Church of the Covenant, and I also work with Harriet

Tubman Center, which is a peace and justice advocacy 2 3 center and we're here today to show solidarity with a 4 young lady who had an incident about ten days ago. She's on her way up, I'm told, and she's on our Board 5 of Directors at Harriet Tubman Center and here are some 6 of our young people in the program. So we're about to 7 8 pray, and I'm going to ask that you grab somebody's 9 hand as we take time to be holy. 10 (Invocation given).

11 CHAIRPERSON BELL: Commissioner, do you have the minutes from Thursday July the 10th, 2014? What is 12 13 your pleasure in reference to the minutes?

3	BOARD MEMBERS: Aye.
4	CHAIRPERSON BELL: Those opposed? Motion
5	carried. I reserve to make my comments at a later time

9	SECRETARY ANTHONY: Mr. Chair, if I may just
10	interrupt briefly.
11	CHAIRPERSON BELL: Yes.
12	SECRETARY ANTHONY: OCI has their monthly
13	report, if they may be permitted to give their report.
14	CHAIRPERSON BELL: That would be appropriate.
15	Chief Drake.
16	INVESTIGATOR DAVIS-DRAKE: Good afternoon.
17	For the record, Pamela Davis-Drake, Chief Investigator.
18	This is the report from the Chief Investigator's office
19	dated Thursday, July 31st, 2014. Current statistics,
20	as of today, we have 282 cases open, 31 cases have
21	either been submitted to me or to the supervisor for
22	case closure and case review, and we have no cases that
23	have been submitted over 90 days.
24	We have a couple of proposals that we're
25	going to be presenting to you. One has to do with the

Page 8

mediation proposal. Back in March, Commissioner Taylor came to me regarding the idea of mediating some of the cases that were received through OCI in cooperation with the Wayne County Mediation Center, and she, of course, being the mediation guru, knew all about that.

6 We're currently in the process of developing a proposal that we will be passing on to the Board and 7 8 to the Chief's office as soon as we get the details 9 ironed out. I'm in the process of reaching out to the 10 Department and to DPOA so that they can certainly be on board, especially the Department, since the Department 11 12 is going to be very much involved in this if we move 13 forward with it.

14 If approved, the plan will allow for certain 15 types of citizen complaints to be mediated within a 16 30-day period rather than the 90-day period, and those 17 are the 90 day is the full investigation process. 18 Mediated complaints must be approved by all the parties. We're looking at, of course, OCI, the police 19 20 department, and the citizens before process can be 21 considered. The mediations will consist of small 22 groups, and those groups would include the citizen, of 23 course, the focus officer or whomever the department 24 deems necessary and an independent mediator that would 25 be assigned from the mediation center.

We would require the department's full input regarding the types of allegations that we will be looking at. Right now we're going to focus on the three top allegations at OCI, which would be procedure, demeanor, and service.

As you know, all cases are not mediate-able, we wouldn't be able to mediate all types of cases and all types of allegations, and certainly the department may decide that there are some officers that they don't want to involved in the mediation process so that might also be appropriate.

12 A six-month pilot is what we're probably 13 going to be looking at again if approved by all 14 parties, and we're going to be looking at the 15 effectiveness of the process and whether or not there's 16 anything that we need to fine tune within that process. The benefits of mediation include 17 18 cost-effectiveness. Mediation for this proposal would The Wayne County Mediation Center has 19 be free. 20 instructed us that they will be using grant money from previous grants that they have that deal specifically 21 22 with law enforcement so we wouldn't have to worry about 23 a fee. The citizen would have a face-to-face 24 opportunity to meet with a representative from the

25 police department and voice their concerns. Mediation

1 would result in an expedited resolution of the case rather than again 90 days, it would be 30 or less. 2 Mediation is a restorative justice type practice 3 4 bringing the community together and making the community whole, and I'm very much an advocate of that, 5 6 that was a part of my Masters thesis. The mediation process would improve police and community relations. 7 8 So there's a number of benefits to having mediation.

9 Also there are a number of cities across the 10 United States that are also involved in mediation including Washington D.C., New York, and California. 11 12 So we're looking forward to moving forward, looking 13 forward to working with the department, getting their 14 input and seeing if we can't make this a reality. Also 15 a part of the move update. I know you all are aware 16 that we are moving to 900 Merrill Plaisance. That looks like that is going to happen. Look at my heart, 17 18 not my face, okay?

19 All right. We're meeting every Tuesday 20 morning actually at headquarters, here at headquarters 21 to iron out the details and I am, in all honesty, very 22 impressed with the process thus far. I know 23 Commissioner Bell has sat in on many of the sessions, 24 and I know that attorney Anthony has sat in on one of 25 them. The architect, the electrician, the owner of the

Page 11

1 company that's actually doing the renovations, the 2 engineer, the project manager from GSC are all there 3 and providing their input but listening to us.

4 We're also going to be moving in with disciplinary administration, which is a great thing, 5 6 we're looking forward to that. The advantage of having disciplinary administration right there with us is as a 7 8 fact that oftentimes we have to go to discipline 9 hearings, and instead of having to provide 10 documentation and taking it to them or them coming to get it from us, we'll be right there. It will be 11 12 convenient. And also there's going to be a small 13 police presence, not a lot of folks, but at least ten 14 folks will be there. And that's a safety precaution, 15 so we're looking forward to it.

16 It's anticipated that we'll be moving on 17 9/30. That is I think a little -- we'll see, let's put 18 it like this. We'll see. But if they do everything 19 that they say they're going to do, it's going to be a 20 very nice, very nice facility, so we're looking forward 21 to it.

Also I wanted to give you a little bit of an update with regard to force allegations. I know about three or four weeks ago or so, one of the citizens advised that force administration, -- force

#### Page 12

investigations, I'm sorry -- force allegations, forgive me, have increased over the last year. I am not finding that. I'm finding that it is very consistent. I promise that I would follow-up and see if there were any trends. 2011 there were 14, I'm sorry, 14% of the cases were force allegations. 2012 it was 12%, 2013 11%, 2014 12%.

8 Now something you have to keep in mind is 9 2012 and 2013 is when the virtual precincts were in 10 effect, so the numbers decreased as far as citizen 11 complaints during that time. If we compare, which is 12 what we probably should compare if we want to do apples 13 to apples, 2011 to 2014 to date as of June 30th 12% of 14 the cases are force allegations, and 2011 the whole 15 year was 14%. My guess is that we're going to probably 16 see something that's pretty much consistent with 2011, 17 okay? And that concludes my report. Are there any 18 questions?

19 CHAIRPERSON BELL: Before we entertain 20 questions from the commissioner and deputy chief, I'd 21 like for you to elaborate in reference to your 22 experience with the Academy, student officer there, 23 share that with the audience and the board, please. 24 INVESTIGATOR DAVIS-DRAKE: I was going to 25 leave that to you, sir.

Page 13

CHAIRPERSON BELL: You did most of the work, I
 just did the introduction.

INVESTIGATOR DAVIS-DRAKE: You did a fine 3 4 job. Commissioner Bell and I spoke to the graduating class at the Academy, new recruits on Thursday -- no, 5 6 I'm sorry, yesterday, yesterday morning, is that right? 10:00? Okay. But we had the opportunity to speak with 7 8 the class and it was an excellent experience, lots of 9 qood questions were asked. This is a fine class. You 10 all have done a wonderful job. And, of course, I congratulated them on their accomplishments, but we had 11 12 the opportunity to tell them about the Board of Police 13 Commissioners and our role under the Board and exactly 14 what we do at OCI, and the importance of citizen 15 interaction in making sure that, you know, policies and 16 procedures are followed and that they, you know, respect the public, just as the public will respect 17 18 them.

19 CHAIRPERSON BELL: And attorney Aliyah was 20 also explaining her role with the Board so, 21 unfortunately, I could not stay for the entire program, 22 but I know your opening and your background, excellent 23 job. I want to say, Deputy Chief, that we followed 24 Internal Affairs, and so that was good. They had, you 25 know, Internal Affairs then the Board of Police

Page 14

1 Commission coming in talking about, you know, noncriminal complaints, and I just sort of encouraged 2 them, please do not involve yourself with Internal 3 4 Affairs, it's really really serious. But it's also 5 serious with our office in reference to our concern, so 6 I was pleased in terms of the interaction. We hope that we can make that a standard procedure in terms of 7 other commissioners will be invited in in that 8 9 timeframe to interact because it's one thing to see 10 them graduate, but I think it's crucial that we as commissioners have the opportunity to interact while 11 12 they're in the Academy, while that stage of, you know, 13 really getting all that information.

14 And you mentioned the Academy out at Palmer 15 I started my career there in 1971 and I had my Park. 16 reservations about us moving from downtown, but now I'm 17 impressed in terms of you have really posed all the 18 tough, tough questions, concerns, and also disciplinary section, so that our architects, engineers, everybody's 19 20 involved understands our criteria and our concern and 21 needs so I know they're going to meet all of that 22 because you're going to be right there to make sure 23 that happens before we walk through those doors to cut 24 that ribbon, so I just wanted to say that's a blessing. 25 And I've been, another part of it in terms of

Page 15

1 the cases, I just really thoroughly impressed and maybe some other commissions that have been reading the cases 2 3 that are since January or February that in terms of 4 in-depth investigation and follow-up and I just really I think we have come a long way in reference to 5 6 resolving the concerns in a timely manner because when I was there we won't talk about the time period of 7 8 getting back. And mediation is crucial too because 9 some complaints would merit that, you know, it's not as 10 serious that we can probably work it out, because I think anytime there's an encounter with the Police 11 12 Department, sometimes it's not always a good 13 experience, just initial traffic stop, you know. So 14 that's why we're here, we are concerned, but I think 15 the problem is moving forward in reference to us 16 working together, collectively to satisfy this concern 17 of communities. The main thing they want public 18 safety. So Commissioners?

19 COMMISSIONER SHELBY: Yeah, through the 20 Chair. Ms. Drake, the cases that's going to be 21 mediated at the Mediation Center, what's the criteria? 22 INVESTIGATOR DAVIS-DRAKE: Well we're still 23 working through the bugs, but we will be reviewing each 24 and every case individually. We're looking at only our 25 top allegations, demeanor, procedure, and service

> HANSON RENAISSANCE COULT REPORTED & MOREO 313-567-8100

1 because those are the easiest to mediate, and most of the time those are the ones the citizens just want to 2 speak to the officer say hey, you know, this is what's 3 4 going on, this is how I feel, and that will give the officer the opportunity to come back and, you know, 5 6 also satisfy the citizen and make the community whole, but we're still looking at the criteria. And again, 7 8 that's one of the reasons why we're engaging the police 9 department because we want to sit down and really come 10 up with a firm criteria. So we don't have it all together but I'm definitely rolling out a proposal to 11 12 you hopefully within the near future.

13 COMMISSIONER SHELBY: Individuals that 14 mediate, are they ex-law enforcement or are they 15 strictly civilians?

16 INVESTIGATOR DAVIS-DRAKE: I believe at the 17 Mediation Center I don't know exactly who they're going 18 to get, they have a whole staff, a whole team of mediators, some are former law enforcement. As a 19 20 matter of fact, a couple of them actually worked for 21 DPD at one time, but there are others that are not a 22 part of law enforcement. I think a former judge is one 23 of them. But they're looking at -- they do an 24 extensive training with those individuals, and because 25 of the grants that they currently have, they're already

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

working with courts, some are already working with
 other police departments that are around the Wayne
 County area, so they're very familiar with the type of
 cases that we would be getting.

5 COMMISSIONER CRAWFORD: Yes, ma'am, Chief 6 Drake, in terms of this mediation, it's not going in 7 any way conflict with the charter and also to the union 8 at DPOA in terms of anything contractural, anything 9 like that?

10 CHIEF DAVID-DRAKE: That's why we're bringing 11 everybody to the table because we want to find out if 12 there are going to be some issues there. No, it does 13 not in any way affect what's written in the charter, 14 but we do, I'm sure the DPOA will have some concerns, 15 so yeah, so we want to meet with them as well. I have 16 reached out to them. Again, we're looking at meeting 17 next week.

COMMISSIONER CRAWFORD: Yes, ma'am. Do you have a dollar figure in terms of how much money will be saved in terms of the move from downtown to Palmer Park? CHIEF DAVIS-DRAKE: That I do not have an

24 COMMISSIONER CRAWFORD: But it will save
25 money for the department?

23

answer.

1	CHIEF DAVIS-DRAKE: I am told that, yes.
2	COMMISSIONER CRAWFORD: Because they were
3	leasing the building?
4	CHIEF DAVIS-DRAKE: Yes, sir, they were
5	leasing the building. From my understanding our lease,
6	the lease that's currently in effect will run out on
7	the 31st of December of this year so.
8	COMMISSIONER CRAWFORD: Yes. Thank you.
9	CHIEF DAVIS-DRAKE: You're welcome.
10	COMMISSIONER CARTER: Through the Chair. You
11	mentioned that the Mediation Center would be paid for
12	by grants right now because they have grant money. Has
13	there been any thought put into what will happen if
14	there is no grant money?
15	CHIEF DAVIS-DRAKE: Yes. Having been a grant
16	analyst for a long time and written a lot of them, yes,
17	that long-term effect is something that is of concern
18	to me. I know that this current grant is for five
19	years so during that time, probably want to sit down
20	and also talk about longevity and put in place some
21	type of, I don't know if it will be additional grants,
22	I don't know if it will be community funding, I don't
23	know how it will look, but we will definitely put in
24	something for long term so that we can continue what
25	we've started.

1 CHAIRPERSON BELL: Commissioners, any other 2 comments?

COMMISSIONER CRAWFORD: Through the Chair I 3 4 just have another comment or question, and this may be down the road in terms of hiring mediators. Are they 5 6 coming from the community or all walks of life? CHIEF DAVIS-DRAKE: The mediators are being 7 donated to us basically through the Mediation Center, 8 9 and I couldn't tell you exactly what community they're 10 coming from. I don't know them, but I do know that, 11 again, several of them have worked in the community, 12 several of them have actually been officers. I don't 13 know exactly who the mediators will be, that is a 14 little later down the line, as you suggested? 15 COMMISSIONER CRAWFORD: Has Ron Scott's name 16 come up? 17 CHIEF DAVIS-DRAKE: No, no it has not, sir. 18 COMMISSIONER CRAWFORD: Thank you. CHAIRPERSON BELL: If there's no other 19 20 comments, Chief Investigator Drake, thank you for excellent reporting. I'm looking forward to you coming 21 22 back to present in reference to that proposal. I think 23 it's an excellent concept, idea.

24 CHIEF DAVIS-DRAKE: I sure hope so. I think 25 we owe that to Commissioner Taylor. She brought it to

1 the table.

2 CHAIRPERSON BELL: Shall we give her kudos now or later? Thank you Commissioner Taylor. I know 3 4 that's her background, you know, that's the bonus of 5 having someone of that caliber on this Board of Police 6 Commissioners, so I appreciate it. 7 CHIEF DAVIS-DRAKE: Absolutely. CHAIRPERSON BELL: 8 Thank you. 9 CHIEF DAVIS-DRAKE: Thank you. 10 CHAIRPERSON BELL: Deputy Chief LaValley, I 11 guess it's your time. 12 DEPUTY CHIEF LAVALLEY: Yes, sir. Again 13 Deputy Chief David LaValley, Support Services Bureau 14 here representing Chief Craig. As you know, probably 15 aware the Chief likes to be very hands on. He's out 16 today participating in Operation Restore Order. We 17 have an operation going on in the east side in the 9th 18 Precinct called Green Machine 40. A number of officers 19 out executing warrants, arrest warrants, search 20 warrants, some gang investigations taking place. That 21 operation is still ongoing and it runs through 11 p.m. 22 tonight.

We don't have a formal presentation this week by any of the units within the department. I'll give you some unofficial crime statistics like I did last

week. Homicide year to date we are at 162, last year we were at 185. That's a 12.4% decrease. Nonfatal shootings were at 592, last year we were at 667 on this day, 11.2% decrease. Armed robberies were at 950, last year we were at 1521 for a 38% decrease, and car-jackings were at 299. Last year we were at 444, so a 33% decrease.

8 In addition to that, tomorrow, Greater Grace 9 Temple at 10 a.m. there's a promotion ceremony for nine 10 new lieutenants and 20 new sergeants. I'm sure 11 everybody received an invite, a formal invite from the 12 department. But that is also open to anybody that 13 wants to attend. That concludes my report. 14 CHAIRPERSON BELL: Commissioners, any

15 comments in reference to the Deputy Chief's report? 16 COMMISSIONER WHITE: Through the Chair. 17 Thank you Deputy Chief, and forgive me if I didn't hear 18 you, but where are we with the statistics on domestic 19 violence? I believe that was one of the upticks over 20 the previous month.

DEPUTY CHIEF LaVALLEY: It was, and it has come down from where it was early in the year after the first quarter, and we were up double digit increases. Right now we're at about a 6% increase in domestic violence. Aggravated assault all together are still

Page 22

1 the area, the one crime area where we have an increase, 2 and that increase right now is about 3 or 4% over last 3 year.

4 COMMISSIONER WHITE: Thank you.

5

CHAIRPERSON BELL: Any other comments?

6 COMMISSIONER CRAWFORD: Yes, sir, through the Deputy Chief, has the department have any 7 Chair. 8 discussion or have any contingency plans in place for a 9 verdict that will probably be rendered in the next 10 several days or sometime early next week, a case that's currently a trial that's ongoing now in recorder's 11 12 It's pertaining to a young lady that was court? 13 killed, not in the City of Detroit but Redford but she 14 was a resident of the City of Detroit.

15 DEPUTY CHIEF LaVALLEY: Right. We don't have, we don't have a formal operations plan for that, 16 17 but we do continually every day have Metropolitan Division and we stay in constant contact with the 18 prosecutor's office and the courts and a lot of stuff 19 20 that's going on downtown even at the Coleman A. Young Municipal Center, stuff that's going on with the water, 21 22 water and sewage department right now. So that 23 verdicts of that type, cases of that type we're 24 constantly communicating with the court and we will 25 have --

1 COMMISSIONER CRAWFORD: Some discussion? 2 Defendant: Oh, yes. We'll have a number 3 available. 4 COMMISSIONER CRAWFORD: Thank you, sir. 5 COMMISSIONER SHELBY: Through the Chair? 6 CHAIRPERSON BELL: Yes, sir. COMMISSIONER SHELBY: Recently we had a young 7 8 man that was killed while he was laying in bed by a 9 stray bullet. Any update on that investigation? 10 DEPUTY CHIEF LaVALLEY: Yes. Eight-year-old 11 on, I forget what street, East Street I think it was. 12 I do know that there was an arrest made, suspect in 13 custody in that case. I don't have a lot of additional 14 details. I could get a follow-up if you'd like more 15 than that, but there definitely was an arrest made 16 within hours. COMMISSIONER SHELBY: 17 Thank you. CHAIRPERSON BELL: Any other comments from 18 the commissioners? 19 20 CHAIRPERSON BELL: Deputy Chief, you need to make mention for the public in reference to this flyer. 21 22 Give Neighborhood Crime and Drugs a Going Away Party. 23 DEPUTY CHIEF LaVALLEY: Looks like Tuesday, 24 August 5th from 4 p.m. to 8 p.m. That's the first time 25 seeing this. At 11th Precinct at 5100 East Nevada,

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

Page 24

1 that's the 7th and 11th Precincts. Apparently there's a party going on at the location titled Give 2 3 Neighborhood Crime and Drugs a Going Away Party. Looks 4 like they'll be free food, giveaways, ballroom and 5 hustling classes and entertainment. Looks like it's 6 being put on by the captains at the 7th and 11th Precincts. 7 8 CHAIRPERSON BELL: Okay, okay. Thank you. Ι 9 just wanted to inform the public. 10 DEPUTY CHIEF LaVALLEY: That is National 11 Night out date, August 5th, so it looks like that's 12 part of National Night Out. 13 CHAIRPERSON BELL: That's why it's on the 14 date that we have a general election in the City of 15 It just coincides, it's coincidence, raise Detroit. 16 that flag, why is it on this particular day. 17 DEPUTY CHIEF LaVALLEY: That's always 18 National Night Out. 19 CHAIRPERSON BELL: I got you. Okay. Thank 20 Thank you. Any other commissioners? If not, we you. 21 move right along with any standing committee reports? 22 Subcommittee reports? Any new business? Any old or 23 unfinished business? If not, announcements. I want to 24 make the community aware, once again, that our Board of 25 Police Commission Community meeting is going to be held

1 on August 14th, 2014 at UAW Local 7 at 2600 Connor Street, and the timeframe, what time is it going to be 2 held? What time? 6:30. Okay. 6:30. It's not on 3 4 this flyer, but I assume that some of the regular people know that we meet in community, we meet at 6:30 5 6 so we'll make sure we make that correction that's on the flyer on your agenda, so I say we got quite a few 7 8 people who might be the first time attending the 9 meeting. But normally on the second Thursday of the 10 month we meet in the community at various locations. There is a schedule and it's going to be held at Local 11 12 7. So we hope that we can do more in terms of public 13 relations get that communication out there. I know 14 people in my areas already work on it because we had a 15 tremendous turnout at the 10th Precinct, tremendous 16 turnout in Southwest Detroit. So I indicated that to 17 him that we need a turn out in the east side of Detroit. And our next meeting is going to be held next 18 Thursday, August 7th at 3 p.m. at headquarters at 3:00. 19 20 So that's standard set for the second Thursday of the 21 month.

And now it's the opportunity for oral communications from the audience, and if you would clearly identify yourself. And normally it's two minutes, but there's a particular group I might --

we're going to give them 2.5 minutes when they get to the mic. Any others, we're going to try to stick to the two minutes timeframe unless you really really got something to say you can extend it, and we'll give you the sign on that, so thank you. This is your time.
Pause for one second. Commissioner Crawford has an announcement. Thank you.

8 COMMISSIONER CRAWFORD: Yes, I'd like to make 9 an announcement. August the 15th, that's two weeks 10 from Friday here in the Michigan Room from 1 p.m. to 3 p.m. the Radio Patrol is having a meeting, Counselman 11 12 Scott Benson, a number of the city counsel members will 13 be present, a number of the Detroit Police Department 14 people will be present. A number of community radio 15 patrol citizens will be here too. What has occurred is 16 the radio patrol has been moved from DPD to the City 17 Counsel in terms of how the monies are dispersed and 18 paid, and I guess the overall operation and Commander 19 Bettison has been very instrumental in that and very 20 helpful, and I attended a meeting a week ago. So the next meeting has been set for to work through the 21 22 logistics of this move for August the 15th from 1 p.m. 23 to 3 p.m. Everyone's invited. And if you know someone 24 in your community that's a part of a radio patrol or 25 would like to become part of radio patrol or start a

1	radio patrol in your community, they're definitely
2	invited. Thank you.
3	CHAIRPERSON BELL: Okay. Now communication
4	from the audience. Thank you Commissioner Crawford.
5	COMMISSIONER CRAWFORD: Yes, ma'am. Again, 1
6	p.m. to 3 p.m.
7	MS. ROMANO: Good afternoon. Anna Romano.
8	I'm going to explain the flyer the Detroit 7th and 11th
9	Precinct, that's National Night Out, so basically it's
10	in connection with National Night Out, and all the
11	precincts in the city will be having a National Night
12	Out. But this is the one for the $7/11$ and the
13	breakdown for the ballroom dancing and hustle will be
14	from 4 to 5, and the food will be from 5 to 6, and
15	they'll be Chene Park tickets giveaway. Also exhibits
16	from law enforcement units and vendors, and they'll be
17	games for the children. So I hope everyone can make
18	it.
19	CHAIRPERSON BELL: Yes, ma'am. Are you
20	teaching the class?
21	MS. ROMANO: No, Captain Kyra Hope will be
22	doing.
23	CHAIRPERSON BELL: Oh, she didn't share that
24	with me.
25	MS. ROMANO: Yes, Kyra Hope she's an

Page 28

1 instructor for ballroom dancing and hustle. 2 CHAIRPERSON BELL: We'll have a name submitted 3 to vou. Commissioner Crawford wants to sign up, I 4 heard he has two left feet. 5 MS. ROMANO: Love to have you there. Thank 6 you. 7 CHAIRPERSON BELL: Thank you for giving an explanation citywide. 8 9 MS. PANNELL: Good afternoon. Sharon 10 Pannell. National Night Out is for all the precincts and 2nd Precinct is 18200 Green, Greenfield at Curtis. 11 12 My question that I need to ask is why so many changes 13 at the 2nd Precinct? We on our fifth captain. Right 14 now we don't even have a captain, and in the last year 15 we've had four. 16 CHAIRPERSON BELL: Well that's not a question 17 for the Board of Police Commissioners, that's a 18 question for the DC. 19 DEPUTY CHIEF LaVALLEY: Yes. If my memory 20 serves me correct, in the last year there's been one, 21 the same Captain's been at the 2nd Precinct since 22 December of last year. 23 MS. PANNELL: Um-hum. We've had Renee Hall, 24 we had Captain Bettison, Captain Topp, and Brown. 25 DEPUTY CHIEF LaVALLEY: Okay. In the last

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

Page 29

1 year there's been one captain at the 2nd Precinct. That captain was removed about a week and a half ago. 2 There was a internal disciplinary matter that I don't 3 4 want to expand any on, but he was removed from his 5 There are a series of interviews that are position. 6 set up next week to interview a number of lieutenants that will be eligible for promotion to captain. 7 So 8 there will be a captain assigned there soon, but 9 because of some circumstances that are out of the 10 control of Chief or anybody else there, we had to make 11 a move there.

MS. PANNELL: Okay. Thank you very much.
CHAIRPERSON BELL: Thank you, Ms. Pannell.
MS. MAKINI: Hi, my name is Kinda Makini.

15 I'm here on behalf of the Inner City Youth Group. I'm 16 a board member with Harriet Tubman Center and I'm just a community member as well. But we're here about a 17 18 problem that occurred on July 24th at our facility. 19 And a parent came in. They were irate. And we had a 20 real big issue because we contacted the police station 21 and they arrived at a horrible time. The parent, we 22 were able to at least have them in the area, the 23 waiting area for a moment until he got irate because he 24 wanted to see his son. But it was an issue because the 25 state has their regulations where he's not able to see

Page 30

his son. But then after I kept coming back without, without his child, then he got irate. He went through the building, through the classroom. We were still able to keep his child in a safe place, but I had to hold up a door, so I wouldn't even, so the guy wouldn't even come in.

7 So my issue is the response time. The 8 solutions that I would like is an immediate response to 9 facilities that have children. When I called, my 10 number one issue was we have 80 kids in the building. 11 They already knew where we were, but they never came. 12 The response time, which is way over 15 minutes. So 13 when I told them that we were in the facility and we 14 had 80 kids in the building, it should have been a 15 response time of less than five minutes. I would like 16 three, you know, because I have, I had staff I had 17 workers, it was horrible, just the experience that we 18 had. Sandy Hook could have happened there, it could 19 have been a Columbine, and it was terrible. So we 20 would like something to be done about our response 21 time.

I would like another thing investigated because I spoke with Sergeant Harris over in the Chief Craig's office, and he, his, his response was we were lying about the time. He was saying that they came in

Page 31

1 looking for us, and I actually was out, the driver was, the police car was actually pulling up, and I went up 2 to the car because I had to go out another entrance of 3 4 our building. So the response and the lying of our sergeants, it was horrible. So I would like someone to 5 6 actually investigate that as well. And then I would like a couple lists of facilities in our city that 7 8 have, that have children and that operate there because 9 this is horrible. We can't have this ordeal at all. 10 And then also I want a response, we would like a response within 30 days just to see if you're 11 12 working on this issue because I'm speaking on behalf of 13 all facilities in Detroit, not just ours, but all 14 facilities.

15 CHAIRPERSON BELL: Ma'am, we have spoken by 16 telephone. I just want to give Mr. Anthony, our 17 Board's Secretary to respond to part of it, and Deputy 18 Chief LaValley because they did a little research. But we had a phone conversation in reference to this 19 20 matter, so if you'd allow us to speak at this time. 21

T sure will. MS. MAKINI:

22 SECRETARY ANTHONY: Thank you, Chair, for 23 I appreciate that. We did look into the matter that. 24 and the records that we have show that the call came in 25 to the dispatch at about -- or came into the, yeah,

HANSON RENAISSANCE hansonreporting.com

313-567-8100

dispatch center about 9:59. It was entered about 1 2 The car was dispatched at about 10:05 and about 10:01. 3 10:10 the car reported that it was on the scene and 4 investigating. It took about a half an hour 45 minutes 5 I guess for the issue to be resolved, but apparently 6 the officers did in fact speak with the gentleman or the parent on the scene. Not sure beyond that what may 7 8 have happened, but that's the information that we 9 received from the department.

10 CHAIRPERSON BELL: Deputy Chief, I don't know 11 if you are familiar with this matter?

12 DEPUTY CHIEF LaVALLEY: I'm not familiar with 13 this particular incident, and I certainly would 14 entertain or like to have the information both through 15 the Chief Investigator's Office to be investigated in 16 that matter. And then one of the ways that citizen 17 complaints are resolved, not necessarily all complaints 18 are resolved through discipline, a lot of complaints are resolved through policy changes or training, and 19 20 one of the things that we may look at as a result of 21 the citizen complaint is a policy change, and I can 22 explain a little bit to you about how calls are 23 prioritized.

24 MS. MAKINI: I understand how calls are 25 prioritized, but I would like to know, is there a

Page 33

1 protocol for facilities with children? Do you have 2 one, because we would like to see that?

3 DEPUTY CHIEF LaVALLEY: Yep, I understand. 4 That's where I was going with that is that locations where there are children, schools or daycare centers, 5 6 something of that nature, if those need to be moved up in the priority list in order to have cars assigned to 7 8 those calls first, that's a policy change that we need 9 to look at as a department to see if those types of 10 calls fall into the correct bucket, that's what we call 11 them, bucket of calls, to make sure that they're 12 dispatched first.

13 I'll tell you that from what attorney Anthony 14 just read off, those times, the intake time, there was 15 a two-minute delay, and what intake time is is the time 16 it takes the 911 caller to receive usable information. 17 A lot of times when people call, they'll say we need 18 the police, and then it takes a minute or two for the 19 911 operator to get the good information.

So from the time, it sounded like it was 10:01 to 10:10 when the officers got on scene there was a four-minute delay in dispatching. So that dispatching delay, a lot of that has to do with the availability of a unit. We re-tone units. So if a caller is on a priority three call and a priority one

7/3:	./2(	014
------	------	-----

1 call comes in, they'll hear a tone over the radio 2 alerting them that we have a higher priority call and 3 them we re-tone them, so we redirect them to the 4 priority call.

5 And I understand that, but --MS. MAKINI: 6 CHAIRPERSON BELL: Ma'am, we can't entertain that type of dialogue. We have heard you clearly and 7 8 the Deputy Chief responded, and I know one of the 9 commissions wants to respond also, then you can have 10 the opportunity to talk with Chief Investigator Drake, and we have talked one-on-one for about 15, 20 minutes. 11 12 I understand your concern clearly. And as Deputy Chief 13 said, we will look into that process in terms of policy 14 and procedure, but basically what we see initially the 15 response is great.

MS. MAKINI: That response was inaccurate though.

18 CHAIRPERSON BELL: Okay. Well we're not going to debate. We heard you clearly. We will look 19 20 into a formal investigation for you. Commissioner? 21 COMMISSIONER CRAWFORD: Yes, through the 22 Chair. Yes, ma'am. Thank you for coming in. I think 23 it's so important. One thing you did mention is very 24 very important is formulating a list of those type of 25 facilities or shelters because I do believe the

> HANSON RENAISSANCE hansonreporting.com COURT REPORTERS & VIDEO 313-567-8100

department has a list of domestic violence shelters,
and I think they are, correct me if I'm wrong, this is
years ago when I use to work at the department was kind
of prioritize anytime there was any kind of issue at a
domestic violence shelter was put at the top of the
calls.

Also too, I'd like once that policy is formulated or list also is put together that we get a copy, you know, the information in terms of the list and that's the department itself in policy or just information, make sure that that's kind of disseminated.

13 Also too, I want to thank you for coming 14 down, and when I saw you step up and like 20 people 15 stepped up with you, I was so glad that they didn't 16 yield their time for you because we'll be here for 80 17 minutes, and I say that because I use to do that, I 18 came before the Commission because you only get two minutes. But thank you very much and I hope that the 19 issue is resolved in terms of response time. 20

21 CHAIRPERSON BELL: I want to echo my thank 22 you too for a well organized venture here, and we're 23 going to definitely follow up in reference to your 24 concern. You heard the Deputy Chief on behalf of the 25 Chief, and Chief Investigator Drake is going to meet

1 with you. Perhaps you can just step out and she'll meet with your reference or concern. And really, you 2 brought something to my attention, and now it's our 3 4 attention, now it's the Department's attention. So 5 once again, thank you, and we're definitely going to 6 have interaction. And I share with you also the date that we meet in the community, I'm hoping that we have 7 8 some type of dialog prior to. But by all means, come 9 out just as strong as you come out this evening on 10 August the 14th we've invited. And thank you, 11 Reverend, for giving me the heads up, friendly type 12 interaction, appreciate it. 13 MS. MAKINI: Thank you. 14 CHAIRPERSON BELL: Any other comments, 15 Commissions, in reference to this issue? Any other 16 comments from the audience as far as their two minutes 17 communication? Yes, sir. 18 CHAIRPERSON BELL: Just identify yourself,

19 please.

20 MR. GOMEZ: Yes. My name is Edgar Gomez. 21 I'm organized with the fellow of the Youth Voice, a 22 project of the Harriet Tubman Center. Good afternoon, 23 Commissioners. Yes, you know we're here and something 24 came to my mind. Youth Voice Is a youth driven 25 organization that works on creating policy changes that

Page 37

1 affect youth, and we're currently working on starting up a new program called Project WHAT. Project WHAT 2 3 stands for We're Hear And Talking. It is a program 4 that started off in California, we're trying to adopt it here in Detroit and Flint. And what Project WHAT is 5 6 is a program that helps youth of incarcerated parents, to give them peer-to-peer mentor, to be able to train 7 8 counselors, teachers and officers on how to deal 9 whether other youth of incarcerated parents. I'm 10 trying to keep it as short as possible. And we're 11 currently trying to fund the program by through 12 IndieGoGo.com. Have you guys heard of that before? So 13 it is a website to help support the program, and if you 14 guys want to check it out, just search IndieGoGo.com. 15 And in the search bar you can type in Project WHAT 16 Michigan or Michigan Project WHAT and it should be the 17 first link. And on that link there's a video and 18 there's information about the program. You know, I hope you guys could check it out, you know. 19 The 20 video's only two minutes, there's a lot, and there's, you know, there's a lot of information. If you guys 21 22 have anymore questions I'll be here for a little bit. 23 These are my Youth Voice members and, you know, they 24 have so much to tell you about the program. And do you 25 have any questions?

7/31	/2014	Į
------	-------	---

1 CHAIRPERSON BELL: Commissioners? 2 COMMISSIONER CRAWFORD: Yes, through the 3 Chair. I'd like to hear from one of the youth about 4 the program.

MR. GOMEZ: Of course, of course.

5

6 MISS RAINES: Good afternoon. Project WHAT, 7 as he stated, was started in California in 2008. 8 Amanda Alexander, a student as well as a lawyer at 9 Michigan Law School, University of Michigan Law School, 10 she is working to start one here. Currently we're 11 funding for, basically for children to have a voice.

12 There's an issue with when arrests are made 13 of a parent and the child is present, there have been 14 times when the child has been left there with no way of 15 knowing what's happening, what's going on. So they 16 have constructed a Bill of Rights of I have the right 17 to see and touch my parent. I have the right to know 18 what's going on with my parent's arrest.

There's also an issue where Michigan spends more money on prisons than we do on education, so we're working on possible reform on that.

We're working on visitation issues. If, let's say if my uncle was arrested and that was my primary caregiver, I wouldn't be able to visit him. So that's -- so we're work with changing, we're working on

1 changing policies and making Project WHAT an impact 2 here. CHAIRPERSON BELL: Any other comments? 3 I'm 4 sorry, what's your name? 5 MISS RAINES: Toni Raines. 6 CHAIRPERSON BELL: Are you a high school student? 7 8 MISS RAINES: I'm 17-years-old and I attend 9 Renaissance High School. 10 CHAIRPERSON BELL: Which high school? 11 MISS RAINES: Renaissance High School in 12 Detroit. 13 CHAIRPERSON BELL: Renaissance, did I hear 14 Renaissance? I just really want to commend these young 15 people who have taken time to come to the Board of 16 Police Commission engaging in the democracy process at 17 an early age, so that's awareness of how you impact 18 society. You're not waiting until you get 21, you are 19 starting now and we have more young people like 20 yourself and others would really really be encouraging, so I just want to commend you once again. Thank you on 21 22 behalf of the Board coming out and sharing those 23 concerns. And I think we would look forward to more 24 information because you're trying to impact policy too, 25 and that's interesting, and I just want to thank you

Page 40

	once again. Yes, sir?
2	DEPUTY CHIEF LaVALLEY: Yes, through the
3	Chair. Have you been in contact with anybody from the
4	Police Department to work with them, Commander Bettison
5	or Sergeant Collier, anybody from the Chief's Office?
6	MS. RAINES: We haven't directly. I'm not
7	too sure of the actual founder or funder of Project
8	WHAT but this is kind of a project of the Harriet
9	Tubman Center and the Youth Voice.
10	DEPUTY CHIEF LaVALLEY: Okay. Well if you're
11	interested I can put you in contact with the right
12	people in the police department to maybe make some of
13	those policy proposals a reality at least.
14	MS. RAINES: We would greatly appreciate it.
15	DEPUTY CHIEF LaVALLEY: From the DPD end I
16	know you're looking to do it statewide and probably
17	nationwide, but at least here in the City of Detroit.
18	So after the meeting I can put them in contact with
19	Commander Bettison's office.
20	CHAIRPERSON BELL: I see you're anxious to
21	get to the mic, so you've got two minutes.
22	MISS SHELL: Hello. My name is Asia Shell.
23	I'm 17-years-old, and I also attend Renaissance High
24	School. We give presentations on Project WHAT if you

1 CHAIRPERSON BELL: Okay, absolutely. 2 MISS SHELL: You can see us after the meeting if you'd like. Thank you. 3 4 CHAIRPERSON BELL: So you're requesting a 5 presentation in the future? 6 MISS SHELL: Yes. CHAIRPERSON BELL: Sure, we would entertain 7 8 that and we'll see you after the meeting with our Board 9 secretary and perhaps a community meeting might be a 10 good opportunity where we have more community people 11 attending. And once again, you have an interest in 12 criminal justice? 13 MISS SHELL: Yes. 14 CHAIRPERSON BELL: Well just in case, we are 15 actively recruiting for the Detroit Police Department. 16 And so as you pursue college, you know, whatever that 17 is, but we're looking for good people like yourself who 18 might have an interest in criminal justice, especially for the -- I can only plug DPD, Detroit Police 19 20 Department. There are other entities out there, but I 21 just wanted to put a plug in for the Detroit Police 22 Department. Commissioner Crawford? 23 COMMISSIONER CRAWFORD: Yes, through the 24 Again, I went to thank you for coming. Chair. Also 25 too, yeah, activism is important, and I can assure you

Page 42

1 we'll see some impact from your activism. I personally know what you're talking about. I worked with deputy 2 at the Wayne County Jail. Last year there was a young 3 4 man who came through the Wayne County Jail, I think he was about 17, 18-years-old, and just what you expressed 5 6 about parents getting arrested, his mother was arrested. And then he was out there on the street to 7 8 fend for himself and his 14-year-old brother. And, of 9 course, he got involved in something such as selling 10 drugs, so he was arrested. So that is very real in terms of a breakdown in communication, in terms of the 11 12 children being left out there to fend for themselves, 13 even though they may be 17, 18-years-old, but if this 14 is the primary caregiver in the house, that is an 15 issue. And yes, somebody said yeah, we spend more 16 money on prisons than education. I know the stats, 2.4 17 million people incarcerated in American, largest prison 18 population in the world. Supposed to be the most industrialized, civilized country in the world. 19 More 20 people incarcerated here than anywhere, for over 45,000 in the State of Michigan, and as we stand or you stand 21 and I sit here today, 18,000 are walking through Wayne 22 23 County Jail since the 1st of the year, 17,800 and some 24 last night. So 18,000. We average over 31,000 the 25 last two years passing through the Wayne County Jail.

1	So again, I understand what you're talking about and it
2	is an issue, so thanks for coming.
3	MISS RAINES: Thank you.
4	CHAIRPERSON BELL: Thank you. I know young
5	guys might want to say something. Seem like we always
6	step back, so I'm going to give you an opportunity,
7	sir.
8	MR. HARRIS: Hello, my name is Jerome Harris
9	Cody High School.
10	CHAIRPERSON BELL: What high school?
11	MR. HARRIS: Cody High School.
12	CHAIRPERSON BELL: Cody. I would like to say
13	referring to the incarcerated parents like I done seen
14	my parent get arrested before, and since me seeing
15	that, it was like I couldn't see him or touch him or
16	even speak to him. I feel like that's wrong because
17	that's my daddy, you know, so I feel like that's what
18	we're working towards and hoping that policies and
19	services get changed for kids who have their parents
20	arrested.
21	CHAIRPERSON BELL: Thank you.
22	COMMISSIONER CRAWFORD: I'm sorry, I might
23	add, you may want to go speak with the Wayne County
24	Sheriff Benny Napoleon and do a presentation,
25	definitely, the Wayne County Sheriff.

1	CHAIRPERSON BELL: Ms. Taylor?
2	COMMISSIONER TAYLOR: Yes. I would like to
3	talk with you afterwards, all of you, because I'm on
4	commission for Community Action Economic Opportunity
5	which is a state board that deals with policy change,
6	and I also we're do doing some things, I work with
7	incarcerated parents, so maybe there's something we
8	could, definitely something we can do, especially in
9	the area of policy change.
10	CHAIRPERSON BELL: You're speaking to the
11	right group. We have a wealth of talent in here, so I
12	just once again thank you. Anyone else?
13	MR. GOMEZ: Just finishing touch.
14	CHAIRPERSON BELL: Yes, sir.
15	MR. GOMEZ: Our IndieGoGo support website,
16	our last date is August 22nd. We do want to have
17	presentations as soon as possible, so if you guys have
18	a location or place in mind, you know, please let us
19	know. If you would like our information to write it
20	down, once again, my name is Edgar Gomez and my e-mail
21	edgar.gomez@tubmanorganizing.org, and my phone number
22	is (313)622-5201. Thank you.
23	CHAIRPERSON BELL: Thank you, sir. Any other
24	audience participation?
25	MR. GOMEZ: Thank you.

3 MR. X: Hello, my name is X, and I wanted to 4 talk about there's a crack house at 8646 Penrod. Thev 5 are squatters and there's also drug dealers selling 6 crack cocaine out of the house. The police know that they're there. I've also reported them through the 7 8 Secret Witness Program where, where, where, where I 9 don't have to give my identify and they don't pay, they 10 don't pay any taxes. They're selling drugs, crack cocaine, and the police don't -- the police know 11 12 they're, they're, they're, that they're there, and the 13 police are not doing nothing about it. They've been 14 there since last, last winter and the police know, the 15 police know that they're, they're doing that and, and, 16 and, and they're not doing anything about it. My 17 neighbor, he's a good friend of mine. He moved out of 18 that house last winter and they are moved in and, like I said before, they're squatters. 19

20 CHAIRPERSON BELL: Okay. Sir, you have given 21 us the address, right?

22 MR. X: Yeah.

25

23 CHAIRPERSON BELL: And we will look into 24 that, have you previously called 224-DOPE?

MR. X: Yeah, I've called, 222 --

1 CHAIRPERSON BELL: I appreciate it. 2 MR. X: Uh, yeah, crackhead assholes. 3 CHAIRPERSON BELL: Okay, sir, sir. Thank you 4 we have the information. The deputy chief is taking 5 notes too and we have. Thank you. Thank you. 6 COMMISSIONER WHITE: Mr. Chair. 7 CHAIRPERSON BELL: Yes, sir. COMMISSIONER WHITE: 8 Just in response, the 9 gentleman referenced his name and also referenced the 10 fact that he was part of an anonymous tip on this piece so I would just ask that the individual's name be 11 stricken from the record. 12 13 CHAIRPERSON BELL: Thank you, sir. Any other 14 comments from the audience? If not, this portion is 15 closed. And I just want to make mention, again, we'll be meeting here again August 7 at 3 p.m. here at 16 17 headquarters, and community meeting is scheduled for 18 August 14, and you know the location, it's on your 19 handout. The time, what time is it going to be held? 20 6:30. So share that with your friends and neighbors, 21 etcetera. So if there's no other comments from the 22 Commission, the Chair would entertain a motion to 23 adjourn. 24 COMMISSIONER WHITE: So moved.

25 COMMISSIONER TAYLOR: Second.
