APPEARANCES:

MS. JESSICA TAYLOR, CHAIRPERSON

MR. DONNELL WHITE, COMMISSIONER

MR. JEROME L. WARFIELD, COMMISSIONER

MR. GEORGE ANTHONY, EXECUTIVE SECRETARY

DEPUTY CHIEF DAVID LeVALLEY

1 Detroit, Michigan  
2 Thursday, November 14, 2013  
3 About 6:40 p.m.  
4

5 CHAIRPERSON TAYLOR: Good evening, and welcome  
6 to the Board of Police Commissioners meeting. I am  
7 joined with Commissioner Donnell White, who is the vice  
8 chair and also the immediate past chair, Commissioner  
9 Jerome Warfield. And I'm Commissioner Jessica Taylor.  
10 And from the chief's office is Deputy Chief David  
11 LeValley.

12 DEPUTY CHIEF LeVALLEY: Right, criminal  
13 investigations.

14 CHAIRPERSON TAYLOR: George, can you introduce  
15 the rest of our staff?

16 SECRETARY ANTHONY: Thank you, Madame Chair.  
17 For the record, George Anthony, secretary to the Board.  
18 We have present seated in the front is our chief  
19 investigator, Miss Pamela Davis Drake. We also have  
20 Mr. Robert Brown to my left. He's our office manner.  
21 Recording our proceedings tonight is Sergeant Allen  
22 Quinn and Miss Wendy Boer from Hanson Court Reporting  
23 Service. That completes the introduction of staff.

24 CHAIRPERSON TAYLOR: I believe Pastor Isaac is  
25 here. Can you give us the invocation? Is he here?

1 PASTOR ISAAC: Welcome everyone to the  
2 Bushnell, to our community center where we meet about  
3 the process of being community. And as we do all  
4 things, we begin with a word of proper. So let us pray.

5 Oh, Lord and God, we have come once again  
6 together in the process of being about the business of  
7 community. So we ask your presence tonight, Lord, so  
8 that first you forgive us for the things that we have  
9 failed to do or the things that we have done that were  
10 outside of your will. So, we ask for your leadership  
11 and your guidance tonight so that what we do would be  
12 according to your will and your way.

13 Bless us, keep us, guide us, lead us so that  
14 we might be the people that you call us to be, doing the  
15 things that you call us to do. And all things we pray  
16 eternally, amen.

17 CHAIRPERSON TAYLOR: Thank you. We are happy  
18 to be here at Bushnell Church. Is there a  
19 representative? Pastor, did you want to -- we just  
20 thank you for your hospitality. I don't know if you  
21 want to --

22 PASTOR ISAAC: You're more than welcome. And  
23 for all of the community, you're here quite frequently,  
24 and it is good to have you home. Thank you.

25 CHAIRPERSON TAYLOR: Yes, sir, thank you. At

1 this time, I'd like to ask if Commissioner Warfield  
2 would read the duties and responsibilities of the Board.

3 COMMISSIONER WARFIELD: Thank you. The Board  
4 of Police Commissioners is comprised of eleven members,  
5 seven of whom are elected from each non at large  
6 District, four members appointed by the mayor, subject  
7 to the approval of the Detroit City Council. Appointed  
8 commissioners serve a five-year term and may not serve  
9 more than five years consecutively.

10 We must meet once a week and may recess during  
11 Thanksgiving, Christmas and New Years holidays. All  
12 meetings are open to the public. The Board of Police  
13 Commissioners has supervisory control and oversight of  
14 the Detroit Police Department as set in the 2012 City  
15 Charter adopted by a vote of the people on November  
16 the 8th, 2011. Our responsibilities are to establish  
17 policy, rules and regulations in consultation with the  
18 chief of police, with the approval of the mayor of the  
19 City of Detroit.

20 We must also review and approve the  
21 department's budget, review and approve the department's  
22 promotions, receive and resolve complaints concerning  
23 the operations of the police department. We also act as  
24 final authority in imposing or reviewing discipline of  
25 employees of the department. We also prepare an annual

1 report and submit it to the mayor and the city council  
2 and to the public as relates to the department's  
3 activities during the previous year.

4 We have a Board secretary, Mr. George Anthony,  
5 who you met earlier who attends all of our Board  
6 meetings. We also have a chief investigator and  
7 additional investigators and other staff as necessary to  
8 support the Board of Police Commissioners. The Board of  
9 Police Commissioners considers itself a liaison between  
10 the citizens of the city of Detroit and the Detroit  
11 Police Department. Thank you, ma'am.

12 CHAIRPERSON TAYLOR: Thank you. At this time,  
13 I would like to move that we -- I need a motion for  
14 approval of the agenda for Thursday, November 14th.

15 COMMISSIONER WHITE: So moved.

16 COMMISSIONER WARFIELD: Support.

17 CHAIRPERSON TAYLOR: It's been moved and  
18 supported. All in favor?

19 COMMISSIONERS: Aye.

20 CHAIRPERSON TAYLOR: All opposed? Motion  
21 carries. Motion for the approval of the minutes for  
22 Thursday, November 7, 2013.

23 COMMISSIONER WARFIELD: So moved.

24 COMMISSIONER WHITE: Support.

25 CHAIRPERSON TAYLOR: It's been moved and

1 supported. All those in favor?

2 COMMISSIONERS: Aye.

3 CHAIRPERSON TAYLOR: All opposed? Motion  
4 carries. I don't have a report tonight. But I would  
5 like to acknowledge Councilman James Tate. He is in the  
6 -- he is here. At this time, I'd like to ask if there's  
7 a report from the chief's office.

8 DEPUTY CHIEF LeVALLEY: Yes. I will start  
9 with an unofficial crime report. Crime statistics year  
10 to date as of today, we are at 296 homicides. This is  
11 41 below last year's year to date, which is a  
12 12.2 percent reduction. Non-fatal shootings were at  
13 1,062, which is 58 below last year's year to date.  
14 That's a 5.2 percent reduction. Overall, violent and  
15 part one crimes were at a 6 percent reduction year to  
16 date from last year.

17 The category that we're up in is larceny. All  
18 other categories are at a decline from last year. That  
19 is unofficial crime stats as of today. With that, I  
20 will turn the mic over to Captain Marlon Wilson of the  
21 6th Precinct to give his presentation.

22 CAPTAIN WILSON: Good evening, Board. Good  
23 evening, community. My name is Captain Marlon Wilson,  
24 the commanding officer in charge of the 6th Precinct.  
25 And tonight I would like to give a brief presentation

1 and update on the 6th Precinct. The 6th Precinct  
2 encompasses approximately 16.8 square miles. It's  
3 bounded by Fenkell to the north, Ford Road to the south,  
4 Telegraph to the west and Greenfield to the east.

5 There's approximately 82,000 residents in the  
6 6th Precinct. Within the 6th Precinct boundaries  
7 there's eight schools, elementary schools rather, seven  
8 middle schools and three high schools, over 200 churches  
9 and 400 businesses. There's several community programs  
10 that the 6th Precinct currently -- that they currently  
11 have, actively have. They have 45 active organized  
12 community-based organizations and block clubs in the 6th  
13 Precinct. To name a few, they have the CB patrol.  
14 There's approximately 12. They have a program called  
15 Cops Read to Kids, which is when the officers from  
16 community relations select different Pre-K to elementary  
17 school programs, and they go in and read to the kids,  
18 ages 3 to 8.

19 They also have the law enforcement Explorer's  
20 program. Currently, there's 30 kids involved in the  
21 program. The ages range from 14 to 21. They have a  
22 senior awareness program where they go to senior  
23 citizens' homes once a month; and they talk to the  
24 senior citizens, give them information updates and  
25 identify scams and cons that typically individuals try

1 to involve the seniors in.

2 We have something that we call Operation Safe  
3 Station. Number 8, the 8th Precinct, adopted it  
4 approximately a year ago. Recently, the 6th Precinct  
5 adopted the same program. And what that is, is officers  
6 go inside the gas stations, they do routine checks.  
7 They monitor the parking lot throughout the day.

8 Another program that we have is Operation Safe  
9 Passage. What that is, is during the early morning  
10 hours of the day, attention is given to bus stops and  
11 different routes for schools, local schools.

12 Just to give you our enforcement data, as of  
13 November 7, the 6th Precinct has made 1,139 felony  
14 arrests, 839 misdemeanor arrests and 54 juveniles have  
15 been detained. Year to date, as of November 7th, they  
16 have confiscated 254 hand guns.

17 With that being said, violent crime for the  
18 6th Precinct is down 6 percent. Our non-fatal shootings  
19 are down 9 percent, homicides are down 3 percent. And  
20 that will conclude my presentation. Any questions?

21 CHAIRPERSON TAYLOR: Commissioner Warfield?

22 COMMISSIONER WARFIELD: How you doing,  
23 Captain?

24 CAPTAIN WILSON: Very well.

25 COMMISSIONER WARFIELD: Captain Wilson, first

1 of all, thank you for your report. Greatly appreciate  
2 it. The last time we were in this area, there was some  
3 new initiatives that were being implemented for citizens  
4 to be able to make reports more easily. And I want to  
5 know if those initiatives have been put in place.

6 CAPTAIN WILSON: I'm not really familiar with  
7 the initiatives that you speak of. But I will say that  
8 as far as like 24 hours a day, citizens can come inside  
9 the precinct and make reports. They can physically talk  
10 to an officer one on one and make a report.

11 COMMISSIONER WARFIELD: If I remember  
12 correctly -- maybe my colleagues can help me -- there's  
13 an initiative where citizens would be able to somehow be  
14 registered with the precinct and the district to be able  
15 to get quicker service if needed maybe.

16 CAPTAIN WILSON: I apologize. I don't recall  
17 that program. Thank you.

18 COMMISSIONER WARFIELD: Seniors, thank you.

19 COMMANDER HALL: Commander Hall, downtown  
20 services division, former commanding officer of the 8th  
21 Precinct. I miss you all. There is a 911 program  
22 through the community -- our communications, it was  
23 instituted by Captain Bettison, who was in charge of  
24 communications at one point in time. And that is a  
25 program -- it's called the 911 senior program.

1           There are applications. I'm not sure --  
2           Childree (phonetic), you guys should have some at the  
3           district. Seniors, 65, age 65 years of age or older,  
4           can fill out this form. This form is then sent to  
5           communications as well as documented at the precinct.  
6           And this allows their addresses to be flagged so in the  
7           event that they contact communications, we know that  
8           this is a senior, and they can get faster service.

9           So, not to neglect any of our other residents,  
10          but we do recognize that our seniors are pretty much in  
11          a situation that they really need some additional  
12          services. So, that program was put in place, and to my  
13          knowledge it still exists. Okay?

14          COMMISSIONER WARFIELD: Thank you.

15          CAPTAIN HALL: You're welcome, sir. And you  
16          guys have a great 6th Precinct commanding officer. He  
17          is great.

18          CHAIRPERSON TAYLOR: Commissioner White?

19          COMMISSIONER WHITE: No, ma'am, no questions.

20          CHAIRPERSON TAYLOR: Thank you, sir. Deputy  
21          Chief, do you have anything else?

22          DEPUTY CHIEF LeVALLEY: Yes, I'll just add one  
23          thing, something that you may -- you will see in the  
24          very near future, depending on which precinct you live  
25          in. But you have probably heard the chief mention that

1 we're going to be moving to precinct detectives again,  
2 and that's underway right now. We have officers that  
3 are applying for the positions. Squads are being set up  
4 and lined up in each precinct based on the number of  
5 crime reports in the precinct and the number of cases  
6 that need to be assigned.

7 So, for the last -- I don't know -- year and a  
8 half, two years, we have been in a situation where we've  
9 had centralized detectives. So, you probably haven't  
10 received a lot of positive response from the  
11 investigation end of the department in that cases are  
12 being assigned city wide to detectives. But the squads  
13 are being lined up right now. Starting in the next week  
14 to week and a half, cases will be assigned by the  
15 squads. So, in the 6th Precinct for instance, there  
16 will be three squads, one that handles aggravated  
17 assaults and robberies, one that handles nothing but  
18 burglaries and larcenies and one that handles general  
19 investigations which would be like fraud cases or  
20 anything that doesn't qualify for the other two squads.

21 So, cases in the next say ten days will be  
22 assigned by squad concept or team concept. And then we  
23 will be moving -- once that happens, we will then be  
24 physically moving the investigators into the precincts.  
25 That's going to happen -- about every two weeks we will

1 move one precinct out. So, it may be a little while.  
2 Actually, the 6th and 8th Precinct, we did an assessment  
3 of all the locations because since the investigators had  
4 been out for a year or two, we weren't -- the space was  
5 being used by other people within the department. So,  
6 we've done an assessment. And the 6th and 8th  
7 Precincts, the space is still basically the same way it  
8 was left. And it won't be a lot of work to move the  
9 investigators back to the 6th and 8th Precinct.

10 So, I would look for that in probably the next  
11 month or two here. Just letting everybody know that you  
12 will see investigators in your precincts. And you'll  
13 have the same investigators assigned to all of the cases  
14 in the 6th Precinct. So, the idea is that they develop  
15 and build relationships. They get to know the officers  
16 in the precinct, and we don't have this big disconnect  
17 between investigations and patrol.

18 CHAIRPERSON TAYLOR: Any questions?

19 COMMISSIONER WHITE: Just for clarity, Deputy  
20 Chief, so, are the detective department as it stands  
21 now, in effect, is that to be decentralized; so, there  
22 will no longer be a detective department? They'll be  
23 all dispatched to the precinct level?

24 DEPUTY CHIEF LeVALLEY: Well, no. What's  
25 going to happen is everybody in investigations will

1 still be assigned to investigative operations or central  
2 investigations. But we've designated everybody to be in  
3 squads. And then they are physically going to sit in  
4 the precincts, in all of the precincts. But they will  
5 still -- as far as their chain of command, they will  
6 still report to investigative operations, which falls  
7 under me. But that gives them -- should make them more  
8 responsive to the needs of the particular precinct that  
9 they are responsible for investigating cases in because  
10 they are actually sitting there, and they are in the  
11 room with the officers, with the plain clothes officers  
12 that they can send out to make arrests, do followups.

13 COMMISSIONER WHITE: Thank you, Madame Chair.

14 CHAIRPERSON TAYLOR: Thank you. Standing  
15 committee reports. Last week we started the process of  
16 adopting the by-laws. And I -- without objections, I'd  
17 like to table those to next week, okay? Thank you.

18 The new business. Under new business, we have  
19 a Resolution for Mrs. Mary Muhammad. Is Mrs. Muhammad  
20 here? Okay. I'm going to ask Commissioner White if he  
21 would read the Resolution.

22 COMMISSIONER WHITE: Is Mrs. Muhammad present?

23 CHAIRPERSON TAYLOR: Yes.

24 COMMISSIONER WHITE: Commissioners, before me  
25 is a resolution honoring Ms. Mary Muhammad.

1           Whereas, Mrs. Mary Muhammad is a dedicated and  
2 committed supporter of the City of Detroit 6th Precinct,  
3 she has been a Grandmont resident for over 27 years.  
4 Her commitment to business, service and leadership is  
5 exemplified throughout the community.

6           And Whereas, Mrs. Muhammad, a woman dedicated  
7 to education, is a product of the Detroit Public School  
8 system. Mrs. Muhammad graduated from Southwestern High  
9 School and furthered her education at Wayne County  
10 Community College and the University of Michigan. She  
11 also attended Eastern Michigan University School of  
12 Police Staff and Command and was elected as the first --  
13 I'm sorry -- and was elected as the first female class  
14 vice president.

15           And Whereas Mrs. Muhammad is the co-editor of  
16 the community newsletter, the Grandmontitor.  
17 Mrs. Muhammad -- that's neat. Mrs. Muhammad is also the  
18 former director of public safety, police fire and  
19 security communications for Detroit Metropolitan and  
20 Willow Run Airports. Her community involvements include  
21 the Grandmont Community Association Board of Directors,  
22 the DPD Patrol Advisory Team, Grandmont Patrol Number 4,  
23 the Grandmont Rosedale Crime Prevention Task Force,  
24 Operation Safe Passage and the DPD Northwestern District  
25 truancy sweeps.

1 Mrs. Muhammad works to strengthen her  
2 community by gathering other blocks within her  
3 neighborhood to focus on uplifting the area for a better  
4 and more attractive community.

5 And Whereas, Mrs. Muhammad has volunteered her  
6 time and energy to assist the city of Detroit and the  
7 6th Precinct in any way possible, and is considered a  
8 true pillar of her community.

9 Now therefore be it resolved that the Detroit  
10 Board of Police Commissioners, speaking on behalf of the  
11 citizens of the City of Detroit and the Detroit Police  
12 Department, acknowledges the giving spirit and community  
13 service of Mrs. Mary Muhammad. Her vision for Detroit  
14 and its citizens is unmatched and highly respected. We  
15 thank and congratulate you, Mrs. Mary Muhammad. Signed,  
16 the Detroit Board of Police Commissioners, adopted this  
17 day, November 15, 2013.

18 Please join me in congratulating  
19 Mrs. Muhammad.

20 DEPUTY CHIEF LeVALLEY: Okay. I have here for  
21 Mrs. Mary Muhammad a Spirit of Detroit Award.  
22 Councilman Tate?

23 COUNCILMAN TATE: Awesome lady. City Council  
24 Spirit of Detroit. This Spirit of Detroit is presented  
25 herewith as an expression of gratitude and esteem of the

1 citizens of Detroit to Miss Mary Muhammad in recognition  
2 of exceptional achievement, outstanding leadership and  
3 dedication to improving the quality of life of the City  
4 Council, City of Detroit, signed by all City Council  
5 members on this date. Congratulations. Well deserved.

6 DEPUTY CHIEF LeVALLEY: This is a Detroit  
7 Police Department Certificate of Recognition to  
8 Mrs. Mary Muhammad, resident of the city of Detroit, in  
9 appreciation for outstanding service and cooperation for  
10 your involvement in the community and service to the  
11 city of Detroit, demonstrating a spirit and commitment  
12 that is worthy of recognition, signed by Chief James  
13 Craig.

14 MS. MUHAMMAD: Thank you. Well, I am not  
15 usually at a loss for words. This is really totally a  
16 surprise. I had no idea this was coming. Just let me  
17 say that while I worked for 35 years and then got a  
18 pretty nice pay check and nice retirement doing law  
19 enforcement, protecting people, this is truly a labor of  
20 love, not anything done for recognition but done because  
21 I love this community. I was always involved in the  
22 radio patrol for 20 years, even when I was working and  
23 had a 24-hour, 7-day-a-week job.

24 Coming home -- I think many of you may have  
25 heard this story. My house was broken into when my

1 husband was in the bed sleeping -- I wasn't home -- at  
2 8:00 in the morning. The second month I retired. Here  
3 we go as a partner. I've always had a job with a  
4 partner. I came home to a job with another partner.  
5 And as you know, we work together and do many things to  
6 help keep this community safe.

7 There is no way you can even drag me away from  
8 here. I serve you with honor and with love and will  
9 continue to do so.

10 COMMISSIONER WARFIELD: Ma'am, on behalf of  
11 the Board, I move that we will adopt this Resolution on  
12 behalf of Mrs. Mary Muhammad, that it may be part of the  
13 Board's permanent archives.

14 COMMISSIONER WHITE: Support.

15 CHAIRPERSON TAYLOR: It's been moved and  
16 supported. All in favor?

17 COMMISSIONERS: Aye.

18 CHAIRPERSON TAYLOR: All opposed? Motion  
19 carries. And it will be added to our permanent  
20 archives. Thank you, ma'am.

21 CHAIRPERSON TAYLOR: Okay, is there -- no old  
22 business. Commissioner Warfield, you had something you  
23 wanted to share with us.

24 COMMISSIONER WARFIELD: Yes, ma'am. Thank  
25 you, Madame Chair. Just wanted to ask the community to

1 continue to pray for our city. I had the opportunity to  
2 be at the home-going services for Mr. Bryan Williams,  
3 Mr. Joezell Williams and Mr. Kevin Perryman today, the  
4 gentlemen who were unfortunately slain in the barber  
5 shop last week. I want to certainly thank the mayor of  
6 the City of Detroit for being present there. It's  
7 important that citizens understand that this is not  
8 common. And it takes our city leaders to show up and to  
9 give words of comfort and to give words of direction and  
10 resolve to families to help fill the void and heal the  
11 hurt that they go to.

12 And so, we certainly want to commend the  
13 mayor. We certainly represented the Board, but we need  
14 our leaders to step up to make sure that families  
15 understand that this is not business as usual. This is  
16 strange. So, we need to continue to lift each other up  
17 in prayer and just look out for one another a little  
18 better. Thank you, ma'am.

19 CHAIRPERSON TAYLOR: Thank you, Commissioner  
20 Warfield. Okay. Our next meeting is Thursday,  
21 November 21, 2013, at 3:00. We will be at the Detroit  
22 Public Safety Headquarters, 1301 Third Avenue in the  
23 media room. Again, that's in the media room at 1301  
24 Third Avenue, Thursday, November 21st.

25 Now it's time for oral communications from the

1 audience. I'd like to remind you when you come up to  
2 give your name and please limit your comments to two  
3 minutes. Are there any comments?

4 MS. PANNELL: Good evening. Sharon Pannell.  
5 Can you tell me when the violence -- it's the thing on  
6 the 19th, is that still a go?

7 DEPUTY CHIEF LeVALLEY: Yes. That's 6:00 to  
8 8:00 p.m. Captain Roche, do you have details on it?

9 MS. PANNELL: I have it. I just wanted to  
10 make sure everybody else have it.

11 DEPUTY CHIEF LeVALLEY: Captain Roche, do you  
12 have the details on that, the 19th? I will get them.  
13 One second, or I will make an announcement in a minute  
14 if the next person wants to go. I have to look it up.

15 CHAIRPERSON TAYLOR: Any more comments, just  
16 come on up.

17 MS. CRUMP-GIBSON: Good evening, honorable  
18 commissioners. Jehan Crump-Gibson, J-e-h-a-n,  
19 C-r-u-m-p, G-i-b-s-o-n. I just have a quick question  
20 this evening. There was a meeting last week that  
21 occurred over at Municipal Parking to talk about the  
22 issue of those towers that were left out of the process  
23 of towing for ABAN's. And I know that it's supposed to  
24 be continued. I'm wondering if we have a new date or if  
25 anyone has been in communication with Norm White or

1 what's going on with that.

2 COMMISSIONER WARFIELD: At this time, we do  
3 not have a new date, but we will have -- hopefully have  
4 one before next week's meeting. And we will contact all  
5 of the towers who were there.

6 MS. CRUMP-GIBSON: Thank you.

7 DEPUTY CHIEF LeVALLEY: The summit on violent  
8 crime and homicide in Detroit, this is going to take  
9 place at November 19th from 6:00 to 8:00 p.m., at Sacred  
10 Heart Church Community Center, located at 1000 Elliott  
11 near Mack and I-75. And it's going to be hosted by  
12 Chief James Craig. The purpose of the meeting is to  
13 meet with community leaders and implement a united  
14 approach to fight violence in Detroit. The chief will  
15 solicit the attendees to involve them in the decision  
16 making process on how to eliminate violent crime, take  
17 community ownership and ultimately become sustained  
18 community partners. 6:00 to 8:00 p.m., November 19th.  
19 It's at 1000 Elliott at the Sacred Heart Church  
20 Community Center, 75 and Mack.

21 MR. MUHAMMAD: My name is Muhsin Muhammad.  
22 I'm referred to as Coach. I just want to give a little  
23 credit to the pastor here at the church where you have  
24 Reverend Isaac. I thank you for making this church  
25 available for so many important meetings and bringing

1 the nucleus of our community together. On behalf of  
2 President McGee, Mary McGee, would you please raise your  
3 hand -- great Northwest and also Reverend Isaac and a  
4 number of community leaders, we have requested the  
5 Chief's presence here on the 25th. Hopefully he can  
6 make it. There are a number of leaders in this  
7 community who would like to fall behind him and make the  
8 law more effective and networking more effective in our  
9 community with the patrollers, not just Grandmont but  
10 all patrollers, please raise your hand.

11 Now, there are 50 in the Grandmont area alone.  
12 And you have Commander Clarinda Webb along with  
13 Miss Roland and a number of others in other communities.  
14 But these people are waiting to hear their marching  
15 orders to help this community stand. So, I just wanted  
16 to make that comment. Thank you very much.

17 CHAIRPERSON TAYLOR: Thank you, sir.

18 MR. BACHAND: Good evening, Commissioners.  
19 Nicholas Bachand representing several different Detroit  
20 area towers. The towing fee, \$75 that was instituted in  
21 May, has grown to in excess of \$600,000. It's going to  
22 continue to grow. And it is money that has not been  
23 budgeted, and it is basically a piggy bank. I'm asking  
24 and requesting the Commission to send a letter or an  
25 offer letter to Chief Craig to ask the emergency manager

1 to give him the money for his budget where it was  
2 supposed to go in the first place instead of having it  
3 be used for any other projects that the city wants to do  
4 because currently to my knowledge it could be used for  
5 anything, when it was supposed to go to help the police.  
6 And I don't know why the chief and/or this Commission is  
7 not saying to the emergency manager, let's take that  
8 money and put more boots on the street. Thank you very  
9 much.

10 CHAIRPERSON TAYLOR: Commissioner Warfield is  
11 going to speak to that.

12 MR. BACHAND: If you've done it already,  
13 great. Do it again.

14 COMMISSIONER WARFIELD: Through the Chair, the  
15 City Council passed an ordinance when they gave that  
16 hike, and it was very specific that portions of that  
17 money are to come back to the department and portions of  
18 that money was to be used for a software system in an  
19 effort to manage the overall towing process. And so,  
20 you might even want to maybe revisit the ordinance that  
21 they passed. I mean, I'm sure this Board is not against  
22 reminding, you know, the City Council or the emergency  
23 manager where that money should go because one of the  
24 reasons that we wanted to do the tow hike was to make  
25 sure that all of the services that the police department

1 was providing for towing, the City of Detroit was able  
2 to recoup their cost. And so, that money obviously was  
3 supposed to go back to the department. So, certainly we  
4 support that. But we believe the ordinance or, I'm  
5 sorry, the Resolution that was passed was very specific  
6 to that.

7 MR. BACHAND: But in rebuttal to that, I'm  
8 just curious as to whether or not Chief Craig is aware  
9 of that because this money is going to grow in excess of  
10 1.2 million dollars very quickly. And I think it's just  
11 going to continue to grow. And I want them to be aware.  
12 So, I would ask that the chief knew about this.

13 ASSISTANT CHIEF LeVALLEY: Yes, I will make  
14 him aware. And if you don't mind, I'll talk to you  
15 after to get some more details, make sure he's aware of  
16 it.

17 MR. BACHAND: Thank you.

18 MR. ADAMS: Good evening. My name is Jeff  
19 Adams. I'm the chairman of the Brightmoor Alliance.  
20 And I would like to ask for some cooperation from the  
21 folks at the 6th and 8th Precinct around scrapping of  
22 homes that can be saved. I have personally been  
23 involved with two where I have sat and witnessed and  
24 called the police department asking for help with no  
25 response. One home was owned by my family for 55 years.

1 They moved out. Within days, it was scrapped. I sat  
2 there and confronted the guy as he was scrapping it. He  
3 continued to do it.

4 Sunday, one of my neighbors witnessed for two  
5 hours people taking the furnace and water heater out of  
6 the home, called twice to 911, called to the precinct  
7 and no one responded. What that leads to is a  
8 degradation of our community. And we are trying to  
9 protect our community in Brightmoor. We have eliminated  
10 blight in 94 acres. The next hundred acres is going to  
11 start. We need the cooperation of the police department  
12 to respond to these incidents when they are called.  
13 We've got pictures of people scrapping Vitoff (phonetic)  
14 School that have been taken by folks in Grandmont. The  
15 pictures have been turned over to the police department  
16 with no reaction.

17 We have a gentleman that is trying to save  
18 Vitoff School right now. He leased it from DPS. As  
19 soon as he leased it, it was totally scrapped. He is  
20 committed to making that school work for our community.  
21 We need your help. We need you to respond and get these  
22 people and take them off the street.

23 CHAIRPERSON TAYLOR: Okay. Deputy Chief?

24 DEPUTY CHIEF LeVALLEY: I can respond and say  
25 I agree a hundred percent that we need to respond to

1 every call that comes in, regardless of the severity of  
2 the call. Right now, we have some things that are in  
3 place to greatly increase the response time. Response  
4 time has come down already. That so far is applied to  
5 crimes in progress, violent crimes in progress. But as  
6 we get more efficient in that process, then we can make  
7 ourselves more efficient in the process of responding to  
8 property crimes.

9 With regard to the photographs and information  
10 that was taken, can you get with Captain Wilson? We  
11 have officers that are assigned to issue environmental  
12 ordinances, which are -- they take that information,  
13 track people down that are scrapping copper and parts  
14 out of homes and issue the ordinances, make the arrests  
15 on those types of cases. And we will address those.

16 CHAIRPERSON TAYLOR: Commissioner Warfield?

17 COMMISSIONER WARFIELD: Through the Chair,  
18 again, I'm going to ask if the department could possibly  
19 be a little bit more vigilant in looking into this. I  
20 know we consider it a property crime, but it's much more  
21 than a property crime because when these dwelling places  
22 are stripped, they become havens for rape, for murder,  
23 for fire bugs. So, it may look just like a property  
24 crime, but it has a human toll on it. And it definitely  
25 has devastation for those who live in the neighborhoods.

1           So, if somehow or another we can get -- even  
2           if it's a dedicated line within the precinct and from,  
3           you know, maybe the various patrols that are here  
4           represented, that they can call when they see that and  
5           we can get somebody out there. It's more than just a  
6           property crime because it literally leads to the things  
7           that we read about in the paper as relates to young kids  
8           being unfortunately assaulted as relates to fires and  
9           things like that. So, if we can get some immediate  
10          attention to that, I think it would be very appreciated  
11          by the citizens in this community.

12                   DEPUTY CHIEF LeVALLEY: Yes, sir.

13                   CHAIRPERSON TAYLOR: Deputy Chief, I just  
14           wanted to add, I think I heard -- maybe I didn't. Maybe  
15           you can help me out with that -- that somewhere I think  
16           they were saying that the owners have to make that  
17           contact with the police. Is that why is that not  
18           happening now?

19                   DEPUTY CHIEF LeVALLEY: The owner --

20                   CHAIRPERSON TAYLOR: Of the property.

21                   DEPUTY CHIEF LeVALLEY: No, that's not true.  
22           There's ordinances that are in place for people that are  
23           stripping dwellings. It doesn't have to be the owner.  
24           The police officer can be the complainant on it. It's a  
25           matter of the police officer being there and seeing them

1 do it or having photographs or evidence that we can  
2 identify the person who is doing it, to take them to  
3 court. But we don't need the owner of the building to  
4 enforce that.

5 CHAIRPERSON TAYLOR: Okay. Thank you. Go  
6 ahead, sir. I'm sorry.

7 MR. FERGUSON: My name is Brian Ferguson. I'm  
8 the president of the Schoolcraft Improvement  
9 Association. I'm here today -- technically, this room  
10 should be packed. It should be. You guys, this is  
11 awesome. I have never seen anything like this. This is  
12 great. But on the flyer, the one selling point was  
13 Chief Craig was supposed to be here. So, I don't know  
14 if somebody else got the memo that said he wasn't  
15 coming, that's why it's not packed, but it should be.

16 My second point is we're not doing a better  
17 job of getting information out to the community. I  
18 don't know if you guys have a budget or anything. But  
19 we have to start thinking outside the box. But it's  
20 nothing new. Let's start using the radio. Let's start  
21 using the newspaper. Let's start using the news,  
22 telling them what's going on in our community. When the  
23 police are catching these guys or they think they are  
24 going to get away, get on the news, tell them we are  
25 coming to get you. Get on the radio, buy some ads, some

1 radio time on JLB because I'm tired of listening to the  
2 radio and hearing the stuff that's happening and it's  
3 not true. It's not, because the one big thing that's  
4 coming up now is stop and frisk.

5 They've been doing stop and frisk since I was  
6 a kid. I got stopped and frisked. I don't mind it to  
7 be honest with you. But we have to do a better job of  
8 getting it out there, we just do, because stop and frisk  
9 is nothing to me. It's really nothing. To me, it's  
10 safer if a police come up to me and I'm walking  
11 somewhere, hey, where you going, boy? I'm going home.  
12 We'll make sure you get home. I mean, there's no  
13 problem with that. So, that's going to be a big thing  
14 that's going to be coming up. Thank you.

15 DEPUTY CHIEF LeVALLEY: Sir, I would say that  
16 as far as the communication piece goes, we have a  
17 director of media relations. And we are constantly  
18 every day putting information out to the media. Aside  
19 from buying time, you know, commercial time or something  
20 which is very costly, and to be honest with you, we  
21 don't have a budget for that, we give them as much  
22 information as we can. And the media gets to decide  
23 what they put out on their end. We also have websites.  
24 We have Facebook pages where -- they're opening a  
25 Twitter account to start sending information out by that

1 method as well.

2 So, we are pushing the message out there.  
3 When officers make good arrests, when we're taking bad  
4 guys off the streets, we're pushing that information out  
5 there. A lot of times, that's not as sensational as the  
6 negative stories. So, we have a hard time getting the  
7 media to broadcast that like they do the negative  
8 stories.

9 With regard to stop and frisk, it's part of  
10 policing that you have to stop people. If you don't  
11 stop people, then you don't come across criminals that  
12 are on the streets. You don't find people that are  
13 carrying illegal guns. One of the biggest pieces of  
14 stop and frisk is that it's done constitutionally and  
15 that officers, every time they stop somebody, they have  
16 reasonable suspicion which they are able to articulate  
17 that their log sheets and in their reports as to why I  
18 stopped this person and then what probable cause did I  
19 have beyond the initial stop to actually frisk the  
20 person.

21 So, yes, I mean it's been going on for a long  
22 time. But a lot of people have the idea that stop and  
23 frisk means that everybody walking down the street, they  
24 are just grabbed and stopped. No. There has to be some  
25 sort of reasonable suspicion that's articulated that

1 says that there's a reason why we stopped this person,  
2 not just the fact that they are walking down the street  
3 or that they are out at night.

4 We also have a meeting that we hold every  
5 week. All the command staff in the department is there  
6 I think once a month or every other month. It's open to  
7 the community to come watch it. And part of that  
8 meeting, it's called the command accountability meeting.  
9 And each precinct captain is called up to the podium in  
10 the executive staff of the department. It's an  
11 inspection and an inquisitory type meeting where we  
12 randomly pull log sheets for the officers. We pick a  
13 day at random. They don't know what day it's going to  
14 be. We pull the log sheets for all of the officers and  
15 go over every stop and frisk to ensure that the  
16 reasonable suspicion is in there on the log sheets.

17 And any one that isn't in there, the  
18 supervisor, they have to answer for why was it not  
19 there. Did the supervisor catch it? The log sheets are  
20 displayed on a board. So ensuring that the stops are  
21 constitutional is something that we take very serious  
22 and something that we inspect weekly, stop and frisk.

23 MR. FERGUSON: Now, you said something about  
24 the money, you just don't have the money to run the ads,  
25 okay?

1 DEPUTY CHIEF LeVALLEY: To buy commercial  
2 time.

3 MR. FERGUSON: How about this? Think outside  
4 the box again? Mr. Penske, you gave us money for these  
5 hundred cars. We only need 99 of them. Then the other  
6 car, we will take the money and run the ads with. How  
7 about that?

8 DEPUTY CHIEF LeVALLEY: We actually need  
9 200 cars.

10 MR. FERGUSON: How about asking him for some  
11 money to run some ads? I mean, we can do that. I mean,  
12 this is just asking people for some help to get the word  
13 out to the criminals. That way, they will know the  
14 police is coming for them because if you do harm, we are  
15 coming because when I was growing up, when the news came  
16 on at 11:00, they said, you know what time it is. Do  
17 you know where your children are at? It's 11:00. They  
18 can do that. We haven't been demanding anything like  
19 that. And if -- I think if we did that and, you know,  
20 we're serious, maybe some of this foolishness will stop.  
21 That's all I have to say.

22 DEPUTY CHIEF LeVALLEY: Thank you.

23 MR. FOSTER: I'm actually a member of this  
24 association, second generation business owner and  
25 including the Detroit employer, Emmett Foster, Foster's

1 Car Wash on west 6 Mile. The comment I want to just  
2 make here is as we finish this bankruptcy, there's going  
3 to be pretty much a free credit card if you will. It's  
4 going to be a slew of cash that's going to come down as  
5 we restructure our finances.

6 And I've heard over years and years there's a  
7 constitutional amendment that needs to be made in order  
8 to require police to live in the City of Detroit. Well,  
9 why hasn't this been thought of? We change the  
10 application policy or we change the way we bring in  
11 police officers and we require them to have so many  
12 points if they live in the City of Detroit and make it  
13 probably based upon you coming in and receiving so much  
14 pay as a salary here or you come in at a certain rank in  
15 addition to that because you get so many points for  
16 passing this, so many points for passing this portion of  
17 the test, so many points for passing this test.

18 Why don't we consider maybe making it 20  
19 points for living as a resident in the City of Detroit  
20 as well? That's one of the solutions possibly, to  
21 encourage the police to live in the City of Detroit as  
22 we push for this recruitment drive. And I'm a big  
23 advocate. When I was growing up in the City of Detroit,  
24 I remember at a point in time when there was actually  
25 five to 6,000 police officers. And in all honesty here,

1 we are trying to take what we have to get what we need  
2 in the City of Detroit right now with the current police  
3 numbers that we have which is easily below 3,000.

4 All right. I'm at the point right now where I  
5 will pay anything to get additional police. There's an  
6 ordinance out there to increase police presence in  
7 certain communities that I know that are actually taking  
8 place in the Rosedale Park area as well. We have to get  
9 back to 5,000 police officers. If it means making  
10 draconian cuts, you all have to make those types of  
11 decisions, even though the City Council members are  
12 responsible for it if you will, the budget. But you all  
13 continue to lobby for that, including restructuring the  
14 application procedure and actually encouraging the  
15 police officers to live in the City of Detroit based on  
16 what they put on the application.

17 CHAIRPERSON TAYLOR: Sir, thank you,  
18 Mr. Foster.

19 COMMISSIONER WHITE: You can stay there,  
20 Brother Foster. I just wanted to comment on your  
21 comments, all excellent suggestions. And I share those  
22 concerns that you have and have reiterated those over  
23 the past few years I have sat on this body. It will  
24 take an act from our state legislature to reverse what  
25 they have put in motion ending residency for first

1 responders.

2           There are some innovative ways that we can get  
3 there I believe through merits. But you also have to  
4 remember there's some union agreements that are in place  
5 that may prohibit some of that. Under Chief Godbee's  
6 leadership, he did respond with an -- I thought a very  
7 innovative approach which was requiring that new  
8 officers come in on a reserve status and spend time in  
9 the city. That did not answer the residency issue, but  
10 it did give the familiarity for officers to be in the  
11 city, to get comfortable with the culture of the city  
12 and its residents that are here.

13           So, that is a state fight. There are other  
14 organizations that are working aggressively to answer  
15 that question. Will we get back to 5,000 officers on  
16 the street? In the ideal world, that may happen. But  
17 you also have to remember with the population declined  
18 in the city, so has city services declined to try to get  
19 -- to be commensurate with the budget that's available  
20 as a result of the tax base that is left behind.

21           So, I don't know that 5,000 officers would be  
22 the answer. But I do believe the department has done  
23 some innovative things again to be more responsive from  
24 a data driven approach to do more with less that we have  
25 as a department. But stay tuned on that issue for

1 residency. There are a number of individuals including  
2 myself and other members of this body who share your  
3 same sentiments.

4 MS. TRILETY: Good evening. I'm Paula  
5 Trilety. I'm president of West Outer Drive Civic  
6 Association, a member of the Northwestern District, the  
7 great Northwestern District Police Community Relations  
8 Council and treasurer of our Northwestern District  
9 Board. My question is about environmental officers and  
10 if you still have environmental officers or if we are  
11 supposed to report blight violations to the DPW. Can  
12 you clarify that? I was told that the police department  
13 is no longer handling blight violations, that they are  
14 going to DPW. So, can you comment on that?

15 COMMANDER WILSON: I can comment as far as the  
16 Sixth Precinct, we do have some environmental officers  
17 as far as the 6th and 8th Precinct, Officer Crawford and  
18 Officer Cox.

19 ASSISTANT CHIEF LeVALLEY: It's Officer  
20 Crawford and Officer Cox.

21 COMMANDER WILSON: Officer Crawford is the 8th  
22 Precinct environmental officer and Officer Cox is the  
23 6th Precinct environmental officer.

24 DEPUTY CHIEF LeVALLEY: I know they've been  
25 doing it for a long time, and they're very well versed

1 in environmental.

2 MS. VIOLET: Good evening. I'm Deborah Violet  
3 (phonetic). I'm a Rosedale Park resident, radio patrol  
4 and active volunteer. My garage was vandalized a couple  
5 weeks ago. It took me like two days to report it. So,  
6 I called on the phone. I went to the precinct, went  
7 back home and called on the phone again. So, there's  
8 got to be a better system for us to report non-violent  
9 crimes without putting the residents through a more  
10 stressful situation.

11 So, how would that be addressed? Do you have  
12 anything in place? Are you thinking about being able to  
13 do it on line because I asked at the precinct, could I  
14 do it on line. No.

15 DEPUTY CHIEF LeVALLEY: Without knowing the  
16 specifics of what happened when you went in the station,  
17 you should be able to walk into all the police stations  
18 24 hours a day and make a report right there.

19 MS. VIOLET: When I went there, the 6th and  
20 8th precincts, I was told they were too busy. They told  
21 me to sit there and call on the phone. I sat there for  
22 another 20 minutes. The other officer came up and says,  
23 you know, I said, look, I can't continue to sit here.  
24 And he gave me another number to call. I went home, and  
25 I sat on the phone for like another 30, 40 minutes.

1 COMMISSIONER WHITE: Through the Chair, Deputy  
2 Chief, is telephone crime reporting, TCRU, still intact?

3 DEPUTY CHIEF LeVALLEY: Yes, TCRU is still  
4 intact, even though all the precincts are open and  
5 they're open 24 hours a day, TCRU takes reports over the  
6 phone. I don't know about what the call volume was at  
7 the time you called.

8 MS. VIOLET: I called at different times, and  
9 I was -- you know, I put it on speaker, and I'm doing  
10 other things. And it was ridiculous. I should be able  
11 to go on line, input my information or, you know, just  
12 make it easier for us to report crimes.

13 COMMISSIONER WHITE: Again, Madame Chair,  
14 through the Chair, Deputy Chief, has the manpower for  
15 TCRU remained intact for answering other call volume?

16 ASSISTANT CHIEF LeVALLEY: Some of the  
17 manpower at TCRU was supplemented with officers that  
18 were injured. So, that fluctuates as officers who are  
19 injured in the line of duty, when they recover, then  
20 they are pulled from TCRU. So, it fluctuates weekly  
21 what manpower we have at TCRU. But it's still intact.  
22 I can't say that it -- you know, what it is one week to  
23 the next just depends on how many officers need to be  
24 assigned to desk duties.

25 MS. ROBINSON: Good evening. I'm Katrice

1 Robinson, K-a-t-r-i-c-e, Robinson. I'm president of  
2 Midwest Civil Council Block Club and founder and  
3 president of Midwest Business Community Association. I  
4 just wanted to piggy-back on what they were talking  
5 about, the scrapping and the blight in the communities.  
6 And of course all of the metro Detroit area is  
7 struggling with this issue. However, you were saying  
8 that -- something about the decreased response time to  
9 some of these. It's not just the decreased response  
10 times. They are not getting a response. And that's the  
11 whole issue. If you're going to set up just an  
12 investigative officer at the precinct, then why not set  
13 up an investigative department just for this blight  
14 alone? You only need one squad car to go around and  
15 patrol an area when someone calls because the citizens  
16 want someone to respond. And I think that's the major  
17 issue with that. They just want someone to come out.  
18 They want to see someone. So, to say that the time is  
19 being decreased is not a valid answer when they are not  
20 getting a response at all. Thank you.

21 CHAIRPERSON TAYLOR: Thank you, ma'am. Are  
22 there any more comments?

23 MS. SMITH: Brown took my leaning thing. So,  
24 I have to stand up here. I don't know why he took it  
25 away, but anyway good evening everybody. My name is

1 Bernice Smith. I'm a political activist. And I have  
2 heard so much about this area and what their complaints  
3 are. I mean, the commander in this particular area is  
4 Wilson, Captain Wilson. Captain Wilson, are you related  
5 to the chief, the former Chief Wilson? I can't turn  
6 around because I'm supposed to look at them at all  
7 times. So, can I see you up front? They don't allow me  
8 to look in the back. All right. You're related to the  
9 captain, the former Police Chief Wilson?

10 COMMANDER WILSON: Yes, ma'am. That's my  
11 father.

12 MS. SMITH: Congratulations. I'll tell you  
13 more about your dad.

14 CHAIRPERSON TAYLOR: Ma'am, you need to  
15 address the Board.

16 MS. SMITH: I'm going to address the Board. I  
17 have to find out if he was the Wilson I belong to. I  
18 have been listening to the complaints of this particular  
19 area here. And I really feel sorry that they are not  
20 getting the police to respond the way that they need to  
21 you know. And of course we all know there is a  
22 shortage. And the reason for me being involved with the  
23 police commission and campaigning for it, I do hope that  
24 with some of the help and some of the people that I'm  
25 familiar with in the higher up, that we'll be able to

1 get more police out here so we can have safety for not  
2 only the youngsters that's being robbed from school and  
3 the seniors because I am a senior myself. And I know  
4 goodness well, I don't want anybody assaulting me. And  
5 I know that the rest of the people here, they feel the  
6 same way.

7 I feel sorry for our city that we don't have  
8 any more control on it. I also belong to the 300. And  
9 we are going to get together with the chief I understand  
10 next week. And we are going to lay out some plans for  
11 that. But in the meantime, I want the people to be  
12 vigilant about them going to and from their houses.  
13 When you're at the gas station -- I stress this  
14 constantly, even when I'm on the air with Angelo, he has  
15 to take 30 minutes to report all the crime that's being  
16 perpetrated in our city.

17 And I do advise you when you go out in the  
18 street, be vigilant coming in your house, watching. And  
19 it's a shame that you have to be that way. But that's  
20 the way it is now. Even when you go home tonight, be  
21 careful when you go in and out your house and coming in  
22 and out of the car. When you go to the gas station,  
23 make sure your doors are locked and nobody will come up  
24 on you. And I think we are going to have a solution for  
25 our city, and we are going to do better than what we're

1 doing because the police, they need all the help that  
2 they can get and support, believe me they do. They need  
3 the help.

4 And if we can help them in any way, I support  
5 them all the way because I do complain when they do  
6 wrong, and I do give them all the support when they do  
7 right. I do have a complaint that I have. What's going  
8 on with those two officers that was caught the other  
9 day? Why do they have to be on with pay? Now, can you  
10 answer that? One was involved with the scrapping,  
11 another one was even trying to get the money from the  
12 police for health. You don't know nothing about that?

13 DEPUTY CHIEF LeVALLEY: No, no. I know all  
14 about it. They were suspended.

15 MS. SMITH: I just want to know, without pay  
16 you said?

17 DEPUTY CHIEF LeVALLEY: They were suspended  
18 without pay.

19 CHAIRPERSON TAYLOR: They were suspended  
20 without pay.

21 MS. SMITH: Good, good. We don't need to give  
22 them no money. We need all the money we can get. So  
23 let them think about what they've done and brought this  
24 bad -- oh, that's what I'm saying, the police, they  
25 don't need all of this anxiety and what they are doing

1 to the DPS. So, I just hope that we will take care of  
2 that little incident and I won't have to hear about them  
3 coming back on the force. Get rid of them. I thank you  
4 for your time. And Brown, I thank you too for your time  
5 too because you didn't stop me.

6 CHAIRPERSON TAYLOR: Are there any more  
7 comments, any more comments, any more comments?

8 MR. SCOTT: This does not relate directly to  
9 the police commission. Ron Scott. I do want to say  
10 that for the past week or two, I have been working with  
11 the family of Renisha McBride, the young woman who was  
12 killed in Dearborn Heights. And the accident occurred  
13 of course in the city of Detroit. And from that point,  
14 she walked into Dearborn Heights.

15 I do want to say that I want to just remind  
16 the residents of the city that we should let the system  
17 work. I know there's a lot of anxiety and anger.  
18 People are upset. And I just want to take this forum  
19 and this opportunity to say that the prosecutor tomorrow  
20 is going to make a statement that I think will address  
21 the concerns of people. I have heard some people even  
22 asking me, they wanted to know the name of the  
23 gentleman, where he lived. And they -- and we are at a  
24 very sensitive time when we talk about violence. And  
25 so, therefore, what we have to do is try to have a

1 certain level of restraint, and we have to also be  
2 vigilant in pushing for the justice system to work while  
3 we fight for peace.

4 And that's the plan that we have been  
5 promoting for a long time. And I just want to take this  
6 forum, though it's not directly related to the  
7 enforcement procedure here, I did reach out to the  
8 Detroit Police Department, Dearborn Police Department  
9 and several others and got some information. So, I just  
10 want to say to you that that situation, if it's  
11 abhorrent to you, that that's the way you should respond  
12 to it.

13 There are situations in the city of Detroit I  
14 can say that happen every day that are aggravated and a  
15 lot of people will get upset about what happens in  
16 Dearborn Heights. I think it's time for us to be  
17 equally vigilant in the city of Detroit.

18 CHAIRPERSON TAYLOR: Are there any more  
19 comments? Any more comments? If not, move to adjourn.

20 COMMISSIONER WHITE: So moved.
