3 About 3:17 p.m.

4 CHAIRMAN WHITE: Good afternoon to everyone.
5 AUDIENCE: Good afternoon.

6 CHAIRMAN WHITE: Welcome to the Board of 7 Police Commissioners meeting dated Thursday, 8 January 26th, 2012. My name is Commissioner Donnell 9 White. I have the pleasure of serving as Chairman for 10 the Board of Police Commissioners. I will be joined by 11 my colleagues shortly, and I'm sure a representative of 12 the Chief's office.

For those of you who do know, the fourth Thursday's get a little time constraint for me as I juggle some other responsibilities. So I will need to leave you earlier today. It is my hope I could move through a few line items prior to my colleagues coming and we handle items that are before us.

Also to accommodate my schedule we will be moving into closed session prior to having our oral communications from the audience today, as well. So I certainly ask for your indulgence for a few things outside of the norm of today's agenda. Thank you. At this time I also would like to introduce representing our staff, Mr. George Anthony, Secretary

Page 4

1 to the Board. Mr. Secretary, can you please introduce 2 our staff?

3 MR. SECRETARY: Thank you, Mr. Chair. For 4 the record, George Anthony, Secretary to the Board. 5 The staff includes Ms. Dalph Watson who is our Director 6 of Police Personnel, Ms. Celia Banks Washington who is 7 our attorney to the Board, Lieutenant Tim Leach who is 8 the acting Chief Investigator at the Office of the 9 Chief Investigator, Mr. Robert Brown who is our Office 10 Manager, Sergeant Alan Quinn who is recording our 11 proceedings, and Ms. Elizabeth Koller from Hanson Court 12 Reporting Service. That completes the introductions, 13 sir. 14 COMMISSIONER WHITE: Thank you, 15 Mr. Secretary. At this time I would like to note the 16 presence of Assistant Chief Logan. Thank you for being 17 with us, Chief. ASSISTANT CHIEF LOGAN: Glad to be here, sir. 18 19 CHAIRMAN WHITE: Thank you. At this time we 20 will ask for our invocation. Joining us today is 21 Chaplain Commander James Powell. Good to see you 22 again, Chaplain. 23 CHAPLAIN POWELL: Good to see all of you. 24 Let us look to the Lord. Lord God of grace in the name

25 of Jesus, we just want to thank you and praise you Lord

for you keeping power and your blessing power. 1 2 Lord, we ask you just to bless us Lord God as 3 we draw our minds together, Lord God, as we give, Lord 4 God, the praise and the honor and the glory. I ask 5 you, Lord, just to bless this meeting. Bless, Lord God, our Officers, Lord God, bless them and protect 6 7 them as they protect us. Lord, I ask you just to bless this Board. 8 9 Look down upon our Mayor, Lord God, look down upon our 10 Chief, Assistant Chief, and his staff. Lord, I asked 11 you just to bless each and every one of us. Help us, 12 Lord, to keep or minds straight on you and to love you 13 and love one another. For love is of God. We thank you and praise you, Lord, in Jesus name, amen. 14 AUDIENCE: Amen. 15 16 COMMISSIONER WHITE: Under the Chairperson's 17 report as referenced at our last meeting with conversations that we had in the Federal Court with 18 19 Judge Cook as to the status of OCI as we looked to the 20 acquisitions of investigators to deal with cases in a 21 more timely basis, I certainly want to thank Chief 22 Godbee who has reassigned five police officers from the 23 Department's Recruiting Section to the Office of the 24 Chief Investigator to assist with the handling of complaints, while we are currently not hiring officers 25

Page 6

1 at the time but in desperate need of additional 2 investigators to eliminate complaints that have begun 3 to increase our backlog status. 4 So through the Assistant Chief, Chief Logan, 5 thank you and your team for the assistance. It's 6 greatly appreciated. 7 ASSISTANT CHIEF LOGAN: Yes, sir. 8 CHAIRMAN WHITE: Certainly, we would like to 9 note the presence of Commissioner Jessica Taylor for joining us. Thank you for being here, Commissioner. 10 11 At this time we will move for our Secretary's Report. 12 MR. SECRETARY: Mr. Chair, George Anthony, 13 for the record. We have received a request for closed 14 door session from DPOA Attorney John J. Goldpaugh, his 15 client, Police Officer Ryan Carruthers, Badge 617. And 16 that really concludes the report at this time. 17 CHAIRMAN WHITE: Thank you, sir. Assistant Chief Logan, if we could move for the report from the 18 Office of the Chief. 19 ASSISTANT CHIEF LOGAN: Yes, sir. 20 Through 21 the Chair, today, sir, we have a presentation from 22 Police Community Services. I believe that D.C. Melvin 23 Turner is going to be doing it -- Lieutenant Terry 24 Herbert. 25 CHAIRMAN WHITE: Yes, sir.

1	D.C. TURNER: D.C. Melvin Turner, Police
2	Community Services. I wanted to say greetings to
3	everyone, the Board members, to Assistant Chief Logan,
4	and members of the public and our brother and sister
5	Officers.
6	Today we're going to be providing a slide
7	presentation for Police Community Services outlining
8	what our functions and purposes are. We provide a lot
9	more services than will be displayed today, but our
10	main focus is public and community relations to foster
11	and build on those different projects within the public
12	that the department is partnering with.
13	So with that I'd like to introduce our
14	Commander John Serda and also Lieutenant Terry Herbert
15	who will be doing the demonstration and introducing
16	other members of our staff.
17	COMMISSIONER WHITE: Yes, sir.
18	LIEUTENANT HERBERT: Good afternoon.
19	CHAIRMAN WHITE: Good afternoon.
20	LIEUTENANT HERBERT: For the record, my name
21	is Lieutenant Terry Herbert. I'm assigned to the
22	Police Community Services. I brought with me a couple
23	guests. Sergeant Curtis Perry, he's the officer in
24	charge of Junior Police Cadet Unit, Officer Cardena,
25	she's assigned to Mounted Unit, and Charley Henley,

he's assigned to Police Community Services and he's in
 the Blue Pigs.

Police Community Services is comprised of Deputy Chief Melvin Turner, Commander John Serda, myself, and the units are the entities of the tasks force are the Mounted Unit, the Junior Police Cadets, the Law Enforcement Explorers, and the Police Chaplains.

9 Police Community Services is a unit that is 10 comprised of about 18 officers. What we do is we in a 11 nutshell we go out in the community and we talk to 12 people about ways to protect themselves and their 13 property. We do this through a number of ways.

We do this by doing presentations which is only a small portion of what we do on a daily basis. We partner with community groups and we target crime prevention programs that go directly towards reducing the likelihood of a person becoming a victim of a crime.

Just a note, some of the things that we've done in recent months is we had a very successful gun buy back at Second Ebenezer Church where we promoted it through public information. And we partnered with Continental Management and we were able to get Continental Management to donate \$30,000.00 to go

1	towards to give individuals who turn in their guns. We
2	were able to take 739 guns off the streets.
3	We actually ran out of the money about two
4	hours before it was scheduled to end, and we started
5	passing out IOUs just to get the weapons off the
6	streets. It was very successful. And for the third
7	year in a row Continental has stepped up and donated a
8	large sum of money to get those guns off the streets.
9	In the last three years, we've taken almost
10	21,000 guns off the street through the gun buy back
11	programs. In addition to the partnership we were asked
12	to coordinate the volunteer efforts with the search for
13	Bianca Jones who went missing on December the 2nd.
14	That started as a result of a number of community
15	people who wanted to get involved. They came up to the
16	Central District asking what more they could do.
17	At that point the administration saw fit to
18	have that search effort coordinated through Deputy
19	Chief Melvin Turner's Office and actually coordinated,
20	oversaw, and organized a seven-day effort working with
21	the task unit in terms of targeting areas that we
22	should be searching. And we were able to get the
23	Salvation Army and other community stakeholders on
24	board, so we actually had the Salvation Army bring hot
25	food each and every day.

HANSON RENAISSANCE COURT REPORTERS & VIDEO 1313-567-8100

Page 10

We had all of the community relations officers at the precinct coordinated on the efforts and we were actually carting people out in vans to take them to the designated sights that we were looking for little Bianca.

6 Okay. I'm going to be real quick for my 7 presentation. But these are the units that comprise Police Community Services. And Blue Pigs, Charley 8 9 Henley, who's navigating the Power Point, he's going on 10 his 43rd year this year. He is an original member to 11 the Blue Piqs. He's been in the Blue Piqs for 42 of 12 his 43 years. Okay. He was one of the original ones. 13 He doesn't quite look like the picture when he came to my school, but nevertheless he plays the 14

15 same. The Blue Pigs are a group of about four members 16 who actually use their music for things of crime 17 prevention and safety. They are goodwill ambassadors 18 not only to the Department, but the community as well.

I will tell you for Charley who comes to work every day with a smile on his face, he's been on Good Morning America. He's been on Night Line. And he's been in London and all across the country playing music on behalf of the Detroit Police Department and the community.

25

The Junior Police Cadets who Sergeant Curtis

Page 11

Perry is in charge of, those are the kids that you see 1 2 in the summertime with the yellow shirts and yellow 3 baseball caps that is supposed to go on their head, but 4 it's usually on their belt loop. They are an 5 organization that has two components. 6 It's a summer program along with a community 7 service program, and last summer they employed 750 low income kids, who met the threshold. Ordinarily when 8 9 the funding is there from the Federal Government we 10 have hired as many 1,500 kids for the summer. 11 So Curtis Perry he oversees that with a very 12 small staff. He's been in the Junior Police Cadets for 13 over 25 years. He's got 37 years on the job. 14 Twenty-five of those years has been as the Officer in 15 charge of the Junior Police Cadets. So he's looking forward to this summer. We don't how many kids we're 16 17 going to have. It's a little too early for that. But 18 we anticipate at least 700, hopefully over a 1,000 kids 19 that we will be employing this summer. 20 In order for him to accomplish those goals we 21 generally ask the Chief through channels to assign out 22 six police officers to help him oversee that program. 23 The Law Enforcement Explorers, it's a program geared toward high school ages between 14 and 18. I 24 25 will tell you it's young kids exploring the field of

Page 12

1 law enforcement. Between the Junior Police Cadets and 2 the Law Enforcement Explorer program we got over 70 3 people that I know of that are actually are on the 4 Police Department right now that actually started 5 through one of those programs.

As a matter of fact, one of the individuals that started out in the Junior Police Cadets he rose to the rank of Assistant Chief, and we have a couple who are judges. So just to sort of tell you, you know, what kind of upside those programs have.

11 The Police Reservists. We currently have 12 about 180 Police Reservists. They stand with us on 13 detail. You'll see them at the auto show. You'll see 14 them at the boat races. You'll see them on almost any 15 detail. They are required just as we to go through the 16 academy. They go through a background check. They do 17 pretty much the same things that we do. They just 18 volunteer.

To let you know to date in 2011, the 170 plus Reservist they put in a total of over 40,000 hours in volunteer hours on different details. Most of those individuals are assigned to different precincts, but we provide the oversight. The only thing that we actually provide for them is the uniform and the leather gear. They buy their own weapons, and the rest of the stuff.

Page 13

But they're required to put in 12 hours a month
 volunteer hours.

Police Chaplain Corp. We currently have 44 3 4 members that are police chaplains. They, too, go through a nine week academy. You'll see them often 5 6 times at sad events. You'll also see them at good 7 events. They're solely responsibility for putting on the interfaith memorial that is the event that we 8 9 recognize those Officers that have died in the line of 10 duty. It's generally held in May, the first Friday in 11 May. They're already starting to gear up. You'll see 12 them at the breakfast that usually follows at 400 13 Monroe.

I will tell you we've been doing that breakfast for a number of years and the ticket for that breakfast is always over \$10,000.00 and they raise all of the money solely on their own. We don't charge for that breakfast. It's really a wonderful breakfast, if you haven't had the opportunity to go.

The Mounted Unit. Officer Cardena is here for that. There are currently seven people assigned to the Mounted Unit. They have five horses. That unit was actually disbanded in 2005. It was reinstated in 2009. I will tell you their salaries are incurred by the Police Department but all the feed and care for the

Page 14

horses that's done by, it use to be called the Police
Foundation. Now it's the Public Safety Foundation.
They take care of all of the vet bills, all of the
food. So they do a wonderful job. They actually
patrol platoons two and three. They are part of the
Department Strike Force.

7 I will tell you, and this isn't my words, but 8 Officer Cardena's words, that they can do more on a 9 horse than eight to ten polices officers can do and 10 you'll often see them Downtown during the festivals and 11 fireworks detail. Okay. These are two just of the 12 programs that we provide oversight for.

13 The Citizen Radio Patrol. They are the eyes 14 and ears. They've been around since 1975 per the City 15 Charter. Effective July 30th, 2011, Police Community Services we took over the radio patrols. We've always 16 17 did the background check and the training. Now we have 18 the fiscal responsibility of paying 26 groups. Thev 19 can go anywhere from eleven members to eighty members. 20 We pay them reimbursement mileage for going around 21 patrolling their neighborhoods. It's a tedious task. 22 But it is some wonderful, wonderful volunteers who 23 really care about their neighborhood.

24 We currently have five mini stations. They 25 are manned on a daily basis by restricted duty officers

Page 15

supported by officers from the district as well as 1 2 officers from Police Community Services. They take crisnet reports. They help set up crime prevention 3 4 programs, etcetera, etcetera. Those mini stations that 5 we get a lot of requests for individual groups that 6 want to operate a mini station. They're based on need 7 and they're actually based on manpower. I mean, if we 8 could open up mini stations from all the requests we 9 got we would have one on every corner. So many people 10 are calling for mini stations.

Some of the prevention programs that we do are very popular, home invasion. Home invasion, there has been a spiked increase. But it's some of the targeted areas that remain kind of consistent. That is one of our very popular prevention programs.

16 Delivery driver safety, senior safety, 17 identity con, gang, Eddie Eagle. Our gun safety 18 program that's a nationally recognized gun safety 19 program that talks about stop don't touch tell an adult 20 if you see a gun to young kids. I will tell you these 21 gun safety programs that we do, and they are truly some 22 of the most popular ones, we are finding out that we 23 are actually going to preschools now and we are polling 24 the kids and asking the young kids how many of you kids 25 know where the gun is in your house and you will be

Page 16

1 surprised at the number of young kids that are under 2 five who know where the handgun in their parent's 3 house.

So our programs are very strong. We kind of have a get in your face kind of approach. We know we can't stand up in front of a group of kids, particularly high school kids and say guns are a no no. We use very graphic videos and we tell the kids that there are severe consequences for playing with guns.

One of our classes that we do is we teach a Law Enforcement Crime Prevention, a two-week crime prevention course. A number of people in this room have gone through that class. We haven't had one since 2009 because of resources. But we actually open it up to law enforcement people across the state.

We charge \$700.00 for anybody outside of 16 17 Detroit. So we have generated a lot of money. The 18 money does not go back into the unit. It goes to the 19 General Fund. But it's a two-week course where we 20 teach law enforcement people, the private security 21 people, how to become crime prevention practitioners. 22 In a nutshell, what is crime prevention, how does it 23 look, how you can apply it to your community. 24 One of our very popular classes is our 25 Citizens Police Academy Class. We have a Spanish

speaking class, a youth citizens class, ministers. And under review right on the table right now is actually on the AC's desk, we are proposing to do a police media academy. We all know how our image is with the local media. It's not always pretty.

6 Often times when positive things happen and 7 we alert the media they don't always show up. But let something negative happen, they tend to be there in a 8 9 hurry. So what we're proposing to do is to have a 10 media police academy where we would invite local media 11 people into a five-week class where we actually tell 12 our story of who we are and why we do the things that 13 we do.

Often times when they've got that camera and they're on the other side they don't know the dynamics of how police runs are dispatched, what it feels like to take a ride-along where you actually go to the same places that officers are dispatched. So that is on the table now, and hopefully if we get the green light on that we'll be rolling that out some time in March.

Just some ongoing projects, and I know my time is running out. We were recently fortunate enough to get a grant where we actually purchased 85 new neighborhood watch signs. And those groups, any organized neighborhood group that wants a sign they can

Page 18

actually go through our office or the precinct to get a
 sign at no cost.

3 We are in the process of rolling out a 4 Chaplain as well as the Police Reservists Academy. We 5 don't have enough Reservists. At one time the Police 6 it's in heyday, the Department had over a 1,000 Police 7 Reservists. We are actually under 200 right now. 8 We just received a State Farm grant for 9 \$15,000.00 last week. Two weeks ago we purchased a 10 driving simulator where we would actually go to some of 11 these high schools and some of these youth programs. 12 It's much like a Wii game, so we know that the kids 13 will be attracted by it.

14 What we're going to ask them to do is sit in 15 a chair and plug in this game and try to maneuver 16 around the course, and then we're going to ask them to 17 take out their cell phones and trying to drive at the 18 same time while you're texting. It's a fun, 19 interactive way to do it. But the reality is what 20 we're doing is we're teaching them lessons learned that 21 you can't do two things at one time particularly when 22 it comes to automobiles.

We also received a grant for \$50,000.00 from the Office of Highway Safety and Planning. Much like the ticket and click it grant they actually pay us

Page 19

overtime to go out to educate people on the dangers of
 drinking and driving. We actually oversee and
 coordinate a lot of the precinct activities with the
 Community Relations Officers.

5 And just some of the accomplishments, the 6 Police Reservists who I talked about, we were able to 7 get 200 protective vests for them. A number of them who've elected have gone through PR24 training and they 8 9 all have new punch M3 spray much like our pepper spray, 10 but it's not the same thing. They now go through 11 biannual firearms qualifications. I will tell you 12 before they come up under us some of them were 13 qualifying every couple years, every three years, but 14 now they qualify biannually consistent with the sworn 15 members.

16 They have set up a 24-hour detail where they 17 can actually call in or through email whenever there's 18 a detail we need Reservists to response to. We can 19 make a call on the hot line on a daily basis.

I talked about the gun buy back. And we were fortunate enough this year to purchase a 32-foot mobile command post. It's a crime prevention mobile command post. It's nothing tactile about it. When you see it rolling down the street you will not be mistaken that it's a TSR vehicle. This is very user-friendly. The

way that we hope that it will work is during the summer when we roll it through neighborhoods and to block parties, we could have individuals come on the RV and we can talk about crime prevention plans. They can sign up for citizens academies, for block clubs, etcetera, etcetera.

7 So we've got some uses for it. We just 8 purchased it. Some of you have not seen it. Through 9 the Chief's Office we plan to roll it out for your viewing at the next Board of Police Commissioners 10 11 that's in the public. We want you to sit on it and 12 ride it just to see all the bells and whistles that's 13 on it. And that concludes my presentation. Thank you. 14 COMMISSIONER WHITE: Thank you, Lieutenant 15 Herbert and certainly Deputy Chief Turner for that 16 excellent report. Commissioner Taylor, do you have a 17 question for Lieutenant Herbert? 18 COMMISSIONER TAYLOR: I have just have one.

How do you recruit your youth for the summer jobs?
LIEUTENANT HERBERT: Okay. That's why I

21 brought Sergeant Perry with me.

HANSON

22 SERGEANT PERRY: Yes, ma'am. Youth are 23 recruited through the City of Detroit Work Force 24 Building Act. Okay. Depending upon the funding we get 25 every year, for example, in 2009 Obama had the Recovery

RENAISSANCE hansonreporting.com

313-567-8100

Page 21

1 Act they gave me like six million dollars and I had 2 enough money to recruit all the kids in the City of 3 Detroit. But last year money was sparse so we used the 4 Department of Human Services in State of Michigan that 5 those kids have to work first. 6 And then after they work if we have extra 7 money we send out applications. So last year we didn't 8 have any extra money, so we just used the kids in the 9 Department of Social Services. So we're waiting on 10 grant money this year to see what we can do. 11 COMMISSIONER WHITE: Sergeant Perry, before 12 you leave if I could, and I'll get back to you, 13 Commissioner, if you have other concerns, but as it 14 relates, I'm assuming those were junior police cadets 15 that you were referencing? 16 SERGEANT PERRY: Yes. 17 CHAIRMAN WHITE: What are the cadet's primary 18 functions once they're hired? 19 SERGEANT PERRY: We have approximately 80 to 20 90 senior citizen buildings in the City of Detroit. 21 And I have a staff of educators that train them. They 22 work and run errands for senior citizens during the 23 summer. 24 CHAIRMAN WHITE: Thank you. Commissioner 25 Taylor, did you have anything further?

1	COMMISSIONER TAYLOR: No.	
2	LIEUTENANT HERBERT: Can I just add one thing	
3	that I should have said in the presentation? In 2009	
4	the University of Michigan they commissioned brande it's	
5	University to do a study on summer programs that had	
6	upsides, positive summer programs, and the Detroit	
7	Police Department Junior Police Cadet Program was named	
8	one of the best summer programs in the country in 2009.	
9	A lot of that goes towards Sergeant Curtis Perry and	
10	his staff because it's not easy managing that many kids	
11	with so few people.	
12	CHAIRMAN WHITE: Yes, sir, Assistant Chief.	
13	ASSISTANT CHIEF LOGAN: Through the Chair, I	
14	think there's one program that's of particular	
15	importance that, Terry, you didn't talk about and you	
16	definitely need to amplify on that, that's the car	
17	seats.	
18	LIEUTENANT HERBERT: Okay. Often times we as	
19	a Police Department we get fixed on taking the guns off	
20	the streets as well as getting the drugs off the	
21	streets. But actually the number one cause of death	
22	for kids between the ages of 16 I should say from	
23	kids the age of 12 to 21 is actually automobile	
24	accidents. It's not guns. It's not drugs.	
25	The Office of Highway Safety and Planning	

1 they gave the Police Department a grant to do education 2 to teach people about how seatbelt safety is so 3 important and how car seat safety is so important. We 4 have done over the years a number of car seat checks. 5 Now prior to my son being born I had never heard of a car seat check and most of us haven't. 6 7 There's places that you can go to make sure that the 8 car seat that you have in your car is installed 9 properly. 10 Car seats have an expiration date on them. 11 Car seats sometimes they're missing parts. Often times 12 we don't know these things because we're not educated. 13 So our staff, we have conducted a number of classes 14 where we actually go out and we educate people and tell 15 them, you know, that car seat that you bought at that garage sale it actually expired three years ago. 16 17 There's a date on it. People just don't know. 18 And often times, most times if a car seat has 19 been in an accident you're supposed to discard it. 20 Even if the kid did not get hurt you're supposed to 21 discard it. Eight out of ten car seats are put in 22 improperly because people just don't know. When you 23 read the instructions on the car seat it might as well 24 be in Japanese because you don't understand how to do 25 it.

RENAISSANCE hansonreporting.com

313-567-8100

HANSON

Page 24

1 We tighten it in and we secure it as best as 2 possible. I will tell you most of the times that 3 everybody comes, eight out of ten they're improper. So 4 we have gone out, purchased car seats, and through the 5 Department we have about 32 department members who have 6 gone to a 38/40 hours class that become certified 7 passenger safety technicians.

8 I took the class a couple years ago. I 9 thought it was going to be a piece of cake. It was one 10 of the hardest classes that I've ever taken. I tell 11 you that because when you see kids that's not properly secured in the back knowing that we had some incidents 12 13 in the City recently where kids have been ejected from 14 the car. It's illegal to have a kid, any kid under the 15 age of eight they have to be secured.

But often times we see kids in our travels. So our unit has taken it upon themselves through this grant to go out and educated people on the proper uses of car seats.

20 COMMISSIONER WHITE: Thank you, sir. Another 21 question, Lieutenant, as it relates to the mini 22 stations, what are the hours of the mini stations? 23 LIEUTENANT HERBERT: Well, for the most part 24 they are open 9:00 a.m. to 5:00 p.m., and that can 25 sometimes vary with the availability of the officers,

1	but that's for the most part the time that they're
2	open.
3	COMMISSIONER WHITE: And there are five
4	locations?
5	LIEUTENANT HERBERT: There are currently five
6	locations. AC, is that right?
7	ASSISTANT CHIEF LOGAN: Yep.
8	LIEUTENANT HERBERT: We have a couple
9	substations, like we've got a mini station in Saint
10	John's Hospital.
11	D.C. TURNER: Some of our stations are in the
12	works. They're going to be joint operations with the
13	Mayor's Office as community access centers. And the
14	other stations are based upon assigned personnel to us.
15	At some of those locations we're using limited duty
16	officers in relationship to that.
17	We've had a number of Officers and they come
18	back and get assigned to the mini station and then
19	subsequently they return to full duty. We actually had
20	a dozen officers do that. And so based on availability
21	of other limited duty officers that dictates the hours
22	and also whether or not we're open at that location.
23	CHAIRMAN WHITE: What functions transpire at
24	a mini stations?
25	D.C. TURNER: Ideally what we discussed but

HANSON RENAISSANCE COURT REPORTERS & VIDEO

Page 26

we haven't had enough personnel to put this into effect is where we'll have a full duty officer assigned to a mini station. They would have a scout car. They would go into the neighborhoods. They would go to the businesses right around the area and provide assistance on minor runs within a precinct or district.

7 Right now with the limited duty officer they
8 can't go out and do that. So individuals can come in
9 and what services we can offer when they come in that
10 will not take the officer out of that location. And if
11 it's a request that they can't handle there, then
12 they're referred up to the precinct or district.

13 COMMISSIONER WHITE: Okay. How many officers 14 are assigned to a mini station for that shift, nine to 15 five?

D.C. TURNER: Under the present situation there's only one officer. What we're discussing is what participation we can have with Reservists or even citizens can assist with that that don't interfere with our contractual obligations with the Police Officers Union. CHAIRMAN WHITE: So it's one officer assigned

23 per five mini stations, nine to five?

24 D.C. TURNER: On the days that we have those 25 individuals, yes.

1 CHAIRMAN WHITE: Thank you, sir. 2 LIEUTENANT HERBERT: Thank you. 3 CHAIRMAN WHITE: We'd like to note the 4 presence of Commissioner Jerome Warfield who has joined 5 us. Good afternoon, sir. 6 COMMISSIONER WARFIELD: Good afternoon. 7 CHAIRMAN WHITE: At this time the Chair will 8 entertain a motion for the approval of the agenda dated 9 Thursday, January 6th, 2012. 10 COMMISSIONER TAYLOR: So move. COMMISSIONER WARFIELD: Second. 11 12 CHAIRMAN WHITE: It's been properly moved and 13 supported. Any discussion? Seeing none, all those in 14 favor? 15 COMMISSIONERS: Aye. CHAIRMAN WHITE: Opposed? Thank you. 16 At this time the Chair will entertain a motion for the 17 18 approval of the minutes from Thursday, January 19th, 2012. 19 20 COMMISSIONER WARFIELD: So move. 21 COMMISSIONER TAYLOR: Second. CHAIRMAN WHITE: It's been properly moved and 22 23 supported. Any discussions? Seeing none, all those in 24 favor?

25 COMMISSIONERS: Aye.

1	CHAIRMAN WHITE: Opposed? Thank you very
2	much. Is Commander Debra Fair and Commander Shereece
3	Fleming-Freeman with us today?
4	ASSISTANT CHIEF LOGAN: No, sir.
5	CHAIRMAN WHITE: Okay. We have two
6	resolutions that are before us for approval, and also a
7	grant request. Commissioner Taylor, if you could read
8	for the benefit of the Commissioners the grant request
9	for permission to accept a monetary donation from the
10	DTE Energy Company?
11	COMMISSIONER TAYLOR: Request Permission to
12	Accept the Monetary Donation From DTE Energy Company.
13	On January 13th, 2012, the DTE Energy Company addressed
14	a letter to the Detroit Police Department indicating
15	that they would like to donate funds to the
16	Department's General Assignment Unit.
17	In the past, this unit has made a significant
18	impact on reducing copper theft and energy theft in the
19	City of Detroit. Check Number 0000571131 in the amount
20	of \$191,094,00 dated January 5th, 2012 accompanied the
21	letter. There is no cost to the Department for this
22	donation. I'm requesting the Board's permission to
23	accept this donation and seek approval of the Honorable
24	City Council.
25	COMMISSIONER WHITE: Thank you, Commission

1 Taylor. Commissioners, before you is a request for 2 permission to accept a monetary denotation from the DTE 3 Energy Company in the amount of \$191,094.00. What is 4 vour pleasure? 5 COMMISSIONER WARFIELD: Sir, I move that we 6 receive the money from DTE. 7 COMMISSIONER TAYLOR: Second. 8 CHAIRMAN WHITE: It's been properly moved and 9 supported. Any discussion? Assistant Chief, I did 10 have a question. The funds presented by DTE is this in 11 effect what funds, I believe it was the copper task 12 force that was in place at one point? 13 ASSISTANT CHIEF LOGAN: Well, through the 14 Chair, Assistant Chief Logan. Ideally, this donation 15 goes to help offset the cost of that particular unit. 16 However, because the way the City is structured it just 17 goes into the General Fund. As you recall DTE Energy 18 started this donation process last year, and it's the 19 equivalent to pay for two police officers, medical pay, 20 benefits. 21 CHAIRMAN WHITE: Okay. Any other questions? 22 Seeing none, all those in favor? 23 COMMISSIONERS: Aye. 24 CHAIRMAN WHITE: Opposed? Thank you very 25 much. Before us are two resolutions honoring Commander

Debra J. Fair, and Commander Shereece Fleming-Freeman.
 They're not present today but I will read the whereas
 clause and the resolve clause into the record for our
 approval.

5 Whereas, Commander Debra J. Fair retired from 6 the Detroit Police Department on January 13th, 2012 7 after completing 25 years of dedicated service to the 8 Department and to the citizens. And, whereas, 9 Commander Fair's leadership and law enforcement skills 10 have been recognized and honored by various 11 departmental awards, including one Officer of the Month 12 Award, four Citations, one Scholastic Award, one 13 Chief's Merit Award, four Chief Unit Awards, two 14 Perfect Attendance Awards, one Leadership Award, and 15 three Commendations.

Now, therefore, be it resolved that the 16 17 Detroit Board of Police Commissioners speaking for the 18 citizens of Detroit and the Detroit Police Department 19 award this Resolution and sincere appreciation of 20 recognition of Commander Debra Fair's 25 years of 21 outstanding service and commitment to the City of 22 Detroit and its citizens for her tireless efforts and 23 faithful public service we merit our highest regards and best wishes for continued success. 24

We salute and congratulate Commander Debra J.

25

Signed, the Board of Police Commissioners, 1 Fair. 2 adopted this day, January 26th, 2012. A Resolution honoring retired Commander 3 4 Shereece Fleming-Freeman. Whereas, Shereece 5 Fleming-Freeman, a lifelong resident of the City of 6 Detroit was appointed to the Detroit Police Department 7 on April 14th, 1986, upon graduating from the Detroit Metropolitan Police Academy and was assigned to the 8 9 Sixth Precinct and later to the Narcotics Section, 10 Special Patrols Operations Section. 11 Additional assignments for Officer 12 Fleming-Freeman included the mini stations section, 13 Mayor's Secretary Unit for the late Mayor Coleman 14 Alexander Young, the Narcotics Division, and Chief's 15 Staff Division. And, whereas, Shereece Fleming-Freeman has 16 17 demonstrated unwavering commitment to the citizens of 18 the City of Detroit throughout her entire career with 19 the Detroit Police Department she is loved and highly 20 respected throughout the law enforcement community. 21 Now, therefore, be it resolved that the 22 Detroit Board of Police Commissioners speaking on 23 behalf of the citizens of the City of Detroit and the 24 Detroit Police Department recognize and honor the 25 longevity, and professionalism, and contributions of

Page 32

	Fagi
1	Shereece Fleming-Freeman. Her tenacious spirit and
2	dedication to improving the quality of life for the
3	citizens of Detroit and it's neighboring communities
4	merit our highest regard. We thank and congratulate,
5	Shereece Fleming-Freeman. Signed, the Detroit Board of
6	Police Commissioners, adopted by the Board of Police
7	Commissioners, dated January 26th, 2012.
8	Commissioners, with your approval, I ask that
9	we have motion in support of these Resolutions that
10	they may be placed in the archives for the Board of
11	Police Commissioners?
12	COMMISSIONER WARFIELD: So moved.
13	COMMISSIONER TAYLOR: Second.
14	CHAIRMAN WHITE: It been properly moved and
15	supported. Any discussion? Seeing none, all those in
16	favor?
17	COMMISSIONERS: Aye.
18	CHAIRMAN WHITE: Opposed? Thank you very
19	much. At this time, Mr. Secretary, I'll ask if you
20	could please take us into closed session.
21	SECRETARY ANTHONY: George Anthony, for the
22	record, Secretary to the Board. Proposed procedures
23	for convening a closed session under the Open Meetings
24	Act. As a public body your meetings are subject to the
25	Open Meetings Act. The Open Meetings Act defines a

HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

Page 33

meeting as the convening of a public body at which a
 quorum is present for the purpose of deliberating
 towards or rendering a decision on a public policy,
 MCL15.262B.

5 The Open Meetings Act, however, does allow a 6 public body to call a closed session, one limited to 7 the public body and its invitees for specific purposes. 8 Only deliberations may be conducted in closed session. 9 All decisions must be made at a meeting open to the 10 public. While in the closed session the Board makes no 11 decision. That must be done on the record.

12 On Thursday, January 26th, 2012, you will be 13 presented with a Suspension Without Pay Recommendation 14 for Police Officer Ryan, R-Y-A-N, Carruthers, 15 C-A-R-R-U-T-H-E-R-S, Badge 617. Through his 16 representative DPOA Attorney John J. Goldpaugh, Officer

17 Carruthers has requested a closed door session for the 18 purpose of contesting the Suspension Without Pay 19 Recommendation.

The closed session will be called pursuant to MCL15.268A of the Open Meetings Act which states in part, a public body may meet in a closed session to consider the suspension of or hear charges bought against an employee.

At this point, Mr. Chair, a motion would be

25

Page 34

1 in order to go into closed session. 2 CHAIRMAN WHITE: Commissioners, before us is 3 a request to move into closed session for personnel 4 matters in regards to Police Officer Ryan Carruthers, Badge 617. What is your pleasure? 5 6 COMMISSIONER WARFIELD: Sir, I move that we 7 move into closed session. COMMISSIONER TAYLOR: Second. 8 9 CHAIRMAN WHITE: It's been properly moved and supported. Any discussion? Seeing none, all those in 10 11 favor? 12 COMMISSIONERS: Aye. 13 CHAIRMAN WHITE: Opposed? Thank you. We 14 will convene following the closed session, thank you. 15 (Short recess.) CHAIRMAN WHITE: As we come back from closed 16 17 session I'll ask if, Mr. Secretary, if you could, 18 please, bring us back into the session? 19 MR. SECRETARY: Mr. Chair, George Anthony, 20 for the record. A motion would be in order to 21 reconvene in a public meeting. 22 COMMISSIONER WARFIELD: Sir, I move that we 23 reconvene in open session. 24 COMMISSIONER TAYLOR: Second. 25 CHAIRMAN WHITE: It's been properly moved and

supported. Any discussions? Seeing none, all those in 1 2 favor? 3 COMMISSIONERS: Aye. 4 CHAIRMAN WHITE: Opposed. Thank you, 5 Mr. Secretary. 6 MR. SECRETARY: Mr. Chair, George Anthony, 7 for the record. You have met in close session to 8 consider the Suspension Without Pay Recommendation from 9 Chief Godbee regarding Police Officer Ryan Carruthers, 10 and unless contravened by this Body the Suspension 11 Without Pay Recommendation will stand. 12 CHAIRMAN WHITE: Thank you, Mr. Secretary. 13 Commissioners, as it relates to Police Officer Ryan 14 Carruthers, Badge 617, are there any contraventions? 15 COMMISSIONER WARFIELD: Contra --16 CHAIRMAN WHITE: Contravened. Thank you. 17 The suspension -- I'm sorry. Ma'am Counsel, will we 18 still have to take another vote? So because we need 19 four Commissioners, and we had two contraventions 20 today, there's still a need to have this matter read 21 into the record and have the fourth Commissioner vote 22 to cast his vote before the action is official. 23 MR. SECRETARY: Right. CHAIRMAN WHITE: Okay. At this time, I'm 24 25 going to ask if Commission Warfield can conclude the

rest of the meeting. I look forward to seeing you at 1 2 our next meeting going forward. 3 COMMISSIONER WARFIELD: Thank you. We will 4 open up the floor now for oral communications from the

audience. If you wish to address the Board of Police 6 Commissioners you may come to the mic and address the 7 Board at this time.

8 Again, if you wish to address the Board, you 9 may come and do so at this time. And please state your 10 name for to record and adhere to our two-minute time 11 limit. Thank you.

12 MR. WILDE: Billy Wilde. I just want to ask 13 if the drop dead date has changed for the towing rules? 14 COMMISSIONER WARFIELD: No.

15 MR. WILDE: It's still --

COMMISSIONER WARFIELD: Yes, sir, the 15th of 16 17 February.

18 MR. WILDE: Okay. And on the agenda there was a item about the rules and we passed over that. 19 Was there any discussion for that? 20 21 COMMISSIONER WARFIELD: Are there any -- do

22 you have any changes?

23 COMMISSIONER TAYLOR: No.

24 COMMISSIONER WARFIELD: There are none.

25 Thank you, sir.

1	MR. STIDHAM: Good afternoon, Board,
2	Assistant Chief. Tom Stidham. I wanted to know
3	whether or not the towing or proposed towing rules, are
4	those going to be distributed or can we review them
5	somewhere, the proposals to date?
6	COMMISSIONER WARFIELD: Well, again, as the
7	Chair had indicated for several weeks now, once this
8	Commission votes on whatever additions or amendments
9	that we will make to the rules that are already in
10	place we will publish those and the public will have a
11	30 day opportunity to review those and then we will
12	come back and have a public forum, discussion, and then
13	we'll vote on them to be permanent.
14	MR. STIDHAM: Okay. I see. Thank you.
15	COMMISSIONER WARFIELD: No problem.
16	MR. STIDHAM: One last thing. Are there any
17	additions to the towing rotations?
18	COMMISSIONER WARFIELD: No, not to my
19	knowledge. I think Deputy Chief Lee would have to
20	but to my knowledge there are none.
21	MR. STIDHAM: Okay. Thank you, sir.
22	COMMISSIONER WARFIELD: Unless you know of
23	some that we don't know about and you want to tell me
24	about it.
25	MR. STIDHAM: I will off the record, though.

1	COMMISSIONER WARFIELD: Okay. Thank you. I
2	appreciate that, too. Any other comments for the
3	Board? Hearing and seeing none, I entertain a motion
4	to adjourn the meeting. Oh, can't do that. We don't
5	have a quorum. All right. We're done.
