3 About 3:00 p.m.

4 CHAIRPERSON BELL: Good afternoon. I'm Willie  
5 Bell, the Vice Chair. Our Chair, Lisa Carter, is  
6 running a little late, but we are on schedule. It's  
7 good to see all of you this afternoon. This is the  
8 weekly meeting of the Board of Police Commissioners, and  
9 that's why you're here. So, we're going to ask  
10 Commissioner Vann to open with a prayer, please.

11 COMMISSIONER VANN: Gracious God, we do thank  
12 you and we praise you for the blessings of life. We ask  
13 now that you would guide us and direct us as we continue  
14 to collaborate together for the safety of the citizens  
15 of the City of Detroit. Bless our chief, bless our  
16 department as they lay their lives on the line each and  
17 every day for the citizens of this city.

18 And then bless now our city and its people.  
19 But most of all, bless the hearts of our people. Bring  
20 compassion and love and peace in the hearts of our  
21 people so that as we continue to provide a safe  
22 environment, that the hearts of our people will be  
23 commensurate with that environment. For these and so  
24 many other things we shall give you thanks. Amen.

25 CHAIRPERSON BELL: Thank you, Commissioner

1 Vann. At this time, it's an honor and privilege to  
2 introduce to the public on day four of his duty and  
3 responsibility as the Board secretary, and that would be  
4 Mr. Gregory Hicks to my far right. Let's give him a  
5 round of applause. Sir, are you prepared to conduct the  
6 role call?

1 COMMISSIONER VANN: Present.

2 SECRETARY HICKS: Mr. Chair, you have a  
3 quorum.

4 CHAIRPERSON BELL: Thank you, sir. At this  
5 time, I'd like to introduce the man who do not need to  
6 be introduced. He has the post of the city at all  
7 times, 24/7. That's Chief James Craig.

8 CHIEF CRAIG: Thank you, Mr. Chair, I should  
9 say Chair. And congratulations on your recent election.

10 CHAIRPERSON BELL: Thank you, sir. And thank  
11 you for your attendance and participation as always.  
12 Mr. Hicks, would you introduce the staff for the  
13 Commission, please?

14 SECRETARY HICKS: Sure. Working on your  
15 behalf, there are a few staff members. You have already  
16 introduced me of course. You have Gail Oxendine, Pam  
17 Davis-Drake, and Pam is here of course. Linda Bernard  
18 is here, Robert Brown. And then we have from the  
19 investigating staff, Alex Cromwell -- Ainsley. Is there  
20 anybody else from the -- okay. And then we have as a  
21 court reporter, Wendy Boer.

22 CHAIRPERSON BELL: Thank you, sir. At this  
23 time, I'd like the Chief to introduce any staff member  
24 you care to bring before the body at this time to  
25 introduce.

1 CHIEF CRAIG: If I could ask that as we go  
2 around, my staff, if you would stand and be  
3 acknowledged.

4 MS. WASHINGTON: Celia Washington, legal  
5 advisor.

6 OFFICER MYERS: Officer Kenyetta Myers,  
7 resource management.

22 OFFICER SMITH: Officer Smith, chief  
23 neighborhood liaison.

24 SERGEANT INGALLS: Sergeant Mike Ingalls,  
25 training.

1 CHIEF CRAIG: That's it.

2 CHAIRPERSON BELL: Thank you, sir.

3 Commissioners, you have before you an agenda for  
4 Thursday, June 16, 2016. Chair will entertain a motion.

5 COMMISSIONER CRAWFORD: So moved.

6 COMMISSIONER MOORE: Support.

7 CHAIRPERSON BELL: It's been properly moved  
8 and supported. Discussion? Those in favor, aye?

9 COMMISSIONERS: Aye.

10 CHAIRPERSON BELL: Those opposed? Motion  
11 carried. The next item of business would be approval of  
12 the minutes from Thursday, June the 9th, 2016. The  
13 Chair would entertain a motion.

14 COMMISSIONER VANN: I So move, Mr. Chair.

15 COMMISSIONER SHELBY: Support.

16 CHAIRPERSON BELL: Properly moved and  
17 supported. Discussion? Those in favor, aye?

18 COMMISSIONERS: Aye.

19 CHAIRPERSON BELL: Those opposed? Motion  
20 carried. Thank you. As far as reporting out for the  
21 Chair, the Chair is not here. But I would give you just  
22 a brief report on behalf of the Chair, and she can  
23 always elaborate on her arrival.

24 But this past Monday and Tuesday, we met with  
25 Mr. Hicks as far as the Chair and the Vice Chair, one on

1 one in terms of that type of meeting and briefing him.  
2 And thereafter we met with Mr. Hicks and chief  
3 investigator and attorney to the Board and Mr. Robert  
4 Brown, our administrative assistant, in terms of just  
5 going over introductions and the process.

6 So, we looking forward to a more in depth  
7 process. But we know that this is going to be a process  
8 in terms of a new secretary. We would hope that all  
9 concerned parties, the Department and others will reach  
10 out and interact. And I think there would be some point  
11 in time that we as a Board would have some dialog. So,  
12 that was my remarks. Mr. Hicks, would you want to make  
13 any comments at this time?

14 SECRETARY HICKS: No comments at this time.

15 CHAIRPERSON BELL: Thank you, sir. We can  
16 move right on to Chief Craig.

17 CHIEF CRAIG: All right. Thank you,  
18 Mr. Chair. As often times, I have a report out on  
19 crime. Overall crime year to date, we have a six  
20 percent reduction in both violent and property crime.  
21 We have a six percent reduction in violent crime and a  
22 six percent reduction in property crime. We are still  
23 trending in the right direction.

24 Certainly, the one area of violent crime that  
25 has become a recent challenge is homicide. Non-fatal

1 shootings for the first time are actually down or they  
2 are down. And then the sweet spot for us has been in  
3 the area of robbery where we are seeing and realizing a  
4 31 percent reduction as compared to last year. So, our  
5 work does continue.

6 And I did want to just take a moment to  
7 acknowledge the brothers and sisters out there in  
8 Florida, Orlando, the recent tragic situation. On the  
9 heels of that, certainly we had our LGBT parade and  
10 activity went without incident. Right following the  
11 Orlando, I was in direct conversation with my  
12 counterpart here with the FBI. And we're still working  
13 through some issues. But there is -- as I reported  
14 then, I report now, there are no direct threats on the  
15 city of Detroit or the surrounding region.

16 So, we are continuing to get information. But  
17 right now, we're going to continue to move in the right  
18 direction. I will take any questions on that if anyone  
19 has any.

20 CHAIRPERSON BELL: Commissioners?

21 CHIEF CRAIG: This must be a first.

22 CHAIRPERSON BELL: I just want to say nice  
23 job. Continue to do a great job on behalf of the  
24 Detroit Police Department and the citizens. I know it's  
25 been really a tough month. But I just really appreciate

1 the men and women in blue in terms of their effort and  
2 under your leadership and the team.

3 CHIEF CRAIG: Thank you very much.

4 COMMISSIONER VANN: Mr. Chair, I have a  
5 question, but it's not that -- I'll do it --

6 CHAIRPERSON BELL: Okay. Next item would  
7 be --

8 MS. DEWAELSCHE: Mr. Chair, I have a  
9 comment before you move on. I read in the paper  
10 recently that the Mayor -- I mean that Mr. McKinnon is  
11 retiring and that the Mayor has indicated that the Chief  
12 would be in charge in his absence or second in command  
13 or -- and I just want to congratulate you and say that  
14 the Mayor has made an excellent excellent decision on  
15 that part. So congratulations.

16 CHIEF CRAIG: Thank you. I appreciate that.

17 COMMISSIONER SANDERS: Through the Chair, but  
18 you can't leave us here.

19 CHIEF CRAIG: I'm still here. I'm the police  
20 chief.

21 COMMISSIONER SHELBY: We've got a lot of good  
22 things going on.

23 CHIEF CRAIG: I have to give all the credit to  
24 the men and women, both sworn and civilian police  
25 officers, who have just done a tremendous job over the

1 last three years. In fact, July 1 will mark my third  
2 year anniversary year as police chief. And June 16th  
3 marks my 39th year of service. So, I'm excited about  
4 that. I thought I would get a round of applause for  
5 that. But --

6 CHAIRPERSON BELL: Chief, you say 39 years?

7 CHIEF CRAIG: 39 years.

8 CHAIRPERSON BELL: Where did you start your  
9 career?

10 CHIEF CRAIG: Detroit Police Department. And  
11 by the way, 19 years old at the time I started. I  
12 remember you. You were a very tenured sergeant.

13 CHAIRPERSON BELL: That's correct. I'll put  
14 the emphases on tenured. Outstanding. You have really  
15 been blessed to serve LA and Seattle and Cincinnati and  
16 now in your hometown. And I had the opportunity to see  
17 that interview when you was laid off or possibly being  
18 laid off, you made comments that you would come back as  
19 chief of police.

20 CHIEF CRAIG: 1991.

21 CHAIRPERSON BELL: So, surely the good Lord --  
22 if people don't mind that I would say that -- bless you  
23 to have that vision, you know, to return because I think  
24 that we really have been very fortunate in terms of the  
25 leadership in the city of Detroit. So, I'm glad that

1 you got your start and your training here at the DPD  
2 family.

3 CHIEF CRAIG: Absolutely. I started here and  
4 I will tell you, this is absolutely -- 39 years, this is  
5 the best time of my career. But I do appreciate all of  
6 your support, certainly the support from the community,  
7 police officers, civilian employees because without  
8 that -- so, thank you.

9 CHAIRPERSON BELL: Yes, sir, thank you. Any  
10 other comments, questions? Okay. The next item would  
11 be the grants and contracts.

12 MS. JONES: Good afternoon. I just want to  
13 introduce the grants and contract division, falls under  
14 the budget operations.

15 CHAIRPERSON BELL: Please give your name for  
16 the record.

17 MS. JONES: I am Lisa Jones, agency chief  
18 financial officer for the Detroit Police Department, on  
19 behalf of the Office of Departmental Financial Services,  
20 on behalf of the Office of the Chief Financial Officer  
21 for the City of Detroit.

22 So, the grants and contracts division falls  
23 under budget operations for the police department. With  
24 the current restructuring effort, which is almost  
25 complete with the Office of the Chief Financial Officer,

1 the Office of Departmental Financial Services appointed  
2 CFO's to oversee the financial responsibilities for the  
3 Department.

4 And so, we are responsible for the budget  
5 operations, also providing oversight for grants and  
6 contracts and also payroll at this time. The grants and  
7 contracts team is comprised of three -- I'm sorry,  
8 three, four officers and one civilian. And they work to  
9 identify grant opportunities that are viable for the  
10 Department. And so, they play an active role in not  
11 only seeking those opportunities but also taking part to  
12 write the proposals submitted for those grant  
13 opportunities.

14 They're also responsible for making sure that  
15 the award is accepted and also executing those grant  
16 programs accordingly. In addition, our contracts staff,  
17 they work to develop the contracts as requested on  
18 behalf of the Department. That includes personal  
19 service contracts, professional service contracts,  
20 building leases and things of that sort. And they work  
21 closely with Central Finance to ensure that those  
22 contracts are approved and go through the proper  
23 channels via the Central Finance Department to execute  
24 those contracts. Part of those -- in addition, they  
25 also do the donations. They accept all donations

1 including cash, equipment and services that come to the  
2 Department as well.

3 There are several sources of grant funding  
4 including government, private and foundation. So, the  
5 police department has received grant funds from all of  
6 those entities. And the funding is used for several  
7 uses, including technology, vehicles and equipment,  
8 salary, overtime and fringes and also contractual  
9 services with the Department. Just to give you an idea  
10 of the grant portfolio that the team manages, it's 25  
11 grants currently worth approximately 19 million.

12 And as you can see, some of these grants we  
13 have been fortunate to have in the Department for  
14 several years, particularly with the Department of  
15 Justice. And we have been able to accomplish a lot with  
16 the grant dollars. And we continue to seek additional  
17 competitive opportunities to provide additional services  
18 to the community via grant dollars.

19 We currently have 12 applications pending that  
20 value approximately seven million dollars. And so, we  
21 have submitted applications all the way up through June,  
22 this current month. And we, you know, wait for the  
23 responses there. So, hopefully we'll have an update for  
24 you that we were successful in seeking out these  
25 opportunities.

1                   In addition, our grants and contracts team  
2                   also works with the Office of Grants Management, which  
3                   is also part of the Office of the Chief Financial  
4                   Officer and Central Finance. So, in conjunction with  
5                   our team, the Office of Grant Management also seeks  
6                   additional grant opportunities. They work with the  
7                   grants and compliance team, the grants and contracts  
8                   team, I'm sorry, on compliance and monitoring to ensure  
9                   that the grants are being executed properly, that we are  
10                  spending the funds in a timely manner and also for  
11                  reporting back through Central Finance and through the  
12                  chief financial officer on behalf of the police  
13                  department.

14                  So, their goal is that we don't have any audit  
15                  findings. The police department is included on the  
16                  single audit, the federal single audit annually. And  
17                  so, the goal is that we don't have any findings on that  
18                  audit going forward.

19                  The grants and contracts team is -- they have  
20                  done a great job of working with OGM to resolve  
21                  outstanding issues and question costs and, you know,  
22                  maintain a good relationship with the Department of  
23                  Justice. Any questions?

24                  CHAIRPERSON BELL: Commissioners?

25                  COMMISSIONER BROOKS: Thank you. Under your

1 current grants, you have 2016 Youth and Alcohol OHSP.  
2 Would you please explain that?

3 Under your current grants, you have 2016 Youth  
4 and Alcohol OHSP. Could you explain that, please?

5 MS. JONES: Yes, please. I'll have Officer  
6 Doeh come up and explain that for you.

7 OFFICER DOEH: Hello, I'm Officer Doeh at the  
8 grants and contracts unit. Youth and alcohol and  
9 overtime given to us by the State of Michigan. So,  
10 officers are allowed to work overtime to do youth and  
11 alcohol enforcement while they are going to the liquor  
12 stores and doing cigarette buys to see if the store will  
13 sell different types of cigarettes. They will also see  
14 if the stores will do any type of underage people  
15 alcohol.

16 So, we get the undercover person to do it, and  
17 the officers are there to write tickets and stuff to the  
18 stores.

19 COMMISSIONER BROOKS: Thank you.

20 CHAIRPERSON BELL: Commissioner Vann?

21 COMMISSIONER VANN: Yes, sir. Yes, I have a  
22 couple of questions for you. Thank you, Mr. Chair. The  
23 finances and the control of the finances of the Detroit  
24 Police Department, are they under the aegis of the  
25 Financial Review Commission?

1 MS. JONES: So, currently they're under the  
2 Office of the Chief Financial Officer.

3 COMMISSIONER VANN: Okay. And that -- but are  
4 they reviewed by the Financial Review Commission?

5 MS. JONES: Yes.

6 COMMISSIONER VANN: Okay. And then who helps  
7 to determine your efficiencies in terms of building  
8 leases?

9 MS. JONES: So, the Office of Contracting and  
10 Procurement handles those matters. And they work to  
11 make sure that we are receiving the best offers for any  
12 procurement that we do.

13 COMMISSIONER VANN: I mean, like for example,  
14 a decision to consolidate offices or to move into  
15 another building, that kind of thing?

16 MS. JONES: Well, we would work with the Chief  
17 directly based on, you know, where the Department's  
18 finances are, and he would guide us.

19 COMMISSIONER VANN: Okay. Now, the other  
20 piece is that in the past we had a lot of problems in  
21 the city of Detroit with unused -- underutilized grant  
22 funding. And monies were sent back to Washington,  
23 millions and millions of dollars unfortunately.

24 I just want to ask if we had any more of those  
25 incidences.

1 MS. JONES: So, that is why the Office of  
2 Grant Management was created. It was an effort by the  
3 emergency manager to handle that, those issues. And  
4 since it's been in place, again, working closely with  
5 the Department directly, we have seen a significant  
6 reduction in funds going back to the federal government,  
7 grant funds specifically going back to the federal  
8 government but again still working to identify and  
9 resolve some of the outstanding issues with -- city  
10 wide, that, you know, may have been around before this  
11 office was in place.

12 COMMISSIONER VANN: Okay. And then the last  
13 question refers to line items of revenue that you said  
14 in your report that you bring in to the Department. I  
15 know that this Commission is responsible for approving a  
16 budget. And so, the line items of revenue that come in  
17 have a tendency to skew that a bit. Are you in a  
18 position to tell us what -- is that a large variance or  
19 is that -- does it almost equal out in terms of  
20 unexpected expenses, you know, with revenue coming in?

21 I mean, I'm just saying, we approve a budget.  
22 But then there are other grants that come in. You're  
23 going after other grants that were not put in the  
24 budget. You're getting other revenue. You say you  
25 receive cash, equipment and other kinds of things.

1                   So, I'm just wondering to what extent would  
2                   you suspect that the budget is in variance with what we  
3                   have already approved?

4                   MS. JONES: So, if I may, this is my second  
5                   week in this position. However, I'm happy to do an  
6                   analysis and work with my team to get that information  
7                   for you. This is a great time to do so because we are  
8                   at year end close. As we enter the new fiscal year, we  
9                   will be looking at that information. So, I'm happy to  
10                  provide that in the future.

11                  COMMISSIONER VANN: I'd be just interested in  
12                  seeing what -- you know, we approve a budget at the  
13                  beginning of the year. By the end of the year, you have  
14                  went through a whole entire year of operations and  
15                  revenue generation and unexpected expenses or other  
16                  priorities, other decisions were made.

17                  I just kind of wanted to see what that  
18                  variance may be.

19                  MS. JONES: We will do that, sir.

20                  COMMISSIONER VANN: Okay.

21                  CHAIRPERSON BELL: Commissioner Shelby?

22                  COMMISSIONER SHELBY: Through the Chair, I  
23                  want to thank you for a thorough investigation, thorough  
24                  presentation. Just tell us a little bit about the  
25                  justice assistant grants and how those funds are applied

1 to the Department.

2 MS. JONES: I'll have Officer Doeh come up and  
3 explain.

4 OFFICER DOEH: The justice assistant grant is  
5 a grant where we use it for technology. So, normally  
6 the Chief or executives decide where in the Department  
7 technology is needed for the police department. We  
8 receive the funds from Wayne County. So, Wayne County  
9 applies for the award, and then they give Detroit funds.  
10 But it's for technology. So, the executives in the  
11 police department makes the decision where the funds are  
12 needed or what we are going to use them for.

13 CHAIRPERSON BELL: Thank you.

14 COMMISSIONER MOORE: Through the Chair, two  
15 questions, Ms. Jones. First one, you mentioned  
16 donations to the Department. What is the process that  
17 one would go through if he wanted to donate sums of  
18 money to the Detroit Police Department?

19 MS. JONES: So, there is a standard process  
20 where donations typically have to be accepted by City  
21 Council. So, we work with the Office of Grants  
22 Management to process all donations as do all  
23 departments city wide that receive donations.

24 So, we are working to -- working with the  
25 proper departments to see if we can get some type of

1 blanket acceptance for donations that are, you know,  
2 under a certain threshold.

3 We do have departments that get very small  
4 donations. Instead of taking them all differently,  
5 we're hoping that we can get a blanket order that will  
6 allow it to fall under that and we don't have to go  
7 through that process every time. But it is accepted by  
8 Council.

9 COMMISSIONER MOORE: Got you. And my second  
10 question, can you go to Page 4, please? Actually, it  
11 was the previous page, the current grant application.

12 MS. JONES: Yes, sir.

13 COMMISSIONER MOORE: Can we have that enlarged  
14 because I can't read it?

15 MS. JONES: Page 4?

16 COMMISSIONER MOORE: At your leisure. I mean  
17 not now. But I just couldn't read it.

18 MS. JONES: Absolutely. I will make sure that  
19 you get hard copies.

20 COMMISSIONER MOORE: Thank you.

21 COMMISSIONER DEWAELSCHÉ: Mr. Chair, if I may?  
22 So, I was -- thank you very much for your presentation.  
23 I was questioning the JAG. I didn't know it was a Wayne  
24 County grant. I'm wondering, do you get grants from US  
25 DOJ directly? And if so, I'm thinking, like the body

1 worm camera pilot project, is that funded by the US DOJ,  
2 Department of Justice or, you know, what other programs  
3 are funded?

4 OFFICER DOEH: Yes, the body camera is funded  
5 by the DOJ, Department of Justice. So, when we are  
6 applying for a grant, some people -- some units are  
7 stronger than DPD. So, it's all a partnership. It's  
8 all a partnership.

9 COMMISSIONER DEWAELSCHÉ: The JAG is a US DOJ  
10 project?

11 OFFICER DOEH: Yes.

12 COMMISSIONER DEWAELSCHÉ: But Wayne County  
13 gets the funds, and you apply for them?

14 OFFICER DOEH: Yes.

15 COMMISSIONER DEWAELSCHÉ: A lot of these are  
16 listed as titles of projects. But it's hard to  
17 determine who funds them. Do you get most of your  
18 funding from US DOJ?

19 OFFICER DOEH: Most of our funding is from  
20 DOJ. Some of the grants listed we receive from the  
21 state. There's a few there from the state. But most of  
22 them are DOJ funned.

23 COMMISSIONER DEWAELSCHÉ: Okay. Thank you.

24 CHIEF CRAIG: Through the Chair, in reference  
25 to the body worn cameras, the grant covered one million

1 dollars. The remaining balance of four -- the whole  
2 project will cost roughly five million. And that was  
3 just recently approved by both the Financial Review  
4 Committee as well as the City Council.

5 COMMISSIONER DEWAELSCHÉ: Thank you.

6 COMMISSIONER VANN: Mr. Chair, I do have one  
7 more question with regard to current grants. You have a  
8 current grant listed for Detroit Youth Violence  
9 Prevention Capacity. Is that the grant that covers  
10 Cease Fire?

11 OFFICER DOEH: Yes.

12 COMMISSIONER VANN: Is that a multi-year  
13 grant?

14 OFFICER DOEH: Yes, it's a multi-year grant.  
15 It started like in 2012. So, we are going to ask for an  
16 extension. It was a three-year grant.

17 COMMISSIONER VANN: The original grant was a  
18 three-year?

19 OFFICER DOEH: Yes.

20 COMMISSIONER VANN: Now you're up for an  
21 extension?

22 OFFICER DOEH: Yes.

23 COMMISSIONER VANN: Okay. I will leave it  
24 there.

25 CHAIRPERSON BELL: Commissioner Crawford?

1 COMMISSIONER CRAWFORD: Yes, sir. Through the  
2 Chair, I agree with Commissioner Moore this time. I  
3 have been struggling trying to read this. They always  
4 say read the fine print.

5 I did make out though for the COPS -- 2015  
6 COPS Hiring Grant, I believe the number is fifteen  
7 police officers, is that correct?

8 OFFICER DOEH: Yes.

9 COMMISSIONER CRAWFORD: Okay. Also, what is  
10 the 2013 COPS Hiring Recovery Program Grant, what is  
11 that?

12 OFFICER DOEH: Which one?

13 COMMISSIONER CRAWFORD: 2013 COPS Hiring  
14 Recovery Program Grant.

15 OFFICER DOEH: That's a COPS hiring grant  
16 also.

17 COMMISSIONER CRAWFORD: So, I note that it's  
18 worded differently. Is says recovery program.

19 OFFICER DOEH: It's just like terminology that  
20 the DOJ uses. But it's a COPS hiring grant to hire  
21 officers. Different grants has different names; so,  
22 it's just a COPS hiring grant. But I can get more info  
23 for you on it.

24 COMMISSIONER CRAWFORD: The one from 2013 goes  
25 to 2015?

1 OFFICER DOEH: Yes. The last few years we've  
2 been receiving COPS hiring funds.

3 COMMISSIONER CRAWFORD: Yes, ma'am.

4 OFFICER DOEH: Yes.

5 COMMISSIONER CRAWFORD: I did have another  
6 question, but I'll defer that to Attorney Washington.  
7 It pertains to the grants that cover I guess one might  
8 say the various task force like the East Side Action  
9 Team, Oakland County Auto Theft Team, Southeastern Auto  
10 Theft. But I'll defer that question. Thank you.

11 COMMISSIONER SANDERS: Through the Chair, I  
12 have a question piggy-backing off officer Doeh. Is  
13 there any grants that you guys are applying for to help  
14 the police officers get raises?

15 OFFICER DOEH: Well, currently, right now, no,  
16 there aren't any grants out for police raises. But we  
17 do have a COPS hiring grant to hire new officers. And  
18 we are applying for more grants to hire new officers.

19 COMMISSIONER SANDERS: But would that come  
20 with the officers that you already have to bring their  
21 rate of pay up as well as the ones that are coming in?  
22 I know that we just had a hiring of officers that got I  
23 believe it's \$37,000 starting, starting rate, the new  
24 recruits. But I know we need to bump that up to hold  
25 and maintain the officers that we have because we have

1 our people out there, departments out there just  
2 poaching.

3 So, but I think trying to bring their rate up  
4 where they will stay.

5 MS. JONES: Unfortunately, we are not aware of  
6 any grants that would provide that to the Department at  
7 this time typically because, you know, those have to be  
8 sustained long term. The salaries and the grants are  
9 usually for term periods. However, we will work with  
10 the Chief and do an analysis of the Department's budget  
11 and see if we can identify additional dollars for him to  
12 be able to provide those raises to his team.

13 CHIEF CRAIG: Through the Chair, that's been a  
14 top priority for the Mayor. He's facilitated getting  
15 additional funds. He is still committed as I am  
16 committed to bringing our officers up to what we call  
17 market. Detroit police officers are some of the lowest  
18 paid of any major city in America, yet they work harder  
19 than most.

20 So, we recognize that. Our attrition rate  
21 right now is roughly 15 per month. Some of that is  
22 retirement but as you indicated poaching. Many of these  
23 officers have been hired by other agencies. So, we  
24 recognize that is a top priority. In my time, I have  
25 never heard of a grant that would increase an officer's

1 salary. That's up to the concern of the municipality.  
2 And so, the Mayor is committed to it, and City Council  
3 also can play a role in that as well.

4 CHAIRPERSON BELL: Thank you. Any other  
5 questions or comments?

6 COMMISSIONER BURTON: Through the Chair, I  
7 have a question. You know, this is a very important  
8 topic when we talking about grants and contracts and  
9 things. I would like, you know, for -- I'd like for us  
10 to bring them back before this body in the next few  
11 weeks because I'm sure some of the other commissioners,  
12 along with myself, is going to definitely have, you  
13 know, a few more questions and things of that nature.  
14 So, do you see that happening in the next few weeks?

15 CHAIRPERSON BELL: Commissioner Burton, how  
16 about in the next quarter? I mean, the budget kick in  
17 July the 1st, is that correct? So, may haps in the next  
18 quarter, at the end of the quarter I think would be more  
19 appropriate. That would be more in kind versus coming  
20 back in a couple weeks because nothing is going to  
21 change to that degree. So, if you have any specific  
22 question or concerns, just shoot them to Miss Jones, and  
23 I'm pretty sure she address that. But we can put them  
24 back on the agency in the next quarter.

25 COMMISSIONER BURTON: Okay. So, Mr. Chair,

1 basically you know, like you know we get presentations  
2 similar like this one presented to the Board all the  
3 time. But I think next time someone comes to present  
4 before this body, it would be great if we have some  
5 additional questions that we may have so it could, you  
6 know -- so everything could just fall right you know,  
7 you know, so we can -- so other questions can be  
8 answered as well, you know, because, you know, once  
9 again we are talking about contracts, grants and things  
10 of that nature.

11 That's a very sensitive topic. We may have  
12 some questions, you know. I kind of like wish that we  
13 could have had submitted some questions beforehand other  
14 than -- you know. But, you know, hopefully when they  
15 come back in the next quarter, we get a chance to submit  
16 our questions.

17 COMMISSIONER CRAWFORD: Through the Chair, I  
18 want to thank the two of you. You have done a great  
19 job. The only thing that I ask, and that was this talk  
20 about the small print, difficulty reading that. And in  
21 terms of, I mean, I know I want to thank you for two  
22 weeks on the job. And, you know, as far as I am  
23 concerned, any questions that were generated here are  
24 sufficient. And you did respond by saying you would get  
25 back to us in writing if it was a question that you

1 didn't have the answer or at this particular time.

2 So, I'm going to thank you again.

3 MS. JONES: I just want to say I appreciate  
4 your time today, Commissioners. And I will follow up  
5 with additional information about the COPS hiring grant.  
6 I will follow up with the grant application list in a  
7 larger font. I will follow up with the current grant  
8 list in a larger font, also noting the grantor agency,  
9 including DOJ. I will follow up with the budget  
10 variance information, and I will follow up with the  
11 process for donations.

12 CHAIRPERSON BELL: Okay. Then thank you,  
13 Miss Jones.

14 COMMISSIONER DEWAELSCHÉ: I just want to make  
15 one comment. A lot of us represent organizations here.  
16 And if there is any way that we can help in terms of  
17 being a collaborative partner, you know, when you apply  
18 for these grants, please utilize us as members of the  
19 Board.

20 MS. JONES: Thank you. Please, also, I'll get  
21 you my contact information. I welcome your questions  
22 ahead of time so that we are prepared to answer them.

23 CHAIRPERSON BELL: I just have one closing  
24 remark on behalf of the Chair and Vice Chair, that you  
25 take time to meet with our Board secretary, Mr. Hicks,

1 because we had a great deal of discussion in reference  
2 to the budget process. So, basically, if you could  
3 schedule a meeting as soon as possible, one of the key  
4 areas that we conveyed to him on behalf of the Board is  
5 budget matters that we deal with, dealt with, in terms  
6 of oversight. So, thank you for outstanding and welcome  
7 to your job.

8 MS. JONES: Will do. Thank you so much.

9 CHAIRPERSON BELL: Next item would be standing  
10 committee reports. Any reports at this time? New  
11 business? Old business? The first item with the Red's  
12 Towing Company, Attorney Washington?

13 ATTORNEY WASHINGTON: Through the Chair,  
14 congratulations, Mr. Chair, Mr. Vice Chair. Celia  
15 Washington, legal advisor to the Chief.

16 Just a bit of background. Two weeks ago,  
17 before this honorable body, Red's Towing came before  
18 you. As you recall, the towers were granted new  
19 permits, new five-year permits. There were three towers  
20 on the list who had not paid. And I believe it was  
21 Commissioner Vann who brought to the forefront that it  
22 was money that was owed to the City in administrative  
23 fees.

24 Three towers had not paid those fees in at  
25 least for sure 2015, 2016. One of those two towers, one

1 of the three, Red's Towing, indicated that they had in  
2 fact made the payments to the City and that there was an  
3 accounting error. We did some research, and I'm going  
4 to ask Officer Kenyetta Myers to speak specifically to  
5 his discussions with the City of Detroit.

6 CHAIRPERSON BELL: Yes, ma'am.

7 OFFICER MYERS: Good afternoon, everyone. I'm  
8 Officer Kenyetta Myers, resource management and also the  
9 towing liaison. From your request two weeks ago,  
10 Mr. Govender (phonetic), the owner of Red's Towing, had  
11 not paid the city administrative fee for 2014, '15 or  
12 '16.

13 As of June 13, which was Monday, he paid. He  
14 brought in four checks; well, three cashier's checks and  
15 one business check, to the treasury department, catching  
16 up 2015, paying all of 2015 and catching up 2016; but  
17 2014 is still blank. Nothing else has been done.

18 I stand the same way I stood the last time.  
19 He has not paid the \$75 administrative fee. The  
20 administrative fee is a fee that the tow companies  
21 collect. It's the City's money to start with. The tow  
22 companies collect it. And they're supposed to pay it to  
23 the City once a month, the 15th of the next month that  
24 you collect it. So, if you collect it in January, you  
25 pay it the 15th of February.

1                   That had not been done continuously month  
2                   after month from January of 2014 'till May of 2016. So,  
3                   now he's making payments, and he's requesting that his  
4                   permit be renewed. And I stand the same way I stood  
5                   before, that the permit be denied.

6                   CHAIRPERSON BELL: Commissioners?

7                   COMMISSIONER CRAWFORD: Through the Chair.  
8                   Yes, sir. So, he still owes for 2014?

9                   OFFICER MYERS: Yes, sir.

10                  COMMISSIONER CRAWFORD: Still owes?

11                  OFFICER MYERS: Yes.

12                  COMMISSIONER SANDERS: I make a motion that we  
13                  go by Officer Myers' recommendation.

14                  COMMISSIONER MOORE: Support.

15                  CHAIRPERSON BELL: It's been properly moved  
16                  and supported that we stand by Officer Myers'  
17                  recommendation to deny Red's Towing a permit for  
18                  2016/17, is that correct?

19                  OFFICER MYERS: Through 2021.

20                  CHAIRPERSON BELL: Five years. Let that  
21                  record reflect so we clear. No issue? Any discussion  
22                  on the motion? Those in favor, aye?

23                  COMMISSIONERS: Aye.

24                  CHAIRPERSON BELL: Those opposed? Motion  
25                  carried. Thank you.

1 COMMISSIONER MOORE: Through the Chair, two  
2 additional items on old business deals with body cams.  
3 Last week, we had a conversation about body cams here.  
4 And we were talking about -- at least I was talking  
5 about the standard body cam that is on as opposed to the  
6 head gear.

7 Do you know if we are going to have two  
8 different types of body cams or just one?

9 CHIEF CRAIG: Through the Chair. At this  
10 point, one style that's on body. One manufacturer,  
11 TASER, does make a device that can be affixed to the cap  
12 lid or on some glasses.

13 During earlier pilots, it was discussed and  
14 decided that the one on body would probably be the  
15 preferable. I wasn't here at the last meeting. But I  
16 think you raised the field of view as the person turns.  
17 The advantage of the device or the in-car video and the  
18 body worn camera is the ability, we hope, where the two  
19 will talk to each other in very simplistic terms, where  
20 once the officer leaves the car, the forward facing  
21 camera transitions over to the body worn camera because  
22 as you know, the majority of the stops made by police  
23 officers are not in the front, except if it's a traffic  
24 stop of course, the frontal view of the stop is seen.

25 But when you talk about urban policing, most

1 of the stops are made on the sidewalk. There may be a  
2 foot pursuit away from the car. So, that's why in many  
3 cases, that is not captured because the camera in the  
4 car is not panning as the officer moves.

5 Body worn cameras, though, anything that the  
6 officer sees in the front, that camera will catch. And  
7 it's probably a more stable platform than putting it on  
8 glasses or on the lap lid because there's a thing called  
9 force incidence that could disrupt it. It could still  
10 be disrupted if the officer is wearing it on the front  
11 panel. So, it seems right now that that's probably the  
12 most advanced and reliable platform.

13 COMMISSIONER MOORE: I appreciate that, Chief.  
14 I guess my position was when the officer turns their  
15 head in the direction that a noise is, that camera, the  
16 torso is still facing in that certain direction. But, I  
17 mean, we could discuss that later or what have you.

18 CHIEF CRAIG: We've -- again, this is the most  
19 advanced product. This is the one where we could  
20 potentially be the first major city where the in-car and  
21 the body worn camera actually talk to each other.  
22 There's no other department that has that yet. And to  
23 what you're saying, I disagree because turning their  
24 head alone, if you're running in a direction, your head  
25 is not going to be turned if your body is in a different

1 direction. The idea is to catch what's in front of the  
2 officer. And there's a greater likelihood that his  
3 torso is going to be in the same direction of whoever  
4 he's in contact with.

5 COMMISSIONER MOORE: I guess I was --

6 CHIEF CRAIG: The fact of the matter is it's  
7 not a stable platform.

8 COMMISSIONER MOORE: I guess we can agree to  
9 disagree.

10 CHIEF CRAIG: Right. It's not a very stable  
11 platform when it's on the glasses.

12 CHAIRPERSON BELL: Okay. I saw two hands.  
13 Commissioner Burton?

14 COMMISSIONER BURTON: I yield to Commissioner  
15 Crawford. Go ahead.

16 COMMISSIONER CRAWFORD: Through the Chair,  
17 yes, sir. Chief, I looked at a lot of footage on the  
18 body cams and actual real time stuff that has occurred.  
19 And I concur with what you just said in terms of that.  
20 Also, to the company, I believe the company is out of  
21 Texas?

22 CHIEF CRAIG: Yes, sir.

23 COMMISSIONER CRAWFORD: I have done a little  
24 research on them too. And I like the integration on the  
25 system, the car and the actual officer. I like that

1 too. So, I just want to say that -- and I'm forever  
2 looking at footage, certain websites I go to every few  
3 days of stuff that has occurred, you know, with  
4 officers.

5 CHAIRPERSON BELL: Commissioner Burton?

6 COMMISSIONER BURTON: Thank you, Mr. Chair.  
7 Question to the Chief. When shall we see like this  
8 technology, you know, as far as the integration with the  
9 body cameras and the dashboard cameras, should we see it  
10 rolling out sometime this year, like later this year or  
11 early next year or is it still in the planning phase? I  
12 do like the concept though.

13 CHIEF CRAIG: Through the Chair, our plan is  
14 within a couple of weeks, by the end of June, we are  
15 going into what we call a risk mitigation phase, which  
16 is 60 days risk mitigation stage. During that period,  
17 we will test to ensure that the integration of the  
18 in-car system talks or integrates with the body worn  
19 camera.

20 If that does not happen, we reserve the right  
21 to pull out. We may extend the phase, depending on how  
22 far the company is along with that. So, end of July we  
23 should have at least according to the company's  
24 commitment, we should have a couple cameras that have  
25 full integration.

1                   But right now, WatchGuard is the only company  
2                   that's close to the in-car and the on-body. And so,  
3                   TASER, which is a reputable company, doesn't have it.  
4                   Their in-car video system is sub par. Even the in-car  
5                   video cameras that we have to date are not on the same  
6                   level as the WatchGuard system.

7                   One of the other advantages -- so, when an  
8                   officer is preparing to make a stop, activates the light  
9                   or exceeds certain speeds, there are triggers on the  
10                  in-car camera that actually turn the camera on. So, the  
11                  officer is not thinking about, in a very tactical  
12                  situation, to turn on the camera. That's been a problem  
13                  as all of you probably have heard. So, the triggers in  
14                  that camera will automatically activate. That's just  
15                  one less thing the officer has to do.

16                  The other thing the WatchGuard system will do,  
17                  it has rear video capability. So, if there's a suspect  
18                  in the rear seat of the car, it can certainly catch  
19                  what's going on to the rear.

20                  As you know, recently there were two separate  
21                  incidents, one in particular where a woman made an  
22                  allegation of a sexual assault by the police officer in  
23                  the car. That was refuted based on the camera. That  
24                  individual has since been charged by the Wayne County  
25                  prosecutor. And so, it's a very effective tool. The

1           TASER system does not do that. And it does not have the  
2           triggers that when the officer activates the overhead  
3           lights, that the camera would automatically come on.  
4           So, it's really a safety issue as well.

5                        But direct to your question, end of the month,  
6           the test cameras -- we are getting 25 in-car video  
7           systems and 25 body worn in two precincts. I think it's  
8           4 and 7? 4 and 7.

9                        COMMISSIONER DEWAELESCHE: So, just to your  
10          question, Commissioner Moore, we are following what  
11          other major departments have found in terms of their  
12          research. I mean, we're -- you know, we are -- a lot of  
13          the research has been done by other departments who are  
14          already utilizing the cameras, am I correct, Mr. Chief?  
15          I mean, you know -- I'm sorry, Mr. Chair I'm trying to  
16          say. Okay. We are following what major departments are  
17          already doing is my understanding? So, it's not  
18          something that, you know, it's new in terms of whether  
19          we need another camera that focuses on when a person  
20          turns -- like the head cameras that you're talking  
21          about. I think these are the most efficient ones, the  
22          ones that are the body cams? That's my understanding.  
23          And all the research that we have been hearing  
24          throughout the last couple years, that's my  
25          understanding, is that correct?

1 CHIEF CRAIG: Through the Chair, yes, that is  
2 correct. Again, we potentially will be the first major  
3 city of have the integrated system, which really, this  
4 technology as you know changes. This will be old  
5 technology probably in two years. And so, I was in  
6 New York for a conference. And part of these  
7 conferences that I attend, there's a lot of discussion  
8 surrounding technology.

9 Right now, New York has the system where each  
10 officer, through a grant -- we were talking about  
11 grants. Each officer is equipped with an iPad and a  
12 phone that, for example, if a radio call is given to a  
13 response unit, the information comes on this iPad, and  
14 it has history. Anybody at this location, there's  
15 pictures of the person that you will be dealing with,  
16 very -- and also it has the ability, like we talk a lot  
17 about our real time crime center as well as the Green  
18 Light Project. All that data was -- is imported into  
19 this handheld device.

20 And so, there's technology out there that  
21 certainly down the road will have the opportunity to get  
22 -- that will improve officer safety and make our  
23 officer's job that much more efficient. But we have  
24 done a lot of research. In fact, we went and visited  
25 the WatchGuard facility. We visited an agency in Texas

1 that was actually using the camera, not in the full  
2 integration form.

3 Again, no one is doing that yet. And so I  
4 think we will be the first unless the company can't meet  
5 its commitment. But we feel pretty confident that they  
6 will and that we do have the best now to date. But  
7 again, this technology changes. So, I'm sure that TASER  
8 will probably come up with something that may even  
9 exceed that.

10 COMMISSIONER DEWAELESCHE: So my second  
11 question or comment is, when do we expect to have all of  
12 the officers in the Department equipped with body cams?

13 CHIEF CRAIG: Our plan, providing we get  
14 through the 60-day risk mitigation phase, we will start  
15 deploying the cameras, 1,500 of them, in-car and body  
16 worn, we will start that deployment. So, probably the  
17 Department will be fully equipped probably the middle of  
18 next year because you have to deploy it in phases. You  
19 can't just say, okay, we have passed the test phase, now  
20 let's just get everybody a camera.

21 We have to roll it out in a very methodical  
22 way. So, that's our plan. But we are on track right  
23 now. So, hopefully during this 60-day period, the  
24 integration will be successful, and we will move  
25 forward.

1 COMMISSIONER DEWAELESCHE: Chief, is the plan  
2 to add like a couple of precincts every month or quarter  
3 or --

4 CHIEF CRAIG: Yes. Through the chair, through  
5 training, we will continue to roll these cameras out.

6 COMMISSIONER DEWAELESCHE: Thank you.

7 CHAIRPERSON BELL: Commissioner Crawford?

8 COMMISSIONER CRAWFORD: Yes. Through the  
9 Chair, I just want to add that, you know, we'll probably  
10 be the first -- I mean, even if there is some little  
11 small police department somewhere in the country, I  
12 think we will be the first in terms of a major city  
13 police department, which is really innovative.

14 And historically, the Detroit Police  
15 Department has always been the first in a number of  
16 areas. I believe the Harley-Davidson, the prep radio  
17 and I believe mini stations too. But historically --  
18 but just having said that, I think that we will probably  
19 be the first. And I like the cutting age technology  
20 that will be used here.

21 CHIEF CRAIG: Through the Chair, we are always  
22 seeking and looking for new technology. When we're in  
23 our -- the real time crime center is up and running now.  
24 But once we expand to the full center, we will probably  
25 have the state of the art in the country. I know

1 New York and Los Angeles have some phenomenal real time  
2 crime centers. But there's no one using the Green Light  
3 Initiative like we are. We are a leader in that now.  
4 In fact, there are many -- not just nationally but  
5 across this country, that nobody is using this  
6 technology in this way. And it's about public-private  
7 partnership.

8 I'm very encouraged about a relationship that  
9 we are developing with Comcast which I think is going to  
10 be a game changer in terms of deploying this technology.  
11 But it's certainly going to help that company. And I  
12 can see the expansion across the country.

13 So, it's going to help us tremendously. It's  
14 a way of frankly being more efficient in how we address  
15 crime. I think one great example, the tragic recent  
16 incident of the 13-year-old boy that was kidnapped.  
17 14 hours of tape that we had to go through. And then  
18 once we got the images out, certainly the grainy images,  
19 not the type of images that we see from Green Light  
20 locations but very grainy, it was within several hours  
21 we were able to locate and identify who the suspect was.

22 But imagine if that liquor store had Green  
23 Light, we had the technology, it's no doubt in my mind  
24 we would have had that suspect identified. We would  
25 have had the plate number of the vehicle, and he would

1 have apprehended. And we may not ever know whether the  
2 quickness of that would have resulted in saving that  
3 13-year-old's life. But that's how substantial that  
4 technology is and the way we are using it. Again,  
5 nobody is using it quite like us.

6 CHAIRPERSON BELL: Thank you, Chief for  
7 pioneering. Keep in mind, this is not our first party.  
8 This is like the third time around dealing with these  
9 cameras. So, it's been progressive in terms of  
10 approaching the technology. I want to thank the Chief  
11 on behalf of the Board. And keep us in the loop in  
12 terms of what's happening because I think this is just  
13 going to be a game changer. At this time --

14 COMMISSIONER SANDERS: Mr. Chair, I have a  
15 question. Before I ask Chief Craig, I had a question.

16 CHAIRPERSON BELL: Correct, right.

17 COMMISSIONER SANDERS: Last week, you wasn't  
18 here. But I asked the question of how many officers we  
19 have in the police precincts total that's in the  
20 streets, not the officers that (inaudible) saying we  
21 have a whole like 2,800. That's an estimate. And what  
22 I want to know, do I have to have a formal report to  
23 find out the numbers of officers we have on the street  
24 that's doing the work in the Detroit Police Department  
25 on the street because I know that we have administrative

1 officers, we have different officers doing different  
2 things. Can we get those numbers?

3 CHIEF CRAIG: Through the Chair, Director  
4 Oxendine is a direct report to you. So, it's just a  
5 matter of asking her, I need the report. And she  
6 reports out weekly to the Mayor and I as to where we are  
7 in terms of hiring, our attrition rate, how many  
8 officers are deployed. She has those numbers probably  
9 on the top of her head right now. We can make that  
10 available to you. But she is a direct report to you.

11 MS. OXENDINE: Gail Oxendine, director of  
12 human resources. Chief, I think the question is  
13 specifically how many officers we have on patrol. So,  
14 that information would come from probably maybe  
15 neighborhood policing. I have the total numbers of  
16 those that are assigned to neighborhood policing, but I  
17 don't have the information with respect to how many are  
18 actually on patrol. I think that was your question. Is  
19 that --

20 COMMISSIONER SANDERS: Exactly.

21 CHIEF CRAIG: We can give you the number of  
22 sworn officers that we have assigned to each precinct.  
23 We have those numbers. And I thank you for your  
24 assistance.

25 ASSISTANT CHIEF THAYER: Through the Chair,

1 Assistant Chief Thayer. We can tabulate the numbers.  
2 Generally, when we talk about who is on patrol or not,  
3 now we talk about who is in operations, operations  
4 meaning patrol and investigations. I do or can get the  
5 numbers through the personnel system to determine who is  
6 assigned to what precinct and then provide a tally for  
7 you all that's specific just to patrol.

8 COMMISSIONER MOORE: Through the Chair, the  
9 point of clarification. So, a person assigned to a  
10 precinct, could they be assigned out someplace else and  
11 would your graph determine that?

12 ASSISTANT CHIEF THAYER: So, it would be who  
13 is actually assigned. It will take a little bit more  
14 work if you happen to pull out who is where because as  
15 you indicate, there are folks who are assigned to  
16 patrol but for some reason maybe they're assigned out to  
17 a task force, which is -- foot patrol is their parent  
18 command. It would take a little bit of work. But if  
19 you just want to get a picture of the number of folks in  
20 patrol, the percentage of officers that are in patrol,  
21 that can be provided.

22 CHIEF CRAIG: Through the Chair. I think it's  
23 also important to note that while we talk about officers  
24 assigned in operations, officers are still fulfilling  
25 the mission of reducing violent crime. So, if an

1 officer is not in uniform and working let's say special  
2 operations, each precinct has a number of officers  
3 assigned to a plain clothes detail. We have officers  
4 assigned to narcotics. Those are operations officers.

5 So, even if we came back and told you that  
6 there are X number of uniformed officers assigned to  
7 scout cars who handle calls for service, it wouldn't  
8 necessarily tell the full story because inside of a  
9 precinct, those special operations officers will go and  
10 respond to priority one calls to service.

11 We have detectives who are sworn officers.  
12 They're out doing -- conducting followup investigations.  
13 So, we can give you a generic number about what each  
14 precinct has, and we can break it down by patrol. But  
15 it goes a little deeper than just uniformed officers in  
16 a scout car. I think that's the point.

17 Now, if we are just talking about overall how  
18 many officers are sworn officers we have in the  
19 Department to date, I think, Gail, that number should be  
20 roughly 1,700 police officers. But then if you take it  
21 further, you say, well, how many sworn officers are in  
22 the Department? Then you've got to include everybody up  
23 through the ranks, sergeants, lieutenants. And that  
24 number then becomes higher. But they engage in  
25 different functions.

1                   But one thing that the first assistant chief  
2                   is directly engaged in is the civilianization (sic)  
3                   effort and also the redeployment of sworn officers from  
4                   non-traditional precinct jobs back and forth. So,  
5                   that's why I said we have that data. But we can also  
6                   break it down by the precincts.

7                   CHAIRPERSON BELL: Commissioner Crawford?

8                   COMMISSIONER CRAWFORD: Through the Chair, also,  
9                   inclusive in that number of patrol, for example, you  
10                  have a --

11                  CHAIRPERSON BELL: Could we pause for one  
12                  minute?

13                  (Brief recess)

14                  COMMISSIONER CRAWFORD: In terms of precincts,  
15                  by precinct in terms of numbers, but then we have other  
16                  people who are basically in a -- well, I guess you would  
17                  call it a patrol capacity because you have your true  
18                  uniforms, you know, different areas throughout the city  
19                  according to what's going on in real time. So, that's  
20                  part of it.

21                  So, when we talk about numbers, we're just not  
22                  talking about numbers -- X number of officers in the  
23                  precinct, and they're on patrol. And then well, as  
24                  Chief just stated, to the other units too. You have  
25                  your power shift hour officers that works special ops.

1 That's part of it though, just inclusive of all of it,  
2 not just to pick a number, you know, as to X number of  
3 people being officers assigned to a precinct and say  
4 this is patrol.

5 ASSISTANT CHIEF THAYER: Through the Chair, my  
6 apologies. But that's why we talk about operations now,  
7 who is actually operations versus doing administrative  
8 type work.

9 COMMISSIONER CRAWFORD: Yes, ma'am. Thank  
10 you.

11 CHIEF CRAIG: Through the Chair, the last  
12 point, I think one of the things the Commissioner and  
13 some of you, when you're out in the community meetings  
14 and you're stopped, you say, for police officers, say  
15 well we only have one car out in the field last night.  
16 You say, why was there one car when you have X number of  
17 police officers assigned at that precinct?

18 I will tell you we've developed a minimum  
19 staffing plan so that we have the requisite number of  
20 police officers deployed on each shift. Certainly  
21 deployment needs are different depending on the hours of  
22 day, depending on the day of the week. And so, we pay  
23 very close attention to that.

24 Our night chief or chief duty officer is  
25 deployed at 6:00. Part of their responsibility is to

1 assess deployment city wide. And if there is a precinct  
2 that has one car deployed, then that's a problem. And  
3 the question is why is there one car deployed? And then  
4 sometimes we have to bring people on over time. We have  
5 to redirect special operations units from special  
6 operation duties so they can go out and handle calls for  
7 service.

8 So, it's very critical that we not have one.  
9 It's an officer safety issue. And all you need is one  
10 shooting incident in that precinct, and all of a sudden  
11 you have no cars available. So, what happens is the  
12 dispatch unit, if there's a shooting that comes out and  
13 then other priority one calls are coming out in that  
14 same precinct, then that dispatcher is going to have to  
15 pull resources from another part of the city.

16 So, it's a little bit -- it's constant  
17 movement. But we have put this chief duty officer out  
18 at night. One of their primary functions is to assess  
19 deployment because just -- I have another example. So,  
20 when there's a major critical incident that happens  
21 somewhere in the city, then all of a sudden we are  
22 redirecting units from other parts of the City. So,  
23 there may be a precinct that has no available units to  
24 handle priority calls for service. So, it's a constant  
25 pulling. And certainly during the busier times of the

1 year it becomes more of a challenge.

2 COMMISSIONER MOORE: Through the Chair, is  
3 Stop the Clock still being utilized?

4 CHIEF CRAIG: Through the Chair, yes, response  
5 time is very important. I monitor the radio when I'm in  
6 the field. I respond to certain calls as a reminder of  
7 Stop the Clock. So, that initiative is still there.  
8 The challenge for us is that when we have those days  
9 when we have multiple crime scenes, as I pointed out,  
10 you recognize that when you have two or three units on  
11 one crime scene and there's another shooting, then we  
12 get into a situation where we have priority calls or  
13 priority one calls just sitting until we can find an  
14 available unit. That's why it's important for  
15 supervisors in the field to monitor our priority one  
16 calls to service.

17 COMMISSIONER MOORE: Thank you.

18 CHAIRPERSON BELL: I just might add, Chief, I  
19 think that was one of the primary reason that you  
20 assigned a commander to each precinct and a captain to  
21 the special operations center. So, it's a very  
22 complicated process. And I think Commissioner Shelby  
23 would know. He was at one time a commander of a couple  
24 precincts. But I would hope that the Commission would  
25 perhaps take the time to get the inner workings of it

1 because you're talking about a missing child, you're  
2 talking about the homicide that we had, 14-year-old on  
3 the east side of Detroit. And that's a lot of manpower  
4 to go into that.

5 So, people need to understand just because  
6 they call the police -- and we have to understand and  
7 convey to the citizens what the reality are. That's  
8 something that we need to make sure that we can grasp  
9 the situation where we have the dialog with the citizens  
10 that it's not always working that way. It's not about  
11 downtown. It's about the inner workings of the precinct  
12 in terms of manpower.

13 So, I have been looking at it. I think we've  
14 come a long time in terms of how we approach that. But  
15 some people really don't really understand what's  
16 involved.

17 CHIEF CRAIG: Through the Chair, I think you  
18 hit on something, Mr. Chair, is that like going back to  
19 the incident where a young man was kidnapped, our  
20 officers worked that incident 24 hours, around the  
21 clock. We know that just in Detroit, we had a hundred  
22 officers deployed to that one incident, 100. And then  
23 because the suspect went to Toledo -- and again, that's  
24 not just the Detroit police officers. That was MSP. We  
25 were the majority of course, MSP and FBI.

1                   Then when we went to Toledo, Ohio, we elicited  
2 support from the Ohio State Police, the FBI office  
3 there. That was about an additional 30 to 35 additional  
4 officers. So, when it was all said and done, we are at  
5 about 135 law enforcement officers attached to that  
6 single incident. So, that's one.

7                   Another example, we had another recent  
8 incident, some of you may remember. It was a Sunday,  
9 two Sundays ago. Someone decided to have a car  
10 show/neighborhood picnic. It was roughly five to 600  
11 cars converged on this east side part of town. It was  
12 somewhat disruptive because it impeded the traffic flow  
13 on Jefferson.

14                   I arrived at the location. There was 60  
15 police officers at that location from across the city.  
16 In some instances, you take 60 patrol officers, you have  
17 taken them out of play for the rest of the city. I  
18 don't know, 60 officers, I would imagine maybe the 10th  
19 Precinct didn't have any units available, maybe Number  
20 11. 60 officers on a Sunday afternoon.

21                   So, that's how it's complicated, but it's also  
22 a reality of the world we live in in terms of how we  
23 police and handle emergency calls for services.

24                   CHAIRPERSON BELL: Thank you, Chief. And  
25 thank you to the Board for the good pertinent questions

1 and concerns. At this time, we'd like to, on the old  
2 business, Commissioner, Chair, Lisa Carter, had a  
3 discussion at the last meeting as you recall concerning  
4 homeland security. And I guess we're going to have a  
5 brief discussion. It's not on the agenda, but it's  
6 something that we were concerned about.

7 I'm going to ask our deputy director of  
8 homeland security, Hilton Kincaid, to come forward.

9 MR. KINCAID: Good afternoon, Mr. Chair. And  
10 to the Board, I'm happy to be here. Seeing this Board,  
11 some that I have worked with, some that I have trained  
12 and some that have trained me as well as inspired me.

13 So, I'm here -- AC Dolunt asked me to come  
14 out. I didn't know exactly what he needed. He said  
15 just show up at the Board. They have a few questions.  
16 I said, let me know what I need to bring. He said, just  
17 show up and they will ask you or they will tell you what  
18 they need and you go from there.

19 If there's something specific that you need, I  
20 can make sure you get it, bring it back to you. So, I'm  
21 here to throw myself on the cross at this point.

22 CHAIRPERSON BELL: If the Chair would take the  
23 liberty, I think it would be more appropriate if the  
24 Chair and any other Board members have specific  
25 questions, concerns, then we can have you on the agenda

1 for the next meeting. Would that be more appropriate?

2 So, I would ask the Board --

3 MR. KINCAID: Let me ask this because we are  
4 working on several different things. We just finished  
5 our first -- the first that I know of city wide  
6 evacuation plan for the entire city, as well as we are  
7 updating -- I call it updating because the other one was  
8 substandard -- the entire emergency operation plan for  
9 the City, which the evacuation is part of.

10 So -- and a lot of things have happened. So,  
11 specifically what do you want me to bring because I have  
12 a presentation that I will share with you.

13 CHAIRPERSON BELL: That's one of the areas  
14 that we want to know, the evac plan.

15 MR. KINCAID: I can bring that evacuation plan  
16 and share it with you and answer any questions you may  
17 have about that. So, I can bring it. So, I can bring  
18 all the specifics and let you know all the details you  
19 may need to know about the city wide evacuation plan.

20 COMMISSIONER CRAWFORD: Through the Chair,  
21 yes, sir. That was the question. And I don't reside in  
22 southwest Detroit. It's not my district. But the  
23 concern was three years ago they talked about an evac  
24 plan for southwest Detroit. And it was pertaining to  
25 the Marathon facility there. And it was basically

1 because, you know, there is a bridge there, you know,  
2 one way in, one way out at times.

3 And that was the main concern from the  
4 southwest residents. And the Honorable Vice Chair, Lisa  
5 Carter, that's her district. And she resides in that  
6 district. And also, well, southwest is a part of  
7 Detroit. But basically, that was one of the main pieces  
8 in terms of the citizens having the information as to  
9 where to go, you know, what to do, where to go, God  
10 forbid something happens at Marathon.

11 MR. KINCAID: I think this plan will detail  
12 all of that since we've finished it. Naturally, first  
13 we had to get the signoff from the Mayor, to the Mayor's  
14 office to make sure he blessed the plan and then we took  
15 it on the road.

16 The next thing we did was show it to City  
17 Council. And we actually went to Marathon a couple  
18 times and then that community area, 217. And we  
19 explained to them what the plan would be to those that  
20 showed up. And additionally, we made sure they  
21 understood that there are certain things about our plan  
22 that we cannot share. And sometimes we just talk too  
23 much.

24 So, you know, you're not only talking to the  
25 people who need to know, you're talking to the bad guys

1 as well. So, we made that very clear.

2 CHAIRPERSON BELL: We need to stop talking  
3 then.

4 MR. KINCAID: What I will bring, what I will  
5 share I'm hoping will satisfy those questions because we  
6 have gone down to Marathon a couple of times. And I  
7 think you'll be satisfied. If not, our plans are living  
8 documents. And we don't know it all. But we built  
9 those plans with the assistance of our partners. So,  
10 what we don't know, we include. That's one of the  
11 beautiful things about taking these plans on the road.  
12 So, we learn something every time we go out.

13 And these are living documents that can be  
14 updated and upgraded with the knowledge that we gain as  
15 we go out. So, if you put me on the agenda, I will  
16 bring it back and make sure --

17 CHAIRPERSON BELL: You'll be on the agenda.  
18 I'll make this request. Make sure you share your  
19 contact information with Mr. Brown and Mr. Hicks. And  
20 make -- that the Chair would -- because she represents  
21 that particular area and have a great deal of concern in  
22 terms of what's happening over there. So, we don't want  
23 you to show up and without that type of dialog,  
24 interaction with her. Would you do that, please?

25 MS. KINCAID: I'll be prepared.

1 COMMISSIONER DEWAELSCHÉ: Mr. Chair, if I  
2 could, I would also like to know on a broader scale what  
3 our plans are for being an international, you know, city  
4 on the border of two countries, what our broader plans  
5 are for terrorism, international terrorism, those kinds  
6 of things. And you don't have to give me the plan, just  
7 who you're working with and that you have a plan and  
8 that kind of thing.

9 MR. KINCAID: We do. And again, I could share  
10 all of that. But --

11 CHAIRPERSON BELL: Would you make that part of  
12 your dialog? You got that correct. Okay.

13 MR. KINCAID: I can do it.

14 CHAIRPERSON BELL: Commissioner Vann?

15 COMMISSIONER VANN: Mr. Chair, if I may just  
16 add, one thing, Brother Kincaid, if you could, I'm very  
17 interested in the nexus between law enforcement agencies  
18 and hospitals and schools and houses of worship. If  
19 that could be something that you could give us some  
20 information? Again, I know that you can't give us your  
21 entire specific plan. But I do believe that, you know,  
22 some of these institutions should be well aware of  
23 whatever the plan is.

24 CHAIRPERSON BELL: Mr. Kincaid, if you could  
25 follow that up. And I would I guess suggest that you

1 interact with Mr. Hicks in terms of the Board secretary.  
2 And we can flush all this out and we have a really  
3 healthy dialog.

4 MR. KINCAID: Absolutely.

5 COMMISSIONER MOORE: Through the Chair, one  
6 complement for our Deputy Director Kincaid. I want to  
7 say thanks for the early warning system that you showed  
8 special attention to about a year and a half ago. The  
9 Second Precinct had some issues as far as we were  
10 notified they had some concerns. And you jumped right  
11 on that. So, thank you on behalf of the citizens of  
12 District 7 and the Second Precinct.

13 MR. KINCAID: We appreciate it and couldn't  
14 have done it without your support. So, thank you very  
15 much.

16 CHIEF CRAIG: Through the Chair, I just wanted  
17 to make one point. I know that Hilton Kincaid indicated  
18 he trained some of you.

19 CHAIRPERSON BELL: He's referring to, well,  
20 myself.

21 CHIEF CRAIG: What he left out is that when he  
22 came to Los Angeles, which he only stayed for what, two  
23 minutes, he was trained by me.

24 CHAIRPERSON BELL: You kept that a secret.

25 MR. KINCAID: We have some LA history.

1 CHAIRPERSON BELL: We won't hold that against  
2 you.

3 MR. KINCAID: Thank you, Chief.

4 CHAIRPERSON BELL: Okay. Any other old  
5 business? So, if you have any other concerns or  
6 reference to this particular issue or matter, contact  
7 the Board secretary, okay, and we can have a real good  
8 discussion next week.

9 One other issue that came out of that  
10 discussion was really dealing with juvenile and homicide  
11 investigations. And that was a request by Commissioner  
12 Crawford. Perhaps we can either in the next couple  
13 weeks, about how we will handle juvenile investigation.  
14 You wrote that issue up with the young man 14 years of  
15 age.

16 COMMISSIONER CRAWFORD: Yes, sir. That was  
17 pertaining to interviews, interrogations, whether or not  
18 there's -- and I do know, there are a number of things  
19 in place that have been put in place since the Consent  
20 Decree. But it was in reference that, just for general  
21 information, not only for us Board members but for the  
22 public to know that the Detroit Police Department is a  
23 different police department than it was three years ago,  
24 five years ago, etc cetera, particularly what happened  
25 with the young man in my district who spent nine years

1 in prison, Mr. Sanford.

2 CHAIRPERSON BELL: Chief Craig?

3 CHIEF CRAIG: Through the Chair, just on that  
4 particular case that you're referencing, I have had a  
5 conversation with the Michigan State Police. We are in  
6 the process of getting at least the portion of the  
7 report that deals with one of our active duty members to  
8 open an internal investigation that will be lead by  
9 Commander Sims.

10 So, that is in progress. I had a conversation  
11 last week. So, we will be evaluating that.

12 COMMISSIONER CRAWFORD: Through the Chair,  
13 thanks, Chief. And I know one of the members had  
14 retired. I didn't realize it was still -- that was  
15 still --

16 CHIEF CRAIG: Yes. There was one. As far as  
17 what we know now, there's one remaining member who was a  
18 key investigator in that case. And we want to  
19 investigate that based on the allegations that have come  
20 forward.

21 COMMISSIONER CRAWFORD: I want to just say I  
22 appreciate the investigation.

23 CHAIRPERSON BELL: Thank you, sir.

24 Announcement: The next meeting will be held on  
25 Thursday, June the 23rd, 3:00 p.m., at the Public Safety

1 Headquarters. On July the 14th is the next Board of  
2 Police Commissioners Community Meeting. It will be at  
3 the 10th Precinct at the St. Stephen AME Church at 6000  
4 John E. Hunter Drive on July the 14th. That's the next  
5 community meeting.

6 At this time, I would have -- we would have  
7 oral communications on the agenda. Unlike in the past  
8 where people just stagger up, I would ask if you're  
9 physically able, would you all pretty much come to this  
10 side of the podium if you're going to speak, all  
11 participants, if you're going to speak?

12 If you can't stand for that timeframe, you  
13 take a seat. But I want to see you now after we get an  
14 idea so we won't keep asking you over and over again,  
15 are you coming to the mic. I like that. Any other  
16 participants? Do we have -- any others? So, I see one,  
17 two, three four. Is that it? Mother Bernice, are you  
18 speaking? Come to the front row, please.

19 MS. SMITH: From row here?

20 CHAIRPERSON BELL: I want to make sure  
21 everybody is in place so we have an idea of how many  
22 speakers we are going to have and we won't have a little  
23 peanut gallery here and there so we have an idea, a  
24 little bit more formal process. Excuse me for the  
25 peanut gallery. Strike that. Have a seat,

1 Miss Bernice. You don't have to stand. I just want to  
2 get an idea that you perhaps are the last speaker.  
3 Lieutenant?

4 LIEUTENANT GARDNER: Good afternoon, Honorable  
5 Board. Lieutenant Gardner, police recruiting. I wanted  
6 to reach out to you all because you have been a very  
7 supportive staff as it relates to us currently  
8 recruiting for the Detroit Police Department. So, I  
9 wanted to make a few announcements on some areas in  
10 which we are going to be doing some job fairs.

11 One will be at the Northwest Activities  
12 Center. And it's scheduled for June the 27th. They  
13 will be opening the doors at 8:30. Attending -- people  
14 who are going to come to apply with our Department will  
15 need to be there by 9:00 because they will be closing  
16 the doors at 9:00. However, if there is a line, they  
17 will allow them to come into the building.

18 Also, we will be at Eastern Market on this  
19 weekend, Saturday, the 25th. And it will be from nine  
20 until three. So, if you know of anyone that wants to  
21 join the Department, please inform them that we will be  
22 out in the community. And we will definitely keep you  
23 updated as far as other areas of the City in which we  
24 will be out in the field recruiting.

25 And again, we thank you for all of your

1 support. And if you have any places that you would like  
2 us to attend, please feel free to let me know; and we  
3 will get on the agenda and come out. Thank you.

4 COMMISSIONER BURTON: Through the Chair, I  
5 want to say -- I want to start off first and thank the  
6 Chief and also thank Lieutenant Gardner. Just this  
7 previous week, we spoke over at Henry Ford High School  
8 for a career day. Lieutenant Gardner and her staff put  
9 together a great presentation for the kids over there.  
10 And we -- you know, also, our Board attorney Linda  
11 Bernard was also present.

12 And I just want to say -- Sergeant McDaniels  
13 is his name?

14 LIEUTENANT GARDNER: That's correct.

15 COMMISSIONER BURTON: He did a wonderful job.  
16 And I want to say thank you again for the presentation  
17 you put together for the students over there. It was  
18 great. And we had so many kids in the various  
19 classrooms that we went to that are interested and, you  
20 know, looking to joining the Detroit Police Department  
21 and other agencies and other city departments. So, that  
22 was a great Power Point presentation.

23 LIEUTENANT GARDNER: Thank you. I also have  
24 some flyers here if you want to take them to hand out.  
25 Thank you again.

1 CHAIRPERSON BELL: Thank you, Lieutenant.

2 COMMANDER BETTISON: Good afternoon, Board.

3 Commander Todd Bettison for the record. It's that time  
4 of year again. So, next week will be the start of River  
5 Days, on June 27th being the fireworks, Ford Fireworks.  
6 So, I want to thank you for your volunteerism last year  
7 for all the Commissioners and the community who  
8 participated in the Volunteer Angels campaign. That was  
9 a great -- that was a great initiative, you know,  
10 spearheaded by the Chief, you know, in partnership with  
11 Wendall Anthony and the NAACP and their downtown  
12 partnership. It was wonderful.

13 So, we are asking for volunteers next Tuesday  
14 in this room right near, the Michigan Room at 1301 Third  
15 Street. We are going to have a Volunteer Angel's  
16 orientation. It's going to be at 6:30 p.m. It will be  
17 a briefing. And it will be shared with the community to  
18 get the eyes and ears helping us keep our community  
19 safe.

20 And then I also have a telephone number as  
21 well where members of the community can call to get more  
22 information about signing up to become a volunteer  
23 angel. And that number is 313-550-1788. Once again,  
24 313-550-1788. For the community, for members who are  
25 thinking about volunteering to be a volunteer angel, you

1 have best to say volunteer angel, you're ambassadors for  
2 the City of Detroit. They have a wonderful time. And I  
3 will tell you that at the end of it, they say, let's  
4 keep it going. They did not want to stop. So, it was a  
5 wonderful event. And at this time, I'm going to have  
6 Officer Smith come to the microphone from my staff. And  
7 he's going to talk about the 2016 Citizens first ever  
8 Youth Police Academy.

9 OFFICER SMITH: Thank you, sir. Good evening,  
10 Board members. Officer Smith, chief neighborhood  
11 liaison. We're having the first 2016, Citizens Youth  
12 Academy. It's an initiative through Chief James Craig,  
13 Commander Bettison and Councilwoman Mary Sheffield.  
14 It's a great idea where 16 through 24 years of age, the  
15 youth, they are going to come out, and we are going to  
16 engage them. We are going to engage them on contact  
17 with the police.

18 We are going to engage them with bullying.  
19 We're going to send them through our 911 system. We're  
20 going to send them through our academy for Shoot, Don't  
21 Shoot. We're going to do drinking and driving with  
22 them. We're going to give them a ride-along, and then  
23 we're going to graduate them. It's a five-week program  
24 with a graduation at the end.

25 We're shooting for the Detroit Historical

1 Museum. They extended their arm out to us. And we'll  
2 definitely accept that venue out there. The Chief and  
3 Commander Bettison, we are trying to get the youth  
4 together. We are trying to show them that the police  
5 are not the bad guys. We want to communicate with the  
6 youth. We want to let them know that they are part of  
7 us, we are part of them.

8 So, with this academy, we're going to bridge  
9 that gap. We are going to keep bridging that gap until  
10 we get our youth to be a part of this city the way we  
11 want to be, that's being part, being viable, being a big  
12 piece of making Detroit a better place. So, our first  
13 one is going to be held starting at the 7th Precinct.  
14 And it's going to be starting June 30th from 5:00 to  
15 8:30, I mean 5:00 to 8:00. And we'll go every Thursday  
16 until we graduate, wishing for a graduation date, August  
17 the 6th at the Detroit Historical Museum.

18 It should be a great program. We are hoping  
19 we get 50 participants in this class. And we're just  
20 looking for the youth of the City of Detroit to actually  
21 understand that we, the police department, the citizens  
22 want them to be viable citizens and be a productive part  
23 of Detroit I would say renaissance that's going on right  
24 now.

25 COMMISSIONER MOORE: Through the Chair, how

1 are you going about recruiting them? It's an excellent  
2 program, much needed. How are you going about  
3 recruiting?

4 OFFICER SMITH: We have applications. We  
5 reached out to our Citizen Police Academy Alumni  
6 Association. Council person Mary Sheffield, she's  
7 supposed to be spearheading the recruitment. We've had  
8 conversations with our Explorer program. We're bringing  
9 some of them on. Youth Connection. We're reaching out  
10 to the youth. We are going to take the first 50 on  
11 hand, and we are going to run with that. We're reaching  
12 out.

13 COMMISSIONER MOORE: I understand.

14 OFFICER SMITH: We have applications, and we  
15 also brought flyers.

16 COMMISSIONER CRAWFORD: Yes. What was that  
17 age again?

18 OFFICER SMITH: 16 to 24, sir.

19 COMMISSIONER DEWAELSCHÉ: Mr. Chair, I know  
20 the commander is very involved in growing Detroit young  
21 talent. So, with the police department, will you be  
22 incorporating that within the program? I mean, a lot of  
23 the youth are a part of the summer youth program. If we  
24 could get them to continue in this program --

25 COMMANDER BETTISON: So, Sergeant Perry will

1 target that program. In Grow Detroit Young Talent, we  
2 have over 1,500 youth that the police department has  
3 taken on. So, many of the things that we use in our  
4 cadet program will experience. They're connected. So,  
5 they are going to get that. But for the ones who  
6 couldn't be a part of Grow Detroit Young Talent, that's  
7 what this is going to be a part of.

8 So, I'm working with some young people at  
9 Martin Luther King High School who has already signed up  
10 who are leaders over there, Demarkus and some other  
11 members. They're really excited about it. And they're  
12 going to be part of our Detroit Citizens Youth Police  
13 Academy.

14 MS. DEWAELSCHÉ: Wonderful. Thank you.

15 CHIEF CRAIG: Through the Chair. Commander  
16 Bettison, can you also talk briefly about the Youth  
17 Peace Summit?

18 COMMANDER BETTISON: Absolutely. So everyone  
19 can save the date, we are going to have the Youth Peace  
20 Summit that we are scheduling. And it's going to be  
21 big. It's going to be at Chene Park. So, the save the  
22 date will be July 28th. That's on a Thursday. For the  
23 summit portion of it, it's going to be a concert. But  
24 it's going to also be an informational summit. So, it's  
25 going to start early in the day, at 3:00 p.m. And they

1 will be able to go to various workshops that the police  
2 department and various members from our shop partnering  
3 with the Health Department, etc cetera, will throw  
4 summits, workshops.

5 And one of the themes will be, A Passport to  
6 Greatness. So, it's all about empowering the youth.  
7 And then after the summit portion of it, that's when we  
8 will move on to the concert, which will start at  
9 7:00 p.m. We haven't locked in the talent yet, but  
10 we're partnering with the hip-hop caucus because we want  
11 to be able to bring in talent that the youth respects  
12 that push our message of peace. And we are also  
13 reaching out to the athletic component as well because  
14 we have the NFL, we have Ford Field. We have the Lions,  
15 we have the Tigers who are in discussions with us right  
16 now as far as bringing in some role models for the kids  
17 also.

18 And, Chief, I can announce that Radio One has  
19 just came on board to say they are going to partner with  
20 us with our Youth Peace Summit. So, it's going to be  
21 real big, and we are very excited about it.

22 CHIEF CRAIG: Through the Chair, I think that  
23 the highlight of the program will be that some of the  
24 people you saw in the video that now has nine million  
25 views, the Running Man video, some of those dancers will

1 be present to perform. In fact, First Assistant -- you  
2 saw me. First Assistant Chief Stair will be there  
3 dancing. She don't know it yet.

4 CHAIRPERSON BELL: Chief Craig, I want you to  
5 know that we dance too. I mean --

6 CHIEF CRAIG: The next evolution of Running  
7 Man.

8 CHAIRPERSON BELL: I want you to know that we  
9 dance too, and we want to participate. And if I can't  
10 shake a leg, then I'll have Commissioner Burton  
11 represent me. So, I want you to know, don't leave us  
12 out. We've got Commissioner Moore over here. So, you  
13 know, we can be part of hip-hop a little bit, okay?

14 CHIEF CRAIG: Yes, we will. You're in.

15 CHAIRPERSON BELL: Thank you. I think this is  
16 really really outstanding. Commissioner Crawford?

17 COMMISSIONER CRAWFORD: Yes, sir. That date  
18 again and location?

19 COMMANDER BETTISON: Are we talking about the  
20 peace summit or volunteer angels? The peace summit, the  
21 date is July 28th, and the location is Chene Park. And  
22 there will be a media blast. We're going to have it  
23 out. We're going to start really pushing it out so that  
24 no one can say that they didn't know about it, okay?

25 OFFICER SMITH: One thing about the youth

1 academy, like they're reaching out to the youth. Our  
2 contact information, myself and Officer Wilson, is on  
3 our flyers. But if you want it on your record, Officer  
4 Wilson's number is 313-670-3106. And my information,  
5 313-316-6080. That's Officer Wilson and Officer Smith  
6 for the Citizen Youth Academy.

7 And for my last announcement, we have the  
8 Bellaire Movie Theatre, it's been renovated. It's now  
9 called the Bellaire Luxury Cinema. June 19th, which is  
10 Father's Day -- forgotten holiday in most people's  
11 eyes -- we are going to do -- I'm just telling the  
12 truth. We are going to do something incorporating the  
13 Bellaire Movie Theatre in Detroit. And we're going to  
14 bring a dad to the movie. It's \$20 to come out and  
15 visit with us, popcorn, large popcorn, drink and also  
16 entertainment.

17 Our entertainment is going to be the movie  
18 Central Intelligence with Kevin Hart and Dwayne the Rock  
19 Johnson. And if somebody is going to bring a person,  
20 it's two for \$35. Some of these -- all of the proceeds  
21 that we earn are going to the field day, which is  
22 September the 10th. So, whatever we are doing now, it's  
23 fundraising strictly for going to field day. And all  
24 the contact information is on the flyer. We would love  
25 for somebody to come out, one of you guys or the young

1 ladies come out and support us on our field day.

2 The movie is going to start around 3:00. Our  
3 Chief is going to come out and say a few words and going  
4 to get the thing started. And we're going to have a  
5 nice time at the movie theatre. And if you haven't been  
6 out there, they renovated it. It's -- you out in the  
7 suburbs when you're inside this movie theatre. It's  
8 real nice. Any questions?

9 CHAIRPERSON BELL: Thank you, sir.

10 OFFICER SMITH: You're welcome. Enjoy.

11 MR. KOROLSKI (Phonetic): Good afternoon,  
12 Commissioners, Chief Craig. Gary Korolski (phonetic)  
13 again, Tri County Towing. I was in front of the Board  
14 two weeks ago regarding the same incident, regarding the  
15 administrative fees. And now I have the receipt where  
16 it's paid in full up 'till 2016. I'm requesting that  
17 the Board approve my tow permit. At this point, I don't  
18 know if you received the letter from my attorney  
19 regarding a formal hearing.

20 According to the rules, we are entitled to a  
21 formal hearing. But I would just as soon be approved  
22 today and move on. And I will make sure these fees are  
23 never behind again. It was just an employee problem,  
24 and it's all fixed now.

25 CHAIRPERSON BELL: Officer Myers, you want to

1           come forward? It's not on the agenda for today. But if  
2           Officer Myers want to speak briefly to this, we can have  
3           a process.

4                       OFFICER MYERS: If I may, Officer Kenyetta  
5           Myers, Detroit Police Department, resource management.  
6           Tri County Towing -- we went through this June 2nd. Tri  
7           County Tow has not paid administrative fees -- that's  
8           \$75 per vehicle -- from January, 2015, through May of  
9           2016. It came to a total at that time of \$66,150.

10                      This money, again, is money that you're  
11           supposed to pay monthly as you collect it from the  
12           citizens, to the City. This is the City's money. Not  
13           paying this money for an extended amount of time, it  
14           kind of constitutes embezzlement. I mean, it shows an  
15           intent to keep the money. It shows that you did not  
16           want to pay this or you refused to pay it.

17                      CHAIRPERSON BELL: Maybe we don't want to go  
18           there. In other words, they are not in compliance at  
19           this time.

20                      OFFICER MYERS: No, not at all.

21                      CHAIRPERSON BELL: So, there's no action for  
22           us to take since we took action on June the 2nd. So,  
23           Tri Towing need to interact with you. And once they get  
24           in compliance, they come back before this body.

25                      OFFICER MYERS: Yes. But we will -- the Board

1 has already denied them June the 2nd. There is nothing  
2 for me to do. You can reapply May, 2021.

3 CHAIRPERSON BELL: Deputy Washington, come on  
4 up.

5 ATTORNEY WASHINGTON: Through the Board, Celia  
6 Washington. At this point, there is nothing for the  
7 Board to consider. The Board has taken action two weeks  
8 ago and voted. The permit application process is  
9 closed.

10 CHAIRPERSON BELL: Thank you. Sir?

11 MR. KOROLSKI: I would just like to make one  
12 comment. And this has to do with all the tow companies  
13 that tow for the City. All the vehicles are not  
14 redeemed all the time. Let's say if we tow in 60 cars,  
15 sometimes 20 of the cars aren't redeemed. That means we  
16 owe the \$75 for that car, whether it leaves or not.

17 So, it's not like we have collected all this  
18 money on all these cars. As soon as that car crosses  
19 the gate, we owe \$75 at the end of the month. So, it's  
20 not that -- it's not glory. It's not all money. We  
21 have, you know, we have 20 out of 60 that don't get  
22 redeemed. At that point, it's a scrap vehicle. So,  
23 it's not a lot of money. So, it's a hard thing for all  
24 the tow companies.

25 CHAIRPERSON BELL: Thank you, sir. Any other

1 comments from the audience? Yes, ma'am?

2 MS. GOMEZ: Good afternoon, everyone.

3 Jennifer Gomez. I am here from southwest Detroit. And  
4 I'm here to bring up not just problems any more because  
5 we are focusing too much on the problems that are going  
6 on. We have to focus on the solutions.

7 Where are the solutions to help Detroit become  
8 better? Whatever it is that Detroit has been doing, the  
9 representers for Detroit, it has not been working.  
10 Okay? So, the City is in fear. People are afraid. You  
11 have people that are afraid of the police department any  
12 more. And you have people that are extremely stressed  
13 out. They want to know where the money is going, who  
14 was using this money.

15 There has been way too many embezzlements.  
16 Detroit has been -- people have been taking advantage of  
17 Detroit. So, whatever it is that has been going on,  
18 there has to be a change, okay? There are different  
19 things that are going on. We have different problems  
20 arising. And we have to start targeting them in  
21 different and better ways.

22 So, instead of focusing on saying all the  
23 problems that there are all the time, because there's  
24 going to keep being problems, we need to start focusing  
25 on solutions. I'd like to know what solutions have you

1 guys brought up to help make Detroit better. It's not  
2 about how many police officers and how many people are  
3 there. It's how hard are we working, not just how hard  
4 but what are we actually doing to work smarter and  
5 attacking to get solutions going on.

6 CHAIRPERSON BELL: Ma'am, did you speak to us  
7 last week?

8 MS. GOMEZ: Yes.

9 CHAIRPERSON BELL: Why don't we have more  
10 discussion? I can speak to you afterward. But we went  
11 in detail with your concerns. And I think that it was a  
12 good dialog. You met with some of the community people  
13 there. So, I don't think --

14 MS. GOMEZ: I'm sorry to interrupt you.

15 CHAIRPERSON BELL: Your time is really up.

16 MS. GOMEZ: But here is one example.

17 CHAIRPERSON BELL: Ma'am, ma'am, your time is  
18 up. You have been duly noted. Your concerns, it's not  
19 been -- Commissioner Burton, you want to respond?

20 COMMISSIONER BURTON: Yes, sir. Thank you,  
21 Mr. Chair. You know, there are a lot of great  
22 initiatives that have taken place here, a lot of great  
23 energy that are being driven here. You know, we got  
24 that Green Light initiative program. It's the first,  
25 you know, big thing that's going on. I'm excited about

1 that. That's great. That's working, you know. Like  
2 the Chief just mentioned about the integration system  
3 with the camera system, with the dashboard camera and  
4 the body cameras, that's about to roll out soon.

5 I mean, great things are happening. But we  
6 ask Detroiters to get involved in your community. I  
7 mean, you got community -- police community relations  
8 meetings that's going on, you know, that meet at all the  
9 precincts. Get engaged in that. You know, encourage  
10 people to use the DPD app. And, I mean, DPD Connect  
11 app. That's another thing, you know. I'm going to  
12 throw that out there. That's a great app, you know.

13 But, you know, we haven't always had that app.  
14 But the app is great. People are using the app. I  
15 mean, it's great.

16 It's a lot of great things that's happening  
17 with this Department and in this community. This is no  
18 longer the same police department we used to see. This  
19 is no longer the same Board of Police Commissioners.  
20 You know, you got great working relationships between  
21 the two offices and, you know, great things that we  
22 rolling out for Detroiters.

23 CHAIRPERSON BELL: Thank you, ma'am. If you  
24 want to interact with -- you spoke to Commander  
25 Bettison. He just -- we just went over the last ten

1 minutes, a great deal is happening. So, you can speak  
2 to any commissioners after the meeting or contact  
3 Commander -- you met precinct command. You talked to  
4 the captain, you met the community person.

5 So, basically, we can have this ongoing  
6 discussion but not in terms of going back and forth with  
7 you. Commissioner Crawford?

8 COMMISSIONER CRAWFORD: Also, through the  
9 Chair, yes, ma'am. Prior to your arrival, there was a  
10 discussion about the evacuation of southwest Detroit.  
11 And it was pertaining to Marathon. And I believe in a  
12 week or a couple weeks, down there we're going -- having  
13 that very discussion. And when we talk about the  
14 evacuation of southwest Detroit, we are talking about a  
15 health and safety issue for the citizens who reside in  
16 southwest Detroit, which is the community from which you  
17 represent or come.

18 I definitely would like to invite you back for  
19 that. So, if you have any questions -- because that  
20 deals with the health, safety and welfare and those in  
21 terms of God forbid something happens with Marathon.  
22 And there's been a fire there before at Marathon.  
23 That's one issue. And, also, too, I respect your  
24 energy, your revolutionary spirit. And that's why last  
25 week when we all talked after the meeting, we invited

1 you to come in to meetings down here.

2 So, it is a process in terms of finding out  
3 just what is going on. And I welcome the challenges to  
4 solutions to problems. So -- but thank you for coming  
5 back down, I mean for coming down here. But also too I  
6 hope that you will come back, like I said, to deal with  
7 that one particular issue. And you and the community,  
8 if you have questions about that evacuation.

9 But there are a number of problems and, you  
10 know, it's a problem solving environment. And so,  
11 there's an evolution here that's occurring in terms of  
12 trying to solve these problems and engage the community  
13 and for the community to engage us. Also, too, if you  
14 don't mind -- and sometimes if we have time in our  
15 meetings that you can just kind of -- you're Spanish  
16 speaking, correct?

17 MS. GOMEZ: Yes.

18 COMMISSIONER CRAWFORD: And one might say  
19 relay this to our Spanish speaking audience, some of  
20 what you just said. Thank you.

21 CHAIRPERSON BELL: Chief Craig?

22 CHIEF CRAIG: Thank you, Mr. Chair. I  
23 appreciate your energy as it was already pointed out.  
24 Also, like what you said most importantly, solution  
25 driven. I talk a lot about that in community meetings.

1 I would welcome -- in fact, we are doing our youth  
2 summits -- if you would get with Commander Bettison, I'm  
3 certain we can have you part of that effort. We need  
4 help.

5 The second part of what you can help us with,  
6 we're desperately trying to recruit Hispanic officers.  
7 And so, certainly I know that you probably know a lot of  
8 individuals who might be interested in a career in  
9 policing. So, we would welcome that. So, if you're --  
10 I hope that Commander Bettison has your contact  
11 information. I know he's still seated in the rear. If  
12 you two would link up and get you involved in our next  
13 event, I think you would be quite impressed with the  
14 work we are doing.

15 MS. GOMEZ: Sounds like a plan. Thank you.

16 COMMISSIONER DEWAELSCHÉ: Mr. Chair, if I may  
17 comment, I also recall you from our last meeting. And  
18 that was one of the things, Chief, that I indicated,  
19 that we do need to have the help of our Latino community  
20 in southwest Detroit in recruiting police officers  
21 because if we are going to find solutions -- I believe  
22 that you indicated at our last meeting that one of the  
23 problems was that our community was fearful of the  
24 police.

25 Well, we need to be police officers in that

1 case so that we won't be fearful. We will be a part of  
2 the solution. So, any help that you can provide in  
3 recruiting, as the Chief indicated, is going to be  
4 greatly appreciated. And I would like to talk to you  
5 after the meeting as well. Thank you.

6 MS. GOMEZ: Thank you.

7 CHAIRPERSON BELL: Young lady, I just want to  
8 convey to you, take advantage of what was started last  
9 week. And the Commissioner is open to you, the Chief is  
10 open to you, the Commander is spearheading. There's so  
11 much going on, the Mayor's office, the council people  
12 are spearheading. The youth forum on Mack at Victory  
13 Park, young people on the east side.

14 So much is going on. So, don't be left out of  
15 the loop just to speak at the mic. But we are evolving  
16 in terms of engaging not just the community but young  
17 people, Hispanics and others. So, hopefully you will  
18 get with the Commander and talk to the Commissioners.  
19 And we want to be helpful. But it serve no purpose to  
20 have a dialog. We hear you. We heard you the first  
21 time, okay? We want to work with you. You have any  
22 interest in joining the police department? We asked  
23 that before too. Okay. Thank you.

24 MS. GOMEZ: Thank you so much.

25 COMMISSIONER BURTON: I've got a question for

1 the young lady. Do you know any young youth that might  
2 be interested in coming to our school as we recruit for  
3 Explorers?

4 CHAIRPERSON BELL: She'll have the dialog.  
5 Okay. Mother Bernice?

6 MS. SMITH: Good afternoon, Chief,  
7 Commissioners. I'm going to be very short. So, Brown,  
8 don't be checking. Last week -- most of you know, I  
9 care a lot about the police department for over 25 years  
10 or more. So, whenever I feel as though that you're  
11 doing something wrong, I have to bring it to your  
12 attention. And when you're doing something that I give  
13 praises to, and I let you know about it.

14 But last week was something that I think that  
15 it should never happen again. Last week the Police  
16 Commission election in my estimation and others that I  
17 spoke to was a farce, known in Chicago as politics. It  
18 was the setup in advance in my estimation, and it was  
19 very sad thinking that those days would happen here in  
20 the Detroit area involving our Police Commission.

21 How gullible I was and so was other Board  
22 members also. They were not aware of a back room  
23 decision, again, a Chicago action to elect the same  
24 person as a chair two or three times.

25 With that, I hope this outrageous action will

1 never happen again. We -- if you are -- I know you're  
2 sorry about what happened. You should be. And if  
3 you're in the click, then you're in bad shape if you are  
4 not in the click. So, my thought is this. I would like  
5 very much for us to get an ethics commission with  
6 citizens so they would be on the sideline. I spoke with  
7 some people in regards to it, and they thought that was  
8 a good idea because lot of people do not wish to come  
9 down here and express their ideas about what's going on  
10 in the neighborhood.

11 So, what I say, in essence, you have the  
12 power; so, you better use it because we are. We intend  
13 on helping you in any way we can. And we do not want  
14 this to continue to go on and have certain people to do  
15 things and certain people are left out in the cold. And  
16 we wouldn't want it to happen again. All right. Good  
17 seeing you, Chief. I'd love to see you dance.

18 COMMISSIONER CRAWFORD: Through the Chair,  
19 Miss Smith, with all due respect, what you just said,  
20 let me set the record straight and clarify something.  
21 There was no election to elect the same person to the  
22 chair. That's one. Two is --

23 MS. SMITH: There was no election. You did it  
24 among yourselves.

25 CHAIRPERSON BELL: Miss Bernice, let the

1 Commissioner speak, please. Thank you.

2 COMMISSIONER CRAWFORD: You referenced  
3 Chicago. There was no politics involved in any of this.  
4 Okay? Democracy works. It did work. Sometimes it's  
5 not pretty. It's like sausage, okay? We held our  
6 elections according to the by-laws, and no one was  
7 elected to the same seat, to the same office. So,  
8 that's a matter of record. So, I just want to be clear,  
9 set the record straight.

10 MS. SMITH: Are you sure of what you just  
11 said? There's no one elected to the same seat?

12 COMMISSIONER CRAWFORD: There was no one  
13 elected to the same seat.

14 MS. SMITH: I'm not going to argue with you.  
15 We will talk about it afterwards because you know as  
16 well as I do, Mr. Bell has been vice chair -- chair for  
17 -- twice. So, we will talk after the meeting.

18 COMMISSIONER CRAWFORD: With all due respect,  
19 to set the record straight, Commissioner Bell is  
20 currently the vice chair. He is Chair elect, which  
21 takes effect July 1st. Prior to that or year prior, he  
22 was the Chair. There was no one -- let me say this  
23 again. There was no one elected to the same seat as you  
24 stated twice at least or three times now.

25 So, with all due respect, you know, we -- if

1 we're --

2 MS. SMITH: It's done now, Reggie. It's done  
3 now. We won't even talk about it any more. I  
4 congratulate you on it and hope that you'll be  
5 successful in your job. I have no problem talking about  
6 it.

7 CHAIRPERSON BELL: Mother Bernice, I'm not  
8 going to dignify by responding to your allegations. I  
9 would hope that, as I stated before to you, that you  
10 should understand the rules and regulations in the  
11 Charter of the City of Detroit. So, however, you have  
12 your right to speak for two minutes, and I respect that.  
13 But I don't respect your remarks in reference to what --  
14 your time is up.

15 MS. SMITH: My time is up, but I still have  
16 the right to come before this Commission and express my  
17 thoughts. You have Commissioners there that was not  
18 even aware of the election last week. And you know what  
19 I'm saying. And you know exactly -- and I'm through  
20 with that. All right. Take care.

21 CHAIRPERSON BELL: It's been duly noted.  
22 Thank you. Any other remarks, comments? The Chair  
23 would entertain a motion for adjournment.

24 COMMISSIONER: So moved.

25 COMMISSIONER MOORE: Support.
