2 Thursday, May 14, 2015

3 About 6:34 p.m.

4 (Commissioners Moore and White not present).

5 CHAIRPERSON BELL: Good evening.

6 AUDIENCE: Good evening.

7 CHAIRPERSON BELL: I want to welcome you to  
8 the weekly community meeting, more or less like the  
9 monthly meeting of the community of the Board of Police  
10 Commission. I am your Chair, Willie Bell, for this  
11 meeting. And up until June the 30th, I will be your  
12 Chair. Then we will have a transition of leadership.  
13 So it's good to see all of your smiling faces here in  
14 attendance. And we are going to move forward.

15 And we are blessed to be here at Westminster  
16 Church of Detroit. And this is just a lovely, lovely  
17 sanctuary. And I just want to remind you that we are  
18 in the house of the Lord, so we should act accordingly  
19 in terms of our business meeting.

20 COMMISSIONER TAYLOR: Yes.

21 CHAIRPERSON BELL: And our minister, the  
22 senior pastor here, was so kind. I made a telephone  
23 call to her this week. And she consented to make sure  
24 she was in attendance to offer our opening prayer. And  
25 that is Pastor Mary Austin. And she is going to come

1 forward and offer a prayer and whatever other remarks  
2 she might want to make in terms of welcoming you to  
3 Westminster Church of Detroit. And thank you for your  
4 attendance.

5 PASTOR AUSTIN: Forgive me for having my back  
6 to some of you.

7 A quick story, if you will. I was fortunate  
8 enough to be in Washington, D.C. earlier this week.  
9 And I was waiting for my plane at the airport, in kind  
10 of a horseshoe area. People were sitting at tables,  
11 drinking coffee and tapping on their tablets.

12 And all of a sudden a number of police  
13 officers and sheriffs deputies in uniform with some  
14 bobbies from London appeared at one of the gates, lined  
15 up in two rows, and waited. And out came a  
16 bewildered-looking family. You have seen this a number  
17 of times, I know. And they repeated the same thing at  
18 the next gate. And finally it became clear that these  
19 were people coming to Police Week, names that would be  
20 entered in the memorial of grieving families. And then  
21 I was almost done in by this when the bagpipes  
22 appeared, and they did it yet again. And people stood  
23 up, one by one by one, they sat down their Starbucks  
24 and their tablets, and stood around these families that  
25 they did not know at all. And it reminded me how

1 encircled all of our police officers are in this work  
2 that everybody does. That there are always people  
3 standing around, standing with respect, standing with  
4 admiration, standing with appreciation. So in this  
5 Police Week, it was wonderful to be reminded of that.

6 So as we come to the business part of your  
7 meeting, let us come to God with a prayer.

8 Holy and gracious God, we know that we meet  
9 always in your presence. And we pray the gifts of your  
10 wisdom, your courage, your far seeing, your compassion,  
11 that they would come to this meeting and all meetings  
12 of this body. We pray that in these complicated times,  
13 that when the way grows dark, you would come with  
14 courage, you would come with understanding, you would  
15 bring wisdom into darkness, and healing out of pain.  
16 We pray that you would hold up all who seek to serve  
17 this city, giving gifts of energy, hope, strength,  
18 community, that each one would know your touch in this  
19 work to which you call them. God, we come knowing that  
20 we are touched by your power. And we give you thanks  
21 for the work you give us to serve you. We pray this  
22 night in Jesus' name. Amen.

23 AUDIENCE: Amen.

24 CHAIRPERSON BELL: Thank you, Pastor Austin.  
25 I am going to ask our Board Secretary George

1 Anthony to conduct a rollcall of the Commission at this  
2 time.

3 SECRETARY ANTHONY: Mr. Chair, George  
4 Anthony, Secretary to the Board, for the record.

5 Mr. Chair, generally at the community  
6 meetings, the commissioners introduce themselves.

7 Would you still want me to do the rollcall?

8 CHAIRPERSON BELL: I am sorry. You are  
9 correct, sir.

10 SECRETARY ANTHONY: Yes.

11 CHAIRPERSON BELL: You are correct. I am  
12 going to --

13 We are going to allow the Commission to  
14 introduce themselves in terms of the rollcall, starting  
15 to my immediate left, and any other remarks they might  
16 want to make. And especially the Commissioner as far  
17 as the district, if you want to give another welcome to  
18 the audience in attendance, that would be great. Thank  
19 you. To my left.

20 COMMISSIONER SHELBY: Commissioner Richard  
21 Shelby, District 1.

22 COMMISSIONER VANN: Commissioner Edgar Vann,  
23 District 2.

24 COMMISSIONER CRAWFORD: Commissioner Reginald  
25 Crawford, District 3.

1 COMMISSIONER TAYLOR: Commissioner Jessica  
2 Taylor, at large.

3 COMMISSIONER CARTER: Commissioner Lisa  
4 Carter, Vice Chair to the Commission, District 6.

5 COMMISSIONER BURTON: Commissioner  
6 Willie E. Burton, District 5.

7 COMMISSIONER DEWAELSCHÉ: Commissioner Eva  
8 Garza Dewaelsche, at large.

9 COMMISSIONER MALLETT: Commissioner Conrad  
10 Mallett, appointee of Mayor Duggan, and the former  
11 president for ten years of Sinai-Grace Hospital. So  
12 being down the street from my former place, I am still  
13 with the DMC, very much like coming home.

14 CHAIRPERSON BELL: And this district is?  
15 What district are we in?

16 COMMISSIONER SHELBY: District 1.

17 CHAIRPERSON BELL: District 1. Okay.

18 (Inaudible colloquy).

19 CHAIRPERSON BELL: You have a mic.

20 COMMISSIONER SHELBY: I want to thank  
21 everyone for coming out today. This is District 1.  
22 This is our Board of Police Commissioners.

23 As most of you know, the Board of Police  
24 Commissioners was formed in 1974. We are current on a  
25 condition. We had a Charter Amendment, 2012. And we

1 have 11 commissioners. The function of the Board of  
2 Police Commissioners is to serve the citizens of the  
3 city of Detroit. I am your Commissioner for  
4 District 1.

5 CHAIRPERSON BELL: Thank you.

6 COMMISSIONER SHELBY: And these are my fellow  
7 commissioners.

8 CHAIRPERSON BELL: Thank you, Commissioner  
9 Shelby.

10 And just to make a note that Commissioner  
11 Ricardo Moore is going to be running a little late.  
12 And Commissioner Donnell White is going to be excused  
13 for this meeting this evening. So that is rollcall.

14 Mr. Secretary, do we have a quorum?

15 SECRETARY ANTHONY: You do have a quorum,  
16 Mr. Chair.

17 CHAIRPERSON BELL: Thank you, sir.

18 And to my immediate left, sitting there is  
19 Chief of Police, who need no introduction, but I will  
20 do the formality for the record, will be Chief  
21 James E. Craig.

22 CHIEF OF POLICE CRAIG: Thank you.

23 CHAIRPERSON BELL: Mr. Anthony, would you  
24 introduce the staff of the Board of Police Commission?

25 SECRETARY ANTHONY: Yes, sir. Seated in the

1 front row, we have Ms. Pamela Davis-Drake, our Chief  
2 Investigator. Also, Ms. Linda Bernard, who is our  
3 attorney to the Board. Mr. Robert Brown is our  
4 administrator, I am not sure where he is.

5 COMMISSIONER MALLETT: Right there.

6 SECRETARY ANTHONY: Oh, thank you.

7 Sergeant Alan Quinn is to my right, is  
8 recording the proceedings. And Ms. Rhonda Foster from  
9 Hanson Court Reporting Service is taking the  
10 transcript.

11 That completes the introductions, sir.

12 CHAIRPERSON BELL: Thank you, sir.

13 And in terms of -- we in the process of doing  
14 introduction, I will ask the Chief to introduce his  
15 command staff and any other officers in attendance at  
16 this time.

17 CHIEF OF POLICE CRAIG: Thank you,  
18 Mr. President.

19 I am going to follow your lead on this, and  
20 if I would -- starting with my First Assistant Chief  
21 Stair, if you would stand and be acknowledged. And  
22 then if everyone would introduce themselves.

23 1st A.C. STAIR: First Assistant Chief  
24 Lashinda Houser -- Lashinda Stair. Sorry.

25 CHIEF OF POLICE CRAIG: Stair. See, I said

1 Stair. I said Stair.

2 1st A.C. STAIR: I am still doing it.

1           lieutenants.

2                       LIEUTENANT DONOVAN:  Lieutenant Mike Donovan.

3                       CHIEF OF POLICE CRAIG:  And certainly last  
4 but not least, our neighborhood police officer, if you  
5 would stand and be acknowledged.

6                       NPO COLEMAN:  Officer Baron Coleman.

7                       NPO MARSHALL:  Officer Corey Marshall.

11                      OFFICER WILLIAMS:  Brian Williams.

12                      SERGEANT PERRY:  Sergeant Curtis Perry.

13                      CHIEF OF POLICE CRAIG:  Great.  Thank you.

14                      CHAIRPERSON BELL:  Thank you, Chief.

15                      Since this is National Police Week, and we  
16 have been celebrating Police Week here in Detroit, all  
17 week, so let's give a round of applause to our men and  
18 women in uniform.

19                      AUDIENCE:  (Applause).

20                      CHAIRPERSON BELL:  As we move forward, I am  
21 going to -- we normally read the duties and  
22 responsibilities of the Board of Police Commission.  
23 But this is Police Week, and the Chief reminded us that  
24 the Hundred Club that's very supportive of police  
25 officers and widows, families that have been killed in

1 the line of duty. So to spark a note that we have  
2 lost -- is that 42 or 44 officers?

3 CHIEF OF POLICE CRAIG: Forty-four this year.

4 CHAIRPERSON BELL: Forty-four officers on the  
5 national level across this country. And, you know,  
6 just two recently in my home state of Mississippi, he  
7 pointed out Mississippi and Alabama have lost more  
8 officers than any other state. So we have to be  
9 reminded.

10 I just want to share that the Police  
11 Department by Charter duty, the Police Department shall  
12 preserve the public peace, prevent crime, arrest  
13 offenders, protect the rights of persons and property,  
14 guard the public health, preserve order, and enforce  
15 the laws of the State of Michigan and the United States  
16 and the ordinance of the City of Detroit. It is an  
17 awesome responsibility in terms of fulfilling that.

18 And we just graduated officers from the  
19 Academy, and they go through the whole process. And  
20 welcome them to the family. And I just want to say  
21 that it is rather unique in a person raising their  
22 right hand and take an oath to serve and protect.  
23 That's an awesome challenge. I think in the same vein  
24 that people serve in the military, it is an unthinkable  
25 job because surely, we don't get compensated, these

1 officers don't get compensated properly.

2 I was over to the 9th Precinct and the 5th  
3 Precinct. And my understanding, we might be losing  
4 three more officers. They are moving on to better pay,  
5 better conditions. So you can see as we hire people  
6 and people looking not for a job, but a career, it is a  
7 challenging time for the City of Detroit. I am hoping  
8 at some point that we can address the financial  
9 situation of the officers being properly compensated in  
10 the City of Detroit. I know the mayor is sensitive,  
11 Council is sensitive, and the people in city of Detroit  
12 are very sensitive to that issue. So I just wanted to  
13 say that, rolling to the Board of Police in terms of  
14 accountability of police officers. And sometimes they  
15 get painted with a broad brush by their review in terms  
16 of taking certain action, but overall we know the  
17 challenge that they face day to day, from shift to  
18 shift, from duty to duty. And when you suffer that  
19 type of interaction and loss, it is really devastating.  
20 That's why we really need to appreciate our officers.

21 I just want to say on behalf of the Board  
22 that we appreciate and we understand your role. If we  
23 don't understand, there is something wrong. Because we  
24 are the Board of Police Commission. There is no  
25 bridge. There is no politics that separate us in that

1 instance. So I just want to share that with you.

2 (Applause).

3 CHAIRPERSON BELL: Commissioners, we have an  
4 agenda for the night. What is your pleasure?

5 COMMISSIONER VANN: Move adoption,  
6 Mr. President.

7 CHAIRPERSON BELL: Thank you.

8 COMMISSIONER TAYLOR: Support.

9 COMMISSIONER DEWAEELSCHÉ: Support.

10 CHAIRPERSON BELL: It's been properly moved  
11 and supported.

12 Those in favor?

13 COMMISSIONERS: Aye.

14 CHAIRPERSON BELL: Those opposed?

15 Motion carried.

16 And approval of the minutes from Thursday,  
17 May the 7th, 2015. The Chair will entertain a motion  
18 to that effect.

19 COMMISSIONER TAYLOR: So moved.

20 COMMISSIONER DEWAEELSCHÉ: Support.

21 CHAIRPERSON BELL: It's been properly moved  
22 and second.

23 Ready for the question. Those in favor, aye.

24 COMMISSIONERS: Aye.

25 CHAIRPERSON BELL: Those opposed?

1 Motion carried.

2 In reference to the next item of business, it  
3 is always moved quickly into my report.

4 And I just want to share a couple of things.  
5 I already mentioned about the graduating class and the  
6 Hundred Club. And that's really a blessing because we  
7 are not that first with them until something happened.  
8 And then they really didn't have a long history.  
9 Perhaps the Chief can elaborate a little bit more  
10 because he the key note speaker for the affair at the  
11 Detroit Golf Club.

12 And I just wanted to share that the grand  
13 opening of the DPD Police Museum was just outstanding  
14 Tuesday in terms of the history, and all of the items  
15 they have there. And I was just really impressed in  
16 terms of just walking casually through the room. And I  
17 hope to visit in the near future in terms of studying  
18 that a little bit more and the memorial hall, the  
19 plaques of all the officers fallen in the line of duty  
20 is just really appropriate in terms of that type. And  
21 I commend the Chief once again for his visionary to  
22 establish the museum. And that's something unique,  
23 something that's long overdue.

24 Commissioners, we had an outstanding forum at  
25 the East English Village Preparatory Academy. I think

1 the Commission was really good, and but more important,  
2 the young people was really, really engaging. And we  
3 need to do more of that in the near, near future and in  
4 the fall. So I really thank you for your attendance  
5 and your remarks and your indulgence in terms of that  
6 type of activity.

7 Police Week, I had an opportunity -- well,  
8 not in that sense, to visit the 10th Precinct,  
9 Community Relation Committee, along with Commissioner  
10 Ricardo Moore and Vice Chair Lisa Carter in terms of  
11 District. And they was quite engaging there.

12 And also had an opportunity to travel to the  
13 11th Precinct and the 7th Precinct community. And they  
14 did an outstanding engagement in terms of that type of  
15 activity. So both captains was on the scene. And  
16 people was engaging, very supportive.

17 And my precinct, the 5th and 9th Precinct,  
18 once again, it was just outstanding in terms of the  
19 meal and activities. So there was a broad base of  
20 support from that type of community, that type of  
21 relationship with the community and the policing. So  
22 as we move forward, I just really appreciate that type  
23 of engagement of Police Week. And the officers really  
24 appreciate that type of involvement.

25 On a positive note, just another note, I want

1 to state that on the Eastside of Detroit, they are  
2 going to have a Join Us As We Walk Against Youth  
3 Violence on May the 20th beginning at Denby High  
4 School. That's sponsored by -- I think it is the  
5 Children's Aid Society. That's on -- I want to make  
6 sure I get that in, because I said I would share that  
7 with you, that's on -- and that is a tough area in  
8 terms of they are trying to deal with the crime issues  
9 over there. So it is sponsored by the Children's Aid  
10 Society. That's on May 20th, and it's starting at  
11 9:00 a.m., so you will hear more about that in the  
12 future, but it is May the 20th.

13 On that note, next point of business would be  
14 Ms. Tanya Smith, Angels For Life. Thank you.

15 MS. SMITH: Thank you. Good evening.

16 AUDIENCE: Good evening.

17 MS. SMITH: My name is Tanya Smith, and I am  
18 with Gift of Life MOTTEP. I think I saw you --

19 CHAIRPERSON BELL: Last night.

20 MS. SMITH: -- last night, East English  
21 Village.

22 I first of all would like to thank  
23 Commissioner Ricardo Moore and Secretary George Anthony  
24 for this opportunity.

25 I come before you seeking your assistance in

1 educating our community regarding the need to join the  
2 organ donor registry. Our people are dying because we  
3 fail to sign up. In Michigan alone, we have over 3,300  
4 people waiting on the transplant list. Of those 3,300  
5 people, 40 percent are African-American, and 80 percent  
6 are waiting on a kidney.

7 So it is our responsibility to help those  
8 that cannot help themselves.

9 And so I come before you asking you to, if  
10 you have not signed up, if you don't have a heart on  
11 your driver's license, please see me this evening.

12 If you do have a heart on your driver's  
13 license, we seek your support of our annual walk, which  
14 is in July, July 25th, that's a Saturday, at historical  
15 Belle Isle Park.

16 My title is Program Coordinator for Angels  
17 For Life, which means that my focus pretty much should  
18 be faith-based. And so if there is congregations out  
19 there that I can come and speak and engage, I would  
20 love the opportunity. And if any of the audience has  
21 an opportunity where I can come and educate on a more  
22 extensive platform, I would very much appreciate it.  
23 So all I need for you tonight is I need your driver's  
24 license and your date of birth, and I can sign you up.

25 So I thank you for your time and I thank you

1 for your attention and I would really appreciate your  
2 support. Thank you.

3 (Applause).

4 CHAIRPERSON BELL: Thank you.

5 The next item will be Brian Williams from  
6 NOBLE. And his theme is Law in Your Community. And  
7 you can properly introduce NOBLE for those that are not  
8 familiar with NOBLE.

9 OFFICER WILLIAMS: Yes, sir. Good evening,  
10 everyone.

11 AUDIENCE: Good evening.

12 OFFICER WILLIAMS: Thank you all for letting  
13 me speak here today. My name is Brian Williams. I am  
14 a police officer with Wayne State University and a  
15 member of NOBLE. And for those of you who don't know  
16 what NOBLE is, it is an acronym that stands for  
17 National Organization of Black Law Enforcement  
18 Executives. It is a nonprofit organization that  
19 addresses solutions for law enforcement issues and the  
20 community needs, and we kind of bridge those things  
21 together.

22 As everybody in this room knows, that there  
23 is a huge disconnect right now throughout the whole  
24 country between the community and law enforcement  
25 personnel. And what NOBLE has done is put together a

1 program called the Law in Your Community program. And  
2 what this does is -- the ages that it wants to target  
3 is 14- to 24-year-olds, which is our youth  
4 demographics. And what it does is it educates the  
5 citizens and the community on ways to interact with the  
6 police, but also the judicial system as a whole.

7 When I talk to most of the young people, they  
8 don't understand the difference between a civil  
9 infraction, a misdemeanor, or a felony, and how that  
10 can affect them later on through their careers they are  
11 trying to create, anything for themselves. So  
12 basically we educate them on that.

13 We also educate them on the court system.

14 And then the most important piece is the  
15 engagement when it comes to police officers, whether it  
16 be on a traffic stop, whether it be on a search  
17 warrant, or whether it be a contact on the street. It  
18 gives the citizens their rights and also their arrest  
19 rights, because most of the people don't know this.

20 Additionally, there is another component to  
21 it which is a scenario component to it. Basically it's  
22 a role reversal. So the participants in the audience  
23 can be, quote, unquote, the police for the day. And  
24 then we go through scenarios with traffic stops, search  
25 warrants and anything like that.

1                   Now, this is a free program. So I am one of  
2 the presenters. I wanted to transfer this. And it is  
3 a free program. So I want people to use me as a -- to  
4 their discretion. I am probably one of the only ones  
5 in Detroit as of right now that's going to be  
6 presenting. So if you need me, please, please, please,  
7 definitely get in contact with me. I have information  
8 for you, and flyers to pass out, and I will be staying  
9 after the meeting to let -- so if anybody have any  
10 questions, that they can definitely contact me and know  
11 how to get in contact with me. And so we can get this  
12 program under way.

13                   We are targeting community juvenile community  
14 rec centers, juvenile detention centers, high schools,  
15 charter schools, anywhere where we can get this  
16 information out because there needs to be something.

17                   If you guys are paying attention to the  
18 education that they are probably getting now which are  
19 coming from these blogs, they are making a mockery of  
20 us as a whole because most of these stops that are  
21 happening, they are recording them, but the  
22 confrontations between the officer and the person are  
23 not good confronta -- I mean, are not publicized as  
24 good. So it is something needs to be done. This is  
25 not the magic pill to get rid of everything. However,

1 this could be something that can assist on the issues  
2 that's going on.

3 So if you have any questions, I will be here  
4 afterwards. Thank you again.

5 CHAIRPERSON BELL: One second, please.

6 Commissioners, any questions, concerns?

7 I have one.

8 OFFICER WILLIAMS: Yes, sir.

9 CHAIRPERSON BELL: We would like to engage  
10 you more in terms of that type of interaction. I  
11 appreciate our Board Secretary George Anthony, we had  
12 the local president of the local in terms of why you  
13 are here, and we talk, and perhaps we might engage you  
14 even coming up next week, hopefully your schedule  
15 permit it, because we have a little conflict, but we  
16 want to work with you because I think it is crucial  
17 what you are offering up in terms of trying to bridge  
18 that gap between the young people and the police, and  
19 it is ongoing. So I am looking forward to that type of  
20 interaction, that type of dialogue.

21 OFFICER WILLIAMS: That's no problem.

22 CHAIRPERSON BELL: Thank you for coming out  
23 tonight.

24 OFFICER WILLIAMS: Thank you, sir.

25 CHAIRPERSON BELL: Any other questions?

1 Thank you, sir.

2 (Applause).

3 CHAIRPERSON BELL: Housekeeping, keys.

4 (Keys claimed).

5 CHAIRPERSON BELL: Next on the agenda would  
6 be Chief Craig.

7 CHIEF OF POLICE CRAIG: Thank you,  
8 Mr. President and Board Members.

9 As I start remarks, I would like to ask that  
10 we have a moment of silence for the 44 officers lost  
11 this year.

12 (Moment of silence).

13 CHIEF OF POLICE CRAIG: Thank you.

14 At this present point, I had the good fortune  
15 of speaking at the luncheon on the other -- it was  
16 yesterday afternoon, these days are running together.  
17 It was well attended. Certainly had an opportunity to  
18 meet several family members of slain police officers,  
19 in fact, one who was my partner in the 10th Precinct  
20 who trained me. And I had an opportunity to talk with  
21 his mother and talk about his son, and certainly a  
22 person that had an effect on me early in my career. So  
23 it was really a great opportunity.

24 I wanted to know -- is everyone familiar with  
25 the Neighborhood Police Officer take home vehicle? I

1 am not sure everybody is. Well, NPO Coleman, if you  
2 would stand again, because he is the officer that's  
3 been designated as part of this initial deployment of  
4 the take home vehicle. And your reaction has been  
5 what, if you could just share briefly.

6 NPO COLEMAN: It has been positive.  
7 Positive. The community is -- they are happy with it.  
8 Want me to step up?

9 CHAIRPERSON BELL: D.C., you can come  
10 forward. This is Mr. Personality, police officer on  
11 the west side of Detroit. If you don't know that, you  
12 should be aware that he is quite positive in terms of  
13 this community. And he's a spiritually based young  
14 man. So I appreciate him.

15 NPO COLEMAN: Yes, I will be brief because I  
16 know this is the Chief's presentation. I just wanted  
17 to speak on the NPO program. And just one correction  
18 to you, sir. Not the west side of Detroit. Detroit.

19 CHAIRPERSON BELL: Oh. I didn't know you  
20 were -- I didn't know you infringed on the Eastside. I  
21 thought I was that guy.

22 NPO COLEMAN: See, when I go out, I don't  
23 mention the west side of Detroit. I mention Detroit,  
24 so I love Detroit --

25 CHAIRPERSON BELL: I know.

1 NPO COLEMAN: -- like I said before, I love  
2 Detroit. So taking a vehicle home has been very  
3 successful for me so far. I enjoy looking outside,  
4 seeing it out there. I don't have to worry about going  
5 to get the car, going back out. So it works for me,  
6 neighbors are watching it.

7 Feedback from my partners, they are still  
8 trying to figure it out, trying to figure out, what is  
9 this about? So I guess in time, it will tell. It is  
10 unfortunate we were not able to do this years ago, but  
11 everything happens for a reason. I am doing as I was  
12 asked. And I asked the Lord, would it be okay? And I  
13 was granted permission by my wife, she approved of it,  
14 my wife approved of it, I like it, my wife likes it,  
15 the Chief, he honors it. So that's it, if you have any  
16 questions.

17 Thank you.

18 CHAIRPERSON BELL: Thank you.

19 COMMISSIONER MALLETT: Mr. Chairman?

20 CHAIRPERSON BELL: Yes, sir.

21 COMMISSIONER MALLETT: Do you park it in your  
22 driveway? I mean, where do you park the car all the  
23 time?

24 NPO COLEMAN: I have parked it in the  
25 driveway. That's inconvenient for me because my wife

1 goes in and out. She uses the driveway, I use the  
2 street.

3 COMMISSIONER MALLETT: Okay.

4 NPO COLEMAN: So because I have my car at  
5 home, I use mine, it's in the far back. I cannot put  
6 my police car in the backyard because trees are out  
7 there, it leaves all the stuff every morning. So I  
8 leave it out in the street.

9 I have had three neighbors to beg me to put  
10 it in their driveway. I have placed it in front of  
11 their houses. The first day I did the press  
12 conference, I didn't know the success that would be,  
13 but they were outside, congratulating, I came home,  
14 they stopped and started applauding. I was shocked.  
15 And I found out more people know who I was before, you  
16 know, I am not a scared cop. Right. And I learned  
17 when I first came home, this man right here, Reginald  
18 Crawford, that was the guy who trained me, and he is  
19 not a fearful person either. So it was imbedded in me.  
20 I was trained well.

21 So they knew me before the car came. I don't  
22 take off my uniform, I wear it home. Sometimes I get  
23 out of my own car in my uniform, I walk down the  
24 street, and I talk to my neighbors. My neighbors have  
25 known me for years. I am known I guess throughout the

1 city from being on TV so much. So to bring the car  
2 home means nothing really to me. My neighbors are  
3 happy to see it because it protects the street, but it  
4 don't cause problem toward me. It don't, you know,  
5 bring any kind of spear to my life or anything like  
6 that.

7 A lot of people wondering, how could you do  
8 that? You know, you do as the Lord asks you to do, and  
9 I do as the Chief asks me would I would do. And I do  
10 as my wife say it is okay to do. You know, so it has  
11 been okay.

12 Unfortunately, you know, we probably will  
13 have people that, you know, try -- come negative about  
14 it, but we will deal with that. People try to attack  
15 the cars at the precinct. You know, one night they  
16 just went out there and destroyed a couple of windows.  
17 I mean, it happens. It wouldn't matter if the car was  
18 at my house or not.

19 I live in a good neighborhood. And I  
20 remember years ago, all Detroit was a good  
21 neighborhood. Well, maybe if more officers are allowed  
22 to do that, the whole city could become a good  
23 neighborhood again.

24 Yes, ma'am.

25 COMMISSIONER DEWAELSCHÉ: Commissioner?

1 CHAIRPERSON BELL: Yes, ma'am.

2 COMMISSIONER DEWAEELSCHÉ: I do have a  
3 question.

4 So do you anticipate -- I know it is a new  
5 program, but do you anticipate like maybe neighbors  
6 coming to you at all hours because the car is parked at  
7 your house, like for help in case something --

8 NPO COLEMAN: Actually, no, I do not  
9 anticipate that.

10 COMMISSIONER DEWAEELSCHÉ: Okay.

11 NPO COLEMAN: But if it happen, I am willing  
12 to help somebody. And if I retire next year when I can  
13 or ten years when I want to, and they knock on my door,  
14 I still will help them. So I anticipate being a person  
15 that can help other people when they need help. I  
16 wouldn't care about the time of the night. I wouldn't  
17 care if I am the police or not. But if you can offer  
18 help, you should do it. That's what makes the village  
19 strong. And a lot of people tend to -- oh, I don't  
20 want anybody knock -- yeah, knock on my door, because  
21 if your life is in danger, and I can be a part of that,  
22 I can help you, knock on my door. So do I anticipate  
23 it? No. Can it happen? Yes. If I can save  
24 somebody's life, I hope that car and me can do that.  
25 And for those that didn't get my name, it is Officer

1 Baron Coleman. I am known as BC, Baron Coleman, NPO,  
2 Detroit, number one, that's me.

3 CHAIRPERSON BELL: I wanted to say, they had  
4 this quite some time in the city of Memphis, Memphis,  
5 Tennessee, they have a program, and, you know, it's not  
6 for all officers, so you are really a good officer, a  
7 great officer having that type of ability to take the  
8 car home.

9 NPO COLEMAN: Yes, sir.

10 CHAIRPERSON BELL: I know Memphis, Tennessee,  
11 when I visit, because I have a nephew with the Memphis  
12 Police Department. So it is good to see that you are  
13 that type of person who is totally committed to the  
14 City of Detroit. And thank you for your service.

15 NPO COLEMAN: Yes, sir. I thank you for  
16 that.

17 And also, they do have it in Indianapolis  
18 too. I have a friend in Indianapolis, when I visit  
19 him, he actually picks me up in a squad car. I thought  
20 that was pretty interesting. Baby seat in back.

21 (Commissioner Moore entered proceedings at  
22 about 7:05 p.m.)

23 CHAIRPERSON BELL: I do have a nice driveway  
24 on the Eastside, since you mentioned that you cover the  
25 city of Detroit, you can park it overnight.

1 NPO COLEMAN: Well, that will come with some  
2 limitations, because I have got to get back to the west  
3 side where I belong.

4 CHAIRPERSON BELL: Catch a bus.

5 NPO COLEMAN: Thank you. Thank you.

6 CHAIRPERSON BELL: Thank you.

7 (Applause).

8 CHIEF OF POLICE CRAIG: So our goal in terms  
9 of deployment, the car is set for our Neighborhood  
10 Police Officers who reside in the city of Detroit. And  
11 we do have a goal of deploying 20 vehicles.

12 Certainly, through the gracious donation of a  
13 local businessman who painted that vehicle, again,  
14 these were vehicles that were probably set to go into  
15 the junk yard, this was a pretty bad one in terms of  
16 its exterior. A lot of our 2004, 2005 Crown Victorias,  
17 the paint is peeling off of them. It's probably a  
18 manufacturing defect. But we thought it would be an  
19 opportunity to really to get some valuable use out of  
20 the vehicle.

21 Also, Mr. President, you talked about the  
22 opening of the museum. Certainly, the vision I had  
23 when I first arrived here, having worked in -- in fact,  
24 every department I worked in had a museum, certainly a  
25 museum to capture the rich history of the various

1 police departments. But given that this is our 150th  
2 year birthday, and having the opportunity to use the  
3 nice space that we have in our new Headquarters, it  
4 seemed fitting to realize that vision and certainly  
5 work with people who certainly had a rich history of  
6 the department.

7 So we are excited about it. We believe it is  
8 going to expand. And there may be a time where we may  
9 have to look for another location because of the  
10 growth. So we are excited about that.

11 I will go into crime. And then I will close  
12 out on our Youth Peace Summit.

13 In terms of crime year-to-date, let me pull  
14 it up on my phone, year-to-date, we are sitting on an  
15 overall reduction in crime of 15 percent, Part 1 crime,  
16 that is, that includes both violent and property crime.

17 Specifically where we are challenged at this  
18 year, we are sitting on a 25 percent increase in  
19 homicide, as compared to last year. As you know, last  
20 year, we certainly had probably the best year in  
21 47 years. But then when you compare this year to 2013,  
22 we are sitting on an increase -- or a reduction of  
23 6 percent. So we are 6 percent better than we were in  
24 2013. And we are up 25 percent as compared to 2014.

25 In terms of overall violent crime, we are

1 still 4 percent reduction over last year, and a  
2 9 percent reduction over the year prior. So  
3 statistically, we are still trending downward.

4 The one crime that we are seeing a dramatic  
5 reduction is in the area of sexual assaults, 36 percent  
6 reduction.

7 A 20 percent reduction in robbery, a 22  
8 percent reduction in carjacking incidents. Aggravated  
9 assaults are slightly up, due to homicides and nonfatal  
10 shootings.

11 And then we get into property offenses. We  
12 are down 19 percent, as compared to last year. But  
13 when you look at 2013, this year we are down 33  
14 percent.

15 So again, we are moving in the right  
16 direction. But as I oftentimes say, you know, as our  
17 work continues, there is still plenty of work to do.  
18 But again, I do credit, not only the work of the men  
19 and women who go out and risk their lives every day,  
20 but also the community that is truly a partner.

21 And the last point I wanted to make, I know  
22 there was some mention about working with the youth,  
23 just for a point of clarity, over the last 22 months,  
24 we have done a lot of work in our youth community. So  
25 certainly, if the Board has an interest in exploring

1 some of the activities that we have done, we would be  
2 more than willing to share in detail the work that we  
3 have done and are doing.

4 By way of example, we launched during the  
5 last year-and-a-half our City Camp, children in trauma  
6 intervention camp designed to work with middle school  
7 age children. We have had three such camps, three  
8 successful efforts. We are poised to do yet a third  
9 one. That's one example.

10 But what I am most excited about coming up,  
11 is our Youth Peace Summit, which will also include what  
12 the NOBLE representative was talking about. Again, we  
13 are doing quite a bit with the youth community. And we  
14 want to make sure we are not duplicating, but that we  
15 are working together. So at this point, I would ask if  
16 Todd Bettison could talk about the Youth Peace Summit  
17 we have planned in the next month.

18 Todd.

19 CHAIRPERSON BELL: As Commander Bettison come  
20 forward, I would like to acknowledge Commissioner  
21 Ricardo Moore has joined us about ten minutes ago. And  
22 good to see you tonight.

23 COMMISSIONER MOORE: Thank you, Mr. Chair.

24 CHAIRPERSON BELL: Thank you.

25 Yes, sir.

1                   COMMANDER BETTISON:  Commander Bettison.

2                   We have a Peace Summit planned.  And it is  
3 going to be June the 25th.  And it is going to be at  
4 the Butzel Center.

5                   Also, we are going to do an Eastside one.  It  
6 is going to be at a park, Butzel, a west side one and a  
7 southwest side one.  The next event will be, after the  
8 Eastside, we are going to hit the southwest side.

9                   So everything is about neighborhoods  
10 connecting with the youth and showing what some of the  
11 young man talked about from NOBLE, how to interact with  
12 the police.

13                   Also, at the summit, having the youth take a  
14 peace pledge.  We want to make sure that we are getting  
15 out and being proactive like we have been doing with  
16 the city camps and our other events to lower the  
17 temperature, you know, we know we are going into the  
18 summer months.

19                   We are going to be talking and having  
20 breakout sessions at the Peace Summit as far as  
21 anti-bullying, sexting, no to drugs, there's a say no  
22 to drugs component, as well, D.A.R.E.  We are back into  
23 the D.A.R.E. approach, as far as educating our youth as  
24 far as the dangers of drugs.  So we are working.

25                   And one of the pieces that the Chief wanted

1 the components for is to have the youth engage with the  
2 planning, because this is for them.

3 And we are going to be connecting with our  
4 college youth, as well. We are partnering with Radio  
5 One, so that they are offering to have folks with swag  
6 come in that our youth can really connect to. Because  
7 hearing it sometimes from me in a uniform, you need  
8 that community involvement. And that's what has made  
9 us so successful thus far is by getting the community  
10 involved so that they can say things and connect with  
11 folks, and showing that whole partnership. So we are  
12 very excited about our Peace Summit.

13 And also today, we have Sergeant Perry, who  
14 is over our Youth Explorers Program, our cadet program.  
15 And I would just ask that he have a few moments to be  
16 able to talk about the resources, the jobs. He is  
17 going to have close to 800 youth working in the city of  
18 Detroit this year with the Police Department. So I  
19 just wanted to kind of give you an overall.

20 CHAIRPERSON BELL: That would be fine.

21 COMMANDER BETTISON: Any questions?

22 CHAIRPERSON BELL: I just want to commend  
23 you. You are challenging this Board to be involved.

24 COMMANDER BETTISON: Oh, absolutely.  
25 Absolutely.

1 CHAIRPERSON BELL: Okay. Commission, you  
2 heard the challenge, and we should step up and be  
3 involved.

4 COMMANDER BETTISON: Absolutely.

5 CHAIRPERSON BELL: Okay.

6 COMMANDER BETTISON: Yes. Can I have  
7 Sergeant Perry come forward, just give some  
8 information?

9 CHAIRPERSON BELL: Yes, sir.

10 COMMANDER BETTISON: Thank you. Sergeant  
11 Perry.

12 CHAIRPERSON BELL: Is that Sergeant Perry  
13 that's been around since 19 -- oh, go ahead. Go ahead.

14 SERGEANT PERRY: Forty years.

15 I am Sergeant Curtis Perry. I am the Program  
16 Director of the Detroit Police Department Junior Police  
17 Cadet Program. We are celebrating our 40th year. We  
18 are going to have approximately maybe 400 to 600, maybe  
19 800 youth, between the ages of 14 and 17, low income  
20 youth between the ages of 14 and 17. And they work in  
21 approximately 65 senior citizen and adult day care  
22 centers. And they provide errands and escorts and  
23 companionship for senior citizens.

24 We also hire college students to supervise  
25 those youth and to work with the building management,

1 activity director of those buildings to find activities  
2 for the seniors and the youth to do together.

3 So we are very proud of our program. We are  
4 proud of the Detroit Police Department for sponsoring  
5 the program. Also, our new sponsor this year, SER  
6 Metro, so we are looking forward to that endeavor.

7 The Chief comes out every year to our  
8 ceremony and encourages the kids. So we are very  
9 involved in the youth, and the Detroit Police  
10 Department have always been very involved in the youth.  
11 We have the Detroit Police Explorers Program that's  
12 very successful. And most of -- I can proudly say  
13 today that about approximately 60 to 70 police officers  
14 that's on the job came through Detroit Police  
15 Department Junior Police Cadet Program and Explorer  
16 Program.

17 Thank you.

18 (Applause).

19 CHAIRPERSON BELL: Thank you.

20 Yes, sir?

21 COMMISSIONER MOORE: Yes, sir. I was just  
22 curious, is 40 years, is there going to be a press  
23 release issued over that? I mean, that's fabulous.

24 SERGEANT PERRY: Forty years?

25 COMMISSIONER MOORE: Forty years.

1 SERGEANT PERRY: Ask the Chief.

2 COMMISSIONER MOORE: Chief?

3 CHIEF OF POLICE CRAIG: I guess when you hit  
4 40, and I am hitting 38 next year, so we will celebrate  
5 that together.

6 The last remark I have on youth, and then I  
7 will make my closing remarks and open it up for  
8 questions.

9 Under the leadership of First Assistant Chief  
10 Stair, we have found a way to bridge the gap. I know  
11 one of the concerns I heard repeatedly during my early  
12 time here is, how come we are not hiring more  
13 Detroiters as police officers? And so one of the  
14 things that we have done, we have identified two high  
15 schools, and we are creating and launching -- I don't  
16 know if I should call it a police magnet -- these are  
17 high school students that have a desire to embark on a  
18 career in law enforcement. They go through their high  
19 school studies. And the idea is upon graduation, when  
20 they turn 18, they should be able to come right into  
21 the police department. It really enhances our  
22 opportunity to not only invest in our youth here in the  
23 city of Detroit, but also hire Detroiters as Detroit  
24 police officers. So we are excited about that  
25 initiative. And you will be hearing more about that in

1 the coming weeks. In fact, I think we are planning --  
2 a press conference planned, what?

3 1st A.C. STAIR: A couple of weeks.

4 CHIEF OF POLICE CRAIG: A couple of weeks.

5 And we will make sure that the Board is made aware of  
6 that.

7 And lastly, I know that at the last  
8 Commission meeting, this was on the aftermath of the  
9 shooting incident involving the ICE agent. And one of  
10 the issues that was brought up by a community member  
11 is, why does the Chief have to make comments associated  
12 with this incident? Why doesn't he just not say a  
13 word?

14 Well, to the Board, and certainly to that  
15 community member, others who feel that way, there is  
16 one thing that I have learned in now my six years as  
17 Police Chief, and having worked in different cities,  
18 clearly, the community has a high expectation, and I am  
19 obligated to give the community as much information as  
20 I can without undermining an active investigation.

21 That said, I know definitively that when you  
22 give the community information about an incident,  
23 particularly an officer-involved shooting incident, it  
24 can go a long way at quelling issues, it can go a long  
25 way to continue to build trust. Trust is so important,

1 especially in today's environment. If a police chief  
2 choose to say nothing, or the old saying, "No comment,"  
3 trust me, the media will frame a story for you. And  
4 not only will they frame the story for you, then it  
5 will be ever so problematic to try to deal with the  
6 community, because the police department has chosen not  
7 to say a word. When we choose not to say a word,  
8 frankly, it leaves the community with the impression  
9 that you are trying to hide something. So in this  
10 department, in my time here, as well as in other police  
11 agencies, it has been a very effective tool. I will  
12 continue to do that, certainly always sensitive to  
13 undermining an active investigation.

14 So with that, I will open it up for any  
15 questions you have.

16 CHAIRPERSON BELL: Commissioners, any  
17 questions or comments, concerns, in reference to the  
18 Chief comment?

19 COMMISSIONER MALLETT: Mr. Chairman, this is  
20 to the Commander, to the Chief's comment about the  
21 Youth Summit, Chief, and the not wanting to duplicate  
22 resources.

23 One of the things clearly that the Detroit  
24 Medical Center has found as we have gone further and  
25 further into the community to deliver the health

1 services that we are responsible for, there are a host  
2 of potential partners, always involved in work similar  
3 to that which you are doing. And we have found with  
4 the health outreach and with the medical enrollment, we  
5 have had 175 partner organizations actually  
6 participating with us in the effort.

7 And I was just wondering if the Commander  
8 could talk about other organizational involvement or  
9 outreach that he or the Department Chief has done to  
10 get obviously very interested partners like SER Metro  
11 and other people involved in this community effort.

12 SERGEANT PERRY: Absolutely, Commissioner.  
13 As far as the Youth Summit, in particular, we looked at  
14 various venues. And we made the decision, me and the  
15 Chief, the executive team, that, okay, let's look at  
16 current things that are already occurring. So one of  
17 the partners is, of course, looking internally as far  
18 as the city parks and recs, because you have the youth  
19 there.

20 Also, we look at the philanthropic community  
21 to see what they are doing to make sure that it is in  
22 align. We look for the community, as well. When I say  
23 the philanthropic community, we look for the grants, so  
24 we are working closely with Skillman. As a matter of  
25 fact, next week we have a meeting with Skillman. And

1 we have wrote a grant, and they are very -- looking  
2 favorable to what we are doing. Because they  
3 understand the necessary need for the outreach, and a  
4 representative on a high level for Skillman was at the  
5 Chief's Community Meeting dealing with the Kellom  
6 situation that we had at Grace Church, and understood  
7 that the transparency, as far as updating the  
8 community. So we have Skillman there.

9 We are also working in concert with the  
10 Detroit Youth Violence Prevention Initiative. And they  
11 are a partner, as well. Also Black Family Development,  
12 the Nation of Islam, they are all coming on board to  
13 assist us to be able to do what we do, because quite  
14 frankly, the reason that Detroit is not a Baltimore  
15 right now or some of the other places that happen, is  
16 it wasn't the police department alone, it was the  
17 relationships that we built with the community. And  
18 they came out there to stand up for us and with us to  
19 say, not here. Our police have these relationships.  
20 So we are working very closely with the community in  
21 reaching out to make sure that we are being responsible  
22 as far as resources, and that we are maximizing our  
23 effectiveness through our relationships.

24 COMMISSIONER MALLETT: So Commander, I am  
25 thrilled by that response. And the only thing I would

1 say is, is that we have found it very beneficial to  
2 list the partner organizations that's co-sponsors.  
3 Everybody wants a little bit of recognition, Lord  
4 knows. As you know, professionally those are very --  
5 it goes a very, very long way. So I commend the  
6 effort. And I think that organizationally, the  
7 strength associated, not just with delivery of the  
8 police services, but our ability to connect with other  
9 institutions involved in work that we know to be  
10 important, is going to only enhance what we are doing.  
11 So I appreciate that. Thank you.

12 SERGEANT PERRY: Thank you, sir.

13 CHAIRPERSON BELL: Any other questions,  
14 comments, Commissioners?

15 COMMISSIONER DEWAELESCHE: Commissioner, if I  
16 may.

17 CHAIRPERSON BELL: Yes, ma'am.

18 COMMISSIONER DEWAELESCHE: I am glad to hear  
19 about the Explorers Program and the fact that that  
20 program is designed to prepare youth to go into law  
21 enforcement, which, you know, we desperately need at an  
22 early age.

23 But I heard the numbers 800 youth, 700 to  
24 800. And I don't think they are all involved in the  
25 Explorers Program. Am I correct? I mean, they are not

1 all Explorers, right?

2 COMMANDER BETTISON: I will let Sergeant  
3 Perry answer that question.

4 COMMISSIONER DEWAELESCHE: And the reason why  
5 I say that is because you have a captive audience there  
6 of 800 youth, and you are talking to them about very  
7 important issues that have to do with, you know,  
8 working with police, or if you get stopped or, you  
9 know, as the gentleman from NOBLE indicated, and that's  
10 all important. But at the same time, I think we ought  
11 to be telling our youth that law enforcement is a  
12 career, a very noble and, you know, high career, high  
13 level career, that one can get into. And we should be  
14 encouraging our youth to be thinking about that every  
15 opportunity we have. And when I heard you say 800  
16 youth, you know, you said you are teaching them a lot  
17 of things, but I didn't hear that we are teaching them  
18 that law enforcement is a great career to get into.

19 SERGEANT PERRY: Yes, we are.

20 COMMISSIONER DEWAELESCHE: Maybe you are, I  
21 just -- yeah.

22 CHIEF OF POLICE CRAIG: Through the Chair, to  
23 the Commissioner.

24 CHAIRPERSON BELL: Yes, sir.

25 CHIEF OF POLICE CRAIG: By way of example,

1 and certainly those 800 youth are not reflective of our  
2 just Explorer or Police Athletic League participants.  
3 But myself personally, as of today, I talked to several  
4 youth groups. I was at Emerson School today, and one  
5 of the conversations I have when I speak at elementary  
6 and middle school, we talk exclusively or extensively  
7 about becoming a police officer.

8 COMMISSIONER DEWAELSCHÉ: Great.

9 CHIEF OF POLICE CRAIG: Not just that, but it  
10 certainly always comes up. And so we are certainly in  
11 the business of encouraging our young people to  
12 consider a career in law enforcement.

13 COMMISSIONER DEWAELSCHÉ: Great. Thank you.  
14 Thank you very much.

15 CHIEF OF POLICE CRAIG: You are welcome.

16 CHAIRPERSON BELL: Yes, sir?

17 COMMISSIONER MALLETT: Chief, can I ask a  
18 question? Let's suppose that we do recruit  
19 successfully an 18-year-old to join the force, how are  
20 we supporting him or her in the effort? Are  
21 they -- are we providing them an opportunity or  
22 requiring them perhaps to go to a community college to  
23 continue to get a further education? Are we -- are we  
24 providing them the kind of what I would call the steps  
25 toward enhancing their emotional and intellectual

1 ability to do probably the hardest job on earth? It is  
2 not lost on me that the very fine presentation made by  
3 the officer from Wayne State University, the  
4 requirements to be on the Wayne State University Police  
5 Force, I believe, Officer, if I am correct, is that you  
6 have to have a four-year degree.

7 OFFICER WILLIAMS: That's correct.

8 COMMISSIONER MALLETT: So Chief, I am as  
9 anxious as anyone to have representatives from the city  
10 of Detroit on the Detroit Police Force. I just wonder,  
11 with your leadership and experience, if you could  
12 describe for the Board of Police Commissioners what we  
13 do to surround and manage and put in some kind of  
14 operational cocoon 18-year-olds who aspire to be  
15 frontline police officers.

16 CHIEF OF POLICE CRAIG: Through the Chair,  
17 Commissioner Mallett, all great points. In fact, I  
18 will tell you my personal opinion is that certainly it  
19 is -- I started in this business at 19 years old. It  
20 was clearly too young. I understand the reasoning  
21 behind hiring individuals that are qualified to become  
22 police officers at the age of 18.

23 However, that's why we thought as a means of  
24 preparation so that we can get the best qualified  
25 candidate, that by going into the high schools, and we

1 are doing it with two, it is an opportunity for us to  
2 develop, mentor, wrap our arms around that potential  
3 candidate. But also, the education doesn't stop just  
4 there. I am a big believer in education. I know that  
5 since my tour here in Detroit, we were fortunate to  
6 work with Wayne State. And we have acquired several  
7 full paid advanced degree scholarships for members of  
8 the Detroit Police Department. I am confident that we  
9 will continue to build that program.

10 We were successful in the city of Cincinnati  
11 where we had a program called Chief Scholar. So in  
12 terms of not just identifying candidates and preparing  
13 them for, as you say, one of the most difficult jobs in  
14 America, but what do we do once we get them here?

15 COMMISSIONER MALLETT: Yeah.

16 CHIEF OF POLICE CRAIG: And so education is  
17 important, and I know that some agencies do require a  
18 four-year degree. I will tell you in my experience,  
19 that's not practical in a large municipal police  
20 agency.

21 But what is practical and certainly what  
22 should be encouraged, that once you come into the  
23 agency, that we, as executives in this department,  
24 should be encouraging our rank and file to  
25 proceed -- pursue continuing education. And one of the

1 ways we do that is we put an emphasis on education  
2 through the promotional process. And if, certainly,  
3 you have an undergraduate or graduate degree, that  
4 certainly counts as additional points in a testing  
5 process.

6 COMMISSIONER MALLETT: Thank you.

7 CHIEF OF POLICE CRAIG: You are welcome.

8 CHAIRPERSON BELL: I just want to add that  
9 this department have a track record of recruiting  
10 18-year-olds who went on to complete their undergrad  
11 degree and master degree, and some have even gone on to  
12 law school because I am familiar with four or five that  
13 we recruited at 18-year-old right out of high school.  
14 And they went on to have a successful career. Most of  
15 them have retired now. But they took advantage of  
16 education opportunity.

17 Unfortunate, we don't have tuition  
18 reimbursement at this time. Is that something that's  
19 not in place anymore.

20 CHIEF OF POLICE CRAIG: Through the Chair,  
21 that's not in place. Certainly, like for example in  
22 the City of Cincinnati, the City of Cincinnati will pay  
23 for any officer full tuition to get their undergraduate  
24 degree. Certainly, L.A. officers stipend, they will  
25 pay a portion of it. So I think it is money well

1 spent.

2 And certainly our reaching out to Wayne State  
3 and acquiring two graduate degree programs, I am  
4 hopeful that we can expand that, and at least maybe  
5 look at some discounted programs. Wayne State has  
6 shown to be a great partner in this effort, just like  
7 in Cincinnati, University of Cincinnati was certainly a  
8 great partner. So we are excited about, you know,  
9 expanding that effort.

10 COMMISSIONER MALLETT: Mr. Chairman?

11 CHAIRPERSON BELL: Yes, sir.

12 COMMISSIONER MALLETT: I would be anxious,  
13 along with Chairman Bell, I think that an untapped  
14 resource, and I don't know what their capability is,  
15 but I know they have the willingness, and that would be  
16 Wayne County Community College. I think a  
17 conversation, Chief, with Dr. Ivery, who is the  
18 president, I think that would be very fruitful. I  
19 don't know what he can do. I am not an educational  
20 administrator. But I have got to believe that  
21 Dr. Ivery could figure out a way to partner with the  
22 Detroit Police Force to get officers who are interested  
23 in furthering their education into the school and  
24 through a process that would be productive for them, at  
25 a minimal, minimal cost. And if he can't, he can't,

1 but, Chief, I have just got to believe it would be  
2 worth the conversation.

3 CHIEF OF POLICE CRAIG: Through the Chair,  
4 Commissioner Mallett, that would be a great idea. In  
5 fact, First Assistant Chief Stair and I will pursue  
6 that. That makes good sense to me. I know the  
7 University of Phoenix, my alma mater, has certainly  
8 offered discounted rates to -- I think it is public  
9 safety, it might be just police officers. So I do  
10 believe that we do have an opportunity with community  
11 college. I know in California at one time community  
12 college was free.

13 COMMISSIONER MALLETT: Yeah.

14 CHIEF OF POLICE CRAIG: If you lived in a  
15 county of where the community college was located, it  
16 was free education. And so I don't see why we couldn't  
17 explore it, and it probably would be a win for us.

18 COMMISSIONER MALLETT: I think, Chief,  
19 frankly the foundation community would be anxious to  
20 support you and Dr. Ivery with a pilot program of some  
21 sort where there were cadre of 40 or 50 officers. So I  
22 just think the conversation would be well worth the  
23 effort.

24 CHIEF OF POLICE CRAIG: Okay. We will,  
25 again, First A.C. Stair and I will pursue it. And we

1 can report back to you on our initial discussion.

2 CHAIRPERSON BELL: Thank you, Chief.

3 And thank you, Commissioner Mallett, for  
4 pursuing that line of education because that would be  
5 very helpful in terms of that career ladder.

6 I guess the next point of business would be  
7 the 8th Precinct. The captain is -- Lieutenant.

8 LIEUTENANT DONOVAN: Good evening.  
9 Lieutenant Michael Donovan in place of Captain  
10 Pritchett. She is out.

11 I would like again to acknowledge the 8th  
12 Precinct Neighborhood Police Officers, Shawn Childrey,  
13 Corey Marshall, and BC Coleman.

14 CHAIRPERSON BELL: BC again?

15 LIEUTENANT DONOVAN: Again. I won't make him  
16 speak.

17 CHAIRPERSON BELL: He got enough air time.

18 (Applause).

19 LIEUTENANT DONOVAN: Okay. The 8th Precinct  
20 encompasses approximately 15.25 square miles. The  
21 boundaries to the north are Eight Mile from Five Points  
22 over to Greenfield. The east border is Greenfield to  
23 Eight Mile to Schoolcraft. The west border, Five  
24 Points to the west, from Eight Mile to Puritan,  
25 Telegraph from Puritan to West McNichols, Evergreen

1 from Fenkell to Schoolcraft. The south border is  
2 Puritan from Five Points to Telegraph, Fenkell from  
3 Telegraph to Evergreen, and Schoolcraft from Evergreen  
4 to Greenfield.

5 The population of the 8th Precinct is about  
6 117,000 people. It is home to three high schools,  
7 three middle schools, which are -- three middle schools  
8 and six elementary schools.

9 Other community assets are the approximately  
10 200 churches, approximately 400 businesses including 62  
11 gas stations, and six nursing and senior citizen homes.

12 The 8th Precinct is undertaking the following  
13 community initiatives. With gun safety, we run the  
14 Eddie Eagle Gun Safety Program. This is presented to  
15 students from pre-K through 3rd grade to help identify  
16 the dangers and hazards of firearms.

17 Youth programs, they -- through the  
18 neighborhood police officers, they do the Cops Read to  
19 Kids program. This is a pre-K and elementary school  
20 program that ages from age 3 to 8 years old where they  
21 go and read books to the students.

22 Coat drive, we accept and distribute over  
23 1,000 gently used or new coats in cold weather,  
24 accessories for school-age youths and their family  
25 members that were in need.

1 Health fair, back to school event, which  
2 provides students with school supplies, haircuts and  
3 mobile dentist, all free of charge.

4 Career day, we provide youth who are not  
5 going to college the opportunity to begin a career  
6 after high school with employers whose requirements  
7 were accepting of their current level of education  
8 experience.

9 Senior programs, we have senior awareness, it  
10 is a crime prevention program that informs seniors  
11 about staying safe and alert. The program includes  
12 seminars on cons and scams that are aimed toward the  
13 elderly. The City of Detroit Senior Services also  
14 participates by providing information on various  
15 programs, assistance and medical services.

16 Community programs, there are approximately  
17 55 active organized community-based organizations and  
18 block clubs, and four active C.B. patrols that our  
19 neighborhood policing officers interact and interface  
20 with regularity to address neighborhood issues such as  
21 abandoned cars, illegal dumping, blight, crime and  
22 noise complaints.

23 We have a blight committee. The third  
24 Thursday of each month we hold a blight committee  
25 meeting at the precinct station with community

1 stakeholders to address blight issues within the  
2 boundaries of the 8th Precinct.

3 We have coffee with a cop. This is a  
4 bi-monthly meeting in which residents come into the  
5 precinct to ask questions, voice their concerns and get  
6 to know their captain and the neighborhood police  
7 officers while enjoying a great cup of coffee.

8 Movie in the park, this is an opportunity for  
9 children of all ages to come out and enjoy a great  
10 movie in the neighborhood park.

11 Some of the crime control strategies, the NPO  
12 at our Platoon 4, which is a wrap around -- they have a  
13 wraparound program. This is a crime victim follow up.  
14 After a Part 1 crime has been reported to the location,  
15 our Neighborhood Police Officers provide the homeowners  
16 with follow up. They provide the business of the  
17 occurrence regarding enhancements of their existing  
18 security, they address inspections for cleanliness and  
19 safety hazards, including recommendations for providing  
20 proper lighting and addressing loitering at businesses,  
21 residences and vacant houses.

22 NPOs are performing regular inspections and  
23 special attentions to the businesses within their  
24 respective sectors with a special emphasis on gas  
25 stations, liquor stores, and known problem locations.

1                   Eyes and ears is a community partnership. We  
2 work very closely with our organized citizen groups to  
3 target and resolve crime patterns and quality of life  
4 issues they are experiencing.

5                   We also do MDOC checks. We have an imbedded  
6 agent in our office that works for the Michigan  
7 Department of Corrections, parole and probation, and  
8 they conduct regular home visits with our B&E Task  
9 Force officers.

10                  The 8th Precinct, known offender arrest team,  
11 they check daily for persons with outstanding felony  
12 and high misdemeanor warrants that are known to reside  
13 in the 8th Precinct or have committed crimes within the  
14 8th Precinct and locate and bring those wanted  
15 individuals into custody.

16                  Significant statistical information for 2015  
17 through May 5th, arrest totals, we have had 343 felony,  
18 160 misdemeanor arrests, 15 juveniles detained for  
19 felony crimes. We have seized 87 handguns, 13 long  
20 guns, four assault rifles, for a total of 125 guns,  
21 which lead the city in confiscations. We have  
22 confiscated \$61,233 in U.S. currency. And the  
23 8th Precinct to date calls for service are 9,369,  
24 year-to-date, 2,793 priority 1, and 6,576 were others.

25                  Thank you.

1 CHAIRPERSON BELL: Thank you.

2 Commissioners, any questions or concerns of  
3 the lieutenant?

4 COMMISSIONER MOORE: Through the Chair.

5 CHAIRPERSON BELL: Yes, sir.

6 COMMISSIONER BELL: Do you have a minimum car  
7 plan in the 8th Precinct?

8 LIEUTENANT DONOVAN: They are changing now.  
9 Right now it is five cars, per shift yes.

10 CHAIRPERSON BELL: Any other questions?  
11 Commissioner Shelby?

12 COMMISSIONER SHELBY: No.

13 CHAIRPERSON BELL: I guess we are -- thank  
14 you, sir.

15 (Applause).

16 CHAIRPERSON BELL: Standing committee reports  
17 at this time.

18 New business. We have a resolution for  
19 Mr. Jamie Warfield. Is he here? We will let you come  
20 forward. I am going to ask Commissioner Shelby. The  
21 resolution should be --

22 COMMISSIONER SHELBY: Through the Chair, if I  
23 could make a correction, this is District 7. District  
24 6 stops at Six Mile, so I am a couple blocks over.

25 CHAIRPERSON BELL: Okay.

1 COMMISSIONER SHELBY: So I want to be correct  
2 on that.

3 CHAIRPERSON BELL: Okay. Thank you.  
4 Resolution? You can come forward. Thank you.  
5 Appreciate it. We are going to get this concept  
6 squared away because we overlap, is that correct, in  
7 the precinct concept? Thank you, sir.

8 MR. WARFIELD: You are welcome.

9 CHAIRPERSON BELL: Can you do it with the  
10 smaller print? Or do you want the larger one? I'm  
11 trying to help you out, Brother.

12 PHOTOGRAPHER: Both of you, step up that way  
13 and face the crowd while you do this.

14 COMMISSIONER SHELBY: Resolution honoring  
15 Mr. Jamie Warfield.

16 Whereas, Mr. Jamie Warfield has lived in the  
17 8th Precinct for over eight years, has proved to be  
18 instrumental in helping the revitalization of  
19 neighborhoods in Detroit; and

20 Whereas, Mr. Warfield arrived in Detroit from  
21 Indianapolis approximately eight years ago, and  
22 immediately went to work believing in his ability to  
23 influence change. Upon arrival Mr. Warfield became a  
24 member and senior crew leader of the Motor City Blight  
25 Busters Detroit, Incorporated, where he works with

1 community groups in Northwest Detroit to eradicate  
2 blight and beautify the neighborhoods; and

3           Whereas, Mr. Warfield voluntarily throughout  
4 the city has inspired others to become involved in  
5 support of their neighborhoods. Mr. Warfield has been  
6 described as the person that everyone would love to  
7 share as their next-door neighbor and as a standup  
8 citizen; and

9           Whereas, Mr. Warfield through relentless  
10 positive action and love for his community and the City  
11 of Detroit was recognized in the December issue of  
12 Black Detroit Magazine for helping to disassemble,  
13 restore and renovate over 300 homes to build farmlands,  
14 gardens, community centers, and low income housing.

15           Now, Therefore, Be It Resolved that the  
16 Detroit Board of Police Commissioners speaking on  
17 behalf of the Detroit Police Department and the  
18 citizens of Detroit recognize and honor the community  
19 spirit of Mr. Jamie Warfield. His commitment to  
20 community service merit highest awards. We thank and  
21 congratulate you, Mr. Jamie Warfield.

22           (Applause).

23           (Photo taken).

24           CHAIRPERSON BELL: Stand by. We have the  
25 Chief going to recognize --

1 CHIEF OF POLICE CRAIG: Thank you.

2 Okay. I want to present to you the Spirit of  
3 Detroit Award on behalf of the Detroit City Council.

4 MR. WARFIELD: Thank you so much.

5 CHIEF OF POLICE CRAIG: It states it is  
6 presented herewith as an expression of the gratitude  
7 and esteem of the citizens of Detroit to you,  
8 Mr. Warfield, in recognition of exceptional  
9 achievement, outstanding leadership and dedication to  
10 improving the quality of life.

11 MR. WARFIELD: Yes.

12 CHIEF OF POLICE CRAIG: Dated the 14th of  
13 May. Signed by all City Council members.

14 Thank you so much.

15 (Applause).

16 CHIEF OF POLICE CRAIG: And then finally, on  
17 behalf of Detroit Police Department, a Certificate of  
18 Recognition to Mr. Warfield, a resident of the City of  
19 Detroit, in appreciation for all of the outstanding  
20 service and cooperation.

21 Thank you.

22 MR. WARFIELD: Thank you.

23 (Applause).

24 PHOTOGRAPHER: Hold up. Another one. Not  
25 too high. Want your face in it. There we go.

1 Perfect.

2 (Photograph taken).

3 (Applause).

4 Mr. WARFIELD: Thanks, everyone.

5 CHIEF OF POLICE CRAIG: Congratulations.

6 CHAIRPERSON BELL: Sir, give us your

7 five-minute one-minute speech.

8 MR. WARFIELD: Okay. Yes. I just want to  
9 thank everyone for just showing me love and just  
10 recognizing what I do. We do so much work throughout  
11 the city, and at the end of the day we are very tired  
12 and just happy about what we do. And I just hope and  
13 pray that, you know, you all allow me to continue to do  
14 it.

15 Thank you.

16 (Applause).

17 CHAIRPERSON BELL: Commissioner Taylor made  
18 the observation that he is a young man. And it's good  
19 to see a young man working with Blight Buster because I  
20 know they tackle some tough jobs in this area in the  
21 city of Detroit, been doing it for a long time. So I  
22 am glad to see that you, young man, you have got fresh  
23 hands and stamina and encouraging for other young mens  
24 in the city of Detroit. So that's a bonus. So thank  
25 you.

1 CHAIRPERSON BELL: Any old business?

2 Oh, yes, sir. A motion. I am sorry. Let's  
3 entertain a motion to receive the resolution.

4 What is the pleasure of the Board?

5 COMMISSIONER MOORE: So moved.

6 COMMISSIONER DEWAELESCHE: Support.

7 CHAIRPERSON BELL: It's properly moved and  
8 supported.

9 Ready for the question, those in favor?

10 COMMISSIONERS: Aye.

11 CHAIRPERSON BELL: Those opposed?

12 Motion carried.

13 Thank you.

14 Commissioner Crawford?

15 COMMISSIONER CRAWFORD: Yes, sir.

16 Under old business, old business, at the last  
17 meeting we didn't -- the agenda, we didn't, because of  
18 the way we were with the young people, East English  
19 Village, we didn't do new business, old business. So  
20 that's why I bring up this issue today under old  
21 business.

22 The meeting prior to last week, the  
23 Commission members received a Memorandum of Agreement  
24 from the Detroit Police Department, an agreement  
25 between Grosse Pointe Park Police Department, the

1 Detroit Police Department, Harper Woods Police  
2 Department, Highland Park Police Department.

3 January 12th, this year, there was an  
4 incident on the west side, involving two officers that  
5 were on the Eastside Task Force, and also Detroit  
6 officers also on that Eastside Task Force. In this  
7 incident, there was some alleged police brutality. At  
8 that particular time, that was January 12th.

9 On January 15th, Commissioner Moore stated at  
10 the table at the Board Meeting, January 15th, that he  
11 would like to see Detroit Police Department's  
12 Memorandum of Understanding.

13 January 22nd, I believe the record may  
14 reflect that I did.

15 February -- and somewhere in between that, a  
16 community activist, Ron Scott, also asked for it.

17 February 26th, it was asked for again.

18 And also April the 23rd.

19 Two weeks ago, the Board was presented with  
20 this Memorandum of Agreement.

21 At the time, in asking for the Memorandum of  
22 Understanding, which is my belief that all the Task  
23 Force in the City of Detroit Police Department, Detroit  
24 Police Department took part of, there should be a  
25 Memorandum of Understanding.

1           Subsequent to all those meetings and requests  
2           for it, being presented with this document, and this is  
3           not to embarrass or call anyone out, it is just that  
4           the request was just to see a Memorandum of  
5           Understanding, and it is quite obvious we didn't have  
6           one prior to the incident on January the 12th of the  
7           alleged police brutality.

8           Later, in talking with Commissioner Moore  
9           prior to the meeting after subsequently asking at so  
10          many meetings for it, that we decided we would wait for  
11          Prosecutor Kym Worthy to make a decision on that,  
12          whether or not there was police excessive force used or  
13          not. And it wasn't.

14          But in receiving this document, Memorandum of  
15          Agreement, from the Detroit Police Department, there is  
16          only one signature on here, and it is dated March  
17          the 11th. The other signature blocks for Detroit  
18          Police Department, Chief Craig, and Harper Woods Police  
19          Public Safety, and also Highland Park, there is no  
20          signatures, and no dates. It is not timed -- I mean,  
21          it has not been signed. It is not even dated.

22          So I just want to make the point in going on  
23          the record, since we asked for it on the record, that  
24          if there was ever more of a reason for civilian  
25          oversight, this document is, definitely this document

1 is.

2 Like I said, the request was just a request.  
3 If they didn't, you know, if the Department didn't have  
4 one, just so state it. If you don't have a Memorandum  
5 of Understanding, then do a written one up, but, you  
6 know, months ago, just to say we were going to get it,  
7 we are going to get it, and then this is presented and  
8 it is not even signed. So that's all, I want to make a  
9 statement on the record as to what occurred with that,  
10 and where we are today. Thank you.

11 CHAIRPERSON BELL: Okay.

12 A.C. DOLUNT: Through the Chair, Assistant  
13 Chief Dolunt.

14 CHAIRPERSON BELL: Yes, sir.

15 A.C. DOLUNT: May I respond to that?

16 CHAIRPERSON BELL: Yes, sir.

17 A.C. DOLUNT: We did have a Memorandum of  
18 Understanding. The Memorandum of Understanding, we are  
19 trying to get an updated version from Grosse Pointe  
20 Park.

21 CHAIRPERSON BELL: Okay.

22 A.C. DOLUNT: It was not made up. I don't  
23 really appreciate that. We did have it. I know you  
24 don't appreciate it. Commissioner Moore sent me  
25 things, this is the reason for civilian oversight. It

1 is not the reason for civilian oversight. We had and  
2 have had in place that Memorandum of Understanding. So  
3 while I appreciate your concern, I don't appreciate the  
4 fact that you think that I tried to hide something from  
5 you.

6 COMMISSIONER MOORE: So where was the  
7 Memorandum from January 12th?

8 A.C. DOLUNT: We have been asking actually  
9 from Grosse Pointe Park. And we actually had an  
10 updated one from April 30th, I believe.

11 COMMISSIONER MOORE: So you are saying there  
12 was one in place?

13 A.C. DOLUNT: There was one. We were trying  
14 to find it, yes.

15 COMMISSIONER MOORE: But we just don't have  
16 it?

17 A.C. DOLUNT: I thought that's what I gave  
18 you. But I can go find it.

19 COMMISSIONER MOORE: Who handles the -- who  
20 has the Memorandum of Understandings?

21 CHAIRPERSON BELL: Commissioner Moore --

22 COMMISSIONER MOORE: No, I mean, this is  
23 important. The Commissioner made a point --

24 CHAIRPERSON BELL: I understand.

25 COMMISSIONER MOORE: -- he rebutted a point,

1 so let me understand this, Mr. Chair --

2 CHAIRPERSON BELL: I understand.

3 COMMISSIONER MOORE: -- so where was the  
4 Memorandum of Understanding --

5 CHAIRPERSON BELL: I understand.

6 A.C. DOLUNT: He is talking, Commissioner  
7 Moore.

8 COMMISSIONER MOORE: -- January 12th.

9 CHAIRPERSON BELL: Excuse me. Excuse me,  
10 sir. The Chair has to recognize you before we can  
11 engage in dialogue. So let's have the protocol,  
12 please. Okay. Let's have the protocol. And I will  
13 give you an opportunity to speak. But we just can't at  
14 random, you know.

15 COMMISSIONER MOORE: My apologies, Mr. Chair.

16 CHAIRPERSON BELL: Yes, sir. So let's pause.

17 Now Commissioner Moore has the floor in terms  
18 of responding, but let's not get into a dialogue. We  
19 are still speaking in sanctuary, so I think what we  
20 really want is a copy of the signed document.

21 A.C. DOLUNT: Fair enough.

22 COMMISSIONER MOORE: From January 12th.

23 CHAIRPERSON BELL: Okay. And if you would  
24 work with the Board Secretary in providing that  
25 document, we would appreciate it.

1 A.C. DOLUNT: Not a problem, sir.

2 CHAIRPERSON BELL: Okay. Thank you.

3 COMMISSIONER CRAWFORD: Thank you, sir.

4 CHAIRPERSON BELL: Any other comments on this  
5 issue?

6 Yes, sir.

7 COMMISSIONER CRAWFORD: Might I add that we  
8 did receive the Memorandum of Understanding for the  
9 Task Force, the Federal Task Force for the -- and I  
10 thanked the Department for that. And that was within a  
11 month of this, as a matter of fact, I don't even know  
12 if anyone requested the one from the Federal Task  
13 Force. I just want to say thanks for that one.

14 CHAIRPERSON BELL: We will work with the  
15 Board Secretary and with the Chief office in terms of  
16 getting the proper document. And hopefully we can get  
17 this resolved in that manner. So I think that will be  
18 the order of the day in terms of responding to it.

19 Any other old business?

20 COMMISSIONER MALLETT: Mr. Chairman, I do, if  
21 I might.

22 CHAIRPERSON BELL: Yes, sir.

23 COMMISSIONER MALLETT: Speaking only on  
24 behalf of myself, let me -- I am trying to frame this,  
25 Mr. Chairman, correctly. It is really -- civilian

1 oversight is a very, very important -- is a very  
2 important responsibility. I would just point out  
3 generally that words have tremendous meaning.

4 So when the Board of Police Commissioners  
5 says something like, this document is obviously made  
6 up, that has tremendous significance. And I wonder if  
7 we could kind of walk that back on the record. And  
8 just simply suggest, Mr. Chairman, that in the absence  
9 of signatures, perhaps someone could conclude that the  
10 document was not in its original form or something.

11 I would not want to suggest, for instance,  
12 that we don't respect the integrity of Assistant Chief  
13 Dolunt.

14 So I just would like to see if we could -- if  
15 we could perhaps suggest a way to be clear that what we  
16 need from the Department in terms of information, we  
17 expect, but at the same time, if we could refrain from  
18 making judgments about the integrity of the officers  
19 responsible for delivering it.

20 I just think unless we come to a conclusion,  
21 Mr. Chairman, that based on an investigation, a finding  
22 as a result of our responsibilities, you know what I am  
23 saying, Mr. Chairman --

24 CHAIRPERSON BELL: Yes.

25 COMMISSIONER MALLETT: -- that this is the

1 conclusion that we have reached as opposed to making an  
2 observation that might or might not be appropriate in  
3 the circumstance that we are in.

4 So I would like to see if there would be a  
5 way to have the record reflect the entire conversation  
6 and the suggestion perhaps be that, now speaking only  
7 for myself, that the absence of the signatures does not  
8 imply that it got made up, but we still do seek the  
9 complete document that we asked for.

10 CHAIRPERSON BELL: Commissioner Mallett, I  
11 think you have stated it correctly, that it is a  
12 document, but it is a not properly signed document. So  
13 I think in terms of the Assistant Chief responding  
14 right away to give us a document, and so now we are  
15 asking for a proper documentation of that document.  
16 And I foresee that happening in the near, near future.

17 COMMISSIONER MALLETT: I think that's very  
18 well said, Mr. Chair.

19 CHAIRPERSON BELL: And therefore --  
20 Yes, sir.

21 COMMISSIONER CRAWFORD: Through the Chair,  
22 point of clarification.

23 In my statement, it was not a figurative way  
24 of saying the document was made up in terms of it being  
25 something that was fraudulent or just something

1 presented to satisfy the Commission. That's not the  
2 intent. And that's not what was meant by that. You  
3 know, and as I prefaced my comments, I said this is not  
4 something to embarrass anyone or the Department or call  
5 anyone out on. It is just that we want the correct  
6 information, and also, too, this current document we  
7 have obviously is something that came into existence  
8 after the incident on the west side.

9 CHAIRPERSON BELL: Okay. I think it has been  
10 duly noted, and appreciate your clarification. And  
11 perhaps we can make sure that if we are not satisfied,  
12 that the Chair would be aware, that we can work through  
13 the Board Secretary to make sure that we have the  
14 proper documentation before we go publicly. But  
15 nevertheless, it has been said. I think -- I  
16 appreciate your clarity. Appreciate Commissioner Moore  
17 and Commissioner Mallett in reference to this issue.  
18 So I think we can move on at this point in time.

19 Announcement: The next meeting will be on  
20 Thursday, May the 21st, 2015, at 3:00 p.m. in the  
21 Detroit Public Safety Headquarters, 1301 Third Street,  
22 in the Michigan Room.

23 And this will be a great opportunity if you  
24 want to come down, our meeting next week, it would give  
25 you the opportunity to visit the museum. And I think

1 the museum is not closed until, what, 4:30?

2 CHIEF OF POLICE CRAIG: I believe it's 4:30.

3 CHAIRPERSON BELL: 4:30. And not only just  
4 visit, but you can be supportive of the museum by  
5 purchasing a T-shirt or some other souvenir.

6 I think I am on the record of buying the  
7 first golf T-shirt, even though I haven't had a chance  
8 to golf yet, but I am looking forward to wearing that  
9 proudly and share that with others. So that  
10 opportunity. I hope that once we promote this, and  
11 make the public aware, not only the public, but  
12 officers will come down and view, because it is  
13 interesting history. I just want to encourage you to  
14 take advantage of that, and that timeframe, you can  
15 visit the museum before or after our meeting, probably  
16 not afterward, but during that time.

17 And our next Community Meeting will be in the  
18 4th Precinct.

19 Who is the Captain in the 4th Precinct?

20 COMMISSIONER CARTER: Captain Chambers.

21 CHAIRPERSON BELL: Captain Chambers.

22 CHIEF OF POLICE CRAIG: Chambers.

23 CHAIRPERSON BELL: Okay. Looking forward to,  
24 that's June 11th. And that's Greater Apostolic Faith  
25 Temple on 4735 West Fort Street?

1 CAPTAIN CHAMBERS: Yes, sir, directly across  
2 from the 4th Precinct, right across the street.

3 CHAIRPERSON BELL: Okay. Looking forward.  
4 And that is 6:30 p.m., and that is Commissioner Carter.  
5 I have been wrong all night. Commissioner Carter.  
6 Have we been there before for something in that area?

7 COMMISSIONER CARTER: No.

8 CHAIRPERSON BELL: No, okay.  
9 Captain, looking forward to having that  
10 meeting, and that will be my last Community Meeting as  
11 the Chair. So I want you to go all out and have coffee  
12 and donuts.

13 CAPTAIN CHAMBERS: It is arranged.

14 CHAIRPERSON BELL: One thing about Chairing,  
15 as you well know, I like to bring a little humor and a  
16 little fellowship to the meetings. And I hope that I  
17 don't -- and you indulging me for that because we have  
18 to laugh together, because we in a serious business,  
19 but we have to laugh together and cry together, and  
20 just like we in church. This is what church family,  
21 that's what family do, so we all on the same note.

22 At this time, we would like to bring forth  
23 oral communication from the audience, and you have two  
24 minutes point five. We -- just be respectful because  
25 we are respectful for you. We are in the house of the

1 Lord. So this is your opportunity.

2 And this man need no introduction.

3 MR. GEORGE: Thank you. I will make my  
4 comments brief. First off, my name is John George. I  
5 am the executive director and co-founder of Blight  
6 Busters. We have been working in Northwest Detroit now  
7 for 27 years. And our goal is just to bring folks  
8 together and rebuild the city.

9 I wanted to thank the Commission for  
10 recognizing my friend Jamie Warfield. He really  
11 deserved that honor. And I just wanted to thank you  
12 from Blight Busters to you.

13 Just two other quick issues. Years ago, when  
14 Governor Granholm was Attorney General Granholm, we did  
15 a gun buyback program with the 8th Precinct in our  
16 community. And we took almost 600 guns off the street.

17 And as you guys know, Meijer will be opening  
18 up just a little bit in June. And we would like to do  
19 that again. And we have had some dialogue with Meijer,  
20 and they would be interested in helping us sponsor  
21 that. I just wanted to know who we would talk to at  
22 the 8th Precinct to have the police involved again for  
23 that gun buyback program. That was number two.

24 And then number three, we would really like  
25 to see the 8th Precinct returned to our neighborhood,

1 Grand River and Six Mile. As you know, the  
2 8th Precinct was closed a number of years ago, and that  
3 particular building has been removed. We have also  
4 been working with Lormax Stern, the company that's  
5 brought the Meijer to Six Mile and Lahser. We have a  
6 Redford Library there that we have to figure out how we  
7 can move so the building behind it can be retrofitted  
8 for the 8th.

9 So the Blight Busters has raised \$50,000 so  
10 far towards moving that building. We have cleared two  
11 city blocks just north of that area, what's known as  
12 Farm City, where we would like to put that as a  
13 community center. So we are going to be working on the  
14 project. And it's not going to be easy, and it is  
15 going to be difficult, at best. We have two quotes to  
16 move the building. They range between 300 and  
17 \$600,000. And we really won't know what the final  
18 number is until they get it up on wheels.

19 But I just want the police officers to know,  
20 the Commission and the public at large, is that Blight  
21 Busters and some of our sponsors are going to do  
22 whatever we can to get that library moved north so we  
23 can have the 8th Precinct returned home to Grand River  
24 and Six Mile.

25 God bless you and thank you.

1 CHAIRPERSON BELL: Thank you.

2 (Applause).

3 MS. SMITH: Hello, everyone. My name is  
4 Sonya Smith, and I am the Director of Business  
5 Development for StoneCrest Center Behavioral Hospital.  
6 It is the only behavioral hospital in the City of  
7 Detroit. And many people don't know about StoneCrest.  
8 It is the old -- It's in the old Saratoga building.

9 (Commissioner Burton left the proceedings at  
10 about 8:03 p.m.)

11 MS. SMITH: And I come before you today  
12 because it was brought to my attention that a lot of  
13 times your officers take a lot of time with picking up  
14 the same mental health patients over and over again and  
15 dropping them off, picking them up and dropping them  
16 off.

17 And StoneCrest has a proposal to try to help  
18 with this issue.

19 Many times it is dependent on which insurance  
20 a patient has, where the location is that they drop  
21 them off. But if you drop them off at the wrong  
22 location, and that place is not authorized to assess  
23 them, many times they are let go right back on the  
24 street, and then it is a vicious cycle.

25 So at StoneCrest Center, we wanted to let you

1 know that we are here for you. And we have -- you can  
2 call our missions office 24 hours a day, seven days a  
3 week, the police officers can, to let -- we will  
4 assist, like if you have the name and insurance, we can  
5 kind of tell you where that person may be dropped off  
6 or be assessed, where their insurance requires them to  
7 be assessed at.

8 So I do have flyers for everyone.

9 CHAIRPERSON BELL: Okay. Just pass them to  
10 the Board Secretary.

11 Thank you. Thank you. That's a huge issue  
12 that is ongoing that we have to deal with, unfortunate,  
13 you know, circumstance. So appreciate you.

14 MS. SMITH: Okay. And we provided food back  
15 there. So eat up. And we have a table with a lot of  
16 information.

17 May 27th, we have a Youth Suicide Prevention  
18 Talk for the youth. We have been losing a lot of  
19 youth, this week, we lost two to suicide. We lost one  
20 at Southfield Lathrup, one at Renaissance, one in  
21 Flushing, one in Utica two months ago. And it is the  
22 second killer, leading killer, of our youth. And so we  
23 have a talk session on May 27th. It is a luncheon.  
24 Senator Debby Stabenow will be there. We are giving  
25 her an award for the excellent mental health bill that

1 she passed, and Dr. Ismail Sendi will be there too, who  
2 is the founder of New Oakland. So we have all that  
3 information on the back table for anyone who would like  
4 to attend.

5 CHAIRPERSON BELL: Is this something that we  
6 really should circulate with the Department?

7 MS. SMITH: Yes. Yes. Most definitely. And  
8 starting next Tuesday, I am going to the 6th and the  
9 8th Precinct during rollcall. And so what we will do  
10 is we will start there.

11 CHAIRPERSON BELL: Okay.

12 MS. SMITH: And start to disseminate it, see  
13 how it goes, work out the kinks. And then we want to  
14 attend all the community meetings to roll it out at  
15 other precincts to try to help out with this issue.

16 CHAIRPERSON BELL: Outstanding. We  
17 appreciate that. Because that's really pertinent  
18 information in terms of the contact, what the process.  
19 That's great.

20 COMMISSIONER MALLETT: Mr. Chairman?

21 CHAIRPERSON BELL: Yes.

22 COMMISSIONER MALLETT: Just last week, the  
23 mental health authorities of Wayne County, Oakland  
24 County, Macomb County met with all of the hospitals to  
25 talk about the length of stay of mental health patients

1 in the emergency department.

2           Could -- if I could, I wonder before the  
3 Police Department decides on their own how they are  
4 going to react to this, what I would like to do is,  
5 Mr. Chairman, have whoever it is that the police  
6 executive team suggests be in touch. Because what we  
7 would want to do is coordinate the effort. There  
8 are -- StoneCrest is a critically important part of the  
9 resource, of the assets that we have. I wonder if we  
10 could -- this is such a huge problem for DPD. If we  
11 could get the Department and StoneCrest as a part of  
12 the working group of people assigned to deal with this  
13 issue, I think we would be providing the Department a  
14 support that they currently don't have, in giving them  
15 a broader solution than the one at StoneCrest, which is  
16 critical to the delivery so I am not in any way  
17 diminishing their ability to participate in the  
18 solution, but I think that -- actually I don't know why  
19 I didn't think about it before, and I thank the young  
20 lady -- we should make DPD a part of the working group  
21 of people assigned to deal with this issue.

22           And I can effectuate that, if someone from  
23 the Department would tell me who it is would want to be  
24 a part of that, because I do think that this is an  
25 opportunity actually to get at the heart of the

1 problem, and allow the Police Department to have access  
2 to all of the resources. Because she is right,  
3 StoneCrest is the only game in town.

4 CHAIRPERSON BELL: Perhaps the Chief can  
5 respond?

6 CHIEF OF POLICE CRAIG: Through the Chair,  
7 Commissioner Mallett, yes, I agree with you. I think  
8 we need to be a little more open, and I certainly  
9 welcome the working group's recommendation. I think  
10 that Attorney Celia Washington will be an early point  
11 of contact. And we will bring her in.

12 COMMISSIONER MALLETT: So if you would just  
13 call me, Assistant Chief, I will plug you right into  
14 that and we can get this thing going.

15 A.C. WASHINGTON: Yes, sir.

16 CHIEF OF POLICE CRAIG: Sounds like a plan.

17 CHAIRPERSON BELL: Outstanding. And thank  
18 you.

19 Did you say refreshments?

20 MS. SMITH: Yes. Food. Not food, all food,  
21 Chinese food. A lot of food in the back. So don't  
22 forget to take some home and eat a little here.

23 CHAIRPERSON BELL: And that's in conjunction  
24 with the Jason Foundation?

25 MS. SMITH: Yes. StoneCrest is a partnership

1 with the Jason Foundation.

2 CHAIRPERSON BELL: Okay.

3 MS. SMITH: Which is a nonprofit group that  
4 deals with prevention of suicide in teenagers.

5 CHAIRPERSON BELL: Okay.

6 MS. SMITH: So we have free materials that we  
7 give out to schools, middle schools, faith-based  
8 groups, ministers in the community, to help prevent --  
9 train people to help prevent suicides.

10 CHAIRPERSON BELL: Thank you, again.

11 And you heard that, right, refreshment after  
12 the meeting. We are going the close the meeting out  
13 shortly.

14 MS. SMITH: Thank you.

15 CHAIRPERSON BELL: Thank you, ma'am.

16 (Applause).

17 CHAIRPERSON BELL: Thank you. It's been  
18 great.

19 Okay. Dr. Divers.

20 DR. DIVERS: Good afternoon, Mr. Chairman,  
21 and members of the Board.

22 I don't know if it was overlooked, but I  
23 thought I heard you say this was District 1. This is  
24 District 2. This is the district for the Honorable  
25 George Cushingberry, President Pro Tem of the Detroit

1 City Council. It is one of the well-organized  
2 districts in terms of block club associations. This is  
3 also the boundaries of Winship Community Association,  
4 and I am the president. And we want to welcome you  
5 here, let you know that we are certainly interested you  
6 came.

7 The next item I want to make is that I --  
8 this church has been overlooked in terms of having a  
9 meeting of the Police Commissioners over the years.  
10 And I am glad someone recognized it and decided to have  
11 a meeting here. There have been meetings all around  
12 us, but this church has been heavily involved in the  
13 community.

14 CHAIRPERSON BELL: No question.

15 DR. DIVERS: And we have been meeting here  
16 since 2004.

17 CHAIRPERSON BELL: Okay.

18 DR. DIVERS: And so I thank you for coming  
19 here.

20 The other thing I want to mention is that I  
21 am pleased that ten of your members are present. And  
22 the Chief is here. And this shows outstanding  
23 attention and willingness to bring information to the  
24 community.

25 And finally, I know you mentioned about the

1 criminal justice courses. Wayne County Community  
2 College offers community justice programs. And I  
3 believe that you can get an associate degree there.  
4 But they have been offering courses there for a number  
5 of years.

6 CHAIRPERSON BELL: Right.

7 DR. DIVERS: And a person who wants to go  
8 there can enroll and take those courses and get an  
9 associate degree. Not a regular BA degree. You have  
10 to transfer to Wayne State in order to finish it up,  
11 but you can get an associate degree there.

12 But again, I just want to let you know, we  
13 had a meeting, a job fair, at the Westminster Church  
14 today. It was fully supported by Mr. Cushingberry and  
15 U.S. District, and we had over 500 people there  
16 attending that fair. We are very pleased because this  
17 is a district in which people will come out if you get  
18 the word to them.

19 And I thank you for your allowing us to  
20 present this information to you.

21 CHAIRPERSON BELL: Thank you, Dr. Divers.

22 COMMISSIONER VANN: Mr. Chair?

23 CHAIRPERSON BELL: Yes, sir.

24 COMMISSIONER VANN: I wanted to compliment my  
25 former teacher, Dr. Divers, for his attention to

1 detail. I was pretty sure that I was in my district,  
2 District 2. But when others said it, I did not want to  
3 dispute them publicly. But I want to thank him for  
4 bringing it to the focus of our attention.

5 And I'd also like to add, as Commissioner  
6 Mallett has said, with regard to the training piece  
7 that the Chief has said, I think that WC3 is one of the  
8 finest institutions, many times overlooked in terms of  
9 what they do in taking raw material and turning it into  
10 diamonds. And they already have their criminal justice  
11 courses, as you say, and other kinds of courses that  
12 are related to law enforcement. And I think it would  
13 be a great fit for training for police officers, as  
14 well.

15 So thank you, Dr. Divers.

16 DR. DIVERS: Thank you.

17 COMMISSIONER VANN: I know I can always  
18 depend on you for the right answers.

19 DR. DIVERS: Thank you.

20 (Applause).

21 CHAIRPERSON BELL: Thank you.

22 Mr. Scott?

23 MR. SCOTT: Thank you very much. I will make  
24 it short. Thank you, Commissioners, for your  
25 edification this evening, and for everybody being here.

1 I wanted to speak to the question of  
2 protocols and public releases. I think the Chief made  
3 reference to it, especially as we stand here dealing  
4 with the issue of the Kellom shooting. And people are  
5 asking questions about the recently concluded  
6 investigation relative to that.

7 My statements earlier in the last few weeks  
8 have been rather related to multi-jurisdictional task  
9 forces. And I think Commissioner Mallett has spoken to  
10 it. And I have also spoken about the question from an  
11 evidentiary standpoint when it was released. Not the  
12 fact that the statement should not be made, and not the  
13 fact that citizens should not find a way to allay their  
14 concerns, and not the fact that, in fact, the Police  
15 Chief or members of the Police Department should not  
16 say something when you have a very potentially volatile  
17 situation like that.

18 But I raised the question of other  
19 volatility. When statements are made when there is an  
20 evidentiary issue introduced, the question of the  
21 validity of the investigation is then raised.

22 So in other words, if I offer something that  
23 may be concluded or used as evidence, the question that  
24 the community may say is, can we have a fair  
25 investigation?

1                   And I think that is important because people  
2                   have been calling me around the country, around the  
3                   country saying, why is Detroit not responding like  
4                   Baltimore?

5                   And I believe there are a number of reasons.  
6                   I believe that we have better civil discourse, like  
7                   this meeting. I believe there are many of us who have  
8                   been around a long time. We don't want to see what  
9                   happened in the past. I believe that we have a  
10                  transformative nature that's happening within the City  
11                  and the Police Department.

12                  And so all of those things combined have  
13                  gotten us to a point, and I think that furthermore,  
14                  that when we speak, we need to think about what is  
15                  being said and whether or not we are offering evidence  
16                  or we are offering condolences or we are offering just  
17                  a general perspective.

18                  And that's all I want to say, is that, you  
19                  know, I am not here to create acrimony or conflict or  
20                  whatever. But I just think how we say something in  
21                  these times, it's very important, because the  
22                  media-driven aspect at this point is, why is Detroit  
23                  not responding like everyone else? And like I said, I  
24                  said because Detroit is more mature in its political  
25                  development. And that's why I think that it is

1           happening. And that's what I would urge us to be.

2                       CHAIRPERSON BELL: Thank you, sir.

3           Appreciate it.

4                       Is there no other audience participation at  
5           this time?

6                       The Chair would entertain a motion to adjourn  
7           this meeting.

8                       COMMISSIONER TAYLOR: So moved.

9                       COMMISSIONER MOORE: Second.

10                      CHAIRPERSON BELL: Those in favor, aye.

11                      COMMISSIONERS: Aye.

12                      CHAIRPERSON BELL: Motion carried. And there  
13           is refreshment. And thank you for your participation.

14                      (Meeting adjourned at 8:16 p.m.)
