**Law Department**

June 28, 2019

Honorable City Council:

Re: Amendment to Chapter 24, Health and Sanitation, by adding Article XIV, Greenhouse Gas Inventory, and including Sections 24-14-1 through 24-14-7.

The Law Department has prepared an ordinance proposed by Council Member Scott Benson, which addresses greenhouse gas emissions in the City of Detroit. This local law will be amending Chapter 24 of the 1984 Detroit City Code, *Health*

*and Sanitation*, by adding Article XIV, *Greenhouse Gas Inventory*, and adding Sections 24-14-1 through 24-14-7. The purpose of the ordinance is to conduct city-wide assessments to measure the City's greenhouse gas emissions, set forth attainable benchmarks and make strategic efforts to lower the City's carbon footprint. The vision of the ordinance is to create achievable goals to make Detroit more environmentally friendly and uphold the City's pledge under the Paris Climate Agreement to lower greenhouse gas emissions in the community. A copy of the ordinance, which has been approved as to form, is attached for your consideration.

I look forward to discussing this important legislation with this Honorable Body.

Respectfully submitted,

MARY PARIEN  
Assistant Corporation Counsel  
City of Detroit Law Department  
Municipal Section

By Council Member Benson:

**AN ORDINANCE to amend Chapter 24 of the 1984 Detroit City Code, *Health and Sanitation*; by adding Article XIV, *Greenhouse Gas Inventory*, to include Section 24-14-1, *Purpose*; Section 24-14-2, *Definitions*; Section 24-14-3, *Municipal greenhouse gas emission benchmarks*; Section 24-14-4, *City-wide greenhouse gas emission benchmarks*; Section 24-14-5, *Municipal greenhouse gas assessment*; Section 24-14-6, *City-wide greenhouse gas assessment*; Section 24-14-7, *Annual report to City Council*, to assess the municipal and city-wide greenhouse gas emissions; and with the compiled data collected set forth attainable benchmarks, make strategic efforts to lower greenhouse gas emissions city-wide, and provide an annual report to City Council of progress made.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 24 of the 1984 Detroit City Code, *Health and Sanitation*; be amended by adding Article XIV, *Greenhouse Gas Inventory*, by adding Sections 24-14-1 through 24-14-7, to read as follows:

**CHAPTER 24.  
HEALTH AND SANITATION  
ARTICLE XIV.**

**GREENHOUSE GAS INVENTORY  
Sec. 24-14-1. Purpose.**

The City of Detroit recognizes the harmful effect greenhouse gas emissions has on our environment. Climate change poses a serious threat to the economic well-being, public health, natural resources and neighborhoods in the City. In an effort to combat climate change the City of Detroit has pledged to uphold the

Paris Climate Agreement, which is an international commitment to limit global temperature. The City seeks to align with global standards by identifying and quantifying greenhouse gas emissions emitted throughout the City. The City will work toward reducing its carbon footprint and set achievable goals to better the overall health and well-being of the community and its environment.

**Sec. 24-14-2. Definitions.**

*Carbon footprint* means the amount of carbon dioxide and other carbon compounds emitted due to the consumption of fossil fuels by a particular person, group, or entity.

*Carbon sinks* means forests and other vegetation that remove carbon from the atmosphere.

*City-wide greenhouse gas emissions* means carbon dioxide and other carbon compounds emitted by entities in the City of Detroit that are non-municipal facilities.

*Fugitive emissions* means unintended greenhouse gas emissions from the processing, transmission, and transportation of fossil fuels.

*Greenhouse gas (GHG)* means any gas that absorbs infrared radiation in the atmosphere. Greenhouse gases include carbon dioxide, methane, nitrous oxide, ozone, chlorofluorocarbons, hydrofluorocarbons, perfluorocarbons, and sulfur hexafluoride.

*Greenhouse gas emission benchmark* means a standard or point of reference against which carbon emissions may be compared or assessed.

*Greenhouse gas inventory* means an accounting of greenhouse gas emissions for a specific period of time.

*Municipal greenhouse gas emissions* means carbon dioxide and other carbon compounds emitted by the City of Detroit government buildings, facilities, vehicles, fleets and methods of public transportation.

*Office of Sustainability* means a City of Detroit office created by the Mayor that develops and implements policies and practices in collaboration with City departments and agencies that focus on enhancing the City's environment.

**Sec. 24-14-3. Municipal greenhouse gas emission benchmarks.**

The City completed an assessment of its municipal GHG emissions in 2012. The municipal operations were assessed at 1.18 million tons of carbon dioxide equivalent. The City seeks to achieve the following reductions in municipal GHG emissions as follows:

- 1) 35 percent below 2012 levels by 2024;
- 2) 75 percent below 2012 levels by 2034; and
- 3) 100 percent below 2012 levels by 2050.

**Sec. 24-14-4. City-wide greenhouse gas emission benchmarks.**

- (a) The City completed an assessment

of city-wide GHG emissions in 2012. The city-wide GHG emissions were assessed at 10.6 million tons of carbon dioxide equivalent. The City will strive to work toward reducing city-wide GHG emissions by 30 percent below 2012 levels by 2025.

**Sec. 24-14-5. Municipal greenhouse gas assessment.**

(a) An inventory of municipal GHG emissions shall be completed once every four years, with the first such assessment completed by August 1, 2020 with a review of 2019 municipal GHG emissions.

(b) The assessment shall account for the following:

(1) Gas and electric used in owned and leased municipal buildings and facilities;

(2) Street lighting and traffic signals;

(3) Solid waste fugitive sources and incineration, including: landfill gas, incinerator emissions, fugitive emissions from public and private waste processes, sludge incineration; process emissions from waste water treatment; petroleum refining; and solid waste landfill disposal;

(4) Wastewater drainage, treatment and disposal;

(5) Water supply facilities collection, treatment and distribution; and

(6) Municipal transportation, and,

(7) Other sources as recommended by the entity conducting the assessment.

**Sec. 24-14-6. City-wide greenhouse gas assessment.**

(a) An inventory of city-wide GHG emissions shall be completed once every four years, with the first such assessment completed by August 1, 2020 with a review of 2019 city-wide GHG emissions.

(b) The assessment shall account for the following:

(1) Gas and electric used in existing private buildings and infrastructure, including: residential, commercial and industrial buildings and facilities;

(2) Solid waste fugitive sources and incineration, including: landfill gas, incinerator emissions, fugitive emissions from public and private waste processes, sludge incineration; process emissions from waste water treatment; petroleum refining; and solid waste landfill disposal;

(3) Fugitive emissions from mining, processing, storage and transportation of coal;

(4) Fugitive emissions from oil and natural gas systems;

(5) Land use impacts, which may include tree planing, tree canopies, vegetated areas and creation of carbon sinks in all communities within the City;

(6) Agriculture, forestry and fishing activities;

(7) Transportation including: vehicles, railways, waterborne navigation, and aviation;

(8) Wastewater drainage, treatment and disposal; and

(9) Other sources as recommended by the entity conducting the assessment.

**Sec. 24-14-7. Annual report to City Council.**

(a) The Office of Sustainability shall provide an annual report to City Council. The report shall review the actions to reduce municipal and city-wide GHG emissions and shall include:

(1) An analysis as to whether the City has achieved the benchmarks set forth in Sections 24-14-3 and 24-14-4 of this Code;

(2) Details of the measures taken by the City to reduce municipal and city-wide GHG emissions;

(3) Details of future strategies that may be implemented city-wide and within the municipality to reduce GHG emissions, and

(4) Detailed estimates of the following:

a. The cost to implement the identified municipal GHG emissions reduction measures;

b. The annual cost reduction in municipal GHG emissions anticipated as a result of the identified GHG emission reduction measures;

c. The annual savings anticipated as a result of the identified municipal GHG emissions reduction measures;

d. A long-term estimate as to the total municipal GHG emissions reductions anticipated by 2024, 2034 and 2050 as a result of the identified GHG emissions reduction measures;

e. The net savings anticipated by 2024, 2034 and 2050 as a result of the identified municipal GHG emissions reduction measures.

(b) The Director of the Office of Sustainability, or his or her designee, shall submit a report to City Council concerning the review of all actions taken, and the findings of any assessment completed, by January 31st of each year.

**Secs. 24-14-8 — 24-14-20. Reserved.**

**Section 2.** All ordinances or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** Where this ordinance is passed by a two thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than two thirds (2/3) majority of City Council Members serving, it shall become effective thirty (30) days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Re: Request to Accept and Appropriate a Sub-award of the FY 2016 Police-Prosecution Initiative Grant.

The Wayne County Prosecuting Attorney's Office has awarded the City of Detroit Police Department with the FY 2016 Police-Prosecution Initiative Grant for a total of \$303,570.00. This grant is a sub-award from the Bureau of Justice Assistance to Wayne County. There is no match requirement for this grant.

The objective of the grant is to reduce non-fatal shootings and homicides in the 9th precinct. The funding allotted to the department will be utilized to create a dedicated non-fatal shooting team that will respond to all non-fatal shootings in the 9th precinct.

If approval is granted to accept and appropriate this funding, the appropriation number is 20666.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
RYAN FRIEDRICHS  
Director

Office of Development and Grant

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2019 Head Start Program Child Lead Exposure Elimination Innovation Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2019 Head Start Program Child Lead Exposure Elimination Innovation Grant for a total of \$75,000.00. There is no match requirement. The grant period is June 1, 2019 through May 31, 2020.

The objective of the grant is to pilot an innovative model to eliminate childhood lead poisoning by introducing a more robust lead testing pilot project through the City of Detroit's Head Start Program. The funding allotted to the department will be utilized to administer lead screenings for children and to provide parents with the results and the information for venous blood lead testing, as well as treatment support, if needed. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20664.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

**RESOLUTION IN SUPPORT OF  
SECURITY OFFICERS RIGHT TO  
ORGANIZE AND STRIKE**

By ALL COUNCIL MEMBERS:

WHEREAS, Public monies — through tax abatements, gap funding, incentives and other subsidies — have largely fueled the widely-celebrated resurgence of downtown Detroit development projects that range from the renovation of long-shuttered office buildings to the construction of major venues like the new Hudson's building and Little Caesars Arena. In recent years, the Detroit City Council and Wayne County Commission have approved more than \$1 billion in tax incentives in and

around the downtown district and city-wide; and

WHEREAS, The security officers and first responders who provide the essential service of protecting and keeping downtown Detroit's rebirth safe, are among the hard-working Detroiters who have contributed their tax dollars to help to bring these projects to fruition, and ultimately contractors to be able to operate in this market; and

WHEREAS, Economically, working people are too often being left behind and are not experiencing the prosperity of Detroit's comeback. Working people across the city are coming together to fight for \$15 to support their families.

NOW, THEREFORE BE IT

RESOLVED, The Detroit City Council supports security officers in their efforts to obtain a fast and fair process to organize in the workplace without interference. That Detroit's security officers have taken the high road in their attempts to organize and have not been allowed to engage outside of the employer's attempt to silence workers.

BE IT FURTHER

RESOLVED, That the Detroit City Council honors the 33 brave security officers: Darian Stevens, Robert Butler, Angela Jones, Connie Haggard, Muhsinah Akram, Steve Brown, Micah Brown, Mattie Hunter, Aaron Gibson, Errol Osley, Aaron Ayley, Diamond King, David Spannos, Annika Vinson, James Boal, Alfie Pugh, Angela Williams, Harley Bridges, Michelle Jordan, Angela Gholston, Sheniah Sturdivant, Rudolph Muhammad, Deandre Finch, Deangelo Nix, Kolby Corns, Jermaine Sturdivant, Malcolm Brooks, Gary Wright, Donovan Mayo, Denzel Garrett, Charles White, Angelo Smith and Delores McDaniel, who dared to be the 1st of their co-workers to take action for change and go on strike.

BE IT FINALLY

RESOLVED, That the Detroit City Council supports security officers and all working people in their right to organize, free of interference.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

Honorable City Council:

Re: Scheduling a Closed Session Regarding Legal Representation and Indemnification in lawsuit of Michael Teolis vs. Mackenzie Julian and Nicholas Waldrep. Civil Action Case No.: 19-2019-436-NZ for EMT Nicholas Waldrep.

On May 28, 2019, your Honorable Body referred the above-referenced matter to the Internal Operations standing committee regarding representation and indemnification of EMT Nicholas Waldrep, Badge No. N/A.

Both the Law Department and the Detroit Fire Department have recommended to DENY representation and indemnification of Mr. Waldrep.

On June 19, 2019, the Internal Operations standing committee recommended that a closed session be held regarding this matter. After consultation with the Council President's office, the Law Department is respectfully requesting that a closed session be held on Wednesday, July 17, 2019 at 2:30 p.m.

The Law Department has prepared a privileged and confidential memorandum regarding the pending litigation and why we recommend to DENY representation.

**HEARING REGARDING REPRESENTATION AND INDEMNIFICATION OF CERTAIN MEMBERS OF THE DETROIT FIRE DEPARTMENT**

By Council Member McCalister, Jr.:

WHEREAS, Section 7.5-203, *Civil Litigation*, of the 2012 Detroit City Charter provides, in relevant part, that "[upon request, the Corporation Counsel may represent any officer or employee of the city in any action or proceeding involving official duties;]" and,

WHEREAS, Section 13-1 1-5, *Civil Service and Personnel Regulations*, of the 1984 Detroit City Code provides, in pertinent part, that "the city council shall consider and determine whether the corporation counsel shall represent the officer or employee in the matter and find and determine whether or not the claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee[.]" and,

WHEREAS, On June 19, 2019, City Council's Internal Operations standing committee requested that a closed session be scheduled regarding Legal Representation and Indemnification in lawsuit of *Michael Teolis vs. Mackenzie Julian and Nicholas Waldrep*; and,

WHEREAS, On July 3, 2019, the Law Department filed a privileged a confidential memorandum regarding the pending litigation and why the Law Department has recommended to DENY representation and indemnification of **EMT Nicholas Waldrep**.

NOW THEREFORE BE IT

RESOLVED, That pursuant to the above, and MCL 15.268(h), a closed session be held on Wednesday, July 17, 2019 at 2:30 p.m. for the purpose of discussing the following:

**Legal Representation and Indemnification in lawsuit of Michael Teolis vs. Mackenzie Julian and Nicholas Wal-**

**dreop**; Civil Action Case No.: 19-2019-436-NZ for **EMT Nicholas Waldrep**, Badge N/A.

AND BE IT FURTHER

RESOLVED, That the Law Department's recommendation to deny representation will be discussed with Law Department attorneys, representatives from the Detroit Fire Fighters Association, Nicholas Waldrep and counsel, representatives from the Detroit Fire Fighters Association, as well as attorneys from the Legislative Policy Division.

AND BE IT FINALLY

RESOLVED, That a copy of this resolution be timely provided to the Detroit Fire Fighters Association and Corporation Counsel.

Honorable City Council:

Re: Washington, Jr., Eugene vs. City of Detroit, Richard Danescu and Wallace Richards. Case No: 18-10799. File No: L18-00150(EVK).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty-Five Thousand Dollars and No Cents (\$35,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty-Five Thousand Dollars and No Cents (\$35,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Eugene Washington Jr. and Christopher Trainor & Associates, his attorney, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 18-10799, approved by the Law Department.

June 27, 2019

Honorable City Council:

Re: Request to Amend Official Compensation Schedule.

Recommendation is submitted to amend the 2018-2020 Official Compensation Schedule to include the following pay adjustment:

| Class Code | Classification                | Current Salary |          | Recommended Rate of Pay |          | Bargaining Unit | Step Code |
|------------|-------------------------------|----------------|----------|-------------------------|----------|-----------------|-----------|
|            |                               | Min            | Max      | Min                     | Max      |                 |           |
| 29-20-31   | Senior Public Health Educator | \$42,025       | \$44,863 | \$37,750                | \$52,850 | 7100 SAAA       | R         |
| 29-20-21   | Public Health Educator        | \$38,663       | \$40,764 | \$34,000                | \$47,600 | 7100 SAAA       | R         |

**Request:**

The above recommendation is at the request of Angelique Rodriguez-Edge from the Health Department.

**Rationale:**

The above request and recommendation is based on the ability to attract and retain essential personnel to staff the Ryan White HIV/STI Program of the Health Department.

The SEMHA federal contract is due to end June 30, 2019. It has been determined that it is in the City's best interest that the Ryan White HIV/STI Program be moved in-house. The existing classified title of Senior Public Health Educator has no incumbents and will be reactivated to accommodate the transfer of staff performing this work. This transition is necessary to ensure that the program is more cost effective, operates more efficiently, and adheres to regulatory guidelines.

To determine the appropriate salary range for the classification, a market study was conducted using data from external survey sources. The proposed salary is essential for recruitment and retention purposes and is based on the City of Detroit's ability to fund the increase. The proposed salary recommendation is subject to City Council approval.

Respectfully submitted,  
DENISE STARR  
Human Resources Director

By Council Member McCalister:

Resolved, That the 2018-2020 Official Compensation Schedule is hereby amended to reflect the following pay adjustment, effective upon Council's approval.

| Class Code | Classification                | Current Salary |          | Recommended Rate of Pay |          | Bargaining Unit | Step Code |
|------------|-------------------------------|----------------|----------|-------------------------|----------|-----------------|-----------|
|            |                               | Min            | Max      | Min                     | Max      |                 |           |
| 29-20-31   | Senior Public Health Educator | \$42,025       | \$44,863 | \$37,750                | \$52,850 | 7100 SAAA       | R         |
| 29-20-21   | Public Health Educator        | \$38,663       | \$40,764 | \$34,000                | \$47,600 | 7100 SAAA       | R         |

Resolved, That the Finance Director is hereby authorized to honor payrolls and vouchers in accordance with this resolution, the above communication and standard City of Detroit practices. Adopted as follows:

**RESOLUTION TO FURTHER REVISE  
EMERGENCY MANAGER ORDER NO.  
38, ORDER MODIFYING PLANNING  
AND DEVELOPMENT DEPARTMENT  
AND ESTABLISHING HOUSING AND  
REVITALIZATION DEPARTMENT**

By Council Member McCalister:

WHEREAS, In September 2014, as the Emergency Manager prepared to transition from his position (and as the City's bankruptcy proceedings were drawing to a close), he issued Emergency Manager Order No. 42 restoring much of the power to the executive and legislative branches of City government, as well as Emergency Manager Orders No. 38, 39, 40 and 41 to expedite the restructuring of various City departments; and

WHEREAS, Emergency Manager Order No. 38, *Order Modifying Planning and Development Department and Establishing Housing and Revitalization Department*, "determined that it is appropriate to establish a new Housing and Revitalization Department (the 'HRD') to perform certain functions previously performed by the Planning and Development Department [PDD]"; and

WHEREAS, EM Order No. 38 grants the Mayor authority to establish the HRD and appoint a Director. As specified in paragraphs 4 through 7 of the order, HRD "shall strategically manage the City's Federal entitlement and related resources", "lead initiatives to attract public and private investment in city neighborhoods using public land and financing", "invest the City's entitlement funds in affordable, mixed income and mixed-use housing developments and related public improvements in addition to leading the planning associated with Community Development Block Grants, Emergency Solutions Grant Program, HOME funds and Neighborhood Opportunity Fund" — that is, "the PDD and the PDD Director shall no longer perform the functions set forth in paragraphs 4, 5, 6, and 7 of this Order"; and

WHEREAS, Public Act 436 of 2012, specifically MCL 141.1561(2), provides "[a]fter the completion of the emergency manager's term and the termination of receivership, the governing body of the local government shall not amend the 2-year budget adopted under subsection (1) without the approval of the state treasurer, and shall not revise any order or ordinance implemented by the emergency manager during his or her term prior to 1 year after the termination of receivership."

WHEREAS, By City Council resolution unanimously adopted on May 17, 2016, EM Order No. 38 was revised to give City Council confirmation authority over the appointment of the HRD Director, consistent with Section 4-111 of the 2012 Charter of the City of Detroit, given that HRD was carved out of PDD, whose Director is

specifically subject to Council confirmation per the Charter; and

WHEREAS, With the City now nearly five years past its exit from bankruptcy and emergency management, and as the Mayor and City Council work effectively to advance the City's recovery, including implementation of the Plan of Adjustment, it is time to fully restore essential checks and balances and transparency to the operations of City government; and

WHEREAS, Paragraph eleven (11) of EM Order No. 38, like EM Orders 40, 41, and 42, grants ongoing, continuing restructuring authority to the HRD and PDD Directors to ignore "City and human resources rule, regulation, policy, agreement, ordinance, or practice to the contrary, including, but not limited to, the City's Civil Service Rules" to allow the directors to "determine placement of all positions", "create and modify job titles, roles, responsibilities and positions", and to "make recruitment, hiring, retention, promotion, demotion, reassignment and any other related personnel decisions" affecting HRD and PDD; and

WHEREAS, Paragraph twelve (12) of EM Order No. 38 similarly grants blanket authority to the HRD and PDD Directors, with the approval of the Mayor, to modify the organizational components and functions of HRD and PDD; and

WHEREAS, Paragraph fifteen (15) of EM Order No. 38 provides the following unbridled authority with respect to City-owned commercial property:

Notwithstanding any City Charter provision, regulation, policy, agreement, ordinance, or practice to the contrary, the PDD Director, subject to the approval of CFO, may enter into a contract with the Detroit Building Authority with respect to the management of any City-owned commercial property. Any transfer of City-owned property to the Detroit Building Authority can only be accomplished with City Council approval.

This ongoing, unilateral contractual authority is no longer justifiable and transparency concerns require its termination; and

WHEREAS, The revision of EM Order No. 38 to restore the rule of pre-Emergency Management law to the City, including, but not limited to, adherence to the Charter, City Code, Civil Service Rules, will not impact the success of the Plan of Adjustment.

NOW THEREFORE BE IT

RESOLVED, Recognizing that by 2019, the City has derived any necessary restructuring benefits from the liberal provisions of EM Order No. 38, the Detroit City Council hereby revokes the above described extraordinary authority granted by paragraphs eleven, twelve and fifteen of the Order and restores the pre-emergency management rule of law.

AND BE IT FURTHER

RESOLVED, That a copy of this resolution shall be transmitted to the Director of the Housing and Revitalization Department, the Director of the Planning and Development Department, and Mayor Mike Duggan.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Tate and President Jones — 8.

\*WAIVER OF RECONSIDERATION (No. 8), per motions before adjournment.

**RESOLUTION TO REVISE EMERGENCY MANAGER ORDER NO. 40, ORDER RESTRUCTURING THE HUMAN RESOURCES DEPARTMENT**  
By Council Member McCalister:

WHEREAS, In September 2014, as the Emergency Manager prepared to transition from his position (and as the City's bankruptcy proceedings were drawing to a close), he issued Emergency Manager Order No. 42 restoring much of the power to the executive and legislative branches of city government, as well as Emergency Manager Orders No. 38, 39, 40 and 41 to expedite the restructuring of various City departments; and

WHEREAS, Emergency Manager Order No. 40, *Order Restructuring the Human Resources Department*, dictated a new organizational structure for the Department (paragraph 4), established five (5) supervisory positions, and gave the Human Resources (HR) Director broad authority to: set initial compensation, create subordinate positions, create a new classification and compensation system for the City, create a performance management system for the City, review the Civil Service Rules, and create a Center for Workforce Development (paragraphs 5-12); and

WHEREAS, Like EM Orders 38, 41, and 42, EM Order No. 40 contains broad, ongoing restructuring provisions, granting the HR Director unbridled restructuring authority — no longer necessary almost five years post-Emergency Management/Receivership. The provision, paragraph 13, reads as follows:

Notwithstanding any City or human resources rule, regulation, policy, agreement, ordinance, or practice to the contrary, including, but not limited to, the City's Civil Service Rules, the HR Director shall have the authority to:

a. Determine the placement of all human resources positions, including the selection and removal of incumbents, within the HR Department;

b. Create or modify job titles, roles, responsibilities and positions in support of the City's human resources functions, within the HR Department and other City departments, divisions and agencies; and

c. Make recruitment, hiring, retention,

promotion, demotion, reassignment and any other related personnel decisions affecting the City's human resources functions.

In all events, the HR Director shall comply with the terms of applicable collective bargaining agreements and provide required notices to impacted employees and labor unions, if applicable . . . ; and

WHEREAS, The City of Detroit's receivership status was terminated upon the completion of the City's bankruptcy case on the effective date of the Plan of Adjustment, December 10, 2014. Pursuant to Public Act 436 of 2012, City Council may amend orders implemented by the emergency manager one (1) year after the termination of receivership; and

WHEREAS, With the City now nearly five years past its exit from bankruptcy and emergency management, and as the Mayor and City Council work effectively to advance the City's recovery, including implementation of the Plan of Adjustment, it is time to fully restore essential checks and balances and transparency to the operations of City government; and

WHEREAS, The revision of EM Order No. 40 revoking the blanket, continued restructuring authority to the HR Director, unlimited by the City's Civil Services Rules, human resources rules, regulations, policy, agreement, etc., will not impair the City's fiscal recovery. Reverting to a more transparent, pre-Emergency Management, manner of managing the City's HR functions, after almost five years of unhindered restructuring activity, will have no negative effects on the City's fiscal health or continued success of the Plan of Adjustment.

NOW THEREFORE BE IT

RESOLVED, The Detroit City Council hereby revokes the continued restructuring authority granted to the HR Director by EM Order No. 40 specifically contained in paragraphs thirteen (13).

AND BE IT FURTHER

RESOLVED, That a copy of this resolution shall be transmitted to the HR Director, the Chief Financial Officer and the Mayor's Office.

**RESOLUTION TO FURTHER REVISE EMERGENCY MANAGER ORDER NO. 41, ESTABLISHING CENTRALIZED FINANCIAL MANAGEMENT ORGANIZATIONAL STRUCTURE**  
By Council Member McCalister:

WHEREAS, In September 2014, as the

Emergency Manager prepared to transition from his position (and as the City's bankruptcy proceedings were drawing to a close), he issued Emergency Manager Order No. 42 restoring much of the power to the executive and legislative branches of city government, as well as Emergency Manager Orders No. 38, 39, 40 and 41 to expedite the restructuring of various City departments; and

WHEREAS, Emergency Manager Order No. 41, *Order Establishing Centralized Financial Management Organizational Structure*, consistent with the dictates of Michigan Public Act 181 of 2014, amending the Home Rule City Act (specifically, MCL 117.4s), granted sweeping powers to the City's Chief Financial Officer (CFO) establishing a centralized financial management organizational structure, called the Office of the Chief Financial Officer, to provide "management oversight, control, and direction to the existing Budget Department, Finance Department and all their subordinate components, and all finance, budget, and grant related components of other City departments, divisions, and agencies"; and

WHEREAS, EM Order No. 41 grants the CFO "all of the authority and responsibilities of the Finance Director under Sections 6-301 and 6-302 of the City Charter and Budget Director under Section 6-101", as well as creating "Divisions" of the Office of the CFO comprised of the former Offices of the Assessor, Treasury, Controller, Contracting and Procurement, Grants Management, Budget, and Financial Planning & Analysis; and

WHEREAS, The City of Detroit's receivership status was terminated upon the completion of the City's bankruptcy case on the effective date of the Plan of Adjustment, December 10, 2014. Pursuant to Public Act 436 of 2012, City Council may amend orders implemented; and

WHEREAS, With the City now nearly five years past its exit from bankruptcy and emergency management, and as the Mayor and City Council work effectively to advance the City's recovery, including implementation of the Plan of Adjustment, it is time to fully restore essential checks and balances and transparency to the operations of City government; and

WHEREAS, By resolution unanimously adopted on May 17, 2016, City Council revoked the CFO's authority to unilaterally write off accounts receivable without City Council approval if the accounts are older than the statute of limitations, and restored Council's contract approval authority pursuant to Charter section 4-122 and Detroit City Code section 18-5-21. Restoration of Council approval of these actions shines needed light on the City's fiscal workings; and

WHEREAS, Like EM Orders 38, 40, and 42, EM Order No. 41 contains broad, ongoing restructuring provisions, granting the OCFO unbridled restructuring authority — no longer necessary almost five years post-Emergency Management/Receivership. The provision, paragraph 10, is as follows:

Notwithstanding any City or human resources rule, regulation, policy, agreement, ordinance, or practice to the contrary, including but not limited to the City's Civil Service Rules, the CFO shall have the authority to do the following in consultation with the Human Resource [sic] Department:

a. Determine the placement of all finance, budget, and grants related positions, including the selection and removal of incumbents, within the Office of the CFO and other City departments, division and agencies;

b. Create or modify job titles, roles, responsibilities and positions in support of the City's finance and budgeting functions, within the Office of the CFO and other City departments, divisions and agencies; and

c. Make recruitment, hiring, retention, promotion, demotion, reassignment and any other related personnel decisions affecting the City's finance and budgeting functions.

In all events, the CFO shall comply with the terms of applicable collective bargaining agreements and provide required notices to impacted employees and labor unions, if applicable . . . ;

and

WHEREAS, The surgical revision of EM Order No. 41 restoring City Council's contract approval authority and specific accounts receivable write-offs did not impair the CFO's ability to expeditiously pursue and complete restructuring of the financial functions of the City as mandated by MCL 117.4s, did not impact implementation of the Plan of Adjustment, did not require a budget amendment, and had no fiscal impact on the City. Similarly, reverting back to a more transparent, pre-Emergency Management, manner of managing the City's finance related departments and functions, after almost five years of unhindered restructuring activity, will have no negative effects on the City's fiscal health or continued success of the Plan of Adjustment.

NOW THEREFORE BE IT

RESOLVED, The Detroit City Council hereby revokes the continued restructuring authority granted to the CFO by EM Order No. 41, specifically contained in paragraphs ten (10) and thirteen (13).

AND BE IT FURTHER

RESOLVED, That a copy of this resolution shall be transmitted to the Chief Financial Officer and the Mayor's Office.

**RESOLUTION TO FURTHER REVISE EMERGENCY MANAGER ORDER NO. 42: ORDER ADDRESSING ISSUES RELATING TO THE CONCLUSION OF THE EMERGENCY MANAGER'S TENURE AND TRANSITION OF CITY OPERATIONS TO THE MAYOR AND CITY COUNCIL**

By Council Member McCalister:

WHEREAS, In September 2014, as the Emergency Manager (EM) prepared to transition from his position and the City's bankruptcy proceedings were drawing to a close, he issued Emergency Manager Orders No. 38, 39, 40, 41 and 42 to expedite the restructuring of various City departments; and

WHEREAS, Emergency Manager Order No. 42, Order Addressing Issues Relating to the Conclusion of the Emergency Manager's Tenure and Transition of City Operations to the Mayor and City Council, modifies, revokes, or supplements provisions of previous orders, and addresses responsibilities of the Mayor and City Council post-bankruptcy/emergency management by restoring the powers granted by the Home Rule City Act and the 2012 Charter of the City of Detroit. The Order effectively restores the authority of the Legislative Branch, but enhances powers of the Executive Branch; and

WHEREAS, With the City now approaching five years past its exit from bankruptcy and emergency management, and as the Mayor and City Council work effectively to continue the City's recovery, a number of the EM Orders require additional modification or rescission to restore essential checks and balances to the operations of City government; and

WHEREAS, EM Order No. 42, at paragraph 7, grants ongoing authority to the Mayor, beyond the dictates of the voter-adopted Charter of the City of Detroit, to restructure Executive Branch departments outside of the carefully enacted procedural constraints in the Charter, the City Code, and the City Service Rules, specifically stating:

Notwithstanding any City or human resources rule, regulation, policy, agreement, ordinance or practice to the contrary, including, but not limited to, the City's Civil Service Rules, and with the approval of the Mayor and the Council in coordination with the Human Resources Department, the City may implement departmental restructurings not inconsistent with any

other EM Order. These restructurings may grant department heads the authority to make hiring, retention, promotion, demotion, reassignment and any other related personnel decisions affecting their departments, in consultation with the Human Resources Department. Such reorganizations shall comply with the terms of applicable collective bargaining agreements and provide required notices to impacted employees and labor unions, if applicable . . . ;

and

WHEREAS, The City of Detroit's receivership status was terminated upon the completion of the City's bankruptcy case on the effective date of the Plan of Adjustment, December 10, 2014. Pursuant to Public Act 436 of 2012, City Council may amend orders implemented by the emergency manager at any time more than one (1) year after the termination of receivership; and

Whereas, The City is nearly five years out from its emergence from bankruptcy and receivership. Adequate time for effective departmental restructuring has elapsed and it is imperative that transparency in government be restored. Revision of EM Order No. 42 to restore the balance contemplated by the 2012 City Charter, the City Code, the Civil Service Rules, and other established governmental rules and regulations, will have no fiscal impact on the City. EM Order No. 42, paragraph six, was previously revised by unanimous City Council resolution adopted on May 17, 2016.

NOW THEREFORE BE IT

RESOLVED, Notwithstanding any contrary provisions of Emergency Manager Order number 42 or Emergency Manager Order number 44, at paragraph 17, the provisions of EM Order No. 42, paragraph 7, granting the Administration, including department heads, ongoing extraordinary restructuring authority (with the exception of those powers of the Office of Chief Financial Officer granted pursuant to Public Act 181 of 2014) are revoked, and the provisions of the City Charter, City Code, Civil Service Rules, and any other relevant regulations or policies as they existed pre-Emergency Management are fully restored to the extent not otherwise amended by the Mayor and City Council pursuant to the City Charter;

AND BE IT FINALLY

RESOLVED, That a copy of this resolution shall be transmitted to the Corporation Counsel and the Mayor's Office.

**EXHIBIT E**  
**RESOLUTION APPROVING**  
**BROWNFIELD PLAN OF THE**  
**CITY OF DETROIT BROWNFIELD**  
**REDEVELOPMENT AUTHORITY**  
**FOR THE MACK AND CONNER**  
**REDEVELOPMENT PROJECT**

City of Detroit  
County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996,

as amended (“Act 381”), the City of Detroit Brownfield Redevelopment Authority (“Authority”) has been established by resolution of the City Council of the City of Detroit (the “City”) for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Mack and Conner Redevelopment Project (the “Plan”); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on June 12, 2019, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on June 25, 2019 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on June 12, 2019; and

WHEREAS, The Authority approved the Plan on June 26, 2019 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on July 11, 2019.

**NOW, THEREFORE, BE IT RESOLVED, THAT:**

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

“Eligible Activities” or “eligible activity” shall have the meaning described in Act 381.

“Eligible Property” shall have the meaning described in Act 381.

“Plan” means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

“Targeted Redevelopment Area” or “TRA” shall have the meaning described in Act 381.

“Taxing Jurisdiction” shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally dis-

tressed areas in the City and to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) The property described in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "facility" and "targeted redevelopment area" as those terms are defined in Act 381;

(b) The portions of the property described in the Plan as part of the TRA contain not fewer than 40 and not more than 500 contiguous parcels of real property located in a qualified local governmental unit and designation of the TRA described in the Plan will not exceed the statutory limits on how many Targeted Redevelopment Areas the City or the Michigan Strategic Fund ("MSF") may designate and approve for purposes of qualifying as "eligible property" under Act 381 in this calendar year;

(c) The Plan meets the requirements set forth in section 13 of Act 381.

(d) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(e) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(f) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Designation of the TRA. The proposed Targeted Redevelopment Area described in the Plan is hereby designated as a Targeted Redevelopment Area by the City and subject to the approval of the TRA by the MSF, the property included in the TRA shall qualify as "eligible property" under Act 381.

7. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

8. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

9. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

10. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381.

11. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

12. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

13. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan.

The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

14. **Repealer.** All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Tate, and President Jones — 8.

Nays — None.

Honorable City Council:

Re: Petition No. 400 — Historic Designation Advisory Board Final Report, recommendation and draft ordinance for the proposed St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District. (FOR INTRODUCTION OF ORDINANCE AND THE SETTING OF A PUBLIC HEARING.)

At the direction of the Historic Designation Advisory Board at its meeting of February 21, 2019, we are pleased to submit to your Honorable Body the Board's final report on the proposed St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District. The recommendation of the Advisory Board is for the designation. The ordinance of designation is attached and has been approved as to form by the Law Department.

This designation was requested by Bishop Clarence Haddon, Sr., Chief Apostle, Senior Pastor. Bishop Clarence Haddon, Sr. and Dr. Celestine Todd have been appointed as *ad hoc*s representing the community interest of the proposed district.

Attached is a copy of the minutes from the Historic Designation Advisory Board meeting on February 21, 2019. If you should have any questions, please contact our office at 224-3487.

Respectfully submitted,  
JANESE CHAPMAN  
Deputy Director

Historic Designation Advisory Board  
By Council Member Tate:

**AN ORDINANCE to amend Chapter 25, Article II of the 1984 Detroit City Code by adding Section 25-2-209 to establish the St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 25, Article II, of the 1984 Detroit City Code be amended by adding Section 25-2-209 to read as follows:

**Sec. 25-2-209.** St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District.

(a) A historic district to be known as the St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: Beginning at the intersection of the centerline of Schoolcraft with the centerline of Wisconsin; on the north, the centerline of Schoolcraft; on the east, the centerline of Wisconsin; on the south, the south line of the parcel described by the legal description provided below; and on the west, the centerline of the vacated alley adjacent to the west line of Lots 23, 24 and 25, John M. Welch Jrs. Wyoming Schoolcraft Sub L46 P98 Plats, W.C.R. extended north and south.

**Legal Description:**

S SCHOOLCRAFT 231 THRU 236. N 15 FT 237 238 VAC ALLEYS ADJ B E TAYLORS DETROIT CITY SUB NO. 1 L39 P96 PLATS, W.C.R. 16/272 LOTS 68 THRU 73 AND VAC ALLEY ADJ JOHN M WELCH JRS WYOMING-SCHOOLCRAFT SUB L46 P98 PLATS, W.C.R. 16/338 216 IRREG 57.158 SF: W INDIANA 49 THRU 44 AND VAC ALLEY ADJ JOHN M WELCH JRS WYOMING SCHOOLCRAFT SUB L46 P98 PLATS, W.C.R. 16/338 N 14 FT 194 195 AND VAC ALLEY ADJ B E TAYLORS DETROIT CITY SUB NO 1 L39 P96 PLATS, W.C.R. 16/272 163.05 IRREG: W KENTUCKY 25 THRU 23 JOHN M WELCH JRS WYOMING SCHOOLCRAFT SUB L46 P98 PLATS, W.C.R. 16/338 130.34 IRREG. Commonly known as 8735 Schoolcraft 8809 Schoolcraft and 13641 Kentucky.

(d) The defined elements of design, as provided for in Section 25-2-2 of this code, are as follows:

(1) Height. The school building (13661 Wisconsin Street, rectory (addressed with 8909 Schoolcraft Street), and activities building (13641 Kentucky) are two (2) stories in height. The religious building (8909 Schoolcraft Street) is a single tall story built up to the height of thirty-five (35) feet at the lantern dome.

(2) Proportion of building's front façades. The front (norths façades of all four (4) buildings are wider than tall,

although massing of individual sections of buildings may appear neutral or taller than wide. The front façades of the school, rectory, and activities building are arranged by bays, whereas the religious building is arranged by functionally massed sections, such as chapels, narthex and domed sanctuary.

(3) *Proportion of openings within the façades.* Window and door openings within the district are diverse in their variety of shapes and sizes, signifying the function and design of the individual buildings. The religious building features a range of arched openings that are taller than wide, but where grouped together, may appear wider than tall. Its three prominent, evenly spaced entrance openings each contain a set of double doors with tympanum above. A rose window is centered above in the front gable. Each face of the octagonal lantern crowning the dome has a pair of arched windows separated by columns. The three-sided corner sections between the arms of the Greek cross are fenestrated with paired arched windows on the first level and, at second story level on the northwest corner of the building, sets of four narrow arched window openings separated by columns. The southernmost face of this corner section has a flat-arched double-door entrance opening taller than wide. Transom arms feature three large round-arched window openings, the central one being the larger. By contrast, the rectory features a trabeated system of fenestration with openings taller than wide, its front façade consisting of divided casement windows and a single door width entrance, east of which is an opening wider than tall containing a three-part divided picture window. The front (north) flat-arched, double-door entrances of the school building are taller than wide, as are window openings throughout the building. Above the entrances of the wings are, at second story level, a pair of small, arched windows, each taller than wide, separated by columns. Classroom windows are replacements of the original deeply set pairs of divided double-hung sash windows, openings emphatically taller than wide, including tall, adjoining door openings on its front façade and narrow, vertically rectangular slot window openings on its front and side elevations.

(4) *Rhythm of solids to voids in the front façades.* A regular rhythm of solids to voids exists on all primary façades. Generally, openings are placed one over the other by floor and are evenly spaced and symmetrically arranged in rows, resulting in strong, rhythmic patterns. The school building, with rows of identical subdivided windows, often in groups, and the activity building, in which the middle of the three rows of slot windows shifts between the four above and below, exhibit strong, consistent overall patterns. Arcaded

rhythms of solids to voids are pronounced on the religious building while the rectory has regularly arranged, flat-arch openings with interruptions for single doorways and a shallow bay window on the east elevation.

(5) *Rhythm of spacing of buildings on streets.* The buildings in the two and one-half block district are situated near the public rights-of-way on corner lots, resulting in the side streets providing pattern breaks. The rectory is the exception, sharing its lot with the religious building connected to its west side.

(6) *Rhythm of entrance and/or porch projections.* No overall rhythm of entrance and/or porch projections exists due to the individual treatment of each of the four (4) buildings in the district. The three symmetrically positioned entrances to the school, one in each wing and one in the recessed central section, and the entrance to the activities building are at grade, with a single concrete platform. The main (north) entrances of the religious building and rectory are accessed up shallow steps. Buildings positioned on corner parcels have secondary entrances on the adjacent north-south streets.

(7) *Relationship of materials.* Brick is the major material of the buildings, often contrasting with masonry trim. Details in brick, glazed and unglazed terra cotta, and stone adorn all but the activities building, which is absent of applied detail. Door and window frames are wood or metal; the activities building features aluminum doors; lanterns to the sides of doorways are usually bronze. The rectory and religious building feature figurative carvings and panels of stone, and have clay tile roofs with copper gutters and downspouts.

(8) *Relationship of textures.* The major textural relationship is that of brick with mortar joints juxtaposed with masonry and terra cotta trim and detail focused on door and window surrounds and cornices. The English bond brick of the school building is embellished with decorative patterned brickwork in spandrels and arches. Repetitive details, such as dentils or arcading beneath cornices or window and door surrounds, contribute to textural interest as do the clay pantile roofs of the rectory and religious building. The activities building features smooth finishes, such as aluminum and painted surfaces. In general, the district is rich in textural relationships.

(9) *Relationship of colors.* The brickwork on buildings is red in color, and contrasts with the beige trim and terra cotta detail, where it exists. The tympanums of the religious building feature sky blue backgrounds and flesh and white colors. Window frames and sashes are painted either white or brown; woodwork and doorways are dark brown. Red tile roofs cover the rectory and religious building; copper is weathered green.

(10) *Relationship of architectural details.* Architectural detail generally relates to style and function of the buildings in the district: areas around entrances, window openings and cornices are typically embellished with appropriate detail. The front façade of the school building features entrances composed of a single wooden door set into a limestone architrave, over which is a lintel carved with a Celtic knot pattern and supported by pilasters having carved capitals. Decorative limestone pilasters with brick blind arches, dentil cornices, herringbone and basket weave patterns, and soldier course banding are ornamental features of the school building. The north façades of the wings have shallow raised pediments over their central bays, originally with a cross centered within. Late twentieth century rear additions to the school do not relate to the original building in architectural style. Ornamentation was applied sparingly in the design of the rectory: its doorway is surrounded by a masonry, flat arch molded architrave surmounted by an entablature with a centered crest containing an Irish cross, lit by a brass lantern above. Carved, figural blocks are set in brick and a masonry belt course divides the first and second stories. The façades of the, religious building are rich with Catholic and Irish iconography and symbols executed in terra cotta. The three, double-door arched entrance openings, separated by large rectangular marble panels, are the focal point of the front façade, and feature details in terra cotta. The wood paneled doors are set within compound terra cotta arches, representational polychromatic tympanums rest above the doors, and metal lanterns flank each opening. Representational figures and symbols are located on projecting plaques, arches and capitals. A rose window centered in the gable is flanked by two large partly engaged statues of saints Peter and Paul. A decorative arcaded cornice defines the slope of the gable roof and a Celtic cross crowns the apex of the gable. The carved detail continues to the Kentucky Avenue (west) entrance and the east and west walls. At the four upper corners of the building are eight relief plaques used as relief ornaments for the masonry walls. Quite in contrast, the modern style activities building has no extraneous detail, the window slits allowing a pattern of light into the large, multi-purpose interior space. Characteristic of the modern style, the elements themselves, such as the slot window openings, curved porch roof supported by narrow vertical members, create the detail.

(11) *Relationship of roof shapes.* The roofs of the school and activities buildings are flat and are not seen from the street: the porch canopy of the activities building is curved. The rectory has a hip roof. The

religious building features gable roofs over its narthex and transepts, flat roofs over the corner chapels, partial hips over intermediate sections, and an octagonal lantern dome over the sanctuary.

(12) *Walls of continuity.* A wall of continuity is created by the four related buildings along Schoolcraft Street within the district due to their substantial scale and positioning on their lots.

(13) *Relationship of significant landscape features and surface treatments.* Shrubs and trees are intentionally planted around the perimeters of the school, activities building, rectory and religious building. The religious building and connecting rectory share an entire block, with the front (north) of the church situated close to the public right-of-way and the rectory to its east set back substantially, creating a grass turf front yard. Long, straight-line and diagonal concrete walkways lead to the front entrance of the rectory from the public sidewalks on Schoolcraft and Indiana streets. A broad concrete area extending the width of the steps leads to the tripartite entrance of the religious building. A cabinet sign identifying the religious building sits on northeast corner of Schoolcraft at Wisconsin. The school building, also occupying an entire block, has a straight-line concrete walkway dividing the grass-turf lawn from the public sidewalk leading to each of its Schoolcraft entrances. A back-lit cabinet sign sits perpendicular to the building on its front lawn. A landscaping element at the southwest corner of Schoolcraft and Indiana is framed by stacked masonry pavers. Situated to the sides of the front entrance of the activity building are low walled, rectangular concrete planters.

(14) *Relationship of open space to structures.* Shallow front and side yards planted with grass turf characterize the district, with the exception of the rectory, which has a deep front yard. The rear (south) of buildings generally extend the depth of the property, with the school building addition extending considerably further south of the vacated alley, enclosing an exterior courtyard. The rear (south) of the rectory has a large attached garage accessed off of the side street, its wide driveway paved in concrete. Outside of the district to the east, between Wisconsin and Ohio streets on the former convent site, is a paved parking lot. The traditional alley south of the buildings was vacated and the surfaces are either expanded over with a building, paved in concrete, or planted with vegetation.

(15) *Scale of façades and façade elements.* The façades of the four buildings in the district are appropriately large in scale, with elements and detail ranging from small to large. The rectory is large in scale for a neighborhood residential building but is dwarfed by its relationship to the

larger and prominent religious building attached at its west side.

(16) *Directional expression of front elevations.* The front elevations of the two wings of the school building are each vertically expressed, although as joined together with the central entrance section, is neutral. The rectory and activity building are horizontal in directional expression. The built-up massing of the religious building, culminating with the lantern, has the appearance of verticality.

(17) *Rhythm of building setbacks.* No rhythm of setbacks exists within the two and one-half block Schoolcraft streetscape. The school building, religious building, and activities building are situated close to the public right-of-way; the rectory is set back significantly, giving prominence to the religious structure to its west.

(18) *Relationship of lot coverages.* The footprints of three (3) of the buildings occupy most of their lots, with a small amount of open space around their front and side perimeters, with the exception being the rectory, which has an ample front yard. The original footprint of the school building between Wisconsin and Indiana streets is H-shaped, with a front (north) and rear (south) courtyard, but a large addition extended its parcel southward, sealing off the rear courtyard from the south and providing parking off of Wisconsin Street. The school buildings, with additions, occupy approximately eighty to ninety percent (80%-90%) of its parcel. The religious structure and attached rectory with its additions, between Indiana and Kentucky streets, occupies approximately sixty percent (60%) of its block, with the religious structure occupying most of the parcel. The activities building, which occupies the east half of the block between Kentucky and Wyoming, occupies approximately sixty-five to seventy-five percent (65%-75%) of its parcel.

(19) *Degree of complexity within the façades.* Each of the four (4) buildings within the district have separately designed façades. The school building, which has an identical wing joined in the middle by a set-back entrance section, is nonetheless straightforward in its massing, fenestration and detail and, therefore, displays a low degree of complexity. The front façade of the rectory displays a higher degree of complexity with the western portion slightly set back, windows of different sizes, and ornamental and figurative detail. The religious structure is most complex, with its built-up massing and elaborately ornamented architecture. True to its minimalist modern style, the activities building is the least complex with regular arrangements of windows and lack of applied detail.

(20) *Orientation, vistas, overviews.* The buildings in the district are oriented

north toward Schoolcraft Street, the major east-west thoroughfare in the vicinity. North across Schoolcraft Street are residential lots with houses fronting the north-south streets, their long side elevations facing the original religious complex. Scattered commercial and religious buildings occupy lots on Schoolcraft Street immediately beyond the historic district. Interstate 96, the Jeffries Freeway, runs in an east-west direction one long block south of the historic district, dividing the preexisting residential tracts.

(21) *Symmetric or asymmetric appearance.* The general appearance of the façades is symmetrical, with the exception of the rectory, which is asymmetrical.

(22) *General environmental character.* The four (4) buildings comprising the St. Brigid Roman Catholic Church/High Praise Cathedral of Faith Historic District built between 1924 and 1960 (absent of a later convent, since razed), are well-maintained and continue to provide a substantial institutional presence in the area. The elaborate architecture of the religious building, in particular, causes it to stand out from its environment, which is densely populated by small-medium scale, single-family houses built between the late 1920s and 1950s.

**Section 2.** All ordinances or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

**City of Detroit  
Historic Designation Advisory Board**  
June 27, 2019

Honorable City Council:

Re: Petition No. 188 — Historic Designation Advisory Board Final Report, recommendation and draft ordinance for the proposed Pure Word Missionary Baptist Church/Eighth Church of Christ Scientist Historic District. (FOR INTRODUCTION OF ORDINANCE AND THE SETTING OF A PUBLIC HEARING.)

At the direction of the Historic Designation Advisory Board at its meeting of May 9, 2019, we are pleased to submit to your Honorable Body the Board's final report on the proposed Pure Word Missionary Baptist Church/Eighth Church of Christ Scientist Historic District. The recommendation of the Advisory Board is for the designation. The ordinance of designation is attached and has been approved as to form by the Law Department.

This designation was requested by Dr. Samuel Stephens, Senior Pastor. Dr. Samuel Stephens and Vanessa Doss have been appointed as *ad hoc*s representing the community interest of the proposed district.

Attached is a copy of the minutes from the Historic Designation Advisory Board meeting on May 9, 2019. If you should have any questions, please contact our office at 224-3487.

Respectfully submitted,

**AN ORDINANCE to amend Chapter 25, Article II of the 1984 Detroit City Code by adding Section 25-2-210 to establish the Pure Word Missionary Baptist Church/Eighth Church of Christ Scientist Historic District and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 25, Article II, of the 1984 Detroit City Code be amended by adding Section 25-2-210 to read as follows:

**Sec. 25-2-210.** Pure Word Missionary Baptist Church/Eighth Church of Christ Scientist Historic District.

(a) A historic district to be known as the Pure Word Missionary Baptist Church/Eighth Church of Christ Scientist Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Pure Word Missionary Baptist Church/Eighth Church of Christ Scientist Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: On the north, the centerline of Grand River Avenue; on the east, the centerline of Evergreen Road; on the south, the centerline of Puritan Street; and on the west, the centerline of Vaughan Street. (Legal Description: Land in the City of Detroit County of Wayne and State of Michigan, being Lots 51 through 66 and vacant alleys adjacent, except the part deeded for the widening of Grand River, Evergreen and Puritan Avenues, of the Houghton Manor Subdivision, as recorded in Liber 59, Page 82, Wayne County Records 22/628). Commonly known as 20011 Grand River Avenue.

(d) The defined elements of design, as provided for in Section 25-2-2 of this Code, are as follows:

(1) *Height.* The building at 20011 Grand River Avenue consists of a tall, two (2) story sanctuary with tower with two shorter adjoining wings: a one (1) story Reading Room wing and a two (2) story Sunday School wing.

(2) *Proportion of building's front façades.* The building is wider than tall on all elevations. The sanctuary features a triangular pediment over its main entrance with two (2) story portico columns and is topped by a steeple which is significantly taller than wide, adding a vertical emphasis to the building façade.

(3) *Proportion of openings within the façades.* The building is composed of approximately eighty percent (80%) openings in its front façade (north elevation).

(4) *Rhythm of solids to voids in the front façades.* A regular rhythm of solids to voids exists on all elevations of the building. Where the building is two (2) stories tall, openings are placed one over the other by floor. Bays of windows are evenly spaced and symmetrical along the length of the building's façade and side and rear elevations.

(5) *Rhythm of spacing of buildings on streets.* This district contains one (1) single building.

(6) *Rhythm of entrance and/or porch projections.* A tetrastyle entry portico projects forward from the sanctuary, supported by two (2) concrete steps. The portico features a triangular pediment which

shelters the building's main entrance. Concrete pavement extends forward from the steps of the entry portico to meet the public right of way along Grand River Avenue. On the façade (east elevation) of the sanctuary, a side entrance with covered porch projects forward and is approached by an asphalt driveway that meets the public right of way along Evergreen Road. On the façade (south elevation) of the Sunday School wing, a covered entrance supported by portico columns meets the rear parking lot. Other entrances do not project.

(7) *Relationship of materials.* The building materials are generally composed of split-face Briar Hill sandstone ashlar with Indiana limestone trim. Window sashes, muntins, and mullions are wood as well as the doors and the tower above the sanctuary. The roof is slate with copper flashing. The steeple above the sanctuary tower is sheathed in copper.

(8) *Relationship of textures.* The building displays an overall smooth texture. The major textural relationship is that of sandstone ashlar with mortar joints juxtaposed with limestone trim and wood and stone detail focused on door surrounds and pediments. Wood muntins and mullions on the building's windows create textural interest. The tower and steeple display considerable textural interest.

(9) *Relationship of colors.* The building is clad in red-brown sandstone ashlar, which contrasts sharply with the white color of the limestone trim, window surrounds, muntins and mullions, and the wooden pediments about the building entrances. The capitals of the Corinthian columns in front of the sanctuary entrance have been altered from the original white to gold. The roof is clad in gray slate tiles which contrasts sharply with the pale green copper flashing and steeple.

(10) *Relationship of architectural details.* Regularly arranged, repetitive details embellish the building in the reserved Colonial Revival style. The primary façade (north elevation) of the sanctuary is dominated by a full-height portico defined by a denticulated pediment resting on Corinthian columns and pilasters. Affixed to its frieze are the words, "PURE WORD MBC." Within the building's entrance portico, a broken pediment surrounds a double door with transom. The end bays each feature a rectangular stone frieze with decorative stone arch and keystone with incised text reading, on the eastern end bay, "COME UNTO ME ALL YE THAT LABOR AND ARE HEAVY-LADEN AND I WILL GIVE YOU REST. MATT 11:28" and, on the western end bay, "HEAL THE SICK. CLEANSE THE LEPERS. RAISE THE DEAD. CAST OUT DEVILS. FREELY YE HAVE RECEIVED FREELY GIVE. MATT 10:8." A cornerstone with "1938" in incised relief is found

on the western end bay and a cornerstone with "EIGHTH CHURCH OF CHRIST SCIENTIST" in incised relief is found on the eastern end bay. The primary façade (north elevation) of the Reading Room wing features a prominent central mullioned window flanked by single-door openings with transom window, sidelights, and broken pediment. The primary façade (north elevation) of the Sunday School wing features a broad double-door entrance with broken pediment surround and prominent two (2) story sash windows with round heads located on the end bays. Windows typically rest on a stone sill course with stone lintels and keystone. Pronounced limestone quoins define the outer end bays of both the sanctuary and the Sunday School wing on all elevations.

(11) *Relationship of roof shapes.* The building's sanctuary is front-gabled with a narrow split-faced sandstone ashlar clad chimney rising from its western gable; the Reading Room wing is side-gabled; and the Sunday School wing terminates in a hip roof with front-gable. The base of the roof is defined by a simple cornice with returns on the building's end pavilions. Above the sanctuary, a steeple consists of a square sandstone base tower, upon which rests an eight-faceted wooden belfry and louvred lantern topped by a steep spire with finial.

(12) *Walls of continuity.* Not applicable due to the presence of only one (1) building in the district.

(13) *Relationship of significant landscape features and surface treatments.* Mature trees are found in the north and east elevations with mature shrubbery located throughout all elevations along the building footprint and paved walkways. The front lawn is covered in grass and is enclosed by a wrought-iron fence that was a later addition and does not contribute to its significance. The front lawn is crossed by sidewalks that provide access to the building's entrances. The lawn also contains a prominent stone bulletin comprised of Split-face sandstone ashlar and capped with two (2) small stone urns. The center bulletin board is flanked by two (2) stone benches, original to the site. Two (2) identical stone benches are also placed beneath each end bay window of the Sunday School wing along the walkway. No other significant landscaping or street furniture exist.

(14) *Relationship of open space to structures.* The building occupies a C-shaped footprint, its primary entrance facing north. Open space exists in the broad, grassy front lawn between the building setback and Grand River Avenue. A small parking lot is located to the south of the building and provides access to the rear entrance (south elevation) of the Sunday School wing.

(15) *Scale of façades and façade ele-*

*ments.* The building façade is of a scale typical to other substantial, religious structures in Detroit from the middle of the twentieth century. Elements on the façade of the building, such as the building's entry portico, tall sash windows, and prominent bay window, are large in scale.

(16) *Directional expression of front elevations.* The front elevation of the building is primarily vertical in expression due to the presence of triangular pediments, tall sash windows, chimney, a pitched roof, and a steeple consisting of a tower with a steep spire.

(17) *Rhythm of building setbacks.* The building features a broad setback from the public right of ways.

(18) *Relationship of lot coverages.* The building occupies approximately fifty percent (50%) of its lot with a broad grassy lawn with landscape treatments to the north of the building and a paved parking lot to the south of the building.

(19) *Degree of complexity within the façade.* A relatively high degree of complexity is found at door surrounds and pediments of the building's main entrances as well as window openings throughout. An especially high degree of complexity is found in the architectural details of the tetrastyle entry portico and the tower and spire of the building's steeple. Elsewhere, the building has a lower degree of complexity, with relatively simple split-faced sandstone ashlar and limestone quoins.

(20) *Orientation, vistas, overviews.* The building is oriented toward the north, with its primary entrance facing Grand River Avenue. One (1) additional entrance faces east towards Evergreen Road and one (1) additional entrance faces south towards Puritan Street. Its siting defines the corner and presents an anchor to the intersection of Grand River Avenue and Evergreen Road and the surrounding commercial thoroughfare.

(21) *Symmetric or asymmetric appearance.* The sanctuary, Reading Room, and Sunday School wings of the building are symmetrical in appearance. The front façade of the building, as a whole, is asymmetrical in appearance due to a difference in massing and openings on its northern and southern bays.

(22) *General environmental character.* The district consists of one (1) building facing Grand River Avenue. The surrounding area consists of scattered commercial buildings along Grand River Avenue and residential buildings south of Puritan Street. A majority of the surrounding lots contain single-family detached houses.

**Section 2.** All ordinances or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Historic Designation Advisory Board**

June 25, 2019

Honorable City Council:

Re: Secondary Street Sign Request in Honor of Bishop Samuel A. Wilson. (RECOMMEND DENIAL)

On February 5, 2019, Petition #669 was submitted to the City Clerk's Office requesting that the intersection of E. Outer Drive and Gratiot Avenue be assigned the secondary street name Bishop Samuel A. Wilson.

The Historic Designation Advisory Board (HDAB) staff has reviewed the documentation submitted to the City Clerk's office by the petitioner for the establishment of a Secondary Street Sign. Upon review of the documentation submitted by the petitioner (see attachment) staff has determine that reasonable grounds has not been provided and therefore has concluded that the petition does not meet the criteria for **Secondary Naming of Street**

in accordance with Article VII Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code. More specifically, out of the 376 signatures submitted, none were within 300 feet of the proposed intersection as required by the ordinance.

Since February of 2019 the petitioner has been afforded the opportunity to submit additional signatures in order to meet the two-thirds signatures requirement as outlined in the ordinance, however, despite collecting approximately 186 signatures throughout the community and the City of Detroit, the petitioner was unable to obtain the required number of valid signatures within 300 linear feet of the proposed intersection.

While the application and documentation submit adequately speaks to the significant and positive contributions of Bishop Wilson and his 30 plus year history near the intersection of E. Outer Drive and Gratiot Avenue, there is no mechanism in the secondary street sign ordinance which would allow staff recommend approval without the valid number of signatures, nor an endorsement from a seated Councilmember.

**Criteria**

As stated in Chapter 50 of the 1984 Detroit City Code, *Streets, Sidewalks and Other Public Places, Article VII, Opening, Closing, Extending, Widening, Vacating, Naming and Renaming of Streets and Assigning Secondary Names to Streets*. A secondary street name designation may be sought to recognize a person who achieved prominence as a result of his or her significant, position, contributions to the City of Detroit, State of Michigan, the United States of America, or the international community.

1. Sites, buildings, structures where cultural, social, spiritual, economic, political, architectural history of the community, city, state or nation is particularly reflected or exemplified.

**RESOLUTION AUTHORIZING THE APPROVAL OF A SECONDARY STREET NAME ON BEHALF OF BISHOP SAMUEL A. WILSON AT THE INTERSECTION OF E. OUTER DRIVE AND GRATIOT AVENUE**

By Council Member Tate:

RESOLVED, That the City Council finds the above-mentioned request meets the criteria for Secondary Naming of a Street in accordance with Article VII, Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code, and hereby approves the petition.

Honorable City Council:

Re: Petition #900, requesting interim designation of the historic Blue Bird Inn, located at 5021 Tireman Avenue, Detroit MI 48204, and the appointment of *ad hoc* representatives in connection with this matter.

A request for interim designation of the historic Blue Bird Inn was referred to the Planning & Economic Development Standing Committee on March 19, 2019. The proposed Blue Bird Inn Historic District consists of the single building located at 5021 Tireman Avenue.

A provision in the local designation ordinance. Sec. 25-2-4(c), states. "Upon receipt of substantial evidence demonstrating definite . . . significance in a proposed historic district, the City Council may, at its discretion, adopt a resolution of interim historic designation, requiring that all applications for permits for work within the proposed historic district be referred to [Historic District] commission as provided for in section 25-2-18 et seq." Interim designation would require that, for a period of up to one year, the Historic District Commission would have the same powers as it would if the Blue Bird Inn were a designated local historic district.

Reasonable grounds for the study have been provided, and a resolution directing the Historic Designation Advisory Board to conduct a study is attached. Should your Honorable Body adopt that resolution, you must appoint two persons to serve as *ad hoc* members of the Advisory Board in connection with the matter.

Staff has worked with the petitioners and identified two recommended *ad hoc* board members. A resolution appointing these ad hoc board members is attached. Staff is available to answer any questions you may have in regards to this proposed designation.

By Council Member Tate:

Whereas, The City Council has received a petition for an interim study to designate the property located at 5021 Tireman Avenue (commonly known as the Blue Bird Inn) as a historic district; and

Whereas, The boundaries of the proposed district are as follows: on the north, the centerline of Tireman Avenue; on the east, the east line, as extended north and south, of lot 32 of the Beech Hurst William L. Holmes Subdivision, Liber 17, Page 40. Wayne County Records; on the south, the centerline of the east-west alley south of Tireman Avenue; and on the west, the west line, as extended north and south, of lot 32 of the Beech Hurst William L.

Holmes Subdivision, Liber 17, Page 40, Wayne County Records; and

Whereas, The City Council is in receipt of evidence demonstrating definite historical and architectural value regarding the proposed historic district.

Now, Therefore, Be It

Resolved, That the City Council here by directs the Historic Designation Advisory board to conduct an interim study committee to determine whether the Blue Bird Inn meets the criteria for historic designation and to issue appropriate reports in accordance with the Michigan Local Historic District Act and Chapter 25. Article II of the 1984 Detroit City Code.

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Petition on Behalf of 600 Ventures II, LLC at 659 Howard II, LLC, Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition #476.)

On July 11, 2019, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held

before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

600 Ventures II, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted.

DONALD RENCHER

Director

By Council Member Tate:

Whereas, 600 Ventures II, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on November 11, 2018 established by Resolution a Commercial Property Rehabilitation District in the area located at 659 Howard St., Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more

of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of March 31, 2021 for the completion of the rehabilitation; and

Whereas, On July 11, 2019 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 600 Ventures II, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2029, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than (Date of Rehabilitation Completion), unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the

proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Whereas, This City Council has granted until of March 31, 2021 for the completion of the rehabilitation; and

Whereas, On July 11, 2019 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates

if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 600 Ventures II, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2031, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than March 31, 2021, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

### **Housing and Revitalization Department**

July 3, 2019

Honorable City Council:

Re: FY 2019-20 Budget Amendment to CDBG, ESG, HOME & HOPWA.

The Housing and Revitalization Department (HRD) hereby requests to amend the 2019-20 Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnerships (HOME) and Housing Opportunities for Persons With Aids (HOPWA) budget to reflect the actual allocations received from the U.S. Department of Housing and Urban Development (HUD).

The fiscal year 2019-20 budget for HUD's final allocations were received

after the Departmental budgets were finalized. Therefore, the budgets in the four programs need to be adjusted to reflect HUD's final allocations. The Department is requesting that the revisions are approved to enable HRD to begin working with the actual allocations and community partners to facilitate the great work planned in the City of Detroit.

We respectfully request that your Honorable Body approve the attached resolution authorizing this amendment to the 2019-20 budget for the stated purpose.

Respectfully submitted.

Re: Request to Appropriate surplus program income from the Brownfield Cleanup Revolving Loan Fund.

The Environmental Protection Agency (EPA) awarded City of Detroit Buildings, Safety Engineering and Environmental Department (BSEED) with funds to establish a Brownfield Cleanup Revolving Loan Fund (BCRLF). Subsequently, the department has received surplus program income from the BCRLF in the amount \$16,065.74. This request is to establish a new appropriation 20663 West M. 7500 West McNichols Road Brownfield Assessment Project, to support an approved Brownfield assessment project, located at 7500 W. McNichols, in the amount of \$11,410.00. We also request an increase to appropriation number 14108 Environmental Assessment Project, in the amount of \$4,655.74, to support an approved Brownfield assessment project, located at Riverside Park.

The objective of the BCRLF surplus program income is to pay for Brownfield assessment services associated with the 7500 W. McNichols, and Riverside Park projects. The funding allotted to the department will be utilized to pay for contractor services.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

RYAN FRIEDRICH

Director

Honorable City Council:

Re: Amended Property Sale by Development Agreement. 3119 Brush and 313 Watson, Detroit, MI 48201.

On November 20, 2018, your Honorable Body adopted a resolution approving the sale by development agreement of certain real property at 3119 Brush and 313 Watson, Detroit, MI (the "Properties") to Brush 8 LLC, a Michigan limited liability company, for the purchase price of Three Hundred Seven Thousand and 00/100 Dollars (\$307,000.00) (the "Purchase Price"). Brush 8 LLC proposes to construct a residential development on the Properties that will include approximately 8 for sale units consistent with the current PD-H (Planned Historic District) zoning. The Historic District Commission reviewed the proposed use in October 2018 and determined that the project would have a positive effect on the Brush Park Historic District.

As part of the due diligence Brush 8 LLC has conducted on the Properties, environmental assessments have identified the unexpected existence of underground storage tanks that are now required by law to be properly removed. Brush 8 LLC still wishes to pursue their proposed development project and has agreed to conduct the tank removal/remediation at an estimated cost of \$93,680. provided that the City discount the Purchase Price by the environmental remediation costs.

We, therefore, request that your Honorable Body adopt the attached resolution that reduces the Purchase Price to \$213,320 in furtherance of the sale of the Properties.

Respectfully submitted,  
MAURICE D. COX  
Director

By Council Member Tate:

Whereas, On November 20, 2018, Detroit City Council adopted that certain resolution (the "Resolution") approving the

sale by development agreement of certain real property at 3119 Brush and 313 Watson, Detroit, MI (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to Brush 8 LLC, a Michigan limited liability company, for the purchase price of Three Hundred Seven Thousand and 00/100 Dollars (\$307,000.00) (the "Purchase Price");

Whereas, The subsequent environmental due diligence conducted on the Properties has identified the existence of underground storage tanks that are required to be removed at a removal/remediation cost of Ninety Three Thousand Six Hundred Eighty and 00/100 Dollars (\$93,680.00) (the "Remediation Costs");

Whereas, The City wishes to discount the Purchase Price by the amount of the Remediation Costs in furtherance of the remediation, sale and development of the Properties; now therefore be it

Resolved, That the Resolution is hereby amended such that the City is authorized to sell the Properties to Brush 8 LLC for the revised Purchase Price of Two Hundred Thirteen Thousand Three Hundred Twenty and 00/100 Dollars (\$213,320.00) and be it finally

Resolved, That the Director of the Planning and Development Department ("P&DD"), or his authorized designee, is authorized to execute a quit claim deed to the Properties, as well as execute such other documents as may be necessary or convenient to effect the transfer of the Properties to Brush 8 LLC consistent with the Resolution as amended by this resolution.

Honorable City Council:

Re: Transfer of Jurisdiction / Surplus of Real Property. 4190 Bellevue, Detroit, MI 48207.

The City of Detroit, Parks and Recreation Department ("PRD") has recently requested that the Finance Department transfer jurisdiction of certain City-owned real property at 4190 Bellevue, Detroit, MI (the "Property") to the Planning and Development Department ("P&DD") to administer as surplus real property.

The Property is currently zoned M3 / General Industrial District and contains approximately .229 acres of vacant land formerly a part of the Mack-Concord Conservation project, an urban renewal project undertaken by the City during the 1960s. In 2017, the vacant land was surplus and PRD determined it no longer had a need for it. P&DD intends to assume jurisdictional control over the Property for sale to Yvonne Willis for use as a green space which would function as an addition to their urban farm.

Pursuant to Sec. 14-8-3 of the Detroit City Code, it is hereby requested by the Finance Department that Detroit City Council approve the transfer of jurisdiction over the Property to P&DD. Additionally, pursuant to Sec. Sec. 14-8-4, it is hereby

requested by P&DD that the Property be deemed surplus and available for sale.

Honorable City Council:

Re: Request to Accept, Appropriate and Expense Detroit Public Schools Community District Funds for the Assessment of 29 Historic-Age Vacant School Buildings.

The Detroit Public Schools Community District (DPSCD) has requested a partnership with the City of Detroit Planning and Development Department (PDD) to assess 29 Historic-Age Vacant DPSCD-owned School Buildings. DPSCD has agreed to provide PDD a total of \$223,532.00 for the completion of this assessment.

These funds will be combined with \$500,000.00 in City funds (funded by CDBG Community Development Block Grant), currently allocated to complete assessment of the 43 Historic-Age Vacant City-owned School Buildings, into a single contract. The total combined assessment project cost is estimated at \$723,532.00.

The funding will be used to hire a third party vendor for the development and

completion of a comprehensive building condition and market study on the redevelopment potential of the approximately 70 Vacant School Properties owned by the City and DPSCD. The vendor will be selected by the City's procurement process. Scope of work will include community engagement and the development of a strategy for recommended disposition. The study will also provide documentation for compliance with Section 106 of the National Historic Preservation Act.

If approval is granted to accept, appropriate, and expense this funding, the appropriation number is 20645 totaling \$223,532.00. A copy of the signed Partnership Agreement is attached.

I ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Property Sale. 5839 Livernois, Detroit, MI 48210.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Mullane Industries, Inc. ("Mullane"), a Michigan for-profit corporation, to purchase certain City-owned real property at 5839 Livernois (the "Property"). The P&DD entered into a purchase agreement, dated May 28, 2019, with Mullane. Under the terms of the proposed Purchase Agreement, the property will be conveyed to Mullane for the purchase price Three Thousand Five Hundred Twenty and 00/100 Dollars (\$3,520.00).

Mullane is an engineering firm, with headquarters located at 5941 Livernois.

They recently closed on an adjacent property at 5885 Livernois, which they purchased from the City of Detroit, and prior to that they owned 5901 Livernois. They wish to acquire 5839 Livernois to demolish the garage that currently exists on the parcel in order to construct a continuation of their green space and to put in more hydroponic equipment. The property is within a B4 zoning district (General Business District). Mullane's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Mullane Industries, Inc.

Honorable City Council:

Re: Property Sale. 12118, 12226, and 12300 Woodrow Wilson, Detroit, MI 48206.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Cass Community Social Services, Inc. ("Cass"), a Michigan Non-Profit Corporation, whose address is 11745 Rosa Parks Blvd., Detroit, MI 48206, to purchase certain City-owned real properties at 12118, 12226, and 12300 Woodrow Wilson, Detroit, MI (the "Properties"). The P&DD entered into a purchase agreement, dated June 19, 2019, with Cass. Under the terms of the proposed Purchase Agreement, the properties will be conveyed to Cass for the purchase price of Eight Thousand Seven Hundred Sixty and 00/100 Dollars (\$8,760.00).

Cass has assembled approximately 40 other adjacent properties, together with these properties they wish to obtain from the city, they hope to assemble a development made of tiny affordable homes. These tiny homes are being built to house low-income individuals as part of Cass's larger community mission. Currently, the properties are within a B4 zoning district (General Business District). Cass's use of the properties as single-family residential units is a conditional use which shall require the purchaser to obtain approval in order to utilize the properties as they intend. Cass shall apply for and obtain rezoning of the properties or a special or conditional use permit or variance regarding the properties prior to closing and the consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed

and such other documents as may be necessary or convenient to effect a transfer of the properties by the City to Cass Community Social Services, Inc.

Re: Property Sale. 6631 Theodore,  
Detroit, MI 48211.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from D2 Solar LLC ("D2"), a Michigan limited liability company, to purchase certain City-owned real property at 6631 Theodore (the "Property"). The P&DD entered into a purchase agreement, dated June 19, 2019, with D2. Under the terms of the proposed Purchase Agreement, the Property will be conveyed to D2 for the purchase price of Twelve Thousand Eight Hundred and 00/100 Dollars (\$12,800.00).

D2 plans to develop the property in to a community garden and demonstration site for a small community solar project. The Property is within an M3 zoning district (General Industrial District). D2's use of the Property as a green space for their urban farm is a conditional use which shall require them to obtain approval in order to utilize the Property as they intend. D2 shall apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to D2 Solar LLC.

June 26, 2019

Honorable City Council:

Re: Petition No. 856 — Greektown Preservation Society, request a Seasonal Outdoor Café Permit on Monroe Street between Beaubien Street and St. Antoine Street.

Petition No. 856 — Greektown Preservation Society, request for an encroachment with the existing wood decks installed in the parking bays on the north side of Monroe Avenue, 50 feet wide between Beaubien Street, 60 feet wide and St. Antoine Street, 50 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The Greektown Preservation Society is making the request as part of the proposed changes to the outdoor café seating at this location. The plans call for the sidewalk cafés to be adjacent to the buildings with the decking area to be used for pedestrian travel. The individual restaurants will submit their requests for the seasonal outdoor cafés.

The request was approved by City Engineering Division — DPW, and Traffic Engineering Division — DPW (TED).

The DWSD encroachment provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Tate:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to the Greektown Preservation Society for an encroachment with the existing wood decks installed in the parking bays on the north side of Monroe Avenue, 50 feet wide between Beaubien Street, 60 feet wide and St. Antoine Street, 50 feet wide further described as:

Land in the City of Detroit, Wayne County, Michigan being part of Monroe Avenue lying southerly of the southerly line of Lots 140, 141 and 142 "Plat of part of L. Beaubien Farm in the City of Detroit as surveyed into town lots for the proprietors" as recorded in Liber 6 of City Records, pages 475-478 Wayne County Records; also lying southerly of Lots 6, 7, 8 and 9 said lots north of and adjoining Monroe "Plat of the Antoine Beaubien Farm" as recorded in Liber 27, Page 197 of Deeds, Wayne County Records; more particularly described as follows:

(Parking bay 1) Commencing at the southwest corner of Lot 139 of "Plat of part of L. Beaubien Farm in the City of Detroit as surveyed into town lots for the proprietors" as recorded in Liber 6 of City Records, pages 475-478 Wayne County Records; thence N59°59'30"E 78.37 feet;

thence S30°00'30"E 9.00 feet to the point of Beginning; thence N59°59'30"E 70.00 feet; thence S79°22'43"E 13.18 feet; thence S59°59'30"W 90.00 feet; thence N19°21'43"E 13.18 feet to the point of beginning.

(Parking bay 2) Commencing at the southwest corner of Lot 139 of "Plat of part of L. Beaubien Farm in the City of Detroit as surveyed into town lots for the proprietors" as recorded in Liber 6 of City Records, pages 475-478 Wayne County Records; thence N59°59'30"E 218.37 feet; thence S30°00'30"E 9.00 feet to the point of Beginning; thence N59°59'30"E 140.00 feet; thence S79°22'43"E 13.18 feet; thence S59°59'30"W 160.00 feet; thence N19°21'43"E 13.18 feet to the point of beginning.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That each business wishing to install a modified outdoor seating would be required to maintain 6 feet wide clear sidewalk that is ADA compliant in front of the outdoor seating area at all times. The petitioner shall also be responsible for maintaining the wooden decking in good condition for pedestrian access at all times, and further

Provided, That access is maintained for Fire Department vehicles to all fire hydrants, buildings and Fire Department Connections, and further

Provided, That any area being used as an Outdoor Café shall obtain City Council permission and shall meet the general requirements set by the "Outdoor Café Guidelines" as adopted by the City Council and guided by Section 50-2-20 (a/k/a code 1964 § 58-2-8.1) of the City Code; and further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be

commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Greentown Preservation Society or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Greentown Preservation Society or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Greentown Preservation Society or their assigns. Should damages to utilities occur Greentown Preservation Society or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property

**Buildings, Safety Engineering & Environmental Department**

June 27, 2019

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 18900 Pierson. Name: Armando Martinez & Maria L. Benitez. Demolition Ordered: July 11, 2017, (J.C.C. Page 1391).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on June 24, 2019 revealed that the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the 1st deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,  
DAVID BELL  
Director

Re: Recommendation for Rescission. Address: 1537-45 Temple. Name: 1545 Temple LLC. Demolition Ordered: September 22, 2011. Deferral date: August 31, 2017.

The building at the location listed above was ordered demolished by your Honorable Body on the date indicated above and the order was deferred under the conditions of the Ordinance.

A recent inspection on May 30, 2019 has revealed that the building is open to trespass, and/or required progress has not been made, contrary to the conditions of the deferral.

Therefore, we respectfully recommend that the deferral be rescinded and the demolition proceed as originally ordered,

with the cost of demolition assessed against the property.

June 17, 2019

Honorable City Council:

Re: Petition No. 416 — Number 1 Car Company, Inc. request to close alley located near 4210-4236 E 8 Mile Rd.

Petition No. 416 — Number 1 Car Company, Inc. request to vacate and convert to easement the north-south alley, 18 feet wide, and the east-west alley, 20 feet wide, both alleys in the block of Hamlet Avenue, 60 feet wide, East Eight Mile Road, 204 feet wide, Dean Avenue, 60 feet wide, and Sunset Avenue, 60 feet wide.

The petition was referred to the City — Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to consolidate properties and prevent illegal dumping in the alleys.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easements for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Respectfully submitted,  
 RICHARD DOHERTY, P.E.  
 City Engineer

City Engineering Division—DPW  
 By Council Member Benson:

Resolved, That all of the north-south alley, 18 feet wide, and the east-west alley, 20 feet wide, both alleys in the block of Hamlet Avenue, 60 feet wide, East Eight Mile Road, 204 feet wide, Dean Avenue, 60 feet wide, and Sunset Avenue, 60 feet wide; Further described as land in the City of Detroit, Wayne County, Michigan being:

Be and the same are hereby vacated as a public rights-of-way and converted into a private easements for public utilities of the full width of the rights-of-way, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances (into Sunset Avenue, and/or Dean Avenue, and/or Hamlet Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Office of the Chief Financial Officer  
Office of Development and Grants**

June 4, 2019

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2018 Trust Fund Grant for Romanowski Park Renovations.

The Michigan Department of Natural Resources has awarded the City of Detroit General Services Department with the FY 2018 Trust Fund Grant for Romanowski Park Renovations for a total of \$300,000.00. The State share is 60 percent or \$300,000.00 of the approved amount, and a there is a required cash match of 40 percent or \$200,000.00. The match will be provided by the General Services Department and the Pistons Foundation. The Department's share of the required match is \$160,000.00, and

the Foundation's share of the required match is \$40,000.00. The total project cost is \$500,000.00. The grant period is May 15, 2019 through May 31, 2021.

The objective of the grant is to make renovations and upgrades to Romanowski Park. The funding allotted to the department will be utilized to upgrade the basketball courts, install walking paths, benches and trash receptacles, and playground equipment. The department will also install futsal and pickleball courts. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20661. The match will come from appropriation number 21001, in the amount of \$160,000.00, and from appropriation number 20435, in the amount of \$40,000.00. The match portion in appropriation 20435 will come from the FY 2019-2020 allocation.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
RYAN FRIEDRICHS  
Director  
Officer of Development and Grants

By Council Member Sheffield:

Whereas, The General Services Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Natural Resources, in the amount of \$300,000.00, to make renovations and upgrades to Romanowski Park; and

Whereas, The match will be provided by the General Services Department and the Pistons Foundation, and the Department's share of the required match is \$160,000.00, and the Foundation's share of the required match is \$40,000.00; and

Whereas, The match portion from the Pistons Foundation share, in the amount of \$40,000.00, will come from the FY 2019-2020 allocation in appropriation number 20435; and

Whereas, This request has been approved by the Law Department; and

Whereas, This request has been approved by the Office of Budget; now Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20661, in the amount of \$500,000.00, which includes a cash match coming from Appropriation 21001, in the amount of \$160,000.00, and a cash match coming from appropriation 20435, in the amount of \$40,000.00, for the FY 2018 Trust Fund Grant for Romanowski Park Renovations.

**General Services Department**

June 20, 2019

Honorable City Council:

Re: Authorization to Acquire Twelve (12) Parcels from the Detroit Land Bank Authority for the Park/Playground Project (Fischer-Marion Park)

The City of Detroit ("City"), by and through the General Service Department/Parks and Recreation Division ("GSD"), is hereby requesting the authorization of your Honorable Body to acquire certain vacant parcels from the Detroit Land Bank Authority ("Acquisition Parcels") to be included in the Fischer-Marion Park, ("Park/Playground Project").

The City proposes to use twelve (12) vacant parcels to establish the Fischer-Marion Park at the intersection of Fischer Avenue and Marion Avenue.

In accordance with the requirements of Detroit City Code, Section 2-1-12, City Council is required to approve any gift, grant, devise or bequest of real or personal property to be used for any public purpose. Pursuant to the Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority, approved by the Detroit City Council on May 5, 2015, the Detroit Land Bank Authority may not transfer ten (10) or more parcels of property received from the City to the same transferee within any rolling 12 month period without the prior approval of the Mayor and City Council.

We hereby request that your Honorable Body approved the attached resolution authorizing the Detroit Land Bank Authority to transfer twelve (12) vacant parcels to the Parks and Recreation Division for the Park/Playground Project.

Respectfully submitted,

BRADLEY DICK

Group Executive

Detroit - General Services Department  
By Council Member Sheffield:

Now, Therefore, Be It

Resolved, That City of Detroit ("City") through the General Service Department ("GSD") wishes to acquire twelve, (12) vacant parcels within the City of Detroit, Michigan, more particularly described in the attached Exhibit A ("Acquisition Parcels") from the Detroit Land Bank Authority ("DLBA").

Whereas, The Building, Safety, Engineering and Environmental Department has reviewed the environmental conditions of the Acquisition Parcels attached herein as Exhibit A; and

Whereas, In accordance with Chapter 2, Article 1, Division 2 of the Detroit City Code: (1) the City Council finds that the Acquisition Parcels have received appropriate environmental inquiry in accordance with the review referred to in the preceding paragraph; (2) the environmental inquiry has shown that past use of the Acquisition Parcels for the period investigated has been solely for residential purposes and that the Acquisition Parcels do not pose an adverse environmental impact, therefore none of the Acquisition Parcels are considered a facility; and (3) the City Council finds and declares that the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and therefore waives the requirements that the seller bear the cost of the environmental inquiry; now therefore be it

Resolved, That Detroit City Council hereby approves acquisition of the Acquisition Parcels from the DLBA for no consideration; and be it further

Resolved, That the Director of GSD, or her authorized designee, is authorized to accept and record a deed to the Acquisition Parcels to the City of Detroit, as well as execute any such documents as may be necessary or convenient to effect the transfer of the Acquisition Parcels from the DLBA to the City of Detroit; and be it further

Resolved, That the Director of GSD, or his authorized designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to correction of or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Acquisition Parcels to the City, provided that the changes do not materially alter the substance or terms of the transfer; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the Director of GSD, or his authorized designee, and approved by the Corporation Counsel as to form.

#### Department of Public Works City Engineering Division

July 1, 2019

Honorable City Council:

Re: Spirit Plaza; Petition No. 1773 The Department of Public Works — City Engineering Division, in conjunction with The General Services Department requests the permanent closure of Woodward Avenue, from Jefferson Avenue to Larned Street, for the purpose of continuing the activation of the Spirit Plaza programming.

On June 12, 2017, the City of Detroit closed the referenced segment of Woodward to activate the Spirit Plaza for an initial pilot period of 90 days.

On November 21, 2017, City Council originally approved Petition No. 1773, which provided for extending the temporary closure of the above referenced segment of Woodward through the spring of 2018, so that the evaluation period could continue through the fall and winter seasons.

In October of 2018, DPW requested City Council approval to extend the temporary closure for a period to culminate on November 15, 2019, upon which time a recommendation was to be brought back to City Council for the Plaza's optional additional year extension.

DPW is now requesting, on behalf of the General Services Department, City Council to vacate as a public right-of-way and convert into a private easement for public utilities of the full width of the above referenced segment of Woodward to facilitate the established, ongoing and future programming.

This vacation to easement, if authorized by your Honorable Body, establishes

GSD as the agency, who is responsible for ensuring that the Plaza is appropriately maintained. In addition, this vacation will allow for coordinating all outreach efforts to impacted stakeholders, as well as providing the mechanism for continued planning for events and space programming. GSD/City of Detroit's Recreation Department and Special Events team will continue to operate with the established agreement outlining specific responsibilities for each agency, thereby ensuring that the Plaza is being programmed in a manner that maximizes its usage and is consistent with the vision of it being the "People's Plaza". We will continue to provide the opportunity to employ a more expansive outreach effort to individuals that encounter the space on a daily basis, including all employees and regular visitors to the CAYMC. The vacation to easement will also provide the opportunity to install semi-permanent structures to enhance the quality of programming and the overall experience in the public space.

Provisions protecting all utility installations in the right-of-way have been made a part of the attached resolution.

I am recommending the adoption of the attached resolution.

Respectfully submitted,

RON BRUNDIDGE

Director

Department of Public Works

By Council Member Benson:

Whereas, The original trial period for the new "Spirit of Detroit Plaza" enhanced the downtown area with a new public space during the summers of 2017 and 2018, and the initial evaluation determined that the closure of the impacted segment of Woodward Avenue, has not been detrimental to traffic flow in the area, and the plaza has been deemed a destination for civic activity and arts and culture, and

Whereas, The temporary extension was granted through November 15, 2019 with prior City Council actions and whereas a determination has been made to vacate to easement "Spirit Plaza" for the programming of events that include local artists, community groups and local organizations; Therefore be it

Resolved, That Woodward Avenue, 190 feet wide, from Jefferson Avenue, 210 feet wide to Larned Street, 60 feet wide, and being more particularly described as: Woodward Avenue, 190 feet wide, lying westerly of and adjoining the westerly line of Lots 1, 63, and 64 "Plan of Section numbered one in the City of Detroit, in the Territory of Michigan confirmed by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board. Attest: Peter Audrain, Sec'y." as recorded in Liber 34, Page 550 of Deeds, Wayne

County Records; also lying easterly of and adjoining the easterly line of the west 30 feet of Lot 2 and the west 30 feet of Lots 63 and the west 30 feet of Lot 64 and the vacated alley adjoining said parts of Lots 2 and 64 "Plat of Section numbered two in the City of Detroit in the Territory of Michigan confirmed unanimously by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board. Attest: Peter Audrain, Sec'y." as recorded in Liber 34, Page 549 of Deeds, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or

gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and

agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated street shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved street returns at the entrances (into Larned Street, and/or Jefferson Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City of Detroit retains all ownership rights for the vacated and converted to easement part Woodward Avenue as it was platted in the "Governor and Judges" and further

Provided, That General Services Department/City of Detroit's Recreation Department and Special Events team will continue to operate and appropriately maintain the Plaza in accordance with the established agreement outlining specific responsibilities for each agency, thereby ensuring that the Plaza is being programmed in a manner that maximizes its usage and is consistent with the vision of it being the "People's Plaza", and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Authorization to accept a donation of park improvements from the Detroit Pistons for Rouge Park North.

Detroit General Services Department is requesting authorization of your Honorable Body to accept a donation of park improvements from the Detroit Pistons to be installed at Rouge Park North. Park

improvements have an estimated cost of \$15,000 which will be borne by the Detroit Pistons organization.

Park improvements will consist of the purchase and installation of picnic tables and benches to be installed at and around the picnic pavilion and basketball court in Rouge Park North. In addition, the organization will cover the cost and labor to perform brush clearing along Plymouth Road, painting of the picnic shelter, striping of the parking lot, and planting trees along the basketball court. Improvements will be complete by July 11th. With assistance from Detroit Diesel, we will water the trees to ensure they are maintained post this event.

We respectfully request your authorization to accept a donation of park improvements from the Detroit Pistons by adapting the attached resolution with a Waiver of Reconsideration.

Sincerely,  
JANET ANDERSON  
Director

**RESOLUTION RECOMMENDING THE QUALITIES OF THE GOVERNOR'S APPOINTEE TO THE MICHIGAN PUBLIC SERVICE COMMISSION**

July 10, 2019

By Council Member Benson:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, In the near future, Governor Whitmer will make her second appointment to the Michigan Public Service Commission. This appointment will

undoubtedly have a major impact on the City of Detroit; and

WHEREAS, The City of Detroit is developing a new Greenhouse Gas Ordinance designed to secure a health environment and a more sustainable future for our community, now more than ever, the decisions made by the Michigan Public Service Commission need to more closely align with the technological advancement and cutting edge environmental policy initiatives found in the local levels of government that will have a major impact of our environment and that can reduce the emission of greenhouse gases; and

WHEREAS, In addition, the City of Detroit with its high poverty rate has a population which is particularly vulnerable to being adversely impacted by the slightest increase in utilities cost; and

WHEREAS, Given these factors, it is paramount that the Governor consider a person for the position that can advocate for the interest of the residential consumers of energy, one who understands how the Michigan Public Service Commission's decisions may impact the average person. While it is important that this person has an understanding of the resource needs of the utility companies as well, it is essential that the person not have ties to utility companies or the organizations that support them. These firms have sufficient support with their own lobbyists; and

WHEREAS, Moreover, the person selected should be someone who engages with and listens to the community, remains abreast of the current technology, will uphold the public trust and possesses an excellent track record of being accountable to the average citizen; Now Therefore Be It

RESOLVED, The Council recommends that the Governor selects a person for the Michigan Public Service Commission, that meets the qualities that are outlined in this resolution; Be It Further

RESOLVED, That copies of this resolution be forwarded to Governor Gretchen Whitmer and the Michigan State Senate.

**TESTIMONIAL RESOLUTIONS  
AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION  
FOR 37th ANNUAL  
METRO DETROIT YOUTH DAY**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBERS AYERS and McCALISTER:

WHEREAS, On Wednesday, July 10, 2019, the 37th Annual Metro Detroit Youth Day, will be held at Belle Isle Park in the City of Detroit. Metro Detroit Youth Day, the largest youth event in Michigan, has drawn over 1 million youngsters since its inception. Metro Detroit Youth Day is a great way to channel children's energies in a positive and constructive setting. Youngsters look forward to Metro Detroit Youth Day each year; and

WHEREAS, This event united the community and brought peace and tranquility to Detroit following altercations in 1980 between youth and area retailers on Livernois Ave. between Six and Seven Mile Roads. Then-Mayor Coleman A. Young met with community leaders to calm tensions and asked Ed Deeb to work with retailers to "do something to help resolve the problem." Mr. Deeb did so and urged the retailers to be more sensitive to customers. Metro Youth Day was formed with the original goal of fostering goodwill and harmony. But, in 1991, Metro Youth Day became more than fun and games. It was expanded to include youth guidance, mentors, role models, anti-substance abuse activity, motivational speakers, entertainment, and awarding college scholarships — beginning with two given out the first year. They now average more than 120 scholarships yearly and honor outstanding students for academic excellence and community service. Sports stars, government officials, College Row, media celebrities and others attend the event and provide upbeat messages and encouragement to the youth; and

WHEREAS, Metro Detroit Youth Day has grown annually. It takes more than 1,800 volunteers to supervise the sports clinics, games, contests, luncheon, and various other activities held at this exciting event. The Metro Detroit Youth Day event has received countless honors and proclamations from all areas of our state and nation. Since 1991, more than 2,000 scholarships have been awarded to graduating high school seniors in metropolitan Detroit; and

WHEREAS, Metro Detroit Youth Day is a special day of games, fun, sports clinics, entertainment, and motivational speakers. It emphasizes the need for physical education, fitness, good sportsmanship, community service, college scholarships, role models, and guidance from mentors. It has been acknowledged that our youth are a valuable asset to our communities and the

foundation of our future. Metro Detroit Youth Day brings together the total community and the private sector to enhance relationships, and improve community cooperation and harmony; and

WHEREAS, Numerous corporations, community groups, and institutions of higher education have demonstrated their belief in and support of Metro Detroit's youth by sponsoring the Metro Detroit Youth Day. These outstanding and dedicated leaders shown that they know the children really are our future. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones do hereby support the 37th Annual Metro Detroit Youth Day event. Each year Metro Detroit Youth Day gets better and the 2019 event will be no exception.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Tate, and President Jones — 8.

**TESTIMONIAL RESOLUTION  
FOR**

**WALTER DOUGLAS HACKEL**

By COUNCIL PRESIDENT JONES:

WHEREAS, Walter Douglas Hackel, was born on Independence Day, July 4, 1939, the middle son of Walter and Loise Hackel in Detroit, Michigan. He grew up in Detroit and attended the Detroit Public Schools. Walter Douglas Hackel, was a champion swimmer who won all of the swimming meets at the Balch Recreation Center, and also at his junior and high schools swimming meets; and

WHEREAS, Walter Douglas Hackel, married his high school sweetheart, Hester Yvonne Johnson, in 1955, before going off to serve in the United States Air Force in 1956. He selected to work in communications as a member of the Secret Service. He was a radio operator during his deployments at Karamursel Air Force Base near Istanbul, Turkey, and had crucial moments during the early 1960's when the Cuban Missile Crisis occurred, where his bravery was tested; and

WHEREAS, Walter Douglas Hackel, having served eight years in the United States Air Force, was honorably discharged in 1964 and returned home where he was hired as a General Foreman, and became one of the first African-American white-collar workers at Chrysler Corporation. After an early retirement from Chrysler, he realized his entrepreneurial dreams by owning and operating a maintenance company and pursued his leisure lifestyle by becoming an avid golfer, who not only enjoyed playing the game, but was financially rewarded; and

WHEREAS, Walter Douglas Hackel, is the Patriarch of five generations. His

achievements, strong civic and military image, and his undying devotion to his community are forever appreciated. He is a shining example of the power of love and compassion. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Council President Brenda Jones along with family and friends would like to take this time to honor Walter Douglas Hackel. May God continue to bless him in abundance!

**RESOLUTION IN MEMORIAM FOR LEE A. IACOCCA**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBERS AYERS and McCALISTER:

WHEREAS, Lido Anthony "Lee" Iacocca was born in Allentown, Pennsylvania on October 15, 1924 to the late Nicola Iacocca and Antonietta Perrotta. Lee graduated with honors from Allentown High School in 1942 and Lehigh University, with a degree in industrial engineering. After graduating from Lehigh, Lee was awarded the Wallace Memorial Fellowship, sending him to Princeton University where he earned a master's degree in engineering; and

WHEREAS, Upon graduation from Princeton, Lee's automotive career began at Ford Motor Company in August 1946 as an engineer. The ambitious Iacocca was transferred to sales and marketing, where he quickly rose through the ranks. He became vice-president and General Manager of Ford Division in 1960 and, ten years later, was appointed President of Ford Motor Company. Iacocca had a great impact at Ford, known as "The Father of the Mustang", he brought the world-famous line to market, along with the Continental Mark III and the Ford Escort. The visionary Iacocca forecasted the need for small, fuel-efficient vehicles and became the moving force behind the Ford Pinto. A strong-willed leader, Iacocca frequently clashed with Ford Chairman Henry Ford II. He was fired in July 1978, despite the company posting a \$2 billion profit for the year; and

WHEREAS, Iacocca was courted by the struggling Chrysler Corporation. Never one to back down from a challenge, Iacocca accepted and began to restructure the company. Bringing in seasoned associates from Ford, Iacocca launched a series of products he previously tried to produce, most namely the "Mini-Max" minivan and the small, affordable K-car. Iacocca realized Chrysler needed an influx of cash to continue operations or the company would fold. In an unprecedented move, he appealed to the U.S. Congress for a loan

bailout. Due to his manufacturing experience, automotive reputation and leadership confidence, he was able to negotiate a deal and keep the company afloat. The Iacocca-led resurgence resulted in the loan being repaid seven years before it was due. At the height of his career in the 1980's, Iacocca was arguably the best-known businessman in the nation. He became characterized by the marketing slogan, "If you can find a better car, buy it!" He retired as President and CEO/Chairman of Chrysler in 1992; and

WHEREAS, Still yearning to have an impact on the business world, Iacocca joined the board of MGM Grand and founded Olivio Premium Products in 1993. In 1995, Iacocca joined the board of Koo Koo Roo, leading a merger with Chi Chi's and El Torito's restaurants. In 1999, he became the head of EV Global Motors, a company formed to create electric bicycles. Iacocca authored three books during his business career, Iacocca: An Autobiography (co-authored with William Novak), Talking Straight (co-authored with Sonny Kleinfeld) and Where Have All the Leaders Gone (co-authored with Catherine Whitney). He was appointed by President Ronald Reagan to lead the board of the Statue of Liberty/Ellis Island and its restoration project. He was an advocate and fundraiser for numerous charities and foundations; and

WHEREAS, Iacocca was preceded in death by his beloved wife, Mary. She was the love of his life and Lee was devastated when she succumbed to diabetes. Upon her death, Lee became an active supporter of diabetes research, founding the Iacocca Family Foundation with proceeds from his first book. Their union bore two daughters, Kathryn Iacocca Hentz (Ned Carlton) and Lia Iacocca Assad (Victor). He was also married two other times.

NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council and the Office of Council President Brenda Jones, hereby joins the Iacocca family, members of Fiat Chrysler Automobiles, Ford Motor Company and all Detroiters in honoring the memory of Mr. Lee A. Iacocca, on Wednesday, July 10, 2019.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Tate, and President Jones — 8.

**TESTIMONIAL RESOLUTION FOR**

**REVEREND DR. ISAIAH TILMON, JR. 25th PASTORAL ANNIVERSARY**

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon Reverend Dr. Isaiah Tilmon

Jr., the Pastor of Morning Star Missionary Baptist Church, as he celebrates his 25th Pastoral Anniversary; and

WHEREAS, Reverend Tilmon is an anointed man of God. Through his years of preaching and pastoring, Reverend Tilmon has been a great inspiration to many and continues to be an avid supporter of the eastside community. He is actively engaged in community outreach and recruits members of his congregation every year to serve as volunteers to patrol the streets on Angel's Night to keep the community safe. On Halloween, Morning Star provides a Fun Night at the church for neighborhood children to keep them safe and off the streets. For several years, Reverend Tilmon has assisted Blue Cross/Blue Shield in distributing Thanksgiving and Christmas holiday food baskets to residents in need of support; and

WHEREAS, Reverend Tilmon does not hesitate to provide services for bereaved families, whether they are part of his congregation or not. He opens the church doors to let families have a place to hold funeral services for their loved ones and accommodates them for a repast dinner, when needed. Reverend Tilmon always makes himself available to unite couples in marriage or to facilitate ceremonies for families that want to dedicate their children and grandchildren to God. His work in the ministry has always gone beyond the walls of the church. After returning back home to Michigan from the seminary, Reverend Tilmon became a part of the city's Empowerment Zone committee in an attempt to help improve the community; and

WHEREAS, As a member of the clergy, Reverend Tilmon has executed many administrative and ministerial duties. He is also a mentor to many young pastors. Reverend Tilmon is a certified/licensed Drivers Education instructor and the owner of Holman Road Testing Services LLC. The business is certified and licensed by the state of Michigan. He is a member of the Westside Ministers Alliance of Detroit and the Council of Baptist Pastors of Detroit and Vicinity. Reverend Dr. Isaiah Tilmon Jr. is a man of great spiritual depth, faith and obedience who uses his gifts and talents to empower and encourage the people of God.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, joins with family, friends and members to extend congratulations to Reverend Dr. Isaiah Tilmon Jr. on this momentous occasion celebrating his 25th Pastoral Anniversary.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Tate, and President Jones — 8.

## RESOLUTION IN MEMORIAM FOR

### MR. WILMER OTIS "PETE" WILSON

By COUNCIL MEMBER JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to recognize and bestow homage upon the late, Mr. Wilmer Otis "Pete" Wilson, who made his heavenly transition on June 23, 2019; and

WHEREAS, Wilmer Otis "Pete" Wilson was born on January 28, 1927, in Mocksville, North Carolina, to Annie Elizabeth and Daniel Raymond Wilson. He was the youngest of seven children. Pete accepted Christ as his savior at an early age. He received his adolescent education at the Davie County Training School in Mocksville. In 1945, Pete enlisted in the United States Army and received an honorable discharge. Following his military service, Pete returned to North Carolina and was able to get a job in the logging industry in the Mocksville area; and

WHEREAS, Following a brief courtship, Pete was united in marriage to Lois Gaither, the love of his life, on August 17, 1948. To this union, they were blessed with two children, a beautiful daughter, Gail Susan and a handsome son, Michael Anthony. In 1950, Pete and Lois relocated to Detroit, Michigan, to seek employment in the thriving automotive industry. Pete worked for the Chrysler Corporation, US Steel and Ellis Steel; and

WHEREAS, In 1992, Pete retired to enjoy spending more leisure time with his family and friends. His favorite past times were cooking, baking and gardening. Most of all, Pete enjoyed helping his Northwest Detroit neighbors with landscaping and using his snow blower to clear their sidewalks and driveways. On January 15, 2003, the Lord called home Lois, Pete's soulmate. Following this life altering event, Pete moved to Ellis Manor Apartments, a senior living community in Detroit. He loved living there and looked forward to visits from family and friends. Pete participated in various activities with fellow residents and the staff, including prayer sessions, bible study classes and birthday socials. His daily activities kept his spirits high and his mind alert. Pete lived independently until April 23, 2019; and

WHEREAS, Pete was preceded in death by his loving and devoted wife of 54 years, Lois; a precocious infant son, Michael Anthony; a darling step-granddaughter, Joi Elane Turner; two sisters, Helen Turner and Hazel Wilson; and four brothers, Allen, Raymond, Glen and Jessie. Pete leaves to mourn and cherish his memory: a caring and devoted daughter, Gail Wilson Turner (Joseph); and a host of nieces, nephews, cousins and friends, especially his Ellis Manor family. Mr. Wilmer Otis "Pete" Wilson has been a good servant and ensured that his impact

would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with family and friends to honor the life of Mr. Wilmer Otis "Pete" Wilson. He will be greatly missed.

## RECONSIDERATIONS

### MEMORANDUM City of Detroit

July 16, 2019

Honorable City Council:

By: Council Member Benson:

Re: Motion to Reconsider

Please be advised that I move to reconsider the vote for line item #12 on today's New Business Agenda.

***Benson, reso. autho. Department of Public Works/City Engineering Division in conjunction with The General Services Department (Petition #1773), requests the permanent closure of Woodward Avenue, from Jefferson Avenue to Lamed Street, for the purpose of continuing the activation of the Spirit Plaza programming. (DPW is now requesting, on behalf of the General Services Department, City Council to vacate as a public right-of-way and convert into a private easement for public utilities of the full width of the above references segment of Woodward to facilitate the established, ongoing and future programming.) (REPORTED OUT OF THE PUBLIC HEALTH AND SAFETY STANDING COMMITTEE ON July 15, 2019 WITHOUT RECOMMENDATION.)***

I propose that the question shall come before the committee again for consideration on July 23, 2019.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

### Department of Public Works City Engineering Division

July 1, 2019

Honorable City Council:

Re: Spirit Plaza; Petition No. 1773 The Department of Public Works — City Engineering Division, in conjunction with The General Services Department requests the permanent closure of Woodward Avenue, from Jefferson Avenue to Lamed Street, for the purpose of continuing the activation of the Spirit Plaza programming.

On June 12, 2017, the City of Detroit closed the referenced segment of Woodward to activate the Spirit Plaza for an initial pilot period of 90 days.

On November 21, 2017, City Council originally approved Petition No. 1773, which provided for extending the temporary closure of the above referenced segment of Woodward through the spring of 2018, so that the evaluation period could continue through the fall and winter seasons.

In October of 2018, DPW requested City Council approval to extend the temporary closure for a period to culminate on November 15, 2019, upon which time a recommendation was to be brought back to City Council for the Plaza's optional additional year extension.

DPW is now requesting, on behalf of the General Services Department, City Council to vacate as a public right-of-way and convert into a private easement for public utilities of the full width of the above referenced segment of Woodward to facilitate the established, ongoing and future programming.

This vacation to easement, if authorized by your Honorable Body, establishes GSD as the agency, who is responsible for ensuring that the Plaza is appropriately maintained. In addition, this vacation will allow for coordinating all outreach efforts to impacted stakeholders, as well as providing the mechanism for continued planning for events and space programming. GSD/City of Detroit's Recreation Department and Special Events team to will continue to operate with the established agreement outlining specific responsibilities for each agency, thereby ensuring that the Plaza is being programmed in a manner that maximizes its usage and is consistent with the vision of it being the "People's Plaza". We will continue to provide the opportunity to employ a more expansive outreach effort to individuals that encounter the space on a daily basis, including all employees and regular visi-

tors to the CAYMC. The vacation to easement will also provide the opportunity to install semi-permanent structures to enhance the quality of programming and the overall experience in the public space.

Provisions protecting all utility installations in the right-of-way have been made a part of the attached resolution.

I am recommending the adoption of the attached resolution.

Respectfully submitted,

RON BRUNDIDGE

Director

Department of Public Works

By Council Member Benson:

Whereas, The original trial period for the new "Spirit of Detroit Plaza" enhanced the downtown area with a new public space during the summers of 2017 and 2018, and the initial evaluation determined that the closure of the impacted segment of Woodward Avenue, has not been detrimental to traffic flow in the area, and the plaza has been deemed a destination for civic activity and arts and culture, and

Whereas, The temporary extension was granted through November 15, 2019 with prior City Council actions and whereas a determination has been made to vacate to easement "Spirit Plaza" for the programming of events that include local artists, community groups and local organizations;

Therefore be it

Resolved, That Woodward Avenue, 190 feet wide, from Jefferson Avenue, 210 feet wide to Larned Street, 60 feet wide, and being more particularly described as: Woodward Avenue, 190 feet wide, lying westerly of and adjoining the westerly line of Lots 1, 63, and 64 "Plan of Section numbered one in the City of Detroit, in the Territory of Michigan confirmed by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board. Attest: Peter Audrain, Sec'y." as recorded in Liber 34, Page 550 of Deeds, Wayne County Records; also lying easterly of and adjoining the easterly line of the west 30 feet of Lot 2 and the west 30 feet of Lots 63 and the west 30 feet of Lot 64 and the vacated alley adjoining said parts of Lots 2 and 64 "Plat of Section numbered two in the City of Detroit in the Territory of Michigan confirmed unanimously by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board. Attest: Peter Audrain, Sec'y." as recorded in Liber 34, Page 549 of Deeds, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which ease-

ment shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, that if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section

3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated street shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved street returns at the entrances (into Larned Street, and/or Jefferson Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City of Detroit retains all ownership rights for the vacated and converted to easement part Woodward Avenue as it was platted in the "Governor and Judges" and further

Provided, That General Services Department/City of Detroit's Recreation Department and Special Events team will continue to operate and appropriately maintain the Plaza in accordance with the established agreement outlining specific responsibilities for each agency, thereby ensuring that the Plaza is being programmed in a manner that maximizes its usage and is consistent with the vision of it being the "People's Plaza", and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Re: Neighborhood Enterprise Zone Certificate Application for one (1) rehabilitated condominium unit located at 250 E. Harbortown Drive #1504 in the Harbortown Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received one (1) application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of one (1) condominium unit located at 250 E. Harbortown Drive #1504. This application corresponds to a qualified site that will facilitate the rehabilitation of one (1) condominium unit as a part of a larger development known as Harbortown. The project consists of the rehabilitation one condominium unit by way of the full demolition and replacement of the flooring and kitchen as well as the painting of the living room, kitchen, hallway and bedrooms. The rehabilitation also includes the replacement of damaged windows.

The subject property have been confirmed as being within the boundaries of the Harbortown NEZ which was established by a vote of Council on October 21, 1992, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The estimated rehabilitation cost is \$21,408.00. The NEZ certificate application appear to have been

submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

• In 2016, the Council developed a new system of review for the approval of certain NEZ certificates:

LPD assisted in developing a system for which the Council applied a greater level of scrutiny at the NEZ Zone approval stage. The recent upswing in the use of NEZs for the development of apartment buildings and condos downtown and in "Downtown Revitalization Districts," instead of just neighborhood single family residents, created a need for this review.

This Neighborhood Enterprise Zone was established in 1992, which is prior to the development of a system of additional financial review for NEZs in 2016, therefore there is no additional fiscal review for this item.

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of 459 E. Milwaukee Avenue in the Vanguard/E. Grand Boulevard Development Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of one condominium property located at 459 E. Milwaukee Avenue. This application corresponds to a qualified facility that is to be newly renovated into a high end residential condominium unit. The project consists of all new mechanical, electrical and plumbing systems. The rehabilitation also includes new cabinetry and millwork, drywall, insulation, flooring, counter tops, fixtures and finishes. CPC staff has reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the Vanguard/E. Grand Boulevard Development NEZ which was established by a vote of Council on April 30, 2003, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost of rehabilitation is \$110,000.00. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

• In 2016, the Council developed a new system of review for the approval of certain NEZ certificates:

LPD assisted in developing a system for which the Council applied a greater level of scrutiny at the NEZ Zone approval stage. The recent upswing in the

use of NEZs for the development of apartment buildings and condos downtown and in "Downtown Revitalization Districts,"<sup>1</sup> instead of just neighborhood single family residents, created a need for this review.

This Neighborhood Enterprise Zone was established in 2003, which is prior to the development of a system of additional financial review for NEZs in 2016, therefore there is no additional fiscal review for this item.

**RESOLUTION  
IN SUPPORT OF THE MICHIGAN  
LEGISLATURE ENACTING  
LEGISLATION EXTENDING EXPIRING  
NEZ NEW AND REHAB CERTIFICATES**  
By Council Member Sheffield:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, The Neighborhood Enterprise Zone Act (NEZ), Michigan Public Act 147 of 1992, was originally introduced under Michigan Senate bill 662 in 1992, by Michigan State Senator Jon Cisky (Rep) of the State's 33rd district; and

WHEREAS, NEZ legislation was developed to provide tax incentives in order to stimulate new housing development and improvement in communities where such was not likely to otherwise occur. Prior to its inception, economically challenged municipalities throughout the state (urban areas in particular) faced a steep decline in new housing construction and little to no home improvements to their existing older and often debilitated housing stock, due primarily to the additional tax burden generated from the higher tax assessments given to both new housing and existing housing as a result of home improvements; and

WHEREAS, The NEZ program supports owner occupied housing and new investment in communities. The program was established to stabilize neighborhoods and to provide existing residents the ability to make repairs to their respective residences without an accompanying tax burden. Under the NEZ Act, qualified local units of government may designate one or more areas as Neighborhood Enterprise Zones (NEZs) for the purpose

of extending property tax abatements for residential construction and rehabilitation; and

WHEREAS, However, many of the NEZ's that were approved in the city of Detroit and several other communities across the state of Michigan have and will expire. Once these protections expire, the instant exposure to the high assessments calculated for new and rehab residential properties, combined with the full ad valorem tax rate, are thrust upon these residents, leaving its residents with an enormous tax increase, which has and will continue to create a hardship for many of our homeowners. Without a clear remedy in sight, several people may lose their homes in light of the loss of the protection of the NEZ of which they have benefitted for over a decade: and

WHEREAS, Due to the fact that the NEZ program, provided by state statute, is a state sanctioned program, solving the problem of expiring New and rehab NEZs will require a state sanctioned action to remedy the situation. In the meantime, the Detroit City Council will work collaboratively with the City's Finance Assessor's Office to assuage the situation locally.

NOW THEREFORE BE IT

RESOLVED, The Detroit City Council recommends that the Michigan Legislature work to establish legislation that will provide a form of relief to those individuals that are experiencing the expiration of NEZ New and Rehab Certificates, extending these expiring certificates.

BE IT FURTHER

RESOLVED, That copies of this resolution be forwarded to the Detroit Delegation in the Michigan State House and Senate and to Governor Gretchen Whitmer and Detroit's Lansing Lobbyist.

Honorable City Council:

Re: City Council Recess from: Wednesday, July 24, 2019 through Tuesday, September 3, 2019.

Ordinance No. 15-00, Chapter 21, Article 3, requires the approval of your Honorable Body for the purchase of Goods and Services over the value of \$25,000, all Contracts for Personal Services, Renewals, or Extensions of Contracts, or the exercise of an option to renew or extend a Contract. Ordinance No. 37-14, Chapter 18, Article IV, requires approval of your Honorable Body of an application for a federal, state, or other grant to be used, in whole or in part to fund any City programs, services, or activities.

Based upon the above scheduled Recess, there will be a delay in obtaining your approval for needed Goods and Services, and Grant Applications and Awards. As a result, we will be unable to meet our obligation to obtain needed Goods and Services, approve Grant Applications and accept Grant Awards, for the user agencies, and they, in return, will be unable to meet their obligation to supply mandated services to the People of the City of Detroit.

Therefore, during the Recess, I request that your Honorable Body approve our purchase of Goods and Services requiring your Approval under Ordinance No. 15-00, and approve Grant Applications and accept Grant Awards requiring your approval under Ordinance No. 37-14, under provisions as follows:

I. Weekly list of Contract Agenda Items, Grant Applications, and Grant Award Notifications, which are distributed by the Office of the City Clerk to Members of the City Council each Thursday, will be held through Wednesday of the following week.

II. In the event any Council Member objects to the Contract or Purchase Order or the Grant Award the Contract; Contract or Grant award will be held either until formal action by the City Council or withdrawal of the objection by the objecting Council Member.

No Contract or Purchase Order shall be issued if a Protest has been filed, or if a Supplier has not obtained any required Tax clearances. Insurance, Affidavits, or Bonding.

The first list under the Recess procedures will be prepared by the Office of Contracting and Procurement on Wednesday, July 24, 2019.

Respectfully submitted,

Honorable City Council:

Re: Mario Neal vs. City of Detroit and Ari Tosqui. Case No.: 18-010268-CD. File No.: W18-00151.

On June 25, 2019, a case evaluation panel evaluated the above-captioned lawsuit and awarded Five Thousand Dollars (\$5,000.00) in favor of Plaintiff. The parties have until Tuesday, July 23, 2019, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such

acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Five Thousand Dollars (\$5,000.00) payable to Mario Neal and Robinson & Associates PC, his attorney, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 18-010268-CD, approved by the Law Department.

**City Planning Commission**

June 28, 2019

Honorable City Council:

Re: Request of Fusco Shaffer & Pappas Architects on behalf of the Pope Francis Center to amend Article XVII, District Map 13, of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing a PD (Planned Development) zoning classification where R3 (Low Density Residential) and B6 (General Services) zoning classifications are currently shown on one parcel commonly identified as 3769 East Canfield. (RECOMMEND APPROVAL)

**BACKGROUND AND PROPOSAL**

The City Planning Commission (CPC) has received a request from Fusco Shaffer & Pappas Architects requesting that the City of Detroit amend Article XVII, District Map No. 13 of Chapter 61 of the 1984 Detroit City Code, 'Zoning,' to show a PD (Planned Development) zoning classification where R3 (Low Density Residential) and B6 (General Services) zoning classifications currently exist on one parcel commonly identified as 3769 East Canfield, generally bounded by Garfield Street to the north, Mt. Elliott Street to the east, East Canfield Street to the south and Ellery Street to the west.

The subject property is currently vacant land. Historically, this site was developed with a mixture of uses including a school and housing; however, the buildings were

demolished over 20 years ago. The property is located on the east side in City Council District 5.

**Proposed Development**

The Pope Francis Center proposes to build and operate a bridge housing facility to serve Detroit's homeless community at this site. The purpose of bridge housing is to give people a place to live for 90-120 days to get off the street and transition to permanent housing. The proposed development would include 40 studio apartment units, a cafeteria, gymnasium, library, classrooms and a health clinic. An outdoor secure shelter area will also be included for those who wish to remain outdoors. Certain portions of the building such as the clinic and the gymnasium will be open for community use.

The Pope Francis Center currently operates a facility serving the homeless in downtown Detroit at 438 St. Antoine (southeast corner at Larned). Services provided include meals, laundry facilities and showers, but no overnight shelter. Additionally, people can access medical care, legal advice and housing providers. The new facility will be an expansion of their services and the downtown location will continue to operate.

**Community Outreach**

Pope Francis has held a stakeholder meeting and two community meetings to inform the community about the project, gather opinions and address concerns. The District 5 Neighborhood Manager assisted the applicant in contacting nearby residents, businesses and churches. Initial contact was made by door-knocking in the neighborhood; follow-up was by postcard, email and door hangers. The final meeting was held on May 20, 2019 at St. Elizabeth Catholic Church which is 3-4 blocks from the proposed project. About 40 area residents attended and asked questions regarding operation of the facility, security and construction timeline. One suggestion was a board of community members to give ongoing suggestions and address any concerns. The applicant was receptive to this idea and offered to appoint a community member to the board of directors.

**CPC MEETINGS**

**Public Hearing — June 6**

On June 6, 2019 the City Planning Commission (CPC) held a 6:15 p.m. public hearing on the subject rezoning. Fifty-eight notices were mailed to surrounding occupants and property owners; six notices were returned as undeliverable. Nine members of the public spoke at the hearing, five were in opposition and four in support.

**Points in support:** Assistance for the chronically homeless is needed. The site has been vacant for over 20 years. No residents or businesses will be displaced. The size is manageable — only 40 residents on site. Portions of the facility will be

open for community use. Contaminated soil at the site will be remediated. The neighborhood has been neglected and this will bring hope.

**Points in opposition:** Community has been ravaged & has many similar uses in area. This project won't end homelessness. The development doesn't consider community. Would prefer housing at the site.

Planning Commissioners expressed concerns regarding community outreach and the extent of similar uses in the immediate area. The applicant agreed to do additional outreach and obtain letters in support of the project.

#### **Recommendation & Action - June 20**

Additional information was provided about the community engagement process, other similar uses in the area and letters of support from the community. The City Planning Commission voted 5-2 to recommend approval of the rezoning. Although public comment was not taken on the item (as it was not a public hearing), a number of individuals spoke during general public comment at the end of the meeting. Fourteen people spoke in opposition to the proposal, including several members of the group Grassroots Detroiters. Their major concerns were:

- That they were excluded from the community engagement
- The environmental contamination at the site and the effect of disturbing the soil
- Recent increase in crime and a potential additional increase as a result of this project
- Too many homeless shelters and similar uses in the area — specifically the new NSO facility at Mack & Gratiot and Team Wellness which recently moved to Mt. Elliott & Mack
- The project won't benefit the community

### **PLANNING CONSIDERATIONS**

#### **Surrounding Zoning and Land Use**

The zoning classification and land uses surrounding the subject area are as follows:

North: B6 (General Services) and R3 (Low Density Residential) — Auto Repair Garage, Food Processing Facility, Single-Family House (at the corner of Mt. Elliott, DLBA-owned)

East: R3 (Low Density Residential) — Single-Family House, Greater St. Peter's AME Zion Church, Vacant Land

South: R2 (Two-Family Residential) and R3 (Low Density Residential) — Vacant Single — Family House, Vacant Land

West: R2 (Two Family Residential) — Vacant Land (DLBA-owned)

#### **Approval Criteria**

This proposal appears to meet the eight approval criteria for a map amend-

ment listed in Section 61-3-80 of the zoning ordinance, specifically:

- *The amendment will not have adverse impacts on property in the vicinity.* The proposed site plan provides adequate landscape buffering for adjacent property. Access to the medical clinic and the gymnasium will be a benefit to the community.

- *The suitability of the subject property for the existing and proposed zoning classifications.* The existing B6 zoning district allows fairly intense uses by-right such as Minor Auto Repair, Car Wash and Used Auto Sales Lot which would not be appropriate directly adjacent to residentially-zoned property. This rezoning corrects this issue and allows a specific mix of uses that will be compatible with surrounding uses and zoning.

- *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.* It's unclear why this site was initially zoned B6 as schools and dwellings are not permitted. Rezoning the site for the proposed uses will enable the development of the underutilized site and address an anomaly in the pattern of zoning.

As a PD district, this proposal is also subject to the approval criteria in Section 61-3-96, specifically:

- *Whether the subject site covers a minimum of 2 acres and is capable of being planned and developed as one integral unit.* Yes, the site is 5.92 acres and the proposal is a single, cohesive development.

- *That no other zoning district classification would be more appropriate.* The unique mixture of uses included in this proposal, especially the outdoor shelter area, is not allowed in a single zoning district.

- *That the development will result in a recognizable and substantial benefit to the ultimate users of the project and to the City, where such benefits would otherwise be unfeasible or unlikely to be achieved.* The Pope Francis Center did extensive research into the best practices and design of facilities that serve the homeless including tours of facilities in 9 cities. The resulting design is distinctive and merits the flexibility of a PD district.

- *That the proposed type and density of use shall not result in an unreasonable increase in traffic or the use of public services, facilities and utilities, that the natural features of the subject site have the capacity to accommodate the intended development, and that the development shall not place an unreasonable burden upon surrounding land or land owners.* The site is large enough to accommodate the proposed uses and traffic without negative effects on adjacent properties. Substantial setbacks and landscaping are proposed adjacent to the residentially-zoned areas to the south and west.

**Master Plan Consistency**

The subject site is located within the Middle East Central area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Institutional" for the subject property. The Planning & Development Department has determined that the proposed map amendment conforms to the master plan.

**RECOMMENDATION**

On June 20, 2019, the City Planning Commission voted to recommend approval of the rezoning request to amend Article XVII, District Map No. 13 of Chapter 61 of the 1984 Detroit City Code, 'Zoning,' to show a PD (Planned Development) zoning classification where R3 (Low Density Residential) and B6 (General Services) zoning classifications currently exist on one parcel commonly identified as 3769 East Canfield, generally bounded by Garfield Street to the north, Mt. Elliott Street to the east, East Canfield Street to the south and Ellery Street to the west. The ordinance establishing the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

Honorable City Council:

Re: Request of the Downtown Development Authority in conjunction with Olympia Development of Michigan to amend Article XVII, District Map No. 3 of Chapter 61 of the 1984 Detroit City Code, Zoning and the provisions of the existing PD (Planning Development) zoning district established by Ordinance 10-15 on land bounded by Woodward Avenue on the east, the south side of Henry Street on the south, Clifford Avenue and Cass Avenue on the west and Sproat Street on the North; and to rezone a portion of the remaining B4 (General Commercial) zoned land along the east side of Cass Avenue between Sproat Street and Henry Street, and, as well as the to-be-vacated Henry Street right-of-way, to PD.

**(REQUESTING 7th EXTENSION OF REVIEW PERIOD)**

On June 13, 2017 the Detroit City Council received and referred to the Planning and Economic Development Standing Committee the report and recommendation of the City Planning Commission (CPC) for the above captioned map amendment request for the Detroit Zoning Ordinance.

The Zoning Ordinance specifies in Sec. 61-3-17, "Where a petition for a proposed Zoning Ordinance text or map amendment is not voted upon by the City Council within one hundred twenty (120) days of the time of receipt of the City Planning

*Commission's report, it shall be deemed to have been denied, unless extended by the City Council."*

The original 120-day review period for this matter was to expire in October of 2017. Subsequently, however, six extensions have been authorized with the most recent, of 120 days, being granted on March 26, 2019. On Friday, July 26, 2019 that extension will expire at day's end.

CPC is pleased to report that the revised petition #1388 requesting the right-of-way adjustments on and around the arena site has been processed and is awaiting the preparation of corresponding legal descriptions in order to be completed by City Engineering. This is movement allows the necessary sequence of events to proceed in order to facilitate the long-held PD rezoning and modification. Consequently, the CPC requests another 120-day extension of the review period to avoid having to re-start the ordinance revision process over again at the Planning Commission. A resolution effectuating the requested extension is attached for your consideration. The requested extension, if granted, will expire by the close of the day Saturday, November 23, 2019. That being on a weekend, the effective date of the expiration would be, Monday, November 25, 2019.

Honorable City Council:

Re: Delegation of City Council Special District Review and approval of building permit applications during Summer recess 2019. **(RECOMMEND APPROVAL)**

According to the City of Detroit Zoning Ordinance the Detroit City Council approves by resolution any work undertaken by permit on land zoned PC or PCA after receiving recommendation from the Planning and Development Department and the City Planning Commission. It has become the practice of your Honorable Body to delegate this responsibility to the staff of the City Planning Commission during periods of recess when permit applications of this sort may be submitted and need to be addressed in a timely fashion. The Council's delegation of this responsibility allows work, compliant with the City Code, to advance during recess and/or when the Body is not conducting business in the context of your regular meetings.

Attached for your consideration you will find a resolution effectuating the delegation of Special District Review and corresponding action jointly to the Planning and Development Department and the City Planning Commission staff for your Summer recess 2019.

**RESOLUTION**

By Council Member Tate:

Whereas, The Detroit Zoning Ordi-

nance requires that any permit application submitted to the Building and Safety Engineering and Environmental Department related to the Exterior design, location and appearance of work within the Public Center (PC) District and the Public Center Adjacent/Restricted Central Business (PCA) District must be reviewed by the City Planning Commission (CPC) and the Planning and Development Department (P&DD); and

Whereas, Consistent with Sec. 61-3-182 of the Zoning Ordinance, the City Council approves by resolution, any such permit application subsequent to receipt of a report and recommendation from the Planning and Development Department and the City Planning Commission; and

Whereas, The Detroit City Council will be on recess July 24, 2019 through September 3, 2019, and the City Council's Committees will not resume meeting until that time; and

Whereas, Time sensitive requests for work in these districts may be received by the City while the Council is not in session; and

Whereas, It is the desire of the Detroit City Council to facilitate such requests and not unnecessarily delay the issuance of building permits.

Now Therefore Be It

Resolved, The Detroit City Council authorizes the Planning and Development Department and the City Planning Commission staff to jointly review, approve, with conditions or deny any permit applications for land zoned PC or PCA submitted between July 24, 2019 and September 3, 2019 and to do so in consultation with other City agencies as may be appropriate.

July 11, 2019

Honorable City Council:

Re: Request of the Iconic-55, LLC for PCA (Public Center Adjacent District) Special District Review of proposed exterior changes to 511 Woodward Avenue. **(RECOMMEND APPROVAL)**

**REQUEST**

The City Planning Commission (CPC) has received a request from Iconic-511, LLC (The Elia Group) to approve exterior changes to 511 Woodward Avenue.

The subject property is zoned PCA, a classification which calls for City Council approval of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sec-

tions 61-2-181 and 61-11-81) of the Zoning Ordinance. The subject site also requires review by the Historic District Commission.

**BACKGROUND**

The subject site is located on the west side of Woodward Avenue between West Congress Avenue on the north and West Lamed Avenue on the south. The block measures approximately 271 feet along Woodward Avenue with a depth of 30 feet.

The site was developed in 1972 with the Detroit Federal Savings and Loan Assoc. Building — a 4-story glass and steel bank building. The existing building measures approximately 250 along Woodward Avenue with a depth of 30 feet, totaling 7,530 square feet. The current exterior of the building includes gold mirrored glass, a main entrance at the center of the building facing Woodward Avenue with a brick facade above, and a box on the roof screening mechanical/electrical/plumbing equipment. The front of the site along Woodward Avenue is developed with raised planters with steps leading to the front of the building. The site was most recently owned by Wayne County and has been vacant for 12 years.

**PROJECT PROPOSAL**

CPC staff and the Planning & Development Department (P&DD) met with the developer on April 3, 2019 to discuss the proposed project. The Elia Group is proposing to purchase the building and redevelop it as a commercial space with several tenants. Please see the attached plans for reference. Proposed exterior changes include:

- Replacing the building façade on the north, east, and south sides of the building with clear glass;
- Adding a decorative metallic façade screen to the front of the building and wrapping around the top of the north facade;
- Adding horizontal exterior lighting; and
- Updating the existing front plaza with outdoor seating, ADA ramp access, and landscaping.

**ANALYSIS**

**Surrounding Zoning and Land Use**

The zoning classification and land uses surrounding the subject area are as follows:

- North: PCA; developed the Chase Tower/The Qube (across West Congress)
- East: PCA: developed with One Detroit Center (across Woodward)
- South: PCA; developed with One Woodward Building (across West Lamed)
- West: PCA; developed with the Guardian Building (across the alley)

**Review**

Section of 61-11-97 of the Zoning Ordinance lists the PCA District Review Criteria. The relevant PCA review criteria provisions are as follows, with analysis in italics:

(2) Scale, form, massing and density should be appropriate to the nature of the project and relate well to surrounding development. *The decorative metallic façade would change the form of the building and its appearance along Woodward Avenue;*

(3) The proposed development should be compatible with surrounding development in terms of land use, general appearance and function and should not adversely affect the value of adjacent properties. *The subject 4-story building is dwarfed by the adjacent 40-story Guardian Building — which backs up to 511 Woodward. One could argue that the proposed clear windows and decorative metallic facade would complement the One Woodward Building (built in 1962) to the south and the Chase Tower/The Qube (built in 1958) to the north;*

(6) Adequate public and private open space should be provided for light and air, landscaping, and, where appropriate, for passive and active recreation. *The project is proposing to update the large existing plaza in front of the building along Woodward Avenue with outdoor seating, new landscaping, etc.;*

(9) Appropriate buffering and screening of service, loading, refuse collection, mechanical and electrical equipment and parking areas should be provided. *The existing mechanical screen would remain on the top of the building, but the proposed facade screen would hide part of the existing mechanical screen;*

(10) Careful consideration should be given to orientation for solar access to both the proposed project and surrounding development. *511 Woodward is quite smaller than the 4 adjacent office towers.*

(11) Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner. *The proposed signage plan is not completed, but the proposed plans indicate the sign location and state that total building signage is 500 square feet.*

(12) Security considerations, especially avoidance of visually isolated public spaces, should be a major element of the design program. *The CPC understands final plans for the public space at the front of the building have not yet been completed, but the preliminary design is to remove the existing planters which would help open up the space.*

(13) Barrier-free access and public safety features should be carefully

planned. *The plans show adding an ADA access ramp to the plaza and main entrance.*

(14) Preservation/restoration of buildings having architectural or historic value should be considered a primary objective. *On June 26, 2019, the building changes were submitted to the Historic District Commission (HDC). P&DD staff indicate the HDC approved the proposal with the condition that petitioner submit additional detailed drawings of the proposed screen wall.*

(15) Urban design elements of form and character should be carefully considered; such elements include, but are not limited to: richness/interest of public areas through the provision of storefronts, window displays, landscaping, and artwork; color, texture and quality of structural materials; enclosure of public spaces; variations in scale; squares, plazas and/or "vest pocket parks" where appropriate; continuity of experience, visual activity and interest; articulation and highlighting of important visual features; preservation/enhancement of important views and vistas. *The proposed design opens up the north and south corners of the building; the first floor would be open and visible to the street; the site is proposing an outdoor seating area.*

**CONCLUSION AND RECOMMENDATION**

The CPC maintains that 511 Woodward Avenue is an important location downtown along Woodward Avenue, and that the current vacant building with early 1970's architecture (gold mirrored glass) does not add to the aesthetic appeal of the area. The Elia Group is proposing a bold change to the facade of the building. P&DD has submitted a letter in support of the proposed facade change which is attached for reference. The HDC has voted to approve the proposed changes as well.

On May 16, 2019, the City Planning Commission voted to recommend APPROVAL of the proposed exterior changes with the following condition:

That final site plans, elevations, landscape, lighting, and signage plans be submitted for City Planning Commission staff approval prior to making applications for applicable permits.

A resolution for approval is attached for your consideration.

**EXHIBIT E  
RESOLUTION APPROVING  
BROWNFIELD PLAN  
OF THE CITY OF DETROIT  
BROWNFIELD REDEVELOPMENT  
AUTHORITY  
FOR THE MARSTON AND MORROW  
REDEVELOPMENT PROJECT**

City of Detroit  
County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Marston and Morrow Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on June 12, 2019,

per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on June 20, 2019 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on June 12, 2019; and

WHEREAS, The Authority approved the Plan on June 26, 2019 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on July 18, 2019.

NOW, THEREFORE, BE IT

RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "facility" as defined in Act 381;

(b) The Plan meets the requirements set forth in Section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time

shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on \_\_\_\_\_, 2019, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

**RESOLUTION  
ABOLISHING THE BROWNFIELD  
PLAN OF THE CITY OF DETROIT  
BROWNFIELD REDEVELOPMENT  
AUTHORITY FOR THE AMERICAN  
AXLE MANUFACTURING, INC.  
REDEVELOPMENT PROJECT**

City of Detroit  
County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City Council") for the purpose of promoting the revitalization of eligible properties in the City of Detroit; and

WHEREAS, On April 25, 2001, City Council approved the American Axle Manufacturing, Inc. Brownfield Redevelopment Plan (the "Plan"); and

WHEREAS, The eligible property described in Exhibit A, attached hereto, is the eligible property subject to the Plan; and

WHEREAS, Section 14(8)(a) of Act 381 permits a governing body to abolish a brownfield plan when it finds that the purposes for which the plan was established are accomplished, provided that the governing body first does both of the following: (i) gives 30 days' prior written notice to the developer at its last known address by certified mail or other method that documents proof of delivery attempted, and (ii) provides the developer an opportunity to be heard at a public meeting; and

WHEREAS, The City Council is the governing body (as that term is defined by Act 381) of the Authority; and

WHEREAS, The Authority's staff has confirmed that the project for which eligible activities were identified in the Plan has been completed and the purposes for which the Plan was established have been accomplished; and

WHEREAS, On June 12, 2019, the Board of Directors of the Authority adopted a resolution recommending abolishment of the Plan; and

WHEREAS, On October 3, 2017, City Council authorized the Authority, on behalf of City Council, to manage and/or administer the notices required by Act 381 in connection with any brownfield plan or plan amendment terminations; and

WHEREAS, The required notice of the termination of the Plan was given in accordance with Section 14(8)(b)(i) of Act 381, a copy of which is attached as Exhibit B; and

WHEREAS, In accordance with Section 14(8)(b)(ii) of Act 381, the developer identified in the Plan was provided with an opportunity to be heard at a public meeting on July 18, 2019.

NOW, THEREFORE, BE IT  
RESOLVED, THAT:

1. The Plan is hereby abolished by City Council in accordance with Section 14(8)(a) of Act 381.

2. City Council hereby ratifies the abolishment, if any, of any agreements or contracts between the developer of the Plan and the Authority that were executed in conjunction with the Plan, including, but not limited to, the reimbursement agreement.

The City Clerk is requested to submit one (1) certified copy of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Honorable City Council:

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Petition on Behalf of Woodward Mack 22, LLC at 81 Erskine and 3500 Woodward Avenue, Detroit, MI, in Accordance with Public Act 210 of 2005. (Related to Petition # 703).

On July 18, 2019, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments

to the approval of this certificate were presented during the hearing.

Woodward Mack 22, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Woodward Mack 22, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on June 14, 2016 established by Resolution a Commercial Property Rehabilitation District in the area located at Woodward Avenue, Mack Avenue, St. Aubin, Gratiot Avenue and the Chrysler Fisher Freeway, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of December 12, 2020 for the completion of the rehabilitation; and

Whereas, On July 18, 2019, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Woodward Mack 22, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2029, in accordance with the provisions of the Act;

And Be It Finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act;

And Be It Further

Resolved, That the rehabilitation of the facility shall be completed no later than December 12, 2020, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable;

And Be It Finally

Resolved, That the City of Detroit's

Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, on behalf of OPTIK in the area of 2220 Gratiot, Detroit, Michigan, in accordance with Public Act 146 of 2000. (Petition #897).

On July 18, 2019, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 2220 Gratiot, Detroit, MI in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, OPTIC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 2220 Gratiot, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem taxes*, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, a public hearing was conducted before City Council on July 18, 2019, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Honorable City Council:

Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on Behalf of AH Associates, LLC in the area of 243 W. Congress St., Detroit, Michigan, in Accordance with Public Act 146 of 2000. (Petition #778).

On July 18, 2019 a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

AH Associates, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, AH Associates, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 24, 2017 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 243 West Congress Street, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2(1) of the Act; and

Whereas, This City Council has granted until of December 1, 2020 for the completion of the rehabilitation; and

Whereas, On July 18, 2019 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of AH Associates, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2031, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than December 1, 2020, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Resolution Approving an Industrial Facilities Exemption Certificate, in the area of 13400 Mount Elliott Street Detroit, Michigan, in Accordance with Public Act 198 of 1974 on behalf of 13400 Mount Elliott Street, LLC (Petition #580).

On July 18, 2019 a public hearing in connection with approving an Industrial Facilities Exemption Certificate request for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

13400 Mount Elliott Street, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 (the "Act") and the Development Agreement for the project.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Pursuant to P.A. 198 of 1974, M.C.L. 207.551 et seq., after a duly noticed public hearing held on February 7, 2019 this Detroit City Council established by resolution a Plant Rehabilitation District in the vicinity of 13400 Mount Elliott St., Detroit, Michigan; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, 13400 Mount Elliott Street, LLC has filed with the City Clerk an Application for an Industrial Facilities Exemption Certificate, under Public Act 198 of 1974 ("the Act") in the City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Construction of the facility and installation of new machinery and equipment had not begun earlier than six (6) months before April 8, 2019, the date of acceptance of the application for the Industrial Facilities Exemption Certificate; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Plant Rehabilitation District; and

Whereas, Before acting on said application, the City of Detroit held a hearing on July 18, 2019, at Coleman A. Young Municipal Center, in Detroit, Michigan at 11:35 a.m., at which hearing the applicant, the Assessor and a representative of the affected taxing units were given written notice and were afforded an opportunity to be heard on said application; and

Whereas, Completion of the facility is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to retain, create or prevent the loss of employment in the City of Detroit; and

Whereas, The aggregate SEV of real and personal property exempt from ad val-

orem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of unit, plus the SEV of personal and real property thus exempted; and

Whereas, This City Council has granted until the end of July 31, 2020 for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard.

Now, Therefore Be It

Resolved, That the Detroit City Council finds and determines that the granting of the Industrial Facilities Tax Exemption Certificate considered together with the aggregate amount of certificates previously granted and currently in force under Act 198 of the Public Acts 1974, shall not have the effect of substantially impeding the operation of the City of Detroit, or impairing the financial soundness of a taxing unit which levies ad valorem property taxes within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application from 13400 Mount Elliott Street, LLC for an Industrial Facilities Tax Exemption Certificate in the area of 13400 Mount Elliott St., Detroit, Michigan is hereby approved for a period of twelve (12) years in accordance with the provisions of the Act, expiring no later than December 31, 2031 and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than July 31, 2020 unless an extension of that time is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and the City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, and Industrial Facilities Exemption Certificate Agreement.

Honorable City Council:

Re: Sale of Real Property. 1442 Calvert Detroit, MI 48206.

The City of Detroit Planning and Development Department ("P&DD") is in receipt of an offer from Adam Noel to purchase the above captioned property, 1442 Calvert, (the "Property"), for the amount of Twenty Four Thousand and 00/100 Dollars (\$24,000.00) (the "Purchase Price").

The Property consists of a four story brick clad apartment building in need of significant repair, situated on an area of land measuring approximately 8900 square feet and zoned R5 (Medium Density Residential District). Mr. Noel proposes to renovate the structure and continue its use as multi-family housing.

The property shall be transferred subject to a reverter interest, requiring the purchaser to clean and secure the Property within six (6) months of closing and to obtain a Certificate of Occupancy for the Property within twenty-four (24) months of closing. Purchaser's use of the Property shall be consistent with the allowable uses for which the property is zoned.

We, therefore, request that your Honorable Body approve the sale and authorize the Director of the Planning and Development Department, or his authorized designee, to issue a quit claim deed to the Property and such other documents as may be necessary to effectuate the sale, with Adam Noel for the amount of \$24,000.00.

Re: Amendment and Extension of Development Agreement Petit Bateau, LLC Development: generally bound by Kirby Avenue, St. Antoine St., Frederick Ave. and Beaubien St.

The above captioned property is located within the Art Center Rehabilitation Project Area. On November 9, 2016, your Honorable Body authorized an amendment to the Development Agreement with Petit Bateau, LLC. The amendment allowed for the proposed development of approximately twenty (20) townhouse units and two (2) multi-family buildings containing approximately fifty-one (51) units, with optional retail space and parking. The completion of the construction was extended to December 31, 2018.

The principal of Petit Bateau LLC is Mr. Julio Bateau. He has worked to finalize and complete the construction of the nearby Nailah Commons multi-family residential development located north of Kirby Avenue. Petit Bateau, however, has been unable to complete this development as proposed due to market and financial constraints. They are currently working with the Detroit Economic Growth Corporation (DEGC) to finalize a Brownfield plan for

submission and a Tax Incremental Financing (TIF) work plan, inclusive of environmental components such as solar power and variable refrigerant/heating systems. In addition, they have acquired an option to purchase adjacent property at 511 Frederick Ave. to be included in the development.

The project area is zoned SD1 (Special Development District — Small Scale, Mixed Use). Final site and landscape plans are subject to review by the Planning and Development Department (P&DD), other City Departments where applicable) and approval by the Building, Safety, Engineering and Environmental Department (BSEED) prior to submission for building permits.

Accordingly, Petit Bateau LLC is now requesting to extend the completion period for the development until December 31, 2021. The Planning and Development Department has reviewed the request of Petit Bateau LLC and determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing a modification to the Development Agreement and an extension of the completion period of the development.

Honorable City Council:

Re: Acquisition of Wayne County Tax Foreclosed Properties Right of Refusal 2019.

Under the General Property Tax Act (1893 PA 206) (the "Act"), the City of Detroit ("City") has an annual right of refusal to acquire tax foreclosed property from Wayne County (the "County") upon payment of a minimum bid determined by the County pursuant to the Act ("Purchase Price"). Such right of refusal allows the City to acquire tax foreclosed properties prior to any sale by the County through auction.

Based on the City's review of the properties available from the County, the City has identified certain properties that we wish to acquire (the "ROR Properties") for the purposes of stabilizing communities and curtailing the potential for further blight in the City of Detroit. Provided with the attached resolution is a list of the ROR Properties that includes a total Purchase Price. Funding for this proposed acquisition was included in the Housing & Revitalization Department budget approved by your Honorable Body for this current 2019-20 Fiscal Year.

We hereby respectfully request that your Honorable Body adopt the attached resolution that authorizes the City to acquire the ROR Properties for the County for the Purchase Price.

Respectfully submitted,  
MAURICE COX  
Director

Planning & Development Dept.  
DONALD RENCHER

Director  
Housing & Revitalization Dept.

By Council Member Tate:

Whereas, The General Property Tax Act (1893 PA 206) (the "Act") allows the City of Detroit ("City") an annual right of refusal to acquire tax foreclosed property from Wayne County (the "County") upon the

City's payment of a minimum bid determined by the County pursuant to the Act; and

Whereas, The County has provided the City with a 2019 list of available properties that is updated by the County from time to time (the "2019 ROR List"); and

Whereas, The City has budgeted Seven Hundred Twelve Thousand Four Hundred Seventy Four and 00/100 Dollars (\$712,474.00) in funding in the Housing & Development Department's Appropriation No. 00014 for use by the City in acquiring properties from the County under the aforementioned right of refusal (the "Acquisition Funds"); and

Whereas, Attached hereto in Exhibit A is a list of the properties that the City wishes to acquire (the "2019 ROR Properties") through its right of refusal for the offer price stated for each respective property on the list (the "Purchase Price"); now therefore be it

Resolved, That Detroit City Council hereby approves acquisition of the 2019 ROR Properties from the County in exchange for the City's payment of the Purchase Price; and be it further

Resolved, That the Purchase Price shall be paid by the City with funds from Appropriation No. 00014; and be it further

Resolved, That in the event the County modifies the 2019 ROR List at any time up to August 02, 2019 by either adding or removing properties from such list, then the P&DD Director may modify the final 2019 ROR Properties by either adding or removing properties at the P&DD Director's sole discretion provided that the revised total Purchase Price does not exceed the Acquisition Funds amount; and be it further

Resolved, That in accordance with the foregoing, the P&DD Director, or his authorized designee, be and is hereby authorized to accept and record deeds to the City of Detroit for the 2019 ROR Properties, as well as execute any such other documents as may be necessary to effectuate transfer of the 2019 ROR Properties from the County to the City of Detroit for the Purchase Price; and

Be It Finally

Resolved, That the Finance Director is hereby authorized to increase the necessary accounts and honor expenditures and vouchers when presented in accordance with the foregoing communication and standard City procedures.

A Waiver of Reconsideration is requested.

Honorable City Council:

Re: Sale of Wayne County Tax Foreclosed Non-owner Occupied Homes.

Under the General Property Tax Act (1893 PA 206) (the “Act”), the City of Detroit (“City”) has an annual right of refusal to acquire tax foreclosed property from Wayne County (“County”) upon payment of a minimum bid determined by the County pursuant to the Act. Such right of refusal allows the City to acquire tax foreclosed properties prior to any sale by the County through auction.

In 2017, the City instituted a pilot program to help stabilize Detroit neighborhoods by providing assistance to those who found themselves occupying a tax foreclosed home (the “Program”). Under the Program, the City acquires certain residential properties that are subject to foreclosure and that are occupied by qualified Program participants who are vetted by the United Community Housing Coalition (“UCHC”). The City then transfers such residential properties to UCHC for potential transfer to the Program participants. Up from 95 qualified Program participants in 2017, the Program was able to assist a total of 519 qualified participants in 2018 that occupied properties saved from foreclosure. The suc-

cess of the Program has helped occupants remain in their homes and worked to stabilize the surrounding community by eliminating the potential for further blight in the respective neighborhoods. Administration of the Program by UCHC was further supported by philanthropic funding and assistance from the Quicken Loans Community Investment Fund.

UCHC is a Michigan nonprofit corporation that specializes in homeless prevention and has worked with the City in the past through Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) funding programs to provide tenants with eviction and other landlord/tenant related assistance, homeless individuals/families with housing assistance and homeowners with mortgage, tax foreclosure and other housing support. UCHC provides housing assistance at all stages, however its programs are particularly aimed at preventing low income households from losing their homes by eviction or foreclosure.

To qualify for the Program, residents must either be renters, victims of property scams, those with solvable probate issues or those who would have qualified for property tax reductions as verified by the City Assessor. The Program requires participants to sign a statement of commitment to purchase the home for the minimum bid price paid by the City plus UCHC administrative costs, pay \$500.00 into escrow with UCHC, pass a police clearance to determine if they were a problem in the neighborhood and agree to a home inspection by UCHC. The Program

also has a zero percent (0%) interest 12-18 month land contract option for those participants unable to meet the purchase price requirements. Those seeking the land contract option must also pay a monthly amount to a non-interest bearing escrow account for property taxes and home repairs. Monthly payment amounts are affordable to each household.

For 2019, the City wishes to capitalize on the success of the Program by transferring to UCHC additional tax foreclosed residential properties acquired by the City under its 2019 right of refusal. UCHC will purchase the properties from the City at the City's acquisition cost, less a discount, with partial funding support provided by the Quicken Loans Community Investment Fund and other partners. For this year, Program participants who previously owned their home, still occupy it, and should have qualified for a property tax reduction due to income can acquire it back from UCHC for the purchase price of \$1,000. All other participants can purchase from UCHC the home that they currently occupy for an affordable price based on several factors related to the total participants and homes in the pool.

At or around the end of July 2019, UCHC will provide the City with a list of residential Program properties (the "Properties") that the City will acquire from the County under its 2019 right of refusal. The City and UCHC will close in escrow for such Properties, with the sales price being the amount of funds required by the County for the City to acquire the Properties under the right of refusal less a discount of up to \$250,000 (the "Offer Price"). The City will be allowed, pursuant to an escrow agreement, to release UCHC's purchase money from escrow for purposes of paying the Offer Price to acquire the Properties from the County. Upon transfer of title from the County to the City, the City's deeds for the Properties will be released from escrow to UCHC. The attached resolution includes a full list of all the properties available to the City from the County - from which UCHC will select specific Properties for the Program. For this year, it is estimated that UCHC may acquire as many as 1000 occupied residential tax foreclosed properties for the Program.

We, therefore, respectfully request that your Honorable Body adopt the attached resolution that: 1) authorizes the City to transfer the Properties to UCHC for the Offer Price listed in Exhibit A to the resolution, 2) authorizes the City to utilize the purchase money from UCHC to acquire the Properties from the County under the City's 2019 right of refusal and 3) authorizes the City to acquire the Properties.

Respectfully submitted,

MAURICE COX

Director

By Council Member Tate:

Whereas, In accordance with the foregoing communication and in furtherance of the City of Detroit's initiatives to help stabilize neighborhoods and combat blight, the City of Detroit ("City") wishes to transfer certain occupied foreclosed homes acquired from Wayne County ("County") through the City's 2019 right of refusal (the "Properties") to the United Community Housing Coalition ("UCHC"), a Michigan nonprofit corporation; and

Whereas, UCHC will then transfer the Properties to current occupants that qualify under UCHC's program to help stabilize Detroit neighborhoods by providing assistance to those who found themselves occupying a tax foreclosed home (the "Program"); and

Whereas, Attached hereto in Exhibit A is a comprehensive list of all real property available to the City under the 2019 right of refusal (the "2019 ROR List") that includes the acquisition cost to the City for each respective property labeled as "Offer Price"; and

Whereas, UCHC will provide the City with a list of the residential Properties chosen from the 2019 ROR List that UCHC wishes to acquire from the City in furtherance of the Program; now therefore be it

Resolved, The City is hereby authorized to sell any and all Properties to UCHC for the purchase price identified as "Offer Price" in such 2019 ROR List, less a discount of up to Two Hundred Fifty Thousand and 00/100 Dollars (\$250,000.00) ("Discount") in support of eliminating blight and stabilizing neighborhoods in the City of Detroit; and be it further

Resolved, That conveyance of the Properties to UCHC may be on multiple quit claim deeds that shall each reflect an appropriate share of the Purchase Price, less a prorated share of the Discount for the portion of Properties conveyed in the respective quit claim deed; and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute quit claim deeds to the Properties, as well as execute such other documents as may be necessary or convenient to effect the transfer of the Properties to UCHC consistent with this resolution; and be it further

Resolved, That sale of the Properties to UCHC may close in escrow prior to the City's acquisition of the Properties from the County; and be it further

Resolved, That the City is hereby authorized to acquire the Properties from the County; and be it further

Resolved, That the City may utilize the purchase money from UCHC that is held in escrow to acquire the Properties from the County; and be it finally

Resolved, That the Director of the Plan-

ning and Development Department, or his authorized designee, be and is hereby authorized to execute any required instruments to make or incorporate technical amendments or changes to the deeds and such other documents as may be necessary to effectuate the sale (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties, provided that the changes do not materially alter the substance or terms of the transfer and sale.

June 14, 2019

Honorable City Council:

Re: Extension Agreement for JLA and JLA Garage Development Agreement dated December 10, 2014.

The City, Financial Guaranty Insurance Company ("FGIC"), and the State of Michigan are parties to a Development Agreement dated December 10, 2014 (the "Development Agreement") pertaining to the redevelopment of the Joe Louis Arena site (the "JLA") and the Joe Louis Arena Garage (the "Garage"). FGIC assigned its rights under the Development Agreement to Gotham Motown Recovery, LLC, a Delaware limited liability company ("Developer"), and Developer assumed the obligations under the Development Agreement.

This Honorable Body previously approved an extension of the Development Agreement to give the Developer additional time to present a development proposal. The City's demolition of the JLA required by the terms of the Development Agreement will not be completed in the time allowed under the Development Agreement. Accordingly, the City and Developer are seeking this Honorable Body's approval of a further extension of the Development Agreement upon the terms and conditions and substantially in the form and substance of the "Extension Agreement" attached as Exhibit A (the "Extension Agreement").

We request that your Honorable Body adopt the attached resolution to approve the extension of the Development Agreement and to authorize the Director of P&DD to execute an "Extension Agreement."

Respectfully submitted,

MAURICE COX  
Planning Director

By Council Member Tate:

Whereas, The City, Financial Guaranty Insurance Company ("FGIC"), and the State of Michigan are parties to that certain Development Agreement dated December 10, 2014 (the "Original Development Agreement") pertaining to certain real property comprising the Joe Louis Arena and the associated Joe Louis Arena parking garage, as further described and defined in the Development Agreement.

Whereas, FGIC has transferred and assigned its rights and obligations under the Development Agreement to Developer, and Developer has assumed the liabilities and obligations of FGIC under the Development Agreement.

Whereas, The Original Development Agreement has been amended by the First Amendment to Development Agreement fully executed by Developer and the City as of July 24, 2018 (the "First Amendment") (the Original Development Agreement and the First Amendment being collectively referred to herein as the "Development Agreement")

Whereas, Under Section 5(H) of the Development Agreement, the City agreed to commence Demolition of the JLA promptly upon expiration of the JLA Lease, and to complete the Demolition within one year thereafter.

Whereas, Demolition has commenced and is under way, but the required Demolition and Sufficient Environmental Remediation will not be completed within one year.

Whereas, The parties wish to further extend the Development Agreement Deadlines to account for delays in the completion of the Demolition, upon terms and conditions and substantially in the form and substance of the "Extension Agreement" attached as Exhibit A (the "Extension Agreement").

Now, Therefore, Be It Resolved, That the extension of the Development Agreement upon the terms and conditions and substantially in the form and substance of the "Extension Agreement" attached as Exhibit A is hereby approved; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute the Extension Agreement.

**EXHIBIT A  
EXTENSION AGREEMENT**

THIS EXTENSION AGREEMENT (this "Agreement") is made and entered into as of June \_\_\_\_, 2019, by and between

Gotham Motown Recovery, LLC, a Delaware limited liability company ("Developer"), and the City of Detroit (the "City") acting through its Planning & Development Department ("PDD").

#### RECITALS

A. The City, Financial Guaranty Insurance Company ("FGIC"), and the State of Michigan executed that certain Development Agreement dated December 10, 2014 (the "Original Development Agreement") pertaining to certain real property comprising the Joe Louis Arena and the associated Joe Louis Arena parking garage, as further described and defined in the Development Agreement (the "Property"). The City and Developer are defined in the Original Development Agreement as the "Parties" and pursuant to Section 8 of the Original Development Agreement the City and Developer have the authority to amend the Original Development Agreement.

B. FGIC has transferred and assigned its rights and obligations under the Development Agreement to Developer, and Developer has assumed the liabilities and obligations of FGIC under the Development Agreement, in accordance with Section 13 thereof.

C. The Original Development Agreement has been amended by the First Amendment to Development Agreement fully executed by Developer and the City as of July 24, 2018 (the "First Amendment") (the Original Development Agreement and the First Amendment being collectively referred to herein as the "Development Agreement").

D. Developer has properly exercised its option to acquire the Property pursuant a Notice of Option Exercise dated September 15, 2017.

E. Pursuant the First Amendment, the Development Proposal Deadline (as defined in the Development Agreement) was extended for 18 months to 5:00 p.m. on January 15, 2020 in settlement of certain disputes between the parties.

F. Under Section 5(H) of the Development Agreement, the City agreed to commence Demolition of the JLA promptly (but in no event more than 90 days) after expiration of the JLA Lease, and to complete the Demolition within one year thereafter.

G. The commencement of Demolition was delayed but is now under way. The Demolition and Sufficient Environmental Remediation (as defined in the Development Agreement) will not be completed within the required one year time period.

H. The parties wish to further extend the Development Proposal Deadline and other time periods in the Development Agreement to account for delays in the completion of the Demolition and Sufficient Environmental Remediation.

Accordingly, in consideration of the

foregoing and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions. Capitalized terms used but not defined in this Agreement shall have the meanings ascribed to them in the Development Agreement.

2. Extension of Demolition Completion. The required completion date for the Demolition (including the Sufficient Environmental Remediation) is hereby extended to and fixed as June 15, 2020. The term "Demolition Commencement Date" is no longer applicable and is hereby removed from the Development Agreement.

3. Extension of the Development Proposal Deadline. The "Development Proposal Deadline" is hereby extended from the current deadline until 5:00 p.m. on June 15, 2020.

4. Extension of Other "Deadlines". Any other notice or request deadlines or other actions having deadlines applicable to Developer or the City under the Development Agreement (each a "Deadline"), including but not limited to, the "Diligence Notice," "Title Objection Notice," "Commencement Deadline" and "Completion Deadline", are hereby extended for six (6) months from the current Deadline (the "Extension Period"). Nothing herein prohibits Developer from sending a notice or request or taking any other action under the Development Agreement on or prior to the end of an applicable Extension Period.

5. Notice of Option Exercise. The parties agree that the prior exercise of the Developer's option to acquire the Property remains effective and Developer is not required to send a new Notice of Option Exercise as a result of this Agreement or any prior extensions or amendments.

6. Development Agreement to Remain in Effect. Except as otherwise amended by this Agreement, all of the terms and conditions of the Development Agreement shall remain in full force and effect. To the extent of any conflict between the Development Agreement and this Agreement, the terms and provisions of this Agreement shall govern and control. Developer and City hereby agree that (a) this Agreement is incorporated into and made a part of the Development Agreement, and (b) any and all references to the Development Agreement hereinafter shall include this Agreement.

7. Counterparts. This Agreement may be signed with counterpart signature pages or in any number of counterparts all of which taken together shall constitute the same Agreement. Delivery by a party via facsimile or PDF transmission of an executed counterpart signature page or an executed counterpart of this Agreement shall have the same binding effect on such party as a delivery by it of an original signature.

8. No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

Honorable City Council:

Re: Recommendation For Deferral. Address: 9975 Bishop. Name: Stanley Morgan. Demolition Ordered: June 24, 2014 (J.C.C. pgs. 1195-1208).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on June 10, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the 1st deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request for exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,  
DAVID BELL  
Director

A special inspection conducted on June 11, 2019 revealed that the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the 1st deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect

actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

**RESOLUTION**

By Council Member Benson:

WHEREAS, Pursuant to the Land Bank Fast Track Act, 2003 PA 258, MCL 124.751 to 124.774 ("Land Bank Act"), the Detroit Land Bank Authority ("Detroit Land Bank") was created as a separate legal entity and public body corporate in accordance with an Intergovernmental Agreement dated September 15, 2008, by and between the City of Detroit and the Michigan Land Bank Fast Track Authority ("Intergovernmental Agreement"); and

WHEREAS, The Detroit Land Bank was created in order to assemble or dispose of public property in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit; and

WHEREAS, The City and Detroit Land Bank are both governmental agencies with the immunities provided by Public Act 170 of 1964, as amended, Governmental Tort Liability for Negligence, MCL 691.1401 et seq., commonly known as the Governmental Immunity Act; and

WHEREAS, On April 28, 2014, the City authorized transfer of parcels owned by the City within the geographic limitations of the City that are identified as having a residential structure to the Detroit Land

Bank. The Detroit Land Bank can demolish the blighted structures, and develop, maintain, and resell those residential parcels to reduce blight in the City and strengthen and revitalize the economy of the City; and

WHEREAS, The Detroit Land Bank has requested the removal of demolition orders previously authorized in order to assist with the resale of residential properties and remove an impediment faced by new owners in the process to rehabilitate a residential property in the City of Detroit.

WHEREAS, The Detroit Land Bank shall manage and dispose of the properties in accordance with the purposes and objectives of both the Land Bank Act and the Intergovernmental Agreement. NOW, THEREFORE, BE IT

RESOLVED, The Detroit City Council shall remove demolition orders for residential properties that are associated with the Detroit Land Bank Authority.

**NEW BUSINESS**

**Taken from the Table**

Council Member Benson moved to take from the table an Ordinance to amend Chapter 24 of the 1984 Detroit City Code, *Health and Sanitation*, by adding Article XIV, *Greenhouse Gas Inventory*, to

include Section 24-14-1, *Purpose*; Section 24-14-2, *Definitions*; Section 24-14-3, *Municipal greenhouse gas emission benchmarks*; Section 24-14-4, *City-wide greenhouse gas emission benchmarks*; Section 24-14-5, *Municipal greenhouse gas assessment*; Section 24-14-6, *City-wide greenhouse gas assessment*; Section 24-14-7, *Annual report to City Council*, to assess the municipal and city-wide greenhouse gas emissions; and with the compiled data collected set forth attainable benchmarks, make strategic efforts to lower greenhouse gas emissions city-wide, and provide an annual report to City Council of progress made, laid on the table July 9, 2019.

The Ordinance was then placed on the order of third reading.

**THIRD READING OF ORDINANCE.**

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Adopted as follows:

Yeas — Council Members Ayers, Benson, Leland, McCalister, Jr., Sheffield, Spivey and President Jones — 7.

**Law Department**

July 1, 2019

Honorable City Council:  
 Re: Proposed Resolution Setting Residential Parking Permit Fees.

At the request of the Municipal Parking Department, the Law Department has prepared the above-referenced resolution for your consideration. Based upon the departmental fee study, the resolution sets forth the following: annual permit fee; reduced annual permit fee for senior citizens and individuals that receive or qualify for a partial or complete property tax exemption pursuant to Chapter 18, Article IX, Division 9, the City's Homeowners Property Tax Assistance Program; as well as daily visitor, transfer and administrative fees.

Please note that a proposed resolution setting the fee for the filing of the petition will be submitted under separate cover.

Respectfully submitted,  
 JULIANNE V. PASTULA

Senior Assistant Corporation Counsel  
 By Council Member Benson:

Whereas, The Detroit City Council enacted Ordinance No. 02-19 approving an amendment to Chapter 55 of the 1984 Detroit City Code, *Traffic and Vehicles; Article II, Enforcement, Division 2, Residential Parking Permits*, to modify the designation, implementation and enforcement process for residential parking permit areas; and

Whereas, Sec. 55-2-34, *Fees and replacement of permits*, at subpart (a) of Ordinance No. 02-19 requires that the Director of the Municipal Parking Department establish fees, including but not limited to an annual residential permit fee, daily visitor fee, and a reduced annual residential permit fee for senior citizens and individuals that receive or qualify for a partial or complete property tax exemption pursuant to Chapter 18, Article IX, Division 9, the City's Homeowners Property Tax Assistance Program. A transfer charge shall also be set for those with permits in one residential parking permit area who move to another residential parking permit area and apply for a permit in the new area of residence; and

Whereas, Sec. 55-2-34, *Fees and replacement of permits*, at subpart (b) of Ordinance No. 02-19 requires that the Director of the Municipal Parking Department establish the fees set forth in subpart (a) in accordance with Sec. 9-507 of the 2012 Detroit City Charter and that such fees shall be based upon the cost of issuance of such permits and administration of the residential parking permit area; and

Now, Therefore Be It Resolved, That pursuant to the foregoing, the Detroit City Council hereby approves a \$60.00 fee in accordance with Sec. 55-2-34 that shall be charged upon the granting of an annual residential parking permit and any subsequent renewals; and

Be It Further Resolved, That in accordance with Sec. 55-2-34, the Detroit City Council hereby approves a reduced annual residential permit fee of \$30.00 for senior citizens and individuals that receive or qualify for a partial or complete property tax exemption pursuant to Chapter 18, Article IX, Division 9, the City's Homeowners Property Tax Assistance Program, that shall be charged upon the granting of a residential parking permit and any subsequent renewals; and

Be It Further Resolved, That in accordance with Sec. 55-2-34, the Detroit City Council hereby approves a daily visitor fee of \$1.00 per use (annual limit of 30), a \$20.00 zone transfer fee, and a \$35.00 administration fee, that shall be authorized to be charged when applicable; and

Be It Finally Resolved, That a copy of this resolution shall be forwarded to the Mayor's Office, the Department of Public Works, and the Municipal Parking Department.

Adopted as follows:  
 Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.  
 Nays — None.

Re: Request to Accept and Appropriate the Knight Mobility Pilot Program Grant.

The John S. and James L. Knight Foundation has awarded the City of Detroit Department of Transportation, in partnership with the Mayor's Office, with the Knight Mobility Pilot Program Grant for a total of \$1,041,000.00. There is no match requirement. The total project cost is \$1,041,000.00. The grant period is January 1, 2019 through December 31, 2021.

The objective of the grant is to engage residents for three mobility pilot programs. The funding allotted to the department will be utilized to implement the following programs:

- Night Shift: a first mile/last mile ride-sharing pilot to help Detroiters working late at night get home quickly and safely from the bus stop.

- Car4You: a car-sharing public/private partnership pilot conducted in partnership with a community organization to enable car access for critical appointments such as job interviews and grocery trips.

- Micro-transit: an automated shuttle to help Detroiters get to work on time.

If approval is granted to accept and appropriate this funding, the appropriation number is 20653.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
RYAN FRIEDRICHS

**TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION PATTERSON DOG AND CAT HOSPITAL One Hundred Seventy-Five Year Anniversary**

By COUNCIL MEMBER CASTANEDA-LOPEZ, joined by PRESIDENT JONES and COUNCIL MEMBER McCALISTER:

WHEREAS, In 2019, Patterson Dog and Cat Hospital celebrates 175 years of service. The hospital, located at 3800 Grand River in the Woodbridge Community of Detroit, Michigan, is the oldest continuously-operated small business in Detroit and the oldest veterinary hospital in the country. The hospital was established in 1844 at 19 Griswold Street by James Patterson, an English immigrant. The practice served the city's draft horses and farm animals; and

WHEREAS, In 1909, James son, Elijah Patterson, took over the practice and moved it to an interim location before settling at the current Grand River location. The first floor could house 25 horses. Some patients arrived in a horse ambulance, now on display at The Henry Ford Museum's Greenfield Village; and

WHEREAS, The Patterson family practice was an integral part of the city's transportation history. When Detroiters transitioned from horses to cars, the practice gradually began seeing more pets. Elijah's son, James, took over the practice in 1926 and converted it into a small animal hospital with cat and dog kennels, labs and operating rooms. Patterson's history tells much of the city's story, from small-town farming and shipping community, through its rise as a world-class city, including its toughest years. Patterson Dog and Cat Hospital is registered as part of the National Historic District of Woodbridge; and

WHEREAS, In 1966, it was purchased by Eugene Miller, who modernized and maintained the operation until 1985, when the clinic's current owner, Dr. Glynnes Graham purchased the hospital. Dr. Graham was no stranger to the practice having worked there since she was 15. Dr. Graham reports in recent years the hospital has seen an increase in visits in response to Detroit's resurgence. The surge in new visitors has lead the practice to expand hours and hire a second full-time veterinarian; and

WHEREAS, A historic marker for Detroit's oldest business, Patterson Dog and Cat Hospital, will be dedicated during a block party on July 20, 2019 celebrating 175 years worth of the highest quality, compassion-driven veterinary care for dogs and cats. NOW, THEREFORE BE IT

RESOLVED, Council Member Raquel Castaneda-Lopez and her colleagues on the Detroit City Council celebrates with the Patterson Dog and Cat Hospital and staff on 175 years of commitment to the City of Detroit. Thank you for providing the very best care for the dogs and cats of Detroit.

#### **PRESIDENT'S REPORT ON STANDING COMMITTEE REFERRALS AND OTHER MATTERS**

##### **BUDGET, FINANCE AND AUDIT STANDING COMMITTEE**

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEMS ARE TO BE REFERRED TO THE BUDGET, FINANCE AND AUDIT STANDING COMMITTEE:

##### **LAW DEPARTMENT**

1. Submitting report relative to Supplemental Opinion on Special Assessments. **(There is no legal support for an ordinance that would extract individual parcels located within a special assessment district that receive the benefit of the service or improvement that is the premise of that special assessment district from that particular levy. The foundation of a special assessment district is that all of the parcels within that district receive a benefit from the special assessment levy that is distinguishable from general property taxes or a municipality-wide special assessment so that those parcels within the district are responsible for the levy while property outside of that district are not. The cost of the benefit is apportioned to every property in the district based on the value of the improvement (or service) to that property. In fact, most properties exempt from ad valorem or general property taxes are specifically not exempt from a special assessment levy, this includes certain government property.)**

##### **OFFICE OF THE CHIEF FINANCIAL OFFICER**

2. Submitting reso. autho. 4. Submitting report relative to Benchmark Comparison of the City of Detroit's 2018 Comprehensive Annual Financial Report (CAFR) with Other Cities. **(The Legislative Policy Division (LPD) compared the City's fiscal year 2018 Government Wide Statement of Net Position (i.e., balance sheet) and Statement of Activities for Governmental Activities (i.e., income statement) with other Cities including: Flint, Michigan; Memphis, Tennessee; Louisville, Kentucky; Grand Rapids, Michigan; Boston, Massachusetts; Portland, Oregon; Charlotte, North Carolina; and Kansas City, Missouri. Most of the cities chosen were comparable in size to Detroit. Grand Rapids was chosen because it is the State of Michigan's second largest City and in good financial condition. Flint was chosen because it has similar challenges as Detroit. We also chose a mix of cities that were either in good or poor fiscal health for comparative purposes.)**

37. Submitting report relative to Squatting Report. (On July 9, 2019, Council Member Roy McCalister, Jr., requested the Legislative Policy Division (LPD) provide an analysis of the rights' of squatters, property owners and landlords when real property is occupied by persons who lack ownership rights or interest in that property.)

38. Submitting report relative to Hospital Parking Fees Analysis. (LPD was tasked by Councilman Tate to provide a report regarding hospital parking fees and City Council's authority to mandate free parking for patients. Parking fees have historically varied greatly depending on ownership, location, and the size of a hospital. Hospitals in suburban and rural areas typically provided free parking for the general public. Unfortunately, urban hospitals are more likely to charge parking fees because urban areas have the opposite circumstances, i.e. higher land acquisition costs, less available buildable land and lack of available free parking.)

39. Submitting report relative to Creating a "Kiosk Free Zone" Prohibiting Installation on Specific Thoroughfares. (Councilmember Roy McCalister, in a memo, requested that the Legislative Policy Division provide answers to the City Council for several issues questions related to Creating "Kiosk Free Zones," and prohibiting their installation.)

40. Submitting report relative to Cost Recovery Fee. (The Legislative Policy Division was requested to provide a report on the potential of creating cost recovery fees for the Detroit Fire Department. The department and your Honorable Body has already undertaken the analysis and adopted cost recovery fees. A copy of the policy and resolution approved by this Body has been attached.)

41. Submitting report relative to Response to Questions Regarding Dynamic Parking and Price Gouging. (The Legislative Policy Division (LPD) provides the following memorandum in response to questions from Council Member McCalister, Jr., concerning the City's regulation of private and public parking facilities.)

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 6118 Lawton. Name: 6106 Lawton LLC. Demolition Ordered: September 4, 2018 (J.C.C. pages \_\_\_\_\_).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on June 29, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress

Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Honorable City Council:

Re: Recommendation for Deferral Address: 2212 Lothrop. Name: Brian Conklin. Demolition Ordered: November 7, 2005 (J.C.C. pages \_\_\_\_\_).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on June 26, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

## NEW BUSINESS

### RESOLUTION

By Council Member McCalister, Jr.:

Resolved, That the September 11, 2019, meetings of the Detroit City Council Internal Operations Standing Committee and the Budget, Finance and Audit Standing Committee, as well as the September 12, 2019, meetings of the Planning and Economic Development Standing Committee and the Neighborhood and Community Services Standing Committee will be canceled because a quorum of committee members will not be present.

The committees will reconvene on their next regularly scheduled meeting dates.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

Council Member McCalister, Jr. moved the following resolution on behalf of Council President Jones:

### RESOLUTION TO AFFIRM SUPPORT IN THE PROTECTION OF THE FEDERAL COMMUNITY REINVESTMENT ACT

By COUNCIL PRESIDENT JONES:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

WHEREAS, The Community Reinvestment Act (the "CRA") was enacted on October 12, 1977, to remedy the once common discriminatory practice of "redlining" by financial institutions of

drawing a red line on a map around the neighborhoods where they had not offered financial services; and

WHEREAS, Prior to the CRA's enactment, redlining made it nearly impossible for low and moderate-income Americans, racial and ethnic minorities, and their neighborhoods to access credit services, such as mortgages and business loans, regardless of their qualifications or credit-worthiness; and

WHEREAS, The CRA establishes a regulatory regime for monitoring the level of lending, investments, and services in low and moderate-income neighborhoods traditionally underserved by lending institutions, and examiners from the Federal Office of the Comptroller of Currency, the Federal Deposit Insurance Corporation, and the Federal Reserve Board assess and "grade" the activities of lending institutions in low and moderate income neighborhoods; and

WHEREAS, Under the CRA regulated financial institutions have continuing and affirmative obligations to help meet the credit needs of the local communities in which they are chartered; and

WHEREAS, Despite the CRA's impact, discrimination in lending remains a problem. Agency examiners' findings that a financial institution is not serving moderate income neighborhoods may result in the delay or denial of such institution's request to merge with another lender, to open a branch, or expand any of its other services, or conditionally approve a merger application subject to an institution's meeting specified improvements in lending or investment services in low- and moderate-income neighborhoods, and its CRA grade may be downgraded if evidence of illegal, abusive, or discriminatory lending on their fair lending exams is found; and

WHEREAS, According to analysis of bank lending data by the National Community Reinvestment Coalition (NCRC), since 1996 CRA-covered banks issued more than \$25 billion small business loans in low and moderate income tracts, totaling more than \$1 trillion, and \$980 billion in community development loans that support affordable housing and economic development projects benefiting low- and moderate-income communities; and

WHEREAS, The annual dollar amount of community development loans increased 442 percent from \$17.7 billion in 1996 to \$96 billion in 2016; and

WHEREAS, Studies have found that CRA-covered home lending is safer and sounder than non-CRA covered lending; when a larger share of lending is issued by CRA-covered banks than by independent mortgage companies, a neighborhood experiences lower delinquency rates and less risky lending; and

WHEREAS, Despite the tremendous benefits of the CRA to communities, the

full potential of CRA has not been realized because it hasn't been updated to take into account changes in the banking industry and the economy, and independent mortgage companies not covered by CRA now make more than 50 percent of the home mortgage loans in the United States and financial technology companies not covered by CRA operating via the internet are rapidly increasing their lending; and

WHEREAS, In addition to the need to modernize CRA, there are real concerns to be addressed that some federal regulators intend to take steps that will substantially weaken the CRA; and

WHEREAS, A recent forecast from the NCRC, projects that a weakening of the CRA could reduce lending in low and moderate-income communities up to \$105 billion over five years — \$139 million in US Representative Brenda Lawrence's district and \$1.9 billion in Michigan overall. The forecast calculated likely losses in both small business and mortgage lending in every census tract in the nation; and

WHEREAS, Detroit's residents are still experiencing the negative impact of redlining in that the same communities that were prevented from obtaining mortgage loans are still experiencing little to no lending; and

WHEREAS, A modernized CRA should expressly provide that covered financial institutions are obligated to fairly serve all races and ethnicities, and banks that engage in large-scale illegal and harmful activities should fail their CRA exams; and

BE IT RESOLVED, That the Detroit City Council support efforts aimed at modernizing the CRA by: expanding its application to non-banking institutions such as mortgage companies, financial technology companies, and credit unions; implementing a clearly-defined grading system that emphasizes lending, bank branches, fair lending performance, and responsible loan products for working class families; holding financial institutions accountable for not passing CRA exams or seeking to merge with an institution with a higher CRA grade, encouraging community benefits agreements and other efforts to motivate financial institutions to increase lending and investment in traditionally underserved communities, as well expand the scope of financial services they provide; and

BE IT FINALLY RESOLVED, That the Detroit City Council opposes rulemaking that would in any way undercut the Community Reinvestment Act intent to reduce illegal redlining practices and make loans more accessible to poorer communities; and

NOW, THEREFORE BE IT FINALLY RESOLVED, That copies of this resolution be forwarded to the Mayor, the Governor,

the U.S. House Committee on Financial Services, the U.S. Senate Committee on Banking, Housing and Urban Affairs and to all U.S. Congressional delegates from Michigan.

**Department of Public Works  
Administration Division**

August 28, 2019

Honorable City Council:

Re: City of Detroit, Department of Public Works, request to install approximately four (04) banners along Livernois Ave. from South of Margareta Ave. and East and West of W. Seven Mile Rd. at Livernois Ave. to promote businesses within the footprint of the Livernois Streetscape Project.

The Department of Public Works, Traffic Engineering Division has no objections to the placement of banners provided that the banner installation is in compliance with the banner policy adopted by your Honorable Body on November 30, 2001, and subject to the following conditions:

1. **Four (04)** banners are to be located along Livernois Ave. South of Margareta Ave. and East and West of W. Seven Mile Rd. at Livernois Ave.

2. The duration of banner installation shall be from September 3, 2019 through September 1, 2020.

3. Banners shall not exceed thirty-two (32) inches in width by ninety-four (94) inches in height and should be acrylic or vinyl with standard slitting (also called "Happy Faces").

4. Banners shall be affixed to allow minimum of (15) feet clearance from walkway surface.

5. Banners shall not include flashing lights that may be distracting to motorists.

6. Banners shall not have displayed thereon any legend or symbol which is or resembles, or which may be mistaken for a traffic control device, or which attempts to direct the movement of traffic.

7. Commercial advertising is strictly prohibited on all banners; including telephone numbers, mailing addresses, and web site addresses.

8. A sponsoring organization's logo and/or name may be included at the bottom of the banner in a space no more than ten (10) inches in height by thirty (30) inches in length, and letter size shall be limited to four (4) inch maximum and placed at the bottom of the banner.

9. Sponsoring organizations may not include messages pertaining to tobacco and related products, alcoholic beverages, firearms, adult entertainment or sexually explicit products, or political campaigns.

10. Sponsoring organizations may not include legends or symbols which may be

construed to advertise, promote the sale of, or publicize any merchandise or commodity, with the exception of sponsorship as described in the banner policy (see section 9 of the policy).

11. Banner placement must be a minimum of 120 feet or every other pole apart, whichever is greater, including banners that may exist at the time of the installation and is limited to a two thousand (2000) feet radius area of the event location or within the stated organization's boundaries.

12. The design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic.

13. The petitioner *SHALL* secure an approval from Public Lighting Department to use their utility poles to hang the banners, if required.

14. The petitioner *SHALL* secure Right of Way permit from City Engineering Division every time the banners are changed/replaced.

If deemed appropriate by the City of Detroit, The City reserves the right to have the banners removed by the Petitioner at the Petitioner's cost prior to expiration date.

Respectfully Submitted,  
**RON BRUNDIDGE**  
Director

By Council Member Benson:

Resolved, That in accordance with the foregoing communication, four (4) banners are approved for installation along Livernois Ave. South of Margareta Ave. and East and West of W. **RESOLUTION IN MEMORIAM  
LOREISS DELORES SISCO**

**MAY 23, 1929 — JULY 19, 2019**

By Council Member Castaneda-Lopez:

WHEREAS, Lorieless Delores (Boyd) Sisco was born May 23, 1929 to the union of the late Irene Thomas and Henry Boyd in Mobile, Alabama. She is the oldest of twelve children; and

WHEREAS, Lorieless completed her educational studies at the local school system. At the age of eighteen, she met and married the love of her life, Ernest T. Sisco, Jr. The loving couple migrated north to Detroit, Michigan in the 1940's to take advantage of the opportunities in the auto industry; and

WHEREAS, The couple originally lived on Maybury Grand, before the houses were bought out for the expansion of what is now I-94. Later they moved to 3845 Vinewood in 48208 where she would raise her eight children and enjoy her golden years; and

WHEREAS, Lorieless was a successful homemaker and house wife for twenty years before entering the workforce and ultimately retiring in the mid 1990's as a Nurse's Aide at the Eastwood Convalescent Center. Her experience raising her eleven brothers and sisters in the south and her own eight children gave her the knowledge, compassion and discipline to make her a valued family matriarch, community member and employee; and

WHEREAS, Loreiss Delores Sisco, eldest sibling of twelve, mother of eight, grandmother of twenty and great-grandmother of eleven, made her transition peacefully on Friday, July 19, 2019, surrounded by family who loves her dearly. She will be missed by a host of family, friends and connections she made throughout her full and lively lifetime. THEREFORE BE IT

RESOLVED, Council Member Raquel Castaneda-Lopez and the entire Detroit City Council extend our sincere sympathy to the family, friends and community of the late Loreiss Delores Sisco. Our thoughts and prayers are with you as you cherish her memory and continue to build her legacy.

**TESTIMONIAL RESOLUTION  
FOR**

**CRAIG MONROE  
Detroit Tigers**

**2019 Willie Horton African-American  
Legacy Award Recipient**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBERS LELAND AND SHEFFIELD:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon former Detroit Tigers player, Craig Monroe, the 2019 recipient of the Willie Horton African-American Legacy Award; and

WHEREAS, Craig Monroe, nicknamed "C. Mo" was born on February 27, 1977, in Texarkana, Texas. He was drafted by the Texas Rangers in the eighth round of the 1995 Major League Baseball Draft. On July 28, 2001, at the age of 24, Monroe hit a home run in his first major league game for the Texas Rangers, contributing to a 2-0 victory over the Tampa Bay Devil Rays. On February 1, 2002, Monroe joined the Detroit Tigers organization. Playing his first full season in 2003, he hit 23 home runs. Monroe hit a grand slam home run on July 19, 2006, in a game against the Chicago White Sox which was decisive in the Tigers 5-2 win. He described it as "by far the biggest one

I've ever hit." Monroe led the Tigers in their World Series season of 2006 with a career-high of 28 home runs. He also hit five home runs in the postseason. Monroe topped 20 home runs in the Majors three times — 2003, 2005 and 2006 — all with the Detroit Tigers. He tied the Tigers career postseason record of five set by Hall of Famer Hank Greenberg. During his off-the-field time with the Tigers, Monroe was involved with several Greater Detroit community organizations: Gloves for Kids, Tigers Dreams Come True and the Autographed Memorabilia Donation Programs. He also visited with youth at local schools; and

WHEREAS, Monroe played nine seasons in the Majors. He spent six seasons with Detroit and one year with Minnesota, Pittsburgh, Texas and Chicago (NL). Monroe played in 814 games in his career, hitting .252 with 115 home runs and 433 RBIs. Craig Monroe played his final game on June 16, 2009; and

WHEREAS, The Detroit Tigers have enjoyed a long history of achievement by African-American players. The exploits of African-American stars like Craig Monroe have thrilled and inspired generations of Tigers fans. The Willie Horton African-American Legacy Award presentation is the culmination of the Tigers' annual Negro Leagues Weekend. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with the Detroit Tigers and loyal fans in honoring Craig Monroe for his contributions to the legacy of African-Americans in baseball in the City of Detroit and across the country.

DETROIT POLICE DEPARTMENT**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBERS AYERS, MCCALISTER, JR. AND LELAND:

WHEREAS, On July 26, 2019, Deputy Chief Elvin V. Barren, assigned to the Neighborhood Policing Bureau-East, will retire from the Detroit Police Department after over twenty-one (21) years of dedicated service to the citizens of the City of Detroit; and

WHEREAS, Deputy Chief Barren was appointed to the Detroit Police Department on July 6, 1998. Upon completion of the Detroit Police Academy, Officer Barren was assigned to the Tactical Services Section. On June 14, 2006, Officer Barren was promoted to the rank of Sergeant. His assignments included the

Central District, Chief's Staff, Gaming Special Operations, the Copper Theft Task Force, Patrol Operations Bureau and Special Projects. During his tenure as a Sergeant, Barren developed keen managerial and command skills. On December 21, 2010, Sergeant Barren was promoted to the rank of Lieutenant and assigned to Tactical Support. Lieutenant Barren also served as the acting Inspector of Tactical Support. He continued to refine his leadership and was subsequently promoted to the rank of Commander on October 7, 2013. Commander Barren was assigned to the Downtown Services Division with responsibility for monitoring the daily operations of downtown precincts, the sports venues, entertainment district, also organizing and executing the coordination of major events. He also assumed command of the Metropolitan Division and Organized Crime Unit; and

WHEREAS, In recognition of his distinguished service, Commander Barren was elevated to the rank of Deputy Chief on September 5, 2017. In this capacity, Deputy Chief Barren was responsible for overseeing the day-to-day operations of the Neighborhood Policing Bureau-East, the Metropolitan Division and Downtown Services Division. Deputy Chief Barren provided effective quality control and leadership mentoring to all of the patrol entities under his command; and

WHEREAS, During his illustrious career, Deputy Chief Barren was the recipient of many departmental awards, including the Lifesaving Award, Chief Merit Award, Perfect Attendance Award, the Ford Fireworks Award, Rosa Parks Funeral Award, MLB All-Star Game Award, NFL Super Bowl Award, the Conclusion of Confinement Award, Conclusion of Consent Judgement Award and the Four-Year Degree Award. Deputy Chief Barren has received numerous citations, letters of appreciation, and commendations from the department, other agencies and citizens. Deputy Chief Barren is currently pursuing a Master's of Science degree in Criminal Justice at Bowling Green University with an expected completion date of December 2019. He obtained a Bachelor's of Science degree in Public Administration from Central Michigan University and Associate's degree in Law Enforcement Administration from Wayne County Community College. He also served as an Operations Specialist in the United States Navy for eight years and received an honorable discharge. Deputy Chief Elvin Barren has served the Detroit Police Department and the citizens of Detroit with loyalty, integrity and professionalism. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda

Jones recognize and commend Deputy Chief Elvin Barren for his positive contributions to the Detroit Police Department; working to ensure the safety and well-being of the citizens of Detroit; and twenty-one years of dedicated law enforcement service.

#### TESTIMONIAL RESOLUTION FOR

#### MR. CHARLIE PRITCHETT

#### *"Celebrating Your 70th Birthday"*

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBER McCALISTER, JR.:

WHEREAS, On July 24, 2019, Mr. Charlie Pritchett will attain the age of seventy years. The members of the Detroit City Council would like to publicly acknowledge this important event in his life; and

WHEREAS, Charlie Pritchett was born on July 24, 1949, in Camden, Alabama. He received his adolescent education in the Detroit Public Schools system, graduating from Charles E. Chadsey High School in 1968. Charlie was drafted in the United States Army in 1969 and served a tour in Vietnam. He was honorably discharged in February 1972; and

WHEREAS, Charlie worked a few years at Chrysler, then began a new chapter in his life with the City of Detroit. On October 30, 1972, Charlie was admitted to the Detroit Fire Academy as a Fire Cadet. He graduated from the academy and continued his probationary period through extensive training at Engine Company 33. After completing additional strenuous training at various fire houses, Charlie graduated and joined the ranks of public service as a Detroit Firefighter on April 30, 1973; and

WHEREAS, Charlie always displayed a strong work ethic, dedication and commitment to excellence. He rose through the ranks and was promoted to Fire Marshall on May 2, 2006. During his tenure of more than 30 years with the Detroit Fire Department, Charlie received many honors and awards, including a unit commendation for rescuing an unconscious child from a fire at 492 Lenox Street; and

WHEREAS, Charlie is a great Husband, Father, Papa, Brother, Uncle and Friend. He is a dedicated, humble, and responsible man who demonstrates his love for God, family and friends in his daily walk through life. Charlie is a Deacon and Financial Secretary at Grace Gospel Church of Detroit. Since his move to North Carolina, he attends Mt. Zion Church of Cary. He is also a member of the Northwest Detroit Optimist Club and received the "Optimist of the Year" award for 1993-1994. Charlie's favorite words of wisdom

are: "Don't worry about things you cannot change." NOW, THEREFORE BE IT RESOLVED,

That the Detroit City Council and Council President Brenda Jones congratulates and honors Mr. Charlie Pritchett upon the grand occasion of his 70th Birthday. We extend to him best wishes for continued health and happiness!

**TESTIMONIAL RESOLUTION  
FOR  
WAYNE STATE UNIVERSITY  
POLICE CHIEF ANTHONY HOLT  
40 Years of Dedicated Service**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBERS AYERS, CASTANEDA-LOPEZ, LELAND, MCCALISTER, JR. AND SHEFFIELD:

WHEREAS, In April 2019, Chief Anthony Holt celebrated his 40th anniversary with the Wayne State University Police Department. A native Detroiter and son of a church minister, Holt has deep roots in the Midtown/Cass Corridor area that stretch back at least 50 years. His first job as a college student was working at a full-service gas station on the corner of Second Avenue and Alexandrine. He also lived in the area on Prentis Street. Holt joined the Wayne State police force after graduating from Wayne State with a sociology degree. His tenure extends to the late 1970s, when the Wayne State police force was a mere third of its current size. Holt rose through the ranks to become chief in 2008; and

WHEREAS, Chief Holt's view of community policing is relatively simple; an effective police force must be an essential part of the community. In 2011, the launching of Live Midtown challenged Chief Holt with a broader definition of his department's place and mission. He reorganized the department's resources, which were primarily devoted to the main campus and extended the boundaries. Holt focused 80 percent of his resources on policing the perimeter of the campus to increase public safety on the campus and in the surrounding neighborhoods. Chief Holt works relentlessly to analyze crime, establish partnerships, and involve the community. The department collaborates with multiple levels of law enforcement, including the Henry Ford Health System, Detroit Police, the Wayne County Sheriff, Detroit Medical Center police, and others. Chief Holt has brought in a different method of policing, using Compstat data-driven technology, surveillance cameras, and other high-tech devices. The campus police use the data to track crime reports, plot incidents on maps and zero in on pat-

terns so decisions can be made on how to eliminate "hot spots" of criminal activity. At Wayne State, the crime-fighting initiatives are working — the force's quick response times and commitment to public safety have created an increasing counterweight to crime in the area; and

WHEREAS, Chief Anthony Holt is widely respected throughout the law enforcement community as a disciplined leader and consummate professional with the proven ability to deliver results. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones, hereby congratulates and commends Chief Anthony Holt for his significant contributions to the Wayne State University Police Department and the City of Detroit.

**TESTIMONIAL RESOLUTION  
FOR  
COMMANDER JOSEPH R. BRUNSON  
"Congratulations on your Retirement"  
United States Navy**

By COUNCIL PRESIDENT JONES, joined by COUNCIL MEMBER MCCALISTER, JR.:

WHEREAS, On Thursday, August 1, 2019, Commander Joseph R. Brunson, retired from the United States Navy, after more than 20 years of honorable service to this great country. He was born and raised in the city of Detroit. Commander Joseph R. Brunson was educated in the Detroit Public Schools System, graduating from Redford High School in 1999; and

WHEREAS, Upon his graduation, Commander Joseph R. Brunson left home and headed to the United States Naval Academy Preparatory School in Newport, Rhode Island, with intentions of attending and graduating from the United States Naval Academy. After some extremely hard work, determination and perseverance, Joseph successfully completed his mission. He graduated from the Naval Academy with a Bachelor of Science Degree in Mathematics; and

WHEREAS, After numerous assignments and naval tours of duty, he was selected and attended Naval Flight School, earning his wings in September 2001. Commander Joseph R. Brunson has been a Naval Aviator since that date, piloting the Navy's P3 Surveillance Plane. He has also earned a Master's Degree and he is currently pursuing his PhD; and

WHEREAS, During his tenure in the navy, Commander Joseph R. Brunson has traveled the globe. He has never

abandoned his Detroit roots, traveling back home on numerous occasions to support not only his family members and friends in their own endeavors, but also to attend various Detroit functions; and

WHEREAS, Commander Joseph R. Brunson returned home to recruit for the United States Navy, and also to give of his time to provide mentorship and guidance to other young people, who may be interested in a military career, or who simply want to talk and get some advice on how to succeed in life. NOW, THEREFORE BE IT

RESOLVED, That Council President Brenda Jones and the Detroit City Council, along with family and friends, would like to take this time to extend Congratulations to Commander Joseph R. Brunson on this wonderful occasion. May God grant you every success now and in the years to come!

## RESOLUTION IN MEMORIAM TIMOTHY MICHAEL MARTIN

June 15, 1977 — July 22, 2019

By Council Member Leland:

WHEREAS, Timothy Michael Martin was born to Alice Marie Martin and the late Emmanuel King in Detroit, Michigan. He was the second of nine children and the first-born son; and

WHEREAS, Timothy was a very happy and personable child. He constantly kept everyone laughing and always wore his signature, "*larger than life*" smile; and

WHEREAS, Timothy was raised in a God-fearing home and accepted Christ as his personal savior at an early age. He was baptized under the pastorate of Rev. Eddie Cole of Christian Union Missionary Baptist Church. He served on the Junior Usher Board and was a member of the "Pastor's Specials" Youth Choir and Inspirational Choir of Christian Union. Timothy was also an active member of the Youth Department of Prospect Baptist District Association; and

WHEREAS, Timothy served on the Junior Usher Board and was a member of the "Pastor's Special" Youth Choir and Inspirational Choir of Christian Union. Timothy was also an active member of the Youth Department of Prospect Baptist District Association and involved in numerous community outreach projects through church and school; and

WHEREAS, Timothy showed musical interests when he was very young. He showed interest in several instruments, playing trumpet in middle school. He was also fond of singing. He was not only talented, but smart. Tim was an extremely astute young man and was accepted into Cass Technical High School where he excelled in his studies; and

WHEREAS, Tim lost his father at the age of eight, and his uncles were committed to supporting his mother by helping to instill in him a sense of family and teaching him what it means to be a real man, husband and father. Tim had special people such as Uncle Walter Chris, Aunt Pam, Uncle Paul and Aunt Tina Martin who were instrumental in the raising, nurturing and caring for Tim during his teen years; and

WHEREAS, Tim united with Second Ebenezer Church during his teen years under the leadership of Bishop Edgar Vann. Under Bishop Vann's tutelage, Tim served on the Bus and Security Ministries alongside his uncle James and also sang with the "Majestic Voices." Tim always happily gave of himself in whatever capacity he was needed; and

WHEREAS, Tim, a hard worker doesn't begin to describe his work ethic. He started his first job at the age of 14, working for the City of Detroit's youth jobs program. During his career he worked in security at Huntington Bank, as a cook at IHOP and

Mark IV. He was an interstate driver for Swift Trucking Company and for the past ten years served as a popular Smart Transportation bus driver primarily serving the Gratiot route from Detroit through Macomb County; and

WHEREAS, Timothy married Sherlonda Hall in 2005 and to this union two delightful boys were born, Aiden Ra'saan and Ashton My'kal. God later blessed Timothy and Ciara McCord with two precious sons, Amari Josiah and Amir DeSean. He proudly and lovingly referred to his sons as the "A Team." In case you missed it, all their names begin with "A"; and

WHEREAS, Tim and the A team were always taking part in all kinds of educational, interactive and stimulating activities, no matter the time of year. Anyone who knew anything about Tim, knew that his sons were his whole world; and

WHEREAS, Timothy had an extraordinary and broad support system that began with his mom and grandmother, Augustine Martin, his Godmother Deborah Strouse, who preceded him in death. Tim garnered support and love throughout the years from his Christian Union and Second Ebenezer church families, his awesome work family at Smart Transportation and his siblings with whom he had an amazing bond, as well as a host of others that adopted him as their own. Tim was received and loved by everyone that was blessed to cross his path; and

WHEREAS, In the past year the Lord showered Tim with the unconditional love he had long hoped for when he met his soul mate and fiance LaSha Harris; and

WHEREAS, Tim was loved by his mother and family, "Beyond Words," God loved him best. He leaves to cherish his memory, his mother, Alice (Donnell Sr.); Grandmother, Augustine (Ester, who preceded him in death); his children, Aiden, Ashton, Amari, and Amir; his siblings, Toni, Tiffany (Marcrease), Teresa, Tramaine, Terrell (Mytoshini), Terrance (Shada), Tamia and Trevion; his nieces, Zahara, Kaydreana, Kennedy, Lauryn, Makayla, Brooklyn, Amya; his nephews, Kenneth Jr., Darell III, and Terrell Jr.; six special cousins, C.J., Shantinique, Justin, Joffry, Tylei, and Kingston; his Godmother, Wanda Jones and a host of other relatives and friends. NOW, THEREFORE, LET IT BE

RESOLVED, That Councilman Gabe Leland and Members of Detroit City Council hereby join family and friends in celebrating the life of *Timothy Michael Martin*. May the memories of his love, faith, and hard work be cherished always and may it continue to fill the hearts of so many who love him.

**TESTIMONIAL RESOLUTION  
FOR  
WELCOME HUNT FAMILY REUNION  
August 8 - August 11, 2019**

By Council Member Tate:

WHEREAS, In the late 1800's when family patriarch Reverend Henry James Hunt was born in Bostic, North Carolina in 1891. Meeting the former Maggie Davis, they married in 1915 as they were both sharecroppers and settled in McAlpin, West Virginia. To this union 11 children were born and the family worked and lived in a coal mining culture in West Virginia. Reverend Hunt during that time, founded the Patterson Temple church in 1926; and

WHEREAS, Rev. Henry and Maggie and some of their children migrated from West Virginia and World War II to the City of Detroit, Ohio, and Pennsylvania, with some remaining in West Virginia. The five sons moved to Detroit in the early 1950's in hopes of becoming employed with the booming auto industry; and

WHEREAS, The descendants of Rev. Henry and Maggie Hunt are the Williams, McCrays, Deberry, Kincaid, Morrow and Woods. The Hunts proudly represent a family of public servants, pastors, educators, doctors, business owners, lawyers, entrepreneurs, career military, sports and entertainment professionals, auto industry and adults of all walks of life, who live and serve the communities in which they reside. Our descendants expand five generations. Our family motto is, "We've Come This Far by Faith". The center of our lives has been our commitment to God and family. Coming together as a family annually since its beginning in 1972, establishes the Hunt Family Reunion as one of the longest standing traditions of our family. The Detroit family proudly host this year's reunion with family members traveling from Atlanta, Cincinnati, Chicago, Baltimore, Philadelphia, Charleston, WV, and Charlotte, NC, with the theme of #MotownStyle and honors the importance of the City of Detroit in the history of the Hunt Family; NOW, THEREFORE BE IT

RESOLVED, That on this, 8th day of August, in the year 2019, Councilman James E. Tate, Jr. and the entire Detroit City Council welcome all members of the Hunt family as you gather for festive activities and reflect on the legacy of generations past. You should be proud of your family heritage, keep it strong and pass the history and wisdom onto future generations.

Honorable City Council:

Re: Proposed Ordinance to Repeal the 1984 Detroit City Code and to Adopt the 2019 Detroit City Code.

In accordance with Section 5b of the Michigan Home Rule City Act, being 117.5b, the Codification Coordination Committee, through the Office of City Clerk, is transmitting a proposed ordinance to repeal the 1984 Detroit City Code and to adopt the 2019 Detroit City Code, which I have approved as to form. In accordance with Section 3(k) of the Michigan Home Rule City Act, being 117.3(k), a true copy of this proposed ordinance can be inspected or obtained at the Office of the City Clerk. In addition, a copy of the Proposed 2019 Detroit City Code can be reviewed at the Office of Detroit City Clerk, 200 Coleman A. Young Municipal Center, Two Woodward Avenue, Detroit, Michigan and an electronic copy of the Proposed 2019 Detroit City Code can be reviewed at:

[https://www.municode.com/webcontent/14037/Proposed\\_2019\\_Detroit\\_City\\_Code.pdf](https://www.municode.com/webcontent/14037/Proposed_2019_Detroit_City_Code.pdf)

The Committee requests that, on July 16, 2019, your Honorable Body refer the proposed ordinance to the Internal Operations Standing Committee for a discussion on July 17, 2017 so that, if it so chooses, the Committee may move the proposed ordinance to the July 23, 2019 Formal Session Agenda for introduction and the scheduling of a public hearing. These actions will enable a public hearing and vote on the proposed ordinance to take place upon return from your Summer Recess. Under this time frame, the 2019 Detroit City Code may be approved by the Mayor and become effective, as provided for in the ordinance, on October 1, 2019.

The resolution of the City Council, which established the Codification Coordination Committee, named the Corporation Counsel, the City Clerk, and the Director of the Legislative Policy Division (formerly Research and Analysis Division) as ex officio members, appointed the Corporation Counsel as Chair, and authorized two appointments by the Mayor and by the

City Council. Subsequently, the Mayor appointed two members while the City Council appointed one member. The below signatures of the other two ex officio members, the City Clerk and the Director of the Legislative Policy Division, as well as your appointee and the Mayor's two appointees, affirm, in their official capacity, that they are in agreement with the contents of the proposed 2019 Detroit City Code.

Thank you for your attention to this matter. We look forward to appearing both at any discussion and at the public hearing to respond to any questions.

Respectfully,  
LAWRENCE T. GARCIA  
Corporation Counsel

Re: Williams, Jeffrey vs. City of Detroit.  
Case No: 18-002618-NF. File No: L18-00140 PH.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Five Thousand Dollars and No/Cents (\$5,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Five Thousand Dollars and No/Cents (\$5,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Jeffrey Williams and his attorney, Law Offices of Brian E. Muawad, PC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 18-002618-NF, approved by the Law Department.

Honorable City Council:

Re: Victor Stanley, Inc. vs. SCH Enterprises, Mark Pappas and COD. Case No: 18-002944-CZ. File No: L19-00017 CNR.

In late 2017, the City, via DPW, issued a purchase order to procure 1,500 waste receptacles to place throughout the City as part of the City's efforts to combat blight. SCH Enterprises ("SCH") was the selected vendor. The City agreed to pay \$650 per receptacle for a total price of \$975,000. The City did not know that a company called Victor Stanley, Inc. ("VSI") had a judgment against SCH for more than \$3 million.

SCH was supposed to deliver all 1,500

receptacles by early 2018, although the City initially asked that deliveries be delayed due to space concerns. SCH began deliveries in dribs and drabs. And shortly after deliveries began, VSI issued a garnishment to the City to collect VSI's \$3+ million judgment against SCH. The garnishment required the City to issue to VSI all payments due to SCH for delivery of receptacles.

Initially, the City did properly pay \$108,099 to VSI under the garnishment. However, due to some miscommunications the City paid \$110,000 to SCH in error when those funds should have been paid to VSI under the garnishment. That erroneous payment exposed the City to duplicative liability — i.e., a claim by VSI that the City was obliged to pay that amount a second time, this time to VSI. That serious error has been fully discussed with the OCFO and should never happen again. The law department ultimately terminated SCH's contract for failure to deliver under the contract. SCH ended up shipping receptacles with a contract price of \$79,000 for which the City did not pay because of SCH's breach.

VSI asserted a claim against the City for (i) the \$110,000 that was paid in error to SCH, and (ii) the \$79,000 that the City did not pay to anyone on the grounds that SCH had breached its contract. VSI's total claim against the City was \$189,000. In a recent facilitation, the law department agreed, subject to City Council approval, to resolve that claim for \$93,500.

This was a difficult and messy case. But the bottom line was this: The City received a total of 630 containers from SCH. At the contract price of \$650 each, the City should have paid \$409,500. Instead, including all payments made to SCH and VSI, and the settlement payment of \$93,500, the City will pay a total of \$429,500.

In short, the City resolved a potential exposure of \$189,000 to VSI for roughly \$20,000. Moreover, DPW has rebid the waste receptacle contract. Although the replacement receptacles are not as heavy duty as those supplied by SCH, the replacement receptacles meet the City's specs and are considerably less expensive — \$423 each vs. \$650 for the SCH receptacles. So the City will emerge from this mess in the black.

The law department believes this is an excellent resolution and strongly recommends it to City Council

Honorable City Council:

Re: The Realty Company vs COD. Case No: 17-015291-CZ. File No: L17-00722 CNR.

The Realty Company (TRC) owns real estate upon which Gene's Towing operates. For many years DPD stored "evidence vehicles" on Gene's/TRC property. Evidence vehicles are vehicles that have evidence of criminal activity, such as a vehicle in which a car-jacking or homicide took place. DPD had an evidence facility on adjacent property so they could access the evidence vehicles for criminal prosecutions.

For many years, until 2018, DPD and Gene's had an informal arrangement covering DPD's storage of evidence vehicles on Gene's property. DPD agreed to pay Gene's \$175 regardless of how long the storage was. Gene's would in turn pay \$75 from the \$175 to the tower that brought the vehicle to Gene's. As a result of this arrangement, the owner of the vehicle typically would not have to pay any towing or storage.

In 2018, Gene's, which was affiliated with Gasper Fiore, was removed from DPD's tow rotation. DPD also moved its evidence facility to another location. However, at that time, more than 1,000 evidence vehicles were sitting on Gene's

property, many of which had been there for years. This was one aspect of DPD's historic towing problems which had been ongoing for years.

Gene's/TRC sued and claimed that DPD owed the City ordinance storage rate of \$15 per day per vehicle resulting in a multi-million dollar claim. The law governing this dispute was unclear. At case evaluation, the three attorney panel largely accepted Gene's position and entered an award in Gene's favor of \$3.1 million. The City rejected the award.

Thereafter, the parties agreed to a facilitation. After lengthy negotiations, the facilitator recommended to both parties a settlement of \$500,000.

The law department believes that is a reasonable settlement in view of the potential multi-million dollar exposure in the case. DPD now has its own storage facilities for the evidence vehicles so this situation will not reoccur. DPD supports the proposed settlement.

For those reasons, the law department strongly recommends the settlement to City Council.

Honorable City Council:

Re: Petition No. 989: Motown Museum — a nonprofit organization, requests a resolution from your Honorable Body in support of a charitable gaming license.

On this date, your Honorable Body referred the above petition to this office for investigation. Petitioner wishes to be recognized as a nonprofit organization operating in the community for purposes of obtaining a gaming license from the Bureau of State Lottery.

Be advised that the organization meets the criteria for such recognition as established by the city Council on May 15, 2012.

Therefore, approval of this petition is recommended and an appropriate resolution is attached.

Respectfully submitted,  
**JANICE M. WINFREY**

Honorable City Council:

Re: Request to amend the Official Compensation Schedule.

Recommendation is submitted to amend the 2019-2020 Official Compensation Schedule to include the following pay range, subject to City Council approval:

**Class Code**

22-20-55

**Classification**

Senior Data Quality Management Specialist

**Salary Range**

\$49,000-\$68,600

**Request:**

The above recommendation is at the request of Angelique Rodriguez-Edge from the Health Department.

**Rationale:**

The above request and recommendation is based on the ability to attract and retain essential personnel to staff the Ryan White HIV/STI Program of the Health Department.

The SEMHA (Southeast Michigan Health Association) federal contract ended June 30, 2019. It has been determined that it is in the City's best interest that the Ryan White HIV/STI Program be

moved in-house. This transition is necessary to ensure that the program is more cost effective, operates more efficiently, and adheres to regulatory guidelines.

To determine the appropriate salary range for the classification, a market study was conducted using data from external survey sources. The proposed salary is essential for recruitment and retention purposes and is based on the City of Detroit's ability to fund the increase. The proposed salary recommendation is subject to City Council approval.

Respectfully submitted,

**City Planning Commission**

August 28, 2019

Honorable City Council:

Re: Request of the City of Detroit Brownfield Redevelopment Authority to amend Article XVII, District Map No. 24 of the 1984 Detroit City Code, Chapter 61, Zoning, by showing an M3 (General Industrial District) zoning classification where an R2 (Two-family Residential District) zoning classification currently exists on three-hundred and twelve (312) parcels commonly identified as the former Kettering High School located at 6101 Van Dyke Avenue and the former Rose Elementary School located at 5800 Field Avenue, generally bounded by the I-94 Edsel Ford Expressway and Medbury Avenue to the north, Van Dyke Avenue to the east, Hendrie Avenue to the south and Townsend Avenue to the west.  
(RECOMMEND APPROVAL)

**NATURE OF REQUEST AND PROJECT PROPOSAL**

The City Planning Commission (CPC) has completed its review and deliberations on the request of the Detroit Brownfield Redevelopment Authority to amend Article XVII, District Map No. 24 of the 1984 Detroit City Code, Chapter 61, Zoning, by showing an M3 (General Industrial District) zoning classification where an R2 (Two-family Residential District) zoning classification currently exists on three-hundred and twelve (312) parcels commonly identified as the former Kettering High School located at 6101 Van Dyke Avenue and the former Rose Elementary School located at 5800 Field Avenue, generally bounded by the I-94 Edsel Ford Expressway and Medbury Avenue to the north, Van Dyke Avenue to the east, Hendrie Avenue to the south and Townsend Avenue to the west.

**REVIEW**

The R2 district is designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings. The district regulations are

designed to promote a suitable environment for homes and for activities connected with family life. The only principal uses permitted by right are single- and two-family dwellings. With limited additional uses being allowed on a conditional basis.

The M3 district is composed of property so situated as to be suitable for industrial development, but where the modes of operation of the industry may affect nearby residential uses. The purpose of this district is to permit the normal operation of certain industrial uses, subject only to those regulations needed to control congestion and to protect nearby residential districts. No new residential construction is permitted in this district with the exception of loft conversions of existing buildings and of residential uses combined in structures with permitted commercial uses. These requirements are to protect residences from an undesirable environment and to ensure reservation of adequate areas for industrial development.

The subject properties are located in Council District 5 and measure approximately 31.9 acres in area. The subject parcels are currently under the sole ownership of Detroit Public Schools Community District, however are being offered for sale to accommodate the pending Dakkota Integrated Systems manufacturing development on the subject site.

The subject properties are located in Census Tract 5159. Based on the most recent census data the total population for the area is 1,645. There are approximately 471 occupied residential units and 393 vacant residential structures which results in a vacancy rate of 45%.

**Proposed Development**

The proposed map amendment is being requested to allow for the establishment of an "high/medium-impact manufacturing facility" specifically an "automobile accessory manufacture (not including tires, heat treating, or foundry work)" at the former Kettering High School located at 6101 Van Dyke Avenue and the former Rose Elementary School located at 5800 Field Avenue. The proposed use would be permitted on a by-right basis in an M3 zoning district per Sec. 61-10-57(12).

This rezoning request is being sought in order to allow the development of a 632,500 square foot automobile accessory manufacturing facility. Dakkota Integrated Systems is a joint venture with Rush Group LLC and Magna International Inc., that will manage the complete assembly and sequencing of interior components and suspension for the soon to be expanded FCA Jeep Plant in the area of St. Jean between E. Warren Avenue and Kercheval Avenue. It is anticipated that this proposed development will create approximately 625 new jobs for Detroit residents.

The parcels identified as 6101 Van Dyke Avenue and 5800 Field Avenue are

presently both zoned R2. 6101 Van Dyke Avenue is presently the site of the former Kettering High School. 5800 Field Avenue is presently the site of the former Rose Elementary School. Both properties are anticipated to be demolished to accommodate the development of the proposed Dakkota manufacturing facility. The footprint of the main facility will primarily be on the site of the former Kettering High School. The entirety of the Kettering High School building will be razed, however, the iconic "K" in front of the property will remain as an homage to the history of the site and the thousands of Kettering High School alumni. 5800 Field Avenue is also anticipated to be razed, however this site is slated to accommodate a detention basin bounded by Medbury Avenue to the north, Van Dyke Avenue to the east, Hendrie Avenue to the south, and Field Avenue to the west. The entirety of the site is anticipated to be landscaped and buffered in order to screen the development from the adjacent residential communities. Preliminary site plans shows landscaped berms along Van Dyke Avenue to the east and Hendrie Avenue to the south. A narrow strip of landscaping is also present along Townsend Avenue where the majority of occupied residential is present.

#### **SURROUNDING LAND USE AND ZONING**

The zoning classifications and land uses surrounding the subject area are as follows:

- North: I-94 Edsel Ford Expressway with B3: Shopping District beyond.
- East: R2; Single-family and Two-family residential.
- South: R2; Single-family and Two-family residential.
- West: R2; Single-family and Two-family residential.

#### **CITY PLANNING COMMISSION PUBLIC HEARING & OTHER COMMUNITY MEETINGS**

One-hundred and two (102) notices were sent out to residents and property owners within 300 radial feet of the subject site. Twelve (12) have been returned as undeliverable. To date, the Commission has received no communications via mail or telephone either in opposition or support of the requested rezoning.

On Tuesday, July 9, 2019 a community meeting was held regarding this proposed rezoning and development at Alkebu-Lan Village, located at 7701 Harper Avenue. There were approximately 74 members of the public in attendance. In anticipation of the aforementioned meeting, the Department of Neighborhoods District 5 Manager Ms. Melia Howard canvassed the area of the proposed plant along Townsend Avenue, Field Avenue, Sheridan Avenue, Van Dyke Avenue, Granger Avenue, E. Edsel Ford Service Drive, E. Palmer Avenue and Baldwin Avenue. In

total contact was made with occupants of 75 residential structures. Residents provided mixed responses to the proposed development ranging from excited about employment opportunities, to not caring to engage because they felt their voices wouldn't matter in the process. Additionally, the project was discussed with several area block clubs and neighborhood associations in order to increase attendance at the July 9th meeting.

At the community meeting there were several questions with regards to Dakkota having a Community Benefits Agreement with the residents even though the proposed development does not meet the city's threshold criteria of \$75,000,000.00. The anticipated amount of capital investment for this development is \$55,000,000.00. Residents in attendance raised questions regarding truck traffic, air and noise pollution, jobs and wages, the preservation of the "Big K," being bought out of their homes in the future to expand the plant, and one resident asked Dakkota to have revenue sharing with residents within the impact area. Overall, the meeting was perceived as being productive with the majority of residents in attendance agreeing with and voicing support of the planned project.

On July 18, 2019, the City Planning Commission held a public hearing on this request. There were thirteen members of the public in attendance to address the rezoning request. All thirteen of those who spoke during public comment were in support of the proposed rezoning.

The Commission requested that staff report back with information pertaining to the ownership of vacant parcels adjacent to the project area; the administration's overall vision for industrial development on the east side of Detroit, (particularly along with I-94 industrial corridor) as well as what impacts, if any, would the pending development have on emergency services.

In response to Commission's questions regarding the ownership of the vacant parcels adjacent to the Kettering/Rose-Dakkota site, CPC staff presented a detailed listing of publicly held vacant properties. In order to determine the feasibility of establishing an infield housing strategy in close proximity to the subject site.

#### **MASTER PLAN CONFORMANCE**

The subject site is located within the Kettering area of Neighborhood Cluster 3 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Institutional" for the subject property. An amendment will be forthcoming to show "Light Industrial" as the future intended land use. Additionally, a review of the Van Dyke frontage between I-94 and Hendrie Avenue will be reviewed to determine the feasibility of establishing a commercial or mixed use character for that corridor.

## ANALYSIS

The proposed zoning classification of M3 would permit the requested use of a "high/medium-impact manufacturing facility" specifically an "automobile accessory manufacture (not including tires, heat treating, or foundry work)" on a by-right basis.

The proposed M3 zoning classification would permit 113 by-right public, civic, institutional, retail, service, commercial and other uses. The most intensive uses in the M3 zoning classification include "Trucking terminals, transfer buildings, truck garages, recreational vehicle storage lots, and open areas for the parking of semi-trailers, buses, and other operable commercial vehicles, not including limousines and taxicabs" and "Storage or killing of poultry or small game for direct, retail sale on the premises or for wholesale trade."

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria of Section 61-3-80 of the Zoning Ordinance, which must be considered in making recommendations and decisions on standard rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

With the dramatic decline in population of the City of Detroit over the past 20 years, several of the city's neighborhood schools have closed and have fallen into disrepair. Among them are the former Kettering High School and the former Rose Elementary School. In 2012, the City of Detroit adopted an adaptive reuse ordinance for the city's former school sites, however, the level of capital reinvestment in these properties has been nominal to nonexistent. The challenge remains as to what to do with these properties which have since become a blighting influence on our communities. The City of Detroit has taken the approach of re-energizing the manufacturing sector of our economy. Many publicly held properties have been and are being sought for this purpose. The rezoning request is in line with this stated purpose.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The proposed rezoning to M3 is not consistent with the Master Plan of Policies; however the Planning and Development Department is proposing a Master Plan amendment to accommodate this rezoning request, as well as to address other concerns raised by members of the public at the July 18, 2019 hearing regarding the potential for commercial frontage along the east side of Van Dyke Avenue between I-94 and Hendrie Avenue.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

Given the nature of the proposed development and the impact that the operations are anticipated to have on the adjacent community, mitigating factors are being implemented to minimize the negative impacts of noise, light and fumes, which may emit from the premises. There are approximately 14 residential properties along Townsend Avenue which will be impacted directly as a result of this development. The vast majority of the adjacent parcels are vacant and primarily publicly owned. The subject site is located directly south of the I-94 Expressway and west of a Major Corridor (Van Dyke Avenue). In general, an intensification in zoning adjacent to residentially zoned properties is not the preferred approach. However, the inclusion of 20 foot setbacks from residentially zoned land as required by the zoning ordinance as well as the implementation of landscaping and elevated berms along the perimeter of the property will aid in the goal of protecting the health, safety, and general welfare of the adjacent residents.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property will change significantly as a result of the proposed rezoning. Preliminary site plans have been presented which show the layout of the proposed development. Given the anticipated consolidation of the subject parcels as well as the potential for street and alley vacations which will not be disruptive to the traditional street grid, disruption to city services is not anticipated.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

The proposed development is anticipated to create a vast amount of hard surface, where pervious green space currently exists. This was taken into account with the planning of the site, hence the inclusion of the detention basin on the former Rose Elementary School site, to address stormwater management concerns.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

The vast majority of the uses in the immediate area are residential. Given that the truck traffic will primarily be internal to the site, adjacent to Townsend Avenue, design elements are being implemented to mitigate any negative impacts which may occur.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing R2 zoning classification is not conducive for the proposed use which is industrial in nature. Before making the recommendation to pursue an M3 zoning classification, CPC staff evaluated all zoning classifications and determined that the M3 zoning classification was the least intensive zoning classification that would allow for the proposed use.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Given the commercial/industrial nature of the corridor in which this rezoning has been requested along with the size and proposed consistency with the pending Master Plan amendment, staff is of the opinion that the proposed rezoning would not constitute an illegal "spot zone."

#### **Suitability of the Property**

One of the aforementioned criteria for rezoning states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No. 24 generally shows R2 zoning to the north, south, east and west of the subject property. This section of the Kettering subsector is primarily developed with residential and institutional uses. The existing residential properties along Townsend Avenue and Hendrie Avenue were primarily built between 1900 and 1921. The newer infield housing along Hendrie Avenue was built in 2011.

As previously stated, the M3 zoning classification allows for a variety of manufacturing type uses. Historically, the manufacture of automotive related uses necessitated the demand for parking for employees. Given automation and the implementation of the third shift, the parking demand for this use and similar uses has drastically declined since the advent of the current parking requirements, circa 1968.

The current parking standards for a Schedule A use require the greater of either 1 space per every 800 square feet, or 1 per 3 employees. With this current formula, the petitioner would be required to provide 790 off-street employee parking spaces, although they will only have approximately 200 employees per shift. The current site plans, which show approximately 230 off-street parking spaces will require the petitioner to appeal to the Board of Zoning Appeals (BZA) for a parking variance. A possible alternative would be the adoption of a proposed text amendment to allow the Planning and Development Department to make the determination on the number of spaces needed, similar to what was done in 2016 for "Recreation, indoor commercial and health club." In that situation, much like what is anticipated to occur with Dakkota Integrated Systems, and likely any other automotive supplier looking to break ground in the City of Detroit, the usable floor area is much greater than the

number of individuals occupying the space at any given time.

The Commission recommends that language similar to that adopted in 2016 be adopted for manufacturing uses moving forward. Such language is currently before the Commission and is slated for a public hearing on September 5, 2019. As a point of reference the existing language for the aforementioned use is included below.

*"Because Schedule C uses have widely varying parking demands, it is difficult to specify a single requirement. The off-street parking requirement for such uses shall be established by the Planning and Development Department based on estimates of parking demand, which may include recommendations of the Institute of Traffic Engineers (ITE), data collected from uses that are the same or comparable to the proposed use, or other relevant information. The Planning and Development Department may require that a parking study be prepared at the applicant's expense. Said study shall provide analysis and justification for the proposed number of spaces to be provided. Parking studies shall document the source of data used to develop the recommendations. The Planning and Development Department shall review the submitted study along with any other traffic engineering and planning data that are appropriate and establish the off-street parking or loading requirements for the use proposed."*

Such a text amendment could benefit future developments by allowing the applicant to move straight towards permitting, rather than applying to the BZA for a parking variance. The text amendment is now being proposed.

In general, the CPC looks favorably on the rezoning of the subject parcel to accommodate the establishment of an automobile manufacturing supplier.

#### **Land Use**

The CPC is of the opinion that an M3 zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of industrial related uses.

#### **Significant Impact on Other Property**

The CPC is of the opinion that the rezoning of this property from an economic development standpoint will add to the sustainability of the surrounding community by allowing the establishment of an economically viable, job creating, tax revenue generating development. Given the landscape of the City of Detroit, wherein educational institutions are nestled in the midst of residential communities, an M3 zoning classification would not typically be ideal for such a site. However, given the sites adjacency to the I-94 Expressway as well as its

adjacency to Van Dyke Avenue, along with the stated buffering and landscaping along Townscnd Avenue and Hendrie Avenue, the Commission is of the opinion that any adverse impacts associated with locating an M3 zoning classification alongside an R2 zoning classification can be addressed.

**RECOMMENDATION**

On July 18, 2019 the City Planning Commission voted to recommend approval of the request of the City of Detroit Brownfield Redevelopment Authority to amend Article XVII, District Map No. 24 of the 1984 Detroit City Code, Chapter 61, Zoning, by showing an M3 (General Industrial District) zoning classification where an R2 (Two-family Resi-

dential District) zoning classification currently exists on three-hundred and twelve (312) parcels commonly identified as the former Kettering High School located at 6101 Van Dyke Avenue and the former Rose Elementary School located at 5800 Field Avenue, generally bounded by the I-94 Edsel Ford Expressway and Medbury Avenue to the north, Van Dyke Avenue to the east, Hendrie Avenue to the south and Townsend Avenue to the west.

**City Planning Commission**

August 28, 2019

Honorable City Council:

Re: Request of the City of Detroit Planning & Development Department to amend Article XVII, District Maps 28 and 30, of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing an M2 (Restricted Industrial District) zoning classification where a B4 (General Business District) zoning classification is currently shown on seven (7) parcels generally bounded by East Warren Avenue to the north, St. Jean Street to the east, Kercheval Street to the south and Lillibridge and Beniteau streets to the west.

**BACKGROUND AND PROPOSAL**

The City Planning Commission (CPC) has received a request from the City of Detroit Planning & Development Department requesting that the City of Detroit amend Article XVII, District Maps 28 and 30 of Chapter 61 of the 1984 Detroit City

Code, 'Zoning,' to show an M2 (Restricted Industrial District) zoning classification where a B4 (General Business District) zoning classification is currently shown on seven (7) parcels generally bounded by East Warren Avenue to the north, St. Jean Street to the east, Kercheval Street to the south and Lillibridge and Beniteau streets to the west.

The subject property is located on two separate blocks:

—At the southwestern corner of East Warren Avenue and St. Jean Street — Five vacant parcels

—At the northwestern corner of Kercheval and St. Jean streets — Two parcels. One is vacant land and the other is developed with a vacant, two-story brick building (legal use: assembly hall).

**Proposed Development**

The rezoning is being requested to facilitate the expansion of the Fiat Chrysler Mack Avenue Engine Plant. This is a follow-up to the large map amendment that the City Planning Commission recommended approval of on April 25, 2019 and that was subsequently approved by the City Council. These parcels should have been included in the first rezoning, but were overlooked. They are directly adjacent to areas that were previously rezoned for the project. The subject property is proposed to be used for employee parking, new vehicle storage and semi-trailer parking. These uses are not allowed in the current B4 zoning district, but are by-right in the proposed M2 district.

There is one exception — 11235 Kercheval is privately owned and not included in the proposed expansion, but is included in the rezoning for consistency as the rest of the block will be zoned M2.

**PLANNING CONSIDERATIONS**

**Surrounding Zoning and Land Use**

The zoning classification and land uses surrounding the subject area are as follows:

- North: M3 (General Industrial) — DDOT Shoemaker bus terminal
- East: M4 (Intensive Industrial) — Existing Mack Engine Plant
- South: B4 (General Business) — Detroit Enterprise Academy (K-8 charter school) & vacant land
- West: B4 and M2 — vacant land

**Approval Criteria**

Preliminarily, this proposal appears to meet the eight approval criteria for a map amendment listed in Section 61-3-80 of the zoning ordinance, specifically:

- *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.* As these parcels will be part of the FCA development, rezoning them to M2 will reduce the confusion created by split-zoned parcels.
- *The suitability of the subject property*

for the existing zoning classification and proposed zoning classification. The M2 zoning district is designed to be a buffer between residential and intensive industrial districts. Although the proposed rezoning puts industrially-zoned land closer in proximity to occupied residential land, the M2 district was specifically chosen to protect residences from undesirable spillover effects of industrial uses.

• *Whether the proposed rezoning will create an illegal "spot zone."* As the property to the east is zoned M4 (Intensive Industrial) and adjacent property to the north and south are zoned M2, the addition of this M2 area only slightly expands the existing industrial districts and does not create a spot zone.

Additionally, the analysis in the report for the original rezoning (attached) also applies to this request.

**Master Plan Consistency**

The subject site is located within the Foch and St. Jean areas of Neighborhood Cluster 3 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows Low-Medium Density Residential and Neighborhood Commercial for the subject properties.

**Community Input**

The process for the original rezoning

included extensive community engagement culminating in a Community Benefits Agreement. Due to the limited nature of this additional request, no additional outreach was done.

**RECOMMENDATION**

On July 18, 2019, the City Planning Commission voted to recommend approval of the rezoning request to amend Article XVII, District Map No. 13 of Chapter 61 of the 1984 Detroit City Code, 'Zoning,' to show an M2 (Restricted Industrial) zoning classification where a B4 (General Business) zoning classification currently exists on seven parcels generally bounded by East Warren Avenue to the north, St. Jean Street to the east, Kercheval Street to the south and Lillibridge and Beniteau streets to the west. The ordinance establishing the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

Respectfully submitted.

### City Planning Commission

August 28, 2019

Honorable City Council:

Re: Request of Tower Construction on behalf of A. F. Jonna Development and Management Company to modify and amend Map No. 11 of Chapter 61, Article XVII of the 1984 Detroit City Code, Zoning, and the provisions of an existing Planned Development (PD) District established by Ordinance 512-H for the area generally bounded by Wight Street (extended), the Coast Guard facility, the Detroit River, and East Harbortown Drive, also known as 3500 E. Jefferson Avenue. (RECOMMEND APPROVAL)

The Detroit City Planning Commission has concluded its review and deliberations and recommends approval in regards to the above captioned request of Tower Construction on behalf of A.F. Jonna Development and Management Company. The requested modification would allow for the construction of a five-story apartment building and 11 townhomes and requisite off-street parking in the Har-

bortown complex. Below please find the Commission's report and recommendation.

### PROJECT PROPOSAL

The subject property, located in District 5, sits within a site measuring just over five (5) acres (6.88 acres). The parcel is largely undeveloped with the exception of two tennis courts located on the north-west corner of the subject parcel which are slated to be removed. The proposed building height for the multi-family residential structure is five stories and would contain approximately 202 one, two and three-bedroom rental units. Additionally, the proposed development includes 11 two-story townhomes with attached garages which would be situated along the southern shoreline of the manmade lagoon located in the Harbortown complex. The building exterior is to be clad primarily of brick, with balconies for each unit, much like what was constructed in phase one of the Water's Edge development (134 one, two, and three-bedroom rental units). It is anticipated that construction will take approximately twelve to sixteen months to complete.

As indicated in the attached site plans, the proposed use is a 202-unit, five-story apartment building, as well as an associated parking lot, in addition to 11 two-story townhomes with attached garages, parking pads and guest parking. The units will include one, two, and three bedroom configurations, the majority of which consist of two-bedroom units. The breakdown of the proposed unit count is as follows: 85 one-bedroom units, 102 two-bedroom units, and 15 three-bedroom units.

On the first floor of the apartment structure the proposed unit configuration is as follows: 17 one-bedroom units, 18 two-bedroom units, and 3 three-bedroom units. On the residential levels of two through five, the configuration is as follows: 17 one-bedroom units, 21 two-bedroom units, and 3 three-bedroom units.

The proposed multi-family residential structure would consist of four sections: A, B, C, and D. Section A is proposed to be 73,630 square feet; Section B, 62,355 square feet; Section C, 58,620 square feet; and Section D, 82,980 square feet. The foot notes on sheet CS100 state that the apartment structure is divided into 4 buildings separated by two-hour rated firewalls.

The proposed parking lot consists of 312 parking spaces which would be located to the west, north and east of the proposed apartment building. Fifteen of which are proposed guest parking for the 11 townhomes in the north-east section of the development. The off-street parking standards in Sec. 61-14-24 only require 252.5 off-street parking spaces, nearly 60 parking spaces fewer than what is being proposed. The developer is proposing to place 19 off-street parking spaces in

reserve for future use in the southeast corner of the parking lot in order to provide an additional 3,468 square feet of landscaped area, as was done in 2013 with phase one of the Water's Edge development. The parking areas to the west, north and east of the proposed apartment building would be screened from the exiting residential units to the north by Patmore Green Ash trees. As the site plans show, the River Walk follows the southern boundary of the subject area. The parking areas would be screened from the River Walk by new landscaping consisting of Shadblow, Patmore Green Ash, and Kousa Dogwood trees.

Building materials are proposed to be predominantly red masonry to match the architectural style and materials of Water Edge phase one. There has been additional conversation with the developer regarding the proposed height and massing of the proposed multi-family residential structure. Several concerns have been raised by the Planning and Development Department related to materiality, massing of the buildings, surface parking and loss of green space. CPC staff is of the opinion that if a greater building height were utilized as well as some form of structured parking, the issues around massing and loss of green space would be minimized. The developer has indicated that they have forgone greater density which would be permitted, in lieu of preserving visibility to the Detroit River for as many residents of Spinnaker Tower as possible.

#### **BACKGROUND**

When Waters Edge Phase I was presented in 2015 a number of concerns which closely resemble those expressed by residents regarding Phase II were communicated to the Commission, i.e., stormwater management, ingress and egress, snow removal, etc.

The public hearing for this requested PD modification was held on October 19, 2017, at which time many of these concerns were revisited along with a great number more of recent issues, particularly, basement flooding during storm events, the proposed height and elevations of the building, the loss of outdoor recreational space and the like.

Members of various Harbortown condominium associations provided copies of lease agreements and promotional materials believed to guarantee a resort like lifestyle within the Harbortown community.

At the public hearing of Thursday, October 19, 2017, the Commission requested that staff work with the petitioner to among other things hold a community meeting to further discuss the issues and concerns raised by members of the Harbortown community, as well as allow the Law Department, Detroit Water and Sewerage Department and the Buildings, Safety Engineering and Environmental

Department to review and comment on documents submitted by the members of the Harbortown community believed to be relevant to your review. The culmination of these ongoing discussions concluded on Tuesday, June 18, 2019. It is for this reason that this request is just now being forwarded to Your Honorable Body for your consideration.

Attached is a copy of staff's August 30, 2017 report to the Commission which details all concerns raised by the residents of Harbortown and the developer's responses to those concerns.

As previously stated in this report a number of community meetings were held between the developer and the residents of the Harbortown Community over the course of two years.

The most recent of which was held on Tuesday, June 18, 2019, at which the developers plans for sanitation and storm water management were shared with the various condominium associations in the Harbortown community. Prior to the June 18 meeting, a meeting was held on May 14, 2018 at 6 p.m. at the Water's Edge Club House. There were approximately 100 residents in attendance. An overview of the proposed development, i.e. Water's Edge Phase II was given by the developer, Arkan Jonna, who also solicited recommendations from members of the community in an effort to improve the site plans now before your Honorable Body for your consideration. While many of the comments received at the May 14th community meeting centered on operational concerns, a summary of the comments received have been included in this report for your information.

#### **PLANNING CONSIDERATIONS**

##### ***Surrounding Zoning and Land Use***

The zoning classifications and land uses surrounding the subject area are as follows:

North: PD; residential, Spinnaker Tower

East: PD; residential, Water's Edge Phase I.

South: PD; River Walk and Detroit River.

West: PD; UAW Training facility.

##### ***Master Plan Consistency***

The subject site is located within the Near East Riverfront area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Mixed-Residential/ Commercial" for the subject property. While the proposed use appears to be consistent with this designation the Planning and Development Department (P&DD) has been requested to submit its comments regarding this proposal.

#### **COMMUNITY CONCERNS**

##### ***Site plans***

The recommendation was made that the developer provide additional site plans and

seek community input rather than simply presenting their vision for the development as a foregone conclusion. It was explained by the developer and by City Planning Commission staff that the property in question is not a part of the condominium association and that it has an opportunity to express concerns just as when any rezoning or PD modification is being proposed. It was further explained that the subject property is not a part of the community commons and that the Harbortown community has no vested interest in the subject property. The developer stated that he has solicited comments from the community in order to improve the sight plans and once again offered that opportunity at the community meeting of May 14, 2008.

It was recommended by one member of the Harbortown community that the developer consider stackable townhomes, rather than a highrise apartment building that is slated to be converted into condominiums that would be in direct competition with the Great Lakes and Spinnaker Towers. Presently, both towers have a high rate of vacancy.

#### ***Ingress and Egress***

Concerns over traffic congestion have been at the forefront in regards to the Harbortown Development since its inception. There is currently a proposal being considered to address the ingress and egress issues. The opening of Adair and Wight streets to emergency vehicles has been recommended by the residents, developer and City Planning Commission, dating back to 1986. It has been demonstrated that the access points to the development, from E. Jefferson Avenue are not sufficient to accommodate the Detroit Fire Departments equipment, as evidenced by a failed emergency preparedness operation which took place last fall. Since that time, lock boxes on Adair and Wight have been added which emergency personnel have access to.

Additionally, the developer has assessed what would be required to provide regular access from Adair and Wight, including the construction of an attendant's booth.

A traffic study was conducted in February of 2018, which is attached. Many residents of the Harbortown community believe that a traffic light at the E. Jefferson point of ingress and egress would be beneficial considering the City's recent street improvements with parking and bike lanes. It has been requested by the Commission that a new traffic study be conducted which takes into account the parking and bike lanes on East Jefferson and the impacts they have on traffic patterns.

#### ***Green spaces and obstruction of views***

Given the utilization of existing green space, which is not a part of the community commons, the developer has opted to move forward with the development and

implementation of the recreational area to the south-east of Water's Edge Phase I to ensure that a recreational area would be made available to the community sooner rather than later.

There were concerns expressed over the location of condominiums on Jib Lane and the loss of views of the Detroit River. Additional concerns were expressed over the loss of trees throughout the Harbortown development that have never been replaced.

The question was also raised if the language in resident's lease agreements remains relevant once the units have been converted into condominiums regarding the obstruction of views. In several conversations with attorneys well versed in real estate law they have issued to the opinion that the language remains relevant.

#### ***Snow removal***

Concerns arose regarding snow removal and on-site storage space, given that the vacant subject property proposed or development is currently being used for storing plowed snow. The developer indicated that snow would be stored in the landscaped areas throughout the development.

#### ***Preservation of property values***

The concern regarding the preservation of property values is a question which often comes before the Commission and was raised again by residents of the Harbortown Community. Residents inquired why the developer is considering rental units rather than condominiums, citing their belief that rental units decrease property values. The developer stated that the idea is to convert the rental units to condominium units over time.

#### **DEPARTMENTAL ANALYSIS**

In light the various questions raised by the community, particularly those with legal ramifications, the commission requested review by the Law Department. A report was submitted addressing the questions of community commons, obstruction of views, and outdoor recreational spaces. The Law Department's response to the questions and concerns raised by members of the Harbortown Community were addressed in a memorandum dated July 17, 2018 which is attached for your review. The memo states in part, "Your letter, dated May 22, asked about whether a certain structure(s) at Harbortown had been built to specifications and about the prospective construction of a second residential tower at 3500 E. Jefferson. Both issues are private in nature. I do not see how any government agency should — or could — weigh in on these matters."

At the July 21, 2018 continued public hearing, the Commission once again took testimony regarding the resident's concerns of the proposed development. The comments received were not in regards to the design or scale of the proposed devel-

opment, nor the content of the site plans being considered. The majority of the public testimony was in regards to the on-going flooding issues of previously built residential units within the Harbortown community. Given that the issues at hand pertained largely to stormwater and sanitation concerns, the Commission voted to recommend approval of the proposed PD modifications and instructed staff to delay the advancement this matter to City Council until such a time that the developer and the Detroit Water and Sewerage Department jointly reviewed the developers plans for stormwater and sanitation and presented their findings to the residents of the Harbortown community.

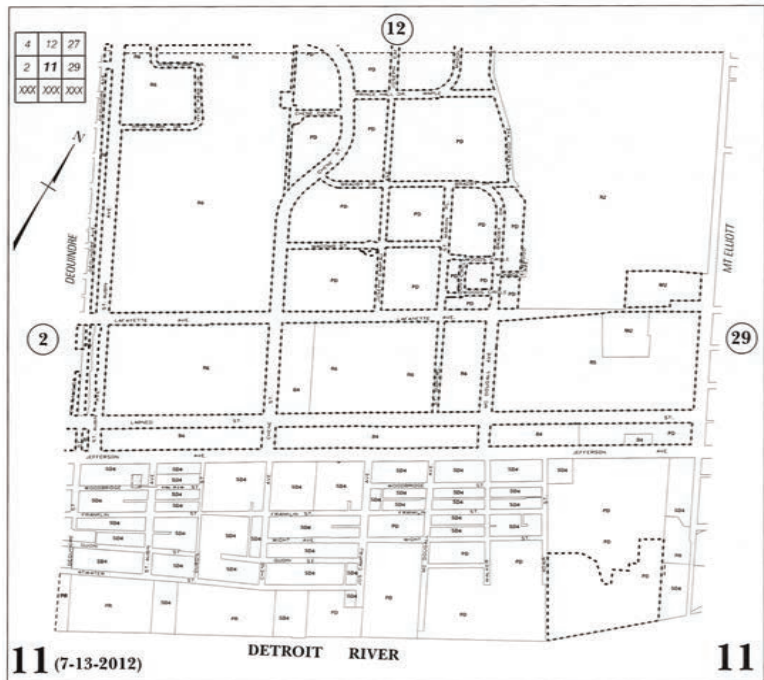

**RECOMMENDATION**

On July 21, 2018 the City Planning Commission voted to recommend

approval of the requested PD modification. This recommendation comes with the following conditions:

- 1) That the conversion of the "land-banked" areas to parking, if required in the future, is approved, and
- 2) That final site plans, elevations, landscaping, lighting and signage plans shall be submitted to the staff of the City Planning Commission for review and approval for consistency with the approved plans prior to application being made for applicable permits.

### City Planning Commission

August 29, 2019

Honorable City Council:

Re: Request of Parkstone Development Partners on behalf of Develop Detroit, to amend Article XVII, District Map 2, of the 1984 Detroit City Code, Chapter 61, Zoning, to establish a PD (Planned Development) zoning classification where B4 (General Business District) and M3 (General Industrial District) zoning classifications currently exist on land generally bounded by Gratiot Avenue, Russell Street, and Maple Street to allow for multiple mixed-use buildings with residential units, retail, commercial and institutional space, to also including a parking structure and additional off-street parking spaces. (RECOMMEND APPROVAL)

The City Planning Commission (CPC) completed its deliberations on the above captioned matter. On September 6, 2018 CPC voted to recommend approval of this development. Subsequently, minor modifications were made of a less intensive nature and that matter was brought back to the CPC for informational purposes at the regular meeting of August 1, 2019. At that time the CPC reaffirmed the original recommendation.

**NATURE OF REQUEST**

Before this Honorable Body is the request of Develop Detroit to consider approving its multi-structure infill project known as Eastern Market Gateway-The Hive on a site that sits along the Gratiot corridor. The site is a 2.7 acre parcel of land that lies between Eastern Market and Lafayette Park bounded by Gratiot Avenue, Russell Street, and Maple Street.

The project is planned as a multi-building mixed residential-commercial devel-

opment to include retail and commercial uses such as galleries, shops and restaurants. It involves the redevelopment of existing structures currently known as the Russell Building (4 stories, 45'), the Gratiot Building (5 stories, 65') and the Warehouse (2 stories, 35') as well as the activation of the encompassed alley way. Overall the site would host 207 dwelling units.

The building planned for Russell Street is proposed to house 71 total units: 35 studios, 28 - 1 bedrooms, 5 - 2 bedrooms, 3 - 3 bedrooms. These units would be 100% LIHTC (Low Income Housing Tax Credit) no market rate. The building planned for Gratiot is proposed to have 36 total units, 32 studios, 72 - 1 bedrooms, 26 - 2 bedrooms, 6 - Live/Work. The site would be supported by a parking structure to accommodate 125 parking spaces and 41 surface parking spaces. Also included are plans for 3,400 sf of grade level recreational space and 900 sf for community space.

**PLANNING CONSIDERATIONS**

***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

- North: B4: Discount Candles
- East: B4: St. John Luke United Church
- South: M3: DFL Logistics
- West: B4: Behavioral Health Professionals Inc., Trinity Lutheran Church, Aetna

***Master Plan Consistency***

The subject site is located within the Lower East Central area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows (MRI-Mixed Residential Industrial) for the subject property. According to the MP these areas offer live-work opportunities for artists and trades-people to create a lively mixture of

new residential, commercial, light industrial and/or entertainment opportunities. The Planning and Development Department (P&DD) determined that this proposal is in conformance with the Master Plan of Policies.

The following community meetings were held as follows (does not include other forms of outreach):

- Eastern Market-October 3, 2017
- Eastern Market- February 14, 2018
- 1300 Lafayette, community room — July 25, 2018

The project development team hosted a series of outreach events in order to engage the surrounding community on the proposal. The group contacted known entities in the community such as the Eastern Market Corporation, Detroit People's Platform, the 7th Precinct Police Community

Relations Board, Holy Trinity Church and other businesses as well as individuals. Some of the feedback that came from those engagement efforts include (but not limited to) participants calling for:

- Making sure retail in the development served the needs of nearby residents with affordable products
- Requesting that the Antietam and Russell Street divide is removed to increase access to the project site
- Preserving facades of existing buildings wherever possible
- Ensuring that public art and murals related to the project were family oriented in subject matter
- Inquiries about rent control and affordability strategies for units in the project
- Request for Gratiot Avenue improvements breaking up the crosswalk and installing a median
- Support for the activated alley and proposed rooftop terrace on Maple St.

The development team has since maintained a dialogue with the community, some of which CPC staff has participated in.

#### **PUBLIC HEARING RESULTS**

The public hearing on this request was held on August 2, 2018. Only one person, Mr. Grosinger of Kap's Wholesale Foods, provided testimony. He desired to have his statement placed on record regarding operating hours, traffic, noise etc. He was concerned with how the new development meshes with existing entities. He was not in opposition but wanted it to be noted that there were existing businesses prior to this proposed residential development. Additionally, multiple support letters were also submitted.

#### **PLANNING CONSIDERATIONS AND ANALYSIS**

Sec. 61-11-15 of the Zoning Ordinance lists design criteria that projects in PD should be evaluated by. Those criteria include:

(a) **Master Plan.** *The proposed development should reflect applicable policy stated in the Detroit Master Plan. The policies relating to the geographic area in question as well as general policies will be considered.*

The Master Plan (MP) future land use designation for the site is MRI-Mixed Residential Industrial for the subject property. The Planning and Development Department (P&DD) as indicated above has submitted a letter supporting the project and attesting to its consistency with the MP.

(b) **Scale, form, massing, and density.** *Scale, form, massing and density should be appropriate to the nature of the project and relate well to surrounding development.*

The current Master Plan designation allows for the proposed density that the development suggests.

(c) **Compatibility.** *The proposed development should be compatible with sur-*

*rounding development in terms of land use, general appearance and function, and should not adversely affect the value of properties in the immediate vicinity.*

In terms of proposed uses, it is appropriate to say that this development is compatible with the existing built environment. It is even conceivable that the project will serve to help increase property values as it will add highly attractive amenities along with shopping and dining opportunities.

(d) **Circulation.** *Vehicular and pedestrian circulation facilities should be adequately designed to meet expected demands. Disruption of traffic flow in surrounding areas should be minimized, and truck traffic should be carefully planned and controlled, especially to avoid use of residential streets.*

Traffic circulation has been reviewed by the City's traffic engineering department as well as others and the current plan has been deemed to be sufficient for the site.

(e) **Parking and loading.** *Where appropriate, adequate vehicular off-street parking and loading should be provided. The City Planning Commission will be guided by standards delineated in this zoning ordinance with adjustments appropriate to each specific situation.*

The proposal accommodates the parking and loading areas that will be needed to properly serve the site. The parking structure will support the proposed uses on the site, and coupled with the off-street surface parking also service additional need. If there are ever extreme instances, of additional need, the operator has struck agreements with nearby entities that have underutilized parking lots, to share parking for certain special circumstances.

(f) **Environmental impacts.** *Environmental impacts that relate to such factors as noise, air, combustibles and explosives, gases, soil, and water pollution, toxic waste, vibration, odor...*

The project will likely not have any substantial environmental impacts, but rather, incoming residents should be aware and respectful of existing operations that have existed in the area and understand that there might be minor noise and odor abrasions on them. The current context should be understood and respected by newcomers. Staff believes this is what some neighboring businesses may have conveyed.

Some of the remaining relevant PD design criteria, include the following:

(o) **Preservation,** (p) **Urban design,** and (q) **Amenities**

This project does a great deal to preserve and maintain some of the existing building façades on the site such as the Busy Bee Hardware façade(s) and graphics. The Gratiot building incorporates a significant building into its massing. So the project does a good job of retaining as much of the current structures as possible.

The project pays special attention to creating an urban environment that fosters activity and adds amenities for residents and patrons of retail spaces. The space interior to the buildings on site create an enclosed environment for pedestrians to be active and visit businesses. The plaza space along Russell St. adds yet another asset to the site, leaving space for possible activities. Amenities include roof top terraces and other features that make the site enticing for residents and visitors.

In all, this project meets many of the objectives that the PD Design Criteria outline.

**CONCLUSIONS AND RECOMMENDATION**

The developer has complied with applicable zoning provisions and has successfully incorporated feedback from City staff and community into elements of this project. The CPC has reviewed the pro-

posed development known as Eastern Market Gateway-The Hive and voted to recommend approval of the project with the following conditions:

1. The developer must work with the immediately adjacent community to minimize disruption to the neighborhood during construction and address impacts that may arise; and
2. All final site plans, elevations, lighting, landscape and signage plans for the development are subject to review and approval by the City Planning Commission staff prior to the developer's application for applicable building or construction permits.

### City Planning Commission

June 21, 2019

Honorable City Council:

Re: Repeal of the home occupations prohibition in Chapter 61 of the City Code (Zoning); and, amendments to Chapter 9 of the City Code (Buildings and Building Regulations) to define and establish provisions relative to Short Term Rentals.

#### Background

Chapter 61 of the 1984 Detroit City Code, *Zoning*, is proposed to be amended at Article XII, *Use Regulations*, for consistency with proposed provisions to be added to Chapter 9, *Buildings and Building Regulations*, at Article I, *Detroit Property Maintenance Code*, Division 3, *Requirements for Rental Property, Subdivision C, Short Term Rentals*.

#### Scope of the Zoning Amendment, Chapter 61

When the CPC took up the Fifth General Text Amendment to the Zoning Ordinance in March and April 2017, one of the items addressed in the 209-page ordinance was "home occupations" in response to the request of the Boston-Edison association and concerns from other communities. The provision clarified that an Airbnb-type use (short term rental) could not be established under the guise of "home occupation," consistent with the spirit of the long-established prohibition of bed and breakfast inns on land zoned R1 and R2.

The proposed zoning amendment has the effect of repealing the "home occupa-

tions" prohibition that was established in the Fifth General Text Amendment (Sec. 61-12-392) for the purpose of consistency with and enabling of the proposed provisions to be added to Chapter 9.

#### Scope of the Property Maintenance/ Rental Code Amendment, Chapter 9

The Chapter 9 ordinance is an outgrowth of inter-departmental working group deliberations. The Law Department has drafted and revised the proposed amendment, which is sponsored by Council Member Janee Ayers. Key provisions of the Chapter 9 "Short term rentals" ordinance include:

- *Definitions of terms.* Among them, "short term rental," means "any rental of a dwelling unit in exchange for compensation or other consideration, as residential accommodations for at least one night, but no more than 90 cumulative days of the year" (Sec. 9-1-100.2).

- *Residency requirement.* Any property used as a short term rental must be the owner's principal residence (Sec. 9-1-100.3).

- *Registration required.* Any short term rental must be registered with the Buildings, Safety Engineering, and Environmental Department (BSEED) (Sec. 9-1-100.4).

- *Spacing between short term rentals.* A short term rental will not be registered if located within 1,000 feet (measured linearly) of another short term rental; BSEED has limited discretion to relax the 1,000-foot spacing (Sec. 9-1-100.4(d)).

- *Limitation on groups.* A host may not rent to more than one group of guests under more than one reservation at any given time (Sec. 9-1-100.8(b)).

- *Limitation on number.* Not more than ten people may be accommodated at one time (Sec. 9-1-100.8(d)).

- *Limitation on rentals per year.* A short term rental unit may not be rented more than 90 days per calendar year (Sec. 9-1-100.8(e)).

- *Certificate.* The short term rental must post its certificate of registration in a conspicuous place on the property and provide it in electronic format to all guests (Sec. 9-1-100.8(0)).

- *Notification of neighbors.* Within 30 days of registration, a short term rental host must notify neighboring dwelling units within 300 feet of the property's approval for short term rentals and provide the phone number of the rental's local contact person (Sec. 9-1-100.8(g)(1)).

- *Violations and enforcement.* BSEED is responsible for enforcement of the ordinance; violations are subject to issuance of a blight violations; violators may be removed from the rental registry (Sec. 9-1-100.13).

- *Denials and appeals.* Where an applicant is denied registration or where BSEED determines a registration should

be removed, the applicant is entitled to a hearing (Sec. 9-1-100.14).

### Results of June 6, 2019 public hearing and public discussion

A public hearing and discussion was held on June 6, 2019. There was considerable discourse on the proposed ordinances involving Commissioners, CPC staff, the Law Department, thirteen members of the public and the Office of the Ombudsman.

No speaker suggested that short term rentals should not be subject to registration including those speakers who objected to various provisions of the proposed Chapter 9 ordinance. No speaker voiced objection to the requirement that the short term rental property be the primary residence of the owner although one speaker spoke positively of his short term rentals, one of which was his primary residence and two of which were his income properties. No speaker raised an issue over the 10-person maximum per short term rental nor over the 1-group maximum per night.

Three members of the public objected to the proposed 1,000-foot linear spacing requirement as being too restrictive. A Commissioner also expressed concern over the spacing requirement.

One speaker, a short term rental owner/operator, felt that a 90-day maximum per calendar year was too restrictive and that registered short term rentals should be able to operate more than that.

A speaker from the Boston-Edison neighborhood spoke of considerable negative experience toward the neighbors from an existing short term rental. A Boston-Edison block club president noted responsible operation at one short term rental but bad experiences with a different short term rental. A third speaker from Boston-Edison objected on the grounds that the proposed 90-day maximum on short term rental operations would still allow operation most weekends of the year.

A speaker in support of the proposed ordinances, believed that short term rentals take units off the market and raise rents elsewhere.

An advocate for short term rentals portrayed them as a healthy aspect of the sharing economy and that registration of the properties was appropriate.

Two speakers and a CPC member questioned the lack of an "inspection" requirement; the \$250 application fee was viewed as too little; a more significant fee was thought to be appropriate to cover the cost of inspections.

Two speakers questioned the appropriateness of the proposed "first come-first served" approach to reviewing and approving applications for short term rentals in light of the 1,000-foot spacing requirement. Renewals of registered short

term rentals involved a lesser fee than for the initial application; one speaker questioned whether a lesser fee was warranted.

Problems that were voiced over existing short term rentals suggested a connection between the nonresident status of the operator and the trouble experienced. Speakers who were concerned about short term rentals mentioned their experience with parking problems, noisy parties and gatherings, disrespect to the neighbors, uncut grass, lack of snow removal, trash, neglected dumpsters, and the existence of a business in the residential neighborhood.

A speaker questioned whether it might not be appropriate to exempt the least active short term rentals from the registration requirement, suggesting 14 days as a threshold for being subject to the ordinance.

A letter submitted by a Woodbridge homeowner in support of the proposed ordinances observed that nearby single-family homes had been bought up at bargain rates and then turned into a short term rental business, replacing neighbors with strangers.

CPC staff and the Law Department had conflicting understandings of a two-family dwelling or apartment building unit's eligibility for a short term rental. Clarification was offered that such residential uses would be ineligible for short term rental except for the actual space or unit occupied by the owner of the building.

A Commissioner raised a concern over the Chapter 9 ordinance's discretion afforded BSEED, noting that the application of discretion often results in a favorable outcome to those with higher socio-economic status. Another Commissioner suggested that the ordinance require three, rather than two, pieces of identification to document the owner's proof of residency in the unit to be rented for short term and that neighborhood associations also be notified of registered short-term rentals in their community.

### Analysis

At the conclusion of public testimony and discussion among Commissioners, the chairperson directed staff to return at the June 20th meeting after further examining several issues, as discussed below.

**Spacing.** The sponsor of the Chapter 9 ordinance included the 1,000-foot linear spacing requirement as a way of avoiding an over-concentration of short term rentals in any one neighborhood. Speakers at the public hearing documented nuisances arising from existing short term rentals and their belief that long-term residents better ensured and protected the character of their neighborhood than did transient guests.

CPC staff felt that a spacing requirement that would have the effect of generally limiting short term rentals to not more

than one short term rental per block would respond to the sponsor's and concerned speakers' concerns. In many communities, a typical block might be 1/8th of a mile long — 660 feet. Staff wanted to test whether a lesser spacing requirement might effectively protect Detroit neighborhoods from more than one short term rental per block.

Staff measured the lengths of 40 blocks in randomly selected areas of the city and found block length to vary from 250 feet to 1,000. Half of the blocks measured were 760 feet in length, half were longer. If the spacing were reduced from 1,000 to 660 feet, we project that only 28% of the blocks in the city would be protected from more than one short term rental. If the spacing were reduced to 800 feet, only 55% would be so protected. With a 900-foot spacing requirement, 93% of the blocks would only be able to host one short term rental. Staff concludes that the proposed 1,000 foot linear spacing is the most appropriate measurement to prevent more than one short term rental per block.

**Parking.** During the June 6th deliberations, CPC staff questioned the appropriateness of requiring the short term rental applicant to disclose the amount of parking available even though the proposed ordinance specifies no requirement or expectation for parking to be provided. Staff continues to believe that, lacking a parking requirement, the applicant should not be required to disclose the availability or non-availability of parking. If parking availability is meant to be a factor in BSEED's decision to approve or deny a short term rental application, then a specific standard should be stated to avoid vagueness or abuse of discretion.

CPC staff also notes that the reference in the Chapter 9 ordinance to parking governed by Chapter 55 refers to the "permit parking" provisions. Although we recommend removing the language related to "parking," if it is retained, a fuller cross-reference should be incorporated with title to article and division within Chapter 55 that contains the "permit parking" provisions; presumably, short term rental guests would enjoy no special advantage or suffer any greater detriment in a "permit parking" area than would any other visitor.

**Renewals.** Staff believes the ordinance would benefit from a fuller treatment of registration renewals. The term, renewal, seems to imply that a registered short term rental with a clean record can expect renewal upon payment of the appropriate fee, as is the case for holders of vending licenses. That seems to conflict with the first come-first served application process.

If a registration certificate holder is not meant to have any expectation of

approval over a competing, new applicant whose property is within the 1,000-foot spacing area, then the term, renewal, should not be used and the ordinance should be explicit in clarifying that new applicants and existing registrants compete on an equal footing.

**Equity/discretion.** The proposed ordinance provides for BSEED to apply discretion in considering approval of a second or subsequent short term rental property within the same 1,000-foot spacing area. Unbridled discretion could well favor those with higher socio-economic standing, however the proposed ordinance ties BSEED's hands to consider waivers of spacing only from applicants whose properties would be less than at least 900 feet from an approved short term rental. This discretion mimics the 10% "Administrative Adjustment" that has been a feature of the Zoning Ordinance since 2005.

#### **Conclusions and Recommendation**

CPC staff, the Law Department and staff from Council Member Ayers office sat in review and discussion of the various comments and suggestions for the proposed Chapter 9 language. Additional review and consideration was conducted by the Council Member's office and the Law Department to develop specific responses. Subsequently, these items were presented and discussed with the City Planning Commission at the regular meeting of June 20th with Council Member Ayers joining them at the table. The following modifications resulted:

1. Language was added to include "utility bill" as one of the documents and showing both the owner's name and address as a means of corroborating residency.
2. Language was added to address possible confusion between required parking provisions of the Zoning Ordinance and the provisions of the newly adopted Resident Permit Parking Ordinance.
3. Language was added to address concerns for the timing, processing and administration of short term rental registration and renewal by the BSEED.
4. Language was added to require the registration certificate holder to notify not only BSEED but also the neighbors within 300 feet of the change of "local contact."

Additionally, and outside of the ordinance provisions, the suggestion was made that a webpage be created listing and mapping the locations of registered Short Term Rental locations for general public awareness, which could also be used by City Council Members and other City agencies to notify specific groups such as neighborhood associations.

With the above understanding, the City Planning Commission recommended approval of the attached ordinance amending Chapter 61 and the forthcom-

ing ordinance amending Chapter 9 of the Detroit City Code in support of the regulation of Short Term Rentals.

**AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, Zoning; by amending Article XII, Use Regulations, by removing a portion of the language in Section 61-12-392, Prohibited uses and activities, to bring this section into compliance with Chapter 9, Buildings and Building Regulations, Article I, Detroit Property Maintenance Code, Division 3, Requirements for Rental Property, Subdivision C, Short Term Rentals.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 61 of the 1984 Detroit City Code, *Zoning*; Article XII, *Use Regulations*, by amending Section 61-12-392, *Prohibited uses and activities*, to read as follows:

**CHAPTER 61. ZONING**

**ARTICLE XII. USE REGULATIONS**

**Sec. 61-12-392. Prohibited uses and activities.**

Any sale of fireworks, any firearms dealership, any materials or service characterized by an emphasis on "specified anatomical areas" or "specified sexual activities" as defined in Sec. 61-16-174 of this Code, and any type of repair or assembly of vehicles or equipment with internal combustion engines, such as automobiles, motorcycles, scooters, snowmobiles, outboard marine engines, lawn mowers, chain saws, and other small engines, are prohibited. Any other work related to automobiles and their parts, that is not conducted as a home occupation and is merely incidental and accessory to the principal use, is subject to the provisions of Sec. 61-8-27 of this Code.

In addition, no home occupation may use, store, handle, or manage "significant quantities" of hazardous substances as defined in Sec. 61-16-101 of this Code. For purposes of this provision, "significant quantities" shall mean amounts exceed-

ing those commonly used for typical residential or office purposes. However, this does not include gasoline, oil, or other vehicle fluids that are contained in vehicles traversing or parked at a property for individual use or on a short-term basis.

Further, those land uses specified in Sec. 61-12-11 of this Code, the "Group Living" use category, being adult foster care facility, assisted living facility, convalescent, nursing, or rest home, emergency shelter, fraternity or sorority house, religious residential facility, residential substance abuse service facility, rooming house, and shelter for victims of domestic violence, and in Sec. 61-12-13 of this Code, the "Institutional Living" use category, being boarding school, dormitory, child caring institution, penal or correctional institution, detention facility, and pre-release adjustment center, may only be permitted as principal uses of the land in those zoning districts where such uses are permitted. In no instance shall such uses be considered as a home occupation accessory to a single-family dwelling, two-family dwelling, multiple-family dwelling, town house, or loft.

~~Use of a dwelling to accommodate paid overnight guests is prohibited as a home occupation; notwithstanding this regulation, public accommodations, including bed and breakfast inns outside the R1 and R2 Districts, are permitted as provided in Sec. 61-12-46 of this Code.~~

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 3.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 4.** In the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

**RESOLUTION APPROVING**  
**BROWNFIELD PLAN OF THE**  
**CITY OF DETROIT BROWNFIELD**  
**REDEVELOPMENT AUTHORITY**  
**FOR THE 40 HAGUE**  
**REDEVELOPMENT PROJECT**

City of Detroit  
 County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996, as amended (“Act 381”), the City of Detroit Brownfield Redevelopment Authority (“Authority”) has been established by resolution of the City Council of the City of Detroit (the “City”) for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the 40 Hague Redevelopment Project (the “Plan”); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on July 10, 2019, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on July 18, 2019 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on July 10, 2019; and

WHEREAS, The Authority approved the Plan on July 24, 2019 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on September 5, 2019.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. **Definitions.** Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

“Eligible Activities” or “eligible activity” shall have the meaning described in Act 381.

“Eligible Property” means the property designated in the Plan as the Eligible Property, as described in Act 381.

“Plan” means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

“Taxing Jurisdiction” shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. **Public Purpose.** The City Council hereby determines that the Plan constitutes a public purpose.

3. **Best Interest of the Public.** The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. **Review Considerations.** As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of “facility” as defined in Act 381;

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. **Approval and Adoption of Plan.** The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk’s office.

6. **Preparation of Base Year Assessment Roll for the Eligible Property.**

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county

treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Resolution Declared Adopted.

Honorable City Council:

Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on Behalf of Metropolitan Development Partners, LLC in the area of 33 John R., Detroit, Michigan, in Accordance with Public Act 146 of 2000. (Petition #436).

On September 5, 2019 a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Metropolitan Development Partners, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Metropolitan Development Partners, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on January 29, 2015 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 33 John R., Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, This City Council has granted until of May 31st, 2019 for the completion of the rehabilitation; and

Whereas, On September 5, 2019 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local

governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Metropolitan Development Partners, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) Years, with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2031 in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than May 31, 2019, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Resolution Establishing the Wellesley Propco Neighborhood Enterprise Zone in the area bounded by 651 W. Hancock, Detroit, Michigan in accordance with Public Act 147 of 1992 on behalf of Wellesley Propco, LLC (Petition #850)

Attached for your consideration please find a resolution and legal description which will establish the Wellesley Propco Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on July 11, 2019 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to rehabilitate the 1st floor of both buildings for retail and commercial uses and the upper floors will be converted to 1-bedroom, open, loft style apartments for rent.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

**REVISED RESOLUTION  
AUTHORIZING THE ESTABLISHMENT  
OF A SECONDARY STREET NAME IN  
HONOR OF EMANUEL STEWARD  
AT THE INTERSECTION OF  
EAST JEFFERSON AVENUE AND  
ST. AUBIN STREET**

WHEREAS, The Detroit City Council has received a request from Council President Jones, on behalf of Marie Steward (wife), Sylvia Steward-Williams (daughter and Kronk Boxing, CEO), Diane Steward-Jones (sister and President of the Emanuel Steward Foundation), LaVerne Steward-Hester (sister), Hilmer Kenty: World Boxing Association-Kronk's 1st World Champion, Thomas Hearn: World Boxing Council, World Boxing Association, World Boxing Organization and International Boxing Federation World Champion, Milton McCrory: World Boxing Council and North American Boxing Federation World Champion, and Jimmie Paul: The "Ringmaster" International Boxing Federation and United States Boxing Association World Champion, to assign a secondary street name in honor of Emanuel Steward, to be located at the intersection of East Jefferson Avenue and St. Aubin Street; and

WHEREAS, Emanuel Steward, celebrated as being the greatest boxing trainer of all time (G.O.A.T.), took a small basement gym in Detroit named Kronk, and put it on the map as the place where boxing champions were made; and

WHEREAS, By the 1980s, Emanuel Steward and his associates had built the Kronk Boxing Team into a world powerhouse, mystifying boxing experts the world over who marveled at his Detroit club's accomplishments. Mr. Steward trained a total of 43 world champions and 9 Olympic Gold Medalists — all at the 1984 Olympics. He also trained countless amateur national and regional champions; and

WHEREAS, Emanuel Steward was himself a fierce amateur boxing champion, who as a member of the 1963 Detroit Golden Gloves Championship Team, won the 1963 Golden Gloves Bantamweight Championship Title at the 1963 National Golden Gloves Tournament of the US, making it the first Detroit boxing team to bring the National Championship Trophy back to Detroit since Joe Louis; and

WHEREAS, In 1981, Steward was profiled in People Magazine, in connection with the September 16, 1981 Hearn-Leonard fight. In 1987, Steward appeared on the cover of the Wall Street Journal, as the personification of Detroit in sports; and in 1996, he was inducted into the International Boxing Hall of Fame. A year later in 1997, Mr. Steward was featured in the September 15th issue of Sports Illustrated, in an article entitled: "Mr. Fix-it

Emanuel Steward, Boxing Guru, Has Created a Mecca For Fighters In Need of Repair;" and

WHEREAS, In addition to being recognized as a boxing guru and trainer of champions, Mr. Steward was also an entrepreneur and venture capitalist. In 1993 he purchased and refurbished the 1940 Chop House, an iconic restaurant on East Jefferson and St. Aubin and a Detroit landmark. During the reopening of this mainstay restaurant, Mr. Steward vowed to hire Detroiters to operate and manage the facility, a vow that he kept; and

WHEREAS, Emanuel Steward became a boxing commentator for the HBO Network, until his passing on October 25, 2012;

**NOW THEREFORE BE IT**

**RESOLVED**, The Detroit City Council finds the above mentioned individual and the proposed location meets the criteria for Secondary Naming of a Street, in accordance with Article VII, Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code;

**BE IT FURTHER**

**RESOLVED**, That the intersection of East Jefferson Avenue and St. Aubin Street be assigned the secondary street name "Emanuel Steward" in celebration of his noteworthy achievements;

**BE IT FURTHER**

**RESOLVED**, That the project cost of designing, producing, erecting, replacing and removing the necessary signs and markers shall be paid, in advance, to the Street Fund by the petitioner requesting the secondary name;

**AND BE IT FINALLY**

**RESOLVED**, That a certified copy of the resolution shall be transmitted by the City Clerk to the Fire Department, Police Department, the Department of Public Works and its City Engineering and Traffic Engineering Divisions, the Department of Transportation and the United States Postal Service.

July 31, 2019

Honorable City Council:

Re: Southwest Housing Solutions Corporation. Development: Newberry Pocket Park; generally bounded by Junction Street, Jackson Avenue, 33rd Street and Buchanan Street.

Pursuant to the First Amended and Restated Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority ("DLBA"), approved by your Honorable Body on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City to the same transferee within any rolling 12 month period without the prior approval of the Mayor and City Council.

The DLBA is now in receipt of an offer from Southwest Housing Solutions Corporation, a Michigan Nonprofit Corporation ("Southwest Housing") to enter into an option to purchase fifteen (15) properties (the "Property") acquired by the DLBA from the City (as described in the attached Exhibit A). The Property is located within the boundaries of Junction Street, Jackson Avenue, 33rd Street and Buchanan Street.

The total area of land measures approximately 40,600 square feet. Southwest Housing proposes to transform the Property into a pocket park. This would beautify the neighborhood and help support the Newberry Homes scattered site development. The area is zoned R2 (Two Family Residential District). Any uses of the Property shall be consistent with and subject to the guidelines and approval processes for R2 zoned areas.

The Planning & Development Department, therefore, requests that your Honorable Body authorize the Detroit Land Bank Authority to enter into an Option Agreement with Southwest Housing Solutions Corporation, a Michigan Nonprofit Corporation, to sell the Property as more particularly referenced in the attached Exhibit A for \$1,500; and, upon exercise of the option by the optionee, to sell such property in accordance with the terms set forth in the Option Agreement.

Honorable City Council:

Re: Additional Land Transfers by City of Detroit and Detroit Land Bank Authority In Support of Mack 1 Plant, Mack 2 Plant, Jefferson North Assembly Plant Projects.

The City of Detroit ("City"), City of Detroit Brownfield Redevelopment Authority ("DBRA") and FCA US LLC ("FCA") have entered that certain Development Agreement relating to the investment of approximately \$2.5 billion in FCA's Mack 1, Mack 2 and Jefferson North Assembly Plants (collectively the "Projects") to expand certain industrial automotive manufacturing in the City. It is anticipated that the Projects will result in the creation of approximately 4,950 additional FCA jobs in the City, as well as increase business and economic opportunities for related supplier and support industries.

As part of FCA's due diligence for the Project, certain additional City-owned and Detroit Land Bank Authority ("DLBA") owned properties have been identified as necessary for FCA's operations at its

Mack 1, Mack 2 and Jefferson North Assembly Plants, as well as a planned leased facility in the I-94 Industrial Park (the "Additional Properties"). Attached hereto are two (2) separate resolutions approving the conveyance of the Additional Properties by and through the City's Planning and Development Department ("P&DD") and the DLBA, as applicable, to the DBRA, FCA, and/or FCA's designee, which are summarized as follows:

• **Resolution 1 — Land Transfer — DLBA to DBRA**

The DLBA wishes to transfer certain parcels to the DBRA by land transfer agreement in furtherance of the Projects and as further described in the attached Resolution 1.

• **Resolution 2 — Amendment to City/DBRA Land Transfer Agreement**

The City and the DBRA wish to amend that certain Land Transfer Agreement relating to the Projects in order to provide for the conveyance of the City-owned Additional Properties as further described in the attached Resolution 2 to the DBRA, or, as agreed by the DBRA and FCA, directly to FCA or FCA's designee. For properties intended to be transferred for use in the operation of FCA's leased facility in the I-94 Industrial Park, the City will receive a consideration in the amount of \$87,120 per acre or a purchase price to be determined based on a land value assigned to each parcel by the City of Detroit Assessor and payable pursuant to the promissory note contemplated by the Land Transfer Agreement, in the form of cash or a property exchange credit at the time of the conveyance to FCA's designee.

The City is hereby requesting that your Honorable Body adopt the attached two (2) resolutions that approve the conveyance of the Additional Properties in support of the Projects.

**RESOLUTION**

By Council Member Tate:

WHEREAS, The City of Detroit ("City"), City of Detroit Brownfield Redevelopment Authority ("DBRA") and FCA US LLC ("FCA") have been in discussions to bring about the investment of approximately \$2.5 billion in FCA's Mack 1, Mack 2 and Jefferson North Assembly Plants (collectively the "Projects") to expand certain industrial automotive manufacturing in the City; and

July 11, 2019

Honorable City Council:

Re: Authorization to submit a grant application to the U.S. Department of Transportation for the FY 2019 Better Utilizing Investments to Leverage Development (BUILD) Grant.

The City of Detroit Department of Public Works, in partnership with the Michigan Department of Transportation, is hereby requesting authorization from Detroit City Council to submit a grant application to the U.S. Department of Transportation for the FY 2019 Better Utilizing Investments to Leverage Development (BUILD) Grant. The amount being sought is \$25,000,000.00. The Federal share is \$25,000,000.00 of the approved amount, and there is a total cash match of \$14,989,875.00. The Department of Public Works will provide \$9,959,500.00 in match funding and the Michigan Department of Transportation will provide \$5,030,375.00 in match funding. The total project cost is \$39,989,875.00.

The FY 2019 Better Utilizing Investments to Leverage Development (BUILD) Grant will enable the department to:

- Create robust and integrated road improvements to channel surface truck traffic from the planned Gordie Howe International Bridge (GHIB) to Fort Street and mitigate traffic congestion for the surrounding community.

- Reconstruct Jefferson Avenue from the GHIB to downtown and provide a safer and easy to navigate non-motorized route.

If the application is approved, a cash match will be provided from appropriation 20453 and appropriation 04189.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
RYAN FRIEDRICHS  
Director

Office of Development and Grants  
By Council Member Benson:

Whereas, The Department of Public Works has requested authorization from City Council to submit a grant application to the U.S. Department of Transportation, for the FY 2019 Better Utilizing Investments to Leverage Development (BUILD) Grant, in the amount of \$25,000,000.00, to mitigate traffic congestion coming off of the planned Gordie Howe International Bridge (GHIB); and

Whereas, The Department of Public Works is partnering with the Michigan Department of Transportation to submit this application, and the Michigan Department of Transportation will provide match funds in the amount of \$5,030,375.00; and

Whereas, The Department of Public Works has \$3,319,833.33 available in its bond funds Departmental allocation in appropriation 20453. In addition, the department has committed \$2,319,833.33 from its FY 2020-2021 Departmental allocation, and committed \$4,319,833.34 from its FY 2021-2022 Departmental allocation, in its Major Street Funds in appropriation 04189, in order to provide funds for the total City match requirement, in the amount of \$9,959,500.00, for the FY 2019 Better Utilizing Investments to Leverage Development (BUILD) Grant; and

Whereas, This request has been approved by the Office of Budget;

Honorable City Council:

Re: Correction — Request to accept an increase in appropriation for the FY 2019, Local Health Opioid Response grant.

The Michigan Department of Health and Human Services (MDHHS) has awarded an increase in appropriation to the City of Detroit Health Department for the FY 2019 Local Health Opioid Response Grant, in the amount of \$28,000.00. There is no match requirement for this grant. The total increase is \$28,000.00. This funding will increase appropriation 20646, previously

approved in the amount of \$40,000.00, by council on May 5, 2019, to a total of \$68,000.00. This request will correct and replace a previous City Council request to increase appropriation 20627, in the amount of \$28,000.00, previously approved July 23, 2019.

The objective of the grant is to expand the Health Department's Opioid Academic Detailing Initiative. The grant will enable the department to increase the number of pharmacies registered under the MDHHS standing order to distribute Naloxone, and conduct a continuing education event to train pharmacists on opioid misuse and Naloxone administration. This is a reimbursement grant.

I respectfully ask your approval to accept the correction to increase appropriation funding in accordance with the attached resolution.

Honorable City Council:

To your Committee of the Whole was referred Petition of Free Press/TCF Bank Marathon (#931), request to install 50 banners along Fort Street between Griswold and Third on September 19, 2019 through October 21, 2019. After consultation with the Public Works department, and careful consideration of the request, your committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,

SCOTT BENSON

Chairperson

By Council Member Benson:

Resolved, That permission be and is hereby granted to Petition of Free Press/TCF Bank Marathon (#931), request to install 50 banners along Fort Street between Griswold and Third on September 19, 2019 through October 21, 2019, and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments, and the supervision of the Police Department, and further

Provided, That the banners are erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for, a traffic control device, or which attempts to direct the movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which may be construed to advertise, promote the sales of or publicize any merchandise or commodity or to be political in

nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That banners are placed on Public Lighting Department poles as not to cover traffic control devices, and further

Provided, That banners are installed under the rules and regulations of the concerned departments, and further

Provided, That petitioner assumes full responsibility for installation and removal of the banners, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petitioner, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

July 23, 2019

Honorable City Council:

Re: Petition No. 1532 — Belief Emaderho request to vacate an alley bordering 19125 Mapleview.

Petition No. 1532 — Belief Emaderho request to vacate and convert to easement the east half of the east-west alley, 20 feet wide, in the block of East Seven Mile Road, 66 feet wide, Lappin Avenue, 60 feet wide, Schoenherr Road, 66 feet wide, and Mapleview Avenue, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to provide additional parking for the Osborn Business Center and Pharmacy.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement.

The specific DWSD provisions for easements are included in the resolution. DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provi-

sions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the east half of the east-west alley, 20 feet wide, in the block of East Seven Mile Road, 66 feet wide, Lappin Avenue, 60 feet wide, Schoenherr Road, 66 feet wide, and Mapleview Avenue, 60 feet wide; Further described as land in the City of Detroit, Wayne County, Michigan being:

The east-west alley, 20 feet wide, lying northerly of and adjoining the northerly line of Lots 12 through 16, both inclusive, and the east 2.50 feet of Lot 17 also lying southerly of and adjoining the southerly line of Lot 153 "Maple View Park Subdivision of part of the W. 1/2 of the S.W. 1/4 Section 1, T.1S., R.12E. Gratiot Township and City of Detroit, Wayne County, Michigan" as recorded in Liber 57, Page 76 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform

the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities; and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Mapleview Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

feet wide, in the block of Beniteau Avenue, 70 feet wide, St. Jean Avenue, 66 feet wide, Kercheval Avenue, 80 feet wide, and, East Vernor Highway, 60 feet wide.

5) North-south alley, 20 feet wide, in the block of Beniteau Avenue, 70 feet wide, St. Jean Avenue, 66 feet wide, Kercheval Avenue, 80 feet wide, and, East Vernor Highway, 60 feet wide.

6) North-south alley, 20 feet wide, in the block of Beniteau Avenue, 70 feet wide, St. Jean Avenue, 66 feet wide, Charlevoix Avenue, 60 feet wide, and, Goethe Avenue, 60 feet wide.

This request includes an access encroachment under the Mack Avenue Bridge for FCA.

Also, requesting an encroachment of subsurface drainage pipe into Beniteau Avenue, 70 feet wide, between Kercheval Avenue, 80 feet wide, and, East Vernor Highway, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made for the proposed expansion of FCA's automotive plant on the east side of St. Jean Avenue. FCA shall pay the costs required to abandon and relocate active utility lines in the subject streets and alleys. Alternatively, FCA may grant private easements to existing utilities to allow them to remain in place while providing access for repairs or replacement.

The request was approved by the Solid Waste Division — DPW, City Engineering — DPW, and Traffic Engineering Division — DPW (TED).

DTE Gas Company reports having facilities in the area and will need a private easement to be granted by FCA in order to maintain their facilities.

AT&T reports having facilities in the area with an estimated cost of \$76,321.84 to relocate their facilities. FCA is making arrangements for the relocation.

DTE Energy — Electric objects to the property change. FCA continues to work with DTE to make mutually satisfactory arrangements for removal of DTE facilities or granting of a private easement.

Detroit Fire Department (DFD) reports involvement but no objection provided FCA maintains emergency vehicle access to all existing building structures and hydrants.

Public Lighting Department (PLD) has an objection to the vacation at the area of Mack Service Drive, because of the 24KV High Voltage Cable crossing the area of the outright vacation. They have no objections to all of the other areas of the request. FCA will be granting a private easement to PLD in the area of Mack Service Road.

Great Lakes Water Authority (GLWA) reports having facilities in the area and

will need a private easement to be granted by FCA in order to maintain their facilities.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacations, provided certain conditions are met. The specific DWSD conditions and provisions for granting of private easements are included in the resolution. DWSD reports that for all of the subject alleys there are no water mains, and the existing sewers can be removed. For Canal Street and Freud Avenue, no water mains or sewers exist. For Conner Lane, the 8 inch water main can be removed North of Mack Service Road after the 8 inch gate valve, and no sewer exists. For Conner Lane, South of the North line of Mack Service Road an easement acceptable to DWSD must be granted by FCA. For the storm sewer pipe encroachment in Beniteau Avenue approval is given per plans received by DWSD. DWSD requests the right to reserve an easement 30 feet in width to the West from the western edge of the Conner Creek Canal extending the length of Canal Street to the Detroit River for a possible future expansion of the Conner Creek Facility.

All other involved City Departments, and privately owned utility companies informed of this petition have reported no objections to the vacations. FCA's commitment to continue working with all involved public and private utilities to protect their installations is incorporated in the attached resolution.

I am recommending adoption of the attached resolution and further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Whereas, FCA US LLC (FCA) is working with the involved agencies and utilities to make satisfactory arrangements for the abandonment, removal and/or rerouting of their services and facilities; and further

Whereas, FCA will grant private easements to any involved agencies and utilities for facilities that will remain in the vacated rights-of-way as mutually agreed to within the reasonable discretion of FCA and the agencies and utilities; and further

Whereas, FCA or their assigns shall design and construct proposed sewers and or water mains and to make the connections to the existing public sewers and or water mains as required by Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers and or water mains in accordance with the following: (i) the plans for the sewers and or water mains shall be prepared by a registered engineer; (ii) DWSD be and is hereby

authorized to review the drawings for the proposed sewers and or water mains and to issue permits for the construction of the sewers; (iii) the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; (iv) the entire cost of the proposed sewers and or water mains construction, including inspection, survey and engineering shall be borne by the FCA or their assigns; (v) FCA or their assigns shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; (vi) FCA or their assigns shall grant to the City a satisfactory easement for the sewers and or water mains; (vii) the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; (viii) FCA or their assigns shall provide a one (1) year warranty for the proposed sewers and or water mains; and (ix) that upon satisfactory completion, any public sewers and or water mains shall become City property and become part of the City system, and any existing sewers and or water mains that were abandoned shall belong to FCA or their assigns and will no longer be the responsibility of the City; and therefore be it

Provided, That Detroit Fire Department shall have access to all buildings, fire hydrants, and fire department connections as is necessary and customary for public safety; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds; and further

Whereas, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the FCA and/or property owner; and further

Whereas, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the FCA. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the FCA not encroached into the right-of-way, shall be borne by DWSD; and further

Whereas, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and further

Whereas, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the FCA; and further

Whereas, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the FCA, then in such event the FCA agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and further

Whereas, That the FCA shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may

be caused by the failure of DWSD's facilities; and further

Whereas, That by approval of this petition the Public Lighting Department (PLD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, PLD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, remove, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal, and replacement of structures or other improvements herein permitted and incurred in gaining access to PLD's facilities for maintenance, repairing, alteration, servicing, removing, or inspection caused by the encroachment shall be borne by the FCA. All costs associated with gaining access to PLD's facilities, which could normally be expected had the FCA not encroached into the right-of-way, shall be borne by PLD; and further

Whereas, That all construction performed under this petition shall not be commenced until after (5) days written notice to PLD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and further

Whereas, That construction under this petition is subject to inspection and approval by PLD forces. The cost of such inspection shall, at the discretion of PLD, be borne by the FCA; and further

Whereas, That if PLD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the FCA, then in such event the FCA agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged PLD facilities; and further

Whereas, That the FCA shall hold PLD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of PLD's facilities; and further

Whereas, FCA or their assigns shall apply to the Buildings, Safety Engineering and Environmental Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Whereas, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings, Safety Engineering and Environmental Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Whereas, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by FCA or their assigns, and further

Whereas, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by FCA or their assigns. Should damages to utilities occur FCA or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Whereas, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Whereas, That FCA or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. **RESOLUTION  
TO AFFIRM SUPPORT FOR  
THE 40TH ANNIVERSARY OF  
DIPLOMATIC RELATIONS BETWEEN  
THE UNITED STATES AND THE  
PEOPLE'S REPUBLIC OF CHINA**

By Council Member Benson:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

WHEREAS, On January 1, 1979, the United States and People's Republic of China (referred to as "China") officially established diplomatic relations, with 2019 marking the 40th anniversary of United States-China relations; and

WHEREAS, Since U.S. ship "Empress of China" sailed to China over 230 years ago, trade and exchanges between the U.S. and China have continued to flourish, transforming the world in the process; and

WHEREAS, Over the past four decades, exchanges and cooperation between the two countries have scored historic achievements. Forty years ago there only several thousand visits made between the two countries each year. In 2017, over 5.3 million visits were made between the two countries. Forty years ago, the bilateral trade volume was less than \$2.5 billion. In 2018, it surpassed \$659 billion. Forty years ago, the two-way investment between China and the U.S. was almost zero. Today, two-way investment in various forms amounted to over \$230 billion in accumulative terms; and

WHEREAS, Not only our two countries, but the entire world has benefited enormously from our ties over the past forty years. From advancing the proper settlement of regional hot-spot issues, to fighting international terrorism, tackling the global financial crisis, and promoting global growth, China and the U.S. have conducted extensive cooperation at bilateral, regional and global levels; and

WHEREAS, The steady growth of China-U.S. relations is indispensable to the success of our two countries and the world, and it would be irresponsible and detrimental for us to "decouple" or become isolated from each other; and

WHEREAS, Michigan has a significant and historical role in the opening of relations between the U.S. and China. Our state has been dedicated to developing cooperative relations with China for decades, and the mutual exchanges and cooperation have flourished in recent years. Michigan has a newly established sister state-province relationship with Guangdong Province. The state has attracted over 300 Chinese companies that represent more than \$4 billion in investment and support more than 10,000 jobs for local communities; and

WHEREAS, Michigan is ranked 15th in the U.S., as the home to more than 60,000 residents of Chinese heritage who have contributed greatly to the strength of our country and our state; and

NOW THEREFORE, BE IT

RESOLVED, The Detroit City Council commemorates the 40th anniversary of diplomatic relations between the United States and People's Republic of China and hereto declare September 13th, 2019, as Detroit China Day in the city of Detroit.

### **TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE**

#### **TESTIMONIAL RESOLUTION TO MR. CURTIS THOMAS HARDEN 'In Recognition of your Centennial 100th Birthday'**

By COUNCIL PRESIDENT JONES:

WHEREAS, September 7, 2019, marks the 100th Birthday of Mr. Curtis Thomas Harden, a very significant milestone, reserved for very few. The Detroit City Council would like to publicly acknowledge this important event in his life; and

WHEREAS, Curtis Thomas Harden, one of our esteemed centenarian citizens, was born on September 7, 1919, in Fordyce, Arkansas. He was one of thirteen children born to the union of Ella and Reverend D.C. Harden. Curtis attended

school at the Dallas County Training High School. He continued a pursuit of higher education at the Chemical Warfare School in Sydney, Australia (1943), the Leadership Training School in Denver, Colorado (1945), and the Electrical and Refrigeration School in St. Louis, Missouri (1949-1951); and

WHEREAS, Mr. Harden served our nation for five years during World War II, including three years overseas. He received an honorable discharge. Upon his return to the states, he was hired as a foreman with the Pepsi Cola Bottling Company. Several years later he went to work as a sales agent for Metropolitan Life Insurance Company. In 1957, he accepted a position at the McNichols Steel Company where he remained until his retirement in 1984. Mr. Harden married Ora D. Oakley (deceased) and their union was blessed with three children: two sons, Curtis Jr. and Ronnie Lee (both deceased); a lovely daughter, Barbara Ann Harden Watson; and one grandson, LeRon Harden. Mr. Harden's daughter, Barbara, retired from the United States Postal Service and is currently a real estate broker and the owner of Barbara Ann Realty; and

WHEREAS, In addition to working and raising his family, Mr. Harden has been active in his beloved church, Saunders Memorial AME, where he was the recipient of the "Man of the Year" award. Through the years, Mr. Harden served as president of many organizations, including the Fordyce Club of Michigan, Male Chorus of Saunders, and was also a 32nd degree Mason; and

WHEREAS, Mr. Harden is enjoying his well-earned leisure years doing what he wants to do, watching television, going to Tigers baseball games, trying to keep up with his daughter in her travels, and sitting out on the porch watching the neighbors pass by. Mr. Harden makes sure that he knows everyone on his block. During a long and productive lifetime, he has demonstrated in countless ways his dedication to the welfare of others and has earned the respect and affection of people from all walks of life and all ages. Mr. Harden has witnessed many historical events during the century of his life and imparted many caveats of wisdom. His motto has always been, "If I can help somebody as I pass along then my living will not be in vain." As family and friends are gathered here today to commemorate and celebrate his 100th Birthday, it is abundantly fitting and proper that Mr. Curtis Thomas Harden be appropriately recognized during this very special and memorable time of his life. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones congratulate Mr. Curtis Thomas Harden on the occasion of his 100th

Birthday and we wish him continued peace, good health and happiness.

50th Class Reunion’**

By Council Member Sheffield:

WHEREAS, On September 21, 2019

Kettering High School (KE) Class of 1969 will celebrate its 50th class reunion. This is a milestone we celebrate with great pride. In the 50 years since the KE Class of 1969 graced Kettering's hallways, the world has changed more dramatically than we could ever have imagined. The KE Class of 1969 began their public school education on the heels of Brown vs. Board of Education, the 1954 Supreme Court landmark ruling that made segregated public schools illegal; and

WHEREAS, Kettering High School opened in 1965, a new high school for Detroit. The site selected for Kettering High School was the Detroit's Board of Education attempt to address both over-population in Detroit's High Schools and segregation in Detroit's schools. Located on Van Dyke and the 1-94 interchange, Kettering High School was zoned to bring students from the black community (who lived south of I-94) together with students from the white community (who lived north of I-94) resulting in Kettering being an integrated school in 1965. The KE Class of 1969 represented a future of equal opportunities for African Americans. As direct beneficiaries of the Civil Rights Movement, the KE Class of 1969 gained access to opportunities and careers that were not open to their parents due to racism; and

WHEREAS, The KE Class of 1969 survived very turbulent times, including the 1967 Detroit Rebellion, downward spiral of the automotive industry, the Vietnam War, and the influx of narcotics in their communities. These events took a toll on the Kettering community-at-large. This September, we celebrate the Kettering High School Class of 1969 with a 50th class reunion. It is a bittersweet moment, as we reflect on the classmates who are no longer with us. Additional it saddens us that Kettering permanently closed in 2012 and the school building is slated for demolition in the very near future; and

WHEREAS, We will take the Pioneer Spirit with us into the future. That as true Pioneers, we will continue to support efforts needed to ensure Civil Rights are not compromised that were cultivated by the Civil Rights Movement. That as Pioneers, we chartered new territories in education, the military, manufacturing, government, entertainment, health care, and business. That although they may tear down Kettering High School's building, they will never destroy the Pioneer Spirit. That the Kettering High School's Pioneer Spirit will live on in the hearts and minds of every Pioneer. That the KE Class of 1969 has survived; and 50 years later... we are the Ultimate Pioneers! NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President

Pro Tempore Mary Sheffield, wishes to take this opportunity to honor and recognize the Kettering High School Class of 1969's 50th Class Reunion!

Re: Resolution Approving a Commercial Rehabilitation District, on behalf of Real Estate Interests, LLC in the area bounded by 3750 Woodward Detroit, Michigan, in Accordance with Public Act 210 of 2005 (Petition #938).

On September 5th, 2019 a public hearing in connection with establishing a Com-

mmercial Rehabilitation District was held before your Honorable Body's Planning and Economic Development Committee. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish a Commercial Rehabilitation District in the Area bounded by 3750 Woodward, Detroit, Michigan in accordance with Public Act 210 of 2005 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of the property.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 210 of 2005 ("Act 210"), this City Council has the authority to establish "Commercial Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Real Estate Interests, LLC has requested that this City Council establish a Commercial Rehabilitation District in the Area bounded by 3750 Woodward, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is in a duly designated business area, and is contiguous commercial property or commercial housing property; and

Whereas, Act 210 requires that, prior to establishing a Commercial Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on September 5th, 2019 for the purpose of considering the establishment of the proposed Commercial Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now, Therefore Be It

Resolved, That the Commercial Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Public Act 210 of 2005.

**Real Estate Interests, LLC**

June 5, 2019

Honorable City Council:

Re: Petition for the Establishment of a Commercial Rehabilitation District at 3750 Woodward Avenue, Detroit, Michigan.

On behalf of 3750 Woodward Avenue, LLC, please accept this letter as a request to establish a Commercial Rehabilitation District ("CRD") for the mixed-use development project known as "The Mid" (3750 Woodward Avenue) in Midtown Detroit, located between Woodward and John R and shown more precisely on the map in Attachment A.

The Mid will be a 3.8-acre mixed-use development carefully planned to offer diverse programs; including retail, hotel, housing, and dining experiences with interwoven public spaces for community, resident, and visitor engagement and connectivity. The Mid's planned investment exceeds \$350 million and will create over 1,800 construction jobs and 400+ full-time equivalent positions (FTEs). The project is expected to commence construction in the 3rd quarter of 2019 and be fully completed by 2024.

This development aims to unite the surrounding community and residents across a range of backgrounds and lifestyles. The Mid plans to incorporate a 225 room hotel, approximately 80,000 square feet of retail space, hundreds of multi-family residences, affordable hous-

ing, co-living housing units and 60 residential condominiums. The project will offer alternatives for family and communal living supported by eateries, entertainment and public amenities.

The Mid requires significant investment and development risk and would not be possible without incentives, including the property tax exemption certificates provided for under the establishment of a Commercial Rehabilitation District.

We are requesting that the CRD be applicable to the development project area for a period of ten (10) years. The development area is eligible for CRD designation pursuant to Section 2(a) of Public Act 210 of 2005, the Commercial Rehabilitation Act. The project site is a "Qualified Facility" within the meaning of MCL 207.842(h). The requested district is both compact and contiguous as understood under the Act and exceeds 3 acres in area.

The CRD will lead to construction of new hotel, retail and residential housing in keeping with the city of Detroit Master Plan and the Woodward Avenue Gateway Radial Thoroughfare Overlay.

We respectfully request your consideration of a Commercial Rehabilitation District for the project. Please do not hesitate to call me at 313-408-5384 with any questions.

Respectfully submitted,

Managing Principal

 Re: Resolution Establishing the Real Estate Interests Neighborhood Enter-

prise Zone in the area bounded by 3750 Woodward Avenue, Detroit, Michigan in accordance with Public Act 147 of 1992 on behalf of Real Estate Interests, LLC (Petition #874)  
 Attached for your consideration please find a resolution and legal description which will establish the Real Estate Interests Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").  
 Your Honorable Body conducted a public hearing on this matter on June 27,

2019 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to rehabilitate the 1st floor of both buildings for retail and commercial uses and the upper floors will be converted to 1-bedroom, open, loft style apartments for rent.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Real Estate Interests NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance,

preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Real Estate Interests NEZ was conducted before the Detroit City Council on June 27, 2019 with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

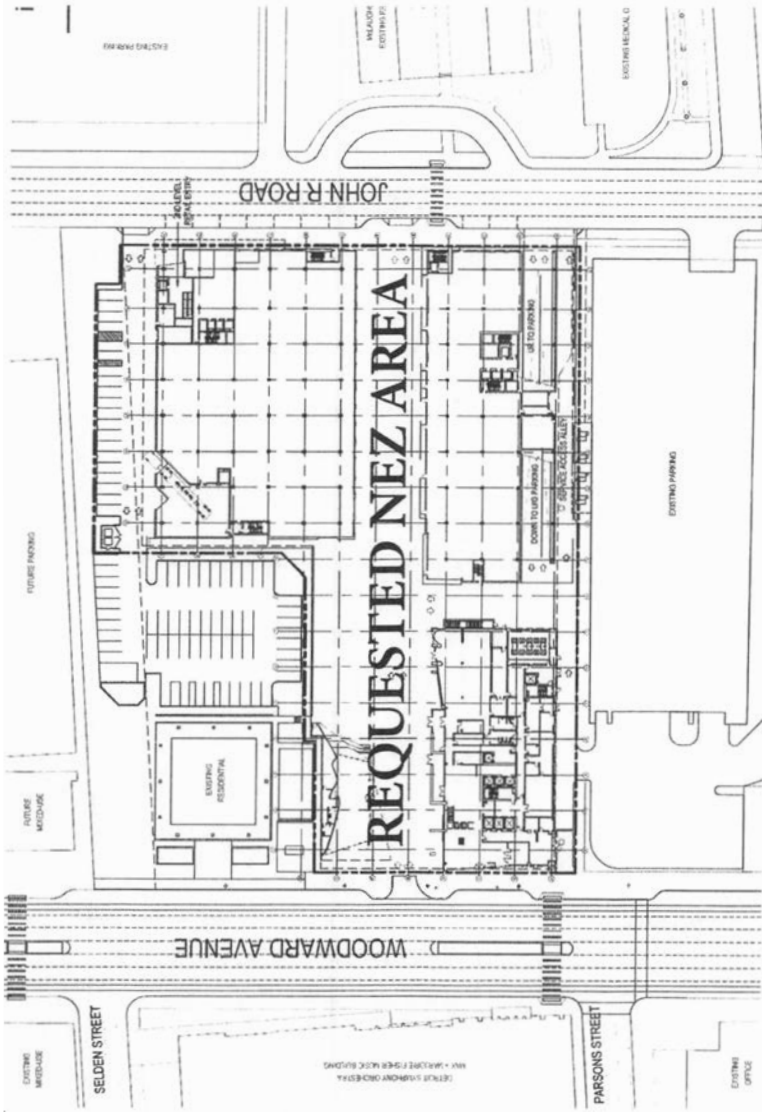

Whereas, No impediments to the establishment of the Real Estate Interest NEZ where cited; and

Whereas, After the public hearing, City Council legally established a Neighborhood Enterprise Zone in the area located at 3750 Woodward Ave, on September 10, 2019

Now, Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Real Estate Interests NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

June 27, 2019

Honorable City Council:

Re: Community Benefits Provision for Tier 1 Development Projects. The Mid — Real Estate Interests, LLC.

Real Estate Interests, LLC (“REI”) is undertaking the development of a 3.8 acre site at 3750 Woodward Avenue. Detroit, MI that includes: (1) 100,000 square feet of retail space, (2) a 225-key boutique hotel, (3) hundreds of multi-family residences, (4) affordable housing, (5) co-living housing units and (6) 60 condos (collectively the “Project”).

Under the City of Detroit Ordinance 35-16 (“Ordinance”), codified in Chapter 12, Article XII of the Detroit City Code (“Code”), development projects that qualify as a “Tier 1 Development Project” are

subject to certain community engagement procedures (the "CBO Process"). Because the Project is expected to incur an investment of at least \$75 million and to involve the abatement of more than \$1 million in City taxes, the Project qualifies as a Tier 1 Development Project under the Ordinance and thus is subject to the CBO Process.

The Project was reviewed by a Neighborhood Advisory Council ("NAC") as part of the CBO Process to ascertain the community's concerns related to any impacts the Project may have on the surrounding community and the ways by which REI plans to address those impacts. A Community Benefits Report was prepared for the Project as a result of the CBO Process and such report has been submitted in accordance with Section 14-12-3 of the Code. REI has agreed to address the concerns raised during the CBO Process by entering into that certain "Community Benefits Provision for Tier 1 Development Projects - The Mid" that is included as Exhibit A to the attached resolution (the "Provision").

We hereby request that your Honorable Body adopt the attached resolution that approves the Provision in furtherance of the Project.

Respectfully submitted,  
MAURICE COX  
Director

Planning & Development Department  
By Council Member Tate:

Now, Therefore Be It Resolved, That the Planning & Development Department's ("P&DD") The Mid Community Benefits Agreement Report in the attached Exhibit B incorporated herein is hereby received and filed by Detroit City Council; and be it further

Resolved, That the "Community Benefits Provision for Tier 1 Development Projects — The Mid" attached hereto as Exhibit A (the "Provision") is hereby approved, and be it further

Resolved, That the P&DD Director, or his authorized designee, is hereby authorized to execute the Provision; and be it finally

Resolved, That the Provision will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

**EXHIBIT A  
COMMUNITY BENEFITS PROVISION  
FOR  
TIER 1 DEVELOPMENT PROJECTS  
(The Mid)**

**THIS COMMUNITY BENEFITS PROVISION** ("Provision") is entered into as of its Effective Date, as hereinafter defined, by and between the City of Detroit ("CITY"), a Michigan municipal corporation acting through its Planning and Development Department, and 3750

Woodward Avenue, LLC ("DEVELOPER"), a Michigan limited liability company with an office at 4000 Town Center, Suite 700 Southfield, MI 48075. The CITY and the DEVELOPER may each be referred to herein as a "Party" or collectively as the "Parties" to this Provision, as applicable.

**RECITALS**

Whereas, DEVELOPER is undertaking the development of a 3.8 acre property at 3750 Woodward Avenue, Detroit, MI that includes: (1) 100,000 square feet of retail space, (2) a 225-key boutique hotel, (3) hundreds of multi-family residences, (4) affordable housing, (5) co-living housing units and (6) 60 condos (collectively the "Project").

Whereas, Under City of Detroit Ordinance No. 35-16 ("Ordinance"), codified in Chapter 14, Article XII of the Detroit City Code ("Code"), effective as of November 29, 2016, certain development projects referred to therein as "Tier 1 Development Projects" are subject to certain community engagement procedures as set forth in the Ordinance (as in existence as of the date hereof, the "CBO Process") to determine the outstanding issues related to the Project and the best means of mitigating the concerns of the community pertaining directly to the development of the Project.

Whereas, Because the Project is expected to incur an investment of at least \$75 million and to involve the abatement of more than \$1 million in city taxes, the Project qualifies as a 'Tier 1 Project' under the Ordinance and thus is subject to the CBO Process.

Whereas, The Project was reviewed through a CBO Process by a Neighborhood Advisory Council ("NAC") and the CITY has prepared a Community Benefits Report ("Report") regarding the Project, all in accordance with Section 14-12-3 of the Code.

Now Therefore, The CITY and DEVELOPER agree as follows:

**Section 1: Addressing Community Impacts.** The DEVELOPER understands that through the community engagement process set forth in the Ordinance, certain concerns have been raised by the Neighborhood Advisory Council regarding the Project's anticipated impact on the community, all of which are itemized in the Report. The DEVELOPER acknowledges these concerns by agreeing to the commitments set forth in the attached Exhibit A, which is incorporated herein by reference. The DEVELOPER further agrees that all above-referenced actions cumulatively bear an essential nexus with and are proportional to the type and magnitude of the impacts to the community that the NAC has identified and that the DEVELOPER has acknowledged.

**Section 2: Continued Community Engagement.** DEVELOPER has been actively engaging with the community for

input and will continue to do so throughout the development of the Project. The DEVELOPER acknowledges and understands that pursuant to Section 14-12-3(f)(3) of the Code, the CITY will facilitate at least one (1) meeting annually between the DEVELOPER and the NAC. The CITY will facilitate, and the DEVELOPER must attend, such meetings on an annual basis for a period of two (2) years following the Effective Date of this Provision. The purpose of such meetings will be to discuss anticipated or actual impacts of the Project on the community and to coordinate the implementation of the DEVELOPER'S efforts to address such impacts, among other topics that the CITY may determine.

**Section 3: Compliance Reports.** The DEVELOPER must submit to the CITY annual compliance reports that summarize the DEVELOPER'S progress on and compliance with the obligations set forth on Exhibit A and the other community engagement obligations set forth herein.

**Section 4: Meetings.** Upon request by either Party, the Parties will meet at their mutual convenience, whether in person or by video conference, telephone, or other convenient means, to review any aspect of this Provision and each Party's rights and obligations hereunder.

**Section 5: Recordkeeping and Reporting.** Each Party will maintain information pertinent to its activities under this Provision for at least two (2) years following the expiration or earlier termination of this Provision, but in no case for less time than may be required to maintain compliance with Applicable Laws.

**Section 6: Indemnification.** The DEVELOPER will indemnify, defend, and hold the CITY harmless against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, losses and expenses (including, without limitation, reasonable fees and expenses for attorneys, expert witnesses and other consultants) that may be imposed upon, incurred by, or asserted against the CITY or its departments, officers, employees, or agents by reason of (a) any grossly negligent act, error, or omission caused by the DEVELOPER, (b) any failure by the Developer to perform its obligations under this Provision, or (c) any injury to the person or property of an employee of the CITY where such injury arises out of the Developer's performance under this Provision.

**Section 7: Compliance with Laws.** Each Party acknowledges that it is individually responsible for maintaining compliance in all respects with all applicable federal, state, and local laws, rules, regulations, and orders having the binding effect of law (collectively "Applicable Laws"). Neither Party will be responsible for ensuring the other Party's compliance with Applicable Laws at any time, unless so required under Applicable Laws.

**Section 8: Non-Discrimination.** The DEVELOPER will, in addressing community impacts as set forth in Section 1 herein, or in performing its activities set forth herein, refrain from refusing, restricting, withholding, or denying any accommodations, services, privileges, advantages or facilities or otherwise discriminating, whether directly or indirectly, on the basis of race, color, ethnicity, national origin, religious beliefs or practices, age, disability, pregnancy, marital status, parental status, military status, employment or educational status, gender, sex, sexual orientation, gender identity or expression, or any other protected or designated classification, in accordance with Chapter 27 of the Detroit City Code and other Applicable Laws.

**Section 9: Community Reporting.** The Parties acknowledge and understand that pursuant to Section 14-12-3(f)(4) of the Code, members of the community may report to the NAC allegations of the DEVELOPER'S failure to comply with this Provision. Community members can submit such reports to the CITY by personal delivery with receipt obtained or by registered or certified first-class mail with return receipt requested at the following address:

City of Detroit,

Planning & Development Department  
Two Woodward Avenue, Suite 808  
Detroit, MI 48226

*Attention:* Director

The CITY will forward all such reports from community members to the NAC for the Project, which may take further action in accordance with Section 14-12-3(f) of the Code.

**Section 10: Breach and Default.** The failure by either Party to comply with its obligations under this Provision, which is not caused by the other Party's failure to comply with its own obligations under this Provision, will constitute a material breach of this Provision.

A. In the event of DEVELOPER'S material breach of this Provision, the DEVELOPER will be considered to be in default of this Provision upon the DEVELOPER'S failure to cure such breach within sixty (60) days after written notice of such breach and demand to cure by the CITY, provided, however, that if the nature of DEVELOPER'S default is such that more than sixty (60) days is reasonably required for its cure, then DEVELOPER will not be deemed to be in default if DEVELOPER, with the CITY's acknowledgment and consent, commences such cure within said period and thereafter diligently pursues such cure to completion.

B. In the event of DEVELOPER'S violation of this Provision, DEVELOPER will comply with such enforcement and mitigation efforts as are determined by the Enforcement Committee in consultation with the NAC, or City Council (as applicable), until the City Council has determined

that DEVELOPER is in compliance or has taken adequate steps to mitigate violations, all in accordance with Section 14-12-3(f) of the Code.

C. In the event of the CITY’s material breach of this Provision, the CITY will be considered to be in default of this Provision upon the CITY’s failure to commence its cure of such breach and thereafter diligently pursue such cure to completion within ninety (90) days after written notice of such breach and demand to cure by the DEVELOPER.

**Section 11: Effective Date, Term, and Termination.** This Provision has no force or effect until the date upon which it has been fully executed by the duly authorized representative of the CITY (if necessary, pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of Detroit), and has been approved by the City of Detroit Law Department (“Effective Date”). This Provision will remain in effect until completion of the Project and Developer’s satisfaction of all of the obligations hereunder, or earlier termination by the Parties if so approved by the City Council. The term of this Provision will be equal to the period of time necessary for both Parties to satisfy all of their respective obligations set forth in this Provision, at which time and upon written notice by either Party the term of this Provision will expire.

**Section 12: Amendments.** No amendment to this Provision will have any force or effect against either Party unless it is in writing, expressly makes reference to this Provision, is fully executed by the duly authorized representative of the CITY (if necessary, pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of Detroit) and DEVELOPER, and is approved by the City of Detroit Law Department.

**Section 13: Notices.** All notices, requests, notifications, and other communications (collectively, “Notices”) related to this Provision shall be given in writing, signed by an authorized representative of the Party and sent by United States mail, registered or certified, return receipt requested, postage prepaid, or sent by express, overnight courier to the respective parties at the addresses listed below, and shall be deemed delivered one (1) business day after the delivery or mailing date:

*Attention:* Tami Hunt

Either Party to this Provision may change its address and/or point of contact for the receipt of Notices at any time by giving written Notice thereof to the other Party in accordance with this Section.

**Section 14: Miscellaneous Terms.**

**A. Independent Parties; Effect of Agreement.** Each Party acknowledges that the CITY and the DEVELOPER are independent of each other and do not intend, as a result of this Provision or otherwise, to become a joint venture, partners, employees, servants, agents, representatives, contractors, or any type of related business entities to one another with respect to the subject matter of this Provision. DEVELOPER and CITY acknowledge and agree that this Provision, and the performance of the obligations hereunder, is intended to satisfy the obligations of the Ordinance and the CBO Process.

**B. Assignment.** This Provision sets forth DEVELOPER’S intended activities to address impacts on the community by the Project in accordance with the Ordinance. The DEVELOPER may not delegate or assign this Provision, or any portion thereof, either voluntarily or involuntarily, or by operation of law.

**C. Force Majeure.** In the event of enforced delay in the DEVELOPER’S performance of its obligations under this Provision due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God or of the public enemy, fires, floods, epidemics, or severe weather, the time for performance of such obligations shall be extended for the period of the enforced delays; provided that the DEVELOPER must within thirty (30) days after the beginning of such enforced delay, have first notified the CITY in writing of the causes thereof and requested an extension for the period of the enforced delay. In the event that there is any dispute as to what constitutes such *force majeure* event, the determination of the CITY will control.

**D. Choice of Law and Venue.** The Parties acknowledge that this Provision will be governed by the laws of the State of Michigan, excluding its choice of laws rules. Any legal suit, action or proceeding arising out of this Provision will be instituted in the federal courts of the United States of America or the courts of the State of Michigan, in each case located in the City of Detroit and County of Wayne, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding.

**E. Severability.** In the event that any provision in this Provision is found by a

court to be impermissible or illegal, then that provision shall be stricken from the Provision and shall be replaced by a provision that is permissible and legal and by mutual agreement of the Parties comes closest to expressing the intent of the stricken provision. The remainder of the Provision shall remain in full force and effect in accordance with its original overall intent.

F. **Counterparts.** This Provision may be executed in multiple counterparts, each of which shall be deemed to be an original, but all of which together shall constitute but one document. Each counterpart may be executed by facsimile or electronic signature, which will be deemed to be an original signature, to the extent permitted by Applicable Law.

G. **Authority of City.** Notwithstanding anything in this Provision or otherwise to the contrary, the CITY is not authorized or obligated to perform any of its obligations pursuant to this Provision until this Provision has been fully executed by the duly authorized representative of the CITY (if necessary, pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of Detroit), and has been approved by the City of Detroit Law Department. Any amendments or modifications must likewise be duly signed (if necessary, authorized by resolution of the City Council and approved by the Mayor), and must be approved by the Law Department, to be enforceable against the CITY.

**IN WITNESS WHEREOF**, the Parties have executed this Provision as of the dates shown below, to be effective as of the Effective Date.

**EXHIBIT A  
DEVELOPER'S COMMITMENTS  
(The Mid)**

DEVELOPER hereby agrees to the following with respect to the Project:

**I. DURING CONSTRUCTION**

DEVELOPER agrees to the following with respect to the construction period of the Project:

**1. Impact — Sidewalk Closures**

A. DEVELOPER will comply with the American with Disabilities Act.

B. Due to safety concerns, DEVELOPER will not use sidewalk scaffolding.

C. DEVELOPER will clearly mark all alternative paths around sidewalk closures.

D. DEVELOPER will work with MDOT or other appropriate governmental agencies to temporarily retime the pedestrian signal at Woodward and Parsons so that it gives pedestrians sufficient time to cross Woodward Avenue.

**2. Impact — Hours of Construction**

A. DEVELOPER will limit construction hours to the period of 7 a.m. to 7 p.m.

B. Other than in cases of emergency, DEVELOPER will provide 48 hours advance notice to the public of any Saturday or Sunday work.

C. DEVELOPER commits that work will rarely, if ever, be conducted on Sundays.

**3. Impact-Dust Control**

A. DEVELOPER will be responsible for any construction or demolition related damage for which it is liable.

B. DEVELOPER will work with the following five (5) neighboring properties: The Plaza Midtown, The Ellington, Bicentennial Tower, McLaughlin Hall and Max M. and Marjorie S. Fisher Music Center to contribute to their window cleaning expense. Assuming mutual agreement, DEVELOPER shall contribute up to \$18,000 for each of the identified neighboring properties (to be adjusted based on actual square footage).

**4. Impact — Pest Control**

A. DEVELOPER will implement a pest control plan prior to the start of construction that will remain in place throughout construction.

B. DEVELOPER will share such pest control plan with the NAC prior to construction start.

**5. Impact — Lighting**

A. DEVELOPER will direct all lighting inwards. DEVELOPER will utilize special purpose lenses and deflectors in order to minimize light pollution.

**6. Impact — Construction Traffic**

A. DEVELOPER will coordinate with the CITY to review and adjust the construction traffic and staging as necessary.

B. DEVELOPER will review the construction site logistics plan with the CITY prior to construction start.

C. DEVELOPER acknowledges that

the Project plans do not require use of any parking spaces beyond those fronting the Project site.

## II. AFTER CONSTRUCTION

DEVELOPER agrees to the following with respect to the design of the Project and post-construction period commitments of the Project:

### 1. Impact — Valet Queuing

A. DEVELOPER shall design and construct the valet area such that vehicle queuing will be positioned internal to the Project site.

B. DEVELOPER will adhere to the Property plan presented to the CITY on 06-04-2019 with respect to valet queuing.

### 2. Impact — Retail Intake List

A. DEVELOPER will designate a minimum of 12,000 square feet of the available 80,000 square feet of retail space for local and small businesses.

B. DEVELOPER will maintain its own list of potential retail tenants, however DEVELOPER will also request the NAC's assistance in soliciting and compiling retail tenant suggestions.

C. DEVELOPER will give Detroit resident owned businesses priority with respect to lease of retail space at the Project.

### 3. Impact — Concept Design

A. DEVELOPER will adhere to design guidelines required by the CITY's Planning & Development Department and the City Planning Commission.

B. DEVELOPER will notify the NAC of each site plan review submission.

### 4. Impact — Public Space

A. DEVELOPER will see that the public space for the Project is well lit and has adequate seating.

B. DEVELOPER work with the CITY to create a pet relief area within the Project's public space to the north of the Project site. This will also address concerns regarding the pedestrian walkway.

C. DEVELOPER will consider use of historic street names.

D. DEVELOPER will work to deliver a Project design that is inspiring and welcoming. DEVELOPER will see that the Project has outstanding public spaces, including areas for dogs.

E. DEVELOPER will see that the Project has a pet relief area that includes a dedicated dog park with a lighted and fenced in area. DEVELOPER will work with the CITY to create the dog park within the public space in the northwest quadrant of the Project site. This will also address concerns regarding the pedestrian walkway.

Honorable City Council:

Re: Property Sale. 314 E Philadelphia, Detroit, MI 48202.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Develop Detroit Inc., a Michigan Non-Profit Corporation to purchase certain City-owned real property at 314 E Philadelphia (the "Property") for the purchase price of Thirty Two Thousand and 00/100 Dollars (\$32,000.00).

The Property consists of a two-family residential dwelling, located on an area of land measuring approximately 6,200 square feet and zoned R3 (Low Density Residential District). Develop Detroit Inc. proposes to rehabilitate the property and continue its use as a residential dwelling. This use is permitted by right in a R3 zone.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Develop Detroit Inc..

Respectfully submitted,

MAURICE D. COX

Director

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 314 E Philadelphia, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Develop Detroit Inc. for the purchase price of Thirty Two Thousand and 00/100 Dollars (\$32,000.00).

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Develop Detroit Inc. consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand Six Hundred and 00/100 Dollars (\$1,600.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments to

changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:  
Re: Petition No. 291 — Michigan Properties, LLC request to vacate an alley located South of Michigan Avenue and Lumley Street.

Petition No. 291 — Michigan Properties, LLC request to vacate and convert to easement the west half of the east-west alley, 15 feet wide, in the block of Summer Street, 30 feet wide, Michigan Avenue, 100 feet wide, Lumley Avenue, 50 feet wide, and Springwells Avenue, 50 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to combine parcels and for the security of the site.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution. DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the west half of the east-west alley, 15 feet wide, in the block of Summer Street, 30 feet wide, Michigan Avenue, 100 feet wide, Lumley Avenue, 50 feet wide, and Springwells Avenue, 50 feet wide; Further described as land in the City of Detroit, Wayne County, Michigan being:

The east-west alley, 15 feet wide, lying southerly of and adjoining the southerly line of Lots 2, 3 and west 30.8 feet of Lot 1 also lying northerly of and adjoining the northerly

line of Lot 4 "Lumley's Subdivision of Part of P.C. No. 543" as recorded in Liber 21, Page 33 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any

action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Lumley Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, and President Jones — 8.

Honorable City Council:

Re: Petition No. 1006 — Wayne State University, request an outright vacation of public dedicated alley rights-of-way located at York Street, Cass Avenue, Antoinette Street and Second Blvd. in Research and Technology Park / Tech Town Area.

Petition No. 1006 — Wayne State University, request to outright vacate and amended to outright vacate part and to vacate and convert to easement part of the east-west alley, 20 feet wide, and the north-south alley, 18 feet wide, first west of Cass Avenue, all in the Block of Antoinette Street, 50 feet wide, York Street, 50 feet wide, Second Boulevard, 150 feet wide, and Cass Avenue, 80 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made so that Wayne State University can construct a new parking structure on the west side of Cass Avenue between York and Antoinette Streets as support for further development in the surrounding Research and Technology Park/Tech Town area.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement and outright vacation. The specific DWSD provisions for easements and vacations are included in the resolution.

DTE Energy reports having services in the area. Provisions to maintain access to DTE facilities in the easement area; and to pay for the removal work for the vacation is a part of the resolution.

AT&T reports having services in the area. Provisions to maintain access to AT&T facilities in the easement area; and to pay for the removal work for the vacation is a part of the resolution.

Planning and Development Department reports that the area of the development is within the "New Amsterdam Historic District" and the project will need Historic District Commission (HDC) approval. A provision for HDC approval is part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation of the public right-of-way, and the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That all of the west part of the east-west alley, 20 feet wide, and the south part of the north-south alley, 18 feet wide, first west of Cass Avenue, all in the Block of Antoinette Street, 50 feet wide, York Street, 50 feet wide, Second Boulevard, 150 feet wide, and Cass Avenue, 80 feet wide; Further described as land in the City of Detroit, Wayne County, Michigan being:

1) Part of the east-west alley, 20 feet wide, lying northerly of and adjoining the northerly line of Lots 13 and 14, also lying southerly of and adjoining the southerly line of Lots 23 and 24 "Mandelbaums' Subdivision of Out Lot 117, Cass Farm" as recorded in Liber 2, Page 8 of Plats, Wayne County Records.

2) Part of the north-south alley, 18 feet wide, lying easterly of and adjoining the easterly line of the southerly 67.5 feet of Lot 11, also lying westerly of and adjoining the westerly line of Lot 1 and the southerly 20 feet of Lot 2 "Cass Farm Co. Limited Subdivision of Blocks 111, 112, 113, 114, 115, 116, 118, and 119 Cass Farm" as recorded in Liber 19, Page 35 of Plats, Wayne County Records.

Be and the same are hereby vacated as a public rights-of-way and converted into a private easements for public utilities of the full width of the rights-of-way, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their

heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners

maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Antoinette Street) such removal and construction of new curb and sidewalk shall be done under city permit

and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it also

Resolved, That all of the east part of the east-west alley, 20 feet wide, and the north part of the north-south alley, 18 feet wide, first west of Cass Avenue, all in the Block of Antoinette Street, 50 feet wide, York Street, 50 feet wide, Second Boulevard, 150 feet wide, and Cass Avenue, 80 feet wide; Further described as land in the City of Detroit, Wayne County, Michigan being:

Be and the same is hereby vacated (outright) as public right-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services or granting of private easements for specific utility companies, if necessary, and further

Provided, That the petitioner make the necessary arrangements with DTE Energy for the removal of their facilities and miscellaneous associated work with the cost borne by the petitioner (Cost estimated at \$431,009.18), and further

Provided, That the petitioner make the necessary arrangements with AT&T for the removal of their facilities and miscellaneous associated work with the cost borne by the petitioner (Cost estimated at \$72,274.19.), and further

Provided, That the petitioner shall design and construct proposed sewers and to make the connections to the existing public sewers as required by Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers, and further

Provided, That the plans for the sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers, and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City, and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed sewers, and further

Provided, That upon satisfactory completion, the sewers shall become City property and become part of the City system. And any existing sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That prior to construction the petitioner shall obtain approval of the Detroit Historical Commission to ensure compliance and suitability of the new construction in the New Amsterdam Historic District, and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 1483 — Olympia Development, LLC request to vacate and convert to easement a public alley in the area of Second Avenue, Temple Avenue, Cass Avenue and Ledyard Street.

Petition No. 1483 — Olympia Development, LLC request to vacate and convert to easement the north-south alley, 20 feet wide, in the block of Ledyard Street, 100 feet wide, Temple Avenue, 100 feet wide, Second Boulevard, 60 feet wide, and Cass Avenue, 80 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to combine parcels and for a surface parking lot.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution. DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the north-south alley, 20 feet wide, in the block of Ledyard Street, 100 feet wide, Temple Avenue, 100 feet wide, Second Boulevard, 60 feet wide, and Cass Avenue, 80 feet wide; Further described as land in the City of Detroit, Wayne County, Michigan being:

The north-south alley, 20 feet wide, lying easterly of and adjoining the easterly line of Lots 10 through 18, both inclusive, also lying westerly of and adjoining the westerly line of Lots 1 through 9, both inclusive, all in Block 81 "Blocks 81 and 82, Cass Farm" as recorded in Liber 1, Page 93 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes

of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of back-

hoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances (into Temple Avenue and/or Ledyard Street) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Honorable City Council:

Re: Petition No. 1036, City of Detroit Department of Public Works — City Engineering Division request to temporarily close Macomb Avenue from Randolph Avenue to twenty (20) feet east.

Petition No 1036 of City of Detroit Department of Public Works — City Engineering Division, request for the Temporary Closure of Macomb Avenue from Randolph to twenty (20) feet east.

The request is being made to eliminate the conflicting and confusing traffic turns at this intersection. This is part of the development of the Randolph Gratiot Plaza.

You will find attached an appropriate resolution, for your Honorable Body's consideration, authorizing the City Engineering Division — DPW to issue permits to close Macomb Avenue, 50 feet wide, on a temporary basis (for a period of five (5) years) to expire on September 30, 2024.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That the City Engineering Division — DPW is hereby authorized and directed to issue permits to the City of Detroit, to close Macomb Avenue 50 feet wide, from Randolph to twenty (20) feet east, between Randolph Street variable width and Brush Street fifty (50) feet wide, lying northerly of and abutting the north line of the west 20 feet of lot 7 and lying south of and abutting the south line of the west 20 feet of lot 9. Of the Brush Farm as subdivided into lots by John Mullett surveyor (A) northwest corner of Biddle's cornerstone at the intersection of the east line of Randolph Street with the south line of Jefferson Avenue (B) intersection of west line of brush farm with south line of Jefferson Avenue Wayne County Register of Deeds. B.7-P224 and 225 1835 City Records. As recorded in Wayne County Records.

Be and the same is hereby temporarily closed, for a period of 5 years to expire on September 30, 2024 subject to the following provisions:

Provided, No buildings or other structures of any nature whatsoever (except

necessary barricades), shall be constructed on or over the public Right-of-way. The petitioner shall observe the rules and regulations of the City Engineering Division — DPW. The City of Detroit retains all rights and interests in the temporarily closed public right-of way. Further, the petitioner shall comply with all specific conditions imposed to ensure unimpeded 24-hour per-day access to the City and utility companies; and

Provided, All of the petitioner's public property fence, gate and barricade installations shall be subject to the review and approval of the City Engineering Division — DPW, and Planning and Development Department); and

Provided, This resolution does not permit the storage of materials, displays of merchandise, or signs within the temporarily closed public right-of way. Further, the placement of materials, merchandise, or signs on any adjacent berm area is prohibited; and

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, and Spivey — 6.

Honorable City Council:

Re: Petition No. 248 — College for Creative Studies, request to vacate an alley located between John R Road and Brush Street.

Petition No. 248 — College for Creative Studies request to vacate and convert to easement the east-west alley, 20 feet wide, in the block of Kirby Avenue, 80 feet wide, Ferry Avenue, 80 feet wide, John R Street, 60 feet wide, and Brush Street, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to facilitate program services.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution. DTE Energy objects because they have services in the area; however a specific provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed

in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement: such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3. mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. if gated access to the easement is installed, such gated access shall include DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to and over said easement for the purpose above set forth: and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. Honorable City Council:

Re: Recommendation for Deferral.  
Address: 5310 Spokane. Name:  
Derrick E. Lowes & Bryan T. Allison.  
Demolition Ordered: July 20, 2019.

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on July 30, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow

occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Honorable City Council:

Re: Address: 20008 Hull. Name: Kurt Thompson. Date ordered removed: November 20, 2012 (J.C.C. pgs. 2155-2162).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on July 26, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained and securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,  
DAVID BELL  
Director

Address: 1396-98 Cadillac. Name:  
Ekalu LLC. Demolition Ordered: July  
18, 2017 (J.C.C. pgs. 1517-1524).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on July 26, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Honorable City Council:

Re: Petition No. 193 — Paradise Valley Partners, request to vacate an alley in the block bounded by Beaubien, Custer, St Antoine, and Horton.

Petition No. 193 — Paradise Valley Partners on behalf of Paradise Valley Investment Group requesting the vacation and conversion to easement of the east-west public alley, 20 feet wide, in the block of Horton Avenue, 60 feet wide, Custer Avenue 60 feet wide, Beaubien Street, 60 feet wide, and St. Antoine Street, 50 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made as part of a new development; and closure of the alley will help facilitate customer parking and access.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE Energy reports having services in the area. A provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That all of the east-west public alley, 20 feet wide, in the block of Horton Avenue, 60 feet wide, Custer Avenue 60 feet wide, Beaubien Street, 60 feet wide, and St. Antoine Street, 50 feet wide. Further described as:

Land in the City of Detroit, Wayne County, Michigan being the east-west

alley lying northerly of and adjoining the northerly line of Lots 123 through 137, both inclusive, also lying southerly of and adjoining the southerly line of Lots 14 through 28, both inclusive "Hibbard Baker's Subdivision of Lot No. 2 of the Subdivision of 1/4 Section 57, 10,000 Acre Tract, Hamtramck Township (Now Detroit), Wayne County, Michigan" as recorded in Liber 7, Page 90 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the property owners maintain DTE Energy full access to their facilities at all times including bucket truck access to the existing poles, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further provided that if sewers, water mains,

and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances (into St. Antoine Street and/or Beaubien Street) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

### TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

#### TESTIMONIAL RESOLUTION FOR VERDINE DAY

##### *Retired Detroit Firefighter*

By COUNCIL MEMBER AYERS, joined by: COUNCIL PRESIDENT JONES and COUNCIL MEMBER McCALISTER, JR.:

WHEREAS, The members of the Detroit City Council are delighted to honor an outstanding woman that has made a great impact in the Detroit Fire Department and her community for thirty-three and a half years; and

WHEREAS, During her tenure, Verdine served in many capacities: from being an aide to the Department Chief, Deputy Chief and Administrative Assistants to rising through the ranks to become the **first black female Fire Engine Operator** and on to Senior Fire Engine Operator. Through her esteemed work ethic and heroism, she also earned two citations for the rescue of civilians; and

WHEREAS, Verdine served as an elected union official with the Detroit Fire Fighters Association for fourteen years as an 8th Battalion Director, Secretary, Vice President and currently holds the position of Treasurer. During those terms she chaired the Political Action Committee, the Joint Health and Safety Committee, Public Relations, Human Relations and Grievance committees. Her dedication to fair and just treatment was also instrumental in adopting a pregnancy policy for women of the department; and

WHEREAS, For nineteen years, Verdine orchestrated the "Engine 40 Back to School Backpack Project", securing thousands of backpacks loaded with school supplies for our youth and she led the "Fill the Boot Campaign" for fourteen years,

which raised money for children from the Muscular Dystrophy Association. Through her desire to serve, Verdine also coordinated with Gleaners to provide breakfast for children in the summer, served as camp coach at Bum Camps and lent herself to the Junior Fire Cadet Program; and

WHEREAS, For her tireless commitment and outstanding service, Verdine was appointed by the Commissioner to the PTSD Team and named the 2019 "Woman of the Year" for Women in Blue; and

WHEREAS, In her spare time, Verdine enjoys traveling, riding motorcycles and has played softball since 1968, earning her a spot in the Michigan USSSA Hall of Fame; THEREFORE, LET IT BE

RESOLVED, That Councilwoman Janeé L. Ayers and the entire Detroit City Council express our sincere appreciation and joins in the retirement celebration of Verdine Day, truly one of Detroit's finest treasures.

#### RESOLUTION IN MEMORIAM FOR

#### MR. ARTHUR SIMONS

**February 19, 1929 — September 4, 2019**  
By COUNCIL MEMBER LELAND, joined  
by COUNCIL PRESIDENT JONES and  
COUNCIL MEMBER McCALISTER:

WHEREAS, Arthur Simons was born in Jamison, Alabama as the youngest of 11 children. His family relocated to Detroit, Michigan when he was 15 years old; and

WHEREAS, Mr. Simons graduated from Detroit Northern High School and earned a Bachelor of Business Administration Degree from the Detroit Institute of Technology. His commitment to country and community began in earnest with two years spent in the United States Army. In 1966, Arthur joined the Barton McFarlane Neighborhood Association and in 1968 he became the Association's first African-American President; and

WHEREAS, Mr. Simons brought together his business background as a direct distributor for National Safety Associates and sales manager for the Stroh Brewery Company with his many years of leadership with the Barton McFarlane Neighborhood Association, in addressing zoning, master plan, economic development, housing, and public policy issues across the 139 square miles of the City of Detroit— from expansion of City Airport on the city's northeast side to southwest Detroit's Public Safety Mall; from the new Super Kmart store in northwest Detroit to the far east side's controversial Graimark project; from the Eight Mile Gateway Mall project to the siting of temporary and permanent casinos in downtown Detroit; and

WHEREAS, Mr. Simons concern for the impact of proposed projects on neighborhood residents is best evidenced by his statements at Commission meetings, such as "How to get truck parking enforced?" in considering amendments to the Zoning Ordinance for processing blight violations; in asking "What is the impact of reducing or increasing commercial?" in a McDougall Hunt master plan amendment; and requesting to "Limit the hours to reduce the impact on the neighborhood" in the case of the Home Depot Seven Mile/Meyers project; and

WHEREAS, Mr. Simons supported Commission initiatives in establishing a partnership with Wayne State University for evaluation of the Community Development Block Grant and Neighborhood Opportunity Fund programs; undertaking a comprehensive revision of the Zoning Ordinance; creating a Youth Matrix to evaluate the impact of development projects on children; and starting the D.O.C.T.O.R. program to help build capacity of community-based organizations; and

WHEREAS, Arthur leaves to cherish his memory, his loving and devoted wife of 65 years, Amanda; two children Sabrina and Gregory, a granddaughter Loren, and a host of family, friends and his Barton McFarlane Family. NOW, THEREFORE BE IT

RESOLVED, That Councilman Gabe Leland and Members of Detroit City Council hereby join family and friends in celebrating the life and legacy of MR. ARTHUR SIMONS. May the memories of his love, faith, and hard work be cherished always and continue to fill the hearts of his many love ones. In his heart

a man plans his course, but the Lord determines his steps. Proverbs 16:9 (NIV).

**TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION FOR**

**MR. CURTIS HUGO BURL KILPATRICK**  
*"In Recognition of Your Centennial 100th Birthday"*

By COUNCIL PRESIDENT JONES:

WHEREAS, October 20, 2019, marks the 100th Birthday of Mr. Curtis Hugo Burl Kilpatrick, a very significant milestone, reserved for very few. The Detroit City Council would like to publicly acknowledge this important event in his life, and

WHEREAS, Curtis Kilpatrick was born on October 20, 1919, in Clarksdale, Arkansas, to the union of Virginia Dubose Kilpatrick and Warren Rudolph Kilpatrick. His mother was six months pregnant with his brother, Warren Rudolph Kilpatrick Jr., when his father made his heavenly transition. Shortly thereafter, Curtis and his mother moved back to Jackson, Alabama, where he began his education; and

WHEREAS, After graduating from high school and working a few odd jobs, Curtis was drafted into the United States Army in 1943. He received an honorable discharge in 1945. As a result of the G.I. Bill that was passed by Congress and signed into law by President Franklin Roosevelt in 1944, Curtis enrolled at the Tuskegee Institute, where he studied tailoring. After completing his course of study, Curtis accepted a position in Memphis, Tennessee to teach tailoring. He taught there for three years before returning to Jackson. Curtis started his own dry cleaning business, City Cleaners and Tailors, which operated for over 38 years; and

WHEREAS, Elder Kilpatrick gave his life to Christ at an early age and was baptized at Mt. Olive #2 Baptist Church. He grew spiritually and had many opportunities to experience the goodness of God. He served as a Sunday School teacher,

trustee, and deacon. While faithfully serving the body of Christ, he received the call to ministry at Mt. Olive under the leadership of Reverend Williams. Elder Kilpatrick was later ordained to preach the gospel at Good Hope Missionary Baptist Church in Salitpa, Alabama. In the 70s, he served as Pastor of Old Mt. Sinai Baptist Church until God laid it on his heart to build The House of Prayer. Elder Kilpatrick is affectionately referred to as the "Sin Buster"; and

WHEREAS, Elder Kilpatrick has been very fortunate to have had two wonderful women in his life. He married his first wife, Ola Belle Burroughs Kilpatrick in 1945. They were together for 22 years before she went on to be with the Lord. To this union one son was born. Elder Kilpatrick later married his second wife, Ethel Louise Alston Kilpatrick, who loved him and supported him in his ministry and in life. They were married for over 39 years until the Lord called her home at the tender age of 91. Elder Kilpatrick is the father of Curtis Jr., who is married to Emily JoAnna. He has two grandsons, Curtis III and Eric Jarreau; two granddaughters, Carmen (Keith) Williams and Cindita (Frazier) Cunningham; four great-grandsons, Christopher, Timothy, Daeven, and Daeon; and two great-granddaughters, Kennedy and Victoria. Elder Kilpatrick has witnessed many historical events during the century of his life and imparted many caveats of wisdom. At age 100, Elder Kilpatrick keeps moving "by the power of God". As family and friends are gathered here today to commemorate and celebrate his 100th Birthday, it is abundantly fitting and proper that Elder Curtis Hugo Burl Kilpatrick be appropriately recognized during this very special and memorable time of his life. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones congratulate Elder Curtis Hugo Burl Kilpatrick on the occasion of his 100th Birthday. We wish him continued peace, good health and happiness.

FOR**

**CORPORAL DENISE V. WALKER  
"32 Years of Dedicated Service"  
DETROIT POLICE DEPARTMENT**

By COUNCIL PRESIDENT JONES,  
joined by COUNCIL MEMBER  
McCALISTER:

WHEREAS, On September 9, 2019, Corporal Denise V. Walker, assigned to Special Events, will retire from the Detroit Police Department (DPD) after thirty-two (32) years of dedicated service to the citizens of Detroit; and

WHEREAS, On April 6, 1987, Officer Denise Walker was appointed to the Detroit Police Department. Upon completion of the Detroit Police Academy, Officer Walker's first assignment was the Detroit Police Department's Youth Section. On September 30, 1988, Officer Walker was transferred to the Seventh Precinct. Her assignments included patrol and administrative duties. On July 6, 1999, Officer Walker was assigned to the newly created Gaming Division and served as the liaison between the Detroit Police Department and Motor City Casino. Officer Walker worked the Distraction Theft Unit and was instrumental in several successful surveillance operations which resulted in prosecution and/or the prevention of crime. Her additional assignments included the Metropolitan Division, Risk Management Section, Northeastern District, Office of the Assistant Chief, Office of the Chief of Police, the Tactical Operations Section, First Precinct, and Downtown Services; and

WHEREAS, On January 1, 2019, being in good standing with an exemplary service record, Officer Walker was recognized and officially promoted to the rank of Corporal. In her current assignment as the Chiefs Neighborhood Liaison/Special Events, Corporal Walker continued to excel, operating as the Detroit Police Department's liaison for major events, such as the North American International Auto Show (NAIAS), the Ford Fireworks, the Mayoral State of the City Address, National Association of Black Engineers, NAACP National Convention, and countless dignitary visits, from United States Presidents and Vice Presidents, to foreign heads of state, and

WHEREAS, Throughout her stellar career, Corporal Walker was the recipient of numerous departmental awards, including the MLB All-Star Baseball

Recognition Award, NFL Super Bowl XL Award, Rosa Parks Funeral Award, Ford Fireworks Award, the Conclusion of Consent Judgement Award, Chiefs Merit Awards, and many citations, letters of appreciation and recommendation. It is to be noted, Corporal Walker's last and most recent appreciation and tribute was being selected as a nominee for the Detroit Metro Convention & Visitors Bureau's prestigious 2019 Rose Award; and

WHEREAS, Corporal Denise Walker served the Detroit Police Department and the citizens of Detroit with commitment, loyalty and professionalism. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones hereby commend Corporal Denise V. Walker for her contributions to the Detroit Police Department; working to ensure the safety and well-being of the citizens of Detroit; and thirty-two years of dedicated law enforcement service.

August 20, 2019

Honorable City Council:

Re: Application for Neighborhood Enterprise Zone Certificate for Corktown

On October 21, 1992, your Honorable Body established Neighborhood Enterprise Zones. I am in receipt of one (1) application for a Neighborhood Enterprise Zone Certificate. This application has been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached resolution, if adopted by your Honorable Body, will approve this application.

Respectfully submitted,  
JANICE M. WINFREY  
City Clerk

By Council Member Spivey:

Whereas, Michigan Public Act 147 of

1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992.

Now, Therefore Be It

Resolved, That the City Council approve the following address for receipt of Neighborhood Enterprise Zone Certificate for a fifteen-year period:

| Zone     | Address     | Application No. |
|----------|-------------|-----------------|
| Corktown | 1710 Bagley | 06-8557         |

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation a single-family home located at 1710 Bagley Avenue in the Corktown Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of a single-family home located at 1710 Bagley Avenue. This application corresponds to a qualified facility which is to be newly renovated. The project consists of all new flooring, windows, HVAC, interior remodeling of the bathroom, and select demolition. CPC staff has reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the Corktown NEZ which was established by a vote of Council on October 26, 1994, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost of rehabilitation is \$43,575.00. The applicant is seeking a 15 year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

In 2016, the Council developed a new system of review for the approval of certain NEZ certificates:

LPD assisted in developing a system for which the Council applied a greater level of scrutiny at the NEZ Zone approval

stage. The recent upswing in the use of NEZs for the development of apartment buildings and condos downtown and in "Downtown Revitalization Districts," instead of just neighborhood single family residents, created a need for this review.

This Neighborhood Enterprise Zone was established in 1994, which is prior to the development of a system of additional financial review for NEZs in 2016, therefore there is no additional fiscal review for this item.

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of four (4) apartment units located at 1718 Van Dyke Avenue in the West Village Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of four (4) apartment units located at 1718 Van Dyke Avenue. This application corresponds to a qualified facility which is to be newly renovated. The project consists of all new plumbing, electrical and HVAC, exterior siding and the addition of insulation. Some reconfiguration of the interior walls to make the units more efficient will also occur. The first and second floors will be divided into two units. The third floor is currently an attic, and is anticipated to be incorporated into the second floor units. CPC staff has reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the West Village NEZ which was established by a vote of Council on November 15, 2000, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost of rehabilitation is \$122,550.00. The applicant is seeking a 17 year tax abatement given this historic nature of the property. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Re: Neighborhood Enterprise Zone Certificate Application for the construction of a new 6-unit multi-family residential structure located at 4130 Trumbull Avenue in the Woodbridge Estates Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received one application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the construction of a new 6-unit multi-family residential structure located at 4130 Trumbull Avenue. This application corresponds to a qualified site which will be new facility. The Levels Trumbull development at 4130 Trumbull Avenue has been designed as a 6-unit, 3 story structure with 2 residential units on each floor. The façade and motif of the building will primarily be brick and wood and should complement the existing built environment of the Woodbridge Historic

District. The residential units will be flat apartment style and will be approximately 1,000 square feet. There will be an 8-car garage in the rear of the property, offering one space per unit for the residents. CPC staff has reviewed the applications and recommends approval.

The subject property has been confirmed as being within the boundaries of the Woodbridge Estates NEZ which was established by a vote of Council on September 18, 2001, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost of new construction 4130 Trumbull Avenue is \$200,000.00. The applicant is seeking a 12 year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Honorable City Council:  
Re: Genesys Surgery Center (Bena Brown) vs. City of Detroit. Case No: 18-012077-NI. File No: L18-00614 (RG).

On September 10, 2019, a case evaluation panel evaluated the above-captioned lawsuit and awarded Nine Thousand Five Hundred Dollars and No/Cents (\$9,500.00) in favor of the plaintiff. The parties have until October 8, 2019, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Nine Thousand Five Hundred Dollars and No/Cents (\$9,500.00) is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in that amount payable to Genesys Surgery Center and their attorney, Law Offices of Kelman & Fantich, to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 18-012077-NI and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

Re: Proposed ordinance to amend Chapter 36 of the 2019 Detroit City Code.

Council Castaneda-Lopez has requested that the Law Department prepare an ordinance to amend Chapter 36, *Public Lodging*, Article I, *Public Accommodations*, of the 2019 Detroit City Code to provide a definition of the term "hostel", to provide for requirements specific to hostels in the City of Detroit, and to relocate and amend the licensing for the article to Division 4, *Licenses*. A copy of the ordinance which has been approved as to form is attached for your consideration.

Respectfully submitted,

TONJA R. LONG

Supervising Assistant  
Corporation Counsel  
Municipal Section

By Council Member Castaneda Lopez:

**AN ORDINANCE to amend Chapter 36 of the 2019 Detroit City Code, *Public Lodging*, Article I, *Public Accommodations*, Division 1, *Generally*, by amending Section 36-1-1 to add a definition of "hostel"; to add substitute Division 3, *Hostels*, to provide for requirements specific to hostels in the City; and to relocate and amend the licensing provisions for the Article to Division 4, *Licenses*, and to include hostels in the licensing requirements of public accommodations.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 36 of the 2019 Detroit City Code, *Public Lodging*, Article I, *Public Accommodations*, Division 1, Section 36-1-1; Division 3, Section 36-1-41; and Division 4, 36-1-51 to read as follows:

**Chapter 36. PUBLIC LODGING  
ARTICLE I.**

**PUBLIC ACCOMMODATIONS  
DIVISION 1. GENERALLY**

**Sec 36-1-1. Definitions.**

For purposes of this article, the following terms shall have the meanings respectively ascribed to them by this section:

*Bed and breakfast inn* means, as likewise defined in Section 4b of the Stille-DeRosett-Hale Single State Construction Code Act, being MCL 25.1504b, and Section 50-16-131 of this Code, a single-family dwelling that meets both of the following criteria:

- (1) Has ten or fewer sleeping rooms, including sleeping rooms occupied by the innkeeper, one or more of which are available for rent to transient tenants; and
- (2) Serves breakfast at no extra cost to its transient residents.

*Dwelling* means, as likewise defined in Section 50-16-172 of this Code, any building, or part thereof, that is designed for or occupied, in whole or in part, as the home, residence, or sleeping place of one or more persons, either continuously, permanently, temporarily, or transiently.

*Dwelling Unit* means, as likewise defined in Section 50-16-172 of this Code, a building or part thereof, that is it designed and used for residential occupancy by a single "family" and that includes exclusive sleeping, cooking, eating and sanitation facilities.

*Hostel* means, as likewise defined in Section 50-16-462 of this Code, an overnight lodging facility, in a building originally constructed for other than use as a single-family dwelling or two-family dwelling, offering temporary lodging and services related to hostelling that is operated managed, or maintained under sponsorship of a nonprofit or for-profit organization, providing beds for rent on a daily basis in individual rooms or dormitories, and typically characterized by low cost, shared use of a self-service kitchen, common areas, sleeping rooms, and bathroom facilities. This use does not include emergency shelters, rooming houses, single-room-occupancy housing, pre-release adjustment centers, or halfway houses.

*Hotel* means, as likewise defined in Section 50-16-243 of this Code, a building, or part of a building, or group of buildings, on a single zoning lot, designed for or primarily occupied by transients that contains more than ten rooming or dwelling units, and in which fewer than 25 percent of said units are independently accessible from the outside without the necessity of passing through the main lobby of the building, that is designated by the operator as a motor lodge, motor inn, or any other title intended for identification as providing lodging for compensation, and that is with or without a general kitchen and public dining room for the use of the occupants.

*Licensee* means any individual, partnership, corporation, association, or other legal entity licensed pursuant to this article.

*Motel* means, as likewise defined in Section 50-16-303 of this Code, a building, or part of a building, or group of buildings, on a single zoning lot, designed for or primarily occupied by transients that contains more than ten rooming or dwelling units, where 25 percent or more of said units are independently accessible from the outside without the necessity of passing through the main lobby of the building, that is designated by the operator as a motor lodge, motor inn, or any other title intended for identification as providing lodging for compensation, and that is with or without a general kitchen and public dining room for the use of the occupants.

*Nonprofit single room occupancy housing* means, as likewise defined in Section 50-16-383 of this Code, service-enhanced, single-room housing, provided by an entity recognized by the Internal Revenue Service as holding non-profit, tax-exempt status, which housing is primarily for individuals residing without children, such individuals being capable of independent living; whose dwellings units may or may not provide separate sanitary and food-preparation facilities; and sometimes operates as a hotel although permanent residency is an anticipated feature of the housing but does not mean a public lodging house or a rooming house.

*Public lodging house* means, as likewise defined in Section 50-16-284 of this Code, a commercial establishment or place in which five or more members of the public, whether travelers or not, are charged for or pay for sleeping quarters in the form of cots or beds in the same room.

*Rooming house* means, as likewise defined in Section 50-16-363 of this Code, a dwelling that is occupied by the owner, or the owner's agent, consisting of:

- (1) Not more than two dwelling units; and
- (2) Not more than ten rooming units without cooking or kitchen accommodations for individual leasing or renting rooms.

*Rooming unit* means, as likewise defined in Section 50-1-363 of this Code, a room rented as sleeping and living quarters but without cooking facilities and with or without an individual bathroom, provided, that in a suite of rooms without cooking facilities, each room which provides sleeping accommodations shall be counted as one rooming unit for purposes of this article.

~~Secs. 36-1-34—36-1-40. Reserved.~~

### DIVISION 3. HOSTELS

#### **Sec. 36-1-41. Requirements specific to hostels.**

Hostels shall be subject to the following provisions:

- (1) A hostel shall provide 24-hour management staffing when occupied.
- (2) A hostel shall provide common interior space for residents, which may consist of a community kitchen, dining area, sitting area, or lobby.
- (3) A hostel shall provide individual lockers or locked luggage rooms.
- (4) Each sleeping room shall have a separate smoke alarm as required in the Michigan Building Code.
- (5) A fire escape plan shall be developed and geographically displayed in each guest room.
- (6) The use of a hostel is limited to a

maximum of 17 consecutive days. There shall be a minimum of 21 days between stays for repeat visitors.

(7) A hostel shall provide a minimum of one lavatory, one shower, and one hand-washing facility per 15 sleeping spaces. Lavatories, showers, and handwashing facilities must either be designed for the private use of a single user or divided into male and female facilities that are physically separate and distinct for the purpose of maintaining lodger privacy. Lavatories and bathing facilities shall be available to all persons using the premises.

(8) All prospective lodgers shall provide a government issued identification or driver's license, passport, municipal identification, or an international student identification card as a condition of lodging.

(9) Lodging by minors under the age of 18 without a parent, legal guardian or an adult leader of an organized group shall not be permitted.

(10) Management shall adopt, inform lodgers of, and strictly enforce rules of conduct of its guests to ensure the operation of the hostel is not detrimental to the health, safety, peace or welfare of the neighborhood. All rules for the hostel shall be conspicuously displayed at locations throughout the premises and shall be printed in multiple languages to accommodate foreign travelers. These rules shall include, but not be limited to, the following:

a. Specific times for check-in, check-out; day time lock-out (for cleaning purposes) and a nighttime curfew, where applicable;

b. No animals may be kept on the premises with the exception of service animals as defined in MCL 287.291; and

c. No amplified music is allowed in any sleeping area.

(11) A hostel shall not exceed building occupancy limits established by the Buildings, Safety Engineering, and Environmental Department.

(12) The owner(s) or management of the hostel shall comply with all provisions and guidelines of Title VIII of the Fair Housing Act of 1968.

(13) A hostel shall provide clean bedding for each lodger.

(14) For lodgers staying longer than seven days, management shall provide laundry facilities or service. To maintain sanitary conditions, management may require bedding to be washed at least once per week.

~~Secs. 36-1-42—36-1-50. Reserved.~~

### DIVISION 4. LICENSE

#### **Sec. 36-1-51. Required.**

It shall be unlawful to conduct or to maintain any bed and breakfast inn, hotel, motel, non-profit single-room occupancy housing, public lodging house, rooming house, or hostel in the City without first having obtained a license from the Build-

ings, Safety Engineering, and Environmental Department Business License Center to operate such business.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** In the event that this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of the City Council Members serving, it shall become effective no later than thirty (30) days after enactment in accordance with Section 4-118 of the Charter.

**Section 5.** This ordinance shall not take effect unless the ordinance to amend Chapter 50, *Zoning*, Article XII, *Use Regulations*, Division 2, *General Use Standards*, by repealing Section 50-12-322 is enacted.

**City Planning Commission**

September 13, 2019

Honorable City Council:

Re: Request of the Detroit Riverfront Conservancy to amend Article XVII, District Map #1 of the Detroit Zoning Ordinance. Chapter 61 of the 1984 Detroit City Code to show a PR (Parks and Recreation District) zoning classification where a PCA (Public Center Adjacent District) zoning classification is currently shown for the properties generally bounded by West Jefferson Avenue on the north, Cabacier extended on the east, the Detroit River on the south, and Rosa Parks extended on the west and more commonly known as 1801 West Jefferson Avenue. (RECOMMEND APPROVAL)

**NATURE OF REQUEST**

The Detroit Riverfront Conservancy is requesting to amend District Map No. 1 of the Detroit Zoning Ordinance to show a PR zoning classification where a PCA zoning classification is currently shown for the land commonly referred to as 1801 West Jefferson Ave.

In an effort to reinforce the proposal to redevelop West Riverfront Park, the Riverfront Conservancy seeks to rezone the subject property to the PR zoning classification described as follows: "the intent of the Parks and Recreation District is to retain, insofar as is practicable and desirable, publicly owned lands in excess of four (4) acres in size already improved for or intended to be improved for recreational uses and/or to be preserved as open space. The restrictions of this classification are intended to encourage preservation of these lands and to permit development in keeping with the natural amenities of these areas." The Conservancy is seeking to ensure the longevity of the subject space as a park by establishing a more suitable zoning district to protect this space as a park/open space for years to come.

"Ralph C. Wilson, Jr. Centennial Park" is planned as the new name of West Riverfront Park, a 22-acre site along the Detroit riverfront. The redeveloped park is part of the Detroit Riverfront Conservancy's overall vision to develop five-and-a-half miles of riverfront from the Ambassador Bridge on the west to Gabriel Richard Park, just east of the MacArthur Bridge leading to Belle Isle.

The major activities and spaces that will be included in this park are a beach/cove area, a play garden, sports canopy, picnic area and pavilion for food and beverages. 300 angled parking spaces along West Jefferson are proposed to support the park along with additional on and off-street parking in the surrounding area that the Conservancy has identified.

## BACKGROUND

### Ralph C. Wilson, Jr. Centennial Park

In October of 2018 the Ralph C. Wilson, Jr. Foundation announced a \$200 million investment in parks and trails in Southeast Michigan and Western New York.

The gift was for the purpose of honoring the Foundation's namesake, Ralph C. Wilson, Jr., on the 100th anniversary of his birth and celebrating his legacy in the communities he was most devoted to. The funds were split evenly, dedicating \$100 million to each region to help develop signature legacy parks, advance the vision of completed regional trail systems, and support the sustainability of the public spaces that were selected. Ralph C. Wilson was originally from Detroit, and he eventually 'adopted' the hometown of Buffalo, where he founded and owned the Buffalo Bills.

The Foundation provided support to the Detroit Riverfront Conservancy to lead a community-driven international design competition for the west riverfront. The Conservancy launched a competitive selection process to identify the best design team of architects, engineers and specialty consultants. The process culminated with a design competition in which four finalist design teams comprised of national, international and local professionals created transformational design proposals for the park.

In February 2018, the four finalist design teams presented their work to the Conservancy and its jury. As a result of the international design competition, Michael Van Valkenburgh and Associates (MVVA), a New York-based landscape architecture firm, was selected as the winning firm of the competition. Since this selection, the project team conducted a process to develop the park concept with input from the community through 2018

and 2019. The Conservancy has held more than 20 public meetings and created a Community Advisory Team of Detroiters who visited New York, Chicago and Philadelphia to bring back ideas for the future park.

The park will serve as an anchor to a larger, more extensive and regional greenway system, connecting to other parks and neighborhoods, encouraging access for all. The Foundation is also committing \$40 million for construction activity and \$10 million to support the broader efforts for long-term sustainability. Additionally, to help achieve the vision of a completed and connected regional trail system in both communities, the Foundation will invest \$50 million in trails in both Southeast Michigan and Western New York. For each, \$40 million will be allocated toward yet-to-be determined projects that close physical gaps in each region's trail systems and \$10 million will be designated toward helping operate and maintain the trails.

## PLANNING CONSIDERATIONS AND ANALYSIS

### Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the full project subject area are as follows:

North: M4; Post Office and the Salvation Army

South: N/A; Detroit River

East: PCA; green space

West: M4; railroad property

## COMMUNITY ENGAGEMENT AND PUBLIC HEARING RESULTS

The project team has listed numerous organizations that have been involved throughout this effort as well as public meetings that have been held. CPC staff members have attended a number of the public engagement meetings over the

project term and have observed that this plan has been generally well accepted amongst the community, seemingly because the input from citizens has been incorporated into the design.

The entities that have been listed as having participated through this process along with the general public include:

Larchmont Community Association  
Riverfront Towers Community Association  
Cass Tech High School  
Western High School  
Cristo Rey High School  
Buildings Sustainable Communities Coalition  
The Salvation Army  
U.S. Post Office  
Canadian Pacific Railroad  
Detroit Economic Growth Corporation  
Bedrock

During the May 2, 2019 City Planning Commission public hearing, there were no speakers in reference to this matter.

#### **ANALYSIS**

According to Sec. 61-3-80 of the Zoning Ordinance, certain criteria must be met to facilitate the requested petition. The following are considered for a map amendment petition:

*(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;*

The proposed amendment does address a changing condition. The current site has existed as open space for some time, but has gone underutilized and not been maintained to the level that prime real estate along the Detroit riverfront is deserving of. Due to the level of investment that is now being concentrated into this property and the amount of community input that has been captured and included into the design and programming of the proposed park, it seems appropriate that this park should now be zoned to match its coming function, to ensure its long term success.

*(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;*

The subject site is located within the Central Business District area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows Recreation (PRC) and Mixed-Residential Commercial (MRC) for the subject property. According to the Master Plan of Policies:

**Recreation** areas are typically over 10 acres in size and serve both active and passive recreational functions (e.g. playfields, special parks, picnic grounds). Recreation area status may also apply to certain waterfront areas (e.g. public wharfs) suited to marine- oriented or general recreational facilities.

**Mixed Residential-Commercial** areas consist predominantly of medium-to-high density housing developed compatibly with

commercial and/or institutional uses. This classification is well suited to areas proximal to existing centers of major commercial activity, major thoroughfares, transportation nodes, or gateways into the city.

The Planning and Development Department has submitted a Master Plan (MP) Interpretation. The MP interpretation letter states the following:

“The proposed development and rezoning does not conform to the Future General Land Use designation for the majority of the site. The proposed use and zoning does follow two of the policies of the Master Plan. The rezoning is consistent with the Master Plan designation for approximately one third of the site, and we acknowledge that the vision has evolved for the remainder of the site. A Master Plan amendment is anticipated for the site, but does not appear necessary prior to the proposed rezoning.”

To summarize, a MP amendment is necessary for a portion of the subject site that currently has a MRC MP designation. The remaining swath of the subject property is already designated as Recreation. However, the proposed rezoning is not dependent on the MP determination preceding. The CPC and PDD are preparing to bring forth multiple MP amendments to this Honorable Body to update the MP based on changing conditions in several areas. A revision for the subject site will be one of those subsequent amendment requests.

*(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;*

The proposed PR zoning district is “intended to be improved for recreational uses and/or to be preserved as open space. The restrictions of this classification are intended to encourage preservation of these lands and to permit development in keeping with the natural amenities of these areas.” For this reason, it is staff’s opinion that the zoning classification being proposed will help to ensure that this land remains parkland long term.

*(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;*

The Detroit Riverfront Conservancy stated during the public hearing that it will maintain the park once developed from a variety of funding sources including an endowment, from fundraising and from regional government sources. The Conservancy currently maintains other riverfront assets and will budget to maintain this asset as the others it has maintained.

*(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;*

The subject proposal, is anticipated to have a positive impact on the surrounding environment by providing a world class park and access to the Detroit riverfront for the public.

(6) *Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;*

It is expected that the proposed amendment will only serve to enhance the properties that surround it. The Conservancy has had discussions with the U.S. Post Office and other nearby stakeholders to ensure that they are all on one accord. To this point, CPC has not heard of any negative response.

(7) *The suitability of the subject property for the existing zoning classification and proposed zoning classification;* and

The proposed zoning classification would be considered more suitable for the property as CPC and the City, in general, are analyzing new opportunities to preserve open space to protect against development pressures.

(8) *Whether the proposed rezoning will create an illegal "spot zone."*

The rezoning will not create an illegal spot zone as it is in itself 22 acres of land and appropriate for the proposed zoning classification.

**RECOMMENDATION**

The City Planning Commission, based upon the above review and analysis, voted to recommend approval of the subject map amendment request at its regular June 6, 2019 meeting.

### City Planning Commission

September 14, 2019

Honorable City Council:

Re: The request of Fusco, Shaffer & Pappas, Inc. (Petition No. 642) on the behalf of its client, NSO Properties, to amend Article XVII, District Map 12 of the 1984 Detroit City Code, Chapter 61, Zoning by modifying the existing PD (Planned Development District) zoning classification established by Ordinance No. 12-17 on land bounded by Mack Avenue to the north, Ellery Street to the east, Ludden Street to the south, and Elmwood Avenue to the west. (RECOMMEND APPROVAL)

On June 20, 2019, the City Planning Commission voted to recommend approval of a major modification to the PD established by Ordinance No. 12-17 to establish a multi-purpose emergency shelter and permanent housing development with supportive services slated to be developed at Mack Avenue and Ludden Avenue in the McDougall-Hunt neighborhood.

### NATURE OF REQUEST

The CPC has completed its review of the request of Fusco Schaffer & Pappas

Inc. on behalf of its client, Neighborhood Service Organization (NSO), to amend Article XVII, District Map 12, of the 1984 Detroit City Code Chapter 61, Zoning by modifying the existing PD (Planned Development District) zoning classification established by Ord. 12-17, on 3.16 acres of land generally bounded by Mack Avenue to the north, Ellery Street to the east, Ludden Street to the south, and Elmwood Avenue to the west. NSO was previously approved in March of 2017 to develop permanent housing, an emergency shelter with supportive services and accessory uses on the subject property. Subsequently a minor modification to the approved site plans was approved in April of 2018.

In January of this year your Honorable Body was informed of yet another minor change to the previously approved site plans adopted by Ord. 12-17. Given the unforeseen circumstances of a short fall in revenue due to the Illitch's failure to the follow through on the purchase of the current NSO facility (Tumaini Center) at Third Street and Martin Luther King, Jr. Blvd., as well as the unexpected \$1.2 million additional cost associated with building the previously approved multi-use site plans to the State of Michigan's building code standards, this item was resubmitted to the City Planning Commission for further modification.

Public support for the project has resulted in the additional capital for phase two, of what is now known as the Clay Service Center development.

### BACKGROUND

NSO currently operates the Tumaini Center at 3450 Third Avenue, just south of Martin Luther King, Jr. Blvd., providing an emergency shelter and supportive service for the City of Detroit's homeless population. For the past eight years, they have sought to relocate the Tumaini Center and develop a larger facility providing the same and greater services. The project, previously identified as the Sanctuary, is now known as the Clay Apartments, and NSO is now seeking approval of a modification to the approved plans of this PD district in order to proceed with the redevelopment of the eastern portion of the site.

Previously, Ord. 12-17 was modified to allow for the construction of a 37,167 sq. ft. facility. The approved facility currently under construction will provide 42 units of permanent supportive housing in a two story structure. The land use is identified as "single-room-occupancy (SRO) housing," which is permitted in the PD zoning district.

### PROJECT PROPOSAL

The proposed modification now before your Honorable Body is to allow for the construction of an additional one-story, 21,915 sq. ft. facility which will serve as a

homeless shelter with 56 cots and an array of supportive services. The NSO/Clay Shelter will serve approximately 56 full-time clients per day, both men and women. The NSO Clay Service Center will provide substance abuse and mental health treatment, health care services, education, crisis intervention and referral services. The future NSO Service Center will be open 24 hours a day, 7 days a week for most of the year but will be closed 8 p.m.-8 a.m. on Saturdays and Sundays from April 1st through October 31st.

The cladding of the proposed building is brick and metal panel of varied colors, texture, and patterns similar to that which was approved via Ordinance No. 12-17. A 77-space surface parking lot will be provided. Outdoor recreation facilities, security walls and heavily landscaped areas, including rain gardens are included in the proposed site plans.

The permanent supportive housing will provide forty-two (42) 1-bedroom apartments with supporting amenities. The main entry will be located on the first floor with the units and amenities to be housed on both the first and second floors.

**SURROUNDING LAND USE AND ZONING**

To the North — institutional, parking and residential/commercial and scattered vacant land beyond-B2 (Local Business and Residential District)

To the South — residential - R2 (Two-Family Residential District)

To the East — commercial service/office/ vacant land beyond, B2

To the West — commercial retail and office/residential-B2, B4 (General Business District)

**COMMUNITY MEETINGS & PUBLIC HEARING**

The CPC held a public hearing on the proposed PD modification on June 20, 2019. There were no members of the public present who spoke in support or opposition of the proposed modification. NSO is seeking further community reaction to this PD modification. Given that changes represent a return to the previously approved density and scope from the approved project via Ordinance No. 12-17, staff has been instructed to work with the Department of Neighborhoods to garner community feedback. It is our intent to monitor the proceedings of ongoing community meetings with the McDougall Hunt CDC.

**ANALYSIS**

As eluded to above, the proposed modification results in a return to a previously considered and approved scale and more intensive operation. The one-story configuration is more compatible with surrounding building heights and façades. Initially, the entirety of the development consisted of one large facility, however, the revised

plans for the development call for two smaller scaled buildings.

The site plan also includes of a basketball half court, horse shoes courts and a picnic area as the outdoor activities available.

Section 61-3-97 of the Zoning Ordinance provides the criteria for determining whether a proposed PD modification is major or minor. Sec. 61-3-97 states in part that:

“All approved site plans, elevations, and other development proposals, including proposed uses, may be amended, pursuant to the same procedure and subject to the same limitations and requirements by which said plans and proposals were initially approved.”

Three of the five criteria which distinguish a major from a minor modification have been met, given a change in character of the development by the division of the originally proposed single structure development into two structures resulting in an increase in the ratio of gross floor area to zoning lot area in excess of five percent (5%) as well as an increase in coverage by a structure.

**CONCLUSIONS AND RECOMMENDATIONS**

The CPC voted on June 20, 2019 to recommend approval of the proposed PD modification with the following condition:

- 1. Prior to making application for applicable permits, final site plans, elevations, landscaping, lighting and signage plans shall be submitted to the City Planning Commission staff for review and approval for consistency with the plans approved by the City Council.

**City Planning Commission**

September 11, 2019

Honorable City Council:

Re: Zoning Ordinance Text Amendment to amend Article XIV, Development Standards, Division 1, Off-Street Parking, Loading and Access, Subdivision B, Off-Street Parking Schedule “A”, Sec. 61-14-53 of the 1984 Detroit City Code, Chapter 61, Zoning. (RECOMMEND APPROVAL)

**RECOMMENDATION**

The City Planning Commission (CPC) respectfully recommends approval of the attached proposed text amendment to the Zoning Ordinance, Chapter 61 of the 1984 Detroit City Code, which has been approved as to form by the Corporation Counsel, relative to parking standards for industrial and manufacturing uses.

**BACKGROUND**

The proposed zoning text amendment came about as a result of the pending development of the former Kettering High School site for Dakkota Integrated Systems.

At the CPC meeting of Thursday, August 1, 2019, in addition to staffs recommendation of approval for the Detroit Brownfield Redevelopment Authority’s rezoning request to go from an R2 (Two-family Residential District) zoning classification to an M3 (General Industrial District) zoning classification, to accommodate the aforementioned development, staff recommended the drafting of a text amendment which would allow the Planning and Development Department to make the ultimate determination on the number of off-street parking spaces required for an industrial or manufacturing development.

Historically, automotive manufacturing related uses necessitated abundant parking for employees. Given the automation of many of the manual positions and the implementation of the third shift, the parking demand for this use and similar uses has drastically declined since the advent of the current parking requirements, circa 1968.

The current parking standards for a Schedule A use would require the greater of either 1 space per every 800 square feet, or 1 per 3 employees. With this current formula, petitioners such as Dakkota Integrated Systems would be required to provide more off-street parking spaces than needed. In the case of Dakkota Integrated Systems, the current formula requires 790 off-street employee parking spaces, although they will only have approximately 200 employees per shift. The current site plans, which show approximately 230 off-street parking spaces will require the petitioner to appeal to the Board of Zoning Appeals for a parking variance.

In order to address the concern and negate the potential for protracted processes, the City Planning Commission has proposed the attached text amendment to allow the Planning and Development Department to make the determination on the number of spaces needed, similar to what was done in 2016 for “Recreation, indoor commercial and health club.” In that situation, much like what is anticipated to occur with Dakkota Integrated Systems, and likely any other automotive supplier looking to break ground in the City of Detroit, the usable floor area is greater than the number of individuals occupying the space at any given time.

**PROPOSED ORDINANCE AMENDMENT**

Provisions of the proposed text amendment are detailed as follows:

That existing language in Sec. 61-14-53 stating “whichever is greater” be stricken, and that language stating “as determined as most appropriate by the Planning and Development Department” be added.

**Sec. 61-14-51. Manufacturing and industrial uses.**

Manufacturing and Industrial Uses shall provide off-street parking as follows:

(Ord. No. 11-05, §1, 5-28-05)

|   |                 |   |            |
|---|-----------------|---|------------|
| <p><b>Sec. 61-14-53.</b></p> <p>Manufacturing and Production</p> <p>(Ord. No. 11-05, §1, 5-28-05)</p> | <p>All uses</p> | <p>1 per 800 square feet or 1 per 3 employees, <del>whichever is greater</del> as determined as most appropriate by the Planning and Development Department</p> | <p>500</p> |
|---|-----------------|---|------------|

**ANALYSIS**

The proposed text amendment would allow the Planning and Development to make the ultimate determination on the appropriate number of off-street parking spaces that is required for either an industrial or manufacturing use, either based on the number of employees or the square footage of the facility.

**CITY PLANNING COMMISSION  
PUBLIC HEARING & OTHER  
COMMUNITY MEETINGS**

On September 5, 2019, the City Planning Commission held a public hearing on this proposed text amendment. There were no members of the public present to speak regarding the proposed amendment.

**CONCLUSION**

At its regular meeting of September 5, 2019, the City Planning Commission voted to recommend approval of the attached 3-page text amendment to the Zoning Ordinance.

Re: Resolution Establishing the Herman Kiefer Development, LLC Neighborhood Enterprise Zone in the area bounded by Rosa Parks Boulevard, the alley North of Clairmount Avenue, the alley West of Woodward Avenue, and the alley South of Virginia Park Street, Detroit, Wayne County, Michigan in accordance with Public Act 147 of 1992 (Petition #1479).

Attached for your consideration please find a resolution and legal description which will establish the Herman Kiefer Development, LLC Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on July 18, 2019 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to redevelop certain blighted homes in order to produce viable residential properties that will

enhance the neighborhood. Additionally, creation of the district will permit current homeowners to apply for NEZ exemption certificates, which will facilitate rehabilitation of their homes.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from ad valorem taxes, and the imposition of a specific property tax in lieu of ad valorem real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Herman Kiefer Development, LLC NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Herman Kiefer Development, LLC NEZ was conducted before the Detroit City Council on July 18, 2019,

with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Herman Kiefer Development, LLC NEZ where cited;

Now, Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Herman Kiefer Development, LLC NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Petition on Behalf of 3750 Woodward LLC at 3750 Woodward Avenue, Detroit, MI, in Accordance with Public Act 210 of 2005 (Related to Petition #938).

On September 19th, 2019, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

3750 Woodward LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, 3750 Woodward LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on September 5th, 2019 established by Resolution a Commercial Property Rehabilitation District in the area located at 3750 Woodward LLC, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until of December 31, 2024, for the completion of the rehabilitation; and

Whereas, On September 19th, 2019, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the finan-

cial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 3750 Woodward LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2029, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than December 31, 2024, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Director

By Council Member Tate:

Whereas, Raincheck Development LLC, has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on September 5th, 2019 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 40 Hague Street, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, This City Council has granted until October 30, 2020 for the completion of the rehabilitation; and

Whereas, On September 19th, 2019 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Raincheck Development LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2019 and the certificate expiring December 31, 2031, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than (Date), unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department

and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Property Sale. 239 Edmund Place, Detroit, MI 48201.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from New Beginnings Land Development, LLC (the "Purchaser"), a Michigan Limited Liability Company, whose address is 808 Chesterfield Ave., Birmingham, Michigan 48009, to purchase certain City-owned real property at 239 Edmund Place, Detroit, MI (the "Property") for the purchase price of Fifty Thousand and 00/100 Dollars (\$50,000.00).

The Purchaser acquired the adjacent property, located at 229 Edmund Place, from the Detroit Land Bank Authority in September 2017. Together with this adjacent property the Purchaser intends to construct a six car carriage house. 239 Edmund Place is within a PD zoning district (Planned Development District). Because of this zoning, the Purchaser's use of the property must be reviewed by the City Planning Commission before any construction or rehabilitation may be initiated. The Purchaser shall apply for and obtain approval of their proposed site plan for the Property prior to closing and consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to New Beginnings Land Development, LLC.

Respectfully submitted,  
JANET ATTARIAN  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 239 Edmund Place, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to New Beginnings Land Development, LLC (the "Purchaser") for the purchase price of Fifty Thousand and 00/100 Dollars (\$50,000.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Three Thousand and 00/100 Dollars (\$3,000.00) shall be paid to the DBA from the sale proceeds, 2) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Property Sale. 2539 and 2545 Hammond, Detroit, MI 48209.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Ricardo De La Torre (the "Purchaser"), to purchase certain City-owned real properties at 2539 and 2545 Hammond (the "Properties"). The P&DD entered into a purchase agreement, dated July 23, 2019, with the Purchaser. Under the terms of the proposed Purchase Agreement, the properties will be conveyed to the Purchaser for the purchase price Eight Thousand Nine Hundred and 00/100 Dollars (\$8,900.00).

The Purchaser intends to create a fenced in green space on the parcel. Currently, the Properties is within an M4 zoning district (Intensive Industrial District). The Purchaser's proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned. The Properties shall be transferred subject to a reverter interest, requiring the Purchaser to clean and secure and to erect a six foot in height privacy fence bordering between the Properties and the adjoining residential neighbor on the Properties within six months (6).

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to Ricardo De La Torre.

Respectfully submitted,

Honorable City Council:

Re: Amendment to Development Agreement 655 W. Willis.

On July 5, 2016, your Honorable Body adopted a resolution authorizing the sale by development agreement of 639, 645 and 655 W. Willis, which was combined into 655 W. Willis, to 655 Willis LLC (the "Developer") for the purpose of constructing a four-story mixed-use development with parking and appropriate landscaping (the "Project"). The City closed on the sale on January 8, 2019 and a development agreement dated January 8, 2019 was executed and recorded (the "Development Agreement").

Since the closing, the Developer has needed to extend certain deadlines in the Development Agreement to account for complications related to construction financing. The City and the Developer now anticipate construction to commence by November 1, 2019 and be completed by September 20, 2021. Furthermore, Developer has restructured its corporate entity into 655 W Willis Partners, LLC ("New Entity") and now wishes the City's consent to assign the Development Agreement to this New Entity for completion of the development work.

In anticipation of closing on the construction financing and commencement of construction of the Project, the Developer has requested that: 1) the commencement and completion dates be modified in the Development Agreement to reflect the new Project completion schedule and 2) the Development Agreement be assigned to the New Entity.

We hereby request that your Honorable Body adopt the attached resolution authorizing an amendment and assignment of the Development Agreement to reflect the above referenced Developer requests.

Sincerely,  
KATY TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, On July 05, 2016, your Honorable Body adopted that certain resolution that approved the sale by development agreement of certain real property now known as 655 W. Willis, Detroit, MI (the "Property") to 655 Willis LLC ("Developer"), a Michigan limited liability company; and

Whereas, The City of Detroit, through its Planning and Development Department ("P&DD"), entered into that certain development agreement with Developer dated January 8, 2019 (the "Development Agreement") in furtherance of development of the Property; and

Whereas, The Developer now wishes to: 1) extend certain dates and deadlines in the Development Agreement consistent with a revised project schedule and 2) receive consent from the City to assign the Development Agreement to 655 W. Willis Partners, LLC; now therefore be it

Resolved, That the P&DD Director, or his authorized designee, be and is hereby authorized to execute an amendment to the Development Agreement that: 1) extends any dates and deadlines in the Development Agreement to revised dates that are to the satisfaction of the P&DD Director, or his authorized designee, 2) assigns the Development Agreement to 655 W. Willis Partners, LLC and 3) allows the P&DD Director, or his authorized designee, to further extend any dates and deadline in the Development Agreement at any time in the P&DD Director's or his authorized designee's sole discretion; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate amendments or changes to the Development Agreement consistent with the resolution; and be it finally

Resolved, Any amendment to the Development Agreement will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Waiver of reconsideration is requested. Adopted as follows:

July 29, 2019

Honorable City Council:

Re: Property Sale. 8540 W McNichols. Detroit, MI 48221.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from James Hill (the "Purchaser"), to purchase certain City-owned real property at 8540 W McNichols (the "Property"). The P&DD entered into a purchase agreement, dated June 26, 2019, with the Purchaser. Under the terms of the proposed Purchase Agreement, the property will be conveyed to the Purchaser for the purchase price Fifteen Thousand and 00/100 Dollars (\$15,000.00).

The Purchaser previously owned the property, where they operated a car wash, however they lost it in foreclosure in 2018. The Purchaser wishes to re-purchase the property in order to continue operating

their car wash business. The property is within a B2 zoning district (Local Business and Residential District). As per section 61-9-63 (21-22) of the City of Detroit zoning ordinance, the Purchaser's intended use of the Property as a car wash is not a permitted use under the zoning ordinance without the necessity of a rezoning, special exception, use permit, variance, or other approval. The Purchaser shall apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to James Hill.

Respectfully submitted.

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 15326 Hartwell. Name: Midwestern Standard Group LLC. Demolition Ordered: April 16, 2013 (J.C.C. pages 653-654).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on August 22, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommend that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Fisher Service Dr. and Vernor Hwy. from Newark St. to Clark Ave. to promote businesses within the footprint of the above Streetscape Projects.

The Department of Public Works, Traffic Engineering Division has no objections to the placement of banners, provided that the banner installation is in compliance with the banner policy adopted by your Honorable Body on November 30, 2001, and subject to the following conditions:

1. Two (02) banners are to be located along Bagley Ave. from 24th St. to W. Fisher Service Dr.

2. Two (02) banners are to be located along Grand River Ave. from Evergreen Rd. to Warwick St.

3. Two (02) banners are to be located along Grand River Ave. from Cooley St. to W. McNichols Rd.

4. Two (02) banners are to be located along Jos Campau St. from E. Jefferson Ave. to River Place Dr.

5. Two (02) banners are to be located along Kercheval Ave. from Bellevue St. to Fischer St.

6. Two (02) banners are to be located along Riopelle St. from Davison St. to E. Fisher Service Dr.

7. Two (02) banners are to be located along Vernor Hwy. from Newark St. to Clark Ave.

8. The duration of banner installation shall be from September 6th, 2019 through September 1st, 2020.

9. Banners shall not exceed thirty-two (32) inches in width by ninety-four (94) inches in height and should be acrylic or vinyl with standard slitting (also called "Happy Faces").

10. Banners shall be affixed to allow minimum of (15) feet clearance from walkway surface.

11. Banners shall not include flashing lights that may be distracting to motorists.

12. Banners shall not have displayed thereon any legend or symbol which is, or resembles, or which may be mistaken for a traffic control device, or which attempts to direct the movement of traffic.

13. Commercial advertising is strictly prohibited on all banners; including telephone numbers, mailing addresses, and web site addresses.

14. A sponsoring organization's logo and/or name may be included at the bottom of the banner in a space no more than ten (10) inches in height by thirty (30) inches in length, and letter size shall be limited to four (4) inch maximum and placed at the bottom of the banner.

15. Sponsoring organizations may not include messages pertaining to tobacco and related products, alcoholic beverages, firearms, adult entertainment or sexually explicit products, or political campaigns.

16. Sponsoring organizations may not include legends or symbols which may be construed to advertise, promote the sale of, or publicize any merchandise or commodity, with the exception of sponsorship as described in the banner policy (see section 9 of the policy).

17. Banner placement must be a minimum of 120 feet or every other pole apart, whichever is greater, including banners that may exist at the time of the installation and is limited to a two thousand (2000) feet radius area of the event location or within the stated organization's boundaries.

18. The design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic.

19. The petitioner SHALL secure an approval from Public Lighting Department to use their utility poles to hang the banners.

20. The petitioner SHALL secure Right of Way permit from City Engineering Division every time the banners are changed/replaced.

21. Since Grand River Avenue is a state trunk line in the above location, approval from the Michigan Department of Transportation is required.

If deemed appropriate by the City of Detroit, The City reserves the right to have the banners removed by the Peti-

tioner at the Petitioner's cost prior to expiration date.

Honorable City Council:

Re: Petition No. 1416 — Rhoades McKee, request to vacate an alley bisecting a property located south of the intersection of Gratiot Avenue and Dubois Street.

Petition No. 1416 — Rhoades McKee on behalf of MDBA, LLC requesting the vacation and conversion to easement of the north-south public alley, 20 feet wide, in the block of Hendricks Street, 50 feet wide, Gratiot Avenue 120 feet wide, St. Aubin Avenue, variable width, and Dubois Avenue, 50 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The reason for the request is for a parcel combination on both sides of the alley; and for a possible future development.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement.

The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities.

Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, That all the north-south public alley, 20 feet wide, in the block of Hendricks Street, 50 feet wide, Gratiot Avenue 120 feet wide, St. Aubin Avenue, variable width, and Dubois Avenue, 50 feet wide. Further described as:

Land in the City of Detroit, Wayne County, Michigan being the north-south alley, 20 feet wide, lying easterly of and adjoining the easterly line of Lots 4 through 8, both inclusive, Block 35; also lying westerly of and adjoining the westerly line of Lots 1, 2, and 3 Block 35 "Plat of the Subdivision of the West 1/2 of P.C. 91 from German Street (now Waterloo St.) to Railroad Street (Now Watson St.)" as recorded in Liber 1, Page 283 of Plats, Wayne County Records; Also lying easterly of and adjoining the easterly line of Lots 3, 4, and 5 and the northeasterly line of Lot 2; also lying westerly of and adjoining the northwesterly and southwesterly lines of Lot 6 "Flattery's Subdivision of East part of Out Lot 32, St Aubin Farm" as recorded in Liber 3, Page 86 of Plats, Wayne County Records; said alley bounded by the northerly line of Hendricks Street and the westerly line of Dubois Avenue.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main,

gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners or their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the

part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances (into St. Hendricks Street and/or Dubois Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

August 29, 2019

Honorable City Council:

Re: Petition No. 857 — Store Capital Acquisitions, LLC, request for change in right of way along Midland Avenue adjacent to 15400 Woodrow Wilson Avenue, Detroit, MI 48238.

Petition No. 857 — Store Capital Acquisitions, LLC request for encroachment into Midland Avenue adjacent to 15400 Woodrow Wilson Avenue. Currently, and since 1936, the building located at 15400 Woodrow Wilson Avenue encroaches on Midland Avenue over an area of approximately 0.8 feet.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is for an existing and long standing building that encroaches on Midland Avenue. I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Store Capital Acquisitions, LLC, or their assigns to install and maintain encroachments with building in Midland Avenue 60 feet wide. The Encroachment extends 0.8 feet into Midland Avenue at the southwest corner of building at 15400 Woodrow Wilson Avenue and tapering 365.5 feet to 0 feet at the southeast building corner to adjoining land known as Parcel 1:

Lot 35, Wetmore Industrial Subdivision. According to the plat thereof as recorded in Liber 66 of Plats pages 87 and 88, Wayne County Records.

Also

Part of the southwest 1/4 of fractional section 14, town 1 south, range 11 east, City of Detroit, Wayne County, Michigan, described as follows: beginning at a point north 01 degrees 38 minutes 30 seconds west, 790.36 feet from the northeast corner of the industrial terminal railroad & Woodrow Wilson Avenue; thence north 64 degrees 00 minutes 00 seconds east, 306.59; thence south 25 degrees 41 minutes 30 seconds east, 250.00 feet; thence south 64 degrees 00 minutes 00 seconds west, 418.43; thence north 01 degree 38 minutes 30 seconds west, 274.43 feet to the point of beginning.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construc-

tion, maintenance, permits and use of the encroachments shall be borne by Store Capital Acquisitions, LLC or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Store Capital Acquisitions, LLC or their assigns. Should damages to utilities occur Store Capital Acquisitions, LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

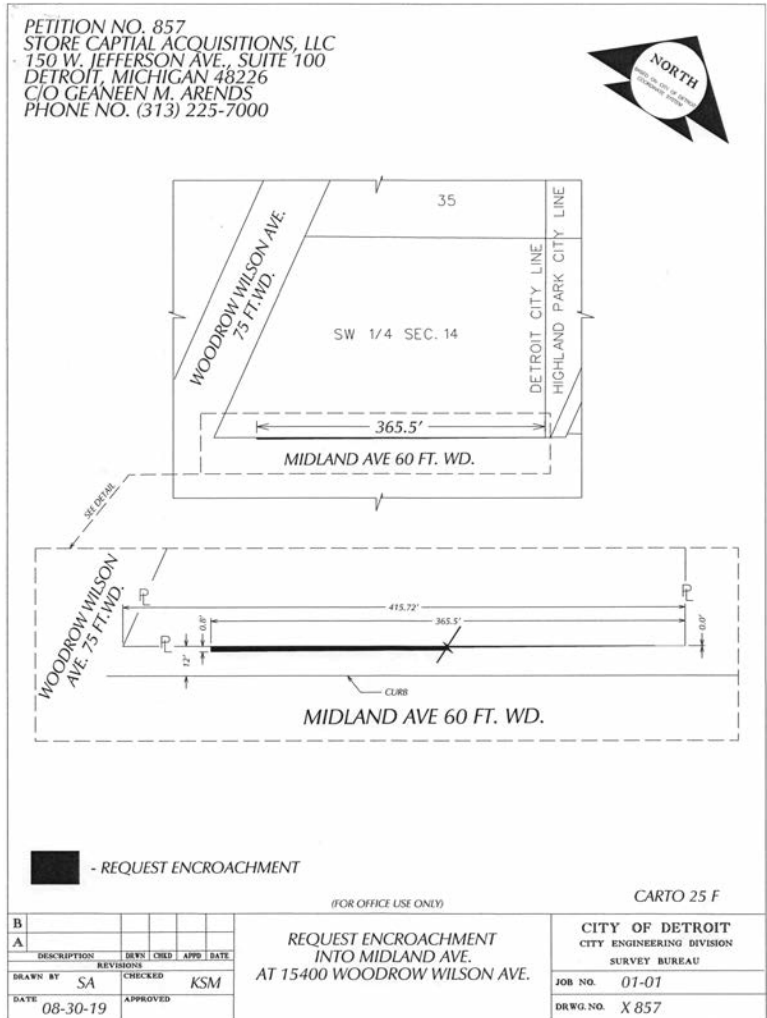

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the

condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Store Capital Acquisitions, LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.
