1	Detroit, Michigan
2	Thursday, June 25, 2015
3	About 3:00 p.m.
4	
5	CHAIRPERSON BELL: Good afternoon. Welcome to
6	the weekly meeting of the Board of Police Commission
7	here at Public Safety Building. I'm Willie Bell, your
8	chair, your outgoing chair. And to my immediate left is
9	our former chair, Jessica Taylor. So, I'm going to ask
LO	if Commissioner Donnell White would render a prayer. We
L1	would appreciate it.
L2	COMMISSIONER WHITE: Dear Heavenly Father, we
L3	ask that you bless this occasion, bless those who are
L 4	serving, bless those in the city who are grieving at
L5	this moment through the senseless violence that
L6	continues to permeate throughout this city.
L 7	Place this body on like mindedness, that we
L 8	may come together to bring forth sound solutions to
L 9	better serve your people. Bless the men and women who
20	serve this community daringly day to day and please be a
21	hedge of protection around them.
22	Watch over those who are en route to this
23	place and over us as we leave this place. We ask all
24	these things in your mighty name, Amen.

CHAIRPERSON BELL: Thank you, Commissioner

Page 4 White. Right on time in terms of the need to be 1 2 prayerful under the circumstance. I'm going to ask our Board secretary, George Anthony, to conduct the role 3 call. 4 5 SECRETARY ANTHONY: Thank you, Mr. Chair. For the record, George Anthony, secretary to the Board. 6 7 Commissioner Lisa Carter? Commissioner Willie E. Burton? 8 9 COMMISSIONER BURTON: Present. 10 SECRETARY ANTHONY: Commissioner Reginald 11 Crawford? COMMISSIONER CRAWFORD: Present. 12 13 SECRETARY ANTHONY: Commissioner Eva Garza Dewaelsche? 14 15 COMMISSIONER DEWAELSCHE: Present. SECRETARY ANTHONY: Commissioner Conrad L. 16 17 Mallett? COMMISSIONER MALLETT: Present. 18 SECRETARY ANTHONY: Commissioner Ricardo R. 19 20 Moore has asked to be excused. Commissioner Richard 2.1 Shelby has asked to be excused. Commissioner Jessica 2.2 Taylor? 23 COMMISSIONER TAYLOR: Present. 24 SECRETARY ANTHONY: Commissioner and Bishop 25 Edgar Vann?

1	COMMISSIONER VANN: Present.
2	SECRETARY ANTHONY: Commissioner Donnell R.
3	White?
4	COMMISSIONER WHITE: Present.
5	SECRETARY ANTHONY: Mr. Chair, you have a
6	quorum of eight.
7	CHAIRPERSON BELL: Thank you, sir. Before I
8	introduce the assistant chief, I'm going to ask
9	Commissioner Willie Burton asked to be excused. But he
10	wanted to speak why he's leaving at this particular
11	time.
12	COMMISSIONER BURTON: For the record, there is
13	an event taking place in my district. And it's taking
14	place over at the Butzel Center. I believe the chief
15	and council District 5 council person is putting on
16	an event over at Butzel. So, I was going to go attend
17	that. But I haven't really had the opportunity to
18	attend anything over at Butzel. So, there's something
19	that's going on at Butzel. So, I was going to attend
20	that because it's happening in my district.
21	This is the first I think summit on gun
22	violence; so, I understand it's like a summit. So, I
23	think it's important to be there. I was informed that
24	this is a light agenda today. And it's nothing that we
25	be voting on. So, I spoke with our chair and vice

1	chair, and they said it was you know, it was okay.
2	So, okay, Mr. Chair?
3	CHAIRPERSON BELL: Yes, sir. Thank you, sir.
4	To my far left sitting in for the chief is Assistant
5	Chief Steve Dolunt. Good afternoon, sir.
6	ASSISTANT CHIEF DOLUNT: Good afternoon. What
7	is that noise? Could you turn that down, please?
8	CHAIRPERSON BELL: He's trying to work with
9	it. Mr. Anthony, would you introduce and our vice
10	chair and up and coming chair has arrived, Lisa Carter.
11	Good to see you.
12	MS. CARTER: Good to be here.
13	CHAIRPERSON BELL: Mr. Anthony, would you
14	introduce the staff, please?
15	SECRETARY ANTHONY: Thank you, sir. We have
16	seated in the front row Miss Pamela Davis-Drake who is
17	our chief investigator; Miss Linda Bernard who is our
18	attorney to the board. And in the back is Mr. Robert
19	Brown, our administrative assistant. We also have the
20	pleasure of Miss Wendy Boer from Hanson Court Reporting
21	Service. That completes the introductions.
22	CHAIRPERSON BELL: Thank you, sir. At this
23	time, the chair would entertain a motion to approve the
24	agenda for this afternoon's meeting.

COMMISSIONER TAYLOR: So moved.

Page 7 1 COMMISSIONER CARTER: Support. 2 CHAIRPERSON BELL: Properly moved and supported. Ready for the question? All those in favor? 3 4 COMMISSIONERS: Aye. 5 CHAIRPERSON BELL: Those opposed? Motion Thank you. The next item of business would be 6 carries. 7 approval of the minutes from Thursday, June 18th. chair would entertain a motion to that effect. 8 9 COMMISSIONER CRAWFORD: So moved. 10 COMMISSIONER VANN: Supported. 11 CHAIRPERSON BELL: It's been properly moved and supported. Ready for the question? Those in favor? 12 13 COMMISSIONERS: Aye. CHAIRPERSON BELL: Those opposed? Motion 14 15 carries. The next item would be my report. I just want 16 to -- was there supposed to be -- that was an error? 17 I just want to say that it's been a difficult 24 hours in the City of Detroit. On the east side of 18 19 Detroit, I had the opportunity to visit the scene this 20 morning and talk to some of the grandparents and the 2.1 parents and people in that neighborhood. 22 As we well know, we don't have all the facts. 23 And hopefully we will wait until those facts come out. 24 Sad commentary when we lose a six-year-old and a

three-year-old and other individuals suffered some

2.1

Page 8

trem	endous	ir	njuri	ies.	Ι	thi	nk	one	of	them	was	going	to
be l	ifted	to	Ann	Arbor	f	or	fur	ther	tı	reatme	ent.		

But we just continue, as Commissioner White prayed for peace and tranquility, for healing in our community. And it just amazed me from the party on the west side that several people were shot at, one fatality, that we are in a time where so many young people do not have the awareness of the impact of their behavior and activities of that nature in terms of driving or shooting. It seems just like it's ongoing.

And I know that the police is coming under scrutiny already. But we have a charge and duty, responsibility in terms of dealing with instances of police chase. Most of us have that experience, you'd understand those instance where people should be patient in terms of not rushing to judgment in terms of what transpired.

My understanding, even though the party was given by questionable individuals, that people engaged in certain types of behavior, where it sort of backfired in terms of warning folks to not participating or not snitching or whatever. I hope that is not true. But it seems to be a climate that we have to put the blame on individuals.

I don't think it's no excuse. We understand

2.1

Page 9

the issue of jobs and education. But until we address
the issue in our community, there's so many families are
broken in so many areas. And from there, you know, the
dropouts in terms of not participating in high school,
not getting the high school diploma or GED. And the
prison system is already overcrowded now as we well
know.

Macomb County is releasing people back to the community. I think that's misdemeanor. But we have some serious issues that I would hope all of us step up to the plate in terms of not pointing fingers but responding to the concerns to address the issues that we face as we cope with the confederate flag, but we all have our flags here in terms of violence.

And so, hopefully we can do more and give more to the problem and not just talk about a quick fix.

There's no quick fix in terms of what's happening 'cause in my neighborhood, like most neighborhoods, whether it be a police chase or people just drive recklessly now in terms of that would be consent of that particular —

Nottingham, that area, that folks come through. They fly through the area to the freeway.

So, we just have to be more engaging. I just hope that all of us be aware and do not point fingers in terms of the whole issue that we're going to weigh in

L	on. So, I'm pretty sure we're going to hear more in
2	terms of from the assistant chief in terms of some
3	facts because I know the investigation still pending.
1	So, all the facts are not in.

2.1

So, as we move forward, I just want to also indicate that our meeting next week is going to be on Tuesday at 3:00. We changed the time from going into the holiday which is July 4th. And we have two outstanding commissioners that's going to be leaving us, Commissioner Donnell White who is also a past chair and a five-year member of this Board and Commissioner Jessica Taylor who is a five-year member of this Board.

We will miss their input, their dedication.

So, we would encourage others to come out next week after our meeting, afternoon, we are going to have a little light refreshment and some fellowship. We really want to recognize and appreciate their service because this is a non-salaried job. And I know they put in so many hours in so many areas in terms of yet they are still working people who have a day job.

So, I just want to commend them for supporting us in terms of coming on board in 2014. It's been really -- their leadership and commitment to this community is beyond the scope of volunteering.

Public safety is critical as you know. We on

2.1

Page 11

the front page all the time you know. And I think we
have I know we have some dedicated officers. As
Commissioner Burton leave to travel over to Butzel in
terms of Van Dyke and Kercheval. Our board secretary,
George Anthony, was there and attorney to the Board Lynn
was there and I was there earlier. Tremendous turnout.

I guess they opened up at 1:00. But people had been there before 12:00, and they were still coming. So, I just -- I missed the program. But we got to go in terms of that type of support from the community. We just need more of that. I know the mayor and the chief doing everything they can possibly to in terms of reaching out. But a whole lot of other people need to reach out from our church community, from our other community-based organizations really need to step up.

But I just commend that type of effort that we have to spend that much energy in reference. So, we just come off of four days of Riverwalk and also with the fireworks, with all the issues, the curfew -- my understanding, things went extremely well.

Before I hear the report of AC, I want to say thank you on behalf of the board for outstanding job and also thank the citizens of this community that respond to those concerns. So, I just want to thank you in advance of your report. So far we have received raves

6/25/2015

2.1

in terms of that type of peaceful setting. And I think
that's what we need to do more. We need to engage next
year that we need to plan now to have more community
involvement.

Page 12

Speaking to Commissioner Vann, in reference to the Baptist conference here, one of the largest. Maybe he might want to speak to that briefly too, one of the largest that come in the City of Detroit. And I saw some people who was driving here. And I know they are going to be enjoying the city, they're going to be spending money in the city. I want them to be safe. And we appreciate that type of conference making a commitment to Detroit.

So, as we move forward, we just have to do due diligence in terms of stepping up to the plate. So, I'm pleased with all the activities of the board. And what's going on on the east side of Detroit as well as what's going on throughout the city, that we trying to serve this community to the best of our ability, even though we understaffed, underpaid and sometimes unappreciated. But we raised our hand, and we committed to those objectives of public safety in terms of the Detroit Police Department. So, that's my report for today. Thank you for allowing me to speak. AC Dolunt?

ASSISTANT CHIEF DOLUNT: Good afternoon. It's

1	been a rough week. Between the citizens and police, I
2	thought we did a good job of River Days, good turnout.
3	One minor incident on Friday night, 10 to 12 kids acting
4	a fool. Rather than lock them up, gave them a ride to
5	the transit center. That's the kind of stuff that
6	didn't make the paper. We didn't lock up 10, 12 kids.
7	We sent them on their way because they were kids.
8	What happened in Greektown stinks. I think
9	we've identified the shooter, and I think we are looking
10	for him. There's no excuse for that. I was
11	fireworks. I think I'm the only person on the police
12	department who was disappointed. And I'm disappointed
13	for a different reason.
14	I was standing at the Joe Lewis Arena. And
15	this guy rode up on a bike and said aren't there
16	fireworks tonight? And I thought he was being a jerk.
17	But unfortunately I think everyone is a jerk to me
18	because I'm a jerk. So, he said, are the fireworks
19	tonight? I said, yeah. He goes, I'm not from around
20	here. Can I ask you a question? I said yeah. Why
21	aren't you utilizing the riverfront?
22	It dawned on me then that we stigmatized

It dawned on me then that we stigmatized ourselves with what happened ten years ago when we had six people shot, and we got to get past that. So, I went up in the chopper, and I went along the riverfront.

23

24

2.1

Page 14

And there's no one on the riverfront. And I think the
city lost out on a great opportunity. I told city
council, you have the Atwater Flats, you have that
concert venue on the west riverfront. You could have
parked cars there, charged five bucks a car, whatever.

If you're worried about security, you could have hired security or secondary employment. We could have filled that riverfront. As it was, in 30 years, in my opinion, it was the lowest turnout for fireworks.

And I think that's sad, sad commentary. And it could have been the weather. Could have been the fact that we moved it up an hour.

But unfortunately, it was the perception because of what happened downtown, what happened at Dexter and Webb. And it's unfortunate. So, while everyone is, you know, saying what a great job we did, yes, there were no incidents. There was I think four juveniles. I was disappointed because of the perception of ourselves, our own perception of the City of Detroit sometimes lacks. And that bothered me.

Fireworks, it was beautiful. It was a great thing. And actually my daughter got a text. One video was sent to her. It said thank you, thank your father and the department for helping us feel safe. And it was a picture of fireworks going off on the riverfront and

everyone	10	ookin	g up	and	the	pol	ice	offi	icers	walking	J
looking	at	the	crowd	d as	oppo	osed	to	the	fire	works.	

2.1

And it's a little thing but it shows that we care about -- we're looking at the people, not the fireworks. What happened at Dexter and Webb, yes, it was -- I was upset, extremely. Unfortunately, that clip went nationwide. I have been criticized for it, but I don't really care. It amazes me that there's videos of everything. There was videos of that terrible accident last night. Four hundred people, not one person had a video of what happened at Dexter and Webb, not one person?

And I know there's cell phones because the part that really bothered me, I just — when I went to that scene, the barbecue was still going. And it looks like there's a woman barbecuing, has her cell phone — I presume it was hers. It was pink, laying on the ground. And next was a little pink chair tipped over. And I thought, but for the grace of God, how none of these kids were shot is beyond me. How no one seen anything is beyond me. How you can be that reckless and fire into a crowd of kids is beyond me.

And I don't care if you're in South Carolina, Colorado, Detroit, when you do that, you're reckless.

To me, you're not just an individual, you don't care

6/25/2015

	Page 16
1	about life. And in this instance, the person that did
2	those things is depraved. I don't know what the answer
3	is. But I was upset, extremely upset about that. And
4	then last night. We got out there, and again it's
5	tragic. I don't know what to say.
6	There was a guy with a gun. And I'm told he

2.1

There was a guy with a gun. And I'm told he went in excess of 90-some miles an hour and struck those kids. It's tragic. There was two kids, really two little kids knocked off the sidewalk and thrown. And the officers, rather than wait for EMS, conveyed the kids. And talking to one of the officers, he broke down.

He said, I swear I was in the backseat, and he was like, I really tried. And the officer is messed up. The neighborhood is messed up. And naturally, the kid that did the driving ain't talking, which is a shame. And the passenger is not talking. No one knows anybody, their names. I just remember a time when we all knew each other's name. My parents had an idea where we were when it was turning dark. And now no one takes responsibility.

So, we are working through it. We are going to try to get chaplains out there. We had counselors out there. And we are under investigation. We are hoping to get a warrant signed by tomorrow, once we

6/25/2015

	Page 17
1	positively identify this individual. And we'll go from
2	there.
3	I don't really care about the stats because
4	this past week was horrendous. Philadelphia had the
5	same thing at a birthday party. The chief is not here
6	because he's going to Cincinnati because one of his
7	former officers was killed on a suicide by cop. There
8	was another officer killed in New Orleans. So, it's
9	been a rough week. That being said, that's all I got.
LO	Any questions?
L1	CHAIRPERSON BELL: Any questions or comments
L2	for the assistant chief?
L3	COMMISSIONER VANN: Mr. Chairman?
L 4	CHAIRPERSON BELL: Yes, sir?
L 5	COMMISSIONER VANN: First of all, I'm grateful
L 6	for your passion. When you come to us, you're very
L 7	impassioned about the things that are going on. And I
L 8	know that they effect you personally and the department,
L 9	other officers as well. Just a couple of questions.
20	One is, as it relates to the block party, the
21	understanding is that, you know, there's some sort of
22	Bumpy Johnson type people in the community who sponsored
23	this party. What is, first of all, the ordinance or law
24	with regard to having such a party with 500 people in
2.5	terms of permitting, that kind of thing?

1	And then, what is our standard policy now with
2	regard to police chases?
3	ASSISTANT CHIEF DOLUNT: Okay. As of the
4	first thing, whether it's a block party or a party at
5	any type of venue, you're supposed to get a permit. And
6	we were at city council on Tuesday. I told them, I
7	wasn't trying to be offensive. I just city council
8	knows I jump through hoops. It takes a while. By the
9	time the permit is approved, the party was a week ago.
L 0	So, the officers had gone. So, they did not
11	have a permit. It was the fifth year of the party. It
12	was called the Dexter Games is my understanding. The
L3	officer did go by. There was a basketball tournament.
L 4	There was keeping score, the barbecue, music. The
L 5	officer went by and said you can't double park any more.
L 6	You're going to have to clean up a little bit. And they
L 7	said the people were very nice, very friendly.
L 8	The officers or the citizens weren't
L 9	disrespectful, rather than and I will give the
20	sergeant credit. Rather than saying, you don't have a
21	permit, shut this sucker down, they went, you know what,
22	you're having a good time. It's the neighborhood. Why
23	not? But you're going to have to, you know, clean up a
2 4	little bit. They were good.

In fact, there was a stack of chairs. They

1	were getting ready to shut it down I think when this
2	happened. So, I will take the responsibility for him
3	for not shutting it down. I would have been criticized
4	if I had shut it down because how dare I go into the
5	community and shut this party down. We were just having
6	a good time. And I'm damned if I do and damned if I
7	don't because when I try to work with the community, in
8	this instance, it wasn't the community.

It was two clowns with a gun that wanted to kill another guy who they -- who refused to talk to us after he was shot. May 27 is the quote, unquote, "I got this." Do you? Okay. Now you got this, now you're dead. Your gun is missing, don't know what happened to it. We tried to work with the community, and we try to build police community relations. I'd like to say -- well, I'm going say it's my fault. By the book, shut it gone.

But you know what? It shouldn't be a crime to have a party and have a good time and have the neighborhood getting together. And I heard the legend or whatever that maybe it was a drug dealer that put it on. Don't know, can't confirm. If it's true, the mafia has been doing it for years, taking care of the neighborhood, right? Go to the Don or whatever. And do I agree with it? No.

2.1

Page 20

But at the time, I thought the sergeant and
the officers made the right decision in not shutting
down the party but telling them, you know, come on,
let's tone it down a little bit. Everyone is cool with
it. And these two guys just had no respect for life and
just started shooting.

As far as the chase policy, I don't have it in front of me. As a rule, we look at the amount of traffic, amount of -- time of day, if it's near a school, how many kids are out, how many people are out, circumstances. And if it's some guy speeding, whatever. If it's a gun -- not dope but if it's a gun, someone committed an aggravated assault or something, try to weigh it. I don't have all the particulars from the -- I guess you'd call it -- it lasted 75 seconds because I've been tied up with all this other stuff.

But that is our policy. The sergeant did try to get on the air. But there's so much traffic. In a matter of 75 seconds — I haven't heard the tape yet. I was told he was trying to get on the air to find out just exactly what they had. And we did have a witness who said they seen the guys with the gun, tossed the gun. And that gun is missing too because the crowd understandably ran to the scene to try to offer assistance. And someone I guess took the gun. So,

1	that's where I'm at.
2	AC White has the policy in front of him now.
3	We can have that for next Thursday's meeting.
4	SECRETARY ANTHONY: Mr. Chair, I pulled the
5	policies earlier, and I'll send them out to you
6	electronically, to all the commissioners electronically.
7	COMMISSIONER VANN: Just one more observation,
8	Mr. Chair, with regard to the fireworks. I too was at
9	the fireworks. It was a very special night for my
10	family. And I noticed the severely diminished crowd at
11	the fireworks. And with everything that I had been
12	hearing in the community, people didn't want to go
13	because of the confusion with the curfew and the whole
14	beast that we raised up last week. That's the reason
15	why people didn't come.
16	The people the Detroiters from the
17	neighborhoods did not come to the fireworks because they
18	felt there are very deep-seated perceptions that we have
19	talked about at this table that are there, that were
20	reinforced by the confusion with the curfew. People
21	didn't know, we didn't know. We left last weeks meeting
22	not knowing, having a full understanding of the curfew
23	ourselves, with everybody in the room, all of the
24	wonderful people that come to our meetings. We didn't

have an understanding ourselves of the curfew.

1	CHAIRPERSON BELL: The deputy chief didn't
2	know.
3	COMMISSIONER VANN: The deputy chief did not
4	know. So, we didn't have good information; so, the
5	community did not have good information, and they did
6	not come. And as the assistant chief has said, had they
7	come, you know, there were restrictions at Belle Isle.
8	There was nobody to be on the riverfront. Nobody could
9	stand on the Riverwalk and watch it. I mean, there were
L 0	such restrictions in so many different areas that it
L1	became quite a diminished event.
12	And it was not because of the rain. We have
13	had rain before. It was not because of the change of
L 4	the time. People used to take almost a day off and
L 5	start in the morning and try to get their spot. Nobody
L 6	was getting their spot.
L 7	Again, it was a special time for my family.
L 8	We had a special thing going on with the at the
L 9	rooftop. And I was talking with people in the media,
20	Steve Garagiola and others, who said they were doing
21	reports and no one was there. He was at Hart Plaza. No
22	one was down there. He was at, you know, all of the
23	points where he normally does reports. And he said
24	there was no one there. And it's so unfortunate that we
2.5	had such confusion wrapped around the fireworks that it

1	diminished it. And we can say, oh, everything was safe.
2	That's fine. And I'm glad that it was safe.
3	But it wasn't an open, inviting invitation for
4	Detroiters to be included in and participate. They
5	didn't feel that way. I know that may not be anyone's
6	intent. I'm just saying that people did not feel that
7	way at all. And we had confusion in this meeting with a
8	deputy chief present. We had confusion last week. And
9	I don't know if I ever got anything from our staff in
10	terms of an explanation.
11	CHAIRPERSON BELL: We didn't get anything.
12	COMMISSIONER VANN: Nothing?
13	CHAIRPERSON BELL: Nothing. So, I understand
14	your frustration, your concern. You're right.
15	Hopefully we can rectify it in the future. We have do.
16	AUDIENCE MEMBER: Microphone.
17	CHAIRPERSON BELL: I'm sorry. Okay.
18	Commissioner Crawford?
19	COMMISSIONER CRAWFORD: Yes, sir. On the
20	fireworks and obviously I agree with the assistant
21	chief and Bishop Vann in terms of the size. I noticed
22	in recent years and I noticed I used to work aviation
23	some seven years ago, eight years ago. And we were
24	responsible for the count using the grid method. And
25	there were neonle all along the river not only Hart

1	Plaza. And it was an estimate sometimes, you know,
2	500,000, 700,000, et cetera.
3	In recent years, it has somewhat downsized.
4	However, I just certainly hope next year perhaps maybe
5	we start in April and open up the entire riverfront so
6	as the assistant chief said, there's certain areas along
7	the river. There's even a big bunch of acres in the
8	park or something that recently opened behind the post
9	office. And if all those areas are open for the
10	riverfront, I think our count would be would increase
11	a great deal.
12	Then also too, if we don't have this confusion
13	as to a curfew or what's closed and what's open. So,
14	perhaps and I do realize too with Belle Isle, because
15	I think they weren't going to let traffic on to the
16	island until 5:00 in the evening.
17	SECRETARY ANTHONY: 2:00.
18	COMMISSIONER CRAWFORD: My mistake, 2:00 or
19	something. And in prior years it was 6:00 in the
20	morning, something like that. But, again, that's the
21	state. So, the state park in essence.
22	Also, too, in reference to the vehicle chase
23	or pursuit which resulted in two fatalities of children,
24	my condolences goes out to the family and friends and

25

everyone effected by that and everyone in the city and

1	even the officers.
2	Assistant Chief, you answered a couple
3	questions I had in terms of, there was supposed to be a
4	gun involved, but there was no gun recovered at this
5	time, has not been one. I personally and I would think
6	George Anthony because we will be reviewing the policy
7	on chase or vehicle pursuit, the entire policy.
8	And also, too, I will be looking at the policy
9	or looking for a policy on cell phones in terms of the
LO	seizure or taking of cell phones from citizens. There
L1	was something recently in the media.
L2	ASSISTANT CHIEF DOLUNT: I'm being sued for
13	that. It is what it is.
L 4	COMMISSIONER CRAWFORD: I just you know,
L 5	because it's not only that particular incident with you
L 6	being a part of the litigation, sir; but there was
L 7	another one a year prior in 2013, involving a Free Press
L 8	photographer. And I mentioned that last year at the
L 9	table too. I think that just about covers it all. Like
20	I said, I will be reviewing those two policies.
21	CHAIRPERSON BELL: Any other comments from any
22	other commissioner? Assistant Chief, perhaps you can
23	clear this up. My understanding, the community
2 4	indicated that the chase was initiated by the state
25	nolice

6/25/2015

	Page 26
1	ASSISTANT CHIEF DOLUNT: I don't believe so.
2	CHAIRPERSON BELL: I just wanted to clear that
3	up.
4	ASSISTANT CHIEF DOLUNT: The state police were
5	there to assist.
6	CHAIRPERSON BELL: I just wanted to clear that
7	up, you know, how that goes.
8	ASSISTANT CHIEF DOLUNT: I don't believe so.
9	Again, I don't believe that's the case.
L 0	CHAIRPERSON BELL: As you well know, we have
L1	some of the strictest chase policy in the country.
12	That's been in place quite some time. So, if you're
13	working you know, so if you review it, I know we have
L 4	some of the strictest policy that's been in place quite
L 5	some time.
L 6	COMMISSIONER CRAWFORD: Through the chair,
L 7	that confusion maybe about the state police, there was
L 8	another chase yesterday involving the state police. I'm
L 9	just saying there was another chase involving the
20	Fugitive Apprehension Task Force or something to that
21	effect.
22	CHAIRPERSON BELL: Okay. Thank you for all
23	your comments. And, Assistant Chief, could you identify
24	I mean acknowledge your staff?

ASSISTANT CHIEF DOLUNT: Do I have to? Okay,

1	I'm sorry. Okay. It's been a rough week. Gail
2	Oxendine, personnel. I've got Celia Washington to tell
3	them to be quiet. She's the legal advisor. I've got
4	Commander Sims, Captain Solano who is over at major
5	violators; Lieutenant Flanagan in forfeiture. Without
6	my glasses I've got someone way in the back. I got
7	Nielsen back there. I think that's it. Right. And
8	we're good. And me.
9	CHAIRPERSON BELL: Thank you, sir. We
10	appreciate your candid remarks in reference to I know
11	it's been a tough, tough several days with respect of
12	all the activities and officers dealing with that.
13	But I want to say one thing about Butzel. It
14	looked like the officers were enjoying themselves. So,
15	it's a good time in terms of that type of honor or
16	something positive. They went all out for that
17	activity. I was waiting to see if DC Washington would
18	do a little break dance or her assistant chief. I
19	didn't get a chance to stick around for that. And
20	George, schooled with Fast Fred, he know a couple steps.
21	But I didn't get a chance to see that. But it's good to
22	see all of you.
23	The next item of business would be the
24	forfeiture. So, that would be the next item on the

agenda at this time. So, it's good to see Lieutenant

1	Flanagan. We used to work together.
2	LIEUTENANT FLANAGAN: Nice to see you again.
3	Good afternoon, Commissioners. I'm Lieutenant Flanagan.
4	Part of my responsibilities is the forfeiture section,
5	which is a sub unit of organized crime. This is the
6	commanding officer of forfeiture specifically, Sergeant
7	Nielsen. We have a short presentation concerning just
8	what in fact our responsibilities are and some of the
9	issues that you may have some questions as well. We
10	have a little Power Point.
11	SERGEANT NIELSEN: Good afternoon. A little
12	history. The Detroit Police Department's forfeiture
13	unit was established in 1986 to assist narcotics in
14	reducing drug trafficking by seizing assets. The unit
15	size at its inception in May of 1986 was one lieutenant,
16	four sergeants and 11 police officers. By January of
17	1996, it increased in its manpower to one inspector, one
18	lieutenant, three sergeants and 14 police officers.
19	January of 2006, it had shrunk to two
20	sergeants, seven police officers. And in 2015, as we
21	speak, I now staff or I am the commanding officer there
22	of two police officers and two police assistants. Keep
23	in mind that we are dealing with property from
24	narcotics. There's four narcotics raid crews. There's

25

two vice crews, plus all the precincts and their 30

1	series or plain clothes officers.
2	And what does that mean by comparison? In
3	2011, forfeiture processed 544 vehicles; 2012, 545
4	vehicles; 2013, 370 vehicles; 2014, 714 vehicles. And
5	as of June 21st this year, we had processed 746
6	vehicles.
7	So, what does that mean? That means the space
8	is a problem with us. We have spaces slotted at our
9	location for 208 vehicles, and we presently house 409.
LO	The forfeiture unit is located at 2121 Fort Street. Our
L1	hours of operation are Monday through Friday, eight to
L2	four. Telephone number is 596-2630.
L3	Forfeiture actions are not criminal in nature.
L 4	Forfeiture actions are civil. Forfeiture is not
L5	connected to criminal courts. And many times police
L6	officers erroneously tell people to wait for their
L 7	criminal trial to see what's occurring.
L 8	Bear in mind, they have 20 days to file a
L 9	claim. And that will be I'll touch on that more in a
20	moment. What are assets? Any property that the
21	defendant or claimant can gain from the sale and
22	purchase of transportation of illegal narcotics are
23	subject to forfeiture. We have no contact with guns
2.4	however though. If the claimant wants that information

they are instructed to call 224-DOPE.

1	Another asset that is aggressively being
2	pursued is that of going after houses that are seized
3	via search warrants. The prosecutor's office
4	LIEUTENANT FLANAGAN: Not to interrupt, but we
5	also have other operations that result in seizures of
6	assets, and those are nuisance abatement cases. Those
7	involve the Johns that are picking up our decoys or
8	trying to pick up our decoy prostitutes. Their cars are
9	subject to civil forfeiture. We have drug PUSHOFFS
10	where persons in their vehicles, which is a nuisance
11	it's all under the nuisance abatement statutes will come
12	and attempt to purchase drugs from a reverse purchase.
13	And that car would be seized and subject to a
14	redemption fee. All those cases get and the same
15	with drag racing. That's the other nuisance abatement.
16	So, those are increasing significantly over the last
17	several months due to a concerted effort by the
18	precincts to start taking a more proactive role in the
19	drugs and the prostitution because often our time is
20	spent in the precinct.
21	I spent most of my career on patrol and
22	special ops. We ended up spending lots of time on
23	scenes where these people come in from the suburbs and
24	they got carjacked because they are buying dope and, you
25	know, they are not the dope man wants the car too or

2.1

Page 31

the next th	ing you	know,	they	are	trying	to	pick	up	a
prostitute,	and the	ey are	shot	and	carjack	æd,	et	cete	era.

So, we spend a lot of resources combatting this transient crime. So, by putting some effort in and addressing some of these things and taking the cars, costing them at least \$900 to redeem the car and more if it's a second time, that's having hopefully a positive impact on reducing that type of transient crime that ties up the resources of the patrol section who could be answering runs. Go ahead.

SERGEANT NIELSEN: Matter of fact, it's \$900 the first time, \$1,800 the second time and \$2,700 the third time that your vehicle is seized or that you're caught. And we -- believe it or not, we do have people that have been caught twice. I have not seen a third case but at least twice.

I should have mentioned -- Lieutenant was talking about the nuisance abatement. Of the 746 vehicles that we have seized so far this year, 547 of them are from, offer to engage in prostitution, the PUSHOFF, which stands for purchasers use of our streets and highways opt for forfeiture and the drag racing. So, 547 of those 746 are from nuisance abatement.

As I was saying, there's two types of forfeiture; there's administrative and judicial. You

L	can look at it this way. We are the police
2	department, we are the administrative end of it. We
3	deal with anything under \$50,000. Anything over \$50,000
1	is considered judicial and is handled by the Wayne
5	County Prosecutor's Office.

2.1

The process starts with the car being seized. And here again, we seize vehicles. We don't forfeit vehicles, we seize them. Anything that's forfeited is done by the courts, the prosecutor's office. We seize the vehicle. And a Letter of Intent is served to each defendant and claimant. They have 20 days within which to come to our unit and say that they would like to get their car back, which includes posting a bond. And then we send the case to the prosecutor's office. If the claimant does not post a bond within 20 days, the personal property or money is automatically by law forfeited to the police department, and there is generally no appeal.

The money is a little bit different in that there's 60 days before we get to, you know, claim the money or keep the money. This next slide kind of just talked about what I said. 50,000 over is the prosecutor's office, under is -- yes.

The second point is if there's not enough evidence to support the forfeiture or seizure and a

1	settlement cannot be made with the claimant, a trial
2	date is set, which will
3	LIEUTENANT FLANAGAN: By the way, the trial is
4	under the Public Health Code. It's a civil process.
5	The level of burden of proof is just preponderance of
6	evidence, not guilt beyond a reasonable doubt. So, many
7	of these defendants or offenders let me say they're
8	offenders they don't bother to post the bond because
9	they know that it's not very difficult for us to reach a
10	threshold of proof that the car was used as a nuisance
11	and we abated the nuisance via seizure.
12	Now, if it's worth 15, \$20,000, certainly they
13	will. And those go to the prosecutor. And they have
14	consent judgments where they'll often negotiate the
15	settlements. Go ahead.
16	SERGEANT NIELSEN: We've done a great job I
17	think over there. We've so far this year had 980
18	forfeiture cases. And the numbers of vehicles seized
19	was 927. And that's different from the 746 because not
20	all those vehicles came to us. They were taken to other
21	lots, et cetera.
22	The monies seized so far this year from
23	January 1st to todays actually last weeks date was
24	\$2,107,000. And the fiscal year from July 1 of last
25	year to date was \$2,978,000. So, we are on pace to

6/25/2015

	Page 34
1	break that record for year to date. Any questions?
2	CHAIRPERSON BELL: Questions, comments for the
3	lieutenant?
4	COMMISSIONER CARTER: Do you know how the
5	forfeiture money is spent or where the money is spent?
6	Is it put back into the department or does it go into
7	the general fund?
8	SERGEANT NIELSEN: I believe in years past it
9	went to the chief of police, and it was up to his
10	discretion how to
11	LIEUTENANT FLANAGAN: The forfeiture money in
12	the past went to forfeiture actions generated to the
13	narcotics unit who generated the forfeitures. They
14	could use that money to buy vehicles, vests, rams,
15	calihoops (phonetic), training. However, they since
16	expanded the state has since expanded that. Although
17	there's also some legislation to address and raise the
18	level of proof from preponderance of evidence to a
19	little bit higher.
20	SECRETARY ANTHONY: Clear and convincing.
21	LIEUTENANT FLANAGAN: Clear and convincing but
22	not to the point of guilt beyond a reasonable doubt.
23	So, as far as I know, the money can be used by the
24	police department for whatever it deems necessary. And
25	maybe the assistant chief can clarify.

1	ASSISTANT CHIEF DOLUNT: Very nice
2	presentation. Sit down.
3	LIEUTENANT FLANAGAN: That's all I know about
4	what they do with the money.
5	CHAIRPERSON BELL: We really need to respond
6	properly to your question. We haven't gotten the
7	answer, where that money all went in the general budget,
8	et cetera, et cetera.
9	ASSISTANT CHIEF DOLUNT: You know, we can
10	bring Tina Toliver in next week to answer that question.
11	She's in charge of all the money.
12	CHAIRPERSON BELL: We want to look at the
13	money.
14	COMMISISONER WHITE: Thank you. Thank you for
15	the presentation. As we have this conversation, AC,
16	about the forfeiture funds, it would be my hope that
17	some of these funds are being used for counseling and/or
18	community initiatives that are supporting the front end
19	instead of the back end.
20	Additionally, I was a part of another
21	conversation at the FBI office today. I believe we only
22	have about \$50,000 that are budgeted for witness
23	protection efforts. So, AC, as we talk about incidents
24	that occur and unable to get people to speak up, there
25	is justice in our neighborhoods, street level justice.

1	And it's often swift and imminent. And I do believe
2	some of these efforts that are generating funds can be
3	used appropriately to allow people to enter into witness
4	protection efforts and other activities to help
5	witnesses come forth to solve some of our initiatives
6	and support the community.
7	Clearly \$50,000 budgeted for witness
8	protection efforts is woefully underfunded. And as we
9	have that conversation, I hope those two items can be
10	part of that conversation.
11	ASSISTANT CHIEF DOLUNT: I will have Tina
12	Toliver in next week to explain it, okay?
13	CHAIRPERSON BELL: No problem.
14	COMMISSIONER VANN: Mr. Chair, sir, I'm sure
15	this is totally unrelated to forfeiture. But what
16	peaked my interest, you used the word, "seized," rather
17	than forfeiture. And this is and I know I'm going
18	down a street here, the towing street. But I have had a
19	lot of complaints from people in my district, one
20	gentleman in particular who is somewhat of a public
21	figure, who has been robbed several times in his
22	driveway.
23	His car was taken by the police for
24	fingerprints, kept for three weeks; and then he was

charged \$800 to get his car. I'm trying to get to the

1	bottom of that. I know that sounds like the towing
2	debacle we've had in this city for many many years. And
3	I know the nexus of that because I have been involved
4	and a victim of it myself. My car was actually pulled
5	during a police commission meeting by one said such
6	towing company. But
7	COMMISSIONER MALLETT: That magic card didn't
8	do anything for you, Bishop?
9	COMMISSIONER VANN: No, it didn't work that
10	time. But I'm just concerned about seizing. What is
11	the legal you know, you know where I'm going. What
12	is the legal piece with that, I mean in terms of what
13	you have the opportunity to seize rather than something
14	being in a forfeiture? That to me changes the
15	nomenclature.
16	MS. WASHINGTON: Celia Washington.
17	Commissioner Vann, we're talking two separate animals or
18	apples and oranges. If I think that I know the incident
19	that you're talking about. I was able to get ahold of
20	the right people and got that gentleman his car back.
21	So, that is not a seizure in that instance as I
22	understand it that they did pick up because there was a
23	gun involved. There were two persons involved, shots
24	were fired.

COMMISSIONER VANN: Right.

1	MS. WASHINGTON: And the police did take the
2	vehicle to have it fingerprinted. We do not victimize
3	carjacked individuals twice. There should never have
4	been a charge. For whatever reason, we know the same
5	problem with the same tow company. And I've had those
6	conversations. But no, we do not charge a carjacked
7	victim to get their car back. So, we can have some
8	separate conversations about that.
9	COMMISSIONER VANN: Sure.
10	MS. WASHINGTON: That was certainly that
11	was certainly a mishap. But we will talk more.
12	CHAIRPERSON BELL: Any other comments?
13	COMMISSIONER CRAWFORD: Yes. Through the
14	chair. Lieutenant, I don't believe everything I read in
15	the paper. But there was an article in today's paper
16	about the homes that well, there hasn't been any
17	homes that have been seized for narcotics. And I know
18	the mayor well, when he was a prosecutor, he seized a
19	number of homes, that initiative coming out of the
20	prosecutor's office in terms of seizing homes that were
21	involved in narcotic activity.
22	And I believe it was last year he stated that
23	they were going to, you know, I guess step up that
24	process again. And there was an article in today's
25	paper that they haven't seized. And that may be on the

1	prosecutor's coming out of the prosecutor's office.
2	If you care to elaborate?
3	LIEUTENANT FLANAGAN: I read that article.
4	And there is an initiative to add to the land bank those
5	homes that have been raided twice. But again, those are
6	going to be seized under the nuisance abatement.
7	However, the first step that the mayor's office and the
8	police department to the mayor's office does is they
9	send a letter to the owner of the property since often
L 0	they are rented under subterfuge by the dope dealer's
L1	girlfriend or whatever.
L2	And the landlords are advised, hey, your
L3	property was raided. If we hit it again, then it's
L 4	subject to forfeiture under nuisance abatement. We will
L5	abate the nuisance that way. However, they have the
L 6	narcotics section has conducted some 300 and some raids
L 7	on these houses. And those letters have not really
L 8	seemed to have abated the nuisance as the chief
L 9	indicated in the article. We are not finding
20	although we might have 4,054 dope complaints, we might
21	have thousands of crack houses, many of them are vacant.
22	There are not owners to send these things to.
23	But as far as seizing them for the land bank,

24

25

I think just the process being in place is causing these

landlords to remove these persons from those houses;

	Page 40
1	thereby, we are not able to seize them until we hit them
2	again. Now, if we hit them again, then that starts the
3	forfeiture process. And that would be a judicial
4	determination or a consent agreement,
5	et cetera.
6	COMMISSIONER CRAWFORD: Okay. Thank you.
7	CHAIRPERSON BELL: Any questions? Attorney
8	Bernard?
9	ATTORNEY BERNARD: Just quickly, Linda
10	Bernard, attorney to the board. On the issue of
11	seizure, the bigger issue for the community as the
12	lieutenant knows, of course, is that if your son is
13	driving your car and he has some weed on him or your
14	daughter and they are arrested, then the car can be
15	seized, your new car. The new car, let's say it's a
16	Charger and it's worth, say, \$25,000. As I understand
17	it, in order for you as the parent to get your car back,
18	you have to pay 10 percent of the value of that car.
19	And if it's a new car, it's a 2015 Charger, you have to
20	come up with \$2,500, which is what is required.
21	LIEUTENANT FLANAGAN: That's not exactly true.
22	ATTORNEY BERNARD: It's 10 percent.
23	LIEUTENANT FLANAGAN: The bond you have to put
24	up toward the value is \$250 or 10 percent of the
25	property you're claiming.

1	ATTORNEY BERNARD: Correct.
2	LIEUTENANT FLANAGAN: But if it's a nuisance
3	abatement car, the fine is \$900 the first time. Now, if
4	it's picked up a second time, it's \$1,800. And
5	oftentimes on a drug case, there's a difference on a
6	nuisance abatement instead of a forfeiture. You have to
7	put 10 percent of the value of that car up for that.
8	But that's not a nuisance abatement. That
9	would be a narcotic prosecution and a subsequent
10	forfeiture hearing where they may take all the money
11	that was in the car, on the person's person as well as
12	the car, or they may come to what we often get in the
13	mail is a consent judgment from the prosecutor where
14	they have dealt with the defense attorneys. The
15	criminal case is adjudicated, and the car has been in
16	our garage for two, three years while we have waited for
17	the appeal period to become exhausted and now we are
18	going to give back, you know, \$5,000 out of the 10 that
19	we seized and avoid the trial.
20	We are seeing more and more of those. I don't
21	know if that's because of the prosecutor's work load or
22	what. But with the level of proof needed to keep the
23	money, in my opinion, we should be having more trials
24	and keeping the vast majority of the seizure.

CHAIRPERSON BELL: Commissioner Crawford?

1	COMMISSIONER CRAWFORD: I just have one
2	question on that note. Lieutenant, is there any
3	discretion I know years ago there was some discretion
4	by the prosecutor's office, if the grandson was driving
5	big mama's car and his grandmother's car and was
6	involved in something, that they would seize the car;
7	and due to the fact that it was big mama's car, the
8	grandmother's car, there was a little discretion every
9	so often in some of those cases where they would return
10	the car with a warning or something; and if it gets
11	taken again, there is no discretion?
12	LIEUTENANT FLANAGAN: There is discretion.
13	The prosecutor's office often sends us letters saying
14	that it didn't meet the criteria. They've evaluated the
15	case. The officers have a forfeiture analyst as well.
16	They analyze the entire view of the case. They send the
17	ones that merit a prosecutor's review to the
18	prosecutor's office. And as you indicated, often the
19	car and the money and whatever is seized, if they can
20	show that they obtained that money from some other means
21	and it wasn't proceeds from a narcotic enterprise, it
22	goes back. We cannot control those decisions.
23	CHAIRPERSON BELL: Okay. Any other comments
24	and questions? If not, Lieutenant, we want to thank you
25	for your breakdown on forfeiture.

1	Committee reports? Any standing committee
2	reports at this time? I would hope that I met with
3	our vice chair, who is going to be chair as of July
4	the 1st. I would hope that our budget committee would
5	take a look at our budget for the next fiscal period
6	starting on July the 1st so we can have that type of
7	discussion early on in terms of the budget matters. I
8	think Commissioner Mallett was chairing that hopefully
9	if he can.
10	COMMISSIONER MALLETT: Be glad to,
11	Mr. Chairman.
12	CHAIRPERSON BELL: Okay. Thank you, sir. Any
13	new business? Any old business?
14	Announcement. Our next meeting, as I
15	mentioned, is going to be next Tuesday, not on Thursday,
16	June the 30th, right here at 3:00. And our next
17	community meeting is going to be on July the 9th. And
18	you have a handout with both of those dates and
19	location.
20	At this time, we'd like to move to oral
21	communication from the audience. Please give your name.
22	And there's a two-minute limit. So, you can come
23	forward now if you care to speak to the board. Come up.
24	Once, twice. If there's no other oral communication
25	from the audience, then the chair would entertain a

	Page 44
1	motion we are not compelled we are okay. Mother
2	Bernice, you've got the floor.
3	MS. SMITH: DC, good afternoon, good afternoon
4	to the commissioners.
5	CHAIRPERSON BELL: You're speaking to the
6	assistant chief, right?
7	MS. SMITH: Yes. May I continue?
8	CHAIRPERSON BELL: Yes, ma'am.
9	MS. SMITH: This morning on the air to the
10	rest of the commissioners, Bernice Smith. Sorry. It
11	was very exciting. It was very anger with most
12	callers coming in. One in particular that I was
13	interested in letting you know about was our
14	representative stated on the east side I believe
15	that's your area whose area? But anyway
16	CHAIRPERSON BELL: Myself and Commissioner
17	Burton.
18	MS. SMITH: She stated what is her name?
19	CHAIRPERSON BELL: Alberta Tinsley.
20	MS. SMITH: Thank you. Alberta Tinsley was
21	very upset. She sounded like she was about to cry on
22	the air stating that she is tired of the crime that's
23	going on in the city and also that there were babies
24	being killed and we don't have any control over it.
25	Now, I think some of her remarks were out of

2.1

Page 45

character because you're there in Lansing. You're not
in view all the time about what's going on. You may
hear about it, but you're not present at lot of the
things that the police are doing.

I know the police are not angels, I realize that. But the fact is, if they are doing their job and if it's not possible for them to complete doing the job such as the case of last night. And then our officers was over there on Webb and Dexter. I know because she was quite upset about that.

But if there is something that's not under your control, how can you get it taken care of? I understand that it was a dope man that did it and that the people are scared to talk to you in regards to it. But the fact is, you may get somebody that will have the sense enough to tell you what's going on over there.

Also, last night was an unavoidable situation. I am very sorry. And I have extended condolences to the parents of the children. It wasn't their fault because they were on their property. But the fact is, can we have the officers have a distance or have rulings in regards to how fast we should go or how often or how long that we have to go behind these cars? Can we have helicopters? That was mentioned also. Can we have the use of helicopters to help in this situation so it won't

1	happen again?
2	I was down at the riverfront Friday.
3	Everything was fine as far as I saw. I was there at the
4	entrance where the people were going in and coming out.
5	I stayed down there for over an hour and a half. I saw
6	what the police were doing. And they were doing a good
7	job. There was one incident where the kids were
8	standing on the corner, which it was after it was
9	10:00 or after the curfew time. And the officer did
10	come. But they weren't Detroit officers. They were the
11	other officers from the with the white uniform on,
12	whatever, you know.
13	But anyway, they did their job by getting rid
14	of the congregation of the kids who were standing there
15	on the corner because they were and then something
16	that I saw I was very upset about. Why do these
17	girls if a boy is standing up against a wall, why do
18	these youngsters let them grab and hold them all tight?
19	I mean, that was something I did not like. And I can't
20	understand why these parents
21	CHAIRPERSON BELL: You're speaking to the
22	Board of Police Commissioners. I would hope you frame
23	your concerns you're way beyond your two minutes.
24	MS. SMITH: You don't have nobody else up
25	here, do you?

Page 47 CHAIRPERSON BELL: I know. But issues like 1 2 that, it's not germane to the Board of Police Commissioners, dress code and all that. So, if you --3 MS. SMITH: I won't talk about it. If you 4 5 know any teenagers, advise them not to be having boys hold on them, feel on them out in the public like that. 6 7 CHAIRPERSON BELL: Your time allowed is really 8 up. MS. SMITH: So I will sit down. But in the 9 10 meantime, I do wish that we will have more control on the chase, the car chase, and let the officers know. 11 CHAIRPERSON BELL: As I stated to you, we have 12 13 a very strict chase policy. My understanding is that it was a brief chase. 14 MS. SMITH: I understand it was. 15 16 CHAIRMAN BELL: The officers responded to take 17 the kids and others to the hospital right away. MS. SMITH: I saw all of that. 18 19 CHAIRPERSON BELL: Let's wait until --20 MS. SMITH: It doesn't help to remind them, you know what I mean? That's what I'm speaking about, 2.1 2.2 to remind them. 23 CHAIRPERSON BELL: Let us --24 MS. SMITH: Sometimes we get over excited when

we want to go after the criminal. I've seen that. And

1	I'm going to sit down because the fact is, we need
2	helicopters.
3	CHAIRPERSON BELL: Thank you.
4	MS. SMITH: We need helicopters.
5	CHAIRPERSON BELL: We have a helicopter.
6	Thank you.
7	MS. SMITH: We don't have enough.
8	CHAIRPERSON BELL: Thank you, ma'am. Any
9	other comments? The chair would entertain
10	MR. SCOTT: Good afternoon. I'm going to make
11	my comments very brief. Ron Scott. I want to raise
12	something in relationship to, Chief, you mentioned a
13	situation in terms of the light turnout.
14	Last year, you remember that part of our
15	organization called Bike Riders United, we went out on
16	Belle Aisle because we had a freedom ride because we
17	were concerned about what the enforcement would be and
18	the perception, the reality that a number of
19	African-Americans had that they were not welcome on
20	Belle Isle, period.
21	I mean, we went to the Belle Isle Conservancy.
22	I mean, it's no joke. I mean, we actually talked to
23	people who said that they were not going to Belle Isle
24	because they did not feel comfortable and therefore they
25	went to the riverfront; now having difficulty going to

$1 \hspace{1cm} ext{the riverfront}$

2.1

I think it would be insightful to get people
from the Riverfront Conservancy to come here to find out
what their perspective is on this. I think it would be
important to hear the corporate community, General
Motors and Ford, to find out what their perspective is
in relationship to these matters.

And the fact that the curfew issue came up and was handled the way it was handled did not help that situation in terms of whether it be reality or perception, in terms of the separation of certain individuals from the enjoyment of that evening.

I called the Riverfront Conservancy. And I wanted to know why an individual had to be 30 years old to have a child there. I said, what's that about? That harkens up the old pass laws, I got to show you my ID to bring my child in, to let you know that I'm 30 years old? If I'm 29-1/2, I -- you know. And they said young children they can bring in. Well, how young is young, and how old is old?

So, those kinds of things, I think the City of Detroit is a city that's very impassioned. I'm old enough to remember the last civil disturbance that we said could not happen here. People in the city better start talking to each other in real ways and not talking

1	around the issues. I don't get upset when you say what
2	you do, Chief. I mean, you say it in an impassioned
3	way. I don't get upset about it because I know you're
4	concerned.

2.1

But we need to talk to each other like that and be very honest about it and not talk around, you know, the matter and say, oh, well, you know people just didn't show up. No. There's a reason. And until we do that, our city is going to be on edge with one another.

We need to talk about the car chases like that. I was out there. Representative Sheldon Neely has a bill in the house. I suggest that a number of you look at it. We have been advocating for one for the past five-and-a-half years in relationship to this that it was called Brett's Law because of a person that lost their son has been advocating for that.

And there has been pushback from a number of people in terms of doing that bill. And even though we may have the strongest one, I want to see what the dash cam says. If we can get a dash cam -- I understand I think it's 70 percent of the vehicles in the DPD have dash cams. I heard that border patrol was involved. I heard Harper Woods was involved. I heard state police were involved as backup. We need to find those things out.

1	And I agree with you, Chairman. I want to
2	wait and see what all the things are. But I look
3	forward to actually seeing some evidentiary basis of how
4	that was conducted and to blend that with what
5	Representative Neely is talking about so we can have
6	uniform standards. Thank you for letting me exceed my
7	time.
8	COMMISSIONER CRAWFORD: Mr. Scott, on that
9	issue of Belle Isle, perception, reality, at this point
10	I don't know because on fireworks morning, I tried to go
11	on Belle Isle. Actually, I tried to go to the Riverwalk
12	because we and my wife, we walk in the morning.
13	Sometimes we walk the entire Riverwalk. I understand
14	why that was closed because they had all the equipment
15	on the parking lot that they were moving. I understand
16	that.
17	So, I said let's go to Belle Isle. I do have
18	my park pass on my license plate, et cetera. And there
19	was a line of vehicles. And I got in line with all the
20	other vehicles. And it was the DNR that had the bridge
21	blocked off. Everyone else was allowed to go on. When
22	it got to me, I said we just want to walk around the
23	island, i was told no, it was closed and it wouldn't be
24	open until 2:00.

Drove away, pulled to the curb, watched other

	Page 52
1	folks. Now maybe they all work out there. They didn't
2	look like me. But maybe all of them had jobs out there.
3	So, I just want to make a point here. So, the
4	perception, you know and I thought about it when I
5	had her pull to the curb and we sat there for about ten
6	minutes and watched everyone else go on. I was the only
7	one the two of us were the only two denied access in
8	that whole 15-minute span.
9	So, perception, reality, I don't know.
10	MR. SCOTT: Thank you very much.
11	CHAIRPERSON BELL: I just want to close out on
12	this note, that I'm pretty sure that Councilman Brenda
13	Jones is going to weigh in on this issue with the
14	Riverwalk and a lot of other issues because she brought
15	it to your attention at the forum. And hopefully she
16	and others will be addressing those concerns. And
17	perhaps we can have a forum here to talk about some of
18	those concerns in reference to the Riverwalk and any
19	other activities that impact public safety.
20	So, the chair would entertain a motion for
21	adjournment at this time.
22	COMMISSIONER TAYLOR: So moved.
23	COMMISSIONER VANN: Supported.
24	CHAIRPERSON BELL: It's been properly moved

and supported. Those in favor, aye?

Page 53 COMMISSIONERS: Aye. CHAIRPERSON BELL: Opposed? Motion carried. Thank you. Have a great afternoon, safe weekend. (Proceedings concluded at 4:20 p.m.)
