- 9 if Commissioner Shelby would be so kind for opening
- 10 prayer.
- 11 (Invocation given)
- 12 CHAIRMAN BELL: As we go forth, I'm going to
- 13 start by allowing the Commission to introduce

1	COMMISSIONER CRAWFORD: Commissioner Reginald
2	Crawford, District 3.
3	COMMISSIONER SHELBY: Commissioner Richard
4	Shelby, District 1.
5	CHAIRMAN BELL: Thank you, Commissioners.
6	And we have some excused absences starting with
7	Commissioner Willie Burton and Commissioner Lisa Carter
8	at this time, so do we have a quorum, Mr. Secretary?
9	SECRETARY HICKS: Mr. Chair, you have a
10	quorum.
11	CHAIRMAN BELL: The next item of business
12	we'll approve the agenda for meeting this afternoon,
13	October 27.
14	COMMISSIONER MALLETT: Move adoption.
15	COMMISSIONER MOORE: Support.
16	CHAIRMAN BELL: Properly moved and supported.
17	Discussion? Those in favor aye?
18	COMMISSIONERS: Aye.
19	CHAIRMAN BELL: Those opposed, motion
20	carries.
21	The next item of business is approval of the
22	October 20th, 2016 minutes.
23	COMMISSIONER MOORE: So moved, Mr. Chair.
24	COMMISSIONER MALLETT: Support.
25	CHAIRMAN BELL: Motion carries. I do not

	Page 4
1	have a detailed report. I think my report is going to
2	flow to a couple commissioners starting with
3	Commissioner Sanders, who wants to report out at this
4	time.
5	COMMISSIONER SANDERS: Thank you, Chair. I
6	had some great experience with precinct 7. About four
7	months ago I had an issue at Alden Towers where these
8	people just in their sixties and seventies and they
9	were scared to come out of their apartment. So I went
10	to precinct 7 and I talked to Commander Williams and
11	Captain Hope and told them what the issue was just to
12	find out this week the issue was taken care of. The
13	people are happy. They can come out of their
14	apartment. They did a raid and they took some people
15	away, so I appreciate what Precinct 7 did.
16	Also earlier this week Captain Hope, I had an
17	issue with a house that was on Leland Street that we
18	thought was a drug house. It was one of my
19	constituents that asked me look into it. So I took
20	that information to them today and they took care of
21	it. Found out it wasn't a drug house but it was some
22	squatters and it was great and they took care of that
23	quick. So I got to give kudos to precinct 7 Commander
24	Williams and Captain Hope and the sergeants that went

out to there to check these issues out.

1	CHAIRMAN BELL: Thank you, Commissioners.
2	Always pleased to have good news reporting out. I'm
3	going to ask Commissioner Elizabeth Brooks to share
4	some remarks concerning Neighborhood Police Officer
5	Summit this past Saturday that we had an opportunity to
6	attend.

COMMISSIONER BROOKS: Well, I must say that this is the first time that I had the opportunity to know what all the precincts were doing, even though I went into my precinct, I still had the opportunity at the end of the Summit to learn what everyone was doing in their community and I tell you, I feel very very good. That was one of the best, and I do go to a lot of seminars and summits, but that was one of the best summits that I have attended. And I just hope that more people come out because it's so knowledgeable. When you learn what each district's doing, what each precinct is doing, that's a lot of knowledge and you learn what's going on in the community. So I am just glad that I was there. OCI had their blue table. Recruiting was there with a table. The commissioners was there and people asked a ton of questions. There were so many people that did not know who we were and what we to. And they stopped and they asked. They picked up pamphlets on information and I truly enjoyed

Page 6

1	it. It was very educational and it was very rewarding,
2	I think, not only for myself but from listening to all
3	the people they enjoyed it also. Thanks.
4	CHAIRMAN BELL: Thank you, Commissioner
5	Brooks. And I'm going to ask our commissioners who
6	work on the southwest Detroit and we were invited to a
7	luncheon, Commissioner Brooks and Mr. Secondary, Mr.
8	Hicks, and it was outstanding, so I just want her to
9	report out on Amigos in terms of that type of activity
10	that you engage in. Now I know what you do for a
1	living.
L2	COMMISSIONER DEWAELSCHE: Well, it was very
L3	nice to have the Police Commission represented at our
L 4	annual event, which is called the Amigos de SER and
L5	what we do is we give recognition to corporations and
16	organizations that work with us to help put people to
L7	work and so we were able to and to train. We do job
L8	training and workforce development and we were able to
L9	have a recruiting table there. So I hope we did well.
20	We had about 600 people in attendance and hopefully
21	recruitment did well. I know they were working very
22	hard there and I'm so glad that you were able to see
23	what we do.
ΣД	We give awards to several of our graduates of

our program and one of them was highlighted at the end

	Page /
1	of the program who's a returning citizen turned his
2	life around and, you know, had almost everybody in
3	tears at my table anyways because he was really, you
4	know, given that second chance and is doing so well
5	with his life. So anyways, thank you all for being
6	there.
7	CHAIRMAN BELL: Thank you for an outstanding
8	job for quite sometime and Commissioner Brooks was
9	there representing her husband.
10	COMMISSIONER BROOKS: I wasn't going to speak
11	on that but I was there representing my husband. Back
12	in the past we used to our business worked with SER.
13	But what I wanted, I see sergeant Gonzales and I'm
14	wondering if I'm looking straight and I'm wondering if
15	she could tell us how recruiting did.
16	COMMISSIONER DEWAELSCHE: She's not there.
17	COMMISSIONER BROOKS: She's not there? Okay.
18	I know there were a lot of people around I know.
19	Hopefully we did well.
20	CHAIRMAN BELL: Thank you. Any other
21	commissioners want to speak at this time share some of
22	their concerns, community activity, whatever they want
23	to share with the Board and the public. Commissioner
24	Mallett.

COMMISSIONER MALLETT: Mr. Chairman, this is

1	on a complete and unrelated subject. The Detroit
2	Medical Center this morning, occasionally, and we do
3	these Coney Island breakfasts that we then enroll
4	people in insurance. So kids being kids, we had four
5	young men roll in about 9:00. They had their school
6	bags with them. So we gave them breakfast, but I said
7	listen, you guys got to go back to school. I wonder,
8	do we have a truant officer function? Is there, is
9	there what, what would have been the appropriate
10	response for me to make been these kids were there?
11	They were well behaved, Mr. Chairman. They were not
12	disruptive but they were not where they were supposed
13	to be. We were not going to say you couldn't have
14	breakfast, but I didn't have time to be sure that they
15	got to school, which was right down the street and I
16	just wonder what the recommended response would have
17	been.
18	CHAIRMAN BELL: As far as I know, the Detroit
19	Board of Education have their own truancy officer and I
20	know they're limited in terms of capacity, how many,
21	but Deputy Chief Fitzgerald might want to respond.
22	D.C. FITZGERALD: Yes. You could. You could
23	easily go through DPS with their own office there or
24	you could contact the neighborhood police officer as

well.

	Page 9
1	COMMISSIONER MALLETT: Okay. And they would
2	have just taken the kids to school?
3	D.C. FITZGERALD: Yeah, get them back to
4	school.
5	CHAIRMAN BELL: Thank you, sir. It's good to
6	see you engaged in that type of program.
7	COMMISSIONER MALLETT: Yeah. We did that,
8	Mr. Chairman, Detroit Medical Center, as you know, we
9	have facilitated over the past two years 50,000 people
10	getting into the healthy Michigan Medicaid insurance
11	program. One of the hallmarks of the program has been
12	my drive to get as close to the people that we serve as
13	possible. So one of the ways to do that, and for
14	whatever reason, Detroit has all of these Coney Islands
15	and so and I really don't know the genesis. I know
16	how it is Coney Islands came to be, I just don't know
17	why we have so many. I'm not opposed or anything like
18	that. So what we have found, though, that when we
19	schedule breakfasts we do it in conjunction with 105.9.
20	Even this morning only had a couple days of
21	advertising. We still had about 45 enrollment. Still,
22	so if you think about the Affordable Care Act came into
23	being in the State of Michigan in April 2014 and we are
24	still encountering people who are eligible for health
25	insurance who still don't have it. So it's just part

	Page 10
1	of the DMC's continued community outreach. So clearly
2	the grapevine is hot and heavy when you're serving
3	breakfast. So these young kids walked in and they were
4	hungry, no question about that. 14, 15 year old always
5	hungry.
6	CHAIRMAN BELL: Yes.
7	COMMISSIONER MALLETT: I said aren't you
8	supposed to be in school. We're here for breakfast.
9	CHAIRMAN BELL: Thank you, Commissioner
10	Mallett, Commissioner Dewaelsche and Commissioner
11	Sanders. You can see that the Commissioners are
12	engaged. This is not their full-time job. You talk
13	community service, community activity and just being
14	involved and part of the community thrust and I'm just
15	always impressed with that. As a retiree, I just try
16	to do my little 10% every now and then.
17	COMMISSIONER MALLETT: Appreciate it.
18	CHAIRMAN BELL: We do have some full-time
19	commissioners engaging in valuable service and service
20	to the community.
21	So we can move on to the Deputy Chief,
22	Charles Fitzgerald. Good to see you here this
23	afternoon. And before you get into your reporting out,
24	would you I'm sorry. I need to pause for that. I

need to get back to Mr. Hicks to introduce the staff.

	Page II
1	SECRETARY HICKS: Thank you. Commissioner,
2	and good afternoon. I just want to indicate that, of
3	course, on behalf of the Board of Police Commissioner
4	staff we have Robert Brown who's seated over here.
5	Director of HR, Gail Oxendine, who's seated in the
6	front. We have Mindy Womack who is the court reporter
7	for the day. Of course, Sergeant Quinn is providing
8	the he's recording the meeting and media services is
9	taping the meeting.
10	In addition to that, I want to also then turn
11	to Chief Investigator Drake who will in turn I believe,
12	you're on the agenda, full report as well as to
13	introduce members of your staff.
14	CHAIRMAN BELL: Chief Drake? Deputy Chief
15	Fitzgerald, I was out of order so we'll get back to
16	you. We're going to hear from Chief Investigator. I
17	didn't follow the agenda. I got my glasses right here
18	but they're on the side. I apologize. And
19	Commissioner Edgar Vann has joined us about five
20	minutes ago. Good to see you this afternoon.
21	COMMISSIONER VANN: Thank you, sir.
22	CHAIRMAN BELL: Thank you.
23	C.I. DRAKE: Good afternoon, Mr. Chair. Good
24	afternoon, Board. For the record, Pamela Davis-Drake.

25

And with me today is Supervisor Investigator Lawrence

Page 12

1	Akbar,	and I	don't	think	I	see	any	other	staff.	Thank
2	you.	That's	it.							

as follows: We have 158 active cases that are currently open. Nine cases have been submitted to either myself or a supervisor for closing and we have no cases over 90. I'll give an update after I finish all the statistics. For the month of September we had a count of 80 cases. That represents a 23% decrease from this time last year. We had 104 in September of 2015. At the end of September, we had 173 open investigations, 846 cases were filed and 846 cases were closed, so we balanced it out.

Of the 80 cases that were filed in September, 37% were from unknown officers. Of the alleged known units, the following -- leading -- the precincts leading in complaints were as follows: The 11th precinct was at 11%. The second is 6the precinct were at 6%. The 8th and 9th precincts and major violations were at 4%. 80 cases were filed in September and they contained 141 allegations. Leading areas of concern were as follows: Procedure at 31%, demeanor at 27%, service at 13% and property at 8%. 91 cases were closed in September and the findings were as follows:

Not sustained at 34%, exonerated at 15% unfounded at

1	15%	and	sustained	at	11%.

		Th	e lea	ading	areas	of	conc	ern	in	those	91

Γ	Demeand	r at	27%,	serv	ice at	. 8%	and	sear	ch	at 7%.	

Just as a follow-up, an updated 101 applications were received for the position of the police commission investigator. As you well know, we've been searching pretty earnestly for another investigator to fill his spot. We had 101 applicants. That application process is now closed but we are vetting through those applications. As you all know, that takes some time. So with the holidays coming up and so forth, we're certainly hoping to get someone in that position before the end of the year.

Also, I wanted to add to the presentation or the comments from commissioners, the NPO Summit. It was amazing. I am a vendor. At times I have a skill other than this job and I am always curious as to how the vendor tables will be set up, the organization. It was stellar. The organization was insurmountable.

They did a wonderful job. The police department did a wonderful job. We had about approximately 80 visitors to our table. Of those 80, about 50 signed up, a little over 50 signed up for e-mails from the Board to keep updates going. So it was very very valuable.

	Page 14
1	Those 80 folks that visited the table received good
2	information from the OCI and also had good conversation
3	with the Board members who also had good information
4	for them. So it was a very valuable experience. I'm
5	glad that we were invited and certainly I'm asking that
6	we will be invited to more because we will be there,
7	especially if we have enough time if we're given enough
8	notice. So it was very nice. And that concludes my
9	report.
10	CHAIRMAN BELL: Chief Investigator, I just
11	want to say that I commend you and your team for
12	Saturday's activities. Your table was impressive. You
13	were engaging and even set aside a table for OCI I
14	mean not OCI, but for the Board of Police
15	Commissioners. So I commend you in terms on short
16	notice responding to the call. Your poster board was
17	excellent. We need to roll that out for our next
18	community meeting. So we need to share that. That was
19	a good format. Commission, any questions or comments
20	for the Chief Investigator?
21	COMMISSIONER MOORE: Through the Chair. I
22	just want to thank Chief Investigator for saving our
23	table. Somebody wanted to quiet our table.
24	C.I. DRAKE: Thank you. And just for the
25	record, that table was there. They already set up a

	Page 15
1	table. The department already had that table there for
2	you with a couple chairs anticipating that Board
3	members would be there, so that is all they're doing.
4	But yes, someone was going to commandeer your table.
5	That is true.
6	CHAIRMAN BELL: Yes, sir.
7	COMMISSIONER CRAWFORD: Yes, through the
8	chair. Chief Drake, one question. The OIC's
9	investigations have any body cams, body worn cams
10	played a part in reviewing any video footage since
11	we're still into the I guess call it implementation
12	program of body cameras?
13	C.I. DRAKE: Right. We're actually at the
14	tail end. The pilot ended September 30th, and I think
15	they call it risk assessment, that portion where
16	they're actually vetting any concerns about the actual
17	use of the devices. We're hoping that at the end of
18	the year it probably will be rolled out, a decision
19	will be made as to who that contractor will be and
20	whether they'll go forth. Is that correct, sir? But
21	having said that, I wanted to answer your question.
22	Yes, we had three so far, and I anticipate that we're
23	going to have more. But the video that we have
24	received is very clear. It is crystal clear, and it

has been very helpful for the investigation that we

	Page 16
1	have had thus far. I know that as soon as this process
2	is over that we will be trained in that as well. We'll
3	be trained on body cams what to look for, and I know
4	the Board will be a big portion of that as well,
5	probably before we're trained, you'll be trained.
6	COMMISSIONER CRAWFORD: Okay. Thank you very
7	much. Our video is in HD now.
8	C.I. DRAKE: Crystal clear.
9	CHAIRMAN BELL: Any other questions or
10	comments for the Chief Investigator? Thank you for an
11	outstanding job.
12	C.I. DRAKE: Thank you.
13	CHAIRMAN BELL: Now Deputy Chief Charles
14	Fitzgerald, and you can introduce staff before
15	reporting out and any other person you want to.
16	D.C. FITZGERALD: I will. I'll start with
17	Captain Chambers in the back of the room and Captain
18	Cox who you'll hear from shortly, Lieutenant Lever from
19	homicide in the corner. Lieutenant Hayes, Sergeant
20	Williams, Sergeant Starks in the orange trying to hide,
21	and Officer Williams in the back. I hope I got
22	everybody.
23	CHAIRMAN BELL: Did we recognize our director
24	of personnel, Gail Oxendine? I just to be sure give
25	you your proper now. I want to be in good terms.

1	Thank	77011	eir
L	Illalik	you,	SII.

D.C. FITZGERALD: So as far as the report
out, regrets from Chief Craig. Just a couple quick
announcements because we do have a nice presentation
here. We have a graduation ceremony tomorrow for the
police academy class of 2016 and EF, 45 police officers
will be graduating. That's going be held at Greater
Grace Temple at 23500 West Seven Mile Road and it will
start about 10:30. All are welcome to come if you can.

The next thing, Commissioner Moore is probably wearing the shirt. Angel's Night weekend is this weekend so still looking for volunteers. If you have time, please come out. It will be held Saturday, Sunday and Monday nights.

So lastly, crime, for the most part, has been looking pretty good with the exception of criminal homicide. We're still a little above last year's number. Good men and women of DPD are fighting hard to get that number back down. So that's the only number where we're up right now. We're up about 17 over last year, which is about a 7% increase. That's all as far as announcements. A nice presentation if that's the order. Captain Cox.

CAPTAIN COX: Good afternoon, Mr. Chairman. Good afternoon to the Board, all staff members, deputy

1	chief, to everyone here today. My name is Rodney Cox.
2	I'm the captain assigned to major crimes. I'm over
3	arson, on crime scene services and special victims
4	unit, which consists of child abuse, sex crimes and, or
5	course, our presentation today, domestic violence.
6	With me today I have my team, as the DC
7	briefly introduced earlier. I have with me a newly
8	assigned team member who is commanding officer of the
9	special victims unit, Lieutenant Hayes, Lieutenant
10	Franklin Hayes. I also have to my right seated in the
11	front row also next to him would be Sergeant Kyla
12	Williams. And we also have our partners with us today
13	We have and raise your hand when I call your name
14	out, please. We have Miss Joann Cooperreid. Could
15	they stand, please. Miss Joann Cooperreid from the
16	Victim Assistance Program. We've got Miss Sara
17	Thornton from Wayne State Center for Urban Study. And
18	we also have with us today designated and we also have
19	with us today Sherry Weir with an organization called
20	Still Standing. And we have with her today from
21	Redeemed also Miss Angie Conkrite. We also have a
22	resource table in the back manned by Detective Kim

So today we're going to get right into our presentation.

Gaddies.

1	CHAIRMAN BELL: Let's commend these young
2	ladies for wearing their purple. Thank you for coming
3	out and support.
4	CAPTAIN COX: My apologies.
5	CHAIRMAN BELL: No problem.
6	CAPTAIN COX: Today's mission statement of
7	Domestic Violence. The Mission of the Detroit Police
8	Department Domestic Violence Unit is to stop intimate
9	partner crimes in our community by serving as the
10	epicenter of a multidisciplinary criminal justice
11	effort. For years, domestic violence has been viewed
12	as a family issue, but we know it to be a social issue
13	and we know that because it affects different spheres
14	of our society. We use a lot of law enforcement
15	resources to address domestic violence. We have a lot
16	of folks in the medical field in the ER rooms that have
17	to address domestic violence. And there are other
18	factors and variables that make it a social issue that
19	I'll allow Sergeant Kyla Williams to go into later into
20	this presentation.
21	Let me also add, if I may, that I may hold
22	the rank, Lieutenant Hayes may hold the rank, but
23	clearly, I think it's no secret throughout the
24	department that Sergeant Kyla Williams is our resident
25	expert. She possesses the knowledge, the skills and

the expertise and she has recently been certified by
the State of Michigan MCOLES to be a law enforcement
advocate for this matter. So she can go and teach in
different locations as it relates to domestic violence
relates to this.

I want to make sure I have the right arrow here for the next line. There we go. So this is our personnel. Again, one sergeant is the officer in charge, that being sergeant Kyla Williams. You have three additional sergeants, one investigative detective, a total of 17 sworn members and two civilians. And although you see two civilians, which is the victims advocate and the other civilian helps with advocating different issues, we still have a centralized location that consists of approximately 16 social workers all under the management of Ms. Joann Cooperreid who I introduced earlier seated back in the third row. We call them for assistance. They provide crisis intervention, different levels of service that we could utilize to help our victims of domestic violence.

Now, as I mentioned earlier, victims advocacy and social workers, we utilize them as a resource tool to help our victims. Advocates and social workers, they provide crisis intervention, victims compensation,

2.2

Page 21

information referrals and community resources, safety
planning and coordinated mandated domestic violence
education. So we work in conjunction with the
advocates and social workers to provide these services
to our victims.

We also have a domestic violence dedicated docket. It's a courtroom dedicated for domestic violence cases to be heard and tried. We have an APA and the court staff and, of course, the judge that are all there for the purpose of facilitating domestic violence court cases, criminal court cases, I might add.

Then we have a fatality review team. Now, the fatality review team came into existence as a result of the violence reduction network. The violence reduction network selected the City of Detroit for us and allow us to have through the Department of Justice a fatality review team. That team consists of members of the Detroit Police Department, Corrections, members of Department of Corrections. Also consists of prosecutors, victims resources and criminal -- I'm sorry. Batterers intervention. We have representatives from those entities that come together at a meeting and they review cases of fatalities involving domestic violence. Specifically, in most

2.2

Page 2	22
--------	----

cases, suicide, homicide cases, and they examine the
case to determine whether or not there were any gaps or
any loopholes or anything in the domestic violence
system that could have been done differently. And we
want to make sure that going forward that anything we
find that we can do differently we implement that and
utilize that as a tool to prevent any subsequent
homicides, domestic violence related.

This is a domestic violence roadmap. This is what we plan to do in the future. These are initiatives that we're looking to implement in an effort to reduce the number of domestic violence cases and to process and prosecute domestic violence cases.

We're working in collaboration with Wayne State Center for Urban Studies. As I shared earlier, today we have Sarah Thornton here representing that entity with us seated in the second row.

And one of the phases, we have a three-phase process. The first phase being the alert system. This is for high risk cases. This is an electronic notification system based on a criteria that we establish to establish an immediate crisis intervention. So this will allow us to review a large number of high risk intimate partner violence cases in a short period of time and innovates the way we are

2.2

urgently responding to how we can respond to urgent
information communicated to our partners. This is
designed to increase our interagency cooperation and
response to domestic violence. So, for example, and
may have Ms. Thornton, can you step up for a second,
please?

MS. THORNTON: Hello. My name is Sarah
Thornton. I work at Wayne State Center for Urban
Studies. The high risk alert system will utilize the
DPD's database and we can cross reference that with a
list of high risk cases involving either victims or
offenders that have certain legal indicators present in
their cases. We will compile a list of cases and then
any time there's another police report made involving
those individuals, an alert e-mail or text message will
be sent out to the domestic violence unit and the
leaders of the precinct where that report occurred.

CAPTAIN COX: So a second phase would be implementation of lethality assessment for first responders. You just heard Ms. Thornton talk about how we would utilize that as part of the alert system. For first responders it would be a bit different. We would look at officers being trained to address lethality assessment to respond to a scene or to a police run, domestic violence in nature, of course, be able to

1	assess whether or not there's a potential for
2	lethality, whether or not cases before be able to take
3	that information, document it in such a way that we can
4	record it and determine whether or not there are
5	resources need to be called out. This is what we look
6	at to implement. We do this as detectives already
7	cases that we're assigned, but we're looking to do this
8	on the patrol front. We want patrol officers to have
9	that same skill set, that same ability to make this
10	type of assessment. And the third phase, of course,
11	would be the implementation of DV, Domestic Violence
12	Community COMPSTAT. Some Board members here may
13	already be aware that we have a precinct Community
14	COMPSTAT. We have our COMPSTAT of all our command
15	staff. Now we're looking to implement something for
16	domestic violence. In a Domestic Violence COMPSTAT, we
17	look to get all of our partners that we work with
18	together who are engaged in working in domestic
19	violence cases and domestic violence related issues,
20	bring them to the table so we can all sit down and talk
21	about what kind of resources are needed for certain
22	victims. We'll pick specific cases. And then there's
23	accountability measures within this meeting. For
24	instance, we've got someone that says, you know what,
25	we got somebody that needs transitional housing. Okay.

COMPSTAT for domestic violence.

2.2

Are you able to provide that and touch base with the
victim, let's see if you can make it happen. We meet
again next week. Were you successful. If you weren't,
why not. What do you need. What help do you need.
That's just one example that's part of a Community

Page 25

So now we're look at enhanced training, continuation of enhanced training for officers, prosecutor's, advocates, crisis intervention specialists. This, of course, will be facilitated through Michigan Coalition of Law Enforcement Standards, Violence Reduction Network, and INCP, International Association of Chief of Police. This is primarily designed to ensure implementing best practices. So when we do this training, we want to make sure that it's on board with the training that's being done nationally in other comparable cities so we can make sure, again, issuing, maintaining best practices as it relates to handling and the process of domestic violence cases.

We also have precinct social workers citywide. Now, we're looking at implementing hiring and placing social workers in precincts. Currently right now, as I shared earlier, we have a centralized location of social workers that assist in domestic

1	violence in cases providing services. Now we're
2	looking at implementing an office on one of the
3	precincts. Domestic violence has a certain criteria
4	that has to be met in order for us to handle these
5	cases. For example, child in common, living together,
6	formal spouses or spouse, then we handle it here at
7	headquarters under Domestic Violence Unit. However, if
8	it doesn't meet that criteria but still considered to
9	be domestic violence, then it is handled in the
10	precinct. Well, the precinct needs the same resources
11	as we have, so we're looking to hire social workers
12	within the precincts, we are exploring that. They
13	would be providing the same services as they provide
14	here at headquarters for domestic violence. Even
15	though we don't have them in the precincts, precincts
16	still have the ability to reach out and get the
17	resources that they need through social workers that we
18	work with, which is under the Victim Assistance
19	Program, as I mentioned earlier, headed by our leader
20	Joann Cooperreid. So they still have that ability. We
21	want social workers inside precincts working side by
22	side with the detectives so that when the victims come
23	in and communicate directly with them. One advantage
24	to having this is to have also have outside prosecutor
25	and community advocates and partnerships with

1	TT 1	1
L	University	research.

So I indicated earlier that we have a docket
that's dedicated to domestic violence. What we look to
have we've had this before, an on-site prosecutor that
was also dedicated to handling domestic violence. So
detectives, one-stop shop for everything. You got your
detective, you got your social worker, you got your
advocate and then you got your on-site prosecutor. So
when victims come in, one-stop shop, everything is
there.

So with that, I am going to segue into the impact of domestic violence roadmap. I've shared different initiatives as to what we're looking to do on a roadmap for domestic violence. So now I'd like to bring up Sergeant Kyla Williams to speak on the impact of domestic violence and what we look to happen as a result of implementing. Sergeant Williams.

SERGEANT WILLIAMS: Thank you, Captain Cox.

Good afternoon. I am Sergeant Kyla Williams as stated with Detroit Police Domestic Violence Unit. And as Captain Cox mentioned, we do have a resource network that we are establishing within the domestic violence unit. So working with some of our partners, we reviewed some of the numbers and I have a few statistics that will explain the importance or

First, there's 96% of domestic violence victims who are employed experienced problems at work as a result of the abuse. So it doesn't just happen in the homes, it's extended beyond to the workplace, to churches, to schools and even on the streets. Next, each year approximately eight million paid days of work is lost in the United States because of domestic violence victims aren't showing up for work for whatever reason, injuries, fearful, things of that Then the third, statistic is the cost of domestic violence approximately \$8.3 billion expense annually as a result of domestic violence occurs in the United States with 5.8 billion coming from medical costs and 2.5 billion as a result of lost productivity from work. So this is an indication that domestic violence has shifted from being a family issue to a societal issue because you're seeing more and more victims showing up in the emergency rooms of hospitals with injuries and also as a result, they're not showing up to work, as I stated, because of their injuries and you're having law enforcement officers respond to a large chunk of domestic violence situations so that's

moving	the	resources	s from	the	law	enforcement	agencies
to have	e to	address s	specifi	lc do	omest	cic violence	issues.

So through this resource network, it is our goal to decrease domestic violence reporting because a lot of domestic violence is not reported to law enforcement. It may be reported through an emergency room, but it never makes it to law enforcement, and then sometimes a victim of domestic violence won't even report it at all. So from this network, we're hoping that we can encourage those who are victims of domestic violence to report it the authorities so we can move forward in criminal prosecution as well as providing them whatever resources that the victim or the offender may need. And then the reduction in the domestic violence fatalities kind of flows into that by them reporting it, by them receiving those resources, we hope to reduce the fatalities. Then from that is higher conviction rate within our domestic violence courtroom we have a dedicated docket set up at 36th District Court with and assigned judge, a court staff and prosecutors who are trained in the dynamics of domestic violence who know the context of it, the DV history as they can handle those particular cases that come before them in the appropriate way.

And then last is the services will be more

2.2

accessible to those who suffer from domestic violence
directly and indirectly because children are also
affected from domestic violence as well. So sometimes
it's challenging for the victims of domestic violence
go to three or four different places for the police,
for the prosecutors, for the advocate or even to obtain
a PPO. So by bringing us all together, it can be like
a one-stop shop for the victims to get the services
that they need.

CAPTAIN COX: Okay. So here we have some statistics as related to cases assigned and arrests. We did a four-year period, three-year period and we included the current year to date. As you can see from 2013, 2014, numbers almost generally the same now with 2016. I'll just say that all the arrests that you see here, this number is citywide. Citywide for each year.

Okay. As most of you already know, October is domestic violence awareness month. There was several initiatives that we pursued as it relates to that. Again, I'll allow sergeant Kyla Williams to speak to that as she was one of the presenters for that month.

SERGEANT WILLIAMS: In the past, we have held domestic violence awareness month here at headquarters. We've had several events. So this year, we decided

	Page 31
1	that we would take it out to the community so we ended
2	up speaking at various locations. As of last week, we
3	had an event that we spoke about DPD domestic violence
4	and what we can offer at the Charles H. Wright Museum.
5	We had some of our officers go to Wayne County
6	Community College. We've had them put up fliers,
7	leaflets and brochures in the Project Green Light gas
8	stations. They're taking them to the hospitals and
9	businesses. One officer spoke at a sorority last
10	weekend and we will also be speaking at some of the
11	faith-based organizations this coming Sunday. So we're
12	getting the message out to try to raise more awareness
13	and prevention. Rather than having our communities
14	come to us, we're letting them know we're available by
15	going out to them. And this will continue beyond just
16	October for the Domestic Violence Awareness.
17	CAPTAIN COX: Thank you, Sergeant. That
18	concludes our presentation.
19	CHAIRMAN BELL: Thank you.
20	CAPTAIN COX: If you have any questions.
21	CHAIRMAN BELL: Commissioner Moore?
22	COMMISSIONER MOORE: Thank you, Mr. Chair.
23	Thank you for your presentation, Captain. As always,
24	great. That's the first time I've ever seen a table
25	set up at the back regarding domestic violence.

1	Victims tend of suffer in silence. Do you have any
2	information on a 1-800 number we can give out to the
3	public so citizens can call that number or just want to
4	reach out get some advice on this particular issue?
5	CAPTAIN COX: Oh, definitely. I don't have
6	it on hand. I can make sure I get that to you. As you
7	ask that question, I'm reminded of another factor that
8	we're trying to implement as it relates to victims
9	being able to call out. As you know, some victims
10	don't like to call the police. Don't want anything to
11	do with law enforcement. We have a partnering with
12	Crime Stoppers that's located within our office.
13	Whereas Commissioner, I think you recall I brought
14	Crime Stoppers to the last presentation we did at the
15	9th precinct that explains you can call them
16	anonymously, provide information. It doesn't
17	necessarily have be the victim. It can be a witness or
18	a neighbor. In one instance, we did have a neighbor
19	call about an issue that was taking place where the
20	woman next door was being victimized. She was a victim
21	of domestic violence, but she would never call. But
22	the witness that lived next door was the one who
23	called. So Crime Stoppers is one number and I'll make
24	sure I get that number for your.

COMMISSIONER MOORE: I just want to give it

Page 33

1	out to citizens.
2	CAPTAIN COX: We'll get that number for you,
3	sir.
4	COMMISSIONER MOORE: Can you prosecute cases,
5	even if you don't have a willing victim? Is that still
6	the case and how often does that occur?
7	MR. REYNOLDS: Correct. That is still the
8	case. In certain instances where we submit a warrant
9	to the Wayne County Prosecutor's office for review.
10	First of all we submit every arrest that we make,
11	whether or not the victim wants to prosecute, we submit
12	that warrant to the Wayne County Prosecutor's Office.
13	They make a determination as to whether or not they are
14	going to pursue it. They have the authority to do so
15	pursuant to Michigan statute. They don't always do
16	that, but do it in cases where there's sometimes
17	extreme circumstances or there's a history where the
18	person has been assaulted several times previously, but
19	they just refuse to prosecute. If we believe that
20	there is potential for lethality or something to take
21	place, then the Wayne County Prosecutor's office will
22	sign that warrant and charge that person even without
23	the victim's cooperation. I would have to get the
24	numbers for you to give you the frequency of that, how
25	many we've had in a certain timeframe, but that does

1	take place.
2	COMMISSIONER MOORE: Okay. Thank you.
3	CHAIRMAN BELL: Yes, sir. Commissioner Vann
4	COMMISSIONER VANN: Great presentation.
5	Certainly timely subject, most especially month of
6	October. I was just concerned as to how do you define
7	or assess success? I noticed a dramatic drop in the
8	number this year, although the year is not up. Do you
9	think that success means a dramatic drop in cases or
10	does it mean an increase in cases?
11	CAPTAIN COX: I would say success depends
12	upon when you implement your initiatives. The moment
13	you implement your initiatives and those numbers go up
14	then I would say we're successful in the beginning
15	because that means that crimes that are not being
16	reported are now being reported, which is what we want
17	So we expect the numbers to increase when we implement
18	these initiatives. Implement these initiatives then
19	numbers do not increase, because that's a concern for
20	us when we know victims are out there that are not
21	reporting this, but we don't want that to be the case.
22	We want them to report it. So as I shared in the
23	roadmap, once we began initiating that, I anticipate
24	those numbers will increase. That happens, then I'm

going to consider that the first part of our success

	Page 35
1	but at some point, once those initiatives have been in
2	play that we expect those numbers to drop in terms of
3	reports.
4	COMMISSIONER SHELBY: Through the chair?
5	CHAIRMAN BELL: Yes, sir.
6	COMMISSIONER SHELBY: We have the number you
7	asked for earlier.
8	SERGEANT WILLIAMS: I'm going to give you two
9	numbers, sir. The first one is the National Domestic
10	Violence Hotline. This is a national hotline that
11	victims of domestic violence can call and then they
12	connect them with local services. So this number is
13	connected to our Victims Assistance Program here, which
4	is a 24-hour, seven day a week operation. So I'm going
15	to give you their number and VAP's number also. So the
16	National Domestic Violence Hotline number is
17	1-800-799-SAFE, or 1-800-799-7233. And then the
18	Detroit Police Department Victim Assistance Program is
19	313-833-1660. And that goes directly to social workers
20	and advocates who can intervene. And patrol officers
21	can also call that number for assistance and resources
22	as well.
23	COMMISSIONER MOORE: So 1-800-799.
24	SERGEANT WILLIAMS: 7233. That's the

National Domestic Hotline.

	Page 36
1	COMMISSIONER MOORE: And our local Detroit
2	Police Number is 313-833-1660.
3	SERGEANT WILLIAMS: Yes, sir.
4	CHAIRMAN BELL: Commissioner Shelby?
5	COMMISSIONER SHELBY: You get referral to the
6	hospital emergency rooms, if someone shows up and we
7	notify the department, are departments being notified?
8	MR. REYNOLDS: Yes, we are. We used to get
9	them more frequently than not. The domestic violence
10	unit has transactions on location to location. The
11	last several years now we're here and so it would come
12	in via fax so we do receive them, but we don't receive
13	them as often as we did, but it's always via fax. And
14	then most of the time, sometimes it comes through U.S.
15	mail. And once we get it through U.S. mail, it's
16	somewhat outdated, but what we're discussing is usually
17	we have already had a police report on that once we get
18	the hospital referral. And so when we get it and there
19	is no report, we follow up on it and contact the
20	victim.
21	COMMISSIONER SHELBY: You get the hospital
22	referral even if the victim is reluctant to report it?
23	SERGEANT WILLIAMS: Yes, we do.
24	CHAIRMAN BELL: Commissioner Crawford.

COMMISSIONER CRAWFORD: Yes, sir. Through

the Chair. And thanks, Commander for the great
presentation. Also I have a question because last week
I asked the question about numbers and whether or not
domestic violence is up or down and I am so glad to see
the numbers are down from the previous year. Also,
too, and particularly at this time, given that one
might say the political election climate across America
was going on, that was one of my concerns as to the
effect of what's being said nationally and how it may,
one might say, trickle down to how individuals feel
toward women. The election I'll say this has all the
appearance that women will be in charge and I'll accept
that after November 8th. Just expressing this. It's
always been a concern of mine and I will say that, as
I've stated before, disrespect the man, disrespect the
individual. Disrespect woman, disrespect the nation.
Thank you, Commissioners.

really was amazing last night. Last night two officers came to my house for domestic last night. It was like 12:40 in the morning, once you come on my property, my alarm it wakes me up and I got a camera system that pops on. So I seen it was officers. I go to the door and a guy say got a domestic violence run. I say here. They say yeah. No. That's impossible, man. You

1	probably want to go across the street. That's where
2	they mostly at, across the street. So I say well, you
3	want to come in. He say no, I don't want to come in.
4	I see that you're just waking up. One thing about me
5	and my significant other worked out a time wasn't
6	there. I'm the only one here. Look like I'm fighting
7	with myself.

So at that point in time, I knew it was across the street. They just had a number off. I asked them I say well, what's the address, and I told them the address and he say it's here. I say no. It's impossible. Just to make a small story shorter, so they decide to go across the street. And when they went across the street, they ended up arresting the guy because the young lady was hollering about he won't let her child come with her. And they always fighting across the street. But my question is, we had the 1-800 number where we can call it and then let them know that these people or this woman needs help because I'm thinking that this been going on a long time. been there two years and the police always over there. And if you're always over there that much, shouldn't something be done?

CAPTAIN COX: Yes. Absolutely. Yes, you can call those numbers. Police officers address issues

that continue to take place on a regular basis so we
can have a combination of things that we can do to
address that. So if you've got a problem that systemic
neighbors house such as domestic violence in addition
to those resources we provided with those numbers, we
can also let the precinct know so that they're also
aware of that issue and find out what happened. Then
they too can decide what steps they need to take to
look at this long term.

COMMISSIONER SANDERS: Well, the guy always is arrested. He gets back out four or five days and then maybe two, three weeks it's quiet and then it jumps back up.

CAPTAIN COX: I would say in that case what can happen is that we get that information in domestic violence and if it fits criteria, which sounds like it does, they reside together, we can examine that and look at the history and say hey, police been called out several times. In one case there may be a report, other cases there may not be. What might present a challenge if there's nothing documented on record in terms of reporting. Typically Wayne County Prosecutor's Office wants us to have a report before they decide to exercise state statute and prosecute somebody for one we might submit. So neighborhood

1	police officers can respond and they can make a report.
2	They can get information. There's ways to address
3	that. We can talk to them. We can send folks out to
4	the house to find out exactly what's going on if abuse
5	is taking place or if it's just simply something where
6	they just need counseling. We would have to examine it
7	in detail to determine the type of action that we can
8	take, but there are resources we can utilize.
9	COMMISSION SANDERS: Just coincidence this
10	subject came up today and this happened to me this
11	morning, so I guess I'm testifying against this.
12	CAPTAIN COX: I'll be more than happy to
13	speak with you after the meeting, get that information
14	from you, sir.
15	COMMISSIONER SANDERS: Thank you.
16	COMMISSIONER DEWAELSCHE: Yes, you did
17	mention this, and we all know that a lot of women will
18	not report this type of crime. How do you reach out to
19	the community that has language barriers. We have an
20	undocumented community that this may be happening and
21	how do we reach out or educate the community on the
22	services that you provide?
23	CAPTAIN COX: Yes, ma'am. That's a very good
24	question. I'll let Sergeant Williams respond to you.
25	SERGEANT WILLIAMS: Yes, ma'am. It wasn't

	Page 41
1	mentioned there have been networking personally through
2	DPD and Domestic Violence Unit. We have partnerships
3	and relationships with organizations such as LA VIDA.
4	I work with specifically with a gentleman down there on
5	the U visas and immigration. We address it that way.
6	And then I also, when time permits, I attend community
7	events through Access in Dearborn and we also have a
8	few cases where some of my officers have had victims
9	from different nationalities such as Bangladesh, one
10	from Romania and I think Poland, and so we kind of work
11	with some of our resources through the prosecutor's
12	office as well as through the courts to find
13	interpreters, to find resources, just kind of pulled
14	our resources together. And I may call on like someone
15	from those particular networks or someone from maybe
16	our social work, our network with VAP. So it just
17	depends. We do have connections with people in the
18	community that specifically deal with language
19	barriers.
20	COMMISSIONER DEWAELSCHE: Thank you. And
21	then you did make a very good point that employment
22	issues are at the center of a lot of what happens in
23	domestic violence. As a workforce development
24	organization, we'd love to have you come talk to some

25

of our participants who are referred to us by DHS and

	Page 42
1	maybe suffering some of these issues. But we'd love to
2	have you come distribute some literature and talk to
3	our classes.
4	SERGEANT WILLIAMS: Just let us know the date
5	and time and we'll be there.
6	COMMISSIONER MALLETT: So the role of the
7	social workers, what's the intervention that they're
8	providing?
9	CAPTAIN COX: I can give you a list of those,
10	Commissioner Mallet, but if you don't mind, sir, I'd
11	like to call up Miss Joann Cooperreid, who's here today
12	with the Victims Assistance Program and she's over the
13	social workers, sir.
14	MS. COOPERREID: Good afternoon. Joann
15	Cooperreid with Detroit Police Victim Assistance Unit.
16	We are a small unit, counseling unit. Primarily we
17	consist of about no, not about. We consist of 16
18	social workers, licensed MSWs. We are 24/7 operation
19	of methods that we want to use our crisis intervention.
20	We are on 24-hour pager response to Detroit Receiving
21	Hospital for victims who present there in the immediate
22	aftermath of victimization. Also will go to or have
23	been called to Harper, and on some occasions for the
24	parents to Children's. So we provide a lot of crisis

intervention. We do individual after initial crisis.

1	We will provide individual and group therapy for as
2	long as victims are willing to come in.
3	COMMISSIONER MALLETT: So we're from the
4	hospital side really trying to deal, Mr. Chairman,
5	readmission. So we understand that when someone is
6	discharged from the hospital, very often the issues
7	that cause them to come back have very little to do
8	with physical malady that they're suffering from, but
9	has to do with the situation within which they're
10	living.
11	CAPTAIN COX: Absolutely.
12	COMMISSIONER MALLETT: So as a whole, we're
13	trying to figure out how to deliver what I'm calling
14	these wraparound services. So is that what we're
15	attempting to do with our MSW group in our domestic
16	violence group is try to solve the entire circumference
17	of the problem that this family is dealing with?
18	MS. COOPERREID: Definitely. Definitely.
19	The domestic violence victims tend to be a pretty
20	difficult population to serve. As the Captain
21	mentioned, oftentimes victims aren't interested in
22	filing a report, what they'd like to do they're calling
23	the police they want that abuse to stop. Our job as a
24	social worker is to help them to see where abuse can

stop permanently. And also one of the ways, the

1	methods that we use to get them to come to that
2	conclusion is to interject the issues surrounding their
3	children. A lot of times parents won't do anything for
4	themselves as it relates to themselves, but when you
5	start to provide them information on the impact of this
6	abuse for their children just if the children are
7	hearing it, not to mention what the children are
8	seeing, oftentimes we can get some results.
9	COMMISSIONER MALLETT: So and then for the
LO	perpetrator, are we dealing with substance abuse,
1	putting them, directing them towards programs or to
12	deal with those kinds of issues. If the approach is to
13	reduce the level of frequency, I mean clearly the
4	issues that are being confronted by the abuser, by the
15	perpetrators.
16	CAPTAIN COX: Okay. We have Sherry here.
17	Shari Ware from an organization called Still Standing
18	and Redeemed and she specifically focuses on battery
19	and intervention. I'll let her speak to that,
20	Commissioner.
21	MS. WARE: Good afternoon. I do represent an
22	organization called Still Stand Against Domestic
23	Violence. They are twofold, men, women and children

who have been impacted by domestic violence.

Underneath that umbrella is an entity called Redeemed

Batterers	Inter	vention	Prog	ram.	We	cannot	eff	ective	ely
and effic	iently	address	s the	issue	e of	domest	cic '	violen	ıce
without fi	irst d	ealing v	with '	the pe	erpe	trator.			

Our program is a 26 to 52-week program. also have connections with 36th district court. They send all of the men who have been charged with domestic violence to our program. I shouldn't say all. majority of the men come to our program, two-hour program once a week. What we do, we have a curriculum. We help men to identify issues that contributes to them to using violent, abusive behaviors. So we go underneath the anger. We're not like anger management where they help them to manage anger. There's no such thing as managing their anger. We find out what is underneath the anger. A lot of times we find out that there are issues with their core beliefs and their emotions and also core longings that are unaddressed that causes issues which makes them act out in violent and abusive behaviors. We have had tremendous turnaround with helping men to be transformed by the renewing of their mind through thought process. If we do not help those men transform by the renewing of their mind, domestic violence is always going to be there and it's going to escalate.

So how do we do that? We give these men

	Page 46
1	tools, tools that they can learn and they can take with
2	them so when they do recognize there clues, we don't
3	say triggers, we say a lot of times people get
4	triggered. No. When you shoot a trigger, what
5	happens? We don't know where that bullet goes. So
6	when they recognize their clues, like if they start
7	pacing, if their head starts pounding, if they begin to
8	start cursing or acting erratic, we teach them to
9	recognize what those clues are and to give them tools
10	to be able to stop in an instant.
11	We do an exercise that we call stop, drop and
12	roll. When we were children when there was a fire,
13	they tell children to stop, to drop on the floor, to
14	roll to the door, to touch the door. If it's hot, then
15	roll to another place, maybe to a window to try to get
16	out. So if these men are in the fire, they're about to
17	abuse, what three physical things can they do to stop
18	them in the act. If they have a split second to think
19	about what they are about to do, that man may not abuse
20	or be violent. So until we address the perpetrator
21	efficiently and effectively, domestic violence is going
22	to continue to escalate. Thank you.
23	COMMISSIONER MOORE: So the majority of
24	victims are women in domestic violence.

CAPTAIN COX: Yes, sir.

	Page 47
1	COMMISSIONER MOORE: Do we have any programs
2	to address those few cases where there are women who
3	are actually perpetrators in these cases?
4	CAPTAIN COX: There's no specific program for
5	that.
6	MS. WARE: There is also a batterers
7	intervention group for women called Weave, and they
8	also receive the same training. We don't have that
9	right now in Wayne County. They are practicing that in
10	Oakland County so there is a program for women as well.
11	COMMISSIONER MOORE: Just a follow-up
12	question, Captain. You stated all cases of domestic
13	violence are submitted to the Wayne County prosecutor's
14	office.
15	CAPTAIN COX: All cases where arrests take
16	place, yes.
17	COMMISSIONER MOORE: So you know a case when
18	they happen, you don't have a cooperative, how does
19	that happen where the case shuts down at the precinct
20	level?
21	CAPTAIN COX: Typically we can't catch a
22	victim. Some cases the victim is trying to evade
23	investigators. Those are cases where we don't submit
24	to the Wayne County Prosecutor's Office, especially if

25

nobody's in custody. The person under arrest quite

COMMISSIONER MOORE: So that dark figure we don't have a cooperative victim, how do you work that up as far as getting information or eliciting information from the victim and make sure you have a case?

CAPTAIN COX: When the officer in charge is assigned a case, depending whether or not that person is in custody, quite naturally do an interrogation, reach out to the victim, submit that information based on the investigation. If the person is not in custody and working off of a report, depending upon the nature of the investigation, if a victim's cooperating at that point. I'll give you an example. If you've got a report but you're trying to reach a victim and you can't verify contents in the report or whether or not this actually occurred based upon what was reported to the responding officers who actually took the report, we have to verify stuff before we can send it to the Wayne County Prosecutor's office. But in cases where we talk to victims or people who are not in custody, say yeah, this happened, but they may say I don't want to prosecute, or I may want to prosecute. In that instance, we may contact the victim and we can send

that information to the prosecutor's office.	Typically
they want us to make contact with the victim k	pefore we
send them anything. I'm not sure if there any	y when we
haven't made contact with the victim and send	it down
to the Wayne County Prosecutor's office. We h	nave
Sheri speak to that please.	

Page 49

MS. WARE: There are some cases, as Captain Cox said, for every arrest that comes in for domestic violence, we type a warrant and we submit it to the Wayne County Prosecutor's Office with whatever evidence that we may have, statements from witnesses and things, photos of the scene or the victim. For those cases where there is no arrest, we'll get the police report. It will be assigned to an officer. The officer will do the investigation. If they call the victim and the victim says I don't wish to press charges, for most -well, for felony cases, we still will type a warrant, but the officer in charge of the case has to go out, do some investigative work, find independent evidence without the victim's statement whether if the kids were involved we'll try to set up a kid's talk with the child. If there were a witness, if the neighbor called, we'll look at the DV history, we'll find out if the offender has been convicted of domestic violence before and we will still submit the warrant and let the

1	Wayne County Prosecutor's Office make the determination
2	to sign or deny.

We have a good working relationship with the		
prosecutor's office. So we can call them and say hey,		
we really got this case. I think it's a high risk		
case. Can you take a look at it, and we'll work it		
from our end and try to get the warrant signed. And		
some of our prosecutors will sign the warrant and say		
I'm going to sign this even though you don't wish to		
prosecute, and they'll try to, I guess, encourage the		
victim to show up for court at the next court date and		
maybe by that time she may change her mind and wish to		
prosecute. And then we will also pass on that		
information to Victims Assistance so I can say hey, she		
didn't want to prosecute but she really needs some		
services or if the children need services, work it from		
that end.		

CHAIRMAN BELL: Commissioner Crawford?

COMMISSIONER CRAWFORD: Yes, sir. Through
the Chair. Commissioner Sanders, I'm so glad that you
stressed that you were home alone. On a personal note
because it's kind of personal with me on domestic
violence and also too from a historical cultural
perspective in the black community and City of Detroit
and growing up in the City of Detroit at Mack and

	Page 51
1	Bewick. Years ago, as you well know, we've evolved,
2	and it's really a sad state of affairs that we've
3	evolved to where we are because years ago, Detroit
4	Police Department, there were no domestic violence laws
5	on the books. You simply made a police run and it was
6	whatever the woman said and the man said and it seemed
7	like it was resolved right then at the moment. You
8	would leave and hope that another police run wouldn't
9	come back up at that particular location. Oftentimes
10	within minutes another police run would come back up at
11	that particular location. And the reason I say that is
12	because in 1978, in May of 1978, I was on the way to
13	the precinct. I don't talk about it often. It was
14	7:40 a.m. in the morning and it was a police run put
15	out on the radio for a volunteer car to deal with a
16	situation of a woman being beaten and assaulted at a
17	particular location. Of course we're on the way in. I
18	told my partner we'll just drive by there and
19	investigate it. Lo and behold, arrived in front of
20	that, parked down a few houses from the location. We
21	hear the woman screaming for dear life. Ran up the
22	steps to this dwelling, upper flat, tried to get the
23	attention of those inside. Of course, the woman
24	obviously as you hear through the door was still being
25	assaulted. We make a forced entry to that dwelling,

Page 52

l	entered that dwelling. The individual was still
2	assaulting that woman. I grabbed that individual.
3	Wasn't too much of a tussle or anything, handcuffed
4	him, processed the report. Didn't have much to say to
5	my partner.

At one point after it was all done, processing, the arrest, he asked me what was wrong. Was there an issue with the this or something. The individual was locked up, yeah, it wasn't a issue but it was my brother. And he looked at me and said we could have done something. I said what could we have done. And I asked him. He stated that again, we could have done something in reference to not making the arrest.

Also too in talking to a sergeant in the locker room and changing out to go home, same statement. We could have done something. You should have came to me. We could have done something. And I asked him. Of course, I couldn't get a response as to what we could have done. I mean because and at that point I says there is something I need to do. I need to go make a phone call. I called my mother. Well, my brother was living in different places. We didn't even know where he was living. Back in the day, we called it shaking with women. But in telling my mother well,

1	I now know his address is 3300 Mack Avenue, which was
2	her precinct. But the issue is historically in the
3	black community it's just when I was growing up, you
4	respected women. You didn't call them any names.
5	Didn't assault women. If a woman was assaulted in the
6	neighborhood, most often her brothers found the person
7	It wasn't nothing fatal. They didn't stab them or
8	anything like that but everybody else in the
9	neighborhood next day knew. Her brothers didn't find
10	him, it was the brothers in the neighborhood. And
11	that's the way I was raised.

2.2

So in arresting my own brother in a sense being a police officer, I was under the -- one of my safety rules and regulations bound by the Department and swearing and taking an oath to uphold Department rules and regulations and constitution not to engage into particular way that I was raised and how men were raised in the community that you didn't disrespect women and we kind of responded in a different way. So I think all of that assaultive or anything like that, but there was a message sent so that's why I say, and this is domestic violence awareness month, and I, again, thank you for presentation. It was really timely and informative, sir.

CAPTAIN COX: Thank you, sir. I hear what

1	you're saying loud and clear. I've always felt
2	typically we hear women are we use women to console
3	other women when they're going through abuse or when
4	they've been a victim of abuse. I tend to believe that
5	we need men to speak up. We need men to represent
6	domestic violence month. We need men to be engaged at
7	these community events to address issues of domestic
8	violence. All of these girls out here don't have a
9	father figure. That's endemic and I could go on about
10	that all day. So we need men. So I hear you loud and
11	clear. Thank you.
12	CHAIRMAN BELL: Captain Cox any other
13	questions? I have one question.
14	CAPTAIN COX: Yes, sir.
15	CHAIRMAN BELL: Do we domestic violence,
16	do you interface with the Academy, the young officers
17	there?
18	CAPTAIN COX: Yes, sir. We go out to the
19	Academy. In fact, Detective Gaddies is the very one
20	who actually goes out there and does the training.
21	CHAIRMAN BELL: And also with the newly
22	promotional class, sergeant and lieutenants are part of
23	that program too. They interface with them also.
24	CAPTAIN COX: Yes.

CHAIRMAN BELL: Because domestic violence

Page 55

1	always been with us. We've come a long way. I used to
2	divorce people right there on the spot. I mean if I
3	had to return the second time, you're going to jail.
4	We had very little training. But domestic violence
5	always been with us. We have to recognize that we come
6	a long way. I just want to commend your team for
7	tremendous, you can see the seriousness of this board
8	in terms of getting that type of feedback. We all are
9	impacted by it. It was quite common that a woman was a
10	lesser person in terms of that was the reality in
11	terms of our family. They were quick to strike, you
12	know. So I have two daughters and I always been
13	conscious of that in reference to those issues. And
14	policing is a dangerous situation, respond to domestic
15	violence. We didn't mention that. It's a dangerous
16	situation to respond to domestic violence. How many
17	instances of fatal shooting by a police officer dealing
18	with a domestic. So that's another key component.
19	I just want to commend your whole team this
20	month, but every day is domestic violence effort that
21	we can't do enough to educate people, especially our
22	young ladies who going off to college having a
23	relationship for the first time not having that support
24	system, as you mentioned, a lot of fathers are absent.

25

So that role they don't understand. If they see the

	Page 56
1	mother treated the same way, they think it's normal,
2	but it's not. It's not normal. So I just want to
3	commend you and thank you. We can't give you enough
4	that you are working in the field. I just give you all
5	the kudos. Thank you.
6	COMMISSIONER MOORE: Just acknowledge my
7	Academy classmate is one of your staff members, Captain
8	Cox. Gaddies, she taught me how to handle a firearm.
9	I was just a military trainee she came along and taught
10	me how to use Glock. So all praise to Kim.
11	CHAIRMAN BELL: In other words, he didn't
12	know how to shoot.
13	COMMISSIONER MOORE: Of course I learned,
14	eventually.
15	CHAIRMAN BELL: I appreciate that as we move
16	on the agenda. Any standing ad-hoc committee reports?
17	I guess we had a partial ad-hoc. Thank you for your
18	efforts. Mr. Hicks, Board Secretary.
19	SECRETARY HICKS: I have no report for the
20	Board today.
21	CHAIRMAN BELL: Thank you, sir. New
22	business. Resolution. Vice-Chair Moore is going to
23	read the resolution for one of our outstanding members
24	of the Chaplain Corps.

COMMISSIONER MOORE: Posthumous resolution

6	Her love for people, vibrant spirit, and courageous
7	voice to ministry has been an inspiration to all. Move
8	for adoption, Mr. Chair.
9	COMMISSIONER DEWAELSCHE: Support.
10	CHAIRMAN BELL: It's been properly moved and
11	supported. Discussion? Those in favor aye.
12	COMMISSIONERS: Aye.
13	CHAIRMAN BELL: Opposed? Motion carry. And
14	we offer condolence to the family. I assume the
15	funeral is forthcoming.
16	COMMISSIONER MOORE: Yes.
17	CHAIRMAN BELL: Any old business?
18	COMMISSIONER BROOKS: I'm not going to
19	consider this old business, but in my talk about the
20	conference for the summit on Saturday, I left out the
21	most important part. The NPOs. I don't know how the
22	police precinct could work without the NPOs. I know
23	they work well together and I think they should be
24	commended. So I want to commend all the NPOs for all
25	the work that they do in the communities and I looked

	Page 60
1	at a lot of them and I thought women, they'd be so
2	grateful to see all the women out working and also a
3	few men. So I just want to comment that all the NPOs
4	in all the communities, thank you.
5	CHAIRMAN BELL: Thank you, Commissioner
6	Brooks. The NPO's in action this coming weekend
7	because most of the precincts are engaging in Angel
8	Night activities for the young children throughout the
9	city throughout the precincts in terms of
10	trick-or-treating activities. They normally coordinate
11	that so hopefully we just continue to support them.
12	Commissioner Moore is going to do the announcements.
13	COMMISSIONER MOORE: Thank you, Mr. Chairman.
14	The first announce would be from the website that
15	Detroit Board of Police Commissioners we have on City
16	of Detroit's website. That's
17	www.detroitmi.gov/government/detroitpolicecommissioners
18	view all of our meetings online.
19	Now the second announcement comes from
20	Angel's Night just to piggyback. This has been going
21	on strongly since I guess late '80s, early '90s here in
22	the City of Detroit. At one point they called it one
23	thing and now we call it Angel's Night, more
24	celebration, more festivity, a get-together between the
25	community and government officials. It takes place at

	Page 61
1	2930 31st here in the City of Detroit. And if you
2	would like to volunteer, I have a number you can call.
3	313-224-4415, 313-224-4415.
4	Our next meeting is Thursday, November 3rd,
5	2016, at 3 p.m. here at Detroit Public Safety
6	Headquarters 1301 Third Street. And our next community
7	meeting of the Board of Police Commission is November
8	10, 2016 at 6:30 p.m. at the 7th precinct hosting a
9	meeting held Church of Christ Elmwood Park 2001
10	Antietam Avenue, Detroit, Michigan, 48207, the 7th
11	precinct, Commissioner Sanders, a great commander,
12	Commander Williams and Captain Kyra Hope. Thank you.
13	CHAIRMAN BELL: That is on the east side,
14	Commissioner Mallet.
15	COMMISSIONER SANDERS: By the way, I am
16	spending my time going out there tonight with the rest
17	of the Angels in precinct 2 and precinct 6, I believe.
18	CHAIRMAN BELL: And we all have T-shirts this
19	year so we going to be part of the activity for the
20	next three days this weekend so looking forward to
21	seeing you on the path of meeting some Angels out
22	there, yes, this week. I know all of you going to be
23	Angels that night so thank you for your involvement
24	that you have a safe, safe
25	COMMISSIONER MOORE: Even if it's just

	rage 62
1	turning on the porch light. That's one of the ways of
2	engaging in the situation. If you can't patrol, turn
3	on your porch light. That will be very helpful.
4	MS. OXENDINE: Watching abandoned houses.
5	COMMISSIONER MOORE: Yeah, and watching those
6	abandoned houses.
7	CHAIRMAN BELL: Next order of business would
8	be hearing from you, oral communication from the
9	audience. Please give your name. You have two
10	minutes, am Mr. Robert Brown to my immediate right
11	here, administrative assistant here, he has cue cards
12	if you need help about the two minutes. But we might
13	be flexible with the 2.5 minutes, but it's been a long
14	afternoon so we want to bring this to a point. But if
15	you have something worthwhile to say, then come to the
16	mic. Thank you.
17	MR. WELBORNE: Afternoon to the Board.
18	CHAIRMAN BELL: Mr. Welborne. It's good to
19	see you. You've been absent for a while.
20	MR. WELBORNE: Across the water. Been
21	traveling, Hong Kong, Philippines, Thailand, Japan. Sc
22	I'm back now for a while, not very long, though.
23	Anyway, my name is Bill Welborne. I just got
24	to talk about domestic violence. I used to be
25	president of Citywide at one time. One of best

Page 63

1	meetings we ever had was on domestic violence. This
2	was about five years ago. My meetings used to last an
3	hour and a half, but that particular day, it went two
4	hours and 15 minutes. We talk about domestic violence.
5	I would like to see the domestic violence people come
6	to the precincts and give these people a little more
7	information. Lot of people don't understand that. I
8	think a lot of people don't report it because they're
9	afraid to and I personally know certain people, this
10	lady, this guy was beating her up all the time. They
11	take him downtown, then she going to bail him out.
12	Used to make me mad. I'd jump on her case about it. I
13	got tired of it. This is stupid.
14	But come around to each precinct and just
15	give them a brief meeting of things and understanding
16	of it. So that's what I'd like to see myself.
17	CHAIRMAN BELL: Sir, I will definitely try to
18	encourage 9th and the 5th precinct book them and
19	schedule them for if not probably too late for this

encourage 9th and the 5th precinct book them and schedule them for if not probably too late for this next meeting but perhaps early next year. I'm pretty sure others would take advantage of that, make sure, because it's really something that we really need to address at that level at the police community meeting. They need to really get the understanding of these are community leaders that's engaging, and that was part of

1	the summit that had that type of dialogue this past
2	Saturday at the Summit on Domestic Violence, among
3	other issues, but it did cover that subject matter.
4	MR. WELBORNE: I didn't get back for the
5	summit. I'll be at the next one. But you know, most
6	of the precincts shut down until March. There's a few
7	carry over after the holidays, but most of them start
8	back up again in March.
9	CHAIRMAN BELL: Not on the east side. We
10	don't shut down. We move on, so you schedule that.
11	DR. JONES: Hello. My name is Dr. Sheryl
12	Jones. Tiane Brown's my daughter. She was a Wayne
13	State University law student who they found her body at
14	the Packard Plant. I came because I have some
15	questions because Sergeant Richard Houser was on her
16	case last person. He's not communicated with me. I
17	don't know if they're investigating it or continue.
18	It's been three years. It was October 30th, 2013 when
19	they found her. It is very heartbreaking to my family
20	and the girls. They're still going through a lot of
21	pain and heartbreak over the situation because she was
22	a single mother. She was divorced so it's like they
23	lost two parents and not one.
24	The second question, I had talked to a

private investigator a few times about maybe assisting

1	the case only because I feel if you put more eyes on
2	it, maybe one person I know you work in teams.
3	Maybe one person can see something that someone else
4	doesn't see. I did speak to Commissioner Shelby today
5	and he's going to have me work with the investigator
6	because we need justice for our family. It's been so
7	long and she was my only daughter and that's why I'm
8	here.
9	CHAIRMAN BELL: Thank you for coming out.
LO	I'm pretty sure that DC Fitzgerald will meet with you
1	after the meeting. My condolence. I'm familiar with
_2	the case. It's one of those really, really I'm
L3	familiar the instance of what happened to your daughter
L 4	and I'm pretty sure the DC will meet with you shortly
15	after.
16	DR. JONES: Thank you.
17	CHAIRMAN BELL: Thank you, ma'am. Thank you,
L8	Deputy Chief.
L 9	MS. NICHOLS: Hello. My name is Tracey
20	Nichols and I came down here and I filed a police
21	report on the 7th of October and I have not had any
22	contact from any investigator or detective. When I
23	reached out to the precinct about a week ago I was told
24	that I should have either a witness to what crime I

said allegedly happened or video or something to

	Page 66
1	substantiate the alleged crime that took place. So I'm
2	just curious if that's normal that 20 days later I
3	still haven't heard anything from anyone.
4	CHAIRMAN BELL: Deputy Chief?
5	D.C. FITZGERALD: It's not. What precinct
6	did it occur in?
7	MS. NICHOLS: I filed down at the 3rd
8	precinct. That was the closest police station to where
9	I was. I called the 3rd precinct and they said oh,
10	well, the address is nearer to the 6th precinct so I
11	need to go over there. So then they said I'll send it
12	right now. Call the next day. I called. The
13	telephone wasn't working. Couldn't leave a message.
14	There was an issue with the phone. I called back a
15	week later. I spoke with the detective. She told me
16	that you need a video. I don't want to go into what
17	happened specifically, but you need a video or have a
18	witness to what happened. That would, you know, that
19	would be better. So no one has been assigned to the
20	case yet. You should call back in a week.
21	D.C. FITZGERALD: Well, that's my side of
22	town so I'll take care of this. For now, if you don't
23	mind talking to Lieutenant Hayes and I'll talk to you
24	afterwards.

MS. NICHOLS: Thank you very much.

	rage 6/
1	COMMISSIONER MOORE: Through the Chair.
2	CHAIRMAN BELL: Yes, sir.
3	COMMISSIONER MOORE: Ms. Nichols brings up a
4	very interesting point as far as cases that happened or
5	assigned to a precinct. How many cases will an
6	investigator have in a precinct because I hear that
7	complaint once a week?
8	D.C. FITZGERALD: It depends on what squad
9	they're on. Sometimes if they're general assignment
10	squad, they'll have more than say a robbery or shooting
11	team squad so it really does depend on what squad
12	they're on.
13	COMMISSIONER MOORE: Is there a policy that
14	will state they have to contact the victim within a
15	certain amount of time. If not, that's our role as
16	Commission to create policy. Maybe we need to look at
17	policy fitness.
18	D.C. FITZGERALD: There is already in place.
19	It needs to be done immediately upon assignment of the
20	case. So we'll look into it. We could clearly correct
21	this issue.
22	COMMISSIONER SANDERS: Through the Chair. I
23	want to give out to Sergeant Pellerito from Special Op
24	for the work that he did in precinct 7 getting those
25	people out of the house because I left his name out. I

1	just	seen	he's	texting	me.	Hopefully	Ι	didn't	murder
2	his r	name.							

MS. SMITH: Bernice Smith. Monday I had a
meeting with several mayors, Inkster, Ecorse and River
Rouge. Then our mayor, Mayor Duggan, called me. He
was scheduled to call me. They have set up I'm very
sorry that I won't be attending your meetings, but they
have set up the 10th for having their forum with the
police chiefs and the mayors of the various cities. So
I just thought that I would let you know about it
because before when we had it planned, the mayor was
not available. So he's available on the 10th and
that's the same day that your meeting is going. So I'm
sorry that you won't be able to attend our meeting.
We're going to have it at Tabernacle Baptist Church
like we did last week. In the meantime, you will be
able to or the public will be able to meet the police
chief, which is a woman, from Inkster and I thought
that would be a novelty that we have a woman and she's
a sister and I want all of you to meet her. Very nice.
Low key. So again, we're sorry we won't be attending
your meeting, but I think this will be something that's
important for the people to hear and with the mayor
being in attendance they're going to be ready to ask
him a lot of questions, I'm sure, and the other mayors

1	that's going to appear also. So I thank you for your
2	time.
3	In the meantime, let me ask you something.
4	Is there a law against people having the sidewalk
5	splattered out with furniture, in other words, having a
6	garage sale? I saw this in our neighborhood on West
7	Grand Boulevard. I mentioned this once before, and the
8	NOP, he was investigating it and he did say that it is
9	against the law. So it happened again this weekend.
10	So should I tell them again that it's going on?
11	CHAIRMAN BELL: Yes, ma'am. Against the law.
12	No activities.
13	MS. SMITH: It was all over the sidewalk and
14	curb and it was a terrible sight.
15	CHAIRMAN BELL: Yes, man.
16	MS. SMITH: Yeah. 3rd precinct. All right.
17	COMMISSIONER SHELBY: I just had one
18	question. You said the police chief at Inkster. Isn't
19	that River Rouge? Is that River Rouge or Inkster?
20	MS. SMITH: River Rouge. I'm sorry. Debra
21	Price is her name. Very nice young lady. I met with
22	her. So looking forward to
23	CHAIRMAN BELL: I'm sorry you're not going to
24	be here next week.

MS. SMITH: I don't miss it, but just think

Page 70

T	about me anyway.
2	CHAIRMAN BELL: I will.
3	MS. SMITH: Take care.
4	MS. OXENDINE: Gail Oxendine, Director of
5	Police Personnel. Just a quick announcement.
6	Piggyback off of D.C. Fitzgerald. We are having the
7	graduation ceremony for 45 new police officers on
8	Friday. I wanted to let you know that on Monday,
9	Halloween, we're starting a new class of officers as
10	well, awaiting for the final number, it's the work up
11	until the last minute, but I think it will be somewhere
12	around 33 or 34, just to let you know. Two classes
13	out.
14	CHAIRMAN BELL: Thank you. That's good news.
15	Thank you. Is there any other business before this
16	body? If not, the chair would entertain a motion.
17	COMMISSIONER: So moved.
18	COMMISSIONER: Support.
19	CHAIRMAN BELL: Properly moved and second.
20	Those in favor aye.
21	COMMISSIONERS: Aye.
22	CHAIRMAN BELL: Motion carry. And thank you
23	and have a safe, safe rewarding Angel weekend.
24	(The proceeding was adjourned at 4:40 p.m.)
