DETROIT POLICE DEPARTMENT COMMAND STAFF:
A.C. DOLUNT

Detroit, Michigan
Thursday, August 14, 2014
About 6:36 p.m.
(Commissioners White and Taylor not present). CHAIRPERSON BELL: Good evening. I am Commissioner Willie Bell, your Chair of the Board of Police Commission.

And to my right is the Vice Chair, Commissioner Carter.

And we are going to do a little housekeeping. There is food in the back. We just request that if you go and indulge, do not sit on the front row or the second row or the third row, but eat sort of quietly.

And if you would keep in mind that this is a public meeting, and this meeting is recorded as required by Charter. And we want to make sure that we have respect at all times for the Commission, for the DPD representative, and you. We just want to make sure we have that type of decorum in the house at all times. I just want to remind you of that. And I ask if you are a young man or young man at heart, remove your caps, in terms of -- this is a business meeting and we just ask for you to uncap. So we appreciate that.

And there is a sign-in sheet, it is not required, but we would love to have your name, and if

Page 4
you have got an organization, that will be even better. And if you have an e-mail, we are trying to increase our communication with you. So that's one way that we have instituted an e-mail process, we can get out a news blast, good blast, good news. We don't sell bad news. Okay. We leave that up to TV.

But we are also looking for -- if you would like to interact as a volunteer with the Board of Police Commission, you can contact me or the Board Secretary, Mr. Anthony. We are just trying to follow a little bit more rapport in terms of the volunteer concept. As you well know, that is the heartbeat of any organization community. So we want to establish that.

And I am going to -- that's the housekeeping part of it. Like I stated, there is great food, and I really appreciate the committee, Ms. Brown, initiating that, her committee, for the pizza and cake and salad and all those ingredients. So that's a blessing to have food and fellowship this evening.

At this time, I would like to pause and introduce the Commission. I am going to allow the commissioners to introduce themselves. And you have an agenda -- I mean, not a -- well, you have an agenda and pictures of the commissioners. So I want them to
verbalize in speaking for themselves. And then we will do the roll call.

Mr. Secretary, is that okay?
SECRETARY ANTHONY: That's fine.
CHAIRPERSON BELL: Thank you, sir.
Starting to my left.
COMMISSIONER SHELBY: Good afternoon,
everyone. My name is Richard Shelby. I am the Police Commissioner for District 1. Also a former City employee.

COMMISSIONER BYRD: Good afternoon. My name
is Wendell Byrd. I am the Police Commissioner for District 2.

COMMISSIONER CRAWFORD: Good evening. My name is Reginald Crawford. I am the Police Commissioner for District 3.

CHAIRPERSON BELL: And?
COMMISSIONER CRAWFORD: Well, former police officer, retired, activist. Currently Wayne County Deputy Police Commissioner, District 3.

Any UAW members in the house from Local 7, a shout out to you because this is where I started out, across the street in the Kercheval Jefferson Assembly. In activism, as far as union activism, we shut the plant down. We didn't walk out. We sat in. We shut
it down for a couple of days because of health/safety issues, 1972, Summer of '72. And it was hot too. And it was kind of stereotypical of management to always want to bring us a slice of watermelon when they wanted us to work, and it was 100 -some degrees in there. But that's some of my activism. I started across the street involving unions.

CHAIRPERSON BELL: See what happens, I give him the mic, and he just went on and on. I love him. And I thought you would get a little background because he's got extensive background, and I appreciate Brother Crawford.

And to my right, the Vice Chair.
COMMISSIONER CARTER: Good evening. My name
is Lisa Carter. And I represent District 6. Retired from the Sheriff's Department, after 27 years of service, I retied at the rank of lieutenant. Currently working for Wayne State University with the AmeriCorps Urban Safety Project. And that's about it. CHAIRPERSON BELL: Thank you. COMMISSIONER BURTON: I am Commissioner Willie Burton; represent the 5th District.

COMMISSIONER MOORE: Good evening. Police Commissioner Ricardo Moore, representing the 7th District. The 7th District encompasses the

2nd Precinct, the 6th Precinct, as well as the 10th Precinct. Glad to see you this evening.

CHAIRPERSON BELL: Is that it? We have a quorum? I am sorry. Once again, I am Willie Bell, District 4, your Chair. And I am a former police officer, community person, a longtime standing member of the Eastside. Eastside I said. AUDIENCE: All right. CHAIRPERSON BELL: Eastside I said. Thank you. We have a quorum now? SECRETARY ANTHONY: We do have a quorum, Mr. Chair.

Just want to put on the record that Commissioner Jessica Taylor and Donnell R. White are absent.

CHAIRPERSON BELL: Okay. Thank you, sir.
And to my far left, in uniform,
representative of Chief Craig, one of our favorite Assistant Chief citywide, and he is going to introduce himself in terms of his duties and responsibility.

Assistant Chief?
ASSISTANT CHIEF DOLUNT: I am Steve Dolunt. I am one of three assistant chiefs. And I think there are two more popular, to be honest with you, because I
am a little outspoken.
Anyway, $I$ am here in charge of patrol
investigations. I am representing the Chief today. He had another engagement.

So we are going to have a couple things going on today. A resolution for one of the citizens that are very active in the community. And also the Directive on the lesbian, bisexual, transgender and gay communities, we have the new liaison. She is here today, and she will be the face of the Department. And I think it is a good thing, one of Chief Craig's in terms of community. So Officer Danielle Woods will speak or answer questions in a little bit. She is a little shy, so bear with her.

Is that good?
CHAIRPERSON BELL: Yes and no.
ASSISTANT CHIEF DOLUNT: Oh, no.
CHAIRPERSON BELL: Would you introduce the rest of your staff from DPD and members of the DPD? ASSISTANT CHIEF DOLUNT: Who's here? Let's see.

We have got Marlon Wilson.
You know what, stand up, tell them who are you.

CAPTAIN WILSON: Marlon Wilson, 8th Precinct.

Captain Marlon Wilson. Is that okay?
ASSISTANT CHIEF DOLUNT: Man, you're like me. COMMANDER BARREN: Commander Elvin Barren, Commander, Metropolitan.

COMMANDER FITZGERALD: Commander Charles
Fitzgerald, Western Patrol.
LIEUTENANT JOHNSON: Lieutenant Dennis
Johnson, Commanding Officer, 2nd Precinct.
CAPTAIN BALINSKI: Captain Ken Balinski, 12th
Precinct.
CAPTAIN JARVIS: Captain Donna Jarvis,
Professional Education Training.
CAPTAIN CHAMBERS: Captain Michael Chambers, 4th Precinct.

CAPTAIN LEACH: Captain Timothy Leach, 11th Precinct.

COMMANDER EWING: Commander Eric Ewing, Eastside Patrol.

CAPTAIN HOPE: Captain Hope, 7th Precinct. CAPTAIN BLISS: Captain Bliss, 5th Precinct. CHAIRPERSON BELL: Captain Bliss, say that again.

CAPTAIN BLISS: Captain Bliss, 5th Precinct.
CHAIRPERSON BELL: And you are the Commanding
Officer for the 5th Precinct. Are we in the 5th

Precinct?
CAPTAIN BLISS: Yes.
CHAIRPERSON BELL: Okay. Thank you. Give him a round of applause.
(Applause).
CHAIRPERSON BELL: Thank you, sir.
Any others?
2ND D.C. WASHINGTON: 2nd Deputy Chief Celia Washington, Legal Advisor.

CHAIRPERSON BELL: Thank you.
We always have to be kind to the legal
advisor.
ASSISTANT CHIEF DOLUNT: Absolutely.
CHAIRPERSON BELL: And our Board Secretary, Mr. George Anthony, is going to introduce the staff of the Board of Police Commissioners at this time.

SECRETARY ANTHONY: Thank you, Mr. Chair.
For the record, George Anthony, Secretary to the Board.

We have seated in front Ms. Aliyah Sabree, who is our attorney to the Board. And we have sitting in for our Chief Investigator, Supervising Investigator Ainsley Cromwell, from the Office of the Chief Investigator. We have Sergeant Alan Quinn, who is recording our proceedings, and Ms. Rhonda Foster from

Hanson Court Reporting Service.
That completes the introductions, sir.
CHAIRPERSON BELL: Thank you, sir.
And being a military veteran, I would like -some of you are probably here, but I see one in uniform.

Sir, would you stand up and introduce yourself, please?

MAJOR TILLMAN: Yes. My name is Major Bob Tillman. I am with the Tuskegee Airmen. We train young people to the age of 17 to become pilots.

CHAIRPERSON BELL: Let's give Tuskegee Airmen applause, historically.
(Applause).
CHAIRPERSON BELL: Any other -- and thank you, all you VIPs, for attending this meeting tonight. And I just want to give you a round of applause for coming out this night.
(Applause).
CHAIRPERSON BELL: Thank you. Thank you.
If this is your first meeting tonight for the Board of Police Commission, would you just please stand up, and we can give you a special round of applause if this is your first meeting.
(Applause).

CHAIRPERSON BELL: Wow, pretty good. Thank you. Thank you. A warm welcome to you for coming out this evening. I know there are so many activities going on this evening that you could indulge, but you thought you would come out and be with us.

And we are happy to be at the UAW Local 7. We want to give special thanks to Ms. Evelyn Wynn for their hospitality. Is she in the house? Is she here?

Well, we just want to acknowledge and thank the UAW. It's a long history in Detroit. We all know the history. I am a former UAW member. You look on the wall, you see some of the most prominent -- Martin, Walter Luther, and Dr. King, and Coleman A. Young and the President. So it is something that -- this has been a union involvement over the years, and if you go to the far Eastside of Detroit, you see a baseball field, there was a grand opening this year, and it is a jewel that the UAW sponsored and Ford Motor sponsored. And there was a great deal of involvement, so the kids can now play baseball on a real baseball diamond. And I think that's a plus.
(Applause).
CHAIRPERSON BELL: That's a plus. So that's a commitment that we have gotten from UAW and others in terms of the park has been enhanced greatly in terms
of -- people talk about Belle Isle, you know, by all means, Belle Isle is great, but it is a whole lot of activities going on in your neighborhood parks. I want you to know that, but you already know that because you are engaged, right?

UNIDENTIFIED SPEAKER: Right.
CHAIRPERSON BELL: So that's a blessing.
We are going to pause before I go any
further, and thank the Lord for giving us the opportunity to convene this evening.

And Commissioner Byrd, duly elected State Rep for his district, is going to render a prayer. Thank you.

COMMISSIONER BYRD: Let us pray.
Heavenly Father, we thank you for this day. Like all days you bestow upon us, it is a great day. I want you to bless our police officers, our commissioners and our citizens of this great City of Detroit. Give us the ability to move forward and live the lives that you gave your son Jesus Christ on our behalf, that we should be able to live. And we thank you for all the wonderful blessings that you bestowed upon us, because you never give us more than what we can bear.

We all ask these blessings in the name of

Jesus Christ, your precious son. Amen.
AUDIENCE: Amen.
CHAIRPERSON BELL: We are approximately ten minutes from 7:00. But once we engage, we want to acknowledge what's going on in the country, in reference to an incident. And Commissioner Crawford is going to speak briefly to that and ask for a moment of silence.
(Moment of silence).
CHAIRPERSON BELL: Thank you.
Will you speak?
(Commissioner Taylor entered proceedings at about 6:48 p.m.)

COMMISSIONER CRAWFORD: Yes, I will. Actually, it is said 7:00 exactly across the nation in many cities, including Detroit, there is a prayer vigil for what happened in Ferguson, the city of Ferguson.

Let me -- I am going to stand.
CHAIRPERSON BELL: Yes, by all means.
COMMISSIONER CRAWFORD: (Raising hands).
This right here represents what occurred in Ferguson to Michael Brown. This right here represents surrender. This right here represents "I don't have anything in my hand."

This is what saved my life on March 23rd, 20
years ago, on the street corner of Philip and Warren, working undercover. Carjackers, three -- well, actually, it was four, who had previously carjacked someone, put a gun in my face, put a gun in my face. And wanted to take the car that $I$ was in, which was an undercover City car.

By the will of God, really, it was God first that I am standing here, this is the only reason I wasn't shot and killed, because this represented to them, at that moment, that $I$ didn't have a weapon in my hand, and there was no reason to shoot me. Of course, I begged them not to shoot me. But how it was resolved, there was a gunfight, some two feet away from me. By the grace of God, I am here. Three of them were shot. By the grace of God, they all lived.

So when we talk about Ferguson, and what has occurred, and things in this city, and you look at the stats, the city that's $20,000,67$-- well, 70 percent African-American, 55 police officers on the force, only three African-American. Police officers don't see themselves in the city, as citizens. The population that lives there don't see themselves on the police department.

So we pray for peace. And there can be no justice or no peace. Okay.

So in the words of -- the spoken word that was written by Marvin Gay, the song Inner City Blues, wanna make me holler, wanna throw my hands up in the air, and make me holler.

There are sometimes people come before this Board and also before the Police Department with complaints. They hurt, sometimes angry, emotional, they are under stress. But they are just seeking some redress to their issue.

So I say this in prayer for Ferguson. And if you stand up and hold your hands up, you understand what this represents. Even if you don't see it, visually, just when people come before us, as police officers before this Board, they are seeking some sort of redress to issues in the community.

So thank you.
(Applause).
CHAIRPERSON BELL: Thank you. We continue for peace and tranquility in reference to the police community and the community all over America.

So that's the prayer that we have rendered, and I think Commissioner Crawford did an excellent job to highlight his awareness in reference to that.

Commissioners, you have the agenda before you. The Chair would entertain a motion to approve the
agenda for this evening's meeting.
And before $I$ do that, $I$ would like to
acknowledge that Commissioner Jessica Taylor has joined us at this time. Thank you for your attendance.

COMMISSIONER CRAWFORD: So moved.
COMMISSIONER TAYLOR: Second.
CHAIRPERSON BELL: It has been properly moved and second.

Ready for the question, those in favor? COMMISSIONERS: Aye.

CHAIRPERSON BELL: Those opposed?
Motion carried.
Also, you have the minutes from Thursday,
August 7, 2014.
What is your pleasure, Commissioners?
COMMISSIONER TAYLOR: So moved.
COMMISSIONER BYRD: Second.
CHAIRPERSON BELL: Properly moved and second.
Ready for question, those in favor?
COMMISSIONERS: Aye.
CHAIRPERSON BELL: Motion carried.
I just want to pause to highlight a
couple -- perhaps we can recognize at this time individuals that represent the Office of the City of Detroit. I know we have a young lady from Councilman

Jenkins' office, that she gave me a business card a minute ago. And could you stand up and identify yourself, please, the Community Liaison; is that correct?

MS. WILSON: Do you want me to come up there? CHAIRPERSON BELL: Yes, ma'am. That will be fine.

MS. WILSON: Hello, everyone. My name is Kesha Wilson. I am the Community Liaison for Council Member Saunteel Jenkins. Thank you for having me. CHAIRPERSON BELL: Thank you. Any other councilman representatives or any other elected officials in the house while we pause? Dr. Divers? DR. DIVERS: Mr. Chairman and members of the Board of Police Commissioners, I am Arthur Divers. I am the liaison representative for President Pro Tem George Cushingberry, Councilman for District 2. And this is my first meeting in the absence -- this year, but I did want to come. And he said he wanted to express his good wishes for your success. He is interested in what you are doing. And so he asked me to come and to bring a report back on what happened at your meeting. And I shall do that. And thank you for an honor to present myself.

CHAIRPERSON BELL: Thank you. Dr. Divers is a long-term Board of Education teacher and counselor. I think his longest stay was on the eastside of Detroit, Osborn High School. Did I get that right?

DR. DIVERS: Yes, sir.
CHAIRPERSON BELL: So I just want to acknowledge, and he is also a community activist, many years. And on a side note, he is a church member.

Thank you.
DR. DIVERS: Thank you.
CHAIRPERSON BELL: Any others?
At this time, $I$ am going to give you a brief profile of the duties and responsibility of the Detroit Board of Police Commissioners.

In 1973, the citizens of Detroit adopted a new form of governance for the Police Department by revising the Detroit City Charter and creating the Board of Police Commission. The revised City Charter became effective on July the 1st, 1974.

I am going to give you a little tidbit on that. Prior to that, in 1861, if my research is correct, this is prior to the date of the Police Department forming in 1865, the governor of this state at that time appointed a four-member Police Commission, for the duly formed City of Detroit. Before that, it was policed by the military. And that established the Police Commission in 1861. And thereafter, the Police Department was created in 1865, if my record is correct.

So we predate the Police Department. I just want the police officers to know that; that the citizens and the governor -- and there was a great deal of opposition to that, you know, in terms of creating that entity. So that was a blessing in reference to -the reason why, because the Department is going to be celebrating -- how many years next year?

How many years, George?
SECRETARY ANTHONY: 150.
CHAIRPERSON BELL: 150. So that's a blessing too, you know, as we move towards that.

And just to give you a little -- another little history, that in 1893, L.T. Toliver, that's with one L, $\mathrm{T}-\mathrm{o}-1-\mathrm{i}-\mathrm{v}-e-r$, was the first black officer to be appointed to the Detroit Police Department, according to research. At the same time, the first female, Marie Owens, was appointed to Detroit Police Department. And we have been first in other areas. 1922, radio dispatch, and, you know, the rest is history in terms of advancement of the technology that we have engaged. So that brings us up to date.

In getting back to the Charter, the 2012 City Charter provided for the Board to have 11 commissioners, four members appointed by the Mayor, subject to the City Council approval, and seven elected members. That's why you see the seven here. We are missing -- well, we have got all seven elected, and one appointed, Donnell White.

COMMISSIONER CRAWFORD: Two.
CHAIRPERSON BELL: Two. One is here.
COMMISSIONER CRAWFORD: Okay.
CHAIRPERSON BELL: The 2012 Charter gives the Board supervising control, oversight of the Detroit Police Department set forth in the Charter.

As you well know, we are not under the Charter at this particular time. We all know the history. I don't have to get off into that.

The meetings -- the Board is required to meet at least once each week, but may vote to recess during the Thanksgiving, Christmas, and New Year. They didn't even give us a summer vacation, I mean, but they all get summer vacation. So we have to rectify that.

Specific duties, we establish policy, rules and regulations of the Police Department in conjunction with the Chief. As you well know, the Chief is the Chief Executive Officer of the Detroit Police

Department. And he is the -- he or she is the man, the go-to person 24/7.

We are -- commissioners are nonsalary, and we are part-time commissioners, in that sense, but I think they don't know that, because the duties and responsibilities have been like, okay. It has been really a challenge. And the Board appointed the Board Secretary, you met Mr. George Anthony, you met the staff. And that's basically the overall function of the Commission.

Anything else I should highlight?
One of the areas that we do have authority over, and we have authority over citizen complaints. And we have a Chief Investigator to handle all noncriminal citizen complaints. That's something that we are engaged in now and have in the past and is ongoing. So we have a Chief Investigator, one of the staff members here representing the Chief Investigator. So that's one of the key areas that we involve. But it also interact with the Mayor and the Police Department, and I think it has been a great working relationship in terms of my experience for the last several months in reference to Detroit Police Department under the leadership of Chief Craig and his staff. They have been really warm and kind, and there has been a great
deal of interaction. So we just look forward for that continuation.

So that's the Board of Police Commission. There's a little bit more in-depth reporting, you want blow by blow, it is on the website, on the website. It's also part of the City Charter. I know some of you are students in terms of being well-versed on that area.

And my report, I think I just said too much, a whole lot. So I am just going to move on to the Deputy Chief in terms of the 5th Precinct.

ASSISTANT CHIEF DOLUNT: Captain Bliss?
Captain Bliss has had a terrible day today. If anything could go right, it didn't.

So is your presentation ready to go?
CAPTAIN BLISS: Thank you, sir.
ASSISTANT CHIEF DOLUNT: Introduce your staff. Okay. You don't have a staff. In that case --

CAPTAIN BLISS: No, actually, I have my neighborhood police officers here, if you would please stand.
(Applause).
CAPTAIN BLISS: Please introduce yourself. ASSISTANT CHIEF DOLUNT: This is the third one.

HANSON RENAISSANCE hansonreporting.com

CAPTAIN BLISS: Thanks for joining us.
Appreciate that.
OFFICER KING: I am Officer King, 28 years on the Department, all in number 9. I have been appointed for sections five-five, five-seven, that's the furthest east part of the 5th Precinct.

OFFICER GAINES: I am Officer Deborah Gaines. I have 27-and-a-half on the Department. And I am happy to be an NPO.

OFFICER ROBINS: Officer Shawnee Robins. I have 18 years on the job.
(Applause).
CAPTAIN BLISS: Before $I$ start, $I$ just want to say one thing. I am very fortunate to be at the 5th Precinct. It doesn't happen too often that you can start your career at a precinct, and then end up coming back as the Commanding Officer of that precinct.

In 1999, 2000, is when I became Police Officer Mark Bliss. And I was assigned to the 5th Precinct back when it was at Jefferson and St. Jean.

And to come here now and to say that -- you know, to get the round of applause, that I am the Commanding Officer, it really means something because it is rare that you do get to come back. And it just feels like home. I guess that's the best way. Because
you go through everything. You remember, oh, I remember when I really screwed that up there, or when I gave a ticket over here is my first ticket, but when you have that, there is a sense of ownership for your precinct. And I hope that my fellow captains can be as fortunate as myself.

But moving on to the 5th Precinct.
The 5th Precinct, which currently shares housing in the 9 th Precinct, which is at 11187 Gratiot, is one of the Detroit Police Department's largest precincts. The majority of the 5 th Precinct falls in District 4, which is managed by Mr. Odell Tate of Mayor Duggan's office.

The 5th Precinct covers approximately
12 square miles, actually it is 11.99 , but -- and is bound on the north by Interstate 94 and Kingsville, the east by Mack Avenue and Alter Road, the south by Detroit River, west by Cadillac, and then it is completed by pieces of Gratiot and Conner.

The future home of the 5th Precinct will be located at 3500 Connor, a former UAW property directly across from the Chrysler plant. It is actually right up the street from where we are right now.

The structure and parking areas are currently under renovation, and we are hoping to be able to
occupy the building before the end of this year. And from what I have been told by our Resource Management, we are looking at a possible December date to come back to the 5th Precinct.

Notable properties and landmarks within the 5th Precinct consist of Waterworks Park, the Chrysler Jefferson North complex that extends from St. Jean and East Warren to Conner and East Jefferson, the Fisher Mansion, and the UAW Ford baseball diamond, and Balduck Park.

In addition, we are fortunate to have what I call the three big -- the big 3 for our communities: And that is the MorningSide, East English Village, and Cornerstone, which are shining examples of what concerned and involved citizens can accomplish with hard work and dedication.

According to the result of a 2011 census, the 5th Precinct's total population has reduced over the past ten years, and currently there are approximately 100,000 residents. And of that, one-third are juveniles.

Other points of interest in the 5th Precinct are that we have 11 public teaching facilities, which consist of three high schools, seven $K$ through 8 schools, and also the Golightly Technical Center, and
the Wayne County Community College District - East Campus.

Statistically, I just want to give you a couple just random statistics about the 5 th Precinct. For patrol, we put out approximately four to five cars a night on each shift. On average, we answer about 25 to 30 calls for service per shift. And on average, the 5th Precinct answers approximately 2,000 calls for service every week, and issue between 300 to 500 tickets within the precinct.

Another statistic is during the month of December 2013, prior to the precinct being split, the Eastern District Community Relations Officers and their volunteers from various shifts assisted the Old Newsboys Goodfellow organization in distributing over 9,000 Goodfellow boxes to low income residents residing in the Eastern District and also parts of the Northeastern District.

And also, on August 5th, the 5th Precinct, along with the nation, celebrated National Night Out. The National Night Out, as you know, is an ongoing effort to show the dedication, strength and relationships between the communities, citizens and businesses along with the police united together against crime.

The overall goal is to encourage neighborhood spirits and police community partnerships, and to send a message to criminals, informing them that neighborhoods across the country are organized and are fighting back.

I took command of the 5th Precinct June 9, 2014. The one thing that $I$ can tell you is that right now we are still -- we are still living in the District phase. We want to be the 5th Precinct. I am actively trying for us to break away to be the 5th Precinct. I think that the start and the real finality to it will be when we occupy 3500 Conner. Because there is some disconnect when my office and where my police officers change and get in their cars, is not in the District that they patrol.

I attend various shifts, talk to a lot of officers. And the one thing that's overwhelming from them all is they always say that, I can't wait to get back home, to get back to the 5th Precinct. A lot of our -- the average seniority of our officers is, you know, 15 -- it is relatively a high seniority precinct. A lot of them have come back to number 5. And that tells you their love for the community, the love for the surroundings.
There is some things that I am going to try
to undertake while being the captain of the 5 th
Precinct. In an effort to revitalize the Block Club and Community Watch movement, my neighborhood police officers have attempted to contact inactive Block Club Presidents and Board Members to reestablish neighborhood and business watch groups in areas where there is an increase in high Part 1 and Part 2 crimes within the last six-month periods.

Like I stated earlier, we are very fortunate because we have the perfect example of community organization. And that is the East English Village, Cornerstone and MorningSide. So, you know, we have the template. Everybody knows about those types of communities. And, you know, every time I have spoken to members of those communities, they are very giving with their information and their time. And I just hope that it has become something where other parts of the 5th Precinct adopt that type of love for their community.

Also, we have undertaken -- the neighborhood police officers have contacted victims of home invasions and $B$ and Es to offer home security and business surveys. They have also done that for businesses. We have had some businesses that have called because they had some type of crime problems, and we have sent our neighborhood police officers up there to do assessments for them, to let them know what could be contributing to this.

I also want to establish a youth explore program and recruit high school students attending Southeastern, Davis Aerospace, and Golightly, and East English Village Preparatory Schools that allow students to explore a career in law enforcement through active participation. Currently we don't have that. And it is something that $I$ would like to bring back.

I also want to establish an East Jefferson and East Warren patrol beat to address specific concerns within that area. I think that there is nothing better than the foot beats. There is a reason why crime was down and officers knew exactly what was going on in their community, because they didn't have the windows up and they weren't driving 30, 40, 50, 60 miles an hour through their community. They were walking. They had to have interaction with the community. They had to know what was going on. I want to bring that back, that intimacy with the community. I also -- as you know, there are a lot of very beautiful parks here in the 5th Precinct. And I would like the 5th Precinct, once we are established, to basically adopt a park. And that is that we take care of it, it becomes the 5th Precinct's park. Maybe it might have a softball diamond and we can play games on it.

ASSISTANT CHIEF DOLUNT: Better have a softball diamond.

CAPTAIN BLISS: But again, it is an investment in the community. I would like the community to come out there and play and know that the people that are cutting the grass or pulling the weeds or planting the trees are people that walk or patrol these very streets in the 5th Precinct. We are part of the community.

Also, I have heard from the community about the high speeders. East Warren, Alter, it is an ongoing problem. I also am looking to expand the traffic enforcement by having blitzes in highly traveled roads. It is no secret that a lot of people don't travel down Mack, because once you hit Alter, part of it is Grosse Pointe. So they decide that, well, I can't speed there because Grosse Pointe is there. So what I am going to do is I am going to speed on East Warren. Well, what I would like to do is have it so bad on East Warren that the speeders say, you know, I am just going to take my chances at Mack, because Warren, no, there is no way.

And finally, $I$ know that we have a lot of abandoned vehicles. I know that blight is a priority. I don't want to establish an increase in number of abandoned vehicle impounds in the 5th Precinct, so when there is a call, there is somebody there. It has always been a specialization, but $I$ think it is something that we need to expand. Because blight, you know, when people see cars that are abandoned or cars that are sitting in a vacant piece of property, you know, we are allowing that to prosper. And that's just the beginning of the downfall of a community. We have to know that as soon as we see something that's out of place, be it a street light, a vacant car, garbage, that it is handled.

So those are just a few things that I would like.

And that concludes my presentation for the 5th Precinct.
(Applause).
CHAIRPERSON BELL: Commissioners, any
questions or comments?
If not, I just want to say that you are really engaged. You identified the speeding problem, some other issues, and that means you are familiar with the 5th Precinct. You are familiar with this area.

And it is great that you are able to return to lead the charge in terms of public safety. And you can see the reaction of the audience here. They appreciate your remarks. Because these are issues dear and close to their hearts in terms of the public safety issues that we have in the city of Detroit. Also, we want a clean city, so you have addressed all those issues.

So thank you on behalf of the Board.
CAPTAIN BLISS: Thank you.
CHAIRPERSON BELL: Deputy Chief, any other remarks in reference to the Chief report?

ASSISTANT CHIEF DOLUNT: That was pretty good. A lot better than this morning, I will tell you that.

No, I appreciate your sincerity. I appreciate your sincerity, you were sincere, you showed some passion. I never got an ovation like that. That's pretty good. So nice job.

CAPTAIN BLISS: I just want you to know that I did have a slide presentation.

CHAIRPERSON BELL: I understand.
ASSISTANT CHIEF DOLUNT: Oh, here we go. Let it go, while you are on top, let it go.

CAPTAIN BLISS: You know, due to some technical difficulties --

CHAIRPERSON BELL: You did a great job. You didn't need that.

ASSISTANT CHIEF DOLUNT: Sit down. Sit down. CHAIRPERSON BELL: That's even better than technology. We get hung up on that sometimes. You did an excellent job. So you get a 10. And I am going to --

Any other comments, Deputy Chief, about the Chief report, you want to share with us?

ASSISTANT CHIEF DOLUNT: That was good. No. That was good.

CHAIRPERSON TAYLOR: Thank you. No other comments?

ASSISTANT CHIEF DOLUNT: NO.
CHAIRPERSON BELL: You have nothing else for us?

ASSISTANT CHIEF DOLUNT: Oh, we have the Directive. You want to go into that right now or not? I need to put my glasses on. We are good for that.

Oh, we have -- tomorrow we are having a graduation at Greater Grace, 24 new members are going to join the Police Department graduating from the Academy.

> (Applause).

ASSISTANT CHIEF DOLUNT: Yeah, we need it. And the Chief is going to appoint 20
individuals to the rank of detective tomorrow at the same time. So that will be good. It is a new ranking started. And I think it is going to help us out. UNIDENTIFIED WOMAN: Where is it at? ASSISTANT CHIEF DOLUNT: At the Greater Grace, right? Greater Grace Temple. 10:00. CHAIRPERSON BELL: 10:00 a.m., Greater Grace. We all know Greater Grace on the far west side of Detroit.

2ND D.C. WASHINGTON: Yes, sir.
CHAIRPERSON BELL: You can't miss it. 10:00, get there early. I am looking forward to interaction with -- we had an opportunity to speak to the class.

I would like to pause. Sir, was there anything else? I mean, I know there's something else on the agenda, but right now?

ASSISTANT CHIEF DOLUNT: No, that's it. We are good.

CHAIRPERSON BELL: Mr. Knight, would you come forward?

Mr. Knight represents this District in terms of the business part of it. He is the Deputy District Manager, and my understanding that the long-term

President of MorningSide, Odell Tate, mother passed. And we offer our condolence and prayers to Mr. Odell Tate. He was the former MorningSide President, you heard the Captain talk about MorningSide. And he is also the Manager for this District 4, and each District has a District Manager. And you are the --

MR. KNIGHT: -- Deputy Chief.
CHAIRPERSON BELL: -- and I didn't want to pull you away from your pizza earlier when $I$ was asking people to come forward. So we will do that now.

MR. KNIGHT: Thank you very much. Good afternoon, everyone. It's a pleasure to be here. I am excited. I am excited about the Captain's report. He is definitely engaged. I work with him. Every day, I am sending him a text about something. So I am just thankful, just let you know, he is very responsive. I am also thankful for you all being in our neighborhood. Glad you are able to see District 4. So I think most people know me around here. So excited to be here. Thank you.

CHAIRPERSON BELL: You are not that popular. We know you work for the Mayor. Thank you.

Okay. I would like to identify a couple of other people. I saw my former precinct commander, Mack and Gratiot, 7th Precinct, Captain Hope, would you
stand up and --
(Applause).
CHAIRPERSON BELL: Tell us something about Mack and Gratiot, the old 7th Precinct. So you are commanding my old home.

CAPTAIN HOPE: I love it. I am having a very, very unique experience here at number 7. We have a beautiful water line there. We have a diverse group of individuals. We have high rises, seniors, we have the business district. We have Chene Park. We have so many wonderful activities in our community. And we are all engaged. And we are hoping for our new building soon. And that will be located at 3501 Chene. We cannot wait. It is going to be really, really great, because just like Captain Bliss said, there is nothing like having your own. We share with number 11. And they have been so inspirational for us. A great support with Captain Leach in the back there. But it is nothing like the community having their home. So with that being said, we are very, very excited for all the possibilities. We are doing well.

CHAIRPERSON BELL: Thank you, Captain. I just want to say before the Captain leaves the mic that she is our only female captain commanding a precinct; is that correct?

CAPTAIN HOPE: Yes.
(Applause).
CHAIRPERSON BELL: She has held the boots on the ground. And I want to say I didn't work with her directly, but $I$ know she worked formerly in narcotics. I was doing administration stuff. You were going through the doors. So she has been the real police, and over the years, so I just want to commend you on your career. Glad you are still with us. So that's challenging when you talk about working in a precinct. So we appreciate you.

CAPTAIN HOPE: Thank you, sir.
CHAIRPERSON BELL: Thank you.
(Applause).
CHAIRPERSON BELL: Commissioners, any
standing committee or subcommittee reports at this time?

If not, we move on to new business.
We have a Resolution for Mr. William Barlage, but he is flying in. He might be able to come from the airport and make it here in time. If not, we might just do a resolution without him, but he wants to be here. I am just going to save that. If he arrive prior to us adjourning, we will activate that at that time.

So he is the President of East English
Village, my neighborhood. And the Resolution will speak to his involvement. I know he is pleased to see the D.C. Dolunt, because he always -- you did an excellent job when you worked this area. Now you are working citywide. So there is a relationship there.

And we can move on to item number 2 on the agenda, the Directive from lesbian, bisexual, transgender, and gay communities. Someone is supposed to address that. Is that something --

Mr. Secretary, will you help me out on that?
SECRETARY ANTHONY: There is a
representative.
CHAIRPERSON BELL: Okay. I am looking at you. Oh, this young lady here. Former student at --

OFFICER WOODS: Dominican.
CHAIRPERSON BELL: -- Dominican High School and Academy.

OFFICER WOODS: I am.
CHAIRPERSON BELL: My former coaching job.
So it's good to see the young lady have moved on.
There are great things come out of Eastside, not just Renaissance. And Cass Tech.

OFFICER WOODS: Okay.
CHAIRPERSON BELL: Continue.

OFFICER WOODS: Okay. I am Officer Danielle Woods. I work for the Office of the Chief, Neighborhood Liaison Unit. I am the LGBT liaison for Detroit Police Department. This is a historical moment because this has never happened here. This has never been a part of the Directives.

It started off, of course, as a special order. And now it is Directive 102.9.

The purpose of it is to establish guidelines and procedures for the Detroit Police Department and Department's members' interaction with the lesbian, gay, bisexual and transgender individuals, commonly referred to as the LGBT community.

My particular job in a nutshell is pretty much to be the bridge, from the LGBT community to the Department, and vice versa. So I can be the voice on both ends.

Any questions?
CHAIRPERSON BELL: Yes, ma'am.
COMMISSIONER TAYLOR: Through the Chair, you were reading the purpose, and you said the purpose was to establish guidelines. So there is no -- there's been no -- any guidelines to address those -- the individuals?

OFFICER WOODS: Well, that's the point of the

Directive. It is to let the officers know that they will be held accountable, and to let them know how to address persons of the LGBT community, how to house, specify, and the courtesies, because it can sometimes be a very sensitive subject. And everybody is not always so open to that community. So this just kind of sets the bar for what's expected of DPD officers.

COMMISSIONER TAYLOR: Thank you.
COMMISSIONER SHELBY: Through the Chair. CHAIRPERSON BELL: Yes, sir.

COMMISSIONER SHELBY: Officer Woods, have you reached out to that community yet or --

OFFICER WOODS: Oh, yes, I have. I am very involved in the community. Actually, the first weekend -- I can't exactly remember the dates -- but that Tuesday through Sunday, in June, was Detroit Gay Black Pride where there were multiple forums and picnics and different things, different activities. I am involved with Equality Michigan, former Triangle Foundation, KICK of Detroit, I already said Equality Michigan, Affirmations, Caribou House. There's anything LGBT in Michigan, $I$ am hands on with. COMMISSIONER SHELBY: Second question, through the Chair.

> Are they aware of this new Directive?

OFFICER WOODS: They are. Yes, they are.
CHAIRPERSON BELL: Yes, sir?
COMMISSIONER CRAWFORD: Through the Chair.
Yes, ma'am. Were they involved in, I guess,
or had some input in this Directive?
OFFICER WOODS: Oh, most definitely. This was drafted by members of the community, of course, DPD staff, the Legal Department, myself. And I think that's pretty much it, but everyone -- participants both from the community and the Department was involved in drafting this document, this Directive.

COMMISSIONER CRAWFORD: Okay. So you did do it in consultation with them?

OFFICER WOODS: Oh, definitely, yes. Like I say, it can be very sensitive, and the verbiage has to be -- you know, nobody wants to be left out.

COMMISSIONER CRAWFORD: Okay.
CHAIRPERSON BELL: Commissioner to my right, any other comments? Questions?

Thank you, Officer.
OFFICER WOODS: Thank you, sir.
CHAIRPERSON BELL: Commissioner, I think we received this early on back in June. Oh, sorry, go ahead, speak to it.

SECRETARY ANTHONY: Mr. Chair, this is a new

Directive. So this Directive should come back before the Board next month at the community meeting. CHAIRPERSON BELL: Thank you, sir. You heard the Board Secretary. So we will act accordingly at the next month. So we are receiving it now. And we will have a chance to digest it. And next month, I guess we will take action on it.

Item number 3 on the agenda is in reference to Nextdoor. And I ask our Vice Chair of East English Village, the one and only Latisha Johnson, to come forward.
(Applause).
CHAIRPERSON BELL: She is the first Vice President, I get those titles right, and she is a community activist, and I really commend this young lady in the path she has taken to take time out from her duties and responsibilities to really spend some quality time with community issues.

MS. JOHNSON: Good evening, everyone.
AUDIENCE: Good evening.
MS. JOHNSON: Thank you for the opportunity.
I am Latisha Johnson. I am the first Vice President of East English Village. I have been for the past five-and-a-half years working extremely hard in the community, and I am glad to look around the room and
see so many neighbors that I do know, whether in MorningSide, East English Village or Cornerstone.

I was asked to come today to speak about
Nextdoor. Hopefully many people are familiar with Nextdoor. It is Nextdoor.com. It is another social media website, but it has a unique component to it in the fact that it allows community groups to communicate with one another. So East English Village, MorningSide, Cornerstone, Yorkshire Woods, there are also some communities in Grosse Pointe that I can see that are near or adjacent to our community. And it gives us all an opportunity to share what we are all dealing with in our neighborhoods.

One of the greatest things about that, of course, is for us, it allows all of us to be a bit more proactive in addressing some of the issues that we see within our communities. So if someone has a break-in, if someone has seen an individual that has perpetrated a crime, then we can share that information throughout the various communities. And we can be proactive and vigilant as it relates to ensuring that it doesn't happen to us or to our neighbors.

It also gives us an opportunity to share all types of information. There are several people here that share quite a bit on the website, whether it be a
community meeting, this meeting in particular, or anything that's going on in the city that would be beneficial to residents of the city and of our communities.

So I always strongly encourage for neighborhoods to join, for residents to get linked on the website. It is different from a Facebook website because it just gives us all a greater voice within our communities.

I am aware that the administrators of the site have been working on giving police officers, elected officials, the ability to link into the communities that they serve, even if they don't live in that community. Just so that everybody can be aware of the challenges that we are facing and we can all work toward a concerted effort to deal with those challenges that we are having.

I personally would like to see more neighborhoods linked into our page, connected with us, because I have been to some community group meetings where they don't have representation on Nextdoor. And I always strongly encourage them to, even if the community group has not created their own page, the residents can go on to the website and sign up. And once you put your address onto the website, it puts you
in the community that you are in. But, of course, if there are leaders within that community, it gives them the ability to monitor the information that's coming out from their community. So I strongly encourage that.

One thing I learned today is that the field managers that had jobs within the City of Detroit to encourage more communities to join Nextdoor, their last day is August 21st. So that just essentially means that we will have to e-mail to get questions answered. We won't have a specific person to address our issues and concerns with, as it relates to the website. But community groups can still go on and add their organization on the website.

Any questions for me?
CHAIRPERSON BELL: Commissioners?
COMMISSIONER CRAWFORD: Through the chair, I just have -- what's happening with the field managers?

MS. JOHNSON: I am not sure. Nextdoor.com is apparently a for-profit, it is run by a for-profit organization. And earlier this year, Detroit didn't have a large presence on the website. So they hired I believe six or seven field managers throughout the city of Detroit to increase the number of community groups that were on Nextdoor. And I guess they have
done a great job. So they -- their last day is August 21st, but like I said, there are still some community groups that I would love to see connected with us on Nextdoor.

COMMISSIONER CRAWFORD: Okay. Thank you.
CHAIRPERSON BELL: Any other comments from the Commissioners?

I would like to just pause for one second to acknowledge, we keep talking about MorningSide, East English Village and Cornerstone.

I would like MorningSide to stand up, if you are in the house. Any representative from MorningSide? Is that Reverend Reed?

PASTOR REED: Yes.
CHAIRPERSON BELL: Oh, okay. Good. That's MorningSide. That's just a part of the leadership team there, there are others. That's one, you know, Captain mentioned how active they are.

And also, East English Village, would you please stand up? Any other members of East English Village? Okay. There's two.
(Applause).
CHAIRPERSON BELL: Okay. Thank you. And also Cornerstone, are you here? I see you. Would you please stand up?
(Applause).
CHAIRPERSON BELL: That area is over by Balduck Park, by St. John, okay, in that area. Just you can identify. We hope that we can -- Councilman Spivey, we are trying to do a better job in other areas who are not as organized, but these are the pillars of the community. We have -- stand up, sir, identify your organization -- East Outer Drive.

MR. MORTON: Pierce Morton, East Outer Drive Community Association.
(Applause).
CHAIRPERSON BELL: Any other community
organizations here? Any others here? I just want to thank you for --

Yes, ma'am?
UNIDENTIFIED WOMAN: I just want to say
Mr. Pierson and his wife, they have some signs they have been selling for a few years now, Bring Back the Pride, and put them in your lawn. Even though we are not in his area, we love -- they even have T-shirts, so...

CHAIRPERSON BELL: Yes, I bought one of those signs.

So that's really fantastic in terms of community involvement, because without you, we cannot
function, and you need that type of leadership in the city of Detroit. And you hear about other areas, but there is a lot going on on the Eastside.

I just mentioned that the Council Spivey is trying to impact other neighborhoods and business associations, trying to tie it all together in terms of the quality of life in the city of Detroit.

So we move on with the agenda. Project WHAT!
MR. MELCHOR: Good evening, everyone. My name is Paul Melchor. I am representing Youth Voice, a project of the Harriet Taubman Center.

I am here today to present Project WHAT! WHAT! is an acronym that stands for We're Here and Talking. The program was launched in 2006 in Oakland, California. It is a program that raises awareness of youth with incarcerated parents. Project WHAT! offers paid summer jobs to youths, to share their stories, and help others with incarcerated parents. It was helping bring this program to Michigan.

If you are asking yourselves, why did Project WHAT! wish to come to Michigan? Why not some other state? Michigan is known for having long sentences, as well as having highly restrictive visitation policies. In Michigan, approximately 45,000 fathers are incarcerated, and 3,000 mothers incarcerated. We wish
to change visitation policies and arrest protocols in order to make the situation less traumatizing for youth.

There are various myths that revolve around the effect incarceration has on families.

For starters, people say that children of incarcerated parents are six times more likely to be imprisoned than an average child. In reality, there is no evidence to support this claim.

However, various studies supports that children of incarcerated parents do have a higher risk of negative behavior and school issues.

One of them states that parents that are incarcerated are dangerous people. This is not the case.

Seventy-one percent of mothers are arrested for non-violent offenses. And 52 percent of fathers are arrested for non-violent offenses.

The final myth is that children who visit prisons to visit parents are often traumatized by the event. And this is, once again, not the case. Children of incarcerated parents often feel isolation and guilt and shame because their parent is incarcerated. However, visiting their parent can often help with their emotional adjustment to the situation.

Now I am going to talk about the present and future of Project WHAT! here in Michigan.

Youth Voice is helping with a crowdfunding campaign on indiegogo.com, with Project WHAT! We have currently raised over $\$ 4,000$ statewide on July 8 th. The campaign ends on August 22nd, and we have to each our goal of $\$ 10,000$ before that date. We are asking for your help. If you are capable of making a donation, we would greatly appreciate it. However, if you are unable to make a donation, you can still help us by spreading the word of the campaign on social media, with friends and family, with members of your colleague -- with members of your congregation, sorry, and colleagues.

With your help, we may launch a capacity of youth to become leaders, peer mentors, and facilitators in the movement for reform in Michigan.

Thank you for your time.
(Applause).
CHAIRPERSON BELL: Thank you.
Commissioner Taylor probably wants to respond to -- this is not your first appearance before this Board, and Commissioner Taylor is taking on some interaction. I guess she can elaborate.

COMMISSIONER TAYLOR: No. I said I am part
of -- a member of the Commission on Community Action and Economic Opportunity that deals with changing policy, and for low income people.

So my question to you, and I am going to invite you to our forum once I get a date, so I talked with Mr. Gomez -- is it Mr. Gomez that's --

MR. MELCHOR: Yes.
COMMISSIONER TAYLOR: And also I just want to ask you, what are some of the challenges you are having as far as visitation you said?

MR. MELCHOR: In terms of visitation, as I stated, sometimes rules can be highly restrictive. For example, somebody came to me and told me that their children were unable to wear shoelaces when they visit their parents.

COMMISSIONER TAYLOR: Say that again. They are not able to wear shoelaces?

MR. MELCHOR: Shoelaces to visit their parents, and so that can be an issue where children are unable to visit their parents. And they are children, they don't mean any harm, they don't wish to cause any harm when they visit their parents.

COMMISSIONER TAYLOR: Okay. Okay.
CHAIRPERSON BELL: Any other comments, Commissioners?

COMMISSIONER CRAWFORD: Excuse me, through the Chair, I just have one.

What happened to the youth that were here last time you were here?

MR. MELCHOR: Unfortunately, they couldn't make it. They had other business to attend to. COMMISSIONER CRAWFORD: Okay. There was a number of youth last time we talked about it.

CHAIRPERSON BELL: Thank you, young man.
(Applause).
CHAIRPERSON BELL: This is a glaring issue.
Perhaps we can lobby the newly elected State Rep Wendell Byrd to look into this matter when he take office in 2015. I am putting something on his -- I am putting something on his plate, because we are talking about incarceration of parents, there is a significant number. And I never thought about it in terms of the impact on the children who has nothing to do with anything. But in terms of visitation, interaction. We know what impact they have in reference to not having a father figure. So if we can impact that, that would be great.

So you heard it here first, Commissioner Byrd.

COMMISSIONER BYRD: Thank you, sir.

CHAIRPERSON BELL: Moving on to old business.
We have a Directive 205.10, Internal Border Crossing Threat Response Protocol.

Mr. Secretary?
SECRETARY ANTHONY: I thought Lieutenant Merkerson from Planning and Inspection may be here to address that.

CHAIRPERSON BELL: Okay. He is here.
UNIDENTIFIED SPEAKER: He was.
CHAIRPERSON BELL: Could the president of MorningSide acknowledge? We are pausing for one minute. Just come to the mic and introduce yourself and MorningSide.

MS. ANDERSON: Hello, everyone. My name is Zelda Anderson. I am the newly elected President of MorningSide.

UNIDENTIFIED SPEAKER: Where is MorningSide?
MS. ANDERSON: Okay. MorningSide, the borders are Alter Road, East Warren -- no, Alter Road, Outer Drive, Mack, and I-94.

CHAIRPERSON BELL: Anything else you wanted to share?

MS. ANDERSON: Well, no, not really.
CHAIRPERSON BELL: Okay. We thank you for
your commitment, and you are the newly elected

President.
MS. ANDERSON: Yes.
CHAIRPERSON BELL: Thank you. I know you
served as Vice President not too long ago.
MS. ANDERSON: Yes, I did, you know, while --
after Odell Tate, he was appointed to District 4
Manager.
CHAIRPERSON BELL: Yes.
MS. ANDERSON: -- and so that, needless to
say, moved me up as of, what? April.
CHAIRPERSON BELL: And that quiet spirit.
MS. ANDERSON: Yeah, that's true.
CHAIRPERSON BELL: Thank you. Thank you.
MS. ANDERSON: All right. And thank you too.
CHAIRPERSON BELL: Appreciate you. Okay.
(Applause).
CHAIRPERSON BELL: Ms. Brown?
Now this young lady is involved with everything. What can we say, without her --

MS. BROWN: I just want to say that Zelda, she doesn't say a whole lot, but she is a hands-on person.

CHAIRPERSON BELL: I know. I know.
MR. BROWN: She is every cleanup, everywhere.
She is always making sure the workers got food and
stuff. She is a hands-on President. We are glad to have her.

CHAIRPERSON BELL: Ms. Brown, would you give your name for the record, please. I am forgetting the protocol here. Give your name here, or we are going to be in trouble.

MS. BROWN: I am so sorry. My name is Beverly Brown. I am Second Vice President of MorningSide. And Vice President of the Eastern District Police Community Council.

CHAIRPERSON BELL: Thank you for the food this evening.

MR. BROWN: Now you know you weighing in on that.

CHAIRPERSON BELL: Thank you.
ASSISTANT CHIEF DOLUNT: Commissioner, I
think Merkerson left; is that correct? Dan -- Alan?
Merkerson left the building?
OFFICER QUINN: I can look.
CHAIRPERSON BELL: We can table that to the next meeting in the future.

ASSISTANT CHIEF DOLUNT: Thank you.
CHAIRPERSON BELL: Is that okay,
Mr. Secretary? Would that be fine?
SECRETARY ANTHONY: That's fine, sir.

CHAIRPERSON BELL: Just want to --
announcement, the next meeting is going to be held on Thursday, August the 21st, 2014, at 3:00 p.m., at the Detroit Public Safety Headquarters, 1301 Third Avenue, the Michigan Room, Detroit, Michigan.

Are you familiar with the new Public Safety building that's downtown on Third and Michigan? It is a great building, great facility. If you haven't had an opportunity, come down for one of our meetings. I am pretty sure you can -- you will really be impressed, your tax dollars at work. So check it out.

Headquarters is not the same when I was on the Police Department. So it is really -- and it is public safety, it is police and fire, and I think State and some other unknown entity, you don't want to know anyway, in that building. So it is great in terms of the facility there.

Now, we are going to follow the agenda by initiating oral communication from the audience. And we are going to ask that you give your name, and if you are from an organization. There is a two-minute timeframe. We ask that you be respectful of this process. And hopefully you will be focused on the point and then we don't have to cut you off in terms of mid sentence, but -- unlike the Council, they will cut
you off. But we are friendly, but we want you to be to the point in terms of 2 minutes .5. Thank you. MR. WELBORNE: Good evening, Council. My name is Bill Welborne.

CHAIRPERSON BELL: Did you say who? MR. WELBORNE: Huh?

UNIDENTIFIED SPEAKER: You said Council. MR. WELBORNE: I'm sorry.

CHAIRPERSON BELL: I threw you off.
MR. WELBORNE: The other day Brenda Jones made a mistake. She said Mayor Dave Bing, so I can make a mistake too.

CHAIRPERSON BELL: Revisit that, huh?
MR. WELBORNE: My name is Bill Welborne, President of Citywide, Police Community Relations Council.

First of all, kudos to Project WHAT! I had a meeting with them yesterday, and they have got an excellent program. I had about an hour-and-a-half meeting with them. And I am going to be working with them.

But my thing now, is I have Major Tillman here, which is one of the original Tuskegee Airmen. I am the second generation Tuskegee Airmen. And he has got a program where he is working with kids, so I am
more or less going to let him speak rather than I speak. I can get back to you guys later on.

CHAIRPERSON BELL: Yes, sir. Thank you.
MAJOR TILLMAN: It is an honor to be here.
My name is Major Bob Tillman. I am with the Tuskegee Airmen.

We have a program that trains young people from 8 to 17 to become pilots. Most of our kids have their pilot's license before they turn 17. Even before they drive.

We have another program in Wayne State, SEMMA program, Science, Engineering, Mathematics and Aerospace. Kids from kindergarten to 12th grade. So the kids are very advanced in there. They know about aerodynamics. They know about physics, science, you know, this is the new way of the future. So we are trying to actively get organizations to get these young people there. We flew this past Sunday. We had about a hundred kids over at City Airport flying. So we are looking for many more. Thank you.
(Applause).
CHAIRPERSON BELL: Thank you. Thank you, sir, Major.

COMMISSIONER MOORE: Through the Chair, does he have any contact information?

CHAIRPERSON BELL: Sir, would you come back to the mic, please? The Commissioner has a question. COMMISSIONER MOORE: Do you have any contact information that someone can get in contact with you? MAJOR TILLMAN: Yes, sir. I will give you my card. You can contact me.

COMMISSIONER MOORE: Yes, sir.
MAJOR TILLMAN: And we will give you the agenda of all the programs we have.

COMMISSIONER MOORE: Thank you.
MAJOR TILLMAN: Thank you, sir.
Oh, also, before we leave, I have a young man here. He is eight years old. He is a part of our program.

UNIDENTIFIED SPEAKER: He is nine.
MAJOR TILLMAN: Nine. He is also an actor. We are doing a movie. It's called The Boy Who Outran the Baseball. And he is the boy who outran the baseball.
(Applause).
CHAIRPERSON BELL: Major, I just want to -- Commissioner Crawford, you had a comment.

COMMISSIONER CRAWFORD: Yes, through the Chair.

Can we hear from the young man?

UNIDENTIFIED SPEAKER: They want you up there.

COMMISSIONER CRAWFORD: Can we hear from the young man?

JORDAN ST. CLAIR: Hello.
COMMISSIONER CRAWFORD: What's your name?
JORDAN ST. CLAIR: My name is Jordan St. Clair.

MAJOR TILLMAN: And you are part of the movie.

JORDAN ST. CLAIR: I am part of the movie that's called The Boy Who Outran the Baseball, an animation movie.

CHAIRPERSON BELL: Okay. Well, what's that -- Jordan is your name? JORDAN ST. CLAIR: Yes. CHAIRPERSON BELL: I want you to know, if you achieve that, you will have surpassed the great and one and only, the greatest ball player in the history of baseball, and that is Willie Mays. JORDAN ST. CLAIR: (Nodded). CHAIRPERSON BELL: Looking forward to that. Thank you.

> (Applause).

CHAIRPERSON BELL: Yes, sir?

MR. LUNN: Hello, again. I assume most of know who I am. I am Mr. Dana Lunn.

I come to you again to complain about my area. In my yard, I am building a play area, for one, for my grandkids, but my complaint is, again, could I get officers or an officer to please come, again, as I beg, again, to patrol my area on Waltham Street.

I continue to come down here, or not here, but on 1301 Third Street, but I never could get an officer to come over there. I mean, I just heard the Captain that was speaking, but -- and which he did give a great speech on about what he is going to do in the 5th Precinct area. But can we get someone over there in the 9th Precinct area? I come down here all the time, well, not down here, but over there on Third, and I beg every time. There is so many kids in the area. That's why I am building a play area in my yard. I have a big yard. But I can't get no one over there, because there is so many children over there. And I am using my money to keep them off the street.

But they speed up and down my block continuously every day. Every day. Night and day. And I call the 9th Precinct. And I tell them. I call 911. And I still tell them. But I get a -- I still get a bad attitude from that precinct. But $I$ hear this
young man speak on what he is going to do when they build that precinct in that area. I assume this is the 5th Precinct area that's here right now, but I am fighting for my area.

CHAIRPERSON BELL: The 9th Precinct?
MR. LUNN: The 9th Precinct.
CHAIRPERSON BELL: Excuse me, would you like the 9th Precinct captain?

MR. LUNN: I think I met him one time. I don't know who it is.

CHAIRPERSON BELL: You are going to get a chance to interact with him again. Commissioner Taylor wanted to respond.

COMMISSIONER TAYLOR: Mr. Lunn, through the Chair, I think the last time you came, I talked with Captain Roche. And Captain Roche went over. And they patrolled that area. They gave out tickets.

Ainsley, did you want to speak to that?
INVESTIGATOR CROMWELL: I spoke to you.
MR. LUNN: Yes, I did.
COMMISSIONER TAYLOR: So he did come --
MR. LUNN: They come out there maybe once out of a month. And I can guarantee, I will do -- I will get video. I built the play stand in my yard.

CHAIRPERSON BELL: Sir, would you allow the
captain to respond?
COMMISSIONER CRAWFORD: Yeah, through the Chair, Captain Roche, could you step up and -- because that is my District, the 3rd District, and I talked to --

CAPTAIN ROCHE: Good afternoon, Board. Captain Roche, 9th Precinct.

We are aware of this issue, and we have the deployed NPO's over there. I spoke with Mr. Lunn on a couple of occasions in regards to this personally. I personally went over there to address this issue. We are issuing -- we have issued tickets. We have towed vehicles. We will continue to stay in this area, as well as any area of the 9th Precinct, and I will work more closely with him. I actually will invite him to go on a ride-along with us in order to see what we are doing over in that area. And I am sure that we can alleviate those concerns at the 9th Precinct level.

MR. LUNN: I have no problem going on a ride.
CHAIRPERSON BELL: Thank you, sir.
CAPTAIN ROCHE: You are welcome, sir.
CHAIRPERSON BELL: Thank you, sir. I think we have the gist of your concern. And the Captain responded, and the Commission have responded. We are going to hopefully satisfy you at some point in time.

We doing the best, citywide, you know, Jefferson, Chalmers, you know, everybody want the police 24/7. And they are $24 / 7$, but we are trying to -MR. LUNN: What do I have to do to get a community thing going then for my area then? Because I am just only one person.

CHAIRPERSON BELL: Okay. We can work with you. Commissioner Crawford is going to interact with you and the Captain is going to interact with you. And there is other resources from East English Village, MorningSide. At the end of this meeting, you should just intermingle and find out what -- that's why we wanted to expose the organization, the leadership, they are here tonight. I think they can be very, very helpful in terms of what you are trying to do. And we want to be supportive too. But we have move on the agenda this evening.

MR. LUNN: I have no problem with that.
CHAIRPERSON BELL: Thank you, sir.
(Applause).
PASTOR REED: Good evening. My name is
DaRell Reed. I am the Pastor of Spirit of Love Church on Mack Avenue at Somerset. And I am also on the Board for MorningSide Neighborhood Association.

And over where my church is at, this summer, a marijuana dispensary opened up just 10 feet away from our church. And I have been actually complaining on the phone about this since November when they first started remodeling the building that used to be a Little Caesars.

And so I found out by Zoning is that Zoning did not authorize any dispensaries to open. And then I contacted Lansing. Licensing and Regulations gave permission for people to handle marijuana, but they have not authorized anyone to open a store.

They said to call the police. Zoning said to call the police. But when $I$ call the police, they say somebody must have told them they can open. And then I contacted Zoning again, and Zoning said that they have not authorized anyone to open, but they do not have the resources to shut them down.

So now, in Detroit, we have over 220 dispensaries that are open, and they are not authorized to be open. So what can we do? It is right next door to my church. I just left my church, and I probably smell like marijuana right now. So what can we do? Because it is only going to get worse.

CHAIRPERSON BELL: Well --
ASSISTANT CHIEF DOLUNT: Through the Chair.
CHAIRPERSON BELL: Deputy Chief.

ASSISTANT CHIEF DOLUNT: Through the Chair, Assistant Chief Dolunt.

Eric Jones, who was the Assistant Chief here before, is now in charge of Buildings, Safety, and Licensing. And I am going to have Captain Bliss reach out to him directly, see what we can do about that. I find it amazing that you can't have a bar within so many feet of a church, but you can have a drug house.

PASTOR REED: That's right.
ASSISTANT CHIEF DOLUNT: You got to love the legislature.

So Bliss, reach out to Eric Jones. He is the Director now. See what we can come up with. Because this is ridiculous. I don't care if it is legalized marijuana or not. You can't have it by a church. Okay. Is that fair?

PASTOR REED: Can I have a contact with someone that we can go back and forth? Thank you very much.

CHAIRPERSON BELL: Pastor Reed, please don't -- when you meet with the Captain, please do not leave. I want you to do a closing prayer.

PASTOR REED: Okay.
CHAIRPERSON BELL: Because we need prayer, all that's happening in the United States and the City.

Thank you, sir.
ASSISTANT CHIEF DOLUNT: Commissioner Bell?
CHAIRPERSON BELL: Yes, sir.
ASSISTANT CHIEF DOLUNT: Bill Barlage showed up.

CHAIRPERSON BELL: Okay. Tell him to have a seat in the front row. And we will call --

Relax for a minute. I know you just got off the jet. We will call you up.

MS. BROWN: And I am sorry --
CHAIRPERSON BELL: That's okay.
MS. BROWN: -- I'm up here so quick. And I would like to make an acknowledgement, the people that helped with the food --

CHAIRPERSON BELL: Yes, ma'am.
MS. BROWN: -- yourself included, Sandy
Butler, who always helps, and Maurice Mitchell, he is my President of my block club. And he looks out for me. He makes sure I don't have to carry heavy water and ice and everything.

Who else was there? Jackie. Jackie helped us. And Zelda, Zelda with the salad. And Jack Rabbit with the chicken. And I just wanted to thank everybody. Yes.
(Applause).

CHAIRPERSON BELL: Thank you. Thank you.
Thank you.
Yes, ma'am?
MS. LOLLES: Good evening, everyone.
You are going to be surprised because I don't have a complaint.

CHAIRPERSON BELL: Give us your name.
MS. LOLLES: My name is Shirley Lolles.
CHAIRPERSON BELL: Okay.
MS. LOLLES: I live on College between
Algonac and Elmo. And we recently contacted sergeant Blue to help us with a problem we are having. Thank you. He is helping us. We have been able to call and get service so far. That's what I want to say today.

CHAIRPERSON BELL: Thank you, ma'am.
Hold on a second.
COMMISSIONER TAYLOR: Through the Chair, I would just like to introduce this young man. He is a member of Chance for Life organization. The young man was talking about a prison organization. Mr. Kenneth Foster who spent -- was it 38 or 40?

MR. FOSTER BEY: Forty-one.
COMMISSIONER TAYLOR: -- forty-one years in
prison. He has been out about --
MR. FOSTER BEY: Fifty-eight days exact.

COMMISSIONER TAYLOR: -- fifty-eight days. (Applause).

COMMISSIONER TAYLOR: And he was in the program for 15 years. And Chance for Life has a recidivism rate of 98 percent where they don't go back. So hopefully Mr. Foster --

MR. FOSTER BEY: Okay. Thank you.
First of all, I want to say good evening to the honorable Commission and staff. I want to say good evening to everyone in the audience.

I am going to try to speak real fast. My name is Kenneth Foster Bey. I am not tied with any particular group or any particular active group or anything. But since $I$ have been out for 58 days, $I$ have visited a total of five churches. Five of those churches, I spoke at two of them, Greater Grace being one of them. And the pastor of the Prison Ministry Board wanted me to get on the staff there and work with them in terms of crimes in the community.

I done talked with a lot of people in the community. I done talked with hundreds, perhaps, of people, senior citizens, and youth. I even done talked with some gang bangers since I have been out here.

And I am not trying to be condescending towards the law enforcement, the Detroit Police Department, the Commission Board, but I just want to give you a brief report of what I have been hearing since I have been out. I haven't stopped since I have been out. I appreciate highly the comments and reports that we got from Captain Bliss and Captain Hope. They have some very good novel ideas, but this is what I am hearing. People are frustrated with crime.

I go up and down Jeffries riding with people on the highway, I-96. And I am telling you, for about a good 13-mile radius, at night, it is pitch black. And all of the lights is out, all the way down Schoolcraft, for about nine, eleven blocks, the lights are out. And there is trees hanging over into the sidewalk, bushes over into the sidewalk. And everybody should know, especially law enforcement, when it comes to crime, it must be appropriate logistics, the logistics must be there for a would-be criminal to commit a crime. And from what I am seeing here in Detroit, the logistics are high in the city of Detroit. And there's something that we can do about it. I talked with them. I said, well, look, they gave me their complaints. I said, why don't you talk to your local mayor, why don't you talk to your local police department, and being truthful with you, 99 percent of the people, this is what their response
was, well, look Foster Bey, we done tried that. We done talked to the Mayor's Office. We done talked with our police captains and lieutenants and everything. But they sends us off. They do not return our calls. They just playing lip service. Before I left, I had something like 40 years as a jailhouse lawyer. And I was the best jailhouse lawyer in the Michigan prison system. So a bulk of guys always came to me with various complaints. I would sit down and talk to guys coming in from prison, okay, for the past 20 years, why are you guys still out there committing crime? And they basically saying, nobody cares, nobody want to listen to them. I said, well, why don't you talk with your local police department and other community -- and they said that they just providing lip service.

So right before I got ready to go -- I'm going to wrap it on up -- guys was coming to me, and I was telling them what my program was going to be. I am going to go out there and try to help work with law enforcement and anybody else. And I feel I am responsible for the blight and the decay and the decadence we see in the city. But all of them stated, when you get out there, Foster Bey, all you are going to find is lip service.

So can we get more actively involved and not just pay lip service to what we done heard today?

Okay. Thanks.
(Applause).
CHAIRPERSON BELL: We hear you loud and clear. And we trying our best to respond. You know, the Mayor has been -- two ZIP code areas, they have completed the lighting. They working on blight. You hear it from the business manager. And DPD is definite engaging. I just attended a graduation ceremony for internship for young people, young students, young bright people. We are graduating a class Friday, you know, we are really trying to address it. There is no overnight solution. It has been long-term failure, but we are on the right track. So just be patient with us. MR. FOSTER BEY: I --

CHAIRPERSON BELL: I hear you loud and clear. And thank you for coming out and sharing that with us. Yes, ma'am?

MS. GASKIN: Good evening.
AUDIENCE: Good evening.
MS. GASKIN: Willie Mae Gaskin. Encouraging. And I do -- my family has what they call one lunch, one hug. And we serve lunch to the Gaming Division. I am a mother of an officer. And this takes place in March,
on his birthday. We go in. We have lunch with the officers in the Gaming Division and those that are around.

Encouraging. Detroit's Finest.
May I read this for you?
CHAIRPERSON BELL: Is it going to be within the timeframe? Yes, ma'am. We will allow that. Go ahead. Hopefully you are going to be on point. Not ten minutes, right? How many minutes, ma'am? We have a couple more people want to speak. Could you give us the gist of it? Could you give us the gist and share copies with us?

MS. GASKIN: I will just give you a copy.
CHAIRPERSON BELL: Okay. I appreciate it.
Thank you. We appreciate that. Okay.
Yes, sir?

MR. SMITH: Good evening, Commission, Board. My name is Charles Smith. My first meeting I have ever attended, and I live in part of the Cornerstone District. But I live on Hillcrest Street in Detroit. And first of all I want to thank the police officers, because this past Saturday, you know, Balduck Park, I think since Belle Isle has changed, it is starting to have more activity. And this past Saturday was one of the worst I have ever seen, with the activity,
overload. I mean, they were parked all up in the neighborhoods, all up in the grass, all up in the park area. I think it was one of the worst I have ever seen as far as --

But I want to thank the police, because they were there, at dark, to make sure everybody was cleared out. And I really appreciate it because I really think they wanted to party all night. But it was stopped. And it was stopped at a reasonable hour, so we all could get some rest. I want to first of all thank all the police officers and the precinct that was involved with that too.

But I just want to know, is that -- now that this is happening, is it legal for the people to park all in the neighborhoods? And blocking people's home? And parking on the corners? You know, I was riding my bike, I couldn't even go across the corner. Is that legal or should we call when they start disturbing -they had their music playing all in our blocks, all in the streets and everything.

CHAIRPERSON BELL: Sir, I am familiar what you are talking about. I noticed that. I would hope that the Assistant Chief and Captain respond, because if we abuse the grass, and all of that, and parking where we should not be parking, and we love to see
people, they have got a right to park on any legal parking spot on the side streets or whatever, but there is a lot of abuse, people coming in now, and just really not paying attention to where they park and how they park. And we will not be able to maintain that park if we allow that to happen. I am hoping that we can get more enforcement. And with all due respect to, you know, the issues in that area, with all the other crime going on, maybe the Assistant Chief could take note and respond to your concern. I identify what you are speaking of.

MR. SMITH: Just real quick, if someone parks -- even like you said, they can park legally on the street, but that does not give them a right to blast their radios in front of your homes and --

CHAIRPERSON BELL: The Assistant Chief is going to respond. He is going to respond.

ASSISTANT CHIEF DOLUNT: Assistant Chief Dolunt.

No, they can't. We have a park detail that the Chief instituted at the beginning of the year. It will keep going until right after Labor Day. You are right, they are out there watching Balduck, watching Rouge, watching different parks. And we have had some positive feedback on that. No, they can't. I want to
go to sleep. You want to go to sleep.
Roche, Balduck is you, right? No, it is Bliss. You are off the hook.

Bliss, where are you at? Balduck is you. Touch base with the park detail, Mr. Smith. And let's make sure this doesn't happen this weekend. We are winding down the summer. Let's enjoy the last few weeks of this, okay?

MR. SMITH: Thank you.
ASSISTANT CHIEF DOLUNT: Thank you.
MR. SMITH: You all have a blessed evening.
(Applause).
OFFICER ROBINS: Hello, Officer Shawnee Robins. I just wanted to read her poem. It will probably take a minute.

CHAIRPERSON BELL: Okay. I just asked how much time. Go ahead.

OFFICER ROBINS: Yes. It's titled Detroit's Finest.

Detroit's Finest.
I wonder just what all the fuss is about and just how that slogan came about, for what $I$ see when $I$ am around and about, they are the ones we cannot do without. Detroit's finest.

How can we help them out? Like the one
standing on the corner. He takes the children across the street, when the crossing guard is out. Now, he is one you can help out. You be the crossing guard when the crossing guard is out. Detroit's finest.

There is a lot to shout about. And there is not a one we can do without. Just ask the man whose car was stolen the other day, who did he call on to save the day? Detroit's finest.

We can count on them each and every day. Who are the Detroit's finest? Are they the grocery men, mailmen, or the Indian chief? No, no, no, no. They are our wonderful hardworking men and women in blue. Detroit police and firefighters too.

Detroit's finest, we salute you. And may the Lord God Almighty protect you.
(Applause).
CHAIRPERSON BELL: Ms. Willie Mae Gaskin, come back up to the mic.
(Applause).
CHAIRPERSON BELL: I was not trying to shoo
you away. I was trying to identify how much time it would take, you know, to share that with us. And I want to thank you for presenting that and sharing that. Perhaps I can even tomorrow at the graduation ceremony, I am going to have a chance to speak, in one minute,
two minutes, $I$ can share a little portion of that. I just want to thank you for blessing us with that.
(Applause).
CHAIRPERSON BELL: Thank you.
Mother Bernice?
MS. SMITH: Good evening. Bernice Smith, Human Resource Commissioner for the City.

You know, that was a heck of a poem. And I do hope that you make that tomorrow at the graduation.

I will be very brief. What I
happened -- Chief, good evening.
ASSISTANT CHIEF DOLUNT: Good evening.
MS. SMITH: What happened Monday on the air, we had someone that made a remark about the police is always in the black neighborhood, harassing the dope dealers, and they are doing this and they are raiding the houses and blah, blah, blah, blah.
(Applause).
MS. SMITH: Well, I am going to change that. In the meantime, I listened to it while I was getting dressed. And my thoughts were, what do they want the police to do? Go to Dearborn, go to Troy, go there and do the raids and so forth?

We have so many people that are doing wrong in our city, and we have now the people are telling the
police about it. And we should be very grateful and thankful because of the fact that the Chief is doing a hell of a good job, the Police Department is doing a hell of a good job.

And most of you know when I come before you, I either commend you, or -- and I get after you when you do wrong. But the fact is, I didn't like what the gentleman said on the air, and I did have to give my opinion of it.

We are not in St. Louis. We are not at
Ferguson. The Police Department has a different outlook on taking care of our citizens. I have not heard since $I$ have been in this city, and that's going on 45 years, of course, Coleman Young got rid of the stress, which we are grateful to, but the fact is that we do not hear about the Police Department having -shooting someone when they have their hands up. And this is something we have to think about. They are going through a traumatic situation now. The police department are not giving them the true information on what's going on. We have to have it slip through certain entities. The reporters, last night, I saw it on CNN, they were subjected to getting out of McDonald's. Come on.

In the meantime, let's be grateful to our

Police Department. I love them all. I love Roche. I love Hope. And I love all of them. And when they do wrong, I tell them personally, because Mother Bernice is not going to stand for a rotten Police Department here in the City of Detroit.

I give you my blessings. Thank you so much. (Applause). CHAIRPERSON BELL: Yes, sir? CAPTAIN ROCHE: Good evening, again. Captain Roche, 9th Precinct.

As you are well aware, we had an incident that occurred over on Berkshire and Nottingham, a police-involved incident. And I would like to call my NPO's up, well, 5th Precinct NPO's up right now with me.

What we did today was called an After Action Treatment. We went into that community. We worked with the Mayor's Office. We worked with Detroit 300. And we handed out flyers. And I will let them briefly say what they seen and heard while engaging the community over there.

OFFICER ROBINS: I thought there was such
a --

CHAIRPERSON BELL: Identify yourself. OFFICER ROBINS: Officer Shawnee Robins, 5th

Precinct.
The community was very welcoming to us. It is like they had a little bit more hope because it showed that we cared just to go out there and pass out literature and say, hey, would you come out and join us tomorrow? You know, outside of everything going on, we are still in unity in the neighborhood. And we need to work together.

CAPTAIN ROCHE: Thank you very much.
(Applause).
CAPTAIN ROCHE: And also Toson Knight, he was out there too handing out information on how to not get your water shut off. So that was very well received, as well.

But what I am here to say is tomorrow at 6:00, at Berkshire and Nottingham, we are going to have a prayer. A day of prayer. We are going to invite members of Detroit 300, clergy, citizen groups, as well as the Board of Police Commissioners, and anyone who wants to attend, just to really wrap our arms around this community and show despite what happened, that there is still love. And love can concur all. So you are all invited to attend. It will be at 6:00, Nottingham and Berkshire. We will have a prayer. The chaplain service will be leading us in prayer. We
invited all the members of the community today, that was our purpose being out there today. Mobile Command Post will be out there. Members of the NPO's will be out there, as well. And we are really going to regain legitimacy in this community. Because what happened -obviously I was not there, but what I heard, it could have got bad, but it didn't. And we handled it in a professional manner, but we will continue to handle it in a professional manner from a community standpoint, as well, Nottingham and Berkshire, 6:00. ASSISTANT CHIEF DOLUNT: Don't sit down yet. Have you called the PIO?

CAPTAIN ROCHE: Yes, he knows about it. ASSISTANT CHIEF DOLUNT: He knows about it? CAPTAIN ROCHE: He knows.

ASSISTANT CHIEF DOLUNT: Do the news media know about it?

CAPTAIN ROCHE: PIO knows about it.
ASSISTANT CHIEF DOLUNT: I know. I want to make sure they all know.

CAPTAIN ROCHE: They will. They will. They will, Chief. Okay.

Thank you very much.
CHAIRPERSON BELL: Thank you, Captain. Good news.

I would like to deviate. And as I mentioned earlier, we have a resolution for the one and only William (Bill) Barlage from East English Village. And I would like the Vice Chair to join me. And I want her through the Chair to read the resolution. He's such a heavy weight. It's going to take two of us. We will make sure. This resolution is honoring Mr. William Barlage.

Mr. William Barlage is a proud, lifelong resident of the City of Detroit who is active within the Fifth Precinct. For 17 years, he has been an active member of the East English Village Neighborhood Association; and

Whereas, Mr. Barlage's desire to help others prompted him to get involved within this community. His efforts have helped to improve the quality of life for everyone living or working in East English Village, otherwise known as EEV. For the last 15 years Mr. Barlage has served as president of the EEV Neighborhood Association, and during that time, he has assembled a responsive and committed organization of residents to address community concerns, including 2 vice presidents, a secretary/treasurer, and 8 street representatives, 64 block captains, a security team, and a code enforcement unit. In addition, the

Association publishes and distributes a monthly information newsletter or flyer; and

Whereas, Mr. Barlage has always been involved in police community relations along with efforts to improve neighborhood safety and quality of life. He has served as a board member for Next Detroit and the Detroit Police Department's Eastern District Community Relations Council. He regularly volunteers his own time to patrol the streets of East English Village, and has been instrumental in implementing policies and positive lines of communication among its residents; and

COMMISSIONER CARTER: Whereas, Mr. Barlage has been instrumental in establishing a common ground for information sharing, and has helped foster relationships and partnerships between the community, the Police Department, and other city agencies. He and his organization realize that collaboration and grass root efforts are a tried and true formula for securing a safe and secure neighborhood environment. Through hard work and collaboration the East English Village community has experienced a reduction in crime and a better quality of life.

Now, Therefore Be It Resolved that the Detroit Board of Police Commissioners, speaking on
behalf of the citizens of the City of Detroit and the Detroit Police Department, acknowledge the dedication and persistence of Mr. William Barlage. His highly displayed commitment to community service and his ability to build sustainable community partnerships merit our highest regards.

We thank and congratulate you, Mr. William Barlage.

Detroit Board of Police Commissioners. (Applause). (Photo taken).

CAPTAIN BLISS: Mr. Barlage, I am here to present to you the Spirit of Detroit Award.

It is presented herewith as an expression of the gratitude and esteem of the citizens of Detroit to William Barlage, outstanding citizen, in recognition of exceptional achievement, outstanding leadership and dedication to improving the quality of life.

By the City Council of Detroit, Michigan.
(Applause).
ASSISTANT CHIEF DOLUNT: Good evening. You
know what, I don't want to interrupt your speech.
MR. BRAMLAGE: I don't want to --
ASSISTANT CHIEF DOLUNT: This is from the
Chief. Okay. It is a Certificate of Recognition for
everything that you have done. We have worked together for a long time. The squeaky wheel gets grease. It should say, Mr. Squeaky Wheel. He calls me all the time. However, he gets it greased. I have been to your house. You have done a lot. And I don't know you as William; it is Bill. Thank you very much.

Now you can make your speech. And you have got two minutes to make your speech. MR. BRAMLAGE: That's good. (Photo taken).

PHOTOGRAPHER: Open up that one. We need all the awards. There you go. Beautiful. One more time. (Photo taken).

PHOTOGRAPHER: All right. Speech away.
MR. BRAMLAGE: Speech away. Wow. Good evening.

AUDIENCE: Good evening.
MR. BRAMLAGE: I am almost speechless. I have to tell you, I work with the most incredible group of friends and neighbors, that includes the Detroit Police Department, my incredible friends here in the neighborhood. A little bit of everybody makes all of us whole. We work hard. We drive each other crazy sometimes. And I am like the worst one. I am like the poster child for ADD I believe.

We get a lot of things done because we care. We care about the City. We care about the State. We care about the neighborhood. We care about the surrounding areas. I moved in, almost 18 years ago, from Grosse Pointe. Never did I ever imagine a neighborhood like what we have. We knew about it. And we bought. But I think from the standpoint of when someone says, well, the neighborhood has changed or the City has changed, that's really up to the individual that's made that statement. We are here. Whether you are young or old, black or white, doesn't matter. It is a matter of principle of believing in something, that you can make it better. I have people in front of me here that are my neighbors and friends. And I love them dearly.

You know -- and EEV, it is always a unique scenario. You can call somebody at 3:00 in the morning, someone is either going after my car, or I need another bottle of wine, or my dog is lost, or my kid didn't come home yet. We get -- respond to everything that we can possibly do in a very unique way. We care. And I know we are trying to help other neighborhoods, and neighborhoods are trying to help us across the city.

The Detroit Police Department, I have to tell
you, I got involved years ago when they started doing community policing with like five-four, and it was out of Balduck, out of the office there. And it changed over the years. It constantly is changing. The people don't change. The mission doesn't change. The overall goal doesn't change. We all want to be in a safe, clean environment. What's unique I think is that the police officers of 5 and 9 and Eastern District, and now back to 5, they have always been very consistent partners with me and my entire team. And I truly, truly appreciate that. Assistant Chief Dolunt, I have to tell you, he is one of the best guys out there. Truly. Truly. (Applause).

MR. BRAMLAGE: If not the best. The entire team, all of the NPO's, everybody at 5 and 9, they know us, because we help wherever we can. But I have got to tell you, in terms of the overall commitment, you guys are it.

And whether you are on the police force or not, everybody in this room is sort of the choir. Right. We try to get more people into the church all the time. And then hopefully, we will continue to improve. Last night, we had our EEV meeting. We had about 80 to a hundred people there. I always hope that
we overflow and have to set more chairs up. And sometimes we do.

But it is a matter of working -- the overall feeling of the city, whether you are downtown or not, we hear everything about happening downtown. There is an immense amount of positive in our neighborhoods. And whether you are downtown or here, you are still in the city.

I travel a great deal. I travel 26 states and Canada for my job. It is sort of crazy and chaotic at times. People have my business card. And they see my address. And they are like, well, that's your office, but where do you live? And I am like, well, that's where I live. You live in the city? I say, yes, $I$ live in the city. And they are like, well, you don't have to. I say, I want to. And then usually the conversation either goes very south or very north, depending on what's happening.

I think the bankruptcy for us has been unique. And $I$ think from the standpoint, it is a new day. But it is a new day because all of us here. Because we know how to reinvent things, but the bottom line is the basic goal of the theory of being safe and being kind and being communicative is really true here.

And so I have never received these types of
awards. So it is an incredible evening today. And I want to thank my team because you guys deserve all of this, as well. It is really all about all of us. So thank you very, very much. (Applause).

CHAIRPERSON BELL: I just want to say on a personal note, Bill, is my neighbor. And with this business schedule, and he is totally committed to East English Village and the City of Detroit. And he is one of those people that sort of encouraged me when I was thinking about running for this position as commissioner, $I$ just wanted to retire and play golf and travel and all of that good stuff, but when I see that type of dedication in my neighborhood, we have to step up to the plate. And that's why I am here today, is to give my service to this community. But Bill has been on the case for a long time. And $I$ just want to bless him and just bless the people that is in East English Village, and bless Detroit, because if we move forward, we have to think of this city as Metropolitan Detroit, Metro Detroit, because it is not -- it don't stop at Eight Mile Road. We know that. We interact across Eight Mile, spending our money, interact. So we have to think in terms of Metro Detroit. And that's where we are moving to. I just want to say that's the goal
of public safety in the City of Detroit, because if we don't promote Detroit, who else is going to promote it?

So on that note, Commissioners, the Chair will entertain a resolution -- not a resolution -- a motion to entertain this resolution for Mr. Barlage.

COMMISSIONER TAYLOR: Chairman Bell, I move that the Board adopt the Resolution honoring Mr. William Barlage and add it to the permanent archives of the Board.

COMMISSIONER MOORE: Second.
CHAIRPERSON BELL: It has been properly moved and second.

Those in favor?
COMMISSIONERS: Aye.
CHAIRPERSON BELL: Motion passed.
Once again, thank you. I know you made special arrangement to fly back in to be here in person. We appreciate that.

MR. BRAMLAGE: I just want to thank Tony Davis.

CHAIRPERSON BELL: There it is right there. We appreciate that.

MR. BRAMLAGE: Thank you.
CHAIRPERSON BELL: As we move forward towards adjournment, $I$ just wanted to recognize Commander Eric

Ewing. Stand up, please. This Commander, we briefly worked together at the 11th Precinct?

COMMANDER EWING: 11th Precinct.
CHAIRPERSON BELL: And he has moved on to -come forward. Come forward. Just share some of your duties and responsibility.

MS. BROWN: Has he retired yet?
CHAIRPERSON BELL: Not yet. Not yet. I am not encouraging that. He is a Commander with the DPD.

COMMANDER EWING: Commander Eric Ewing, Commanding Officer of the Eastside Patrol. I currently wear the hat of patrol on one side. And I am still with the Resource Management portion on the other side.

The Commissioner and I have been sitting in several meetings with regard to the OCI building and the 5th and the 7th precincts. Captain Hope was so hoping that $I$ would let her in the building so she could see the building. But $I$ will tell you, the 5th Precinct is going well. The 7th Precinct also is going well. And within, let's say, the next six months, you should see two buildings opening up. And I think everyone will be very happy.

Thank you, sir.
CHAIRPERSON BELL: Just wanted to share that. Need to know the person that's going to be making that
final -- any other -- not other, but retired officers, police officers, DPD, Wayne County Sheriff, in the house, would you please stand?

UNIDENTIFIED SPEAKER: Jackson. UNIDENTIFIED SPEAKER: Jack Rabbit. (Applause).

CHAIRPERSON BELL: Okay.
MR. JACKSON: James Jackson,
Jefferson-Chalmers District Homeowners Association. CHAIRPERSON BELL: Yes. Thank you. Rhonda?

MS. MORTON: Rhonda Morton, retired since 2001. And still in the community, still here.

CHAIRPERSON BELL: Still involved with the community.

Yes, sir? Lieutenant? Stand up.
MR. MAYFIELD: Roscoe Mayfield, retired last year. Just retired and enjoying myself.

CHAIRPERSON BELL: Okay. Thank you.
We are at that point in time where we are going to call for an adjournment if there is no other business before this body here.

I would like to thank all of you for coming out tonight. It has been a really, really blessing to see your smiling face, your dedication, your commitment
and your concern.
I just want to remind you, if you know any young people who you think is qualified, Assistant Chief, we are actively recruiting for Detroit Police Department. Am I right or wrong?

ASSISTANT CHIEF DOLUNT: Absolutely correct. CHAIRPERSON BELL: Captain, you want another class, right?

UNIDENTIFIED SPEAKER: Right.
CHAIRPERSON BELL: So we are recruiting. The way you get the officers, through word of mouth, if you know the young people. And I don't think we have an age restriction. If they can measure up to the tough standards, then they can perhaps make the journey through the testing process, the written process, the physical process, and might end up in Academy. So we are looking actively for individuals who have an interest in the Detroit Police Department.

And as we close, I am going to call the Reverend Reed up, please. Put the pizza down and come for closing prayer.

MR. BRAMLAGE: As the pastor is walking up. Our neighborhood garage sale is this Saturday. I am very not bashful on this. 9 to 5, East English Village.

And film on the hill at the Alger Theatre is Saturday night at Balduck Park.

UNIDENTIFIED SPEAKER: Boundaries. Say the boundaries.

MR. BRAMLAGE: Boundaries, East English
Village, Outer Drive, Cadieux, Mack to Harper.
UNIDENTIFIED SPEAKER: Come down to 94 to Cadieux.

MR. BRAMLAGE: Cadieux, make a right, and you will be right in the neighborhood.

CHAIRPERSON BELL: I want to thank the Commissioners for coming out tonight, for your observation, and staff, for your input, and without you we would not have a Board of Police Commission. And I think this is a great Board.

As we move forward, as I stated, we should have been on vacation, but we are not, but that just goes to show you, this was a non-salaried, volunteer job. And I just am really impressed with the caliber of people that we have on this Board. And I just want to thank you for electing people and appointing people, because collectively, we are one Board.

And we can't say enough about the DPD, because they put their lives on the line, outside of any other channel, outside of military, law enforcement
put their life on the line daily. And I just hope that we reach some type of peaceful solution to what's going on in Ferguson, Missouri, and L.A., and all over the country. And so we just -- that's why --

ASSISTANT CHIEF DOLUNT: New York.
CHAIRPERSON BELL: -- and New York.
And I want to also introduce my personal
staff member, my sister Carolyn Hill.
(Applause).
CHAIRPERSON BELL: My younger sister, so she is my personal staff, you do a whole lot of little stuff for me, reference to duty.

So on that note, before we have the prayer, I am going to ask for adjournment.

I hope that the Commission will at least spend ten minutes interacting with you in terms of that after.

We have any food left?
MS. BROWN: Yes, we saved you some.
CHAIRPERSON BELL: Okay. Motion for
adjournment?
COMMISSIONER TAYLOR: So moved.
COMMISSIONER MOORE: Second.
CHAIRPERSON BELL: It has been properly moved and second.

Ready for the question, all in favor?
COMMISSIONERS: Aye.
CHAIRPERSON BELL: Those opposed?
Motion carried.
Closing prayer.
Could we just stand, please?
PASTOR REED: Our Father, we thank you for this day. We thank you for this meeting, and also this Board of Commission.

We ask you, Father, to continue to be with us as we strive with one accord to make a better city, a better city, and a better tomorrow, and we thank you, Father, and we are speaking by faith that our cars and our houses are just how they were when we left them.

In Jesus' name, amen.
AUDIENCE: Amen.
