12	SECRETARY ANTHONY: Mr. Chair, you have

14	COMMISSIONER WHITE: Thank you,
15	Mr. Secretary. If you would also introduce our

1	the Chief's Office.
2	Thanks for being with us, sir.
3	DEPUTY CHIEF LeVALLEY: Thank you.
4	SECRETARY ANTHONY: At this time I
5	don't believe we have I don't see a chaplain

7	wouldn't mind, sir, if you could grace us with an
8	invocation.
9	COMMISSIONER BELL: Let us pray.
10	(INVOCATION WAS GIVEN.)
11	(COMMISSIONER BURTON ARRIVES.)
12	COMMISSIONER WHITE: Thank you,
13	Commissioner. The Chair would like to note the

15	Good to see you, sir.
16	At this time, Commissioners, before us

19	COMMISSIONER MOORE: So moved.
20	COMMISSIONER SHELBY: Second.
21	COMMISSIONER WHITE: Properly moved and

3	COMMISSIONER MOORE: So moved.
4	COMMISSIONER BELL: Second.
5	COMMISSIONER WHITE: Properly moved and
6	supported. Any discussion? Seeing none, all
7	those in favor?
8	COMMISSIONERS: Aye.
9	COMMISSIONER WHITE: Opposed? Thank
10	you very much. Madam Chair, is there an official
11	Chairperson's report?
12	COMMISSIONER TAYLOR: Not today.
13	COMMISSIONER WHITE: Seeing none, we
14	will move to our report from the Office of the
15	Chief.
16	DEPUTY CHIEF LeVALLEY: Thank you.
17	We're going to have a presentation today on
18	Criminal Investigation Bureau. Capt. Eric Decker
19	from Homicide is going to give that presentation.
20	CAPT. DECKER: Good afternoon, Board.
21	COMMISSIONER WHITE: Good afternoon.
22	DEPUTY CHIEF LeVALLEY: There was a
23	request last week for a list of the lighthouse
24	locations throughout the city and AC White
25	prepared a letter to the Board that lists all of

1	the current lighthouse locations throughout the
2	city, so I can present that.
3	COMMISSIONER MOORE: Through the Chair,
4	Deputy Chief LeValley, do you also have a list of
5	the different borders, boundaries of the
6	precincts, that was also requested last week.
7	DEPUTY CHIEF LeVALLEY: Yes. That is
8	not finished yet. The maps are still being
9	prepared and put together, so that will be
10	forthcoming from AC White's office to the Board.
11	Additionally I know there was a request
12	for Director Simon from Homeland Security to come
13	before the Board. AC White indicated last week
14	that Director Simon would be here this week, but
15	he is out of town and AC wasn't aware of that,
16	but he does have arrangements for him to be here
17	next Thursday on the 29th.
18	COMMISSIONER MOORE: All right, thank
19	you.
20	COMMISSIONER WHITE: Commissioners, as
21	we're waiting for the presentation, I will
22	highlight for the benefit of our community that
23	is here today these lighthouse locations. The
24	following list identifies lighthouse locations
25	within the City of Detroit.

1	Blue Cross/Blue Shield, Book Cadillac
2	Hotel, Cobo Center, Comerica Park, Compuware
3	Quicken Loans, Courtyard Marriott, Stays Inn &
4	Suites, Detroit Athletic Club, Detroit Medical
5	Center, Detroit Police Department 20 Atwater, DTE
6	Energy, Ford Field, Fox Building, Greektown
7	Casino, Ilitch Holdings, Incorporated, Fox
8	Theatre, Joe Louis Arena, Marriott Renaissance
9	Center, McNamara Building, MGM Casino, Motor City
10	Casino, Opera House, Penobscot Building,
11	Renaissance Center, Riverfront Conservancy, Rock
12	Ventures which includes Quicken Loans and a
13	family of companies, Chase Building, Dime
14	Chrysler House, First National Building and the
15	Madison Building as well as 211 West Fort Street
16	courthouse and I will forward this to Secretary
17	Anthony that we might get copies to the body.
18	CAPT. DECKER: Good afternoon. Eric
19	Decker, I'm Captain of Homicide. I apologize in
20	advance here. Kind of late notice on this
21	presentation, a little switch of manpower, some
22	people that couldn't be here. I'm part of CIB
23	and this is concerning the Criminal Investigation
24	Bureau, the CIB, of Detroit currently under Asst.
25	Chief Steven Dolunt and Deputy Chief Darryl

1	Brown.
2	The CBI is comprised of about five
3	major entities, the Investigative Operations
4	which are the precinct detective units, the
5	Special Victim Unit which includes sex crimes,
6	child abuse and domestic violence, Taskforce
7	Administration, Homicide and Organized Crime.
8	Criminal Investigation Bureaus are
9	under Capt. Whitney Walton. These are all 12
10	precincts currently have a PDU. There's a
11	lieutenant who reports not only to Capt. Walton,
12	but in conjunction with the captain to each
13	precinct.
14	Their responsibility is to investigate
15	all Part 1 crimes occurring in that precinct as
16	far as armed robbery, unarmed robbery, non-fatal
17	shootings, home invasions, burglaries, businesses
18	and their attempts.
19	I believe I'm not sure how this
20	Powerpoint goes there we go. Since January,
21	2014 in-custody warrants submitted 1379,
22	not-in-custody warrants 859. This is an increase
23	of 37.4 percent compared to last year.
24	The closed or been assigned 3,536
25	cases, 369 cases been closed. Again, I

1	apologize, I hadn't read this in advance, just
2	kind of winging it here.
3	Large restructuring recently by the
4	introduction of the detective training program
5	which is geared towards nurturing police officers
6	who want to pursue the rank of detective.
7	We believe this program will not only
8	increase the demand to become a detective, but
9	also increase the skill level of detectives
10	already in the field.
11	We believe this will have a positive
12	effect of our closer rate. This is something
13	that's just going into effect. As you may or may
14	not know, there was a testing for rank of
15	detective, that's been completed now and shortly
16	they will be coming into the PDUs and other
17	investigative entities.
18	Special Victims again comes under sex
19	crimes, child abuse and domestic violence.
20	Currently Lt. Joe Tucker is in charge of Special
21	Victims Unit.
22	Look at year-to-date totals, domestic
23	violence itself has taken 982 felony complaints,
24	closed 712 of those, had 1,955 misdemeanor

25

complaints and closed 2,937, the 2,799 closure

1	rate of 95 percent combined there, you have some
2	previous years in there.
3	Probably one of the most busy units in
4	the city actually, very small manpower-wise, do a
5	heck of a lot of work, close a lot of cases.
6	Sex Crimes year-to-date 654, known
7	offender cases 436, unknown offender cases 218,
8	they've made 71 arrests, prepared 93
9	not-in-custody warrants, 43 in-custody warrants
10	and made 351 law enforcement notifications.
11	Child Abuse, year-to-date case load
12	653, 18 in-custody arrests, 24 not-in-custody
13	arrests, total cases closed 267 and 386 law
14	enforcement notifications.
15	Taskforce Administration, several
16	different entities in there, CVRP which is
17	Cooperative Violence Reduction that's
18	Comprehensive that's actually a unit in
19	Northwest dealing with violent crime over there.
20	Our Fugitive Apprehension Team, DFAT,
21	all sorts of felony warrants but they do all the
22	work for Homicide. When we obtain warrants, they
23	go after the worst of the city.
24	Violent Gang Task Force is in federal
25	conjunction with FBI, different other agencies,

1	also work in violent crime. Gang Intelligence is
2	relatively new in the city, a new unit comprised
3	of about one sergeant and 12 officers focused on
4	establishing gangs, keeping track of the gangs
5	in the city.
6	Also under Organized Theft is CATS
7	which is Commercial Auto Theft, Vice and
8	Narcotics.
9	Some interesting facts there. GIST
10	which has only been in operation I believe since
11	March.
12	DEPUTY CHIEF LeVALLEY: Of last year.
13	CAPT. DECKER: In that time it's made
14	113 arrests ranging from traffic warrants to
15	homicide, confiscated 44 weapons. This is a
16	combination of all the other taskforces, 370
17	felony arrests, 262 misdemeanor arrests, 564
18	arrest attempts, 105 weapons recovered and a
19	little over 2,700 people investigated.
20	Narcotics is under Lt. Charles
21	Flanagan. Year-to-date totals since first of the
22	year 1,004 arrests, 413 felony arrests, 902
23	juveniles and adults investigated, 585
24	narcotic-related raids conducted, 187 street
25	enforcement operations, confiscated over 236

1	weapons and confiscated 86 vehicles.
2	A whole lot of cocaine, a whole lot of
3	heroin, bunches of marijuana, get down to the
4	totals there, estimated street value of the drugs
5	that come off the street, this is year to date
6	\$14,871,000 that's actually in the millions I
7	believe.
8	Narcotics proceeds, almost \$1.5 million
9	in proceeds, so a lot of narcotics coming off the
10	streets.
11	Something I actually know a little bit
12	about, Homicide. Since yesterday's date up to 90
13	homicides for the date for the year. We
14	actually closed 42 now and there's actually been
15	30 cases closed from previous years as of this
16	morning.
17	Also have a couple sitting over at the
18	Prosecutor's, a few people that we haven't got in
19	custody yet. Currently we're looking at
20	year-to-date just under 50 percent. I looked at
21	it yesterday, probably have another seven or
22	eight that the subject has been identified,
23	they'll close relatively shortly, put me at about
24	60 percent year to date.

But what the FBI goes on previous year

1	closures actually at 80 percent today. National
2	average is about 62 percent and then with the not
3	in custody's and the pending warrants it's
4	actually 90 percent which is historically some of
5	the highest ever for Detroit and actually
6	nationwide very high, and very proud of that.
7	All this Crime Scene Services. Don't
8	get a lot of gredit but they are again a very

2.1

All this Crime Scene Services. Don't get a lot of credit, but they are, again, a very small unit and they do a lot of work. Been out to 1,674 crime scenes, they've processed 415 handguns, 82 long guns, recovered 715 casings, 327 bullets and went to 1,381 narcotics cases processed. A lot of work again by a very small unit.

In closing, CIB is a very important component to the Detroit Police Department, but also to the citizens we serve. I hope that this presentation has been enlightening and informative and has given you a better understanding of our commitment to bettering the quality of life for the residents and visitors to the city of Detroit.

And thanks to Sgt. Potts for preparing this and calling me to present it. Questions from the Board?

1	COMMISSIONER WHITE: Thank you, Capt.
2	Decker. Commissioners, any questions?
3	COMMISSIONER SHELBY: Through the
4	Chair, on homicide cases that have not been
5	closed, do you have a procedure how often do
6	you go back and revisit those cases?
7	CAPT. DECKER: The closed cases?
8	COMMISSIONER SHELBY: No, the cases
9	that have not been closed, your open cases.
10	CAPT. DECKER: I talked about it last
11	time how we have this Case Track System that
12	we're following the cases. My lieutenants are
13	doing about a monthly review, I'm doing probably
14	about the same. Year-to-date cases, just looking
15	through, going back through.
16	Of course the homicide cases are never
17	closed. Get a lot of calls and I'm sure you guys
18	are all aware, a lot of citizens call. The Case
19	Tracks allows me to go back in the system without
20	actually pulling the file and see if there's
21	anything else.
22	What we're looking for is have we done
23	everything we possibly can up to that point,
24	exhausted all leads. A lot of unfortunate cases
25	require some more evidence to come forward or

1	some sort of eyewitness to come forward. It
2	doesn't always happen. I've talked to a lot of
3	citizens and a lot of people and I've told them
4	that, you know. We've done everything we can.
5	Sometimes we have a second set of eyes on there.
6	We had a Cold Case Squad. I rely on some of the
7	people from that to say yeah, we've done
8	everything at this point, let's take another look
9	at it and see if there's anything else.
10	New technology, biggest ones are new
11	witnesses coming forward. Give you a time, I
12	can't say we do it every 30 days, but an average
13	right now is myself and lieutenants look into
14	them about every 30 days.
15	COMMISSIONER SHELBY: I just have a
16	question through the chair. How effective is the
17	1-800-SPEAKUP?
18	CAPT. DECKER: Excellent, it's been
19	extremely effective this year. We've solved a
20	lot of cases. Can't say we wouldn't have done it
21	without them. We look back at the East English
22	Village, shot at a school, tips came in over that
23	weekend phenomenal.
24	Guys were going in the right direction,

same on the CVS case, excellent. The citizen

Page 17 1 contacting, especially going through there 2 anonymously, been excellent. We've closed a lot 3 of cases from them. 4 COMMISSIONER WHITE: Any other 5 questions? 6 DEPUTY CHIEF LeVALLEY: If I may add, 7 Crime Stoppers and the 1-800-SPEAKUP, they have a 8 full-time representative that is embedded in 9 Homicide, so they work throughout eight counties 10 in Southeast Michigan, but they specifically 11 dedicated a full-time employee to be at Detroit 12 Homicide and highlight our cases. 13 COMMISSIONER WHITE: Thank you. 14 Commissioner Crawford? 15 COMMISSIONER CRAWFORD: Through the 16 Chair. Yes, sir, to date 90 homicides. Do you 17 have any information as to last year how many we 18 were up to this date? 19 DEPUTY CHIEF LevalLey: 119. 20 CAPT. DECKER: We're about 24 percent 2.1 down. 2.2 Thank you. COMMISSIONER CRAWFORD:

COMMISSIONER MOORE: Thank you,

Moore?

1	Mr. Chair. The difference between interviews and
2	interrogations, can you please expound upon that?
3	CAPT. DECKER: Interrogation is an
4	in-custody term, it's of a suspect. There's some
5	Miranda-applicable rights to that.
6	An interview is simply that, it's
7	talking back and forth to try to get out some
8	information. Interrogation is under a custody
9	setting.
10	COMMISSIONER MOORE: How is the
11	cooperation between citizens as far as being
12	witnesses, victims along with the detectives, how
13	is that working?
14	CAPT. DECKER: Unfortunately there is
15	reluctance sometimes to be a witness. I think
16	that culture is getting better in the city.
17	Certainly there's always fears, there's
18	apprehension to come forward. Depends on the
19	level of the case.
20	I would say homicide, the cooperation
21	is a lot better than other cases, especially like
22	B&Es from breaking and enterings from there
23	because of the whole nature of the offense.
24	You know, we can't the police can't

do it without citizens' help. It's something we

1	protect our citizens, our witnesses. It's
2	something we have to do and we need that
3	cooperation with the citizenry.
4	COMMISSIONER WHITE: Any other
5	questions?
6	COMMISSIONER BELL: Captain, we have a
7	similar program, similar Crime Stoppers with the
8	high school people, kids, and I wouldn't I
9	can't think of the name of the program. East
10	English Village, something similar, called in the
11	tip line, I don't know the proper name for it.
12	DEPUTY CHIEF LeVALLEY: Yes, I can't
13	remember the name of it either. There's a
14	retired basketball player that runs the program.
15	I'm familiar with it. He goes around to all the
16	schools and encourages students to give
17	information and call in tips because a lot of
18	high school students have a lot of information
19	about what's going on on the street, and I know
20	I can't remember the exact number of tips,
21	it's been a significant number of tips being
22	called in.
23	And actually believe it or not they
24	offer a \$100 reward, any tip that the students
25	will call in. The majority of the students don't

1	pick up the reward, so it just seems like they
2	want to have an avenue to get the information out
3	because they know that people are doing stuff
4	that's wrong and they want to get that
5	information out.
6	They phone it in, it's not something
7	that's done through the police department, they
8	phone it in, they receive a control number over
9	the phone and they can go pick up their reward
10	anonymously. Most don't pick it up, but they're
11	still giving good information.
12	COMMISSIONER BELL: Mr. Chair, perhaps
13	in the future we can perhaps share that at our
14	community meeting because I thought that was key
15	to the shooting at the high school that they were
16	sharing that information. I didn't know that
17	they don't take advantage, they phone it in.
18	So that's a culture that we really need
19	to promote in the community to make them aware
20	from adults to the high school students and
21	middle school, that type of thing.
22	COMMISSIONER WHITE: Any other
23	questions?
24	COMMISSIONER CRAWFORD: I have one

question through the Chair. In terms of your

1	video, doing video interrogations, we are in
2	terms of some of your homicides, you're going
3	video?
4	CAPT. DECKER: Yes, all our homicide
5	interrogations are video. As you may or may not
6	know, Homicide is currently on the 5th floor of
7	this building here. All the rooms are equipped
8	and then our Detroit Detention Center, the rooms
9	are also equipped with video over there, so all
10	homicide interrogations are being conducted under
11	video.
12	COMMISSIONER CRAWFORD: Thank you.
13	COMMISSIONER WHITE: Any other
14	questions?
15	COMMISSIONER BURTON: Through the
16	Chair, I want to make a statement. I just want
17	to say you guys over at the bureau, you all are
18	doing a fantastic job, very impressed with the
19	presentation you presented here. I want to say
20	job well done, you guys are working hard. Please
21	keep up the good work.
22	CAPT. DECKER: Thank you, sir.
23	COMMISSIONER WHITE: Any other
24	questions? Thank you, sir. DC, anything
25	further?

1	DEPUTY CHIEF LeVALLEY: No sir.
2	COMMISSIONER WHITE: Thank you. Are
3	there any standing committee reports?
4	COMMISSIONER MOORE: Through the Chair,
5	we have concluded a written reprimand hearing
6	informally so we wouldn't belabor the board with
7	a full-blown hearing. Other than that no, sir.
8	COMMISSIONER WHITE: Any other
9	committee reports? Seeing none, any new
10	business? Old business, Mr. Secretary or
11	counsel, Ms. Sabree?
12	ATTORNEY SABREE: Yes. Good afternoon
13	to the Board. Aliyah Sabree for the record.
14	I am standing here today because I am
15	requesting that the Board revisit a decision that
16	you all made back on March 27 at my
17	recommendation regarding Acting Lt. Andrew
18	Schwedler who is a member of Detroit Fire
19	Department.
20	During his hearing the Board had a
21	closed hearing to address his appeal. He's a
22	disqualified applicant and based on my
23	recommendation you all denied his appeal, and
24	from the date of March 27 through meetings with
25	MCOLES as well as speaking to a Michigan State

1	LEIN policy analyst I received very valuable
2	information that has changed the dynamics of
3	Mr. Schwedler's applicant file.
4	And without getting into the details of
5	his personnel file and his background, I believe
6	that he is now qualified for MCOLES
7	certifications and I believe his record does not
8	prevent him from performing any duties as an
9	arson investigator so I'm asking that the Board
10	revisit the decision and allow him to re-enter to
11	the Detroit Police Department to finish the
12	academy to be an arson investigator.
13	COMMISSIONER WHITE: Counsel, is that a
14	request for a closed session hearing, and if so
15	is it your intent to hold that today?
16	ATTORNEY SABREE: That would be up to
17	the Board, but yes, a request to hold a closed
18	session hearing if you all have questions and
19	want to address the issue.
20	And I also want to say that I did
21	provide the Board with a written recommendation
22	in much more detail, but it's at the pleasure of
23	the Board when you want to hold the session.
24	COMMISSIONER WHITE: Thank you,
25	counsel. Members, what is in fact your pleasure?

1	I'm not sure if everyone has had the opportunity
2	to look through the new information that has been
3	presented to date, but certainly a motion can be
4	in order to schedule this at an appropriate time
5	in the immediate near future.
6	COMMISSIONER BELL: Mr. Chair, would
7	the Board be supportive of moving on this item
8	with the new recommendation since we have taken
9	time to revisit this matter. I would go your
10	recommendation is that we go forth in reference
11	to reinstating
12	ATTORNEY SABREE: That's correct.
13	COMMISSIONER BELL: That would be my
14	motion if it's proper.
15	COMMISSIONER MOORE: Second.
16	COMMISSIONER WHITE: Properly moved and
17	supported. Just for clarity, I do believe
18	Commissioner Bell, that the intent of your motion
19	is not to hold an additional hearing, but to
20	allow this candidate to move forward in the
21	process?
22	COMMISSIONER BELL: Mr. Chair, that
23	would be correct.
24	COMMISSIONER WHITE: Any further

discussion? Seeing none, all those in favor?

1	COMMISSIONERS: Aye.
2	COMMISSIONER WHITE: Opposed? Thank
3	you very much.
4	ATTORNEY SABREE: Thank you.
5	COMMISSIONER WHITE: Any further old
6	business before us? Seeing none, under
7	announcements, our next meeting for the Board of
8	Police Commissioners will be held Thursday, May
9	29, 3 PM here at the Detroit Public Safety
10	headquarters 1301 Third Avenue, Michigan Room,
11	Detroit, Michigan 48226.
12	At this time we will have oral
13	communications from the audience. If you wish to
14	address the Board of Police Commissioners we
15	would ask that you come forward, for the purpose
16	of the record please state and spell your first
17	and last name and also be mindful of the
18	two-minute allotted time period that will be
19	demonstrated by our counsel to my right and to
20	your left.
21	MR. HOPKINS: Hi, my name is Steven
22	Hopkins. I represent Lakeridge Village. We're a
23	community-based organization here in the city of
24	Detroit. We rehab old drug houses and apartment
25	buildings and turn them into clean family living.

1	We give away from 70 tons of food a week making
2	us the largest food giveaway in the city of
3	Detroit.
4	Obviously, we couldn't do that without
5	when you're moving drug dealers out of
6	apartments, you can't do it without the help of
7	the Detroit Police Department. So I'm here today
8	to give an invite to the Detroit Police
9	Department to come and witness us give a
10	proclamation, a Spirit of Detroit award, to a
11	particular Sgt. Haddock, 12th Precinct who has
12	without delay has made hisself available to us
13	and any officer that works the same beat worth
14	his salt that works the same streets, they should
15	have a phone number for the citizens in the
16	community where they can call because, you know,
17	citizens know where crime is and know what's
18	going on in their neighborhood, and this officer
19	does.
20	So on behalf of Lakeridge Village we're
21	going to present the Chief's Office with an
22	invite to come witness us give a City of Detroit
23	Spirit of Detroit award, a proclamation from the
24	Wayne County Commissioners and a plague in the

25

shape of the badge to this officer who has been

5/22/2014

	Page 27
1	outstanding in the 12 Precinct we think, so can I
2	approach
3	COMMISSIONER WHITE: You can give it to
4	
5	MR. HOPKINS: Thank you very much.
6	(APPLAUSE).
7	COMMISSIONER WHITE: Thank you for the
8	good work that you're doing. Excuse me,
9	Mr. Hopkins, could you let us know that date and
10	time?
11	MR. HOOPKINS: It will be given to him
12	June 14 at 11 AM and I must invite you all to
13	15941 Fairfield in the city of Detroit.
14	We give away I'll tell you, we don't
15	give away just giveaway food, we give away
16	grocery store food that you go pay money for. We
17	give away 70 tons of real milk, real groceries,
18	real eggs, real bread. You're welcome to come
19	and get as much as you like. Thank you.
20	MR. ECTOR: Good afternoon. My name is
21	Rick Ector. Thank you for allowing me to have
22	the opportunity to address the Board.
23	Particularly I would just like to just
24	focus on just one issue, pertains to the Chief of
25	Police comments he's been making in the news

1	media. Most recently would be through the
2	National Rifle Association's First Freedom
3	magazine.
4	As a gun owner, a CPL holder, a member
5	of the National Rifle Association I would like to
6	show my appreciation and support to the Chief for
7	making those pro-self-defense comments. He has a
8	lot of supporters here in the city of Detroit and
9	I just want to make sure that despite a lot of
10	things you may have heard at other board meetings
11	with regards to individuals who did not
12	appreciate those pro-self-defense comments
13	asserting that citizens have the right to defend
14	themselves, asserting that they have the right to
15	defend their homes and asserting that citizens
16	have the right to open carry in the city of
17	Detroit.
18	So with that I just want to say thanks
19	to the Chief for making those pro-self-defense
20	comments.
21	COMMISSIONER WHITE: Thank you, sir.
22	(APPLAUSE.)
23	COMMISSIONER WHITE: Commissioner
24	Crawford?

COMMISSIONER CRAWFORD: Through the

1	Chair, Mr. Ector?
2	MR. ECTOR: Yes.
3	COMMISSIONER CRAWFORD: Are you a
4	resident of Detroit?
5	MR. ECTOR: Yes, I am, sir.
6	COMMISSIONER CRAWFORD: Do you have a
7	business here?
8	MR. ECTOR: A business? Yes, I'm a
9	firearms instructor, correct.
10	COMMISSIONER CRAWFORD: Do you support
11	open carry?
12	MR. ECTOR: Yes, I do, it's the law,
13	yes. And the Chief made a statement that was
14	quoted in the paper that he recognizes that open
15	carry is indeed legal, correct.
16	COMMISSIONER CRAWFORD: But you
17	couldn't open carry your weapon up in here?
18	MR. ECTOR: Well, here's the thing.
19	COMMISSIONER CRAWFORD: There are
20	restrictions.
21	MR. ECTOR: Well, there are
22	restrictions and the thing that I want to stress
23	is that we have a preemption law in the state of
24	Michigan. The State and the Federal Government
25	are the only entities in the state that can

1	define gun-free zones and according to the
2	concealed carry statute, MCL 28.4250 police
3	stations is not listed, neither is it listed in
4	the MCL 750.234(d).
5	COMMISSIONER CRAWFORD: But you can't
6	open carry in police headquarters, police
7	stations.
8	MR. ECTOR: Well, you guys had a gun
9	screening station, so
10	COMMISSIONER CRAWFORD: Or stadiums,
11	bars, churches, private businesses that prohibit
12	you from bringing a weapon in there, is that
13	correct?
14	MR. ECTOR: Let me make sure that we're
15	clear. MCL 750.234(d) defined gun-free zones
16	which would be theatres, churches, schools, those
17	types of things.
18	However, there is an exemption for
19	individuals who have concealed pistol licenses.
20	Now, you have to compare that list with the list
21	defined in the concealed carry statute, MCL 425
22	MCL 28.425(d), that's the concealed carry
23	gun-free zones.
24	So the way it usually works out is if

it's not private property an individual can open

1	carry in a gun-free zone if they have a CPL.
2	COMMISSIONER CRAWFORD: I've been a
3	police officer for over 30 some years in two
4	major city police departments. I've worked
5	undercover for a number of years and personally I
6	think only a fool would open carry due to the
7	fact that the element of surprise is most
8	important when you're dealing with tactics, but
9	that's another issue.
10	MR. ECTOR: Yeah, it's another issue
11	and it's legal and it's a person's right and
12	whether an individual has a problem with it,
13	that's their opinion and if a person chooses to
14	open carry and they want to, they should be
15	allowed to.
16	COMMISSIONER CRAWFORD: Oh, I agree
17	that it's legal, but there are restrictions, just
18	so that we know because this whole issue about,
19	you know, of course you're an NRA member.
20	MR. ECTOR: Of course, yea, I'm a
21	member, recruiter, for sure.
22	COMMISSIONER CRAWFORD: Oh, recruiter
23	too, okay. It's just that this whole issue, I
24	think the subject needs to be changed and more so
25	talking about how we're going to deal with the

1	issue of crime in the city of Detroit
2	MR. ECTOR: I don't think open carry
3	affects it.
4	COMMISSIONER CRAWFORD: as opposed
5	to promoting, you know, the fact that people can
6	open carry, also promoting the fact that guns are
7	or individual citizens being armed are more of
8	a deterrent to crime than actual policing and
9	also it takes away or adds to the fact that the
10	reason people are utilizing weapons any more
11	and I do understand the fear and protecting
12	themselves and their families through imminent
13	danger, etc, but the fact is the more discussion
14	is people are doing it because they don't feel
15	safe in the city of Detroit.
16	MR. ECTOR: Well, that would be a very
17	good reason for anyone to carry a gun.
18	COMMISSIONER WHITE: It's not our
19	intention to open up deliberations on this issue.
20	MR. ECTOR: I know. I would just ask
21	for equal time to address the subjects that he
22	made because he's made some commentary that I
23	don't think it's his personal opinion and it's
24	not a fact.
25	COMMISSIONER WHITE: I appreciate it,

1	but it's not an equal time scenario. This is a
2	Commissioner giving his comments based on what
3	you addressed.
4	MR. ECTOR: With all due respect, Chair
5	
6	COMMISSIONER WHITE: I'll give you an
7	opportunity to give your final comments, but I
8	want to caution us that we're not going to
9	deliberate this matter on this day and it may be
10	a time when this body chooses to address open
11	carry, concealed carry, the options to further
12	educate the community, but today will not be that
13	day.
14	MR. ECTOR: Well, if it pleases the
15	Board, if you ever wanted to have a discussion
16	and explore all of the issues with open carry and
17	the law, I'd be more than happy to do that.
18	People have various reasons why they
19	open carry. A person who is lawfully bearing a
20	firearm, whether it's open or concealed, is not
21	going to create the sense of lawlessness that may
22	or may not exist in the city of Detroit.
23	It doesn't promote anything that an
24	individual expressing his right, his First
25	Amendment right of free expression and also his

1	right to bear arms for the defense of himself and
2	as enumerated in Article 1, Section 6 of the
3	State Constitution for defense of the state.
4	Thank you, sir.
5	COMMISSIONER WHITE: Are there other
6	communications? Good afternoon.
7	REV. CUFFEY: Good afternoon to you,
8	the grace and peace be unto this Board of
9	Commissioners. It's an honor to be here.
10	Me and my wife my name is Rev.
11	Robert Cuffey. Her name is Mrs. Angelo Cuffey.
12	On April 7 of this year my son and his
13	girlfriend was brutally murdered on in Detroit
14	on Cadieux Street. Me and my wife got the
15	message about between 5:30 and 5:45 on April 7th.
16	We stayed at the crime scene on Cadieux
17	for until about 1 o'clock when the coroner
18	came and took my son and the young lady out of
19	the crime scene.
20	Within one hour after this fresh
21	homicide according to and I'm speaking in the
22	context of homicidal investigation protocol and
23	procedures within one hour a group of people
24	who were not authorized by me or my wife who were
25	somewhat in relationship with my son and this

2.1

beautiful young lady went back into the same
apartment that just an hour ago was the beginning
of a fresh homicide investigation, and took out
personal belongings and at the same time provoked
the highest probability of the evidence being
compromised and corrupted that would
automatically begin an investigation on the wrong
foot.

I'm here to raise before this great board an understanding of how could this be, was this the proper way according to the manual of procedures that investigation begins with the possibility of contaminating evidence of a fresh homicide.

We are the parents and nothing was told us. No officer should give anybody permission to go into my son's apartment without due confidence that what they're doing is legal and from the authorities pertaining to -- related to the victims.

So I'm coming today and also part of the Crime Stoppers -- in fact, we just left the meeting with Crime Stoppers just a moment ago -- I'm coming to say out of all honor and due respect to the law enforcement officials, that I

1	believe if we're going to apprehend perpetrators,
2	then the best of the best officers to be in
3	position to make sure that the evidence should
4	never be tainted or tampered with until a full
5	scale forensic investigation is complete.

2.1

And up to this date today the apartment remains the same as it was the day of -- 45 days ago. As of today there is no -- even at the crime, commissioners, the persons who are least people of interest were not taken down to the police station to give proper defining corroboration of their time and purposes and the proper interrogation wasn't done, and so I'm calling into question exactly what is the protocol and what could have been done different that possibly would not have possibly led to contamination of evidence.

And at this time today our pain is so fresh because we have zero information regarding anything sufficiently for our hearts, and I'm praying that we're not going to allow this -- and I'm speaking selfishly at this point -- my son didn't deserve this and his girlfriend didn't deserve this and we will not tolerate this case to be a cold case. We're going to keep it hot

1	until justice is served.
2	COMMISSIONER WHITE: First of all, we
3	want to express our sincere condolences for your
4	loss and also applaud you in your vigor for which
5	you are following up with us and this department.
6	While we don't have all of the
7	information I'm certain, but I am going to ask if
8	Deputy Chief LeValley can do two things. One,
9	have you speak with someone before you leave
10	today. Deputy Chief, if you would update this
11	body at our next meeting as to the nature of the
12	protocol that was established at this particular
13	incident and where in fact we are within the
14	investigation so we can communicate back to the
15	family.
16	DEPUTY CHIEF LeVALLEY: Yes, sir. I
17	can't speak on the specifics of the case. I'm
18	not familiar with all the intimate details of it,
19	but I can tell you that the standard protocol
20	would be at any crime scene, especially a
21	homicide scene, officers get to the scene and
22	secure the scene.
23	If need be homicide detectives gather a
24	search warrant for the location to take any
25	evidence we need of the crime out of the location

1	and then generally the location is not released
2	until the officer in charge of the case has
3	determined that everything that they need to
4	gather from the location has been taken.
_	That would be the standard and then we

2.1

That would be the standard, and then we would release the location to either a family member or ensure that it's locked and secured if there's nobody present to turn the location over to.

Again, I'm not familiar with this incident, but Capt. Decker from Homicide is here. He's the one that gave the presentation. He's the commanding officer at Homicide, so if you want to get with Capt. Decker, he's standing right there, I'm sure he'd be right now happy to take you back to his office, open the file and go over all the details of the investigation, the case.

I don't know if the officer in charge is on duly right now or not, but we will ensure that that happens and report back to the Board on the status.

REV. CUFFEY: We appreciate that and again, we're not coming to indict any particular officer, we're just saying selfishly, but yet

1	honorably we just want justice served.
2	DEPUTY CHIEF LeVALLEY: Yes and there
3	was and if we find that proper protocols
4	weren't followed, then Capt. Decker can initiate
5	action on that end as well.
6	REV. CUFFEY: Thank you, sir. Thank
7	you both.
8	COMMISSIONER WHITE: Thank you for
9	being here and, Mr. Secretary, I would ask that
LO	we place that under old business for next week's
11	meeting.
12	Are there other comments?
13	COMMISSIONER BELL: Mr. Chair, may I
L 4	rise on a point of order. I would ask the
15	gentlemen that's in the audience and young man
16	coming to the mic and a couple others, would you
L 7	remove your caps, please, uncover your
18	MR. CHISHOLM: You really want to see
19	my bad hair?
20	COMMISSIONER BELL: Yes, sir. And any
21	other gentlemen in the house, would you remove
22	uncover your caps, please. Thank you.
23	MR. CHISHOLM: Sorry, been wearing it
24	all day, so

COMMISSIONER WHITE: Good afternoon.

1	MR. CHISHOLM: My name is Stuart
2	Chisholm and I'm here to also show some support
3	for Chief Craig and at the behest of my friend
4	Rick Ector and I really didn't plan on saying
5	anything, but a lot of the questions that you
6	answered are actually handily answered in this
7	legal update that was published on October 26,
8	2010, Legal Update 86 from the Michigan State
9	Police.
10	I'd be happy to leave a copy of it with
11	you and it basically shows what was going on in
12	the act, the actual MCL numbers, and that kind of
13	stuff. It's also available online, but you can
14	find it really quickly if you want to refer to
15	that.
16	COMMISSIONER WHITE: Thank you very
17	much. I believe Mr. Chisholm, I believe
18	there's a question from Commissioner Crawford for
19	you.
20	MR. CHISHOLM: Yes, sir.
21	COMMISSIONER CRAWFORD: Are you a
22	resident of the city of Detroit?
23	MR. CHISHOLM: Not at this time. I
24	was born here and I have lived nearby I'm one
25	of these people who live within a 50-mile radius

5/22/2014

	Page 41
1	of the place they were born their entire life;
2	that's me.
3	COMMISSIONER CRAWFORD: Thank you, sir.
4	MR. CHISHOLM: Thank you.
5	COMMISSIONER WHITE: Good afternoon.
6	MS. HILL: Hi, how are you? I was not
7	going to speak, but the reverend compelled me to
8	speak because my name is Brenda hill.
9	And his story is similar to my story.
10	My son and his friend Melinda Goodwin, his name
11	is Brandon, robbers killed five years ago and not
12	only was the scene compromised, I am getting no
13	relief five years later. And I can only hear
14	that story and say those may be the same
15	perpetrators that killed them that killed my
16	children my son and his friend.
17	We are not and I heard the numbers
18	from the captain. We don't go from 17 percent
19	homicide to 50 percent homicide in a matter of
20	months. We are doing something wrong.
21	And my heart goes out to the reverend
22	and his wife, but we are allowing these people to
23	get away with murder and we're talking about it
24	and we're doing nothing about it.

I give my time to Crime Stoppers. I

1	would have had the job Patrice has, they offered
2	it to me. I'm better served not being in that
3	position. Today I got a call for flyers for a
4	hit and run and then last night someone called
5	because their son had been murdered and today
6	also an eight year old murder.

2.1

This is unconsciousable. You all have looked into my story a couple of times and nothing and nothing and those were the best and brightest. My son was in college, she was in college, and their blood still running red in the streets and now we have family after family.

We got to do something different and I came to see the show that is Rick Ector and it is embarrassing that he would choose to subjugate me and anyone in my position to an open carry when we have people doing what they're doing to our young people and our elderly.

We also have a police chief that is promoting the use of deadly force. We are creating killers. The woman who had to shoot the young man for breaking in her house, she's now a killer. What are we doing with her?

And day in and day out I hear that,

1	kids getting shot down for stuff. Understand
2	people have to protect themselves, but we have to
3	be doing something different than making ordinary
4	citizens killers.
5	COMMISSIONER WHITE: Thank you,
6	Ms. Hill.
7	MS. HILL: Thank you.
8	COMMISSIONER WHITE: Good afternoon.
9	MS. SIMPSON: Good afternoon. My name
LO	is Tuwana Simpson and I'm here to give a report
11	as to what happened at the conservatory Belle Ile
12	meeting today. As you may know that it's been
13	some many incidents of profiling out to Belle
L 4	Isle and we went there, we talked about, you
15	know, some of the things that we can work
16	together to change, but I wanted to report this
L 7	to this body because just like the DNR and the
L 8	State Police need to become aware of what's going
19	on in the community.
20	I'm a cyclist I should say. It was a

I'm a cyclist I should say. It was a lot a profiling going on, but my issue was I was stopped because I didn't have reflectors on my pedal, didn't have reflectors in my front wheel, back wheel, while I was cycling on Bell Isle, so I come to this body to ask that maybe that we can

21

22

23

24

1	start doing some kind of education and training
2	because as well as I ride on Belle Isle I ride
3	the streets of Detroit.
4	And I've had Detroit police officers
5	tell me I should be on the sidewalk riding my
6	bike and I know that's illegal because I do know
7	bicycling rules, so I will hope that, you know,
8	in the near future this body, the bodies other
9	police bodies, the DNR, the conservatory officers
10	and the State Police all can get together and put
11	a campaign together about safety in the street,
12	cycling, you know.
13	I mean, I've noticed it being done
14	in the past with motorcycles, but not bicyclists.
15	COMMISSIONER WHITE: Thank you,
16	Ms. Simpson, and as early as our previous meeting
17	we did make a suggestion that we would work with
18	MSP and possibly bringing them in and to do a
19	presentation that we could look forward to
20	educating the community as we move forward.
21	Commissioner Crawford?
22	COMMISSIONER CRAWFORD: Were you
23	ticketed for not having
24	MS. SIMPSON: No, I received a verbal
25	warning.

Page 45 1 COMMISSIONER CRAWFORD: So we've moved 2 to RWB, riding while black? 3 MS. SIMPSON: Right. 4 COMMISSIONER CRAWFORD: We can't open 5 carry on Belle Ile, can we? 6 FROM THE AUDIENCE: Yes, you can. 7 COMMISSIONER CRAWFORD: It's a state 8 I think you want to check it. 9 COMMISSIONER WHITE: We're not going to 10 have any discussions from the audience. We're 11 not having discussions from the audience. 12 Good afternoon. 13 MR. SCOTT: Good afternoon. Ron Scott. 14 Let me say this. I'd like to thank this body for 15 continuing to grow in the understanding of your 16 mission and your role and for asking the vigorous 17 questions that you do that sometimes are 18 uncomfortable, but nonetheless have to be done, 19 so I just want to give you that -- a note of 20 compliment. 2.1 I'm just thanking this board for 2.2 growing into the positions that they're doing and 23 for asking the hard questions. 24 What I'd like to say is that first of

all I think Ms. Hill mentioned this whole

1	question about shootings much better than I do
2	and I want to clarify the mater of the record in
3	terms of my objections I've raised with not the
4	Chief. It's not so much a personality situation,
5	it's a policy issue.
6	Chief is a fairly nice guy, you know,
7	but I disagree with him politically. I disagree
8	with his policies on certain issues, and that
9	when the policies and the persona get mixed up I
10	think we have a problem.
11	The NRA magazine is a politically
12	focused magazine with a very political position.
13	It's the first time in the history that I
14	remember a chief actually being featured on a
15	magazine that has a very specific political
16	objective. And if I might add, all of the people
17	who read it are not necessarily Republican
18	oriented, but the legislation that has been
19	pushed has been a partisan nature.
20	So within that context I think it's
21	reasonable for a public servant to make
22	statements in a journalistic entity where there
23	is a balance, but when you go over that balance I
24	think there's a challenge.

And I advocate the use of protection of

1	people if there's a need to under the 2nd
2	Amendment, I'm not opposed to that, but I always
3	tell people this.
4	When I was sitting in my car and
5	someone come up on me and shot me in the neck and
6	I couldn't get to my get to a weapon if I had
7	one, the only thing I had was God and with me
8	it's God or guns and I choose God every time.
9	So the question is that furthermore I'd
10	just like to ask and Deputy Chief LeValley, I
11	don't want to get into this and I'll talk to you
12	after the meeting, but I wanted to know more
13	about the police-involved shooting on the west
14	side two or three weeks ago if you could give me
15	some background on it, I would appreciate it.
16	Once again, thank the body for standing
17	for the Charter provision that created you; thank
18	you.
19	COMMISSIONER WHITE: Good afternoon,
20	sir.
21	FROM THE AUDIENCE: Your hat?
22	MR. BANE: I'm going to remove it for
23	whoever believes it's a hat. It's my religious
24	headdress, but I'm going to yield to that elder.

COMMISSIONER BELL: Thank you.

1	MR. BAY: I'm here as a citizen in the
2	city of Detroit. My name that is on the State of
3	Michigan's property is Quincy Armond Travic Bay,
4	and I've just been experiencing laws being
5	broken.
6	I asked the officer if citizens can
7	make arrests. He said yes. I really need some
8	help. When I was younger we was in the streets,
9	a lot of the stop snitching, stuff like that, not
10	working with the police.
11	But I have two children 10-year-old
12	daughter, 8-year-old son, it's critically
13	important that I work with the police because if
14	one of those two are threatened, I'm definitely
15	happily ready to die for my children's sake.
16	So if you all could help me, I came
17	last week, I brought a couple of people to help
18	me about personal private matters and I hope I
19	can get some help.
20	The people last week helped me with 200
21	pennies to get back home. They instructed me to
22	call, but I have no phone. I hope I could get
23	help this week; thank you.
24	COMMISSIONER WHITE: Thank you,

25

Mr. Bay and, Mr. Bay, before you leave Deputy

1	Chief I believe I heard Mr. Bay asking for
2	assistance in understanding the laws of citizen's
3	arrests.
4	MR. BAY: Yes, sir.
5	COMMISSIONER WHITE: And I'm not sure
6	how far we can go with that, but if there's a
7	community officer or an NPO that we might be able
8	to match Mr. Bay with in his community, that he
9	can certainly look forward to looking with and
10	maybe organizing efforts to assist the department
11	where he may be available.
12	DEPUTY CHIEF LeVALLEY: Just to give a
13	general answer that any citizen in the state of
14	Michigan can arrest for a felony, just like the
15	police can. Police are sworn in to arrest for
16	misdemeanors, civil infraction enforcement,
17	ordinance enforcement, but any citizen in the
18	state of Michigan can make an arrest for a felony
19	that they witness.
20	MS. BAY: Thank you, sir.
21	COMMISSIONER WHITE: And before we hear
22	from our next person, I just want to remind
23	individuals that there's an allotted two-minute
24	time period. If you would look to your left and

my right, our counsel is waiving a reminder if

1	when you need to wrap up and when you actually
2	need to stop so we can afford everyone an
3	opportunity to address the body today.
4	And also if at the behest of the Chair
5	if you would from the audience avoid the direct
6	conversations to those at the podium, we
7	appreciate you, but allow us to communicate with
8	the individuals, it will be greatly appreciated;
9	thank you.
10	Good afternoon, sir.
11	MR. EL: Good afternoon, everybody.
12	Greetings, praises be to God. My name is Dr.
13	Hank Yarborough El. I'm the Grand Shiek of the
L 4	Moorish Science Temple of America Subordinate
15	Temple Number 5.
L6	And what I wanted to say to you all
L 7	today, the Commissioners, we know that there was
18	a write-up in the papers about some individuals
19	who ran from federal custody, whatever, and it
20	was posted that these were Moors and Moorish
21	Science Temple of America headed one of the
22	biggest drug rings in the city of Detroit, but
23	I'm here to stand before y'all today to say that
24	that is not true.

They are not members of the Moorish

1	Science Temple of America. If any of you who
2	have studied anything about Noble Drew Ali he
3	tells us that we are law-abiding citizens, that
4	we are not to cause any confusion or to overthrow
5	the laws or the Constitutions of the said
6	government, but we are to obey hereby. So I just
7	wanted to make that clear with you all today.

2.1

I've talked with the Detroit Free Press and hopefully we'll be putting out a better article because I'm aware that there are some temples that's actually working with the Commission on something that was set up with the police force.

Secondly I would like to speak on the fact that there is abandoned houses that's been abandoned and unoccupied for like 20 years.

Personally on the block where I stay on there's two on each side and in one you have dead dogs in the house, you see, and so not only is this a public health safety issue, but it's also a security issue that we really need to address.

And not only that, I couldn't understand why the City of Detroit removed the street light from the street which kept the light lit up, but I'm thinking that maybe they were

L	going	to	replace	it,	but	it	was	just	removed.
---	-------	----	---------	-----	-----	----	-----	------	----------

2.1

And this is Indiana and Midland off of Wyoming and Puritan so I'm quite sure that y'all are familiar with that area. It's not one of the easiest areas in the city, but, you know, when you walk with the light of God, sometimes you can change a community based upon how you exist and how you stand.

So I really would like to look into those abandoned house situations because those houses, something needs to be done, especially for the young women that's walking through. We have another young woman that just came up missing in that area that they're sending out flyers, and so I just came to say that to you all today, and also to let you know that, you know, we run into people who talk this sovereignty thing, but as we know if we look at the history of this sovereignty thing where it came from.

You know, the only sovereign is God and the laws are in place in order to protect the lives and liberties and the property of people, and so thank you very much for your time and keep doing a wonderful job, gentleman; peace -- and ladies.

1	COMMISSIONER WHITE: Mr. El, before you
2	leave I think Commissioner Crawford may have a
3	point, but before Mr. Crawford, Deputy Chief, is
4	this a scenario where our NPOs can work with
5	individuals as relates to abandoned house issues
6	or is that
7	DEPUTY CHIEF LeVALLEY: Yes, sir. They
8	can certainly make the right connections to
9	street light fix, get the house taken care of,
10	the animals removed. I can set you up with a
11	neighborhood police officer in your area who can
12	work on making that happen.
13	And just if you don't mind for point of
14	clarification, that case you're referring to with
15	the three fugitives that left Federal Court, that
16	was a federal agency that was the officers in
17	charge. The United States Marshall Service were
18	the ones that were responsible for the security
19	of that person, so just to clarify, that was not
20	the Detroit Police Department that issued that
21	statement that these were members of your temple.
22	MR. EL: Thank you very much,
23	appreciate it.
24	COMMISSIONER CRAWFORD: Through the

chair, sir, I just want to add thank you for

1	bringing forward the information. I believe you
2	were quoted in an article in The Free Press I
3	read a week or so ago, but thank you for just
4	bringing forth the information for the general
5	public, because outside of the media bringing it
6	here, so we can spread the word.
7	MR. EL: Yes, sir, thank you,
8	Mr. Crawford. God bless you.
9	COMMISSIONER WHITE: And Commissioners,
10	I've got Commissioner Crawford in my periphery
11	here, but certainly if anybody needs to comment,
12	you can jump right in.
13	Good afternoon, sir.
14	MR. NEHR: Good afternoon,
15	Commissioner. My name is Christopher Nehr. I'm
16	here today to address the Board of Commissioners
17	to show my support for Chief Craig. I have to
18	disagree with some of the comments that were made
19	here earlier today. We're not creating killers.
20	I'm a CPL holder. There is no honor in killing,
21	I can tell you that, but there is no shame in
22	defending yourself.
23	With that, I have to thank you for your
24	time.

COMMISSIONER WHITE: Thank you.

1	COMMISSIONER CRAWFORD: Excuse me.
2	Sir, are you a resident of the city of Detroit.
3	MR. NEHR: I am not a resident of the
4	city of Detroit. I live in the Detroit
5	metropolitan area, Oakland Township, Michigan.
6	COMMISSIONER CRAWFORD: Thank you.
7	MR. NEHR: Thank you.
8	COMMISSIONER WHITE: Good afternoon.
9	MR. BACHANT: Good afternoon. For the
10	record, Nicholas Bachant. I represent several
11	Detroit authorized towing companies. This came
12	to my attention, an issue, in speaking with the
13	dispatchers and the towers for the companies I
14	represent.
15	In the last few months a policy has
16	changed in regards to private parkers regarding
17	the city of Detroit when you're dealing with the
18	police department.
19	In the past when one of our companies'
20	drivers would find go to a private parker and
21	remove a private parker's automobile we would
22	call it into TCRU to find out, A, if the car is
23	stolen, and B, if it is stolen, let you know, but
24	if it wasn't then to give them the information so

that we wouldn't go back to the precinct or the

district and waste the officers on patrol's time.

there.

Page 56

2	Well, that since changed about three or
2	well, that since changed about three or
3	four months ago and now my drivers are finding
4	that they remove a car because the private
5	parkers called it in, said they want it removed.
6	They take it to the station and it can take up to
7	an hour or two and wasting a lot of time, police
8	officer time, and in some situations they're
9	finding that the car is stolen and they're making

our tow truck companies, even though we're

Detroit authorized towers, to drop the vehicle

It doesn't really make a lot of sense, so I would ask this Board to look into the policy because the towers while there's lots of things that have gone on in the past we're partners in trying to make the city safe and trying to make the police be able to do their job correctly.

And if it's taking time out of the police officers who are on patrol and in the districts and we could do something that's different to that effect in order to help everyone, I think it's definitely something we've got to look at because no one is going to want to tow private parkers and help that situation if

1	we've got to wait an hour or two and we're
2	wasting people's time.
3	Just look into it and I'll bring it up
4	again next week and I thank you for your time.
5	COMMISSIONER WHITE: Mr. Bachant, as
6	always, if there's a formal recommendation
7	certainly this body would be receptive to your
8	recommendations in writing.
9	MR. BACHANT: I'll put it in writing
10	and send it out to you. Thank you very much.
11	COMMISSIONER WHITE: Good afternoon,
12	sir.
13	MR. GRAVES: Good afternoon, Board. My
14	name is Ivory Triandos Graves. I own a building
15	on Grand River, 2548 Grand River. I've been
16	there since 1988. There's a hair salon upstairs
17	and a bar downstairs formally Half Past 3, now
18	it's TV Bar.
19	It's come to my attention that some
20	humans think that I have prostitution and I'm
21	selling drugs. Absolutely not, and I repeat,
22	absolutely not.
23	Me and my mother own that building.
24	She just recently passed. She would kill me if I
25	tried that. I can only scream really loud,

1	absolutely not. I wouldn't jeopardize myself or
2	my children and that's all I can really tell you
3	is absolutely not.
4	And over the week since I've heard
5	about this I find out about secondary employment
6	Detroit Police. I'm going to apply for that
7	Tuesday to assure you that I'm not up to anything
8	over there. Prostitution there is a lot of
9	pretty women upstairs, but some of them are 73,
10	my aunt still works with me since '88.
11	I mean, it's a lot of women, so if you
12	just some random guy looking yeah, you might see
13	some women, but they're coming from my hair
14	salon, and that's all I have to say.
15	Any questions? The salon is Direction
16	Salon.
17	COMMISSIONER BELL: Sir, Mr. Graves, do
18	you have a specific complaint or are you just
19	raised awareness that there's some rumor
20	MR. GRAVES: It came to my attention
21	that a gentleman stood here recently and said
22	that a place TV Bar is they have prostitution,
23	they sell drugs, something else. Sometimes my
24	music gets loud, yes, okay, but the rest of that,
2.5	no, absolutely not.

1	COMMISSIONER BELL: Thank you.
2	COMMISSIONER WHITE: Commissioner Bell,
3	I think Mr. Graves was correct if my memory
4	served me correctly there was an individual last
5	week who went on record before this body with
6	some accusations against your place of business,
7	so that is an accurate statement.
8	Yes, sir, Commissioner Shelby?
9	COMMISSIONER SHELBY: I think they
10	expressed at the last meeting after-hours joint,
11	drugs being sold after a certain time.
12	MR. GRAVES: No, sir, no, sir, no, sir.
13	I'm trying to stay there. I don't know if
14	anybody wants me to be there. I've been there
15	since 1988. I'm not no, sir, absolutely not.
16	COMMISSIONER WHITE: Mr. Graves, thank
17	you for coming here today and, Deputy Chief, is
18	there if you could assist Mr. Graves in
19	possibly following up
20	MR. GRAVES: Just to assure everybody
21	would understand that I understand now that you
22	can hire police officers for secondary employment
23	at businesses. Well, I don't think I would have
24	to talk then. They would be there, you can see
25	it so it wouldn't be about my word

1	DEPUTY CHIEF LeVALLEY: Secondary
2	employment program, Sgt. Sonyia Russell is in
3	charge of it, I can put you in contact with her.
4	And that's true, you can for various
5	functions, events, businesses throughout the city
6	can hire a police officer to work off duty in
7	uniform. It's coordinated through the police
8	department and they would stay on site. You can
9	hire officers
10	MR. GRAVES: No problem.
11	DEPUTY CHIEF LeVALLEY: to be at
12	your location if that's your desire, but
13	MR. GRAVES: I desire it just to make
14	sure that everybody knows what I'm doing so it
15	wouldn't just be out of my mouth.
16	DEPUTY CHIEF LeVALLEY: I understand
17	that, but hiring the officer to be on the site
18	and also coming here and making the statements
19	does not preclude Narcotics and Vice from
20	conducting any sort of undercover operations,
21	just so that you're aware.
22	I believe you when you say that nothing
23	is happening there, but we have officers that are
24	trained and qualified to investigate those type
25	of complaints, so

1	COMMISSIONER CRAWFORD: Through the
2	chair, for good business/neighbor relationships,
3	will you turn the music down?
4	MR. GRAVES: Yes, sir.
5	COMMISSIONER CRAWFORD: Thank you.
6	MR. GRAVES: Now that I do sometimes.
7	COMMISSIONER CRAWFORD: You play music
8	loud.
9	MR. GRAVES: I do.
10	COMMISSIONER CRAWFORD: Thank you.
11	COMMISSIONER WHITE: Good afternoon.
12	MS. HARRIS: Good afternoon. Hello, my
13	name is Tonya Harris. I am a resident of
14	Detroit, I live on Englewood. I am a resident
15	who's just coming back to Detroit. I left
16	Detroit when I was 17. I'm 47 now. I'm a
17	homeowner or trying to be a homeowner and I
18	understand there are some problems don't get
19	me wrong. I've come back home every year or
20	whatever to see my family or whatever, whatever.
21	Now I'm trying to live here.
22	Now, the things that we're talking
23	about, I have six grandchildren. I am trying to
24	make sure that I am a wonderful taxpayer and
25	everything and it is a lot of problems.

1	However, I think Detroit can also be
2	great because I believe that it can be great.
3	However, are there problems for a single female
4	trying to also raise six males and they're only
5	eight to one meaning the eight is from eight to
6	one?
7	Now, there is a lot of problems about
8	drugs, this, this, and that. Well, my
9	children are young, there's no drugs, there's
10	nothing, nothing, nothing. I'm trying to make
11	sure there will be none.
12	I do not want my grandchildren to be in
13	the process or in the success wrong answer. I
14	want them to be in the success, but I don't want
15	them to be dead or in jail.
16	Now, everybody says they have programs,
17	they have this, that have that. Well, really do
18	you have them because every time I ask for one
19	they say oh, yeah, but it's a waiting process or
20	it's this or it's that.
21	Now, my question is what can we
22	possibly I know everybody looking at they
23	watches now because now it's time for them to go
24	get some lunch. It's some lunch, it's some

dinner, but I need to cook dinner for them five,

1	six grandchildren. I'm just saying
2	COMMISSIONER WHITE: Can you get back
3	to the question?
4	MS. HARRIS: Oh, the question is how
5	can I keep them away from the police officers or
6	y'all. I'm trying to make sure I can buy a
7	house, pay the taxes and do the things so I won't
8	have to be up here every day all day. Can
9	anybody help me with that particular process?
10	COMMISSIONER BELL: Mr. Chair, I would
11	recommend that you meet the young lady,
12	Ms. Bernice in the back. Would you take time to
13	talk to
14	MS. HARRIS: Would that be this lady
15	right here who talk about everybody while she
16	writing it down, she got something to say, oh,
17	it's this, this, that?
18	Oh, I'm just asking.
19	COMMISSIONER WHITE: Ms. Harris
20	MS. HARRIS: Okay, I will hold on,
21	hold on.
22	COMMISSIONER WHITE: I'm sorry, this
23	if you could, one moment, please. Deputy Chief,
24	if I heard correctly Ms. Harris is looking for
25	some opportunities for her young males, her sons.

1	I'm not sure of the age range of the newly
2	instituted City Program, but is that a
3	summer-long initiative or
4	DEPUTY CHIEF LeVALLEY: I believe so.
5	I don't know what the age range
6	COMMISSIONER WHITE: Is there someone
7	that's here today that can get with her about the
8	opportunities of the City Program?
9	DEPUTY CHIEF LeVALLEY: I will get
10	somebody.
11	COMMISSIONER WHITE: Ms. Harris, which
12	is an opportunity through the Chief's Office
13	where they are working with the young people in
14	this community, much like you stated, to make
15	sure they do not find themselves before this body
16	or into an interaction with law enforcement, an
17	unfavorable interaction with law enforcement, so
18	if you would be so willing, Deputy Chief LeValley
19	will be happy to get somebody with you who can
20	discuss those opportunities.
21	MS. HARRIS: And I would like to say
22	thank you so much because I am trying so hard to
23	make sure that I'm a law-abiding citizen and make
24	sure my children do not become a part of the
25	wrong process, it's a good process.

1	COMMISSIONER WHITE: Commissioner
2	Crawford has a comment for you here.
3	COMMISSIONER CRAWFORD: Yes, ma'am,
4	through the Chair. You said how old you said
5	eight to one, how old
6	MS. HARRIS: That's what I'm saying.
7	They're from eight years old all the way to one
8	because there's six children.
9	COMMISSIONER CRAWFORD: I understand
10	six children, but their ages.
11	MS. HARRIS: Eight, seven, three, two,
12	two, one, 11 months, the next one will be one in
13	June. I'm really saying for real six
14	grandchildren, but I didn't mean for it to
15	happen, but it did.
16	COMMISSIONER WHITE: Commissioner
17	Burton?
18	COMMISSIONER BURTON: I have no
19	questions at this time.
20	COMMISSIONER WHITE: Thank you, ma'am.
21	Deputy Chief LeValley will have someone discuss
22	that opportunity with you here.
23	DEPUTY CHIEF LeVALLEY: Stand by, I
24	have somebody on the way down right now.
25	MS. SMITH: Bernice Smith, Human Rights

1	Commissioner. Number 1, being a grandmother and
2	a great-grandmother I feel as though what we
3	should do with our children is involve them in
4	the church, all right. God is good all the time.
5	So if you would take time and take your
6	children to the church, let them join the choir
7	my grandchildren are in the choir and get
8	them involved. That's where you're going to find
9	the majority of work for children and keep them
10	occupied. They have basketball games, they got
11	bowling at my church Tabernacle I know, so I
12	suggest to the young lady that she would involve
13	her children and grandchildren in the church.
14	Find a church that would be in her
15	neighborhood or convenient for her, take them to
16	God, all right?
17	Now, we've had quite a bit of speakers
18	this morning or this afternoon and I'm glad to
19	see that they're here venting their problems to
20	the Commissioners because we have a Commission
21	that will do the utmost and helping solving the
22	problems.
23	I go to the Mayor's meetings. I will
24	be going tonight and he's always telling me,

"You're here at every meeting." I say, "Well,

1	I'm encouraging the people who have problems and
2	you can't solve them, I want them to come to the
3	Police Commission so we can solve them for them"
4	because we do have people that will talk about
5	squatters in their neighborhoods.

2.1

And the gentleman who stated about the dogs being in the neighborhood, my suggestion is to call the dog catchers and therefore notify them because that happened to me at one of my homes when we had a dog that was discovered, my grandson said — and I asked him, "Why you didn't get it out?"

"I'm scared, I'm not going to get it out" but in the meantime I suggest to him to call the dog catchers and see if they would relieve him of that matter.

Now, the Commission, you have a job before. You're doing a good job and as far as the island is concerned, I think I spoke to you previously in regard to it that I'm going to have Lt. Shaw come there. I don't know if Secretary George Anthony has spoken to his office or anything, but in the meantime I will call him.

He was on our radio program yesterday morning and he did lay out some plans in regards

2.1

to what's going on on the island. Now, I will
make it my business to call him this afternoon
and make sure and I'm sure he will come here and
speak not only to the Commissioner, but to the
public and let them know what's going on out
there on that island.

I don't think that we have to look to the police harassing us all the time when we come out there. If we're doing the right thing by going out there and staying under the speed limit which is 25, I don't think they're going to stop you. They haven't stopped me. I've been out there a couple of times, but in the meantime we have to do the right thing by obeying the rules and we can't do that if we go out there with an attitude.

I remember last week I did see a comment about Ron saying it was glass out there and I told him outside, "I think you broke that glass and throwed it down there yourself".

But in the meantime -- we also joke anyway -- but I want Ron to realize the police have a job to do and our Chief have a job to do. Whether you like it or not, that's his job. He's here to see that we're safe in every way

1	possible.
2	COMMISSIONER WHITE: I'm going to ask
3	you to
4	MS. SMITH: I'm going to wind it up.
5	But in the meantime people that come here, I want
6	you to realize that we're only doing it for your
7	benefit, not for ours. You get a pay, true
8	enough, but you're not being paid enough because
9	your life is in danger, the police, and I will
10	protect them and I will support them in any way
11	whatsoever and when they do wrong, I say it, but
12	I don't want these people to come here thinking
13	that we don't care about what's going on in their
14	lives and we just I thank you very much for
15	your time.
16	COMMISSIONER WHITE: Thank you.
17	Commissioner Burton?
18	COMMISSIONER BURTON: Yes. I just want
19	to say that our officers are doing a fantastic
20	job, you know, so, you know, and to the families
21	out here, to the victims' families, I'd like if
22	we can leave with before we adjourn, have a
23	moment of silence.
24	And to the lady with the grandchildren,
25	I have a number for Youthville. I don't know

1	whether they would come in handy, but I'm not
2	sure which side of town you're on, but it's
3	309-1300. You may be able to get some assistance
4	there, that will be a good start, but I'm not
5	sure where you are, east or west, but that's on
6	Woodward.
7	MS. HARRIS: Thank you so much.
8	COMMISSIONER BURTON: And if we could
9	have a moment of silence for the victims'
10	families out here, but I just want you all to
11	know we do have the best and the well-trained
12	officers and they're doing a wonderful job, so
13	just give them time, you know, to do their job
14	and we're sorry to hear about your loss, but
15	could we have a moment of silence?
16	COMMISSIONER WHITE: Certainly. At the
17	request of Commissioner Burton, can we please
18	observe a moment of silence.
19	(MOMENT OF SILENCE.)
20	COMMISSIONER WHITE: Thank you, and
21	certainly again our sincere condolences and
22	prayers are certainly with those who have lost
23	loved ones and who are trying to be a part of the
24	solution versus adding to the problem which I
25	think if you're new to this meeting or those of

1	you who have been coming to this meeting I hope
2	you have felt that you leave here today with the
3	impression that you have a body of Police
4	Commissioners whose heart is in this, whose
5	commitment is a part of being with the solution
6	and bringing education to the conversation and
7	bringing viable solutions that we can bring
8	forward.
9	That is our intent and I do believe I
10	speak on behalf of all of the Commissioners and I
11	don't think we have to take a motion or get
12	support, but I think that is our intent and we
13	hope that you leave here with that impression
14	today.
15	Good afternoon.
16	MS. HINES: Good afternoon. My name is
17	Sandra Hines. I'm a member of the Detroit
18	Coalition Against Police Brutality and a number
19	of other organizations.
20	I just want to say that the article or
21	the cover for the magazine that shows the Chief
22	giving his position on how he feel about us
23	defending ourselves and protecting ourselves is
24	that he had the right to do that.

But we as the community also have a

1	right if we don't agree and don't see eye to eye
2	to bring that to his attention because if you can
3	remember the last time I came to the podium I
4	talked about the most important relationship in
5	this city and that's the citizens and the police.

2.1

And so it's important for him to understand how we feel about decisions that he makes and policies that he tries to push. And the coalition has worked too hard for over 10 years coming to these meetings trying to establish a culture within this city where citizens and the police cooperate with one another and try to continue to reduce crime.

We live in a crime-strapped city where there's reports daily day in and out of murder, mayhem and all of the negative things that tear a city down and tear people apart. We don't need anybody, and especially our police chief, promoting any further violence.

Now, the people are saying that you have a right to defend yourself. Again, let me stress at the coalition we understand that that is an unspoken law. You don't need anybody to tell you when your life is in danger to do what you have to do to defend yourself.

1	We don't need a Police Chief telling
2	citizens to arm themselves and to defend
3	themselves if somebody come in your window or
4	whatever. If you got time to go get your gun,
5	you got time to call $9-1-1$. And if you have a
6	gun on somebody, more than likely you're going to
7	render them immobile.
8	You don't need to shoot a person four
9	and five times because somebody is coming in your
10	window. I think one bullet is enough. And so
11	I'm saying that it's two sides always to every
12	story. We can come to a meeting of the roads if
13	everybody work out how everybody can be safe in
14	this situation.
15	We do not need vigilante justice and
16	I'm saying it again, we cannot afford vigilante
17	justice in the city of Detroit.
18	COMMISSIONER WHITE: Thank you,
19	Ms. Hines. Are there other comments? Are there
20	other comments?
21	MR. BOOTH: Good afternoon, my name is
22	Geoff Booth. I would like to state for the
23	record I'm a Detroiter, I'm not a Detroit
24	citizen. I play down here, I work down here in
25	the city frequently. My mother is actually

1	working right now right down the street down
2	Jefferson Avenue.
3	A couple of issues I'd like to address.
4	One with the Assistant Chief. I like to say
5	thank you for your professionalism. When I was
6	16 years old I joined the Michigan State Police
7	post at the Old Freeway Post. Does the Detroit
8	Police have a Police Explorer program for the
9	youth of Detroit.
10	DEPUTY CHIEF LeVALLEY: Yes, we do.
11	COMMISSIONER WHITE: Just for some
12	clarity, if you could address your comments
13	to the body. Certainly if we need be, the Deputy
14	Chief will be happy to respond.
15	MR. BOOTH: I understand.
16	COMMISSIONER WHITE: And if you can
17	kind of do them in succession, then we'll answer
18	all of your questions following.
19	MR. BOOTH: Yes, thank you. The other
20	statements that I'd like to make is that I would
21	like to applaud the Chief of Police for his stand
22	for pro 2nd Amendment rights.
23	I would like to make a statement though
24	that a weapon is not inherently evil. If any of
25	the police officers in the city of Detroit, if

1	any of the citizens of Detroit who legally hold a
2	CPL were to take out their weapon and sit it on
3	the table, it would sit there for the next
4	thousand years and it would not harm anybody.

2.1

2.2

The only way that that weapon would harm anybody is if somebody with a malicious intent used that weapon with inherent danger intent.

So the weapons are not the problems in the city of Detroit, it's the people who possess them. Law-abiding citizens who own their weapons who legally have gone through the required training to carry those weapons to hold the permits to have them.

I've had my weapon for over three years and I've not hurt anybody. My weapon has never left its holster unless it was being at the range for use for training for accuracy and marksmanship.

Other than that, I think you guys are doing a great job as a Commission. I'd like to thank the Police Chief for his service. He's got the right idea in mind. It's not necessarily that the police are there always able to do the job, you know. They can't be everywhere.

Page 76 1 When seconds count, the police are only 2 minutes away, so therefore sometimes it is a good 3 thing to have a proactive solution with you at 4 the time or as an option. 5 You know, weapons are only an option. So --6 7 COMMISSIONER WHITE: Thank you. Commissioner Crawford? 8 9 COMMISSIONER CRAWFORD: Through the 10 Chair, Mr. Booth, do you live in the city of 11 Detroit? 12 MR. BOOTH: I said that, no, I'm not a 13 resident, I'm a Detroiter though. 14 COMMISSIONER CRAWFORD: All right, thank you, sir. 15 16 MR. BOOTH: All right, thank you. 17 COMMISSIONER WHITE: Any other 18 comments? MR. RAHMAN: Good afternoon, my name is 19 20 Humayun Rahman. I just have a rebuttal about an 2.1 ignorant comment that was made earlier by one of 2.2 the board members who said that open carry --23 only idiots open carry.

there was a time when I didn't.

I do have a CPL right now. However,

24

25

Page 77

1	COMMISSIONER BELL: Mr. Chair, I think
2	a comment like that is inappropriate. You can
3	express your opinion, but don't express your
4	opinion in reference to that type of statement
5	in reference to a Commissioner on this board. I
6	think you should apologize.
7	MR. RAAHMAN: My apologies. I did not
8	mean to come across like that.
9	COMMISSIONER CRAWFORD: All I want to
10	say is it's incorrect. I said only a fool in my
11	opinion, I said only a fool, not an idiot, so
12	let's be correct.
13	MR. RAHMAN: Okay, but just to express
14	my opinion regarding this matter, I do hold a CPL
15	right now, but there was a time in my life when I
16	didn't and I had a problem with a former
17	co-worker of mine who actually threatened my
18	life. I was followed on several occasions, I had
19	to make police reports.
20	I immediately went and had to buy a
21	firearm. I open carried for about six or seven
22	months because that was the only lawful way I
23	could carry because under the current law if you
24	do not hold a CPL, you do not have a CPL, you
25	cannot conceal carry a pistol and I believe being

Page 78

1	able to openly carry my firearm saved my life and
2	the lives of my family, that's it; thank you.
3	COMMISSIONER CRAWFORD: Another
4	question, sir. You didn't bring a weapon in here
5	today?
6	MR. RAHMAN: No, I did not, I left it
7	because I was not allowed to.
8	COMMISSIONER CRAWFORD: Is it in the
9	car?
L 0	MR, RAHMAN: Yes, it is.
11	COMMISSIONER CRAWFORD: In the city of
12	Detroit?
13	MR. RAHMAN: Yes.
L 4	COMMISSIONER CRAWFORD: Downtown?
15	MR. RAHMAN: Yes.
16	COMMISSIONER CRAWFORD: Thank you.
L 7	COMMISSIONER WHITE: Mr. Bay, we will
18	speak with you following the meeting, sir, thank
19	you.
20	Are there any other comments?
21	MR. CALDWELL: Good afternoon. Name is
22	Kevin Caldwell. I just wanted to say that I also
23	applaud the comments of Chief Craig and support
24	the efforts of Rick Ector and other gun rights
2.5	activists Thank you

1	COMMISSIONER WHITE: Thank you for
2	being here, sir. Pardon me, Commissioner
3	Crawford?
4	COMMISSIONER CRAWFORD: Do you live in
5	the city of Detroit?
6	MR. CALDWELL: Unfortunately I am stuck
7	here.
8	COMMISSIONER CRAWFORD: Unfortunately?
9	MR. CALDWELL: Yes, sir.
10	COMMISSIONER WHITE: Thank you, sir.
11	Are there any other comments, any other comments,
12	any other comments?
13	Seeing none, as a reminder the next
14	Board of Police Commissioners' meeting will be
15	held Thursday, May 29, 2014 at 3 PM here at
16	Detroit Public Safety Headquarters, 1301 Third
17	Avenue, in the Michigan Court.
18	Commissioners, there's no further
19	business before us. A motion for adjournment
20	will be in order.
21	COMMISSIONER BELL: So moved.
22	COMMISSIONER CRAWFORD: Second.
23	COMMISSIONER WHITE: Properly moved and
24	supported. Any discussion? Seeing none, all
25	those in favor?

5/22/2014

Page 80 COMMISSIONERS: Aye. COMMISSIONER WHITE: Opposed? Thank you, see you next week. (Proceedings concluded at 4:33 p.m.)
