3	Minutes stand approved. Now we will go to a
4	presentation, is there going well, no one is
5	here representing the Chief's Office oh, there
6	you go.
7	We have a presentation from the Crime
8	Control Strategy from the Chief's Office.
9	CAPT. SERDA: I think there was a
10	Powerpoint, but anyway I'll just move ahead
11	forward.
12	Good afternoon, Board. My name is
13	Captain John Serda from the CompStat Unit
14	formerly known as Crime Control Strategies, now
15	called CompStat Unit.
16	First of all, let me just say that
17	CompStat is the law enforcement strategy adapted
18	by the New York Police Department in 1994. It
19	employs geographic information systems to map
20	crimes, identify hot spots and problems and
21	ultimately devise solutions.
22	This crime mapping initiative as part
23	of a broader community policing and problem
24	orientated policing strategy has been
25	tremendously successful in New York and also

2.1

attributes to the other factors such as changing
demographics, CompStat has helped New York to
reduce violent crime by two-thirds in the past
decade.

As well, the success of CompStat has been replicated in cities and jurisdictions around the United States and even the world, so we as a police department have had CompStat in various forms.

Under Chief Craig we have adopted more closer the New York-style CompStat, so basically the CompStat that we use is a management process with a performance management framework that is used for analysis of crime and disorder data, strategic problem solving and a clear accountability structure.

Ideally CompStat facilitates accurate and timely analysis of crime and disorder data which is used to identify crime patterns and problems areas. Based on this analysis tailored responses are implemented through rapid deployment of personnel and resources.

An accountability structure is key to ensuring that analysis is acted upon and the responses are implemented correctly as well as

1	assessing whether responses are effective in
2	crime reducing and disorder.
3	So in CompStat there are four main
4	principles to a good CompStat and that is, first,
5	the accurate and timely intelligence so that you
6	know what's happening as quickly as possible and
7	be able to act on it.
8	Effective tactics so that either the
9	precinct or the specialty unit that is affected
10	can act quickly on the information they receive.
11	Rapid deployment so they can get the
12	resources out there quickly and the relentless
13	follow-up and assessment.
14	So based on the relentless follow-up
15	and assessment part of it, that is where we have
16	our weekly CompStat meetings where the captains
17	of the precincts, the specialty units, all come
18	together and they are the information from
19	their unit, their precinct, is presented on one
20	of these screens here it's usually in this
21	room and they are questioned on various
22	incidents that happened under their jurisdiction
23	and what responses they have.

unit. We're up on the 7th floor. I assumed

So our CompStat Unit is a very small

24

1	control as of March 10th this year, so I'm pretty
2	new there. In fact, the captain that actually
3	put the team together, we have one sergeant and
4	11 officers who are very highly skilled at
5	compiling this information, analyzing it and
6	getting it out in a useful form, Capt. Tosqui who
7	is now a captain in the 3rd Precinct is the one
8	that put the team together. Right here, Capt.
9	Tosqui.

2.1

So the officers and the sergeant, their unique and specific duties can be categorized in one of the following: CompStat preparation, restore order deployment, violent crime deployments and crime pattern recognition.

So, again, as I said, each week the department has a CompStat meeting, usually on a Wednesday. Under the CompStat model precinct captains, their precinct detective lieutenants and the investigative officers in charge of specialty units provide presentations regarding their geographic area and are afforded an opportunity to answer questions given to them by the CompStat panel.

In the slide presentation I had taken
-- and I know you can't see this so I apologize,

Page 11

but I had taken snapshots of our CompStat website
page which has, you know, a number of links that
the captains or really anybody in the department
can go to and get realtime information on what
crimes are happening, which ones they can go
by the last 24 hours, the last week, the last two
weeks and they can analyze their crime and then
our officers also do that, and if they see
patterns they will send out crime alerts and even
talk to the captains and/or officers to take
action on certain crime patterns they might see.

Part of the CompStat page are these tables that show where we're up and down in crimes and there's an overall city-wide page, then each precinct has their own page where they will show if they're up and down in certain categories of crimes such as homicide, sexual assaults, robberies, aggravated assaults. Those are our violence crimes and then other categories are burglary, larceny, stolen vehicles, those are our property crimes.

So we keep track of those and they are constantly updated so they have information available to them.

Additional duties of the CompStat Unit

1	are the restore order operations. Now, the
2	restore order operations, you probably heard of
3	these. It's an innovative law enforcement
4	operation implemented by Chief James E. Craig.
5	They're conducted periodically and are based on
6	targeted enforcement. Our CompStat officers
7	compile information including current warrants
8	and intelligence based on an area in the city
9	that is experiencing increased crime.
10	This information is then used to
11	develop a restore order operation in the targeted

2.1

develop a restore order operation in the targeted areas. Each precinct captain then dedicates a certain number of officers and resources to target these wanted persons in their precincts.

Additionally, large-scale restore order operations are developed where many of our law enforcement partners participate such as State Police, FBI, DEA, ATF, Wayne County Sheriff's Department, Michigan Department of Corrections, Wayne State Police and many others.

With these combined resources we're able to target large areas and effect many arrests. Most recently the operation was called March Madness, you may have seen that. They showed that on most news channels.

1	We targeted in that operation we
2	targeted scout car areas 5-14 and 6-14 and that
3	resulted in over 60 arrests, 44 felonies, 21
4	misdemeanors, 21 weapons were seized, cocaine 2
5	grams, heroin 3 grams, marijuana 11,815 grams and
6	U.S. currency \$14,499 were seized during that
7	operation.

2.1

Also under the CompStat Unit falls the Intelligence Resource Center and that unit does intelligence research for the police department including but not limited to deconfliction, a very important part of their job.

Deconfliction, for example, is where maybe one of our units is executing an arrest warrant or a search warrant or conducting some type of law enforcement operation. They would call the Intel Center and tell them where they're doing their operation to make sure some other unit is not also targeting that same location.

So it's an officer safety issue and it helps us to keep our officers safe. The Intel Center also receives information on wanted persons, crime alerts and information for officer safety from other jurisdictions and disseminates to all patrol officers.

	Page 14
1	This concludes my presentation. Do you
2	have any questions?
3	COMMISSIONER TAYLOR: Before we move to
4	questions, I just want to acknowledge that AC
5	White has joined us from the Chief's Office.
6	ASST. CHIEF WHITE: Yes, ma'am, and I
7	apologize for being tardy.
8	COMMISSIONER TAYLOR: Commissioners, do
9	you have any questions?
10	COMMISSIONER BELL: One brief question.
11	In reference to what you consider District 3
12	with Osborn High School are, would that still be
13	a high crime area or has that been in decline?
14	CAPT. SERDA: I think it's still high
15	crime. However, there are a lot of programs I
16	think that are having a positive effect in the
17	Osborn area. There's a community CompStat group
18	that brings in a lot of community members that
19	are working in that area, so I know that there's
20	a lot of things going on in that area that are
21	positive.
22	COMMISSIONER BELL: One more question.
23	In reference to, I'm using the proper I want
24	to say TSS, is that
25	CAPT. SERDA: It's called TRU now,

Page 15 1 Tactical Response Unit, very similar to TSS, but 2 not exactly the same. COMMISSIONER BELL: So that then 3 4 utilizes overlapping hours in that time frame to 5 deal with issues of that nature? 6 CAPT. SERDA: They generally work in the evening and they go to -- and they are 7 8 deployed every day to a different spot based on 9 the latest information that we have where they're 10 needed. 11 COMMISSIONER BELL: Okay. 12 CAPT. SERDA: And they can also be 13 pulled for any emerging issues. 14 COMMISSIONER BELL: Thank you. 15 CAPT. SERDA: Yes, sir. 16 COMMISSIONER TAYLOR: Any other 17 questions? 18 COMMISSIONER WHITE: Madam Chair, I 19 didn't have a question, but a thank you, Capt. 20 Serda, for a very informative report. I did want 2.1 to apologize to those in our audience. I think 22 we had a technology glitch today and did not --23 while we had copies of your presentation, Capt. 24 Serda, it was not available for members of the

audience and I just wanted to apologize to those

1	present today.
2	COMMISSIONER TAYLOR: Any other
3	questions?
4	COMMISSIONER CRAWFORD: Yes, Madam
5	Chair, one question. Day and time of the
6	CompStat meetings?
7	CAPT. SERDA: It's generally every
8	Wednesday at 10 AM, but like, for example, this
9	past Wednesday it was moved to 11:30 because we
10	did our restore order Tuesday evening and that
11	went until 3 AM, so we kind of moved it down a
12	little bit, but generally at 10 AM every
13	Wednesday.
14	COMMISSIONER CRAWFORD: Thank you.
15	COMMISSIONER TAYLOR: Are there any
16	other questions or comments? Thank you.
17	CAPT. SERDA: Thank you.
18	COMMISSIONER TAYLOR: At this time I'm
19	going to ask the Chief Investigator to come
20	forward with the OCI report.
21	CHIEF INV. DAVIS-DRAKE: Thank you,
22	Madam Chair. Good afternoon, Board. Pamela
23	Davis-Drake, Chief Investigator. The OCI Chief
24	Investigator's report for today is as follows:
25	We have a total of 253 cases. We have

1	16 cases that have been submitted to either
2	myself or the supervisors for review and no cases
3	are over 90 days.

2.1

One of the questions that was asked during a recent training, specifically with the Personnel Committee, I thought was important. I answered the question, but I thought it was important for the entire Board to know and it had to do with leading allegations.

We track the four top leading allegations every month. Of those allegations the top two are always demeanor and procedure, and they interchange in the order, but they're always the top two allegations.

They represent about 50 to 60 percent of the allegations that we receive. The other two, third and fourth place, are usually service and force. Most of the time -- I say probably tracking it back now for the last five years, procedure and demeanor have been consistently at one and two and three and four have fluctuated with force, service, harassment and I believe arrests. So I wanted to make sure that everyone knew that.

For the month of February, procedure

1	led in the top allegations at 33 percent,
2	demeanor was at 24 percent, 16 percent was
3	service and 10 percent came in at force.
4	The next quarterly monitor's visit is
5	going to be held the week of the 20th of April.
6	OCI will be meeting with the monitors. Our
7	specific monitor is Commander John Girvin. We
8	will be meeting with him on Tuesday, Wednesday
9	and Thursday of that week and for the
10	commissioners that have not had the pleasure of
11	meeting Comm. Girvin I would strongly suggest you
12	come out and meet him. He's a very good man,
13	he's been very good at helping us along and
14	providing us with great feedback and wonderful
15	recommendations to get us in compliance and keep
16	us there.
17	And that completes my report, Madam
18	Chair. Are there any questions?
19	COMMISSIONER TAYLOR: Thank you. Any
20	questions, Commissioners?
21	COMMISSIONER BELL: I have one
22	question. I'm thinking in terms of what is the
23	feedback how those people when we interview them,
24	could we get some feedback in terms of how they
25	found out about the process of filing the

1	complaint?
2	Is there some way we could perhaps for
3	the month of May get some feedback in terms of
4	the process, did they go on the Internet, did
5	they take the officer inquiries or I'm just
6	curious?
7	CHIEF INV. DAVIS-DRAKE: That is a good
8	question. I know that when they make the
9	complaint it is it's the responsibility of the
10	person that's entering the complaint to show
11	where they made it, whether it was at the
12	precinct or whether it was at OCI or over the
13	phone, but there may be a possibility I don't
14	know.
15	I can perhaps work with the police
16	department, Asst. Chief White may be able to help
17	me out and assist in that area or maybe we can
18	figure that out.
19	ASST. CHIEF WHITE: I'm sorry, the
20	feedback from
21	COMMISSIONER BELL: John Doe Citizen,
22	they file a complaint in some form or another and
23	we interact with them, perhaps it's just
24	something that our office can do. How did you
25	find out about the process on how to file a

1	complaint.
2	CHIEF INV. DAVIS-DRAKE: There may
3	even be a way to add it to actual form, maybe we
4	can do something like that, but it requires a
5	little bit more discussion, but it's something
6	maybe we can look into doing it that way.
7	That's a good question.
8	COMMISSIONER BELL: And I have one more
9	question. In reference to unknown officers, when
10	I look at Comm. Wilson, is that correct, and I've
11	been looking at that in terms of officers have
12	attire like that, but in most cases they have
13	their name tags on the
14	ASST. CHIEF WHITE: That's correct.
15	COMMISSIONER BELL: So but the name
16	tag is pretty much there. I just wanted I
17	mean we had the tissue about how so many
18	unknown officers and I just examine the whole
19	process and I see that go ahead, yes, sir.
20	COMM. WILSON: If I may, Comm. Wilson.
21	This uniform that I'm wearing is pretty much what
22	we will see the Special Operations officers
23	wearing with the name tag and badge embroidered
24	in, so the Special Ops officers will be wearing
25	this as well as some of the Tactical Response

1	Units, they will have this type of uniform on.
2	COMMISSIONER BELL: Thank you. We
3	didn't have that back in our day.
4	COMMISSIONER TAYLOR: Any other
5	questions? All right, thank you.
6	Let's move to our standing committee
7	report.
8	COMMISSIONER MOORE: Madam Chair, the
9	Personnel Subcomittee has two hearings that we
10	will hear after the oral communications from the
11	audience.
12	COMMISSIONER TAYLOR: Okay. Any new
13	business?
14	COMMISSIONER BYRD: Yes, I'd like to
15	make a motion that the Board issue a resolution
16	to Mr. Eugene Slappy on his 80th birthday.
17	COMMISSIONER MOORE: I would second
18	that.
19	COMMISSIONER TAYLOR: Okay, it's been
20	moved and seconded that we can you repeat
21	that?
22	COMMISSIONER BYRD: Resolution.
23	COMMISSIONER TAYLOR: A resolution for
24	Mr. Eugene Slappy.
25	COMMISSIONER BYRD: On his 80th

1	birthday.
2	COMMISSIONER TAYLOR: On his 80th
3	birthday. Is there
4	COMMISSIONER BELL: Could he briefly
5	give us some idea what is a Eugene Slappy?
6	COMMISSIONER BYRD: Mr. Slappy is a
7	he's the president of Farewell Recreation Center.
8	He did the Moses Patrol Service for over 38
9	years. He's one of the staunch community leaders
10	in that part of the city and I just thought it
11	would be fitting if we recognized him on his 80th
12	birthday. They're giving him an affair down at
13	the yacht club.
14	COMMISSIONER TAYLOR: Now we will
15	entertain a motion to create a resolution for
16	Mr. Eugene Slappy on his 80th birthday. Is there
17	a second?
18	COMMISSIONER MOORE: Second.
19	COMMISSIONER TAYLOR: It's been moved
20	and seconded. Any objections? If not, motion
21	carries. Is there any other new business?
22	Old business, any old business?
23	Announcements, Thursday, March 27 [sic], 2014 at
24	3 'clock PM we will have our next meeting here at
2.5	the Detroit Public Safety Headquarters

1	Now we will move to oral communications
2	from the audience. As you come forward, please
3	give your name and limit your comments to two
4	minutes.
5	MS. PANNELL: Good afternoon, Board.
6	Sharon Pannell. I just have a question about the
7	raid. It was excellent, but out of 60 people I
8	heard on Facebook that three-fourths of them is
9	already out on the streets.
10	ASST. CHIEF WHITE: I apologize I'm
11	sorry, through the Chair I do not have the
12	disposition of the arrests with me.
13	MS. PANNELL: Well, it said they were
14	already out within three hours, so I was just
15	wondering why or I know they can make bail, but
16	for those types of crimes look like they would
17	have kept them a few more days.
18	COMMISSIONER BELL: We agree.
19	MS. PANNELL: Thank you.
20	MR. ROMANO: Good afternoon, Anna
21	Romano. I just want to announce that the 11th
22	Precinct is having a meet and greet for their new
23	commanding officer Harold Rochon. It will be
24	Thursday, April 3rd from 5 to 7 PM at St. John's
25	Connor Creek at 4777 East Outer Drive and

1	everyone is welcome. There will be light
2	refreshments so please come join us; thank you.
3	COMMISSIONER BYRD: What time is that
4	again?
5	MS. ROMANO: From 5 to 7 PM.
6	COMMISSIONER TAYLOR: All right.
7	MS. ROMANO: 4777 East Outer Drive, St.
8	John Connor Creek. Thank you.
9	COMMISSIONER TAYLOR: All right, thank
10	you.
11	MR. WOOLEN: I am Robert J. Woolen. I
12	have a proposal that I started writing in 1995
13	regarding young black males going to prison at a
14	record rate. I have don't have time to
15	convince you or to deliver that proposal unto you
16	in two minutes, but I can assure you that what I
17	have is more than worth your time and your energy
18	that I know how and I can give you a way to stop
19	and slow crime down in the city of Detroit for
20	young black males between the ages of 18 and 30.
21	I have done my homework and I am
22	prepared to deliver it unto you, but I can't do
23	it in two minutes. Is there actually somebody
24	there that I could bring it to?
25	COMMISSIONER TAYLOR: Yes, sir, you can

1	bring it to give it to the Board Secretary or
2	you can give it to me, someone give it to me,
3	I'll take it. You can leave it right here.
4	Thank you, Mr. Woolen. Is there any
5	more comments?
6	MR. RHOADES: Good afternoon. My name
7	is Peter Rhoades. I've been here several times
8	on a small small matter about the way the Detroit
9	Police Department enforces the business license
10	ordinance.
11	And last time I was here I was informed
12	that it is with the Law Department for a legal
13	opinion and we'll get that legal opinion as soon
14	as possible. I don't have an update on that now,
15	but I'm sure I'll get one by the end of this
16	two-minute presentation.
17	Last week I took my two minutes and I
18	shared a vision with one person with the laptop
19	computer or a desktop computer could actually go

shared a vision with one person with the laptop computer or a desktop computer could actually go through the inventory, actually use the show cause method that is at the Building Safety Engineering Department at this time and actually do the entire job and do it faster, better and cheaper than the Detroit Police Department, but the Detroit Police Department, even though

20

21

22

23

24

1	there's a case from 1968 that says don't do it,
2	continues to do it.
3	Now, I'd like to share a vision that
4	the Detroit Police Commission is actually allowed
5	to make policy decisions and to direct the
6	Detroit Police Department to work in cooperation
7	with the City of Detroit Building Department to
8	actually use the show cause method, stop giving
9	out tickets to people on the other side of the
10	counter who make minimum wage or maybe a little
11	more, and instead avoid the criminal process, use
12	the show cause process and everything will
13	smoothly work a lot better. Thank you.
14	COMMISSIONER TAYLOR: Thank you. Are
15	there any more comments?
16	MR. STEVENSON: Hello, how you doing?
17	My name is Anthony Stevenson, I'm the Grand Lodge
18	Secretary for Sons of Solomon, Universal Masonic
19	Brotherhood, Detroit, and when I called down here

20

21

22

23

24

1	department and for the local schools, what can we
2	do to help you guys out.
3	And they told me to follow proper
4	protocol and this is my first time down here.
5	COMMISSIONER TAYLOR: I'm going to ask
6	turn it over to AC White.
7	ASST. CHIEF WHITE: Yes, ma'am.
8	Through the Chair, thank you for that, sir. I'll
9	put you in touch with the Police Foundation.
10	Attorney Washington, do you have I can get it
11	after. Just have a seat actually Capt. Serda,
12	would you be so kind as to give him information
13	to the Police Foundation.
14	Thank you very much.
15	ATTORNEY WASHINGTON: Through the
16	Chair, with the permission of AC White, I want to
17	address Mr. Rhoades and I've had this discussion
18	with the Board's attorney already.
19	We had a very informative meeting
20	yesterday with the Law Department. There is a
21	mandatory we call it a U-99 meeting, it's a
22	meeting that's required by the Consent Decree,
23	meeting between the department and the Law
24	Department and Mr. Rhoades' issue did come up and
25	although we're going to miss seeing Mr. Rhoades

1	on	Thursdays,	Ι	think	we're	very	close	to	getting
2	an	answer for	h-	im.

The opinion is going to come from the Law Department, but just to give you a preview of what we discussed yesterday, there are two easily fixable problems and I just kind -- like I said, to give you a preview, in the case where the cashier at the counter is just merely a cashier, just an employee, not a member, not a resident agent, and the allegation is failure to display -- properly display a business license, after we get the opinion from the Law Department what we will do with the Chief's assistance is to have our officers do the investigation to find out -rather than to hand that ticket to the cashier but to do some investigation and find out who the registered owner is or the resident agent or the member or whoever, because that person is not a licensee in most cases, so those tickets will not be issued to the cashier.

However, in those cases where that person behind the counter, again the minimum wage person, is selling, for example, loose cigarettes, then a ticket will be issued to that person because they are aiding and abetting an

Τ	inappropriate business.
2	There is yet another a third body
3	that the jury so to speak is still out on, but I
4	think that that will remedy the issue. There
5	have been lawsuits filed by that cashier or those
6	cashiers and we certainly want to make sure that
7	the problem is resolved, but as soon as we get
8	the opinion with the assistance of the Assistant
9	Chief we'll make sure that the appropriate
10	teletype is out.
11	COMMISSIONER TAYLOR: Okay, thank you,
12	counsel. Do you have questions for her,
13	Commissioner Crawford?
14	COMMISSIONER CRAWFORD: Actually it's
15	for Attorney Rhoades.
16	COMMISSIONER TAYLOR: Could you come
17	up, sir?
18	COMMISSIONER CRAWFORD: Yes, sir. Are
19	you representing any of the cashiers or cashier's
20	union or organization, something like that?
21	MR. RHOADES: No, I'm retired, but
22	when I was at a meeting last November and I found
23	out that this problem was existent and I knew
24	that this really was a problem, back in November
2.5	I brought it to the attention of this Board and

1	I'll be nice, but sometimes in April or May I
2	could retire again and not have to come before
3	this Board.
4	COMMISSIONER CRAWFORD: I'm sure we'll
5	miss you. Thank you.
6	COMMISSIONER BELL: Madam Chair, I'd
7	like to introduce this young lady that's coming
8	forward now, Ms. Beverly Brown, she is second
9	vice-president of Morningside Organization on the
10	east side of Detroit and she's also one of the
11	officers involved with police community relations
12	in the Eastern District and all other activities
13	she's engaged in, one of my people I think that
L 4	really it's good to see you and I was going to
15	call you up anyway.
16	MS. BROWN: Well, I'm here representing
L 7	the Friends of the City Airport. I'll read it to
18	you.
19	The Friends of the City Airport,
20	Detroit Air Club and the Tuskegee Airmen, Young
21	Eagles, present free airplane flights over
22	Detroit for youth 18 to 17 [sic] years old,
23	Sunday April 13, 2014 from 10 AM to 1 PM at
24	Detroit City Airport Main Terminal, the Coleman

A. Young International Airport on Connor.

1	It's limited to the first 25 youth to
2	sign up. Parent or guardian must be present.
3	Adults do not fly. The weather permitting is a
4	flight and you get to do a photo op with a
5	World War II P5I Mustang is going to be on
6	display.
7	And other flying dates are May 18, June
8	8, July 13, August 10, September 14 and October
9	12 and you can contact Beverly Kendal-Walker
10	who's director of the Friends of the City
11	Airport.
12	COMMISSIONER TAYLOR: Do you have a
13	number for her?
14	MS. BROWN: Yes, it's (313) 822-2237.
15	COMMISSIONER TAYLOR: All right, thank
16	you, ma'am.
17	MR. SCOTT: Ron Scott. I have one
18	question with procedure and another one that
19	relates to let me just say what they are.
20	First and foremost, I'd like to find
21	out relative to the release and return of
22	property for individuals who had been in custody,
23	what is the procedure for that.
24	We're getting a lot of complaints about

25

individuals who had property that has been

2.1

retained and they have attempted to receive it
and have had a difficult time doing it, and have
had a difficult time receiving service where it
might have been held.

So I'd like to see if we can find a way to get service so that individuals who have property who have not been charged or who have been released from custody can retain that, get it back quickly because in a couple of cases there are jobs that are dependent upon the release of the property.

So therefore I'd like to know what the procedure is and how if there are difficulties it can be expedited.

I bring this to your attention, perhaps you may not be aware of it, the case we're dealing with is in the 6th Precinct, but it has occurred in other places, so I'm just mentioning that, AC, relative to that.

ASST. CHIEF WHITE: Through the Chair, the property procedures are quite simple and basic. I will tell you though that some property becomes evidence even though the person may not be charged at the time, so it would really depend on the property, but I'm in agreement with you,

1	upon	release	all	property	shall	be	returned	to
2	the s	suspect o	or th	ne subject	- •			

2.1

MR. SCOTT: Okay, I'll give you the specifics of this matter and perhaps you can pursue it. Secondly, I'd like to raise a question that I had a lack of comfortabilty about and that is the question of the support of private enterprise entities who are essentially supposedly doing community work.

Many of us do work and we're non-profits, some of them are 501(c)(3). We do it on behalf of the community and I think the Commission as a governmental entity in terms of support, endorsement there of any institution that attempts to or will gain private monies by what they do, even though they may not be asking for it now, I think there's a question and it doesn't rise to the standard I believe of impropriety, but I think it could and I wanted to bring this before you relative to that.

And I wanted to know if there was any standard that you had in terms of the endorsement of entities who are engaged in private enterprise coming to the commission for support such as the entity that was at Boy Scouts that said they were

1	going to allow the for the capturing of
2	information for crime prevention and the young
3	man who presented this said in a very
4	surreptitious manner that, oh, we're a private
5	entity.
6	And so therefore the access to
7	information and the selling of information,
8	databases today are major money though they may
9	not be used for that at the time. I would be
10	very suspect, concerned and reticent about having
11	people surrender that not knowing where it may
12	end up and how it may be used in terms of
13	potential profiteering.
14	COMMISSIONER TAYLOR: Any commissioners
15	have any comments on that particular you're
16	talking about the people that was okay, with
17	the community-based Internet?
18	MR. SCOTT: Right. I have no problem
19	with the technology, but I do have a problem with
20	whether or not they are non-profit. For instance
21	our organization is 501(c)(3).
22	As you know, we're limited as to what
23	we can do in terms of educational purposes for
24	the Peace Zones for Life framework and anything

that we would do in conjunction with any

1	governmental entity would be just that, would be
2	cleared that it would be not for profit-making
3	purposes and if it is for profit making, then
4	open it up and let's have bids for everybody who
5	wants to do the same job.
6	COMMISSIONER TAYLOR: Okay and I don't
7	have that information, but I will definitely
8	check into that.
9	COMMISSIONER BYRD: Through the chair,
10	I think he's talking about Neighborhood, what
11	they are, they're a marketing firm.
12	MR. SCOTT: That's what they are, I
13	know. I got that.
14	COMMISSIONER BYRD: And they're not a
15	501(c))(3). They have investors, they're trying
16	to put together something like a set of names and
17	places where later on they're going to market and
18	advertise different things and they'll get their
19	funding probably from if I want to go in there
20	and advertise my services, so I don't think that
21	we as a body should assist them.
22	They have approached me about going
23	through my area when we oughtn't do that, not as
24	a police commission, because I'm assisting him in

an open market situation and it's not a

1	non-profit entity.
2	MR. SCOTT: I'm just encouraging or at
3	least raising the question for commissioners to
4	be concerned about that because, as you know, in
5	these times you are under intense scrutiny,
6	anybody in any governmental institution, so
7	therefore we should be concerned about it.
8	And as I said, the market today since
9	I'm by I'm engaged in the communications
10	industry also that this marketing material,
11	names are major money. I mean, that's what they
12	are. Google in fact is flipping its stock based
13	on the access to money, you know, and Facebook is
14	doing that based on a similar matter.
15	So therefore I would encourage you at
16	least to be concerned about that, both from an
17	ethics standpoint and in terms of the mission of
18	this commission.
19	COMMISSIONER TAYLOR: Thank you, sir.
20	Your point is well taken.
21	COMMISSIONER CRAWFORD: The point is
22	well taken so thank you for making it plain.
23	MR. SCOTT: Thank you very much.
24	MS. ROMANO: I'm sorry. Anna Romano.
25	The Chief has a City Camp that the officers are

1	working with him and they are basically mentoring
2	these children with the community and City Camp
3	is mentoring children that are at risk from Cody
4	High School and Henderson Middle School.
5	So on Saturdays we have them there from
6	10 to 1 PM and the Board is invited to come out
7	and see the children and meet them and interact
8	with them at City Camp, so we welcome all of you
9	to come join us there.
10	City Camp is children in trauma
11	intervention, so you're all welcome to join us,
12	it's from 10 to 1 PM, at Don Bosco Community
13	Center at 19321 West Chicago at the corner of
14	Chicago and Westwood. So if any of the Board
15	members are free, you're welcome to join us this
16	Saturday, thank you.
17	COMMISSIONER TAYLOR: Thank you. All
18	right, Ms. Bernice.
19	MS. SMITH: Good afternoon, Bernice
20	Smith, Human Rights, and to the Chief and to the
21	Commissioners. I won't forget this time.
22	First of all, about the airport, I
23	think that's a good idea and Reggie, are you
24	going to be one of the pilots on that? You all

know, Reggie is a former pilot with the police

1	department.
2	You know, the Chief was on the air on
3	our station this morning and he did a
4	presentation in regards to what has transpired
5	all this weekend this week rather, and he got
6	good reviews and responses to it.
7	Most of you know that I do commentary
8	on there and I did call in and ask in regards to
9	the news crime report that we do not get any more
10	for the public at 10 o'clock like Mr. Henderson
11	used to do, and most of us at least I miss it.
12	This way the people and the public can know what
13	the police department is doing.
14	You did a fine job this past week by
15	doing the raids and most of the people did not
16	know about it other than those that did listen to
17	it on the TV and on the radio, but the fact is
18	the police department is doing a wonderful job
19	and it should be broadcast more often than what
20	it is.
21	People need to come down here and air
22	their complaints instead of one lady called in
23	and said her son was killed and so forth and she

25

called the police department and they haven't

carried through, you know the same routine.

But in the meantime if they would know
that we have an outlet by coming down here and
airing some of the problems, we wouldn't have it
all on the precinct. This is something that is
constantly they talk about going to the precinct
and they don't get any response, so I think they
need help by coming down here and letting you
guys know that there is a problem within their
family.

Also most of you know I subscribe to the Chicago paper and I like to keep up with what they're doing since I'm a former Chicagoan and I'm telling you, they're catching hell over there.

We have a lot to be proud of over here.

I had a paper that I gave to Wilson, Chief

Wilson, last week and I don't know whether he
gave it to the Chief or not.

The Chief -- their Chief over there's picture was on the front page spreading out how he needs cooperation out of the City and blah, blah, blah and I just want to let you guys know that with our interest in knowing what you're doing here, the majority of people here in the city, it's something that we could be proud of

2.1

Page 40

because the people over there in Chicago, they
are catching h The gangs over there are just
fighting each other right and left on the south
side and on the west side and over in downtown,
but the fact is we're doing a wonderful job over
here and the police is having methods of going in
the neighborhoods.

I like the new method that he presented to us last week at the City Council and I do see more police out there, and especially in the neighborhoods is where we need it and I'm just glad and proud of the fact that I can come here each week and give you good kudos on what the police is doing, and I want you to keep it up because I think the morale has increased.

And I know for a fact that with me asking some of the police when I see them, "How you feel about your chief?" they said he's doing a fine job.

So I want him to keep up the good work. Don't let his head get too big now, but the fact is when he come on our radio program he don't have to ask for Ohio players all the time just because he's from Ohio, but that's just one of my little perks that I just wanted to say.

1	But anyway I just congratulate what
2	you're doing and I want the Commission to keep up
3	doing what they're doing and what Ron said, watch
4	your back because people out here, they're after
5	everybody that's in politics, so be careful.
6	I thank you so much for your time.
7	COMMISSIONER TAYLOR: Thank you. Are
8	there any other comments?
9	COMMISSIONER CRAWFORD: Through the
10	Chair to the Chief, is there anything the
11	department is going to do in terms you I know
12	the late Angelo Henderson was reading that crime
13	summary at 10 o'clock in the morning every day.
14	Is there any other show or something
15	along with the crime summary and I'm so glad the
16	department is putting out a significant event
17	information every 24 hours too because that
18	balances.
19	But is there anything that we know of
20	or maybe in the future that will do that because
21	the elders in the community are not accessing the
22	Internet, some of them just listen to talk radio.
23	ASST. CHIEF WHITE: I know the Chief is
24	committed to making all the information, crime
25	stats and other information, available as he

1	possibly can.
2	We're using a lot of the technology,
3	the Twitter feeds and things like that, but as
4	you indicated the senior community is not as
5	familiar with that information as some are.
6	So I'm not aware of what he's going to
7	do in terms of a radio presentation weekly. I
8	know he had that relationship with Angelo and I
9	don't know, ma'am, I didn't listen today, so did
10	he release some of the crime stats today?
11	MS. SMITH: No.
12	ASST. CHIEF WHITE: I can follow up.
13	MS. SMITH: He gave us an explanation,
14	you know.
15	ASST. CHIEF WHITE: I don't know if he
16	has a standing radio show with another I'm
17	sure he probably wouldn't have the time to be on
18	the radio every morning, but the late Angelo
19	Henderson, every morning he had that information.
20	You know, we release information to The
21	Detroit News and Free Press, obviously the
22	Internet, but it's something worth discussing.
23	COMMISSIONER CRAWFORD: Thank you, sir.
24	COMMISSIONER TAYLOR: Are there any
25	other comments? Are there any other comments

1	If not, I believe we can move into
2	closed session, Mr. Secretary.
3	SECRETARY ANTHONY: Madam Chair, these
4	are the proposed procedures for convening a
5	closed session under the Open Meetings Act.
6	As a public body your meetings are
7	subject to the Open Meetings Act, the OMA. The
8	OMA defines a meeting as the convening of a
9	public body at which a quorum is present for the
10	purpose of deliberating towards or rendering a
11	decision on a public policy. MCL 15.262(b).
12	The OMA, however, does allow a public
13	body to call a closed session, one limited to the
14	public body and its invitees for specific
15	purposes. Only deliberations may be conducted in
16	closed session. All decisions must be made at a
17	meeting open to the public.
18	While in the closed session the Board
19	makes no decisions, that must be done on the
20	record. At the Board meeting scheduled for
21	Thursday, March 27, 2014 unless there is an
22	objection the Board is scheduled to go into a
23	closed session to discuss two rejected
24	applications, the first for David Crechiolo and
25	the second for Andrew Schwedler.

1	The closed session will be called
2	pursuant to MCL 15.268(h) of the Open Meetings
3	Act which states in part a public body may meet
4	in a closed session to consider material exempt
5	from discussion or disclosure by state or federal
6	statute.
7	At this juncture, Madam Chair, a motion
8	is in order to go into closed session.
9	COMMISSIONER TAYLOR: All right, I'll
10	entertain a motion to go into closed session?
11	COMMISSIONER WHITE: Madam Chair, move
12	that we recess for closed session for the
13	aforementioned matters.
14	COMMISSIONER MOORE: Second.
15	COMMISSIONER TAYLOR: It's been moved
16	and seconded. We will go into closed session at
17	this time. We will come back and put this
18	information on the record, so we'll come back
19	with our decision and put it on the record.
20	SECRETARY ANTHONY: Is there a vote on
21	it, we should vote on it to make sure.
22	COMMISSIONER TAYLOR: Yes, I'm sorry,
23	rushing again. It's been moved and seconded. Is
24	there any discussion? All in favor?
25	COMMISSIONERS: Aye.

1	COMMISSIONER TAYLOR: All opposed? We
2	will now move into closed session.
3	(A recess was taken and a closed
4	session was held off the record.)
5	SECRETARY ANTHONY: Madam Chair, a
6	motion is in order for the Board to come back
7	into its public meeting from closed session.
8	COMMISSIONER WHITE: So moved.
9	COMMISSIONER BYRD: Second.
10	COMMISSIONER TAYLOR: Moved and
11	seconded. All those in favor?
12	COMMISSIONERS: Aye.
13	COMMISSIONER TAYLOR: Back in session.
14	SECRETARY ANTHONY: Madam Chair, you
15	have the Board has met in closed session on
16	the rejected applications for Andrew Schwedler
17	and David Crechiolo.
18	Attorney Sabree I believe has a
19	recommendation for both.
20	ATTORNEY SABREE: Good afternoon,
21	Aliyah Sabree for the record. Through the Chair,
22	we have heard arguments from all parties in
23	regards to Andrew Schwedler in closed session
24	and it is my recommendation at this time to deny
25	his appeal.

1	There is nothing in the record to
2	indicate that the decision to disqualify
3	Mr. Schwedler from the selection process was
4	abuse of discretion on behalf of the department.
5	Rather, the decision reached by the
6	department was based on the candidate's failure
7	to meet department standards. Thank you.
8	COMMISSIONER TAYLOR: A motion is in
9	order to accept the attorney's recommendation.
10	COMMISSIONER BELL: Madam Chair, I move
11	that we accept the recommendation of the attorney
12	as stated.
13	COMMISSIONER TAYLOR: It's been moved,
14	is there a second?
15	COMMISSIONER CARTER: Second.
16	COMMISSIONER TAYLOR: It's been moved
17	and seconded. Any discussion? All in favor?
18	COMMISSIONERS: Aye.
19	COMMISSIONER TAYLOR: All opposed?
20	Motion carries.
21	ATTORNEY SABREE: Next we have
22	Mr. Crechiolo who we heard from in closed
23	session. I will also recommend to deny
24	Mr. Crechiolo's appeal based on the department
25	standards currently at the time.

1	In light of the facts presented and the
2	facts that we heard from Mr. Crechiolo and his
3	merits there's been no showing that the
4	department abused its discretion based off of
5	standards and for those reasons I also recommend
6	a denial for his appeal.
7	COMMISSIONER TAYLOR: A motion is in
8	order to accept the attorney's recommendation.
9	COMMISSIONER WHITE: Madam Chair, to
10	the contrary, and I certainly appreciate Attorney
11	Sabree's recommendation to this body, but at this
12	time I will put forth a motion to allow this
13	candidate to re-enter the application process.
14	COMMISSIONER BELL: I second.
15	COMMISSIONER TAYLOR: It's been moved
16	and seconded that Mr. Crechiolo move forward in
17	the process of his candidacy. All in favor?
18	COMMISSIONERS: Aye.
19	COMMISSIONER TAYLOR: All opposed?
20	Motion carries.
21	ATTORNEY SABREE: Thank you.
22	COMMISSIONER TAYLOR: Thank you. Okay,
23	is there any further business? If there is no
24	further business
25	SECRETARY ANTHONY: Madam Chair, just

SECRETARY ANTHONY: Madam Chair, just

2	announcement for the next meeting.
3	I believe the record should reflect
4	that it will be next week Thursday, April 3,

6	COMMISSIONER TAYLOR: Thank you. If
7	there's no further business, I'll entertain a
8	motion to adjourn.
9	COMMISSIONER WHITE: So moved.
10	COMMISSIONER BELL: Second.
11	COMMISSIONER TAYLOR: It's been moved
12	and seconded. All in favor?
13	COMMISSIONERS: Aye.
14	COMMISSIONER TAYLOR: Meeting
