ASSISTANT CHIEF DOLUNT: This week, yes.
CHAIRPERSON BELL: Would you properly introduce yourself in terms of the proper name? I would appreciate it.

CHAIRPERSON BELL: Thank you. And,
Mr. Anthony, would you introduce the rest of the Board of Commission staff? Thank you.

SECRETARY ANTHONY: Thank you, Mr. Chair. We have present Ms. Aliyah Sabree who is seated in the front. She is our attorney to the Board. And if you would stand so you can be recognized? Sergeant Alan Quinn is recording our proceedings against the wall. And Miss Wendy Boer from Hanson Court Reporting Services is taking a transcript. That completes the introductions.

CHAIRPERSON BELL: Thank you. I just once again welcome you to the Helping Operation for People Empowerment. So, let's give a moment of applause to recognize that we are in this facility here for this Helping Operation for People Empowerment. And we're going to ask Reverend Johnson to bring forth the hospitality and a prayer.

REVEREND JOHNSON: To our Chair, Commissioner Bell and to all of the Commission, to all of -- to

Assistant Chief and to all of the officers present, to Precinct 10 and to all of the community, let me welcome you to the 6125 campus of the Tabernacle Missionary Baptist Church, which houses our Helping Operations for People Empowerment as well as our outreach. And then I want to introduce my assistant, Reverend Johnnie Green. The Reverend Sam Spruill is leading our Hope CDC. And the Reverend Terry Robinson leads our discipleship as well as through his life in the city.

Let me thank you for coming and being a part of the community here. So, whenever you are looking for a place to meet, you just let us know. And we will do our best to accommodate you.

And so, again we thank you, and we thank the officers of the Tenth Precinct for their watchful eye over us in the community. And I want you to know how much we appreciate it as a church family.

Let us pray. Father, we are so grateful for the privilege tonight to come together for this special work of the Detroit Police Commission. We thank you for these persons who give of their time, their talent and their wisdom in the matter of the police work of this
city. We thank you for the officers who serve. We thank you for the chief, the assistant chief who is present here tonight. We thank you for the community leaders. We thank you for all who are present here tonight. Now we pray, oh God, that your presence would permeate this place, allowing and governing what would happen here so that all that will be said and done would be pleasing to you and for the benefit of this city of our's. We ask this now in the name of the prince of peace, in the name of our Lord and Savior, Jesus Christ. Amen.

CHAIRPERSON BELL: Reverend Johnson, I'm glad you clarified that. When I saw the name and now I know the historic Tabernacle Baptist Church. We are in the house of the outreach program here in this community. So, bless you and thank you for blessing us because this church has a tremendous history of involvement in the community; and not only that but in the Christian community. So, it's been a beacon. So, I am just really pleased.

REVEREND JOHNSON: Today is my 34 th wedding anniversary. And I need to dismiss myself so I can have four more years of marriage. So, if you would let me -CHAIRPERSON BELL: Sir, that is in order. Thank you for coming out this evening. Okay. My vice
chair to my right, Commissioner Carter, is going to read the duties and responsibilities of the Board of Police Commission. And this is her district also -- thank you -- along with a couple other we're going to identify shortly.

COMMISSIONER CARTER: Good evening everybody. The Board of Police Commissioners was created by City Charter July 1st of 1974. The Board of Police Commissioners is composed of eleven members, seven elected, of whom shall be seven elected from districts at large and four members appointed by the mayor, subject to the approval of City Council.

Appointed commissioners serve five-year terms and may serve no more than five years consecutively, meets once a week and may recess during the Thanksgiving, Christmas and New Years holidays. All meetings are open to the public.

Responsibility. The Detroit Board of Police Commissioners has supervisory control and oversight of the Detroit Police Department as set in the 2012 City Charter adopted by vote of the people on November 8, 2011. Our duties include to establish policies, rules and regulations in consultation with the chief and approval of the mayor.

We review and approve the department budget,
review and approve department promotions, receive and resolve complaints concerning the operation of the police department. We also act as the final authority in approving or reviewing discipline of employees of the department. We also prepare an annual report to the mayor, the City Council and the public of the department's activities during the previous year.

The Board appoints a Board secretary who attends all Board meetings, chief investigator and additional investigators, other staff as necessary to provide support to the Board. The Board of Police Commission considers itself a liaison between the citizens of the City of Detroit and the Detroit Police Department. And we are happy to be of service to this community and all communities in the City of Detroit. Thank you.

CHAIRPERSON BELL: Thank you, Commissioner Carter. Commissioners, you have before you an agenda. So, the Chair would entertain a motion for approval of the agenda.

COMMISSIONER MOORE: SO moved. COMMISSIONER TAYLOR: Support. CHAIRPERSON BELL: It's been properly moved and second. Ready for the question? Those in favor? COMMISSIONERS: Aye.

SECRETARY ANTHONY: Mr. Chair, before there was an amendment for the EAA.

CHAIRPERSON BELL: That is correct. Thank you for -- that's why you're here, right? Could you speak to that amendment, please? I don't have that here.

SECRETARY ANTHONY: Just that there is an amendment being offered to the agenda to put under I think new business, the presentation by the EAA Chancellor, Miss Conforme.

CHAIRPERSON BELL: Thank you, sir. So, we have an amendment, so what is your pleasure? Ready for the question? Those in favor?

COMMISSIONERS: Aye.
CHAIRPERSON BELL: Those opposed? Motion carries. Thank you. Commissioners, you have before you previously, the Chair will entertain the minutes from Thursday, July the 2nd, 2014.

COMMISSIONER TAYLOR: So moved.
COMMISSIONER MOORE: Second.
CHAIRPERSON BELL: Properly moved and second.
Those in favor? Ready for the question?
COMMISSIONERS: Aye.
CHAIRPERSON BELL: Those opposed? Motion carried. Thank you. At this time, I would like to make sure that you can clearly identify with the
commissioners and give them an opportunity to speak
briefly in reference to their role with this Board. So, I will initiate that to my left, starting with Commissioner Shelby.

COMMISSIONER SHELBY: My name is Richard Shelby. I grew up here in the Tenth Precinct. So, the Tenth Precinct is home for me. I was also commander of the Tenth Precinct. So, I'm glad to be on this Board and be able to assist the Detroit Police Department and make our department better. Currently on the Board, I am on the budget committee and I am also on the disciplinary committee. And that's Commissioner Richard Shelby. I am from District 1.

COMMISSIONER CRAWFORD: My name is Reginald Crawford. I am the commissioner for District 3. District 3 is of course not this district. It's over on the east side of Detroit. So, I'm glad to be here and meet everyone in the Tenth Precinct, in this particular district. Thank you.

COMMISSIONER TAYLOR: My name is Jessica
Taylor. I am the immediate past chair. And this -- and I am from the 6th District. And I was appointed commissioner for this district.

CHAIRPERSON BELL: And to my right?
COMMISSIONER CARTER: Lisa Carter. This is
part of my district, Tenth Precinct. I have been a life long Detroit resident, in the district for approximately ten years. Prior to joining the Board -- I retired -- I spent 27 years with the Wayne County Sheriff's Office. I retired in the rank of lieutenant. I have a Bachelor's degree in criminal justice, and $I$ currently work at Wayne State where I am involved in the community every day, with the -- that's where you know me from. I am involved with the community every day, 24/7 basically. So, I'm glad to be a part of this community. And thank you for having us.

COMMISSIONER MOORE: Good evening to each and every one of you. My name is Ricard Moore, police commissioner for District Number 7. My district runs from Dexter Avenue to Rouge Park, from I-96 to Dearborn, Dearborn Heights corridor on the south, Livernois and Fenkell to Livernois and Grand River. It's a very huge district. I see so many familiar faces here. And I'm glad you're here and you can partake in this meeting. Thank you.

COMMISSIONER WHITE: Good afternoon. Commissioner Donnell White, appointed by Mayor Dave Bing in 2010. In addition to serving on the commission, I also serve as executive director of the NAACP.

CHAIRPERSON BELL: Thank you, Commissioner

White. I am the Chair, the newly elected Chair of this Board. This is my second week on the job. And I really don't have a formal report. But $I$ just wanted to say that we are in transition. But that transition will be handled well. And we are going to follow a strategy. We hope to -- can you hear me? Okay. I will speak over everybody's voice. Thank you.

And my background is primarily in law enforcement also. I spent 32 years with the Detroit Police Department. And it was just a great honor and privilege to serve this community. In fact, my last full-time years was working as administration lieutenant, as an OCI officer, you know, Chief Investigator.

So, it was a pleasure to come back and do full circle. And basically I'm from the east side of Detroit. We have any eastsiders here? I won't hate. There's two, three. But that's District 4. That's on the -- you go from the City Airport toward the river, all the way to Moross by St. John Hospital and Mack Avenue. That's District 4. And I just wanted to say that this is a tremendous turn out. The challenge -it's been six months in terms of being an elected commissioner. I just want to pause to acknowledge our great Chair for the last six months of the last year,

Commissioner Taylor. Let's give her a round of applause.

Vice Chair, I want to commend him in reference to his role with the NAACP because I served on the Board of the NAACP at one time. And I know civil rights is crucial to our community to be engaged. And this is Commissioner White. So, thank you for your service. And I just want the youngest to take that job you know. So, he's doing an outstanding job.

We can move now to follow the agenda. And that would be the report and presentation by the Tenth Precinct. I give it forward to Assistant Chief Dolunt.

ASSISTANT CHIEF DOLUNT: Captain Nick Kyriacou is the captain of Number 10, replaced Rodney Cox who did a really good job.

CHAIRPERSON BELL: You can do better than that. I just really commend the captain and his team of officers at the Tenth Precinct.

CAPTAIN KYRIACOU: Thank you. Good evening to the Board, Chief Dolunt, citizens. Can you hear me? Am I close enough to the mic? All right. It's working good now. I won't fire Sergeant Quinn yet. Normally these presentations start out with what is a cookie cutter presentation. That's been kind of similar for quite a few years, more years than I'd like to admit
here. But it tends to start out with some demographic information about the precinct. As we all know, Number 12 is located at 12000 Livernois. And I've got the boundaries.

ASSISTANT CHIEF DOLUNT: You're at 10 now. Get with the program.

CAPTAIN KYRIACOU: This is the fifth assignment in three years. I'm sorry about that. The Tenth Precinct is located at 12000 Livernois. And I'm not going to go over the boundaries of it. But one notable thing regarding the boundaries of Number 10, as most people should know that we picked up a little bit at the north end. The scout car areas recently changed. We have an extra scout car there by virtue that scout 10-1 at the very north end, north of the railroad tracks there bordering off of Fenkell and additionally some of my people that are from Boston-Edison might want to cheer on this. But the borders in the center of the precinct were amended to go east of the Lodge in order to encompass that historic neighborhood. I'm sure they are very happy about that.
A lot of other statistical information is
normally carried here in the report. We have about
52,000 citizens in Number 10 according to the last
census and numerous teaching facilities, one high census and numerous teaching facilities, one high
school, a couple middle schools and some elementary schools. Number 10 is engaging in strong block club and community watch partnerships.

We have in excess of ten meetings a month that occur at our mini station at 8675 Rosa Parks. And anybody that has an existing block club or is reprising a block club and wants a place to meet, more than welcome to check with us and we can check the schedule and set anybody up for recurring meetings at the location at 8675 Rosa Parks or at the precinct itself. The basement of the precinct has been adapted to be that multi-purpose room to be accessible and usable by neighborhood groups. So, we are open at either location to help out our various block clubs and community organizations to have a place to meet.

We have a number of the oldest and most long established block clubs in the city within the Tenth Precinct, to include but not limited to Boston-Edison, Oakman Boulevard Community Association, Russell Woods and Virginia Park just to name a few and Montgomery Street.

All right. The Tenth Precinct has three neighborhood police officers. Officer Chuney, raise your hand? Officer Roberto Perry, Officer Brown, raise your arm. I have been remiss. The first thing I should have done when $I$ got up to the mic besides mentioning the correct precinct is identifying my key right-hand partner in running the Tenth Precinct. And that is Lieutenant John Stepp. Please stand up. John is the precinct detective and my partner in running the Tenth Precinct.

In addition, sitting next to him trying to look bashful is Tony O'Rourke. And also probably trying to be bashful in the back somewhere is Sergeant James Coles, my admin/neighborhood police. Where are you, sir?

I had a conversation with my boss. And rather than read through a rote explanation of this presentation that we normally do here, with the indulgence of the Board and the assistant chief, what I would like to do is use this opportunity in a public venue to recognize some outstanding police work and outstanding dedication that has been done by various members of the personnel at the Tenth Precinct.

So, the first person from Number 10 that I'd like to step up here would be Officer Kenneth Johnson. As he's walking up here, $K J$ was suggested to be recognized for his generalized and overall -- his lieutenant couldn't be here because we are short, and he had to man the desk. But his lieutenant wanted to make
sure that Officer Johnson was recognized for his general excellence in leadership as a $P O$ at the Tenth Precinct. And in explaining why he felt that he was bearing this recognition in public, he wanted us to know that in his career -- and those of us in law enforcement know how remarkable what I'm about to read off is. In his career, he's received a medal of valor, six lifesaving medals, a departmental citation and the departmental citation, medal of valor, that's a very big deal. And he's also earned several other lessor but mentionable awards like the Rosa Parks Funeral, Super Bowl award and the All Star Game.

But another very notable accomplishment is that in addition to those six lifesaving medals, there's another life saving citation in the process, in the works right now because just last month, a little over a month ago, he was able to talk a distraught juvenile out of committing suicide. He's been identified as an excellent leader and someone who is looked up to by new and seasoned officers at the Tenth Precinct. For that, we are awarding this commendation certificate. Thank you very much.

The next person I'd like to have step up here is Officer Charles Ruffin (phonetic). Officer Ruffin, I've got a long bio here that his lieutenant did in
order to explain his excellence and dedication to the community. And I'm going to read off a couple highlights here. These are just highlights. Within the past three months, Officer Ruffin has made 49 felony arrests, which included narcotics arrests, robbery arrests, murders and gun arrests.

And in 2010 and 2013, Officer Ruffin was awarded the officer of the year award for all the hard work that he did as a Detroit police officer. Normally, you don't tend to have the opportunity to get that necessarily once in your career. But he's gotten it twice. So, in addition to his lieutenant's recommendation, when we were figuring out who we were going to award here at the precinct, we noticed that what had just come through the pipeline is two separate meritorious awards for Officer Ruffin and Officer Steen (phonetic) that couldn't be here because of another -being on vacation and another engagement.

It's not -- besides the first one that he and Officer Steen are getting awarded for is a circumstance that involves the arrest of a guy for armed robbery and home invasion. Basically some investigative information had been gathered that a gentleman was wanted for some RA in the 10 scout car area at the northern end of the precinct. Tenth Precinct crime analysis identified the

Page 20 area and information was gathered on a possible suspect that could be responsible for the armed robbery.

Based on that information and some astute followup by Officer Ruffin and Steen and some assistance from Lieutenant Spec, they immediately responded to the area of 10-1 and saw -- I can't mention the gentleman's name but saw him in the area. They were able to place him into custody without incident and get him off the street for that string of armed robberies. This is the first one.

And the second one is a circumstance where a lieutenant from the surveillance unit was in the area of Lawton and Fullerton, at which time he observed a gentleman that he believed to be armed with a handgun. They got on the air because of his surveillance and asked for Officers Ruffin and Steen to come to the area to help him out. And based on the information from Lieutenant Tucker -- he wasn't able to be here today -they were able to get up on this guy, get him in custody, get the gun that he was carrying illegally and place him under arrest and get him off the street. This is the second certificate.

When his partner gets back in town, we will award him at the next community relations meeting to make sure that he doesn't get left out. So, let's line
for a photo op.
All right. Next to be awarded are Officer Sibrean Freeman and Fred McIntyre. Step on up, gentlemen. All right. On December 6 at approximately 1:10 p.m., Officer Freeman and Officer McIntyre were working in full uniform, responded to 11529 Linwood on a person with a weapon run. They arrived on the scene, spoke to witnesses and gained information that a gentleman had assaulted a congregation member while armed with a handgun.

Information was gotten from witnesses, and the officers immediately -- after immediately responding to the area, they made an immediate canvass of the scene. They observed the subject who had been described by the citizen actually matches the description. They detained him and recovered a handgun from his jacket pocket. Officer Freeman and McIntyre, immediately recognizing the potential severity of this police run, responded quickly and once on the scene utilized the training and experience to obtain accurate an description, canvassing and locking up a gentleman. Their dedication to duty and professionalism and determination to serve the citizens of Detroit served to further demonstrate the quality of these two officers. Thank you very much.

A couple more. I'm trying to speed up. I
think it's actually worth our time. I think that I'm not going to speed up. The next person I want to step up here is Sergeant Tony O'Rourke. I mentioned him earlier. Sergeant O'Rourke has been on the police department since 1998. This November, he happened to have occasion to be promoted to the rank of sergeant.

And when you make that transition, you know, the former law enforcement members know that's a big transition to make. Well, not only did he make that transition, but he was willing to step into a position as a special ops sergeant, which is a much more demanding position than the normal sergeant's position. And he's excelled at that, and I am grateful for his presence at the Tenth Precinct. So, thank you, Sergeant.

Next up is Sergeant James Coles and the three community -- I'm sorry, neighborhood police officers. And the three neighborhood police officers, Officer Della Brown, Roberto Berry and Melvin Chuney, come on up. I mentioned Sergeant Coles earlier. He is my neighborhood policing sergeant, my admin sergeant and my whatever I need at the emergency of the moment person. He is a wonderful man. For his dedication to duty in that difficult position, he is being awarded a commendation certificate.

Page 23

Additionally, I want to make sure that those of you who may not have had an opportunity to know who your neighborhood police officer is, we have got Officer Della Brown at the north end. In the middle, Officer Melvin Chuney. On the south end is Officer Roberto Berry. (Inaudible).

AUDIENCE MEMBER: Give them a raise.
SERGEANT KYRIACOU: Next to come up is Officer Jessica Johns. Where is she at? All right. Like I was mentioning for a few of the other officers, this was her shift lieutenant recognized her overall excellence and her service to the Detroit Police Department and was appointed to the DPD on February 26, 2001. She's been at various commands, including her first assignment at the Eleventh Precinct patrol operations, after that at the Northeast District and at the Tenth Precinct in 2009 .

In all of her assignments, she's always been assigned to patrol duties. During these 13 years, she's worked as the shift clerk, as a member of Operation Night Owl and various other particular assignments. The one thing that the lieutenant wanted to make note of that's very important is her expertise in the field of OUIL enforcement, drunk driving enforcement. She's made several hundred drunk driving arrests in her career. We
couldn't even actually count them. She has an amazing 100 percent conviction rate. She has received the Chief's Merit Medal and four citations and also has earned the Rosa Parks ribbon and various other departmental ribbons. And Officer Johns was nominated for 2011 to 2012 and 2012 to 2013 Mothers Against Drunk Driving Lifesaving Award. Thank you very much. And if you're driving, if you're driving in the Tenth Precinct and you're a little tipsy and you look in the rearview and see her behind you, you're in a heap of trouble. So, thank you very much.

With that, I'd like to thank the Board for your indulgence and the AC for your indulgence in this matter. And that concludes my report. Can we have a round of applause for all these people?

CHAIRPERSON BELL: I want to thank you for taking the initiative to acknowledge these officers. I think it's crucial to their police work and their police career. And Assistant Chief, I think this is quite positive. As most of you know, you see the Chief of Police and these other ranking officers on TV. But this is the basic why they are on $T V$ is because of the work of these officers. To recognize that is really a plus plus. So, I just want to say thank you once again. Okay. Thank you, sir. Appreciate it.

Getting back to the agenda, any committee reports by the commissioners? If not, I would like to further introduce the staff by asking the chief investigator to just speak to you briefly in reference to her important role with the Board of Police Commissioners if she don't mind. Thank you.

INVESTIGATOR DAVIS-DRAKE: Good evening, everyone. The Office of the Chief Investigator has the privilege of serving the community by receiving and accepting and investigating allegations of police misconduct that are posed by citizens. We have up to 90 days to complete those investigations. And we provide that information to the Board of Police Commissioners and the Chief of Police. When we have completed the investigation, we let them know and you all know as the public exactly what the outcome of those investigations are. Will that suffice, sir?

CHAIRPERSON BELL: Thank you. That's great, just to make sure that we understand and identify the process. So, thank you. And also a young lady that we recently hired with the Board of Police Commissioners, Aliyah Sabree, our other legal person with the staff. ATTORNEY SABREE: Good evening. My job is pretty simple. I'm the attorney to the Board. Any legal issues that the Board may have, I address those
issues as well as I deal with several appeal hearings. I have made recommendations to the Board on disqualified applicant hearings as well as suspensions without pay and trial board hearings. That's pretty much the summary. I'm the advisor legally to the Board. Thank you.

CHAIRPERSON BELL: Robert Brown, he handles all our administration and also the technology and also the miscellaneous stuff. And that's Mr. Robert Brown, one of those behind the scenes guys but very important. Last but not least is our Board secretary, Mr. George Anthony.

SECRETARY ANTHONY: To the Board and to everyone present, my name is George Anthony. And I operate as chief of staff for the police commission. And I try to do all of the little things to keep the police commission running from day to day. Thank you very much.

CHAIRPERSON BELL: Before we go on, I'd like to identify individuals by raising your hand. If this is your first Board of Police Commission meeting, would you just raise your hand? Keep in mind we have a sign-in sheet. If you'd be so kind, you can sign in; and we can track you in terms of e-mail, Facebook, whatever. So, we're just trying to build that rapport.

Page 27

And any other Tenth Precinct personnel that is engaged with the police community relations to the Tenth Precinct, would you identify yourself, please, just by standing up and recognizing you? Where are you? Okay. Thank you. Where is the president of the Tenth Precinct?

MR. STOKES: To the Chief, AC, Commissioners, we want to thank you all for allowing us to host this meeting. It's an honor, it's a privilege. And we are just glad to be a part of this.

CHAIRPERSON BELL: I'd like to recognize Commissioner Jewel Ware of Wayne County Commission. Is she still in the house? She was here. Any other elected officials or people who might be involved, just wave or identify yourself by name in the house, which is please just give your name, please.

MS. JOHNSON: Good afternoon, evening. My name is Cynthia A. Johnson for state representative.

CHAIRPERSON BELL: As we move right along, we are going to deal with new business. I guess we are not prepared for -- do we move right into the Resolutions?

SECRETARY ANTHONY: Yes, sir.
CHAIRPERSON BELL: Is Pastor Lewis in the house? Come forward, sir. Commissioner Carter is going to do the honors. She is going to join you in one
second.
COMMISSIONER CARTER: Okay. This is the Resolution Honoring Pastor Artee Lewis.

Whereas Pastor Artee Lewis is a dedicated and committed supporter of the city of Detroit's Tenth Precinct. Pastor Lewis serves as the Pastor of the Detroit Temple-Detroit Salvation Army in Detroit; and

And I thank the Board also. And I want to thank my wife because today is her birthday. And she didn't want any other, but she is here with me tonight. I appreciate that. So, thank you very much to my wife.

CHAIRPERSON BELL: Okay. That is a blessing. And we have another Resolution to Mr. John Spraggins. Is he in the house? Okay. Commissioner White is going to do the honors. Thank you.

COMMISSIONER WHITE: A hundred years. Isn't that a blessing? This Resolution says a lot, but you can kind of put a period after 100 years and all that you have seen and done. But it is certainly an honor on behalf of the Board of Police Commissioners to offer this Resolution Honoring Mr. John Wesley Spraggins on His 100th Birthday.

After this, Mr. Spraggins opened a confectionary business and purchased rental properties in the City of Detroit. On October 14, 1970, he re-opened Spraggins Barber Shop at 3440 Fenkell and remains a positive imagine in the community; and Whereas Mr. Spraggins has worked tirelessly to help safeguard his community and improve the overall quality of life for anyone who lives, works and plays
within the community. He is a member of the Benjamin $O$. Davis, Sr., American Legion, Post 132, the ACLU of Michigan, and a life member of the NAACP; and

Whereas Mr. Spraggins is a man of great faith who was a member of the New Bethel Baptist Church for 42 years before joining Tabernacle Missionary Baptist Church. Above all, he is truly a great man among men. He is honored for being a wonderful husband, father, grandfather and great-grandfather. He was a mentor to other barbers and was featured in an article in the Detroit Free Press on June 20, 1982, as "The Barber of Fenkell."

Now therefore be it resolved that the Detroit Board of Police Commissioners speaking on behalf of the citizens of the City of Detroit and the Detroit Police Department acknowledge Mr. John Wesley Spraggins on his l00th birthday for his unwavering commitment to building a strong community. We wish you a happy birthday, Mr. Spraggins and thank you for your gift of service.

CHAIRPERSON BELL: What a blessing to have that type of longevity and that type of service. Home state of Alabama, goes to show you black eyed peas and corn bread is not all bad. Some of you know what I'm talking about.

We have one more Resolution, and this is for a
young retiring Sergeant Daran Carey. Is he in the house? He should be in the house. And Commissioner Ricardo Moore will do the honors.

COMMISSIONER MOORE: Yes, sir. Resolution Honoring Sergeant Daran L. Carey.

Whereas, Mr. Daran Carey was appointed to the Detroit Police Department on October 20, 1986, and upon graduating from the Detroit Metropolitan Police Academy he was assigned to the Tenth Precinct; and

Whereas Police Officer Carey displayed tremendous diligence and aptitude in his assignments, he was promoted to the rank of Sergeant on January 22, 1999. His first assignment as Sergeant was reassignment to the Tenth Precinct followed by assignments in the Training Bureau, Secondary Employment, Chief's Community Liaison Office, and Police Community Service where he remained until his retirement; and

Whereas Sergeant Carey was the deserving recipient of one Chief's Unit Award, one Lifesaving Citation, one Community Service Award, thirteen Perfect Attendance Awards, the Major League Baseball All-Star Recognition Award. He say he never missed a day in his entire career. The Major League Baseball All-Star Recognition Award, the Rosa Parks Funeral Recognition Award and the Super Bowl XL Recognition Award, as well as numerous letters of commendation from citizens and superiors; and

Whereas Sergeant Carey served the Department with integrity for 27 years and daily demonstrated his loyalty and dedication to the citizens of Detroit. His many awards, citations and letters of commendation attest to the fact of his standing as the consummate professional.

Now, therefore be it resolved that the Detroit Board of Police Commissioners, speaking on behalf of the Detroit Police Department and the citizens of the City of Detroit, recognize the lifelong commitment to public safety of Sergeant Daran Carey. His pride and dedication have been invaluable assets to the Department and merit our highest regard.

We thank and congratulate you, Sergeant Daran
L. Carey. Detroit Board of Police Commissioners.

CHAIRPERSON BELL: Sergeant Carey, before departing, words for the young officers? That would be a blessing. Right here. Here you go, sir. This is your opportunity.

SERGEANT CAREY: As many of you know me, I'm not much of a talker. But I started my career here in Number 10, and I got promoted, came back to Number 10. I always will be a part of Number 10. And Number 10 is
my home. That's all that I can say. I love Number 10. When they asked me where did I want to receive this award and coffee and cake, I said I'll look at the schedule and saw it was being held in the community tonight. I said, I want to do it here in the community because if it wasn't for all of you like Ms. Dickerson, Miss Cheeksom (phonetic) it wouldn't be no me. But you know, I appreciate the support you gave me. And I'm going to continue supporting you. Thank you.

CHAIRPERSON BELL: Outstanding, all three individuals. What a blessing to this community and this department. Commissioners, Chair would entertain a motion to receive all three honorees in terms of these Resolutions at this time.

COMMISSIONER TAYLOR: So moved.
COMMISSIONER MOORE: Second.
CHAIRPERSON BELL: Properly moved and second.
Ready for the question? Those in favor?
COMMISSIONERS: Aye.
CHAIRPERSON BELL: Those opposed? Motion
carried. Thank you. Still under new business, we modified the agenda to entertain the newly appointed chancellor of the EAA School System. And Ms. Conforme, would you please come forward and give us your complete name? I didn't do a good job on that. Thank you.

Should we say welcome to Detroit? Thank you.
MS. CONFORME: Thank you. Good evening. My name is Veronica Conforme. I want to thank you, Captain Rodney Cox, Board members and all of the staff here today. Thank you for the warm welcome. I am delighted to be here this evening and just see all of the celebration and recognition of the great work that's happening in this community.

As you know, one of our schools is in this community, Central High School. We have -- I have with me one of the staff members from Central High School. Can you stand up, please, two staff members from Central High School who are doing the very hard work of educating our students. I also have with me retired Police Officer Daryl Hastings who is taking care of our safety in our schools and Crystal Wilson who works with our public community relations. Thank you.

As you know, the Education Achievement Authority was just founded a couple years ago. It's relatively new in existence. We have fifteen schools here in the City of Detroit who were identified as struggling schools but are making good progress and doing really good work educating the community. I just wanted to come out and get to know folks and say that we are listening. We are listening to the things that are working and we are listening to the things that we have to change.

We are also very much about partnership and how we can forge stronger partnerships because we know that in our schools, we cannot do this without the strong community and the help of the police department and all of the other community organizations that support our schools. A couple of good things that I will say of our schools is we have extended day, extended year. We do wrap around services. One of our primary focuses is safety and security and changing the culture of the struggling schools that we have under the purview of the EAA. We provide three meals a day to all of our students. And we are doing more and more outreach to all of the parents in the community.

I just want to thank you again for the opportunity to be here and hope you invite me back. Thank you.

CHAIRPERSON BELL: Commissioners, do you have any questions? Do you have any schools on the east side of Detroit?

MS. CONFORME: Yes.
CHAIRPERSON BELL: You need to come to the meeting that we meet in August. So, we extend that invitation to you. We will be on the east side of

Detroit. And we need to send the message because the school system is very crucial. And I'm glad Central is still standing because it's a historic school in my opinion, you know. So, I just really bless you and as you go forth in terms of your challenge. These are challenging times. But $I$ bless all the coordinators and teachers that work with the young people. Thank you.

MS. CONFORME: Thank you very much.
CHAIRPERSON BELL: Homeland Security is next on the agenda. Assistant Chief Dolunt, is that something that falls within your --

ASSISTANT CHIEF DOLUNT: Matt, are you doing Homeland Security? Apparently not. Mary is doing Homeland Security.

SERGEANT BARITCHE: Matt had to step out. He had to deal with some phone calls.

ASSISTANT CHIEF DOLUNT: Sergeant, to the Board, Sergeant Baritche is pretty competent. Go for it.

CHAIRPERSON BELL: Thank you.
SERGEANT BARITCHE: Basically, this policy was born out of the need for our officers to be a little bit more diligent in response to the bridge. What we have found, when it came to the Ambassador Bridge, was that we had officers who were over cautious in responding to
threats and suspicious package threats at the Ambassador Bridge. So, what we saw was that officers would close down the bridge to do cursory searches as a precaution but in situations where there was no actual credible threat.

So, we felt that in order to take this up to the next level, set up the incident command system, put it on paper. The incident command system is something that we actually do every day. But we wanted to thwart the unnecessary closure of the bridge and the tunnel because it was effecting our commerce, just not for Detroit, State of Michigan, all the way down to that side of the country.

So, in a nutshell, we just wanted to put it on paper. We have already started training on this policy in the Fourth Precinct. Sergeant Taylor was here and was going to speak on that. But he had to, like I said, deal with some phone calls. So, if you have any questions, let me know.

CHAIRPERSON BELL: Commissioners, do you have any questions or concerns?

COMMISSIONER MOORE: Through the Chair, how many packages have been found on our international borders over the last year for example?

SERGEANT BARITCHE: I can give you an
estimate, but Sergeant Taylor could really tell you a harder number. I think we had probably around ten suspicious packages this year. All of them were deemed to be non-viable.

COMMISSIONER MOORE: Was traffic stopped each time or what was the process?

SERGEANT BARITCHE: Basically the process is to stop traffic on both sides of the bridge. They do canine sweeps. And in some instances they do canine sweeps both sides, Windsor side, our side. As you can imagine, it caused huge delays because we also have to stop the waterway traffic. So, in several instances we had waterway traffic backed up actually for days because it was coming down. And it's a long process.

So, again, that's kind of why we had to take it to this level to put the process on paper because there were a few instances, we had traffic backed up so far it took three, four days for the traffic to actually catch back up on the waterway. So, we just wanted to put it on clear documents on paper, this is the procedure. Let's just not arbitrarily shut down the bridge because we're being overly cautious. Let's make an educated knowledgeable decision on how credible these threats are and then move forward.

COMMISSIONER MOORE: Thank you, Sergeant.

COMMISSIONER WHITE: Mr. Chair, if I could, thank you, Sergeant. A couple points that are referenced in the Directive. It references response units. Are these new units or already specialized units that we have currently, first paragraph, notification and response?

SERGEANT BARITCHE: Notification and response, first paragraph? I'm not seeing -- maybe I have something different. But I don't see that. Can you tell me what the units are?

COMMISSIONER WHITE: 205.10-3, notification and response. Upon receipt of a threat to the Ambassador Bridge, Detroit-Windsor Tunnel, the railway tunnel or the ferry, DPD communications will dispatch response units. And I'm asking is that --

SERGEANT BARITCHE: No, I'm sorry. That's on my second page. We do not have new units established in this. We will -- the initial response unit will be officers from the Fourth Precinct. Once the officers from the Fourth Precinct arrive, if they need to take it up another notch, they will have a supervisor come. The supervisor then will make a determination, do we have to take it up another notch. And if that's the case, then we would be calling out bomb squad, fire, hazmat, EMS; so, basically kicking it up a notch based on the
circumstances. But there are no new entities created for this policy to be effective.

COMMISSIONER WHITE: Thank you, Sergeant. Last paragraph, the same section speaks of a unified command.

SERGEANT BARITCHE: Yes.
COMMISSIONER WHITE: And just a question, who has authority over the command at that point?

SERGEANT BARITCHE: Unified command is a protocol by the federal government after 911. Unified commands states that all persons with authority will be in one central location and make a unified decision. So, there's actually not one specific person. If it would be an incident command system, and the incident commander would be that one point of authority. But if we have a unified command system, then that would be a decision made by a group of persons, which for example would be the Chief would be if we had a real package or what, it would be the chief of police, the fire chief, EMS chief, any other agency, private or public, that would have a say or a point to make with that situation. So, it's not necessarily, police, fire EMS but all persons who have a stake in the game as well. So, if we had a incident where we had something at the Ren Cen let's say, the director of security from the Renaissance

## 7/10/2014

Page 43

Center would be part of that unified command system.
COMMISSIONER WHITE: I understand. Again, I think as related to my last question which was, does this correspond to Detroit Fire and EMS as well, this policy is consistent?

SERGEANT BARITCHE: Yes. As a matter of fact, our Detroit Fire Department was the first agency in the city on board with the unified command system. And they work it very well.

COMMISSIONER WHITE: Thank you, Mr. Chair.
COMMISSIONER MOORE: Just a follow up
question, Mr. Chair. So, is Ontario involved in this as well?

SERGEANT BARITCHE: Absolutely. All of our Canadian counterparts as you saw here Windsor. But it's not just Windsor PD. It's all of our Canadian counterparts all the way up to the Crown does have a say and knowledge. And they can get training in you unified command system from the United States government.

COMMISSIONER MOORE: Thank you.
CHAIRPERSON BELL: Commissioners, any other
comments, questions? Mr. Anthony, what is your recommendation in terms of this document for the Board of Police Commissioners at this time?

SECRETARY ANTHONY: As a general rule, the

Department will publish the Directive. And it will be published for 30 days. Then it will come back before the Board, and the Board votes on acceptance at that point.

CHAIRPERSON BELL: Thank you, sir. Thank you, Sergeant. Thanks. That does cover our new business. And any old business or unfinished business, Commissioners? If not, we move to announcement. Before we get into announcement, I just want to say -- give AC an opportunity to recruit, say something about the Detroit Police Department's recruiting.

ASSISTANT CHIEF DOLUNT: First of all, I want to thank -- this is probably the loudest meeting I have been to. I really like the support you have here. I mean, you know, I was talking to Shelby. And he says that it's been like this since he was here. I love the support you guys are giving. And I got to give Kyriacou kudos that was a pretty different idea with all the awards. That was good. We do need officers big time. We have people leaving left and right for higher paying jobs. If you know anyone that is looking to join the police department, we can really use you. We really need your help. Things are on the upswing. The fireworks went
well a couple weeks ago. We are getting some good publicity. But we need more officers, male and female, from the community. So, if you could help us out, we'd certainly appreciate it.

CHAIRPERSON BELL: Thank you, sir. So, you heard it right here, that we are actively recruiting. So, take heed. And if you know any young men and women out there who have an interest in terms of DPD, Detroit Police Department, they can really join us at this time. Any other retired officers in the house? Any other retired police officers in the house, Wayne County Sheriff retirees in the house? Thank you.

Announcement. Our next meeting is going to be held on Thursday, July 17th, 2014, at 3:00 p.m., Detroit Public Safety Headquarters at 1301 Third Avenue in the Michigan Room. How many have had an opportunity to visit the new headquarters of police and fire? Only several hands, only several? That means you need to come out to one of our meetings at headquarters. So, looking forward to you taking advantage of coming out to headquarters on Thursday at 3:00. And we would love to have you attend our meeting there. That would be a bonus. Plus you see how your tax dollars are being spent, right, Chief?

ASSISTANT CHIEF DOLUNT: Absolutely. And they
have a restaurant now. They have a restaurant. So, you can eat more than chips there, yes.

CHAIRPERSON BELL: Any other announcement? Commissioners, any other announcement? We'll move right into --

COMMISSIONER CARTER: We have set a date for the special meeting, for the meeting with Marathon and Homeland Security. And that date is going to be on August the 20th at 6:00 p.m., at the Southwestern Church of God on Fort Street in Detroit. We are going to have a special meeting of the Board of Police Commissioners and the director of Homeland Security along with probably the Detroit Fire Department to answer some questions pertaining to the evacuation plan of the Marathon Oil Refinery. So, that meeting will take place on August the 20th, at 6:00 p.m., at the Southwestern Church of God on Fort Street in Detroit, 6:00 p.m., August 20th.

MS. PANNELL: Do you have a solid address? COMMISSIONER CARTER: If I had it, I would have gave it. Fort Street. Sorry, Fort Street. Fort Street, southwest Detroit.

CHAIRPERSON BELL: If you are on our e-mail list, we will make sure you get the proper address. MS. PANNELL: I will find it. Don't worry.

CHAIRPERSON BELL: No doubt. We want you to come out. So, we will make sure we publicize that in the future.

COMMISSIONER SHELBY: That's at Fort Street and Vinton, intersection of Fort Street and Vinton.

CHAIRPERSON BELL: Thank you. Is that clear? At this point in time, we move to our oral communication from the audience. And we ask you limit yourself to two minutes. Mr. Brown is to my left. He will give you the signal. And when I do this, you know it's all over with. But we would -- we want to be in communication. But we don't want you to go on. So, if you have a point to be made, make it and be focused on that. If it's something that's really really important and you really need more time, we'll be liberal with that. But the basis, this is your time. So, please come forward. Thank you.

MS. PERKINS: Good afternoon. My name is Barbara Perkins. And I am new to the Tenth Precinct, east of the Lodge on Atkinson and Third. I want to know how you infused our side into the west side and does that include more police vehicles and more monitoring?

CHAIRPERSON BELL: I think that's a question for the assistant chief.

ASSISTANT CHIEF DOLUNT: I'm sure it is.

Okay. What we did was, at the time Boston-Edison was broken into two different areas. One was in Central District, one was in the Tenth. And in talking to the Citizens, they wanted Boston-Edison to be in one precinct. It was strong throughout. But it really wasn't fair to have one group in the Tenth and one group in the Thirteenth Precinct. We combined that, and we redistricted. We brought all Boston-Edison into the Tenth Precinct.

As far as more cars, I'm not going to make promises. Commander Captain Kyriacou is doing a good job. He's only been there a couple weeks. But I'm sure that there's specific things that are going on in the area. He will be more than glad to -- Nick? Okay. He's back eating. That's okay. Go back by the cookie table. You'll find him there.

CHAIRPERSON BELL: Yes, ma'am. You've got the floor, please. Thank you. AUDIENCE MEMBER: Good evening. I have a two-point complaint that I want to bring to the Board, newly elected Board's attention. I have been seeing an alarming amount of officers in the Greektown area constantly harassing cab drivers, writing them frivolous tickets from standing at a no standing zone, though it is a cab stand, to having on a purple shirt, yellow
shirt; also, I have been noticing inappropriate behavior.

You have a particular department that inspects the police -- no, excuse me, inspects the cabs. And there is an officer -- cabs can line up at eight waiting to be inspected. He waits until noon and then tells everyone I don't feel like doing them today. And this goes on and on for weeks after weeks after weeks. And it's ridiculous. And I expect for you all now that you're newly elected, that you will get something addressed.

Madame Attorney, I hope that you will look into this equally as well because it's not fair to just keep harassing cab drivers when they are doing a public service. None of you all have to have that kind of job. But those of us that do, what is under the law that says what is right should be conducted appropriately. And it's not. So, I am going to take up none of your time. I thank you so much.

CHAIRPERSON BELL: Ma'am, before you walk away, do you have a specific complaint that you need to address with our chief investigator?

AUDIENCE MEMBER: Yes. And when bringing things to the chief investigator, it never gets done. So, it's not like it goes anywhere. But $I$ wanted it to be on record seeing that you have it on tape right here in the front of me, that it's noted.

CHAIRPERSON BELL: Duly noted. Assistant Chief, you want to respond?

ASSISTANT CHIEF DOLUNT: Through the Board, Assistant Chief Dolunt. We are actually meeting on Monday and meeting concerning the cabs with the city legal counsel. So, we'll be addressing that on Monday. We have had a couple complaints. I do remember her from I believe last year. So, we are having a meeting Monday to discuss that. So, I may have something for you next Thursday.

CHAIRPERSON BELL: Any other commissioners?
CHIEF INVESTIGATOR DAVIS-DRAKE: Thank you, Mr. Chair. For the record, Pamela Davis-Drake, chief investigator. We do have several complaints on file. I don't know if all of them are completed. I know that some of them have been completed. But we will take a look at it, and I can e-mail the Board to let you know what the status is on all of them, okay?

CHAIRPERSON BELL: Thank you Chief
Investigator. At this point, I want to set the record straight that we are an elected and appointed Board. But we're one Board of Police Commissioners. So, I just wanted to make sure that we understand that. Some are
elected and appointed. But we are one board. We have one goal; that is to serve this community. Thank you. Yes, ma'am.

MS. JOHNSON: My name is Cynthia Johnson, and we're having -- everyone is being invited to our doggie party. It's going to be on Saturday, July 19, from 10:00 a.m. to 1:00. And it's going to be at Knott's Park, which is adjacent to the Tenth Precinct. Again, that's Saturday, July 19th, from 10:00 a.m. to 1:00 p.m. And it says you and your well-behaved dog are invited to a doggy party. Am I out of order?

CHAIRPERSON BELL: No. Okay. Thank you. MS. JOHNSON: Please be responsible to exclude your aggressive dogs. If your dog is aggressive, please leave him or her home. But you are invited. And we are looking for the best dressed dog, musical chairs for dogs, fastest dog contest, dog and parent agility contest, beat the heat with doggy pool, best sit/stay, roll over, shake a paw contest and bobbing for hotdogs. Again, you all are invited on Saturday, July 19th, from 10:00 a.m. to 1:00 p.m., at Knott's Park, which is adjacent to the Tenth Precinct. Thank you.

## CHAIRPERSON BELL: Thank you. Yes ma'am?

 MS. MINNOCKS: Yes, good evening. My name isBrenda Minnocks (phonetic). I came up here because I have a concern. I work for DPS. And I just finished doing the extended school year at Sampson Weber, which is an academy which is located at Tireman and Beechwood. I have a concern about that area. There's too many abandoned houses wide open. And our children live in the neighborhood. And they have to walk past these houses.

There are fields. The grass is almost taller than me. Also, I have a concern when I go to church and catch the bus and get off at west Grand Boulevard and Grand River, and they're at the bus stop selling drugs, shooting craps, robbing people and doing everything under the sun.

I also want to know, what are you all going to do to clean up the transit center? I will not say Rosa Parks Transit Center because it's a disgrace what goes on down there to her legacy. There are also -- if officers are at the transit center, they will move their business over to Michigan and Cass. I have called in about this numerous times because they also offer drugs to our students on the way to school. So, I would like to know what is going to happen.

CHAIRPERSON BELL: Thank you, ma'am. COMMISSIONER CRAWFORD: Through the Chair,
yes, ma'am, we had an issue at the Rosa Parks Transit Center. A couple weeks ago, we had the newly formed transit police come before the Board. They were very -it was a very good session in terms of their authority and what they can and can't do. That issue of the Rosa Parks Transit Center was raised because I consider that ground zero. I mean the Rosa Parks Transit Center -after 50 years, Rosa Parks didn't refuse to give up her seat on the bus so that we couldn't sit in her transit center in peace and wait on another bus.

So, it is a disgrace. But that was noted, and they are aware of it. And also too they talked about I guess in a short period now they intend to move into that center as a police operational station. So, that will be dealt with very soon.

Also, in reference to the lots, the grass cutting, there is a phone number you can call to get a schedule to see if they are going to cut those lots that you talked about. Also, make them aware that those lots need to be cut. And that's 313 -- I'm sorry, 628-2993. That's 313-628-2993.

MS. MINNOCKS: Okay. Well, we also need if possible a bigger police presence in the areas that I named, Tireman and Beechwood, west Grand Boulevard and Grand River and also a stronger police presence on the
city buses as well.
COMMISSIONER CRAWFORD: Well, in reference to the transit police, they are -- probably as we speak, they were moving into that operation of putting transit officers on the buss. I checked as of last week, and they hadn't -- with some of the drivers and some of the citizens. They hadn't observed the officers on the bus as of yet. But this was a couple of weeks ago. We were advised that they were moving into that operation of actually physically putting the officers on the bus.

MS. MINNOCKS: Thank you.
ASSISTANT CHIEF DOLUNT: I was just going to say the transit police are doing that. We are not doing that. As far as Tireman and Beechwood and Boulevard and Grand River, noted by Captain Kyriacou. Thank you.

CHAIRPERSON BELL: Yes, ma'am.
MS. NELSON: Yes. Good afternoon, Detroit
Police Commissioners. I would like to ask a question.
CHAIRPERSON BELL: Your name?
MS. NELSON: Miss Nelson. For the last seven
years, I have been hosting an event in the Tenth
Precinct area. And it's called a Praise-A-Thon. This is the eighth year. And 'cause it's not in that area in which it was before, it's going into a new area. So, I wanted to request assistance from police officers. This
event consists of prayer, food, entertainment, free food for the community, nothing being paid for by the community. But I am concerned that it may be one person that wants to, you know, be seen. And I just want to know how to go about getting some assistance of being a police officer being a watchman at this event.

ASSISTANT CHIEF DOLUNT: Through the Chair, Assistant Chief Dolunt. Captain Kyriacou, talk to him, give him the dates, the times and the individual you're concerned about; and he will take care of that for you.

MS. NELSON: The individual -- I don't know what the individual -- it's a host. It's a big area. It's moving from one area to another.

ASSISTANT CHIEF DOLUNT: You said there was a concern that someone would be appearing there.

MS. NELSON: No. It's -- I don't know who may be appearing there. It's an event for the community.

ASSISTANT CHIEF DOLUNT: You said you had some concerns.

MS. NELSON: That would be my concern, that maybe somebody wants to -- some person may want to be seen.

ASSISTANT CHIEF DOLUNT: Hypothetically. My fault. Okay.

CHAIRPERSON BELL: Yes, sir.

MR. SMITH: Good evening. My name is Charles H. Smith. And I reside on Oakman Boulevard. And I am a member of the Oakman Boulevard Community Association. And I was -- I'm a past president of five separate terms. First of all, I want to thank Commissioner Ricardo Moore for inviting me to this meeting this evening. This is my first attendance. So, by and large, it's been a learning process for me. And I'm grateful for that opportunity.

Second of all, for all of you people here that are admiring my white hair, I want you to know that Mr. Spraggins has been my barber ever since I returned to Detroit in 1971. So, it's two fold. That's the second part that I am enjoying about this meeting. But after listening to your presentations, the question that comes to my mind, considering the fact that the City of Detroit is faced with an emergency financial manager, and we love talking about all kinds of independent and collective issues, police officers' pensions and et cetera, I would like to know what the Commission sees as an opportunity to learn from other municipalities that surround the City of Detroit, looking at overall police operations and how they can support the community, i.e., removing abandoned vehicles from private property and other activities, just using that as an example; how
other municipalities do not tolerate those kinds of things for very long in their communities.

Is there an opportunity for the Commission to interact and do some research with surrounding municipalities to see in what way they can cut the red tape and identify what the policies and practices of other police departments are to the advantage of the Detroit Police Department. Thank you.

CHAIRPERSON BELL: Yes, sir. I'm going to ask Commissioner White, one of our senior commissioners, to respond and also hear Assistant Chief Dolunt to respond if you'd be so kind. Thank you.

COMMISSIONER WHITE: Thank you, Mr. Chair, and thank you, Mr. Smith. I would say we have an aggressive abandoned, ABAN, car towing procedure in place. I'm sure AC will speak to that. But we have overhauled our towing procedures over the course of the last year. There has been a number of concerns that have been brought before this body as it relates to the towing process.

But I think we all hear you clearly. And as we potentially approach that, which we would not make any changes without an opportunity for public comment, that we would certainly welcome you and others from the community to come back and give input from what you see
on the ground. And we certainly would take that into advisement. And the towing group that came together, that brought forth recommendations if you will, did do a lot of what you reference in terms of best practices from other communities. But I think if you look at our policy and parallel that to other policies, you will find a very well-written policy in place.

And if there's instances where that policy may not be far reaching enough, again, we certainly would take that into advisement and try to capture that in the next wave of changes that could be forthcoming as relates to the Department's towing policies.

MR. SMITH: Well, I was only using the stowing of inoperable vehicles and abandoned vehicles on private property as an example. I just threw that out there. There are obviously numerous ways in which the police department could research other areas, not just the abandoned vehicles. I don't think that there's anybody in here that has a significant number of abandoned vehicles, boats, or whatever else on the properties. But I'm asking the Commission, how many different ways does the Commission see it researching other municipalities to shorten the interval of process in cleaning up this city?

CHAIRPERSON BELL: Okay, sir. I think we hear
you loud and clear. Assistant Chief, you want to respond and any other commissioner after?

ASSISTANT CHIEF DOLUNT: Through the Chair, Assistant Chief Dolunt. The policy right now is we can reach out to the NPO's in the District, and they will come out and check on any complaints, whether it's abandoned vehicles, any miscellaneous ordinance violations. We have a new director of building safety and engineering. We have the assistant chief here that the mayor just hired. So, we are moving forward. It's slow, I admit. And our focus right now has been toward the violent crime. But we are well aware of the fact that we have to have -- the quality of life issues have to be addressed. We know that. We are strapped as you know manpower wise. But we do have the in field and Chief has a plan in place for that.

If the community calls and is not given the quality of service that they expect when it comes to abandoned vehicles, abandoned homes, the mayor said the other day, when we hit dope houses, we're going to try to forfeit them. We want to increase our OTE, our prostitution. Where the johns come from outside the city, we're going to start taking their cars and send a message and make them pay not only for -- but to get their cars back. And these are ways we can get more

## 7/10/2014

money in the city. If you get more money in the city slowly but surely. So, there is a plan. It's going slowly, but it's moving forward. So, we are well aware of that.

MR. SMITH: Thank you very very much. I appreciate that.

CHAIRPERSON BELL: Any other commissioner want to chime in? We heard you loud and clear. And we take all that under advisement. Thank you, sir.

MR. SMITH: Well, I certainly hope that in leaving, I hope you'll be able to look at the gas stations that sell loose cigarettes as well as automobiles. That's all.

CHAIRPERSON BELL: Thank you, sir. Yes, ma'am.

MS. ROBINSON: I'm Michelle Robinson. I'm also from the Bagley community. And I just want to know if our Commissioners are aware, in our community, recently there's a rash of they are taking our cars out of the driveways. And the car that I had was a Ford Fusion. The police did come out. And they said what they are doing is they are breaking that back window. So, I guess my alarm didn't go off. And they are pushing the cars. And then I went to the block club and noticed that every other block, the same thing.

And someone's house was hit three times
because we have to replace vehicles to get to work. So, I just wanted to illuminate that. I don't know if it's a gang in our area that is 6 Mile, 7 Mile, Outer Drive between Wyoming and Livernois. And it's just -- it's crazy. So, that was just the one thing I wanted to highlight.

And I don't know how we protect ourselves. I mean, my car was pulled all the way up, and they pushed it all the way out I guess. We saw the glass. Nobody heard anything. The car was stolen.

CHAIRPERSON BELL: Assistant Chief?
AUDIENCE MEMBER: He stepped out. He'll be back in a moment.

CHAIRPERSON BELL: Yes, ma'am?
AUDIENCE MEMBER: Can I make an announcement while we're waiting? Hood Research is having their meeting on Saturday. And it's ask the lawyer. Ron Mitchell will be there for bankruptcy and the sugar addiction. You can ask questions and meet the candidates. That's all. And that's from two to six. It's at 7310 Woodward Avenue.

CAPTAIN KYRIACOU: The area she referenced is in the Twelfth Precinct. Captain Ballou (phonetic) has another obligation. I will fill him in.

CHAIRPERSON BELL: Thank you. Yes, ma'am. MS. GARRETT: Hello. My name is Latonia Garrett. I have a concern at Fenkell and Cherrylawn, the Watts Mozambique Nightclub. The crowd is getting younger, and we need some crowd control over there. There are kids in every home on that block. I'm asking for traffic control.

CHAIRPERSON BELL: Excuse me one second, please. Please. We can only have one conversation, and this young lady has the mic. So, please refrain. If you have to talk, just move extremely to the back of the room, please. Thank you. Yes, ma'am.

MS. GARRETT: Thank you, Commissioner. But like I said, there are children in every home, and there are seniors. So, I need traffic control over in that area. But the crowds are lingering even an hour after the club is over. There are gunshots that's happening every week because of confrontations. So, if you could just give us some crowd control and traffic control, I think the community will really appreciate it.

CHAIRPERSON BELL: Okay. Assistant Chief? ASSISTANT CHIEF DOLUNT: Through the Board, through the Chair, actually, our vice unit, I will hand this over to them. They have been quite frankly ticking off lot of the bar people. They've been hitting them
quite frequently. And they are unhappy with us, which is good because it means they're going to start falling in line. So, that will be the next one on the list.

MS. GARRETT: And I thank you for that. But also they, you know, after the phone calls, after the phone calls are made, they come. The club is out at 2:00. If we can get a presence around 1:50, 1:45, I'd appreciate it.

ASSISTANT CHIEF DOLUNT: We can do that. But it's out at 2:00, not 1:00.

MS. GARRETT: 2:00 a.m.
CHAIRPERSON BELL: Thank you, ma'am.
MR. STOKES: Once again, to the Chair, my name is Alvin Stokes, the chairperson of the Tenth Precinct community relations. To the AC --

CHAIRPERSON BELL: Sir, would you speak to the Chair, please?

MR. STOKES: Okay. To the Chair, I have like a personal vendetta actually because the Tenth Precinct has been playing musical chairs with our leadership over the last eight, nine years. Now we have a good man in Captain King in there now. But how long will he last? You know, we get comfortable with our leadership, we move forward. We get a lot of things moving. But then all of a sudden, our leader is snatched away.

We ask that you just take into consideration our leadership as far as the Tenth Precinct is concerned and consider leaving them there a little bit longer. I'd appreciate it. And to the Commission, there is food put away for you all. Thank you.

CHAIRPERSON BELL: Sir, don't walk away yet. Assistant Chief had a response. That issue has come up quite often.

ASSISTANT CHIEF DOLUNT: Okay. Here we go. I understand. I was one of the few command officers that was left in the precinct for a long time. I was at number -- Eastern District 9 for five years. And you're right, continuity of command is important because it helps the community relations. We got a new chief last year. He picked his people. He's come out publicly and said that he was given bad information on a few command officers. And they have been moved. And he has admitted it freely.

The reason -- Captain Cox is a new captain.
He's a lieutenant who was made captain in October, right? Well, we are revamping the narcotics section. Captain Cox was recommended because he is doing such a fine job. It's a catch 22. He is doing a good job there. We are trying to revamp narcotics. And you'll be hearing many things about that in the near future.

That being said, your new Captain Nick Kyriacou was an inspector. He was one of the people that the Chief was given bad information about, and he was demoted. However, he continued working; and he was recommended to get promoted again and specifically sent to Number 10 because he had been here before if I recall. And the community, we responded. And I'm thinking, you know what, he may eat a lot of cookies, but he's a pretty good guy.

So, we sent him back to you specifically not for the cookies but because he's good with the community. And that was one of his strong points. We don't plan on moving him for a while. But you better have cookies at every meeting.

MR. STOKES: Thank you very much.
CHAIRPERSON BELL: Any other commissioners
want to weigh in? Yes, sir.
MR. HARRIS: How you doing, sir?
Congratulations. Thank you for being out here tonight and come to see about my people and my neighborhood. I got a grandfather down into a house where $I$ take care of right now. And what it is, I have two questions. Somebody left their phone up here. Anyway --

CHAIRPERSON BELL: Would you give your name for the record, please?

MR. HARRIS: Anthony Tyrone Harris. What I have to say is two things. They keep ticketing me about my alley. But that's not my part of the alley, that's going over into my alley. I keep going back and forth to court. Understand what I'm saying?

Number two, I got a four-bedroom house. I got
four bedrooms and see what they doing on the next street. And what they are doing, you all been over there two or three times, guy got guns. I don't know how much dope they got, but the dope is right by the dog house. I don't know, my dog ain't got the dope, spared the dogs. If it was my dog, you all would shoot it. CHAIRPERSON BELL: You made your point, right. MR. HARRIS: I just want to thank the Lord. CHAIRPERSON BELL: Thank you.

ASSISTANT CHIEF DOLUNT: I'd like to know where this is at. Where do you live? You didn't tell me where it was at. All you said is there's a dog house. Thank you.

MR. HARRIS: One question, how long is this 'gonna take?

ASSISTANT CHIEF DOLUNT: I don't know where it's at. MR. HARRIS: They already know it. I gave the information to this young lady right here. Excuse me.

I'm sorry.
CHAIRPERSON BELL: Why don't we do this, sir? Why don't we do this? Just meet with the Captain in back.

MR. HARRIS: I already did. One more quick question, just a quick question. It's very quick. If I give the information to her, how long it's going to take to get to you?

CHAIRPERSON BELL: Thank you. Yes, ma'am. Yes, ma'am.

MS. BUTLER: Good evening. My name is Valerie Butler. And I'm the evangelism coordinator for Ecclesia Christian Ministries that is located right up the street, 5410 Milford. I'm here for two reasons, to get information, and I would like to receive some information. Under our late pastor, the Reverend Landon Mayberry, Jr., we have been a great presence in the community. And this year, we have started -- it's small, but we intend to expand -- a community garden. And we want to be proactive to senior citizens and households with children, low income housing with children in it that can't meet the needs of feeding their children.

So, we have fresh vegetables, and it's free and open to anyone in this community. Now, there are a
lot of houses that's abandoned and with the caving in. And I would like to know the number or who I can contact to see where we are on the list and getting these houses taken down.

CHAIRPERSON BELL: Ma'am, are you aware that each district under the Mayor's tutelage and management, they have a neighborhood city manager, a neighborhood manager. They have a manager, and they have a deputy manager that's been designated. And it's been for the last two months. Are you familiar with that?

MS. BUTLER: No, I'm not.
CHAIRPERSON BELL: Perhaps are you aware of your council person in terms of what district, your district?

MS. BUTLER: Not -- no. And we have contacted -- the only thing we know about is the city neighborhood on call. And we can never get any information from there.

CHAIRPERSON BELL: Well, perhaps we can help you after the meeting and one of our Commissioner Moore can help you out in terms of steering you in the right direction. But there are individuals in place to address that. Thank you, ma'am.

COMMISSIONER MOORE: Through the Chair, I was going to say, the number to the Mayor's office because
they can direct you better is 313-224-3400. And that's the catch all. They can direct you to the area to take care of that issue.

MS. BUTLER: Thank you.
CHAIRPERSON BELL: Yes, ma'am.
MS. CUNNINGHAM: Good evening. My name is Rinell Cunningham, and I'm from the Tenth Precinct, Stoepel. We're trying to start a block club. But I'm here tonight to let everybody know about the Tuskegee Airmen Organization that meet every Tuesday afternoon from 1:30 to about three. And they are in cooperation with the Friends of City Airport to give the youth an opportunity to learn about aviation and job maintenance and what have you.

They are planning Monday, July 28th, through Friday, August 1st, from 10:00 a.m. to 2:00, at Detroit City Airport, Coleman A. Young International Airport at 11499 Conners, Detroit, Michigan. They are planning an exploration opportunity for them to learn what it takes to operate an airport. This is so exciting for the young people between the ages -- well, I think fourth grade through eighth. I have literature I will be able to share that with the people gathered here. And it's so wonderful to see all of you up here. And I know, you know, most of you up there. And I am just delighted to
be here. Thank you very much. I appreciate that. And one more thing. The trees are -- they are -- the limbs are overshadowing the stop signs. And I'm hoping -- and this is in all areas. So I'm hoping that this is a public record, that we will address this some how, some way. And maybe the citizens or community organizations or block clubs can be allowed to clip the tree limbs so that it will not be a hazard to those that are using our roads and streets. Thank you very much. Love you all.

CHAIRPERSON BELL: Ma'am, I want to say take advantage of the telephone number of the mayor's office that Commissioner Moore gave you and also contact the mayor's office and also your council person. You know, those are issues that they would gladly address if you contact them.

MS. CUNNINGHAM: But I have contacted you all because I want you all as leaders to be aware of something like this.

CHAIRPERSON BELL: We are aware. We appreciate that.

MS. CUNNINGHAM: And, you know, do something to encourage some young people that do not have your opportunity to have an opportunity to take in this. CHAIRPERSON BELL: Commissioner?

COMMISSIONER CRAWFORD: Through the chair, when you contact the mayor's office, Brad Dick is over this unit or department called Forestry. And they trim the trees and cut down trees.

MS. CUNNINGHAM: Thank you. I will write that down, sir. Thank you.

COMMISSIONER MOORE: Also through the Chair, I will talk to you directly, Ms. Cunningham.

MS. CUNNINGHAM: Thank you.
CHAIRPERSON BELL: Commissioner Taylor?
COMMISSIONER TAYLOR: Ms. Cunningham, it's good to see you, Miss Cunningham. I been knowing Miss Cunningham for about 20 some years. We will talk. I will get with you and give you some names for some of the other stuff. He's given you for the trees. But we can talk about that.

MS. CUNNINGHAM: Thank you very much. And keep up the good work.

CHAIRPERSON BELL: Thank you. Thank you. Yes?

MS. LaGREEN (phonetic): How are you? My name is Gina LaGreen. And I'm the president of United Block Club Council in 6. But there's I think the confusion is that when they did district, they changed some of the district to 5. Whereas I was 6 before the election, I'm

Page 72
now 5. But $I$ still work with 6 . One of the things that I can tell the young lady Ecclesia, I told her I would work with her. And you can go to Detroitmich.gov, and on there they have a list. And at the very bottom of the list, there's a site that will come up. And all you have to do is put in your address and the street. And they will tell you what district, who your representatives are. If she is in 6, it's Miss Lopez. If she's in 5, it's Miss Sheffield. So, just go to their information. Thank you all for coming out and allowing Tabernacle and the United Block Club Council, Tenth Precinct, for letting us host. And please come back again.

CHAIRPERSON BELL: Thank you. Yes, sir.
MS. CUNNINGHAM: I'm sorry. I knew I would forget something. If there's anyone here -- we are just going to do just a giveaway -- that would like to go to the hydroplane party Sunday morning, I have two, \$25 tickets. But you have to be there at nine, no later than eleven. So, you can see me in the back.

CHAIRPERSON BELL: Yes, sir.
MR. MAYFIELD: Good evening, Commissioners and Chief. I'm Roscoe Mayfield. I made a complaint against -- a couple weeks ago.

CHAIRPERSON BELL: Could you speak into the
mic, please?
MR. MAYFIELD: Sorry about that. I made a complaint a couple weeks ago at the Lahser Grand River area. I just wanted to follow up to say that there has been some action taken up in that area. I talked to the businesses up there, and one of them said that they saw some action. They feel a little bit more safe. They just want to make sure the department keep it up and not get lax and not take any action.

ASSISTANT CHIEF DOLUNT: From my understanding, Captain Wilson talked to you. We will keep it up.

MR. MAYFIELD: Thank you, sir.
CHAIRPERSON BELL: It's good to see Miss Bernice Smith out and about and attending our meeting once again.

MS. SMITH: Good afternoon. Bernice Smith, Human Resource commissioner. Well, look like a change has happened since I been gone for two weeks to the better or what? Anyway, we will see, won't we? But I want to let everyone know, welcome to Tabernacle. This is my church 35 years. I want all of you to know you're always welcome not only to the annex, you're welcome to the larger church which is located on Grand River there at the Boulevard. This young man is one of our leading
ministers. He preaches to us in our group. So, I want you to know him. And then I think Reverend Spruill is gone in the back somewhere.

But anyway, welcome to Tabernacle. And come back again and you'll be enjoying our service that we have at the Sundays. Also, Mr. Smith, it's good for you to come in this neighborhood. My children are at Oakwood. So, therefore I've been to your meetings also. This is a very active young man here. But I just want to let you know that this was a very good informative meeting. I'm proud of you guys. You're doing a wonderful job, even though change is to be expected. But I'm glad that you are doing a good job and you got a woman as a vice chair too. So, that's good.

And we are going to go to the oil company and see that they take care of business good. Again, thank you so much everyone here in the neighborhood. It did get a little rowdy there for a while. I got ashamed of some of the people that was hollering. But anyway, they do a good job here at our meeting. So, I want you to come to the Thursday meetings also downtown. You have free parking down there. So, it's interesting too when you come down for our meetings there.

So, again, good night and have a good good evening. And be careful out here because you're in the
hood now.
CHAIRPERSON BELL: Okay. On that note, I just want to say that -- remind you that our next meeting would be held on Thursday, July 17th, at 3:00 p.m., at the Detroit Public Safety Headquarters, 1301 Third Avenue. And you are all invited to that, 3:00 p.m., not at 6:30. So, keep that in mind. Commissioner, what is your pleasure as far as adjournment? Any other business?

COMMISSIONER WHITE: Move for adjournment. COMMISSIONER TAYLOR: Second. CHAIRPERSON BELL: It's been properly moved and second. Those in favor? COMMISSIONERS: Aye. CHAIRPERSON BELL: Carried. Thank you very much.
