The proposed R3 Low Density Residential District is "designed as a low-density multi-family district. The regulations are designed to promote and encourage town and terrace house development, courts, and garden apartments. It is intended that this district be used primarily on local thoroughfares thereby encouraging a suitable environment for family life. Among others, uses permitted by right include single and two-family dwellings, town houses, multi-family dwellings, and community facilities necessary to serve a residential district."

The development site is located within a half mile of a high-frequency transit corridor (Jefferson Avenue) which allows for the developer to provide .75 of the minimum required off-street parking spaces.

#### **Master Plan Consistency**

The subject site is located within the Butzel area of Neighborhood Cluster 3 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows *Low/Medium — Density Residential (RLM)*. According to the MP, these areas should have an overall density of 8 to 16 dwelling units per net residential acre. The areas are often characterized by two- or four-family homes with small yards, on-street parking, or garages with alley access.

The Master Plan-Zoning Table which identifies the correlation between MP designations and zoning districts, classifies the R3 zoning district as consistent with the RLM designation.

#### **COMMUNITY OUTREACH PROPOSAL AND PUBLIC HEARING RESULTS**

##### *Community Engagement*

The developer has reached out to various community stakeholders regarding this proposal including St. Charles Church, Church of Messiah Housing – Pastor Barry, the Villages CDC, West Village Association, the Riverview Neighborhood Association, Genesis Hope, and others.

The developer also presented the project at a community meeting convened by a neighbor on August 14, 2020. This meeting resulted from flyers that the developer passed out in the neighborhood to inform residents about the project.

Additionally, the City's Housing and Revitalization Department (HRD) held a community meeting on June 25, 2020 that provided an overview of this and other projects in the area. As a result of this effort, HRD and the Detroit Economic Growth Corporation submitted 54 letters of general support (attached) for this and other Island View Greater Villages (IVGV) projects.

Lastly, one letter of opposition was submitted to CPC staff (attached) by a nearby resident of the site. The letter is opposing the density, building typology and design, proposed parking count, and other aspects of the project. CPC staff has communicated with this neighbor to keep them informed and to express their sentiment.

##### *Public Hearing*

At the public hearing of September 10, 2020, the CPC heard a presentation on the subject proposal and put forward several questions that were answered by the petitioner. No members of the public spoke in opposition or in favor of the proposal. However, there was one letter of opposition submitted to CPC staff by a nearby resident of the site (previously mentioned). This letter was described at the public hearing in opposition to the density, building typology and design, proposed parking count, and other

aspects of the project. The abovementioned 54 letters of general support for this and other Island View Greater Villages (IVGV) projects were submitted at the public hearing. The Commission also requested the petitioner reach out to the neighboring school to inform them of the development plan. This request has now been satisfied.

#### **APPROVAL CRITERIA**

Pursuant to Sec. 50-3-70 Approval Criteria, recommendations and decisions on an amendment of a zoning map in Article XVII of chapter 50 of City Code are based on consideration of the following criteria:

(1) *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;*

The proposed amendment meets the challenge of a transition in housing market demand. The amendment will allow for a missing middle housing type that would not be allowed but for the rezoning.

(2) *Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;*

The Future Land Use map for this area shows *Low/Medium — Density Residential (RLM)*. According to the Master Plan, these areas should have an overall density of 8 to 16 dwelling units per net residential acre. The areas are often characterized by two- or four- family homes with small yards, on-street parking, or garages with alley access. The Master Plan-Zoning Table which identifies the correlation between MP designations and zoning districts, classifies the R3 zoning district as consistent with the RLM designation.

(3) *Whether the proposed amendment will protect the health, safety, and general welfare of the public;*

The proposed amendment will be in alignment with the Master Plan of Policies and subject to the protections of the Zoning Ordinance and thus protects the health, safety and welfare of the public.

(4) *Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;*

Adequate public facilities and services have been considered during the process for this proposal and there are no difficulties in providing necessary services foreseen.

(5) *Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;*

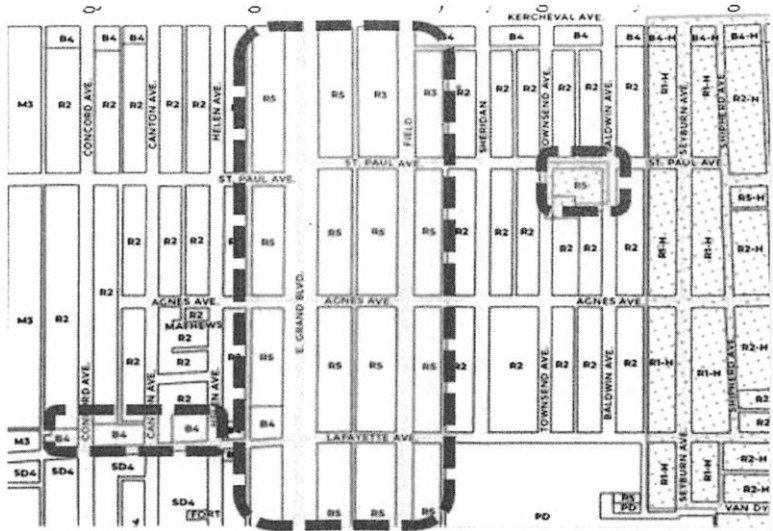

The proposed rezoning is not expected to have any significant adverse impacts on the natural environment.

(6) *Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;*

The proposed amendment is not expected to have any significant adverse impacts on other properties in the vicinity of the subject site. The area's zoning consists of a mixture of predominantly R2 zoned parcels, but also has a blend of R3, R5 (Medium Density Residential District), and B4 (General Business District) zoned parcels. The zoning map below shows that the B4 parcels are predominantly along Kercheval Avenue and on E. Lafayette Ave., west of E. Grand Boulevard. The R5 parcels (which are designed to provide for a range of single-family to medium-density multiple-family dwellings) are located along E. Grand Boulevard and E. Lafayette, while a couple of R3 zoned blocks are located on Field Street.

This shows that the subject neighborhood area is currently zoned for a mix of housing types as well as business activity.

One opposing argument has been made that the character and integrity of the neighborhood would be impacted by the proposed multiple family housing, since the neighborhood is majority single-family housing. However, there is currently existing examples of higher intensity residential districts in the neighborhood that allow for multi-family housing. Staff is of the opinion that the proposed amendment will not have significant adverse impacts on property in the vicinity, as this change does not constitute a major departure from what is currently allowed in the neighborhood.

(7) *The suitability of the subject property for the existing zoning classification and proposed zoning classification; and*

The property lies on a secondary thoroughfare, (shorter, narrower streets designed to move traffic safely and expeditiously through residential areas.) The property is seemingly suitable for the subject classification since it is on the edge of the city block and on a thoroughfare that can sustain denser development. The parcels zoned B4 (General Business District) along Lafayette and Kercheval avenues indicate that a more intensive zoning classification can exist cohesively on this thoroughfare.

(8) *Whether the proposed rezoning will create an illegal "spot zone."*

Staff is of the opinion that this rezoning

will not create an illegal spot zone because the proposal is consistent with the Master Plan and the subject site would remain a residential zoning classification, which is compatible with surrounding zoning.

**CONCLUSION AND RECOMMENDATION**

On September 24, 2020, based on the aforementioned information contained in this report, the City Planning Commission voted to recommend approval of the proposed map amendment that is before this Honorable Body.

FOR THE FORMER CADILLAC  
STAMPING PLANT  
REDEVELOPMENT PROJECT  
AT 9501 CONNER STREET  
REDEVELOPMENT PROJECT**

City of Detroit  
County of Wayne, Michigan

By Council Member Tate:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Former Cadillac Stamping Plant Redevelopment Project at 9501 Conner Street Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on September 9, 2020, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on September 21, 2020 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on September 9, 2020; and

WHEREAS, The Authority approved the Plan on September 23, 2020 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on October 15, 2020.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381.

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County

Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority

to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

RESOLUTION DECLARED ADOPTED.

JANICE WINFREY  
City Clerk  
City of Detroit  
County of Wayne, Michigan

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on November 4, 2020, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Infinity-Park Ave, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 8, 2019 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 2001 Park Avenue, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, This City Council has granted until August 1, 2022 for the completion of the rehabilitation; and

Whereas, On October 29, 2020 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Infinity-Park Ave, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2020 and the certificate expiring December 31, 2032, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than August 1, 2022, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Office of Development and Grants**

October 1, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 Overdose Prevention Safer Systems of Care Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 Overdose Prevention Safer Systems

of Care Grant for a total of \$200,000.00. There is no match requirement. The total project cost is \$200,000.00. The grant period is October 1, 2020 through September 30, 2021.

The objective of the grant is to strengthen the Health Department's capacity to address the opioid crisis through collaborative partnerships and training. The funding allotted to the department will be utilized to pay for staff salary, travel, training contract, supplies, material and administrative cost. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20853.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

KATERLI BOUNDS

Director

Office of Development and Grants

TINA TOLLIVER

Office of Budget

By Council Member Benson:

Whereas, The Health Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Health and Human Services, in the amount of \$200,000.00, to strengthen the Health Department's capacity to address the opioid crisis through collaborative partnerships and training; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20853, in the amount of \$200,000.00, for the FY 2021 Overdose Prevention Safer Systems of Care Grant.

**SUMMARY**

This ordinance amends Chapter 35 of the 2019 Detroit City Code, Personnel, Article III, Benefits, Division 2, Vacation, Sick, Departmental, Funeral, and Jury Leave, by amending Section 35-3-74, Sick leave, to clarify payment in lieu of Worker's Compensation to Detroit Fire Department and Detroit Police Department members.

By Council Member McCalister, Jr.:

**AN ORDINANCE to amend Chapter 35 of the 2019 Detroit City Code, Personnel, Article III, Benefits, Division 2, Vacation, Sick, Departmental, Funeral and Jury Leave, by amending Section 35-3-74, Sick leave, to clarify payment in lieu of Worker's Compensation to Detroit Fire Department and Detroit Police Department members.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1:** Chapter 35 of the 2019 Detroit City Code, *Personnel*, Article III, Division 2, be amended by amending Section 35-3-74, to read as follows:

**CHAPTER 35. PERSONNEL  
ARTICLE III. BENEFITS  
DIVISION 2. VACATION,  
SICK, DEPARTMENTAL,  
FUNERAL AND JURY LEAVE**

**Sec. 35-3-74. Sick leave.**

(a) *Appointees.* Appointees, as defined in Section 35-3-71 of this Code, are entitled to current sick leave with pay on the basis of one day per month. Upon

appointment, appointees, as defined in Section 35-3-71 of this Code, shall retain their current sick leave, prior sick leave, and reserve sick leave banks with earnings to date.

(b) *Employees.* City employees, as defined in Section 35-3-71 of this Code, who have completed three months of continuous service shall be granted one day of sick leave for every service month that the employee is on the payroll for the entire month and that the employee has worked 80 percent of the employee's scheduled hours, not to exceed 12 sick leave days in any one fiscal year. Sick leave shall accrue in full days only. Sick leave as provided for in this subsection shall accrue from the date of hire, but only after the City employee shall have become eligible for such leave in accordance with the provisions of this division.

(c) *Current Sick Leave Bank.* After appointment or hiring, sick leave shall accrue from the beginning of each fiscal year and shall be capped at 300 hours, provided, that additional accrual shall occur where the bank falls below 300 hours until the bank reaches the cap at 300 hours. Sick leave may not be granted in anticipation of future service.

(d) *Prior Sick Leave Bank.* Effective June 15, 2013, each City employee or appointee's Current Sick Leave Bank, which was earned prior to June 15, 2013, shall continue at its existing level until utilized.

(e) *Reserve Sick Leave Bank.* Effective June 15, 2013, each City employee or appointee's Reserve Sick Leave Bank, which was earned prior to June 15, 2013, shall continue at its existing level until utilized.

(f) *Sick leave bank balances.* Sick leave bank balances shall be delineated in hours and shall be itemized on an employee's or appointee's pay check stubs.

(g) *Use of sick leave.* Effective June 15, 2013, sick leave shall be deducted as follows:

(1) Firstly, from an employee's or appointee's Current Sick Leave Bank, which has accrued in accordance with Subsection (c) of this section;

(2) Secondly, from an employee's or appointee's Prior Sick Leave Bank, which under Subsection (d) of this section, accrued prior to June 15, 2013; and

(3) Thirdly, from an employee's or appointee's Reserve Sick Leave Bank, which under Subsection (e) of this section, accrued prior to June 15, 2013.

(h) *Notification of absence to immediate supervisor or designated authority.* In order for sick time to be deducted in accordance with Subsection (g) of this section, a City appointee or employee who must be absent, where permission has not already been granted, shall notify

the employee's immediate supervisor or designated authority:

(1) Either within two hours after the employee's scheduled starting time, or, when in the judgment of the immediate supervisor or designated authority no earlier notice was possible, within the working hours of the day of absence; or

(2) Where the City employee is assigned to a seven-day, 24-hour operation, two hours prior to the start of the employee's shift.

Failure to give proper notice may be used by the immediate supervisor or designated authority as the reason to deny sick leave with pay.

(i) *Medical documentation.* Proof of illness shall be provided by medical documentation for all sick leave granted beyond three consecutive days, provided, that the granting of sick leave for not more than three consecutive days without the necessity of medical documentation shall be discretionary with the department director or agency head, and all excuses for medical absences shall be subject to verification as the department director or agency head may require, including, but not limited to, examination by a physician selected by the Director of the Human Resources Department.

(j) *Charges to sick leave banks.* Sick leave shall be charged against a City appointee's or employee's Current Sick Leave Bank, Prior Sick Leave Bank, and Reserve Sick Leave Bank only in four- or in eight-hour increments.

(k) *Departmental leave.* Absences for any reason under this subsection shall be deducted only from a City appointee or employee's Current Sick Leave Bank. Absences for the purpose of taking City examinations, except non-competitive promotion examinations, attending a wedding of a member of the appointee or employee's immediate family, consulting the draft board, participating in documented activities at public and private schools, and other justifiable absences in the judgment of the immediate supervisor or designated authority, shall be considered proper charges only against a City appointee or employee's Current Sick Leave Bank, provided, that permission for such absence must be secured from the immediate supervisor or designated authority and that the immediate supervisor or designated authority may permit such absence with pay to the extent of five working days in any one fiscal year.

(1) *Accrual during service.* Absence shall not interrupt the accrual of sick leave where the City appointee or employee continues on the payroll and the appointee or employee is receiving compensation, provided, that, except where a City appointee or employee is receiving workers' compensation, absences without pay shall stop the accrual of sick leave, provided

further, that upon the appointee or employee's return in good standing, the appointee or employee may be granted all sick leave accrued on the basis of the appointee or employee's prior service, provided further, that any City appointee or employee returning from any branch of the armed services shall be granted all sick leave accrued on the basis of the appointee or employee's prior City service.

(m) *Workers' compensation.*

(1) A City appointee or employee who sustains injury or occupational disease arising out of and in the course of City employment shall be continued on the payroll, and the appointee or employee's time shall be charged to the appointee or employee's sick leave banks in accordance with Subsection (g) of this section, provided, that in the absence of any sick leave bank, the appointee or employee shall be paid regular wages or salary to the extent of two-thirds of the appointee or employee's daily wage or salary but for a period not to exceed seven days, further provided, that where the City appointee or employee has sick leave and receives income under the Michigan Workers' Compensation Act, being MCL 418.101 et seq., such income shall be supplemented by the City with an amount sufficient to maintain the appointee or employee's regular salary or wage for a period not to exceed that of the City appointee or employee's Current Sick Leave Bank, Prior Sick Leave Bank, or Reserve Sick Leave Bank, and such sick leave banks shall be charged in accordance with Subsection (g) of this section for all sick leave days paid to such employee.

(2) Clarification to Sec. 35-3-74(m)(1). Subsection (m)(1) of this section is clarified to confirm that City public safety employees who participate in the City of Detroit Police and Fire Retirement System (PFRS), and who are determined to be temporarily disabled due to an injury or illness sustained in connection with their employment shall be entitled to receive their regular pay in lieu of any workers' compensation wage loss benefits.

(n) *Reassignment or transfer to different department or agency not to void leave.* A City appointee or employee who is reassigned or transferred to another department or agency and is otherwise entitled to the benefits under this section shall not lose any accumulated and unused sick leave.

(o) *Death or termination of service ends entitlement to sick leave.* Except for the reasons provided for in Section 35-3-75 of this Code, death or termination of service ends all entitlement to any unused sick leave. In addition, continuous leave, as defined in Section 35-3-71 of this Code, or continuous leave of absence, as defined in Section 35-3-71 of this Code, or lay-off, which is in excess of four years,

ends any entitlement to unused current sick leave, prior sick leave, and reserve sick leave.

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 3.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 4.** In the event this ordinance is passed by two-thirds majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds majority of City Council Members serving, it shall become effective on the 30th day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

October 13, 2020

Honorable City Council:

Re: Request to transfer the match source for the FY 2018 Port Security Grant Program (PSGP) Grant.

The U.S. Department of Homeland Security awarded the City of Detroit Fire Department with the FY 2018 Port Security Grant Program (PSGP) for a total of \$580,500.00. The Federal share is \$580,500.00 of the approved amount, and there is a required cash match of \$193,500.00. The total project cost is \$774,000.00. The request to accept and appropriate these funds was approved by City Council on January 8, 2019, and appropriation number 20563, in the amount of \$774,000.00, was subsequently established. The original resolution authorized \$118,500.00 in match funds to come from appropriation 00064 and \$75,000.00 in match funds to come from appropriation 00380. We are now requesting to change the match appropriation source for this grant so that the total match, in the amount of \$193,500.00, is coming exclusively from appropriation 00064. Appropriation number 00380 will not be used to provide funding for the match for this grant.

The objective of the grant is to support the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal. The funding allotted will be utilized to purchase a Lake Assault Vessel and an Aerial Drone. This is a reimbursement grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Honorable City Council:

Re: Request to Accept and Appropriate FY 2018 Port Security Grant Program (PSGP) Grant.

The US Department of Homeland Security has awarded the City of Detroit Fire Department, in partnership with the Detroit Police Department, with the FY 2018 Port Security Grant Program (PSGP) for a total of \$580,500.00. The Federal share is \$580,500.00 of the approved amount, and there is a cash match requirement of \$193,500.00. The total project cost is \$774,000.00. The grant period is September 1, 2018 — August 31, 2021.

The objective of the grant is to support the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal. The funding allotted to the Fire Department will be utilized to purchase a Lake Assault Vessel. The funding allotted to the Police Department will be utilized to purchase an aerial drone. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20563. The cost of the vessel is \$474,000.00 and the Fire Department will provide a cash match of \$118,500.00, coming from appropriation 00064. The cost of the drone is \$300,000.00 and the Police Department will provide a cash

match of \$75,000.00, coming from appropriation 00380. The combined cash match provided by the Fire Department and the Police Department will cover the total required cash match of \$193,500.00.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

**RESOLUTION IN SUPPORT OF  
EVICTION PROTECTIONS THROUGH  
CERTIFICATE OF COMPLIANCE  
REQUIREMENTS FOR LANDLORDS**

By Council Member Castaneda-Lopez,  
joined by Council Member Sheffield:

WHEREAS, Many residents of the city of Detroit are experiencing unprece-

dened unemployment and financial hardship exacerbating the inability of many city residents to pay residential rental obligations due to the impact of the COVID-19-pandemic; and

WHEREAS, Many residents of the city of Detroit reside in rental properties that are owned by landlords who will seek to collect the unpaid rents or have the tenants evicted for failure to pay rent and;

WHEREAS, The City of Detroit has enacted an ordinance that requires the registration and inspection of residential rental property to protect the general safety and welfare of Detroit residents that rent private residential units under Section 8-15-81, Registration of Rental Property that provides in pertinent part: (a) The owners or agents of rental property shall register all such dwellings with the Buildings, Safety Engineering, and Environmental Department and obtain a Certificate of Registration of Rental Property as provided for in this section; and

WHEREAS, Under the ordinance it shall be unlawful for an owner or landlord of an unregistered rental property to lease the rental property for occupancy without it being registered in compliance with the Registration of Rental Property ordinance and if the unregistered rental property is occupied by a rental tenant the owner or landlord is not entitled to collect any rent due until properly registered;

WHEREAS, The 36th District Court has exclusive jurisdiction over summary proceedings/eviction cases in the City of Detroit and addresses more than 30,000 eviction cases annually (one for every five renter households), resulting in an eviction rate three times higher than several major cities (e.g., New York, Chicago, Los Angeles, Pittsburgh, Minneapolis) and well above similarly sized jurisdictions (e.g., Milwaukee, Boston, Portland, Washington DC, Nashville), and

WHEREAS, Michigan Law requires residential rental property owners "To keep the premises in reasonable repair during the term of the lease or license, and to comply with the applicable health and safety laws of the state and of the local unit of government where the premises are located, except when the disrepair or violation of the applicable health or safety laws has been caused by the tenants willful or irresponsible conduct or lack of conduct." MCL 554.139 (b), and

WHEREAS, The compliance rate for the Rental Registration Ordinance is disappointingly low, and many tenants report serious repair problems in their homes which severely impact their health and safety, and

WHEREAS, In 2018, Detroit was home to 34% of childhood lead poisoning cases in the state, despite being home to just 8.5% of the state's population, and 90% of the city's children under age six – those

most susceptible to lead poisoning – live in homes built prior to 1978 when lead paint was banned, and

WHEREAS, Proper enforcement of building, safety, environmental and engineering standards of residential properties as outlined in the City of Detroit's rental ordinance could remedy the number of local childhood lead poisoning cases, and

WHEREAS, The 36th District Court does not required landlords to demonstrate compliance with the Rental Registration Ordinance or to produce a certificate of compliance before commencing eviction cases, and

WHEREAS, Continued non-compliance with these laws contributes to blight, a reduction in property values and ultimately increased demolition costs for the city,

THEREFORE, BE IT

RESOLVED, That The Detroit City Council urges the 36th District Court to implement a policy which requires that residential property owners who file summary proceedings to recover possession of property, must attach verification of compliance with Detroit's rental registration ordinance at the point of filing and to refuse to accept any filings that do not comply with this policy which implements state law, and

BE IT FURTHER

RESOLVED, That Copies of this resolution shall be provided to the Mayor and the Chief Judge of the 36th District Court.

**RESOLUTION IN SUPPORT OF  
DDOT DRIVER SAFETY**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBERS AYERS, BENSON, LELAND, MCCALISTER, JR., SHEFFIELD, SPIVEY AND TATE:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, The current COVID-19 pandemic is the defining global health crisis of our time and one of the greatest challenges the city of Detroit, the state of Michigan, the USA and the modern world has ever faced. Since its emergence in Asia late last year, the virus has spread to almost every continent. But the pandemic is much more than a health crisis, it's also an unprecedented socio-economic crisis; and

WHEREAS, Unfortunately, the events surrounding a recent incident on a City of Detroit DDOT bus between a driver and a citizen over the wearing of a mask, ultimately led to a DDOT drivers walk out, in opposition to the discipline issued to the involved driver on Friday October 2nd; and

WHEREAS, The incident brought attention to the fact that even before the heightened tensions of COVID-19, many of the City's DDOT drivers have encountered mistreatment and threats from riders; and

WHEREAS, To its credit, according to the City's website, the Administration reached an agreement with the drivers, which led to the drivers returning to work on Monday October 5th; and

WHEREAS, It is the recommendation of the Detroit City Council that as far as grant and other funds are available, that the City of Detroit consider implementing the following in order to provide a safer environment for the drivers:

- Permanent barriers between drivers and passengers
- Additional police presence on the busses
- Clear lines of distance, marked on each bus between passengers and drivers
- A daily supply of masks for bus passengers (distributed one at a time)
- Easy to read illustrated signage on the busses, which indicates the rules and the level of security on the busses
- Greenlight quality cameras on all busses; and

WHEREAS, That the Detroit City Council urges that the Administration to consider implementing its suggestions, given Council's respect and admiration for its DDOT drivers and its commitment to their safety. As a matter of fact, we consider the safety of all City workers paramount and they all should be adequately supported, trained and protected; NOW THEREFORE BE IT

RESOLVED, That copies of this resolution be forwarded the Mayor, the Directors of DDOT and the City's Human Resources Department and to Fred Westbrook, President of the Amalgamated Transit Union Local 26.

Permit

Honorable City Council:

To your Committee of the Whole was Petition of The Parade Company, requests to hold the Virtual 2020 America's Thanksgiving Day Parade which will air on November 26, 2020 from 9:00 a.m. – 1:00 p.m. After consultation with the Mayor's Office and all other concerned City Departments, and careful consideration of the request, your committee recommends that

same be granted in accordance with the following resolution.

Respectfully submitted,

SCOTT BENSON

Chairperson

By Council Member Benson:

Resolved, That permission be and is hereby granted Petition of The Parade Company, requests to hold the Virtual 2020 America's Thanksgiving Day Parade which will air on November 26, 2020 from 9:00 a.m. – 1:00 p.m., and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments, and the supervision of the Police Department, and further

Provided, If tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum 3.2 regarding "Use of Tents for Public Assembly," and further

Street closures

Provided, That sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That permission for the sale of alcoholic beverages is granted contingent upon petitioner obtaining approval of the Michigan Liquor Control Commission and complying with applicable City Ordinances in connection with this activity, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That site be returned to its original condition after said activity, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

October 22, 2020

Honorable City Council:

Re: Proposed Ordinance to amend Chapter 48 of the 2019 Detroit City Code.

Pursuant to the request of Council Member Benson, the above-referenced ordinance is being submitted to your Honorable Body for consideration. This proposed ordinance will amend Chapter 48 of the 2019 Detroit City Code, *Utilities*, by amending Division 4, *Stormwater Management*, to revise, reorganize and rename certain provisions within the Division to provide greater clarity to the regulation.

A copy of the ordinance, which has been approved as to form, is attached for your consideration.

Respectfully submitted,  
TONJA R. LONG  
Supervising Assistant  
Corporation Counsel

By Council Member Benson:

**AN ORDINANCE to amend Chapter 48, of the 2019 Detroit City Code, Utilities, Article II, Sewers and Drains, by amending Division 4, Stormwater Management, to include Section 48-2-101, Applicability, Section 48-2-103, Exemptions, Section 48-2-104, Stormwater Management Design Manual, Section 48-2-105, Performance standards,**

**Section 48-2-106, Post Construction Stormwater Management Plan and Operations Management Plan required, Section 48-2-107, Alternative compliance, Section 48-2-108, Performance bond, Section 48-2-109, Maintenance required, Section 48-2-110, Transfer of property, Section 48-2-111, Record drawings and certification, Section 48-2-112, Right of entry for compliance inspections, Section 48-2-113, Period self-inspections required, Section 48-2-114, Right of appeal, Section 48-2-115, Notice, Section 48-2-116, Civil penalty, Section 48-2-117, Fines, Section 48-2-118, Additional remedies, by revising, reorganizing, and renaming certain provisions within the Division to provide greater clarity to the regulation.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 48 of the 2019 Detroit City Code, *Utilities*, Article II, *Sewers and Drains*, Division 4, Stormwater Management, be amended by amending Sections 48-2-101 through 48-2-118, to read as follows:

**CHAPTER 48. UTILITIES  
ARTICLE II. SEWERS AND DRAINS  
DIVISION 4. STORMWATER  
MANAGEMENT**

**Sec. 48-2-101. Applicability.**

(a) Subject to Section 48-2-103 of this Code, this division applies to all construction activities that are subject to the drainage charge and that involve the replacement or creation of 21,780 square feet or more of impervious surface.

(b) This division shall also apply to any construction activity that is not subject to Subsection (a) of this section, but may create a condition that would result in runoff that would:

- (1) Exceed the safe capacity of the receiving public sewer or body of water as determined by the Department;
- (2) Cause undue channel erosion;
- (3) Increase water pollution by scouring or transport of particulate matter;
- (4) Endanger property; or
- (5) Endanger public safety.

(c) Notwithstanding Subsection (a) or Subsection (b) of this section, the discharge from a regulated construction activity may be determined by the Department to have previously been authorized and to have incorporated stormwater control measures that are sufficient to satisfy the performance standards in this division. In such cases, the applicant may request a review by the Department for a determination of whether additional stormwater management is required for the development site.

**Sec. 48-2-102. Definitions.**

For the purposes of this division, the following words and phrases shall have

the meanings respectively ascribed to them by this section:

~~Alternative compliance measure means a stormwater control measure that treats stormwater runoff from impervious surfaces that:~~

~~(1) Were in existence as of the effective date of this division, and~~

~~(2) Whose construction or reconstruction is not subject to the provisions of this division.~~

*Applicant* means a person or persons acting as owners or operators of a regulated construction activity on a development site who is seeking approval of a Post Construction Stormwater Management Plan under this division.

*Buffer strip* means a zone that is used for filtering direct stormwater and stormwater runoff into a stormwater control measure, or watercourse and for providing maintenance access to a stormwater control measure.

*Common plan of development* means a regulated construction activity, that is completed in phases or stages when such phases or stages share:

(1) One or more common City ~~permits~~ permit(s) related to the regulation of land use, the discharge of wastewater or a discharge to surface waters or groundwater, or

(2) Common infrastructure such as, but not limited to, roadway access or utilities.

*Construction activity* means a human-made activity including, but not limited to, clearing, grading, excavating, construction and paving, that results in a change in the existing cover or topography of land, including any external demolition, modification, or alteration of a development site or the footprint of a building, but does not include re-surfacing of an asphalt, concrete or similar parking lot that does not expose the subgrade.

*Conveyance* means any structure or other means of safely conveying stormwater within a stormwater management system including, but not limited to, a watercourse, closed conduit, culvert or bridge.

*Demolition* means the razing or destruction, in whole or in part, of an existing structure, or the removal of existing impervious surfaces.

*Department* means the Detroit Water and Sewerage Department and its authorized agents.

*Development site* means the property on which a regulated construction activity ~~takes place will occur or is occurring. A development site may include, but is not limited to, a component of a Common Plan of Development, an individual lot as defined in the City Zoning Ordinance, or an aggregation of one or more lots subject to a unified plan for land use.~~

*Disturbance* means an activity, includ-

ing a regulated construction activity, that disturbs the surface of land or underlying soils, including but not limited to, stripping, grading, ~~grabbing~~ grubbing, trenching, excavating, transporting, and filling of land, but does not include the activities of clearing, plowing, tilling soil, or harvesting for the purpose of crop production.

*Drainage area* means the land area from which stormwater runoff drains to a common point, including any area lying beyond the boundaries of a development site as defined in this division.

*Due Care Plan* means the actions a person must undertake and are necessary to protect the public from exposure to contamination present in soil, groundwater, and subsurface vapors.

*Equivalent volume* means the quantity of stormwater runoff that is presumed to be managed through a fee in lieu payment, an alternative compliance measure, or any combination thereof, including any adjustments or modifications set forth in this division and the Stormwater Management Design Manual created pursuant to Section 48-3-104 of this Code.

*Extraordinarily difficult site conditions* means those conditions present at a development site that prevent or preclude the construction of stormwater control measures ~~in on~~ any portion of a development site.

*Impervious surface* means any surface area that prevents or substantially impedes the entry of water into the soil in the manner that such water entered the soil ~~under natural conditions pre-existent prior to development, or which cause causes~~ water to run off the surface in greater quantities or at an increased rate of flow than that present under natural conditions ~~pre-existent of development, including but not limited to, roofs, parking lots, compacted gravel and dirt, driveways, sidewalks, and storage areas.~~

*Infiltration rate* means a measure of the speed at which water enters into the soil at the surface.

*Natural condition* means the condition of land that is predominantly covered in vegetation that is sustainable without regular human maintenance, such as irrigation, mowing, or fertilization, examples of which include natural cover, woodland, meadow, grassland, or shrubland.

*Operation and Maintenance Plan* means a document which outlines the required maintenance activities and measures associated with an approved Post Construction Stormwater Management Plan.

*Pervious surfacing* means a material or materials and accompanying subsurface treatment designed and installed specifically to allow stormwater to penetrate into the material, thereby reducing the volume of stormwater runoff from the surfaced area.

*Post Construction Stormwater Management Plan* means a document ~~set forth by the Department~~ that identifies all actions to be taken by an applicant ~~in conjunction with~~ related to a regulated construction activity ~~to that details how an applicant will~~ comply with the requirements and standards set forth in this division and the Stormwater Management Design Manual.

*Regulated area* means the portion of a development site used as the basis to determine ~~compliance with the~~ what performance standards ~~set forth in this division an applicant must meet.~~

*Regulated construction activity* means construction activity that is subject to the provisions of this division, a regulated construction activity may occupy all or part of a development site.

*Regulatory volume* means the total quantity of stormwater runoff that must be retained in a stormwater control measure in order for a regulated construction activity to comply with the performance standards in this division.

*Stormwater control measure* means any structure, feature, or appurtenance that is designed, constructed, operated, practiced, or adopted to reduce the quantity, lower the rate, improve the quality, or otherwise control stormwater runoff through retention, detention, infiltration, reuse, or other approved stormwater management techniques.

*Stormwater Management Design Manual* means a document or documents promulgated by the Department, which may be amended, specifying detailing criteria, standards, and procedures by which an applicant may comply with the provisions of this division that an applicant must follow to comply with this division.

*Water quality volume* means the volume of stormwater runoff generated by the 90th percentile storm over the regulated area of a development site.

**Sec. 48-2-103. Exemptions.**

Notwithstanding Section 48-2-101 of this Code, the following activities shall be exempt from the requirements of this division:

(1) The improvement or construction of an individual single family detached dwelling as defined in this Code;

(2) Emergency maintenance work performed for the protection of public health and safety. A written description of the scope and extent of any such emergency maintenance work performed shall be submitted to the Department within two calendar days following its commencement. If the Department finds that the work is not an emergency or if a written description is not timely submitted to the Department, then the work shall cease immediately and the requirements of this division shall be addressed as applicable; or

~~(3) A regulated construction activity that discharges stormwater directly to the Detroit River or Rouge River via any conveyance not owned by the City and is in compliance with state and federal regulations governing such discharges.~~

~~(3) Regulated construction activity done to protect public health as part of a Due Care Plan that is required and approved by a state or federal regulatory agency.~~

**Sec. 48-2-104. Stormwater Management Design Manual.**

The Department shall ~~implement, and may amend,~~ provide a Stormwater Management Design Manual which shall ~~set forth specific detail~~ procedures, criteria, minimum standards, methods and other technical information ~~to that shall be~~ utilized in ~~determining compliance to comply~~ with the provisions of this division.

**Sec. 48-2-105. ~~Post-construction stormwater management requirements~~ Performance standards.**

(a) Stormwater control measures shall not be constructed within the Rouge River flood plain or the Rouge River flood way as defined in Section ~~20-4-4~~ 50-14-532 of this Code, or within Michigan Coastal Flood Hazard Zones, ~~as define the Michigan Department of Environment, Great Lakes & Energy (EGLE) or the Federal Emergency Management Agency (FEMA).~~

(b) A buffer strip with a minimum width of 25 feet shall be established and preserved along the edge of any surface water and any regulated wetland as defined by the State of Michigan PART 303. Exemptions may be granted for construction activities that are within 25 feet of a surface water and regulated wetland that remain consistent with the intent of the development.

(c) The Department is authorized to require any additional stormwater control measures necessary to control the rate and volume of stormwater runoff discharged from the development site in order to prevent drainage, flooding or water quality impacts upon public or private property.

(d) Performance standards for combined sewer areas.

**(1) Water quality:**

a. The water quality volume shall be the 90th percentile annual non-exceedance storm.

b. The regulated area for purposes of complying with the water quality performance standard for combined sewer areas shall be defined as follows:

i. If the regulated construction activity will disturb 50% or more of the development site, the regulated area shall be defined as the entire development site; or

ii. If the regulated construction activity will disturb less than 50% of the development site, the regulated area shall be defined as the area of the regulated construction activity.

~~e. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post construction shall not exceed the runoff volume and peak flow rate leaving the regulated area under natural conditions.~~

~~d. The water quality volume shall be treated to remove a minimum of 80% of the total suspended solids as compared to uncontrolled runoff, or to a discharge concentration which does not to exceed 80 milligrams per liter of total suspended solids.~~

(2) Combined sewer infrastructure protection.

~~a. For regulated construction activities discharging to the combined sewer area, the entire development site shall be defined as the regulated area for purposes of complying with the combined sewer infrastructure protection standards.~~

~~a. The peak flow rate(s) of stormwater runoff leaving the development site shall not exceed the allowable discharge rates established in the Stormwater Management Design Manual for the geographic location within the combined sewer system where the discharge occurs.~~

~~(e) Performance standards for storm sewer areas:~~

~~(1) Water quality:~~

~~a. The water quality volume shall be based on the 90th percentile annual non exceedance storm.~~

~~b. The regulated area for purposes of complying with the water quality performance standard for separate sewer areas shall be the area of the regulated construction activity.~~

~~e. The water quality volume shall be treated to remove a minimum of 80% of the total suspended solids as compared to uncontrolled runoff, or to a discharge concentration which does not to exceed 80 milligrams per liter of total suspended solids.~~

~~(2) Channel protection:~~

~~a. The regulated area for purposes of complying with the channel protection performance standards shall be the area of the regulated construction activity.~~

~~b. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post construction shall not exceed the runoff volume and peak flow rate which would occur under natural conditions for all storms up to and including the two-year, 24 hour storm event.~~

~~e. Discharges from regulated construction activities that drain into any portion of the City's storm sewer discharging directly to the Detroit River or downstream of the Rouge River Turning Basin shall be exempt from the channel protection performance standard.~~

~~(f) Performance standards for local flood control in combined and separate sewer areas:~~

~~(1) The regulated area for purposes of~~

complying with local flood control performance standards shall be the entire development site.

(2) For regulated construction activities for which the total of all drainage areas as defined in this division, is less than 5 acres, the stormwater control measures shall be designed to achieve a peak flow rate of fifteen one hundredths cubic feet per second (0.15cfs)/acre for the 10 year storm.

(3) For regulated construction activities for which the total of all drainage areas, as defined in this division, is 5 acres or greater, the stormwater control measures shall be designed to achieve a peak flow rate of fifteen one hundredths cubic feet per second (0.15 cfs)/acre for 100 year storm.

(e) Performance standards for separate storm sewer areas within Detroit Water and Sewerage jurisdiction that discharge directly to a receiving water body and do not connect to a combined sewer.

(1) Water quality:

a. The water quality volume shall be based on the 90th percentile annual non-exceedance storm.

(2) Channel protection:

a. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post-construction shall not exceed the runoff volume and peak flow rate two-year, 24-hour storm event

b. Discharges from regulated construction activities that drain into any portion of the City's storm sewer discharging directly to the Detroit River or downstream of the Rouge River Turning Basin shall be exempt from the channel protection performance standard.

(f) Performance standards for local flood control in combined and separate sewer areas:

(1) Stormwater control measures shall be designed to achieve a peak flow rate for the 10 year-24 hour or the 100 year-24 hour storm based upon the size of the regulated area.

(2) If the peak flow calculated for channel protection is greater than the peak flow calculated for flood control, the lower peak flow for flood control must be applied to the regulated area.

(g) Performance standards for privately owned separate storm sewer areas that discharge directly to a receiving water body and do not connect to a combined sewer.

(1) The stormwater conveyance system must discharge the 100 year-24 hour storm for the entire regulated area to the Rouge River or Detroit River.

**Sec. 48-2-106. Post Construction Stormwater Management Plan and Operations and Maintenance Plan required.**

(a) No regulated construction activity may obtain site plan approval until the

Department has approved a Post Construction Stormwater Management Plan.

(b) Prior to the approval of a Post Construction Stormwater Management Plan, the applicant shall certify to the Department that the applicant has met or will meet all requirements of this division and all other City, county, state, and federal requirements related to erosion control and sediment prevention, surface water resource protection, and stormwater management applicable to the regulated construction activity.

(c) The Post Construction Stormwater Management Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include:

(1) The discharge location(s) for all post-construction stormwater runoff which will leave the development site, and the boundaries of the drainage area tributary to each discharge location;

(2) The boundaries of the development site, the common plan of development if applicable, and the regulated construction activity, clearly indicating areas of disturbance, the boundaries of any no-build or non-disturbance areas, all points of egress from the development site to a public right-of-way, and all easements and other encumbrances;

(3) The required calculations establishing compliance with the post construction stormwater management performance standards as set forth in Section ~~48-2-106~~ 48-2-105 of this Code;

(4) The design specifications and calculations, construction details, and locations for all proposed stormwater control measures, whether located on the development site or elsewhere.

(5) The locations and descriptions of all access drives easements necessary to allow for construction, inspection, operation and maintenance of all proposed stormwater control measures;

(6) An Operation and Maintenance Plan containing all required information and schedules as set forth in this Division; and

(7) A copy of all applicable state and federal permit applications related to erosion, water resource and stormwater management for the regulated project.

(d) One copy of the approved Post Construction Stormwater Management Plan shall be kept on file at the site of the regulated construction activity from the initiation of site preparation until a certificate of occupancy is issued for the development associated with the regulated construction activity.

(e) The Operation and Maintenance Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include maintenance requirements and protocols for each stormwater

control measure, including an associated schedule of inspection and maintenance activities, and procedures and checklists for each stormwater control measure consistent with the provisions in the Stormwater Management Design Manual and a signed certification statement accepting responsibility for the operation, maintenance and inspection of the stormwater control measures.

(f) A Post Construction Stormwater Management Plan shall include the preparation and property recording of all easements, deed restrictions, reservation of rights-of-way, or other protective covenants as are required to ensure sufficient access for purposes of maintenance, inspection, operation and repair or replacement of stormwater control measures, and to ensure that any future modification of the site is consistent with the provisions of the approved Post Construction Stormwater Management Plan, unless amendments or modifications to the Post Construction Stormwater Management Plan are approved by the Department.

(g) The Post Construction Stormwater Management Plan and applicable Operation and Maintenance Plan shall be referenced on a final plat site plan or as-built drawing, and shall be recorded with the Wayne County Register of Deeds Office upon final plat approval, and shall be provided to the Department within 14 days following receipt of the recorded document.

#### **Sec. 48-2-107. Alternative compliance.**

(a) An applicant may apply to the Department for ~~review and approval of alternative compliance measures~~ an adjustment to all or part of the performance standards as outlined in Section 48-2-105, for the development site if the applicant demonstrates the presence of extraordinarily difficult site conditions, as defined in this division and ~~in written guidance~~ as set forth in the Stormwater Management Design Manual.

(1) Extraordinarily difficult site conditions include, but are not limited to, one or more of the following:

a. The presence of sub-surface conditions, including soil contamination or shallow depth to bedrock or groundwater, that present significant and atypical technical requirements for mitigation, stormwater management measure design or installation or create a likelihood for subsurface pollutant plume transport; or

b. A measured infiltration rate of 0.20 inches per hour or less, as verified by procedures defined in the Stormwater Management Design Manual; or

c. Unique topographic or geologic conditions that would require site re-grading or re-contouring substantially different from typical and customary practices for the installation of stormwater control measures; or

d. Surface or subsurface conditions indicating a likelihood that basement flooding on properties other than the development site are reasonably foreseeable if stormwater control measures are installed; or

e. Conditions that would require pumping or other mechanical routing of stormwater in order to meet the performance standards of Section ~~48-2-106(d)(1)(e)~~ 48-2-105; or

f. Other conditions that, in the judgment of the Department, present a substantial barrier to the safe and/or effective construction or operation of stormwater control measures.

(2) In all cases, the applicant shall demonstrate, to the satisfaction of the Department, that the extraordinarily difficult site conditions cannot be overcome or mitigated through reasonable re-design of the regulated construction activity, or without substantial interference with the present or intended use of the development site.

(3) Any such application for a finding of extraordinarily difficult site conditions shall:

a. Quantify the degree to which the specific provisions of the performance standards set forth in ~~48-2-106(d)(1)(e)~~ 48-2-105, as applicable, can or cannot be met on the development site, using the analysis set forth in the Stormwater Management Design Manual;

b. For provisions of the performance standards set forth in 48-2-105 that can be met on the development site, detail the stormwater control measure to be constructed on site, if any, and the water quality and detention volume to be met through alternative compliance measures; and

c. For the provisions of the performance standards that cannot be met on the development site, specify the off-site alternative compliance measure, or fee in lieu payment measure(s) as outlined in 48-2-107(b)(1) through 48-2-107(b)(5) proposed to satisfy the requirements of Sections ~~56-3-106(d) or (e) of this section,~~ as applicable, in accordance with the provisions of this section ~~this Code~~.

(b) An applicant may propose to use one or a combination of the following alternative compliance measures:

(1) The coincident construction by the applicant of the ~~alternative compliance measure~~ an off-site mitigation, where a stormwater control measure that treats stormwater runoff from impervious surfaces whose construction or reconstruction is not subject to the provisions of this division, runoff from the impervious surfaces is not already managed by stormwater control measures, and is approved by the Department under the procedures set forth in this division and in the Stormwater Management Design Manual; or

(2) The legal assignment by the applicant of ~~the equivalent~~ volume from an existing, approved alternative compliance measure(s); ~~or~~

(3) Payment to the Department of a fee-in-lieu, in accordance with the procedures set for in the Stormwater Management Design Manual, and subsequent certification by the Department that sufficient ~~equivalent~~ volume has been assigned to the regulated construction activity to achieve compliance with the measurements of this division; ~~or~~

(4) One or more alternative flood control methods as defined in the Stormwater Management Design Manual.

(c) Any person may make application to the Department for approval of the construction of stormwater control measures on lands located within the City to be authorized as alternative compliance measures, as defined in this division, subject to the following procedures and requirements:

(1) An applicant for such approval shall define the drainage area(s) to be treated by the alternative compliance measure and shall provide all relevant information, including demonstration of site control and an operation and maintenance plan, required by the Department as set forth in the Stormwater Management Design Manual.

(2) The design and construction of the alternative compliance measure shall meet all relevant standards for materials, design, safety, and other technical considerations in the Stormwater Management Design Manual.

(3) For each alternative compliance measure an applicant shall stipulate the amount of ~~equivalent~~ volume, if any, that shall be reserved for the applicant's own use or assignment, and the amount of ~~equivalent~~ volume, if any, ~~that may be made available to the Department for~~ assigned through fee-in-lieu payment. In issuing its approval, the Department shall state the amount of ~~equivalent~~ volume assigned to the alternative compliance measure, the ~~equivalent~~ volume within the alternative compliance measure reserved by the applicant for the applicant's own purposes, and the ~~equivalent~~ volume ~~that may be available if any, assigned~~ through fee-in-lieu payments.

(4) The applicant shall obtain all relevant and applicable City, state and federal permits as may apply to construction of the alternative compliance measure.

(5) Approval issued pursuant to this section shall be contingent upon the recording of both an easement on the land on which the off-site mitigation alternative compliance measure is constructed, and on the operation and maintenance plan for the alternative compliance measure. The operation and maintenance plan shall be fully consistent

with the standards set forth in the Stormwater Management Design Manual.

(6) No portion of an alternative compliance measure may be utilized to satisfy the requirements of this division for a regulated construction activity unless explicitly approved by the Department in a Post Construction Stormwater Control Management Plan.

(d) No discharge from a regulated construction activity to a combined sewer area may be mitigated by the construction of an alternative compliance measure discharging to a separate storm sewer system.

~~(e) The Department shall maintain continuously, and make available for inspection, a record of the volume equivalency of alternative compliance measures assigned to alternative compliance measures, whether constructed by the City or another applicant; all credits issued to regulated construction activities; and the timing, amount, and disposition of all fee-in-lieu payments.~~

**Sec. 48-2-108. Performance bond.**

(a) The Department ~~shall have the authority~~ reserves the right to require the Applicant to provide a performance bond or other financial guarantee in the amount of the estimated cost of construction of the stormwater control measures and all landscaping associated therewith for a duration of two years after the issuance of the certificate of occupancy to ensure that all stormwater control measures have been established and installed correctly and function as designed and permitted.

(b) The Department shall have the authority to require a performance bond or other financial guarantee of a greater or lesser amount, or duration of time, where such an adjustment is warranted to reflect unique site conditions or to ensure the function and performance of the stormwater control measures in the Post Construction Stormwater Management Plan.

(c) A final inspection and approval of the stormwater control measures by the Department, the Buildings, Safety Engineering and Environmental Department, or other authorized agent shall be issued before the release of the performance bonds or other financial guarantee.

**Sec. 48-2-109. Maintenance required.**

(a) Any stormwater control measure installed pursuant to this division shall be operated and maintained in accordance with the requirements of the approved Operations and Maintenance Plan and associated provisions in the Stormwater Management Design Manual.

(b) No area of land specified or designated to comply with the performance standards in this Division shall be altered in a manner which reduces or alters its infiltration rate, unless the Department approves an amendment to the previously approved Post Construction

Stormwater Management Plan for the site, showing how the reduced or altered infiltration rate will be offset to maintain compliance with the performance standards specified in this division.

**Sec. 48-2-110. Operations and Maintenance Plan Transfer of Property.**

(a) Prior to the conveyance or transfer of any portion of a development site to be served by a stormwater control measure(s) pursuant to this division, the applicant shall provide the Department with evidence of transfer of the associated Operation and Maintenance Plan.

(b) The Operation and Maintenance Plan shall be binding on the record owner of the property or properties subject to the Post Construction Stormwater Management Plan and their owners, heirs and assigns.

~~(c) The Operation and Maintenance Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include maintenance requirements and protocols for each stormwater control measure, including an associated schedule of inspection and maintenance activities, and procedures and checklists for each stormwater control measure consistent with the provisions in the Stormwater Design Manual and a signed certification statement accepting responsibility for the operation, maintenance and inspection of the stormwater control measures.~~

**Sec. 48-2-111. Easements**

~~(a) A Post Construction Stormwater Management Plan shall include the preparation and property recording of all easements, deed restrictions, reservation of rights of way, or other protective covenants as are required to ensure sufficient access for purposes of maintenance, inspection, operation and repair or replacement of stormwater control measures, and to ensure that any future modification of the site is consistent with the provisions of the approved Post Construction Stormwater Management Plan, unless amendments or modifications to the Post Construction Stormwater Management Plan are approved by the Department.~~

~~(b) The Post Construction Stormwater Management Plan and applicable Operation and Maintenance Plan shall be referenced on a final plat, site plan or as built drawing, and shall be recorded with the Wayne County Register of Deeds Office upon final plat approval, and shall be provided to the Department within 14 days following receipt of the recorded document.~~

**Sec. 48-2-111. Record drawings and final approval certification.**

(a) Upon final stabilization of the site of a regulated construction activity, the applicant, professional engineer, or land-

scape architect duly licensed to practice in the State of Michigan and acting on the applicant's behalf, shall conduct a post-construction inspection and shall certify in writing that the completed project is in full compliance with the approved Post Construction Stormwater Management Plan.

(b) The Applicant or the Applicant's Designee shall submit as-built record drawings for all stormwater control measures to the Department, within 15 days of final stabilization of the site.

**Sec. 48-2-112. Right of entry for compliance inspections.(a)**

The Department, Buildings, Safety Engineering, and Environmental Department or other authorized agent may enter a property to inspect stormwater control measures during any phase of construction and operation of approved stormwater control measures when the Department, or its designee has a reasonable basis to believe that a violation of this division is occurring or has occurred, when necessary for abatement of a public nuisance, and to confirm correction of a violation.

~~(b) The Department, Buildings, Safety Engineering, and Environmental Department or other authorized agent may enter a property when the Department or its designee has a reasonable basis to believe that a violation of this division is occurring or has occurred, when necessary for abatement of a public nuisance, and to confirm the correction of a violation.~~

**Sec. 48-2-113. Periodic self-inspections required.**

(a) Periodic inspections shall be conducted according to the Operation and Maintenance Plan by the applicant or the applicant's successors, heirs or assigns of the stormwater control measure(s) as set forth in the applicable Operations and Maintenance Plan.

(b) An inspection report, certified by a professional engineer or landscape architect properly licensed to practice in the State of Michigan, shall be provided to the Department according to the schedule in the operation and maintenance plan, commencing no more than twelve months after the date of issuance of a certificate of occupancy for the regulated construction activity, and occurring once every three years or stipulated period thereafter.

**Sec. 48-2-114. Right of appeal.**

(a) Any person whose legal rights, duties, or privileges are determined by the Department pursuant to this ordinance and who is aggrieved by the Department's determination, may appeal to the DWSD Stormwater Appeals Board for relief of that grievance. An appeal shall be made according to the procedure set forth in this chapter.

(b) The DWSD Stormwater Appeals Board shall be appointed by the Director of the Department and confirmed by the Board of Water Commissioners and shall

consist of two engineers from the academic sector, two engineers from the private sector, and one stormwater management expert. Meetings of the DWSD Stormwater Appeals Board shall be in person and shall be open to all interested parties.

(c) An appeal shall be in writing, addressed to the DWSD Stormwater Appeals Board c/o the Detroit Water and Sewerage Department Stormwater Management Group, and must be received within 30 days of the determination that is the subject of the appeal. The appeal shall set forth the specific act or matter complained of and in dispute, and shall include all documentation that supports the appellant's position.

(d) Within 30 days of receipt of the appeal, the Department's Stormwater Management Group, or its designee, shall acknowledge such receipt in writing, and shall set a date and time for an appellate hearing to be conducted in accordance with Department rules and procedures.

(e) The decision of the DWSD Stormwater Appeals Board shall be final and enforceable at law. A person aggrieved by a final decision of the DWSD Stormwater Appeals Board may seek judicial review of the decision by the Wayne County Circuit Court. A petition for judicial review shall be filed not later than 60 days following the receipt of the final decision of the DWSD Stormwater Appeals Board.

(f) An aggrieved person shall exhaust all administrative remedies provided in this Chapter before seeking judicial review.

**Sec. 48-2-115. Notice.**

(a) If any stormwater control measure is found upon inspection to be arranged, damaged, clogged, or in such disrepair as to impede, obstruct, or hinder the flow of surface water in a manner which conflicts with acceptable engineering practices, or if a planned and permitted stormwater control measure has not been installed per an approved Post Construction Stormwater Management Plan within 30 days of inspection, the certifying party shall give written notice to the Department of the conditions found, the actions necessary to bring conditions into conformance with the approved Operation and Maintenance Plan, and the timeframe for completion.

(b) If any condition referenced in Subsection (a) of this section, is found by the Department upon its own investigation, whether as a result of, or independent of, a period inspection report, the Department shall give written notice to the owner of the property of the findings specifying the problem, the actions necessary to bring conditions into conformance and the timeframe for completion, as well as the potential for additional action under civil penalty or other penalty or remedy in Section 48-2-117 of this Code.

**Sec. 48-2-116. Civil penalty.**

Whenever the Department has reasonable grounds to believe that any person is violating, or has violated, any requirement of this division, the Department may commence a civil action to compel compliance in a court of competent jurisdiction to enjoin said person from discharging, or to obtain appropriate relief to remedy the violations. The Department or DWSD Board also may seek additional legal or equitable relief. The commencement of suit neither constitutes an exclusive election of remedies nor prohibits the Department, Director, Board, or City of Detroit from commencing action in federal court for discharges believed to be in violation of this division, state or federal requirements contained in the Clean Water Act, the City's NPDES permit, or other applicable laws or requirements. In addition, the City may recover the reasonable attorney fees, court costs, court reporters' fees, and other usual expenses related to enforcement activities or litigation against the person found to have violated this division, or the orders, rules, regulations and permits issued hereunder.

**Section 48-2-117. Fines.**

All fines, costs, and penalties which are imposed by any court of competent jurisdiction shall be payable to the Detroit Water and Sewerage Department.

**Section 48-2-118. Additional remedies.**

(a) The Buildings, Safety Engineering & Environmental Department or other authorized agent may refuse to issue a certificate of occupancy for any regulated construction activity on a development site and served by stormwater control measures until such time as the applicant or other responsible person has taken remedial measures set forth in the notice of violation or has otherwise cured the violations described therein.

(b) The Buildings, Safety Engineering, and Environmental Department may suspend or revoke any approvals granted for the development site upon discovery of the failure of the property owner, applicant or developer to comply with the provisions of this division.

(c) So long as a violation of this division continues and remains uncorrected, the Department, the Buildings, Safety Engineering, and Environmental Department or other authorized agent may withhold, and the Department, the Buildings, Safety Engineering and Environmental Department or other authorized agent may disapprove, any request for permit or site plan approval or authorization provided by this ordinance or the zoning, subdivision, or other building regulations, as appropriate for the land on which the violation occurs.

(d) The Department may institute an action in a court of competent jurisdiction for a mandatory or prohibitory injunction

and order of abatement to correct a violation of this ordinance. Any person violating this ordinance shall be subject to the full range of equitable remedies provided in the general statutes or common law.

(e) If the violation is deemed dangerous or prejudicial to the public health or public safety, the Department may cause the violation to be corrected and the costs to be assessed as a lien against the property.

(f) By issuance of an order of restoration, the Department may require a person who engaged in a regulated construction activity and failed to comply with this division to restore the waters and land affected by such failure so as to minimize the detrimental effects of the resulting pollution. The authority is in addition to any other civil penalty or injunctive relief authorized under this ordinance. If failure to comply is deemed dangerous or prejudicial to the public health or public safety, the Department, may institute an action to cause the violation to be corrected and the costs to be assessed as a lien against the property.

**Sec. 48-2-119 — 48-2-149. Reserved.**

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is hereby declared necessary to preserve the public peace, health, safety and welfare of the People of the City of Detroit.

**Section 4.** In the event this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. In the event that this ordinance is passed by less than a two-thirds (2/3) majority of the City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

**City Planning Commission**

October 12, 2020

Honorable City Council:

Re: Request of Mrs. Emily H. Peterson on behalf of Nepelu LLC, requesting the City of Detroit to amend Article XVII, District Map No. 48 of Chapter 50 of the 2019 Detroit City Code, 'Zoning,' to show an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where an R1 (Single-family Residential District) zoning classification currently exists on one (1) parcel commonly identified as 1920 Atkinson Avenue, generally bounded by Edison Avenue to the north, Rosa Parks Blvd. to the east, Atkinson Avenue to the south and 14th Street to the west. (RECOMMEND APPROVAL)

**NATURE OF REQUEST AND PROJECT PROPOSAL**

The City Planning Commission (CPC) has completed its review and deliberations on the request of Mrs. Emily H. Peterson on behalf of Nepelu LLC, requesting the City of Detroit to amend Article XVII, District Map No. 48 of Chapter 50 of the 2019 Detroit City Code, 'Zoning,' to show an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where an R1 (Single-family Residential District) zoning classification currently exists on one (1) parcel commonly identi-

fied as 1920 Atkinson Avenue, generally bounded by Edison Avenue to the north, Rosa Parks Blvd. to the east, Atkinson Avenue to the south and 14th Street to the west.

According to Chapter 50 of the 2019 Detroit City Code 'Zoning':

The R1 District is designed to protect and preserve quiet, low-density residential areas now primarily developed and those areas which will be developed with single-family detached dwellings and characterized by a high ratio of home ownership. The regulations for this district are designed to stabilize and protect the essential characteristics of the district and to promote and encourage a suitable environment for activities associated with family life. To these ends, development is limited to a relatively low concentration and uses permitted by right are limited to single-family detached dwellings which provide homes for the residents of the area. Additional residential uses such as religious institutions, neighborhood centers, and utility uses necessary to serve the immediate area may be permitted on a conditional basis.

The SD1 district is designed to encourage a complementary mixture of small-scale, pedestrian- and transit-oriented uses that are compatible in a neighborhood setting. It is intended to ensure a neighborhood character and place a proper balance of activities within walking distance of one another while serving the day-to-day needs of residents. Parking requirements are reduced in certain circumstances to promote use of transit and non-motorized transportation; shared parking and a district approach to parking are encouraged to lessen demand for off-street parking spaces. Certain establishments that serve alcohol for consumption on the premises are permitted without a spacing requirement in order to attract increased pedestrian traffic to the area.

**BACKGROUND**

The subject property is located in Council District 5 and measures approximately one-twelfth of an acre in area. The parcel commonly identified as 1920 Atkinson Avenue is currently under the sole ownership of Nepelu LLC, of which Mrs. Peterson and her husband are the sole proprietors. The subject property is currently developed as a detached single-family home, having served previously as the parsonage for the former St. James A.M.E. Church located at 9321 Rosa Parks Blvd., which was recommended by the Commission to be rezoned in 2017 from R1 to SD1, was previously an abandoned church that has since been repurposed into a neighborhood cafe, small grocery store, and bar called The Congregation.

**Proposed Development**

The proposed map amendment is being requested to allow for the establish-

ment of a "Restaurant, carry-out, without drive-up or drive-through facilities" and "multiple-family dwelling" at 1920 Atkinson Avenue. The proposed mixed-use development would be permitted on a by-right basis in the proposed SD1 zoning classification per Sec. 50-11-204(4), and Sec. 50-11-206(18).

The existing building will be converted into a mixed-use development with a small neighborhood restaurant on the ground floor and multi-family residential on the upper levels. The proposed concept will complement the adjacent Congregation Detroit development which was rezoned in 2017 and converted into a mixed-use development. The proposed development will share the side lot with The Congregation as a green outdoor community space.

The building at 1920 Atkinson has been abandoned for over 30 years and is rapidly deteriorating, creating an unwanted blighting influence in the area. The overall goal is to increase population density and encourage more walkable areas for residents of the Boston Edison, Atkinson, and Clairmont neighborhoods.

**SURROUNDING LAND USE AND ZONING**

The zoning classification and land uses surrounding the subject area are as follows:

North: R1; Single-family Residential along Edison Avenue.

East: SD1; 9321 Rosa Parks Blvd (The Congregation).

South: R1; Gordon Park.

West: R1; Single-family Residential along Atkinson Avenue.

**CITY PLANNING COMMISSION PUBLIC HEARING & OTHER COMMUNITY MEETINGS**

The petitioner has been actively engaged with residents of the community. Outreach has been by way of a community board which is accessible to any member of the community wishing to leave a comment. Notice has been posted and provided to several adjacent property owners and residents to inform them of the pending rezoning request.

**PUBLIC HEARING RESULTS**

On September 10, 2020, the Commission held a public hearing on this request. There were four members of the public in attendance to address the rezoning request. There were no comments received in opposition to the request. All public testimony was in support of the proposed rezoning and anticipated development.

**MASTER PLAN CONFORMANCE**

The subject site is located within the Rosa Parks area of Neighborhood Cluster 6 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Low-Medium Residential" for the subject property. The Planning and

Development Department (P&DD) has previously submitted a report regarding development in this area dated November 21, 2016, which speaks to the appropriateness of the requested rezoning.

**ANALYSIS**

The proposed zoning classification of SD1 would permit the requested use of a "Restaurant, carry-out, without drive-up or drive-through facilities" and "multiple-family dwelling" on a by-right basis.

The proposed SD1 zoning classification would permit 49 by-right residential, public, civic, institutional, and other uses. The most intensive uses in the SD1 zoning classification include "Trade services, general, with the exception of cabinet making," and "Wearing apparel manufacturing."

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria of Section 50-3-70 of the Zoning Ordinance, which must be considered in making recommendations and decisions on standard rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

In this regard, the subject site has sat vacant for the greater part of thirty years. The adaptive reuse of such properties is preferable to the continued deterioration and dilapidation of such structures. The subject site is currently booked by the densely populated block of Atkinson to the west and "The Congregation" SD1 mixed-use development to the east. At the time of the rezoning for "The Congregation" mixed-use development in 2017, the subject property was not under the ownership of the petitioner. The opportunity has presented itself for further redevelopment and stabilization of vacant structures in the Rosa Parks community by extending the SD1 zoning classification to include the subject property.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The proposed rezoning to the SD1 zoning classification is consistent with the Master Plan of Policies as indicated in PDD's staff report.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

There are no foreseen adverse effects associated with the requested zoning classification. Ultimately, consideration must be given to any future development's stormwater and waste management plans and their impact on the current system.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property while maintaining adequate levels of service to existing development;

The physical characteristics of the sub-

ject property will not change significantly as a result of any future development. Disruption to City services is not anticipated.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

Preliminary site plans show adequate landscaping and buffering to negate any adverse effects caused by the pending development.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

The redevelopment of this site is anticipated to have a positive, synergistic effect on adjacent properties.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

The SD1 zoning classification has been determined to be appropriate for the subject site.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Given the residential and mixed-use nature of the corridor in which this rezoning has been requested, along with the size and consistency with the Master Plan of Policies, the Commission is of the opinion that the proposed rezoning would not constitute an illegal "spot zone."

**Land Use**

CPC believes that an SD1 zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of mixed-use residential and commercial related uses.

**RECOMMENDATION**

On September 10, 2020, the City Planning Commission voted to recommend approval of the request of Mrs. Emily H. Peterson on behalf of Nepelu LLC, requesting the City of Detroit to amend Article XVII, District Map No. 48 of Chapter 50 of the 2019 Detroit City Code, 'Zoning,' by showing an SD1 (Special Development District – Small-Scale, Mixed-Use) zoning classification where an R1 (Single-family Residential District) zoning classification currently exists on one (1) parcel commonly identified as 1920 Atkinson Avenue, generally bounded by Edison Avenue to the north, Rosa Parks Blvd. to the east, Atkinson Avenue to the south and 14th Street to the west consistent with the approval criteria of Sec. 50-3-70 of the Zoning Ordinance.

Honorable City Council:

Re: Request of Wayne County Community College District (WCCCD) for PCA (Public Center Adjacent) Special District Review of a proposed Master Sign Plan for the Downtown Campus which is located at 901 W. Fort Street. (RECOMMEND APPROVAL W/CONDITIONS)

**REQUEST**

The City Planning Commission (CPC) has received a request from the Wayne County Community College District (WCCCD) for PCA (Public Center Adjacent) Special District Review of a proposed Master Sign Plan for the Downtown Campus at 901 W. Fort Street. This request is being made consistent with the provisions of Section 50-3-222 of the Detroit Zoning Ordinance.

**PROPOSED PROJECT**

The petitioner is requesting the approval of a Master Sign Plan for the Downtown Campus. Drawings showing the size and location of each sign are attached for reference. The work is divided into three phases:

*Phase 1* – Seven signs were reviewed and approved in October 2019 and have been installed.

*Phase 2* – Five signs are proposed to be installed this year.

*Phase 3* – Five signs are proposed to be installed in the future. (By having these signs reviewed now, an additional review will not be necessary unless there are changes.)

Per Section 4-4-7(e) of the Detroit City Code, signs for a campus composed of multiple buildings are evaluated as if each building were a separate business. Each building is allowed 2.6 square feet of signage per linear foot of frontage up to a maximum of 500 square feet per building. However, these restrictions don't apply to

developments that require City Council approval per Section 4-4-7(a) and are provided here as a guideline.

**Office Building** — The Office Building is the five-story structure located at the corner of West Fort and Third Streets. A total of four signs are allocated to this building — three wall signs installed in phase 1 and one monument sign which is existing and will be re-faced in phase 2. The total area of these signs is 570 square feet which is slightly above the 500 square foot general maximum but is well below the 873 square feet that would be allowed based on the building's frontage.

**Main Building** — The Main Building is located in the center of campus and is a sprawling two-story, concrete structure. Despite having the largest footprint of the campus, the Fort Street façade is somewhat nondescript and easy to miss. A total of six signs are allocated to this building — one wall sign installed in phase 1, one wall sign proposed in phase 2, and four future signs. The total area of these signs is 700 square feet which is well above the 500 square foot maximum but much less than the 1170 square feet allowed based on the building's frontage. Additionally, these signs would not all be visible from one vantage point as they are located on different sides of the building.

One of the proposed signs includes a 141 square foot electronic message board facing the Lodge Freeway. The sign will be visible to north-bound traffic from the Congress Street entrance ramp to the Fort Street overpass. Generally, the electronic message board portion of a sign cannot exceed 25% of the total area of the sign, but this restriction does not apply to developments that require City Council approval per Section 4-4-5(3). The proposed sign is 68% electronic message board. Because the sign is oriented to the freeway, MDOT has reviewed and approved the proposed sign.

**Health & Wellness Education and Sports Center** — The new Health & Wellness Education building was completed last year and is located on the western part of the campus at the corner of Sixth Street. A total of four signs are allocated to this building — three wall signs installed in phase 1 and one wall sign proposed in phase 2. The total area of these signs is 850 square feet which exceeds both the 500 square foot maximum and the 819 square feet allowed based on the building's frontage. Although the area of the signs is high, one is located on the back of the building and is not visible from Fort Street. The three signs on the front of the building are evenly distributed along the facade as to not be overwhelming.

**Miscellaneous** — Several wayfinding signs are proposed that are not associated with any particular building. A total of

three signs are proposed with a total area of 240 square feet. The proposed locations of the signs are:

- In the parking lot on West Jefferson between the Joe Louis Parking Garage and the Sixth Street overpass (110 square feet)

- In the plaza near Fort Street, between the Main and Office Buildings (110 square feet)

- In the parking lot on West Fort at the western edge of campus (20 square feet)

These signs are incidental and designed to assist pedestrians and drivers with navigating campus. Each of the two larger signs incorporates an electronic message board of 18 square feet which is 15% of the total sign.

#### **REVIEW & ANALYSIS — PCA District Review Criteria**

(11) Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner.

*Until the installation of the phase 1 signs last year, WCCCD's Downtown Campus had very little signage and was not easy to identify. Appropriate signage is necessary to assist the public in locating an important institution. Although several of the signs are rather large, due to the size of the buildings and the nature of the use, additional signage is reasonable.*

#### **Design**

The Planning & Development Department (PDD) has reviewed the proposed signage and recommends approval. During the review process, PDD staff recommended lowering the height of three proposed ground signs from 20' to 15' high. Initially, WCCCD insisted that the height was necessary for the signs to be visible from a distance and to keep the electronic message board component high enough to discourage vandalism. PDD did not agree and the City Planning Commission recommended further discussion and research which eventually led to the proposed signs being reduced to 15' high.

#### **City Planning Commission Concerns**

When the sign package was presented to the City Planning Commission at its September 10, 2020 meeting, concerns were raised that the proposed signage did not sufficiently identify the campus at part of the Wayne County Community College District. The addition of WCCCD logos were requested, especially for the sign identified as B-5 which is visible from the southbound Lodge Freeway. A revised Master Sign Plan was submitted adding logos to several of the buildings including the specifically-requested one.

Commissioners also agreed with PDD that the 20' ground signs were out-of-scale

with the surroundings and too large for their pedestrian-oriented nature. The applicant submitted a precedent study showing several nearby signs as a comparison. PDD did not agree that the presented signs were similar – two signs (Ally and GM) are located in the heart of downtown where the context is significantly different as the buildings are much larger and the volume of vehicle and pedestrian traffic is much greater; the other sign (near Wayne State) is oriented to freeway traffic not pedestrians.

Additional studies were then submitted by the applicant showing the proposed signs at 15', 17' and 20' high. They also reiterated that the 20' height is necessary to quickly inform visitors and multi-lingual students, to provide lighting and safety at night, to reduce vandalism to the digital screens, and that the 15' height is too small for the scale of the plaza and adjacent buildings. However, shortly before the CPC meeting, the applicant agreed to reduce the signs to 15' high.

**REVISED RECOMMENDATION & CONDITIONS**

On October 15, 2020, the City Planning Commission voted to recommend approval of the proposed Master Sign Plan for WCCCD Downtown Campus with the following conditions:

1. The three proposed ground signs identified as A-1, A-3, and A3-2 shall be a maximum of 15' high as measured from the base of the sign.
2. The electronic message boards shall be operated solely as on-premises signs and display messages or images related to WCCCD activities and events only.
3. The electronic message boards shall only display static images and not flashing, moving or animated images.
4. Each image or message shall be displayed for a minimum of eight (8) seconds.
5. The sign shall be equipped with an ambient light monitor to automatically adjust the intensity of the illumination based on ambient light conditions, specifically:
  - a. During daylight hours, luminance must not exceed 3,500 nits.
  - b. Between sunset and sunrise, luminance must not exceed 160 nits.

A resolution approving this requests is attached for your consideration.

**Office of the Chief Financial Officer  
Office of Development and Grants**  
October 23, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 COVID-19 Infection Prevention Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 COVID-19 Infection Prevention Grant for a total of \$337,500.00. There is no match requirement. The total project cost is \$337,500.00.

The objective of the grant is to combat the COVID-19 pandemic. The funding allotted to the department will be utilized to support the costs of staff time and supplies associated with the COVID-19 response and specifically activities focused on testing, tracing, case investigations, and enforcement. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20853. The fund number is 3922. This is a COVID-19 Federal Relief Grant and is subject to the reporting requirements for council in accordance with the resolution approved on July 21, 2020, creating a commitment to transparency for Federal Cares Act grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Honorable City Council:

Re: Property Sale. 4734 Bellevue.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from American Manufacturing & Industry Corp., a Michigan Corporation (the "Purchaser"), to purchase certain City-owned real property at 4734 Bellevue (the "Property") for the purchase price of Five Thousand Seven Hundred and 00/100 Dollars (\$5,700.00).

Purchaser proposes to rehabilitate the property into office space. Currently, the property is within a M3 zoning district (General Industrial District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHERINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 4734 Bellevue, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to American Manufacturing & Industry Corp. (the "Purchaser") for the purchase price of Five Thousand Seven Hundred and 00/100 Dollars (\$5,700.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) Two Hundred Eighty Five and 00/100 Dollars (\$285.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Property Sale. 17400 and 17408 Wyoming.

The City of Detroit, Planning and Development Department ("P&DD") has

received an offer from Unity Temple of the Apostolic Faith, Inc., a Michigan Nonprofit Corporation (the "Purchaser"), to purchase certain City-owned real property at 17400 and 17408 Wyoming, Detroit, MI (the "Property") for the purchase price of Two Thousand One Hundred and 00/100 Dollars (\$2,100.00).

17400 Wyoming consists of a small 2600 square foot building situated on approximately 3600 square feet of land. 17408 Wyoming is an approximately 3600 square feet parcel of vacant land. Both are zoned B2 (General Business District). Unity Temple of the Apostolic Faith is located at 17376 Wyoming and adjacent to these parcels.

Unity Temple of the Apostolic Faith purchased the Property in 2009 from One Love Worldwide, a Michigan Nonprofit Corporation. The tax exempt status on the Property, however, had expired in 2008. Subsequently, the Wayne County Treasurer foreclosed on the Property in 2017. The Property has since been conveyed by Wayne County to the City of Detroit at no cost.

Unity Temple of the Apostolic Faith wishes to retain the Property and reapply for tax exemption status. The sales price of \$2100.00 consists of water drainage and sewerage charges that have been assessed against the City thus far.

We, therefore, request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee, to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Unity Temple of the Apostolic Faith, Inc., a Michigan Nonprofit Corporation.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 17400 and 17408 Wyoming, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Unity Temple of the Apostolic Faith, Inc., a Michigan Non-profit Corporation (the "Purchaser"), for the purchase price of Two Thousand One Hundred and 00/100 Dollars (\$2,100.00); and Be It Further

Resolved, That the Director of the Planning and Development Department ("P&DD"), or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and Be It Further

Resolved, That the P&DD Director, or his authorized designee, is authorized to

execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and Be It Finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

**Planning and Development Department**

October 22, 2020

Honorable City Council:

Re: Approval of Property Transfer between the City of Detroit and the Detroit Land Bank Authority.

Pursuant to the Land Bank Fast Track Act, 2003 PA 258, the Detroit Land Bank Authority ("DLBA") was created as a separate legal entity, in order to assemble or dispose of public property in a coordinated manner, to foster the development of that property, to promote economic growth in the City of Detroit ("City") and to combat blight.

The DLBA has implemented a range of policies to provide for the disposition of residential properties in the City that the DLBA acquires, including sales to owner occupants, sales of side lots and auction of properties.

In 2014, your Honorable Body autho-

rized the transfer of approximately 16,399 properties, identified as being zoned residential or having a residential structure, to the DLBA to manage the disposition and sale pursuant to their programs. Since that time, there have been several other small transfers of property authorized between the City of Detroit and the Detroit Land Bank approved by your Honorable Body, however there has not been another larger reconciliation of properties. At this time, the City and the DLBA have identified approximately 1225 residential properties in the City's inventory that are best managed under the DLBA disposition programs ("City Transfer Properties"). Additionally, the City has identified approximately 175 properties that we wish to acquire from the DLBA ("DLBA Transfer Properties") for: (1) inclusion in the 2020 Choice Neighborhoods Implementation Grant project, (2) use by the Detroit Water and Sewerage Department for the initial phase of their green infrastructure project in the Brightmoor area and (3) park expansions by the Detroit Parks and Recreation Department.

We hereby respectfully request that your Honorable Body adopt the attached resolution that: (1) authorizes the City to transfer the City Transfer Properties to the DLBA and (2) authorizes the DLBA to transfer and the City to accept the DLBA Transfer Properties.

Respectfully submitted,  
 KATHARINE G. TRUDEAU  
 Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves the transfer of those certain properties listed in the attached Exhibit A ("City Transfer Properties"), which is incorporated herein by reference, from the City of Detroit ("City") to the Detroit Land Bank Authority ("DLBA"), a Michigan public body corporate, for no consideration; and Be It Further

Resolved, That the Director of the Planning & Development Department ("P&DD"), or his authorized designee, be and is hereby authorized to convey all of the City's right, title and interest of the City Transfer Properties by one or more multiple quit claim deeds, as well as execute any such other documents as may be necessary to effectuate transfer of the City Transfer Properties from the City to the DLBA; and Be It Further

Resolved, That the P&DD Director, or his authorized designee, retains the discretion to withhold transferring any of the City Transfer Properties to the DLBA; and Be It Further

Resolved, That Detroit City Council hereby approves the transfer of those certain properties listed in the attached Exhibit B ("DLBA Transfer Properties"), which is incorporated herein by reference,

from the DLBA to the City for no consideration; and Be It Further

Resolved, That Detroit City Council hereby approves the City's acquisition of the DLBA Transfer Properties for no consideration, provided that prior to any such acquisition, the City conduct an environmental inquiry of the DLBA Transfer Properties and, if required, an environmental assessment, to be reviewed by the Buildings, Safety Engineering and Environmental Department; and Be It Further

Resolved, That Detroit City Council hereby finds and declares that: (1) acquisition of the DLBA Transfer Properties are necessary to promote the health, safety and welfare of the public; and (2) that the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and assessment, and therefore, waives the requirement that the seller bear the cost of the environmental inquiry and assessment for the DLBA Transfer Properties; and Be It Further

Resolved, That in accordance with the foregoing, the P&DD Director, or his authorized designee, be and is hereby authorized to accept and record deeds to the City of Detroit for the DLBA Transfer Properties, as well as execute any such other documents as may be necessary to effectuate transfer of the DLBA Transfer Properties from the DLBA to the City; and Be It Further

Resolved, That those certain DLBA Transfer Properties listed in Exhibit B and identified as Parcel Numbers 1 through 129 (the "CNI Properties") that are to be transferred to the City for inclusion in the City's 2020 Choice Neighborhoods Implementation Grant project shall be transferred back to the DLBA in the event that: (1) the City does not receive a 2020 Choice Neighborhoods Implementation Grant and (2) an alternative development project for the CNI Properties is not consummated between the City and its preferred developer by December 31, 2021 by fully executing an amended development agreement for the CNI Properties; and Be It Further

Resolved, That any transfer of the CNI Properties back to the DLBA shall be for no consideration; and Be It Further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the City Transfer Properties and/or acquisition of

DLBA Transfer Properties, provided that the changes do not materially alter the substance or terms of the transfers; and Be It Further

Resolved, That the City may transfer any or all of the City Transfer Properties and/or the DLBA Transfer Properties at any time to the DLBA for no consideration in order for the DLBA to provide expedited title clearance services for such properties at a service fee of \$1,000.00 per

property to the DLBA for such services. Further, the City is hereby authorized to accept transfer of such properties back from the DLBA for no consideration following the DLBA's completion of such title clearance services; and Be It Finally

Resolved, That the quit claim deeds to the DLBA will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Land Exchanges / Property Sales. In Support of Mack 1 Plant, Mack 2 Plant, Jefferson North Assembly Plant Projects.

The City of Detroit ("City"), City of Detroit Brownfield Redevelopment Authority ("DBRA") and FCA US LLC ("FCA") have been in discussions to bring about the investment of approximately \$2.5 billion in FCA's Mack 1, Mack 2 and Jefferson North Assembly Plants (collectively the "Projects") to expand certain industrial automotive manufacturing in the City. It is anticipated that the Projects will result in the creation of approximately 4,950 additional FCA jobs in the City, as well as increase business and economic opportunities for related supplier and support industries.

In support of progressing the Projects forward, the City has worked with the DBRA to negotiate an additional series of real estate transactions that are vital to land assembly required to bring the Projects to fruition (the "Real Estate Transactions"). Attached hereto are four (4) separate resolutions approving the Real Estate Transactions by and through the City's Planning and Development Department ("P&DD"), and an additional resolution authorizing the Detroit Land Bank Authority ("DLBA") to transfer certain parcels to DBRA to support the Projects, which are summarized as follows:

**o Resolution 1 — Property Sale / Land Exchange — Fodale Group & Associates.**

The City has received an offer from Fodale Group & Associates ("Purchaser") to purchase 4 City-owned properties and 68 parcels, more or less, owned by the Detroit Land Bank Authority ("DLBA") in exchange for: (1) Purchaser's transfer of 12001 and 12017 Mack Avenue (the "Purchaser's Exchange Properties") to the DBRA and (2) monetary consideration Two Hundred Eighty Thousand and 00/100 Dollars (\$280,000.00) as further described in the attached Resolution 1. Sale proceeds received by the City and DBRA pursuant to this sale, and related sales to Lynch Road Land LLC (described in Resolution 2) and Trident Huber LLC will be escrowed and made available to Purchaser to offset certain costs as described in Resolution 1.

It is DBRA's intent to transfer the Purchaser's Exchange Properties to FCA for the Projects.

At \$60,000 / acre ("Purchase Price") as further described in the attached Resolution 2. In the event that the DBRA acquires part of the adjacent parcel located at 10780 Gratiot, such parcel will be included in the sale at DBRA's cost of purchase. Sale proceeds received by the City and DBRA pursuant to this sale, and related sales to Fodale Group & Associates (described in Resolution 1) and Trident Huber LLC will be escrowed and made available to Purchaser to offset certain costs as described in Resolution 2.

**o Resolution 3 — Property Sale / Land Exchange — Crown Enterprises, Inc.**

The City has received an offer from Crown Enterprises, Inc. ("Crown") for Crown to transfer 12141 Charlevoix (the "Budd Plant Property") to the DBRA for a purchase price of Fifty-Four Million and 00/100 Dollars (\$54,000,000.00). The purchase price shall be payable in part by Crown's election to purchase any of the approximately 261 properties, more or less, owned by City, the Detroit Land Bank Authority, or the Economic Development Corporation of the City of Detroit, in which event the value of such property shall be credited against the purchase price as further described in the attached Resolution 3. The purchase price is subject to a potential increase in the amount of Twenty Million and 00/100 Dollars (\$20,000,000.00) in the event certain conditions are not met, a portion of which may be payable by the City and DBRA according to the terms of the Development Agreement with FCA.

The Budd Plant Property will be transferred to FCA for the Projects.

**o Resolution 4 — Land Transfer — Detroit Land Bank Authority ("DLBA") to DBRA.**

The DLBA wishes to transfer certain parcels to the DBRA by land transfer agreement in furtherance of the Projects and as further described in the attached Resolution 4.

The City is hereby requesting that your Honorable Body adopt the attached four (4) resolutions that approve the above referenced Real Estate Transactions in support of the Projects.

Respectfully submitted,  
JANET ATTARIAN  
Deputy Director  
Planning and  
Development Department

**RESOLUTION 1**

By Council Member Tate:

WHEREAS, The City of Detroit ("City"), City of Detroit Brownfield Redevelopment Authority ("DBRA") and FCA US LLC ("FCA") have been in discussions to bring about the investment of approximately \$2.5 billion in FCA's Mack 1, Mack 2 and Jefferson North Assembly Plants (collec-

tively the "Projects") to expand certain industrial automotive manufacturing in the City; and NOW THEREFORE BE IT

RESOLVED, That in support of the Projects, the Detroit City Council hereby approves the sale of those certain parcels of City-owned land described in the attached Exhibit A incorporated herein (collectively the "City Parcels"), together with the parcels described therein owned by the Detroit Land Bank Authority, to Fodale Group & Associates ("Fodale"), in exchange for: (1) Fodale's payment to the City of Two Hundred Eighty Thousand and 00/100 Dollars (\$280,000.00) and (2) Soave's transfer of 12001 and 12017 Mack Avenue (together the "Fodale Parcels"), as more particularly described in the attached Exhibit B incorporated herein, to the DBRA for incorporation into the Projects; and BE IT FURTHER

RESOLVED, That the Mayor, Planning and Development Department ("P&DD") Director, or their authorized designee, is authorized to execute a property exchange agreement, a summary of which is attached hereto as Exhibit C, and issue quit claim deeds for the sale of the

City Parcels, as well as execute such other documents as may be necessary or convenient to effect the transfer of the City Parcels to Fodale consistent with this resolution; and BE IT FURTHER

**RESOLUTION 3**

By Council Member Tate:

WHEREAS, The City of Detroit ("City"). City of Detroit Brownfield Redevelopment Authority ("DBRA") and FCA US LLC ("FCA") have been in discussions to bring about the investment of approximately \$2.5 billion in FCA's Mack 1, Mack 2 and Jefferson North Assembly Plants (collectively the "Projects") to expand certain industrial automotive manufacturing in the City; and NOW THEREFORE BE IT

RESOLVED, That in support of the Projects, the Detroit City Council hereby approves the sale of those certain parcels of land owned by the City, as more particularly described in the attached Exhibit A incorporated herein, any other parcel owned by the City but not identified in the list attached as Exhibit A and located within the Transfer Area depicted on Exhibit B ("City Parcels"), together with certain other parcels owned by the Detroit Land Bank Authority and The Economic Development Corporation of the City of Detroit, to Crown Enterprises, Inc. ("Crown") as part of the consideration to be exchanged for Crown's transfer of 12141 Charlevoix (the "Budd Plant Property"), as more particularly described in the attached Exhibit C, to the DBRA, which has elected for Crown to transfer the Budd Plant Property to FCA for incorporation into the Projects; and BE IT FURTHER

RESOLVED, That Detroit City Council hereby approves the Property Exchange Agreement by and among the City, DBRA and Crown in substantially the form provided to Detroit City Council, a summary of which is attached hereto as Exhibit D; and BE IT FURTHER

RESOLVED, That Detroit City Council hereby approves the consideration being paid by each party for the property as being fair market value for each property being conveyed; and BE IT FURTHER

RESOLVED, That Detroit City Council hereby approves and grants Crown an option to purchase additional City-owned property within the area depicted on Exhibit E (the "Potential Option Properties Area") hereinafter acquired, for the purchase of price of either the cash consideration paid by the City to acquire such property or, if acquired by the City following tax foreclosure by the Wayne County Treasurer, the amount of delinquent property taxes, including interest and penalties, which would have been required to be paid to avoid tax foreclosure proceedings, and further authorizes the Detroit Land Bank Authority ("DLBA") to convey more than nine (9) parcels in any twelve (12) month period to Crown within the Potential Option Properties Area in the event Crown so exercises its option to purchase; and BE IT FURTHER

RESOLVED, That the Mayor, Planning and Development Department ("P&DD") Director, or their authorized designee, is authorized to execute the

Property Exchange Agreement and issue quit claim deeds for the sale of the City Parcels, as well as execute such other documents as may be necessary or convenient to effect the transfer of the City Parcels to Crown consistent with this resolution; and BE IT FURTHER

RESOLVED, That the Mayor, P&DD Director, or their authorized designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the City Parcels, provided that the changes do not materially alter the substance or terms of the transfer and sale; and BE IT FINALLY

RESOLVED, That the City's property exchange agreement and quit claim deeds will be considered confirmed when executed by the Mayor or P&DD Director, or their authorized designee, and approved by the Corporation Counsel as to form.

**EXHIBIT D to Resolution 3****PURCHASE OF BUDD PLANT SITE****Description**

The City of Detroit Brownfield Redevelopment Authority ("DBRA") is acquiring the 82-acre site of the former the Budd Plant (the "Budd Plant Property") from Crown Enterprises, Inc. ("Crown"). The \$54 million purchase price would be funded by a combination of \$43.5 million in cash consideration and other City-owned land valued at up to \$ 10.5 million. If the swap properties are not acceptable through due diligence, etc., the DBRA will replace the land with the cash value identified for each property. The purchase price is subject to a \$21 million increase in the event certain conditions are not met, a portion of which may be payable by the City and DBRA according to the terms of the development agreement with FCA.

The acquired Budd Plant Property will be used by FCA for finished vehicle parking for the new Mack facility and JNAP.

**Key Crown Enterprise deal terms**

- The Budd Plant Property is being conveyed directly to FCA.
- This agreement becomes effective 7 days following the City Council and DBRA Board Approval. There is a 75 day inspection period; closing is 30 days following the completion of the inspection period.
- Crown has the option to purchase property at market value in the UTS McNichols area.
- Crown has 6 months to bring to correct non-compliant conditions on the half of the acquired parcels, and 1 year to bring all parcels into the compliance. During this year, the City reserves the right to act ensure dangerous conditions are addressed. Three of the parcels include structures currently on the demolition list and Crown has agreed to demolish those structures within 6 months of closing

**Key City of Detroit deal terms**

- The City or DBRA will provide the land swap properties to Crown.
- The Springwells Property will be conveyed in 2025 when the current lease expires.
- The City will provide an expedited approval process for Crown's intended development of property for FCA's projects.

EXHIBIT E to Resolution 3

RESOLUTION 4

By Council Member: Tate

WHEREAS, The City of Detroit ("City"), City of Detroit Brownfield Redevelopment Authority ("DBRA") and FCA US LLC ("FCA") have been in discussions to bring about the investment of approximately \$2.5 billion in FCA's Mack 1, Mack 2 and Jefferson North Assembly Plants (collectively the "Projects") to expand certain industrial automotive manufacturing in the City; and

WHEREAS, In support of the Projects, the Detroit Land Bank Authority ("DLBA") wishes to transfer certain DLBA parcels as more particularly described in the attached Exhibit A ("DLBA Parcels"); NOW THEREFORE BE IT

RESOLVED, That Detroit City Council hereby approves of the sale of the DLBA Parcels to the DBRA for the purchase price of One and 00/100 Dollar (\$1.00).

Honorable City Council:

Re: City of Detroit vs. Detroit Bulk Storage Inc., et al. Case No: 20-001163-CH. File No. L20-00026 (SLdeJ).

We have reviewed the above-captioned lawsuit, the facts of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body.

From this review, we are of the opinion that it is in the best interest of the City of Detroit to accept the settlement payment from Detroit Bulk Storage, Inc., that will be paid in full by Detroit Bulk Storage, Inc. for the nuisance created at 5851 W. Jefferson, Detroit, MI by Detroit Bulk Storage, Inc. Therefore, the Law Department recommends approval of the settlement in the referenced lawsuit.

We, therefore, request authorization of your Honorable Body to settle this matter by adopting the attached resolution.

Respectfully submitted,  
STANLEY L. de JONGH  
Supervising Assistant  
Corporation Counsel

Approved:

LAWRENCE T. GARCIA

1. Submitting reso. autho. Robert Thomas Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT). (Heyward Dortch formed Robert Thomas Limited Dividend Housing Association Limited Partnership in order to operate the Project known as Robert Thomas Apartments. The original mortgage expired and terminated the PILOT agreement with the City. The Project is an existing forty-nine (49) apartment unit building located in an area bounded by Kay on the north, Yosemite on the east, Grand River Avenue on the south and West Chicago on the west. In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A). Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of nine percent (9%) of the annual net shelter rent obtained from this housing project.)

## Planning and Development Department

October 22, 2020

Honorable City Council:  
Re: Approval of Property Transfer between the City of Detroit and the Detroit Land Bank Authority.

Pursuant to the Land Bank Fast Track Act, 2003 PA 258, the Detroit Land Bank Authority ("DLBA") was created as a sep-

arate legal entity, in order to assemble or dispose of public property in a coordinated manner, to foster the development of that property, to promote economic growth in the City of Detroit ("City") and to combat blight.

The DLBA has implemented a range of policies to provide for the disposition of residential properties in the City that the DLBA acquires, including sales to owner occupants, sales of side lots and auction of properties.

In 2014, your Honorable Body authorized the transfer of approximately 16,399 properties, identified as being zoned residential or having a residential structure, to the DLBA to manage the disposition and sale pursuant to their programs. Since that time, there have been several other small transfers of property authorized between the City of Detroit and the Detroit Land Bank approved by your Honorable Body, however there has not been another larger reconciliation of properties. At this time, the City and the DLBA have identified approximately 1225 residential properties in the City's inventory that are best managed under the DLBA disposition programs ("City Transfer Properties"). Additionally, the City has identified approximately 175 properties that we wish to acquire from the DLBA ("DLBA Transfer Properties") for: (1) inclusion in the 2020 Choice Neighborhoods Implementation Grant project, (2) use by the Detroit Water and Sewerage Department for the initial phase of their green infrastructure project in the Brightmoor area and (3) park expansions by the Detroit Parks and Recreation Department.

We hereby respectfully request that your Honorable Body adopt the attached resolution that: (1) authorizes the City to transfer the City Transfer Properties to the DLBA and (2) authorizes the DLBA to transfer and the City to accept the DLBA Transfer Properties.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves the transfer of those certain properties listed in the attached Exhibit A ("City Transfer Properties"), which is incorporated herein by reference, from the City of Detroit ("City") to the Detroit Land Bank Authority ("DLBA"), a Michigan public body corporate, for no consideration; and Be It Further

Resolved, That the Director of the Planning & Development Department ("P&DD"), or his authorized designee, be and is hereby authorized to convey all of the City's right, title and interest of the City Transfer Properties by one or more multiple quit claim deeds, as well as execute any such other documents as may be

necessary to effectuate transfer of the City Transfer Properties from the City to the DLBA; and Be It Further

Resolved, That the P&DD Director, or his authorized designee, retains the discretion to withhold transferring any of the City Transfer Properties to the DLBA; and Be It Further

Resolved, That Detroit City Council hereby approves the transfer of those certain properties listed in the attached Exhibit B ("DLBA Transfer Properties"), which is incorporated herein by reference, from the DLBA to the City for no consideration; and Be It Further

Resolved, That Detroit City Council hereby approves the City's acquisition of the DLBA Transfer Properties for no consideration, provided that prior to any such acquisition, the City conduct an environmental inquiry of the DLBA Transfer Properties and, if required, an environmental assessment, to be reviewed by the Buildings, Safety Engineering and Environmental Department; and Be It Further

Resolved, That Detroit City Council hereby finds and declares that: (1) acquisition of the DLBA Transfer Properties are necessary to promote the health, safety and welfare of the public; and (2) that the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and assessment, and therefore, waives the requirement that the seller bear the cost of the environmental inquiry and assessment for the DLBA Transfer Properties; and Be It Further

Resolved, That in accordance with the foregoing, the P&DD Director, or his authorized designee, be and is hereby authorized to accept and record deeds to the City of Detroit for the DLBA Transfer Properties, as well as execute any such other documents as may be necessary to effectuate transfer of the DLBA Transfer Properties from the DLBA to the City; and Be It Further

Resolved, That those certain DLBA Transfer Properties listed in Exhibit B and identified as Parcel Numbers 1 through 129 (the "CNI Properties") that are to be

transferred to the City for inclusion in the City's 2020 Choice Neighborhoods Implementation Grant project shall be transferred back to the DLBA in the event that: (1) the City does not receive a 2020 Choice Neighborhoods Implementation Grant and (2) an alternative development project for the CNI Properties is not consummated between the City and its preferred developer by December 31, 2021 by fully executing an amended development agreement for the CNI Properties; and Be It Further

Resolved, That any transfer of the CNI Properties back to the DLBA shall be for no consideration; and Be It Further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the City Transfer Properties and/or acquisition of DLBA Transfer Properties, provided that the changes do not materially alter the substance or terms of the transfers; and Be It Further

Resolved, That the City may transfer any or all of the City Transfer Properties and/or the DLBA Transfer Properties at any time to the DLBA for no consideration in order for the DLBA to provide expedited title clearance services for such properties at a service fee of \$1,000.00 per property to the DLBA for such services. Further, the City is hereby authorized to accept transfer of such properties back from the DLBA for no consideration following the DLBA's completion of such title clearance services; and Be It Finally

Resolved, That the quit claim deeds to the DLBA will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:  
 Re: Land Exchanges / Property Sales. In Support of Mack 1 Plant, Mack 2 Plant, Jefferson North Assembly Plant Projects.

The City of Detroit (“City”), City of Detroit Brownfield Redevelopment Authority (“DBRA”) and FCA US LLC (“FCA”) have been in discussions to bring about the investment of approximately \$2.5 billion in FCA’s Mack 1, Mack 2 and Jefferson North Assembly Plants (collectively the “Projects”) to expand certain industrial automotive manufacturing in the City. It is anticipated that the Projects will result in the creation of approximately 4,950 additional FCA jobs in the City, as well as increase business and economic opportunities for related supplier and support industries.

In support of progressing the Projects forward, the City has worked with the DBRA to negotiate an additional series of real estate transactions that are vital to land assembly required to bring the Projects to fruition (the “Real Estate Transactions”). Attached hereto are four (4) separate resolutions approving the Real Estate Transactions by and through the City’s Planning and Development Department (“P&DD”), and an additional resolution authorizing the Detroit Land Bank Authority (“DLBA”) to transfer certain parcels to DBRA to support the Projects, which are summarized as follows:

o **Resolution 1 – Property Sale / Land Exchange – Fodale Group & Associates**

The City has received an offer from Fodale Group & Associates (“Purchaser”) to purchase 4 City-owned properties and 68 parcels, more or less, owned by the Detroit Land Bank Authority (“DLBA”) in exchange for: (1) Purchaser’s transfer of 12001 and 12017 Mack Avenue (the “Purchaser’s Exchange Properties”) to the DBRA and (2) monetary consideration Two Hundred Eighty Thousand and 00/100 Dollars (\$280,000.00) as further described in the attached Resolution 1. Sale proceeds received by the City and DBRA pursuant to this sale, and related sales to Lynch Road Land LLC (described in Resolution 2) and Trident Huber LLC will be escrowed and made available to Purchaser to offset certain costs as described in Resolution 1.

It is DBRA’s intent to transfer the Purchaser’s Exchange Properties to FCA for the Projects.

At \$60,000 / acre (“Purchase Price”) as further described in the attached Resolution 2. In the event that the DBRA acquires part of the adjacent parcel located at 10780 Gratiot, such parcel will be included in the sale at DBRA’s cost of purchase. Sale proceeds received by the City and DBRA pursuant to this sale, and related sales to Fodale Group & Associates (described in Resolution 1) and Trident Huber LLC will be escrowed and made available to Purchaser to offset certain costs as described in Resolution 2.

o **Resolution 3 – Property Sale / Land Exchange – Crown Enterprises, Inc.**

The City has received an offer from Crown Enterprises, Inc. (“Crown”) for Crown to transfer 12141 Charlevoix (the “Budd Plant Property”) to the DBRA for a purchase price of Fifty-Four Million and 00/100 Dollars (\$54,000,000.00). The purchase price shall be payable in part by Crown’s election to purchase any of the approximately 261 properties, more or less, owned by City, the Detroit Land Bank Authority, or the Economic Development Corporation of the City of Detroit, in which event the value of such property shall be credited against the purchase price as further described in the attached Resolution 3. The purchase price is subject to a potential increase in the amount of Twenty Million and 00/100 Dollars (\$20,000,000.00) in the event certain conditions are not met, a portion of which may be payable by the City and DBRA according to the terms of the Development Agreement with FCA.

The Budd Plant Property will be transferred to FCA for the Projects.

o **Resolution 4 – Land Transfer – Detroit Land Bank Authority (“DLBA”) to DBRA**

The DLBA wishes to transfer certain parcels to the DBRA by land transfer agreement in furtherance of the Projects and as further described in the attached Resolution 4.

The City is hereby requesting that your Honorable Body adopt the attached four (4) resolutions that approve the above referenced Real Estate Transactions in support of the Projects.

Respectfully submitted,  
 JANET ATTARIAN  
 Deputy Director  
 Planning and  
 Development Department

**RESOLUTION 1**

By Council Member Tate:

WHEREAS, The City of Detroit (“City”), City of Detroit Brownfield Redevelopment Authority (“DBRA”) and FCA US LLC (“FCA”) have been in discussions to bring about the investment of approximately \$2.5 billion in FCA’s Mack 1, Mack 2 and Jefferson North Assembly Plants (collec-

tively the "Projects") to expand certain industrial automotive manufacturing in the City; and NOW THEREFORE BE IT

RESOLVED, That in support of the Projects, the Detroit City Council hereby approves the sale of those certain parcels of City-owned land described in the attached Exhibit A incorporated herein (collectively the "City Parcels"), together with the parcels described therein owned by the Detroit Land Bank Authority, to Fodale Group & Associates ("Fodale"), in exchange for: (1) Fodale's payment to the City of Two Hundred Eighty Thousand and 00/100 Dollars (\$280,000.00) and (2) Soave's transfer of 12001 and 12017 Mack Avenue (together the "Fodale Parcels"), as more particularly described in the attached Exhibit B incorporated herein, to the DBRA for incorporation into the Projects; and BE IT FURTHER

RESOLVED, That the Mayor, Planning and Development Department ("P&DD") Director, or their authorized designee, is authorized to execute a property exchange agreement, a summary of which is attached hereto as Exhibit C, and issue quit claim deeds for the sale of the City

Parcels, as well as execute such other documents as may be necessary or convenient to effect the transfer of the City Parcels to Fodale consistent with this resolution; and BE IT FURTHER

RESOLVED, That the Mayor, P&DD Director, or their authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deeds (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the City Parcels and/or the Fodale Parcels, provided that the changes do not materially alter the substance or terms of the transfer and sale; and BE IT FINALLY

RESOLVED, That the City's purchase agreement and quit claim deeds will be considered confirmed when executed by the Mayor, P&DD Director, or their authorized designee, and approved by the Corporation Counsel as to form.

**EXHIBIT B to Resolution 2**  
**Summary of Purchase and**  
**Sale Agreement with**  
**Lynch Road Land LLC**

**Parties:** City of Detroit ("City"), DBRA,  
Lynch Road Land LLC ("Lynch").

**Properties** to be conveyed.

o City owned property located at  
10644 Gratiot (part of the parcel Ward 19  
Item 001582.003L, consisting of existing  
concrete parking area and entry way off of  
Conner) and 10600 Gratiot (Ward 19 Item  
001584).

o To the extent acquired by DBRA, a

portion of the property currently owned by  
the State of Michigan located at 10780  
Gratiot (Ward 19 Item 001582.002) (the  
"State Parcel").

**Consideration:**

- City owned property: \$60,000/acre, estimated at \$642,000.

- State Parcel: net purchase price paid by DBRA to State to acquire the property.

**Site Prep Escrow:**

- Net sale proceeds from sale of City Property to be deposited in Site Prep Escrow at Closing to be used as follows:

- o By the Lynch (for 3 years following last in time closing of the 3 related transactions with Lynch, Fodale Group & Associates and Trident Huber LLC):

- Cost of eligible activities under the Brownfield Act, above \$ 150,000 for any of the 3 purchase areas.

- Purchase of private parcels up to \$250,000 total for the Fodale purchase area.

- Quiet title costs in excess of QTA Cap (described below).

- o By the City:

- Up to \$ 100,000 to be used by DBRA for purchase of State Parcel under Lynch Road Land Agreement.

- Any remaining funds in escrow at the expiration of the escrow period to be disbursed prorata to City, DBRA and EDC for sale of properties owned by them.

**Other:**

- QTA Cap: DBRA to cover costs of up to \$50,000, plus any funds not expended for quiet title actions under the Fodale Agreement to for quiet title actions on City Property.

- City will retain a permanent, non-exclusive public easement for pedestrian and vehicular ingress and egress along the southwesterly boundary of the 10600 Gratiot property and wide enough for two lanes of truck traffic.

**PURCHASE OF BUDD PLANT SITE**

**Description**

The City of Detroit Brownfield Redevelopment Authority (“DBRA”) is acquiring the 82-acre site of the former the Budd Plant (the “Budd Plant Property”) from Crown Enterprises, Inc. (“Crown”). The \$54 million purchase price would be funded by a combination of \$43.5 million in cash consideration and other City-owned land valued at up to \$ 10.5 million. If the swap properties are not acceptable through due diligence, etc., the DBRA will replace the land with the cash value identified for each property. The purchase price is subject to a \$21 million increase in the event certain conditions are not met, a portion of which may be payable by the City and DBRA according to the terms of the development agreement with FCA.

The acquired Budd Plant Property will be used by FCA for finished vehicle parking for the new Mack facility and JNAP.

**Key Crown Enterprise deal terms**

- The Budd Plant Property is being conveyed directly to FCA.
- This agreement becomes effective 7 days following the City Council and DBRA Board Approval. There is a 75 day inspection period; closing is 30 days following the completion of the inspection period.
- Crown has the option to purchase property at market value in the UTS McNichols area.
- Crown has 6 months to bring to correct non-compliant conditions on the half of the acquired parcels, and 1 year to bring all parcels into the compliance. During this year, the City reserves the right to act ensure dangerous conditions are addressed. Three of the parcels include structures currently on the demolition list and Crown has agreed to demolish those structures within 6 months of closing.

**Key City of Detroit deal terms**

- The City or DBRA will provide the land swap properties to Crown.
- The Springwells Property will be conveyed in 2025 when the current lease expires.
- The City will provide an expedited approval process for Crown’s intended development of property for FCA’s projects.

Honorable City Council:  
Re: Authorization to acquire sixty-one (61) Parcels from the Detroit Land Bank Authority for various Park/Playground Projects.

The City of Detroit (“City”), by and through the General Service Department/Parks and Recreation Division (“GSD”), is hereby requesting the authorization of your Honorable Body to acquire certain vacant parcels from the Detroit Land Bank Authority (“Acquisition Parcels”) for the expansion of the following parks:

- Butzel Family Park ( 4 parcels)
- Georgia Street Park (17 parcels)
  - new park
- Gordon Park ( 2 parcels)
- Higgings Park ( 6 parcels)
- Knudsen Park ( 4 parcels)
- Scripps Park ( 2 parcels)
- Three Mile-Munich (12 parcels)
- Sylvester-Seyburn Park ( 5 parcels)
- Old Redford Cut-Through ( 3 parcels)
- Lahser-Clarita Park ( 3 parcels)
- 4th and Charlotte Park ( 3 parcels)

In accordance with the requirements of Detroit City Code, Section 2-1-12, City Council is required to approve any gift, grant, devise or bequest of real or personal property to be used for any public purpose. Pursuant to the Memorandum of Understanding (“MOU”) between the City of Detroit and the Detroit Land Bank Authority, approved by the Detroit City Council on May 5, 2015, the Detroit Land Bank Authority may not transfer ten (10) or more parcels of property received from the City to the same transferee within any rolling 12 month period without the prior approval of the Mayor and City Council.

We hereby request that your Honorable Body approved the attached resolution authorizing the Detroit Land Bank Authority to transfer sixty-one (61) vacant parcels to the Parks and Recreation Division for the Park/Playground Project.

Respectfully submitted,  
BRAD DICK  
Group Executive  
General Services Department  
By Council President Sheffield:

Now, Therefore, Be It  
Resolved, That City of Detroit (“City”) through the General Service Department (“GSD”) wishes to acquire sixty-one (61) vacant parcels within the City of Detroit, Michigan, more particularly described in the attached Exhibit A (“Acquisition Parcels”) from the Detroit Land Bank Authority (“DLBA”).

Whereas, Building, Safety, Engineering and Environmental Department has reviewed the environmental report on the environmental conditions of the Acquisition Parcels attached herein as Exhibit A; and

Whereas, In accordance with Chapter 2, Article I, Division 2 of the Detroit City Code: (1) the City Council finds that the Acquisition Parcels have received appropriate environmental inquiry in accordance with the review referred to in the preceding paragraph; (2) the environmental inquiry has shown that past use of the Acquisition Parcels for the period investigated has been solely for residential purposes and that the Acquisition Parcels do not pose an adverse environmental impact, therefore none of the Acquisition Parcels are considered a facility; and (3) the City Council finds and declares that the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and therefore waives the requirements that the seller bear the cost of the environmental inquiry; Now Therefore Be It

Resolved, That Detroit City Council hereby approves acquisition of the Acquisition Parcels from the DLBA for no consideration; and Be It Further

Resolved, That the Director of GSD, or her authorized designee, is authorized to accept and record a deed to the Acquisition Parcels to the City of Detroit, as well as execute any such documents as may be necessary or convenient to effect the transfer of the Acquisition Parcels from the DLBA to the City of Detroit; and Be It Further

Resolved, That the Director of GSD, or his authorized designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to correction of or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Acquisition Parcels to the City, provided that the changes do not materially alter the substance or terms of the transfer; and Be It Finally

**Sec. 20-6-1. Purpose.**

(a) The purpose of this article is to establish standards and procedures for the issuance, renewal, suspension, and revocation of business licenses for medical marihuana facilities and adult-use marihuana establishments consistent with the Michigan Medical Marihuana Facilities Licensing Act, being MCL 333.27101 *et seq.*, and the Michigan Regulation and Taxation of Marihuana Act, being MCL 333.27951 *et seq.*, respectively, to:

(1) ~~To provide qualifying patients access to medical marihuana serve and~~

protect the health, safety, and welfare of the general public through reasonable regulation of marihuana business operations including noise, odor, air and water quality, food safety and public safety;

(2) ~~To ensure the safety of qualifying patients, primary caregivers, and the general public establish an application fee and a licensing fee for medical marihuana facilities and adult-use marihuana establishments to cover the City's costs in administering this ordinance;~~

(3) ~~To ensure that a portion of the City's costs in accommodating medical marihuana facilities are supplemented establish procedures for application, renewal, suspension, and revocation of a business license for medical marihuana facilities, and for adult-use marihuana establishments;~~

(4) ~~To minimize adverse effects, if any, from the cultivation, processing, dispensing and storage of medical marihuana; and~~

(5) ~~To comply with the Michigan Medical Marihuana Act, being MCL 333.26421 *et seq.*, all in order to protect and enhance the public health, safety, and welfare adopt reasonable regulations as needed pursuant to the city's general police power granted to cities by the 1963 Michigan Constitution and the Michigan Home Rule City Act, being MCL 117.1 *et seq.*~~

(6) recognize that social equity in the marijuana industry is required to address the historical disproportionate impact of marijuana prohibition and enforcement on Detroiters, and that the City of Detroit has been expressly named by the State of Michigan Social Equity Program as a community that has been disproportionately impacted by marijuana prohibition and enforcement;

(7) recognize that long-term residents of the City of Detroit have historically been excluded from ownership opportunities in the legal marijuana industry due to the disproportionate impact of marijuana prohibition, enforcement, and the lack of access to capital, land, and resources; that more than 30 percent of Detroiters live below the federal poverty level; that Detroit has a marijuana-related criminal conviction rate that exceeds the average marihuana-related criminal conviction rate in the State of Michigan; and that long-term Detroit residents have substantially contributed to the economy in the form of taxes and fees to the extent that a reduction in fees and reservation of adult-use retailer, adult-use grower, adult-use processor, designated consumption, marijuana event organizer, and microbusiness licenses for long-term Detroit residents under this article is appropriate as a form of social equity;

(8) recognize that employment opportunities in the legal marijuana industry are essential for Detroiters, and to strongly encourage and incentivize licensees under

this article to ensure that at least 50% of its employees are Detroit residents, specifically those Detroit residents who are veterans, low income, or have a prior controlled substance record, as such terms are defined in Section 20-6-2:

(9) facilitate real property ownership opportunities for Detroit residents, for the purpose of operating adult-use marijuana establishments licensed under this article and MRTMA; the City of Detroit shall use good faith efforts to transfer eligible City-owned real property to one of the City's economic development agencies or authorities, for the specific purpose of transferring the property to Detroit legacy applicants or licensees, as defined in Section 20-6-2, at 25% of the property's fair market value. Such a transfer would be subject to applicable approvals by the City of Detroit and the economic development agency or authority board, as well as certain program rules that may be developed. The development and use of the transferred property would be subject to all requirements of this Code and MRTMA; and to

(10) recommend that, subject to appropriation, amounts equal to \$500,000 of the fees generated from the licenses issued pursuant to this article, and \$500,000 from an allocation to the City of Detroit pursuant to M.C.L. 333.27964, be used annually to further social equity goals, including, but not limited to, addressing the challenges set forth in Subsections (6), (7), (8), and (9) of this section; and to

(11) clarify that licensure of either a medical marijuana facility or an adult-use marijuana establishment is a revocable privilege and not a right in the City. There is no property right for an individual or business to have a medical marijuana facility business license or an adult-use marijuana establishment business license in the City of Detroit.

~~(b) Nothing contained within this article, or within any license issued by the City, shall be construed to relieve a person of the duties and obligations imposed under state law. Notwithstanding the foregoing, it is not the intent of this article to diminish, abrogate or restrict protections for the medical use of marijuana provided in the Michigan Medical Marihuana Act, being MCL 333.26421 et seq. Nothing in this article, or in any other provision of this Code, is intended to grant, or shall it be construed as granting, immunity from criminal prosecution for:~~

(1) The cultivation, sale, consumption, use, distribution, manufacture or possession of marijuana in any form not in compliance with the MMMA, the MMFLA, and the MRTMA, as applicable; or

(2) any criminal prosecutions under federal laws including seizure of property under the Federal Controlled Substances Act, being 21 USC 801 et seq.

~~(c) Nothing contained within this article, or within any license issued by the City, shall be construed to relieve a person of the duties and obligations imposed under state or federal law. Notwithstanding the foregoing, it is not the intent of this Article to diminish, abrogate or restrict protections for the use of marijuana provided in the MMMA, the MMFLA, and the MRTMA, as applicable.~~

~~(d) By accepting a license issued pursuant to this Article, the licensee waives and releases the City, its officers, elected officials, and employees from any liability for injuries, damages, or claim of any kind that results from any arrest or prosecution of owners, operators, clients or customers of medical marijuana facilities or adult use marijuana establishment for violation of local, state, or federal laws, rules, or regulations.~~

~~(e) By accepting a license issued pursuant to this Article, the licensee agrees to indemnify, defend and hold harmless the City, its officers, elected officials, employees, and agents against all liability, claims or demands arising on account of any claim of diminution of property value arising out of the operation of a medical marijuana facility or an adult use marijuana establishment, or any claim based on an alleged injury to business or property by reason of a claimed violation of the federal Racketeer Influenced and Corrupt Organizations Act (RICO), being 18 USC 1961 et seq.~~

**Secs. 20-6-7 20-6-4–20-6-20. Reserved.**

**DIVISION 2. MARIJUANA LICENSE REVIEW COMMITTEE**

**Sec. 20-6-21. Creation.**

~~There is hereby established a Marihuana License Review Committee (“MLRC”), which shall perform its duties and exercise its powers in accordance with this article.~~

**Sec. 20-6-22. Personnel.**

~~The MLRC shall consist of a staff member of each of the departments and agencies that are identified in this section. The directors of the respective departments and the heads of the respective agencies identified in this section shall each appoint a qualified representative or representatives from among their respective staffs to serve on the MLRC. The respective departments and agencies that must appoint representatives to the MLRC are as follows:~~

~~(a) Office of the Chief Financial Officer, Assessor;~~

~~(b) Buildings, Safety Engineering, and Environmental Department;~~

~~(c) Office of the Chief Financial Officer, Treasury;~~

~~(d) Health Department;~~

~~(e) Law Department;~~

~~(f) Police Department;~~

~~(g) Civil Rights, Inclusion, and Opportunity Department, and~~

~~(h) Such other departments, agencies, or individuals as deemed appropriate by the chairperson, on a case by case basis.~~

**Sec. 20-6-23. Management.**

~~(a) The representative from the Civil Rights, Inclusion, and Opportunity Department serves as chairperson of the MLRC and shall maintain a record of applications, licenses granted under this Article and other relevant files as needed.~~

~~(b) The MLRC may meet in person or virtually at the call of the chairperson, and shall receive all materials for review electronically.~~

~~(c) The MLRC shall develop a standard of review for making recommendations on license applications under this article that shall be approved by the Detroit City Council prior to reviewing any applications.~~

**Sec. 20-6-24. Duties and functions.**

~~(a) New or renewal applications for a medical marihuana facility license or an adult-use marihuana establishment license shall be reviewed by the MLRC and a recommendation provided to the~~

Department director before a license may be issued or renewed by the Department in accordance with the applicable review criteria set forth in this article. For temporary marihuana events, the MLRC shall make its recommendation to the Detroit City Council, which must approve the temporary marihuana event, before a license is issued by the Department.

(b) Each department representative shall be responsible for investigating the application within its department's respective area of oversight, providing relevant information, reports or data to the MLRC for review, including, but not limited to the information set forth in Section 20-6-39.

(c) Through the Chair, the MLRC may communicate and meet with the applicant, visit the proposed site to be licensed, and request certain conditions be met prior to recommending approval of the issuance of a license.

(d) After December 31, 2021, and excluding temporary marihuana events, applications shall be reviewed and a recommendation provided by the MLRC to the Department within ninety (90) days of receipt of a complete application as determined by the MLRC, or the application shall be forwarded to the Department without recommendation.

(e) Every six months after the effective date of this ordinance, the MLRC will provide a report to the Detroit City Council detailing the following information:

(1) name of all applicants, date of application, and application status;

(2) name of all licensees, locations, and license date;

(3) number of licenses issued by license category;

(4) Details of each applicant's Good Neighbor Plan; and

(5) Details of each applicant's community outreach report and community outreach plan.

**Secs. 20-6-7 20-6-25 – 20-6-30. Reserved.**

**DIVISION 23. — LICENSE LICENSING**

**Sec. 20-6-2420-6-31. License Required.**

(a) No person may operate a medical marihuana facility or an adult-use marihuana establishment in the City without first obtaining a license from the City and a state operating license in accordance with the provisions of this article. A separate license under this article is required for each ~~medical marihuana facility~~ business with a state operating license operating in one building. A co-location license is required for a property owner that maintains more than one medical marijuana facility or adult-use marihuana establishment in one building.

(b) ~~A provisioning center in operation on the effective date of this article may con-~~

~~tinuo to operate provided it: (1) has applied to obtain a license from the City within 24 days of the effective date of this article; and (2) complies with the license requirements imposed by Section 20-6-5 of this Code, as determined by the Buildings, Safety Engineering and Environmental Department, within 120 days of the effective date of this article. No more than one medical marihuana provisioning center and one marihuana retailer establishment may be licensed in any single building.~~

(c) License applications shall be time and date stamped in order of submission in each category of licensure.

(d) No less than 50% of licenses for adult-use retailers, adult-use processors, adult-use growers, designated consumption establishments, microbusinesses, and marihuana event organizers shall be granted to Detroit legacy applicants as defined in Section 20-6-2.

(e) The City shall not issue a license for an adult-use retailer, adult-use processor, designated consumption establishment, microbusiness, or a marihuana event organizer if such issuance would cause the number of licenses held by Detroit legacy licensees to be less than 50% of the total licenses held in each respective category.

(f) Excluding those applicants for temporary marihuana event permits and marihuana event organizer licenses, all applicants must conduct community outreach, as defined in Section 20-6-2. The applicant must forward notice of the community outreach to the Department of Neighborhoods. The Department of Neighborhoods shall send digital notification of the pending application to all registered users in the Council district where the business is proposed to be located.

**Sec. 20-6-32. Detroit legacy status.**

Applicants may seek Detroit legacy status by applying to the Civil Rights, Inclusion, and Opportunity Department (CRIO) electronically on a form provided by CRIO, with documentation required to establish Detroit legacy applicant status. Once certified by CRIO, applicants may submit a license application under this article as a Detroit legacy applicant. A Detroit legacy licensee must complete such certification annually prior to license renewal.

**Sec. 20-6-33. Provisional licenses.**

(a) Detroit legacy applicants may apply for a provisional license for adult use marihuana establishments, excluding temporary marihuana event permits and marihuana event organizer licenses, under the following circumstances:

(1) The applicant has been certified as a Detroit legacy applicant;

(2) The applicant does not yet have a location that is properly zoned to operate the adult-use marihuana establishment for which the applicant seeks licensing; and

(3) The applicant meets all of the requirements of this article other than those related to the location where the adult-use marihuana establishment will be licensed.

(b) A provisional license will be converted to a full license if the applicant establishes a location that is properly zoned and meets the other requirements of this article within 12 months from the date of the provisional license, subject to the numerical caps set forth in Section 20-6-34 of this Code.

(c) A licensee may not commence operations until it has received a full license under this article and a state operating license.

(d) A provisional license will not be counted as a full license for purposes of the numerical caps established under Section 20-6-34 of this Code, or in determining whether the requirements of Section 20-6-31(d) and (e) of this Code are met until it has been converted to a full license.

**Sec. 20-6-34. Number of licenses.**

The City hereby establishes the following numerical caps and may grant licenses for medical marihuana facilities and adult-use marihuana establishments, subject to the requirements of this article, in accordance with this chart:

Medical Marijuana Provisioning Center	75
Adult-Use Retailer Establishment	75
Grower	unlimited
Processor	unlimited
Secured Transporter	unlimited
Safety Compliance Facility	unlimited
Designated Consumption Lounge	35
Microbusiness	35
Marijuana Event Organizer	unlimited
Temporary Marijuana Event	unlimited

**Sec. 20-6-35. Detroit legacy certification: application periods.**

(a) Upon the effective date of this ordinance, the City may immediately accept applications for medical marihuana facility licenses under this article. Applications for medical marihuana facility licenses that are under consideration by the City upon the effective date of this article shall not be subject to the requirements of this article, except that the number of medical marihuana provisioning center licenses is subject to the numerical cap set forth in Section 20-6-34.

(b) Upon the effective date of this ordinance, the Civil Rights, Inclusion, and Opportunity Department will begin certifying Detroit legacy applicants.

(c) The City will begin accepting applications for adult-use marihuana estab-

lishment licenses on April 1, 2021, and shall review license applications submitted by April 30, 2021 within the time periods set forth in Subsections (d) and (e), below.

(d) From May 1, 2021 through June 15, 2021, there will be a reserved review period wherein the City will review and may approve applications for adult-use marihuana establishment licenses from Detroit legacy applicants, as well as applications for adult-use growers from current holders of a state operating license for a medical marihuana facility in the City of Detroit. An eligible applicant who wishes to be considered during this time period must submit a complete application by April 30, 2021. The chronological order of reviewing license applications under this subsection shall be determined by an independent, transparent, and random selection process.

(e) From June 16, 2021 through July 31, 2021, there will be a reserved review period wherein the City will review and may approve applications for adult-use marijuana establishment licenses, from holders of a state operating license for a medical marihuana facility in the City of Detroit. An eligible applicant who wishes to be considered during this time period must submit a complete application by April 30, 2021. The chronological order of reviewing license applications under this subsection shall be determined by an independent, transparent, and random selection process.

(f) After both review periods forth in Subsections (d) and (e) are completed, the City will determine whether 50% of adult-use grower licenses have been issued to Detroit legacy applicants in accordance with Section 20-6-31(d), and, if not, shall not issue any more adult-use grower licenses to applicants other than Detroit legacy applicants until this requirement has been met.

(g) Beginning August 1, 2021, and continuing thereafter, the City will review and may approve applications for adult-use marihuana establishment licenses from any applicant.

The fee shall be posted on a schedule in the Civil Rights, Inclusion, and Opportunity Department.

**Sec. 20-6-2420-6-38. Application review process.**

(a) ~~The Buildings, Safety Engineering, and Environmental Department shall review each application to ensure that it is complete, that the information required by this article has been submitted, and that the application fee has been paid. For each new application or renewal of a medical marihuana facility or adult-use marihuana establishment license submitted under this article, the Department will confirm whether the application is complete and that the application fee has been paid. The Department may reject any application that contains insufficient information and may deny an application for failure to pay the application fee. If the Department determines that an application contains insufficient information the applicant shall be notified and will have 4-15 business days after the notification is sent to supplement the information in the application, after which time the application will be dismissed, and a new application and application fee will be required.~~

(b) Upon receipt of a complete application, the Department will forward the application materials to the MLRC for review and a recommendation.

(c) The MLRC shall consider the information submitted by the applicant and the requisite departments before providing a recommendation.

(d) Upon receipt of a favorable recommendation from the MLRC, the Department may issue the license in the manner required by this article.

(e) The applicant shall pay the license fee prior to receiving a license.

**Sec. 20-6-2520-6-39. — Inspections, investigations, review of materials submitted.**

(a) Upon application and before any license under this article is issued for a medical marihuana facility or an adult-use marihuana establishment, the application shall be referred to appropriate departments of the City, ~~including divisions of the Buildings, Safety Engineering and Environmental Department and the Fire Department,~~ for respective reports to be provided to the MLRC on compliance with this Code and with state law, rules and regulations, including the following:

(1) *Zoning.* The medical marihuana facility or adult-use marihuana establishment shall meet applicable requirements of the Detroit Zoning Ordinance, being Chapter 50 of this Code. For purposes of this article, license applicants for adult-use marihuana establishments shall be deemed to have appropriate zoning if the property is zoned properly for an equivalent license under the MMFLA or as set forth in Subsections (13), (14) and (15) of Section 20-6-36;

(2) *Building and Property Maintenance Codes.* The medical marihuana facility or adult-use marihuana establishment shall meet applicable requirements of the Stille-DeRossett-Hale Single State Construction Code Act, being MCL 125.1501 *et seq.*, and the Property Maintenance code, being Chapter 8, Article XV of this Code;

(3) A property that is designated location and subject of an application for a business license for a temporary marihuana event shall have a certificate of occupancy, a certificate of compliance, and no outstanding blight violations, inspection fees, or property taxes;

(4) *Fire protection and safety.* The medical marihuana facility or adult-use marihuana establishment shall meet applicable requirements of the Detroit Fire Prevention and Protection Code, being Chapter 18, Article I, of this Code;

(6) *Ventilation.* Proper ventilation, either natural or mechanical, shall be provided so that each person within a medical marihuana facility or adult-use marihuana establishment will be supplied with 12,000 cubic feet of air per hour, or as required by applicable state code, whichever is greater;

(7) *Lighting.* The medical marihuana facility or adult-use marihuana establishment shall have adequate lighting in every part of the premises in compliance with applicable requirements of the Michigan Electrical Code, being Chapter 8, Article III, of this Code;

(8) *Health and sanitation.* All rooms within a medical marihuana facility or adult-use marihuana establishment housing toilet facilities shall be equipped with sanitary towels of a type acceptable to the Health Department. All rooms within the premises shall meet the requirements of Chapter 19 of the Michigan Public Health Code, being MCL 333.1101 *et seq.*, including those concerning food preparation and sanitation.

(b) A license shall not be issued or renewed until satisfactory inspections and reviews are completed by the departments delineated in Subsection (a) of this section, and written reports are issued indicating that the applicant complies with the requirements of this section.

(c) In addition to the inspections required above, upon application and before any license under this article is issued for a medical marihuana facility or adult-use marihuana establishment, including provisional licenses and marihuana event organizer license applications, the application shall be referred to the City's Police Department and Finance Department for respective reports on compliance with the following:

(1) The Police Department shall complete criminal background checks on all individuals who are part of the ownership entity;

(2) The Finance Department shall cause an investigation to be completed to determine whether any property or income taxes, special assessments, fines, fees or other financial obligations to the City are unpaid, outstanding and/or delinquent at the licensed location or from the applicant, its owners, directors, officers, members, managers, partners, and shareholders.

(d) A license shall not be issued or renewed under this article until satisfactory inspections and reviews are completed by the departments delineated in Subsection (c) of this section. A license shall not be issued or renewed by the Department until both of the following have occurred: (1) the Police Department provides written confirmation that all individuals who are part of the ownership entity do not have any felony convictions related to violent crimes, fraud, embezzlement or dishonesty; and (2) The Finance Department provides written confirmation that all individuals making up the ownership entity are not in arrears for any property or income taxes, special assessments, fines, fees or other financial obligations to the City.

(e) If the applicant is a current or former medical marihuana facility licensee, the MLRC shall consider the applicant's operational history, experience, and tax-paying history.

(f) The MLRC shall also take social equity considerations into account when recommending approval or denial of a license, including, but not limited to:

(1) Whether the applicant intends to ensure that at least 50 percent of its employees are Detroit residents, especially those Detroit residents who are veterans, low income as defined in Section 20-6-2 of this Code, and/or have a prior controlled substance record as defined in Section 20-6-2; and

(2) the applicant's Good Neighbor Plan submitted in accordance with Section 20-6-36(a)(19).

**Sec. 20-6-26. — REPEALED.**

(a) In addition to the inspections required above, upon application and before any license under this article is issued for a medical marihuana facility, the application shall be referred to the Police Department and Office of Chief Financial Officer for respective reports on compliance with the following:

(1) The Police Department shall complete criminal background checks on all individuals listed within the application; and

(2) the Office of Chief Financial officer shall cause an investigation to be completed to determine whether any property or income taxes, special assessments, fines, fees or other financial obligations to the City are unpaid, outstanding and/or delinquent.

(b) A license shall not be issued or renewed until satisfactory inspections and reviews are completed by the department delineated in Subsection (a) of this section. A license shall not be issued or renewed by the Buildings, Safety Engineering and Environmental Department for any medical marihuana facility until after both of the following have occurred:

(1) the Chief of Police provides written confirmation that all individuals listed within the application do not have any felony convictions related to illegal narcotics, fraud, embezzlement or dishonesty; and

(2) The Chief Financial Officer provides written confirmation that the applicant is not in arrears for any property or income taxes, special assessments, fines, fees, or other financial obligations to the City.

**Sec. 20-6-27. — License fee. REPEALED.**

A license fee shall be paid upon the issuance of a license under this article. The license fee shall be in an amount established from time to time by the Director of the Buildings, Safety Engineering and Environmental Department and shall be approved by resolution of the

City Council, the fee shall be intended to defray the costs incurred by the City to process and monitor licensed facilities. The fee shall be posted on as schedule in the Department.

**Sec. 20-6-40. Operating requirements.**

A medical marijuana facility or adult-use marihuana establishment licensed under this article shall be subject to the following conditions:

(1) Compliance with the requirements of this Code and all applicable state and federal laws;

(2) Compliance with the provisions of the MMFLA and the MRTMA;

(3) Medical marijuana facilities and adult-use marihuana establishments must obtain all necessary state and local licenses before commencing operations and shall maintain a valid state operating license and business license under this article at all times during operation;

(4) No persons under the age of 18 may be allowed within any medical marihuana facility or adult-use marihuana establishment, unless the individual is a qualifying patient or accompanied by his/her primary caregiver, parent, or documented legal guardian;

(5) No medical marijuana facility or adult-use marihuana establishment shall permit the sale or dispensing of alcoholic liquor or tobacco for consumption on or off the premises;

(6) Operating hours for provisioning centers, retailer establishments, and microbusinesses shall not exceed the hours between 9:00 a.m. and 10:00 p.m. daily. Designated consumption establishments may operate between 9:00 a.m. and 2:00 a.m. daily;

(7) Signs displayed on the exterior and interior of the property, shall conform to this Code. No signs shall contain the words "marihuana," or "cannabis," nor shall any sign contain marihuana leaves, green crosses, or lighting that violates this Code.

(8) Public and common areas must be separated from restricted and non-public areas by a permanent opaque barrier that cannot be accessed by individuals not approved as personnel.

**Sec. 20-6-2920-6-41. License issuance.**

(a) If the application and proposed medical marihuana facility meets all the requirements of this article, the Buildings, Safety Engineering and Environmental Department shall issue a license in writing. When the application and proposed medical marihuana facility or adult-use marihuana establishment has been reviewed by the MLRC and a recommendation regarding the license, or an approval for a temporary marihuana event by City Council, is provided to the Department, the Department may issue a license in writing after the license fee is paid. A license that is issued under this article shall be contin-

ually posted at all times inside the licensed medical marihuana facility or adult-use marihuana establishment in a conspicuous location near the entrance.

(b) ~~Except for a temporary marihuana event, the~~ term of a license shall be not more than one year and shall expire each year on September 30. Any application to renew a license shall be made ~~using the procedure for an original license as specified herein as specified in Section 20-6-42.~~

(c) A license issued under this article is non-transferable, ~~except for application for transfer which shall be granted if the transferee is eligible to hold that license.~~ A new owner or operator of a licensed business under this article must obtain a new business license in accordance with this article before the City will provide the attestation or other municipal approval required for a transfer by the State of Michigan Marihuana Regulatory Agency.

(d) ~~A renewal license shall be issued unless the license has not been renewed by the Michigan Department of Licensing and Regulatory Affairs.~~ A business owned by a Detroit legacy applicant and licensed under this article shall not be transferred, sold, or conveyed to anyone other than another Detroit legacy applicant for a period of five years from the date of the initial license granted, or the licensee will lose its Detroit legacy status.

**Sec. 20-6-42. Renewal of license; notification of deficiency or violation.**

(a) At least 120 days prior to the expiration of a license issued under this article, licensees must submit a renewal application electronically on a form to be provided by the Department. The renewal application shall include, but is not limited to:

(1) Changes to the ownership structure of the licensee, or an affidavit attesting that no changes have occurred;

(2) A copy of the state operating license for the medical marihuana facility, adult-use marihuana establishment or licensed activity;

(3) Confirmation that the licensee is still a Detroit legacy applicant, if applicable.

(b) The MLRC shall review and provide a recommendation for all applications for renewal. A license under this article may be renewed by the Department after the MLRC has confirmed the following:

(1) The licensee has paid all applicable City of Detroit income taxes and property taxes;

(2) All employees of the licensee and all natural persons who make up the ownership entity have filed City of Detroit income tax returns for the preceding tax year;

(3) The licensee has paid all fees, fines or any other financial obligations owing the City of Detroit;

(4) The licensee holds a valid state operating license for each use permitted at the site;

(5) There are no outstanding licensing violations from the City of Detroit or State of Michigan pertaining to the operation of the licensed business;

(6) The licensed premises has a current certificate of compliance from the Department;

(7) The police department has indicated that no criminal activity, which would require a nonrenewal has occurred pertaining to the operation of the licensed business during the license period immediately preceding that for which the renewal license is sought;

(8) That the licensee has operated as a good corporate citizen with respect for its surrounding environment, has kept its commitments in its Good Neighbor Plan, and community outreach plan, and has complied with the requirements of this article, and the MMFLA or the MRTMA.

(c) Where there is an existing deficiency of a requirement under this Code or a violation of this article concerning the premises or licensee that can be cured, the licensee shall be notified by the Department or the MLRC and must cure the deficiency before a renewal license is issued. If the deficiency is not cured within 30 days of the licensee being notified, the license and renewal application will expire and a new license application will have to be filed with a new associated fee.

**Sec. 24-6-29. Denial, suspension, revocation.**

(a) ~~The following shall constitute grounds for the Buildings, Safety Engineering, and Environmental Department to deny issuance of a license or to suspend or revoke a license issued pursuant to this article:~~

(1) ~~Any fraud, misrepresentation or false statement in an application, any materials filed with an application or related to a license, any materials provided in conjunction with an application or license, or any statement related to an application or license made to any City officials or agents; or~~

(2) ~~Non compliance with, or a violation of, this article, this Code, or any violation of state law relating to the operation of a medical marihuana facility.~~

(b) ~~Written notice of suspension or revocation, stating the cause or causes of suspension or revocation, shall be mailed to the licensee's address as shown in the application for a license.~~

(c) ~~Any person aggrieved by the suspension or revocation of a license under this article may appeal to the Building Authority Commission by filing with the office of the City Clerk a written appeal within ten days after suspension or revocation. The Clerk shall set a time and place for a hearing on such appeal, and notice of such hearing shall be given to the appellant in writing. After said hearing, the decision and order of the Commission~~

on any such appeal shall be final and conclusive.

**Sec. 20-6-43. License suspension, revocation, or denial of renewal.**

(a) A license that is issued under this division may be suspended, revoked, or denied renewal in accordance with this article and with Chapter 28 of this Code.

(b) In addition to Subsection (a) of this section, the Department may also suspend, revoke or deny renewal of a license in accordance with the procedures in Chapter 28 of this Code, based on any of the following:

(1) A failure to meet the conditions or maintain compliance with the standards established by this article;

(2) One or more uncorrected violations of any City ordinance on the premises;

(3) Maintenance of a nuisance on the premises;

(4) A demonstrated history of excessive complaints for public safety intervention, which may include dispatches of police, fire or emergency medical services, relative to the licensed premises, being three or more runs in any 30-day period;

(5) Failure to obtain or maintain proof of a criminal background check for each employee confirming that they have not been convicted of any felony within the past 10 years, and have never been convicted of a felony involving illegal drugs other than marihuana, or a felony that is an assaultive crime as defined in Chapter X, Section 9a of the code of criminal procedure, being MCL 770.9a;

(6) Non-payment of any property or income taxes, special assessments, fines, fees or other financial obligations to the City;

(7) Any fraud, misrepresentation or false statement in an application, any materials filed with an application or related to a license, in any materials provided in conjunction with an application or license, or any statement related to an application or license made to any City officials or agents;

(8) Any instance of operating a medical marihuana facility or adult-use marihuana establishment illegally; or

(9) Any other grounds for suspension, revocation or non-renewal set forth in this Code.

**Sec. 20-6-44. Penalty.**

(a) A licensee who commits a violation of this article:

(1) may be subject to a misdemeanor ordinance violation and a fine of not more than \$500.00, in the discretion of the court, for each such offense;

(2) may be subject to nonrenewal, revocation, or suspension of its business license under this article and Section 28-1-7 of this Code; and

(3) may be subject to any other sanctions or penalties under applicable laws, rules, or regulations.

(b) Each day of continued violation shall constitute a separate offense.

**Sec. 20-6-45. Appeals.**

Applicants may file appeals of adverse determinations under this article with the City of Detroit Administrative Appeals Bureau as set forth in Chapter 3, Article IV, of this Code, in accordance with its published rules.

**Sec. 20-6-46. Inspection by authorized local officials.**

For purposes of ensuring compliance with this article, applicants and licensees shall permit authorized local officials to inspect, during regular business hours, any portion of a medical marihuana facility or adult-use marihuana establishment, subject to constitutional restrictions on unreasonable searches and seizures. Where entry is refused or not obtained, the City is authorized to pursue recourse as provided by law.

**Sec. 20-6-47. Social equity initiatives and substance use prevention appropriations.**

(a) The Office of Budget is hereby authorized to appropriate \$2,000,000 from prior year fund balance to the Civil Rights, Inclusion, and Opportunity Department to support the initial social equity initiatives and activities performed by the City in accordance with the legislative purposes of this article. Subject to the annual budget process, it is expected that the City's annual budget will contain a \$1,000,000 appropriation to the Civil Rights, Inclusion, and Opportunity Department to support the ongoing social equity initiatives and activities performed by the City in accordance with the legislative purposes of this article.

(b) Subject to the annual budget approval process, the City's annual budget will contain an appropriation, equal to two percent (2%) of the gross allocation received by the City of Detroit in the previous fiscal year pursuant to M.C.L. 333.27964, to the Detroit Health Department for substance use prevention programming for youth.

**Secs. 20-6-3020-6-48 – 20-6-80.**

**Reserved.**

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**RESOLUTION APPROVING BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE GODFREY HOTEL REDEVELOPMENT PROJECT**

City of Detroit

County of Wayne, Michigan

By Council Member Tate:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Godfrey Hotel Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on September 23, 2020, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on October 6, 2020 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on September 23, 2020; and

WHEREAS, The Authority approved the Plan on October 21, 2020 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, the City Council held a public hearing on the proposed Plan on November 12, 2020.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. **Definitions.** Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381.

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of the Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year

Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381;

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantee or representations as to the ability of the authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

RESOLUTION DECLARED ADOPTED.

November 10, 2020

Honorable City Council:

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate on Behalf of Godfrey Detroit Propco, LLC in the area of 1401 and 1411 Michigan Ave., Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition # 473).

On November 12, 2020, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Godfrey Detroit Propco, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Godfrey Detroit Propco, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 16, 2018 established by Resolution a Commercial Property Rehabilitation District in the area located around 1401 and 1411 Michigan Avenue, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of December 31, 2023 for the completion of the rehabilitation; and

Whereas, On December 12, 2020, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and Be It Further

Resolved That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and Be It Further

Resolved, That the application of Godfrey Detroit Propco, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2020 and the certificate expiring December 31, 2030, in accordance with the provisions of the Act; and Be It Finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and Be It Further

Resolved, That the rehabilitation of the facility shall be completed no later than December 31, 2023, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and Be It Finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

**Housing and Revitalization Department**

November 5, 2020

Honorable City Council:

Re: Reprogramming Amendment to the Community Development Block Grant (CDBG) Annual Action Plans for Multiple Fiscal Years.

The Housing & Revitalization Department (HRD) hereby requests to amend the CDBG Annual Action Plans for the fiscal years in the attached report. The funds targeted for reprogramming consist of unused funds, balances from programs that no longer exist or are unlikely to be used in a timely manner.

If these funds are not expended, the City's federal grant allocations will be at risk of recapture by the U.S. Department of Housing and Urban Development (HUD). Funds will be allocated for activities that will allow for timely expenditures.

A summary of the proposed reprogramming is as follows:

Line Items to be reprogrammed (decrease):

**See attached report**

Line Item for Funding Addition (increase) (FY 2020-21):

• Pre-Development Affordable Housing (Marlborough Project)	\$ 600,000.00
• Pre-Development Affordable Housing (Mack Alter Project)	\$ 190,000.00
• Pre-Development Affordable Housing (Brush & Watson Development Project)	\$ 1,500,000.00
• Pre-Development Affordable Housing (Transfiguration Project)	\$ 250,000.00
• Public Facility Historic Preservation	\$ 1,677,301.00
• HRD Infrastructure (Roosevelt Park)	\$ 150,000.00
• Neighborhood Service Organization (NSO) Public Facility Rehab	<u>\$ 660,000.00</u>
<b>Total</b>	<b>\$ 5,027,301.00</b>

We respectfully request the authorization of this change to amend the CDBG Annual Action Plans for the stated purpose by approval of the attached resolution. This proposed amendment was posted on the City's website and in the Detroit Free Press. Upon City Council's approval, it will be transmitted to HUD. Thank you for your time and consideration.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, The Detroit City Council hereby approves amending the Annual Action Plan to reflect the reprogramming of the Community Development Block

Grant (CDBG) in accordance with the foregoing communication; and

Whereas, The Mayor of the City of Detroit, Michael E. Duggan, is hereby authorized to amend the Annual Action Plan, including all understandings and assurances contained therein to the U.S. Department of Housing and Urban Development (HUD) in accordance with the foregoing communication; and

Whereas, The Housing and Revitalization Department has performed an evaluation of outstanding CDBG funding line items and determined that a strategic reallocation of funding is in order to meet timeliness by May 2, 2021; and

Resolved, That the Budget Director be

and is hereby authorized to increase Appropriation #20541 Pre-Development – Affordable Housing (Marlborough Project) by \$600,000.00; and

Resolved, That the Budget Director be and is hereby authorized to increase Appropriation #20541 Pre-Development – Affordable Housing (Mack Alter Project) by \$190,000.00; and

**Housing and Revitalization Department**

November 16, 2020

Honorable City Council:

Re: Annual HOME, CDBG, NSP Awards. New Awards / Additions to Previous Awards.

The City of Detroit ("City"), through the Housing and Revitalization Department ("HRD"), makes annual funding available for "ready-to-proceed projects" from HOME, CDBG and NSP federal funds allocated to the City through the U.S. Department of Housing and Urban Development ("HUD"). HRD has continued to work closely with HUD to meet required commitment and disbursement deadlines for new and ongoing projects approved by the City.

In support of affordable housing opportunities, HRD is hereby requesting approval to award funding to the following new projects:

1. La Joya Gardens (\$2,500,000.00 in HOME) — \$2,500,000.00 in HOME will be spent on this project at 4000-4060 W. Vernor to construct 53 new rental units with 40 units being affordable.

Additionally, HRD is hereby requesting approval to increase and/or revise funding sources for the following previously approved projects:

1. Clay Center (\$230,523.00 in CDBG-CV) — \$230,523.00 in CDBG-CV funds will be added to this project to cover additional construction costs related to COVID-19 to aid in the construction of 42 affordable units.

2. Brush & Watson — The previous award of \$2,100,000.00 in HOME funding will be reduced to \$1,050,000 in HOME funding. Additionally, \$1,500,000.00 in CDBG funding will be added to this project to due gap financing related to needed project infrastructure improvements.

3. University Meadows (\$392,410.00 in HOME) — \$392,410 in HOME funds will be added to this project to cover additional construction costs.

4. Peterboro Arms (Replace \$536,000.00 in AHD&PF funds with CDBG-CV Funds) — \$536,000.00 in AHD&PF funds will be replaced with CDBG-CV funds due to certain construction costs being attributable to COVID-19.

We hereby request that your Honorable Body adopt the attached resolution that: (1) approves the aforementioned new project funding, (2) approves the aforementioned project funding increases and revised funding sources (3) authorizes the HRD Director, or his authorized

designee, to execute such documents as may be necessary or convenient to complete the transactions.

Respectfully submitted,

DONALD RENCHER

Director

TINA TOLLIVER

Budget Director

By Council Member Tate:

Whereas, The City of Detroit receives an annual allocation of HOME, CDBG and NSP (program income) Development funds from the U.S. Department of Housing and Urban Development ("HUD"), through the Housing and Revitalization Department ("HRD"), for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized HRD's Director to accept and utilize HOME, CDBG and NSP funds according to HUD regulations during the City's annual budgeting process; and Now Therefore Be It

Resolved, That the City Council approves the new and revised allocations for the HOME and CDBG loans and/or grants for developers and/or borrowers as provided for herein and in the attached Exhibit 1: New and Amended 2020 HOME, CDBG and NSP Awards in the amounts indicated and with authorization to vary such new and revised allocation amounts by not more or less than 10% at the discretion of the HRD Director; and Be It Further

Resolved, That HRD will use Appropriation No. 10821 to spend \$2,500,000.00 in HOME funds on the following new project: "La Joya Gardens" — \$2,500,000.00; and Be It Further

Resolved, That HRD will use Appropriation No. 20813 to add \$230,523.00 in CDBG-CV funds on the following existing project: "Clay Center" — add \$230,523.00; and Be It Further

Resolved, That HRD will reduce the \$2,100,000.00 HOME award such that Appropriation No. 10821 will be used to spend only \$1,050,000.00 and will add an award of \$1,500,000.00 from Appropriation No. 20343 for the following existing project: "Brush & Watson" — reduce HOME to \$1,050,000.00 and add \$1,500,000.00 in CDBG; and Be It Further

Resolved, That HRD will use Appropriation No. 10821 to add \$392,410.00 in HOME funds on the following existing project: "University Meadows" — add \$392,410.00; and Be It Further

Resolved, That HRD will reduce the \$536,000.00 AHD&PF award such that AHD&PF funds will not be used and, instead, an increase of \$536,000.00 in CDBG-CV will come from Appropriation No. 20813 for the following existing project: "Peterboro Arms" — reduce AHD&PF to \$0.00 and add \$536,000.00 in CDBG-CV; and Be It Further

Resolved, That the HRD Director, or his authorized designee, is authorized to process, prepare and execute any and all loan and grant documents necessary or convenient to close, secure and use HOME, CDBG and CDBG-CV funds according to HUD regulations and as approved by this resolution; and Be It Finally

Resolved, That the Budget and Finance Directors of the Office of the Chief Financial Officer are hereby authorized to increase the necessary accounts and honor expenditures, vouchers and pay-rolls when presented in accordance with the foregoing communication and standard City procedures.

Re: Request to Accept and Appropriate the 911 Grant Program.

The Michigan State Police has awarded the City of Detroit Police Department with the 911 Grant Program for a total of \$74,200.70. The State share is \$74,200.70 of the approved amount, and there is a required cash match of \$3,905.30. The total project cost is \$78,106.00. The grant period is October 22, 2020 through December 31, 2021.

The objective of the grant is to upgrade the 911 call center equipment. The funding allotted to the department will be utilized to upgrade current infrastructure to implement a new digital system set up so that citizens, first responders, and 911 call-takers can use digital, IP-based, broadband-enabled technologies to coordinate emergency responses.

If approval is granted to accept and appropriate this funding, the appropriation number is 20906, with the match amount coming from appropriation number 00380.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

Re: Request for Authorization to Apply for the Choice Neighborhoods Implementation Grant from the U.S. Department of Housing & Urban Development (HUD).

The Housing & Revitalization Department ("HRD") and Planning & Development Department ("P&DD") request authorization, pursuant to Section 17-4-2 of the Detroit City Code, to submit a Choice Neighborhoods Implementation ("CNI") grant application to the U.S. Department of Housing & Urban Development ("HUD"), in response to a Notice of Funding Availability announced on August 24, 2020 ("NOFA"). The amount of the available grant is Thirty Million Dollars (\$30,000,000.00).

HRD and P&DD intend to submit a CNI grant application to HUD on or before December 16, 2020. The NOFA is a competitive grant that, if awarded, will allow the City to leverage up to \$30,000,000 in federal grant funding to support the transformation of a locally planned and defined geographic area that contains a severely distressed HUD assisted site (the "Greater Corktown Choice Neighborhood"), into a mixed-income, and mixed-use community. Additionally, there is a five percent (5%) matching requirement that must be met in the form of cash or in-kind services that HRD intends to satisfy with Community Development Block Grant and/or HOME funds, subject to applicable underwriting and environmental reviews.

The CNI grant also supports neighborhood improvements and supportive services for residents of the target housing in education, health and workforce development. All of these initiatives will take place within the Greater Corktown Choice Neighborhood boundary. The Greater Corktown Choice Neighborhood is generally bounded by M-10, West Fort St, 8th Street, the Detroit River, Rosa Parks Boulevard, West Lafayette Boulevard, 16th Street, the former Canada Pacific Railway, I-75, Martin Luther King Jr. Boulevard, and Grand River Avenue.

We hereby request that your Honorable Body adopt the attached resolution to authorize HRD and P&DD to apply for the CNI grant. If awarded, a separate resolution will be brought before your Honorable Body to accept the CNI grant and funding.

Honorable City Council:

Re: Property Sale: 13334 Gratiot.

The City of Detroit, Planning and Development Department (“P&DD”) has received an offer from Osborn Neighborhood Alliance, a Michigan Nonprofit Corporation (the “Purchaser”), to purchase certain City-owned real property at 13334 Gratiot (the “Property”) for the purchase price of Ten Thousand and 00/100 Dollars (\$10,000.00).

Purchaser proposes to rehabilitate the building into affordable work spaces. Currently, the property is within a B4 zoning district (General Business District). Purchaser’s proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body

adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU

Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 13334 Gratiot, Detroit, MI (the “Property”), as more particularly described in the attached Exhibit A incorporated herein, to Osborn Neighborhood Alliance (the “Purchaser”) for the purchase price of Ten Thousand and 00/100 Dollars (\$10,000.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City’s Prop-

erty Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) Five Hundred and 00/100 Dollars (\$500.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Community Benefits Provision for Tier 2 Development Project. Godfrey Hotel — Godfrey Detroit Propco, LLC/Oxford Perennial Corktown Propco, LLC.

Godfrey Detroit Propco, LLC ("GD Propco") is undertaking the development of a .64 acre site at 1401 and 1411 Michigan Avenue, Detroit MI that includes 227 key hotel and will span approximately 140,380 SF with a planned 3,865 SF of ground floor restaurant/retail space (collectively the

"Project"). In future development projects, Oxford Perennial Corktown Propco, LLC ("OPC Propco") intends to further develop adjacent sites that will include housing units and a parking garage.

Under the City of Detroit Ordinance 35-16 ("Ordinance"), codified in Chapter 12, Article VIII of the Detroit City Code ("Code"), development projects that qualify as a "Tier 2 Development Project" require developers of such projects to partner with the Planning and Development Department Director to address and mitigate negative impacts that the Tier 2 Development Project may have on the community and local residents are subject to certain community engagement procedures (the "Tier 2 Project Requirements"). Because the Project is expected to incur the investment of \$3 million or more and will require a tax abatement that abates more than \$300,000.00 in City taxes over the term of the abatement, the Project qualifies as a Tier 2 Development Project and is subject to the Tier 2 Project Requirements.

The Project was reviewed by Planning and Development, in consultation with residents, in order to ascertain the community's concerns related to any impacts the Project may have on the surrounding community and the ways by which GD Propco and OPC Propco plan to address those impacts. GD Propco and OPC Propco have agreed to address the concerns raised during its Project discussions with P&DD and during approximately 6 public meetings and hearings by entering into that certain "Community Benefits Agreement (Godfrey Hotel)" that is included as Exhibit A to the attached resolution (the "Agreement").

We hereby request that your Honorable Body adopt the attached resolution that approves the Agreement in furtherance of the Project.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore Be It

Resolved, That the "Community Benefits Agreement (Godfrey Hotel)" attached hereto as Exhibit A (the "Agreement") is hereby approved, and be it further

Resolved, That the P&DD Director, or his authorized designee, is hereby authorized to execute the Agreement; and be it finally

Resolved, That the Agreement will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

**EXHIBIT A  
COMMUNITY BENEFITS AGREEMENT  
(Godfrey Hotel)**

This Community Benefits Agreement ("Agreement") is entered into as of its

Effective Date, as hereinafter defined, by and between the City of Detroit (“City”), a Michigan municipal corporation acting through its Planning and Development Department (“P&DD”), Godfrey Detroit Propco, LLC (“Developer”), a Delaware limited liability company with offices at c/o Hunter Pasteur Homes LLC, 32300 Northwestern Highway, Suite 230, Farmington Hills, MI 48334, and Oxford Perennial Corktown Propco, LLC (“Oxford Propco”), a Delaware limited liability company with offices at c/o Hunter Pasteur Homes 32300 Northwestern Highway, Suite 230, Farmington Hills, MI 48334. The City and the Developer may each be referred to herein as a “Party” or collectively as the “Parties”, as applicable.

**RECITALS**

Whereas, Developer is undertaking the redevelopment of that certain property in the City of Detroit located at 1401 and 1411 Michigan Avenue, Detroit, MI (the “Property”), as further described in the attached Exhibit A that is incorporated herein by reference, to construct a new seven-story boutique hotel (the “Project”); and

Whereas, Oxford Propco, a company affiliated with Developer, has purchased certain parcels of property and intends to purchase certain additional parcels of property (hereinafter described) to be used by Developer for purposes that will benefit the Project; and

Whereas, Under City of Detroit Ordinance No. 35-16 (“Ordinance”), codified in Chapter 12, Article VIII of the Detroit City Code, certain development projects referred to therein as “Tier 2 Development Projects” require developers of such projects to: (1) partner with the City, and when appropriate, a workforce development agency to promote the hiring, training, and employability of Detroit residents consistent with state and federal law and (2) partner with the P&DD Director to address and mitigate negative impacts that the Tier 2 Development Project may have on the community and local residents (together the “Tier 2 Project Requirements”); and

Whereas, Because the Project is expected to incur the investment of \$3 million or more and will require a tax abatement that abates more than \$300,000.00 in City taxes over the term of the abatement, the Project qualifies as a Tier 2 Development Project and is subject to the Tier 2 Project Requirements; and

Whereas, Developer, Oxford Propco and the CITY desire to enter into this Agreement to solidify the Developer’s commitment to address and mitigate certain identified impacts of the Project per the Tier 2 Project Requirements; and

Now Therefore, the City, Developer and Oxford Propco agree as follows:

1. BACKGROUND. Per the Ordinance,

Developer and P&DD have partnered to review any negative impacts that the Project may have on the community and local residents. As part of such review, P&DD has determined that the Project’s identified on-site parking solution to accommodate the 170 parking spaces for the new hotel required by applicable zoning laws will create a negative impact on the surrounding neighborhood. Alternatively, P&DD further finds that creating multiple surface parking lots in the neighborhood, which is adjacent to the Central Business District, may not be the highest and best use of such property in the neighborhood. To meet the parking requirements of the Project while mitigating impacts to the neighborhood, Developer and P&DD have agreed that the Developer will utilize 2 off-site surface parking lots to accommodate the required 170 parking spaces needed for the Project. The offsite surface parking lots are, or will be, owned by Oxford Propco.

2. DEVELOPER OBLIGATIONS & REQUIREMENTS.

A. Developer shall lease from Oxford Propco, and Oxford Propco shall lease to Developer, the following 2 off-site surface parking lots for use by the Project:

- (i) “Lot 1” — certain property at or near Church and Trumbull that is currently permitted for surface parking and owned by Oxford Propco.
- (ii) “Lot 2” — certain property at or near Leverette and Eighth Street that is currently permitted for surface parking and to be purchased by Oxford Propco by October 1, 2023.

B. LOT 1 PARKING GARAGE. Within 18 months from the issuance of the building permit for the Project, and subject to the approval of the garage by the City of Detroit Historic District Commission, Oxford Propco shall begin to construct a parking garage on Lot 1. If construction of a new parking garage does not begin within such 18 month period, Lot 1 shall be improved by Oxford Propco to meet applicable Detroit City Code and Detroit Zoning Ordinance standards, as well as meet plan review and approval from P&DD and the City’s Buildings, Safety Engineering and Environmental Department (“BSEED”). Prior to the expiration of the 18 month period, Lot 1 may continue to operate as a parking lot in its current unimproved condition. For the purposes of this Agreement, the building permit shall be deemed to be “issued” when all of the following have occurred: (i) the City has approved Developer’s application for the building permit; (ii) the building permit is made available for Developer to obtain from the City; and (iii) Developer has paid the fee to issue the building permit and obtained it from the City.

C. LOT 2 PARKING GARAGE. Within 3 years from the issuance of the building permit for the Project, Oxford Propco shall either:

(i) Improve Lot 2 to meet applicable Detroit City Code and Detroit Zoning Ordinance standards, as well as meet plan review and approval from P&DD and BSEED; or

(ii) Complete construction of a parking garage on Lot 1 or start construction of a building on Lot 2.

Such 3 year period may be extended by 1 year at the sole discretion of P&DD, provided that Oxford Propco has submitted an application for site plan approval for a future new building on Lot 2 prior to the expiration of the 3 year period.

For further clarification, if a new parking garage is constructed on Lot 1 or construction commences on a new building on Lot 2 before the 3 year deadline, there is no further requirement that Oxford Propco improve Lot 2 as provided in Section 2. C. (i) above to accommodate the Project.

Prior to the expiration of the 3 year period, Lot 2 may continue to operate as a parking lot in its current unimproved condition.

For the purposes of this Agreement and specifically this Section 2. C., the terms "begin construction," "commence construction," or similar terms shall mean activity on Lot 1 and/or Lot 2 by Oxford Propco which signifies an intent to start construction (e.g., mobilization of equipment or a construction trailer at the site or site demolition of existing conditions).

D. **COMMUNITY ENGAGEMENT.** Since the inception of the Project, Developer has engaged in six community meetings regarding these Tier 2 Project Requirements and four public hearings before the Effective Date in conformity with City Requirements.

3. **ADDITIONAL REQUIREMENTS.**

A. Developer shall provide 170 parking spaces for the Project which are intended to be located in the garage to be built on Lot 1.

B. The building permit for the Project shall be separate from the building permit(s) for any work conducted on Lot 1 and/or Lot 2 and shall not be conditioned on the application for an issuance of a building permit for Lot 1 and/or Lot 2. Work completed on the Project shall receive a separate certificate of occupancy from any work that may be completed on Lot 1 and/or Lot 2. Notwithstanding anything to the contrary contained herein, should Oxford Propco fail to acquire Lot 2 for any reason, Developer shall provide a duly executed and recorded shared parking agreement for 170 parking spaces for the Project prior to the City's issuance of a certificate of occupancy for the Project.

C. Developer shall not be in default and shall not be subject to any fine or penalty if Oxford Propco fails to complete any of the obligations imposed on Oxford Propco under Section 2, specifically, or any other Sections of this Agreement. Except for the requirements of Section 3. B. herein, the

certificate of occupancy for the Project shall not be conditioned upon any work or improvements of Lot 1 and/or Lot 2, or Oxford Propco's performance of its obligations under this Agreement.

D. Oxford Propco shall receive from the City a temporary certificate of occupancy and permit to allow the full operation of business on Lot 1 and Lot 2 up to the end of the respective deadlines set forth in Sections 2. B. and C. of this Agreement. Any such temporary status will expire at the end of the 18 month period for Lot 1 and the 3 year period for Lot 2 set forth in Sections 2. B. and 2. C. Further, a final certificate of occupancy shall be granted to Oxford Propco when the respective improvements outlined in Sections 2. B. and C. of this Agreement are made consistent with applicable law.

E. The site plan approval process for the Project shall be separate from the site plan approval process of Lot 1 and Lot 2.

F. Any parking garage constructed on Lot 1 shall have 170 parking spaces to accommodate the legal parking requirements for the Project and may be used by Developer and Oxford Propco to accommodate parking requirements for any other developments in the geographic area of the Project as allowed by law.

G. The Parties agree that off-site parking at Lots 1 and 2 for the Project is ancillary not accessory, as such terms are defined in the Detroit Zoning Ordinance.

H. Developer shall administer a 12-month community engagement strategy to provide the public with the details and progress of the development of parking spaces for the Project, including development and use of Lot 1 and Lot 2. Such strategy shall be reviewed and approved by P&DD prior to the Developer's implementation of the strategy.

4. Developer and the City each designate the following official representative, or such other designee as each party may identify from time to time to the other's official representative, for purposes of administering the terms of this Agreement:

A. City's Official Representative is:

City of Detroit, Planning & Development Department  
2 Woodward, Suite 808

Attn: Seth Herkowitz  
Email address:  
[seth@hunterpasteurhomes.com](mailto:seth@hunterpasteurhomes.com)

5. Upon written request from the City's Official Representative, Developer will provide the City, but not more often than semi-annually, with a summary of the actions taken by Developer in compliance with Sections 1 through 2 of this Agreement.

6. In the event that the City believes that Developer and/or Oxford Propco have not materially complied with either of their obligations hereunder, the City's Official Representative shall notify the Developer's and Oxford Propco's Official Representatives in writing (which may be by e-mail) of the specific acts or omissions of the party causing such non-compliance. The Official Representatives of all parties shall meet and shall use their best efforts to work together to resolve the issues of which the City's Official Representative notified Developer's and Oxford Propco's Official Representatives. If the issues of which Developer's and Oxford Propco's Official Representatives were notified have not been resolved within thirty (30) calendar days of Developer and Oxford Propco's Official Representatives' receipt of the City's Official Representative's notice, the City may enforce the penalties outlined in Section 7. of this Agreement, as well as exercise the City's rights in accordance with applicable law.

7. If any default of this Agreement remains unresolved after the efforts stated in Section 6. of this Agreement or any other extended time period that may be granted by City, then Oxford Propco shall be subject to the following penalty:

For every parking space less than the required 170 parking spaces for the Project that is not available to Developer on Lot 1 and/or Lot 2, Oxford Propco shall pay the City the lesser of: (1) a one-time fee of \$4,000 per space that is less than 170; or (2) the entire cost to design and construct 170 parking spaces for the Project.

8. This Agreement is an agreement approved by the City Council within the meaning of Section 12-8-4(b) of the Detroit City Code. Any requirements of Developer to promote the hiring, training, and employability of Detroit residents as part of the Tier 2 Project Requirements shall be contained in a separate tax abatement certificate agreement.

9. This Agreement will become effective upon approval by Detroit City Council (the "Effective Date"). This Agreement may only be amended by a written instrument executed by the parties hereto that has received separate approval by the Detroit City Council.

Honorable City Council:

Re: Option to Acquire Greater Corktown Choice Neighborhood Properties Choice Neighborhoods Implementation Grant.

The Housing and Revitalization Department and Planning and Development Department (“P&DD”) have requested authorization from this Honorable Body to submit a Choice Neighborhoods Implementation grant application to the U.S. Department of Housing & Urban Development in the amount of Thirty Million and 00/100 Dollars (\$30,000,000.00) (the “CNI Grant”). The CNI Grant will help finance several development projects within an identified area referred to as the “Greater Corktown Choice Neighborhood” that is generally bounded by M-10, West Fort Street, 8th Street, the Detroit River, Rosa Parks Boulevard, West Lafayette Boulevard, 16th Street, the former Canada Pacific Railway, I-75, Martin Luther King Jr. Boulevard and Grand River Avenue.

As part of the CNI Grant, the City has partnered with 20th Street Properties (“Ford”), a wholly owned subsidiary of Ford Motor Company, and The Community Builders, Inc. (“TCB”) to construct a mixed-income, mixed-use development that includes approximately 150 residen-

tial units within the Greater Corktown Choice Neighborhood (the “Corktown Project”). Under this Corktown Project, Ford will transfer certain properties it owns within the neighborhood (“Ford Properties”) to TCB to construct the development. It is also anticipated that the City will make certain public improvements to identified road segments and public rights-of-way as part of the project.

In the event that TCB cannot complete the proposed development for any reason, the City shall retain an option to acquire the Ford Properties. This will allow the City to hold the Ford Properties until an alternative developer can be selected to complete the Corktown Project.

In support of the CNI Grant and the Greater Corktown Choice Neighborhood projects, we hereby request that your Honorable Body adopt the attached resolution to authorize P&DD to accept an option to acquire the Ford Properties in the event that TCB cannot complete the Corktown Project.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, The U.S. Department of Housing and Urban Development has established the Choice Neighborhoods Implementation Grant (“CNI Grant”), which is a competitive grant that allows local communities to leverage up to \$30,000,000 in federal grant funding to support the transformation of a locally planned and geographic area inclusive of a severely distressed housing site into a vibrant, mixed-income, and mixed-use community; and

Whereas, The City of Detroit (“City”) has selected the area located within the boundary of M-10, the Detroit River, 16th Street, the former Canada Pacific Railway, I-75, Martin Luther King Jr. Boulevard, Rosa Parks Boulevard, and Grand River Avenue (the “Greater Corktown Choice Neighborhood”) as the designated area that will be revitalized with anticipated CNI Grant funding; and

Whereas, The City has partnered with 20th Street Properties (“Ford”), a wholly owned subsidiary of Ford Motor Company, and The Community Builders, Inc. (“TCB”) to construct a mixed-income, mixed-use development that includes approximately 150 residential units within the Greater Corktown Choice Neighborhood (“Corktown Project”); and

Whereas, Under this Corktown Project, Ford will transfer those certain properties it owns within the Greater Corktown Choice Neighborhood (“Ford Properties”), as more specifically defined in the attached Exhibit A that is incorporated herein by reference, to TCB to construct the development; and Now, Therefore, Be It

Resolved, That Detroit City Council hereby authorizes the Planning & Development Department ("P&DD") to accept an option to acquire the Ford Properties in the event that TCB cannot complete the Corktown Project (the "Option"); and Be It Further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments and agreements to accept the Option and to make and incorporate technical amendments or changes to the legal descriptions of the Ford Properties in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to acceptance of the Option; and Be It Further

Resolved That in order for the City to acquire the Ford Properties under the Option, the City must first: (1) conduct an environmental inquiry of the Ford Properties and, if required an environmental assessment, as reviewed by the Buildings, Safety Engineering and Environmental Department and (2) seek additional approvals and findings by Detroit City Council consistent with Chapter 2, Article VI, of the Detroit City Code.

**Planning and  
Development Department**

November 3, 2020

Honorable City Council:

Re: Property Sale by Development Agreement. Corktown Properties.

The City of Detroit ("City"), Planning and Development Department ("P&DD") has received an offer from The Community Builders, Inc. ("Developer"), a Massachusetts nonprofit corporation, to purchase certain City-owned real property within an identified area that is generally bounded by M-10, West Fort Street, 8th Street, the Detroit River, Rosa Parks Boulevard, West Lafayette Boulevard, 16th Street, the former Canada Pacific Railway, I-75, Martin Luther King Jr. Boulevard and Grand River Avenue (collectively the "Properties") for the purchase price of Two Hundred Twenty Five Thousand and 00/100 Dollars (\$225,000.00).

The Developer proposes to construct a mixed-income, mixed-use development with approximately 250 affordable rental units, more or less, on the Properties ("Development Project"). The Development Project is part of the City's Choice Neighborhoods Implementation grant application to the U.S. Department of Housing & Urban Development ("HUD") that, if received, will provide Thirty Million and 00/100 Dollars (\$30,000,000.00) in federal funds towards improving a severely distressed HUD assisted site. The Developer's proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned.

We hereby request that your Honorable Body adopt the attached resolution to authorize the P&DD Director, or his authorized designee, to execute a development agreement, deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to the Developer.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves the sale by development agreement of those certain City-owned properties more particularly described in the attached Exhibit A incorporated herein (collectively the "Properties") to The Community Builders, Inc. ("Developer"), a Massachusetts nonprofit corporation, for the purchase price of Two Hundred Twenty Five Thousand and 00/100 Dollars (\$225,000.00) ("Purchase Price"); and be it further

Resolved, That the Director of the Planning and Development Department ("P&DD"), or his authorized designee, is authorized to execute a development agreement and issue one or more quit claim deeds for the sale of the Properties, as well as execute such other documents as may be necessary or convenient to effect the transfer of the Properties to Developer for the Purchase Price; and be it further

Resolved, That transfer of the Proper-

ties to Developer may occur in one or more separate closings, provided that the quit claim deed for each respective closing shall reflect consideration being the pro-rata share of the Purchase Price based on the square footage being conveyed by the respective quit claim deed; and be it further

Resolved, That the development agreement shall obligate Developer to cause a mixed-income, mixed-use development to be constructed on the Properties; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the development agreement and/or quit claim deed (including but not limited to corrections to or confirmations of legal descriptions of the Properties, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it further

Resolved, That the development agreement and quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

5. Submitting reso. autho. Request authorization to appropriate excess revenues for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program. **(Each year, the Michigan Department of Education (MDE) awards the City of Detroit General Services Department with the Summer Food Service Program Grant and the Child and Adult Care Food Program Grant. If an emergency school closure is needed due to a natural disaster, pandemic or other unanticipated event, the MDE awards the Unanticipated School Closure Food Program Grant. The State reimburses the City on a per meal basis. In order to implement the program and prepare accordingly, the General Services Department requires a consistent stream of revenue in the annual adopted budget or through a council approved resolution. We are requesting authorization to transfer excess revenues from adopted budget and council authorized appropriations for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program into appropriation number 20773. We are also requesting to transfer remaining budget balances into appropriation number 20773.)**

6. Submitting reso. autho. Request to accept an increase in appropriation for the FY 2020 Summer Food Service Program. **(The Michigan Department of Education (MDE) has awarded an increase in appropriation to the City of Detroit General Services Department for the FY 2020 Summer Food Service Program, in the amount of \$1,100,000.00. There is no match requirement. The total increase is \$1,100,000.00. On October 12, 2020, the MDE extended the FY 2020 Summer Food Service Program through the end of the 2020-2021 school year. The last official date of the program is now June 30, 2021.)**

This increase was awarded based on projections by the Michigan Department of Education that showed that this program year will have dramatically greater demand than previous years due to this extension and due to the COVID-19 pandemic. This funding will increase appropriation 20615, previously approved in the amount of \$1,400,000.00, by council on June 16, 2020, to a total of \$2,500,000.00. This request is the second program increase for this program year.)

The Federal share is \$7,499,624.00 of the approved amount, and there is a required cash match of \$7,335,479.00. The total project cost is \$14,835,103.00. The match will be provided by various City and partner agency sources. The Department of Public Works will provide \$2,250,000.00 in cash match and \$43,881.00 in in-kind match. The Office of Mobility will provide \$234,829.00 in in-kind match. The John S. and James L. Knight Foundation will provide \$1,041,000.00 in cash match through the existing Knight Innovative Mobility Grant. The remainder of the match will be provided by third party (non-City) sources.)**

14. Submitting reso. autho. Request to accept an increase in appropriation for the State Planning and Research Grant. (The Michigan Department of Transportation (MDOT) has awarded an increase in appropriation to the City of Detroit Department of Public Works for the State Planning and Research Grant, in the amount of \$300,000.00. There is no match requirement. The total increase is \$300,000.00, bringing the total MDOT award amount to \$1,000,000.00. When this grant was first awarded, the Detroit Transportation Corporation (DTC) also contributed \$325,000.00 to the project through grant funds awarded by the Southeast Michigan Council of Governments (SEMCOG). Therefore, the total project cost is now \$1,325,000.00. This funding will increase appropriation 20634, previously approved in the amount of \$1,025,000.00, by council on May 19, 2020, to a total of \$1,325,000.00. This amendment is the second award increase for this grant.)

15. Submitting reso. autho. Correction for Request to Accept and Appropriate the FY 2021 COVID-19 Infection Prevention Grant. (The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 COVID-19 Infection Prevention Grant for a total of \$337,500.00. There is no match requirement. The total project cost is \$337,500.00. The original resolution authorized the use of appropriation number 20853 in order to accept the funds. We are requesting to correct the acceptance of this grant and appropriate the funds into appropriation number 20924.)

16. Submitting reso. autho. Request to Accept and Appropriate the FY 2021 SEMCOG Pass-through Grant for the Mexicantown Multilingual Wayfinding and Welcome Signage Project. (The Southeast Michigan Council of Governments (SEMCOG) has awarded the City of Detroit Department of Public Works with the FY 2021 SEMCOG Pass-through Grant for the Mexicantown Multilingual Wayfinding and Welcome Signage Project for a total of \$32,740.00. The funder share is \$32,740.00 of the approved amount, and there is a required match of \$7,260.00. The total project cost is \$40,000.00. This grant was awarded to the department in partnership with the Southwest Detroit Business Association (SDBA). The SDBA will provide the total match and therefore, there is no City match required. The grant period is November 1, 2020 through October 31, 2021.)

17. Submitting reso. autho. Request to accept an increase in appropriation for the Coronavirus Relief Fund (CRF) –

Contact Tracing Grant. (The Michigan Department of Health and Human Services has awarded an increase in appropriation to the City of Detroit Health Department for the Coronavirus Relief Fund (CRF) – Contact Tracing Grant, in the amount of \$180,000.00. There is no match requirement. The total increase is \$180,000.00. This funding will increase appropriation 20863, previously approved in the amount of \$1,349,999.00, to a total of \$1,529,999.00. The final approved appropriation, which was 20863, was submitted to council as a correction to the original approved resolution, which was approved on September 22, 2020.)

Re: Marwood Marston 2020 Limited Dividend Housing Association Limited Liability Company — Payment in Lieu of Taxes (PILOT).

Honorable City Council:  
Develop Detroit has formed Marwood Marston 2020 Limited Dividend Housing Association Limited Liability Company in order to develop the Project known as Marwood Apartments. The Project is the historic rehabilitation and expansion of an existing housing project consisting of the rehabilitation of fifty-nine (59) units and twelve (12) units of new construction in an area bounded by Mount Vernon on the north, John R on the east, Marston on the south and Woodward on the west.

The completed Project will include ten (10) studio, forty-four (44) 1 bed/1 bath, five (5) 2 bed/2 bath, six (6) 2 bed/2 bath apartments and six (6) 2 bed/2.5 bath townhomes.

A tax-exempt bond construction loan in the amount of \$9,065,411, a permanent mortgage loan in the amount of \$5,060,495 and a Housing Trust Fund Subsidy Loan in the amount of \$2,948,980 will be provided by the Michigan State Housing Development Authority (“MSHDA”). Insite Capital will make Capital Contributions of \$6,244,238 which includes the purchase of Low Income Housing and Federal Historic Tax Credits. The City of Detroit will provide a HOME Investor Loan in the amount of \$1,600,000. Additionally, the Sponsor has agreed to defer up to \$1,026,268 of the developer fee.

Rents for all units have been set at or below eighty percent (80%) of the area median income, adjusted for family size and will be subject to Low Income Housing Tax Credit rent and income restrictions. All seventy-one (71) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (PA 346 as amended, MCL 125.1415A).

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this housing project.

Respectfully submitted,  
ALVIN HOHRN  
Deputy CFO/Assessor

By Council Member Ayers:

Whereas, Pursuant to the provisions of the Michigan State Housing Development Act, Act 346 of the Public Acts of 1966, as amended, being MCL 125.1401 *se seq.* (the "Act"), a request for exemption from property taxes has been received on behalf Develop Detroit (the "Sponsor");

Whereas, A housing project as defined in the Act is eligible for exemption from property taxes under Section 15a of the Act (MCL 125.1415a) if the Michigan State Housing Development Authority ("MSHDA") provides funding for the housing project, or if the housing project is funded with a federally-aided mortgage as determined by MSHDA; and

Whereas, Section 15a of the Act (MCL 125.1415a) provides that the local legislative body may establish by ordinance the service charge to be paid in lieu of taxes, commonly known as a PILOT; and

Whereas, The City of Detroit has adopted Ordinance 9-90, as amended, being Sections 18-9-10 through 18-9-16 of the Detroit City Code to provide for the exemption from property taxes of eligible housing projects and to provide for the amount of the PILOT for said housing projects to be established by resolutions of the Detroit City Council after review and report by the Board of Assessors; and

Whereas, The Sponsor is proposing to undertake the rehabilitation and expansion of an existing housing project to be known as Marwood Apartments consisting of the rehabilitation of fifty-nine (59) units and twelve (12) units of new construction in three (3) buildings located on six (6) parcels of property owned or to be acquired by the Sponsor as described by street address and tax parcel in Exhibit A to this resolution, with seventy-one (71) units for low and moderate income housing (the "Project"); and

Whereas, The purpose of the Project is to serve low to moderate income persons as defined by Section 15a(7) of the Act, being MCL 125.1415a(7); and

Whereas, MSHDA has provided notice to the Sponsor that it intends to approve federal-aided financing for the Project, provided that the Detroit City Council adopts a resolution establishing the PILOT for the Project; and

Whereas, Pursuant to Section 15a of the Act, being MCL 125.1415a(1), the tax exemption is not effective until the Sponsors first obtain MSHDA certification that the housing project is eligible for exemption, and files an affidavit, as so certified by MSHDA, with the Board of Assessors; and

Whereas, Pursuant to Section 18-9-13(G) of the Detroit City Code, the tax exemption shall be effective on adoption, with the tax exemption and PILOT payment to occur only upon bona fide use and physical occupancy by persons and

families eligible to move into the project, in accordance with the Act, which must occur as of December 31 of the year preceding the tax year in which the exemption is to begin;

Resolved, That in accordance with City Code Section 18-9-13, the Project known as Marwood Apartments as described above is entitled to be exempt from taxation but subject to the provisions of a service charge of four percent (4%) for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended, being MCL 125.1401, *et seq.*; and Be It Further

Resolved, That arrangements to have collections of a payment in lieu of taxes from the Sponsor be established upon occupancy for future years with respect to the same be prepared by the Office of the Chief Financial Officer; and Be It Further

Resolved, That specific legal description for the Project shall be as set forth in the certification from MSHDA; and Be It Further

Resolved, That in accordance with Section 15a(3) of the Act, MCL 125.1415a(3), the exemption from taxation shall remain in effect for as long as the MSHDA-aided or Federally-aided financing is in effect, but not longer than fifty (50) years, and shall terminate upon the determination by the Board of Assessors that the Project is no longer eligible for the exemptions; and Be It Further

Resolved, That the City Clerk furnish the Office of the Chief Financial Officer — Office of the Assessor two certified copies of this resolution; and Be It Further

Resolved, That this resolution is adopted with a waiver of reconsideration.

Re: Savannah-Wilshire Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT) — Amended.

In July of 2020, a request for a PILOT Resolution was submitted to your Honorable Body for the above development. The investor has determined that due to a technical tax issue, the Sponsor must form a new ownership entity. We are therefore requesting that a revised Resolution be approved to change the name of the owner entity to Savannah-Wilshire 2020 Limited Dividend Housing Association LLC. We have also updated the financing amounts in the resolution due to new information.

Honorable City Council:

Re: Savannah-Wilshire Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT) — Amended.

Southwest Housing Solutions Corporation has formed Savannah-Wilshire 2020 Limited Dividend Housing Association LLC in order to develop the Project known as Savannah-Wilshire. The Project consists of forty (40) existing family units located in two (2) three and one-half story buildings in an area bounded by Shady Lane on the north, 25th Street on the

east, West Lafayette Boulevard on the south and West Grand Boulevard on the west. The Historic Rehabilitation Project will include twenty-eight (28) 1 bedroom/1 bath, two (2) 2 bedroom/1 bath and ten (10) studio apartments.

A tax-exempt bond construction loan in the amount of \$4,041,212, a permanent mortgage loan in the amount of \$1,590,855 and a HOME Loan in the amount of \$1,235,529 will be provided by the Michigan State Housing Development Authority ("MSHDA"). Two existing City of Detroit HOME loans are to be combined, reduced to \$800,000 and assumed by this new entity. Cinnaire will make Capital Contributions of \$3,025,316 which includes the purchase of Federal Historic and Low Income Housing Tax Credits. The new entity's Managing Member will provide a loan in the amount of \$450,000. Additionally, the Sponsor has agreed to defer \$462,358 of the developer fee.

Rents for all units have been set at or below sixty percent (60%) of the area median income, adjusted for family size. All residents will contribute only thirty percent (30%) of their adjusted gross income towards the rent amount. All forty (40) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A).

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this housing project.

Honorable City Council:

Re: Robert Thomas Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT).

Heyward Dortch formed Robert Thomas Limited Dividend Housing Association Limited Partnership in order to operate the Project known as Robert Thomas Apartments. The original mortgage expired and terminated the PILOT agreement with the City. The Project is an existing forty-nine (49) apartment unit building located in an area bounded by Kay on the north, Yosemite on the east, Grand River Avenue on the south and West Chicago on the west.

Robert Thomas Apartments consists of forty-seven (47) 1 bedroom/1 bath and two (2) 2 bedroom/1 bath apartments supported by a nearby parking lot. The exterior site improvements will not result in a rent increase for the existing tenants.

A 15-year mortgage loan in the amount of \$30,250 will be provided by Nardin Park Nonprofit Housing and Community Development Corporation. Michigan State Housing Development Authority ("MSHDA") has confirmed that the Project is still active in the Low Income Housing Tax Credit (LIHTC) program and verifies continuing eligibility.

In accordance with the tax criteria for award of reservation of LIHTC at least ten (10) of the units must be occupied by households having incomes no greater than fifty percent (50%) of the area median income (AMI), adjusted for family size. The remaining thirty-nine (39) units must be occupied by households with incomes that do not exceed sixty percent (60%) of the AMI. These income restrictions will be in effect for the longer of the period the Affordable Housing Restrictions apply or the time required under the Tax Credit program. All forty-nine (49) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A). Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of nine percent (9%) of the annual net shelter rent obtained from this housing project.

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of a 214-unit multi-family residential building located at 1249 Washington Blvd. in the Innovative Acquisitions LLC Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application for a Neighborhood Enterprise Zone

(NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of a 214-unit multi-family residential building located at 1249 Washington Blvd. The overall project will rehabilitate the historic building and transform it into a mixed-use development, including retail, office and hospitality on the lower floors and residential on the upper floors. Although the project will create 229 total units, this petition applies solely to the rehab of the ninth through twelfth (9-12) and fifteenth through thirty-sixth (15-36) floors of the building to create 214 residential apartment units.

The subject property has been confirmed as being within the boundaries of the Innovative Acquisitions LLC NEZ which was established by a vote of Council on November 14, 2017, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost of the project is approximately \$143,589,208.80, or \$670,977.62 per unit. The applicant is seeking a 15-year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of a multi-family 24-unit residential property located at 7610-7436 Kercheval Avenue in the Islandview Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of a multi-family residential 24-unit property located at 7610-7436 Kercheval Avenue. These applications correspond to a qualified site which will accommodate the development project. The development will have a total of 24 rental apartments. Eight of these will be two-bedroom units (approx. 1,000 sq. ft. each) and the remaining 16 will be one-bedroom units (approximately 700 sq. ft. each).

The developer has indicated that, having discussed this matter with several stakeholders, they have offered to make a more aggressive contribution to affordable housing in the greater neighborhood, rather than solely in this development. Instead of setting aside 5 units within this development, the developer has agreed to renovate 5 larger units in the same Islandview neighborhood. These units are comprised of a 4-bedroom single family home and two two-family houses i.e. 5 dwellings in total. The rents at these units have been set at deeper affordability levels of 75%, 70% and 60% of AMI. This strategy has been explained to various City departments and has been well-received by the Department of Neighborhoods and the Housing and Revitalization Department.

The subject property has been confirmed as being within the boundaries of the Islandview NEZ which was estab-

lished by a vote of Council on May 1, 2006, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost of the project is approximately \$158,988.00 per unit. The applicant is seeking a 15-year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of a multi-family residential building consisting of 7 apartments located at 5764 Woodward Avenue in the Woodward/Brush/Hendrie/Ferry Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL) — (Corrected Report)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of a multifamily residential building consisting of 7 apartments located at 5764 Woodward Avenue. This application corresponds to a qualified site which will accommodate the continuation of a multi-family residential building. The project will include the complete rehabilitation of 7 apartment units at a cost of \$53,978 per unit.

The subject property has been confirmed as being within the boundaries of the Woodward/Brush/Hendrie/Ferry NEZ which was established by a vote of Council on July 24, 2001, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost for the total rehabilitation of the complex is approximately \$378,000.00. The applicant is seeking a 15-year tax abatement.

The NEZ certificate applications appear to have been submitted after the issuance of applicable building permits. The building permits show that the permits were issued on March 11, 2020 and the applications were filed with the City of Detroit Clerk's office on April 16, 2020. MCL 207.774 states the application must be filed before a building permit is issued or as otherwise provided by the local governmental unit by resolution if the application is filed not later than 6 months following the date the building permit is issued.

In order to proceed the City of Detroit would have to approve a resolution which contains language that approves the submission of the application after the issuance of the building permit, however, no later than 6 month following the date the building permit was issued.

**RESOLUTION RECOGNIZING HOMEOWNERS AFFECTED BY PROPERTY TAX OVER-ASSESSMENT 2010 THROUGH 2013**

By Council Member Ayers:

WHEREAS, A significant number of Michigan homeowners saw the value of their homes decline during the Great Recession; and

WHEREAS, Due to the swift decline in home values, a significant number of Michigan homeowners, and a large number of Detroiters, received property tax assessments in the years 2010-2013 that were likely in excess of the actual market value of the houses; and

WHEREAS, The gap between home prices and property assessments was largely closed in 2014; and

WHEREAS, Many homeowners successfully appealed those assessments, many did not; and

WHEREAS, To correct past deficiencies, the City of Detroit completed a City-wide reappraisal and provided the Office of the Assessor with nearly a 50% increase in staff, new technology, and proper training and credentialing; and

WHEREAS, Under the Detroit City Council's leadership, an amendment to the Detroit City Code that requires an appraisal of all residential property in the city every five years; and

WHEREAS, A number of programs over the years have attempted to offset the expense of these assessments, including the recent Pay As You Stay (PAYS) legislation Michigan adopted earlier this year; and

WHEREAS, There likely remains individuals who likely would have successfully won an appeal of their assessments

had they been filed, and whose appeals rights have expired; and

NOW THEREFORE BE IT

RESOLVED, To help offset any loss suffered, anyone who owned a house that served as their primary residence between 2010 and 2013 shall receive preferences in 8 city programs, which preferences will remain in effect through December 31, 2024; and

RESOLVED, Affected Homeowner Eligibility will be according to Assessor's records. If an applicant believes he/she was the owner and the Assessor's records are incorrect, the Assessor may use documents other than the property transfer affidavit to verify the applicant's ownership such as a direct relationship to the deed holder and proof that the applicant has been paying utilities for at least a year; and

RESOLVED, Affected Homeowners will receive 50% off any auction house purchased from the Detroit Land Bank Authority. An eligible applicant purchasing a house through a DLBA auction can receive a 50% discount off the price of the property, similar to the preference currently offered to city employees. The City anticipates an increase of thousands of houses being auctioned in the next four years if the Neighborhood Improvement Plan bond issue passes and the city invests \$10,000-\$15,000 per house to secure vacant homes. The applicant may exercise the 50% discount option one time; and

RESOLVED, Affected Homeowners will receive 50% off any eligible lot that qualifies under the DLBA sidelot program. For any sidelots the applicant is eligible to purchase under the DLBA sidelot program related to any house the applicant currently owns or any house they acquire in the future during the program period, the applicant can receive a 50% discount on all sidelots purchased. The applicant may exercise the 50% discount option one time; and

RESOLVED, Affected Homeowners will receive Preference in hiring for City employment. The City of Detroit currently employs more than 8,000 full time staff and hires approximately 1,000 new employees a year. City residents currently get 15 points added to their job applications to prioritize the hiring of Detroit citizens. Applicants from the Affected Homeowner program will get 10 points added to City job application score as affected homeowners, which will be in addition to any other points they would otherwise receive; and

RESOLVED, Affected Homeowners will receive preferential access to Detroit at Work job search and career services. Detroit at Work will seek to send special notice of all Detroit at Work programs to eligible Affected Homeowners. Those

Affected Homeowners who apply to a Detroit at Work program will be assigned to a specially designated career coach who is aware of other non-workforce program components and can help residents leverage multiple programs to help them achieve their career goals; and

RESOLVED, Affected Homeowners will receive preferential access to summer jobs through Grow Detroit's Young Talent (GDYT): In the annual enrollment for summer jobs through GDYT, 14-24 year old children and grandchildren of eligible applicants can receive priority access and placement. GDYT youth who complete their application during each year's sign-up program will be given preference to make sure they are placed in a slot that summer; and

RESOLVED, Affected Homeowners will receive preferential enrollment in the city's Rehab Academy: As part of the city's efforts to help Detroiters purchase and fix up vacant houses, the city will establish a Rehab Academy. Administered by the Bridging Neighborhoods Program, the Detroit Land Bank Authority and the Housing and Revitalization Department, the Rehab Academy will provide training for Detroiters to successfully identify necessary repairs, manage contracts, access educational tutorials and technical assistance, and complete the renovation process. Prior to each session, the City will first offer a one-week enrollment period exclusively for Affected Homeowners under this program, before then opening enrollment to other residents of Detroit; and

RESOLVED, Affected Homeowners will receive preferential enrollment in the city's senior home retrofit program: The city's senior home repair grant program has a current waitlist that must be honored. For all future enrollment periods, the city will first offer a one-week enrollment period exclusively for Affected Homeowners, before then opening enrollment to other residents of Detroit. Under the Housing and Revitalization Department's retrofit program, applicants can apply for up to \$15,000 in senior home repair grants to retrofit or upgrade the windows, doors, air leaks, and/or HVAC systems of their occupied homes; and

RESOLVED, To the extent that the City of Detroit uses public and publicly controlled resources for Affordable Housing projects, affected homeowners shall be given preference for the occupancy of affordable units through the establishment of an Affected Homeowner list and the timely communication of the availability of units for purchase or lease to those on the list, all of these subject to applicable City, US HUD and MSHDA rules and regulations; and

RESOLVED, Affected Homeowners will receive preferential access to Finan-

cial Counseling through Detroit at Work. Financial counseling services will be made available to help participants set savings and/or homeownership goals and connect to programs and resources needed to get there. Specially designated financial coaches will be assigned to Affected Homeowners program components to help residents achieve their financial goals. All services are available online, by phone, or at your neighborhood Detroit at Work Career Center; and

RESOLVED, That an affected homeowner can use each of the eight program preferences not more than once; and

RESOLVED, That the Fiscal Year 2020-2021 Budget is hereby amended to create Appropriation No. 20866 and appropriate Six Million and 00/100 Dollars (\$6,000,000.00) from prior year fund balance to support the costs of this resolution; and

RESOLVED, That the Chief Financial Officer or his designee is hereby authorized to approve expenditures and make disbursements from appropriation 20866 associated with operating this program, including but not limited to verification and management of the affected Detroiters priority list, disbursements to the Land Bank for lost revenue associated with the discount program net of operations as determined by the Office of the Chief Financial Officer, and additional home repair investments for affected homeowners if funding allows; and

RESOLVED, Based on the annual actual sales volume from discounted and nondiscounted auction house and side lot sales generated by the Detroit Land Bank Authority (DLBA) starting in FY 2021, to the extent that net sales revenue increases as a result of houses improved through Proposal N funding, the General Fund support would go down by a corresponding amount.

RESOLVED, Affected Homeowners will receive preferential treatment on future program development Detroit's Housing and Revitalization Department (HRD) is continuing to pursue potential additional housing programs – in particular for those who lost their houses – through federal, state, and philanthropic funding sources. HRD will seek to create similar preferences for Affected Homeowners for those future housing assistance programs, subject to applicable legal restrictions; and

RESOLVED, In a continued effort to address the problem of over assessments prior to 2014, the City Council and Administration will support a state level task force comprised of state and local government officials and community stakeholders who will identify non-City funding sources to provide additional resources to Affected Homeowners; and

RESOLVED, If state law is passed and

new state resources are available, the City will explore ways to offer tax credits for those who may be struggling with current taxes; and

BE IT FINALLY

RESOLVED, Affected Homeowners will be able to participate in subsequent consideration of other programs or credits that are not directly mentioned in the resolution.

**INTERNAL OPERATIONS  
STANDING COMMITTEE**

By Council Member McCalister, Jr.:

**AN ORDINANCE to amend Chapter 35 of the 2019 Detroit City Code, *Personnel*, Article III, *Benefits*, Division 2, *Vacation, Sick, Departmental, Funeral, and Jury Leave*, by amending Section 35-3-74, *Sick leave*, to clarify payment in lieu of Worker's Compensation to Detroit Fire Department and Detroit Police Department members.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 35 of the 2019 Detroit City Code, *Personnel*, Article III, Division 2, be amended by amending Section 35-3-74, to read as follows:

**CHAPTER 35. PERSONNEL**

**ARTICLE III. BENEFITS**

**DIVISION 2. VACATION, SICK, DEPARTMENTAL, FUNERAL,**

**AND JURY LEAVE**

**Sec. 35-3-74. Sick Leave.**

(a) *Appointees.* Appointees, as defined in Section 35-3-71 of this Code, are entitled to current sick leave with pay on the basis of one day per month. Upon appointment, appointees, as defined in Section 35-3-71 of this Code, shall retain their current sick leave, prior sick leave, and reserve sick leave banks with earnings to date.

(b) *Employees.* City employees, as defined in Section 35-3-71 of this Code, who have completed three months of continuous service shall be granted one day of sick leave for every service month that the employee is on the payroll for the entire month and that the employee has worked 80 percent of the employee's scheduled hours, not to exceed 12 sick leave days in any one fiscal year. Sick leave shall accrue in full days only. Sick leave as provided for in this subsection shall accrue from the date of hire, but only after the City employee shall have become eligible for such leave in accordance with the provisions of this division.

(c) *Current Sick Leave Bank.* After appointment or hiring, sick leave shall accrue from the beginning of each fiscal year and shall be capped at 300 hours, provided, that additional accrual shall occur where the bank falls below 300 hours until the bank reaches the cap at 300 hours. Sick leave may not be granted in anticipation of future service.

(d) *Prior Sick Leave Bank.* Effective June 15, 2013, each City employee or appointee's Current Sick Leave Bank, which was earned prior to June 15, 2013, shall continue at its existing level until utilized.

(e) *Reserve Sick Leave Bank.* Effective June 15, 2013, each City employee or appointee's Reserve Sick Leave Bank, which was earned prior to June 15, 2013, shall continue at its existing level until utilized.

(f) *Sick leave bank balances.* Sick leave bank balances shall be delineated in hours and shall be itemized on an employee's or appointee's pay check stubs.

(g) *Use of sick leave.* Effective June 15, 2013, sick leave shall be deducted as follows:

(1) Firstly, from an employee's or appointee's Current Sick Leave Bank, which has accrued in accordance with Subsection (c) of this section;

(2) Secondly, from an employee's or appointee's Prior Sick Leave Bank, which under Subsection (d) of this section, accrued prior to June 15, 2013; and

(3) Thirdly, from an employee's or appointee's Reserve Sick Leave Bank, which under Subsection (e) of this section, accrued prior to June 15, 2013.

(h) *Notification of absence to immediate supervisor or designated authority.* In order for sick time to be deducted in accordance with Subsection (g) of this section, a City appointee or employee who must be absent, where permission has not already been granted, shall notify the employee's immediate supervisor or designated authority:

(1) Either within two hours after the employee's scheduled starting time, or, when in the judgment of the immediate supervisor or designated authority no earlier notice was possible, within the working hours of the day of absence; or

(2) Where the City employee is assigned to a seven-day, 24-hour operation, two hours prior to the start of the employee's shift

Failure to give proper notice may be used by the immediate supervisor or designated authority as the reason to deny sick leave with pay.

(i) *Medical documentation.* Proof of illness shall be provided by medical documentation for all sick leave granted beyond three consecutive days, provided, that the granting of sick leave for not more

than three consecutive days without the necessity of medical documentation shall be discretionary with the department director or agency head, and all excuses for medical absences shall be subject to verification as the department director or agency head may require, including, but not limited to, examination by a physician selected by the Director of the Human Resources Department.

(j) *Charges to sick leave banks.* Sick leave shall be charged against a City appointee's or employee's Current Sick Leave Bank, Prior Sick Leave Bank, and Reserve Sick Leave Bank only in four- or in eight-hour increments.

(k) *Departmental leave.* Absences for any reason under this subsection shall be deducted only from a City appointee or employee's Current Sick Leave Bank. Absences for the purpose of taking City examinations, except non-competitive promotion examinations, attending a wedding of a member of the appointee or employee's immediate family, consulting the draft board, participating in documented activities at public and private schools, and other justifiable absences in the judgment of the immediate supervisor or designated authority, shall be considered proper charges only against a City appointee or employee's Current Sick Leave Bank, provided, that permission for such absence must be secured from the immediate supervisor or designated authority and that the immediate supervisor or designated authority may permit such absence with pay to the extent of five working days in any one fiscal year.

(l) *Accrual during service.* Absence shall not interrupt the accrual of sick leave where the City appointee or employee continues on the payroll and the appointee or employee is receiving compensation, provided, that, except where a City appointee or employee is receiving workers' compensation, absences without pay shall stop the accrual of sick leave, provided further, that upon the appointee or employee's return in good standing, the appointee or employee may be granted all sick leave accrued on the basis of the appointee or employee's prior service, provided further, that any City appointee or employee returning from any branch of the armed services shall be granted all sick leave accrued on the basis of the appointee or employee's prior City service.

(m) *Workers' compensation.*

(1) A City appointee or employee who sustains injury or occupational disease arising out of and in the course of City employment shall be continued on the payroll, and the appointee or employee's time shall be charged to the appointee or employee's sick leave banks in accordance with Subsection (g) of this section, provided, that in the absence of any sick

leave bank, the appointee or employee shall be paid regular wages or salary to the extent of two-thirds of the appointee or employee's daily wage or salary but for a period not to exceed seven days, further provided, that where the City appointee or employee has sick leave and receives income under the Michigan Workers' Compensation Act, being MCL 418.101 *et seq.*, such income shall be supplemented by the City with an amount sufficient to maintain the appointee or employee's regular salary or wage for a period not to exceed that of the City appointee or employee's Current Sick Leave Bank, Prior Sick Leave Bank, or Reserve Sick Leave Bank, and such sick leave banks shall be charged in accordance with Subsection (g) of this section for all sick leave days paid to such employee.

(2) Clarification to Sec. 35-3-74(m)(1). Subsection (m)(1) of this section is clarified to confirm that City public safety employees who participate in the City of Detroit Police and Fire Retirement System (PFRS) and who are determined to be temporarily disabled due to an injury or illness sustained in connection with their employment shall be entitled to receive their regular pay in lieu of any workers' compensation wage loss benefits.

(n) *Reassignment or transfer to different department or agency not to void leave.* A City appointee or employee who is reassigned or transferred to another department or agency and is otherwise entitled to the benefits under this section shall not lose any accumulated and unused sick leave.

(o) *Death or termination of service ends entitlement to sick leave.* Except for the reasons provided for in Section 35-3-75 of this Code, death or termination of service ends all entitlement to any unused sick leave. In addition, continuous leave, as defined in Section 35-3-71 of this Code, or continuous leave of absence, as defined in Section 35-3-71 of this Code, or layoff, which is in excess of four years, ends any entitlement to unused current sick leave, prior sick leave, and reserve sick leave.

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 3.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 4.** In the event this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds majority of the City Council Members serving, it shall become effective 30 days after publica-

tion, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

November 4, 2020  
HONORABLE CITY COUNCIL:  
Re: City Council Recess from Wednesday, November 25, 2020 through Monday, January 4, 2021.

Ordinance No. 15-00, Chapter 21 Article 3, requires the approval of your Honorable Body for the purchase of goods and services over the value of \$25,000, all contracts for personal services renewals or extensions of contracts, or the exercise of an option to renew or extend a contract. Ordinance No. 37-14, Chapter 18, Article IV, requires approval of your Honorable Body of an application for a federal, state or grant to be awarded, in whole or in part to fund any City program, service or activity.

Based upon the above scheduled Recess, there will be a delay in obtaining your approval. As a result, we will be unable to meet our obligation to obtain needed goods and services, approve Donations, Grant Applications and accept Grant Awards for the user agencies, and they, in return, will be unable to meet their obligation to supply mandated services to the people of the City of Detroit.

Therefore, during the Recess, we request that your Honorable Body approve our purchases of Goods and Services, requiring your Approval under Ordinance No. 15-00, and approve Donations, Grant Applications and accept Grant Awards requiring your approval under Ordinance No. 37-14, under provisions as follows:

1. Weekly list of Contract Agenda Items, Donations, Grant Applications, and Grant Award Notifications which are distributed by the Office of the City Clerk to Members of the City Council each Thursday, will be held through Wednesday of the following week. In the event any Council Member objects to the Contract, Purchase Order, Donation, Grant Application or Grant Award, the Contract, Pur-

chase Order or Grant Award will be held either until formal action by the City Council or withdrawal of the objection by the objecting Council Member.

2. No Contract or Purchase Order shall be issued if a Protest has been filed, or if a Vendor has not obtained required Insurance, Tax or other adequate Clearances or Affidavits.

The first list under the Recess procedures will be prepared by the Office of Contracting and Procurement on Wednesday, November 25, 2020.

Respectfully submitted,  
BOYSIE JACKSON  
Chief Procurement Officer  
Office of Contracting and Procurement  
KATERLI BOUNDS  
Director, Grants Administration  
By Council Member McCalister, Jr.:

Resolved, That the Chief Procurement Officer of the Office of Contracting and Procurement is hereby authorized to purchase goods and services requiring City Council approval under Ordinance 15-00 and Donations, Grant Applications and accept Grant Awards under Ordinance No. 37-14, during the period of the City Council Recess from Wednesday, November 25, 2020 through Monday, January 4, 2021, in accordance with the foregoing communication, based upon the weekly distribution of a list of Contract Agenda Items by the Office of the City Clerk on Thursday with award items held until Wednesday.

Adopted as follows:  
Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey and Tate — 8.

Nays — Council President Jones — 1.

Honorable City Council:  
Re: Webb, Yvette P/R Est. Patricia Jackson vs. City of Detroit and John Doe. Case No: 19-007087-NF. File No: L19-00281 CLR.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Ten Thousand Dollars and No Cents (\$10,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Ten Thousand Dollars and No Cents (\$10,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Yvette Webb Personal Representative of Patricia Jackson and her attorney, Law Offices of Carl L. Honorable City Council:

Re: Brede, II, William vs. Cecilia Crystal Brown and the City of Detroit. Case No: 19-013823-NI. File No: L19-00770 CLR.

On October 28, 2020 a case evaluation panel evaluated the above-captioned lawsuit and awarded One Hundred Twenty-Five Thousand Dollars and No Cents (\$125,000.00) in favor of the plaintiff. The parties have until November 25, 2020, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of One Hundred Twenty-Five Thousand Dollars and No Cents (\$125,000.00) is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in that amount payable to William Brede and his attorney, Miller and Tischler, PC, to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 19-013823-NI and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

Re: Melita Rodgers vs. City of Detroit, *et al.* Case No: 19-012018-NI. File No: L19-00614/TI.

On October 26, 2020, a case evaluation panel evaluated the above-captioned lawsuit and awarded Thirty Thousand Dollars and No Cents (\$30,000.00) in favor of the plaintiff. The parties have until November 23, 2020, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each

member of your Honorable Body, it is our considered opinion that a settlement in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00) is in the best interest of the City of Detroit.

Re: Michigan Radiology Institute, PLLC, d/b/a MI Imaging (Karen Brownlee) vs. City of Detroit. Case No: 19-164594. File No: L19-00595 (SG).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Three Thousand Dollars and No Cents (\$3,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Three Thousand Dollars and No Cents (\$3,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to MI Imaging and their attorney, Law Office of Philip Jaffe, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-164594, approved by the Law Department.

Re: Focus Imaging, LLC (Jesse Walton) vs. City of Detroit. Case No: 19-01616-GC. File No: L19-00545 (CLR).

We have review/ed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Eight Thousand Dollars and No Cents (\$8,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Eight Thousand Dollars and No Cents (\$8,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Focus Imaging, LLC and its attorneys, Sigal Law Firm, PLLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-01616-GC, approved by the Law Department.

Honorable City Council:

Re: Veronica Saine vs. City of Detroit. Wayne County Circuit Court Case No. 19-014509-NO. L19-00889 (PMC).

On November 12, 2020 a case evaluation panel evaluated the above-captioned lawsuit and awarded Sixty-Seven Thousand Five Hundred Dollars and No Cents (\$67,500.00) in favor of the plaintiff. The parties have until December 10, 2020, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Sixty-Seven Thousand Five Hundred Dollars and No Cents (\$67,500.00) is in the best interest of the City of Detroit

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in that amount payable to Veronica Saine and her attorney, Ernest F. Friedman, P.C., to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 19-014509-NO and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

Re: Request to Accept and Appropriate the Simon Foundation Criminal-Record Expungement Grant.

The Donald R. and Esther Simon Foundation has awarded the City of Detroit Law Department with the Simon Foundation Criminal-Record Expungement Grant for a total of \$50,000.00. There is no match requirement. The total project cost is \$50,000.00. The grant period is October 1, 2020 through September 30, 2021.

The objective of the grant is to support Project Clean Slate. The funding allotted to the department will be utilized to com-

plete the purchase of the Customer Relationship Management (CRM) software and to partially fund a staff person dedicated to its management and upkeep. The CRM software will help staff track each client's case progress.

If approval is granted to accept and appropriate this funding, the appropriation number is 20865.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

The unprecedented events surrounding the COVID-19 pandemic has caused an economic and financial crisis throughout the United States, Michigan, and the City of Detroit (City).

The City's revenue collections have suffered due to COVID-19. Specifically, the City is facing a projected \$154 Million revenue shortfall for this fiscal year and a

projected \$194 Million revenue shortfall for fiscal year 2021. The City recognizes the sacrifices of its employees who have taken reductions in hours and layoffs. The parties recognize the need for additional savings from its full time employees to balance the budget and to avoid State of Michigan oversight.

Labor Relations presented a written proposal to the (AFSCME, Non-Supervisory) for the elimination of economic increases negotiated beginning July 1, 2020; and based on mutual consideration, the 2019-2023 Collective Bargaining Agreement (CBA) has been amended.

The Union agrees to forgo the following scheduled economic increases applicable to its specific negotiated Collective Bargaining Agreement (s) expiring June 30, 2023 that affect its bargaining unit members:

- Eliminate 2% wage increase that was effective July 1, 2020
- Eliminate all step increases, all merit increases and all bonus payments for one (1) fiscal year beginning July 1, 2020 through June 30, 2021.
- Add lump sum payments as follows:
  - o \$300 payable on the first pay date after July 1, 2020;
  - o \$250 payable on the first pay date after July 1, 2021; and
  - o \$ 250 payable on the first pay date after July 1, 2022.
- Extend contract by 1 year through June 30, 2024.
- Add 2.5% wage increase effective July 1, 2023.
- The Union may request to meet with the City no earlier than July 1, 2022 and no later than January 1, 2023 to review the current economic condition of the City in reference to this agreement.

Re: Implementation of Wage Increases for Non-Union Sworn Police Personnel.

It is the longstanding policy of the City of Detroit to pass on to non-union sworn Police Department personnel the wage increases that are received by their unionized peers and subordinate personnel. This policy enables the City to attract and retain the highest quality employees for these positions.

On July 1, 2020, the Detroit Police Command Officers Association and the Detroit Police Lieutenants and Sergeants Association received a 3% general wage increase; and the Detroit Police Officers Association received a 2.5% general wage increase. Therefore, we are recommending that your Honorable Body approve the attached resolution to provide for a 2% wage increase, effective July 2, 2020, for the non-union sworn

**Permit**

Honorable City Council:

To your Committee of the Whole was referred the Petition of The Shul (#1352), to hold "Menorah in the D". After consultation with all the concerned departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,  
MARY SHEFFIELD  
Chairperson

By Council Member Sheffield:

Resolved, That permission be and is hereby granted to Petition of The Shul (#1352), to hold "Menorah in the D" at Cadillac Square on December 10, 2020 from 5:00 p.m. to 7:00 p.m.

Resolved, That Buildings and Safety Engineering Department is hereby authorized to waive the zoning restrictions on said property during the period of the event.

Provided, That the petitioner secures a temporary use of land permit which will include the erection of any mechanical devices and temporary structures. An inspection of electrical work is required prior to opening the facility to the public, and further

Provided, That the required permits be

secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding "use of Tents for Public Assembly", and further

Provided, That said activity is conducted under the rules and regulations of concerned departments and the supervision of the Police Department, (Grant subject to departmental conditions), and further

Provided, That such permission is granted with the distinct understanding

that petitioners assume full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petitions, and further

Provided, That site be returned to its original condition at the termination of its use, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Honorable City Council:  
Re: Request authorization to appropriate excess revenues for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program.

Each year, the Michigan Department of Education (MDE) awards the City of Detroit General Services Department with the Summer Food Service Program Grant and the Child and Adult Care Food Program Grant. If an emergency school closure is needed due to a natural disaster, pandemic or other unanticipated event, the MDE awards the Unanticipated School Closure Food Program Grant. The State reimburses the City on a per meal basis. In order to implement the program and prepare accordingly, the General Services Department requires a consistent stream of revenue in the annual adopted budget or through a council approved resolution. We are requesting authorization to transfer excess revenues from adopted budget and council authorized appropriations for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program into appropriation number 20773. We are also requesting to transfer remaining budget balances into appropriation number 20773.

The objective of these programs is to provide meals to children and adults at various recreation centers, parks and community centers across the City of Detroit. The funding will be utilized to reimburse the department for all meals served to children and adults, pay for the salaries of administrators, and conduct marketing and outreach activity.

Appropriation number 20773 will be used to ensure the continuity of opera-

tions during and between these food distribution programs. It will also enable the department to ensure that the necessary advertising and equipment is in place to maximize the utility of these grant programs. The consolidation of balances into appropriation 20773 will be conducted on an individual program basis following the closing of each respective program and program year, as determined by the MDE.

I respectfully ask your approval to transfer these funds in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

By Council Member Sheffield:

Whereas, The General Services Department, in partnership with the Office of the Chief Financial Officer, is requesting authorization to transfer excess revenues from adopted budget and council authorized appropriations for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program into appropriation number 20773; and

Whereas, This is a request for authorization to transfer subsequent and remaining budget balances into appropriation number 20773; and

Whereas, The objective of these programs is to provide meals to children and adults at various recreation centers, parks and community centers across the City of Detroit; and

Whereas, This request will consolidate and appropriate the net excess revenue from each of the previous program years and future program years to support the cost of operations for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program, into one appropriation number, which will be appropriation 20773; and

Whereas, The consolidation of balances into appropriation 20773 will be conducted on an individual program basis following the closing of each respective program and program year; and the MDE will determine when each program and program year grant is closed; and

Whereas, This request has been approved by the Office of Budget; Now

Therefore, Be It

Resolved, That the Budget Director is authorized to use Appropriation number 20773, and consolidate and appropriate funds from previous program years and future program years, for the Summer Food Service Program, the Child and Adult Care Food Program, and the Unanticipated School Closure Food Program.

Re: Request to accept an increase in appropriation for the FY 2020 Summer Food Service Program.

The Michigan Department of Education (MDE) has awarded an increase in appropriation to the City of Detroit General Services Department for the FY 2020 Summer Food Service Program, in the amount of \$1,100,000.00. There is no match requirement. The total increase is \$1,100,000.00. On October 12, 2020, the MDE extended the FY 2020 Summer Food Service Program through the end of the 2020-2021 school year. The last official date of the program is now June 30, 2021. This increase was awarded based on projections by the Michigan Department of Education that showed that this program year will have dramatically greater demand than previous years due to this extension and due to the COVID-19 pandemic. This funding will increase appropriation 20615, previously approved in the amount of \$1,400,000.00, by council on June 16, 2020, to a total of \$2,500,000.00. This request is the second program increase for this program year.

The objective of this program is to provide meals to children at various recreation centers, parks and community centers across the City of Detroit. Parents and guardians will be allowed to pick-up and take home meals to children through this year's program in order to ensure continued safe social distancing practices. The funding allotted to the department is utilized to reimburse the department for all meals served to children, pay for the salaries of administrators, and conduct marketing and outreach activity.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Re: Request to Accept and Appropriate a Sub-award from the Public Private Partnership for Healthy Urban Goods Movement Grant.

Southwest Detroit Environmental Vision has awarded the City of Detroit General Services Department with a Sub-award from the Public Private Partnership for Healthy Urban Goods Movement Grant for a total of \$540,000.00. This Grant was awarded to Southwest Detroit Environmental Vision by the U.S. Environmental Protection Agency. The funder's share is 27 percent or \$540,000.00 of the approved amount, and there is a required cash match of 73 percent or \$1,460,000.00. The total project cost is \$2,000,000.00.

The objective of the grant is to improve the air quality in Southwest Detroit by reducing pollution from City-owned vehicles. The funding allotted to the department will be utilized to reimburse costs for the purchase of ten (10) new clean diesel trucks and decommission old trucks that have surpassed their useful life. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation

number is 20864, with the match amount coming from fund 4533, appropriation 12153, and cost center 470100.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

DIVISION 4. STORMWATER  
MANAGEMENT**

**Sec. 48-2-101. Applicability.**

(a) Subject to Section 48-2-103 of this Code, this division applies to all construction activities that are subject to the drainage charge and that involve the replacement or creation of 21,780 square feet or more of impervious surface.

(b) This division shall also apply to any construction activity that is not subject to Subsection (a) of this section, but may create a condition that would result in runoff that would:

- (1) Exceed the safe capacity of the receiving public sewer or body of water as determined by the Department;
- (2) Cause undue channel erosion;
- (3) Increase water pollution by causing or transport of particulate matter;
- (4) Endanger property; or
- (5) Endanger public safety.

(c) Notwithstanding Subsection (a) or Subsection (b) of this section, the discharge from a regulated construction activity may be determined by the Department to have previously been authorized and to have incorporated stormwater control measures that are sufficient to satisfy the performance standards in this division. In such cases, the applicant may request a review by the Department for a determination of whether additional stormwater management is required for the development site.

**Sec. 48-2-102. Definitions.**

For the purposes of this division, the following words and phrases shall have the meanings respectively ascribed to them by this section:

~~Alternative compliance measure means a stormwater control measure that treats stormwater runoff from impervious surfaces that:~~

- ~~(1) Were in existence as of the effective date of this division, and~~
- ~~(2) Whose construction or reconstruction is not subject to the provisions of this division.~~

*Applicant* means a person or persons acting as owners or operators of a regulated construction activity on a development site who is seeking approval of a Post Construction Stormwater Management Plan under this division.

*Buffer strip* means a zone that is used for filtering direct stormwater and stormwater runoff into a stormwater control measure, or watercourse and for providing maintenance access to a stormwater control measure.

*Common plan of development* means a regulated construction activity, that is completed in phases or stages when such phases or stages share:

- (1) One or more common City ~~permits permit(s)~~ related to the regulation of land use, the discharge of wastewater or a discharge to surface waters or groundwater, or
- (2) Common infrastructure such as, but not limited to, roadway access or utilities.

*Construction activity* means a human-made activity including, but not limited to, clearing, grading, excavating, construction and paving, that results in a change in the existing cover or topography of land, including any external demolition, modifi-

cation, or alteration of a development site or the footprint of a building, but does not include re-surfacing of an asphalt, concrete or similar parking lot that does not expose the subgrade.

Conveyance means any structure or other means of safely conveying stormwater within a stormwater management system including, but not limited to, a watercourse, closed conduit, culvert or bridge.

Demolition means the razing or destruction, in whole or in part, of an existing structure, or the removal of existing impervious surfaces.

Department means the Detroit Water and Sewerage Department and its authorized agents.

Development site means the property on which a regulated construction activity ~~takes place will occur or is occurring. A development site may include, but is not limited to, a component of a Common Plan of Development, an individual lot as defined in the City Zoning Ordinance, or an aggregation of one or more lots subject to a unified plan for land use.~~

Disturbance means an activity, including a regulated construction activity, that disturbs the surface of land or underlying soils, including but not limited to, stripping, grading, ~~grubbing~~ grubbing, trenching, excavating, transporting, and filling of land, but does not include the activities of clearing, plowing, tilling soil, or harvesting for the purpose of crop production.

Drainage area means the land area from which stormwater runoff drains to a common point, including any area lying beyond the boundaries of a development site as defined in this division.

Due Care Plan means the actions a person must undertake and are necessary to protect the public from exposure to contamination present in soil, groundwater, and subsurface vapors.

Equivalent volume means the quantity of stormwater runoff that is presumed to be managed through a fee-in-lieu payment, an alternative compliance measure, or any combination thereof, including any adjustments or modifications set forth in this division and the Stormwater Management Design Manual created pursuant to Section 48-3-104 of this Code.

Extraordinarily difficult site conditions means those conditions present at a development site that prevent or preclude the construction of stormwater control measures ~~in~~ on any portion of a development site.

Impervious surface means any surface area that prevents or substantially impedes the entry of water into the soil in the manner that such water entered the soil ~~under natural conditions pre-existent prior~~ to development, or which ~~cause~~ causes water to run off the surface in greater quantities or at an increased rate

of flow ~~than that present under natural conditions pre-existent of development~~, including but not limited to, roofs, parking lots, compacted gravel and dirt, driveways, sidewalks, and storage areas.

Infiltration rate means a measure of the speed at which water enters into the soil at the surface.

Natural condition means the condition of land that is predominantly covered in vegetation that is sustainable without regular human maintenance, such as irrigation, mowing, or fertilization, examples of which include natural cover, woodland, meadow, grassland, or shrubland.

Operation and Maintenance Plan means a document which outlines the required maintenance activities and measures associated with an approved Post Construction Stormwater Management Plan.

Pervious surfacing means a material or materials and accompanying subsurface treatment designed and installed specifically to allow stormwater to penetrate into the material, thereby reducing the volume of stormwater runoff from the surfaced area.

Post Construction Stormwater Management Plan means a document ~~set forth by the Department~~ that identifies all actions to be taken by an applicant in ~~conjunction with~~ related to a regulated construction activity ~~to that details how an applicant will comply with the requirements and standards set forth in this division and the Stormwater Management Design Manual.~~

Regulated area means the portion of a development site used as the basis to determine ~~compliance with the what~~ performance standards ~~set forth in this division an applicant must meet.~~

Regulated construction activity means construction activity that is subject to ~~the provisions of~~ this division, a regulated construction activity may occupy all or part of a development site.

Regulatory volume means the total quantity of stormwater runoff that must be retained in a stormwater control measure in order for a regulated construction activity to comply with the performance standards in this division.

Stormwater control measure means any structure, feature, or appurtenance that is designed, constructed, operated, practiced, or adopted to reduce the quantity, lower the rate, improve the quality, or otherwise control stormwater runoff through retention, detention, infiltration, reuse, or other approved stormwater management techniques.

Stormwater Management Design Manual means a document or documents promulgated by the Department, which may be amended, specifying detailing criteria, standards, and procedures by which an applicant may comply with the provisions

of this division that an applicant must follow to comply with this division.

~~Water quality volume means the volume of stormwater runoff generated by the 90th percentile storm over the regulated area of a development site.~~

**Sec. 48-2-103. Exemptions.**

Notwithstanding Section 48-2-101 of this Code, the following activities shall be exempt from the requirements of this division:

(1) The improvement or construction of an individual single family detached dwelling as defined in this Code;

(2) Emergency maintenance work performed for the protection of public health and safety. A written description of the scope and extent of any such emergency maintenance work performed shall be submitted to the Department within two calendar days following its commencement. If the Department finds that the work is not an emergency or if a written description is not timely submitted to the Department, then the work shall cease immediately and the requirements of this division shall be addressed as applicable; or

~~(3) A regulated construction activity that discharges stormwater directly to the Detroit River or Rouge River via any conveyance not owned by the City and is in compliance with state and federal regulations governing such discharges.~~

~~(3) Regulated construction activity done to protect public health as part of a Due Care Plan that is required and approved by a state or federal regulatory agency.~~

**Sec. 48-2-104. Stormwater Management Design Manual.**

The Department shall ~~implement, and may amend, provide~~ a Stormwater Management Design Manual which shall ~~set forth specific detail~~ procedures, criteria, minimum standards, methods and other technical information ~~to that shall be~~ utilized in ~~determining compliance to~~ comply with the provisions of this division.

**Sec. 48-2-105. ~~Post construction stormwater management requirements Performance standards.~~**

(a) Stormwater control measures shall not be constructed within the Rouge River flood plain or the Rouge River flood way as defined in Section ~~20-1-4~~ 50-14-532 of this Code, or within Michigan Coastal Flood Hazard Zones, ~~as define the Michigan Department of Environment, Great Lakes & Energy (EGLE) or the Federal Emergency Management Agency (FEMA).~~

(b) A buffer strip with a minimum width of 25 feet shall be established and preserved along the edge of any surface water and any regulated wetland as defined by the State of Michigan PART 303. Exemptions may be granted for construction activities that are within 25 feet of a surface water and regulated wetland

that remain consistent with the intent of the development.

(c) The Department is authorized to require any additional stormwater control measures necessary to control the rate and volume of stormwater runoff discharged from the development site in order to prevent drainage, flooding or water quality impacts upon public or private property.

(d) Performance standards for combined sewer areas.

(1) Water quality:

a. The water quality volume shall be the 90th percentile annual non-exceedance storm.

~~b. The regulated area for purposes of complying with the water quality performance standard for combined sewer areas shall be defined as follows:~~

~~i. If the regulated construction activity will disturb 50% or more of the development site, the regulated area shall be defined as the entire development site; or~~

~~ii. If the regulated construction activity will disturb less than 50% of the development site, the regulated area shall be defined as the area of the regulated construction activity.~~

~~e. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post construction shall not exceed the runoff volume and peak flow rate leaving the regulated area under natural conditions.~~

~~d. The water quality volume shall be treated to remove a minimum of 80% of the total suspended solids as compared to uncontrolled runoff, or to a discharge concentration which does not to exceed 80 milligrams per liter of total suspended solids.~~

(2) Combined sewer infrastructure protection.

~~a. For regulated construction activities discharging to the combined sewer area, the entire development site shall be defined as the regulated area for purposes of complying with the combined sewer infrastructure protection standards.~~

~~a. The peak flow rate(s) of stormwater runoff leaving the development site shall not exceed the allowable discharge rates established in the Stormwater Management Design Manual for the geographic location within the combined sewer system where the discharge occurs.~~

~~(e) Performance standards for storm sewer areas.~~

~~(1) Water quality:~~

~~a. The water quality volume shall be based on the 90th percentile annual non exceedance storm.~~

~~b. The regulated area for purposes of complying with the water quality performance standard for separate sewer areas shall be the area of the regulated construction activity.~~

~~e. The water quality volume shall be~~

treated to remove a minimum of 80% of the total suspended solids as compared to uncontrolled runoff, or to a discharge concentration which does not to exceed 80 milligrams per liter of total suspended solids.

(2) Channel protection:

a. The regulated area for purposes of complying with the channel protection performance standards shall be the area of the regulated construction activity.

b. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post construction shall not exceed the runoff volume and peak flow rate which would occur under natural conditions for all storms up to and including the two year, 24 hour storm event.

c. Discharges from regulated construction activities that drain into any portion of the City's storm sewer discharging directly to the Detroit River or downstream of the Rouge River Turning Basin shall be exempt from the channel protection performance standard.

(f) Performance standards for local flood control in combined and separate sewer areas:

(1) The regulated area for purposes of complying with local flood control performance standards shall be the entire development site.

(2) For regulated construction activities for which the total of all drainage areas as defined in this division, is less than 5 acres, the stormwater control measures shall be designed to achieve a peak flow rate of fifteen one hundredths cubic feet per second (0.15 cfs)/acre for the 10 year storm.

(3) For regulated construction activities for which the total of all drainage areas, as defined in this division, is 5 acres or greater, the stormwater control measures shall be designed to achieve a peak flow rate of fifteen one hundredths cubic feet per second (0.15 cfs)/acre for 100 year storm.

(e) Performance standards for separate storm sewer areas within Detroit Water and Sewerage jurisdiction that discharge directly to a receiving water body and do not connect to a combined sewer.

(1) Water quality:

a. The water quality volume shall be based on the 90th percentile annual non-exceedance storm.

(2) Channel protection:

a. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post-construction shall not exceed the runoff volume and peak flow rate two-year, 24-hour storm event

b. Discharges from regulated construction activities that drain into any portion of the City's storm sewer discharging directly to the Detroit River or downstream of the Rouge River Turning Basin shall be exempt from the channel protection performance standard.

(f) Performance standards for local

flood control in combined and separate sewer areas:

(1) Stormwater control measures shall be designed to achieve a peak flow rate for the 10 year-24 hour or the 100 year-24 hour storm based upon the size of the regulated area.

(2) If the peak flow calculated for channel protection is greater than the peak flow calculated for flood control, the lower peak flow for flood control must be applied to the regulated area.

(g) Performance standards for privately owned separate storm sewer areas that discharge directly to a receiving water body and do not connect to a combined sewer.

(1) The stormwater conveyance system must discharge the 100 year-24 hour storm for the entire regulated area to the Rouge River or Detroit River.

**Sec. 48-2-106. Post Construction Stormwater Management Plan and Operations and Maintenance Plan required.**

(a) No regulated construction activity may obtain site plan approval until the Department has approved a Post Construction Stormwater Management Plan.

(b) Prior to the approval of a Post Construction Stormwater Management Plan, the applicant shall certify to the Department that the applicant has met or will meet all requirements of this division and all other City, county, state, and federal requirements related to erosion control and sediment prevention, surface water resource protection, and stormwater management applicable to the regulated construction activity.

(c) The Post Construction Stormwater Management Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include:

(1) The discharge location(s) for all post-construction stormwater runoff which will leave the development site, and the boundaries of the drainage area tributary to each discharge location;

(2) The boundaries of the development site, the common plan of development if applicable, and the regulated construction activity, clearly indicating areas of disturbance, the boundaries of any no-build or non-disturbance areas, all points of egress from the development site to a public right-of-way, and all easements and other encumbrances;

(3) The required calculations establishing compliance with the post construction stormwater management performance standards as set forth in Section ~~48-2-106~~ 48-2-105 of this Code;

(4) The design specifications and calculations, construction details, and locations for all proposed stormwater control measures, whether located on the development site or elsewhere.

(5) The locations and descriptions of all access drives easements necessary to allow for construction, inspection, operation and maintenance of all proposed stormwater control measures;

(6) An Operation and Maintenance Plan containing all required information and schedules as set forth in this Division; and

(7) A copy of all applicable state and federal permit applications related to erosion, water resource and stormwater management for the regulated project.

(d) One copy of the approved Post Construction Stormwater Management Plan shall be kept on file at the site of the regulated construction activity from the initiation of site preparation until a certificate of occupancy is issued for the development associated with the regulated construction activity.

(e) The Operation and Maintenance Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include maintenance requirements and protocols for each stormwater control measure, including an associated schedule of inspection and maintenance activities, and procedures and checklists for each stormwater control measure consistent with the provisions in the Stormwater Management Design Manual and a signed certification statement accepting responsibility for the operation, maintenance and inspection of the stormwater control measures.

(f) A Post Construction Stormwater Management Plan shall include the preparation and property recording of all easements, deed restrictions, reservation of rights-of-way, or other protective covenants as are required to ensure sufficient access for purposes of maintenance, inspection, operation and repair or replacement of stormwater control measures, and to ensure that any future modification of the site is consistent with the provisions of the approved Post Construction Stormwater Management Plan, unless amendments or modifications to the Post Construction Stormwater Management Plan are approved by the Department.

(g) The Post Construction Stormwater Management Plan and applicable Operation and Maintenance Plan shall be referenced on a final plat site plan or as-built drawing, and shall be recorded with the Wayne County Register of Deeds Office upon final plat approval, and shall be provided to the Department within 14 days following receipt of the recorded document.

**Sec. 48-2-107. Alternative compliance.**

(a) An applicant may apply to the Department for review and approval of alternative compliance measures an adjustment to all or part of the performance standards as outlined in Section

48-2-105, for the development site if the applicant demonstrates the presence of extraordinarily difficult site conditions, as defined in this division and ~~in written guidance as set forth in the Stormwater Management Design Manual.~~

(1) Extraordinarily difficult site conditions include, but are not limited to, one or more of the following:

a. The presence of sub-surface conditions, including soil contamination or shallow depth to bedrock or groundwater, that present significant and atypical technical requirements for mitigation, stormwater management measure design or installation or create a likelihood for subsurface pollutant plume transport; or

b. A measured infiltration rate of 0.20 inches per hour or less, as verified by procedures defined in the Stormwater Management Design Manual; or

c. Unique topographic or geologic conditions that would require site re-grading or re-contouring substantially different from typical and customary practices for the installation of stormwater control measures; or

d. Surface or subsurface conditions indicating a likelihood that basement flooding on properties other than the development site are reasonably foreseeable if stormwater control measures are installed; or

e. Conditions that would require pumping or other mechanical routing of stormwater in order to meet the performance standards of Section ~~48-2-106(d)(1)(c)~~ 48-2-105; or

f. Other conditions that, in the judgment of the Department, present a substantial barrier to the safe and/or effective construction or operation of stormwater control measures.

(2) In all cases, the applicant shall demonstrate, to the satisfaction of the Department, that the extraordinarily difficult site conditions cannot be overcome or mitigated through reasonable re-design of the regulated construction activity, or without substantial interference with the present or intended use of the development site.

(3) Any such application for a finding of extraordinarily difficult site conditions shall:

a. Quantify the degree to which the specific provisions of the performance standards set forth in ~~48-2-106(d)(1)(c)~~ 48-2-105, as applicable, can or cannot be met on the development site, using the analysis set forth in the Stormwater Management Design Manual;

b. For provisions of the performance standards set forth in 48-2-105 that can be met on the development site, detail the stormwater control measure to be constructed on site, if any, and the water quality and detention volume to be met through alternative compliance measures; and

c. For the provisions of the performance standards that cannot be met on the development site, specify the off-site alternative compliance measure, or fee in lieu payment measure(s) as outlined in 48-2-107(b)(1) through 48-2-107(b)(5) proposed to satisfy the requirements of Sections 56-3-106(d) or (e) of this section, as applicable, in accordance with the provisions of this section ~~this Code~~.

(b) An applicant may propose to use one or a combination of the following alternative compliance measures:

(1) The coincident construction by the applicant of the ~~alternative compliance measure~~ an off-site mitigation, where a stormwater control measure that treats stormwater runoff from impervious surfaces whose construction or reconstruction is not subject to the provisions of this division, runoff from the impervious surfaces is not already managed by stormwater control measures, and is approved by the Department under the procedures set forth in this division and in the Stormwater Management Design Manual; ~~or~~

(2) The legal assignment by the applicant of ~~the equivalent~~ volume from an existing, approved alternative compliance measure(s); ~~or~~

(3) Payment to the Department of a fee-in-lieu, in accordance with the procedures set for in the Stormwater Management Design Manual, and subsequent certification by the Department that sufficient ~~equivalent~~ volume has been assigned to the regulated construction activity to achieve compliance with the measurements of this division; ~~or~~

(4) One or more alternative flood control methods as defined in the Stormwater Management Design Manual.

(c) Any person may make application to the Department for approval of the construction of stormwater control measures on lands located within the City to be authorized as alternative compliance measures, as defined in this division, subject to the following procedures and requirements:

(1) An applicant for such approval shall define the drainage area(s) to be treated by the alternative compliance measure and shall provide all relevant information, including demonstration of site control and an operation and maintenance plan, required by the Department as set forth in the Stormwater Management Design Manual.

(2) The design and construction of the alternative compliance measure shall meet all relevant standards for materials, design, safety, and other technical considerations in the Stormwater Management Design Manual.

(3) For each alternative compliance measure an applicant shall stipulate the amount of ~~equivalent~~ volume, if any, that

shall be reserved for the applicant's own use or assignment, and the amount of ~~equivalent~~ volume, if any, ~~that may be made available to the Department for~~ assigned through fee-in-lieu payment. In issuing its approval, the Department shall state the amount of ~~equivalent~~ volume assigned to the alternative compliance measure, the ~~equivalent~~ volume within the alternative compliance measure reserved by the applicant for the applicant's own purposes, and the ~~equivalent~~ volume ~~that may be available if any,~~ assigned through fee-in-lieu payments.

(4) The applicant shall obtain all relevant and applicable City, state and federal permits as may apply to construction of the alternative compliance measure.

(5) Approval issued pursuant to this section shall be contingent upon the recording of both an easement on the land on which the off-site mitigation alternative compliance measure is constructed, and on the operation and maintenance plan for the alternative compliance measure. The operation and maintenance plan shall be fully consistent with the standards set forth in the Stormwater Management Design Manual.

(6) No portion of an alternative compliance measure may be utilized to satisfy the requirements of this division for a regulated construction activity unless explicitly approved by the Department in a Post Construction Stormwater Control Management Plan.

(d) No discharge from a regulated construction activity to a combined sewer area may be mitigated by the construction of an alternative compliance measure discharging to a separate storm sewer system.

~~(e) The Department shall maintain continuously, and make available for inspection, a record of the volume equivalency of alternative compliance measures assigned to alternative compliance measures, whether constructed by the City or another applicant; all credits issued to regulated construction activities; and the timing, amount, and disposition of all fee in lieu payments.~~

**Sec. 48-2-108. Performance bond.**

(a) ~~The Department shall have the authority reserves the right to require the Applicant to provide~~ a performance bond or other financial guarantee in the amount of the estimated cost of construction of the stormwater control measures and all landscaping associated therewith for a duration of two years after the issuance of the certificate of occupancy to ensure that all stormwater control measures have been established and installed correctly and function as designed and permitted.

(b) The Department shall have the authority to require a performance bond or other financial guarantee of a greater or lesser amount, or duration of time, where such an adjustment is warranted to reflect

unique site conditions or to ensure the function and performance of the stormwater control measures in the Post Construction Stormwater Management Plan.

(c) A final inspection and approval of the stormwater control measures by the Department, the Buildings, Safety Engineering and Environmental Department, or other authorized agent shall be issued before the release of the performance bonds or other financial guarantee.

**Sec. 48-2-109. Maintenance required.**

(a) Any stormwater control measure installed pursuant to this division shall be operated and maintained in accordance with the requirements of the approved Operations and Maintenance Plan and associated provisions in the Stormwater Management Design Manual.

(b) No area of land specified or designated to comply with the performance standards in this Division shall be altered in a manner which reduces or alters its infiltration rate, unless the Department approves an amendment to the previously approved Post Construction Stormwater Management Plan for the site, showing how the reduced or altered infiltration rate will be offset to maintain compliance with the performance standards specified in this division.

**Sec. 48-2-110. Operations and Maintenance Plan Transfer of Property.**

(a) Prior to the conveyance or transfer of any portion of a development site to be served by a stormwater control measure(s) pursuant to this division, the applicant shall provide the Department with evidence of transfer of the associated Operation and Maintenance Plan.

(b) The Operation and Maintenance Plan shall be binding on the record owner of the property or properties subject to the Post Construction Stormwater Management Plan and their owners, heirs and assigns.

~~(c) The Operation and Maintenance Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include maintenance requirements and protocols for each stormwater control measure, including an associated schedule of inspection and maintenance activities, and procedures and checklists for each stormwater control measure consistent with the provisions in the Stormwater Design Manual and a signed certification statement accepting responsibility for the operation, maintenance and inspection of the stormwater control measures.~~

**Sec. 48-2-111. Easements**

~~(a) A Post Construction Stormwater Management Plan shall include the preparation and property recording of all easements, deed restrictions, reservation of rights of way, or other protective covenants as are required to ensure suffi-~~

~~cient access for purposes of maintenance, inspection, operation and repair or replacement of stormwater control measures, and to ensure that any future modification of the site is consistent with the provisions of the approved Post Construction Stormwater Management Plan, unless amendments or modifications to the Post Construction Stormwater Management Plan are approved by the Department.~~

~~(b) The Post Construction Stormwater Management Plan and applicable Operation and Maintenance Plan shall be referenced on a final plat, site plan or as-built drawing, and shall be recorded with the Wayne County Register of Deeds Office upon final plat approval, and shall be provided to the Department within 14 days following receipt of the recorded document.~~

**Sec. 48-2-111. Record drawings and final approval certification.**

(a) Upon final stabilization of the site of a regulated construction activity, the applicant, professional engineer, or landscape architect duly licensed to practice in the State of Michigan and acting on the applicant's behalf, shall conduct a post-construction inspection and shall certify in writing that the completed project is in full compliance with the approved Post Construction Stormwater Management Plan.

(b) The Applicant or the Applicant's Designee shall submit as-built record drawings for all stormwater control measures to the Department, within 15 days of final stabilization of the site.

**Sec. 48-2-112. Right of entry for compliance inspections. (a)**

The Department, Buildings, Safety Engineering, and Environmental Department or other authorized agent may enter a property to inspect stormwater control measures during any phase of construction and operation of approved stormwater control measures when the Department, or its designee has a reasonable basis to believe that a violation of this division is occurring or has occurred, when necessary for abatement of a public nuisance, and to confirm correction of a violation.

~~(b) The Department, Buildings, Safety Engineering, and Environmental Department or other authorized agent may enter a property when the Department or its designee has a reasonable basis to believe that a violation of this division is occurring or has occurred, when necessary for abatement of a public nuisance, and to confirm the correction of a violation.~~

**Sec. 48-2-113. Periodic self-inspections required.**

(a) Periodic inspections shall be conducted according to the Operation and Maintenance Plan by the applicant or the applicant's successors, heirs or assigns of the stormwater control measure(s) as set forth in the applicable Operations and Maintenance Plan.

(b) An inspection report, certified by a professional engineer or landscape architect properly licensed to practice in the State of Michigan, shall be provided to the Department according to the schedule in the operation and maintenance plan, commencing no more than twelve months after the date of issuance of a certificate of occupancy for the regulated construction activity, and occurring once every three years or stipulated period thereafter.

**Sec. 48-2-114. Right of appeal.**

(a) Any person whose legal rights, duties, or privileges are determined by the Department pursuant to this ordinance and who is aggrieved by the Department's determination, may appeal to the DWSD Stormwater Appeals Board for relief of that grievance. An appeal shall be made according to the procedure set forth in this chapter.

(b) The DWSD Stormwater Appeals Board shall be appointed by the Director of the Department and confirmed by the Board of Water Commissioners and shall consist of two engineers from the academic sector, two engineers from the private sector, and one stormwater management expert. Meetings of the DWSD Stormwater Appeals Board shall be in person and shall be open to all interested parties.

(c) An appeal shall be in writing, addressed to the DWSD Stormwater Appeals Board c/o the Detroit Water and Sewerage Department Stormwater Management Group, and must be received within 30 days of the determination that is the subject of the appeal. The appeal shall set forth the specific act or matter complained of and in dispute, and shall include all documentation that supports the appellant's position.

(d) Within 30 days of receipt of the appeal, the Department's Stormwater Management Group, or its designee, shall acknowledge such receipt in writing, and shall set a date and time for an appellate hearing to be conducted in accordance with Department rules and procedures.

(e) The decision of the DWSD Stormwater Appeals Board shall be final and enforceable at law. A person aggrieved by a final decision of the DWSD Stormwater Appeals Board may seek judicial review of the decision by the Wayne County Circuit Court. A petition for judicial review shall be filed not later than 60 days following the receipt of the final decision of the DWSD Stormwater Appeals Board.

(f) An aggrieved person shall exhaust all administrative remedies provided in this Chapter before seeking judicial review.

**Sec. 48-2-115. Notice.**

(a) If any stormwater control measure is found upon inspection to be arranged, damaged, clogged, or in such disrepair as

to impede, obstruct, or hinder the flow of surface water in a manner which conflicts with acceptable engineering practices, or if a planned and permitted stormwater control measure has not been installed per an approved Post Construction Stormwater Management Plan within 30 days of inspection, the certifying party shall give written notice to the Department of the conditions found, the actions necessary to bring conditions into conformance with the approved Operation and Maintenance Plan, and the timeframe for completion.

(b) If any condition referenced in Sub-section (a) of this section, is found by the Department upon its own investigation, whether as a result of, or independent of, a period inspection report, the Department shall give written notice to the owner of the property of the findings specifying the problem, the actions necessary to bring conditions into conformance and the timeframe for completion, as well as the potential for additional action under civil penalty or other penalty or remedy in Section 48-2-117 of this Code.

**Sec. 48-2-116. Civil penalty.**

Whenever the Department has reasonable grounds to believe that any person is violating, or has violated, any requirement of this division, the Department may commence a civil action to compel compliance in a court of competent jurisdiction to enjoin said person from discharging, or to obtain appropriate relief to remedy the violations. The Department or DWSD Board also may seek additional legal or equitable relief. The commencement of suit neither constitutes an exclusive election of remedies nor prohibits the Department, Director, Board, or City of Detroit from commencing action in federal court for discharges believed to be in violation of this division, state or federal requirements contained in the Clean Water Act, the City's NPDES permit, or other applicable laws or requirements. In addition, the City may recover the reasonable attorney fees, court costs, court reporters' fees, and other usual expenses related to enforcement activities or litigation against the person found to have violated this division, or the orders, rules, regulations and permits issued hereunder.

**Section 48-2-117. Fines.**

All fines, costs, and penalties which are imposed by any court of competent jurisdiction shall be payable to the Detroit Water and Sewerage Department.

**Section 48-2-118. Additional remedies.**

(a) The Buildings, Safety Engineering & Environmental Department or other authorized agent may refuse to issue a certificate of occupancy for any regulated construction activity on a development site and served by stormwater control measures until such time as the applicant or other responsible person has taken

remedial measures set forth in the notice of violation or has otherwise cured the violations described therein.

(b) The Buildings, Safety Engineering, and Environmental Department may suspend or revoke any approvals granted for the development site upon discovery of the failure of the property owner, applicant or developer to comply with the provisions of this division.

(c) So long as a violation of this division continues and remains uncorrected, the Department, the Buildings, Safety Engineering, and Environmental Department or other authorized agent may withhold, and the Department, the Buildings, Safety Engineering and Environmental Department or other authorized agent may disapprove, any request for permit or site plan approval or authorization provided by this ordinance or the zoning, subdivision, or other building regulations, as appropriate for the land on which the violation occurs.

(d) The Department may institute an action in a court of competent jurisdiction for a mandatory or prohibitory injunction and order of abatement to correct a violation of this ordinance. Any person violating this ordinance shall be subject to the full range of equitable remedies provided in the general statutes or common law.

(e) If the violation is deemed dangerous or prejudicial to the public health or public safety, the Department may cause the violation to be corrected and the costs to be assessed as a lien against the property.

(f) By issuance of an order of restoration, the Department may require a person who engaged in a regulated construction activity and failed to comply with this division to restore the waters and land affected by such failure so as to minimize the detrimental effects of the resulting pollution. The authority is in addition to any other civil penalty or injunctive relief authorized under this ordinance. If failure to comply is deemed dangerous or prejudicial to the public health or public safety, the Department, may institute an action to cause the violation to be corrected and the costs to be assessed as a lien against the property.

**Sec. 48-2-119 — 48-2-149. Reserved.**

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Permit**

Honorable City Council:

To your Committee of the Whole was referred Petition of North End Youth Improvement Council (#1354), to hold "NEYIC Adopt A Child Program Holiday Meal Drive Thru". After consultation with all the concerned departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,  
SCOTT BENSON  
Chairperson

By Council Member Benson:

Resolved, That permission be and is hereby granted to Petition of North End Youth Improvement Council (#1354), to hold "NEYIC Adopt A Child Program Holiday Meal Drive Thru" at Eastern Market on December 11, 2020 from 1:00 p.m. to 6:00 p.m. with set-up and tear down to be completed on the event date.

Resolved, That Buildings and Safety Engineering Department is hereby authorized to waive the zoning restrictions on said property during the period of the event.

Provided, That the petitioner secures a temporary use of land permit which will include the erection of any mechanical devices and temporary structures. An inspection of electrical work is required prior to opening the facility to the public, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding "use of Tents for Public Assembly", and further

Provided, That said activity is conducted under the rules and regulations of concerned departments and the supervi-

sion of the Police Department, (Grant subject to departmental conditions), and further

Provided, That such permission is granted with the distinct understanding that petitioners assume full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petitions, and further

Provided That site be returned to its original condition at the termination of its use, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Honorable City Council:

Re: Resolution Revoking the Obsolete Rehabilitation Exemption Certificate No. 3-12-0017, on behalf of Sherbrooke Land Company, LLC, in Accordance with Public Act 146 of 2000. (Related to Petition #672).

On June 11, 2020, Sherbrooke Land Company, LLC submitted a request for the revocation of Obsolete Property Rehabilitation Exemption Certificate 3-12-2017. Under MCL 125.2792(2) of the

Obsolete Property Rehabilitation Act the holder of an Obsolete Property Rehabilitation Exemption Certificate may request a revocation from the local governing.

This request is a result of the developers' decision to convert the property into for-sale owner-occupied units. As a result, the Obsolete Property Rehabilitation Exemption Certificate is no longer desired by the original applicant.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Sherbrooke Land Company, LLC has filed with the City Clerk a Request for Revocation of an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, Pursuant to P.A. 146 of 2000, as amended, after a duly noticed public hearing held on May 17, 2012, this City Council established by resolution the Sherbrooke Land Company, LLC Obsolete Property Rehabilitation District on May 22, 2017; and

Whereas, Pursuant to P.A. 146 of 2000, as amended, after a duly noticed public hearing held on October 11, 2012, this City Council approved by resolution an Obsolete Property Rehabilitation Certificate, certificate number 03-12-0017, for property located at 615 W. Hancock, Detroit, MI 48201, on October 16, 2020; and

Whereas, Pursuant to MCL 125.2792 this City Council may, by resolution, revoke an Obsolete Property Rehabilitation Exemption Certificate upon receipt of a request by the holder of the certificate requesting revocation; and

Whereas, Sherbrooke Land Company, LLC has requested revocation of Obsolete Property Rehabilitation Certificate number 03-12-0017;

Now Therefore Be It

Resolved, This City Council hereby revokes Obsolete Property Rehabilitation Certificate 03-12-0017 for Sherbrooke Land Company, LLC for property located at 615 W. Hancock, Detroit, MI 48201; and be it further

Resolved, The City Clerk shall forward said revocation to the Michigan State Tax Commission as provided by the Act.

**Office of the Chief Financial Officer  
Office of Development and Grants**

October 22, 2020

Honorable City Council:

Re: Request to accept an increase in appropriation for the State Planning and Research Grant.

The Michigan Department of Transportation (MDOT) has awarded an increase in appropriation to the City of Detroit Department of Public Works for the State Planning and Research Grant, in the amount of \$300,000.00. There is no match requirement. The total increase is \$300,000.00, bringing the total MDOT award amount to \$1,000,000.00. When this grant was first awarded, the Detroit Transportation Corporation (DTC) also contributed \$325,000.00 to the project through grant funds awarded by the Southeast Michigan Council of Governments (SEMCOG). Therefore, the total project cost is now \$1,325,000.00. This funding will increase appropriation 20634, previously approved in the amount of \$1,025,000.00, by council on May 19, 2020, to a total of \$1,325,000.00. This amendment is the second award increase for this grant.

The objective of the grant is to support the City of Detroit's Citywide Transportation Plan. The funding allotted to the department will be utilized to address key initiatives, including improving safety, supporting walking, biking, and transit, designing complete streets, policy development, data collection, education and citizen engagement. This is a reimbursement grant.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

By Council Member Benson:

Whereas, The Department of Public Works is requesting authorization to accept an increase in appropriation for the State Planning and Research Grant, from the Michigan Department of Transportation (MDOT), in the amount of \$300,000.00, in order to support the City of Detroit's Citywide Transportation Plan; and

Whereas, When this grant was first awarded, the Detroit Transportation Corporation (DTC) also contributed \$325,000.00 to the project through grant funds awarded by the Southeast Michigan Council of Governments (SEMCOG); and

Whereas, This funding will increase appropriation 20634, previously approved in the amount of \$1,025,000.00, by council on May 19, 2020, to a total of \$1,325,000.00;

Whereas, The Law Department has approved this agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the modified grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to increase the budget accordingly for appropriation number 20634, in the amount of \$300,000.00, for the State Planning and Research Grant.

Honorable City Council:

Re: Correction for Request to Accept and Appropriate the FY 2021 COVID-19 Infection Prevention Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 COVID-19 Infection Prevention Grant for a total of \$337,500.00. There is no match requirement. The original resolution authorized the use of appropriation number 20853 in order to accept the funds. We are requesting to correct the acceptance of this grant and appropriate the funds into appropriation number 20924.

The objective of the grant is to combat the COVID-19 pandemic. The funding allotted to the department will be utilized to support the costs of staff time and supplies associated with the COVID-19 response and specifically activities focused on testing, tracing, case investigations, and enforcement. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the corrected appropriation number is 20924. The fund number is 3922. This is a COVID-19 Federal Relief Grant and is subject to the reporting requirements for council in accordance with the resolution approved on July 21, 2020, creating a commitment to transparency for Federal Cares Act grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Request to Accept and Appropriate the FY 2021 SEMCOG Pass-through Grant for the Mexicantown Multilingual Wayfinding and Welcome Signage Project.

The Southeast Michigan Council of Governments (SEMCOG) has awarded the City of Detroit Department of Public Works with the FY 2021 SEMCOG Pass-through Grant for the Mexicantown Multilingual Wayfinding and Welcome Signage Project for a total of \$32,740.00. The funder share is \$32,740.00 of the approved amount, and there is a required match of \$7,260.00. The total project cost is \$40,000.00. This grant was awarded to the department in partnership with the Southwest Detroit Business Association (SDBA). The SDBA will provide the total

match and therefore, there is no City match required. The grant period is November 1, 2020 through October 31, 2021.

The objective of the grant is to complete the planning and design of the Mexicantown Multilingual Wayfinding and Welcome Signage Project. The funding allotted to the department will be utilized to identify existing conditions and needs, develop recommendations on signage type and placement, conduct public outreach meetings, develop implementation stages and present and implement a recommended approach. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20922.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Request to accept an increase in appropriation for the Coronavirus Relief Fund (CRF) – Contact Tracing Grant.

The Michigan Department of Health and Human Services has awarded an increase in appropriation to the City of Detroit Health Department for the Coronavirus Relief Fund (CRF) – Contact Tracing Grant, in the amount of \$180,000.00. There is no match requirement. The total increase is \$180,000.00. This funding will increase appropriation 20863, previously approved in the amount of \$1,349,999.00, to a total of \$1,529,999.00. The final approved appropriation, which was 20863, was submitted to council as a correction to the original approved resolution, which was approved on September 22, 2020.

The objective of the grant is to provide relief and support for the coronavirus pandemic (COVID-19) response. The funding allotted to the department will be utilized to support coronavirus response efforts related to contact tracing. The grant can be used to cover program related costs as needed, including staffing, communications, IT, office supplies, computers, phones, and indirect costs specifically for COVID-19 contact tracing related work. This is a reimbursement grant.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Honorable City Council:

Re: Property Sale. 2687 W. Grand Blvd.

The City of Detroit, Planning and Development Department (“P&DD”) has received an offer from Boulevard Property LLC, a Michigan Limited Liability Company (the “Purchaser”), to purchase certain City-owned real property at 2687 W. Grand Blvd (the “Property”) for the purchase price of Eighty Thousand and 00/100 Dollars (\$80,000.00).

Purchaser proposes to construct additional space for their adjacent retail center located at 2697 W. Grand Blvd. Currently, the property is within a B4 zoning district (General Business District). Purchaser’s proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
**KATHARINE G. TRUDEAU**

Deputy Director

By Council Member Tate,

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 2687 W. Grand Blvd., Detroit, MI (the “Property”), as more particularly described in the attached Exhibit A incorporated herein, to Boulevard Property LLC. (the “Purchaser”) for the purchase price of Eighty Thousand and 00/100 Dollars (\$80,000.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the quit claim deed for transfer of the Property to Boulevard Property LLC shall include a condition subsequent such that if the Purchaser does not clean and secure the Property within six (6) months and does not obtain a certificate of occupancy for the Property within eighteen (18) months of closing, then title to the Property may, at the sole discretion of the P&DD Director, or his or her authorized designee, revert back to City of Detroit; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Four Thousand Eight Hundred and 00/100 Dollars (\$4,800.00) shall be paid to the DBA from the sale proceeds, 2) Four Thousand and 00/100 Dollars (\$4,000.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

November 10, 2020

Honorable City Council:

Re: Amendment to Development Agreement. 1301, 1312 and 1313 Seward.

On May 31, 2018, the City of Detroit closed on the sale by development agreement of 1301, 1312 and 1313 Seward to S&S Development Group to construct two residential buildings with a total of 54 units (the "Project"). The development agreement was modified and assigned to Merrill Development, LLC (the "Developer") pursuant to a modification, assignment, assumption and consent agreement dated March 12, 2019 ("Modified Development Agreement"). The Modified Development Agreement required that construction commence by December 1, 2019 and be completed by December 1, 2020.

Since the closing, the Developer has requested to extend certain deadlines in the Modified Development Agreement to account for complications related to construction financing. Developer now anticipates closing in early 2021 on construction financing for Phase 1 of the Project, which will include construction of 27 units with 50% of the units being leased at affordable rates. Phase 2 of the Project will include construction of another 27 units with lease rates determined by available financing sources. Construction of the Project will commence by June 30, 2021 and be completed by June 30, 2025.

In support of the Project, we hereby request that your Honorable Body adopt the attached resolution authorizing an amendment to the Modified Development Agreement to reflect the above referenced revised Project completion schedule.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, On May 31, 2018, the City of Detroit, through its Planning and Development Department ("P&DD"), closed on the conveyance of certain property at 1301-1303, 1312 and 1313 Seward (collectively the "Property") to S&S Development Group, LLC subject to that certain development agreement dated November 30, 2016 ("Development Agreement"); and

Whereas, On February 1, 2019, your Honorable Body adopted that certain resolution that: (1) approved an extension of the construction commencement and completion dates for the development project contemplated in the Development Agreement and (2) authorized a Modification, Assignment, Assumption and Consent Agreement recognizing such extensions and the City's consent to assign the Development Agreement to Merrill Development

opment, LLC ("Developer"). The Development Agreement was amended by that certain Modification, Assignment, Assumption and Consent Agreement dated March 12, 2019; and

Whereas, Developer now wishes to further extend certain dates and deadlines in the Development Agreement, as amended, consistent with a revised project schedule to accommodate recent construction financing that has been secured by the Developer; Now Therefore Be It

Resolved, That the P&DD Director, or his authorized designee, be and is hereby authorized to execute an amendment to the Development Agreement that 1) requires construction of the improvements to commence by June 30, 2021 and to be completed by June 30, 2025 and 2) requires that at least 50% of the units constructed at 1312 Seward be leased at affordable rates for a period of time and at levels mutually agreed to by P&DD and Developer based on the available funding sources for the project; and Be It Further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate amendments or changes to the Development Agreement consistent with the resolution; and Be It Finally

Resolved, Any amendment to the Development Agreement will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Re: Transfer of Jurisdiction of Real Property, District 6: 7229, 7241, 7247, 7265, 7270, 7282, 7288 McDonald Street 8000, 8006 West Chicago; 10670 Grand River and 8007 Joy Road.

The City of Detroit Planning and Development Department ("PDD") has requested that the Finance Department transfer jurisdiction of certain City-owned real property at 7229, 7241, 7247, 7265,

7270, 7282, 7288 McDonald; 8000, 8006 West Chicago; 10670 Grand River Avenue and 8007 Joy Road (the "Property") to the Detroit Parks and Recreation Department ("DPR") to administer.

The total area to be transferred from PDD to DPR is 154,738 square feet. DPR proposes to develop the Property as part of the first phase of the Joe Louis Greenway (from Grand River to Tireman) with construction to initiate in Spring 2021.

PDD has determined that they do not have a specific need for the sites. DPR proposes to utilize the Property as follows:

- The McDonald Properties are zoned M4 (Intensive Industrial District) and M3 (General Industrial District). These parcels consist of approximately 28,586 square feet of vacant land. In combination with Detroit Land Bank Authority ("DLBA") parcels, DPR will develop parking, Americans with Disabilities Act ("ADA") parking, and emergency access.

- The 8000 and 8006 West Chicago parcels are zoned M4 and contain approximately 97,852 square feet. DPR intends to utilize these parcels for landscaping and to construct a segment of the pedestrian and bike pathways.

- The 10670 Grand River parcel is zoned M3 and contains approximately 19,184 square feet. DPR intends to utilize this site to provide a security control center and other amenities.

- The 8007 Joy Road parcel is zoned B4 (General Business District) and consists of approximately 9,116 square feet. DPR intends to utilize this property to provide parking and amenities.

Pursuant to Sec. 2-7-3 of the 2019 Detroit City Code, it is hereby requested by the Finance Department that Detroit City Council approve the transfer of jurisdiction of the property to the Detroit Parks and Recreation Department.

Respectfully submitted,

#### **RESOLUTION IN SUPPORT OF SENATE BILL 234**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBER McCALISTER, JR.:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, For years, the community and City officials have complained that Detroit's police shortage has worsened by the flight of recruits who receive free training through the City's police academy, only to leave for a suburban police force

upon graduation, meaning the City invests in the officer training, but sees virtually no return; and

WHEREAS, According to the police union, nearly half of the City's officers, about 800, have less the five years' experience. City records show that in recent years, 19 percent of new recruits have left the Detroit Police Department within three years of graduating from the City's police academy; and

WHEREAS, In recognizing the imbalance, Council has requested that its lawyers draft an ordinance to address this issue, however, it was determined that State law had to change, as the current State law prohibits employers from requiring reimbursement for training that is necessary as a condition to do a job without prior written consent; and

WHEREAS, If passed, Senate Bill 234, sponsored by State Senator Sylvia Santana, D-Detroit, would amend section 8 of 1978 PA 390, the Payment of Wages and Fringe Benefits Act (MCL 408.478), to allow a law enforcement agency under a signed loan forgiveness agreement, entered into on or after the effective date of the amendatory act, which would mandate newly trained police officers to repay 100 percent of their academy pay if they leave within one year; 75 percent within two years; 50 percent within three years; 25 percent within four years and 10 percent within five years; and

WHEREAS, That the Detroit City Council advocates for the efficient use of taxpayer's dollars, therefore expresses its support for Senate Bill 234. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council is hereby calling for the Michigan legislature to approve Senate Bill 234. NOW THEREFORE BE IT FURTHER

RESOLVED, That copies of this resolution be forwarded to the City of Detroit's Lansing Lobbyist, the Detroit delegation in the State Senate and State House, State Senate Committee on Judiciary and Public Safety, Mayor Mike Duggan and Governor Gretchen Whitmer.

#### **RESOLUTION REQUESTING THAT THE CITY OF DETROIT LIST ALL RFP'S IN THE MICHIGAN CHRONICLE BY COUNCIL PRESIDENT JONES:**

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, Currently the City of Detroit uses the Detroit Legal News to publish all requests for proposals (RFP), public hearing notices, employment advertisements and other pertinent information to the general public; and

WHEREAS, The Detroit Legal News, which characterizes its publication as, "The network of people behind the law," is not, by its own volition a publication intended for the casual reader; and

WHEREAS, The Detroit Legal News is a venerable publication, it is a publication that is followed primarily by individuals who work in, or closely to the legal profession or in government, but is not a publication for the typical person who is not intimately associated with the aforementioned professions. Therefore, most Detroiters, the city's African American community in particular, are left unaware of the City of Detroit's RFP's and other pertinent information it intends to share with the public; and

WHEREAS, In 1936, John Herman Henry Sengstacke, the founder of the Chicago Defender, established the Michigan Chronicle, as a weekly African-American newspaper based in Detroit. The newspaper still exists today and it is important that we not lose the Chronicle, a pillar in the community for decades, which offers a more accessible source of information for Detroiters and its African American community. Therefore, the Chronicle merits the support of the City of Detroit; and

WHEREAS, That the Detroit City Council stongly urges the Administration to consider advertising all requests for proposals (RFP), City's job postings and other pertinent information in the Michigan Chronicle to increase awareness of these opportunities to Detroiters and the African American population. NOW THEREFORE BE IT

RESOLVED, That copies of this resolution be forwarded to the Mayor, the Directors of the City's Office of Procurement and the City's Human Resources Department.

**Law Department**

November 23, 2020

Honorable City Council:

RE: Proposed ordinance to amend Chapter 20 of the 2019 Detroit City Code, Health, Article VI Medical Marihuana Facilities.

Council Member Tate has requested that the Law Department prepare an ordinance to amend Chapter 20 of the 2019 Detroit City Code, Health, Article VI, Medical Marihuana Facilities, to add regulations to allow adult-use marijuana establishments in accordance with the Michigan Regulation and Taxation of Marihuana Act, MCL 333.27951, et seq. A copy of the ordinance, which has been approved as to form, is attached for your consideration.

Respectfully submitted,  
KIMBERLY A. JAMES  
Chief Administrative  
Corporation Counsel

By Council Member Tate:

**AN ORDINANCE to amend Chapter 20 of the 2019 Detroit City Code, Health, Article VI, Medical Marihuana Facilities, by renaming the Article to Medical Marijuana Facilities and Adult-Use Marijuana Establishments, and amending such article to consist of Division 1, Generally, Section 2-6-1, Purpose, Section 2-6-2, Definitions, Section 20-6-3, Opt-in Provisions; severability, Division 2, Marijuana license review**

**committee, Section 20-6-21, Creation, Section 20-6-22, Personnel, 20-6-23, Management, Section 20-6-24, Duties and functions; Division 3, Licensing, Sections 20-6-31, License required, Section 20-6-32, Detroit legacy status, 20-6-33, Provisional licenses, Section 20-6-34, Number of licenses, Section 20-6-35, Detroit legacy certification, application periods, Section 20-6-36, License application, Section 20-6-37, Fees, Section 20-6-38, Application review process, Section 20-6-39, Inspections, investigations, review of materials submitted, Section 20-6-40, Operating requirements, Section 20-6-41, License issuance, Section 20-6-42, Renewal of license; notification of deficiency or violation, Section 20-6-43, License suspension, revocation, or denial of renewal, Section 20-6-44, Penalty, Section 20-6-45, Appeals, Section 20-6-46, Inspection by authorized local officials, and Section 20-6-47, Social equity initiatives and substance use prevention appropriations; to amend regulations for medical marijuana facilities; add regulations for adult-use marijuana establishments; and authorize business licenses for co-location, and adult-use marijuana establishments including grower, processor, retailer, secure transporter, safety compliance facility, microbusiness, marijuana event organizer, temporary marijuana event, and designated consumption establishment.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 20 of the 2019 Detroit City Code, Health, Article VI, Medical Marihuana Facilities, be renamed *Medical Marijuana Facilities and Adult-Use Marijuana Establishments*, and amended as follows:

**CHAPTER 20. HEALTH  
ARTICLE VI. MEDICAL MARIJUANA  
FACILITIES AND ADULT-USE  
MARIJUANA ESTABLISHMENTS**

**DIVISION 1. — GENERALLY**

**Sec. 20-6-1. Purpose.**

(a) The purpose of this article is to establish standards and procedures for the issuance, renewal, suspension, and revocation of business licenses for medical marijuana facilities and adult-use marijuana establishments consistent with the Michigan Medical Marihuana Facilities Licensing Act, being MCL 333.27101 et seq., and the Michigan Regulation and Taxation of Marihuana Act, being MCL 333.27951 et seq., respectively, to:

(1) To provide qualifying patients access to medical marijuana. Serve and protect the health, safety, and welfare of

the general public through reasonable regulation of marijuana business operations including noise, odor, air and water quality, food safety and public safety;

~~(2) To ensure the safety of qualifying patients, primary caregivers, and the general public. Establish an application fee and a licensing fee for medical marijuana facilities and adult-use marijuana establishments to cover the City's costs in administering this ordinance;~~

~~(3) To ensure that a portion of the City's costs in accommodating medical marijuana facilities are supplemented. Establish procedures for application, renewal, suspension, and revocation of a business license for medical marijuana facilities, and for adult-use marijuana establishments;~~

~~(4) To minimize adverse effects, if any, from the cultivation, processing, dispensing and storage of medical marijuana; and~~

~~(5) To comply with the Michigan Medical Marijuana Act, being MCL 333.26421 et seq., all in order to protect and enhance the public health, safety, and welfare. Adopt reasonable regulations as needed pursuant to the City's general police power granted to cities by the Michigan Constitution of 1963 and the Michigan Home Rule City Act, being MCL 117.1 et seq.;~~

(6) Recognize that social equity in the marijuana industry is required to address the historical disproportionate impact of marijuana prohibition and enforcement on Detroiters, and that the City of Detroit has been expressly named by the State of Michigan's Social Equity Program as a community that has been disproportionately impacted by marijuana prohibition and enforcement;

(7) Recognize that long-term residents of the City of Detroit have historically been excluded from ownership opportunities in the legal marijuana industry due to the disproportionate impact of marijuana prohibition, enforcement, and the lack of access to capital, land, and resources; that more than 30% of Detroiters live below the federal poverty level; that Detroit has a marijuana-related criminal conviction rate that exceeds the average marijuana-related criminal conviction rate in the State of Michigan; and that long-term Detroit residents have substantially contributed to the economy in the form of taxes and fees to the extent that a reduction in fees and reservation of adult-use retailer, adult-use grower, adult-use processor, designated consumption, marijuana event organizer, and microbusiness licenses for long-term Detroit residents under this article is appropriate as a form of social equity;

(8) Recognize that employment opportunities in the legal marijuana industry are essential for Detroiters, and to strongly encourage and incentivize licensees under this article to ensure that at least 50% of its

employees are Detroit residents, specifically those Detroit residents who are veterans, low income, or have a prior controlled substance record, as such terms are defined in Section 20-6-2, and that the jobs provided pay at least \$15 an hour;

(9) Facilitate real property ownership opportunities for Detroit residents, for the purpose of operating adult-use marijuana establishments licensed under this article and MRTMA; the City of Detroit shall use good faith efforts to transfer eligible City-owned real property to one of the City's economic development agencies or authorities, for the specific purpose of transferring the property to Detroit legacy applicants or licensees, as defined in Section 20-6-2, at 25% of the property's fair market value. Such a transfer would be subject to applicable approvals by the City of Detroit and the economic development agency or authority board, as well as certain program rules that may be developed. The development and use of the transferred property would be subject to all requirements of this Code and MRTMA;

(10) Recommend that, subject to appropriation, amounts equal to \$500,000 of the fees generated from the licenses issued pursuant to this article, and \$500,000 from an allocation to the City of Detroit pursuant to MCL 333.27964 be used annually to further social equity goals, including, but not limited to, addressing the challenges set forth in Subsections (6), (7), (8), and (9) of this section; and to

(11) Clarify that licensure of either a medical marijuana facility or an adult-use marijuana establishment is a revocable privilege and not a right in the City. There is no property right for an individual or business to have a medical marijuana facility business license or an adult-use marijuana establishment business license in the City of Detroit.

(b) ~~Nothing in this article, or within any license issued by the City, shall be construed to relieve a person of the duties and obligations imposed under state law. Notwithstanding the foregoing, it is not the intent of this article to diminish, abrogate or restrict protections for the medical use of marijuana provided in the Michigan Medical Marijuana Act, being MCL 333.26421 et seq. Nothing in this Article, or in any other provision of this Code, is intended to grant, nor shall it be construed as granting, immunity from criminal prosecution for;~~

(1) The cultivation, sale, consumption, use, distribution, manufacture or possession of marijuana in any form not in compliance with the MMMA, the MMFLA, and the MRTMA, as applicable; or

(2) any criminal prosecutions under federal laws including seizure of property under the Federal Controlled Substances Act, being 21 USC 801 et seq.

(c) Nothing contained within this Article, or within any license issued by the City, shall be construed to relieve a person of the duties and obligations imposed under state or federal law. Notwithstanding the foregoing, it is not the intent of this Article to diminish, abrogate or restrict protections for the use of marijuana provided in the MMMA, the MMFLA, and the MRTMA, as applicable.

(d) By accepting a license issued pursuant to this Article, the licensee waives and releases the City, its officers, elected officials, and employees from any liability for injuries, damages, or claim of any kind that results from any arrest or prosecution of owners, operators, clients or customers of medical marijuana facilities or adult use marijuana establishment for violation of local, state or federal laws, rules, or regulations.

(e) By accepting a license issued pursuant to this Article, the licensee agrees to indemnify, defend and hold harmless the City, its officers, elected officials, employees, and agents against all liability, claims or demands arising on account of any claim of diminution of property value arising out of the operation of a medical marijuana facility or an adult use marijuana establishment, or any claim based on an alleged injury to business or property by reason of a claimed violation of the federal Racketeer Influenced and Corrupt Organizations Act (RICO), being 18 USC 1961 *et seq.*

**Sec. 20-6-3. Penalty. REPEALED.**

(a) Any violation of this article shall be a civil infraction punishable by a fine in an amount set from time to time by resolution of the City Council.

(b) In addition to the penalties provided by this section, the district court shall have equitable jurisdiction to enforce any judgment, writ, or order necessary to enforce any provision of this article, including, but not limited to, abatement of the violating condition or the granting of injunctive relief.

(c) Contested hearings under this section before the district court may be conducted as an informal hearing and as a formal hearing, as may be applicable, as provided by the Michigan Revised Judicature Act of 1961, being MCL 600.101 et seq.

**Sec. 20-6-420-6-3. Opt-in provision; severability.**

(a) Pursuant to Section 205(1) of the MMFLA, Michigan Medical Marijuana Facilities Licensing Act, being MCL 333.27205(1), the City shall authorize licenses in accordance with the provisions of this article for the following types of medical marijuana facilities:

- (1) Growers (Class A, Class B, and Class C);
- (2) Processors;
- (3) Provisioning centers;
- (4) Safety compliance facilities; and
- (5) Secure transporters.

(b) Pursuant to Section 6(3) of the MRTMA, the City may authorize licenses in accordance with the provisions of this article for the following types of marijuana establishments:

- (1) Growers;
- (2) Retailers;
- (3) Processors;
- (4) Safety compliance;
- (5) Secure transporters;
- (6) Temporary marijuana events;
- (7) Marijuana event organizers;
- (8) Designated consumption establishments; and
- (9) Microbusinesses.

(c) The City may sign attestations or other documents to evidence municipal approval for a state operating license as required by the State of Michigan Marijuana Regulatory Agency only upon issuance of a license under this article.

(d) Detroit City Council is exercising its discretion to permit adult-use marijuana establishments in Detroit as supported by the legal opinion of the Corporation Counsel that the ordinance is lawful, and on the condition that licenses for Detroit legacy applicants shall be prioritized in accordance with the legislative purpose of this ordinance. Should any provision of this ordinance governing adult-use marijuana

establishments be ruled invalid, unconstitutional or struck down by a court of law, Subsection (b) of this section will be thereto repealed, and future adult-use marijuana establishments will be prohibited in accordance with Section 6(1) of the MRTMA, excluding those adult-use marijuana establishments previously licensed under this article, which licenses shall continue in effect until their expiration date, after which time they will not be renewed.

**Sec. 20-6-5. Requirements. REPEALED.**

A medical marijuana facility licensed under this article shall be subject to the following conditions:

(1) Compliance with the requirements of this article, this Code, and applicable state law;

(2) Compliance with the provisions of the Michigan Medical Marijuana Facilities Licensing Act, being MCL 333.27101, and the Michigan Medical Marijuana Act, being MCL 333.26421 et seq.;

(3) Medical marijuana facilities must obtain all necessary state and local license/permits before commencing operations and shall maintain a valid license/permit during operation;

(4) No provisioning center may provide medical marijuana to any person other than qualifying patients and primary caregivers whose status to possess medical marijuana pursuant to state law has been verified. A provisioning center may provide medical marijuana to a secure transporter for the purpose of transporting the material for testing;

(5) No person under the age of 18 shall be allowed within any medical marijuana facility, unless the individual is a qualifying patient and accompanied by his/her primary caregiver parent or documented legal guardian;

(6) No medical marijuana facility shall permit the sale or dispensing of alcoholic liquor or tobacco for consumption on the premises or offsite of the premises;

(7) No dried medical marijuana shall be stored in structures without at least four walls and a roof, or stored in an unlocked vault or safe, or other unsecured storage structure; nor shall any dried medical marijuana be stored in a safe or vault that is not bolted to the floor or structure of the facility. This does not include items on display for retail sale;

(8) Operating hours for provisioning centers shall not exceed the hours between 9:00 a.m. and 9:00 p.m. daily;

(9) Signs displayed on the exterior and interior of the property shall conform to the requirements of this Code. No signs shall contain the word marijuana nor shall any sign contain marijuana leaves, or green crosses.

(10) Consumption or use of marijuana is prohibited on the premises.

(11) Public and common areas of a

medical marijuana facility must be separated from restricted and non-public areas by a permanent opaque barrier that cannot be accessed by individuals who are not approved to have access.

(12) Marijuana and marijuana-infused products may not be stored, displayed, or transferred in an area accessible to the general public, and may only be displayed for sale and transferred in sales areas approved as part of their licensing process set forth in this article.

**Sec. 20-6-6. Police review. REPEALED.**

For purposes of ensuring compliance with this article, owners and/or operators of licensed medical marijuana facilities shall permit members of the Police Department, or any employee or agent of the City that is authorized by this Code, to inspect, during regular business hours, any portion of a medical marijuana facility, subject to constitutional restrictions on unreasonable searches and seizures. Where entry is refused or not obtained, the City is authorized to pursue recourse as provided by law.

**Secs. 20-6-720-6-4 – 20-6-20. Reserved.**

**DIVISION 2. MARIJUANA LICENSE REVIEW COMMITTEE**

**Sec. 20-6-21. Creation.**

There is hereby established a Marijuana License Review Committee ("MLRC"), which shall perform its duties and exercise its powers in accordance with this article.

**Sec. 20-6-22. Personnel.**

The MLRC shall consist of a staff member of each of the departments and agencies that are identified in this section. The directors of the respective departments and the heads of the respective agencies identified in this section shall each appoint a qualified representative or representatives from among their respective staffs to serve on the MLRC. The respective departments and agencies that must appoint representatives to the MLRC are as follows:

- (a) Office of the Chief Financial Officer, Assessor;
- (b) Buildings, Safety Engineering, and Environmental Department;
- (c) Office of the Chief Financial Officer, Treasury;
- (d) Health Department;
- (e) Law Department;
- (f) Police Department;
- (g) Civil Rights, Inclusion and Opportunity Department;
- (h) Office of Sustainability;
- (i) Department of Neighborhoods; and
- (j) Such other departments, agencies, or individuals as deemed appropriate by the chairperson on a case by case basis.

**Sec. 20-6-23. Management.**

(a) The representative from the Civil Rights, Inclusion, and Opportunity Department, serves as chairperson of the

MLRC and shall maintain a record of applications, licenses granted under this Article and other relevant files as needed.

(b) The MLRC may meet in person or virtually at the call of the chairperson, and shall receive all materials for review electronically.

(c) The MLRC shall develop a standard of review for making recommendations on license applications under this article that shall be approved by the Detroit City Council prior to reviewing any applications.

**Sec. 20-6-24. Duties and functions.**

(a) New or renewal applications for a medical marijuana facility license or an adult-use marijuana establishment license shall be reviewed by the MLRC and a recommendation provided to the Department director before a license may be issued or renewed by the Department in accordance with the applicable review criteria set forth in this article. For temporary marijuana events, the MLRC shall make its recommendation to the Detroit City Council, which must approve the temporary marijuana event, before a permit is issued by the Department.

(b) Each department representative shall be responsible for investigating the application within its department's respective area of oversight, providing relevant information, reports or data to the MLRC for review, including, but not limited to the information set forth in Section 20-6-39.

(c) Through the Chair, the MLRC may communicate and meet with the applicant, visit the proposed site to be licensed, and request certain conditions be met prior to recommending approval of the issuance of a license.

(d) After December 31, 2021, and excluding temporary marijuana events, applications shall be reviewed and a recommendation provided by the MLRC to the Department within 90 days of receipt of a complete application as determined by the MLRC, or the application shall be forwarded to the Department without recommendation.

(e) Every six months after the effective date of this ordinance, the MLRC will provide a report to the Detroit City Council including the following information:

- (1) name of all applicants, date of application, and application status;
- (2) name of all licensees, locations, and license date;
- (3) number of licenses issued by license category; and
- (4) Details of each applicant's Good Neighbor Plan.

(f) Members of the MLRC shall take ethics training two times per calendar year, as provided by the City of Detroit.

**Secs. 20-6-720-6-25 – 20-6-30. Reserved.**

**DIVISION 23. — LICENSE LICENSING**

**Sec. 20-6-2420-6-31. License Required.**

(a) No person may operate a medical marijuana facility or an adult-use marijuana establishment in the City without first obtaining a license from the City and a state operating license in accordance with the provisions of this article. A separate license under this article is required for each ~~medical marijuana facility business~~ with a state operating license operating in one building. A co-location license is required for a property owner that maintains more than one medical marijuana facility or adult-use marijuana establishment in one building.

(b) ~~A provisioning center in operation on the effective date of this article may continue to operate provided it: (1) has applied to obtain a license from the City within 21 days of the effective date of this article; and (2) complies with the license requirements imposed by Section 20-6-5 of this Code, as determined by the Buildings, Safety Engineering and Environmental Department, within 120 days of the effective date of this article.~~ No more than one medical marijuana provisioning center and one marijuana retailer establishment may be licensed in any single building.

(c) License applications shall be time and date stamped in order of submission in each category of licensure.

(d) No less than 50% of licenses for adult-use retailers, adult-use processors, adult-use growers, designated consumption establishments, microbusinesses, and marijuana event organizers shall be granted to Detroit legacy applicants as defined in Section 20-6-2.

(e) The City shall not issue a license for an adult-use retailer, adult-use processor, designated consumption establishment, microbusiness, or a marijuana event organizer if such issuance would cause the number of licenses held by Detroit legacy licensees to be less than 50% of the total licenses held in each respective category.

(f) Excluding those applicants for marijuana event organizer licenses, all applicants must conduct community outreach, as defined in Section 20-6-2, and provide a community outreach report and a community outreach plan with the application. The applicant must forward notice of the community outreach to the Department of Neighborhoods. The Department of Neighborhoods shall send digital notification of the pending application to all registered users in the Council district where the business is proposed to be located.

**Sec. 20-6-32. Detroit legacy status.**

Applicants may seek Detroit legacy status by applying to the Civil Rights, Inclusion, and Opportunity Department (CRIO) electronically on a form provided by CRIO, with documentation required to establish Detroit legacy applicant status. Once certified by CRIO, applicants may submit a license application under this article as a

Detroit legacy applicant. A Detroit legacy licensee must complete such certification annually prior to license renewal.

**Sec. 20-6-33. Provisional licenses.**

(a) Detroit legacy applicants may apply for a provisional license for adult use marijuana establishments, excluding temporary marijuana event permits and marijuana event organizer licenses, under the following circumstances:

(1) The applicant has been certified as a Detroit legacy applicant;

(2) The applicant does not yet have a location that is properly zoned to operate the adult-use marijuana establishment for which the applicant seeks licensing; and

(3) The applicant meets all of the requirements of this article other than those related to the location where the adult-use marijuana establishment will be licensed.

(b) A provisional license will be converted to a full license if the applicant establishes a location that is properly zoned and meets the other requirements of this article within 12 months from the date of the provisional license, subject to the numerical caps set forth in Section 20-6-34.

(c) A licensee may not commence operations until it has received a full license under this article and a state operating license.

(d) A provisional license will not be counted as a full license for purposes of the numerical caps established under Section 20-6-34 of this Code, nor in determining whether the requirements of Section 20-6-31(d) and (e) are met until it has been converted to a full license.

**Sec. 20-6-34. Number of licenses.**

The City hereby establishes the following numerical caps and may grant licenses for medical marijuana facilities and adult-use marijuana establishments, subject to the requirements of this article, in accordance with this chart below:

Medical Marijuana Provisioning Center	75
Adult-Use Retailer Establishment	75
Grower	unlimited
Processor	unlimited
Secured Transporter	unlimited
Safety Compliance Facility	unlimited
Designated Consumption Lounge	35
Microbusiness	35
Marijuana Event Organizer	unlimited
Temporary Marijuana Event	unlimited

**Sec. 20-6-35. Detroit legacy certification; application periods.**

(a) Upon the effective date of this ordinance, the City may immediately accept applications for medical marijuana facility licenses under this article. Applications for medical marijuana facility licenses that

are under consideration by the City upon the effective date of this article shall not be subject to the requirements of this article, except that the number of medical marijuana provisioning center licenses is subject to the numerical cap set forth in Section 20-6-34.

(b) Upon the effective date of this ordinance, the Civil Rights, Inclusion and Opportunity Department will begin certifying Detroit legacy applicants.

(c) The City will begin accepting applications for adult-use marijuana establishment licenses on April 1, 2021, and shall review license applications submitted by April 30, 2021 within the time periods set forth in Subsections (d) and (e), below.

(d) From May 1, 2021 through June 15, 2021, there will be a reserved review period wherein the City will review and may approve applications for adult-use marijuana establishment licenses from Detroit legacy applicants, as well as applications for adult-use growers from current holders of a state operating licence for a medical marijuana facility in the City of Detroit. An eligible applicant who wishes to be considered during this time period must submit a complete application by April 30, 2021. The chronological order of reviewing license applications under this subsection shall be determined by an independent, transparent, and random selection process.

(e) From June 16, 2021 through July 31, 2021, there will be a reserved review period wherein the City will review and may approve applications for adult-use marijuana establishment licenses, from holders of a state operating license for a medical marijuana facility in the City of Detroit. An eligible applicant that wishes to be considered during this time period must submit a complete application by April 30, 2021. The chronological order of reviewing license applications under this subsection shall be determined by an independent, transparent, and random selection process.

(f) After both review periods forth in Subsections (d) and (e) are completed, the City will determine whether no less than 50% of adult-use grower licenses have been issued to Detroit legacy applicants in accordance with Section 20-6-31(d) of this Code, and, if not, shall not issue any more adult-use grower licenses to applicants other than Detroit legacy applicants until this requirement has been met.

(g) Beginning April 1, 2021, and continuing thereafter, the City will accept applications for temporary marijuana events. Applications must be submitted at least 90 days in advance of the event.

(h) Beginning August 1, 2021, and continuing thereafter, the City will review and may approve applications for adult-use marijuana establishment licenses from any applicant.

(i) The City may postpone or modify the timelines set forth in this section for reviewing applications to later dates out of administrative necessity, and shall inform the public forthwith.

The fee shall be intended to defray costs incurred by the City to process and monitor licensed facilities and establishments, and may be different for each license type. The fee shall be posted on a schedule at the Department.

(d) For the first year of licensure, the license fee for a Detroit legacy applicant shall be 1% of the fee established in accordance with Subsection (c) of this section. For the second year of licensure, the license fee for a Detroit Legacy licensee shall be 25% of the fee established in accordance with Subsection (c) of this section, and for all subsequent years of licensure, the full fee shall apply.

(e) A non-refundable license fee shall be paid prior to issuance of a provisional license. The license fee shall be in an amount established from time-to-time by the Director of the Department, shall be no more than the fee for the first year of licensure of a Detroit Legacy applicant, and shall be approved by resolution of the City Council. The fee shall be intended to defray costs incurred by the City to process and monitor provisional licenses. The fee shall be posted on a schedule at the Department.

(f) A non-refundable application fee shall be charged for the processing and certification, or renewal of a Detroit legacy applicant or licensee in accordance with Section 20-6-32 of this Code. The certification fee shall be in an amount established from time-to-time by the Director of the

Civil Rights, Inclusion, and Opportunity Department and shall be approved by resolution of the City Council. The fee shall be posted on a schedule in the Civil Rights, Inclusion, and Opportunity Department.

**Sec. 20-6-2420-6-38 – Application review process.**

~~(a) The Buildings, Safety Engineering, and Environmental Department shall review each application to ensure that it is complete, that the information required by this article has been submitted, and that the application fee has been paid. For each new application or renewal of a medical marijuana facility or adult-use marijuana establishment license submitted under this article, the Department will confirm whether the application is complete and that the application fee has been paid.~~

The Department may reject any application that contains insufficient information and may deny an application for failure to pay the application fee. If the Department determines that an application contains insufficient information the applicant shall be notified and will have ~~4-15~~ 15 business days after the notification is sent to supplement the information in the application, after which time the application will be dismissed, and a new application and application fee will be required.

(b) Upon receipt of a complete application, the Department will forward the application materials to the MLRC for review and a recommendation.

(c) The MLRC shall consider the information submitted by the applicant and the requisite departments before providing a recommendation.

(d) Upon receipt of a favorable recommendation from the MLRC, the Department may issue the license in the manner required by this article.

(e) The applicant shall pay the license fee prior to receiving a license.

**Sec. 20-6-2520-6-39. – Inspections; investigations; review of materials submitted.**

(a) Upon application and before any license under this article is issued for a medical marijuana facility or an adult-use marijuana establishment, the application shall be referred to appropriate departments of the City, ~~including divisions of the Buildings, Safety Engineering and Environmental Department and the Fire Department,~~ for respective reports to be provided to the MLRC on compliance with this Code and state law, rules and regulations, including the following:

(1) *Zoning.* The medical marijuana facility or adult-use marijuana establishment shall meet applicable requirements of the Detroit Zoning Ordinance, being Chapter 50 of this Code. For purposes of this article, license applicants for adult-use marijuana establishments shall be deemed to have appropriate zoning if the property is zoned properly for an equiva-

lent license under the MMFLA or as set forth in Subsections (13), (14) and (15) of Section 20-6-36;

(2) Building and Property Maintenance Codes. The medical marijuana facility or adult-use marijuana establishment shall meet applicable requirements of the Stille-DeRossett-Hale Single State Construction Code Act, being MCL 125.1501 *et seq.*, and the Property Maintenance Code, being Chapter 8, Article XV of this Code;

(3) A property that is the designated location and subject of an application for a business license for a temporary marijuana event shall have a certificate of occupancy, a certificate of compliance, and no outstanding blight violations, inspection fees, or property taxes;

(4) Fire protection and safety. The medical marijuana facility or adult-use marijuana establishment shall meet applicable requirements of the Detroit Fire Prevention and Protection Code, being Chapter 18, Article I, of this Code;

(5) Plumbing. The medical marijuana facility or adult-use marijuana establishment shall meet applicable requirements of the Stille-DeRossett-Hale Single State Construction Code Act, being MCL 125.1501 *et seq.*, and the Michigan Plumbing Code, being Chapter 8, Article V, of this Code;

(6) Ventilation. Proper ventilation, either natural or mechanical, shall be provided so that each person within a medical marijuana facility or adult-use marijuana establishment will be supplied with 1,200 cubic feet of air per hour, or as required by applicable state code, whichever is greater;

(7) Lighting. The medical marijuana facility or adult-use marijuana establishment shall have adequate lighting in every part of the premises in compliance with applicable requirements of the Michigan Electrical Code, being Chapter 8, Article III, of this Code;

(8) Health and sanitation. All rooms within a medical marijuana facility or adult-use marijuana establishment housing toilet facilities shall be equipped with sanitary towels of a type acceptable to the Health Department. All rooms within the premises shall meet the requirements of the Michigan Public Health Code, being MCL 333.1101 *et seq.*, including those concerning food preparation and sanitation.

(b) A license shall not be issued or renewed until satisfactory inspections and reviews are completed by the departments delineated in Subsection (a) of this section, and written reports are issued indicating that the applicant complies with the requirements of this section.

(c) In addition to the inspections required above, upon application and before any license under this article is issued for a medical marijuana facility or

adult-use marijuana establishment, including provisional licenses and marijuana event organizer license applications, the application shall be referred to the City's Police Department and Finance Department for respective reports on compliance with the following:

(1) The Police Department shall complete criminal background checks on all individuals who are part of the ownership entity;

(2) The Finance Department shall cause an investigation to be completed to determine whether any property or income taxes, special assessments, fines, fees or other financial obligations to the City are unpaid, outstanding and/or delinquent at the licensed location or from the applicant, its owners, directors, officers, members, managers, partners, and shareholders.

(d) A license shall not be issued or renewed under this article until satisfactory inspections and reviews are completed by the departments delineated in Subsection (c) of this section. A license shall not be issued or renewed by the Department until both of the following have occurred: (1) the Police Department provides written confirmation that all individuals who are part of the ownership entity do not have any felony convictions related to violent crimes, fraud, embezzlement or dishonesty; and (2) the Finance Department provides written confirmation that all individuals making up the ownership entity are not in arrears for any property or income taxes, special assessments, fines, fees or other financial obligations to the City.

(e) If the applicant is a current or former medical marijuana facility licensee, the MLRC shall consider the applicant's operational history, experience, and tax-paving history.

(f) The MLRC shall also take social equity considerations into account when recommending approval or denial of a license, including, but not limited to:

(1) Whether the applicant intends to ensure that at least 50% of its employees are Detroit residents, especially those Detroit residents who are veterans, low income as defined in Section 20-6-2 of this Code, and/or have a prior controlled substance record as defined in Section 20-6-2, and that the jobs provided pay at least \$15 an hour;

(2) Whether an applicant for a grower or processor license intends to supply businesses owned by Detroit legacy licensees; and

(3) The applicant's Good Neighbor plan submitted in accordance with Section 20-6-36(a)(19).

**~~Sec. 20-6-26. REPEALED.~~**

~~(a) In addition to the inspections required above, upon application and before any license under this article is~~

issued for a medical marijuana facility, the application shall be referred to the Police Department and Office of Chief Financial Officer for respective reports on compliance with the following:

(1) The Police Department shall complete criminal background checks on all individuals listed within the application; and

(2) The Office of Chief Financial Officer shall cause an investigation to be completed to determine whether any property or income taxes, special assessments, fines, fees or other financial obligations to the City are unpaid, outstanding and/or delinquent.

(b) A license shall not be issued or renewed until satisfactory inspections and reviews are completed by the departments delineated in Subsection (a) of this section. A license shall not be issued or renewed by the Buildings, Safety Engineering and Environmental Department for any medical marijuana facility until after both of the following have occurred:

(1) The Chief of Police provides written confirmation that all individuals listed within the application do not have any felony convictions related to illegal narcotics, fraud, embezzlement or dishonesty; and

(2) The Chief Financial Officer provides written confirmation that the applicant is not in arrears for any property or income taxes, special assessments, fines, fees, or other financial obligations to the City.

**Sec. 20-6-27. License fee. REPEALED.**

A license fee shall be paid upon the issuance of a license under this article. The license fee shall be in an amount established from time to time by the Director of the Buildings, Safety Engineering and Environmental Department and shall be approved by resolution of the City Council. The fee shall be intended to defray the costs incurred by the City to process and monitor licensed facilities. The fee shall be posted on a schedule in the Department.

**Sec. 20-6-40. Operating requirements.**

A medical marijuana facility or adult-use marijuana establishment licensed under this article shall be subject to the following conditions:

(1) Compliance with the requirements of this Code, and all applicable state and federal laws;

(2) Compliance with the provisions of the MMFLA or the MRTMA;

(3) Medical marijuana facilities and adult-use marijuana establishments must obtain all necessary state and local licenses before commencing operations and shall maintain a valid state operating license and business license under this article at all times during operation;

(4) No persons under the age of 18 may be allowed within any medical mari-

juana facility or adult-use marijuana establishment, unless the individual is a qualifying patient or accompanied by his or her primary caregiver, parent, or documented legal guardian;

(5) No medical marijuana facility or adult-use marijuana establishment shall permit the sale or dispensing of alcoholic liquor or tobacco for consumption on or off the premises;

(6) Operating hours for provisioning centers, retailer establishments, and microbusinesses shall not exceed the hours between 9:00 a.m. and 10:00 p.m. daily. Designated consumption establishments may operate between 9:00 a.m. and 2:00 a.m. daily;

(7) Signs displayed on the exterior and interior of the property shall conform to this Code. No signs shall contain the words "marijuana," "marijuana" or "cannabic," nor shall any sign contain marijuana, leaves, green crosses, or lighting that violates this Code. An adult-use marijuana establishment may post signage identifying the location as being a certified Detroit Legacy establishment only if the owner is certified as a Detroit legacy licensee. Signs displayed on the exterior and interior of the property, shall conform to this Code and applicable state law requirements.

(8) Public and common areas must be separated from restricted and non-public areas by a permanent opaque barrier that cannot be accessed by individuals not approved as personnel.

**Sec. 20-6-2920-6-41. License issuance.**

(a) If the application and proposed medical marijuana facility meets all the requirements of this article, the Buildings, Safety Engineering and Environmental Department shall issue a license in writing. When the application and proposed medical marijuana facility or adult-use marijuana establishment has been reviewed by the MLRC and a recommendation regarding the license, or an approval for a temporary marijuana event permit by City Council, is provided to the Department, the Department may issue a license in writing after the license fee is paid. A license that is issued under this article shall be continually posted at all times inside the licensed medical marijuana facility or adult-use marijuana establishment in a conspicuous location near the entrance.

(b) Except for a temporary marijuana event permit, which shall expire when the event concludes, the term of a license shall be not more than one year and shall expire each year on September 30. Any application to renew a license shall be made using the procedure for an original license as specified herein as specified in Section 20-6-42.

(c) A license issued under this article is non-transferable, except for application for transfer which shall be granted if the trans-

forer is eligible to hold that license. A new owner or operator of a licensed business under this article must obtain a new business license in accordance with this article before the City will provide the attestation or other municipal approval required for a transfer by the State of Michigan Marijuana Regulatory Agency.

(d) ~~A renewal license shall be issued unless the license has not been renewed by the Michigan Department of Licensing and Regulatory Affairs.~~ A business owned by a Detroit legacy applicant and licensed under this article shall not be transferred, sold, or conveyed to anyone other than another Detroit legacy applicant for a period of five years from the date of the initial license granted, or the licensee will lose its Detroit legacy status and must re-apply and be approved for a license as a general applicant before operating.

**Sec. 20-6-42. Renewal of license; notification of deficiency or violation.**

(a) At least 120 days prior to the expiration of a license issued under this article, licensees must submit a renewal application electronically on a form to be provided by the Department. The renewal application shall include, but is not limited to:

(1) Changes to the ownership structure of the licensee, or an affidavit attesting that no changes have occurred;

(2) A copy of the state operating license for the medical marijuana facility, adult-use marijuana establishment or licensed activity;

(3) Confirmation that the licensee is still a Detroit legacy applicant, if applicable.

(b) The MLRC shall review and provide a recommendation for all applications for renewal. A license under this article may be renewed by the Department after the MLRC has confirmed the following:

(1) The licensee has paid all applicable City of Detroit income taxes and property taxes;

(2) All employees of the licensee and all natural persons who make up the ownership entity have filed City of Detroit income tax returns for the preceding tax year;

(3) The licensee has paid all fees, fines or any other financial obligations owing the City of Detroit;

(4) The licensee holds a valid state operating license for each use permitted at the site;

(5) There are no outstanding licensing violations from the City of Detroit or State of Michigan pertaining to the operation of the licensed business;

(6) The licensed premises has a current certificate of compliance from the Department;

(7) The police department has indicated that no criminal activity, which would require a nonrenewal, has

occurred pertaining to the operation of the licensed business during the license period immediately preceding that for which the renewal license is sought;

(8) That the licensee has operated as a good corporate citizen with respect for its surrounding environment, has kept its commitments in its Good Neighbor Plan and community outreach plan, and has complied with the requirements of this article, and the MMFLA or the MRTMA.

(c) Where there is an existing deficiency of a requirement under this Code or a violation of this article concerning the premises or licensee that can be cured, the licensee shall be notified by the Department or the MLRC and must cure the deficiency before a renewal license is issued. If the deficiency is not cured within 30 days of the licensee being notified, the license and renewal application will expire and a new license application will have to be filed with a new associated fee.

**Sec. 24-6-29. Denial, suspension, revocation.**

(a) ~~the following shall constitute grounds for the Buildings, Safety Engineering and Environmental Department to deny issuance of a license or to suspend or revoke a license issued pursuant to this article:~~

(1) ~~Any fraud, misrepresentation or false statement in an application, any materials filed with an application or related to a license, any materials provided in conjunction with an application or license, or any statement related to an application or license made to any City officials or agents; or~~

(2) ~~Non compliance with, or a violation of, this article, this code, or any violation of state law relating to the operation of a medical marijuana facility.~~

(b) ~~Written notice of suspension or revocation, stating the cause or causes of suspension or revocation, shall be mailed to the licensee's address as shown in the application for a license.~~

(c) ~~Any person aggrieved by the suspension or revocation of a license under this article may appeal to the Building Authority Commission by filing with the office of the City Clerk a written appeal within ten days after suspension or revocation. The Clerk shall set a time and place for a hearing on such appeal, and notice of such hearing shall be given to the appellant in writing. After said hearing, the decision and order of the Commission on any such appeal shall be final and conclusive.~~

**Sec. 20-6-43. License suspension, revocation, or denial of renewal.**

(a) A license that is issued under this division may be suspended, revoked, or denied renewal in accordance with this article and with Chapter 28 of this Code.

(b) In addition to Subsection (a) of this

section, the Department may also suspend, revoke, or deny renewal of a license in accordance with the procedures in Chapter 28 of this Code, based on any of the following:

(1) A failure to meet the conditions or maintain compliance with the standards established by this article;

(2) One or more uncorrected violations of any City ordinance on the premises;

(3) Maintenance of a nuisance or criminal activity on the premises;

(4) A demonstrated history of excessive complaints for public safety intervention, which may include dispatches of police, fire or emergency medical services, relative to the licensed premises, being three or more runs in any 30-day period;

(5) Failure to obtain or maintain proof of a criminal background check for each employee confirming that they have not been convicted of any felony within the past 10 years, and have never been convicted of a felony involving illegal drugs other than marijuana, or a felony that is an assaultive crime as defined in Chapter X, Section 9a of the code of criminal procedure, being MCL 770.9a;

(6) Non-payment of any property or income taxes, special assessments, fines, fees or other financial obligations to the City;

(7) Any fraud, misrepresentation or false statement in an application, in any materials filed with an application or related to a license, any materials provided in conjunction with and application or license, or in any statement related to an application or license made to any City officials or agents;

(8) Any instance of operating a medical marijuana facility or adult-use marijuana establishment without a license under this article and a state operating license; or

(9) Any other grounds for suspension, revocation or non-renewal set forth in this Code.

**Sec. 20-6-44. Penalty.**

(a) A licensee who commits a violation of this article:

(1) May be subject to a misdemeanor ordinance violation and a fine of not more than \$500.00, in the discretion of the court, for each such offense;

(2) May be subject to nonrenewal, revocation, or suspension of its business license under this article and Section 28-1-7 of this Code; and

(3) May be subject to any other sanctions or penalties under applicable laws, rules, or regulations.

(b) Each day of continued violation shall constitute a separate offense.

**Sec. 20-6-45. Appeals.**

Applicants may file appeals of adverse determinations under this article with the City of Detroit Administrative Appeals Bureau as set forth in Chapter

3, Article IV, of this Code, in accordance with its published rules.

**Sec. 20-46. Inspection by authorized local officials.**

For purposes of ensuring compliance with this article, applicants and licensees shall permit authorized local officials to inspect, during regular business hours, any portion of a medical marijuana facility or adult-use marijuana establishment, subject to constitutional restrictions on unreasonable searches and seizures. Where entry is refused or not obtained, the City is authorized to pursue recourse as provided by law.

**Sec. 20-6-47. Social equity initiatives and substance use prevention appropriations.**

(a) The Office of Budget is hereby authorized to appropriate \$2,000,000 from prior year fund balance to the Civil Rights, Inclusion, and Opportunity Department to support the initial social equity initiatives and activities performed by the City in accordance with the legislative purposes of this article. Subject to the annual budget process, it is expected that the City's annual budget will contain a \$1,000,000 appropriation to the Civil Rights, Inclusion, and Opportunity Department to support the ongoing social equity initiatives and activities performed by the City in accordance with the legislative purposes of this article.

(b) Subject to the annual budget approval process, the City's annual budget will contain an appropriation, equal to two percent (2%) of the gross allocation received by the City of Detroit in the previous fiscal year pursuant to MCL 333.27964, to the Detroit Health Department for substance use prevention programming for youth.

**Secs. ~~20-6-80~~20-6-48 - 20-6-80. Reserved.**

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 3.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 4.** This ordinance shall become effective on January 11, 2021, after publication by the City Clerk in accordance with Section 4-118 of the 2012 Charter of the City of Detroit.

**Property Assessment  
Board of Review**

October 15, 2020

Honorable City Council:

Re: 2021 Exemption Guidelines and Application in accordance with MCL 211.7u (Homeowners Property Tax Assistance Program).

**INTRODUCTION**

The Board of Review is a nine (9)-member board appointed by this Honorable Body to act on matters relative to assessments within the jurisdiction of the City of Detroit. The purpose of this communication is to establish adoption by resolution of the 2021 "Homeowners Property Tax Assistance Program" exemption application, guidelines and process for the Board of Review to act in accordance with MCL 211.7u.

Additionally, under the new "Homeowners Property Tax Assistance Program" ordinance, the Board of Review is required to file its proposed version with this Honorable Body through the City Clerk by October 15th.

This document contains a point-by-point review of the application detailing that all aspects of the ordinance were met.

This document was reviewed by a number of community partners and developed in association with the College for Creative Studies who aided in developing a self-help application component that was used this year assisting homeowners that had limited resources during the pandemic shutdown. The document attached to this packet is the final document reviewed and agreed to by the Board of Review prior to submission to this Honorable Body.

Please keep in mind that as you review and consider the 2021 guidelines, it is crucial to the overall process that this Honorable Body adopt the guidelines prior to December 1, 2020 so that the appropriate time will exist for printing, distribution and the creation of homeowner access. We ask that final approval for the removal of the notary section on the affidavit be considered as time did not permit to get a final recommendation from the Law Dept. as it is an affidavit.

This application is being respectfully submitted for your approval pertaining to the Homeowners Property Tax Assistance Program.

A resolution is attached and a Waiver of Reconsideration is requested.

**SUMMARY**

Each year the Board of Review is required by state law to establish a new process and guidelines in reviewing and determining property tax exemptions by reason of poverty in accordance with MCL 211.7u. This portion of the General Property Tax Act was created to allow homeowners who own

and occupy their real residential property as a primary homestead the opportunity to be exempt of property taxes in whole or in part when the property owner is unable to contribute to the public charges as long as they have met the required guidelines established by the local governing unit and the application approved by the Board of Review and adopted by City Council by resolution in accordance with MCL 211.7u.

The Board of Review remains closely engaged in the current matters faced by many homeowners challenged with property tax delinquency and/or at risk of foreclosure. The Board of Review continues to aid the community in considering these challenges when possible to help homeowners maintain ownership within the City of Detroit by providing a connected and unified relationship with the Office of the Assessor, City of Detroit Treasury, Wayne County Treasurer and other community based agencies and organizations in order to assist as many homeowners as possible under law.

Therefore, we are presenting to this Honorable Body the 2021 Homeowners Property Tax Assistance Program Guidelines and Application in accordance with MCL 211.7u.

**DOCUMENTS**

• **TITLE: "Homeowners Property Tax Assistance Program"**

- o In 2016 the title "Homeowners Property Tax Assistance Program" was adopted and should continue as such; and
- o The new title clearly states the overall intent while maintaining and delivering the restored sense of attention, pride and dignity to the community.

• **GUIDELINES and FORMS**

o **2021 PROCESS FOR REVIEWING HOMEOWNERS PROPERTY TAX ASSISTANCE PROGRAM APPLICATIONS**

- This is the third year of the re-design which gives a more friendlier and easy to read look. In addition, except for changes in dates and income levels, all of the language required by the settlement agreement that was reviewed by all interested parties and approved prior is still intact.

- Section 1 — the language has not changed from the previous year.

- Section 2 — the language has not changed from the previous year.

- Section 3 — the language was changed to reflect updating the relevant years for required documentation.

- Section 4 — the language was changed to add a 25% Exemption to provide opportunity to meet the needs of those households that may be required to pay property taxes. There appeared to be a possible gap in providing assistance while at the same time considering the household's ability to meet their property tax obligation.

- Section 5 — the language was changed to add "the Board of Review may

deviate from the above guidelines an exemption from 0% to 3.5% of the household income” to provide opportunity to meet the needs of households that may be required to pay property taxes. There appeared to be a possible gap in providing assistance while at the same time considering the household’s ability to meet their property tax obligation.

- Section 5 — the language was changed to update relevant dates for the upcoming year.

- Grammatical corrections where necessary.

- o PROGRAM PETITION

- The redesigned petition will not change and provides needed information to be conveyed to the applicant in a more user friendly format.

- The petition has been integrated in the BS&A software used by the Office of the Assessor.

- Updated to include the correct tax year.

- Information relative to the specific parcel and property owner is populated on the form directly from the BS&A software in the Office of the Assessor when petition is requested through that office.

- The language *“Filed Petition and Application become the property of the City of Detroit”* was added to provide better clarity to the process.

- Request for an email address has been added to assist with contact to the homeowner.

- The notarization option has been removed.

- Statement to allow electronic communication via phone and/or email.

- An adapted form in connection with the exemption application to be placed online.

- o PROGRAM APPLICATION

- Updated to include the correct tax year.

- Updated any use of terms or requirements as provided by the Michigan State Tax Commission. (Bulletin 2 of 2019, Bulletin 16 of 2018 and Bulletin 6 of 2017).

- Print/type that provides for an easier to read application.

- Section A spells the required documents needed for proof of ownership and a location to list ALL owners of the subject property.

- Section A — an additional location was added to provide a contact number.

- Section B provides direction and a location to list all household members, relationship of household members, age, employment status and current monthly income along with required documentation needed,

- Section B asks for marital status along with supporting documentation if needed.

- The language “Current Monthly

Income Amount” was placed over the column identifying the current monthly income.

- The household income guidelines are placed on the application so that the applicant has clear knowledge of the current guideline levels.

- The 25% Exemption level and percentages for deviation was added as provided in the proposed guidelines and process.

- A statement regarding extraordinary circumstance that may exist has not been altered or changed.

- Section C lists the requirement for income for each household member and a section to list the income itself. Income is the basis in which the exemption may be granted or denied. Based upon what is placed in this section and the supporting documentation, the board may not be required to ask for any further documentation.

- Grammatical and association with other document corrections where necessary.

- Adjustments to the income guidelines where necessary as required both in accordance with MCL 211.7u and the DHHS federal poverty guidelines.

- Section D asks for Tax Credit and Rebates — the Board is required to ask in accordance with state statute.

- Section E provides for a signed statement that assets do not exceed the \$12,000 threshold or the completion of the required section should assets exceed the limit.

- Section E also provides a statement should assets exceed the threshold, you have the opportunity to provide a statement why the board should deviate from the guidelines and still consider the exemption.

- Section F — the applicant is able to list debt and expenses should the income exceed to poverty guidelines. This gives the board opportunity to consider deviating based on additional information provided by applicant. Each application in this situation must be reviewed on a case-by-case basis to determine a homeowner’s ability to meet their property tax obligation.

- A statement form is provided so that the applicant may explain and/or state why the application should be granted. This often will give the board additional information in understanding the circumstance that exist in the household that should be considered. Lines were added to make it easier for homeowners to complete and allow writing to be easier to read.

- A recapitulation section for the board members to make a determination based on the information provided by the applicant and make a final recommendation for the board’s final disposition.

- Document check list is incorporated with the application. While it is not a required form to be returned with the application, it gives the applicant the ability to follow along when completing the application so that the applicant is aware of the required documentation that must be provided with the application.

- o 2021 TAX EXEMPTION APPLICATION AFFIDAVIT

- While serving some of our most fragile property owners where circumstances will rarely change, a single page application affidavit was developed.

- Updated to include the correct tax year.

- A statement explaining the affidavit was added.

- If required, notice that the applicant must provide a tax return.

- Grammatical corrections where necessary.

- **OTHER**

- o Throughout all documents, the new City of Detroit logo was added where necessary,

- o Documentation has been provided to all agencies for review, consideration and/or input.

#### **ADDITIONAL FORMS and STATEMENTS**

- 2021 HPTAP Application Letter — (Document has been revised to meet the terms of the settlement agreement).

- o The application letter provides general information relative to the application and application process.

- o Provides information relative to when decisions of the board are released.

- o Provides information of homeowner responsibility relative to property taxes and any associated fees.

- o Provides information to other opportunities for managing property tax obligations.

- Michigan Treasury Form 4988 Poverty Exemption Affidavit.

- o This form was developed and implemented by the State of Michigan Department of Treasury in accordance with MCL 211.7u.

- o The Board of Review utilizes Form 4988 as required by the State Tax Commission and MCL 211.7u.

- o Form 4988 is offered as an affidavit when the property owner or household member is generally not required to file income tax.

- Internal Revenue Service Form 4506-T Request for Transcript of Tax Return.

- o Form 4506-T is a United States IRS form designed for requesting tax return transcripts.

- o Form is utilized when a petitioner or household member provides a signed poverty exemption affidavit (Form 4988).

- o Form is utilized to confirm the filing status and/or information regarding a tax return.

- Michigan STC Bulletins

- o To this date, there has been no new STC Bulletins issued relative to poverty tax exemptions since 2019.

- o The 2019 Bulletin was provided with the 2020 HPTAP Application submission.

- Office of the Assistance Secretary For Planning and Evaluation issued on February 1, 2020 the Update to HHS Poverty Guidelines.

- o Contains the published 2020 Department of Health and Human Services income guidelines relative to poverty.

- o In accordance with MCL 211.7u and the STC, the Board of Review must consider the income guidelines as base that it CANNOT fall below.

- Proposed 2020 HPTAP Income Level.

- o Provides thresholds limits for all households.

- o Provides percentages about each household number to maintain consistency with ordinance requirements.

- o Provides asset limit.

- MCL211.7u.

- o The portion of the generally property tax act which gives the Board of Review the ability to act on property tax exemptions by reason of poverty.

- Detroit City Code Division 8 – Homeowners Property Tax Assistance Program.

- o Adopted ordinance that should be followed when not in conflict with state law.

The Board of Review carefully and thoughtfully considered the make-up of homeowners within the City of Detroit, average household incomes for those persons who have filed for poverty exemptions in the past, reviewed guidelines and applications from other communities in the State of Michigan and consciously participating in every effort to prevent property tax foreclosure where it can by law.

The Board of Review fully understands and devotes time even outside of its normal duties to assist the community as it relates to educating and providing information to property owners when it comes to understanding property assessments and taxation. This includes providing appropriate information to supporting agencies such as UCHC, U-Snap-BAC, Accounting Aid Society, and others. In addition, board members frequently attend community meetings, seminars and workshops to provide assistance and information when requested.

**City Planning Commission**

November 18, 2020

Honorable City Council:

Re: Delegation of City Council Special District Review and approval of building permit applications during winter recess 2020. (RECOMMEND APPROVAL)

According to the City of Detroit Zoning Ordinance the Detroit City Council approves by resolution any work undertaken by permit on land zoned PC or PCA after receiving recommendation from the Planning and Development Department and the City Planning Commission. It has become the practice of Your Honorable to delegate this responsibility to the staff of the City Planning Commission during periods of recess when permit applications of this sort may be submitted and

need to be addressed in a timely fashion. The Council's delegation of this responsibility allows work, compliant with the City Code, to advance during recess and/or when the Body is not conducting business in the context of your regular meetings.

Attached for your consideration you will find a resolution effectuating the delegation of Special District Review and corresponding action jointly to the Planning and Development Department and the City Planning Commission staff for your Winter recess 2020.

Respectfully submitted,  
MARCELL R. TODD, JR.

Director

By Council Member Tate:

Whereas, The Detroit Zoning Ordinance requires that any permit application submitted to the Building and Safety Engineering and Environmental Department related to the Exterior design, location and appearance of work within a the Public Center (PC) District and the Public Center Adjacent/Restricted Central Business ((PCA) District must be reviewed by the City Planning Commission (CPC) and the Planning and Development Department (P&DD); and

Whereas, Consistent with Sec. 50-3-182 of the Zoning Ordinance, the City Council approves by resolution, any such permit application subsequent to receipt of a report and recommendation from the Planning and Development Department and the City Planning Commission; and

Whereas, The Detroit City Council will be on recess November 25, 2020 through January 4, 2021, and the City Council's Committees will not resume meeting until that time; and

Whereas, Time sensitive requests for work in these districts may be received by the City while the Council is not in session; and

Whereas, It is the desire of the Detroit City Council to facilitate such requests and not unnecessarily delay the issuance of building permits.

Now Therefore Be It

Resolved, That the Detroit City Council authorizes the Planning and Development Department and the City Planning Commission staff to jointly conduct Special District Review, approve, approve with conditions or deny any requests/permit applications for land zoned PC or PCA submitted between November 24, 2020 and January 4, 2021 and to do so in consultation with other City agencies as may be appropriate.

**Planning and Development Department**

November 19, 2020

Honorable City Council:

Re: Transfer of Jurisdiction of Real Property, 8741 Epworth.

The Detroit Parks and Recreation Department ("DPR") has indicated to the Planning and Development Department ("PDD") that City-owned property at 8741 Epworth (the "Property") is no longer appropriate to their needs. DPR has requested that the Finance Department transfer jurisdiction of 8741 Epworth (former Sirotkin Park) to the Planning and Development Department ("PDD") to administer.

DPR has determined that they no longer have a specific need for 8741 Epworth. A new park is to be developed at nearby 8411 Northfield, an increase from .58 acre to 3.25 acres, with plans for amenities such as a playground, picnic area and sports field. 8741 Epworth is located in a primarily industrial area and zoned M4 (Intensive Industrial District). 8411 Northfield is zoned R2 (Two Family Residential District) and located approximately 6 blocks away surrounded by residential development.

PDD will pursue 8741 Epworth for rehabilitation and development.

Pursuant to Sec. 2-7-3 of the 2019 Detroit City Code, it is hereby requested by the Finance Department that Detroit City Council approve the transfer of jurisdiction of the property to the Planning and Development Department.

**Department of Public Works Administration Division**

November 19, 2020

Honorable City Council:

Re: Petition #1343 – Bedrock Management Services LLC, request to install holiday string lighting over sidewalk of Woodward Ave. between Campus Martius and Grand Circus Park; Monroe St. between Campus Martius and Randolph St. from the approved date of the petition to March 31, 2021.

The Department of Public Works, Traffic Engineering Division received the above referenced petition. This department has no objections to the installation of holiday string lighting, provided that the installation is in compliance with the City policies, and subject to the following conditions:

1. Holiday string lightings are to be installed over the sidewalk along Woodward Ave. from Campus Martius to Grand Circus Park and Monroe St. from Campus Martius to Randolph St. as shown in the attached map.

2. The duration of banner installation shall be from the approved date of this petition through March 31, 2021.

3. String lighting shall be affixed to allow minimum of (15) feet clearance from walkway surface.

4. String lighting shall not include flashing lights that may be distracting to motorists.

5. String lighting shall not have displayed thereon any legend or symbol which is, or resembles, or which may be mistaken for a traffic control device, or which attempts to direct the movement of traffic.

6. Commercial advertising is strictly prohibited; including telephone numbers, mailing addresses, and web site addresses.

7. A sponsoring organization's logo and/or name may be included in a space no more than ten (10) inches in height by thirty (30) inches in length, and letter size shall be limited to four (4) inch maximum and placed at the bottom of a banner.

8. Sponsoring organizations may not include messages pertaining to tobacco and related products, alcoholic beverages, firearms, adult entertainment or sexually explicit products, or political campaigns or related agendas.

9. Sponsoring organizations may not include legends or symbols which may be construed to advertise, promote the sale of, or publicize any merchandise or commodity, with the exception of sponsorship.

10. The design, method of installation

and location of street lighting shall not endanger persons using the highway or unduly interfere with the free movement of traffic.

11. The petitioner SHALL secure an approval from Public Lighting Department to use their utility poles to hang the street lighting.

12. The petitioner SHALL secure Right of Way permit from City Engineering Division every time the string lightings are changed/replaced.

If deemed appropriate by the City of Detroit, The City reserves the right to have the banners/String Lighting removed by the Petitioner at the Petitioner's cost prior to expiration date.

food from restaurants and consume it in a safe, outdoor "social district" next to the restaurants.

• These "social districts" are essentially a further extension of restaurants' outdoor seating areas, enabling them to attract more patrons and providing a much-needed boost to businesses suffering from profit loss due to the pandemic. It will also help bring more people to the city for the holidays, which in turn supports other nearby retailers.

• The State of Michigan passed a law to allow for these "social districts," subject to City Council approval. To make this option available to Detroit businesses for the critical holiday season, this amendment allows DPW to approve "social districts" until Council returns from recess (i.e., through January 15, 2021). After that time, Council would have to individually approve any additional Social Districts or extend the authority for DPW to do so.

• The language of the amendment is below:

**[BE IT] RESOLVED**, that this Honorable Body, pursuant to Public Act 124 of 2020 (the "Act"), grants approval to all social districts and social district permits that the Department of Public Works designates and approves in accordance with the Act prior to January 15, 2021, and further authorizes the Department of Public Works to develop and file with the Michigan Liquor Control Commission all plans and submissions required under the Act as an incident to the designation of social districts.

By Council Member Benson:

WHEREAS, The State Legislature enacted Public Act 124 of 2020 which amends the Michigan Liquor Control Code ("the Act") to allow local units of government to approve "social districts" under enumerated circumstances to allow for the consumption of alcoholic beverage off the premises of the retailer; and

WHEREAS, Social districts are designated common areas which are shared by and contiguous to the premises of at least two other qualified businesses, but does not include the licensed premises of any qualified business; and

WHEREAS, A qualified business means:

- a) A retailer that holds a license, other than a special license, to sell alcoholic liquor for consumption on the licensed premises;
  - b) A manufacturer that holds an on-premises tasting room permit issued under Section 536 of the Act;
  - c) A manufacturer that holds an off-premises tasting room license issued under section 536 of the Act; or
  - d) A manufacturer that holds a joint off-premises tasting room license issued under section 536 of the Act;
- NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council approves a permit process for

social districts as contemplated by the Act, and the Detroit City Council approves such a process that allows the Department of Public Works to designate and grant approval for any social district permits requested by businesses that meet the criteria contained in the Act; and NOW THEREFORE BE IT FURTHER

RESOLVED, That the Department of Public Works shall provide a report identifying any social district permit issued for the preceding thirty (30) days to the Detroit City Council commencing thirty (30) days from the date this resolution is adopted and every thirty (30) days thereafter; and, NOW THEREFORE BE IT

FINALLY RESOLVED, That this Honorable Body, pursuant to the Act, grants approval to all social districts and social district permits that the Department of Public Works designates and approves in accordance with the Act prior to January 15, 2021, and further authorizes the Department of Public Works to develop and file with the Michigan Liquor Control Commission all plans and submissions required under the Act as an incident to the designation of social districts.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 95), per motions before adjournment.

By Council Member Benson:

WHEREAS, Pursuant to Chapter 43, Streets, Sidewalks, and Other Public Places, Article 8, Encroachments and Obstructions, Section 43-3-2, Determination of rights of City and public utilities, of the 2019 Detroit City Code, City Council may provide by resolution for the temporary closure of a street, alley, or public place based upon a recommendation by the Department of Public Works; and

WHEREAS, The State Legislature enacted Public Act 124 of 2020 which amends the Michigan Liquor Control Code ("the Act") to allow local units of government to approve "social districts" under enumerated circumstances to allow for the consumption of alcoholic beverage off the premises of the retailer; and

WHEREAS, Social districts are designated common areas which are shared by and contiguous to the premises of at least two other qualified businesses, but does not include the licensed premises of any qualified business; and

WHEREAS, The temporary closure of streets, alleys and public places would allow for the creation of social districts in the City of Detroit as provided in PA 124 of 2020; and

WHEREAS, The City of Detroit is eager to support the active operation of busi-

nesses in a safe manner that protects the patrons and employees of qualified licensees within the City; and

WHEREAS, This Honorable Body acknowledges and affirms the City's goals of supporting local businesses and allowing for the increased separation of patrons through social distancing during this unprecedented time; and NOW THEREFORE BE IT

RESOLVED, That the Department of Public Works has the authority to provide for the temporary closure of a street, alley, or public place as a "common area" as provided for in PA 124 of 2020; and NOW THEREFORE BE IT

RESOLVED, That if the temporary closure of the street, alley, or public place will pose a significant impact on the surrounding neighborhood by altering or restricting vehicular or pedestrian traffic, the details of the closure shall be posted on the City website and emailed to all residents within the impacted area that are registered with the Department of Neighborhoods and to all City Council Members that represent the impacted area; and NOW THEREFORE BE IT FURTHER

RESOLVED, That the Department of Public Works shall provide a report to the Detroit City Council identifying any social district permit issued by the department commencing thirty (30) days from the adoption of this resolution and every thirty (30) days thereafter; and NOW THEREFORE BE IT
