the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the transfers of the Acquisition Properties and Sale Properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deeds will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Property Sale: 7329 and 7355 W. McNichols.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from 7303 West McNichols LLC, a Michigan Limited Liability Company (the "Purchaser"), to purchase certain City-owned real property at 7329 and 7355 W. McNichols (the "Property") for the purchase price of Ten Thousand and 00/100 Dollars (\$10,000.00).

The two properties are adjacent and consist of a 3800 square foot building and a 900 square foot building situated on approximately 14000 total square feet of land. The Purchaser proposes to incorporate the properties into their construction of a mixed use development comprised of commercial space with approximately twenty eight (28) affordable and market

rate residential rental units. Currently, the property is zoned B2 (Local Business and Residential District).

This use is permitted conditionally in a B2 zone. The Purchaser shall apply for and obtain conditional use approval for the development prior to the closing and consummation of the sale. Any use of the Property shall be consistent with the allowable uses for which it is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee, to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to the Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 7329 and 7355 W. McNichols, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to 7303 West McNichols LLC, a Michigan Limited Liability Company (the "Purchaser") for the purchase price of Ten Thousand and 00/100 Dollars (\$10,000.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) Five Hundred 00/100 Dollars (\$500.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the sub-

stance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

October 9, 2020

Honorable City Council:

Re: Termination of Winder Square at Brush Park Condominium/Transfer of a Portion of 269 Winder.

The City of Detroit ("City") and Charter Oak Homes, Inc. entered into a Development Agreement for the purchase and development of certain property now known as the Winders Square at Brush Park that was established as a Michigan statutory condominium project per Wayne County Condominium Plan No. 895 by recording a Master Deed (the "Master Deed") in Liber 43963, Page 249 through 333, Wayne County Records (the "Condominium Project").

The Condominium Project consists of two (2) condominium units, "Unit 1" and "Unit 2" respectively, as shown on the Condominium Project subdivision plan. Unit 1 is owned by Joshua Scott Gershonowicz ("Co-owner") and Unit 2 is owned by the City. The City acquired Unit 2 from the Wayne County Treasurer through tax foreclosure.

The City desires to now sell Unit 2 to MHT Housing, Inc., a Michigan nonprofit corporation, as well as other adjacent City-owned properties for construction of a mixed-use development that includes 60-80 affordable housing units. In order to address title issues that preclude such sale, the City desires to waive, vacate and terminate the Condominium Project as established and revert the appropriate

property to the Co-owner and City in accordance with the attached resolution and the MCL 559.151 of the Condominium Act.

Further, in consideration for agreeing to termination of the Condominium Project, Co-owner has asked for transfer of the western 6 feet of the City's Unit 2, which comprises a portion of grass area adjacent to the Co-owner's current home driveway ("Transfer Property").

We, therefore, hereby request that your Honorable Body adopt the attached resolution to: 1) authorize the termination of the Condo Project and 2) transfer the Transfer Property to Co-owner.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, The City of Detroit ("City") and Charter Oak Homes, Inc. entered into a Development Agreement for the purchase and development of certain property now known as the Winders Square at Brush Park that was established as a Michigan statutory condominium project per Wayne County Condominium Plan No. 895 by recording a Master Deed (the "Master Deed") in Liber 43963, Page 249 through 333, Wayne County Records (the "Condominium Project"), as amended and as further detailed in the attached Exhibit A incorporated herein by reference (the "Condominium Project Documents"); and

Whereas, The Condominium Project consists of two (2) condominium units, "Unit 1" and "Unit 2" respectively, as shown on the Condominium Project Documents and subdivision plan. Unit 1 is owned by Joshua Scott Gershonowicz ("Co-owner") and Unit 2 is owned by the City; and

Whereas, The City and Co-owner desire to waive, vacate and terminate the Condominium Project as established and revert the appropriate property to the Co-owner and City in accordance with this resolution and the MCL 559.151 of the Condominium Act (the "Act"); and

**EXHIBIT "A"**  
**Winders Square at Brush Park**  
**BYLAWS**  
**ARTICLE I ASSOCIATION**  
**OF CO-OWNERS**

Winders Square at Brush Park is a Condominium Project located in the City of Detroit, Wayne County, Michigan intended for residential. The Condominium shall be administered by an Association of Co-owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administra-

tion of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Bylaws referred to in the Master Deed and required by Section 3(8) of the Act and the Bylaws provided for under the Michigan Nonprofit Corporation Act, Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged, or transferred in any manner except as an appurtenance to his Unit The Association shall keep current

copies of the Master Deed, all amendments to the Master Deed, and other Condominium Documents for the Condominium Project available at reasonable hours to Co-owners, prospective purchasers, mortgagees, and prospective mortgagees of Units in the Condominium Project. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any Interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents,

## **ARTICLE II ASSESSMENTS**

All expenses arising from the management, administration, and operation of the Association, in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act, shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

Section 1. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, any policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) Budget; Regular Assessments. The Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year that may be required for the proper operation, management, and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular payments as set forth in Section 2(d) below rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual budget on a noncumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular project, the Association of Co-own-

ers should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Association, copies of the budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget. The annual assessments as so determined and levied shall constitute a lien against all Units as of the first day of the fiscal year to which the assessments relate. Failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish such lien or the liability of any Co-owner for any existing or future assessments. Should the Association at any time decide, in its sole discretion: (1) that the assessments levied are or may prove to be insufficient (a) to pay the costs of operation and management of the Condominium, (b) to provide replacements of existing Common Elements, (c) to provide additions to the Common Elements not exceeding \$2,500.00 annually for the entire Condominium Project, or (2) that an emergency exists, the Association shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Association also shall have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 3 hereof. The discretionary authority of the Association to levy assessments pursuant to this subparagraph shall rest solely with the Association for the benefit of the members thereof, and shall not be enforceable by any creditors of the Association or of the members thereof.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Association from time to time and approved by the Co-owners as hereinafter provided to meet other requirements of the Association, including, but not limited to: (2) assessments for additions to the Common Elements of a cost exceeding \$2,500.00 for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 5 hereof, (3) assessments to purchase a Unit for use as a resident manager's Unit, or (4) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph (b) (but not including those assessments referred to in subparagraph 2(a) above, which shall be levied in the sole discretion of the Association) shall not be levied without the prior approval of more than 60% of all Co-owners. The authority

to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or of the members thereof.

(c) Co-Owner Charges. Sums chargeable to a Co-owner by the Association for the costs of maintenance and/or repair of the Common Elements, insurance deductibles, including collection and late charges, attorney fees, fines, and any other charges or fees provided under the Condominium Documents which is intended to be charged or assessed to individual Unit Co-owners shall be levied to the Co-owner with the prior approval of the Board of Directors. The authority of the Board to separately assess Co-owners pursuant to this paragraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof. Sums chargeable to a Co-owner under this paragraph shall be subject to the provisions of the Master Deed governing Assessments, Including but not limited to Penalties for Default, Liens for Unpaid Assessments and Enforcement, however excluding Section 2(d) provisions governing apportionment.

(d) Apportionment of Regular and Special Assessments. All assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners In accordance with each CO-owner's proportionate share of the expenses of administration as provided in Article V, Section 2 of the Master Deed and without Increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit except as otherwise specifically provided In the Master Deed. Annual assessments as determined in accordance with Article II, Section 2(a) above shall be payable by Co-owners in periodic Installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means.

(e) Initial Working Capital Account. To establish an initial working capital account for the Condominium, a first purchaser of a Condominium Unit from the Developer, at the time of closing, shall pay to the Association a sum equal to two (2) monthly assessment installments, which sum shall be non transferable and nonrefundable.

Section 3. Developer's Responsibility for Assessments. During the Construction and Sales Period as defined in the Master Deed, the Developer of the Condominium, even though a member of the Association, shall not be responsible for payment of the monthly Association

assessment. The Developer, however, shall during the Construction and Sales Period pay a proportionate share of the Association's current maintenance expenses actually incurred from time to time based upon the ratio of Completed Units owned by Developer at the time the expense is Incurred to the total number of Units that may be created in the Condominium. In no event shall Developer be responsible for payment, during the Construction and Sales Period, of any assessments for deferred maintenance, reserves for replacement, for capital improvements or other special assessments, except with respect to Occupied Units owned by it. Developer shall not be responsible at any time for payment of said monthly assessment or payment of any expenses whatsoever with respect to Units not completed notwithstanding the fact that such Units not completed may have been included in the Master Deed. Further, the Developer shall In no event be liable for any assessment levied in whole or in part to purchase any Unit from the Developer or to finance any litigation or other claims against the Developer, any cost of Investigating and preparing such litigation or claim or any similar or related costs. "Occupied Unit" shall mean a Unit used as a residence. "Completed Unit" shall mean a Unit with respect to which a certificate of occupancy has been issued by the City of Detroit.

Section 4. Penalties for Default. The payment of an assessment shall be in default if any installment thereof is not paid to the Association in full on or before the due date for such installment. A late charge of \$25.00, or such other amount as established by the Board, per installment may be assessed automatically by the Association upon each Installment in default for ten or more days until paid In full. Such late charge shall not be deemed to be a penalty or interest upon the funds due to the Association but is intended to constitute a reasonable estimate of the administrative costs and other damages incurred by the Association in connection with the late payment of assessments. Assessments in default shall bear interest at the rate of seven (7%) percent per annum or such higher rate as may be allowed by law until paid in full. The Association may, pursuant to Article XVII (Remedies for Default), Section 4, and Article XVIII (Assessment of Fines) hereof, levy fines for late payment of assessments In addition to such late charge. Each Co-owner (whether one or more persons) shall be, and remain, personally liable for the payment of all assessments (including fines for late payment and costs of collection and enforcement of payment) pertinent to his Unit which may be levied while such Co-owner is the owner thereof, except a land con-

tract purchaser from any Co-owner including Developer shall be so personally liable and such land contract seller shall not be personally liable for all such assessments levied up to and including the date upon which such land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorney's fees; second, to any interest charges and fines for late payment on such installments; and third, to installments in default in order of their due dates.

**Section 5. Liens for Unpaid Assessments.** Sums assessed to Co-owners by the Association that remain unpaid, including but not limited to regular assessments and special assessments, together with interest on such sums, collection and late charges, advances made by the Association of Co-owners for taxes or other liens to protect its lien, attorney fees, and fines in accordance with the Condominium Documents shall constitute a lien upon the Unit or Units in the Project owned by the Co-owner at the time of the assessment before other liens except tax liens on the Unit in favor of any state or federal taxing authority and sums unpaid on a first mortgage of record except that past due assessments that are evidenced by a notice of lien, recorded as set forth in Section 108 of the Condominium Act. Any such unpaid sum shall constitute a lien against the Unit as of the first day of the fiscal year to which the assessment, fine or late charge relates and shall be a lien prior to all claims except real property taxes and first mortgages of record. All charges, which the Association may levy against any Co-owner, shall be deemed to be assessments for purposes of this Section and Section 108 of the Act. Upon the sale or conveyance of a Unit, all unpaid assessments, interest, late charges, fines, costs, and attorney fees against the Unit shall be paid out of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature except amount due the state, or any subdivision thereof, or any municipality for taxes and special assessments due and unpaid on the Unit and payments due under a first mortgage having priority thereto.

**Section 6. Waiver of Use or Abandonment of Unit.** No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit,

**Section 7. Enforcement.**

(a) **Remedies.** In addition to any other

remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association also may discontinue the furnishing of any utilities or other services to a Co-owner in default upon seven-day written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. The Association may also assess fines for late payment or non-payment of assessments in accordance with the provisions of Article XVII (Remedies for Default), Section 4 of these Bylaws. All of these remedies shall be cumulative and not alternative.

(b) **Foreclosure Proceedings.** Each Co-owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The Association is entitled to reasonable interest, expenses, costs and attorney fees for foreclosure by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, and the provisions of Section 108 of the Act, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. The redemption period for a foreclosure is 6 months from the date of sale unless the property is abandoned, in which event the redemption period is 1 month from the date of sale. Further, each Co-owner and every other person who from time to time has any interest in the Project shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit (and improvements) with respect to which the assessment(s) is or are delinquent and to receive, hold and

distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this subparagraph and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit. The Co-owner of a Unit subject to foreclosure and any purchaser, grantee, successor, or assignee of the Co-owner's interest in the Condominium Unit, is liable for assessments by the Association of the Co-owners chargeable to the Unit that become due before the expiration of the period of redemption together with interest, advances made by the Association for taxes or other liens to protect its lien, costs and attorney fees incurred in their collection.

(c) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of ten days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney's fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of record. Such affidavit shall be recorded in the office of the Wayne County Register of Deeds prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing. If the delinquency is not cured within the ten-day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the delinquent Co-owner and shall inform him that he may request a Judicial hearing by bringing suit against the Association.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including Interest, costs,

actual attorney's fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit

Section 8. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the sale or conveyance of the Unit, all unpaid assessments, interest, late charges, fines, costs, and attorney fees against the Unit shall be paid out of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature, except, amounts due to the state, or any subdivision, or municipality for taxes and special assessments due and unpaid on the Unit, and payments due under a first mortgage having priority thereto. Upon the payment of the assessments and associated charges, payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied nothing herein withstanding; provided, however, that the failure to collect the payment for the unpaid assessment or the failure of a purchaser to request such statement at least five days prior to the closing of the purchase of such Unit shall render any unpaid assessments and the lien securing the same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act.

Section 9. Liability of Mortgagee. The mortgagee of a first mortgage of record of a Unit shall give notice to the Association of the commencement of foreclosure of the first mortgage by advertisement by serving a copy of the published notice of foreclosure required by statute upon the Association by certified mail, return receipt requested, addressed to the resident agent of the Association or to the address the Association provides to the mortgagee, if any, in those cases where the address is not registered, within 10 days after first publication. The mortgagee of a first mortgage of record shall give notice to the Association of its intent to commence foreclosure of the first mortgage by judicial action by serving a notice setting forth the names of the mortgagors, the date the mortgage was recorded, the amount claimed due on the mortgage on

the date of the notice, and a description of the mortgaged premises that substantially conforms with the description continued in the mortgage upon the Association by certified mail, return receipt requested, addressed to the resident agent of the Association at the agent's address, or to the address the Association provides to the mortgagee. If any, in those cases where the address is not registered, not less than 10 days before commencement of the judicial action. Failure of the mortgagee to provide notice as required shall only provide the Association with legal recourse and will not, in any event, invalidate any foreclosure proceeding between a mortgagee and mortgagor. If the mortgagee of a first mortgage of record or other purchaser of Unit obtains title to the Unit as a result of foreclosure of the first mortgage, such person, its successors, and assigns are not liable for the unpaid assessments chargeable to the Unit that become due prior to the acquisition of title to the Unit by such person except for assessments that have priority over the first mortgage under Section 108 of the Condominium Act.

Section 10. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 11. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 12. Construction Lien. A construction lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

### ARTICLE III ADVISORY COMMITTEE

Within 1 year after conveyance of legal or equitable title to the first Unit in the Condominium to a purchaser or within 120 days after conveyance to purchasers of 1/3 of the total number of Units that may be created, whichever first occurs, the Developer shall cause to be established an Advisory Committee consisting of at least one non-developer Co-owners. The Committee shall be established and perpetuated in any manner the Developer deems advisable, except that if more than 50% of the non-developer Co-owners petition the Association for an election to select the Advisory Committee, then an election for such purpose shall be held. The purpose of the Advisory Committee shall be to facilitate communications between the Association and the other Co-owners and to aid in the transition of

control of the Association from the Developer to purchaser Co-owners. The Advisory Committee shall cease to exist automatically when the non-developer Co-owners have the voting strength to elect a majority of the board of directors of the Association. The Developer may remove and replace at its discretion at any time any member of the Advisory Committee who has not been elected thereto by the Co-owners.

### ARTICLE IV VOTING

Section 1. Vote. Except as limited in these Bylaws, each Co-owner shall be entitled to one vote for each Condominium Unit owned.

Section 2. Eligibility to Vote. No Co-owner, other than the Developer, shall be entitled to vote at any meeting of the Association until he has presented evidence of ownership of a Unit in the Condominium Project to the Association. Except as provided in Article VI (Board of Directors), Section 2 of these Bylaws, no Co-owner, other than the Developer, shall be entitled to vote prior to the date of the First Annual Meeting of members held in accordance with Section 2 of Article V (Meetings). The vote of each Co-owner may be cast only by the individual representative designated by such Co-owner in the notice required in Section 3 of this Article IV (Voting) below or by a proxy given by such individual representative. The Developer shall be the only person entitled to vote at a meeting of the Association until the First Annual Meeting of members and shall be entitled to vote during such period notwithstanding the fact that the Developer may own no Units at some time or from time to time during such period.

At and after the First Annual Meeting the Developer shall be entitled to one vote for each Unit that it owns. If, however, the Developer elects to designate a director (or directors) pursuant to its rights under Article VI (Board of Directors), Section 2 (c)(1) or (ii) hereof, it shall not then be entitled to also vote for the non-developer directors.

Section 3. Designation of Voting Representative. Each Co-owner shall file a written notice with the Association designating the individual representative who shall vote at meetings of the Association and receive all notices and other communications from the Association on behalf of such Co-owner. Such notice shall state the name and address of the individual representative designated the number or numbers of the Condominium Unit or Units owned by the Co-owner, and the name and address of each person, firm, corporation, partnership, association, trust or other entity who is the Co-owner. Such notice shall be signed and dated by the Co-owner. The Co-owner may

change the Individual representative designated at any time by filing a new notice in the manner herein provided.

Section 4. Quorum. The presence in person or by proxy of 51% of the Co-owners qualified to vote shall constitute a quorum for holding a meeting of the members of the Association, except for voting on questions specifically required by the Condominium Documents to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting said person is not otherwise present in person or by proxy shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.

Section 5. Voting. Votes may be cast only in person or by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. Proxies and any written votes must be filed with the secretary of the Association at or before the appointed time of each meeting of the members of the Association. Cumulative voting shall not be permitted.

Section 6. Majority. A majority, except where otherwise provided herein, shall consist of more than 50% of those qualified to vote and present in person or by proxy (or written vote, if applicable) at a given meeting of the members of the Association. Whenever provided specifically herein, a majority may be required to exceed the simple majority hereinabove set forth of designated voting representatives present in person or by proxy, or by written vote, if applicable, at a given meeting of the members of the Association.

#### **ARTICLE V MEETINGS**

Section 1. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Co-owners as may be designated by the Association. Meetings of the Association shall be conducted in accordance with Roberts Rules of Order or some other generally recognized manual of parliamentary procedure, when not otherwise in conflict with the Condominium Documents (as defined in the Master Deed) or the laws of the State of Michigan.

Section 2. First Annual Meeting. The First Annual Meeting of members of the Association may be convened only by Developer and may be called at any time after more than 50% of the Units that may be created in Winders Square at Brush Park have been conveyed and the purchasers thereof qualified as members of the Association. In no event; however, shall such meeting be called later than 120 days after the conveyance of legal or equitable title to non-developer Co-owners of 75% of all Units that may be created or 54 months after the first conveyance of

legal or equitable title to a non-developer Co-owner of a Unit in the Project, whichever first occurs. Developer may call meetings of members for informative or other appropriate purposes prior to the First Annual Meeting of members and no such meeting shall be construed as the First Annual Meeting of members. The Association shall set the date, time, and place of such meeting, and at least 10 days' written notice thereof shall be given to each Co-owner. The phrase "Units that may be created" as used in this paragraph and elsewhere in the Condominium Documents refers to the maximum number of Units that the Developer is permitted under the Condominium Documents to include in the Condominium.

Section 3. Annual Meetings. Annual meetings of members of the Association shall be held on a date established by the Board of Directors each succeeding year after the year in which the First Annual Meeting is held, at such time and place as shall be determined by the Board of the Association; provided, however, that the second annual meeting shall not be held sooner than eight months after the date of the First Annual Meeting. At such meetings there shall be elected by ballot of the Co-owners a board of directors in accordance with the requirements of Article VI (Board of Directors) of these Bylaws. The Co-owners may also transact at annual meetings such other business of the Association as may properly come before them.

Section 4. Special Meetings. It shall be the duty of the President to call a special meeting of the Co-owners as directed by resolution of the Association or a special meeting shall be called by the Secretary upon receipt of a petition signed by 1/3 of the Co-owners presented to the Secretary of the Association, Notice of any special meeting shall state the time and place of such meeting and the purposes thereof. Notice of any special meeting must be sent within 14 days of the President calling a special meeting or within 14 days of receipt by the Secretary of the Association of a petition signed by 1/3 of the Co-owners requesting a special meeting. No business shall be transacted at a special meeting except as stated in the notice. Special meetings shall be held within 30 days following issuance of the meeting notice.

Section 5. Notice of Meetings. It shall be the duty of the secretary (or other Association officer in the secretary's absence) to serve a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, upon each Co-owner of record. The notice must be served on the Co-owners at least 10 days prior to the scheduled meeting, but not more than 60 days prior to such meeting.

The mailing, postage prepaid, of a notice to the representative of each Co-owner at the address shown in the notice required to be filed with the Association by Article IV (Voting), Section 3 of these Bylaws shall be deemed notice served. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, shall be deemed due notice.

Section 6. Adjournment. If any meeting of Co-owners cannot be held because a quorum is not in attendance, the Co-owners who are present may adjourn the meeting to a time not less than 48 hours from the time the original meeting was called.

Section 7. Order of Business. The order of business at all meetings of the members shall be as follows; (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) reports of committees; (f) appointment of inspectors of election (at annual meetings or special meetings held for the purpose of electing directors or officers); (g) election of directors (at annual meeting or special meetings held for such purpose); (h) unfinished business; and (i) new business. Meetings of members shall be chaired by the most senior officer of the Association present at such meeting. For purposes of this Section, the order of seniority of officers shall be president, vice president, secretary, and treasurer.

Section 8. Action Without Meeting. Any action that may be taken at a meeting of the members (except for the election or removal of directors) may be taken without a meeting by written ballot of the members. Ballots shall be solicited in the same manner as provided in Section 5 for the giving of notice of meetings of members. Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements; (b) the percentage of approvals necessary to approve the action; and (c) the time by which ballots must be received in order to be counted. The form of written ballot shall afford an opportunity to specify a choice between approval and disapproval of each matter and shall provide that, where the member specifies a choice, the vote shall be cast in accordance therewith. Approval by written ballot shall be constituted by receipt, within the time period specified in the solicitation, of (i) a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting; and (ii) a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total num-

ber of votes cast was the same as the total number of ballots cast.

Section 9. Consent of Absentees. The transactions at any meeting of members, either annual or special, however called and noticed, shall be as valid as though made at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy; and if, either before or after the meeting, each of the members not present in person or by proxy signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 10. Minutes: Presumption of Notice. Minutes or a similar record of the proceedings of meetings of members, when signed by the president or secretary, shall be presumed truthfully to evidence the matters set forth therein. A recitation in the minutes of any such meeting that notice of the meeting was properly given shall be prima facie evidence that such notice was given.

## ARTICLE VI

### BOARD OF DIRECTORS

Section 1. Number and Qualification of Directors. The board of directors shall comprised of one member representing each Unit in accordance with the provisions of Section 2 hereof. Directors must be members of the Association or officers, partners, trustees, employees or agents of members of the Association, except for the first board of directors. Directors shall serve without compensation.

Section 2. Election of Directors.

(a) First Board of Directors. The first board of directors, or its successors as selected by the Developer, shall manage the affairs of the Association until the appointment of the first non-developer director to the board. Elections for non-developer Co-owner directors shall be held as provided in subsections (b) and (c) below.

(b) Appointment of Non-developer Co-owners to Board Prior to First Annual Meeting. Not later than 120 days after conveyance of legal or equitable title to non-developer Co-owners of 25% of the Units that may be created, one of the directors shall be selected by non-developer Co-owners. Not later than 120 days after conveyance of legal or equitable title to non-developer Co-owners of 50% of the Units that may be created, 33 1/3 percent of the directors shall be elected by non-developer Co-owners. When the required percentage of conveyances have been reached, the Developer shall notify the non-developer Co-owners and convene a meeting so that the Co-owners can elect the required director or directors, as the case may be. Upon certification by the Co-owners to the Developer of

the director or directors so elected, the Developer shall then immediately appoint such director or directors to the board to serve until the First Annual Meeting of members unless he is removed pursuant to Section 7 of this Article or he resigns or becomes incapacitated.

(c) Election of Directors at and After First Annual Meeting.

(i) Not later than 120 days after conveyance of legal or equitable title to non-developer Co-owners of 75% of the Units that may be created/ the non-developer Co-owners shall designate/elect all directors on the board, except that the Developer shall have the right to designate at least one director as long as the Units that remain to be created and conveyed equal at least 10% of all Units that may be created in the Project. Such Developer designee, if any, shall be one of the total number of directors referred to in Section 1 above and shall serve a one-year term pursuant to subsection (iv) below.) Whenever the 75% conveyance level is achieved, a meeting of Co-owners shall be promptly convened to effectuate this provision, even if the First Annual Meeting has already occurred.

(ii) Regardless of the percentage of Units which have been conveyed, upon the expiration of 54 months after the first conveyance of legal or equitable title to a non-developer Co-owner of a Unit in the Project, the non-developer Co-owners have the right to designate/elect a number of members of the board of directors equal to the percentage of Units they own, and the Developer has the right to elect a number of members of the board of directors equal to the percentage of Units which are owned by the Developer and for which maintenance expenses are payable by the Developer. This election may increase, but shall not reduce, the minimum election and designation rights otherwise established in subsection (1). Application of this subsection does not require a change in the size of the board of directors.

(iii) If the calculation of the percentage of members of the board of directors that the non-developer Co-owners have the right to elect under subsection (ii), or if the product of the number of members of the board of directors multiplied by the percentage of Units held by the non-developer Co-owners under subsection (b) results in a right of non-developer Co-owners to elect a fractional number of members of the board of directors, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of members of the board of directors that the non-developer Co-owners have the right to elect. After application of this formula, the Developer shall have the right to elect the remaining members of

the board of directors. Application of this subsection shall not eliminate the right of the Developer to designate one director as provided in subsection (l).

(iv) At the First Annual Meeting, each Unit shall have the right to designate/elect one director to serve on the board of directors. The directors shall hold office until their successors has been designated by the Unit Co-owner.

(v) Once the Co-owners have acquired the right hereunder to designate a majority of the board of directors, annual meetings of Co-owners to conduct Association business shall be held in accordance with the provisions of Article V, Section 3 hereof.

**Section 3. Powers and Duties.** The board of directors shall have the powers and duties necessary for the administration of the affairs of the Association and may do all acts and things as are not prohibited by the Condominium Documents or required thereby to be exercised and done by the Co-owners. Any action required by the Condominium Documents to be done by the Association shall be performed by action of the board of directors unless specifically required to be done by, or with the approval of, the Co-owners.

**Section 4. Other Duties.** In addition to the foregoing duties imposed by these Bylaws or any further duties that may be imposed by resolution of the members of the Association, the board of directors shall be responsible specifically for the following:

(a) To manage and administer the affairs of and to maintain the Condominium Project and the Common Elements thereof.

(b) To levy and collect assessments from the members of the Association and to use the proceeds thereof for the purposes of the Association.

(c) To carry insurance and collect and allocate the proceeds thereof.

(d) To rebuild Improvements after casualty.

(e) To contract for and employ persons, firms, corporations or other agents to assist in the management, operation, maintenance and administration of the Condominium Project

(f) To acquire, maintain and improve; and to buy, operate manage, sell, convey, assign, mortgage or lease any real or personal property (including any Unit in the Condominium and easements, rights-of-way and licenses) on behalf of the Association in furtherance of any of the purposes of the Association.

(g) To borrow money and issue evidences of indebtedness in furtherance of any or all of the purposes of the Association, and to secure the same by mortgage, pledge, or other lien on property owned by the Association; provided, however, that any such action shall also be

approved by affirmative vote of 75% of all of the members of the Association.

(h) To make rules and regulations in accordance with Article XIII (Restrictions) of these Bylaws:

(i) To establish such committees as it deems necessary, convenient or desirable and to appoint persons thereto for the purpose of implementing the administration of the Condominium and to delegate to such committees any functions or responsibilities that are not by law or the Condominium Documents required to be performed by the Board.

(j) To enforce the provisions of the Condominium Documents.

(k) To collect from each Co-owner the annual assessment levied against him by the Association and to pay over all such assessments to said Community Association.

Section 5. Management Agent. The board of directors may employ for the Association a professional management agent (which may include the Developer or any person or entity related thereto) at reasonable compensation established by the board to perform such duties and services as the board shall authorize, including, but not limited to, the duties listed in Sections 3 and 4 of this Article, and the board may delegate to such management agent any other duties or powers which are not by law or by the Condominium documents required to be performed by or have the approval of the board of directors or the members of the Association. In no event shall the board be authorized to enter into any contract with a professional management agent, or any other contract providing for services by the Developer, sponsor or builder, in which the maximum term is greater than three years, which is not terminable by the Association upon 90-day written notice thereof to the other party; or which provides for a termination fee and no such contract shall violate the provisions of Section 55 of the Act.

Section 6. Vacancies. Vacancies in the board of directors which occur after the Transitional Control Date caused by any reason shall be filled by the Co-owner whose designate board member resulted in the vacancy by designating a replacement member within 30 days of such vacancy, except that the Developer shall be solely entitled to fill the vacancy of any director whom it is permitted in the first instance to designate. Each person so designated shall be a director until a successor designated. Vacancies among non-developer Co-owner elected directors, which occur prior to the Transitional Control Date, may be filled only through election by non-developer Co-owners and shall be filled in the manner specified in Section 2(b) of this Article.

Section 7. Removal. The Developer may remove and replace any or all of the

directors selected by it at any time or from time to time in its sole discretion. Likewise, any director selected by the non-developer Co-owners to serve before the First Annual Meeting may be removed before the First Annual Meeting in the same manner set forth in this paragraph for removal of directors generally.

Section 8. First Meeting. The first meeting of a newly designated board of directors shall be held within ten days of election at such place as shall be fixed by the directors at the meeting at which such directors were designated, and no notice shall be necessary to the newly designated directors in order legally to constitute such meeting, providing a majority of the whole board shall be present.

Section 9. Regular Meetings. Regular meetings of the board of directors may be held at such times and places as shall be determined from time to time by a majority of the directors, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the board of directors shall be given to each director personally, by mail, telephone, or telegraph, at least ten days prior to the date named for such meeting.

Section 10. Special Meetings. Special meetings of the board of directors may be called by the president on three-day notice to each director given personally, by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. The president or secretary shall call special meetings of the board of directors in like manner and on like notice on the written request of two directors.

Section 11. Waiver of Notice. Before or at any meeting of the board of directors, any director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the board shall be deemed a waiver of notice by him of the time and place thereof. If all the directors are present at any meeting of the board, no notice shall be required and any business may be transacted at such meeting.

Section 12. Quorum. At all meetings of the board of directors, the presence of 75% or more of the directors shall constitute a quorum for the transaction of business, and the acts of the majority of the directors present at a meeting at which a quorum is present shall be the acts of the board of directors. If, at any meeting of the board of directors, less than a quorum is present, the majority of those present may adjourn the meeting to a subsequent time upon 24-hour prior written notice delivered to all directors not present at any such adjourned meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice. The

joinder of a director in the action of a meeting by signing and concurring In the minutes thereof, shall constitute the presence of such director for purposes of determining a quorum.

Section 13. First Board of Directors. The actions of the first board of directors of the Association or any successors thereto selected before the Transitional Control Date shall be binding upon the Association so long as such actions are within the scope of the powers and duties which may be exercised generally by the board of directors as provided In the Condominium Documents.

Section 14. Fidelity Bonds. The board of directors shall require that all office employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be expenses of administration.

**ARTICLE VII  
OFFICERS**

Section 1. Officers. The principal officers of the Association shall be a president, who shall be a member of the board of directors, a vice president, a secretary, and a treasurer. The directors may appoint an assistant treasurer, and an assistant secretary, and such other officers as In their judgment may be necessary. One person may hold any two offices except that of president and vice president.

(a) President. The president shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the board of directors. He shall have all of the general powers and duties which are usually vested in the office of the president of an association, including, but not limited to, the power to appoint committees from among the members of the Association from time to time as he may in his discretion deem appropriate to assist in the conduct of the affairs of the Association.

(b) Vice President. The vice president shall take the place of the president and perform his duties whenever the president shall be absent or unable to act. If neither the president nor the vice president is able to act, the board of directors shall appoint some other member of the board to so do on an interim basis. The vice president shall also perform such other duties as shall from time to time be imposed upon him by the board of directors.

(c) Secretary. The secretary shall keep the minutes of all meetings of the board of directors and the minutes of all meetings of the members of the Association; he shall have charge of the corporate seal, if any, and of such books and papers as the board of directors may direct; and he shall, in general, perform all duties incident to the office of the secretary.

(d) Treasurer. The treasurer shall have responsibility for the Association's funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, and in such depositories as may, from time to time, be designated by the board of directors.

Section 2. Election. The officers of the Association shall be elected annually by the board of directors at the organizational meeting of each new board and shall hold office at the pleasure of the board.

Section 3. Removal. Upon affirmative vote of a majority of the members of the board of directors, any officer may be removed either with or without cause, and his successor elected at any regular meeting of the board of directors, or at any special meeting of the board called for such purpose. No such removal action may be taken, however, unless the matter shall have been included In me notice of such meeting. The officer who is proposed to be removed shall be given an opportunity to be heard at the meeting.

Section 4. Duties. The officers shall have such other duties, powers and responsibilities as shall, from time to time, be authorized by the board of directors,

**ARTICLE VIII  
INDEMNIFICATION OF  
OFFICERS AND DIRECTORS**

Section 1. Third Party Actions. To the fullest extent permitted by the Michigan Non-profit Corporation Act, the Association shall, subject to Section 5 below, indemnify any person who was or is a party defendant or is threatened to be made a party defendant to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a Director or officer of the Association, or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including actual and reasonable attorney fees), judgments, fines and amounts reasonably paid In settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association or its members, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a

plea of nolo contendere or its equivalent, shall not, of itself, create a presumption (a) that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association or its members, and, (b) with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his conduct was unlawful.

**Section 2. Actions in the Right of the Association.** To the fullest extent permitted by the Michigan Non-profit Corporation Act, the Association shall, subject to Section 5 below, indemnify any person who was or is a party defendant or is threatened to be made a party defendant of any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Director or officer of the Association, or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including actual and reasonable attorney fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit and amounts reasonably paid in settlement if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association or its members, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

**Section 3. Insurance.** The Association may purchase and maintain insurance on behalf of any person who is or was a Director, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, employee or agent against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have power to indemnify him against such liability under Sections 1 and 2. In addition, the Association may purchase and maintain insurance for its own benefit to indemnify it against any liabilities it may have as a result of its obligations of indemnification made under Sections 1 and 2.

**Section 4. Expenses of Successful Defense.** To the extent that a person has been successful on the merits or otherwise in defense of any action, suit, or pro-

ceeding referred to in Sections 1 and 2, or in defense of any claim, issue, or matter therein, or to the extent such person incurs expenses (including actual and reasonable attorney fees) in successfully enforcing the provisions of this Article, he shall be indemnified against expenses (including reasonable attorney fees) actually and reasonably incurred by him in connection therewith.

**Section 5. Determination that Indemnification is Proper.** Any Indemnification under Sections 1 and 2 (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that Indemnification of the person is proper under the circumstances, because he has met the applicable standard of conduct set forth in Section 1 or 2, whichever is applicable. Notwithstanding anything to the contrary contained in this Article, in no event shall any person be entitled to any indemnification under the provisions of this Article if he is adjudged guilty of willful or wanton misconduct or gross negligence in the performance of his duties. The determination to extend such indemnification shall be made in any one (1) of the following ways:

(a) By a majority vote of quorum of the Board of Directors consisting of Directors who were not parties to such action, suit or proceeding;

(b) If such quorum described in (a) is not obtainable, then by a majority vote of a committee of Directors who are not parties to the action, suit or proceeding. The committee shall consist of not less than two (2) disinterested Directors; or

(c) If such quorum described in (a) is not obtainable (or, even if obtainable), a quorum of disinterested Directors so directs upon the written opinion of independent legal counsel.

If the Association determines that the full indemnification is not proper under Sections 1 or 2, it may nonetheless determine to make whatever partial indemnification it deems proper. At least ten (10) days prior to the payment of any indemnification claim which is approved, the Board of Directors shall provide all Co-owners with written notice thereof.

**Section 6. Expense Advance.** Expenses incurred in defending a civil or criminal action, suit or proceeding described in Section 1 and 2 may be paid by the Association in advance of the final disposition of such action, suit, or proceeding as provided in Section 4 upon receipt of an undertaking by or on behalf of the person involved to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association. At least ten (10) days prior to advancing any expenses to any person under this Section 6, the Board of Directors shall provide all Co-owners with written notice thereof.

Section 7. Former Representatives, Officers, Employees or Agents. The indemnification provided in this Article shall continue as to a person who has ceased to be a Director, officer, employee or agent of the Association and shall inure to the benefit of the heirs, executors and administrators of such person.

Section 8. Changes in Michigan Law. In the event of any change of the Michigan statutory provisions applicable to the Association relating to the subject matter of this Article, the indemnification to which any person shall be entitled hereunder arising out of acts or omissions, occurring after the effective date of such amendment shall be determined by such changed provisions. No amendment to or repeal of Michigan law with respect to indemnification shall restrict the Association's indemnification undertaking herein with respect to acts or omissions occurring prior to such amendment or repeal. The Board of Directors are authorized to amend this Article to conform any such changed statutory provisions.

#### **ARTICLE IX FINANCE**

Section 1. Records. The Association shall keep detailed books of account showing all expenditures and receipts of administration, and which shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Co-owners. Such accounts and all other Association records shall be open for inspection by the Co-owners and their mortgagees during reasonable working hours. The Association shall prepare and distribute to each Co-owner at least once a year a financial statement, the contents of which shall be defined by the Association. The books of account shall be audited at least annually by qualified Independent auditors; provided, however, that such auditors need not be certified public accountants nor does such audit need to be a certified audit. Any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual audited financial statement within 90 days following the end of the Association's fiscal year upon request therefor. The costs of any such audit and any accounting expenses shall be expenses of administration.

Section 2. Fiscal Year. The fiscal year of the Association shall be an annual period commencing on such date as may be initially determined by the directors. The commencement date of the fiscal year shall be subject to change by the directors for accounting reasons or other good cause.

Section 3. Bank. Funds of the Association shall be initially deposited in such bank or savings association as may be

designated by the directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Association from time to time. The funds may be invested from time to time in accounts or deposit certificates of such bank or savings association as are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation and may also be invested in Interest-bearing obligations of the United States Government.

#### **ARTICLE X INSURANCE**

Section 1. Extent of Coverage. The Association shall, to the extent appropriate in light of the nature of the General Common Elements of the Project, carry fire and extended coverage, vandalism and malicious mischief and liability insurance (in a minimum amount to be determined by the Developer or the Association in its discretion, but in no event less than \$1,000,000 per occurrence), officers' and directors' liability insurance, and workmen's compensation insurance, if applicable, and any other insurance the Association may deem applicable, desirable, or necessary, pertinent to the ownership, use, and maintenance of the General Common Elements and such insurance shall be carried and administered in accordance with the following provisions;

(a) Responsibilities of Association. All such insurance shall be purchased by the Association for the benefit of the Association, the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. The Association, as to all policies which it obtains, and all Co-owners, as to all policies which they obtain, shall use their best efforts to see that all property and liability Insurance carried by the Association or any Co-owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

(b) Insurance of Common Elements. All Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the current insurable replacement value, excluding foundation and excavation costs, as determined annually by the Association in consultation with the Association's Insurance carrier and/or its representatives in light of commonly employed methods for the reasonable determination of replacement costs. Such coverage shall be effected upon an agreed-amount basis for the entire Condominium Project with appropriate inflation riders in order that no co-

insurance provisions shall be invoked by the insurance carrier in a manner that will cause loss payments to be reduced below the actual amount of any loss (except in the unlikely event of total project destruction if the insurance proceeds failed, for some reason, to be equal to the total cost of replacement). All information in the Association's records regarding insurance coverage shall be made available to all Co-owners upon request and reasonable notice during normal business hours so that Co-owners shall be enabled to judge the adequacy of coverage and, upon the taking of due Association procedures, to direct the Board at a properly constituted meeting to change the nature and extent of any applicable coverage, if so determined. Upon such annual re-evaluation and effectuation of coverage, the Association shall notify all Co-owners of the nature and extent of all changes in coverage. It shall be each Co-owner's responsibility to determine the necessity for and to obtain insurance coverage for any and all structures, fixtures, equipment, trim and other Items or attachments constructed within the Unit or upon any Limited Common Elements appurtenant thereto whether or not installed by the Developer, and the Association shall have no responsibility whatsoever for obtaining such coverage unless agreed specifically and separately between the Association and the Co-owner in writing.

(c) Premium Expenses. All premiums upon insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, and the Co-owners and their mortgagees, as their Interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article XI of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction.

(e) Deductible. When a claim is made on any of the insurance policies maintained by the Association for damage to the Common Elements which damage resulted from Co-owner action or failure to act, including but not limited to damage resulting from misuse of any of the Common Elements by a Co-owner, his family, guests, agents or invitees, as determined by the Board of Directors in its sole discretion, the deductible shall be paid by the Co-owner of such Unit causing such damage. In all other Instances, the deductible shall be a cost of administration paid by the Association.

(f) Contractor Insurance. Each Co-

owner which retains any maintenance and alteration contractors to perform work on a Co-owners Unit is responsible to hire only maintenance and alteration contractors that are properly licensed and insured, which insurance coverage shall include coverage for damages to the Common Elements and Units within the Project resulting from the contractors work. Each Co-owner shall be responsible, to the extent that the Association insurance proceeds are insufficient or such Insurance proceeds do not cover the full cost of repair and/or restoration of the Common Elements, for damages caused by the Co-owner, his family, guests, agents or invitees. Any costs of repair and restoration related to damages to the Common Elements resulting from the actions for which a Co-owner, his family, guests, agents or invitees is found to have been responsible, as determined by the Board of Directors in its sole discretion, may be charged to and collected from the Co-owner.

Section 2. Responsibilities of Co-owners. Each Co-owner shall be obligated and responsible for obtaining fire and extended coverage and vandalism and malicious mischief insurance with respect to the Unit and all other structures and improvements constructed or to be constructed within the perimeter of the Condominium Unit, and for personal property located therein or thereon or elsewhere on the Condominium Project. Where structures and improvements are common to more than one Unit (other than General Common Elements insured by the Association), the Co-owners of such Units may collectively and jointly obtain such Insurance as is necessary to properly insure the Units, structures and improvements. There is no responsibility on the part of the Association to insure any of such structures or other improvements whatsoever other than as provided in Section 1 above. All such insurance shall be carried by each Co-owner or Co-owners in an amount equal to the maximum insurable replacement value. Each Co-owner shall deliver certificates of Insurance to the Association from time to time to evidence the continued existence of all insurance required to be maintained by the Co-owner hereunder. In the event of the failure of a Co-owner to obtain such Insurance or to provide evidence thereof to the Association, the Association may, but shall not be obligated to, obtain such insurance on behalf of such Co-owner(s) and the premiums therefor shall constitute a lien against the Co-owner's Unit which may be collected from the offending Co-owner(s) in the same manner that Association assessments may be collected in accordance with Article II hereof. Each Co-owner also shall be obligated to obtain insurance coverage for personal

liability for occurrences within the perimeter of the Unit or the Common Elements (naming the Association and the Developer during the Construction and Sales Period as insureds), and also for any other personal insurance coverage that the Co-owner wishes to carry. Such Insurance shall be carried in such minimum amounts as may be specified by the Association, however, such coverage shall not be less than \$1,000,000 (and as specified by the Developer during the Construction and Sales Period) and each Co-owner shall furnish evidence of such coverage to the Association or the Developer upon request. The Association shall under no circumstances have any obligation to obtain any of the insurance coverages described in this Section 2 or any liability to any person for failure to do so.

**Section 3. Authority of Association to Settle Insurance Claims.** Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements appurtenant thereto, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

**Section 4. Determination of Primary Carrier.** It is understood that there will be overlapping coverage between the Co-owners' policies and those of the Association, as required to be carried pursuant to this Article. In situations where both coverages/policies are applicable to a given loss, the provisions of this subsection shall control in determining the primary carrier. In cases of property damage to the Unit and its contents or damages to a Limited Common Element for which the Co-owner is assigned responsibility for maintenance, repair, and replacement pursuant to the provisions of Article IV of the Master Deed (Including Improvements and betterments), the Co-owner's policy/carrier shall be deemed to be the

primary carrier. In cases of property damage to the General Common Elements or a Limited Common Element for which the Association is assigned responsibility for maintenance, repair, and replacement pursuant to the provisions of Article IV of the Master Deed the Association's policy/carrier shall be deemed to be the primary carrier. In cases of liability for personal injury or otherwise, for occurrences in/on the Unit or in/upon a Limited Common Element for which the Co-owner is assigned responsibility for maintenance, repair, and replacement pursuant to the provisions of Article IV of the Master Deed (including improvements and betterments), the Co-owner's policy/carrier shall be deemed to be the primary carrier. In cases of liability for personal injury or otherwise, for occurrences in/on the General Common Elements or In/upon a Limited Common Element for which the Association is assigned responsibility for maintenance, repair, and replacement pursuant to the provision of Article IV of the Master Deed (including Improvements and betterments), the Association's policy/carrier shall be deemed to be the primary carrier. In all cases where the Association's policy/carrier is not deemed the primary policy/carrier, if the Association's policy/carrier contributes to payment of the loss, the Association's liability to the Co-owner shall be limited to the amount of the Insurance proceeds, and shall not in any event require or result in the Association paying or being responsible for any deductible amount under the Co-owner's policies.

**Section 5. Waiver of Right of Subrogation.** The Association and all Co-owners shall use their best efforts to cause all property and liability insurance carried by the Association or any Co-owner to contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

**Section 6. Indemnification.** Each individual Co-owner shall Indemnify and hold harmless every other Co-owner, the Developer and the Association for all damages and costs, including attorneys' fees, which such other Co-owners, the Developer, or the Association may suffer as a result of defending any claim arising out of an occurrence on or within such individual Co-owner's Unit. Each Co-owner shall carry insurance to secure this indemnity if so required by the Association (or the Developer during the Construction and Sales Period). This Section 6 shall not be construed to give any insurer any subrogation right or other right or claim against any individual Co-owner, however.

#### **ARTICLE XI**

#### **RECONSTRUCTION OR REPAIR**

**Section 1. Determination to Reconstruct or Repair.** If any part of the Condo-

minium Premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

(a) Partial Damage. If the damaged property is a Common Element or a Unit, the property shall be rebuilt or repaired if any Unit In the Condominium is tenantable, unless it is determined by an affirmative vote of 80% of the Co-owners in the Condominium that the Condominium shall be terminated.

(b) Total Destruction. If the Condominium is so damaged that no Unit is tenantable, the damaged property shall not be rebuilt unless 80% or more of the Co-owners agree to reconstruction by vote or in writing within 90 days after the destruction.

Section 2. Repair in Accordance with Plans and Specifications. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the plans and specifications for the Project to a condition as comparable as possible to the condition existing prior to damage unless the Co-owners shall unanimously decide otherwise.

Section 3. Co-owner Responsibility for Repair.

(a) Definition of Co-owner Responsibility. If the damage is only to a part of a Unit, structure or improvement located thereon, which is the responsibility of a Co-owner to maintain and repair, it shall be the responsibility of the Co-owner to repair such damage In accordance with subsection (b) hereof. In all other cases, the responsibility for reconstruction and repair shall be that of the Association.

(b) Damage to Unit, Structures, Improvements. Each Co-owner shall be responsible for the reconstruction, repair and maintenance of his Unit, including, but not limited to, structures and improvements located thereon. If any Unit, structure or improvement located thereon, is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto, and if there is a mortgagee endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly which proceeds shall be used for the reconstruction and repair of the Unit, structures or Improvements. In the event of substantial damage to or destruction of any Unit, excluding structures and improvements, or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units In the Condominium.

Section 4. Association Responsibility for Repair. Except as provided in Section 3 hereof, the Association shall be only responsible for the reconstruction, repair, and maintenance of the Common Elements. Immediately after the occurrence of a casualty causing damage to property

for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated cost of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair. This provision shall not be construed to require replacement of mature trees and vegetation with equivalent trees or vegetation.

Section 5. Timely Reconstruction and Repair. If damage to Common Elements or a Unit adversely affects the appearance of the Project (Including the appearance of structures and improvements), the Association or Co-owner(s) responsible for the reconstruction, repair and maintenance thereof shall proceed with replacement of the damaged property without delay, and shall complete such replacement within 6 months after the date of the occurrence which caused damage to the property.

Section 6. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain:

(a) Taking of Unit. In the event of any taking of an entire Unit by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their Interests may appear. After acceptance of such award by the Co-owner and his mortgagee, they shall be divested of all interest In the Condominium Project. In the event that any condemnation award shall become payable to any Co-owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-owner and his mortgagee, as their interests may appear.

(b) Taking of Common Elements. If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Co-owners shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) Continuation of Condominium After Taking. In the event the Condominium

Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be resurveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of 100%. Such amendment may be effected by an officer of the Association duly authorized by the Association without the necessity of execution or specific approval thereof by any Co-owner.

(d) Notification of Mortgagees. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 7. Notification of FHLMC and FNMA. In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC") or by the Federal National Mortgage Association ("FNMA") then, upon request therefor by FHLMC, or FNMA, as the case may be, the Association shall give it written notice at such address as it may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium if the loss or taking exceeds \$10,000 in amount or damage to a Condominium Unit covered by a mortgage purchased in whole or in part by FHLMC or FNMA exceeds \$1,000.

Section 8. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give a Co-owner or any other party priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Co-owners of Insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

#### **ARTICLE XII MORTGAGES**

Section 1. Notice to Association. Any Co-owner who mortgages his Unit shall notify the Association of the name and address of the mortgagee, and the Association shall maintain such information in a book entitled "Mortgages of Units." The Association may, at the written request of a mortgagee of any such Unit, report any unpaid assessments due from the Co-owner of such Unit. The Association shall give to the holder of any first mortgage covering any Unit in the Project written notification of any default in the perfor-

mance of the obligations of the Co-owner of such Unit that is not cured within 60 days.

Section 2. Insurance. The Association shall notify each mortgagee appearing in said book of the name of each company insuring the Condominium against fire, perils covered by extended coverage, and vandalism and malicious mischief and the amounts of such coverage.

Section 3. Notification of Meetings. Upon request submitted to the Association, any Institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive written notification of every meeting of the members of the Association and to designate a representative to attend such meeting.

#### **ARTICLE XIII RESTRICTIONS**

All of the Units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Residential Use. No Residential Unit Area shall be used for other than residential purposes except as permitted elsewhere in this Master Deed or as permitted by the City of Detroit.

Section 2. Leasing and Rental.

(a) Right to Lease. A Co-owner may lease his Unit for the same purposes set forth in Section 1 of this Article XIII provided that written disclosure of such lease transaction is submitted to the Association in the manner specified in subsection (b) below, and provided that written approval of such transaction is obtained from the Association (which approval shall not be unreasonably withheld). With the exception of a lender in possession of a Unit following a default of a first mortgage, foreclosure or deed or other arrangement in lieu of foreclosure, no Co-owner shall lease less than the entire Unit. Furthermore, no tenant shall be permitted to occupy except under a lease the initial term of which is at least six months unless specifically approved in writing by the Association. The terms of all leases, occupancy agreements, and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents. The Developer may lease any number of Units in the Condominium in its discretion and the provision of this Section shall not apply.

(b) Leasing Procedures. The leasing of Units in the Project shall conform to the following provisions:

(i) A Co-owner, not including the Developer, desiring to rent or lease a Unit, shall disclose that fact in writing to the Association at least ten days before presenting a lease form to a potential lessee and, at the same time, shall supply the Association with a copy of the exact lease form for its review for its compliance with the Condominium Documents.

(ii) Tenants and non-owner occupants shall comply with all of the conditions of the Condominium Documents and all leases and rental agreements shall so state.

(iii) If the Association determines that the tenant or non-owner occupant has failed to comply with the conditions of the Condominium Documents (and the Rules and Regulations, if applicable) the Association shall take the following action:

(1) The Association shall notify the Co-owner by certified mail advising of the alleged violation by the tenant.

(2) The Co-owner shall have 15 days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

(3) If after 15 days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf or derivatively by the Co-owners on behalf of the Association, if it is under the control of the Developer, an action for eviction against the tenant or non-owner occupant and simultaneously for money damages in the same action against the Co-owner and tenant or non-owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this subparagraph may be by summary proceeding. The Association may hold both the tenant and the Co-owner liable for any damages to the Common Elements caused by the Co-owner or tenant in connection with the Unit or Condominium Project.

(iv) When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Unit under a lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not constitute a breach of the rental agreement or lease by the tenant. If the tenant, after being notified, fails or refuses to remit rent otherwise due the Co-owner to the Association, then the Association may do the following: (a) issue a statutory notice to quit for non-payment of rent to the tenant and the Association shall have the right to enforce the notice by summary proceeding; (b) initiate proceedings on the Association's behalf or derivatively by the Co-owners on behalf of the Association, an action for both eviction against the tenant or non-Co-owner and, simultaneously, an action for money damages against the Co-owner and tenant or non-Co-owner occupant for breach of the conditions of the Condominium Documents.

Section 3. Alterations and Modifications. Except as otherwise provided herein,

no Co-owner shall make alterations in exterior appearance of any Unit or make structural modifications to structures and improvements located within the Unit (including interior walls through or in which there exist easements for support or utilities) or make changes in any of the Common Elements, General or Limited, including exterior walls or windows, without the express written approval of the Developer during the Construction and Sales Period, and thereafter, the Board of Directors, including without limitation construction of structures and other improvements, exterior painting, erection of antennas (except as otherwise provided), lights, aerials, awnings, doors, shutters, newspaper holders, mailboxes, basketball backboards, hot tubs, and Jacuzzis, nor shall any Co-owner damage or make modifications or attachments to walls between Units which in any way impair sound conditioning provisions. No Co-owner shall in any way restrict access to any plumbing, water line, water line valves, water meter, sprinkler system valves, fire suppression system, or any other element that must be accessible to service the Common Elements or any Unit, or which affects an Association responsibility in any way. Notwithstanding having obtained such approval of the Board of Directors and of the Developer, if required, the Co-owner shall obtain any required building permits and shall, otherwise, comply with all building requirements of the City. No attachment, appliance or other item may be installed which is designed to kill or repel insects or other animals by light or humanly audible sound. Neither the Association, the Developer, or any agent thereof, shall be liable to any person or entity for mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve any such plans or specifications. No action shall be brought or maintained by anyone whatsoever against the Association, the Developer, or any agent thereof, for or on account of his or her failure to bring any action for any breach of these restrictions. The Co-owner shall be responsible for the maintenance and repair of any such modification or improvement. In the event that the Co-owner fails to maintain and/or repair said modification or improvement to the satisfaction of the Board of Directors, the Association may undertake to maintain and/or repair same and assess the Co-owner the costs thereof and collect same from the Co-owner. In the same manner as provided for the collection of assessments. The Co-owner shall indemnify and hold the Association harmless from and against any and all costs, damages, and liabilities incurred in regard to said modification and/or improvement and shall be

obligated to execute a Modification Agreement, if requested by the Association, as a condition for approval of such modification and/or improvement. Should access to any facilities of any sort be required, the Association may remove any coverings or attachments of any nature that restrict such access or will have no responsibility for repairing, replacing or reinstalling any materials, whether or not installation thereof has been approved hereunder, that are damaged in the course of gaining such access, nor shall the Association or the Developer be responsible for monetary damages of any sort arising out of actions taken to gain necessary access.

Section 4. Alterations for "persons with disabilities." Notwithstanding any other provision contained in this Article, a Co-owner may make Improvements or modifications to the Co-owner's Unit, including improvements or modifications to Common Elements and to the route from the public way to the door of the Co-owners Unit, at his or her expense, if the purpose of the improvement or modification is to facilitate access to or movement within the Unit for persons with disabilities who reside in or regularly visit the Unit, or to alleviate conditions that could be hazardous to persons with disabilities who reside in or regularly visit the Unit. The improvement or modification shall not impair the structural integrity of any structure located upon the Unit or otherwise lessen the support of a portion of the Condominium Project. The Co-owner is liable for the cost of repairing any damage to a Common Element caused by building or maintaining the improvement or modification, unless the damage could reasonably be expected in the normal course of building or maintaining the improvement or modification. The improvement or modification may be made notwithstanding prohibitions and restrictions elsewhere in these Condominium documents, but shall comply with all applicable state and local building code requirements and health and safety laws and ordinances and shall be made as closely as reasonably possible in conformity with the Intent of applicable prohibitions and restrictions regarding safety and aesthetics of the proposed modification.

Before an improvement or modification allowed by this section is made, the Co-owner shall submit plans and specifications for the improvements or modifications to the Board of Directors for review and approval. "The Board of Directors shall determine, with the advise of any experts (architects, engineers, lawyers, etc.) whether the proposed improvement or modification substantially conforms to the requirements of this section and shall not deny a proposed improvement or modification without good cause. If the

Board of Directors denies a proposed Improvement or modification, the Board shall list, in writing, the changes needed to make the proposed improvement or modification conform to the requirements of this section and shall deliver that list to the Co-owner. The Board of Directors shall approve or deny the proposed improvement or modification not later than 60 days after the plans and specifications are submitted by the Co-owner proposing the improvement or modification to the Board of Directors. If the Board of Directors does not approve or deny submitted plans and specifications within the 60-day period, the Co-owner may make the proposed improvement or modification without the approval of the Board. A Co-owner may bring an action against the Association to compel compliance with this section if the Co-owner disagrees with a denial by the Board of Directors of the Co-owner's proposed improvement or modification. The cost of such action shall be borne by the Co-owner.

As used in this section "person with disabilities" means that term as defined in section 2 of the state construction code act of 1972, 1972 PA 230, MCL 125.1502.

Section 5. Activities. No Immoral, Improper, unlawful, or offensive activity shall be carried on in any Unit or upon the Common Elements nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium. No unreasonably noisy activity shall occur in, on the Common Elements, or in any Unit at any time and disputes among Co-owners, arising as a result of this provision that cannot be amicably resolved, shall be arbitrated by the Association. No Co-owner shall do or permit anything to be done or keep or permit to be kept in his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. Activities which are deemed offensive and are expressly prohibited include, but are not limited to, the following: any activity involving the use of firearms, air rifles, pellet guns, B-B guns, bows and arrows, illegal fireworks, or other similar dangerous weapons, projectiles or devices.

Section 6. Pets. No animal, including household pets, shall be maintained by any Co-owner unless specifically approved in writing by the Association, except that a Co-owner may maintain up to two (2) domesticated dogs and two (2) domesticated cats within the Condominium Unit. No animal may be kept or bred for any commercial purpose. Any animal shall have such care and restraint so as not to

be obnoxious or offensive on account of noise, odor, or unsanitary conditions. No animal may be permitted to run loose at any time upon the Common Elements and any animal shall at all times be leashed and attended in person by some responsible person while on the Common Elements, Limited or General. The Board of Directors may, in its discretion, designate certain portions of the General Common Elements of the Project wherein such animals may be walked and/or exercised. Nothing herein contained shall be construed to require the Board of Directors to so designate a portion of the General Common Elements for the walking and/or exercising of animals and/or for the construction of dog runs. No savage or dangerous animal shall be kept and any Co-owner who causes any animal to be brought or kept upon the premises of the Condominium shall indemnify and hold harmless the Association for any loss, damage or liability (including costs and attorney fees) which the Association may sustain as a result of the presence of such animal on the premises, whether or not the Association has given its permission therefor, and the Association may assess and collect from the responsible Co-owner such losses and/or damages in the manner provided in Article II hereof. Each Co-owner shall be responsible for collection and disposition of all fecal matter deposited by any pet anywhere on the Condominium Premises. No dog that barks and can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements. The Association may charge all Co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Association determines such assessment necessary to defray the maintenance cost of the Association of accommodating animals within the Condominium. The Association shall have the right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper. The Association may, after notice and hearing, without liability to the owner thereof, remove or cause to be removed any animal from the Condominium which it determines to be in violation of the restrictions imposed by this Section or by any applicable rules and regulations of the Association, although such hearing shall not be a condition precedent to the institution of legal proceedings to remove said animal. The Association may also assess fines for such violation of the restrictions imposed by this Section or by any applicable rules and regulations of the Association. The term "animal" or "pet" as used in this Section shall not include small domesticated

animals that are constantly caged, such as small birds or fish.

**Section 7. Aesthetics.** The Common Elements shall not be used for storage of supplies, materials, personal property, or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. Garage doors shall be kept closed at all times except as may be reasonably necessary to gain access to or from the garage area. No unsightly condition shall be maintained on any balcony and only furniture and equipment consistent with the normal and reasonable use of such areas shall be permitted to remain there during seasons when such areas are reasonably in use and no furniture or equipment or items of any kind shall be stored thereon during seasons when such areas are not reasonably in use. Trash receptacles shall be maintained in areas designated therefor and shall not be permitted to remain elsewhere on the Common Elements except for such short periods of time as may be reasonably necessary to permit periodic collection of trash. The Units, Common Elements, and Limited Common Elements shall not be used in any way for the drying, shaking or airing of clothing or other fabrics. There shall be no outdoor cooking or barbecues except in areas designated therefore by the Board of Directors. Nothing herein contained shall be construed to require the Board of Directors to so designate an area for outdoor cooking or barbecues. In general, no activity shall be carried on nor condition maintained by a Co-owner, either in his Unit or upon the Common Elements, which is detrimental to the appearance of the Condominium.

**Section 8. Vehicles.** No house trailers, no oversize commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, motorcycles, all terrain vehicles, snowmobiles, snowmobile trailers or vehicles, other than automobiles or vehicles used primarily for general personal transportation purposes, may be parked or stored upon the premises of the Condominium. Automobiles and vehicles used primarily for general personal transportation shall be parked in the garage in the designated parking area only unless parked in an area specifically designated therefor by the Association or parked upon a public street pursuant to City ordinance. Co-owners are not to park in visitor parking areas and spaces. No inoperable vehicles of any type may be brought or stored upon the Condominium Premises either temporarily or permanently without the written permission of the Board of Directors. Commercial vehicles and trucks shall not be parked in or about the Condominium (except as permitted by the Commercial Use Rules and Regulations) unless while making deliveries or pickups

in the normal course of business. Each Co-owner shall park his car(s) in designated parking space(s) provided therefore. The parking garage is not to be used for storage, except as specifically provided by the Board of Directors. Co-owners shall, if the Association shall require, register with the Association all cars maintained on the Condominium Premises and the Association may issue a parking permit to all authorized vehicles which permit shall be displayed in the authorized vehicle window. Nothing herein contained shall be construed to require the Association to approve the parking or storage of such vehicles or to designate an area therefore. Use of motorized vehicles anywhere on the Condominium Premises, other than passenger cars, authorized maintenance vehicles and commercial vehicles as provided in this Section, is absolutely prohibited (except trucks designed and used primarily for personal transportation). A Co-owner may not maintain any vehicles in excess of the number of garage spaces assigned to the Co-owner upon the premises of the Condominium unless the Board of Directors specifically approves in writing otherwise. No vehicle shall obstruct the ingress or egress of other vehicles into or out of the garage area or its assigned parking area. If the Association deems it necessary to alleviate any parking shortage arising from maintenance of multiple cars by Co-owners, the Association may require construction of additional parking facilities by such Co-owners. Guest parking may be regulated by reasonable rules adopted by the Association. The Association may cause vehicles parked or stored in violation of this Section to be removed from the Condominium Premises and the cost of such removal may be assessed to and collected from the Co-owner of the Unit responsible for the presence of the vehicle in the manner provided in Article II hereof without liability to the Association.

**Section 9. Signs and Advertising.** Except as otherwise provided, no signs or other advertising devices of any kind shall be displayed which are visible from the Common Elements or exterior of a Unit, including "For Sale" signs, during the Construction and Sales Period, and, subsequent thereto, only with prior written permission from the Association.

**Section 10. Landscaping.** No Co-owner shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon the Common Elements without the prior written approval of the Association.

**Section 11. Antennas, Cable Television Dish.** No radio, television, or other communication antennas or satellite dish of any type shall be installed on the General Common Elements or on any Unit that is visible from the road or sidewalk in

front of the Unit, unless otherwise permitted by the Board of Directors in its sole discretion. Co-owners may Install an antenna designed to receive direct broadcast satellite service, including direct-to-home satellite services, that is one meter or less in diameter; or, an antenna designed to receive video programming services via multipoint distribution services, including multi-channel multi-point distribution services, instructional television fixed services, and local multipoint distribution services, that is one meter or less in diameter or diagonal measurement; or an antenna that is designed to receive television broadcast signals that is one meter or less in diameter or diagonal measurement A Co-owner desiring to Install an antenna must notify the Board of Directors prior to Installation by submitting a notice to the Board. If the proposed installation complies with the rules and regulations regarding installation and placement of antennas, installation may begin immediately; if the Installation will not comply, or is in any way not routine in accordance with the rules and regulations, then the Board of Directors and Co-owner shall meet promptly and within seven (7) days after receipt of the notice to discuss the installation. The Board of Directors may prohibit Co-owners from installing the antennas described in this section if the Co-owners have been provided with access to a central antenna facility that does not impair the Co-owner's rights under Section 207 of the Federal Communication Commission rules. This Section is intended to comply with the rule governing antennas adopted by the Federal Communication Commission ("FCC") effective October 14, 1996, as amended by Order on Reconsideration released September 25, 1998, and is subject to review and revision to conform to any changes in the content of the FCC rules or the Telecommunications Act of 1996. This section may be amended or modified through rules and regulations promulgated by the Board of Directors,

**Section 12. Window Treatments.** All window treatments, draperies and/or curtains installed in windows in the Condominium shall have neutral liners so as to maintain a uniform appearance when viewed from the exteriors of the Units. No window glass treatments other than as installed by the Developer shall be allowed.

**Section 13. Balconies.** All balconies shall be Limited Common Elements of the Condominium and shall be maintained by the Unit to which the balcony is appurtenant. No fireplace, chimney, or fire pit shall be placed or used on any balcony. No airing or drying of clothing shall be permitted on any balcony. No furniture or other items not intended for balcony or patio use shall be stored on any balcony.

No televisions, radios, PA systems or speakers are permitted on balconies.

Section 14. Decks. All decks shall be Limited Common Elements of the Condominium and shall be maintained by the Unit to which the deck is appurtenant. No fireplace, chimney, or fire pit shall be placed or used on any deck. No airing or drying of clothing shall be permitted on any deck. No furniture or other items not intended for deck or patio use shall be stored on any deck. No televisions, radios, PA systems or speakers are permitted on decks.

Section 15. Barbeques. Charcoal grills may not be used in the Condominium, whether on a Limited Common Element balcony, deck or otherwise. Outdoor grills and cooking devices that use bottled or direct natural gas (including propane) may be used in areas designated by the Board of Directors.

Section 16. Mailboxes. Uniform mailboxes shall be installed for each Unit in the Project. In accordance with the approved mailbox plan from the post office serving the municipality.

Section 17. Common Element Maintenance. Sidewalks, landscaped areas, driveways, parking areas, common hallways, elevator, balconies, the garage and roof decks, if any, shall not be obstructed nor shall they be used for purposes other than that for which they are reasonably and obviously intended. No bicycles, vehicles, chairs, or benches or other obstructions may be left unattended on or about the Common Elements. Use of any amenities or Common Elements, in the Condominium may be limited to such times and in such manner as the Association shall determine by duly adopted rules and regulations; provided however, that use of any amenities in the Condominium shall be limited to resident Co-owners who are members in good standing of the Association and to the tenants, land contract purchasers and/or other non-Co-owner occupants of Condominium Units in which the Co-owner does not reside; provided, further, that the non-resident Co-owners of such Condominium Units are members in good standing of the Association.

Section 18. Co-owner Maintenance. Each Co-owner shall maintain his Unit and any Limited Common Elements appurtenant thereto for which he has maintenance responsibility in a safe, clean, and sanitary condition. Each Co-owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, gas, plumbing, electrical or other utility conduits and systems and any other Common Elements in any Unit which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs

to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees. In the event such damages or costs are covered by insurance carried by the Association and to the extent that insurance proceeds are available for the repair and/or restoration of the Common Elements the responsible Co-owner shall bear the cost and expense to the extent of the Association's insurance deductible amount. In addition, to the extent that the Association's insurance proceeds are insufficient or such proceeds do not cover the cost of repair and/or restoration of the Common Elements, in addition to the deductible, the responsible Co-owner shall bear the excess costs and expense. Any costs of repair and/or restoration related to damages to the Common Elements resulting from negligence or misuse for which a Co-owner, his family, guests, agents or invitees is found to have been responsible, as determined by the Board of Directors in its sole discretion, may be charged to and collected from the responsible Co-owner.

Section 19. Right of Access of Association. The Association or its duly authorized agents shall have access to each Unit and any Limited Common Elements appurtenant thereto from time to time, during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, inspection, repair or replacement of any of the Common Elements. The Association or its agents shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit. It shall be the responsibility of each Co-owner to provide the Association means of access to his Unit and any Limited Common Elements appurtenant thereto during all periods of absence, and in the event of the failure of such Co-owner to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Co-owner for any necessary damage to his Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access.

Section 20. Rules and Regulations. It is intended that the Board of Directors, including the First Board of Directors (or its successors appointed by the Developer prior to the First Annual Meeting) may make rules and regulations from time to time concerning the use and operation of the Condominium. During the Construction and Sales Period, the Developer, without the prior consent of any

Co-owners or Mortgagees may establish rules and regulations of the Condominium, copies of all such rules, regulations, and amendments thereto shall be furnished to all Co-owners and shall be effective thirty (30) days after mailing or delivery thereof to the designated voting representative of each Co-owner. Any such rule or regulation or amendment may be revoked at any time by the affirmative vote of more than fifty percent (50%) of all Co-owners, in number and value, except that the Co-owners may not revoke any rule or regulation during the Construction and Sales Period.

Section 21. Reserved Rights.

(a) Prior Approval by Developer. During the Construction and Sales Period, no buildings, fences, walls, retaining walls, drives, walks or other structures or improvements shall be commenced, erected, maintained, nor shall any addition to, or change or alteration to any structure be made (including in color or design) to any Unit, except interior alterations which do not affect structural elements of any structure or Unit, nor shall any hedges, trees or substantial plantings or landscaping modifications be made, until plans and specifications, acceptable to the Developer, showing the nature, kind, shape, height, materials, color scheme, location and approximate cost of such structure or improvement and the grading or landscaping plan of the area to be affected shall have been submitted to and approved in writing by Developer, its successors or assigns, and a copy of said plans and specifications, as finally approved, lodged permanently with Developer. Developer shall have the right to refuse to approve any such plan or specifications, or grading or landscaping plans which are not suitable or desirable in its opinion for aesthetic or other reasons; and in passing upon such plans, specifications, grading or landscaping, it shall have the right to take into consideration the suitability of the proposed structure, improvement or modification, the site upon which it is proposed to effect the same, and the degree of harmony thereof with the Condominium as a whole and any adjoining properties under development or proposed to be developed by Developer. The purpose of this Section is to assure the continued maintenance of the Condominium as a beautiful and harmonious mixed use development, and shall be binding upon both the Association and upon all Co-owners.

(b) Right to Receive Minutes. After the transactional control date and prior to the expiration of the Construction and Sales Period, the Developer, or its successors and assigns, upon written request to the Board of Directors of the Association, shall have the right to be provided with copies of all minutes of annual, special or

regular meetings of the Board of Directors and of the members of the Association, on a regular or periodic basis as requested by the Developer and without unreasonable delay.

(c) Developer's Rights in Furtherance of Construction and Sales. None of the restrictions contained in this Article XIII (Restrictions) shall apply to the commercial activities or signs or billboards, if any, of the Developer or any assignee, during the Construction and Sales Period or of the Association in furtherance of its powers and purposes set forth herein and in its Articles of Incorporation, as the same may be amended from time to time. Furthermore, none of the restrictions contained in this Article XIII (Restrictions) shall apply to Unit 2, or any portion thereof that is owned by the Developer during the Construction and Sales Period.

(d) Sales – Business Office. Notwithstanding anything to the contrary elsewhere herein contained, Developer shall have the right to maintain a sales office, a business office, a construction office, model units, storage areas and reasonable parking incident to the foregoing and such access to, from and over the Project as may be reasonable to enable development and sale of the entire Project by Developer; and may continue to do so during the entire Construction and Sales Period. Developers rights under this paragraph shall be assignable by the Developer during the Construction and Sales Period. Developer or its assignee shall restore the areas so utilized to habitable status upon termination of use.

(e) Commercial Use of Project. The Developer shall have the exclusive right to grant permission for the Common Elements and exteriors of Units and the structures thereon which can be viewed from the Common Elements, streets, alleys, or the air, to be used as a motion picture set, background, stage, sound stage, studio, painting, photograph, image, or location for any commercial media production or use, without the consent of, or payment to, the Co-owners or the Association. The Developer may collect a fee for its consent to use such images or for providing support services to photographers or others. The exercise of this right shall not interfere with normal and customary rights of architects and design professionals who designed the Project. The consent of the Developer shall not be required for the use of the Project as set forth above in connection with any news or feature coverage, for educational purposes, for individual noncommercial use, or for any governmental agency purposes. The Developer reserves the right to use, and assign the right to use, the Project's name, images and other features unique to the Project. None of the above rights are intended to prevent a Unit Co-owner

from granting independent permission for use of his individual Unit for such purposes provided such use is permitted elsewhere under these Bylaws.

(f) Enforcement of Bylaws. The Condominium Project shall at all times be maintained in a manner consistent with the highest standards of a beautiful, serene, private, mixed use community for the benefit of the Co-owners and all persons interested in the Condominium. If at any time the Association fails or refuses to carry out its obligation to maintain, repair, replace and landscape in a manner consistent with the maintenance of such high standards, then Developer, or any entity to which it may assign this right, at its option, may elect to maintain, repair and/ or replace any Common Elements and/or to do any landscaping required by these Bylaws and to charge the cost thereof to the Association as an expense of administration. The Developer shall have the right to enforce these Bylaws throughout the Construction and Sales Period notwithstanding that it may no longer own a Unit in the Condominium, which right of enforcement shall include (without limitation) an action to restrain the Association or any Co-owner from any activity prohibited by these Bylaws.

Section 22. Enforcement by the City of Detroit. The Condominium Project shall at all times be maintained In a manner consistent with ordinances of the City of Detroit. If at any time the Association or any Co-owner fails or refuses to carry out its obligation to maintain, repair, replace and landscape in a manner consistent with the approved site plan and the ordinances of the City of Detroit, the City (as a third party beneficiary of the Master Deed and Bylaws) shall have the right, at its option, to maintain, repair and/or replace any common areas of the Project consistent with the approved site plan and ordinances, and to charge the cost thereof to the Association as an expense of administration or charge the cost thereof to the offending Co-owner(s). This right of enforcement shall include (without limitation) an action to restrain the Association or any Co-owner from any prohibited activity.

Section 23. Waiver. During the Construction and Sales Period, the Developer, and thereafter the Association, may waive the restrictions contained herein if it reasonably determines that the harmony and appearance of the community will not be adversely affected thereby.

Section 24. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than it otherwise might be. The cost of maintaining a Common Element alarm system, including monitoring cost, shall be a cost of administration in the sole discre-

tion of the Developer during the Construction and Sales period and thereafter in the sole discretion of the Board of Directors. NEITHER THE ASSOCIATION, THE DEVELOPER, NOR ANY SUCCESSOR DEVELOPER OR BUILDER SHALL IN ANY WAY BE CONSIDERED AN INSURER OR GUARANTOR OF SECURITY WITHIN THE PROJECT, AND NEITHER THE ASSOCIATION, THE DEVELOPER, NOR ANY SUCCESSOR DEVELOPER OR BUILDER SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN.

**ARTICLE XIV  
COMPLIANCE**

The Association and all present or future Co-owners, tenants, future tenants, or any other persons acquiring an interest in or using the Project in any manner are subject to and shall comply with the Act, as amended, and the mere acquisition, occupancy or rental of any Unit or an interest therein or the utilization of or entry upon the Condominium Premises shall signify that the Condominium Documents are accepted and ratified. In the event the Condominium Documents conflict with the provisions of the Act, the Act shall govern.

**ARTICLE XV  
REMEDIES FOR DEFAULT**

Any default by a Co-owner shall entitle the Association or another Co-owner or Co-owners to the following relief:

Section 1. Legal Action. Failure to comply with any of the terms or provisions of the Condominium Documents shall be grounds for relief, which may include, without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association or, if appropriate, by an aggrieved Co-owner or Co-owners,

Section 2. Recovery of Costs. In any proceeding arising because of an alleged default by any Co-owner, non-Co-owner resident, or guest, the Association, if successful, shall be entitled to recover the costs of the proceeding, including pre-litigation costs and actual reasonable attorney's fees (not limited to statutory fees) as may be determined by the court, but in no event shall any Co-owner be entitled to recover such costs or attorney fees against the Association. In addition, in cases where the Association must defend an action brought by any Co-owner(s), the Association, if successful, shall be entitled to recover the costs of the proceeding and actual reasonable attorney fees (not limited to statutory fees), incurred in obtaining compliance, but in

no event shall any Co-owner be entitled to recover such costs or attorney's fees against the Association. The Association, if successful, shall be entitled to recoup the costs and actual reasonable attorney fees incurred in defending any claim, counterclaim, or other matter from the Co-owner(s) asserting the claim, counterclaim, or other matter.

**Section 3. Removal and Abatement.** The violation of any of the provisions of the Condominium Documents shall also give the Association or its duty authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Co-owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents. The Association shall have no liability to any Co-owner arising out of the exercise of its removal and abatement power authorized herein.

**Section 4. Assessment of Fines.** The violation of any of the provisions of the Condominium Documents by any Co-owner shall be grounds for assessment by the Association of monetary fines for such violations in accordance with Article XVII (Remedies for Default) of these Bylaws.

**Section 5. Non-waiver of Right.** The failure of the Association or of any Co-owner to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Co-owner to enforce such right, provision, covenant or condition in the future.

**Section 6. Cumulative Rights, Remedies, and Privileges.** All rights, remedies and privileges granted to the Association or any Co-owner or Co-owners pursuant to any terms, provisions, covenants or conditions of the aforesaid Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

**Section 7. Enforcement of Provisions of Condominium Documents.** A Co-owner may maintain an action against the Association and its officers and directors to compel such persons to enforce the terms and provisions of the Condominium Documents. A Co-owner may maintain an action against any other Co-owner for injunctive relief or for damages or any combination thereof for noncompliance with the terms and provisions of the Condominium Documents or the Act, in any proceeding brought by a Co-owner against the Association, or its officers and

directors under this Section, the Association, or its officers and directors, if successful, shall be entitled to recover costs of the proceeding and such reasonable attorney's fees (not limited to statutory fees) as may be determined by the court, but in no event shall any Co-owner be entitled to recover such attorney's fees.

#### **ARTICLE XVI ASSESSMENT OF FINES**

**Section 1. General.** The violation by any Co-owner, occupant, or guest of any of the provisions of the Condominium Documents including any duly adopted rules and regulations shall be grounds for assessment by the Association of monetary fines against the involved Co-owner. Such Co-owner shall be deemed responsible for such violations whether they occur as a result of his personal actions or the actions of his family, guests, tenants, or any other person admitted through such Co-owner to the Condominium Premises.

**Section 2. Procedures.** Upon any such violation being alleged by the Association, the following procedures will be followed:

(a) **Notice.** Notice of the violation, including the Condominium Document provision violated, together with a description of the factual nature of the alleged offense set forth with such reasonable specificity as will place the Co-owner on notice as to the violation, shall be sent by first class mail, postage prepaid, or personally delivered to the representative of said Co-owner at the address as shown in the notice required to be filed with the Association pursuant to Article IV, Section 3 of these Bylaws.

(b) **Opportunity to Defend.** The offending Co-owner shall have an opportunity to appear before the Association and offer evidence in defense of the alleged violation. The appearance before the Association shall be at its next scheduled meeting, but in no event shall the Co-owner be required to appear less than ten days from the date of the notice.

(c) **Default.** Failure to respond to the notice of violation constitutes a default.

(d) **Hearing and Decision.** Upon appearance by the Co-owner before the Board and presentation of evidence of defense, or, in the event of the Co-owner's default, the Association shall, by majority vote of a quorum of the board, decide whether a violation has occurred. The Association's decision is final.

**Section 3. Amounts.** Upon violation of any of the provisions of the Condominium Documents and after default of the offending Co-owner or upon the decision of the Association as recited above, the following fines shall be levied:

(a) **First violation.** No fine shall be levied.

(b) **Second Violation.** Twenty-Five Dollar (\$25.00) fine.

(c) Third Violation. Fifty Dollar (\$50.00) fine.

(d) Fourth Violation and Subsequent Violations. One Hundred Dollar (\$100.00) fine.

The Board of Directors may change this schedule of fines by a resolution of the Board. Notwithstanding anything stated in these Bylaws to the contrary, a change in this schedule of fines may be made by Board resolution and will not require that an amendment to these Bylaws be adopted or recorded. Furthermore, should the Board of Directors adopt an appropriate resolution, this schedule of fines may escalate to keep pace with adjustments to the Consumer Price Index as announced by the Bureau of Labor Statistics which Index shall be the Index published to the metropolitan statistical area in which the Project is located.

Section 4. Collection. The fines levied pursuant to Section 3 above shall be assessed against the Co-owner and shall be due and payable together with the regular Condominium assessment on the first of the next following month. Failure to pay the fine will subject the Co-owner to all liabilities set forth in the Condominium Documents including, without limitations, those described in Article II (Assessments) and Article VII (Remedies for Default) of the Bylaws.

**ARTICLE XVII  
ARBITRATION AND LITIGATION**

Section 1. Arbitration Among or Between Co-Owners or Co-Owners and the Association.

(a) Scope and Election. Disputes, claims, or grievances arising out of or relating to the interpretation of the application of the Condominium Documents, or any disputes, claims or grievances arising out of disputes among or between Co-owners or between Co-Owners or the Association, shall be submitted to Arbitration upon the election and written consent of the parties to any such disputes, claims or grievances and upon written notice to the Association.

(b) Arbitration. With respect to all arbitration under this Section: (i) judgment of the circuit court of the State of Michigan for the jurisdiction in which the Condominium Project is located may be rendered upon any award pursuant to such arbitration and the parties thereto shall accept the arbitrator's decision as final and binding; (ii) the Commercial Arbitration Rules of the American Arbitration Association, as amended and in effect from time to time hereafter, shall be applicable to such arbitration; (iii) the period of limitations prescribed by law for the bringing of a civil action shall apply equally to the requirement or agreement to settle by arbitration; (iv) all costs of arbitration shall be allocated in the manner provided by the arbitration associa-

tion; (v) the method of appointment of the arbitrator or arbitrators shall be pursuant to rules of the arbitration association; (vi) the arbitration shall proceed according to section 5001 to 5065 of Act No. 236 of the Public Acts of 1961, being sections 600.5001 to 600.5065 of the Michigan Compiled Laws, as amended, which may be supplemented by the rules of the arbitration association, and (vii) the agreement to arbitrate precludes the parties from litigating such claims in the courts.

(c) Judicial Relief. In the absence of the election and written consent of the parties to arbitrate as provided pursuant to Section 1 (a) above, no Co-owner or the Association adversely affected by a violation of or failure to comply with the Act or rules promulgated under the Act, or a provision of an agreement or Master Deed shall be precluded from petitioning a court of competent jurisdiction to resolve any dispute, claim or grievances.

(d) Election of Remedies. The election by the parties to submit any dispute, claim, or grievance to arbitration prohibits the parties from petitioning the courts regarding that dispute, claim, or grievance.

Section 2. Arbitration Between the Developer and Co-owner(s) and/or the Association. By purchase of a Unit, Co-owners agree as follows;

(a) Arbitration Between the Developer and Co-owner(s). With respect to any claim that might be the subject of a civil action between a purchaser, Co-owner, or person occupying a restricted unit under section 1046 of the Act and the Developer, which claim involves an amount of Two Thousand five Hundred Dollars (\$2,500.00) or less and arises out of or relates to the Common Elements of the Project, such claim shall be settled by arbitration at the exclusive option of the purchaser, Co-owner, or person occupying a restricted unit under section 1046 of the Act All other claims may be settled by arbitration at the exclusive option of Developer.

(b) Arbitration Between the Developer and the Association. With respect to any claim that might be the subject of a civil action between the Association and the Developer, which claim arises out of or relates to the Common Elements of the Condominium Project, if the amount of the claim is Ten Thousand Dollars (\$10,000.00) or less such claim shall be settled by arbitration, at the exclusive option of the Association. All other claims may be settled by arbitration at the exclusive option of the Developer.

(c) Arbitration. With respect to all arbitration under this Section: (i) judgment of the circuit court of the State of Michigan for the jurisdiction in which the Condominium Project is located may be rendered upon any award pursuant to such arbitration and the parties thereto shall

accept the arbitrator's decision as final and binding; (ii) the Commercial Arbitration Rules of the American Arbitration Association, as amended and In effect from time to time hereafter, shall be applicable to such arbitration; (iii) the period of limitations prescribed by law for the bringing of a civil action shall apply equally to the requirement or agreement to settle by arbitration; (iv) all costs of arbitration shall be allocated in the manner provided by the arbitration association; (v) the method of appointment of the arbitrator or arbitrators shall be pursuant to rules of the arbitration association; (vi) the arbitration shall proceed according to section 5001 to 5065 of Act No. 236 of the Public Acts of 1961, being sections 600.5001 to 600.5065 of the Michigan Compiled Laws, as amended, which may be supplemented by the rules of the arbitration association, and (vii) the agreement to arbitrate precludes the parties from litigating such claims in the courts.

(d) Judicial Relief. In the absence of the election and written consent of the parties to arbitrate as provided pursuant to Section 1(a) above, no Co-owner or the Association adversely affected by a violation of or failure to comply with the Act or rules promulgated under the Act, or a provision of an agreement or Master Deed shall be precluded from petitioning a court of competent jurisdiction to resolve any dispute, claim or grievances.

(e) Section 107 Action by Co-owners. Nothing in this Section shall, however, prohibit a Co-owner from maintaining an action in court against the Association and its officers and directors to compel these persons to enforce the terms and provisions of the Condominium Documents, nor to prohibit a Co-owner from maintaining an action in court against any other Co-owner for injunctive relief or for damages or any combination thereof for noncompliance with the terms and provisions of the Condominium Documents or the Act.

Section 3. Litigation/Arbitration on behalf of Association. Actions on behalf of and against the Co-owners shall be brought in the name of the Association. Subject to the express limitations on actions in these Bylaws and in the Association's Articles of Incorporation, the Association may assert, defend, or settle claims on behalf of all Co-owners in connection with the Common Elements of the Condominium. As provided in the Articles of Incorporation of the Association, the commencement of any civil action or arbitration (other than one to enforce these Bylaws or to collect delinquent assessments) shall require the approval of a majority of the Co-owners in number and in value, and shall be governed by the requirements of this Section. The requirements of this Section will ensure that the Co-owners are fully

informed regarding the prospects and likely costs of any civil action the Association proposes to engage in, as well as the ongoing status of any civil actions actually filed by the Association. These requirements are imposed in order to reduce both the costs of litigation and the risk of improvident litigation, and in order to avoid the waste of the Association's assets in litigation through additional or special assessments where reasonable and prudent alternatives to the litigation exist. Each Co-owner shall have standing to sue to enforce the requirements of this Section. The following procedures and requirements apply to the Associations commencement of any civil action other than an action to enforce these Bylaws or to collect delinquent assessments:

(a) Pre-Litigation/Arbitration Requirements. Prior to commencing a civil action on behalf of the Association, the Board of Directors shall (i) call a special meeting of the Co-owners for the express purpose of evaluating the merits of the proposed litigation/arbitration ("Litigation Evaluation Meeting"); (ii) at least 10 days prior to the date scheduled for the Litigation Evaluation Meeting, issue a written report to all Co-owners outlining the Boards recommendation that a civil suit be filed (including arbitration), such report shall include a full disclosure of all attempts made by the Board to settle the controversy; (iii) present to the Co-owners, prior to or at the Litigation Evaluation Meeting, the Board of Director's written recommendation of the proposed attorney for the civil action. Such recommendation shall include, the name and affiliations of the attorney, the number of years the attorney has practiced law, the name and address of every condominium and homeowner association for which the attorney has filed a civil action together with the case number, county, and court in which each action was filed, the attorney's proposed written fee agreement, the attorneys total estimated cost of the civil action through a trial on the merits or conclusion of arbitration, including legal fees, court costs, expert witness fees, and all other expenses expected to be incurred, the attorney's written estimate of the amount the Association is likely to recover in the suit or arbitration net of legal fees, court costs, arbitration costs and fees, expert witness fees and all other expenses expected to be incurred in the action, the attorney's billing and payment policies and the attorney's commitment to provide written status reports of the litigation/arbitration, settlement progress and updated cost and recovery estimates no less than every 30 days; (iv) present to the Co-owners prior to or at the Litigation Evaluation Meeting the amount to be specially assessed against each Unit in the Condominium to fund the total estimated cost of

the civil action through a trial on the merits or conclusion of arbitration, in both total and on a monthly per Unit basis.

(b) Co-owner Litigation/Arbitration Approval. At the Litigation Evaluation Meeting, the Co-owners shall vote on whether to authorize the Board of Directors to proceed with the proposed civil action and whether the matter should be handled by the attorney proposed by the Board of Directors. The commencement of any civil action by the Association (other than a suit to enforce these Bylaws or collect delinquent assessments) must be approved by 66 2/3% In number and value of the Co-owners.

(c) Litigation/Arbitration Assessment. All fees estimated to be incurred in pursuit of any civil action subject to paragraph (a) above shall be paid only by special assessment of the Co-owners, which special assessment must be approved at the Litigation Evaluation Meeting. The total amount of the special assessment shall be collected monthly over a period not to exceed twenty-four (24) months. If at any time during the course of action, the Board of Directors determines that the approved special litigation assessment is inaccurate or requires revision, the Board of Directors shall immediately prepare a revised estimate of the total cost of the civil action. If the revised estimate exceeds the special assessment previously approved by the Co-owners, the Board of Directors shall call a special meeting of the Co-owners to review the status of the civil action, and allow the Co-owners to vote on whether to continue the civil action and increase the litigation special assessment. The meeting shall have the same quorum and voting requirements as the Litigation Evaluation Meeting.

(d) Independent Expert Opinion. If the lawsuit/arbitration relates to the condition of any of the Common Elements of the Condominium, the Board of Directors shall obtain a written independent expert opinion as to reasonable and practical alternative approaches to repairing the problems with the Common Elements, which shall set forth the estimated costs and expected viability of each alternative. In obtaining the independent expert opinion, the Board of Directors shall conduct its own investigation as to the qualification of any expert and shall not retain any expert recommended by the litigation/arbitration attorney or any other attorney with whom the Board of Directors consults. The purpose of the independent expert opinion is to avoid any potential confusion regarding the condition of the Common Elements that might be created by a report prepared as an instrument of advocacy for use in a civil action. The independent expert opinion will ensure that the Co-owners have a realistic appraisal of the condition of the Common

Elements, the likely cost of repairs to or replacement of the same, and the reasonable and prudent repair and replacement alternatives. The independent expert opinion shall be sent to all Co-owners with the written notice of the Litigation Evaluation Meeting.

(e) Litigation/Arbitration Review Meetings. The Board, of Directors shall meet monthly during the course of any civil action to discuss and review: (i) the status of the litigation/arbitration; (ii) the status of settlement efforts, if any; and (iii) the attorney's written report. In addition, a copy of the minutes from the Litigation Review Meeting, together with a copy of any reports submitted to the Board of Directors, shall be mailed to each Co-owner within 30 days of each Litigation Review Meeting.

(f) Disclosure of Litigation/Arbitration Expenses. The litigation expenses, including attorney's fees, court costs, arbitration costs and fees, expert witness fees and all other expenses of any civil action filed by the Association shall be fully disclosed to Co-owners in the Association's annual budget. In addition, litigation/arbitration expenses shall be made reasonably available for Co-owner review on written request of a Co-owner.

#### **ARTICLE XVIII AMENDMENTS**

These Bylaws may be amended as provided under the Master Deed with the consent of the Co-owners and mortgages, except as hereinafter set forth:

Section 1. Amendment prior to completion of Construction and Sale Period. Prior to completion of the Construction and Sales Period, no provision of these Bylaws shall be made without the prior written consent of the Developer.

Section 2. Proposal. Amendments to these Bylaws may be proposed by the Association acting upon the vote of the majority of the directors or may be proposed by 1/3 or more of the Co-owners by instrument in writing signed by them. A person causing or requesting an amendment to the Bylaws shall be responsible for costs and expenses of the amendment, except for amendments based upon a vote of a prescribed majority of Co-owners and mortgagees or based upon the advisory committee's decision, the costs of which are expenses of administration.

Section 3. Meeting. Upon any such amendment being proposed, a meeting for consideration of the same shall be duly called in accordance with the provisions of these Bylaws.

Section 4. Voting. These Bylaws may be amended by the Co-owners at any regular annual meeting or a special meeting called for such purpose by an affirmative vote of not less than 2/3 vote of all Co-owners. No consent of mortgagees shall be required to amend these Bylaws

unless such amendment would materially alter or change the rights of such mortgagees, in which event the approval of 2/3 vote of the mortgagees shall be required, with each mortgagee to have one vote for each first mortgage held. Mortgagees need not appear at any meeting of Co-owner's, except that their approval shall be solicited through written ballots. To the extent that a vote of mortgagees of Units Is required for the amendment of these Bylaws, the procedure described in Section 90a of the Act, MCL 559.190a shall be followed.

Section 5. By Developer. Prior to the Transitional Control Date, the Developer may amend these Bylaws without approval from any other person so long as any such amendment does not materially alter or change the right of a Co-owner or mortgagee.

Section 6. When Effective. Any amendment to these Bylaws shall become effective upon recording of such amendment in the office of the Wayne County Register of Deeds.

Section 7. Binding. A copy of each amendment to the Bylaws shall be furnished to every member of the Association after adoption; provided, however, that any amendment to these Bylaws that is adopted in accordance with this Article shall be binding upon all persons who have an interest in the Project irrespective of whether such persons actually receive a copy of the amendment.

#### **ARTICLE XIX**

##### **RIGHTS RESERVED TO DEVELOPER**

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the right and power to approve or disapprove any act, use, or proposed action or any other matter or thing, may be assigned by it to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its acceptance of such powers and rights and such assignee or transferee shall thereupon have the same rights and powers as herein given and reserved to the Developer. Any rights and

powers reserved or granted to the Developer or its successors shall terminate, if not sooner assigned to the Association, at the conclusion of the Construction and Sales Period as defined in Article III of the Master Deed. The Immediately preceding sentence dealing with the termination of certain rights and powers granted or reserved to the Developer is intended to apply, insofar as the Developer is concerned, only to the Developer's rights to approve and control the administration of the Condominium and shall not, under any circumstances, be construed to apply to or cause the termination of any real property rights granted or reserved to the Developer or its successors and assigns in the Master Deed or elsewhere (including, but not limited to, access easements, utility easements and all other easements created and reserved in such documents which shall not be terminable in any manner hereunder and which shall be governed only in accordance with the terms of their creation or reservation and not hereby).

#### **ARTICLE XX DEFINITIONS**

All terms used herein shall have the same meaning as set forth in the Master Deed to which these Bylaws are attached as an Exhibitor as set forth in the Act.

#### **ARTICLE XXI SEAL**

The Association may {but need not} have a seal. If the board determines that the Association shall have a seal, then it shall have inscribed thereon the name of the Association, the words "corporate seal," and "Michigan."

#### **ARTICLE XXII SEVERABILITY**

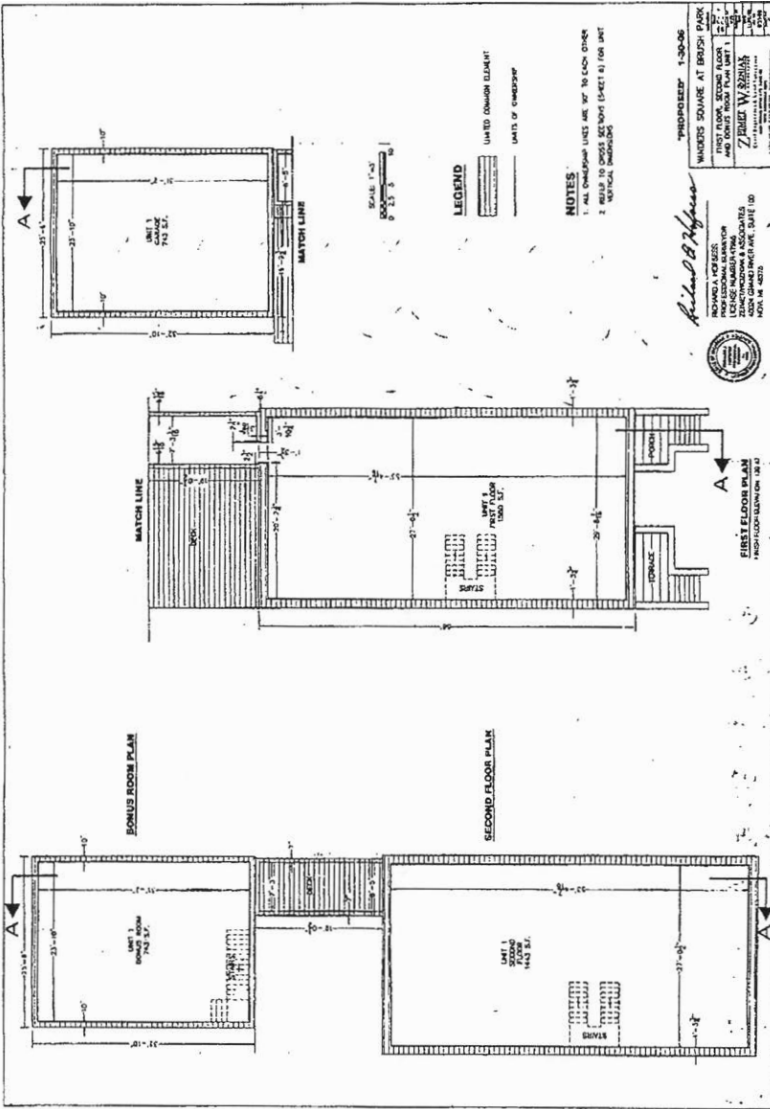

In the event that any of the terms, provisions or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants of such documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

AMENDED ARTICLE IV OF THE  
MASTER DEED OF WINDERS  
SQUARE A T BRUSH PARK  
COMMON ELEMENTS

The Common Elements of the Project and the respective responsibilities for maintenance, decoration, repair or replacement thereof, areas follows:

Section 1. General Common Elements. The General Common Elements, subject to the rights of others defined in Section 3, are:

(a) Common Areas. The land described in Article II hereof subject to the rights of the public in such land, including, lawn areas, driveways, sidewalks, and rubbish areas, not exclusively limited to a particular Unit or enclosed with the boundaries of a Unit and which are intended for common use, all of which are subject to the rights of the public in such Common Areas, if any.

(b) Common Utility Systems. The common utility systems located throughout the Project, including all electrical transmission lines, pole lights, and related equipment designed to serve the Project as a whole.

(c) Easements. All easements, if any, which benefit the Condominium Premises as a whole.

(d) Irrigation System. The irrigation system located throughout the Project.

(e) Monuments and Signs. The "Winders Square at Brush Park" or "Winders Square" monuments and signs located throughout the Project, if any.

(f) Sanitary Sewer. The sanitary sewer system throughout the Project up to the point of connection for Unit service.

(g) Storm Sewer. The storm sewer system throughout the Project.

(h) Water. The water distribution system throughout the Project, including the water meters up to the point of connection for Unit service.

(i) Other. Such other elements of the Project not herein designated as General or Limited Common Elements which are not enclosed within the boundaries of a Unit, and which are intended for common use or are necessary to the existence, upkeep, and safety of the Project.

Nothing herein shall obligate the Developer to construct any amenity or Common Element described herein except as shown on the Condominium Subdivision Plan as "must be built."

Some or all of the utility lines, systems (Including mains and service leads) and equipment described above may be owned by the local public authority or by the company that is providing the pertinent service. Accordingly, such utility lines, systems and equipment shall be General Common Elements only to the extent of the Co-owners' interest therein, If any, and the Developer makes no warranty whatever with respect to the nature or extent of such interest, if any.

Section 2. Limited Common Elements. Limited Common Elements shall be subject to the exclusive use and enjoyment of the Owner of the Unit to which the Limited Common Elements are appurtenant or as designated by the

Developer as a Limited Common Element of such Unit. The Limited Common Elements are:

(a) Unit 1 Air Conditioning Unit Pad. Unit 1 air conditioner compressor, its pad, and other equipment and accessories related thereto together with the ground or roof surface immediately below the pad, are restricted in use to the Co-owner of the Unit that such air conditioner unit services.

(b) Unit 1 Construction. Foundations, roof system, supporting columns, Unit perimeter walls, including the basement floor, rafters, floor joist, ceiling joists, conduit, wiring, plumbing, electrical, ductwork, drywall, plaster, masonry, and framing (including windows, screens and doors therein), shall be limited in use to the Unit(s) served thereby.

(c) Unit 1 Garage, Garage Doors and Openers. The garage, garage door, and its hardware, including the electric garage door opener if any (openers are not standard equipment), shall be limited in use to the Unit that it services.

(d) Unit 1 Interior Surfaces. The interior unfinished surfaces of the Unit shall be subject to the exclusive use and enjoyment of the Co-owner of such Unit.

(e) Mailbox. Each individual Unit mailbox is limited to the Unit to which it is assigned.

(f) Parking Spaces. To the extent that the Developer assigns parking spaces to a Unit, the parking space area assigned to the Unit is limited to the use of the Unit to which it is assigned.

(g) Utility Meters. Utility meters (gas and electric) are limited to the Unit served thereby.

(h) Driveways and Sidewalks. The driveways and sidewalks serving any Unit shall be limited to the Unit(s) served thereby.

Section 3. Responsibilities. Unless otherwise provided in the Condominium Documents, the respective responsibilities for the maintenance, decoration, repair and replacement of the Common Elements are as follows:

(a) General Common Elements. The costs of maintenance, decoration, repair and replacement of all General Common Elements shall be borne by the Association.

(b) Limited Common Elements. The cost of maintenance, decoration, repair and replacement of all Limited Common Elements shall be borne by the Co-Owner(s) of the Unit(s) to which the Limited Common Element is appurtenant or for which the Limited Common Element is assigned.

(c) Association Responsibility for Limited Common Elements. The Association shall provide and take whatever action or actions it deems reasonable and necessary to provide for the maintenance, repair and replacement of the following Limited Common Elements, (at the expense of the Co-owners served thereby) as determined in the sole discretion of the Association:

(1) Unit 1 Air Conditioning Unit Pad. Unit 1 air conditioner compressor, its pad, and other equipment and accessories related thereto together with the ground or roof surface immediately below the pad except for equipment and accessories contained within a Unit.

(2) Unit 1 Construction. Foundations, roof system, supporting columns, Unit perimeter walls, including the basement floor, and roof rafters (including windows, screens and doors therein).

(3) Unit 1 Garage, Garage Doors and Openers. The garage, garage door, and its hardware, including the electric garage door opener if any.

(4) Mailbox. Each individual Unit mailbox.

(5) Parking Spaces. The parking space area.

(6) Utility Meters. Utility meters (gas and electric).

(7) Driveways and Sidewalks. The driveways and sidewalks.

(d) Co-Owner Responsibility for Units. Except as otherwise provided, the responsibility for the cost of construction, maintenance, decoration, repair and replacement of each Unit shall be borne solely by the Co-owner of the Unit; provided, however, that the exterior appearance any Unit to the extent visible from any other Unit or Common Element shall be subject to the aesthetic and maintenance standards prescribed by the Association in duly adopted rules and regulations.

(e) Failure of Co-Owner to Perform Maintenance Responsibilities. In the event a Co-owner fails to maintain, decorate, repair, or replace any Items for which such Co-owner is responsible the Association (and/or the Developer during the Construction and Sales Period) shall have the right, but not the obligation, to take whatever action or actions it deems desirable to so construct, maintain, decorate, repair, remove, and replace any of such Limited Common Elements, all at the expense of the Co-owner of the Unit Failure of the Association (or the Developer) to take any such action shall not be deemed a waiver of the Associations (or the Developer's) right to take any such action at a future time. All costs Incurred by the Association or the Developer in performing any responsibilities under this Article which are required, in the first instance to be borne by any Co-owner,

shall be assessed against such Co-owner and shall be due and payable with his monthly assessment next falling due; further, the lien for nonpayment shall attach as in all cases of regular assessments and such assessments may be enforced by the use of all means available to the Association under the Condominium Documents for the collection of regular assessments including, without limitation, legal action, foreclosure of the lien securing payment and imposition of fines.

No Co-owner shall use his Unit or the Common Elements in any manner inconsistent with the purposes of the Project or in any manner that interferes with or impairs the rights of any other Co-owner in the use and enjoyment of his Unit or the Common Elements. No Limited Common Element, if created, may be modified or its use enlarged or diminished by the Association without the written consent of the Co-owner to which Unit the same is appurtenant.

2. Amended Article X of the Bylaws, as set forth below, upon recordation in the office of the Wayne County Register of Deeds of this Amendment, shall replace and supercede Article X of the Bylaws as recorded, and the previously recorded Article X shall be of no further force or effect.

**AMENDED ARTICLE X OF THE  
BYLAWS OF WINDERS  
SQUARE AT BRUSH PARK  
INSURANCE**

Section 1. Extent of Coverage. The Association shall, to the extent appropriate in light of the nature of the Common Elements of the Project, carry fire and extended coverage, vandalism and malicious mischief and liability insurance (in a minimum amount to be determined by the Developer or the Association in its discretion, but in no event less than \$1,000,000 per occurrence), officers' and directors' liability insurance, and workmen's compensation insurance, if applicable, and any other insurance the Association may deem applicable, desirable, or necessary, pertinent to the ownership, use, and maintenance of the General Common Elements and such insurance shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Association. All such insurance shall be purchased by the Association for the benefit of the Association, the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners. The Association, as to all policies which it obtains, and all Co-owners, as to all policies which they obtain, shall use their best efforts to see that all property and liability Insurance carried by the Association or any Co-owner shall con-

tain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

(b) Insurance of Common Elements. All Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount equal to the current insurable replacement value, excluding foundation and excavation costs, as determined annually by the Association in consultation with the Association's insurance carrier and/or its representatives in light of commonly employed methods for the reasonable determination of replacement costs. Such coverage shall be effected upon an agreed-amount basis for the entire Condominium Project with appropriate inflation riders in order that no co-insurance provisions shall be invoked by the insurance carrier in a manner that will cause loss payments to be reduced below the actual amount of any loss (except in the unlikely event of total project destruction if the insurance proceeds failed, for some reason, to be equal to the total cost of replacement). All information in the Association's records regarding insurance coverage shall be made available to all Co-owners upon request and reasonable notice during normal business hours so that Co-owners shall be enabled to judge the adequacy of coverage and, upon the taking of due Association procedures, to direct the Board at a properly constituted meeting to change the nature and extent of any applicable coverage, if so determined. Upon such annual re-evaluation and effectuation of coverage, the Association shall notify all Co-owners of the nature and extent of all changes in coverage. It shall be each Co-owner's responsibility to determine the necessity for and to obtain insurance coverage for any and all structures, fixtures, equipment, trim and other items or attachments constructed within the Unit or upon any Limited Common Elements appurtenant thereto whether or not installed by the Developer, and the Association shall have no responsibility whatsoever for obtaining such coverage unless agreed specifically and separately between the Association and the Co-owner in writing.

(c) Premium Expenses. All premiums upon insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association, and the Co-owners and their mortgagees, as their interests may appear;

provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article XI of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction.

(e) Deductible. When a claim is made on any of the insurance policies maintained by the Association for damage to the Common Elements which damage resulted from Co-owner action or failure to act, including but not limited to damage resulting from misuse of any of the Common Elements by a Co-owner, his family, guests, agents or invitees, as determined by the Board of Directors in its sole discretion, the deductible shall be paid by the Co-owner of such Unit causing such damage. In all other instances, the deductible shall be a cost of administration paid by the Association.

(f) Contractor Insurance. Each Co-owner which retains any maintenance and alteration contractors to perform work on a Co-owners Unit is responsible to hire only maintenance and alteration contractors that are properly licensed and insured, which insurance coverage shall include coverage for damages to the Common Elements and Units within the Project resulting from the contractors work. Each Co-owner shall be responsible, to the extent that the Association insurance proceeds are insufficient or such insurance proceeds do not cover the full cost of repair and/or restoration of the Common Elements, for damages caused by the Co-owner, his family, guests, agents or invitees. Any costs of repair and restoration related to damages to the Common Elements resulting from the actions for which a Co-owner, his family, guests, agents or invitees is found to have been responsible, as determined by the Board of Directors in its sole discretion, may be charged to and collected from the Co-owner.

Section 2. Responsibilities of Co-owners. Each Co-owner shall be obligated and responsible for obtaining fire and extended coverage and vandalism and malicious mischief insurance with respect to the Unit and all other structures and improvements constructed or to be constructed within the perimeter of the Condominium Unit, and for personal property located therein or thereon or elsewhere on the Condominium Project. Where structures and improvements are common to more than one Unit (other than Common Elements insured by the Association), the Co-owners of such Units may collectively and jointly obtain such insurance as is necessary to properly insure the Units, structures and Improvements. There is no responsibility on the part of the Association to insure

any of such structures or other improvements whatsoever other than as provided in Section 1 above. All such insurance shall be carried by each Co-owner or Co-owners in an amount equal to the maximum insurable replacement value. Each Co-owner shall deliver certificates of insurance to the Association from time to time to evidence the continued existence of all insurance required to be maintained by the Co-owner hereunder. In the event of the failure of a Co-owner to obtain such insurance or to provide evidence thereof to the Association, the Association may, but shall not be obligated to, obtain such Insurance on behalf of such Co-owner(s) and the premiums therefor shall constitute a lien against the Co-owner's Unit which may be collected from the offending Co-owner(s) In the same manner that Association assessments may be collected In accordance with Article II hereof. Each Co-owner also shall be obligated to obtain insurance coverage for personal liability for occurrences within the perimeter of the Unit or the upon the Common Elements (naming the Association and the Developer during the Construction and Sales Period as Insureds), and also for any other personal Insurance coverage that the Co-owner wishes to carry. Such insurance shall be carried In such minimum amounts as may be specified by the Association, however, such coverage shall not be less than \$1,000,000 (and as specified by the Developer during the Construction and Sales Period) and each Co-owner shall furnish evidence of such coverage to the Association or the Developer upon request. The Association shall under no circumstances have any obligation to obtain any of the insurance coverages described In this Section 2 or any liability to any person for failure to do so.

Section 3. Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act In connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation Insurance, if applicable, pertinent to the Condominium Project, his Unit and the Common Elements appurtenant thereto, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respec-

tive mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

Section 4. Determination of Primary Carrier. It is understood that there will be overlapping coverage between the Co-owners' policies and those of the Association, as required to be carried pursuant to this Article. In situations where both coverages/policies are applicable to a given loss, the provisions of this subsection shall control in determining the primary carrier. In cases of property damage to the Unit and its contents or damages to a Common Element, or personal injury or otherwise for which the Co-owner, his family, guest or invitee is determined responsible for such damage by the Association, the Co-owner's policy/carrier shall be deemed to be the primary carrier. In cases where the Co-owner is not determined responsible for property damage to the General Common Elements or a Limited Common Element, or personal injury or otherwise, the Associations policy/carrier shall be deemed to be the primary carrier. In all cases where the Associations policy/carrier is not deemed the primary policy/carrier, if the Associations policy/carrier contributes to payment of the loss, the Associations liability to the Co-owner shall be limited to the amount of the insurance proceeds, and shall not in any event require or result In the Association paying or being responsible for any deductible amount under the Co-owners policies.

Section 5. Waiver of Right of Subrogation. The Association and all Co-owners shall use their best efforts to cause all property and liability Insurance carried by the Association or any Co-owner to contain appropriate provisions whereby the Insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

Section 6: Indemnification. Each individual Co-owner shall indemnify and hold harmless every other Co-owner, the Developer and the Association for all damages and costs, including attorneys' fees, which such other Co-owners, the Developer, or the Association may suffer as a result of defending any claim arising out of an occurrence on or within such individual Co-owner's Unit Each Co-owner shall carry insurance to secure this indemnity if so required by the Association (or the Developer during the Construction and Sales Period). This Section 6 shall not be construed to give any insurer any subrogation right or other right or claim against any individual Co-owner, however.

In all other respects, other than as hereinabove indicated, the WINDERS SQUARE AT BRUSH PARK Master Deed and the Bylaws and the Condominium Subdivision Plan attached thereto respectively as Exhibits "A" and "B", is hereby ratified, confirmed and redeclared.

**Planning and  
Development Department**

October 2, 2020

Honorable City Council:

Re: A request to amend the Detroit Master Plan of Policies for a portion of the area containing the former State Fairgrounds, generally bounded by West Eight Mile Road, the Grand Trunk Railroad right-of-way, West State Fair Street, Woodward Avenue, vacated Winchester Street, and Ralston Street to accommodate the sale and reuse of the site (Master Plan Change #27).

Pursuant to the City of Detroit's City Charter (Section 8-102), the Planning and Development Department has submitted for your consideration and action a proposed amendment to the Detroit Master Plan of Policies to change the Future General Land Use designation for the above-described area from PR (Regional Park) to IL (Light Industrial). Adoption of this resolution would permit the sale of this property and allow for the potential of a rezoning of the site for future commercial and/or industrial uses.

**Location**

The subject site is located in the Neighborhood Cluster 1, State Fair Neighborhood Area of the Master Plan of Policies. The site is generally bounded by Woodward Avenue, West Eight Mile Road, the Grand Trunk Railroad right-of-way, and West State Fair St.

**Existing Site Information**

The subject site contains the majority of the former site of the Michigan State Fair. Excluded from the proposed change is the shopping center, the pocket park and building at the south-west corner of the site, properties previously conveyed by the State to private parties, and an existing parking lot on Woodward. The current Master Plan of Policies Future General Land Use designation for the site is PR (Regional Park), and its zoning is B4 (General Commercial District).

**Surrounding Site Information**

The cemetery to the west, across Woodward Avenue, is zoned R1 (Single Family Residential District) and has a Future General Land Use (FGLU) desig-

nation of CEM (Cemetery). The shopping center to the north-west is zoned B3 (Shopping District) and has a FGLU designation of CRC (Retail Center). To the north is the City of Ferndale. To the south, across West State Fair Avenue is mostly vacant residential land zoned R2 (Two Family Residential District) and designated RLM (Low-Medium / Density Residential). To the northeast, across the railroad tracks, is mostly vacant residential land zoned R1 and designated RL (Low Density Residential). To the southeast across the railroad tracks is industrial land, both vacant and occupied zoned M4 (Intensive Industrial District) and designated as IL (Light Industrial).

**Project Proposal**

The Master Plan designation is being revised to allow for the sale of the City-owned property and its redevelopment for commercial and/or industrial uses.

**Analysis**

*Impact on Surrounding Land Use*

The likely future commercial uses would be buffered from the mostly vacant residential land to the south and east by W. State Fair Road and the railroad tracks respectively. For the past several years, an intermodal yard has been operating at the northeast corner of the site, and a storage lot for cars awaiting shipment on the southern portion. The anticipated truck traffic could access the site from existing curb cuts on the major streets of Woodward Avenue and Eight Mile Road.

*Impact on Transportation*

DDOT routes runs along Woodward, W. State Fair Street, and Eight Mile Road. Additionally, SMART has routes on Woodward and Eight Mile, which are designated as a "Major Street" in the Master Plan, as is W. State Fair Street. Again, truck traffic would have to be appropriately directed.

**Recommended Master Plan**

**Amendment**

The Planning and Development Department requests this proposed amendment to the Master Plan of Policies to accommodate the sale and reuse of the former State Fairgrounds. This amendment will permit the sale of the land, which is prohibited by the Recreation designation, and the possible future rezoning of the property. The Planning and Development Department therefore requests that the proposed Future Land Use map in the Master Plan of Policies be changed for the area generally bounded by West Eight Mile Road, the Grand Trunk Railroad right-of-way, West State Fair Street, Woodward Avenue, vacated Winchester Street, and Ralston Street from PR (Regional Park) to IL (Light Industrial).

**A RESOLUTION TO AMEND THE DETROIT MASTER PLAN OF POLICIES FUTURE GENERAL LAND USE DESIGNATION FROM PR TO IL FOR A PORTION OF THE AREA GENERALLY BOUNDED BY WEST EIGHT MILE ROAD, THE GRAND TRUNK RAILROAD RIGHT-OF-WAY, WEST STATE FAIR STREET, WOODWARD AVENUE, VACATED WINCHESTER STREET, AND RALSTON STREET**

By Council Member Tate:

Whereas, The Detroit Master Plan of Policies, adopted July 28, 2009, consists of policies and methods for improving the City of Detroit as a place for people to live and work based upon their needs and desires; and

Whereas, The Detroit Master Plan of Policies is approved and adopted as a major reference for evaluating proposed development activities and/or action programs such as neighborhood plans, urban renewal plans, zoning amendments, property acquisition or disposition, and construction of public or private facilities; and

Whereas, The Detroit Master Plan of Policies is continuously studied and amended as needed to reflect the desires of residents, businesses, and industries of the City of Detroit; and

Whereas, The Planning & Development Department requests that the Detroit Master Plan of Policies Future General Land Use (FGLU) designation be amended from PR to IL for a portion of the area generally bounded by West Eight Mile Road, the Grand Trunk Railroad Right-of-Way, West State Fair Street, Woodward Avenue, vacated Winchester Street, and Ralston Street.

Whereas, The proposed Amendment will accommodate the sale and reuse of the site;

Now, Therefore, Be It Resolved, The Detroit Master Plan of Policies is amended as follows:

The only map to be modified is the Neighborhood Cluster 1, State Fair, Future General Land Use Map 1-6B: changing the FGLU from PR to IL for a portion of the area generally bounded by West Eight Mile Road, the Grand Trunk Railroad Right-of-Way, West State Fair Street, Woodward Avenue, vacated Winchester Street, and Ralston Street.

Honorable City Council:

Re: Acceptance of Detroit Department of Transportation’s Agency Safety Plan.

Your Honorable Body is respectfully requested to accept the above-referenced Agency Safety Plan for the Detroit Department of Transportation (DDOT).

Your Honorable Body’s approval of DDOT’s Agency Safety Plan is appreciated.

Respectfully submitted,

C. MIKEL OGLESBY

Executive Director of Transit (DDOT)  
By Council Member Ayers:

Whereas, DDOT operates public transit in the City of Detroit; and

Whereas, To implement a Safety Management System (SMS) throughout the department as a public transit provider

required to comply with Federal Transit Administration, DDOT has developed a Public Transit Agency Safety Plan (PTASP); and

Whereas, The plan has been reviewed and approved by the Executive Director of Transit; and

Whereas, It is anticipated the plan will fulfill the requirements set forth in 49 CFR Part 673 — Public Transportation Agency Safety Plans; and

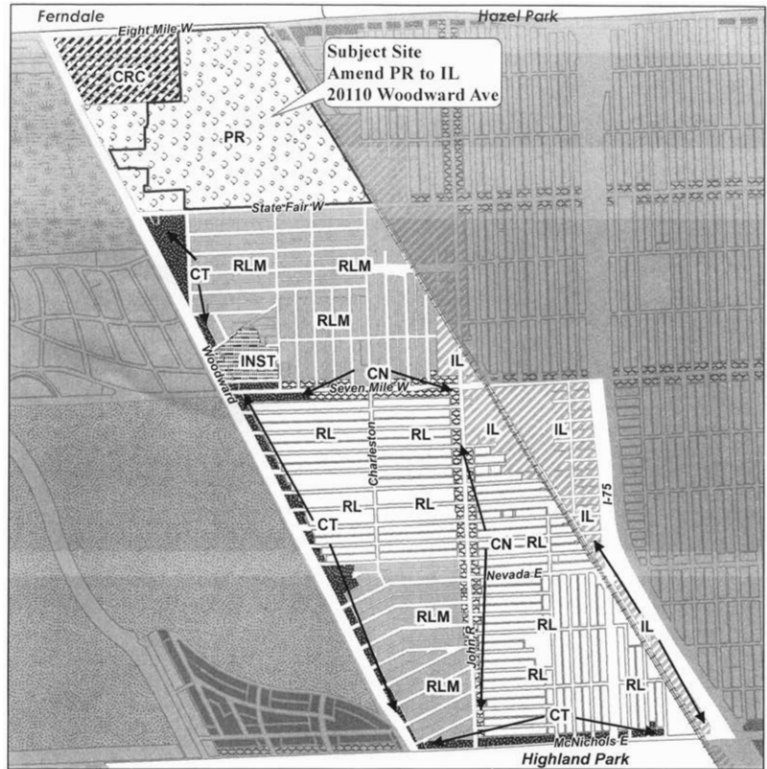

Now Therefore Be It

Resolved, By the Detroit City Council that they do hereby approve DDOT’s Agency Safety Plan which is attached and incorporated by reference, and

Be It Finally

Resolved, That the Executive Director of Transit, for the Detroit Department of Transportation, be and is hereby authorized to execute the safety plan on behalf of the City of Detroit.

October 16, 2020

Honorable City Council:

Re: \*Revised — State Fairgrounds Community Assistance and Improvement Plan Development of Former State Fairgrounds Site (20110 Woodward, Detroit, MI).

The City of Detroit (“City”), through the Mayor’s Office and the Planning and Development Department (“P&DD”), has completed a series of community engagement meetings incident to the proposed sale of the former Michigan State Fairgrounds, also known as 20110 Woodward (the “Property”).

Approximately thirteen meetings were conducted in the community to present and discuss various aspects of the proposed redevelopment of a 78-acre portion of the Property into a new 3.8 million square-foot anchor tenant facility to be used by Amazon as a distribution center (the “Project”). Based on input received during the meetings, the City will design and implement a “State Fairgrounds Community Assistance and Improvement Plan” to carry out certain work items that

will help mitigate Project impacts to the community that were raised by the public during the community engagement process.

We, therefore, hereby request that your Honorable Body adopt the attached resolution in recognition and furtherance of the creation and implementation of a State Fairgrounds Community Assistance and Improvement Plan.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, The Planning & Development Department has requested the City Council approve the sale of 138 acres of the former Michigan State Fairgrounds (the "Property") to State Fair Partners, LLC ("SFP") for Sixteen Million Dollars (\$16,000,000.00), and the City Council has approved that sale by separate resolution, and

Whereas, SFP will agree to develop the Michigan State Fairgrounds in three phases, and

Whereas, Phase I will consist of a 3.8 million square-foot distribution center (the "Distribution Center") to be leased to Amazon, and

Whereas, SFP will receive no tax abatements or other incentives to develop the Distribution Center or the future two phases, and

Whereas, The City will direct Seven Million Dollars (\$7,000,000.00) for the construction of a new state of the art Transit Center on the former Michigan State Fairgrounds, and

Whereas, The Amazon Distribution Center will bring forth at least One Thousand Two Hundred (1,200) jobs to Detroit, paying at least Fifteen Dollars (\$15.00) an hour plus benefits, and

Whereas, In conjunction with SFP's construction of Phase I, the City of Detroit (the "City") will construct the Transit Center.

Be It Therefore

Resolved, That the Detroit City Council urges the City, acting through its executive departments, to undertake and implement a Community Assistance and Improvement Plan for the communities impacted by the sale of the Michigan State Fairgrounds, which will follow the following goals specified herein; and Be It

Resolved, That the City of Detroit will design and implement the State Fairgrounds Community Assistance and Improvement Plan in pursuit of the following goals and values:

1. Ensure that whatever steps can be reasonably taken to minimize the impact of future development on the impacted community areas, are taken.

2. Ensure that future City programs contribute to the community development of the impacted community areas.

3. Support the impacted community areas in applications for federal, state, and local funding projects and programs.

4. Support the revitalization of the community by working with the State Fairgrounds Neighborhood Association and the Keep It Clean Block Club.

5. Consider the following when reviewing the impact of future Fairgrounds development on the impacted community areas: security, health conditions, noise and air pollution and other quality of life issues which may come about and which may disrupt the community's well-being.

6. Traffic Control and Traffic Management assistance within the impacted community areas.

7. Ensure that City projects and programs endeavor not only to stabilize the impacted community areas to draw in future development, but also emphasize community involvement to make the development process more transparent and with more participation from community stakeholders.

8. Stabilize the impacted zone and spur the renaissance of the impacted community areas with City projects and programs, enabling fast and impactful progress, and Be It

Resolved, That upon notification by the City's Buildings, Safety Engineering and Environmental Department ("BSEED"), P&DD or GSD of an administrative hearing, or a Board of Zoning Appeals ("BZA") proceeding or a City Planning Commission ("CPC") proceeding for a land use or rezoning proceeding for the Property related to future uses of the Property that are in addition to use for an Amazon distribution center, the City will: (1) host up to two community meetings total if any such hearing or proceeding is requested and (2) at such community meetings, solicit community input and present industrial buffering methods, which the City will recommend to BSEED, BZA or the CPC if an applicant seeks applicable land use or rezoning approvals for the Property; and Be It

Resolved, That the City will dedicate Five Hundred Thousand and 00/100 Dollars (\$500,000.00) from bond funds to be borrowed in 2020 for public park improvements to improve the State Fair & Havana future park site and Charleston & Colton park site; and Be It

Resolved, That the City will allow a 3-month period for a feasibility study of those certain buildings known as the Dairy Cattle Building, Coliseum and Agriculture Building (Joe Dumars Fieldhouse) prior to the demolition of any such buildings to make way for the Transit Center, enabling advocates, P&DD and the DBA to evaluate potential reuse or relocation of those buildings; and Be It

Resolved, That the City will conduct a health assessment consisting of the fol-

lowing: (1) air quality baseline testing in and around the Property prior to completion of the first phase of construction on the Property and subsequent to the start of operations, so that results can be made available should any future industrial uses be proposed on the Property that are in addition to the proposed new Amazon distribution center contemplated for the Property, and (2) verify the accuracy of the existing sound and lighting assessments based on the actual conditions of operations; and Be It

Resolved, That the City will work with SFP to design and construct certain dedicated interior roadways within the Property that utilize complete streets standards and that provide pedestrian and non-motorized connections to the Transit Center. Further, the City will work with the Purchaser to study such connections and, if appropriate, encourage the creation of other pedestrian and non-motorized connections elsewhere within the Property; and Be It

Resolved, That as part of the Transit Center project, the City shall work with MoGo Detroit to locate a hard wired bicycle station, with pedal assist and adaptive bicycles, at the new Transit Center; and Be It

Resolved, The City shall maximize the use of Community Development Organizations and other non-profits, including churches, to develop community partnerships that speed up the development of the impacted communities, and facilitate outreach initiatives for job training and employment opportunities; and Be It

Resolved, Planning and Development Department will complete neighborhood plans in the impacted area that are driven by the community, through outreach and engagement, including in the neighborhoods most impacted by abandoned structures and vacant land, development of parks, and update the Master Plan for the City over the next ten years with community input; and Be It

Resolved, That in connection with future design review the City shall give consideration to utilizing eco-friendly resources and materials in order to keep in line with the Detroit Sustainability Agenda and further the goal of creating a carbon neutral local economy; and Be It

Resolved, The City shall assist, monitor and work with Detroit at Work to prepare Detroit residents to qualify for positions offered by the Amazon Distribution Center, as well as assist, encourage and support Amazon in giving consideration to Detroit residents' applications for employment at the Distribution Center, and Be It

Resolved, Through community meetings, the Planning and Development Department will research and explore long term housing development, future economic development projects to protect

community interest and ensure long term community control, assistance, and involvement; and Be It

Resolved, That the City will endeavor to address non-structural blight, including alley cleanups, vacant lot cutting, debris removal, park development for youth and community, while also combating illegal dumping; and Be It

Resolved, That the City will continue to partner with nonprofits and philanthropies to provide informational pathways out of foreclosure through Make It Home, Homeowner Property Tax Exemption Programs, Pay as You Stay, Right of First Refusal, Non force of movement of property owners and other empowerment programs; and that this will be undertaken by an unprecedented door-to-door community outreach campaign through a new Detroit Community Health Corps; and Be It

Resolved, That in each recommended budget, the Office of Budget will complete a reconciliation procedure to determine appropriation to the Detroit Affordable Housing Development and Preservation Fund from surplus commercial land sales, and that if not currently eligible, the impacted community areas in the vicinity of the former State Fairgrounds will be qualified as eligible areas under Section 22-3-7 of the Detroit City Code; and Be It Finally

Resolved, The Detroit City Clerk is directed to forward copies of this Resolution to Mayor Duggan, Corporation Counsel and SFP.

11. Submitting reso. autho. **Settlement** in lawsuit of Phelps, Kevin vs. City of Detroit and John Doe; Case No: 18-008723-NI; File No: L18-00489 TO in the amount of \$266,400.00. (On September 22, 2020, your Honorable Body approved the settlement in the amount of Two Hundred and Sixty-Six Dollars and 00/100 Cents (\$266,400.00) in the above captioned lawsuit when the actual correct recommended settlement Amount Should Have Been Two Hundred Sixty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$266,400.00). The resolution approving the settlement also erroneously provided for the payment to Plaintiff, Kevin Phelps, in the amount of One Hundred Eight Thousand Dollars and 00/100 Cents (\$108,000.00), when it was meant to instead provide payment to the Plaintiff Kevin Phelps in the amount of One Hundred Eight Thousand Four Hundred Dollars and 00/100 Cents (\$108,400.00). We, therefore, request that this Honorable Body rescind the Resolution dated September 22, 2020 authorizing the settlement in the amount of Two Hundred Sixty-Six Thousand Four Hundred Dollars and 00/100 cents (\$266,400.00), and adopt a corrected resolution authorizing the settlement in the amount of Two Hundred Sixty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$266,400.00).)

4. Submitting report relative to City Council Quarterly Report, 1st Quarter FY 2021. (Strong sales and record-setting closing volume dominated this quarter, and we closed a total of 1,204 properties through Auction and Own It Now. A new Memorandum of Understanding between the DLBA and the Detroit Water and Sewerage Department was a critical step in allowing the DLBA to close this unprecedented number of transactions. This agreement helped clear a COVID-19 related backlog of closings by streamlining processes between our organizations, and will make future transactions more efficient. In collaboration with our title partners, we nearly doubled our closing capacity to keep up with demand from buyers. Notably, our voluntary post-sale surveys show 71% of DLBA buyers are Detroit residents, 74% are black, and 64% are renters who will become homeowners through their DLBA purchase. This demonstrates our success in making properties accessible to Detroiters.)

#### **DEPARTMENT OF PUBLIC WORKS**

13. Submitting report relative to Sidewalk Replacement in Hubbard Farms Historic District. (In response to Council Member Castaneda-Lopez's most recent memorandum on the above referenced subject, the Department of Public Works provides the following update. As indicated in the Council member's letter, planned sidewalk work in Hubbard Farms was halted in 2018, as residents demanded new sidewalk that was not consistent in cost or type of the sidewalk DPW installs citywide. Last year, an agreement was reached with the residents that they would accept the same sidewalk as the rest of the city. As a result, they were informed that this neighborhood would be considered for future year's programs, possibly in the 2020 construction season. However, the opportunity to perform this work in 2020 resulted in not being possible due to project delays and revenue shortfalls that derived from Covid.)

14. Submitting report relative to Converting Woodbridge and St. Aubin to One-Way Streets to Address Traffic Issues. (This letter is in response to Council President Jones' August 5, 2020 memorandum in which she requested that a comprehensive traffic study be performed to determine the feasibility of converting segments of St. Aubin and Woodbridge Streets to one-way to prevent vehicular traffic issues. Our Traffic Engineering Division has completed its study, and the results are included within this response.)

October 19, 2020

Honorable City Council:

Re: Amended application for Neighborhood Enterprise Zone Certificate for Marwood Development.

On October 21, 1992, your Honorable Body established Neighborhood Enterprise Zones. I am in receipt of four (4) applications for Neighborhood Enterprise Zone Certificate. These applications have been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached resolution, if adopted by your Honorable Body, will approve this application.

Respectfully Submitted,

JANICE M. WINFREY

City Clerk

By Council Member Ayers:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992.

Now, Therefore, Be It

Resolved, That the City Council approved the following address for receipt of Neighborhood Enterprise Zone Certificate for a fifteen-year period:

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the rehabilitation of four single-family residential buildings located at 8042 John R, 90 Vermont Avenue, 104 Vermont Avenue and 108 Vermont Avenue in the Marwood Development Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received four applications requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of four single-family residential buildings located at 8042 John R, 90 Vermont Avenue, 104 Vermont Avenue and 108 Vermont Avenue. These applications correspond to qualified sites which will accommodate the rehabilitation of the proposed single-family residential buildings. The proposed projects will consist of the total rehabilitation of four single-family residences as a part of a larger project involving the rehabilitation and/or new construction of a total of 19 residential buildings.

The subject properties have been confirmed as being within the boundaries of the Marwood Development NEZ which was established by a vote of Council on November 20, 2018, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost for the respective projects are as follows: 8042 John R in the amount of \$152,000; 90 Vermont Avenue in the amount of \$270,000; 104 Vermont Avenue in the amount of \$190,000; and 108 Vermont Avenue in the amount of \$185,000. The applicants are seeking a 15-year tax abatement. The NEZ certificate applications appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

Re: Michigan CRNAS Staffing and Detroit Anesthesia Group, PLLC (Nakisha Wright). Case No: 20-151646-GC. File No: L20-00165 (RG).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Three Thousand Five Hundred Dollars and No/Cents (\$3,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Three Thousand Five Hundred Dollars and No/Cents (\$3,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Michigan CRNAS Staffing and Detroit Anesthesia Group, PLLC and their attorney, Bashore Green Law Group, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 20-151646-GC, approved by the Law Department.

Honorable City Council:

Re: Phelps, Kevin vs. City of Detroit and John Doe. Case No: 18-008723-NI. File No: L18-00489 TO.

On September 22, 2020, your Honorable Body approved the settlement in the amount of Two Hundred and Sixty-Six Dollars and 00/100 Cents (\$266,400.00) in the above captioned lawsuit when the actual correct recommended settlement amount should have been Two Hundred Sixty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$266,400.00). The resolution approving the settlement also erroneously provided for the payment to Plaintiff, Kevin Phelps, in the amount of One Hundred Eight Thousand Dollars and 00/100 Cents (\$108,000.00), when it was meant to instead provide payment to the Plaintiff Kevin Phelps in the amount of One Hundred Eight Thousand Four Hundred Dollars and 00/100 Cents (\$108,400.00).

We, therefore, request that this Honorable Body rescind the Resolution dated September 22, 2020 authorizing the settlement in the amount of Two Hundred

Sixty-Six Thousand Dollars and 00/100 Cents (\$266,400.00), and adopt a corrected resolution authorizing the settlement in the amount of Two Hundred Sixty-Six Thousand Four Hundred Dollars and 00/100 Cents (\$266,400.00).

Lastly, we, also, request that your Honorable Body RESCIND the Resolution authorizing payment to the Plaintiff Kevin Phelps in the amount of One Hundred Eight Thousand Dollars and 00/100 Cents (\$108,000.00), and adopt a corrected resolution directing the Finance Director to issue three drafts in the amounts payable of (1) One Hundred Eight Thousand Four Hundred Dollars and 00/Cents (\$108,400.00) to Kevin Phelps and his attorney Michigan Injury Advocates, P.C.; (2) Eighty-Seven Thousand Five Hundred Dollars and 00/Cents (\$87,500.00) to I-Spine and its attorneys, Grove & Associates, P.C.; and (3) Seventy Thousand Five Hundred Dollars and 00/Cents (\$70,500.00) to 4 Transport, Inc., 411 Help, LLC, Spine & Health, PLLC, and New Horizon Chiropractic PLLC, and their attorneys, The Lobb Law Firm, to be delivered upon receipt of a properly executed Release and Stipulation and Order of Dismissal in Lawsuit No. 18-008723-NI, approved by the Law Department.

Honorable City Council:  
Re: Request to Accept and Appropriate FY 2021 Michigan Indigent Defense Commission Grant.

The Michigan Indigent Defense Commission has awarded the City of Detroit Law Department with the FY 2021 Michigan Indigent Defense Commission Grant for a total of \$8,323,170.00. The State share is \$7,237,559.21 of the approved amount, and there is a required cash match of \$1,085,610.79. The total project cost is \$8,323,170.00.

The objective of the grant is to provide resources for public defense services at the 36th District Court and ensure that the process is fair for defendants. The funding allotted to the department will be utilized to provide various assigned counsels and contracted attorneys.

If approval is granted to accept and appropriate this funding, the appropriation number is 20860, with the match amount coming from appropriation number 05715.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

**Department of Public Works**

October 7, 2020

Honorable City Council:

Re: May Creek Easement Agreement  
Detroit Riverfront Conservancy.

The Detroit Riverfront Conservancy desire to obtain from the City an easement across the right of way of 14th Avenue, Rosa Parks Boulevard, Lafayette Avenue and Fort Street, as described on the attached Exhibit A. (the "Easement Area"), excluding any public street bridges and existing bridge abutments.

The City of Detroit Department of Public Works ("DPW") and Detroit Riverfront Conservancy (the "Conservancy") wish to enter into an Easement Agreement for the purposes of constructing and maintaining the continuation of the planned improvements from the Detroit Riverfront, the Ralph C. Wilson, Jr. Centennial Park, and the southwest area, commonly known as "Corktown" (the "May Creek Greenway").

The May Creek Greenway improvements will provide a place of recreation for pedestrian and non-motorized cycling and access to the Detroit Riverfront, consisting of a walkway or promenade, landscaping, way-finding and special features and furnishings.

We hereby request that your Honorable Body adopt the attached resolution to grant an easement to the Conservancy, and authorize the Director of DPW to execute an Easement Agreement for the benefit of the May Creek Greenway.

Respectfully submitted,

RON BRUNDIDGE

Director, Department of Public Works

By Council Member Benson:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approved the grant and execution of an right of way easement to the Detroit Riverfront Conservancy ("Conservancy"), a Michigan non-profit corporation, across certain right of way on 14th Avenue, Rosa Parks Boulevard, Lafayette Avenue and Fort Street (the "Easement Area"), as more particularly described in the attached Exhibit A incorporated herein, and be it further

Resolved, That the City of Detroit has jurisdiction of the right of way, more particularly described on the attached Exhibit A ("Easement Area"), and is prepared to grant to the Conservancy a perpetual easement in, on, over and across the easement area.; and be it further

Resolved, That the Director of the Department of Public Works, or his authorized designee, is authorized to execute

such Easement documents as may be necessary or convenient to effect the City's grant of the Easement; and be it further

Resolved, That the Director of the Department of Public Works, or his authorized designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Easement documents (including but not limited to correction of or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the grant of the Easement, provided that the changes do not materially alter the substance or terms of the Easement; and be it finally

Resolved, That the Easement documents will be considered confirmed when executed by the Director of the Department of Public Works, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Petition No. 1266 — Henry Ford Health System request to vacate and convert to easement a segment of the public alley bounded by West Grand Blvd., Lincoln Avenue, Holden Avenue, and Trumbull Avenue.

Petition No. 1266 — Henry Ford Health System request to vacate and convert to easement a segment of the public alley bounded by West Grand Blvd, 150 ft. wide, Lincoln Avenue, 60 ft. wide, Holden Avenue, 66 ft. wide, and Trumbull Avenue 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to consolidate parcels related to the Henry Ford Health Systems South Campus.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley bounded by West Grand Blvd, 150 ft. wide, Lincoln Avenue, 60 ft. wide, Holden Avenue, 66 ft. wide, and Trumbull Avenue 60 ft. wide., further described as land in the City of Detroit, Wayne County, Michigan being:

1. The east-west public alley, 20 ft. wide, as dedicated to the City of Detroit per a resolution dated Sept. 19th, 2017, Page 2052 of the 2017 JCC, that is described as being the south 20 ft. of lot 26 of "Avery & Husans Subdivision" as

recorded in Liber 11, Page 13 of Plats, Wayne County Records.

2. The north-south public alley lying easterly of and adjacent to lots 50 through 57 and the south 20 ft. of lot 49, also lying westerly of and adjacent to lots 18 through 25 of "Avery & Husans Subdivision" as recorded in Liber 11, Page 13 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all

costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:  
 Re: Petition No. 1306 — POAH DD Sugar Hill, LLC, request to encroach into the John R Road and East Garfield Avenue right-of-way for the construction of a non-standard sidewalk improvement.

Petition No. 1306 — POAH DD Sugar Hill, LLC, request to encroach into the John R Road, 60 ft. wide, and East Garfield Avenue, 60 ft. wide, right-of-way for the construction of a non-standard sidewalk improvement.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of a new mixed-use development planned for the area.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but

they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
 RICHARD DOHERTY, P.E  
 City Engineer

City Engineering Division — DPW  
 By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Poah DD Sugar Hill LLC or their assigns to install and maintain encroachment for non-standard sidewalk improvements upon:

1. The north 23.5 ft. of East Garfield Street, lying southerly of and adjacent to lots 5 through 11 of "Hubbard & Kings Subdivision" as recorded in Liber 7, Page 20 of Plat, Wayne County Records.

2. The west 10 ft. of John R Road, lying easterly of and adjacent to lot 11 of "Hubbard & Kings Subdivision" as recorded in Liber 7, Page 20 of Plat, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction per-

formed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Poah DD Sugar Hill LLC or their assigns, and further

Provided, That the Poah DD Sugar Hill LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Poah DD Sugar Hill LLC or their assigns. Should damages to utilities occur Poah DD Sugar Hill LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Poah DD Sugar Hill LLC or their assigns shall file with the Depart-

ment of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Poah DD Sugar Hill LLC or their assigns of the terms thereof. Further, Poah DD Sugar Hill LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the

encroachments shall be borne by Poah DD Sugar Hill LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Poah DD Sugar Hill LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley bounded by Livernois Avenue, 120 ft. wide, Horatio Street, 40 ft., Military Street, 66 ft. wide, and the I-94 Service Drive., further described as land in the City of Detroit, Wayne County, Michigan being the north-south public alley, 20 ft. wide, lying easterly of and adjacent to lots 132 through 134 and lying westerly of and adjacent to lots 165 through 167 of the "Plat of Kent & Hurd's Subdivision" as recorded in Liber 6, Page 66 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the

adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and

Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or

appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Civil Rights Inclusion and Opportunity Department**

**RESOLUTION**

By Council Member Benson:

WHEREAS, Outdoor dining cafés are designated areas on a street, alley, or public easement where customers may retrieve and/or consume food and/or beverages provided by an abutting food service establishment. Such establishments may provide either table service in the outdoor dining area or sell take-out items to be consumed in that area; and

WHEREAS, Seasonal outdoor dining cafés may operate only during the months of October through April; and

WHEREAS, Pursuant to Chapter 43, *Streets, Sidewalks, and Other Public Places*, Article 8, *Encroachments and Obstructions*, Section 43-8-23, *Temporary Encroachments*, of the 2019 Detroit City Code, states that “the City Council shall only approve an encroachment after receiving a report from the Department of Public Works and the Planning and Development Department”; and

WHEREAS, The 2019 Detroit City Code indicates that the permit application must also be reviewed by various City departments, including the Department of Public Works, Police, Health, Buildings, Safety, Engineering, and Environmental, as well as the Historic District Commission and Michigan Liquor Commission; and

WHEREAS, The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease; and

WHEREAS, The food service establishments in the City of Detroit have been decimated by the COVID-19 mandatory closures and have been barred from serving patrons within their establishments since Monday, March 16, 2020; and

WHEREAS, The practice of social distancing during the pendency of the COVID-19 pandemic will be necessary to mitigate the spread of COVID-19 and reduce the risk of contracting the virus; and

WHEREAS, The City of Detroit is eager to support the active operation of businesses in a safe manner that protects the patrons and employees of the restaurant industry by implementing an expedited permitting process; and

WHEREAS, The Department of Public Works and the Planning and Development Department have created a report, attached to this resolution, identifying the criteria that must be met in order for an outdoor cafe permit to be approved; and

WHEREAS, The Department of Public Works shall regularly inspect businesses operating under an Outdoor Café Permit to determine compliance with the permit requirements to enable their continued operation; and

WHEREAS, This Honorable Body acknowledges the City's objective to support local businesses and allow for increased separation of patrons through social distancing during this unprecedented time; and NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council approves an expedited permit for this streamlined process and grants approval of all outdoor café permits submitted for outdoor dining café seating areas for all licensed food service establishments for the 2020 season that meet the criteria in the attached report; and NOW THEREFORE BE IT FURTHER

RESOLVED, That upon fulfillment of the criteria to operate an outdoor dining cafe in a street, alley, or public easement, the accurate completion and submission of the application for an outdoor café permit, and review of the application, the food service establishment shall receive, within 8 business days, notification of a decision regarding approval of a permit from the Department of Public Works to operate within the street, alley, or public easement so identified; and NOW THEREFORE BE IT FURTHER

RESOLVED, That the Department of Public Works shall provide a report to the Detroit City Council commencing thirty (30) days from the date that Governor Whitmer lifts restrictions and allows consumers to dine-in at food service establishments, and every thirty (30) days thereafter, identifying any outdoor café permit issued for the preceding thirty (30) days; and, NOW THEREFORE BE IT FINALLY

RESOLVED, That the expedited process authorized by this resolution, and the grant of approval by this Honorable Body, shall only apply to licensed food service establishments and shall expire on April 15th, 2021, at the end of the 2021 outdoor dining café period.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

Re: Request to Accept and Appropriate the FY 2021 CRF Immunization Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 CRF Immunization Grant for a total of \$435,558.00. The total project cost is \$435,558.00. There is no match requirement for this grant. The grant period is October 1, 2020 through December 30, 2020.

The objective of the CRF funding is to support LHD-driven public influenza vaccination events. The funding allotted to the department will be utilized to establish a robust vaccination program for influenza that can be used as a blueprint for the implementation of a vaccination program when a COVID vaccine becomes available. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20848. The fund number is 3922. This is a COVID-19 Federal Relief Grant and is subject to the reporting requirements for council in accordance with the resolution approved on July 21, 2020, creating a commitment to transparency for Federal Cares Act grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Resolution Approving an Industrial Facilities Exemption Certificate, in the area of 6600 Mt. Elliott, Detroit, Michigan, in Accordance with Public Act 198 of 1974 on behalf of 6600 MTE Holdings, LLC (Petition #1328).

On October 22, 2020, a public hearing in connection with approving an Industrial Facilities Exemption Certificate request for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

MTE Holdings, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 (the "Act").

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Pursuant to P.A. 198 of 1974, M.C.L. 207.551 et seq., after a duly noticed public hearing held on October 8, 2020, this Detroit City Council established by resolution an Plant Rehabilitation District in the vicinity of 6600 Mt. Elliott, Detroit, Michigan; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, MTE Holdings, LLC has filed with the City Clerk an Application for an Industrial Facilities Exemption Certificate, under Public Act 198 of 1974 ("the Act") in

the City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Construction of the facility and installation of new machinery and equipment had not begun earlier than six (6) months before September 17, 2020, the date of acceptance of the application for the Industrial Facilities Exemption Certificate; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Plant Rehabilitation District; and

Whereas, Before acting on said application, the City of Detroit held a hearing on October 8, 2020, in an electronic meeting held via Zoom at 11:05 am, at which hearing the applicant, the Assessor and a representative of the affected taxing units were given written notice and were afforded an opportunity to be heard on said application; and

Whereas, Completion of the facility is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to retain, create or prevent the loss of employment in the City of Detroit; and

Whereas, The aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of unit, plus the SEV of personal and real property thus exempted; and

Whereas, This City Council has granted until the end of (Completion date, no more than two years, but check application) for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard.

Now, Therefore Be It

Resolved, That the Detroit City Council finds and determines that the granting of the Industrial Facilities Tax Exemption Certificate considered together with the aggregate amount of certificates previously granted and currently in force under Act. 198 of the Public Acts 1974, shall not have the effect of substantially impeding the operation of the City of Detroit, or

impairing the financial soundness of a taxing unit which levies ad valorem property taxes within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application from 6600 MTE Holdings, LLC for an Industrial Facilities Tax Exemption Certificate in the area of 6600 Mt. Elliott St., Detroit, Michigan is hereby approved for a period of twelve (12) years in accordance with the provisions of the Act, expiring no later than December 31, 2032 and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than December 31, 2022 unless an extension of that time is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and the City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, and Industrial Facilities Exemption Certificate Agreement.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for on Behalf of 2463 Riopelle, LLC at 2463 Riopelle St., Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition #1074.)

On October 22, 2020, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

2463 Riopelle, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, 2463 Riopelle, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 3, 2017 established by Resolution a Commercial Property Rehabilitation District in the vicinity of 1500 Griswold, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of October 1, 2020 for the completion of the rehabilitation; and

Whereas, On October 22, 2020, during an electronic meeting held via Zoom, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the

City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 2463 Riopelle, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2020 and the certificate expiring December 31, 2030, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than October 1, 2020, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Adopted as follows:

August 17, 2020

Honorable City Council:

Re: Property Sale: 7111, 7101, and 7051 W. Warren, Detroit, MI 48210.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Prime Care Services Inc, a domestic for-profit corporation, (the "Purchaser"), whose address is 13800 Wellesley, Dearborn, MI 48126, to purchase certain City-owned real properties at 7111, 7101, and 7051 W. Warren, Detroit, MI (the "Properties"). Under the terms of the proposed Purchase Agreement, the properties will be conveyed to the purchaser for the purchase price of Twenty Three Thousand One Hundred and 00/100 Dollars (\$23,100.00).

Purchaser represents that they intend to develop the properties in to office space and parking for those office. Currently, the properties are within a B4 zoning district (General Business District). The Purchaser's use of the properties as office space along with parking is a by-right use and shall be consistent with the allowable uses for which the Property is zoned. The properties shall be transferred subject to a reverter interest, which shall require the purchaser to show proof of ownership of 7041 and 7047 W. Warren, Detroit, MI within fourteen (14) days of closing, as the purchases wishes to purchase the properties as adjacent landowners. Furthermore, the same reverter interest shall prohibit the purchaser, or any successor, designee, heir, or assign, from engaging in, with the exception of parking vehicles, any auto-related business or uses, including but not limited to, selling, repairing, leasing, renting, scrapping, or any other auto related functions, on the properties for a period of sixty (60) months.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the properties by the City to Prime Care Services Inc.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 7111, 7101, and 7051 W. Warren, Detroit, MI (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to Prime Care Services Inc, a domestic for-profit corporation, (the "Purchaser") for the purchase price of Twenty Three Thousand One Hundred (\$23,100.00); and be it further

Resolved, That the Director of the Plan-

ning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and such other documents necessary or convenient to effect transfer of the Properties to the Purchaser consistent with this resolution; and be it further

Resolved, The properties shall be transferred subject to a reverter interest, requiring the purchaser to provide proof of ownership of 7041 and 7047 W. Warren within fourteen (14) days of closing, and shall prohibit, with the exception of parking vehicles, any and all auto-related uses and functions on the properties by the purchaser, or any of his heirs, designees, assigns or successors for a period of sixty (60) months following closing; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) One Thousand Three Hundred Eighty Six and 00/100 Dollars (\$1,386.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand One Hundred Fifty Five and 00/100 Dollars (\$1,155.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or their authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

By Council Member Tate:

Whereas, The Detroit Community Outreach Ordinance, sponsored by Council President Brenda Jones was enacted by the City Council on September 19, 2020; and

Whereas, Section 4-118 of the Detroit City Charter indicates that ordinances are effective upon publication; and

Whereas, Publication of the Community Outreach Ordinance was effectuated in the Detroit Legal News on October 20, 2020; and

Whereas, The Community Outreach Ordinance requires community outreach at varying levels during the negotiation process for prescribed types of developments or projects within the City; and

Whereas, The Formal Agenda and New Business Agenda for October 20, 2020 contained a number of items for sales of City property and amendment to the City of Detroit's Master Plan of Policies that may have fallen within the parameters of the newly enacted ordinance should it have been enacted sooner; and

Whereas, The Detroit Community Outreach Ordinance is not retroactive in its application and, therefore, would not have been applicable to any sales of City properties or amendment to the City of Detroit's Master Plan of Policies considered on October 20, 2020; and

Whereas, Notwithstanding the foregoing, Section 12-10-2(d) of the Detroit Community Outreach Ordinance provides a mechanism for waiving the requirements of the article when the requirements are impractical or not feasible; and Now Therefore Be It

Resolved, For the avoidance of doubt, and to provide certainty and clarity for any sales of City property or amendment to the City of Detroit's Master Plan of Poli-

cies approved during Formal Session on October 20, 2020, that may have required compliance with the Community Outreach Ordinance, City Council is hereby waiving any public hearing or other requirements of the Community Outreach Ordinance with respect to all such sales of property or amendment or the City of Detroit's Master Plan of Policies; and Now Therefore Be It Finally

Resolved, The actions taken on October 20, 2020 are hereby ratified and approved.

**BUDGET, FINANCE AND AUDIT STANDING COMMITTEE**

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE BUDGET, FINANCE AND AUDIT STANDING COMMITTEE:

**OFFICE OF THE CHIEF FINANCIAL OFFICER**

1. Submitting reso. autho. Recognizing Homeowners Affected by Property Tax Over-Assessment, 2010 through 2013. (The Group Executive for Planning, Housing and Development and the Office of the Chief Financial Officer respectfully submit the attached resolution to recognize and prioritize Detroit homeowners who were potentially affected by property tax over-assessment prior to 2014. This resolution proposes a four-year program to assist affected homeowners in restoring wealth. This program will be capitalized with \$6 million from prior year

fund balance. Due to strategic use of the City's CARES funding, Detroit was able to end FY2020 with a modest surplus. While most of that surplus will be needed to protect City services from further pandemic driven revenue shortfalls and to make a supplemental deposit into the Retiree Protection Fund, we propose that \$6 million be made available on a one-time basis to support this program. That funding will support administering the program, the net revenue loss from the Land Bank 50% auction discount and other program costs over four years. Any remaining funds from this appropriation will be contributed toward additional home repair investments for affected homeowners.)

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seven Thousand Five Hundred Dollars and No Cents (\$7,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seven Thousand Five Hundred Dollars and No Cents (\$7,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Tina Jackson and her attorneys, Christopher Trainor and Associates, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-001877-NI, approved by the Law Department.

Re: Authorization to submit a grant application to the Michigan Department of Natural Resources for the FY 2021 Urban and Community Forestry Grant.

The General Services Department is hereby requesting authorization from Detroit City Council to submit a grant application to the Michigan Department of Natural Resources for the FY 2021 Urban and Community Forestry Grant. The amount being sought is \$12,500.00. The State share is 50 percent or \$12,500.00 of the grant amount and there is a required total match of 50 percent or \$12,500.00, which includes a \$7,000.00 cash match and \$5,500.00 of in-kind match. The total project cost is \$25,000.00.

The FY 2021 Urban and Community Forestry Grant will enable the department to:

- Conduct a tree inventory and restore the aspen trail and other parts of Balduck Park's tree canopy
- Develop a tree management plan to help preserve Balduck Park's unique natural assets

If the application is approved, a cash match will be provided from appropriation 21001.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director  
Office of Development and Grants

Re: Authorization to rename Stewart Park located at 12701 14th Street – to Sidney Barthwell, Sr. Memorial Park.

The General Services Department is requesting authorization from your Honorable Body to rename Stewart Park, located at 12701 14th Street, to Sidney Barthwell, Sr. Memorial Park.

In honor of his community service, business savvy, and civic leadership in the City of Detroit; the family of Sidney Barthwell Sr. are requesting the renaming of Stewart Park to Sidney Barthwell, Sr. Memorial Park. Mr. Barthwell's accomplishments include developing and operating Barthwell Drug Stores, Inc. and Barthwell's Ice Cream Company for more than fifty years. He employed thousands of Detroiters, many African-Americans recently relocated from the deep-south.

As a civic leader Sidney Barthwell, Sr. contributed a great deal to improve the City of Detroit. He served as a delegate to the Michigan Constitutional Convention in 1962, served on the Judiciary Committee, and was instrumental in the creation of the 36th District Court in Detroit. In addition, Mr. Barthwell served as one of the first African Americans on the Detroit Retail Druggists Association and was a lifetime member of the NAACP.

We respectfully request your authorization to rename Stewart Park to Sidney Barthwell, Sr. Memorial Park with a Waiver of Reconsideration

Sincerely,  
BRAD DICK

Honorable City Council:

Re: Historic Fort Wayne – Abrogation of Deed Restrictions. Approval of Historic Preservation Covenant and Payment to GSA.

The City has an opportunity for the removal of deed restrictions on Historic Fort Wayne through a process involving the National Park Service (NPS), the federal government’s General Services Administration (GSA), the State Historic Preservation Office (SHPO), and the City. This “abrogation” requires that the City enter into an agreement with SHPO in the form of the attached Historic Preservation Covenant and pay \$110,000 to GSA. NPS will thereupon deliver amended deeds removing enumerated restrictions. In furtherance of the abrogation, the General Services Department is seeking this Honorable Body’s authorization to execute and deliver the Historic Preservation Covenant and the appropriation of funds necessary to pay GSA and to facilitate the transaction.

By way of background, the City received the property comprising Historic Fort Wayne from the federal government in separate deeds in 1949, 1971, and 1976. Each of these deeds contained numerous restrictions intended to preserve the historic site and dedicate its use in perpetuity for historical or recreational purposes only. NPS has had programmatic oversight for Historic Fort Wayne, and the City and NPS have worked together for twenty years seeking a way to bring the property into compliance with the terms and conditions of the deeds. The deed restrictions have severely limited use of the site and have impeded all efforts to preserve, maintain, and improve the property.

Historic Fort Wayne has been listed on the National Register of Historic Places since 1971. In 2016, this Honorable Body enacted an ordinance establishing the Fort Wayne Historic District. These designations assure oversight of this historic asset by the City’s Historic District Commission (“HDC”) in accordance with Chapter 21 of the 2019 Detroit City Code and by SHPO in accordance with state law. As a condition to NPS’s abrogation of the deed restrictions, HDC’s and SHPO’s respective roles are expanded, clarified and/or reinforced by the terms of the Historic Preservation Covenant, intending to ensure that the preservation, maintenance, and improvement of the property complies with local law and the *Secretary of the Interior’s Standards for the Treatment of Historic Properties and the Guidelines for the Treatment of Cultural Landscapes* (36 CFR Part 68). The abrogation of the deed restrictions and the imposition of the Historic Preservation

Covenant will replace NPS with state and local oversight. The Historic Preservation Covenant will forever preserve for the public the use of property for historical and recreational purposes.

Consideration for the abrogation includes a payment to GSA of one hundred ten thousand dollars (\$110,000). This amount is based upon an appraisal and equates to the value of the property at its highest and best use, taking into account its physical condition and location, as well as the constraints associated with the historic designation and the covenant, conditions, and restrictions in the Historic Preservation Covenant. The source of the funds will be proceeds from an existing UTGO bond that was previously approved and issued for purposes such as this. Payment and the closing of the transaction will be in escrow with Chirco Title Company, with its total costs and expenses not to exceed one thousand dollars (\$1,000).

Accordingly, GSD respectfully requests that your Honorable Body adopt the attached resolution to approve and authorize the execution and delivery of an agreement with SHPO in the form of the attached Historic Preservation Covenant, authorize the payment to GSA of \$110,000 in escrow through Chiro Title Company, and authorize the payment to Chirco Title Company of up to \$1,000 for its escrow services, costs and expenses. In order to expedite the consummation of this transaction, a waiver of reconsideration is requested.

Sincerely,  
BRAD DICK  
Group Executive

Re: Closing Instructions. Amendment to Deeds to Fort Wayne, Detroit, Michigan.

Dear \_\_\_\_\_,

The City of Detroit, Michigan (“the City”) is the owner of certain real property known as Fort Wayne (the “Property”). The Property was conveyed to Detroit by the United States of America (the “United States”) in three separate deeds recorded at the Wayne County Register of Deeds, in Liber 9829, page 11, Liber 17937 page 633635 and Liber 19445, page 7 (the “Deeds”).

The United States has agreed to amend two of the deeds (Liber 17937 page 633635 and Liber 19445, page 7) by removing certain use restrictions in exchange for the recording of a preservation restriction that will encumber all of the Deeds (the “Preservation Restriction”) and a payment of One Hundred and Ten Thousand Dollars (\$110,000.00) from the City.

DELIVERY OF DOCUMENTS BY THE UNITED STATES

The United States will deliver to you two original executed amendments to rise Deeds (the "Deed Amendments") and the Fort Wayne Historic Preservation Covenant (the "Preservation Covenant").

DELIVERY OF FUNDS BY BUYER

The Buyer shall deliver to you: (1) funds in the amount of One Hundred and Ten Thousand Dollars (\$110,000.00)(2) all costs and expenses fix escrow fees, photocopying, recording fees, and all other fees, charges and taxes necessary to record the Preservation Covenant and the Deed Amendments, and compensate you for your service.

RECORDATION OF DOCUMENTS AND DISBURSEMENT OF THE FUNDS

When you have received the Deed Amendments, the Preservation Covenant and all funds specified above, please notify me for authorization to proceed. Once you receive written authorization from me via email, please proceed as follows:

Record the Deed Amendments and the Preservation Covenant, concurrently and sequentially at the Wayne County Register of Deeds.

Within three days of recording, please send a copy of the Deed with recording information to me at [richardbalsamo@gsa.gov](mailto:richardbalsamo@gsa.gov). Upon receipt of confirmation that the Deed has been recorded, please disburse the balance of the Purchase Price to GSA via Cashier's Check made payable to the "United States General Services Administration" and send overnight courier to me at the following address:

HISTORIC PRESERVATION  
COVENANT

This Agreement is made the \_\_\_\_ day of \_\_\_\_\_, 2020, by the City of Detroit (hereafter referred to as the "Grantee") and in favor of the State of Michigan, Michigan Strategic Fund, acting through its State Historic Preservation Officer, (hereafter referred to as the "SHPO"), for the purpose of the preservation of a certain Property known as Historic Fort Wayne, located at 6235 W. Jefferson Ave., Detroit, MI 48209 (the "Property"). The Property is owned in fee-simple by the Grantee and is included in the National Register of historic Places (the "NRHP") and is a City of Detroit Local Historic District (the "LHD").

The Property is comprised of the grounds, collateral, appurtenances and improvements located in and on the parcels of land conveyed by the United States of America to the Grantee and recorded at the Wayne County Register of Deeds in Liber 9829, page 11, Liber 17937 pages 633-635 and Liber 19445, pages 7-8, more particularly described in Exhibit A, attached hereto and incorporated herein.

Baseline information on the Property's above-ground contributing resources, their character-defining features and conditions, are included in Exhibit B, attached hereto and incorporated herein.

The Grantee hereby agrees to the following:

**1. STANDARDS**

A. The Grantee agrees to assume the costs of the continued maintenance and repair of the Property to preserve its architectural, historical, and archeological integrity in order to protect and enhance those qualities that made the Property eligible for listing in the NRHP and the LHD. The Grantee shall proceed in accordance with the recommended approaches in *The Secretary of the Interior's Standards for the Treatment of Historic Properties* (as codified in 36 CFR Part 68), and the *Guidelines for the Treatment of Cultural Landscapes* and any other applicable National Park Service guidance and Preservation Briefs (collectively, the "Federal Standards and Guidelines").

B. When rehabilitation is the appropriate treatment, the Grantee shall rehabilitate the Property in accordance with the recommended approaches in the Federal Standards and Guidelines. Rehabilitation is appropriate when repair and replacement of deteriorated features are necessary, or when alteration or additions to the Property are planned.

C. Distinctive materials, features, finishes, construction techniques and examples of craftsmanship that characterize the property's buildings, structures and landscape shall be preserved.

**2. ENFORCEMENT PROCEDURES**

A. The Grantee agrees that no plans for proposed rehabilitation, construction, ground-disturbing activity, alteration (whether visual or structural), or replacement of distinctive materials, features, finishes or spaces (a "Proposed Action"), shall be undertaken or permitted to be undertaken which would affect the historic and structural integrity or the appearance of the Property without the prior review and written approval by The Detroit Local Historic District Commission (the "HDC"), following the Grantee's established policy and guidelines.

B. The Grantee also agrees that no Proposed Action shall be undertaken which would affect the historic and structural integrity or appearance of the Property without the prior review and written approval of the SHPO. Prior to submitting documentation to the HDC for a Certificate of Appropriateness, the Grantee shall provide the SHPO with all documentation regarding the Proposed Action, including but not limited to, architectural or engineering plans (at the stages of conceptual design, schematic design, and construction documents), and any other appropriate material.

By Council Member Sheffield:

Whereas, In furtherance of the foregoing, the abrogation of deed restrictions, and the preservation of Historic Fort Wayne, located at 6235 W. Jefferson Avenue, Detroit, MI, 48209, the City of Detroit wishes to enter into a certain Historic Preservation Covenant substantially in the form attached as Exhibit A (the "Covenant") with the State of Michigan, Michigan Strategic Fund, acting through the State Historic Preservation Office; and

Whereas, Upon the City's deposit of the Covenant and the payment of \$110,000.00 to the United States General Services Administration in escrow, the National Park Service will deposit in escrow amendments to its deeds of conveyance, removing enumerated restrictions from those deeds; Now Therefore Be It

Resolved, That the covenants, conditions, and restrictions set forth in the Covenant, and the City's performance thereof and thereunder are hereby approved; and Be It Further

Resolved, That the Group Executive for Infrastructure or his designee is hereby authorized to execute and deliver the Covenant and such other documents as may be necessary or convenient in connection with the delivery of the Covenant in escrow, the abrogation of the deed restrictions, or otherwise in furtherance of the transaction described herein and consistent with this Resolution; and Be It Further

Resolved, That as appropriation of one hundred ten thousand dollars (\$110,000.00) of UTGO bond proceeds and the payment thereof in escrow to the United States General Services Administration are hereby approved; and Be It Further

Resolved, That the Group Executive for Infrastructure or his designee is hereby authorized to establish an escrow with Chirco Title Company for the deposit of the City's documents and funds approved and authorized hereby to facilitate the consummation of the transaction described herein; and Be It Further

Resolved, That the deposit in escrow of one thousand dollar (\$1,000.00) with Chirco Title Company, to pay all costs, fees, and expenses, including escrow fees, photocopying, recording fees, and all other charges necessary to record the Covenant and the deed amendments, up to and not to exceed one thousand dollars (\$1,000.00), is hereby approved; and Be It Further

Resolved, That the Group Executive for Infrastructure or his designee is hereby authorized to execute any required documents or instruments to make and incorporate technical amendments or changes to the Covenant (including but not limited to corrections to or confirmations of legal

descriptions) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise, provided that the changes do not materially alter the substance or terms of the Covenant.

Honorable City Council:

Re: Resolution Recognizing October 24, 2020 as the 75th Anniversary of UN Day.

The Honorable Council Member Raquel Castaneda-Lopez requested that the Legislative Policy Division (LPD) draft a resolution recognizing that October 24, 2020 marks the 75th anniversary of UN Day, which recognizes the founding of the United Nations in 1945.

Attached is a draft of the resolution for your review and consideration.

DAVID D. WHITAKER  
Director  
Legislative Policy Division

**RESOLUTION RECOGNIZING  
OCTOBER 24, 2020 AS THE 75TH  
ANNIVERSARY OF UN DAY**

By Council Member Castaneda-Lopez:

WHEREAS, 2020 marks the 75th anniversary of the founding of the United Nations since the Charter was signed in San Francisco on June 26, 1945 and came into force on October 24, 1945; and

WHEREAS, For 75 years, the United Nations, born from the rubble and devastation of World War II, has provided a forum for international cooperation and diplomacy, a beacon of light for multilateralism, international peace and security, economic and social well-being, and human rights for all; and

WHEREAS, The active participation of global civil society, governments and world leaders are essential components for the continued success and strength of the United Nations and the collective fulfillment of the United Nations Sustainable Development Goals by 2030, as approved unanimously by the member states; and

WHEREAS, The United Nations has remained an indispensable partner for the United States to protect our national security, economic, environmental, and foreign policy interests, as well as to promote our nation's shared historic values; and

WHEREAS, The United Nations has declared the theme of this year's commemoration to be "2020 and Beyond: Shaping Our Future Together," and has encouraged people in all countries to join the largest global conversation about their visions for the future we want; NOW THEREFORE BE IT

RESOLVED, That the City of Detroit:

1) Recognizes the 75th anniversary of the establishment of the United Nations, as well as the needs for and benefits of international cooperation.

2) Affirms the importance of promoting awareness and increasing support for the principles and vital work of the United Nations, to address the most pressing global issues facing humanity.

3) Applauds the United Nations for its critical role in maintaining international peace and security, combating terrorism, and protecting human rights.

4) Commends the United Nations for its leadership and ongoing efforts to mobilize international collaboration and its member states' actions to achieve the 17 Sustainable Development Goals by 2030.

5) Acknowledges with appreciation the leadership and ongoing efforts of the United Nations to address global health crises, including combating COVID-19, HIV/AIDS, smallpox and polio.

6) Applauds the United Nations for its response to unprecedented humanitarian crises due to natural and human causes that have resulted in a staggering escalation of displacements and suffering.

7) Encourages residents of all ages in the City of Detroit to commemorate and celebrate the purposes, principles, programs and achievements of the United Nations.

8) Calls on the United States government to reaffirm its long-standing support for the United Nations, its principles and programs and to re-establish ties that have been severed to the World Health Organization and other agencies; BE IT FURTHER

RESOLVED, Given the importance of developing a more equitable and connected world, the Detroit City Council recognizes and applauds the meaningful work of the UN and challenges other municipalities to share in the celebration of UN Day on October 24, 2020; BE IT FINALLY

RESOLVED, The City Clerk's office is directed to send a copy of this resolution to Mayor Mike Duggan and Governor Gretchen Whitmer.

September 29, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 Auto Theft Prevention Authority — Oakland County Grant.

The Michigan State Police has awarded the City of Detroit Police Department with the FY 2021 Auto Theft Prevention Authority — Oakland County Grant for a total of \$66,124.20. The State share is \$66,124.20 of the approved amount, and there is a required cash match of \$44,082.80. The total project cost is \$110,207.00. The grant was adopted in the FY 2021 budget in the amount of \$97,248.00. The grant was awarded at a higher amount than was budgeted. We are requesting to increase appropriation 20741, in the amount of \$12,959.00, in order to reflect the total project cost of \$110,207.00.

The objective of the grant is to implement innovative programs to address auto theft and fraud in partnership with the Oakland County Sheriff's Office. The funding allotted to the department will be utilized to pay for salaries, fringe benefits and overtime for police officers. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20741, with the match amount coming from appropriation number 00380.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

By Council Member Benson:

Whereas, The Detroit Police Department is requesting authorization to accept a grant of reimbursement from the Michigan State Police, in the amount of \$66,124.20, to implement innovative programs to address auto theft and fraud in partnership with the Oakland County Sheriff's Office; and

Whereas, The Grant was adopted in the FY 2021 budget under appropriation 20741, in the amount of \$97,248.00; and the grant was awarded at a higher value than was budgeted; and

Whereas, The total project cost for the awarded grant is \$110,207.00, which includes a required cash match of \$44,082.80; and therefore we are requesting to increase appropriation 20741, in the amount of \$12,959.00, in order to reflect the total project cost of \$110,207.00; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; Now Therefore, Be It

Resolved, That the Budget Director is authorized to increase the budget accordingly for Appropriation number 20741, in the amount of \$12,959.00, in order to equal the total project cost of the grant, in the amount of \$110,207.00, which includes a cash match coming from Appropriation 00380, for the FY 2021 Auto Theft Prevention Authority — Oakland County Grant.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

October 2, 2020

Honorable City Council:

Re: Authorization to submit a grant application to the Michigan Department of Transportation for the Transportation Alternatives Program Grant.

The Department of Public Works, in partnership with the General Services Department, is hereby requesting authorization from Detroit City Council to submit a grant application to the Michigan Department of Transportation for the Transportation Alternatives Program Grant for Oakman Boulevard. The amount being sought is \$1,515,307.00. The State share is \$1,515,307.00 of the approved amount and there is a required cash match of \$378,827.00. The total project cost is \$1,894,134.00.

The Transportation Alternatives Program Grant will enable the department to:

- Construct the Oakman Boulevard segment of the Joe Louis Greenway
- Make non-motorized improvements to Oakman Boulevard, from West Grand River Avenue to Chicago Boulevard, which include pedestrian and bicycle transportation improvements

If the application is approved, a cash match will be provided from appropriation 21001.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director

**City Planning Commission**

October 23, 2020

Honorable City Council;

Re: Request of Brian Hurttienne, to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, *Zoning District Maps*, Section 50-17-31, *District Map No. 29*, of the Detroit Zoning Ordinance to show an R3 (Low Density Residential District) zoning classification where an R2 (Two-Family Residential District) zoning classification is currently shown for the properties commonly known as 7631 E. Lafayette Street and 1000 and 1008 Townsend Street in order to develop multiple-family dwellings. (RECOMMEND APPROVAL)

**PROPOSAL**

Before this Honorable Body is the request of Brian Hurttienne, in conjunction with the property owner John Chu, to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, *Zoning District Maps*, Section 50-17-31, *District Map No. 29*, of the Detroit Zoning Ordinance to show an R3 (Low Density Residential District) zoning classification where an R2 (Two-Family Residential District) zoning classification is

currently shown for the properties commonly known as 7631 E. Lafayette Street, and, 1000 and 1008 Townsend Street in order to develop multiple-family dwellings on the subject parcels.

The site is located in the Island view neighborhood on E. Lafayette Avenue between Townsend and Baldwin Streets. The development team is proposing to rezone the subject parcels that combined are approximately .39 acre. The East Lafayette Apartments, as it is currently branded, is a two building development. The project has 12 studio apartments and 12 one-bedroom apartments. The development team has submitted a letter describing the anticipated unit mix and approximate rental rates as shown below:

**12 Studio Apartments**

- 1 unit – at or below 60% Area Media Income (AMI) (current AMI limit of \$825; estimated rent of \$675)
- 2 units – at or below 80% AMI (current AMI limit of \$ 1100; estimated rent of \$875)

• 9 units – market rate

**12 1-Bed Apartments**

- 3 units – at or below 80% AMI (current AMI limit of \$1178; estimated rent of \$925-\$1000)

• 9 units – market rate

**PLANNING CONSIDERATIONS**

***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

- North:** R2; residential homes
- South:** PD; Tapestry Dental and Riverview Jefferson Health
- East:** R2; residential homes and unimproved parcels
- West:** R2; Moses Field Center

The parcels are currently zoned as an R2 Two-Family Residential District, "designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings and promote a suitable environment for activities connected with family life. The only princi-

pal uses permitted by right are single- and two-family dwellings. Limited additional permitted uses are conditional".
