- 3 About 6:30 p.m.
- 4 CHAIRPERSON BELL: Good evening, Ladies and
- 5 Gents. I want to welcome you to the weekly meeting of
- 6 the Board of Police Commission. It is that time. I
- 7 assume that others are going to arrive a little bit
- late on a cold evening, but it's warm inside this
- 9 building. I really appreciate you coming out tonight
- and we're looking forward to have a rewarding evening
- 11 to make your trip worthwhile. And we do have a guest
- 12 speaker and he's on time. We appreciate that.
- I am Willie Bell, your Chair of the Board of
- 14 Police Commission. I'm going to ask our chaplain and
- resident Deacon Tom Adams to come forward to bless us
- and bless this occasion.
- 17 (Invocation given).
- 18 CHAIRPERSON BELL: Thank you Deacon Adams.
- 19 It's good to hear your voice, good to hear your prayer
- 20 again. Appreciate it.
- 21 At this time, I'm going to ask our Board
- 22 Secretary George Anthony to conduct -- no. I think we
- 23 normally have a different format for the community
- 24 meeting. The Commissioners would introduce themselves
- and perhaps even Commissioner Crawford would extend a

| 1  | little more warm greetings since this is his neck of    |
|----|---|
| 2  | the woods. So I'm going to start with Commissioner      |
| 3  | Crawford.   |
| 4  | COMMISSIONER CRAWFORD: Yes. Good evening,               |
| 5  | everyone. I'm Reginald Crawford, your Commissioner in   |
| 6  | the 3rd District. I welcome everyone, even those from   |
| 7  | outside the district. Glad you're here on this very     |
| 8  | cold evening. And this is the 41st year of the          |
| 9  | existence of the Detroit Police commission.             |
| 10 | COMMISSIONER TAYLOR: I'm Commissioner                   |
| 11 | Jessica Taylor and I'm Commissioner at large.           |
| 12 | CHAIRPERSON BELL: Commissioner Taylor is the            |
| 13 | immediate past Chair of the Board and this is her fifth |
| 14 | year of serving on the Board so we really appreciate    |
| 15 | her. And she works on this side of town in terms of     |
| 16 | programming so she's familiar with this facility in the |
| 17 | east side of Detroit. And to my right is the Vice       |
| 18 | Chair. She's going to introduce herself.                |
| 19 | COMMISSIONER CARTER: Lisa Carter, Vice Chair            |

| 12 | Assistant Chief Lashinda Stair. Would you introduce   |
| 13 | yourself in your own way and also any other command   |

| 15 | A.C. STAIR: Yes, sir. Thank you. I am                 |
| 16 | First Assistant Chief Lashinda Stair. Thank you on    |

| 9  | A.C. STAIR: I did. Commander Mahone over               |
| 10 | there in the corner.                                   |
| 11 | CHAIRPERSON BELL: And he was the first one             |
| 12 | here. I just really want to commend the command        |

| 19 | between the citizens of the city of Detroit and the     |
| 20 | Detroit Police Department.                              |
| 21 | CHAIRPERSON BELL: Thank you Commissioner                |
| 22 | Crawford. And I too want to echo Matrix Service Center  |
| 23 | for hosting the meeting. I don't know if anyone is      |
| 24 | here. They welcomed us earlier so they might be moving  |
| 25 | on to take their other business for the facility, but   |

| we appreciate their hospitality. And I see that  | the |
|--|-----|
| 9th precinct extended a little bit more hospital | ity |
| later on I can see to my right.                  |     |

We do not have a quorum, but what we'd like to do is move to our guest speaker and he's so kind to be present. And it's our -- we welcome our Third Judicial Circuit Court Judge Robert J. Colombo, Jr. to tonight's community meeting. He is the Chief Judge of the 3rd Judicial Court and we had an issue concerning bond in criminal cases in terms of bonding out a couple meetings ago and he agreed to come out to share some dialogue and information on that particular issue. So Judge, you have the floor.

JUDGE COLOMBO: Well thank you. And I want to thank the Commission for having me here today. It's a real honor and pleasure for me. My first opportunity to appear at a Detroit Police Commission meeting.

So I got a letter from Commissioner Bell and he asked me if I would come over and speak about perceived disparities in setting bond. So the purpose of setting bond is to ensure a defendant's presence at all proceedings on his or her case. And there is a statute and a court rule that controls this in Michigan. The statute provides that the amount of bail shall not be excessive. What does that mean? Well the

2.1

| Michigan Court of Appeals says that money bail is    |
|--|
| excessive if it is an amount greater than reasonably |
| necessary to adequately assure that defendant will   |
| appear when presence is required.                    |

Now, the statute also sets forth considerations that a judge must look at in setting bond. The first is the seriousness of the offense charged. The second is the protection of the public. The third is the previous criminal record and the dangerousness of the person accused. And the fourth is the probability or improbability of the person accused appearing at the trial of the cause. But there are exceptions in the statute.

The statute provides that for murder or treason, a court may deny pretrial release. A judge could also deny, according to the statute, pretrial release if at the time of the commission of the crime that's charged, the defendant has committed a violent felony during the past 15 years. And a violent felony involves a violent act or a threat of a violent act or if the defendant has been convicted of two or more violent felonies in the previous 15 years, bond can be denied, but the judge must find that the proof of the defendant's guilt is evident and the presumption great that the defendant is guilty of the crime for which he

| 1 | or | she | is | charged. |
|---|----|-----|----|----------|
|   |    |     |    |          |

| ine statue also provides that for criminal              |
|---|
| sexual conduct in the first degree, armed robbery,      |
| kidnapping or an attempt to extort money or other       |
| valuable thing, again, bail can be denied if the court  |
| finds that proof of the defendant's guilt is evident or |
| the presumption great, unless the judge finds by clear  |
| and convincing evidence that the defendant is not       |
| likely to present a danger to any other person.         |

And the court in setting bond by the requirements of the statute must make findings, specific findings on the record, and enter an order with those findings explaining why bond is either denied or the amount is set at.

In addition, we have a court rule that sets forth additional facts to be considered when setting bond. The prior criminal record, including juvenile offenses, the defendant's record of appearance or nonappearance at court proceedings or flight to avoid prosecuting, defendant's history of substance abuse or addiction, defendant's mental condition, including character and reputation of dangerousness, the seriousness of the offense charged, the presence or absence of threats and the probability of conviction and likely sentence.

Page 11

| The court rule also says that a judge can               |
|---|
| consider the defendant's employment status and history  |
| and financial history insofar as those factors relate   |
| to the ability to post money bail. Another factor is    |
| the availability of a responsible member of the         |
| community who would vouch for or monitor the defendant. |
| Another factor is facts indicating the defendant's ties |
| to the community, including family and relationships    |
| and length of residence and any other factors that      |
| might bear on the risk of nonappearance or danger to    |
| the public. And if a court enters an order providing    |
| that the defendant's going to be held in custody, it    |
| has to state the specific findings made on these facts  |
| and enter it in an order.                               |

Now to make certain that there is some consistency in this process, our criminal division has a pretrial services department and they prepare a bond report for the judges. And that report looks at specific facts that go along with the elements that are in the statute in the courtroom. And what our pretrial services department looks at is whether the defendant has been at the same address more than four years, ever married. And by the way, these factors generally indicate some likelihood that the defendant's going to appear in court. At least some college. Employment

| 1  | full time. Current charges of felony with a maximum     |
|----|---|
| 2  | penalty of four years or less. We're more likely to     |
| 3  | grant bail when it's that type of lesser felony than a  |
| 4  | more serious felony. Age of the defendant is under 30.  |
| 5  | It's believed that defendants who are over 30 are more  |
| 6  | likely to appear for their court appearance than        |
| 7  | younger people; current charge is a weapon offense; two |
| 8  | or more prior felony convictions; on probation or       |
| 9  | parole at the time of the commission of the crime; on   |
| 10 | pretrial release, in other words, they had another case |
| 11 | pending when they committed a crime; prior failure to   |
| 12 | appear; substance abuse; mental health. The report      |
| 13 | then identifies all prior convictions and a bond        |
| 14 | recommendation is set forth, which the judge can either |
| 15 | accept, raise or lower. So we try to get these reports  |
| 16 | out to district courts who do the arraignments and      |
| 17 | preliminary exams and set the bonds to add some         |
| 18 | consistency around the county with respect to setting.  |
| 19 | But what we have found is a couple of things.           |
| 20 | First of all, at arraignments we often don't have a     |
| 21 | prosecutor there, and that's a problem because we're    |
| 22 | not hearing all the facts. We might be missing some     |
| 23 | information. Usually the defendant will have an         |
| 24 | attorney and so we don't always get all the facts. So   |
| 25 | the police department should be encouraging the         |

2.1

Page 13

| prosecutor to attend the arraignment. Of course I'm    |
|--|
| sure you all know that with the county's problems, Kim |
| Worthy has a budget issue and she can't fund her       |
| prosecutor's office and have them everywhere that she  |
| would like them to be.                                 |

In addition, in the district courts that are out county, outside of Detroit, the bonds tend to get set higher, and that's because the district court judges are a little bit more conservative, they're under a little bit more political pressure from their local police departments and so we see some variance. And oftentimes when they're arraigned in our court and assigned a judge, our judges end up lowering the bond, and it's a significant issue for us because we have jail overcrowding problems and we don't want people who should be out on the street who will be available to appear at court to be in jail taking up space.

But when it comes down to all that is said and done and all the factors that a judge has to consider, discretion still comes into play. And because of discretion and because we're not robots and we're not computers and we see things differently, there are variations in bond even in cases where it seems like all the elements of a particular defendant are the same. So that's basically the story about what

| 1  | happens with respect to setting bond and why there       |
|----|--|
| 2  | might be some differences. Does anybody have any         |
| 3  | questions? Anyone?                                       |
| 4  | CHAIRPERSON BELL: No one want to get out of              |
| 5  | jail, huh?   |
| 6  | JUDGE COLOMBO: Last thing I want to say, we              |
| 7  | don't want anyone in jail who shouldn't be there         |
| 8  | because we have plenty of people that should be there    |
| 9  | and it costs something like \$135 a day to house someone |
| 10 | in the Wayne County Jail. So it's very important to us   |
| 11 | in Wayne County Circuit Court to make sure there's a     |
| 12 | reasonable bond set and that everyone who is eligible    |
| 13 | for bond should get bond. Thank you for having me this   |
| 14 | evening. It was a real pleasure.                         |
| 15 | CHAIRPERSON BELL: Thank you, Judge. I think              |
| 16 | this subject is not only important to the community,     |
| 17 | but also to the police personnel because we              |
| 18 | traditionally always have issue why is that person out   |
| 19 | on bond, we just locked him up. So you enlightened us    |
| 20 | and hopefully young officers will have that type of      |
| 21 | dialogue with senior officers to explain that process    |
| 22 | too because we know that person's entitled. You          |
| 23 | mentioned police pressure in other communities. You      |
| 24 | won't have that pressure here. Okay. Commissions, any    |
| 25 | comments or questions?                                   |

| 1  | COMMISSIONER CRAWFORD: Yes. I want to                   |
|----|---|
| 2  | comment because the issue came up about the low bond    |
| 3  | for the individual that was involved in a heinous       |
| 4  | crime. Why was his bond so low? And, of course,         |
| 5  | relatives and family members of those incarcerated, the |
| 6  | issue is always the bond is too high. So that's why     |
| 7  | we one of the reasons why we requested you with         |
| 8  | several meetings ago where the issue came up about a    |
| 9  | low bond for an individual.                             |
| 10 | JUDGE COLOMBO: Can I just pick up another               |
| 11 | comment?  |
| 12 | CHAIRPERSON BELL: Yes, sir.                             |
| 13 | JUDGE COLOMBO: There was a case that arose              |
| 14 | last fall in Detroit. It was a case where a defendant   |
| 15 | had engaged in a drive-by shooting and was caught,      |
| 16 | arrested, charged. And came on the weekends we have     |
| 17 | a program to arraign out in Romulus just to save money, |
| 18 | even though it was a Detroit case, 36th District Court  |
| 19 | is part of this program. Our pretrial services did an   |
| 20 | analysis like the one I talked about here and came up   |
| 21 | with a bond recommendation of \$50,000. The arraigning  |
| 22 | judge thought that was too low and set \$100,000 bond.  |
| 23 | The defendant was able to make bond, and about a week   |
| 24 | later, went out and tried to shoot the people again.    |
| 25 | And there was an article Police Chief Craig             |

|    | Page 10   |
|----|---|
| 1  | was very upset with the bond that was set. But one of   |
| 2  | the problems was that there was no prosecutor there.    |
| 3  | Our pretrial services department recommended a \$50,000 |
| 4  | bond. The judge raised it to \$100,000, which is a      |
| 5  | significant bond, and sometimes even judges with good   |
| 6  | judgment, a lot of experience, and this judge had been  |
| 7  | on the bench for more than 12 years and had a lot of    |
| 8  | experience, they make a call, but the call isn't always |
| 9  | right. But remember, bond is to be used to ensure the   |
| 10 | presence of a defendant. It generally is not used to    |
| 11 | be used to punish someone unless you make those         |
| 12 | findings under those exceptions I talked about. So it   |
| 13 | does happen on occasion. We're not perfect. We're not   |
| 14 | happy when that happens, but it does happen.            |
| 15 | CHAIRPERSON BELL: Okay. Thank you.                      |
| 16 | COMMISSIONER CRAWFORD: Thank you, your Honor.           |
| 17 | JUDGE COLOMBO: Thank you for having me                  |
| 18 | today.  |
| 19 | CHAIRPERSON BELL: Thank you. Appreciate it.             |
| 20 | We have to my right Commissioner Burton, Willie Burton  |
| 21 | has joined us. You want to introduce yourself, please.  |
| 22 | COMMISSIONER BURTON: Hi. I'm Commissioner               |
| 23 | Willie Burton representing the 5th District.            |
| 24 | CHAIRPERSON BELL: And to my left is                     |
| 25 | Commissioner Shelby. You want to introduce yourself,    |

| 1  | please.   |
|----|---|
| 2  | COMMISSIONER SHELBY: Commissioner Richard             |
| 3  | Shelby, District 1.                                   |
| 4  | CHAIRPERSON BELL: Mr. Secretary.                      |
| 5  | SECRETARY ANTHONY: We have a quorum, sir.             |
| 6  | CHAIRPERSON BELL: Thank you. So at this               |
| 7  | time we can approve the agenda for this evening's     |
| 8  | meeting. So Commissioners, you have before you agenda |
| 9  | The Chair would entertain a motion.                   |

| 4   | I'm going to reserve my remarks. We're going           |
| 5   | to move right into Chief of Police report. First       |
| 6   | Assistant Chief report.                                |
| 7   | A.C. STAIR: Thank you, sir. Captain Rodney             |
| 8   | Cox of the 9th precinct will be presenting the report  |
| 9   | today.   |
| 10  | CHAIRPERSON BELL: Thank you. Let's give the            |
| 11  | Captain a round of applause.                           |
| 12  | CAPTAIN COX: Good evening, Chair, Vice                 |
| 13  | Chair, Commission panel and First Assistant Chief      |
| 1.4 | Stair, and good evening to my comrades and to everyone |
| 15  | here in the community that made it out tonight.        |
| 16  | Today I'm going to talk about our enforcement          |
| 17  | efforts in the 9th precinct and our working in         |
| 18  | collaboration with organizations and communities to    |
| 19  | impact a quality of life in the 9th precinct. So I'm   |
| 20  | going to first start by giving an overview of the      |
| 21  | geographics of the 9th precinct. The 9th precinct      |
| 22  | encompasses 11.9 square miles and is located at 11187  |
| 23  | Gratiot. It is bounded by East Eight Mile from Hoover  |
| 2 4 | to Kelly in the northern section. It is bonded on the  |
| 2.5 | south by Conner, Grinnell and Westbound 194.           |

| 1 | Population 9th precinct is 60,299 with 18 schools,      |
|---|---|
| 2 | including three high schools, which is Denby, Osborne   |
| 3 | College Prep School and Osborne Collegiate Academy High |
| 4 | School. There are approximately 87 churches an 150      |
| 5 | businesses located within the 9th precinct.             |

2.1

We have taken the following initiatives to reduce response times and to reduce crime with the 9th precinct. We have action plans that the supervisors are responsible for preparing. They're tasked with the responsibility of looking at their crime on their platoons and their shifts, analyzing that information and determining how they're going to address it, in addition to making sure that they're answering calls for service. This is submitted to me on a weekly basis.

We have a special response unit. We utilize the direct deploy with rapid deployment to address precinct hotspots in delta locations. Response times are being monitored and corrective measures are being taken. They're being monitored by the supervisors. They look at the response time and that is included in their crime strategy. So they're not just giving me a strategy, they're also letting me know what the response time is on their platoon.

And then we have investigations are being

2.1

Page 20

| conducted and reports are being submitted when response |
|---|
| times are overly excessive. And this is done by         |
| request. Now we have investigations that are being      |
| done in precinct detective unit, which is part of the   |
| precinct, but unique to that is that precinct           |
| detectives answer to two entities. They answer to       |
| patrol, which would be myself and my staff and they     |
| also answer to the Criminal Investigation Bureau.       |

We have a newly promoted lieutenant who I'm proud to say has 14 years of investigative experience that she brings to the table and who's just recently been assigned to the 9th precinct, Lieutenant Tiffany Stewart. Supervisor's are also responding to radio runs to ensure that the citizens receive quality police service and to provide direction and resolution to officers who may need it.

The Eastern District Initiative is what I want to talk about next. It's commonly referred to as BD, and that's the acronym. It is a \$325,000 grant. This is additional enforcement support that we need and that we utilize to address crime in a specific area within the 9th precinct that we've identified that is that we have a lot of violent crime in. And so it is a grant that it developed collaborative data-driven crime reduction strategy that seeks to reduce violent crime,

Page 21

| 1  | crime levels, in a 4.5 mile target area located within  |
|----|---|
| 2  | the precinct. It focuses to address high crime areas    |
| 3  | identified by research partners within the Eastern      |
| 4  | District by using a comprehensive and a coordinated     |
| 5  | effort to arrest perpetrators by using                  |
| 6  | multiple-operational components. Some of the            |
| 7  | pre-mentioned operations include a ticket and tow       |
| 8  | detail, reenforce special operations within the         |
| 9  | precinct level which focuses on abandoned structures    |
| 10 | located within the precinct that have had high cost of  |
| 11 | service. The 9th precinct also conducts bi-weekly       |
| 12 | high-tech fugitive sweeps actively pursuing persons     |
| 13 | with outstanding warrants. These sweeps have resulted   |
| 14 | in over 800 arrests since the inception of Detroit      |
| 15 | Eastern District Initiative. We work in collaboration   |
| 16 | with several law enforcement organizations and entities |
| 17 | in our crime fighting effort. There were two arrests    |
| 18 | in the area as recently as yesterday. They were gun     |
| 19 | related arrests on Manning and Morang.                  |
| 20 | The entities that we work close with is                 |
| 21 | Michigan State Police; Michigan Department of           |
| 22 | Corrections; the Skillman Foundation; Detroit Public    |

The 9th precinct also has what's called, is involved in what's called a Cease Fire Program. The Cease Fire Initiative is also grant funded. It encompasses not only the 9th precinct, but it also encompasses the 5th precinct. It is a violence prevention program. The three main goals of this program are to change community norms regarding violence, to provide alternatives to violence when gangs and individuals in the community are making risky behavior decisions and to increase awareness of perceived risk and cost of involvement in violence among risk with young people. This involves the review of fatal and nonfatal shootings. We do a comprehensive breakdown and review of shootings that take place in a

| 1 | certain period and we have meetings regarding this and |
|---|--|
| 2 | this meeting takes place on a weekly basis and it's on |
| 3 | Thursday. So we had our last meeting today at 1:00     |
| 4 | this afternoon. It is headed by the Director Saul      |
| 5 | Green.   |

We have engaged our federal partners to address gun crimes. We have custom notifications. This involves we have identified individuals who are problematic, who are on parole, who are on probation and believe are participating in the crimes, criminal activity that drive the crime within the precinct. We actually -- and we're adopting something a little bit different. Before we notify them to appear at what's called a cease fire call-in, now we're adopting something a little different. We just had individuals who were trained or who went out, I should say went out to the City of Chicago and looked at their cease fire model to determine if there's something that we could add to the current model that we have in place. Custom notifications is one of those changes that we're going to be making, and that change will involve having myself, a member from the community and another member identified at the precinct level who will go out to an individual's house who we have identified that has been problematic or participating in criminal activity to

Page 24

| give them a warning and to let them know that it is     |
|---|
| your behavior, it is your activity that brought us to   |
| your house. We're not here to bother you, we're not     |
| here to harass you and it's not something that we just  |
| arbitrarily picked out. We didn't arbitrarily pick you  |
| as a person to come to your house, it was your          |
| activities that we looked at that caused us to come     |
| out. We're going to give you a letter. We're going to   |
| serve you a letter that tells you that we have options  |
| available to you to prevent you from going into a life  |
| of crime or participating in criminal activity. There   |
| are resources available to you. There are other         |
| avenues that you can take rather than pursuing criminal |
| activity.   |

If the family member is there, we can also serve the family member if the person that we have in mind is not there or if the person that is there chooses not to receive that notification, but what it does is it brings awareness. We give it to you and we leave. We spend about maybe three or four minutes, five minutes talking to the family, provide it, and then we leave the location. That is just one component of the cease fire effort.

We also have what's called a cease fire call-in. It's called a call-in when actually what it

| 1  | is, it's community members and panelists and            |
|----|---|
| 2  | participants who come actually here to the Matrix       |
| 3  | Center where we have identified several individuals and |
| 4  | in our last call-in we had about 24 individuals who     |
| 5  | were parolees and probationers who we've identified to  |
| 6  | come to this location. They were notified by Michigan   |
| 7  | Department of Corrections to come here and to allow the |
| 8  | community and law enforcement officials to engage them  |
| 9  | and tell them again what the opportunities are and      |
| 10 | alternatives are to committing crimes. We don't want    |
| 11 | you to pursue criminal activity, we want to provide you |
| 12 | resources. We want to be a help to you. We want to      |
| 13 | give you what you need to turn your life around and     |
| 14 | prevent you from going to prison or going back to       |
| 15 | prison. If you do not, then we have the alternative of  |
| 16 | what's going to happen. And then you have federal       |
| 17 | prosecutors that are present in that meeting that tell  |
| 18 | you exactly what you're facing, federal sentencing      |
| 19 | guidelines. Then we give examples of people who have    |
| 20 | attended prior cease fire call-ins of what has happened |
| 21 | to them when they chose to pursue crime rather than     |
| 22 | take advantage of the opportunities that were given to  |
| 23 | them. And once they see those examples and look for it  |
| 24 | in the Powerpoint, we hope and pray that it resonates   |
| 25 | with them and that they will change their behavior.     |

|  | 1 | That | is | what' | S | called | а | cease | fire | call-i | n. |

| we also have what's called a chief data                 |
|---|
| call-in which involves the City of Chicago, Baltimore,  |
| New York and New Orleans. And we do an analysis of how  |
| effective is a cease fire model in Detroit. How         |
| effective is it in Baltimore, New York. These are the   |
| other cities that have a cease fire model that they're  |
| utilizing. And so we want to share what our efforts     |
| are here in the City of Detroit and what the impact has |
| been and implementing this type of model.               |

We also have what's called second chance who are out of work commissioners. Jessica Taylor is a part of to work with the convicted felons who have been released to provide them teaching, to help reintegrate them back into society. And we also have the Osborne COMPSTAT going that Commissioner Lisa Carter is also available, a part of. Is currently working through AmeriCorpos, Wayne State University along with -- to identify -- I'm sorry. To identify crime reduction strategies through a comprehensive breakdown and identifying patterns in different areas and coordinating with citizens and communities to provide solutions, volunteers in the area. The list of companies that I mentioned earlier, organizations that I mentioned earlier, some of which are part of that

| 1 | effort, again, Black Family Development, AmeriCorps,   |
|---|--|
| 2 | Children's Aid Society, just to name a few, are a part |
| 3 | of that effort.  |

2.1

And so we want to send a message. The effort is we're not just utilizing enforcement efforts to address crime in the 9th precinct, but we want to be able to provide resources. Many times we know that people resort to crime because they feel like they have no other opportunity, and so we want to let them know that there are other alternatives, there are opportunities that you can pursue that will help you live a quality of life that you desire or that you're in pursuit of rather than participate in criminal activity. So we've partnered with these organizations and they've been very helpful.

We have some new technology. This is kind of sensitive so I won't go into great detail about it, but what I can tell you is that the technology is designed to detect gunfire. It detects gunfire. It is accurate within 28 meters. And so that information is sent to us and then we utilize that information to respond. And the whole purpose of this technology is to increase our response time anytime there's weapons used and weapons fired in a certain area. And so we do have some success stories with this technology. It has

2.1

| allowed us to respond quickly and apprehend different |
|---|
| individuals on a couple of occasions. It is being     |
| utilized in different areas of the country and we are |
| just blessed to have it here in the City of Detroit.  |

Michigan Department of Corrections has on-site parole probation agent who along with members of special operations initiate home checks for parolees to strictly enforce conditions set forth in parolee's hearings with zero tolerance for violations. Basically we do a home check. You're on parole, you're on probation, we go to your house, make sure if you're there that everything is compliant with the rules set forth in your parole and probation. If not, then you're violated and you're taken into custody. We do those as part of our restore order efforts when we go out and apprehend an individual on outstanding warrants.

Speaking of which, which is my next bullet point. We conduct weekly restore order operations based on statistical crime trends in target areas. These operations focus on arresting individuals who have outstanding warrants for their arrest, arresting those who participate in sale of illegal narcotics and possess legal firearms, conduct, as I mentioned, home checks for parolees and probationers along with the

| Michigan Department of Corrections, inspect liquor     |
|--|
| licensed businesses and gas stations for compliance    |
| with state regulations and conduct narcotic raids. Our |
| last operation we obtained we were able to make four   |
| felony arrests.  |

Now as everyone knows by now, when Chief Craig took office here, one of the things that we initiated were large-scale restore order. What I just mentioned to you was small scale precinct only. Large scale is limited to one or two precincts, but it involves members from every precinct who participate and other law enforcement entities. 9th precinct had the honor of hosting the last large-scale restore order, which took place on January 28th. And this restore order effort involved the arrest of known offenders utilizing the probable cause standards and, of course, seeking and arresting those who had outstanding warrants, traffic enforcement, narcotic enforcement and then, of course, the overall general enforcement in the area where the data has shown us that enforcement is needed and necessary.

Just to give you an idea of what the large restore order resulted in, we had 34 arrests, and this is January 28, for a period of 12 hours, 34 arrests, 419 citations issued, 10.3 grams of cocaine

2.1

| confiscated, 3.4 grams of heroin, 71.6 grams of          |
|--|
| marijuana, 20,938 pills because that's popular now in    |
| the sale of illegal pills, and then \$50,532 in currency |
| was also seized. This was pursuant to a narcotic raid    |
| that took place on that day. This had a street value     |
| of \$10,956. The pills had a street value of \$226,710,  |
| which is a total of \$237,666 worth of narcotics that    |
| were seized.   |

Now we have also taken initiatives to respond to complaints received by our community. The concerns of our community are important to us and so we want to make sure that when these complaints come in that we act upon them.

We have four neighborhood police officers that are assigned to specific areas within the 9th precinct. Each officer is assigned a cell phone, which is published on-line and with DPD connect which specifies their area, cell phone number and e-mail address. Neighborhood police officers receive and follow-up with all complaints on a daily basis. We also have block clubs that the neighborhood police officers are engaged in, engaged with. We have 70 block clubs and collaborate with agencies such as Life Remodeled, AmeriCorps, Black Family Development, as I mentioned before, to improve neighborhood safety and to

Page 31

| 1 | demolish  | abandoned | homes | and | to | assist | with | block | club |

| 2 | recruitme | ent.      |       |     |    |        |      |       |      |

| We also have CB patrols that we work with.             |
|--|
| In this case in the 9th precinct we have Regent Park   |
| and we have Mohican Region. And we are in the process  |
| of requiring funding for another one in Yorkshire      |
| Woods. This is pursuant to a meeting with city         |
| councilman Scott Benson that takes place on a monthly  |
| basis to which he is involved with the CB patrols in   |
| the 9th precinct. And we also have restorative circles |
| with neighborhood police officers facility conflict    |
| resolution in support of therapy sessions for our      |
| families, youth, crime victims and crime offenders.    |

For the holidays 9th precinct has had a number of families that are in need during that time. So these past holidays during the Thanksgiving holidays, the NPO donated 75 turkeys to needy families, 20 of which were fried for seniors, who are unable to cook themselves. During the Christmas season, the NPO's, Neighborhood Police Officers, adopted four families in a domestic violence shelter occupied by six women, two of which were pregnant and had children. These families were gifted with clothes, shoes, toys, baby supplies, and food. We're also involved in Goodfellows distribution which took place from December

| 1  | 8th to the 21st. And once again, we participated in     |
|----|---|
| 2  | that with the Christmas packages. Our precinct          |
| 3  | distributed over 3750 packages to needy families.       |
| 4  | During police week, we've got police week               |
| 5  | scheduled for May of this year. This is designed to     |
| 6  | help build and strengthen relationships between the     |
| 7  | police and the community through partnership and crime  |
| 8  | prevention. During police week, we will be inviting     |
| 9  | neighboring elementary and middle schools to visit and  |
| 10 | tour the 9th precinct facility and provide a gun and    |
| 11 | bike safety presentation. The students will also be     |
| 12 | invited to join officers and a light lunch with the     |
| 13 | command staff.  |
| 14 | Upcoming events, we've got the Valentine's              |
| 15 | Day scheduled. Actually the Chief's got a Valentine's   |
| 16 | Day dance scheduled for February 14th, and then we've   |
| 17 | got the senior zoo day scheduled for April 29th, and    |
| 18 | later on in year National Night Out, which is scheduled |
| 19 | for August 4th of this year.                            |
| 20 | So that concludes my presentation.                      |
| 21 | CHAIRPERSON BELL: Thank you, Captain.                   |
| 22 | Before we open the floor up for the                     |
| 23 | commission to question comments, I want to acknowledge  |
| 24 | Commissioner Conrad Mallett has joined us. Good         |
| 25 | evening, Commissioner Mallett. If you want to speak,    |

| 2  | COMMISSIONER MALLETT: Yeah. Just to say,                |
|----|---|
| 3  | Mr. Chairman that I have no excuse for being late       |
| 4  | except I will say this, and Detroiters here will        |
| 5  | understand. I'm a westsider. So when there's no East,   |
| 6  | when there's no East McNichols sign, those of us grew   |
| 7  | up on the west side don't know where we are. So we      |
| 8  | ride up and down Gratiot and we find 7 Mile. Then we    |
| 9  | find a big street that don't have a sign, so then we    |
| 10 | just turn right there. And then we happen up upon 13.   |
| 11 | So I really want to compliment you, Mr. Chairman, and   |
| 12 | hopefully we can find another obscure place that I      |
| 13 | don't know where we are. The deeper and farther on the  |
| 14 | east side you go, that way we you can schedule all the  |
| 15 | controversial things while I'm on my way. I need to     |
| 16 | get back downtown on the west side. I dare you to come  |
| 17 | over and find Davison and Ewald Service Drive. I know   |
| 18 | where that is. But Mr. Chairman, thank you very much.   |
| 19 | CHAIRMAN BELL: Thank you for your kind                  |
| 20 | remarks. But I am a true eastsider and I had the honor  |
| 21 | and privilege to be reassigned to the west side in 1976 |
| 22 | on making sergeant so that's a whole different world.   |
| 23 | But I had to get familiar with the west side and then   |
| 24 | from there, I ended up in narcotics, so I got familiar  |
|    |   |

with the City of Detroit. So but the east side,

| there's nothing like the east side and we won't         |
|---|
| apologize. And to my far left sitting in the audience   |
| is our attorney to the Board Linda Bernard. And also    |
| our newly appointed commissioner, former commissioner,  |
| and I had the honor and pleasure to work with her as    |
| administration OCI, and that's the one and only Eva     |
| Dewaelsche. Would you please stand, please. She will    |
| be joining us shortly as a commissioner, but she's been |
| newly appointed by the Mayor so she's no stranger to    |
| the Board of Police Commission, a great person, a great |
| servant and, like I said, an honor to work with. So     |
| I'm pleased with this nomination of the Mayor. And      |
| also with Bishop Vann, I had the pleasure of working    |
| with him. It's like coming home. And this was my last   |
| assignment on patrol duty here at the 9th precinct and  |
| we didn't have all those programs, go out there and     |
| lock them up. I'm glad to hear that proaction program   |
| cease fire, so commissioner, do you have any questions  |
| or concerns?  |
| COMMISSIONER CRAWFORD: First and foremost,              |
| I'd like to welcome Commissioner Mallett to the east    |
| side. Yes, sir. Captain Cox, I want to thank you too    |
| for your presentation and also too for your approach in |

some of the programs that you have implemented in terms

of the cease fire, the more or less, the holistic

| 1  | approach.   |
|----|---|
| 2  | CAPTAIN COX: Yes, sir.                                  |
| 3  | COMMISSIONER CRAWFORD: And programs to deal             |
| 4  | with crime prevention and something of the front end of |
| 5  | both opposed to the rear end.                           |
| 6  | Also too on your I know Saginaw had the                 |
| 7  | technology in terms of shot locator I believe it was    |
| 8  | called or something of that nature.                     |
| 9  | CAPTAIN COX: Yes, correct. Shot spotter.                |
| 10 | COMMISSIONER CRAWFORD: Yes, sir. Okay.                  |
| 11 | When did you implement it and how successful has it     |
| 12 | been, and I'm sure you didn't use it on New Year's Eve? |
| 13 | CAPTAIN COX: You're exactly right. We did               |
| 14 | not use it on New Year's Eve because of the number of   |
| 15 | shots, obviously. We did implement it in the late       |
| 16 | fall of last year and we had cars that were dedicated   |
| 17 | to respond to shot spotter. They worked in the area     |
| 18 | and that was their sole responsibility was to respond   |
| 19 | to those calls. We also have a special operations       |
| 20 | who's sole responsibility. Now, that responsibility     |
| 21 | has shifted from patrol to special operations for       |
| 22 | different reasons. So we're now having special          |
| 23 | operations deal with that as opposed to patrol.         |
| 24 | The primary responsibility was to be able to            |
| 25 | respond quickly on weapons fired. We've had occasions   |

| 1 | where case, spent casings wore located and collected   |
|---|--|
| 2 | and placed on evidence, and we've had occasions where  |
| 3 | there were arrests made, two occasions that I know of  |
| 4 | specifically where arrests were made. I will tell you  |
| 5 | that we're looking for more. We'd like to see more,    |
| 6 | and we're in the process of working toward that. So as |
| 7 | far as the success goes, we're looking for more than   |
| 8 | what we've garnered thus far.                          |
| 9 | COMMISSIONER CRAWFORD: Okay. Thank you,                |

10 sir.

11 CHAIRPERSON BELL: Commissioner.

on my fellow Commissioner's observation about shots fired, I read a report produced by the Milwaukee Police Department who also had this particular technology and they were supportive of it. But what they observed, Captain, was is that rarely what it did was afford them an opportunity actually to engage with the neighborhood in terms of did you see anything? Hi my name is Officer John Jones. I'm from the Detroit Police Department, Mrs. Smith. I wonder, did you hear anything, so on. And so they used it as an opportunity to increase the engagement with the people in the neighborhoods who were affected by or could have been witnesses to the gunfire that the technology detected.

| CAPTAIN | COX: | Yes. |
|---------|------|------|

| 2  | COMMISSIONER MALLETT: And they were less                |
|----|---|
| 3  | enthusiastic about its ability to potentially solve     |
| 4  | crimes, but more about its ability to have a police     |
| 5  | presence in a place where a potential crime of violence |
| 6  | had been committed, even though they couldn't quite     |
| 7  | locate who their perpetrators were, but it did give a   |
| 8  | calming effect of the people in the neighborhood when   |
| 9  | the officers were able to engage them in conversation.  |
| 10 | So I guess that's a long introduction to when we go to  |
| 11 | the area where we believe that the shots were fired, do |
| 12 | we exit the patrol car and try to engage the            |
| 13 | neighborhood in a conversation about what happened and  |
| 14 | how can we be more helpful?                             |
| 15 | CAPTAIN COX: Absolutely, sir, Commissioner.             |
| 16 | That is part of the investigative process. The          |
| 17 | officers are directed to respond, of course, number     |
| 18 | one. They have to exit the scout car. Do a canvas.      |
| 19 | Go house to house. Knock on the doors. Find out if      |
| 20 | anybody heard anything, if anybody saw anything. Check  |
| 21 | the specific area where the shot was heard because it's |
| 22 | accurate within 25 meters, so they may show it showing  |
| 23 | in the back of the house, it maybe detect that the shot |
| 24 | was fired on the side of the house. What I can tell     |

you -- well those are kind of confidential, but I can

| 1  | tell you that that is part of the process.              |
|----|---|
| 2  | There are additional investigative efforts              |
| 3  | taking place behind the scenes. For purposes of         |
| 4  | confidentiality, I won't reveal that is in addition to  |
| 5  | that.   |
| 6  | COMMISSIONER MALLETT: Thank you, sir.                   |
| 7  | COMMISSIONER MOORE: Through the Chair.                  |
| 8  | Captain, what's your most problematic scout car in this |
| 9  | area?   |
| 10 | CAPTAIN COX: It's going to be scout 97.                 |
| 11 | COMMISSIONER MOORE: What type of issues do              |
| 12 | you have in that area.                                  |
| 13 | CAPTAIN COX: Violent crime is the number                |
| 14 | one. We've got property crime in that area, but part    |
| 15 | one has been our biggest challenge in scout 97. In      |
| 16 | fact, generally most of our resources are within that   |
| 17 | scout car area. So our deployment plan usually          |
| 18 | involves 97. Now it changes because we know sometimes   |
| 19 | crime shifts and so we have to monitor that, but        |
| 20 | overall, it's going to be scout 97.                     |
| 21 | COMMISSIONER MOORE: Thank you.                          |
| 22 | CAPTAIN COX: If I may add, Commissioner?                |
| 23 | That is one of the newly acquired borders for the 9th   |
| 24 | precinct when we did a border shifting citywide.        |
| 25 | COMMISSIONER MOORE: Where was it before, 5th            |

| 1  | precinct?   |
|----|---|
| 2  | CAPTAIN COX: Yes, sir. 5th precinct.                    |
| 3  | CHAIRPERSON BELL: Commission, any other                 |
| 4  | comments? Captain, thank you for excellent remarks and  |
| 5  | outlining your concerns about just not pro-policing,    |
| 6  | but also the pro-community efforts to really address    |
| 7  | these young persons in terms of cease fire. We          |
| 8  | appreciate that.  |
| 9  | CAPTAIN COX: Thank you, Commissioner.                   |
| 10 | CHAIRPERSON BELL: Thank you. We are going               |
| 11 | to turn to Assistant Chief for any remarks from the     |
| 12 | Chief's report.   |
| 13 | A.C. STAIR: None. I will have some                      |
| 14 | announcements.  |
| 15 | CHAIRPERSON BELL: Okay. Thank you. At this              |
| 16 | time I would like to bring forth Councilman Scott       |
| 17 | Benson up to the mic. This is his district, District    |
| 18 | 3, which is abutting District 4. His office is located  |
| 19 | in this building here and he's going to address some    |
| 20 | concerns, and we appreciate. He's a friend of mine, I   |
| 21 | want to say that, and he's an eastsider.                |
| 22 | COUNCILMAN BENSON: That's okay. We're                   |
| 23 | always welcome to have Dr. Mallett come out here. With  |
| 24 | finding additional east side locations, please call the |
| 25 | office, we'd be more than happy to give you some        |

| 1 | helpful  | direction | ons. | Welcome | to | the  | east | side | and | my |
|---|----------|-----------|------|---------|----|------|------|------|-----|----|
| 2 | district | office    | this | evening | as | well | L.   |      |     |    |

| Just want to say thank you all. Thank you               |
|---|
| for this opportunity to speak. I don't have any         |
| concerns, any questions, just really want to thank DPD. |
| I've got Commander Bettison in. I've got the 9th        |
| precinct. I've got the 5th precinct. I've got the 7th   |
| precinct. I have 11th precinct, which all falls in      |
| boundary of the 3rd District, and we have a very close  |
| and strong relationship. And as the Captain said, we    |
| meet monthly at our east side safety coalition here in  |
| our district office. Now we started to expand that.     |
| And so now we're bringing in other community policing   |
| citizens, radio patrols are coming into the fold. And   |
| we had your honorable commissioners, Mr. Crawford and   |
| Mr. Bell to come out to our last meeting as well.       |
| Hopefully we'll see you at our next meetings also. And  |
| so we're now expanding that so we're meeting over in    |
| Bangla Town, which is a border immigrant community just |
| north of Hamtramck, and it also falls within the 3rd    |
| District. So we're seeing some good traction as far as  |
| engagement from our community radio patrols and from    |
| our DPD staff to help make that happen and really       |
| encourage people in community groups to participate and |
| become active in official radio patrol groups so they   |

| 1 | can receive the benefits of reimbursements and         |
|---|--|
| 2 | equipment being purchased to help with their community |
| 3 | policing efforts as well. And so just really want to   |
| 4 | thank everyone who's been involved, especially         |
| 5 | Commander Bettison, want to say a big thank you to his |
| 6 | office.  |

We now have assistant radio patrol office in the police headquarters, the public safety building, rather, and so really moving forward in that program. Hopefully will be fully funded again next year. We had a quarter of a million dollars this past year which will hopefully be spent up. I believe we're on par to expend those dollars this year, and so we hope to also triple the number of radio patrols that we had officially within the City of Detroit by the end of this fiscal year, and we'll look to triple those numbers again so that we have well over 150 citizen radio patrols within the City of Detroit by the end of fiscal year '15 and '16. We're hoping to have 75 by the end of fiscal year '14 and '15. So just really want to thank the police department and those individuals in those precincts who've really been helpful in making that happen this year.

And thank you all for coming out. Next time you come, I hope you come back to the 3rd District and

| 1  | come back to our district office here.                  |
|----|---|
| 2  | CHAIRPERSON BELL: Well we got one vote.                 |
| 3  | COMMISSIONER CRAWFORD: Council member, so               |
| 4  | next time perhaps I guess there's a street sign missing |
| 5  | somewhere or something?                                 |
| 6  | COUNCILMAN BENSON: You know what, I'll get              |
| 7  | with the DPW, make sure. It's actually it says          |
| 8  | Seymour. And Doctor, you're absolutely right, it's      |
| 9  | tough to see. You don't see the East McNichols, but     |
| 10 | you see Seymour, which is the boundary line of          |
| 11 | McNichols 6 Mile at Gratiot on the east side. It's      |
| 12 | Seymour and goes until it gets to Kelly and then you    |
| 13 | get to East McNichols. GPS. Anything else,              |
| 14 | Commissioner Crawford?                                  |
| 15 | COMMISSIONER CRAWFORD: No, sir.                         |
| 16 | CHAIRPERSON BELL: I just want to thank you,             |
| 17 | councilman, in terms of your work with the CB patrol    |
| 18 | and all the endeavors here in District 3, which we have |
| 19 | a happy family because my district sort of interacts.   |
| 20 | So basically we appreciate your efforts.                |
| 21 | COUNCILMAN BENSON: No, I appreciate you all.            |
| 22 | I mean citizen radio patrols, I mean if you have a      |
| 23 | active radio patrol, you'll see a reduction in          |
| 24 | community crime by 80%. And so those neighborhoods      |
| 25 | that have active and longstanding CB radio patrols,     |

| they see a reduction in their neighborhoods by 80% on  |
|--|
| local crime. So that's what we're trying to bring over |
| to the east side. We have long established radio       |
| patrols on the west side and along the Woodward        |
| corridor, but we need to bring that type of initiative |
| into the east side also.                               |

Page 43

Excuse me. I was remiss. I did forget to acknowledge my community policing president and vice-president for the 5th and the 9th precincts. you guys stand up for a second? Thank you as well to also very instrumental in making sure that the citizens radio patrols, the word is being spread as you had the community groups who are participating and are organizing a Marshmallow Drop with DPD in addition to how youth should be engaging with our police officers so that we don't have any type of event that you've seen around the country. And so the Mayor's involved, we're going to have a Marshmallow Drop from a DPD helicopter at the Hillman Rec Center on June 11th of this year. In addition, we're going to have -- DPS is going to be part of that and so we talk about how to prevent brain drain over the summer, book list, reading list, recreation department will be a part of that with the resources that are available to the youth to give them an opportunity and options versus the devil's

| 1  | playground being idle hands. And so I just want to     |
|----|--|
| 2  | thank them for helping to plan that, DPD for being a   |
| 3  | part of that and DPS as well. Thank you.               |
| 4  | CHAIRPERSON BELL: Thank you.                           |
| 5  | COMMISSIONER BURTON: Through the Chair. I              |
| 6  | just want to thank Councilman Benson for working with  |
| 7  | Putting Youth First Organization, coming out, being    |
| 8  | very supportive of the job fair that they had going on |
| 9  | over 7 Mile and what was that, Vann Dyke or whatnot.   |
| 10 | So thank you for coming out and supporting the Youth   |
| 11 | Group. You're doing a wonderful job in the community,  |
| 12 | especially working with the youth here in the City of  |
| 13 | Detroit. So thank you. I appreciate you.               |
| 14 | COUNCILMAN BENSON: You know what, Mr.                  |
| 15 | Burton, it's an honor and a pleasure, and thank you    |
| 16 | also for helping to sponsor that. And so it's all      |
| 17 | about teamwork makes a dreamwork.                      |
| 18 | CHAIRPERSON BELL: Thank you, councilman.               |
| 19 | Since we're on the subject of the 9th                  |
| 20 | precinct, up until this month, it's been a separation  |
| 21 | that's going to take place next month, and you walk,   |
| 22 | stood up a minute ago and he's going to come forward   |
| 23 | when we do not the announcement I mean not             |
| 24 | announcement, the time for public forum. But I just    |
| 25 | want to the young lady, would you hold up the          |

|    | Page 45   |
|----|---|
| 1  | clipboard? If you live in the 9th precinct, if you      |
| 2  | live in the 9th precinct, quietly would you submit your |
| 3  | name and address, I mean e-mail address on this         |
| 4  | clipboard for the 9th precinct. If you live in the 5th  |
| 5  | precinct, would you also, there's the clipboard of the  |
| 6  | 5th precinct, we're going make sure that this           |
| 7  | separation, we're communicating with all concerned      |
| 8  | parties, would you circulate the clipboard around       |
| 9  | quietly and the 9th precinct will have an opportunity   |
| 10 | to speak at that time. And I want to acknowledge        |
| 11 | Captain Bliss from 5th precinct, which is still housed  |
| 12 | in the 9th precinct location, but sometime in early     |
| 13 | spring when the tulips pop up, we hope to be in the     |
| 14 | building on Conner south of Mack. But those two         |
| 15 | precincts, two captains work extensively together in    |
| 16 | terms of district, but we know longer in precinct, you  |
| 17 | want to make sure that each captain have their own      |
| 18 | support base, and that's something that we are driving  |
| 19 | to the point that we have that separation, but we will  |
| 20 | still come together some point in time on mutuality in  |
| 21 | terms of working together. But there is a strong        |
| 22 | effort to support the 9th precinct, which going to be   |
| 23 | underway in March. We will share that announcement in   |
| 24 | that time period. And the 5th precinct still working    |
| 25 | on putting that together.                               |

| 1  | I see Ms. Brown here, who's another hard                |
|----|---|
| 2  | worker in terms of the 5th precinct and 9th precinct in |
| 3  | the Eastern District. So I just want to share that      |
| 4  | with you. And both Captain, you're aware of that and    |
| 5  | we really appreciate. We want to make sure you have     |
| 6  | the proper support base. So on that note, we can move   |
| 7  | right on to the next item that would be in terms of     |
| 8  | committee reports. If not, any new business. We have    |
| 9  | a resolution for Sergeant Johnson. I think one of the   |
| 10 | commissioners should have that before them.             |
| 11 | Commissioner Crawford going to do the honors, and I see |
| 12 | the young man is here.                                  |
| 13 | COMMISSIONER CRAWFORD: Good evening. Before             |
| 14 | everyone we have Mr. Moses Primus, Jr. And this is a    |
| 15 | resolution honoring Mr. Moses Primus, Jr.               |
| 16 | Whereas, Mr. Moses Primus, Jr. is a dedicated           |
| 17 | and committed supporter of the City of Detroit 9th      |
| 18 | precinct. He has been a resident for over 14 years.     |
| 19 | His commitment to business, service, leadership is      |
| 20 | exemplified throughout the community.                   |
| 21 | And, whereas, Mr. Primus is a product of the            |
| 22 | Detroit Public School system. After graduating from     |
| 23 | Finney High School he started working in his            |
| 24 | family-owned butcher shop. Since retirement he has      |
| 25 | worked part time with the Detroit Land Bank Authority   |

| 1 | which | survevs | vacant | properties. |
|---|-------|---------|--------|-------------|
|   |       |         |        |             |

| And whereas, Mr. Primus has always been                |
|--|
| involved in community relations and is dedicated to    |
| improving neighborhood safety and the quality of life. |
| He constantly works with other elected officials in    |
| District 4 and helped revitalize the neighborhoods.    |

And whereas, as a committed community leader, Mr. Primus has devoted his life to helping others in participating in causes that benefit the community.

Together with friends and neighbors he helped organize a cleanup and boarding up of abandoned homes in the neighborhood. He actively participated in the 9th precinct Beautification Day by passing out Goodfellow packages and helping with frying Thanksgiving Day turkeys, which are delivered to over 15 families in the 9th precinct.

And whereas, Mr. Primus continues to be a active participant in the neighborhood CB patrol. He also helped organize volunteers for Angel Night and shares his time and talents to work on many other community events.

Now, therefore, be it resolved that Detroit
Board of Police Commissioners speaking on behalf of the
citizens of the City of Detroit and Detroit Police
Department acknowledge the dedication of Mr. Moses

| 1 | Primus, Jr., his commitment to community service and  |
|---|---|
| 2 | his ability to build stable community partnerships,   |
| 3 | merit our highest regards. Thank you and congratulate |
| 4 | you, Mr. Primus, Mr. Moses Primus, Jr., Detroit Board |
| 5 | of Police Commissioners.                              |

A.C. STAIR: Good evening, everyone. On behalf of Chief Craig I'd like to present you with a Certificate of Recognition in appreciation for your involvement in the community and services in the City of Detroit that demonstrate a spirit and commitment that is so worthy of this recognition tonight on Thursday, February 12th, 2015. It's assigned by all city council members on today's date, February 12th, 2015.

MR. PRIMUS: I just want to say thank you to you all, to my captain, this lady right here, Ms. West. She carries a heavy whip and she's the backbone of our organization.

| 1  | We got really pushing last two years ago when          |
|----|--|
| 2  | they came over to help us board up some buildings,     |
| 3  | apartment buildings, and we just took it a step        |
| 4  | further. Michelle and I got some people in the         |
| 5  | neighborhood and we decided to form a block club. And  |
| 6  | we're back to find out why the community meetings      |
| 7  | wasn't going as good as they were. We ran for office.  |
| 8  | We both won. And now we're the president of Yorkshire  |
| 9  | Woods, and she's the secretary. Michelle, come on up   |
| 10 | and say a word. No. Come on. Come on now, Michelle.    |
| 11 | I'll take the recognition. I'm good. I thank you too.  |
| 12 | I couldn't have been in this position without you. And |
| 13 | to everybody, thank you.                               |
| 14 | CHAIRPERSON BELL: Our next resolution is for           |
| 15 | Sergeant Johnson. He's not present, but Vice Chair     |
| 16 | will read the resolution.                              |
| 17 | VICE CHAIR CARTER: Resolution honoring                 |
| 18 | Sergeant Roger Johnson, Jr.                            |
| 19 | Whereas, Mr. Roger Johnson, Jr. was appointed          |
| 20 | to the Detroit Police Department on April 10th, 1989,  |
| 21 | and upon graduating from the Detroit Metropolitan      |
| 22 | Police Academy he was assigned to the 1st precinct.    |
| 23 | Now, therefore, be it resolved that the                |
| 24 | Detroit Board of Police Commissioners speaking on      |
| 25 | behalf of the Detroit Police Department and the        |

Page 50 citizens of the City of Detroit recognize Sergeant 1 Roger Johnson, Jr's. Lifelong commitment to public 2 safety and service. His pride and dedication have been 3 4 invaluable assets to the Department and merit our 5 highest regard. We thank and congratulate you Sergeant Roger Johnson, Jr. Detroit Board of Police 6 7 Commissioners. Thank you, Commissioner. 8 CHAIRPERSON BELL: 9 We really salute Sergeant Johnson for his 25 years of 10 outstanding service. It's a pleasure for the Commission to act, to have resolution. The Chair would 11 12 entertain a motion to receive these resolutions, these 13 two resolutions just been read? COMMISSIONER MOORE: So moved. 14 15 COMMISSIONER CRAWFORD: Support. 16 CHAIRPERSON BELL: It's been properly moved 17 and ready for the question. Those in favor? 18 COMMISSIONERS: Aye. 19 CHAIRPERSON BELL: Those opposed? Motion 20 carry. And on the Old Business we have resolution for 2.1 Sergeants Matthews and Officer Koyton from the last 2.2 meeting. So we would act on those resolutions. Also 23 at this time what is your pleasure? 24 COMMISSIONER CRAWFORD: So moved.

COMMISSIONER MOORE: Second.

Page 51 CHAIRPERSON BELL: Ready for the question? 1 2 Those in favor? 3 COMMISSIONERS: Aye. 4 CHAIRPERSON BELL: Those opposed? Motion 5 carry. COMMISSIONER BURTON: Through the Chair. 6 7 CHAIRPERSON BELL: Yes, sir. COMMISSIONER BURTON: I would like to under 8 9 New Business I want a motion for resolution to be given 10 to Bishop Raphael Williams for outstanding role that 11 he's doing here in the City of Detroit, recognition of achievement from the Board of Police Commissioners. 12 13 Should be listed in all the Commissioner's package. COMMISSIONER MOORE: I'll make a motion to 14 15 accept it. 16 CHAIRPERSON BELL: Okay. 17 VICE CHAIR CARTER: Second. CHAIRPERSON BELL: Did I hear a second? 18 19 VICE CHAIR CARTER: Um-hum. 20 CHAIRPERSON BELL: Been properly moved and 2.1 second. Ready for the question? Those in favor? 2.2 COMMISSIONERS: Aye. 23 CHAIRPERSON BELL: Those opposed? Motion 24 carry. Mr. Burton.

COMMISSIONER BURTON: Thank you, Mr. Chair.

| 1  | CHAIRPERSON BELL: Before we move briefly to             |
|----|---|
| 2  | announcement, I just want to recognize that the month   |
| 3  | of February is Black History Month, and I just want to  |
| 4  | make a brief comment in terms of the Board of Police    |
| 5  | Commission was formulated in 1974 and the Honorable     |
| 6  | Coleman A. Young appointed Doug Fraser, Edward          |
| 7  | Littlejohn, Reverend Charles Butler, Suzy Mill-Peaks,   |
| 8  | Alexander Ritchie to the Board that initiated the       |
| 9  | Affirmative Action that we see today. They were         |
| 10 | progressive and there was a coalition from the clergy,  |
| 11 | the labor, civil rights, the public interest, medicine, |
| 12 | legal, and education. I think that's rather unique in   |
| 13 | terms of the history of this Board in terms of moving   |
| 14 | forward. It's a coalition of people, black and white.   |
| 15 | When you look at that whole movement and we see today   |
| 16 | in 2015 an integrated police department, that was the   |
| 17 | foundation of that Board moving to address those        |
| 18 | concerns that we were dealing with in the '60s and the  |
| 19 | '70s that brought about a drastic change in policing in |
| 20 | America are far as Detroit being a model. And I just    |
| 21 | want to say that Executive Director Donnell White is    |
| 22 | not present today. He is in the process of I think      |
| 23 | formulating the Freedom Fund dinner. And on this day    |
| 24 | on 1909 the NAACP was formed and that was a little      |
| 25 | coalition of people, black and white, and people of     |

| 1  | color that come together. NAACP does outstanding work.  |
|----|---|
| 2  | On Cliff Russell Program they talked about              |
| 3  | two other countries. Could you name those two           |
| 4  | countries that celebrate Black History Month, and I     |
| 5  | didn't have the answer at the time. So I went to the    |
| 6  | Web and those two countries are United Kingdom and      |
| 7  | Canada celebrating our history in terms of black folks  |
| 8  | and, you know, that whole process. So that's getting    |
| 9  | back to Black History Month was established. Before it  |
| 10 | was Negro History week in 1926, a little before your    |
| 11 | time, and the Black History came about in 1976. And as  |
| 12 | I mentioned, United Kingdom 1987, and in Canada 1995.   |
| 13 | So we have come a long way but we have a long way to    |
| 14 | go. But we celebrate that freedom here in the United    |
| 15 | States of America, so I just want to share that with    |
| 16 | you in terms of Black History Month. And we thank you.  |
| 17 | I think it's important that we know our past and why we |
| 18 | celebrate. People debate that, but to me it's no        |
| 19 | debate. It's just enlightening in reference to how far  |
| 20 | we had come because when you see like movies like       |
| 21 | Selma, you just take those for granted, but that was a  |
| 22 | struggle for us to get to this point.                   |
| 23 | At this time we have announcement. Our next             |
| 24 | community meeting will be in the 1st Precinct.          |
| 25 | Commissioner Mallett?                                   |

| 1  | COMMISSIONER MALLETT: Yes, sir.                         |
|----|---|
| 2  | CHAIRPERSON BELL: That's downtown Detroit.              |
| 3  | That's on that would be Cobo Hall.                      |
| 4  | COMMISSIONER MALLETT: I've been there before.           |
| 5  | CHAIRPERSON BELL: Washington Boulevard.                 |
| 6  | Atwater entrance it's going to be on the back of it and |
| 7  | they're going to relax parking. You'll hear more about  |
| 8  | that in reference to the parking issue. When it first   |
| 9  | came up, how can we meet in Cobo Hall. But in the back  |
| 10 | part of Cobo Hall is Atwater, they'll be relaxed        |
| 11 | parking for those who attend that meeting on March 12th |
| 12 | at 6:30 p.m   |
| 13 | And our next meeting will be Thursday,                  |
| 14 | February 19th at 3 p.m. at the Public Safety Building   |
| 15 | on Third and Michigan. 1301 Third. That would be next   |
| 16 | week and that will be a regular meeting at 3:00. So     |
| 17 | please feel free to come out to our community meeting.  |
| 18 | And also, I hope that everybody take time to sign in.   |
| 19 | We're trying to reestablish our sign-in sheet that we   |
| 20 | could communicate with you in reference to your         |
| 21 | especially your name and e-mail address. That's         |
| 22 | basically what we need as a sign-in sheet at the door,  |
| 23 | so hopefully you have taken advantage of that.          |
| 24 | Now it's your time in terms of                          |
| 25 | COMMISSIONER CRAWFORD: Pardon me. Through               |

|    | Page 55   |
|----|---|
| 1  | the Chair. I could not think of a better person to ask  |
| 2  | about the parking in the rear of Cobo Hall other than   |
| 3  | Captain Petty, who's here now. Because I know last      |
| 4  | week we had some discussion about how the parking, I    |
| 5  | don't know, if they worked out any of the logistics yet |
| 6  | or anything like that. But, of course, the meeting      |
| 7  | isn't until March 12th anyway but                       |
| 8  | CAPTAIN PETTY: Good afternoon. How's                    |
| 9  | everybody doing. Through the Chair. Parking will be     |
| 10 | relaxed. I'll have officers down there. I'm going to    |
| 11 | get with Mr. Brown tomorrow. I should have a number     |
| 12 | you can call me back to that, but I'll have a room      |
| 13 | number. They've redesigned Cobo so we lost Civic        |
| 14 | Center Drive. So you can't get down to the back other   |
| 15 | than going down to Bates or coming down Cabacier by the |
| 16 | Post Office down by Fort Street, then you come down     |
| 17 | behind Joe Louis and get back there, you can't, you car |
| 18 | no longer come down Washington Boulevard to Civic       |
| 19 | Center Drive.   |
| 20 | COMMISSIONER CRAWFORD: Okay, sir. Thank you.            |
| 21 | Appreciate it.  |
| 22 | CHAIRPERSON BELL: Are we clear?                         |
| 23 | Announcements. You want to announce at this             |
| 24 | time?   |
|    |   |

A.C. STAIR: That's fine, sir. Through the

| 1  | Chair. I just wanted to remind everybody, someone       |
|----|---|
| 2  | spoke about it earlier this evening about the           |
| 3  | Neighborhood Police Officers and the Chief's Valentines |
| 4  | Day Senior Ball, which is going to be this Saturday at  |
| 5  | Local 58 at 1366 Porter. It's from 12 to 4. Commander   |
| 6  | Bettison will have more specifics if you need anything  |
| 7  | associated with that. And then also on Friday,          |
| 8  | February 27th, our department will be celebrating our   |
| 9  | 150th year. Everybody knows this is our 150th year,     |
| 10 | and we're having an anniversary Blue and Silver Ball at |
| 11 | Cobo Hall. And then initially, it was going to be       |
| 12 | somewhere else downtown, but because so many people     |
| 13 | were interested in coming to celebrate with us, we had  |
| 14 | to move it to Cobo Hall. So we'll also have more        |
| 15 | information for you guys in the coming weeks for that   |
| 16 | too because we'd like to see everybody out to celebrate |
| 17 | with us.  |
| 18 | CHAIRPERSON BELL: Thank you. What's the age             |
| 19 | for the Senior Valentine?                               |
| 20 | A.C. STAIR: I don't want to say.                        |
| 21 | CHAIRPERSON BELL: I think it's 65 and up; is            |
| 22 | that correct? I'll leave it alone.                      |
| 23 | A.C. STAIR: Through the Chair. So you're                |
| 24 | trying to get me in the middle of it.                   |
| 25 | CHAIRPERSON BELL: If you consider yourself a            |

| 1  | senior, show up on Valentine's Day, and I don't think  |
|----|--|
| 2  | they'll turn you around. You should be okay. Thank     |
| 3  | you, Assistant Chief.                                  |
| 4  | Oral communication from the audience. You              |
| 5  | would have two minutes, and be respectful because we   |
| 6  | are respectful to you. I'm going to ask our 9th        |
| 7  | precinct to kick it off. Andre Walk, would you come    |
| 8  | first, please, and share.                              |
| 9  | MR. WALK: First let me say congratulations             |
| 10 | to Mr. Moses Primus. Doing a great job.                |
| 11 | MR. MOSES: Thank you.                                  |
| 12 | MR. WALK: Lady West.                                   |
| 13 | CHAIRPERSON BELL: Give your name please.               |
| 14 | MR. WALK: Let me address the Board. Thank              |
| 15 | you for allowing me to speak. I'm sorry. My name is    |
| 16 | Andre Walk. I'm the newly elected president for the    |
| 17 | 9th precinct Community Relations.                      |
| 18 | I think more importantly if I had anything to          |
| 19 | say it would be to address the concern of the Zip Code |
| 20 | 48205. You know 48205 is a Zip Code with local         |
| 21 | concerns, but had some national implications, and our  |
| 22 | rationale for moving the Community Relations Board and |
| 23 | splitting the 5th and 9th was to move the 9th precinct |
| 24 | Community Relations into an area where we can address  |
| 25 | the community concerns better and try to have more     |

| 1  | effective community police. A lot of the individuals    |
|----|---|
| 2  | in that region don't have the opportunity to attend a   |
| 3  | lot of our meetings that were held in Samaritan. So in  |
| 4  | short, our first 9th precinct meeting will be March 4th |
| 5  | at the what's the name of that? Heilmann Recreation     |
| 6  | Center. I'm sorry. Heilmann Recreation Center. It       |
| 7  | will be at 7:00 March 4th and we will meet every first  |
| 8  | Wednesday of the month. Thank you.                      |
| 9  | CHAIRPERSON BELL: Thank you, Mr. Walk.                  |
| 10 | Please come forward if you have a comment or a question |
| 11 | or concern. This is your time. You have two minutes.    |
| 12 | CAPTAIN COX: Mr. Chair, I just wanted to                |
| 13 | thank L.I.J.B.S. Towing who worked with our police      |
| 14 | officers for providing the food for tonight. Just want  |
| 15 | to thank them. Thank you.                               |
| 16 | CHAIRPERSON BELL: Thank you. Mr. Scott?                 |
| 17 | MR. SCOTT: Yes, I wanted to, Ron Scott,                 |
| 18 | thank the Captain for his excellent report.             |
| 19 | I want to address three policy issues,                  |
| 20 | however, brought to mind. One, the Mayor mentioned in   |
| 21 | his State of the City address the other day that they   |
| 22 | were very vigorously pursuing body cams, and I remember |
| 23 | that this body, specifically Commissioner Crawford had  |
| 24 | raised question of body cam some time ago and there was |
| 25 | a question about dollars and cents. I'm glad that       |

2.1

| we've come to some resolution that money is not an     |
|--|
| object in relation to this technology. So I wanted to  |
| mention that to put that on the record that this Board |
| had mentioned that before the Mayor did. And that is   |
| good because the Mayor now says he wants to interface  |
| with the Commission, which seems to me to validate     |
| through custom and practice that the Board should, in  |
| fact, have its power as opposed to merely beings and   |
| advisory body after the fact since it had raised this  |
| point from the community before the fact, if you can   |
| follow my logic in that.                               |

The second point is in terms of shots fired technology, last time it was raised it went before the public safety committee of the Detroit City Council and there was ample opportunity for citizens to weigh in on the process, this time around it was not. Issues like that are important because I think Commissioner Mallett raised a significant question in terms of how the -- what the procedure is, what's the process in the community. Those kinds of things need to be done, once again, before the fact. I think that's a reasonable framework of an administrative law/legislative entity like this one. Having the power to actually have people out to discuss these matters before they're done, they're able. It's not to say that they're not

| good strategies, it's the question of how it's done and |
|---|
| whether or not citizens in fact have the oversight to   |
| do that.  |

| And then finally there was a question that              |
|---|
| was raised regarding the Memoranda of Understanding in  |
| relationship to units, specifically                     |
| multi-jurisdictional task force and special task forces |
| in view of the recent shooting that took place in       |
| Highland Park and other places like that and potential  |
| liability. I think that this body should visit each     |
| police department in the city to find out what kind of  |
| Memoranda of Understanding exists so that we don't get  |
| into a whirlwind that we raise question to our          |
| organization about what's happened over on the west     |
| side and Grosse Pointe. So we need to know and maybe    |
| would be given the question before, can we have a       |
| discussion about these tasks forces, who's involved,    |
| whether or not they've had the positive interaction     |
| that the Assistant, Deputy Chief has raised and         |
| Assistant Chief has raised where in effect we vet       |
| individuals who are involved in those entities and see  |
| who they are, what they're doing and whether or not     |
| it's commensurate with the changes that this department |
| is making. So I know that's a lot in three two          |
| minutes, but I hope you got the point.                  |

| 1  | CHAIRPERSON BELL: Commissioner Crawford?               |
|----|--|
| 2  | COMMISSIONER CRAWFORD: Yes, sir. Through               |
| 3  | the Chair. Mr. Scott, in terms of the Memorandum of    |
| 4  | Understanding, Commissioner Moore asked that question  |
| 5  | at the table several weeks ago in terms of asked it of |
| 6  | the department, are we operating under and, you know,  |
| 7  | for them to I guess bring forth the information before |
| 8  | this body in terms of what the Memorandum of           |
| 9  | Understanding was in terms of task force. So I don't   |
| 10 | know where we are on that. I do know the department    |
| 11 | hasn't gotten back with us on it as of this date.      |
| 12 | Also too, you're correct on the shot fired             |
| 13 | technology that's being used now because my knowledge  |
| 14 | of it was months ago or actually it was last year      |
| 15 | sometime. I think it was back in the spring it was in  |
| 16 | the media that we were looking at technology. I had no |
| 17 | idea we had actually acquired it and had implemented   |
| 18 | it, so that's where we are on that. But you're         |
| 19 | absolutely correct because and I don't know if         |
| 20 | anyone else on this board has any knowledge as to it   |
| 21 | had been implemented and we were even using it. I      |
| 22 | personally feel it is good technology and it is a good |
| 23 | tool to use, though. Like I read how it was being used |
| 24 | several years ago, used in Saginaw, Michigan, so.      |
|    |  |

MR. SCOTT: I just raise it in the record in

2.1

Page 62

| relationship to discovery of legal matters in terms of  |
|---|
| what if you're going to use it for discovery, what can  |
| be offered, how it can be offered, and whether or not   |
| the Judge's position of the shot has anything to do     |
| with ultimately whether or not an assailant or a victim |
| is involved in that investigation. Those are, those     |
| are questions that would be before the court in terms   |
| of any discover package.                                |

And finally the matters related to these things that I've raised in terms of policy issues speak to the fact of how do we engage in reasonable public policy and oversight that affirms the responsibility of this board in terms of that process, and how the citizens come to know this. And if that happened with shots fired, are there other things that are coming down the pike that we need to know about before it's done. Thank you very much, Mr. Chair, for your consideration.

CHAIRPERSON BELL: Thank you, Mr. Scott. We will pursue that. Yes, sir, Commissioner.

COMMISSIONER MALLETT: Before Mr. Scott leaves. Mr. Scott, I guess I didn't -- if you go to the task force observation that you were making, I just want to be clear so that I understand what I thought I heard, and that is is the Memorandum of Understanding

| 1  | that says Detroit Police Department will be involved in |
|----|---|
| 2  | various task forces.                                    |
| 3  | MR. SCOTT: Yeah.  |
| 4  | COMMISSIONER MALLETT: Okay. And that's a                |
| 5  | document, I'm assuming, that the Detroit Police         |
| 6  | Commission has seen and we looked at? Yes? No?          |
| 7  | MR. MOORE: No.  |
| 8  | CHAIRPERSON BELL: No, sir.                              |
| 9  | COMMISSIONER MALLETT: Okay.                             |
| 10 | MR. SCOTT: Those memorandums did formerly               |
| 11 | exist in some form. I don't know if they do now.        |
| 12 | COMMISSIONER MALLETT: I see. Assuming that              |
| 13 | they do, then I guess I didn't once if we determine     |
| 14 | that such a task force memorandum exists, then your     |
| 15 | suggestion is that the Board do what with that          |
| 16 | information?  |
| 17 | MR. SCOTT: I don't want to get into                     |
| 18 | particularities of it, but I'll do it generally.        |
| 19 | COMMISSIONER MALLETT: Yeah.                             |
| 20 | Mr. SCOTT: Certain people who are involved              |
| 21 | in these task forces may or may not meet the standard   |
| 22 | of the what happened during the Consent Decree in       |
| 23 | terms of establish an early warning system for certain  |
| 24 | officers.   |

25

Now if the people in the task forces, even

2.1

| though the City of Detroit may or may not be the lead   |
|---|
| agency, but if it is the lead agency, then it becomes a |
| question of liability, as I would say in terms of who's |
| in the task force, what kind of federal money has been  |
| garnered. And so just on a liability question, that's   |
| an issue.   |

Page 64

Secondly, the public relations issues involved in who's in the task force, how it's running and how it's perceived by the community and whether or not it enables great community trust that we've talked about tonight in terms of the kind of efforts that are going on here. So those are my three points related to that.

COMMISSIONER MALLETT: As you then would look at the duties and responsibilities associated with the Police Commission, that we would review the Police Chief's selection of task force members?

MR. SCOTT: I think whether or not -- it's not a question of the -- the way the task forces work, the Justice Department provides the money, and whatever the lead agency is, they have a process -- I don't even know the full process. They have a process of the selection of the people in those task forces. The task force takes on a certain cultural framework of its own, but the Board should have an ability to review that to

| 1  | look at it. It's not necessarily to say to the Chief    |
|----|---|
| 2  | you can't have this person or you can't have that       |
| 3  | person, but you might have information whereas one      |
| 4  | person may or may not be suited to the kind of reforms  |
| 5  | that we've made. It's not to say that you're telling    |
| 6  | the Chief what to do, but you're offering the advice    |
| 7  | and consent that is consistent with this Board, and     |
| 8  | especially given the fact that there are federal funds  |
| 9  | involved in most of these task forces like the auto     |
| 10 | theft task force. There's one case that I've been       |
| 11 | involved in in Macomb County where the auto theft task  |
| 12 | force engaged in some actions which are questionable,   |
| 13 | but within that context the body, this body would have  |
| 14 | been able to review how those task forces are           |
| 15 | configured.   |
| 16 | COMMISSIONER MALLETT: In your mind, it                  |
| 17 | wouldn't be enough for the Police Commission to ask the |
| 18 | Chief or the Deputy Chief and ask them, do all of the   |
| 19 | persons who are members of the task force meet the      |
| 20 | terms and conditions as articulated in the Consent      |
| 21 | Agreement?  |
| 22 | MR. SCOTT: I don't think that's enough. I               |
| 23 | think we have an early warning system. We set up a      |
| 24 | mass system.  |

COMMISSIONER MALLETT: You're saying it is not

| enough  | for   | us   | to  | take | the | affirmative | response | from | the |
|---------|-------|------|-----|------|-----|-------------|----------|------|-----|
| police, | , fro | om f | the | Chie | E?  |             |          |      |     |

Page 66

| MR. SCOTT: No. We set up, this, this                    |
|---|
| department set up a mass system. That mass system       |
| tracks who says what, whether or not there's a          |
| potential liability issue, whether or not there's a     |
| need for retraining or whatever. I'm following that     |
| particular component of the decree, and that body, this |
| body, which was a major part of that decree, has a      |
| responsibility and, I contend, a duty to evaluate that, |
| not just simply ask after the fact, but to evaluate     |
| whether or not there's potential liability to the       |
| citizens of the City of Detroit. That's your sworn      |
| duty.   |

COMMISSIONER MALLETT: But in the execution of the duty, though, if what it is that we are asking the Police Department to do is to affirm for us that they have followed the procedures outlined in the Consent, I mean at a certain point, what we are is an entity charged with the responsibility with oversight. We are not responsible for anything beyond that. And I think that if you, if you, if you, if you look at the duties and the responsibilities that we have within the context of the oversight responsibilities as I understand them to be, and I do thank the Chairman,

| again, for including them here in the packet that we    |
|---|
| get, I would think, Mr. Chairman, at a certain point,   |
| before, at least I'm very glad that we're taking notes  |
| because I would not want the public to assume that in   |
| absence of a response the entire Board, and speaking    |
| now only for myself, agreed with the position being     |
| asserted by Mr. Scott. I've got serious questions       |
| about whether or not his interpretation is correct, and |
| at a certain point, I don't think that and I would      |
| say this, I would say that we could certainly formulate |
| questions that would assure this body and the public    |
| that the Chief and his Executive Team are following the |
| procedures and the policies that we believe ought to be |
| implemented without us having taking on the a role      |
| for, which I will admit to the public right now, that   |
| I'm not qualified for, and that is to determine who     |
| goes on a police assignment. I've never been a police   |
| officer in my life, and I don't think that that is I    |
| just don't think that it would be ethically possible    |
| for me to tell Chief Craig, John Jones can but Jean     |
| Jones cannot. So I think we have to I raise my          |
| voice raising these questions because I don't want the  |
| public to assume that all of the positions being        |
| articulated by Mr. Scott reflect the Board's opinion    |
| or, in fact, are correct.                               |

| 1   | MR. SCOTT: Well as a Mayoral appointee I'd             |
|-----|--|
| 2   | say this to you, Mr. Mallett.                          |
| 3   | COMMISSIONER MALLETT: And I'm a former Chief           |
| 4   | Judge of the Michigan Supreme Court. Ron, Ron, Ron,    |
| 5   | Ron, Ron, Ron, Ron, Ron, Ron. I am not going to        |
| 6   | let you play that game with me.                        |
| 7   | CHAIRPERSON BELL: Let the Chair,                       |
| 8   | Commissioner, Mr. Scott, I think that we are getting   |
| 9   | out of order here. I'd like to close with the          |
| LO  | permission of Conrad Mallett, I'd like to close this   |
| L1  | discussion at this particular time. I think that the   |
| 12  | debate has gone on, but I think we have crossed that   |
| L3  | line.  |
| L 4 | MR. SCOTT: I just wanted to be not                     |
| 15  | misunderstood.   |
| 16  | CHAIRPERSON BELL: It's clear you have a                |
| L 7 | right to come to the mic and speak and the Commission  |
| 18  | got a right to respond, so I think we have heard that  |
| L 9 | discussion for a little bit lengthy period of time, so |
| 20  | I'd like for us to move on to the next. Thank you,     |
| 21  | sir. Thank you, sir.                                   |
| 22  | A.C. STAIR: Through the Chair.                         |
| 23  | CHAIRPERSON BELL: Okay.                                |
| 24  | A.C. STAIR: Through the Chair.                         |
|     |  |

CHAIRPERSON BELL: Yes, ma'am.

| A.C. STAIR: I'd just like to say that the               |
|---|
| officers that assigned to the different task force that |
| we have are, indeed, held to the same standard as the   |
| officer who's working in the scout car.                 |

CHAIRMAN BELL: Thank you. I think with all fairness to Mr. Scott, he raised the issue because there was a certain officer who was fired from another department and he got a questionable history and, therefore, was a high profile issue dealing with this particular officer, so that raised a red flag, as we well know, in terms of looking at the personnel. Conrad Mallett is clear and Mr. Scott is clear in terms of the statement made, but I just want to say even under -- this Board has the opportunity, even on emergent order 42, the power to consult with the Chief of Police and with the approval of the Mayor establish policy, rules and regulations, we can look at this memo, understanding to some extent, but not get into the personnel matters and issues that been raised by, you know, no individuals, but there's been a red flag in terms of we're allowing officer in a task force under our banner in terms of those concerns, and that's why the Chief responded in the memo that he was not endorsing the statement that was made by Grosse Pointe Park Police Chief.

| 1  | A.C. STAIR: Absolutely.                                |
|----|--|
| 2  | CHAIRPERSON BELL: I think that's how we got            |
| 3  | off into the discussion so. But basically we'll look   |
| 4  | at that process, but we can move on to the next        |
| 5  | speaker.   |
| 6  | COMMISSIONER CRAWFORD: Through the Chair for           |
| 7  | a point of clarification. The officer in question is   |
| 8  | not a Detroit officer.                                 |
| 9  | CHAIRPERSON BELL: Yes. We understand that.             |
| 10 | That was the concern. But yes, he's been high profile  |
| 11 | but  |
| 12 | COMMISSIONER CRAWFORD: He's on the task                |
| 13 | force.   |
| 14 | CHAIRPERSON BELL: Yes, ma'am, Ms. Brown.               |
| 15 | MS. BROWN: I made it late because of the               |
| 16 | parking lot, but I don't know if they welcomed         |
| 17 | everybody, and I was just saying welcome to the east   |
| 18 | side again. And I want to tell you, Commissioner       |
| 19 | Mallett, the next meeting is in August. I'm going to   |
| 20 | tell you to put me on speed dial because I'm a radio   |
| 21 | patroller since 1980 so we'll get you to the place on  |
| 22 | time.  |
| 23 | And like I said, I have had the fortunate,             |
| 24 | you know, I've been able to work with the majority of  |
| 25 | the police officers here because you send them through |

|    | Page 71   |
|----|---|
| 1  | the 5th and the 9th, and then you steal them, okay. So  |
| 2  | I just want to say thank everybody for coming.          |
| 3  | Congratulations Mose. I've worked with him for years    |
| 4  | in the community. He's a hard worker. And just thank    |
| 5  | you for coming. I look forward, I hope we have a good   |
| 6  | meeting like this on the 5th in August.                 |
| 7  | CHAIRPERSON BELL: Thank you. Thank you.                 |
| 8  | Any others?   |
| 9  | COMMISSIONER MOORE: Through the Chair.                  |
| 10 | CHAIRPERSON BELL: Yes, sir.                             |
| 11 | COMMISSIONER MOORE: I just to acknowledge               |
| 12 | two captains from District 7 Nick Kyriacou and Harold   |
| 13 | Rochon from the 2nd precinct. I want to thank them      |
| 14 | from traveling from the west side to the east side.     |
| 15 | They found it.  |
| 16 | CHAIRPERSON BELL: Yes, ma'am.                           |
| 17 | COMMISSIONER CRAWFORD: Also, I'm sorry,                 |
| 18 | through the Chair I'd like to acknowledge Captain Leach |
| 19 | who's sitting back there from the 11th precinct.        |
| 20 | CHAIRPERSON BELL: From the 11th?                        |
| 21 | COMMISSIONER CRAWFORD: Yes, sir, from number            |
| 22 | 11.   |
| 23 | CHAIRPERSON BELL: Thank you.                            |
| 24 | A.C. STAIR: Through the Chair, Captain                  |

MS. SMITH: Good evening. Bernice Smith,
Human Resources. This past week our Mayor, he made a
very interesting speech, but he left out one thing, as
far as I'm concerned. He did not introduce the police
commission, and I'm wondering why. I attended Judge
Keith's luncheon today and it just so happened I missed
him, and he came in just to speak to the judge and then
he soon left out. But I was going to ask the question,
why weren't the police commission introduced when he
introduced my police department and all the other
dignitaries, so that's on my mind.

In the meantime, I don't know whether most of you are aware that they're trying to move our police stations from over on Woodward and the Boulevard. It's a very controversial conversation about that. They even had the chief there to bring in some -- White did, Chief officer White, but I don't know. That's something we're going to have to look at. But I don't approve of us moving because the facility that we have -- Brown, you didn't put that up for him. Come on now. But anyway, I'm going to get through. But he -- it's a controversy, and I wish that we would get it all settled down.

| 1  | Now, to this young man that made the                   |
|----|--|
| 2  | presentation, the Captain, you did a wonderful job and |
| 3  | I enjoyed you very much. You weren't boring telling us |
| 4  | about your report. In the meantime, I heard you say    |
| 5  | something about Chicago. Well I'm a Chicagoan. Of      |
| 6  | course I've been here going on 45 years. But I can't   |
| 7  | understand how in the world you can get something from |
| 8  | Chicago when they killing each other like I don't know |
| 9  | what over there, and we got a crime over here that's   |
| 10 | lower than anything. So whatever you're copying over   |
| 11 | there from Chi, leave it over there. I thank you for   |
| 12 | your time.   |
| 13 | A.C. STAIR: Through the Chair.                         |
| 14 | CHAIRPERSON BELL: Yes, ma'am.                          |
| 15 | A.C. STAIR: I just wanted to comment on the            |
| 16 | 3rd precinct that the City Council did approve for us  |
| 17 | to move to Captain Tosqui, that's going to be his      |
| 18 | precinct. And one of the major things with that        |
| 19 | precinct was to be able to after three years, I        |
| 20 | believe, we'll have the ability to purchase that       |
| 21 | particular building to overall save the city some      |
| 22 | money. So that was one of the main reasons, and        |
| 23 | parking, and other logistical issues.                  |
| 24 | CHAIRPERSON BELL: Thank you, Assistant                 |
|    |  |

Chief. Yes, sir.

| 1  | MR. HARRIS: Hi. My name is Daryl Harris.               |
|----|--|
| 2  | I'm the pastor of the church that's right upstairs. So |
| 3  | we want to welcome you out. Dr. Mallett, also, welcome |
| 4  | you out to the east side. I just want to say also      |
| 5  | being a resident here, I'm a Chicagoan as well, but my |
| 6  | mom moved us here about 40 years ago ourselves. I was  |
| 7  | a young tike. And I just want to say I know that there |
| 8  | are issues that are still going forth and still going  |
| 9  | on, but as a resident in this area for all of that     |
| 10 | time, I would like to say thank you personally to the  |
| 11 | Detroit Police Commission. I know that there are       |
| 12 | things to be fixed, but there are things to be fixed   |
| 13 | everywhere. And so I am just so honored to see so many |
| 14 | people out and really focussing on the Osborne         |
| 15 | neighborhood and some of the other eastside            |
| 16 | neighborhoods because, you know, the history, eastside |
| 17 | a lot of times gets left out, and so it just feels     |
| 18 | really good to be here. Osborne Neighborhood Alliance, |
| 19 | Quincy Jones is there, Osborne Business Association,   |
| 20 | and just some other things.                            |
| 21 | And also saying on behalf of the Cease Fire            |
| 22 | Program, I'd like to invite some of the Commission out |
| 23 | to the next cease fire call-in. It would be really     |
| 24 | great just for you to see how it kind of works and how |
| 25 | it happens right here in the place where you are now.  |

CHAIRPERSON BELL: Thank you, reverend. Any others? If not, I assume that we can close this portion out.

I just want to say in reference to the state of the city, no acknowledgement by the Mayor and we are addressing that, and hopefully in the future that this Board will be properly recognized as a Board of Police Commission. I think that was a major oversight, but that's not the first year. This is the second year that has transpired in terms of the Board of Police Commission, and we are trying to get the attention of the Mayor and hopefully some of the appointees now on the Board who have past history in terms of protocol and formality, and I'm glad that mother Bernice brought that issue up because, as I mentioned, since 1974 this Commission has played a major role and I want to say to DPD without the Commissioners being -- Police Commissioners being appointed by the governor, there would be no police department. That was the first step of forming the Commission before they formed the Police Department. So there's a long history going back some

# 2/12/2015

|    | Page 76  |

| 1  | years. And this Board is no different because we now   |
| 2  | have elected Commission that's haven't changed the     |
| 3  | mission at all, it just enhanced the mission. So on    |
| 4  | that note, the Chair would entertain a motion to       |
| 5  | adjourn.   |
| 6  | I just want to say thank you for coming out            |
| 7  | on this warm evening to the east side of Detroit.      |
| 8  | Don't let this be your last time. We have refreshments |
| 9  | and I thank you for please do not leave the building   |
| 10 | without indulging. And Anna, thank you and other       |
| 11 | people who put this together. That's the hospitality   |
| 12 | on the east side of Detroit. Thank you. Please make    |
| 13 | sure you sign in as far as the 9th precinct, the 5th   |
| 14 | precinct also the Board, for the Board Police          |

| 16 | name. And thank you Commissioners for coming out and   |
| 17 | the staff for coming out and all of the DPD and all of |
| 18 | you and have a safe Valentines. If you're a senior,    |
| 19 | come out to the Chief Senior Ball. Thank you. The      |
| 20 | Chair would entertain a motion.                        |
| 21 | COMMISSIONER MOORE: So moved.                          |

| 23 | CHAIRPERSON BELL: Motion passed. Thank you.            |
