REPRESENTING THE CHIEF OF POLICE'S OFFICE:
ASSISTANT CHIEF OF POLICE, ANDREW WILLIAMS

1 Detroit, Michigan
2 Thursday, January 11, 2018
3 About 6:31 p.m.

4 CHAIRPERSON CARTER: Good evening. Welcome
5 to the lovely Board of Police Commissioners Community
6 Meeting. My name is Lisa Carter, Chair of the
7 Commission. At this time -- I also represent District
8 6.

9 At this time, I would like to thank you on behalf
10 of the Board for attending today's board meeting. It's
11 good to be back at the Northwest Activity Center. Four
12 years ago, at our first swearing in, this is where the
13 veteran commissioners were sworn in, four years ago.
14 So it's good to be back here.

15 At this time, I want to thank the Center's Board
16 and invite Ms. Gail Carr to welcome the board.

17 MS. CARR: Good evening everyone. On behalf
18 of --

19 CHAIRPERSON CARTER: We need you to go to the
20 mic.

21 MS. CARR: Welcome, Board. And, welcome
22 community. On behalf of our director, Mr. Ronald
23 Lockett, my name is Gail Carr and I'm here on behalf of
24 Northwest. And to say welcome you is really like
25 saying welcome home. This has been our place and has

1 been our place for many of us since we were kids. And
2 we're so happy to bring Northwest back the way it is.
3 Northwest is a very flourishing Community Center. I
4 ball room -- in this ball room in just about every
5 Sunday of 2017, parties, just events every week. And
6 that's because of the community. We wouldn't be able
7 to continue to move forward if it wasn't for the
8 community. So we want to thank you for your support
9 and please remember to continue to support the
10 Northwest Activity Center because we want to be here
11 for the rest of our lives. And, thank you so much and
12 have a good night and God bless you all.

13 (Appause)

14 COMMISSIONERS: Thank you.

15 CHAIRPERSON CARTER: Thank you, Ms. Carr. At
16 this time, if there is a Pastor in the house, we invite
17 you to come to the podium to do the invocation. A
18 pastor or a decan.

19 COMMISSIONER BELL: Let us pray. Heavenly
20 Father, we thank you for a glorious evening here at the
21 Northwestern Activity Center. We ask you to bless this
22 body here. We extend the blessing on our Board of
23 Police Commissioners and their families. We lift up
24 Chief Craig and the DPD family and all those in
25 attendance that are here, that may arrive late, and

1 cannot make it. This is a new year for our community
2 meeting. As we go forward, we know that the Lord is
3 blessing us over and over again. As we reach out to
4 individuals to share our blessing throughout the City
5 and throughout the nation, surely, we need a prayerful
6 board and we need a prayerful community for peace, good
7 health, and tranquility each and every day that we have
8 an opportunity to share this Earth. As we think about
9 all those who are in need, we pray for them. We uplift
10 them. For officers who are struggling and have health
11 challenges and those that are in grievance, Heavenly
12 Father, we just thank you for this opportunity for the
13 Board of Commissioners to convene one more time. We
14 come to you in Jesus name. We all say Amen.

15 CHAIRPERSON CARTER: Thank you, Commissioner
16 Bell.

17 At this time, I'm going to ask that the
18 commissioners introduce themselves starting with
19 District 2, I'm sorry. District 1.

20 COMMISSIONER D. BROWN: Hi, I'm Darryl Brown,
21 I am the commissioner from the D-1, the other northwest
22 side of Detroit.

23 COMMISSIONER BELL: I'm Commissioner Willie
24 Bell, the proud District 4, on the east side of
25 Detroit. Thank you.

1 COMMISSIONER DEWAELESCHE: Eva Garza
2 Dewaelsche, Commissioner At-Large, and also Vice-Chair
3 for the Board.

4 COMMISSIONER BROOKS: I'm Elizabeth Brooks
5 At-Large, and I will be back to recruit in your area.
6 Thank you.

7 COMMISSIONER BURCH: Good afternoon, my name
8 is commissioner Shirley Burch from the 3rd District,
9 mostly 8 Mile and Dequindre is our home.

10 (Applause)

11 COMMISSIONER SANDERS: Good evening, my name
12 is Derrick Sanders. I'm one of the Commissioners
13 At-Large.

14 MR. DAVIS: Good evening everyone, my name is
15 William Davis, District 7.

16 (Applause)

17 CHAIRPERSON CARTER: Thank you,
18 Commissioners. As I said before, I'm Lisa Carter and I
19 represent District 6.

20 At this time, Commissioners, you have before you
21 the agenda for January 11, 2018. Motion to approve.

22 COMMISSIONER DEWAELESCHE: So moved.

23 COMMISSIONER BELL: Second.

24 CHAIRPERSON CARTER: It's been moved and
25 supported. Approve the agenda for January 18, 2018.

1 Any discussion? Those in favor.

2 COMMISSIONERS: Aye.

3 CHAIRPERSON CARTER: Those opposed. The
4 motion carries.

5 At this time, Commissioners, you have the minutes
6 from January 4, 2018. Is it a motion for it?

7 COMMISSIONER BELL: So moved.

8 COMMISSIONER DEWAELESCHE: Supported.

9 CHAIRPERSON CARTER: It's been moved and
10 supported that we approve the minutes from January 4,
11 2018. Is there any discussion? Those in favor.

12 COMMISSIONERS: Aye.

13 CHAIRPERSON CARTER: Those opposed. The
14 motion carries.

15 At this time, I'm going to ask that Vice Chair Eva
16 Dewaelsche give opening remarks for District 2, since
17 Commissioner Conrad Mallett is not here. He is the
18 elected representative for District 2.

19 COMMISSIONER DEWAELESCHE: Thank you, Chair
20 Carter. And, she asked me because I live in District
21 2. So, thank you. I'm very proud to be in this
22 district.

23 As was mentioned by Ms. Carr, there is a lot going
24 on in Northwest Detroit, but there is a lot going on in
25 this center, the Northwest Activity Center. It's one

1 of the most active centers in the city. If you need
2 any kind of service, you can come to Northwest Activity
3 Center. You can get educated. You can get taxes,
4 assistance with taxes. You can take classes. They
5 have youth programs. So, we're very, very proud to
6 have this center in Northwest Detroit, in District 2.

7 I do want to say that I work for SER Metro. And
8 for those of you who don't know, I work for a
9 development operation and we operate a one-stop career
10 center here at Northwest Activity Center, and it is one
11 of our busiest centers.

12 So, I would like to introduce and have her stand,
13 Shawn Burch who is the one stop director for the City
14 of Detroit. We are contracted by the City of Detroit,
15 DESC to operate the one stops in the city, and Shawn
16 Burch oversees those operations. So if you need any
17 employment services, any information on job training,
18 and classes that are offered, and even businesses who
19 are looking for employees, please see Ms. Burch anytime
20 today or, you know, feel free to call. She has some
21 literature that she has left on the back table, too.

22 So, thank you. And thank you for welcoming us
23 here with open arms. We appreciate it very much.
24 Thank you.

25 CHAIRPERSON CARTER: Thank you, Commissioner

1 Dewaelsche.

2 (Applause)

3 CHAIRPERSON CARTER: You can clap.

4 (Applause)

5 CHAIRPERSON CARTER: Mr. Hicks, would you
6 please introduce the rest of the board staff?

7 MR. HICKS: Thank you, Madam Chair. For the
8 record, you do have a quorum. I do want to mention
9 just prior to the staff introductions, Sergeant Quinn
10 is doing the taping of tonight's meeting, media
11 services and doing the audio-visual work, and Ms. Mapp
12 is the court reporter for the day.

13 If you direct your attention to the first row, we
14 have Mr. Warwick who is our legal. Ms. Johnson,
15 fiscal. Ms. White, policy. Ms. Blossom who is media
16 outreach, and then, Mr. Brown who is sitting next to
17 me. And, I would like to ask for all of the members of
18 the OCI staff to just stand and introduce themselves.

19 MR. SLOAN: Acting Supervising Investigator,
20 Sloan.

21 MS. COLTER: Investigator Coleman.

22 MS. NICHOLS: Investigator Carolyn Nichols.

23 MS. HUNTER: Investigator Jessica Hunter.

24 MS. NEELY: Investigator Lashanda Neely.

25 MS. JONES: Investigator Jones.

1 MS. CALLAWAY: Investigator Callaway.

2 MS. RIVERA: Senior Investigator Rivera.

3 MR. HICKS: And, Madam Chair, news from our
4 Interim Chief, he is ill and is unable to join us this
5 evening.

6 CHAIRPERSON CARTER: Thank you.

7 At this time, I'd like to introduce, standing in
8 for -- sitting in for the Chief of Police, James Craig,
9 Assistant Chief, Arnold Williams.

10 CHIEF WILLIAMS: Thank you, Madam Chair. And
11 at this time, I will have all members of DPD, both
12 sworn and civilian, if you would, please stand and
13 identify yourself.

14 (A number of DPD staff were in attendance)

15 (Applause)

16 MR. HICKS: Thank you.

17 CHAIRPERSON CARTER: At this time, I would
18 like to have the elected officials or representatives
19 of elected officials. I think I saw Councilman
20 McAllister walk in.

21 (Applause)

22 CHAIRPERSON CARTER: Thank you for attending
23 this evening.

24 MR. MCALLISTER: Thank you, Madam Chair.

25 CHAIRPERSON CARTER: Are there any other

1 representatives of elected officials here?

2 Hi, Kim, District 2 Manager from the mayor's
3 office.

4 (Applause)

5 CHAIRPERSON CARTER: Thank you. On behalf of
6 the Board, we continue to express our support and
7 concerns for falling officers and their families. We
8 would like an update on any injured officers, including
9 Officer Robert Kovach who was involved in an auto
10 accident on I-75.

11 The Chief's Office may want to add more specific
12 information about the recent conditions of some of the
13 other injured officers, including Officer Kovach.

14 Next Monday, January 15th, is Martin Luther King
15 Jr. Day. MLK Day is an important celebration in the
16 struggle for human rights, dignity, and the end of
17 exploitation. I hope that each of us will be with our
18 families and participating in some type of public
19 recognition of the great contributions that many of our
20 leaders have paid that allow us to enjoy the rights and
21 benefits that we enjoy today.

22 Please take time to consult the public event
23 calendars to locate a program to participate in. I
24 will not -- I will note that as a special item for MLK
25 Day, former United States -- United States Attorney

1 General Loretta Lynch will be keynote speaker at Wayne
2 State University.

3 Also, at our Wayne State's University Center for
4 Urban Studies, we will be hosting a huge board-up
5 event, board-up cleaning event over at Gompers
6 Elementary-Middle School on MLK Day. Registration
7 begins at the school, at 8:30 a.m. Anybody who wants
8 to come out and support that project, please feel free
9 to do so. I'll be there in my board-up clothes doing
10 some direction, not actually doing the board-up. So
11 please come out. And if you don't have anything to do,
12 please come out and support that, that project.

13 On a special note, it just so happens to be --
14 happens that January 15th coincides with Dr. Martin
15 Luther King's birthday this year. He was 39 years old
16 when he was assassinated, and we still very much need
17 his wisdom, some 50 years later.

18 (Applause)

19 THE PUBLIC: Amen to that.

20 CHAIRPERSON CARTER: Today, we also have
21 resolutions for Joane Fane and Mr. Saad Abbo. We will
22 receive presentations from the 12th Precinct today, and
23 also from DPD Homicide.

24 Toward the end of the meeting, we'll have oral
25 communications from the audience. So if you would like

1 to speak to the commission, please make sure you print
2 your name on a speaker's card. Cards are located on
3 the back table, or you can be -- they can be obtained
4 from Mr. Brown. And, Mr. Brown?

5 MR. BROWN: Yes.

6 CHAIRPERSON CARTER: We won't be sitting up
7 here asking if anybody else wants to speak, just for
8 the record. Once you got your cards, that's it. So if
9 anybody wants to speak, please get your card and give
10 it to Mr. Brown, now. Thank you.

11 At this time, Commissioner Vice Chair Dewaelsche
12 is going to present the resolution for Joane Fane.

13 COMMISSIONER DEWAELSCHE: Is Ms. Joane Fane
14 here today?

15 (Applause)

16 COMMISSIONER DEWAELSCHE: This resolution is
17 honoring Ms. Joane Fane, whereas Ms. Joane Fane is a
18 lifetime resident of the City of Detroit, educated in
19 Detroit Public School System and attended Wayne State
20 University earning her bachelor's degree in special
21 education. She has two adult sons, Jamel and Jamar,
22 and two grandchildren, Jamar and Nora.

23 And, whereas, Ms. Fane taught in the Detroit
24 Public School System for 33 years as a special
25 education teacher and retired in 2010. Upon retiring,

1 she began volunteer work at Karmano's Cancer Center and
2 Children's Hospital as a caregiver in both Family
3 Support Units.

4 And, whereas, Ms. Fane is an avid supporter of the
5 12th Precinct. When precincts were collecting diapers
6 for new mothers in the City of Detroit, Ms. Fane
7 donated over 400 dollars of packaged diapers. During
8 the Sergeant Santa Initiative, Ms. Fane filled a large
9 container with so many toys, the precinct had to add on
10 more boxes to hold the donations from her and the group
11 effort of the parishioners in her church.

12 And, whereas, Ms. Fane is a member of the
13 Wisconsin Avenue Church of God-Second, where she is an
14 usher and on the board of benevolent. Her community
15 relation committee sponsors the community picnic, a
16 bookbag giveaway, and feed the children in the
17 community during the summer months. The 12th Precinct
18 can always count on her partnership without hesitation.

19 Now, therefore, be it resolved, the Detroit Board
20 of Police Commissioners, speaking on behalf of the
21 Detroit Police Department and the citizens of the City
22 of Detroit, recognize the committed support of
23 Ms. Joane Fane. Her public service and devotion to
24 improving the quality of life for all citizens in her
25 community and throughout the City of Detroit, merits

1 our highest regard.

2 We thank and congratulate you for a job well done
3 Ms. Joane Fane. And it's signed by all the Board of
4 Police Commissioners. Thank you

5 (Applause)

6 MS. FANE: Thank you.

7 CHIEF WILLIAMS: Hello Ms. Fane. We have two
8 more presentations for you. We are going to have
9 Commander Sims from the 12th Precinct, along with
10 Captain Sroka with the presentation.

11 COMMANDER SIMS: Really, the information
12 sounds very similar to what was said by the Board of
13 Commissioners. It has Ms. Joane Fane a native
14 Detroiter has two sons, Jamal and Jamar, along with her
15 two grandchildren and is a retiree of the Detroit
16 Public School System. She's a lifetime resident of
17 Detroit and was educated in the Detroit Public School
18 System and attended Wayne State University, earning her
19 bachelor degree in special education. Ms. Fane taught
20 the mentally and physically challenged in the Detroit
21 Public School System for 33 years and retired in 2010.

22 Upon retiring, she began her volunteer career at
23 Karmano's Cancer Institute and Children's Hospital as a
24 caregiver in both family support units.

25 Ms. Fane is a lifetime member of the Wisconsin

1 Church of God-Second located at 2000 -- I am sorry, at
2 20060 Wisconsin Detroit. She is an usher and on the
3 board of benevolent. Ms. Fane's community relation
4 committee sponsors a community picnic, a bookbag
5 giveaway and feed the children of the community during
6 the summer months.

7 Ms. Fane began her partnership with the 12th
8 Precinct when she and the neighbors were collecting
9 diapers for mothers in the City of Detroit. Ms. Fane
10 donated over 400 dollars for the packaged diapers at
11 that time.

12 At Christmas, the 12th Precinct presented the
13 Sergeant Santa Initiative to bring Christmas to Detroit
14 kids in need. Ms. Fane filled a large container with
15 so many toys, the station had to add on more boxes to
16 hold donations from her. She indicated the donations
17 were a group effort from her parishioners at her church
18 which was over 800 dollars in toys.

19 In 2017, we could count on her partnership with
20 the 12th Precinct to donate to the community of the
21 12th Precinct, the same as the years before, without
22 hesitation.

23 I take great pride in recommending Ms. Joane Fane
24 for a -- as a dedicated supporter of the Detroit Police
25 Department and the 12th Precinct, with this prestigious

1 award.

2 (Applause)

3 CHIEF WILLIAMS: We have two recognitions.

4 So the first is the Spirit of Detroit Award from the
5 City Council.

6 (Applause)

7 CHIEF WILLIAMS: And, on behalf of the
8 Detroit Police Department, you're going to be presented
9 with the certificate of recognition. Thank you.

10 (Applause)

11 MS. FANE: Okay. I would like to say thank
12 you, and I really felt honored when Sergeant Bledsoe
13 called me to let me know exactly about this event. And
14 where it says Joane Fane, this also includes my entire
15 church family because I am the one that's on the
16 community committee, Mr. Lance and I, and I want to
17 thank Sister Williams and Dylan for also coming in and
18 bringing the toys and so on. And my Pastor and his
19 lovely wife, Pastor Massie and all of the church
20 members. And I would like to thank everyone for coming
21 because as I look out, I see many, many of my loved
22 ones, my sons, and everyone.

23 PUBLIC: Hey, ma.

24 (Applause)

25 MS. FANE: I would like to say thank you very

1 much. And since this was written up, I do have another
2 grandchild, Amari Fane. And I want to say thank you.
3 I'm so happy.

4 (Applause)

5 CHAIRPERSON CARTER: Thank you, again,
6 Ms. Fane for all that you do for this -- for this
7 community.

8 (Applause)

9 CHAIRPERSON CARTER: So, at this time, I'm
10 going to ask that Commissioner Darryl Brown step
11 forward. And he's going to do the -- read the
12 resolution for Mr. Saad Abbo. Is he here? All right.
13 Step right this way, sir.

14 COMMISSIONER D. BROWN: Make an adjustment
15 here right quick. You thought that when you get older,
16 you have to put glasses on to read, I think I'm going
17 to have to take these off.

18 This resolution is honoring Mr. Saad Abbo, whereas
19 Saad Abbo is the owner of the U.S. Ice Crystal Pure
20 Ice, Michigan's largest independent ice manufacturer.
21 He is married to Ankath and has three sons, Isaac,
22 Jacob, and Marcus.

23 And the U.S. Ice Company was started by Saad and
24 his father, Foad Abbo, in 1984. Mr. Abbo has always
25 wanted to keep the business in the Detroit. He has

1 expanded to a 10,000 square foot warehouse capable of
2 generating 400 tons of ice per day, and is adding a
3 13,000 square foot expansion this year.

4 (Applause)

5 COMMISSIONER D. BROWN: Saad's father
6 previously owned three ice stores. He became
7 dissatisfied with the service he received from his
8 providers, and decided to start his own ice
9 manufacturing company. He and his father began to go
10 door to door seeking customers while operating out of a
11 4,000 square foot facility. Eventually, this led to
12 him building an establishment on West 8 Mile Road. It
13 is Michigan's largest independent ice manufacturer with
14 the capacity of making up to 8,000,000 pounds of ice
15 per day, serving well over 2,000 customers throughout
16 the Tri County area.

17 And whereas, Mr. Abbo has always been a great
18 partner with the Detroit Police Department, especially
19 the 12th Precinct. No matter what the occasion, Mr.
20 Abbo has donated ice. If you were to count the cost
21 over the many years Mr. Abbo, through his U.S. Ice
22 Company, has contributed thousands of dollars to the
23 Police Department and the residents of the 12th
24 Precinct.

25 Now, therefore, be it resolved, that the Detroit

1 Board of Police Commissioners, speaking on behalf of
2 the Detroit Police Department and the citizens of the
3 City of Detroit, acknowledge the dedicated, giving, and
4 longtime support of Mr. Saad Abbo. His generous spirit
5 and commitment to improving the quality of life for all
6 citizens in the 12th Precinct and throughout the City
7 of Detroit, merits our highest regards.

8 We thank you and congratulate you for a job well
9 done, Mr. Saad.

10 (Applause)

11 MR. SAAD: I just want to say thank you. I
12 think that the beautiful lady before me, she deserved a
13 heck of a lot more than me. But you know what, I'm
14 proud of being here, in Detroit. And I had the
15 opportunity to move across the street, I did not. We
16 had a convention over here in Detroit back in March,
17 and people from all over the country, Canada, even from
18 Australia, or even from England came over here. They
19 were all worried about Detroit. Guys, we did the
20 downtown, we had the best time. Everybody enjoyed it.
21 This City is coming back. I'm proud to be part of it
22 and I want to thank you for everything. Especially the
23 12th Precinct and all of the Police Departments of
24 Detroit. Thank you.

25 (Applause)

1 CHAIRPERSON CARTER: Thank you Mr. Saad Abbo.
2 Thank you.

3 At this time, we have one last resolution, Police
4 Officer Lareen Booker.

5 COMMISSIONER BELL: Madam Chair, Officer
6 Booker is not here, but I will chapter her retirement
7 and celebration on Friday at 12:00. No, 2:00, it's
8 going to take place. I'll get the time straight,
9 whatever time it is. But I just want to say it is my
10 privilege to recognize Lareen Booker for her service to
11 the City of Detroit Police Department. She hired in on
12 June the 24th of 1996 and thereafter, she was assigned
13 to the 11th Precinct. And, I was one of her
14 supervisors at the 11th Precinct as a young officer.
15 So, I know her personally. And she went on to have a
16 great career. Twenty-one years later, she ended up at
17 the Office of Civil Rights. And off and on, I had the
18 opportunity to interface with her.

19 She has great credentials and so now, therefore,
20 be it resolved that the Detroit Board of Police
21 Commissioners speaking for the citizens of Detroit, and
22 the Detroit Police Department award this resolution in
23 recognition of Police Officer Lareen Booker for
24 twenty-one years of dedicated and diligent public
25 service. Her professionalism, integrity, and standard

1 of commitment to the City of Detroit and its citizens
2 merits our highest regards, on behalf of the Detroit
3 Board of Police Commissioners.

4 And it's good to see one of you young officers who
5 retired twenty-one years later, have a great and
6 outstanding career. So God bless her, and God speak to
7 her and her family. And that goes to show you the kind
8 of people I had the opportunity to serve as a
9 supervisor over in 1996, to the 11th Precinct. Thank
10 you.

11 (Applause)

12 COMMISSIONER DEWAELSCHE: Move for adoption
13 of the three resolutions that we read today.

14 COMMISSIONER BELL: Second.

15 CHAIRPERSON CARTER: It's been moved and
16 supported that we adopt the resolutions for Police
17 Officer Lareen Booker, Ms. Joane Fane, and Mr. Saad
18 Abbo.

19 Is there any discussion? Those in favor.

20 COMMISSIONERS: Aye.

21 CHAIRPERSON CARTER: Those opposed. The
22 motion carries.

23 Thank you. Thank you, very much.

24 At this time, I'd like to recognize the Police
25 Commissioner for District 2 who just --

1 COMMISSIONER MALLETT: Madam Chair.

2 CHAIRPERSON CARTER: -- just stepped in.

3 COMMISSIONER MALLETT: So, my day job is
4 President of Sinai Grace Hospital. Those of you who
5 know my hospital knows that Sinai Grace gets busy. I
6 was a little side tracked, but I'm here now.

7 CHAIRPERSON CARTER: All right. Thank you,
8 Commissioner, for coming out to be with us this
9 evening.

10 At this time, Assistant Chief Williams, any
11 reports that you want to give at this time? Thank you.

12 CHIEF WILLIAMS: Through the Chair, as far as
13 stats, we offer the City-wide data. Currently for
14 homicide, we're at zero percent. So, we've had the
15 same number of homicide in 2017, year-to-date that we
16 have in 2018. For sexual assaults, we're down 68
17 percent. For robbery, we're down to 18 percent.
18 Carjacking, we're down 90 percent. Overall, the
19 violent crime, we're down to 18 percent for this year.
20 As far as property crime goes, we're down 9 percent
21 overall and comparing it to 2017 at the same time.

22 For an update for our injured officers, we have
23 Officer Waldis Johnson who is still currently in rehab
24 for his gunshot wound. Officer Anthony Brown who was
25 hit by a vehicle. He's currently at home recuperating.

1 Officer Matthew Windquist, he's also recuperating at
2 home from a gunshot wound. Officer James Kisselburg,
3 he's also still at home recuperating from a gunshot
4 wound. And, Officer Robert Kovach who many of you may
5 have heard, he was involved in a single motor vehicle
6 accident involved with black ice. He was initially
7 taken to -- to give everybody a good overview, Officer
8 Kovach was coming in early for work and picked up his
9 vehicle, was headed to his precinct, hit a patch of
10 black ice and crashed into a wall on 75, and hit one of
11 the side beams. He was there for an unknown amount of
12 time before a supervisor from the fire department
13 actually found him or actually looked at the vehicle
14 and looked inside. We thought a lot of people may have
15 thought it was a previous accident and were driving by
16 because they thought it was already handled. But this
17 Captain, is Captain Richard Tozer, from the fire
18 department, he stopped and looked in the vehicle and he
19 saw somebody slumped over. He called for assistance,
20 and they had to pry the vehicle open. When they got to
21 Officer Kovach, he was unconscious. He got to the
22 hospital in critical condition, but I'm happy to report
23 he's been released this afternoon and he's at home.

24 (Applause)

25 CHIEF WILLIAMS: And also, we have a funeral

1 for active member, Police Officer Ellis Bernard for the
2 11th Precinct. He had been assigned to (inaudible) for
3 the last ten years. The funeral is going to be
4 Saturday, January the 13th at Greater Mount Huron
5 Baptist Church located at 3530 29th Street. This will
6 be at 10:30 for the family hour and 11:30 for the
7 funeral.

8 For those who don't know, Officer Bernard, he
9 passed from the complications of illnesses. He had a
10 couple of different illnesses and passed away

11 CHAIRPERSON CARTER: Thank you Chief
12 Williams. We will certainly continue to keep those
13 officers and their families in our thoughts and
14 prayers.

15 At this time, does anyone have any questions for
16 Assistant Chief Williams. Commissioner Dewaelsche.

17 COMMISSIONER DEWAEELSCHÉ: Madam Chair, yes, I
18 do have a question. Chief, we've been noticing or
19 hearing in the newspaper, there was an article about
20 the crime stats that we've had recently which, you
21 know, compared to last year, have been very good. We
22 got a report last week from the Chief and continue to
23 get a report weekly which is, you know, outstanding
24 because then, we know on a weekly basis how crime is
25 happening within our city. But in yesterday's paper or

1 today's paper, there was an article about how some
2 neighborhoods are just not feeling that, you know,
3 crime has gone down in their neighborhoods. And, you
4 know, that is understandable. And what I would like to
5 know is, are there some special efforts or programs?
6 How is the Chief or the Department paying attention to
7 those neighborhoods who may not be experiencing, you
8 know, the decrease in crime and, if there are any
9 special programs or emphasis on those areas?

10 CHIEF WILLIAMS: Through the Chair, what we
11 basically do is we look at the crime, and depending on
12 where the crime is, we look at the actual neighborhoods
13 and that's where we push the resources to. For the
14 article that you're referring to, we are looking at
15 that area, Saint Auburn between, I think that was
16 Minnesota, and I can't remember the other street. We
17 already talked to the 11th Precinct because we -- we're
18 not a perfect department. So some things we rely on is
19 the community telling us hey, we have an area here that
20 has a problem. So we saw the article. The one thing
21 that we do with our neighborhood police officers is
22 we're going to have them go to the area. One of the
23 complaints was they had a lot of vacant dwellings and
24 they had squatters. So we're going to check to see
25 what that complaint yields. They also said that the

1 squatters were committing crimes. So we're going to
2 have someone go down and look at that and we're going
3 to have the district manager from that precinct go down
4 as well, because another thing was the insufficient
5 lighting and there was a picture taken in the middle of
6 the street. So we generally look at our crime stats,
7 the community meetings and complaints and that's how we
8 assign our resources to make sure we fight crime and
9 give the best service we can to all the members in our
10 community.

11 COMMISSIONER DEWAEELSCHÉ: Thank you,
12 Assistant Chief Williams.

13 CHAIRPERSON CARTER: Any others?
14 Commissioner Sanders.

15 COMMISSIONER SANDERS: I would like to know
16 about the tasers. Is the tasers still oncoming for the
17 precinct to have tasers?

18 CHIEF WILLIAMS: So currently for the
19 department plan right now, we're still in the pilot
20 part of the program. The 4th Precinct is the only
21 precinct at this time that has tasers. We have had
22 some deployments with those tasers. Some of the
23 deployments were successful and some were not
24 successful. And what I mean by not successful, we
25 found that sometimes if someone is wearing a coat, the

1 coat can stop one of the barbs from making contact.
2 And when that happens, we didn't have full execution
3 that we should. That's one of the things we're working
4 on, but so far, it's going along with the plan.

5 COMMISSIONER SANDERS: Thank you.

6 CHAIRPERSON CARTER: Commissioner Bell.

7 COMMISSIONER BELL: Yes, Madam Chair.

8 Assistant Chief, I just -- we suspended an officer last
9 week without pay, and looking at the complaint
10 afterwards, I see that he had over -- and he hired in,
11 in 2013. A short career. This is 2017. But he had
12 over twenty something complaints. And eight of them
13 were sustained. And I think that's a big concern of a
14 commissioner. In my little short 32-year career as a
15 police officer, that raised a red flag that something
16 is there. Even though some of them were not sustained,
17 but eight were sustained. I think that's of concern.
18 When we look at that type of profile, then we should be
19 addressing these complaints or concerns because this
20 person end up working a special assignment out of
21 uniform. So I think we need to pay more attention to
22 officers who have this type of record. And as I
23 stated, Officer Booker, I don't know about her
24 discipline record, but that raised a red flag for me
25 and it should for DPD personnel.

1 And, perhaps, we should have suspended this
2 officer going to that extreme of being suspended
3 without pay in regards to another forceful act.
4 Perhaps we can send some notes to you, through the
5 Board Secretary, in reference to this matter and any
6 others in which we are trying to bring to your
7 attention. We do not take these complaints lightly.
8 Due to the circumstance, and I know the history is not
9 sustained, but it doesn't mean it didn't happen. We
10 just don't have the witness, a harsh witness to sustain
11 that.

12 But that raised a red flag when you can look at an
13 officer that goes twenty years without a complaint. I
14 understand the whole gamut of the citizen's complaints,
15 but maybe we could have impacted this young officer
16 somewhere along the lines of counseling, guidance,
17 whatever it is, versus him going down this path in that
18 particular area. So, I just wanted to share with you
19 and with the commissioners also. So you have that
20 record in your file, so go back and read it at your
21 leisure. Thank you, Madam Chair

22 CHAIRPERSON CARTER: Thank you, Commissioner
23 Bell.

24 CHIEF WILLIAMS: Through the Chair. Thank
25 you, Commissioner Bell. I appreciate it and it's

1 actually something that Chief Craig really pushes. It
2 is our job as supervisors and leaders of our department
3 to make sure that we protect our officers, not only
4 from the dangers out there in the streets that they may
5 come across, but also from themselves. And, what
6 you're talking about is protecting our officers from
7 themselves. What we do right now is -- I received a
8 report from all the citizen's complaints, every one of
9 them from the Board of Police commissioners, OCI, we
10 send that out to all of our Patrol Deputy Chiefs, and
11 we also do our risk management. So we try to make sure
12 we intercept those officers and those officers who do
13 have that extreme number of complaints. We do move
14 them from different units. This is one of those
15 situations where he got out of trouble before we could
16 get him out of trouble. Or, I'm sorry, he got in
17 trouble before we could actually save him from himself.
18 And it's one of those things we're looking to do. Like
19 I said, we're not a perfect organization. We're very
20 well at what we do, but we have thousands of contacts
21 with citizens per week and we do a good job.

22 CHAIRPERSON CARTER: Thank you. Any other
23 questions for the Assistant Chief?

24 COMMISSIONER BURCH: Yes. I'd like to ask a
25 question. One of my concerns is speeding. As far as

1 car chasing, you know, when the police are chasing the
2 criminal, how is the Chief going to address that?
3 Plus, with the speeding of many cars that are going
4 down residential streets, how are you addressing that
5 very dangerous situation?

6 CHIEF WILLIAMS: So I just want to make sure,
7 through the Chair, that I have both questions correct.
8 One question is, is it a pursuit policy question?

9 COMMISSIONER BURCH: Yes.

10 CHIEF WILLIAMS: Okay. And the second
11 question was just speeding in general?

12 COMMISSIONER BURCH: Yes.

13 CHIEF WILLIAMS: Okay. So for the pursuit
14 policy, for the Detroit Police Department, we don't
15 condone any pursuit, and it's against our policy for
16 any pursuit to take place if it's not a violent felony.
17 Even if you have a felony of a stolen vehicle and we
18 find that vehicle is stolen, under our policy, you
19 cannot chase that stolen vehicle. And, in addition to
20 that, if a chase is -- or by a felony, we have an armed
21 robbery and we have that suspect in that vehicle, a
22 pursuit can occur with that. But then, as command
23 staff and supervisors monitor, we have to take into
24 account, and also officers take into account, time of
25 day, road conditions, speed conditions, lighting

1 conditions. We take all of those things into account
2 and that's how we decide if we allow a chase to
3 continue or if we terminate it. So those are the
4 controls we have in place and the State of Michigan
5 Police have decided to adopt some of our policies and
6 it's a policy you'll see statewide. It's a good
7 policy.

8 And concerning the actual speed in the
9 neighborhoods, it's almost the same thing when we
10 talked about the policy, Commissioner Eva Dewaelsche
11 was speaking on. A lot of things, we're not going to
12 see. Speeding is not what we're always going to see.
13 Speeding happens on every street and in everybody's
14 community and everybody's neighborhood. So the best
15 thing for us is to either get a complaint, go to the
16 precinct, make a phone call, come to a community
17 meeting, or make a statement. We're going to combat
18 it. If you give me a location right now of where the
19 speeding is taking place, I can tell you right now it's
20 going to be handled, but we have to know where we have
21 the issue.

22 COMMISSIONER BURCH: I can do that later, but
23 I have witnessed it. That -- and, I'm asking the
24 question really, how do the police enforce or, you
25 know, discourage [sic] people to stop the speeding?

1 How many tickets do you actually write for these people
2 that are disobeying and just speeding down and taking
3 people's livelihood and taking their lives? I just
4 want to know how many tickets do these police officers
5 actually write?

6 CHIEF WILLIAMS: So, I'll have to give you
7 that information at another time. I don't have that
8 with me. But I can tell you that on a daily basis, we
9 have a Traffic Enforcement Unit, and their sole purpose
10 is to educate and enforce traffic laws. And then,
11 every precinct has a Motor Unit. I shouldn't say
12 every, but all precincts should have a Motor Unit.
13 Their job is to go out and ensure education and
14 enforcement takes place on all traffic laws in the
15 precinct and those traffic boundaries.

16 What we do -- what we're trying to do with our
17 Traffic Enforcement Unit, for those areas that had an
18 increase in accidents, we're trying to push it in that
19 area, but we also do it on crime. So, all the time,
20 the traffic units don't know where a traffic issue is.
21 What we'll do is break off one or two of those units in
22 a specific area. And that's -- that's what the plan
23 is. That's how we actually do it, but, again, at a
24 later date, I can supply more with the number of
25 speeding tickets that we write, and that we've written

1 for 2017 and see if we can get you what we've wrote
2 year-to-date for 2018, as well.

3 COMMISSIONER BURCH: Thank you.

4 CHAIRPERSON CARTER: Thank you. Any other
5 questions, Commissioners?

6 At this time, we'll have a report by the Homicide
7 Department.

8 COMMANDER BRYANT: Good evening.

9 COMMISSIONERS: Good evening.

10 COMMANDER BRYANT: My name is Commander
11 Bryant, and I'm in charge of major crimes. I'm just
12 going to give a brief overview and turn it over to the
13 Captain.

14 So, homicide falls under major crimes. Homicide
15 has one captain and three lieutenants. Captain Worboys
16 is in charge, that's him right there. And then we have
17 Lieutenant McGinnis. He's in charge -- he oversees the
18 west side precincts. The homicide is broken down by
19 squads. So, McGinnis is in charge of the Northwest
20 District which includes Sixth and Eighth Precinct,
21 Western District which includes Tenth and Twelfth
22 Precinct. He also oversees Arson and Fatal Squad which
23 is imbedded in homicide.

24 We also have Lieutenant Michael Russell, right
25 there. He's the East Side Lieutenant. He's in charge

1 of east side precincts that is inclusive of Northeast
2 which is 11th and 7th Precinct. And then, he's in
3 charge of Eastern which is the 5th and 9th Precinct.
4 He also oversees Arson and Fatal Squad which is
5 embedded in homicide.

6 And I'm sorry, I forgot Southwest. McGinnis is in
7 charge of Southwest, too, which is the 4th and the 2nd
8 Precinct. So, that's how it's broken down.

9 We also have Lieutenant Kenneth Gardener. He is
10 in charge of our Homicide Task Force. That's a task
11 force that's comprised of different agencies. So, we
12 have Detroit Police Officers, Michigan State Police,
13 DEA, FBI, and they come together as a task force and
14 they handle cases that are a little more difficult,
15 maybe involving multiple suspects, multiple victims,
16 gang related, narcotic related. So, our Homicide Task
17 Force handles that. And he also oversees an active
18 squad and our missing person's squad. At this time,
19 I'm going to hand you over to Captain Worboys and he'll
20 give you a little bit more information.

21 CHAIRPERSON CARTER: Thank you.

22 CAPTAIN WORBOYS: Good evening.

23 COMMISSIONERS: Good evening.

24 CAPTAIN WORBOYS: I'm Captain Kurt Worboys.

25 I'm going to go into a little more detail on the

1 breakdown of homicide and also, go into some of the
2 numbers from 2016.

3 Right now, we currently have 33 members as part of
4 the homicide squads. We have -- at one time, last
5 year, we had a full-time war officer. So, we're
6 looking to restaff that position this year. Fatal
7 squad has six members. Our Homicide Task Force which
8 was just mentioned, has seven members from the Detroit
9 Police Department, and ten members from the Michigan
10 State Police as well as a member from the DEA and ETF
11 and one member from Wayne State University.

12 The Missing Persons and Inactive Squad consists of
13 four members. Our administrative team has three
14 members. Headquarters surveillance which does a lot of
15 our recoveries, has 13 members. And then, we have
16 three members who are dedicated to our tracking
17 cellphones and tech and that sort of thing.

18 The unit breaks down, as the Commander said, by 3
19 lieutenants, 13 sergeants, 27 detectives, and 4 police
20 officers. So, we're doing quite a lot with not a lot
21 of people.

22 CHAIRPERSON CARTER: Mm-hmm.

23 CAPTAIN WORBOYS: And, we're making it
24 happen. So, showing the average years on the job for
25 the unit. It shows that we have 20 years on the job

1 for the sergeants, police officers have about 19 years,
2 the lieutenants, 24 years. Detective has -- the
3 detectives have 20 years on the job. So, basically,
4 this shows that we have quite -- you have to have a lot
5 of experience to get to the Homicide Unit. We're not
6 taking officers with two or three years on the job. We
7 want you to have quite a background and quite an
8 investigative history before you can come and start
9 doing this type of case work.

10 The next slide shows how long each member has
11 approximately been at the unit. Our lieutenants
12 average about 13 years each. Sergeants, five.
13 Detectives, four. And, police officers, it's an
14 entry-level position which is three.

15 Next slide. This goes into the details to the
16 statistics of the year. We ended up with 267 murder
17 victims, with 244 murder incidents. Out of that -- out
18 of our total incidents for the year, though, we did
19 back out 14 justified shootings, 29 suicide by a
20 gunshot wound, 3 accidental fatal shootings, and we
21 also had 321 death of, which are like overdoses, things
22 that are mostly like overdoses until it's decided by
23 the medical examiner, we count that. We put that
24 number up there to show we still respond to every one
25 of those incidents. Not just the homicide scenes.

1 We're responding and having some detectives go out and
2 confirm what we've seen that it's a death of, and not a
3 homicide investigation.

4 We also had 31 baby deaths this year. Five of
5 those baby deaths ruled a homicide and they're being
6 handled by our unit as well as child abuse. So, we
7 work hand and hand with child abuse on those types of
8 cases making sure the investigation is thorough.

9 Finally, we had 99 fatal and critical accident
10 scenes. As I said, the fatal squad is under my purview
11 and control, so we do count that. It doesn't go under
12 our homicide per say, but we keep track of how many
13 fatal deaths we have throughout the year over the city.

14 Next slide. So, for that 267 homicides
15 investigated, 60 percent closure rate for 2017. The
16 little bit of twist to that is there were a few cases
17 that were solved in 2016 that we carried over and do
18 count them in new numbers for this last year. We are
19 constantly investigating these cases. They don't get
20 closed until we solve them. So, if we solve something
21 one year, two years later, then that gets counted the
22 year solved with those numbers. It goes back to, sort
23 of, the same thing with if we have a person that was
24 injured three years ago and they finally pass away in
25 2017, that number would be counted with our 2017

1 numbers.

2 So we had 129 cases for 2017 close, for 48
3 percent. This goes to what I was saying. We had
4 thirty-one cases from the previous years for 12 percent
5 equaling the 60 percent closure rate.

6 At this time, we have one not in custody warrant.
7 So there is one person that we've tracked down, the
8 Prosecutor's Office has signed on, and we haven't been
9 able to locate. We have 28 warrants that are
10 requesting to be signed by the Wayne County's
11 Prosecutor Office, on their desk. So we do have reason
12 to believe we can charge these people and we're trying
13 to get them in custody as soon as the Prosecutor's
14 Office agrees and signs off on that.

15 This just -- the next slide just shows our closure
16 rate over the last six years and steady improvement.
17 We had a real good year in 2014 with 64 percent. Took
18 a little bit of a downturn, but not bad. And as of
19 this year, we're at 60 percent for 2017.

20 And that goes onto showing in the next slide, we
21 did a comparison, or tried to do a comparison with
22 cities around the country. We did get a lot of
23 feedback from some of our peers, but the one city that
24 did respond, Baltimore, which is a comparable size city
25 to ours, they have a 51.3 closure rate for 2017. The

1 rest of the cities on the chart did not respond. But
2 it shows there, the homicide rate for 2017 and 2016,
3 some of the larger cities like Chicago, Los Angeles,
4 and New York, they did show a decrease in homicides
5 last year. But the cities that's more to the size of
6 the City of Detroit, such as St. Louis, Philly, and
7 Baltimore, all had increases. They all had an increase
8 while we had a decrease. So it shows that we're moving
9 in the right direction. I think we are moving in the
10 right things. Our closure rate is above the national
11 average and shows we're doing the right thing.

12 Part of that goes to our ceasefire efforts which
13 the Chief was here and talked to you about. I actually
14 spoke to you about it when I was a Captain at number 8.
15 About five years ago, we implemented a ceasefire into
16 the City. Two years ago, we took it over in the 6th
17 and 8th Precinct. As you can see by the chart, our
18 homicide numbers have gone down each year except not
19 quite as much last year.

20 You'll go to the next slide and see in the
21 ceasefire precincts, we've had decreases every year.
22 Especially this year, the 2017 numbers showed that the
23 east side, so the 5th and 9th Precincts on the east
24 side and 6th and 8th Precincts on the west side, we had
25 47 homicides in each precinct and each one was a

1 significant decrease over last year.

2 So I do believe the ceasefire is working. The
3 Chief is trying to roll that out citywide. There's man
4 power issues and equipment issues, but it's a program
5 that you've all been told about before. But for the
6 numbers that are new, it is a three-prong attack on it.
7 We're using our partners with the federal entities, the
8 state partners, the county partners, to address
9 enforcement, but we're also using our neighborhoods and
10 our community groups and our community leaders to bring
11 a message of hope and opportunity to these young people
12 that are out there committing crimes and trying to put
13 them on the right path. And, I think so far, it's
14 showing a lot of promise.

15 Go to the next slide. Because we're in the 12th
16 Precinct today, we decided to show specific numbers for
17 number 12. For this year, homicides were down one from
18 last year. But it shows right next to that, our
19 closures. So, in 2017, we only closed 12 cases in the
20 12th Precinct. This year, we've closed 17. So, quite
21 an increase from 38 percent to 55 percent. Number 12
22 is also a ceasefire precinct. So I do believe those
23 numbers will improve, if not so much on the closure
24 rate, but on the incidents that occur.

25 The chart below that, just basically breaks down

1 the motives and factors for the crimes. They're pretty
2 standard across the board for city averages. There was
3 a little bit of a bump for motives and domestics and, I
4 think, domestics was the primary one, maybe a little
5 bit of narcotics. So domestics, you know, are what
6 they are 'cause there are people that know each other
7 and that just decide to commit crimes without much
8 forethought.

9 If you go to the next slide, I just want to
10 mention the fact that the Homicide Task Force, they do
11 investigate all of our officer involved shootings. So
12 we threw this slide up here to show that over the last
13 year, we've had quite a bump in the number of times a
14 suspect has fired at a police officer from 6 to 12.
15 We've got a number of officers that were shot
16 non-fatally from one to 2016 to six in 2017. Thank
17 goodness, we had no officers fatally shot in 2017 which
18 was down. And then, the number of officers killed by
19 other felonious means was down by one. And then, the
20 officers that fired shots, we also do that
21 investigation. Officers fired shots at a perpetrator
22 was up last year from 9 to 17. That is also something
23 that's handled by this unit and the Homicide Task
24 Force.

25 Just to finish, I would like to say that, you

1 know, we have some of the hardest working people in the
2 department, both men and women coming in every day,
3 putting in long hours, are dedicated to solving these
4 crimes and in serving the citizens and the families
5 that are suffering these losses.

6 I've only been at homicide now for about three
7 months. And, I first had experience in dealing with
8 the families and getting to see the pain and suffering
9 that they go through and I think the detectives in
10 homicide see that and they embrace it every day. The
11 amount of hours and work they put in is shocking to me.
12 I sign them all the time and check all the reports and
13 they do a great job on them, so I would just like to
14 give them kudos. Any questions? I would be happy to
15 answer them.

16 CHAIRPERSON CARTER: Thank you. Commissioner
17 Sanders.

18 COMMISSIONER SANDERS: When you mentioned
19 overtime, do you guys do a lot of overtime?

20 CAPTAIN WORBOYS: Yes, sir.

21 COMMISSIONER SANDERS: You need to recruit
22 more.

23 CAPTAIN WORBOYS: I'm sorry?

24 COMMISSIONER SANDERS: We need to recruit
25 more.

1 COMMISSIONER DAVIS: Your classification of
2 homicide, is it the same today, as it was in 1967?
3 'Cause these stats and the numbers, they're comparing
4 them to, like, '67, '68. I was wondering if you're
5 still classifying homicide in the same way for every
6 category?

7 CAPTAIN WORBOYS: You want to answer that?

8 COMMANDER BRYANT: Yes, we still classify
9 homicide in the same way. The numbers vary. You mean
10 why is it so high?

11 COMMISSIONER BRYANT: I mean, justify.

12 COMMANDER BRYANT: Yes, justify just simply
13 means the person was either acting in self-defense.
14 So, that's a justified homicide. If somebody broke
15 into your house and you had a gun and they pointed a
16 gun at you and you shot them, that's justified. So,
17 they were in the midst of creating a problem so that
18 led to their demise.

19 CHAIRPERSON CARTER: Any other questions,
20 Commissioners? Commissioner Bell.

21 COMMISSIONER BELL: Yes, Madam Chair. I just
22 want to commend the Homicide Division. As we well
23 know, it's the hardest working job you can possibly be
24 assigned to outside of child abuse. And I'm glad that,
25 and hopefully, we have stabilized the leadership and

1 it's been somewhat of a revolving door in terms of
2 maintaining the leadership and the experienced
3 investigators, et cetera.

4 And, the Public maybe knows, the issue, when
5 looking at this chart, I always thought it was domestic
6 violence, but it's not the case. It just appears
7 people don't get along. They have confrontation,
8 verbal. And the first homicide we just had in the
9 Fifth Precinct and Commander reported out, these two
10 individuals had a junction against one another.
11 Anyway, the guy ended up shooting the other guy several
12 times. It was the first homicide at the Fifth
13 Precinct. So, if we look at the human aspect of that,
14 we just cannot get along with one another.

15 So Sinai Grace can attest to that. One job to not
16 have is a security officer at Sinai Grace because when
17 the family member shows up after a shooting, they get
18 all the ugly of that situation over and over again. So
19 we just need to convey to our families and loved ones,
20 I assume all of us have witnessed a homicide in our
21 families in this community.

22 So if we look at that, if we can try to share a
23 peaceful moment quite frequently, we should have that
24 with our young adults. See, I love the young people
25 here that grow up and start -- I could see even in

1 first grade, just how the kids have a verbal dialogue
2 now. They just clash at an early age. So, we need to
3 do a better job.

4 And I'm happy to see that ZIP code 48205 is no
5 longer -- District 3 is no longer the flagship for
6 violence in the City of Detroit. And I agree
7 wholeheartedly with Chief Craig, in terms of focusing
8 in on that. They focused in on that. You've got to
9 give the State Police recommendation, too, because they
10 focus in on that area all the time.

11 So when you talk about ceasefire, people just need
12 to know that the mayor, the chief, all these
13 departments are doing everything to get these young
14 mens [sic] not to continue down that path. That's what
15 the ceasefire is about. It is trying to encourage them
16 to turn around. They're already in trouble, just turn
17 around and change their lifestyle. And that's a
18 message -- we shouldn't have to do that. We engage in
19 that because you know the outcomes. You're going to be
20 the victims. We're going to be the victim. So, that's
21 the ceasefire trying to make an impact on these young
22 men. When they roll in 25 to 30 young guys, they're
23 sitting there. I say what a waste of young men,
24 African Americans. What a waste?

25 THE PUBLIC: You're right.

1 COMMISSIONER BELL: And, they come from
2 families. And, the two I attended -- I'm going to get
3 off this soap box. They had kids. They have two or
4 three kids. So what type of fatherhood is that with
5 that type of mentality? And, these are not strangers.
6 This is our neighborhood people. So, they dropped out
7 of high school. They dropped out of middle school.
8 They drop into what type of lifestyle?

9 THE PUBLIC: Crime.

10 COMMISSIONER BELL: And, we become their
11 victims. So I just want to thank you for the work.
12 And Chief Craig, with the ceasefire and all that, that
13 task force, the 8th Precinct, all of them coming
14 together sends a strong message. You do the crime,
15 you're going to do the time. That is the bottom line.
16 But we're also trying to turn it around. So our
17 churches, our neighborhoods, we need to do our part to
18 convey that message to them, okay?

19 I get very frustrated when I see these moms on TV
20 every other day, please, if you know something, say
21 something and nobody is saying anything. That's it.
22 Thank you, Madam Chair.

23 (Applause)

24 COMMISSIONER BURCH: Thank you, to you,
25 Chair. And, to every officer in here, to your

1 department, I just want to say to you, the life I've
2 seen for a police officer, you are very unique. Your
3 profession is not a profession that you just take. I
4 feel like you're called. Every day that you are gone
5 and you get up, you don't know if you're going back
6 home or not. I think you are very special. We should
7 appreciate you. We know there are people in there that
8 may have some issues, but that can be addressed. But,
9 it takes citizens. I'm the type of person that instead
10 of complaining, why don't you help? When you see
11 something, report it. Tell the police. Share what you
12 know about your neighbor and stop saying the police do
13 not come. What you need, is a raise. What you need,
14 is health insurance for your family. I just want you
15 to know as being a part of this board, just for this
16 year, starting out, my heart goes out to what you need.
17 What the citizens need is a relationship of respect for
18 one another. And the only way that's going to happen
19 is through communication. We must learn people to
20 speak to one another. We must learn to teach our
21 children like you did back when your grandmother taught
22 you.

23 So I -- I ask you one question. Does it upset you
24 when you hear on the news that Detroit is the murder
25 capital?

1 THE PUBLIC: Yes.

2 COMMISSIONER BURCH: That is not true. Does
3 it upset you as officers?

4 COMMANDER BRYANT: Absolutely.

5 COMMISSIONER BURCH: Well, it upsets us, too.
6 We're going to stop it. We're going to have a good
7 media about how good you are and how good Detroit will
8 be. Thank you for your service.

9 (Applause)

10 CHAIRPERSON CARTER: Have other questions,
11 Commissioners? Thank you, very much.

12 (Applause)

13 CHAIRPERSON CARTER: Thank you, President,
14 for your technical assistance. LSA. Thank you. I'm
15 sorry. LSA. But thank you for your technical
16 assistance. I couldn't have done it without you.

17 At this time, we will have the precinct report.
18 Commander Sims.

19 COMMANDER SIMS: Good evening Board, Chief
20 Williams. Members of the community of the 12th
21 Precinct and of District 2, my name is DeShaune Sims.
22 I'm assigned to the 12th Precinct. Tonight, I have the
23 opportunity to announce Captain Sroka. I have a note
24 for Sergeant Bledsoe who was trying to get from the
25 12th Precinct. Officer Randolph, Officer Murphy,

1 Officer Wolmac and Officer Trotter, and our police
2 reserve is here with me tonight.

3 I'm going to start by giving you a brief overview
4 of what our crime looks like for the calendar year of
5 2017. And then, I will be turning it over to Captain
6 Sroka so he can give you an overview of what we're
7 doing to combat those issues that we're seeing high
8 crime in.

9 So for the calendar year of 2012 -- and I want to
10 thank the men and women that work in the 12th Precinct
11 that go out every day to patrol and take proactive and
12 sometimes reactive enforcement action.

13 The 12th Precinct had an overall reduction of 21
14 percent in part one violent crimes which consists of
15 murders, rapes, robberies, and aggravated assaults.
16 The highest area of reduction was in the area of rapid
17 shootings where we had a reduction of 31 percent going
18 from 111 in 2016 to 77 in the calendar year of 2017.

19 For part one property crimes which is burglaries,
20 larcenies, and motor vehicle thefts, we had a total
21 reduction of 12 percent. The highest reduction was in
22 the area of robberies where we had a reduction of 24
23 percent, going from -- I'm sorry, 361 in 2016 and going
24 down to 274 in 2017. And so, with that, I will give it
25 over to Captain Sroka and he will talk about the areas

1 that we have the highest concentration of crime and how
2 we plan to address those issues.

3 CAPTAIN SROKA: Good evening.

4 COMMISSIONERS: Good evening.

5 CAPTAIN SROKA: Captain Sroka from the 12th
6 Precinct. The start of the year, 12/5, and I don't
7 know, I'll have to give you more geographic street
8 areas which would basically be Eight Mile and John R.,
9 to Six Mile off of Woodward, really started showing a
10 lot of our crime at the beginning of the year. So we
11 did a conservative effort as part of our ceasefire
12 organization, our ceasefire teams punched into that
13 area and we were able to identify a couple of competing
14 groups in that area. And we partnered up with some
15 federal people and we were able to really impact some
16 of the shootings in that. Along with that, we really
17 concentrated on OTE operations which are offer to
18 engage in things. Up in that, prostitution. And we
19 try to address that which we had a really significant
20 impact on that area. But as it went along, it shifted.
21 The violent crimes shifted to roughly, which would be
22 12/11, 12/10. To give you more of a geographic area,
23 that would be, like, Six Mile to, like, John C. Lodge,
24 Wyoming, Schaeffer, Livernois, in that box. So, we
25 re-shifted our focus and start putting in people. What

1 we did was look on a week-to-week basis, analyzing our
2 crime, and put cars in what we consider a hotspot area,
3 so we can really attack that.

4 Although we had some really significant gains, the
5 one thing that really, kind of, hurt us for the whole
6 year was home invasions. At the start of the year, we
7 had an increase. We had a crew and again, we started
8 analyzing some of the data. Taking our video partners
9 and going and doing bed checks in areas. And,
10 throughout the year, we were able to reduce the home
11 invasions from a high of like a 40-percent increase to
12 about a 9-percent increase. And it's been trending
13 down since the first quarter of this year throughout
14 the rest of the year. We hope to maintain that trend
15 and keep it going in '18 to even push it further down
16 and impact that. Those were most of our hot spots.

17 If we had some robberies -- we had a significant
18 reduction in robberies within our sixty mile corridor
19 for a while, from Greenfield until about Livernois
20 showed some of this stuff. Again, we redeployed
21 resources to these areas and start doing bed checks.
22 It significantly impacted some of the people and we got
23 some of the guys and made some significant arrests
24 which slowed it down.

25 So I'm going to open it up to the Board for any

1 questions.

2 CHAIRPERSON CARTER: Yes. Commissioners, do
3 you have any questions?

4 COMMISSIONER BURCH: How many green lights do
5 you have?

6 CAPTAIN SROKA: Twenty-three.

7 COMMISSIONER BURCH: How many?

8 CAPTAIN SROKA: Okay. They're saying
9 fifteen. I thought it was twenty-three. We did 400
10 checks throughout the year. We're still trying to push
11 a few more into the system. We're still trying to get
12 the log cabin over there in the park to join us, too.
13 We hope that will be a plus for them.

14 COMMISSIONER BURCH: Those that have the
15 green light, you find it to be effective for that
16 business?

17 CAPTAIN SROKA: Oh, absolutely. We had two
18 or three significant arrests based on a green light.
19 We had a shooting which occurred on Woodward which was
20 captured. A transgender person that was robbed and
21 shot right there in front of the green light location
22 and the information that was pushed out was pushed out
23 very quickly to the crime center to our guys who are in
24 the area. We were able to actually get really great
25 video of these guys and identify them. Within 24

1 hours, we had locked up all the participants and had
2 two of the guys in custody that night.

3 (Applause)

4 CAPTAIN SROKA: I truly believe that the
5 green lights, especially around the gas stations and
6 some of the other places, have really impacted the
7 crimes and restricted or reduced some of the robberies
8 that were occurring in those areas. So, yeah, I think
9 they're a very, very positive thing.

10 CHAIRPERSON CARTER: Any other questions,
11 Commissioners? Commissioner Bell.

12 COMMISSIONER BELL: Madam Chair. I just want
13 to commend the Commander and Captain. A couple of
14 years ago, we had a shooting in the 12th Precinct and
15 over a thousand people showed up at the meeting,
16 addressing those concerns. And I know Commissioner
17 Mallett knows that you have been diligent in terms of
18 addressing that particular area in the 12th Precinct
19 and throughout the 12th Precinct, in terms of moving
20 around manpower. There were a lot of people really
21 upset. And I was pleased they came out to voice that
22 concern, but they were just not critical. They were
23 also mobilizing to do their part.

24 And I just want to commend one of my Sergeants
25 that I had the opportunity to work with, your Community

1 Relations Sergeant, Sergeant Bledsoe.

2 (Applause)

3 COMMISSIONER BELL: I had reached out to him
4 from the east side of Detroit. Not just once, a couple
5 of times, to take care of our retired Deputy Chief Mary
6 Jarrett Jackson, who had some issues and she called me
7 up and I made a couple of telephone calls and they got
8 right on it. And she lives in the City of Detroit.
9 And she's one of our great Deputy Chiefs from the 50's
10 who made an impact and she was concerned. I said let
11 me call. I know who to talk to, to get resolve. So,
12 if you have any issues at the 12th Precinct, call
13 Commander, if not, call Sergeant Bledsoe and the NPOs.
14 I don't care what you say about the green light program
15 in the media, I want to say right here, right now,
16 they're making a difference. It's making a difference.

17 (Applause)

18 COMMISSIONER BELL: It's making a difference.
19 So you need to push hard on these business folks who
20 are not wanting to invest. We just need -- we, the
21 community, have to do that. We have to push hard to
22 make sure they understand that's something we want.
23 Don't be driven by the media, the PR, that they can't
24 afford it because they can afford it. And it's
25 necessary, too. We watch CSI, right? Thank you.

1 CHAIRPERSON CARTER: Any other questions,
2 commissioners? Thank you. Thank you, very much.

3 (Applause)

4 COMMANDER SIMS: I just want to add, we have
5 food and we encourage everyone to come and fellowship.

6 CHAIRPERSON CARTER: Thank you.

7 At this time, Commissioners, you have in your
8 packet, the Human Resources Bureau Monthly Report.
9 Director Oxendine was unable to join us this evening
10 and her second in charge is on vacation. So, you have
11 the physical copy and I hope to hear from Director
12 Oxendine at a later date.

13 Are there any standing committee reports? At this
14 time, we'll have a report from the Board Secretary, Mr.
15 Hicks.

16 MR. HICKS: Thank you, Madam Chair. I do
17 want to draw your attention to five incoming items of
18 communications to the office. I do want to point out
19 in the first item which is the request that you made on
20 December 14th, requesting information on sexual
21 harassment and discrimination inside the department.
22 On page 3 of the report that you have in front of you
23 that was provided by human resources, there's a short
24 table that describes the department's experience in
25 connection with sexual assault. I mean, sexual

1 harassment and discrimination.

2 Our expectation is, of course, I believe, and if
3 not the next following meeting, HR will be coming in to
4 expand on that information. It does -- the report does
5 indicate that there are -- have not been, I guess,
6 allegations that have been sustained in the last few
7 years, but I would think that the Board would want to
8 know something about the character of the allegations,
9 not just if it's sustained or not. And that would be
10 mentioned and that would be contained.

11 And, in addition to that, what we tried to do is
12 follow-up on a number of requests the Board has made.
13 Amongst those is recognizing on the taser deployment,
14 that there is a risk mitigation period that is taking
15 place and we specifically asked the department for some
16 of the DP information that will flow from the risk
17 mitigation period. These are the things that you asked
18 for, as a Board. So these communications reflect
19 largely, reaching back into the department asking
20 questions that we have of the board. And, with that,
21 that concludes my report for this evening.

22 CHAIRPERSON CARTER: Thank you, Mr. Hicks.
23 Commissioners, any old business? New business?
24 Announcements. Our next board meeting will be
25 Thursday, January 18th at 3:00 p.m. at Detroit Public

1 Safety Headquarters located at 1301 Third Street.

2 Our next community meeting will be Thursday,
3 February 8th at 6:30 p.m. in the Ninth Precinct. The
4 location is forthcoming.

5 At this time, we will have oral communications
6 from the audience. Please give your names for the
7 record and limit your comments to two minutes, please

8 MR. BROWN: I have four cards. Our first
9 speaker will be Ms. Mary McKissic, followed by Mr. Eric
10 Blount.

11 MS. MCKISSIC: Ready or not, here I come.
12 Hi, everybody. I'm speaking on behalf of -- oh, my
13 name is Mary McKissic and I'm from the 12th Precinct
14 and I'm part of the 10 precinct the police takes to the
15 show and other things. And, of course, I'm asking for
16 -- how long will it take to get a new van in our
17 precinct?

18 THE PUBLIC: She still asking for that van.

19 MS. MCKISSIC: I still want that van.

20 CHAIRPERSON CARTER: It's been a year since
21 the first request?

22 MS. MCKISSIC: Yes, ma'am.

23 CHAIRPERSON CARTER: A year?

24 MS. MCKISSIC: It may have been a year or
25 more.

1 CHAIRPERSON CARTER: Okay. All right. I
2 remember that request.

3 MS. MCKISSIC: Okay.

4 CHAIRPERSON CARTER: And, I have no clue.

5 CHIEF WILLIAMS: Through the Chair. I'll
6 have to take a look at that. This is the first I've
7 heard about a van request. So I'll have to take a look
8 at it. Not to make light, or to say it hasn't been
9 made, I'll just have to take a look at it. I'll have
10 to look at our resource management and talk to the team
11 so they can know where it stands.

12 MS. MCKISSIC: Thank you.

13 CHAIRPERSON CARTER: Thank you, Assistant
14 Chief.

15 MR. BROWN: Next speaker, Mr. Eric Blount
16 followed by Mr. Don Johnson.

17 MR. BLOUNT: Good afternoon, Board.

18 COMMISSIONERS: Good evening.

19 MR. BLOUNT: My name is Eric, and my wife and
20 I are lifelong Detroiters, and we reside here in the
21 2nd District. I just want to express some of the
22 disappointments that a lot of citizens feel. We feel
23 deceived when there is discussions about statistics.
24 So the FBI says one set of numbers, and the City says
25 they're wrong, and it's something else. And we just

1 don't feel like crime is going down.

2 I also happen to reside in the Special Assessment
3 District in which we are paying for private security
4 forces that really replace, in many instances, the
5 Detroit Police Department. And that's an indictment.
6 That's how we feel we're being served by the City
7 Police Force.

8 And, I just want to say that I'd like further
9 information on the body cameras. We know that recent
10 events have not prevented indictments or even charges,
11 but I still want to believe that information captured
12 on video can help bring justice.

13 As far as crime and how you address it, I
14 challenge the Board and the Police Department to not
15 just chase crime, but to also look for indicators,
16 leading indicators on crime. I've been told by many
17 experts that one of the major indicators of the
18 community's health is infant mortalities. I don't know
19 what other leading indicators you can have on crime,
20 but I -- I -- when I hear that you look at crime and
21 complaints, it only -- it lends me to the possibility
22 that it's just a reactionary point of view.

23 As far as the homicide department, overtime, it's
24 very disturbing. It tells me there's a lack of
25 resources knowing that most police officers live

1 outside the City. Thank you.

2 CHAIRPERSON CARTER: Thank you, sir.

3 MR. BROWN: Next speaker, Mr. Don Johnson
4 followed by Ms. Krystal Fields.

5 CHAIRPERSON CARTER: I was going to ask
6 Assistant Chief Williams, did you want to comment on
7 any of his remarks?

8 CHIEF WILLIAMS: He made quite a few
9 statements.

10 CHAIRPERSON CARTER: Yeah.

11 CHIEF WILLIAMS: I want to talk about the
12 attributes of the Detroit Police Department. A lot of
13 what we do is reactive. When we have a call for
14 service, it's us coming after the fact. But what we
15 try to do, especially under our current police chief
16 is, we try to analyze the data and seek an analysis to
17 see what's going to happen and we try to come up with
18 different strategies to prevent that. Green light is
19 one of those. The neighborhood police officers are
20 another. We have quite a few programs where we go into
21 schools right now and we try to teach children
22 different ways to do crisis management or conflict
23 management that doesn't result in violence. So these
24 are all things that are preventative and they're not
25 reactive. So, there's many more, but they just don't

1 come to mind right now.

2 But, as far as the crime statistics, it would take
3 me probably about 30 minutes of the Board's time to
4 explain the issue with the data. It's not that the FBI
5 is reporting their own data. FBI is reporting data
6 that they received through a system that DPD had that
7 was an inadequate system. It was reporting the wrong
8 thing. We told the Michigan State Police that and we
9 told the FBI. They're all aware of it. We have it
10 corrected now with the new system that we have so the
11 data that will be coming out is much more accurate.

12 COMMISSIONER MALLETT: That's for this year?

13 CHIEF WILLIAMS: That's for this year. The
14 new system that we have -- yeah, the new system that we
15 have came into effect, I believe, the summer of 2016.
16 So the data that we have for 2017 is the correct data.
17 We actually have an error rate of less than one percent
18 as far as the issues that we had with it. So the data
19 we have is going to be accurate. There won't be too
20 many instances where Detroit comes out and says hey,
21 there is an issue that MSP or the Michigan State Police
22 is reporting that goes to FBI. This is all computers
23 talking to computers. This is not us giving them hard
24 numbers saying hey, this is our numbers on a sheet of
25 paper. Literally, our system reports to their system

1 and their system reports to the FBI and that's where
2 the data comes from. So, if you have an error in that
3 system, it just carries through another system. So
4 that's the one issue with the data.

5 And I'll say this to everybody in this room and
6 everybody on this board. The police chief is about
7 total transparency. If we had 500 homicides, I would
8 be telling you we had 500 homicides. If we had 6,000
9 armed robberies, I would be telling you we had 6,000
10 armed robberies. And if I didn't, I would not be
11 sitting on this spot, I will be somewhere doing
12 something else. That's how serious we are about this.

13 And the Chief had a quote during one of his
14 interviews where he had the crime numbers that we have,
15 to show reductions. And we have had reductions but we
16 still have a ways to go. Any homicide is too many.
17 It's too many. But the one thing he said is even
18 though we've had these reductions, if you are a victim
19 of crime, if your community has a high amount of crime,
20 it's not going to feel like there's been a reduction
21 for you. It's not. And, that's the truth. So, what
22 we do, we have to not only fight crime, but we have to
23 change the mindset within our communities and that's
24 what we're working on now.

25 THE PUBLIC: All right. Good for you.

1 COMMISSIONER MALLETT: And the other thing
2 that I think is an interesting one. Unfortunately, in
3 the City of Detroit, we lead the nation in almost every
4 negative category you can think of. Cancer in women in
5 Detroit, higher than anywhere else in the country.
6 Infant mortality in Detroit, higher than anywhere in
7 the country. We can go on and on. What I do believe
8 is this is an indicator. It's an indicator of poverty.
9 We are the poorest big city in America. That is not
10 the responsibility, unfortunately, on the police
11 department. Because if it was, they might be able to
12 do something more directly about it.

13 We are confronting a -- really, a systemic issue
14 here from the health and from a general circumstance
15 from in which we are living and operating. So, Mr.
16 Blount, I get it that what you're saying is that the
17 community in general needs to be better than what it
18 is. I get that. And we are working very diligently
19 public institution to public institution, to public
20 institution, to achieve that. The -- and, there
21 probably is a direct correlation between the health
22 status of the community of persons, where they live,
23 and how they are served. I mean, for instance, if I
24 were to tell you right now that Detroit has, within the
25 confines of the City, eight private internal medicine

1 physicians within the 24-mile square area, some of you
2 would understand that as being true. Most of you --
3 and I'm not being critical, go to doctors in
4 Southfield. Your doctors are not in the City of
5 Detroit. Your doctors are outside the City of Detroit.
6 Health access for people who live in the City of
7 Detroit is very difficult. So the only point that I'm
8 making is, is that what you are describing are issues
9 that the Chief has talked about, but are really very,
10 very far, I think, beyond the Police Department's
11 control.

12 We struggle with the Detroit Medical Center. We
13 have, for years, tried to impact the infant mortality
14 rate in the City of Detroit. We have partnered with
15 the Detroit Public Health Department, Wayne State
16 University. I mean, the women in this room, I'm sure,
17 can go through program after program that we've had.
18 We've had make your date. We've had my sister's
19 friend. I mean, it's -- and, we are not getting out
20 and I'm not saying we're tired and I'm not saying we're
21 running out of enthusiasm or ideas. I am saying that
22 these are difficult issues directly related to the
23 circumstance that collectively, we're trying to change.
24 And it's -- and, I don't think it's fair to say that
25 the police are unaware of the circumstance within which

1 they're operating. I think their task is different and
2 what I -- the only thing that I would say is that we
3 are giving them as much of the resources we possibly
4 can, but dealing with the consequential issues
5 associated with poverty, that's all of our
6 responsibility and we've got a long way to go.

7 Public: All right. Thank you.

8 (Applause)

9 CHAIRPERSON CARTER: Thank you.

10 MR. JOHNSON: Good evening, everyone, and
11 thank you for coming to the 12th Precinct. My name is
12 Donald Johnson and I'm President of Human Relations and
13 have been president for almost 30 years. I come to you
14 to say, Ms. Fane, Mr. Abbo, and the gentleman that just
15 spoke, I want to thank you for your commitment to this
16 city because if we're going to fix it, it's going to
17 take more Ms. Fanes, Mr. Abbos, and I'm sorry, sir, I
18 forgot his name. But it's going to take more of those.

19 The 12th Precinct now, we are in the -- we are
20 trying to get more block clubs established. We're
21 trying to get more CD patrols established. But we find
22 out that those things work. The police is only as good
23 as the information that we provide them with. And when
24 you be quiet, you're telling the criminal to go ahead
25 and do your thing, and if you get caught, okay, it's

1 all right.

2 I want to say to all of you, if you have not went
3 to the Detroit Police Citizen's Academy, you need to go
4 to find out what it takes to solve a crime. What it
5 takes to make things happen because you're innocent
6 until proven guilty.

7 I would like to commend the Board, the Detroit
8 city Police Department. I would like to commend all of
9 those folks who have got elected to position because I
10 know how difficult your job is and what it is to
11 satisfy people.

12 What we're going to do at the 12th Precinct which
13 we have a fantastic Commander, Captain, Community
14 Relations Sergeant, and NPOs, we're going to recommit
15 ourselves and say community, come on. We got to step
16 up some more. Yeah, I'm tired. I just turned 70. And
17 I tell you, but I want to see this stuff resolved in my
18 lifetime.

19 Last but not least, I want to say thank you to
20 everyone in this room, I have one of my second vice
21 presidents here, for all that you do. And remember
22 those of us that want to be great, let them serve.

23 THE PUBLIC: All right.

24 MR. JOHNSON: Thank you very much.

25 (Applause)

1 MR. BROWN: Ms. Krystal Fields. And Madam
2 Chair, that will be your last speaker.

3 CHAIRPERSON CARTER: Okay.

4 MS. FIELDS: Good evening. Happy New Year.

5 CHAIRPERSON CARTER: Happy New Year.

6 MS. FIELDS: Chief, thank you for your
7 service. My name is Krystal Fields, I'm with the
8 Community Development Nonprofit on Detroit's east side
9 and I just got a quick question for the Chief here. If
10 you could educate me, please. I've been to a couple of
11 community meetings in number 5 and number 7 and there
12 were some complaint regarding the rate of solution in
13 the reporting back to the community about the results
14 from when the Evidence Unit comes out to take evidence.
15 Could you explain to us, please, us lay persons, the
16 relationship between the Police Department and Michigan
17 State Police and them actually processing the evidence?
18 Are you getting that in a timely fashion, to your
19 satisfaction?

20 CHIEF WILLIAMS: Of course, for Detroit,
21 we're really not going to be well served until we have
22 our own. That's number one. But I will say with the
23 department at MSP, they do everything they possibly can
24 to assist us. When we ask for an expedited something,
25 they do expedite. We have an issue when it comes to

1 CODUS and DNA being processed and getting the results
2 back from that. It does take several months sometimes,
3 if we don't have a specific target that we already know
4 about, when we have results we're waiting for and we
5 say hey, can you test this person. So those are things
6 we're still working on. So anything can get better.
7 But right now, it's the best we got.

8 MS. FIELDS: And the complaint was, if I
9 could follow-up real quick. The complaint was 6 to 8
10 weeks or more. So it would be helpful if you could let
11 us know how we can help you, if there's any delicate or
12 respectful pressure that we can put on some key people
13 so that you're getting the level of service in the
14 speed with which you need it, would you come back to us
15 and let us know, please, what the civilians can do to
16 make sure you get what you need?

17 CHIEF WILLIAMS: We can do that.

18 MS. FIELDS: Okay.

19 CHIEF WILLIAMS: And, believe me, any
20 partnership we have between the community and the
21 department is a very common goal. So, we'll definitely
22 do that.

23 MS. FIELDS: Okay. Thank you
