Page 2 COMMISSIONERS: GEORGE ANTHONY, Secretary JEROME WARFIELD, Commissioner JESSICA TAYLOR, Commissioner DONNELL R. WHITE, Commissioner TONEY STEWART, Commissioner DETROIT POLICE DEPARTMENT COMMAND STAFF: DEPUTY CHIEF BENJAMIN LEE

Detroit, Michigan 1 2 Thursday, October 4, 2012 About 3:04 3 4 COMMISSIONER WARFIELD: Good afternoon, 5 ladies and gentlemen, welcome to the Board of 6 Police Commissioners meeting. My name is Jerome Warfield, Chairman of 7 8 the Board of Police Commissioners. Serving with 9 me today is the Vice-Chairperson of the Board, 10 Commissioner Jessica Taylor as well as Commissioner Donnell White. 11 12 Sitting in for the Chief's Office today 13 is Deputy Chief Benjamin Lee. It's good to have 14 you here. And at this time I'm going to ask if 15 16 our Board Secretary, Mr. George Anthony, will 17 introduce our staff for those of you who are 18 here. 19 SECRETARY ANTHONY: Thank you, 20 Mr. Chair. For the record, George Anthony, 2.1 Secretary to the Board. We have present 22 Ms. Celia Banks Washington who is our attorney to

the Board, Ms. Loletha Porter-Coleman who is our

director of Police Personnel, Lt. Tim Leach from

the Office of the Chief Investigator, Mr. Robert

23

24

1	Brown who is our office manager.
2	We also have Sgt. Alan Quinn who is
3	recording our proceedings as well as Mr. Dale
4	Rose from Hanson Court Reporting Service, and
5	that completes the introductions, sir.
6	COMMISSIONER WARFIELD: Thank you,
7	Mr. Anthony. At this time I'm going to ask if
8	Chaplain Pastor Penson will come and lead us in
9	our invocation for today's meeting.
10	Thank you, Chaplain, it's so good to
11	see you.
12	CHAPLAIN PENSON: Thank you. May we
13	all bow our heads in a word of prayer.
14	(INVOCATION WAS GIVEN.)
15	COMMISSIONER WARFIELD: Thank you,
16	Chaplain Penson, we appreciate that. If it is
17	too warm, we will ask that maybe we can maybe
18	turn on a fan or two and just to try to cool the
19	room down for you, if it is a little bit too
20	warm.
21	At this point, we will accept a motion
22	to approve our agenda for today, October 4, 2012.
23	COMMISSIONER TAYLOR: So moved.
24	COMMISSIONER WHITE: Support.
25	COMMISSIONER WARFIELD: It's been

Page 5 1 properly moved and supported. Without objection all those in favor? 2 3 COMMISSIONERS: Aye. COMMISSIONER WARFIELD: Opposed have 4 5 the same right and privilege. Motion carries. 6 Also entertain a motion to approve the minutes for Thursday's meeting September 22, 2012. 7 COMMISSIONER TAYLOR: So moved. 8 9 COMMISSIONER WHITE: Support. 10 COMMISSIONER WARFIELD: All those in favor? 11 12 COMMISSIONERS: Aye. 13 COMMISSIONER WARFIELD: Any discussion? 14 Motion carries. We have a fairly action-packed 15 agenda for today and certainly we want to make 16 sure we move through it with care and concern. 17 We also have some personnel matters 18 that will be discussed in closed-door session, 19 suspension-without-pay matters, and we will hold 20 those matters towards the end of the meeting and 2.1 certainly we will make sure that we take public 2.2 comment before we deal with the 23 suspension-without-pay matters. 24 As most of you know, certainly there

has been some events that have developed this

2.1

Page 6

week within the leadership of the Detroit Police

Department. We ask certainly and solicit your

prayers as these matters are being worked on and

worked out.

We want to assure the men and women of the Detroit Police Department that the leadership team, the Board of Police Commissioners and the leadership team that's in place will stay the course. We want to assure to the citizens that the men and women in blue will continue to fight to keep the city safe, to keep the residents safe, and do their jobs.

The great thing about this city is that we are resilient and there is no -- there is absolutely no conflict, there's no situation that we have not overcome. Certainly we pray for those individuals that are involved. More importantly, we want to make sure that there is a very clear message to our citizens and to the public that business is continuing, that the people are being kept safe and that our men and women are showing up every day doing their job.

And so we want to thank them for that and ask for their continued support. Certainly as relates to the guise of the new Charter and

2.1

Page 7

the language that's in the new Charter the Board
is still in the process of understanding and
coming to grips with what our role is as relates
to potential plans of succession and as relates
to any potential investigations as it relates to
members of the Detroit Police Department.

There is a memo that I'm asking the Board to weigh in on and that we will discuss today as relates to what our role is that we may seek and work with the Mayor's office to make sure that we are all on the same page and that we are walking lockstep.

And I want to do that now prior to moving on to the presentation from the Chief's Office so that we are clear moving forward. And we'll read the letter for the record and then we will discuss it and certainly a copy will be provided for our recorders in order that you may capture it accurately in case I mess up in the reading as I sometimes do.

The letter is dated October 4, 2012 and it is addressed to Mayor Dave Bing, City of Detroit, 2 Woodward Avenue, 1126 Coleman A. Young Municipal Center, Detroit, Michigan 48226.

Subject is Chief Ralph L. Godbee, Jr.

1	"Dear Mayor Bing:
2	On behalf of the Board of Police
3	Commissioners (the 'Board') I would
4	like to register our concern to what
5	the news media is reporting as your
6	decision to assign the possible alleged
7	misconduct investigation of suspended
8	Police Chief Ralph L. Godbee, Jr to the
9	City of Detroit's Human Resources
10	Department.
11	The Board understands that the
12	City's Human Resources Department
13	conducts investigations of accusations
14	of sexual misconduct involving City
15	employees. In like manner, the Police
16	Personnel Division investigates
17	allegations of sexual misconduct
18	involving police department employees.
19	To our knowledge, no complaints
20	have been filed and an investigation
21	based on news reports alone would be
22	inappropriate and premature.
23	On the other hand, the news media
24	has reported that Chief Godbee may have
25	used department resources in violation

1	of the department policy to address an
2	individual and personal matter.
3	As the head of the Detroit Police
4	Department the Board believes that it
5	has the authority and the mandate to
6	conduct the investigation in this case,
7	with that authority rooted in the clear
8	and unambiguous language of the Detroit
9	City Charter (the 'Charter').
10	SUPERVISORY CONTROL AND AUTHORITY.
11	Section 7-802 of the Charter makes
12	clear that the Board of Police
13	Commissioners has supervisory control
14	and authority of the Police Department.
15	The commentary for the section provides
16	the rationale for the provision it
17	states in part:
18	The role of the Board of Police
19	Commissioners in the operation of the
20	Police Department has been clarified.
21	The Board of Police Commissioners
22	provides supervisory control and
23	oversight of the Police Department.
24	Civilian oversight and supervisory
25	control of the paramilitary operations

1	of the City is a principle of deep
2	significance in our community and thus
3	is expressly articulated in the
4	Charter.
5	To supervise simply means to have
6	charge and direction over something and
7	in this case, that something is the
8	police department. The department
9	encompasses all ranks and positions and
10	the Charter makes no distinction
11	amongst them.
12	In the context of the Board's
13	authority to investigate allegations of
14	non-criminal misconduct its authority
15	extends from the lowest to the highest
16	ranking sworn member or civilian
17	employee.
18	Accordingly, the reported alleged
19	incidence of misconduct against the
20	Chief should be directed to the Board
21	for investigation and disposition.
22	INVESTIGATIVE RESOURCES
23	In accordance with Section 7-804
24	of the Charter the Board employs a
25	civilian staff of investigators and a

1	Chief Investigator who is considered
2	the department's Chief Ethics Officer.
3	As such, the Chief Investigator directs
4	the investigations of non-criminal
5	misconduct allegations involving sworn
6	and civilian employees.
7	The Charter also provides that the
8	Board's staff is under the direction of
9	the Board and the Chief of Police has
10	no authority over any member of that
11	staff. The Office of the Chief
12	Investigator (the 'OCI') under Board
13	authority may subpoena witnesses,
14	administer oaths, take testimony and
15	require the production of evidence in
16	its investigations, (Subsection $7-803$).
17	The investigative findings are
18	reviewed and approved by the Board. If
19	discipline is imposed by the
20	department, the Board is authorized to
21	act as the final authority in imposing
22	and reviewing discipline of employees
23	of the department.
24	The Board clearly has the

authority, resources and tools to

1	conduct a fair and impartial
2	investigation. If an allegation of
3	sexual misconduct is made, that
4	allegation can be consolidated within
5	this investigation and referred to the
6	Director of Police Personnel who, like
7	the Chief Investigator, is a civilian
8	appointee of the Board (Subsection
9	7-810).
10	INDEPENDENCE
11	The Board's investigation in this
12	matter will not create a conflict of
13	interest. On the contrary, the Board
14	is an independent body whose members
15	are sworn to uphold the law and fairly
16	represent the interests of the citizens
17	and the department.
18	To achieve balance, the Board
19	ensures that OCI investigative findings
20	are the product of credible evidence
21	and the application of appropriate
22	rules and regulations and the law, and
23	in matters of discipline the Board
24	renders decisions based on the facts

25

and the evidence. No other entity has

10/4/2012

	Page 13
1	authority over the Board's staff which
2	also allows for Board independence and
3	impartiality.
4	CONCLUSION
5	The Board respectfully requests
6	that the Administration respect
7	protocol and abide by the Charter's
8	mandate to authorize the Board to
9	execute its lawful authority and
10	investigate the reported alleged
11	misconduct allegations against Chief
12	Godbee. The Board asks that you concur
13	in this respect.
14	Sincerely,
15	
16	JEROME L. WARFIELD, SR.
17	Chairman
18	Board of Police Commissioners."
19	Certainly this letter has been given to
20	all of the Commissioners. I want it to be said
21	very clearly that in no way are we trying to be
22	adversarial or step out of our line of authority.
23	What we do want to do is exercise our
24	Charter-mandated authority as relates to
25	supervising the department, conducting

	Page 14
1	investigations, what this particular Charter was
2	set up for us to do and the Charters since 1947.
3	So in that matter we want clarity from
4	the Mayor's Office, that's all. We're seeking
5	clarity from the Mayor's Office.
6	And at that point I will open up
7	discussions as relates to this and I guess more
8	than have a discussion we need a motion to accept
9	this letter that we may send it on to the Mayor's
L O	office with any necessary changes or corrections.
11	COMMISSIONER WHITE: Mr. Chair, I move
12	that we forward the communication as relates to
13	the personnel matter of Chief Ralph L. Godbee, Jr
L 4	to Mayor Dave Bing in the aforementioned matter.
15	COMMISSIONER TAYLOR: Support.
16	COMMISSIONER WARFIELD: It's been
L 7	properly moved and supported. Any discussion?
18	Any discussion?
19	COMMISSIONER WHITE: No.
20	COMMISSIONER WARFIELD: Again, it is
21	this Board's policy that we just seek
22	understanding, that we seek clarity, that we seek
23	to make sure that we hold up our Charter-mandated

Having said all that, all those in

responsibility.

24

1	favor of the motion, please say aye?
2	COMMISSIONERS: Aye.
3	COMMISSIONER WARFIELD: All aye. All
4	those opposed? Motion carries.
5	At this point we will move to the
6	department for report from the department.
7	Deputy Chief?
8	DEPUTY CHIEF LEE: To my understanding
9	there's no presentation that I'm aware of.
10	COMMISSIONER WARFIELD: There is a
11	grant request that is on our agenda and I'm going
12	to ask if Commissioner White would read the grant
13	request and that grant is to accept a 1970 Bell
14	helicopter from the United States Army Defense
15	Support to civilian authorities.
16	COMMISSIONER WHITE: Commissioners,
17	before us is a request to accept a 1970 Bell
18	helicopter from the United States Army Defense
19	Support to Civil Authorities (DSCA) 1033 Program.
20	The Detroit Police Department is an
21	active member of the United States Department of
22	Defense's 1033 Program. The 1033 Program permits
23	the Secretary of Defense to transfer excess U.S.
24	Department of Defense personal property (supplies
25	and equipment) to state and local law enforcement

1	agencies. The requesting agency must be a
2	government agency that has a primary function of
3	enforcing laws and the recipient must accept the
4	property on an as-is where-is basis. All
5	property is transferred on a first-come,
6	first-served basis. Property received may not be
7	sold, leased, rented, exchanged, bartered, used
8	to secure a loan, used to supplement an agency's
9	budget or stockpiled for possible future use.
10	The Detroit Police Department's Office
11	of Homeland Security has located a 1970 Bell
12	helicopter, Aircraft Model OH58C, Serial Number
13	7015129 through this program. The Delaware River
14	and Bay Authority is willing to transfer the
15	equipment to the DPD for its use.
16	Mr. Chair, I move for adoption.
17	COMMISSIONER TAYLOR: Support.
18	COMMISSIONER WARFIELD: It's been
19	properly moved and supported that we grant the
20	request regarding the 1970 Bell helicopter to the
21	department. Any questions?
22	COMMISSIONER TAYLOR: No.
23	COMMISSIONER WHITE: I do. Inspector
24	Don Johnson is with us, and thanks for being
25	here, Inspector.

1	INSP. JOHNSON: Thank you.
2	COMMISSIONER WHITE: I know at one
3	point the department did own, if I'm not
4	mistaken, helicopters. For what reason did we
5	sell those helicopters at that time?
6	INSP. JOHNSON: That was under a prior
7	administration when Mayor Kilpatrick, former
8	Mayor Kilpatrick was the Mayor and for some
9	reason they decided to do away with the Aviation
10	Division.
11	I don't know all the particulars
12	surrounding that, but when Chief Bully-Cummings
13	this project just let me backtrack this
14	project has been in process for a long time. We
15	initially inquired about receiving a free
16	helicopter back in 2003 and this is now 2012, so
17	you can see it took that amount of years for us
18	to actually get a helicopter, you know, pretty
19	much free of charge.
20	So from that, we've been working
21	diligently to make sure that we do everything on
22	our part in order to receive a helicopter
23	including establishing a three-year cost analysis
24	budget as well in reference to a helicopter.
25	So for us we believe it's a good

2.1

project. I have my chief pilot here as well
who's currently flying with Michigan State Police
and we think it will be very beneficial to the
department for several different reasons.

And let me just add one of the main reasons for this was it's not necessarily a requirement of the Department of Justice. You know, as you know we're under the Consent Decree, but we were tasked with exploring different alternatives for doing things with our vehicle pursuits.

At one pint we were -- had a whole lot of vehicle pursuits that resulted in a lot of lawsuits and things of that nature, so up under the Consent Decree they wanted us to find other alternatives that can kind of do away with the amount of vehicle pursuits that the officers were getting out here and causing accidents and things of that nature.

And since we've had the current project that we're involved in we've been able to significantly reduce the amount of vehicle pursuits due to the Aviation Unit being in the air and being allowed to fly to actually take over those vehicle pursuits.

1	And also, so just you all will know,
2	it's also increased the amount of folks we've
3	captured as a result of the Aviation Unit being
4	up in the air with the tools that they have.
5	So, you know, they're able to call down
6	to the officers on the ground level. It's an
7	officer safety issue as well. A lot of those
8	officers to know that perpetrator is in the
9	backyard, he's just jumped in the dumpster,
10	things of that nature, and it's saved the
11	officers a lot of unnecessary use of force
12	complaints and things of that nature just by us
13	having being allowed to utilize this
14	particular tool.
15	COMMISSIONER WHITE: Inspector, if you
16	could, talk to us about the operational costs we
17	currently incur with our relationship with
18	Michigan State Police and sharing aviation and
19	the projected costs that it would take to operate
20	this as a potential resource for the department.
21	INSP. JOHNSON: The current agreement
22	we have with the Michigan State Police is it's
23	been a project that I worked on for about three
24	years prior to its inception back in 2008, 2009
25	was for us for us to provide a pilot as well

2.1

as ł	nangei	space	for	MSP	to	come	down	here	along
with	n our	pilots	and	fly	ove	r the	e Deti	coit	skies.

With that, we were responsible for the fuel cost associated with that and MSP was of course responsible for the -- we're responsible for the fuel costs as well as the hanger space which is an additional cost to us and the MSP will be responsible for, of course, the maintenance of their helicopter.

And so roughly we run about -- it costs us about \$30,000 a year in fuel and fuel costs, but you have to look at it from this perspective as well. \$30,000 versus \$3.5, \$3.4 million a year or over a course of time in lawsuits and things of that nature. I think it is a definite cost saver.

In reference to the -- what we're getting ready to embark on now, as I look at our cost analysis for the first three years it's not going to cost us a lot. We have received funding from the Detroit Police Public Safety Foundation in reference to us accepting the helicopter for -- to getting some maintenance work done on the current copter itself. It's going to cost us roughly about \$20,000 to have it shipped here and

2.1

Page 21

have	the	minor	repa	ir w	ork	that	need	ds	to	be	done
to th	ne he	elicopt	er w	hile	it'	s sti		in	Del	awa	are.

In addition to that, I also have the Operation Stone Garden Grant and that's a \$18,000 grant which will be utilized for fuel.

And so what that allows us to do is to get up in the air as soon as the helicopter gets here. The \$18,000 will take us over the course between seven to eight months. You know, weather permitting we fly two operations a day. We'll be up and operational for a third flight if need be in worst-case scenarios, things of that nature.

So for -- and then we also have the maintenance cost that will be associated with that, but the maintenance costs that's associated with it is over a period of time, over a three-year period. So with that three-year period -- let's see, in two years we will pay our first cost that will be associated with having the main rotor blades overhauled which is \$86,000.

The third year that we'll have it will be that same cost, but engine overall. For the insurance that's associated with it as well, that's roughly \$30,000 to \$40,000 a year and we

2.1

are also in the process of talking with Michigan
State Police to have their chief mechanic work on
our helicopter to try to make arrangements with
them or actually hire our own.

We did have a mechanic years ago that was with us that was willing to come down at a minimal cost. I actually personally talked to him myself. An aviation mechanic now, their salary is in a range of \$95,000. However, I was able to talk him down in the \$60,000 range and just basically explained to him we don't have to give like that, and of course he understood, but he's looking forward to getting back with the City of Detroit and he said he would be willing to help us out any way that he could.

So for a three-year period we are roughly about \$500,000 and that is definitely a cost savings, if I exclude the fuel which will be taken care of utilizing the Operation Stone Garden Grant which is a grant we receive every year.

COMMISSIONER WHITE: Inspector, just for clarity, if I understood you correctly currently with our relationship with MSP we cover hanger space and fuel costs?

1	INSP. JOHNSON: That's correct.
2	COMMISSIONER WHITE: So would it be
3	accurate to say that with this new acquisition we
4	primarily would be incurring an additional
5	maintenance fee over that period of time in
6	excess of what we were already covering with the
7	Aviation
8	INSP. JOHNSON: Well, no, we were not
9	paying a maintenance fee. State Police, they
10	serviced their own
11	COMMISSIONER WHITE: So with this new
12	acquisition the only cost that would be a new
13	cost to us would be the new maintenance cost
14	that's built in over which would start in Year
15	2 and go on forward?
16	INSP. JOHNSON: Yes, sir, for our
17	helicopter, yes, sir.
18	COMMISSIONER WARFIELD: Sir, as relates
19	to the budget and this year, do you suspect that
20	any budgeted dollars from this year's budget will
21	be used for the helicopter project?
22	INSP. JOHNSON: As of right now, no,
23	sir. The way it's going to be set up, we will be
24	able to get through the end of the year without
25	any costs associated to the Detroit Police.

1	Like I said, the Public Safety
2	Foundation is going to write us a nice check in
3	order to receive the helicopter and then the fuel
4	cost that will be associated with the helicopter
5	would actually be coming out of the Operation
6	Stone Garden Grant which is a reimbursable grant
7	to the City of Detroit, to DPD.
8	COMMISSIONER WARFIELD: And what is the
9	projected date if everything goes, you know, well
10	according to your plan.
11	INSP. JOHNSON: Let's let my chief
12	pilot address that.
13	SGT. RICHIE: Charles Richie, Sgt.
14	Richie, Detroit Police. I just spoke with the
15	Delaware mechanic down in Delaware where the
16	helicopter is being serviced at. There's some
17	time component parts that had to be taken off the
18	helicopter to be serviced and put back on. He
19	expects that to be about four weeks, and then we
20	have the transportation period where the
21	helicopter will be moved by truck on semi-truck
22	and moved back to Detroit.
23	That mechanic will then come and
24	service the helicopter again to put the rotor
25	blades, main rotor blades back on the helicopter

1	and ensure it's tracking right and then we'll be
2	up and servicing that.
3	COMMISSIONER WARFIELD: Sgt. Richie,
4	could you also speak to the type of weather that
5	the helicopter can and cannot fly in in an effort
6	that we might know how much it may be used the
7	remainder of the year because if we're talking
8	about a month from now, we're dealing with
9	November and so what type of flight time are we
10	talking about?
11	SGT. RICHIE: Well, two things happen
12	with this project moving forward with it. One is
13	the type of helicopter we're getting, all of the
14	pilots currently are certified to fly that
15	helicopter, so there's no added expense. We
16	still that's the type of helicopter we fly
17	currently, so we'll be having that now.
18	There are no weather restrictions for
19	that helicopter except if it's foggy outside
20	obviously we can't see, so we need some
21	visibility to see.
22	The helicopter comes with snow baffles
23	which allow the engine to be protected during
24	snowy weather, so we'll be able to fly during
25	that season as well.

1	COMMISSIONER WARFIELD: Great.
2	Commissioner White?
3	COMMISSIONER WHITE: I did have a
4	question as a follow-up. Any event, as we know,
5	the department we're looking for every way
6	possible to save dollars, to put more boots on
7	the street, but in the event this asset to the
8	department becomes beyond the scope of our
9	ability to maintain, I see that we cannot
10	stockpile it for future use, it has to be in use,
11	so it is a simple return back to the DOD at that
12	time at no expense to us for returning, is that
13	the
14	INSP. JOHNSON: The 1033 Program allows
15	you to take those assets, return them into that
16	program and they will be offered up to another
17	agency, so that gives us a way out should we need
18	that, sir.
19	COMMISSIONER WHITE: Okay.
20	COMMISSIONER WARFIELD: I think it's a
21	wonderful project. Certainly we have all rode
22	with the police and there have been times in our
23	riding with the police that we have ridden when
24	they were in police chases, and certainly we
25	understood that the state helicopter was a

1	tremendous asset to making sure that criminals
2	were not only captured, but the public stayed
3	safe.
4	So certainly I give you my support and
5	having those extra eyes and ears up in the air.
6	I think it's a resource that would benefit the
7	citizens of the city of Detroit tremendously and
8	certainly I thank you for going out and being
9	resourceful though this long period of time and
10	sticking with that process of getting that
11	resource back to Detroit.
12	Anything else? All those in favor of
13	the request that's on the floor?
14	COMMISSIONERS: Aye.
15	COMMISSIONER WARFIELD: All those
16	opposed? Motion carries. Thank you, gentlemen,
17	we appreciate it.
18	INSP. JOHNSON: Thank you.
19	COMMISSIONER WARFIELD: There is only
20	one matter under old business I want to talk
21	about and maybe after the meeting our staff can
22	get with the towers. We need to set another date
23	for the last tow hearing, and so I'm going to ask
24	if our towers will meet with our staff right
2.5	after the meeting so we can set that date and get

1	that done so we can get that matter rolling as
2	well.
3	Our next meeting will be Thursday,
4	October 11, 2012 6:30 PM. It will be in the
5	Northeastern District at St. Paul Church of God
6	in Christ that is located at 1111 Sheridan on
7	Detroit's east side Detroit, Michigan 48214.
8	At this time our agenda calls for oral
9	communications. If you wish to address the Board
10	of Police Commissioners you may come at this
11	time, but before you come, I want to acknowledge
12	our Explorer Academy, our young Explorer Academy,
13	give them a hand.
14	(APPLAUSE.)
15	COMMISSIONER WARFIELD: I don't know if
16	their advisor is here. Come up to the mic,
17	please, ma'am. You know, I was actually an
18	Explorer in high school when I was at Chadsey
19	High School out of the 10th Precinct, I was an
20	Explorer as well, so you all are doing just a
21	phenomenal job.
22	Yes, sir, your name for the record.
23	MR. SHOWERS: My name is Warrant
24	Officer 1st Class Kelly Showers on behalf of the
25	Detroit Police Law Enforcement Explorers Program.

1	It was my request to speak to the Board
2	of Commissioners.
3	COMMISSIONER WARFIELD: Yes, sir.
4	MR. SHOWERS: It was brought to our
5	attention by our officers who were told by the
6	Chief's Office that the only way they could
7	continue working with the Explorers Program is if
8	they did it on their own time, and we're here to
9	find out why.
10	Because if they're doing it on their
11	own time, then they won't be able to use city
12	vehicles to pick up their kids to have our
13	meetings, to have details. Also because they
14	won't be assigned out and if they're not assigned
15	out, we can't be as heavy in the community as we
16	always have been and as we're used to being,
17	because we need officers to be assigned out for
18	different details because we work we help with
19	crowd control, Thanksgiving Day Parade, we help
20	with security entailed with the Auto Show just to
21	name a few.
22	And with that being said, without the
23	officers being able to be assigned out, it seems
24	as if the program is going to end up being forced
25	to close, and if I may briefly explain what the

2.1

program does, for those in the room who are in
attendance who do not know, the Detroit Police
Law Enforcement Explorers Program is a program
geared toward youth who are ages 14 to 18 who
typically have an interest in law enforcement.

We shadow the day-to-day operations of police officers, we train just as police officers do. We have some of the same courses that they take in the academy such as felony stops, search and arrest, investigation and so on and so forth.

This program is a tremendous program within our community. It impacts the community in such a way that I hadn't heard of any other program that does what -- the things that we do that connect to the people in the community just the way that we do.

There's been many occasions when we have been out and about, whether it be having a fund-raiser or doing a turkey give-away or anything of that nature where an adult or an elderly person will come up to us and say that they're happy that the youth are actually doing something positive that puts their hearts and minds at ease that all the youth in the city haven't strayed from a path of success so to

1	speak.
2	And I'm sorry. The program, it
3	spreads so much positivity, it does so much for
4	the community, and the program impacts our youth
5	in such a way that these are very productive
6	citizens in the making.
7	I only have about 20 Explorers with me,
8	but we have 260 Explorers.
9	(APPLAUSE).
10	And the request is brought to you to
11	make a way to have officers assigned out to
12	continue working with this program so that it
13	does not close.
14	COMMISSIONER WARFIELD: Could I have
15	your name again, I'm sorry?
16	MR. SHOWERS: My name is Kelly
17	Showers, Warrant Officer 1st Class.
18	COMMISSIONER WARFIELD: Thank you, sir.
19	First of all, thank you for coming. What an
20	awesome presentation that you've made.
21	(APPLAUSE.)
22	You certainly did come to the right
23	place at the right time. I'll going to ask if
24	the department can chime in on it first and then
25	we'll chime in on it as well.

1	DEPUTY CHIEF LEE: Deputy Chief Turner
2	who will respond.
3	DEPUTY CHIEF TURNER: Melvin Turner,
4	Second Deputy Chief, Police Community Services.
5	The Explorer Program falls within our command.
6	We are in fact exploring the way for the program
7	to continue. We in fact had some of the officers
8	that were involved with the Explorer Program
9	submit to us a framework which they think may
10	work for us.
11	Because of the 12-hour shifts and the
12	changing of the leave days in relationship to
13	that, what was proposed is that they meet on one
14	day one week and another day once the leave days
15	change, so we're exploring that right now. There
16	has been no talk of disbanding the Explorers at
17	all, and that's not our intent.
18	COMMISSIONER WARFIELD: Deputy Chief
19	first of all, any questions for Deputy Chief
20	Turner?
21	COMMISSIONER WHITE: Deputy Chief, what
22	recourses do we have in terms of manpower that's
23	allocated to the Explorer Program?
24	DEPUTY CHIEF TURNER: Well, the
25	Explorer Program operated out of each precinct

1	and district in terms of that and so officers
2	were assigned out in terms of that. They are
3	assigned out for a seven or eight-hour period to
4	conduct those meetings on a weekly basis, so what
5	we're looking at is because it's a 12-hour shift
6	that seven or eight hours of that shift possibly
7	the officers that were assigned can continue that
8	practice, but it will be two different meeting
9	days.
10	If they met on Wednesdays or Tuesdays
11	one week, they would be meeting on Wednesday the
12	following week, and that would be a standard.
13	COMMISSIONER WHITE: I understand, but
14	for clarity how many officers are we saying, two
15	per precinct, is it
16	DEPUTY CHIEF TURNER: It's about six.
17	It's per precinct.
18	COMMISSIONER WHITE: Six city-wide?
19	DEPUTY CHIEF TURNER: Yes.
20	COMMISSIONER WHITE: Okay, thank you.
21	COMMISSIONER WARFIELD: Thank you, sir.
22	Well, certainly as an alumnist of the Explorer
23	Program certainly this is an issue that's near
24	and dear to my heart and I would just hope that
25	and we do understand that there has been a

1	reallocation of resources, but we do hope that
2	the officers who are assigned to these young
3	people who are doing a great job will be able to
4	continue in that role and certainly use us.
5	We are willing to work with you and
6	maybe we can look at potential grant
7	opportunities in an effort to bridge whatever
8	gaps that are there as relates to the officers'
9	time that they spend, but certainly if there's
10	anything we or our office can do to help secure
11	this and we're glad to hear from you that there's
12	been no talk about getting rid of the program, so
13	officially on the record that is not the case at
L 4	all; amen.
15	So, again, use us as a resource if we
16	can do anything to help.
L 7	DEPUTY CHIEF TURNER: We certainly
18	will, we're not bashful at all, sir.
19	COMMISSIONER WARFIELD: Thank you and
20	give our young people a hand again.
21	(APPLAUSE).
22	If you want to say something, come on
23	up.
24	MS. PARKS: My name is Personnel

Lieutenant Deborah Parks. I've been in the

1	program since I was 13, I'm 17 currently. I'm
2	getting ready to go off to college and actually
3	believe the only reason I am is because of the
4	Explorer Program.

(APPLAUSE.)

2.1

I've had a lot of different trials as most teenagers do, but because of the officers that work with us and the Explorers they're like parents to us. My advisor for one, he is my father. I don't care what anybody says, he's my father. They help me with school. We take very good trips.

We went to Washington, D.C. last year. We go to the Academy Camp every summer and not only does that make you stronger physically but it makes us stronger mentally. We are a family, that's why we all came here together. It might not be all of us, but if you saw us all together, trust and believe we will all be one big family. We have pictures of everything that we do if you all would like to see them.

We don't just take this lightly as a program after school. We take this as a part of our life and for it to be cut down or taken away, it would change my life. I've had six of my

1	relatives go through this program. I have my
2	little sister that just started, so it would be
3	really bad if I left and then she called me one
4	day at school and told me it was gone or they cut
5	it out. I just don't think that it's fair at
6	all.

COMMISSIONER WARFIELD: Thank you, Lt. Parks. We would like to see your pictures if you can give it to our investigator right there and we'll give them back to you, but I do want to see them. Thank you.

Yes, ma'am.

2.1

MS. D'JESUS: Hi, my name is Angelina D'Jesus. I was also an Explorer at the 8th Precinct. I grew up in law enforcement. My mother is a police officer and I just -- my daughter is in Explorers now, and I think being a working mother I feel comfortable knowing the type of people she's hanging around with and the type of environment she's in when I'm at work.

I don't have any type of issues with her as far as -- you know, she speaks up. You know, she doesn't have any type of -- she has a leadership demeanor about her now and I just feel as parents we feel comfortable with the advisors

Page 37

1	picking them up, making sure they get home. They
2	are very responsible officers and I trust them
3	with my child.
4	So I just don't feel you know, if
5	this was a program that was over for her, what
6	would I do as a parent. I would have to quit my
7	job because I couldn't leave my baby at home
8	knowing the possible stuff she can fall out in
9	the neighborhood.
10	There's things going on now, if you
11	look at if you look at the city you don't
12	want to say our city is a bad city, but you do
13	get that. We see the negative side sometimes
14	about the police department, but this is some of
15	the positive things that the police department
16	has going on.
17	I'm speaking as a parent and a former
18	Explorer, so I just hope and pray with the rest
19	of the parents that we don't lose our kids to the
20	streets and we can keep a structure going on with
21	them because they are a family.
22	COMMISSIONER WARFIELD: Thank you,
23	ma'am.
24	(APPLAUSE.)
25	MS. OLDHAM: Hello. My name is Warrant

Τ	Officer 3rd Class Kia Oldham. I've been an
2	Explorer since I was about 12 and I'm 19 now.
3	Being in the program has really changed me a lot.
4	Like one of my fellow Explorers said, the
5	advisors, they are like parents to us. Me and my
6	advisor, we're actually closer than you would
7	think just between advisor and Explorer.
8	The program is I don't think any of
9	my fellow Explorers mentioned it, but we don't
10	get paid for what we do. We work, we work hard
11	even though everybody might not know what we do,
12	know where we're at, but this is totally
13	volunteer time.
14	We get up for Thanksgiving Day Parade
15	at 6 o'clock in the morning to stand because we
16	want to. None of this is we don't get paid
17	for anything we do. It's completely non-profit.
18	When we take field trips and when we go different
19	places, the money comes out of the Explorers'
20	pockets and sometimes even the advisors' pockets,
21	so when we want to do things, we count on our

Taking them away from us is like taking away a parent. You have plenty of kids who go through problems at home and they need someone

advisors and they have to be there for us.

22

23

24

1	and that Wednesday is the day that they know
2	they're going to need someone when they have
3	someone. Even if it isn't a Wednesday, a lot of
4	us, almost all of us, we can call our advisors
5	any given day and they're there for us.
6	They come pick us up when we need them.
7	They give us they're parents to us, like my
8	fellow Explorer said, and taking them away from
9	us is really putting kids back on the street
10	because we won't have nothing to do on those
11	Wednesday afternoons and Tuesday afternoons and
12	taking them away really does take away from
13	future Explorers.
14	They won't have the opportunities that
15	we have, they won't be able to go to camp and see
16	the things that we do. I've been in Explorers
17	for a long time and I'd say five of my older
18	Explorers, they've either gone on to go into the
19	police department, the military and as of now I'm
20	at Wayne State, I'm in my second year and my
21	major is criminal justice and that's what I plan
22	on doing.
23	(APPLAUSE)
24	MR. SHOWERS: Warrant Office 1st Class
25	Kelly Showers.

Page 40

1	COMMISSIONER WARFIELD: We typically
2	don't let people speak twice, but keep it short.
3	MR. SHOWERS: I'm sorry, I just wanted
4	to bring it to you in closing that as you can
5	see, we have a great group of youth right here
6	and it's the request of all of us because we're
7	all just as dedicated to the program just as the
8	officers are and that will always remain for the
9	police officers to be assigned out for us to
10	continue this program for future Explorers to
11	come.
12	COMMISSIONER WARFIELD: Absolutely.
13	Thank you, sir. You all did an excellent job.
14	(APPLAUSE.)
15	MS. HUGHES: Hi, my name is Lusavia
16	Hughes. I grew up in Southwest Detroit during the
17	days of the Kim Crow injustice in Southwest
18	Detroit. I'm with the National Hispanic Nursing
19	Association. We have a group in Detroit and
20	across America.
21	We are worried about the safety of the
22	citizens, especially with an officer who appears
23	on Twitter and Facebook with the city-issue
24	revolver in her mouth complaining about the
25	Chief-female drama.

Page 41

1	My question is, is that officer going
2	to be put female officer that was all over the
3	national news, Chicago news, everywhere, is she
4	going to be put back into the street with the
5	city-issue police revolver or is she going to be
6	put somewhere where she can get some psychiatric
7	help and get over Chief Godbee and his female
8	catfish drama.
9	(Commissioner Stewart arrives.)
10	We need a safe city and we need police
11	officers and we have a hell of a lot of good
12	police officers in Detroit that are not getting
13	the respect that they deserve because the
14	leadership is too busy chasing catfish instead of
15	the criminals.
16	And I am here and we're here to demand
L 7	that the Chief be removed since he does not have
18	the time to take care of the criminals instead of
19	chasing the catfish in his department and
20	everywhere else. It's not safe for the citizens
21	of Detroit. We have enough killing, enough
22	killing going on. It's not fair to the police.

The police officers who do a hell of a good job

every day putting their lives on the line.

23

24

1	of them, they've come in shot at Detroit
2	Receiving just because they're doing their job.
3	It's not fair to him sitting
4	overhearing me. He needs a police officer who
5	Chief who is responsible and accountable. If
6	he's a sex addict, as a nurse I suggest that he
7	gets therapy, but he's no longer fit to be Police
8	Chief of Detroit.
9	We need a Police Chief that is
10	responsible for the citizens of Detroit. This is
11	not safe for the citizens of Detroit. We have
12	enough crime going on, we don't need this.
13	And secondly, I support the helicopter
14	because they do help us find victims that have
15	been shot by the criminals that the Police Chief
16	doesn't have time to catch.
17	Thank you very much.
18	COMMISSIONER WARFIELD: Thank you,
19	Ms. Hughes, we appreciate your comments. Just
20	for future comments just so that you will know,
21	it's not that we are being rude or inconsiderate,
22	but we cannot make any comments specific to the
23	allegations that are out there because there's an
24	investigation.

MS. HUGHES: I understand and I

Page 43

1	appreciate that and we appreciate the Board for
2	listening to the public and please follow up on
3	your letters to the Mayor. I wanted to file a
4	police report yesterday, I called the police
5	because I want to know where the Mayor is in the
6	middle of all this drama.
7	COMMISSIONER WARFIELD: Thank you,
8	ma'am.

2.1

MS. STEVENSON: Hello. My name is
Elizabeth Stevenson. I am here to speak on the
issue of the Explorers. I started out as a
volunteer Explorer at the age of six. I'm 31
now. I'm going to law school, I didn't take the
police route. My mother, she's retired police
officer for 27 years, Tuwana Morris and we
started out at Number 12 and we had John Saley
and all that used to come and help us out, the
Explorers.

MS. HUGHES: Thank you very much.

So I do think that the Explorers is a positive group. I mean I do think without the Explorers I'm probably — and without my mother I probably would not have taken the path that I've taken. That's fine, I'm going to law school in June. I live in Atlanta, but I'm here right

10/4/2012

	Page 44
1	now helping my mom out, but yes, I do think it's
2	critical to keep the Explorers Program. I think
3	it's beneficial.
4	COMMISSIONER WARFIELD: Thank you,
5	Ms. Stevenson.
6	MR. SCOTT: Ron Scott with the Detroit
7	Coalition Against Police Brutality. First of
8	all, let me thank the Board of Police
9	Commissioners for acting in a very fair judicious
10	manner and exercising its responsibility under
11	the Charter in terms of seeking to investigate
12	what has become essentially a public-driven
13	drama.
14	Now, the circumstances are at this
15	particular point, what is called for in this city
16	since we have so many reports that find their way
17	throughout the world, but what we need in this
18	city is a framework where in effect an
19	investigation can be conducted to find out
20	whether or not there was any wrongdoing, and if
21	there's wrongdoing, I stand with you or with
22	anyone who may find it.
23	Conversely, if there is no wrongdoing,
24	I would like to say that as one who's been in the

eye of the storm of the media and I am a

journalist by profession, that one needs to do
fact checks and then do a sufficient story
relative to that.

2.1

I'm concerned about in this department, these are the things I'm concerned about. If people want to be concerned about titillating and salacious things, then they should go to a peep show.

I'm saying if we're concerned about the department and the safety of people in the city and we're concerned about police misconduct, if we're concerned about the standards that are set in terms of the -- what we fought for in terms of the consent decrees.

If we're concerned about whether or not officers work 12 hours and what impact that has on the lives of people in this city, if we're concerned about the need for sensitivity training and the relationship to individuals who may be disabled in this city.

If we're concerned about these things, these are the things we need to be talking about. And I hope that they would have the same fervor, the same fervor that we have to try to find out who has their pants down.

Page 46

1	I hope we would have the same fervor to
2	try to find out if in fact there was some
3	impropriety that there's justice done, that
4	there's a fairness of the process done.
5	Now, I hope that when the investigation
6	is done that we as citizens of the city of
7	Detroit can find a way to rise above the fact
8	that we turn on each other as opposed to turning
9	to each other.
10	In this time in the city we need some
11	statesmanship, we need some honor, and in effect
12	I just close with this. If it's found that Chief
13	Godbee has violated something in the oath of
14	office, then fine, we should move forward just
15	like we ask with anybody who's involved in police
16	misconduct.
17	And I only ask and I raise this
18	question I just came back from the Democratic
19	National Convention and one of the most stirring
20	speeches, one of the strongest responses, one of
21	the greatest cheers not only in that auditorium
22	but throughout the country and throughout the
23	world was given to William Jefferson Clinton.
24	William Jefferson Clinton was a person
25	not only who was charged with and said to have

	Page 47
1	been involved in an affair, but was involved in
2	an affair, and now Bill Clinton is extolled as a
3	great guy.
4	So I'm saying let's grow up, people.
5	Let's find out what the truth of the matter is.
6	And if there's something wrong, let's do it,
7	let's deal with it and let's move on and move the
8	department ahead.
9	But if there's nothing wrong, let's
L O	move on too because if a story has legs, it sells
11	a lot of papers, it gets a lot of ratings, but
12	I'm interested in saving the lives of the people
13	in the city.
L 4	(APPLAUSE.)
15	COMMISSIONER WARFIELD: Thank you, I
16	appreciate your comments, sir.
17	MS. MORRIS: Good afternoon, Board. My
18	name is Tuwana Morris, I'm a retired police
19	officer. That was my daughter Elizabeth
20	Stevenson you just spoke to.
21	And you I've been missing in action
22	because I've had major surgery and I sadly have
23	to say and I really didn't want to do this, but

concerning the complaint that I filed in 2009,

Attorney Washington did contact me through

24

1	Facebook and because she said that she couldn't
2	find me, but I don't know if she didn't see it,
3	but on the letterhead is my phone number. The
4	department does have my address.
5	But at the time she did contact me I
6	was in the process of having major surgery. And
7	I don't feel that at this late date that it would
8	be I don't know what another word to say
9	fair, but it's been a long time since 2009 to
10	now. So I had I wrote a letter to the person
11	in charge of the Consent Decree.
12	Hopefully our city will get better and
13	I have faith in our city. My time I got one
14	more minute, thank you very much.
15	But I am on the road of recovery and
16	I'm also hoping that our city is on the road to
17	recovery. Thank you.
18	COMMISSIONER WARFIELD: Thank you,
19	Ms. Morris.
20	MR. DAVIS: Good afternoon to the Board
21	of Police Commissioners, Deputy Chief. My name
22	is Edler Anthony Davis, Sr.
23	I have two complaints. My first
2.4	complaint is about some of the older people that

ride those hoverwheels on the street, Movearound.

1	You can't hardly see them. I like to hit two of
2	them. You can't see them when they on the
3	streets. They sitting down so low they need to
4	have a flag or something or something bright that
5	could be visible. I had to slam on brakes, they
6	just pull right on out. I couldn't see them.

2.1

And the second one is about these young folks writing this graffiti on your buildings, on your fences. I wonder what kind of charge when they get caught, what do they do? Is that a misdemeanor, get slapped on the wrist and they turn them loose and they go back to spraying -- I spent more paint on my building than I did on my house, paint over the graffiti.

I caught some of them. They be on bicycle, they be coming from Wayne State
University. When I go out in the suburbs I do not see that graffiti. This in Detroit. I caught two guys doing it and say, "What you doing?" Oh, "The owners told us to do this."

Just marking up your building.

I said if you want to put this stuff on the building, buy your own building. Quit marking up other people's buildings. It's a concern. I believe there should be a \$5,000 fine

1	and if they can't pay it, one year in
2	penitentiary because it's severe.
3	I can't even get my I remember one
4	year the man had just a little bit, they said
5	well you can't get your permit unless you paint
6	all that stuff off your fence. It's costing me
7	money, more money, and I'm tired of it.
8	Thank you.
9	COMMISSIONER WARFIELD: Thank you,
10	Elder. Sir, do you know the penalty for those
11	who are caught with graffiti? Do you know that?
12	DEPUTY CHIEF LEE: I believe it's a
13	misdemeanor, malicious destruction of property
14	and they have to be caught in the act, but if he
15	can give us some information if he knows there's
16	some license plate numbers and descriptions of
17	people, he can talk to Sgt. Harris in the back of
18	the room.
19	COMMISSIONER WARFIELD: And I also know
20	on the issue, of course if that's the city
21	Charter ordinance issue, I know there's a couple
22	of City Council reps here who may be able to help
23	you facilitate that process as relates to if we
24	do have something on the books, and if not how to
25	get that process started.

Page 51

1	MR. DAVIS: Then another thing, when
2	they caught one guy and when they went to court,
3	they didn't notify me to come to court because I
4	want compensation, the money I spent buying paint
5	to paint over that paint.
6	COMMISSIONER WARFIELD: Okay.
7	MR. DAVIS: It seems like caught a
8	guy. When they catch him, I don't hear nothing
9	about the court date or nothing.
10	COMMISSIONER WARFIELD: Right. If you
11	will get Elder Davis, if you can get with one
12	of the department's representatives right after
13	the meeting we'll make sure that we check up on
14	that.
15	MR. DAVIS: Thank you and God bless.
16	COMMISSIONER WARFIELD: For the record,
17	I just want to make sure that we note that
18	Commissioner Toney Stewart is with us today in
19	the meeting as well for the record. Thank you.
20	MS. SEMMA: Julie Semma. I just want
21	to compliment every Commissioner, every police
22	officer, every administrative person that's in
23	the city of Detroit. Unfortunately now our city
24	needs so much more than what's being out there.
25	And our city needs security and needs a

1	lot of help. We take a focus on what just
2	happened in the last two days with the Chief and
3	focus on the everyday operation. That's what
4	needs to happen.
5	The news media and everything else,
6	that is irrelevant right now. As I say, innocent
7	until proven guilty and give him a chance. Let
8	him come out, do what he's got to do, but this
9	day-to-day operation of the city needs to move
10	on.
11	The focus needs to be on the attention
12	of what's going on in the city, not what somebody
13	did behind closed doors, if that even happened.
14	So I just commend everybody here to
15	stick together, keep up the great work, God bless
16	you guys.
17	COMMISSIONER WARFIELD: Thank you.
18	MS. SMITH: Good afternoon,
19	Bernice Smith, political activist. I don't have
20	any comment about the Chief and his personal
21	life. My only comment is the woman. A man
22	cannot do anything to a woman unless the woman
23	let him do it, so that's my comment.
24	My comment really, which is important

to me today, is most of you know what happened a

1	week ago today at the meeting that the Mayor
2	presided over. And the people were outrageous
3	acting and especially and I do emphasize
4	especially certain elements of the police
5	department.

2.1

Now, most of you know I am a former police commissioner under Coleman Young which you haven't found the records as of yet, but I'm not going to worry about that right now, but the fact is I was embarrassed, very much embarrassed.

When I pulled into the parking lot I saw this group of police officers, about nine of them, Caucasian, and I'm wondering why are they in this little particular group. In the meantime when everyone was going in they finally went in and they sat to my left because it's circular — they sat to my right rather in the upper part of the seating.

And a lot of the civilians was behind me and most of the police were over there, black and white, and they were acting horrible. One lady got up to talk about she wanted to know what's going on with the lighting.

When she finished before the Mayor could -- now don't get me wrong. I'm not

1	supporting what the Mayor did, by no means,
2	because he was wrong too, but the fact was there
3	was people that wanted to speak, myself included.
4	In the meantime Brown is not here.
5	COMMISSIONER WARFIELD: Ms. Smith, we
6	do have others.
7	MS. SMITH: All right. What I want to
8	tell you, I think and it's my suggestion
9	that you have each one of your commanders speak
10	to each one in the precinct and let them know
11	that they are police officers and not hoodlums.
12	They have to respect the public and
13	themselves. You cannot go into any organization
L 4	or any city, you can't go to Livonia and act the
15	way that they did. Now, this is not the first
16	time that they were acting. Now, I'm not saying
17	it was all one segment, but I did see them up
18	there in the upper part and that was my response
19	to them.
20	In the meantime I feel as though that
21	you should make strict rulings when we come to a
22	public meeting that the officers themselves act
23	like officers and not act like hoodlums because
24	we have a right to speak ourselves.

I love my police department, but you do

1	have some unruly officers and I know they're
2	upset about their time and the money. I'm just
3	as upset as they are, but until you as my
4	momma used to say, pull your hand out of the
5	lion's mouth, you got to do it gradually.

2.1

I think they got a good report as far as what they do out here. I don't have any problem with it, but you must act like police officers for the people to respect you.

So that's all I have to say. Also, I'm glad that you made that report because I was going to tell you about the Charter and the new Charter.

Now, I understand you're going to have the job of selecting candidates. That's going to be your next job if whatever comes through that you're going to need or necessary for you to have a new Chief.

It is your job to do this and let the Mayor stay in the background and then you go from the Mayor and then he has to go before the Council. That is in the Charter, so I don't want you to falter in another direction and don't do the right thing because we all will be watching, all right. Take care.

1	COMMISSIONER WARFIELD: Thank you,
2	Ms. Smith, appreciate your comments.
3	MS. JACKSON: Kim Jackson. I am so
4	embarrassed and so hurt and so ashamed the way
5	the city is being ran. There is no supervision.
6	These people are out of control.
7	They driving down the street shooting
8	out cars. They don't have respect for kids out
9	there playing. They have no respect for nobody
10	but themselves.
11	We got nine council members as far as
12	I'm concerned and this is Kim's personal
13	feelings we got nine stooges sitting up there.
14	Nobody is doing anything, arguing over lighting
15	when you can't even see down these doggone
16	streets unless you put your bright lights on.
17	I'm out there every day. I know what I
18	see and I can't see nothing. That's Number 1.
19	You take 20 percent from our officers,
20	put them on 12-hour shifts. As of yet I haven't
21	seen a difference. What am I to see?
22	12 hours, 20 percent, what am I seeing?
23	I certainly don't see anything, but that's Kim
24	again. We're going to hell in a handbasket and
25	it's like nobody cares. We are just becoming the

1	joke of the city of Detroit.
2	Last night, the night before, we had
3	315 murders. This is pretty pathetic. I
4	wouldn't care what Godbee and nobody else did as
5	long as you handle your business that you were
6	assigned to do.
7	I have a full-time job, I work 60 plus
8	hours a week and have to take call when it's
9	necessary, but I always find the time to make
10	sure that this community, we stay together, and
11	it's getting really hard and I'm on my last last
12	little legs and I want to walk away, but I keep
13	trying to say to myself don't do that, but it's
14	getting hard.
15	Because we're fighting a losing battle.
16	I'm tired of fighting by myself, I'm tired.
17	You're not getting anywhere, we're it's the
18	same cycle. The Mayor this is the same story.
19	You can't answer no questions. Where does it
20	stop? This is a vicious cycle and it's becoming
21	pretty bad, you know. We out in California,
22	they're laughing out in Fresno, California. I'm
23	on my way out there again to get laughed at
2.4	aαain.

Where does it stop? We're national.

1	It's embarrassing, it's embarrassing, it's
2	pathetic and it's hurtful as a community leader,
3	it is.
4	COMMISSIONER WARFIELD: Thank you
5	Ms. Jackson, for your comments.
6	MS. McCANT: Good afternoon. My name
7	is Yolanda McCant and I'm also from the
8	Northeastern District Community Relations
9	Council.
10	I'm here to invite the Board and the
11	community here to our haunted house over at the
12	Northeastern District starting on October 26 and
13	27, the 29 and 30 and 31. So we want to make
14	sure and make it very enjoyable for the evening
15	and I would like for this Board to come out and
16	see when the community comes together what we do,
17	what we can do and how we are involved.
18	And everybody have a nice day.
19	COMMISSIONER WARFIELD: Do you have a
20	time and the location?
21	MS. McCANT: Yes. We're starting at
22	7:30 to 10 on the 26 and 27. On the 29 we're
23	going to start at 7:30 and we're through at 9:30.
24	COMMISSIONER WARFIELD: And will it be

at the Northeast --

1	MS. McCANT: Yes, at the Northeastern
2	District.
3	COMMISSIONER WARFIELD: Thank you,
4	ma'am.
5	MS. McCANT: Thank you.
6	MR. STIDHAM: Good afternoon, Deputy
7	Chief. Thomas Stidham. I want to just ask the
8	Board a simple question. I learned today from a
9	source within the Municipal Parking Department
10	that the department is in the process or on the
11	verge of creating a special unit to essentially
12	effect a ticket-and-tow program.
13	However, where the officers tow the
14	vehicle or excuse me, where the officers drive
15	the vehicles once they're stopped to the Number 1
16	Pound and I wanted to know whether or not such a
17	program would require the authorization of this
18	Board.
19	COMMISSIONER WARFIELD: Good question.
20	Thank you, Tom. Certainly we have not heard of
21	that initiative to my knowledge. Deputy Chief,
22	do you know anything about that?
23	DEPUTY CHIEF LEE: No, I have not heard
24	of any such program. I know we're prohibited
25	from driving vehicles from scenes, that's why we

1	call tow trucks. I'm not aware of it.
2	COMMISSIONER WARFIELD: So if that
3	happens, please let us know because we would
4	definitely have to weigh in on that before that
5	happens. As you know, we've been in very
6	vigorous conversations with the Administration as
7	relates to its proposal to try and expand the
8	Municipal Parking.
9	We believe that there are Charter and
10	ordinance considerations that prevent that from
11	happening because of the difference in the
12	entities from a parking tow versus a police
13	authorized tow. We think the Charter and city
14	ordinance is very clear in those two instances.
15	So, if you have some information, we
16	will certainly look into that, but to our
17	knowledge we have not heard of that, neither has
18	the department and
19	MR. STIDHAM: If I may just ask because
20	I know that Deputy Chief Lee, with all due
21	respect, is not in Patrol Operations. I would
22	just ask if the Board could inquire from the
23	administrative portfolio and see whether or not
24	they have any different information.

COMMISSIONER WARFIELD: We will do

Page 61

1	that, our staff will check into that.
2	MR. STIDHAM: Thank you.
3	COMMISSIONER WARFIELD: Thanks,
4	Mr. Stidham.
5	MR. FOSTER: Good afternoon, Board.
6	Owner of Allied JBS Towing and also president of
7	the Detroit Authorized Towing Association, also
8	know as DATA.
9	I just want to thank this Board for all
10	I know on behalf of all of our members we
11	thank this board for their support that they're
12	giving us throughout the issues that we're facing
13	with the City right now with towing.
14	Also I have a question to ask. I heard
15	about the helicopter that the department is
16	trying to get back here to Detroit and I just
17	wanted to offer the services on behalf of our
18	company. I don't know if the City or the
19	department is incurring the costs, but I would be
20	willing to offer our services to help get this
21	department get the helicopter back. We have the
22	equipment to do it at no charge to the City or
23	the department and if anyone can let me know
24	(APPLAUSE.)

-- the different costs that is

1	occurring we would be willing to donate our
2	services and time to get that helicopter back.
3	COMMISSIONER WARFIELD: Outstanding.
4	(APPLAUSE.)
5	We ask that I believe Insp. Johnson
6	is not here, but certainly we'll put you in
7	contact with someone immediately to make that
8	connection. That is outstanding, we thank you,
9	sir.
10	DEPUTY CHIEF LEE: Just see me after or
11	see Sgt. Harris and we'll hook you up with Insp.
12	Johnson, make sure there's no specifications on
13	how they should be driven.
L 4	MR. FOSTER: Thank you.
15	COMMISSIONER WARFIELD: Thank you, sir.
16	Are there any more comments for the Board. Any
17	more comments? Hearing or seeing none, we're
18	going to close that section of our meeting.
19	We will now deal with personnel matters
20	that shall be held in a closed-door session. I'm
21	going to ask if our Board Secretary, Mr. George
22	Anthony, will lead us to our closed session to
23	talk about some suspension-without-pay matters.
24	SECRETARY ANTHONY: As a public body

25

your meetings are subject to the Open Meetings

1	Act, the OMA. The OMA defines a meeting as the
2	convening of a public body at which a quorum is
3	present for the purpose of deliberating towards
4	or rendering a decision on a public policy, MCL
5	15.262(b).

2.1

The OMA, however, does allow a public body to call a closed session, one limited to the public body and its invitees for specific purposes. Only deliberations may be conducted in closed session. All decisions must be made at a meeting open to the public. While in the closed session the Board makes no decisions, that must be done on the record.

On Thursday, October 4, 2012 you will be presented with a suspension-without-pay recommendation for Police Officers Nevin Hughes, Badge 3248; Sean Harris, Badge 4960 and William Little, Badge 1726.

Through their representative DPOA attorney John J. Goldpaugh Officers Hughes, Harris and Little have requested closed-door sessions for the purpose of contesting the suspension-without-pay recommendations.

The closed session will be called pursuant to MCL 15.268(a) of the Open Meetings

	Page 64
1	Act which states in part a public body may meet
2	in a closed session to consider the suspension of
3	or hear charges brought against an employee. A
4	single majority vote, quorum of three, is
5	required to close a session of this purpose.
6	Mr. Chair, a motion is in order to
7	close for a closed session.
8	COMMISSIONER TAYLOR: I move that the
9	Board of Police Commissioners conduct a closed
10	session pursuant to the MCL 15.268(a) of the Open
11	Meetings Act to review the personnel matter
12	relative to these officers.
13	COMMISSIONER WHITE: Support.
14	COMMISSIONER WARFIELD: It's been
15	properly moved and supported. Any discussion?
16	Seeing or hearing none, all those in favor?
17	COMMISSIONERS: Aye.
18	COMMISSIONER WARFIELD: All those
19	opposed? Motion carries. We will move into
20	closed session. This is not the conclusion of
21	our meeting, we will reconvene after our closed
22	session; thank you.
23	(Recess was taken where a closed-door
24	session was held off the record.)

SECRETARY ANTHONY: Mr. Chair, a motion

1	would be in order to come back from closed
2	session.
3	COMMISSIONER WHITE: Mr. Chair, I make
4	a motion to reconvene.
5	COMMISSIONER TAYLOR: Second.
6	COMMISSIONER WARFIELD: It's been
7	properly moved and supported that we reconvene
8	from closed session to open session.
9	Mr. Secretary?
10	SECRETARY ANTHONY: Thank you,
11	Mr. Chair. You just came from closed session
12	into the public meeting. You considered in
13	closed session two suspension-without-pay cases.
L 4	One involved Police Officer William Little and
15	Officer Sean Harris together, you considered that
16	case together, and unless contravened by the
17	Board the suspensions without pay will stand.
18	COMMISSIONER WARFIELD: Sir, there are
19	no contraventions, so suspension without pay will
20	stand.
21	SECRETARY ANTHONY: Thank you, sir.
22	The second case involved Police Office Nevin
23	Hughes and unless this Board contravenes that
24	decision, the suspension without pay will stand.

COMMISSIONER WARFIELD: Sir, there are

1	no contraventions, so the suspension without pay
2	will stand.
3	SECRETARY ANTHONY: Thank you, sir.
4	There was also a matter that was taken up last
5	week. It was the it was the report and
6	recommendation I think correct if I'm wrong
7	Ryan Carruthers, suspension without pay of Police
8	Officer Ryan Carruthers , Badge 617, assigned to
9	the 8th Precinct.
10	It was a suspension without pay
11	recommendation from Chief Godbee and unless the
12	this for Commissioner Toney Stewart and unless
13	the Board contravenes, that recommendation, the
14	suspension without pay, will stand.
15	COMMISSIONER WARFIELD: Sir, there is
16	no contravention, so that suspension without pay
17	will stand.
18	SECRETARY ANTHONY: That concludes the
19	actions.
20	COMMISSIONER WARFIELD: Thank you,
21	Mr. Secretary. Motion to adjourn?
22	COMMISSIONER WHITE: So moved.
23	COMMISSIONER TAYLOR: Support.
24	COMMISSIONER WARFIELD: All those in

25

favor?
