October 22, 2018

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2017 Land and Water Conservation Fund (LWCF) Grant for Mariner Park.

The Michigan Department of Natural Resources (MDNR) has awarded the City of Detroit General Services Department with the FY 2017 Land and Water Conservation Fund (LWCF) Grant for Mariner Park, for a total of \$100,000.00. The State share is 50 percent or \$100,000.00 of the approved amount, and there is a cash

match requirement of 50 percent or \$100,000.00. The grant period is September 24, 2018 through June 30, 2021.

The objective of the grant is to make renovations to Mariner Park. The funding allotted to the department will be utilized to install a vault toilet for park visitors and paddlers using the Detroit Heritage River Water Trail, complete with a public information brochure rack that will provide information about the park and the trail. The funding allotted will also be utilized for the construction of a playground. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20570, with the match amount coming from appropriation number 20315.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
RYAN FRIEDRICH

Director  
Office of Development and Grants  
By Council Member Sheffield:

Whereas, The General Services Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Natural Resources (MDNR), in the amount of \$100,000.00, to make renovations to Mariner Park.

Now Therefore, Be It

Resolved That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20570, in the amount of \$200,000.00, which includes a required cash match, in the amount of \$100,000.00, coming from Appropriation 20315, for the FY 2017 Land and Water Conservation Fund (LWCF) Grant for Mariner Park.

October 25, 2018

Honorable City Council:

Re: Request to Accept and Appropriate FY 2019 Auto Theft Prevention Authority (ATPA) Grosse Pointe East Side ACTION Team Grant

The Michigan State Police have awarded the City of Detroit Police Department with the FY 2019 Auto Theft Preven-

tion Authority (ATPA) Grosse Pointe East Side ACTION Team Grant for a total of \$138,663.00. The State share is 60% or \$83,197.80 of the approved amount, and there is a cash match requirement of 40% or \$55,465.20. The total project cost is \$138,663.00. The grant was adopted in the FY 2019 budget in the amount of \$210,632.00. The grant was awarded at a higher value than was budgeted. We are asking for an increase in appropriation 20441, in the amount of \$20,473.00, in order to reflect the total project cost of \$231,105.00.

The objective of the grant is to implement innovative programs to address auto theft and fraud, in partnership with Grosse Pointe Park Public Safety and the Harper Woods Police Department. The funding allotted to the department will be utilized to help the Department stop car-jacking, embezzlement, and other auto-related crimes. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20441, with a match coming from appropriation 00380.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
RYAN FRIEDRICH  
Director

Office of Development and Grants

**RESOLUTION**

By Council Member Benson:

Whereas, The Detroit Police Department is requesting authorization to accept a grant of reimbursement from the Michigan State Police, in the amount of \$138,663.00, to implement innovative programs to address auto theft and fraud, in partnership with Grosse Pointe Park Public Safety and the Harper Woods Police Department; and

WHEREAS, the Grant was adopted in the FY 2019 budget under appropriation 20441, in the amount of \$210,632.00; and whereas the total project cost for the grant is \$231,105.00, which includes a required cash match of \$92,442.00; and whereas the grant was awarded at a higher value than was budgeted; and now we are requesting that appropriation 20441 be increased by \$20,473.00, in order to reflect the total project cost amount of \$231,105.00; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to increase the budget accordingly for Appropriation number 20441, in the amount of \$20,473.00, in order to equal the total project cost of the grant, which is \$231,105.00, which includes a

cash match coming from Appropriation 00380, for the FY 2019 Auto Theft Prevention Authority (ATPA) Grant.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Re: Request to Accept and Appropriate FY 2018 Port Security Grant Program (PSGP) Grant

The US Department of Homeland Security has awarded the City of Detroit Fire Department, in partnership with the Detroit Police Department, with the FY 2018 Port Security Grant Program (PSGP) for a total of \$580,500.00. The Federal share is \$580,500.00 of the approved amount, and there is a cash match requirement of \$193,500.00. The total project cost is \$774,000.00. The grant period is September 1, 2018 – August 31, 2021.

The objective of the grant is to support the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal. The funding allotted to the Fire Department will be utilized to purchase a Lake Assault Vessel. The funding allotted to the Police Department will be utilized to purchase an aerial drone. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20563. The cost of the vessel is \$474,000.00 and the Fire Department will provide a cash match of \$118,500.00, coming from appropriation 00064. The cost of the drone is \$300,000.00 and the Police Department will provide a cash match of \$75,000.00, coming from appropriation 00380. The combined cash match provided by the Fire Department and the Police Department will cover the total required cash match of \$193,500.00.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

RYAN FRIEDRICHS

**LEGISLATIVE POLICY DIVISION**

23. Submitting report relative to a review of the Michigan Lame-Duck Bills (Nov. 18, 2018 - Dec. 31, 2018). (Due primarily to the impact of Michigan's State office term limits law, there was a significant turnover of lawmakers in both the Michigan State House and Senate. This year, during the State Legislature's Lame-Duck Session, the State House and Senate submitted approximately 340 bills for the Governor to consider, of those bills, the Governor vetoed 55 bills. It appears the term limits law has influenced the legislature to promote bills which disproportionately support the concerns of special interest, while railing against causes which would help the less fortunate of Michigan, such as curtailing the recent voter approved referendum on minimum wage increases, under Senate Bill 1171, which is detailed in this report. We have attached a complete list of the Lame Duck legislation and actions for Council's edification.)

December 14, 2018

Honorable City Council:

Re: Recommendation For Acceptance of Case Evaluation Award in Boulevard & Trumbull Towing Co. vs. City of Detroit, Wayne County Circuit Court No. 17- 010370-AW

The Law Department has filed a privileged and confidential Case Evaluation Acceptance Memorandum in reference to the above-referenced matter. Please note that the parties have until January 8, 2019 to accept or reject the case evaluation, otherwise it will be deemed rejected. The Deputy Corporation Counsel is respectfully requesting that this item be moved from a referral item to a voting action item on the January 8, 2019 Formal Agenda. The Law Department will work through the Council President's Office and the Internal Operations committee to ensure that any questions or concerns with accepting the case evaluation award are addressed prior to the meeting.

By Council Member McCalister, Jr.:

Resolved, That the Law Department is hereby authorized to accept the case evaluation award in the amount of One-Hundred Thousand Dollars (\$100,000) in the case of Boulevard & Trumbull Towing Co. vs. City of Detroit, Wayne County Circuit Court No 17-010370-AW, and be it further

Resolved, That in the event Plaintiff accepts the case evaluation, that such acceptance is deemed a settlement, and that the Finance Director be and is hereby authorized and directed to draw a warrant upon the proper account in favor of Boulevard & Trumbull Towing Co. and its attorneys Bodman, PLLC, in the amount of One-Hundred Thousand Dollars and No Cents (\$100,000.00) in full payment of any and all claims which Boulevard & Trumbull Towing Co has asserted in the Wayne County Circuit Court No 17-010370-AW and that said amount be paid upon entry of Order of Dismissal in Law-suit No., 17-010370-AW approved by the Law Department.

Office of Contracting and Procurement**

January 8, 2019

Honorable City Council:

Re: City Council Recess from: Wednesday, November 21, 2018 through Tuesday, January 8, 2019

This letter is being re-submitted with revisions to incorporate intended language regarding Council time-sensitive approvals of Grant Applications and Awards during the 2018-2019 winter recess period.

Revised language:

Ordinance No 15-00, Chapter 21, Article 3, requires the approval of your Honorable Body for the purchase of Goods and Services over the value of \$25,000, all Contracts for Personal Services,

Renewals, or Extensions of Contracts, or the exercise of an option to renew or extend a Contract. Ordinance No 37-14, Chapter 18, Article IV, requires approval of your Honorable Body of an application for a federal, state, or other grant to be used, in whole or in part to fund any City programs, services, or activities.

Based upon the above scheduled Recess, there will be a delay in obtaining your approval for needed Goods and Services, and Grant Applications and Awards. As a result, we will be unable to meet our obligation to obtain needed Goods and Services, approve Grant Applications and accept Grant Awards, for the user agencies, and they, in return, will be unable to meet their obligation to supply mandated services to the People of the City of Detroit.

Therefore, during the Recess, I request that your Honorable Body approve our purchase of Goods and Services requiring your Approval under Ordinance No. 15-00, and approve Grant Applications and accept Grant Awards requiring your approval under Ordinance No 37-14 under provisions as follows:

I. Weekly list of Contract Agenda Items, Grant Applications, and Grant Award Notifications, which are distributed by the Office of the City Clerk to Members of the City Council each Thursday, will be held through Wednesday of the following week

II. In the event any Council Member objects to the Contract or Purchase Order or the Grant Award the Contract; Contract or Grant award will be held either until formal action by the City Council or withdrawal of the objection by the objecting Council Member.

No Contract or Purchase Order shall be issued if a Protest has been filed, or if a Supplier has not obtained any required Tax clearances, Insurance, Affidavits, or Bonding.

The first list under the Recess procedures will be prepared by the Office of Contracting and Procurement on Thursday, November 28, 2018.

Respectfully submitted,  
BOYSIE JACKSON

Chief Procurement Officer  
Office of Contracting and Procurement  
RYAN FRIEDRICH

Chief Development Officer  
Office of Development and Grants  
By Council Member McCalister, Jr.

Resolved, That the Chief Procurement Officer of the Office of Contracting and Procurement is hereby authorized to purchase goods and services, requiring City Council approval under Ordinance 15-00, and to accept for submission to your Honorable Body Grant Application Requests, and Grant Award Acceptance Requests under Ordinance 37-14 during the period

of the City Council Recess from November 22 through January 8, 2019 in accordance with the foregoing communication, based upon the weekly distribution of a list of Contract Agenda Items by the Office of the City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

**A RESOLUTION CONTINUING THE DETROIT CITY COUNCIL TASK FORCE ON SKILLED TRADES TASKFORCE**

By Council President Brenda Jones:

Whereas, Detroit residents continue to suffer under record unemployment which can lead to foreclosure of their homes and even bankruptcy; and

Whereas, Many individuals in our community possess certification in the skilled trades and are in need of job opportunities in high paying construction and related fields; and

Whereas, Other individuals, including our youth, are interested in the skilled

trades as a future profession and are in need of mentoring and access to apprenticeship programs; and area to quality employment; and

Whereas, City Council has recognized the need for a Skilled Trades Taskforce in the past, as well as, the continuing need to provide a forum for the many facets of the skilled trades community to meet and share information and ideas; Now, therefore be it

Resolved, That the Detroit City Council hereby forms a Skilled Trades Taskforce effective immediately and continuing through December 31, 2019; and be it further

Resolved, That the Skilled Trades Taskforce be chaired by Council President Brenda Jones and Co-Chaired by \_\_\_\_\_; and be it

Resolved, That the Task Force include residents, representatives from the community and business sector, union representatives, Michigan Works and Civil Rights Inclusion and Opportunity Department, as well as any other individuals interested in participating; and be it finally

Resolved, That a copy of this resolution be forwarded to each of the named departments, agencies, and organizations indicated above and that all activities necessary to bring about the first meeting of the Taskforce and hold monthly meetings occur.

#### **A RESOLUTION CONTINUING THE DETROIT CITY COUNCIL TASK FORCE ON MILITARY AND VETERANS AFFAIRS**

By Council President Brenda Jones:

Whereas, In November 2011, the Detroit City Council approved a resolution to create the Task Force on Military and Veterans Affairs to better serve veterans, reservists, and active military personnel in the City of Detroit.

Whereas, The need for the task force had arisen based on statistics evidencing the large concentration of veterans and military personnel within Wayne County and particularly the City of Detroit who were in need of access to employment, and to the various economic, health, and educational benefits to which their service to our country entitles them; and

Whereas, The Task Force on Military and Veterans Affairs is continuing its diligent efforts to connect veterans and military personnel in our area to the benefits and resources they have earned; to educate area businesses on the benefits of hiring

veterans and increase access for veterans and military personnel in our area to quality employment; and to educate the public on the unique sacrifices that our veterans, military personnel, and their families have made for the rest of us; Now, therefore be it

Resolved, That the Detroit City Council hereby extends the Task Force on Military and Veterans Affairs until December 2019; and be it further

Resolved, That the Task Force on Military and Veterans Affairs will now be chaired by Council Member Brenda Jones and co-chaired by Council Member Scott Benson and Council Member Roy McCalister; and be it further

Resolved, That the Task Force on Military and Veterans Affairs Meetings are open to the public; with dates, times, and locations to be noticed by the Detroit City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 5) Per motions before adjournment.

#### **RESOLUTION CONTINUING THE DISABILITY TASK FORCE**

By Council Member Gabe Leland:

Whereas, Currently, the City of Detroit is defining its' comeback through various development projects and policies, all in which to effectuate real change throughout the City. It is imperative that the rights and needs of the disability community are regarded; and

Whereas, The Americans with Disabilities Act (ADA) was established in 1990; and

Whereas, It requires all American governmental municipalities, including the City of Detroit, to be in compliance; and

Whereas, Governmental agencies must make provisions to implement appropriate physical improvements and communication - including the delivery of necessary aid and services to individuals with disabilities so that they might fully participate in all aspects of civic life; and

Whereas, Residents with physical and mental disabilities should have equal access to job training opportunities, transportation, housing, and public places; and

Whereas, Individuals with disabilities and their advocates will be directly involved with policymaking; and

Whereas, City Council continues to recognize the need of the Disability Task Force and a forum for the many facets of the community to meet and share information and ideas. Now, therefore be it

Resolved, That the Detroit City Council hereby forms the Disability Task Force effective immediately, continuing until December 31, 2019; and be it further

Resolved, That the Disability Task Force be chaired by Council Member Gabe Leland; and be it further

Resolved, That the Disability Task Force include residents, representatives from the community, labor, and the business sector, as well as any other individuals interested in participating; and be it finally

Resolved, That all activities necessary to bring about the first meeting proceed upon City Council approval.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 6) Per motions before adjournment.

**A RESOLUTION CONTINUING  
THE DETROIT CITY COUNCIL  
TASK FORCE ON MENTAL HEALTH**

By Council Member Roy McCalister, Jr.:

Whereas, Mental Health is important at every stage of life, from childhood and adolescence through adulthood. It includes our emotional, psychological, and social well being. The problems of mental health range from depression and anxiety, to more infrequent afflictions such as schizophrenia and bipolar disorder; it affects how we think, feel, and act. It also determines how we handle stress, relate to others, and make choices, and

Whereas, Michigan's Mental Health problems began when Congress passed the Community Mental Health Act of 1963. It provided an incentive for the closing of state-funded mental hospitals while promising to fund community-based mental health centers and programs to provide outpatient treatment. Former Governor of Michigan, John Engler, closed a number of state psychiatric facilities soon after he became governor in 1991. The funds for the mental health centers never materialized, leaving us with our current challenges, and

Whereas, There is a deficiency of resources and lack of coordination available for persons afflicted with mental health problems as demonstrated by the crime, homelessness, and poverty statistically linked to mental health challenges within the city of Detroit; and

Whereas, The Detroit City Charter was established to "[address] the needs of all citizens", and to "[institute] programs, services and activities addressing the needs of our community"; within its Declaration of Rights — explicitly states that "The city shall provide for the public peace, health and safety of persons and property within its jurisdictional limits"; and

Whereas, The public peace, health, and safety in the City of Detroit could be greatly improved by a concentrated collaborative effort between the City Council

and those organizations which advocate for, and provide mental health services; and

Whereas, The Detroit Wayne County Mental Health Authority, a safety net organization that provides access to a full array of services and supports to empower persons within the Detroit Wayne County behavioral health system. The Detroit Wayne County Mental Health Authority served just over 77,000 clients in 2017 within Wayne County and 53% (40,992) of these persons are in the City of Detroit. Of this group of individuals, the majority is between the ages of 22 and 50 years old.

Whereas, The establishment of a Mental Health Task Force is intended to facilitate equitable access to resources, contribute to the provision of a substantial quality of life for all residents of the city of Detroit, and to reduce the frequency of instances of criminal activity related to mental illness; and

Whereas, It is ineffective and detrimental to the human capital of the City of Detroit to process those persons living with mental illness through the criminal justice system as a result of their illness; and

Whereas, The goal and overall purpose of the Mental Health Task Force can have a significant impact in the City of Detroit and its residents through heightening awareness, promoting education, improving coordination of services, prevention and, strengthening the capacity of the city to serve those residents need with access to mental health resources and services; and now, therefore be it

Resolved, That the Detroit City Council hereby continues the Mental Health Task Force, chaired by Council Member Roy McCalister, Jr., effective immediately and continuing through December 31, 2018.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 7) Per motions before adjournment.

**A RESOLUTION AUTHORIZING  
THE CITY TASK FORCE ON  
HOMELESSNESS**

By Council Member Mary Sheffield:

Whereas, The Detroit Metro area (Wayne, Oakland, Macomb and Monroe counties) has the highest homeless population in the state of Michigan with approximately 34,000 homeless individuals, including 5,536 children in families and 192 unaccompanied minors. Approximately 69% of homeless Michigan families are headed by single mothers. The homeless population in the City of Detroit stands around 16,200 and represents almost half of the overall number in the

Detroit Metro area. The last task force on homelessness was initiated by the Mayor's office in 1994, and there is a dire need for a renewed focus and greater assistance; and

Whereas, This taskforce will be a collaborative effort among several stakeholders that will seek to coordinate existing agencies and departments to create an overall strategy for the homeless population in the City of Detroit. The taskforce will seek to facilitate efforts on homelessness from agencies and departments such as: the Department of Housing and Revitalization, Homeless Action Network of Detroit, Neighborhood Services Organization, Detroit Rescue Mission Ministries, Cass Community Social Services and any other entity whose mission is to address homelessness in the City of Detroit; and

Whereas, In an effort to address the needs of vulnerable populations, the taskforce will evaluate and strategize with local partners to explore current uses of Community Development Block Grants, Emergency Solutions Grants, and other funding sources made available to the city. Improvements and recommendations will be made on the allocation of these funds to ensure that the homeless population of Detroit is being adequately and humanely served. The taskforce will also begin to formulate new and creative ways to leverage federal and private funding to address the needs that are specific to Detroit's homeless population; and

Whereas, The City of Detroit currently subscribes to "Moving Forward Together: A Ten-Year Plan to End Homelessness in Detroit, Hamtramck, and Highland Park, Michigan." The taskforce will use this existing strategy as a framework and identify ways to improve implementation. Following the City of Detroit's current plan, the task force will focus and be centered on six core areas for action: housing, prevention, support services, employment and job training, community engagement, and collaboration; and

Whereas, Detroit's current housing stock, as it relates to blighted and abandoned buildings creates a unique opportunity to explore creative ways to address homelessness. The task force will aggressively create opportunities to use Detroit's existing housing stock to implement the "Housing First Strategy" a proven method of helping move people with substance abuse and/or mental health issues off the streets and into permanent housing; and Now, therefore be it

Resolved, That the Detroit City Council authorizes the creation of a City of Detroit Homelessness Task Force, to be chaired by Council Member Sheffield; and

Be it further

Resolved, That the Task Force on Homelessness will continue through December 31, 2019. All meetings will be

open to the public with future dates, times, and locations to be noticed by the office of the City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 8) Per motions before adjournment.

**RESOLUTION URGING PRESIDENT TRUMP AND THE UNITED STATES CONGRESS TO IMMEDIATELY END THE GOVERNMENT SHUTDOWN AND PUT AMERICAN FAMILIES FIRST**

By Council Member Mary Sheffield:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

Whereas, As a direct result of the Federal Government Shutdown, the lives of thousands of American families are hanging in the balance and the safety and security of our nation is at risk; and

Whereas, The debate between the two parties to fund President Trump's proposed border wall, has led to the second-longest shutdown in 20 years, going on for over two weeks. A partially closed government has the potential to affect nearly every facet of American life, including delaying package deliveries, the national parks service and air travel. Federal employees are also at risk of missing credit-card payments, paying their rent or mortgage bills. According to Market Watch, ultimately, about 420,000 people could end up working without pay; therefore be it

Resolved, That the Detroit City Council strongly urges President Trump and the United States Congress to immediately end the government shutdown, while negotiations are ongoing, thereby putting the interests of American Families First; Now, therefore be it further

Resolved, That this resolution be forwarded to President Trump and the Detroit Delegation in Washington and the entire United States Congress.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

## TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

### TESTIMONIAL RESOLUTION FOR

#### MS. Mattie L. MORGAN

#### *“Celebrating Your 90th Birthday”*

WHEREAS, On December 11, 2018, Ms. Mattie L. Morgan will attain the age of ninety years, a very significant and amazing milestone. The members of the Detroit City Council would like to publicly acknowledge this important event in her life; and

WHEREAS, Mattie Louis Jones Morgan was born on December 11, 1928, in Furman, Alabama, to Louis and Rebecca Jones. She is the tenth of thirteen children born to this union. Her parents and all but one of her siblings, Nellie, have passed on to glory. Mattie and her siblings were raised in rural Alabama, where she attended Snow Hill Institute in Snow Hill, Alabama. It was here that she met her future husband, James T. Morgan. They were united in marriage on October 14, 1945. Tragically, in the summer of 1960, James drowned in a Florida lake; and

WHEREAS, Mattie migrated north and moved her family to metropolitan Detroit, where she raised her ten children. The family lived in a public housing project. In

order to provide for her family, Mattie worked several jobs: day worker in suburban homes, cook at J.L. Hudson's, general laborer at an auto parts plant, head lunch server and latch key coordinator. Having a modest upbringing and limited formal education, it was always Mattie's dream to be a homeowner. In November 1972, she surpassed her goal and had a home built in northwest Detroit in the Winthrop community. Mattie still resides there to this day. In 1983, Mattie returned to school in pursuit of a vocation. Through her studies, she mastered furniture upholstery and sewing. In the years to follow, Mattie became an accomplished dressmaker and designer of religious handkerchiefs and remembrance photo albums; and

WHEREAS, Mattie has always been a strong advocate of the power of voting and continues to promote active participation in the electoral process. She personally took each of her children to register to vote on their eligible birthdays. In 2008, Mattie was overjoyed to be able to cast her ballot for the first African-American president, Barac Obama. Voting is an expectation that she still has of all her grandchildren and great-grandchildren. Mattie is a dedicated member of her community and was instrumental in starting the neighborhood block club. She organized beautification projects, collected money and secured snow removal services for the area, and sought food donations for those in need. Mattie is an avid gardener and often shares the food grown in her backyard. She is an Eastern Star member and a former member of Oak Grove AME Church. Mattie enjoys participating in her grandchildren and great-grandchildren's church, athletic and school activities. She loves to travel with her family and has visited several states in the south, Hawaii, Jamaica, and Mexico; and

WHEREAS, At ninety years young, Ms. Mattie Morgan is blessed with extraordinary longevity! As family and friends are gathered here today to commemorate and celebrate her 90th Birthday, it is abundantly fitting and proper that Ms. Mattie Morgan be appropriately recognized during this very special and memorable time of her life.

#### NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby presents this Testimonial Resolution to Ms. Mattie Louis Jones Morgan upon the grand occasion of her 90th Birthday and extends to her best wishes for continued health and happiness.

FOR**

**JOLLY OLD TIMERS, INC.**

**60 Years of History and Still Standing**

WHEREAS, In August of 1958, 51 men of various ages and levels of education came together to merge and cement their friendships. They established the Jolly Old Timers (JOT) as a nonprofit social club, committed to helping the community; and

WHEREAS, The JOT was incorporated by the State of Michigan in 1959. Their motto became J - Justice to all, O - Obedience to God and T - Truth and loyalty to all mankind; and

WHEREAS, The JOT were trailblazers when it came to race relations. Membership in the club is multi-racial. It was a founding white member who helped navigate the discriminatory housing practices of the time and helped purchase the club house in 1968. Now (since 1993), JOT also includes women as members; and

WHEREAS, JOT members are blue collar workers, business professionals, teachers, lawyers, judges, medical professionals, politicians and City and State workers. It is appropriately described as a social club for the classy and sophisticated; and

WHEREAS, This diverse group continues to support the community by giving to charities, hosting fundraisers for scholarships, adopting schools and mentoring programs; and

WHEREAS, The inspiration that begun over 60 years ago still burns bright today. The longevity and success of this organization is attributed to a wonderful mix of its members, friends and the community. Times have changed but the needs of the less fortunate are still with us.

NOW THEREFORE BE IT

RESOLVED, Council Member Raquel Castaneda-Lopez and her colleagues on the Detroit City Council celebrate the history of the Jolly Old Timers. Thank you for your long history of commitment to the social, educational and economic growth of the City of Detroit.

*'In Recognition of your*  
*Centennial 100th Birthday'*

WHEREAS, On December 13, 2018, Arlene Starghill will attain the age of one hundred years, a very significant milestone, reserved for very few. The Detroit City Council would like to publicly acknowledge this important event in her life; and

WHEREAS, Arlene Starghill, one of our esteemed centenarian citizens, has lived a rich and blessed life, having experienced, first-hand, 100 of the most eventful and productive years in American and world history. Arlene was welcomed into the world by her loving parents, Henry Millner and Janie Millner Davis, on December 13, 1918, in Algoma, West Virginia. Arlene was united in Holy Matrimony to the late Otis Clayton Straghill Sr. in 1936 and celebrated 72 years of marriage and were together to the end! To this union five children were born; Walter, Otis Jr., Janice, Gene and Susan. Arlene is a grandmother of 11, a great-grandmother of 13, and a great-great-grandmother of 12. Arlene and Otis moved to Detroit, Michigan in 1946 after working and living in Vancouver, Washington building ships for World War II; and

WHEREAS, Arlene joined The House of God Church, Keith Dominion and received the Baptism of the Holy Ghost in 1948, where Arlene also worked with the Young People's Christian Academy. In 1955, Arlene was appointed by the late Bishop J. Thomas State Secretary of the Michigan Diocese and State Agent where she served with great privilege and honor over the following offices: Church Reporter, Church Announcer, Chairman of the Building Fund, Food Committee Chairman, Trustee Board Secretary and Church Treasurer. Arlene became ordained as a Deacon in 1971 and served as Chairman of the Deacon Board faithfully for 20 years; and

WHEREAS, Arlene organized the Missionary Department in Pontiac, Michigan under the late Bishop J. Thomas. Arlene is the Founder and President of the Mary Magdalene Club. Deaconess Starghill was awarded the Keith Dominion Award, which is the most prestigious award given by The House of God Church that recognizes over 50 years of outstanding achievement! She was also awarded the Bishop Maurice & Fannie Beard Continued Service Award in 2017. In 2018, Arlene was awarded the International Deacon's Union Frank Blue Continued Service Award and the Missionary Longevity

Award; and

WHEREAS, Arlene Starghill warm and friendly spirit is embodied in her gracious smile, which touches the heart of everyone she knows. As family and friends are gathered here today to commemorate and celebrate her 100th Birthday, it is abundantly fitting and proper that Arlene Starghill be appropriately recognized during this very special and memorable time of her life. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Pro Tempore Mary Sheffield, wishes to take this opportunity to honor and recognize one of Detroit's centenarian citizens, Arlene Starghill, upon this grand occasion of her 100th Birthday.

**TESTIMONIAL RESOLUTION**  
**ST. STEPHEN A.M.E. CHURCH**  
*100th Anniversary Celebration*  
*1918 - 2018*

By Council President Jones, joined by Council Member Ayers:

WHEREAS, For one hundred years St. Stephen A.M.E. Church has been serving communities on the west side of Detroit — preaching and teaching Christian stewardship, while nurturing the physical body, spirit and the mind through the traditions and principles of African Methodism. In 1918, Bishop Charles Spencer Smith was informed that an African Methodist Episcopal Church was needed on the west side of Detroit. The Reverend T. J. White agreed to take on this mission. On November 18, 1918, at the home of Brother Walter James, thirteen charter members signed the Document of Organization. In 1920, a lot was purchased on Stanford and Cobb; and

WHEREAS, St. Stephen A.M.E. Church has had very minimal changes in leadership over the last 100 years. Shepherds that have lead the church over the years include: Rev. Thomas J. White (1918-1920), Rev. M.C. Wright (1920-1921), Rev. S.S. Harris (1921-1923), Rev. William E. Walker (1923-1927), Rev. J.D. Howell (1927-1960), Rev. Martin Luther Simmons (1960-1972), Rev. John E. Hunter (1972-1980), Rev. Harold C. Huggins (1980-1997), Rev. Delano Bowman (1997-2004), Rev. Alfred Johnson (2004-2007) and Rev. Michael Cousin A. Cousin (2007-2017). Every new pastor that came through St. Stephen A.M.E. Church, God has given each a vision to do something that would improve and enrich the church family; and

WHEREAS, St. Stephen A.M.E. Church has continued to advance and grow over

the years. Under the leadership of the church's current pastor, Rev. Darryl R. Williams, St. Stephen's mission statement has been updated to read; "To demonstrate the word, prayer, and love to people of all ages. First to one another, then to others through outreach, hospitality, and excellence." With keeping with the mission statement, a food pantry is in full swing to assist those in need. Sampson/Webber Academy was adopted and their library has been reestablished. A Little Library has been constructed outside of the church to increase literacy in the community. The ministry department added a men's ministry to assist with spiritual growth, life issues, and servicing the community. A computer lab was reopened for public use. St. Stephen A.M.E. Church has come this far by faith and continues to provide spiritual, educational, and economic nurturing for humanity. What a joy for one hundred years of service to God and the community! NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, wishes to congratulate the entire congregation of St. Stephen African Methodist Episcopal Church on this commemoration of their 100th Church Anniversary. May God continue to bless everyone in abundance!

WHEREAS, Mrs. Bernice Robinson, married twice, her first marriage to Mr. Carl Jasper Lester, May 21, 1946, in Detroit, Michigan, and later married John Aulter Amos in Ohio on January 6, 1976. Mr. John Aulter Amos died in May 1989. Their first-born, Charlton Aaron Amos passed away in the 80s, leaving to cherish his memory three siblings, Stacey, Kim, and Jordale, AND

WHEREAS, In furthering her education and being an avid reader, Mrs. Bernice Robinson graduated from Northern High School in 1941, where she later taught History and ended her teaching profession at Pontiac High School as a History teacher when she retired in 1974. Bernice was also a Notary for over fifteen years, AND

WHEREAS, Mrs. Bernice Robinson reminisces growing up in Hamtramck and Detroit, experiencing a difficult period in her life where there was no leisure time because they had to help with chores, and go to school which prevented boys, and girls from playing and running down the street as they do today. Two important events Bernice remembers; a peaceful demonstration attended by thousands for the freedom of people all over the United States marching down Woodward Ave. on June 23, 1963, when Martin Luther King

Jr. spoke at Cobo Hall delivering his famous speech "I Have a Dream." On the other hand, the 1967 Detroit riot that began on 12th street, Sunday, July 23, that lasted five days, a confrontation between black people and the Detroit police where 43 people died, 342 injured, and approximately 1,400 buildings burned, AND

WHEREAS, On Saturday, October 1, 2017, Mrs. Bernice Robinson walked over to the now-closed Johnson Recreation Center to the 8 Mile Rd. Community Unity Walk, to bridge Residents, Churches & Community Groups. We as a community stand on the shoulders of a kind, educated, gentle, and soft-spoken lady. As Ms. Bernice Robinson celebrates her ninety birthday she is asked if she had the opportunity to live her life over again, what would she do differently? Mrs. Bernice Robinson said, "She would not work as hard as she did, not allow people to boss her around telling her what to do, nor sit up in a balcony at a movie theater where blacks only were allowed, but instead she would sit downstairs with the white folks!" NOW, THEREFORE LET IT BE

RESOLVED, That Council Member Roy McCalister Jr., along with Detroit City Council, would like to take this time to honor you, Mrs. Bernice Robinson as you celebrate your 90th Birthday on this 27th Day of December. May God continue to bless you!

21. Submitting report and Proposed Ordinance to amend Chapter 26 of the 1984 Detroit City Code, *Housing*; by adding Article IX, *Senior Citizen Housing*, by adding Sections 26-9-1 through 26-9-5, to indicate the purpose of the ordinance; set forth definitions; to require alternative emergency energy sources; and to address the enforcement of this ordinance.

22. Submitting report relative to 50% Parking Fine Discount for Detroit Residents. **(The City of Detroit is authorized by state law to regulate parking within City limits. Equal protection challenges to an ordinance that provides 50% fine reduction to residents would be decided by use of "rational basis" test, and the ordinance's purpose of assisting Detroiters of limited means and providing better access to City services on metered streets (like City offices located downtown) may be adequate to provide a rational basis for disparate treatment. However, the ordinance may have a difficult time with a challenge under the Privileges and Immunities analysis. There, a 50% discount may seem too great, as demonstrated in case law, and a lesser amount may be easier to defend. In order to avoid being such an outlier, Detroit's interests in this may be better served with a 25% discount; this could be closer to the 20% discount offered in the City of Miami.)**

November 15, 2018

Honorable City Council:

Re: Michaelangelo Jackson, et al. vs. City of Detroit, et al. Wayne County Circuit Court Case No. 18-001339 NI.

Representation by the Law Department of the City employee listed below is hereby recommended. We agree with the recommendation of the head of the department that the officer was acting within the scope of his employment at the time the acts complained of were committed. We further recommend that the City indemnifies the Defendant and, therefore, recommend a "YES" vote on the attached resolution for P.O. Steven Fultz, Badge No: 141.

Please note that a copy of the original Law Department letter dated May 14, 2018 is attached (excluding the privileged and confidential attachments which were previously circulated via email). A closed session was held in this case on April 24, 2018 to discuss trial/settlement strategy.

At the July 17, 2018 Formal Session, City Council denied representation of P.O. Fultz (line item 54). Subsequently, City Council held a closed session regarding representation on November 9, 2018. This closed session (commonly referred to as a Loudermill hearing is a due process requirement pursuant to the U.S. Supreme Court's holding in Cleveland Board of Education vs. Loudermill, 470 US 532 (1985). Arbitration awards issued by the Voluntary Labor Arbitration Tribunal also recognize the past practice of City Council holding hearings for police officers who have been denied representation (see Grievance Nos. 79-237, 82-055, 90-047, and 92-200/92-202).

The request for the hearing was not triggered in this case as both the Law Department and DPD recommended approval of representation and indemnification. P.O. Fultz was entitled to receive and the City of Detroit was required to

hold this hearing. Now that the closed session on representation has occurred and additional and/or new information was presented to Council in this matter it is timely and appropriate for the attached resolution to be presented to your Honorable Body for a vote.

Please advise the Law Department Liaison, Ericka Savage Whitley, if you are in need of any of the privileged and confidential documents that were previously distributed in this matter.

Honorable City Council:

Re: Gaylon Jefferson & Lapez Moore vs. City of Detroit and Harry Ward (individually) Wayne County Circuit Court Case No. 17-016621-CD

Based upon our review of the above-captioned Complaint, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of Your Honorable Body. From this review, it is our considered opinion that an acceptance of the case evaluation award in the amount of Ten Thousand and 00/100 Dollars (\$10,000.00) as a possible settlement and to avoid sanctions is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Ten Thousand and 00/100 Dollars (\$10,000.00), payable to Gaylon Jefferson, Lapez Moore and Jeffrey S. Burg, their attorney, to be delivered upon receipt of properly executed Releases and a Stipulation and Order of Withdrawal of their lawsuit, WCCC #17-016621-CD, as approved by the Law Department.

November 8, 2018

Honorable City Council:

Subject: Request to Amend the Official Compensation Schedule

Recommendation is submitted to amend the 2018-2019 Official Compensation Schedule to include the pay range for the following classification:

| Class Code | Title   | Salary               | Step Code |
|------------|---|----------------------|-----------|
| 94-10-03   | Assistant Director -<br>DDOT Operations/Maintenance | \$67,563 — \$110,330 | K         |

The above recommendation was occasioned by a request from the Department of Transportation.

The new position is a result of a reorganization within the department and provides support by planning, directing and coordinating the daily activities of the Department of Transportation. To ensure the salary of the position is paid competitively, a market survey was completed and data from comparable entities was used to develop the rate. The proposed salary is essential for recruitment and retention purposes and is based on the City of Detroit's ability to fund the increase. The proposed salary is subject to City Council approval.

Respectfully submitted,  
DENISE STARR  
Human Resources Director

By Council Member McCalister:

Resolved, That the 2018-2019 Official Compensation Schedule is hereby amended to reflect the following pay ranges, effective upon Council's approval.

**Request:**  
 The above recommendation was occasioned by a request from the Health Department.

**Rationale:**  
 The above request and recommendations are based on the ability to attract and retain essential personnel and to improve the operations of the Health Department. Market survey data reveals the classifications are under compensated. Based on the survey data Classification and Compensation recommends the proposed salaries. The salary adjustments are essential for recruitment and retention purposes and it is based on the City of Detroit's ability to fund the increase. The adjustments to the classifications are subject to City Council approval.

**City Planning Commission**

January 10, 2019

Honorable City Council:

Re: Extension of review period for proposed Zoning Ordinance text amendment (“Business Colleges and Commercial Trade Schools”) and amendment of District Map 56

On September 20, 2018, the Planning and Economic Development standing committee received the report and recommendation of the City Planning Commission (CPC) relative to the proposed Zoning Ordinance text amendment to allow Business Colleges and Commercial Trade Schools in R5 zoning districts and to rezone five parcels on District Map 56. The two ordinances, approved as to form by the Law Department, accompanied the CPC report and recommendation.

However, those ordinances need to be held until the lease agreement for the land is also ready for consideration. The Mayor’s Office foresees it being complete in February.

The Zoning Ordinance specifies that if a CPC recommendation is not acted upon within 120 days, it is deemed to have been denied. In order for the CPC recommendation to remain in force, your Honorable Body will need to act to extend the review period of these amendments beyond the January 16, 2019 “expiration date.”

Attached, please find a resolution that would extend the review period for these ordinances an additional 120 days or whatever time period the Council determines to be appropriate.

Respectfully submitted,  
MARCELL R. TODD, JR.  
Director  
JAMIE J. MURPHY  
Staff

By Council Member Tate:

Whereas, The Section 61-3-17 of the Zoning Ordinance of the City of Detroit establishes that upon the expiration of a 120 day period following the date that the City Council formally receives the City Planning Commission’s report and recommendation on any petition to amend the Zoning Ordinance, such petitions will be deemed denied unless the time period is extended by the City Council; and

Whereas, The City of Detroit Planning & Development Department has petitioned the City Council for a text amend-

ment to allow Business Colleges and Commercial Trade Schools in R5 zoning districts and for a rezoning of certain property in the City of Detroit from R2 (Two-Family Residential) and R3 (Low Density Residential) to R5 (Medium Density Residential) zoning district classification; and

Whereas, The City Planning Commission report and recommendation on these requests was received by the City Council on September 18, 2018; and

Whereas, The original 120 day period of viability for this request was to expire on January 16, 2019; and

Whereas, Various factors have again served to protract deliberations on this matter and delay final action; and

Whereas, The new expiration date is now May 16, 2019; and

Whereas, The City of Detroit Planning & Development Department has filed with the City Planning Commission a request to extend the viability of the petition; and

Whereas, This City Council has expressed the desire to extend the period of consideration for this petition;

Now, Therefore, Be It

Resolved, That pursuant to Section 61-3-18 of the City of Detroit Zoning Ordinance, the Detroit City Council hereby extends the time period for consideration of the request of the City of Detroit Planning & Development Department to allow Business Colleges and Commercial Trade Schools in R5 zoning districts and to rezone certain property in the City of Detroit from R2 (Two-Family Residential) and R3 (Low Density Residential) to R5 (Medium Density Residential) zoning district classification, for an additional 120 days beyond January 16, 2019.

**RESOLUTION  
TERMINATING THE BROWNFIELD  
PLAN OF THE CITY OF DETROIT  
BROWNFIELD REDEVELOPMENT  
AUTHORITY FOR THE JEFFERSON  
NORTH PARK REDEVELOPMENT  
PROJECT**

City of Detroit  
County of Wayne, Michigan

Whereas, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City Council") for the purpose of promoting the revitalization of eligible properties in the City of Detroit; and

Whereas, on October 15, 2003, City

Council approved the Brownfield Plan for the Jefferson North Park Brownfield Redevelopment Plan (the "Plan"); and

Whereas, The eligible property described in Exhibit A, attached hereto, is the eligible property subject to the Plan; and

Whereas, Section 14(8)(b) of Act 381 permits a governing body to terminate a brownfield plan or plan amendment for an eligible property if the project for which eligible activities were identified in the brownfield plan or plan amendment fails to occur with respect to the eligible property for at least two (2) years following the date of the resolution approving the brownfield plan or plan amendment, provided that the governing body first does both of the following: (i) gives 30 days' prior written notice to the developer at its last known address by certified mail or other method that documents proof of delivery attempted, and (ii) provides the developer an opportunity to be heard at a public meeting; and

Whereas, The City Council is the governing body (as that term is defined by Act 381) of the Authority; and

Whereas, The Authority's staff has confirmed that no eligible costs for the project have been submitted pertaining to the eligible activities identified in the Plan within two (2) years of City Council's approval of the Plan; and

Whereas, On October 24, 2018, the Board of Directors of the Authority adopted a resolution recommending termination of the Plan; and

Whereas, On October 3, 2017, City Council authorized the Authority, on behalf of City Council, to manage and/or administer the notices required by Act 381 in connection with any brownfield plan or plan amendment terminations; and

Whereas, The required notice of the termination of the Plan was given in accordance with Section 14(8)(b)(i) of Act 381, a copy of which is attached as Exhibit B; and

Whereas, In accordance with Section 14(8)(b)(ii) of Act 381, the developer identified in the Plan was provided with an opportunity to be heard at a public meeting on January 10, 2019.

Now, Therefore, Be It Resolved, That:

1. The Plan is hereby terminated by City Council in accordance with Section 14(8)(b) of Act 381.

2. City Council hereby ratifies the termination, if any, of any agreements or contracts between the developer of the Plan and the Authority that were executed in conjunction with the Plan, including, but not limited to, the reimbursement agreement.

The City Clerk is requested to submit one (1) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on \_\_\_\_\_, 2019, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

AUTHORIZING THE ESTABLISHMENT  
OF A SECONDARY STREET NAME  
IN HONOR OF BISHOP GREGG A.  
BOOKER AT THE INTERSECTION OF  
W. GRAND BLVD. AND PORTER  
AVENUE IN FRONT OF DELIVERANCE  
CENTER OUTREACH MINISTRIES  
LOCATED AT 340 W. GRAND BLVD.**

By Council Member Tate:

Whereas, The Detroit City Council has received a request via Petition No. 1797 from Rodney Parker, on behalf of the congregation of Deliverance Center Outreach Ministry, to assign a Secondary Street Name to Bishop Gregg A. Booker, to be located at the intersection of W. Grand Blvd. and Porter Avenue; and

Whereas, The Deliverance Center Outreach Ministry located at the intersection of W. Grand Blvd. and Porter Avenue is historically significant, being the location of the Bishop's current ministry; and

Whereas, Testimony has been received from various members of the congregation speaking to the Bishops kind-hearted nature, compassion and love for the community.

Now, Therefore Be It

Resolved, That the City Council finds the above-mentioned individual and the proposed location meets the criteria for Secondary Naming of a Street in accordance with Article VII, Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code;

Be It Further

Resolved, That the intersection of W. Grand Blvd. and Porter Avenue be assigned the secondary street name "Bishop Gregg A. Booker" in celebration of his noteworthy achievements;

Be It Further

Resolved, That the projected cost of designing, producing, erecting, replacing and removing the necessary signs and markers shall be paid, in advance, to the street fund by the petitioner requesting the secondary name;

Honorable City Council:

Re: Resolution for a Partial Revocation of  
Obsolete Rehabilitation Property

Exemption Certificate No. 3-09-0002, on behalf of Fort Shelby Hotel, LLC, in Accordance with Public Act 146 of 2000. (Related to Petition #557.)

On October 23, 2018, Fort Shelby Hotel, LLC submitted a request for the partial revocation of Obsolete Property Rehabilitation Exemption Certificate 03-09-0002 (amended) in order to remove Unit 2 from the property located at 525 West Lafayette, Unit 1 and 2, Detroit, MI. The condominium plan was amended to subdivide Unit 2 into fifty-six residential units on floors 11 to 22 and the originally constructed apartments are being converted into for-sale condominiums.

MCL 125.2792(2), as amended, stipulates that upon receipt of a request by the holder of an obsolete property rehabilitation exemption certificate to the legislative body of the qualified local governmental unit requesting revocation of the certificate, the legislative body of the qualified local governmental unit may, by resolution, revoke the certificate.

Respectfully submitted,

**KELLY R. VICKERS**

Associate Director

By Council Member Tate:

Whereas, Fort Shelby Hotel, LLC has filed with the City Clerk a Request for the Partial Revocation of an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, Pursuant to P.A. 146 of 2000, as amended, after a duly noticed public hearing, this City Council approved by resolution an amended Obsolete Property Rehabilitation Certificate, certificate number 03-09-0002, for property located at 525-529 West Lafayette, Condominium Units 1 & 2, City of Detroit; and

Whereas, Pursuant to MCL 125.2792 this City Council may, by resolution, revoke an Obsolete Property Rehabilitation Exemption Certificate upon receipt of a request by the holder of the certificate requesting revocation; and

Whereas, On October 15, 2018, Fort Shelby Hotel, LLC submitted a request for the partial revocation of Obsolete Property Rehabilitation Certificate number 03-09-0002 (amended) to remove Unit 2;

Now, Therefore Be It

Resolved, This City Council hereby partially revokes Obsolete Property Rehabilitation Certificate 03-09-0002 (amended) for Fort Shelby Hotel, LLC to remove Unit 2 from the property located at 525 West Lafayette Unit 1 and 2, Detroit MI; and be it further

Resolved, The City Clerk shall forward said revocation to the Michigan State Tax Commission as provided by the Act.

**Housing and Revitalization Department**

January 4, 2019

Honorable City Council:  
 Re: HUD Section 108 Loan Guarantee Assistance Program Request to Refinance Six (6) Existing Notes.  
 The Housing and Revitalization Depart-

ment (“HRD”) coordinates several loans the City of Detroit (“City”) has taken out in prior years with the United States Department of Housing and Urban Development (“HUD”) under the HUD Section 108 Loan Guarantee Assistance Program (“Section 108 Program”). The City repays the principal and interest owed to HUD pursuant to the Notes from the annual allocation of Community Development Block Grant (“CDBG”) funds received by the City.

HUD has approached the City with an opportunity to refinance the following six (6) notes issued by HUD under the Section 108 Program (the “Notes”):

| Note              | Series | Original Principal Amount Borrowed | Remaining Principal Amount Owed | Project            |
|-------------------|--------|------------------------------------|---------------------------------|--------------------|
| B-02-MC-26-0006   | 2006-A | \$7,789,000.00                     | \$1,568,000.00                  | Mexicantown        |
| B-03-MC-26-0006   | 2006-A | \$2,058,000.00                     | \$1,658,000.00                  | East Forest Arts   |
| B-03-MC-26-0006   | 2008-A | \$6,522,000.00                     | \$5,072,000.00                  | GREP               |
| B-05-MC-26-0006   | 2008-A | \$7,050,000.00                     | \$2,750,000.00                  | Woodward Gardens I |
| B-05-MC-26-0006-A | 2008-A | \$10,700,000.00                    | \$4,471,000.00                  | Book Cadillac II   |
| B-05-MC-26-0006-B | 2008-A | \$18,700,000.00                    | \$12,500,000.00                 | Fort Shelby        |

The proposed refinancing of the Notes would decrease loan repayment terms by approximately 2 percentage points that will save the City roughly \$2,000,000.00 in CDBG funds over the remaining term of the original Notes. Such CDBG savings can then be utilized by the City for other purposes.

This opportunity was brought to the City’s attention in mid-December 2018 with a final deadline for the City to approve and execute requisite documents for refinance of the Notes by mid-January 2019. In furtherance of saving future CDBG funding, we respectfully request that your Honorable Body adopt the attached resolution that approves refinance of the Notes.

Whereas, The City repays the borrowed funds to HUD under the Notes from annual allocations the City receives of Community Development Block Grant (“CDBG”) federal dollars; and

Whereas, HUD has notified the City that a public offering will occur sometime in early 2019 that will allow the City to refi-

nance the remaining principal balances owed on the Notes such that loan repayment terms will be decreased by approximately 2 percentage points, more or less, that will save the City roughly \$2,000,000.00 in CDBG funds over the remaining original term of the Notes; and

Whereas, The City has notified HUD in

writing of the City's intention to refinance the Notes, subject to the approval of Detroit City Council; and

Whereas, It is economically sound and in the best interest of the City to refinance the Notes and accept more favorable rates of interest for the applicable loans the City has under HUD's Section 108 Loan Guarantee Program through this HUD public offering;

Now, therefore be it

Resolved, That Detroit City Council hereby approves refinance of the Notes at such rates of interest that will be determined by HUD at the time of the public offering, provided that such rates of interest are more favorable than the rates of interest that the City is currently paying on the Notes; and

Be it further

Resolved, That the Director of the City's Housing and Revitalization Department ("HRD"), or his authorized designee, is hereby authorized to execute any loan documents, contracts, amendments, notes, loan documents and other instruments required by HUD to effectuate refinance of the Notes with HUD; and

Be it further

Resolved, That HRD is hereby authorized to pay any required closing, underwriting and administrative fees/ costs to HUD as may be necessary to effectuate refinance of the Notes with HUD ("Transaction Costs"), provided that such Transactions Costs are paid by HRD from CDBG funds allocated to the City; and

Be it finally

Resolved, That the Finance Director be and is hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls and pay all applicable costs and fees when presented in accordance with the foregoing communication and standard City procedures.

**Law Department**

December 18, 2018

Honorable City Council:

Re: Proposed Amendment of Chapter 26 of the 1984 Detroit City Code, *Housing*, by adding Article V, *Fair Chance Access to Rental Housing*.

At the request of Council Member Ayers, the Law Department had prepared, approved as to form, and filed with the Clerk on October 26th the above-referenced ordinance for your consideration. The proposed ordinance will add an Article to Chapter 26 to provide citizens with criminal records a fair opportunity to secure housing by regulating the use of criminal background checks as part of the tenant screening process.

Attached please find an updated version of the ordinance, dated December 18, 2018, which has also been approved as to form and filed with the Clerk's Office on today's date. Please note the updated ordinance contains the following modifications to the October 26th version:

1) Adds the following language to the definition of directly-related conviction: "In determining whether the conviction or unresolved arrest is directly related to the housing, the housing provider shall consider whether the housing offers the opportunity for the same or similar offense to occur and whether circumstances leading to the conduct for which the person was convicted will recur in the housing, and whether supportive services that might reduce the likelihood of a recurrence of such conduct are available on-site. Those matters identified in Section 26-5-5(2) about which a housing provider may not inquire and as to which they may not base an adverse action may not qualify as a directly-related convictions." p 4, lines 5-11.

2) Addition of two definitions which mirror those found in Chapter 9 of the City Code:

*Dwelling or dwelling unit* means a single unit providing complete, independent living facilities occupied, or intended to be occupied, in whole or in part by one (1) or more persons, including permanent space and provisions for living, cooking, eating, sanitation, and sleeping. p 4, lines 12-14. - and -

*Rental property* means a non-owner occupied dwelling unit or dwelling units that:

(1) Is or are let or occupied by persons, including a family member of the owner, pursuant to an oral or written rental contract, or lease, or other oral or written agreement or understanding for occupation, with or without, monetary compensation; or

(2) Will be offered for occupancy under an oral or written rental contract or lease, or other oral or written agreement or

understanding for occupation, with or without, monetary compensation to any person; or

(3) Is or are contained within a building with two (2) or more dwelling units that are not occupied by the owner; or

(4) Has or have been advertised to the public or previously registered with the city as rental property, p 5, line 20 through p 6, line 7.

3) Modification of the definition of eligible housing on p 4, line 15-17 from:

*Eligible housing* means any property in the City of Detroit available for rent or lease where a single structure contains more than four (4) dwelling units.

— to —

*Eligible housing* means any rental property in the City of Detroit available for rent or lease where a single structure contains more than four (4) dwelling units or more than four (4) rental properties are owned by the same person.

4) Inclusion of verification of COO & rental registration as part of investigation. Starting on p 16, lines 13-20 to read:

(iii) To obtain verification from the City of Detroit Buildings, Safety Engineering and Environmental Department that the eligible housing is in compliance with the registration of residential rental properties in accordance with Section 9-1-82 of this Code;

(iv) To obtain verification from the City of Detroit Buildings, Safety Engineering and Environmental Department that the eligible housing has a valid certificate of compliance required by Michigan law, Section 9-1-36 of this Code, or by other provision of this Code;

5) Delete "have a direct and specific negative bearing on the safety of persons or real property, given the nature of the housing, and" from page 7, line 15 of the October 26th version as that language is encompassed in the definition of directly-related conviction.

In addition to the above modifications, a delayed effective date is also recommended so that the administering agencies will have an opportunity to prepare for and successfully implement this important initiative, should it be enacted by this Honorable Body.

Respectfully submitted,  
JULIANNE V. PASTULA  
Senior Assistant  
Corporation Counsel  
City of Detroit Law Department

By Council Member Ayers:

**AN ORDINANCE to amend Chapter 26 of the 1984 Detroit City Code, *Housing*, by adding Article V, *Fair Chance Access to Rental Housing*, consisting of Sections 26-5-1 through 26-5-20, to provide for the maintenance and protection of the health, safety**

and general welfare of the public and to provide citizens with criminal records a fair opportunity to secure housing by regulating the use of criminal background checks as part of the tenant screening process, thereby facilitating re-integration into society and reducing the likelihood those citizens will reoffend; to establish that the City undertaking is limited to promotion of the general welfare; to set forth definitions and applicability of the article; to regulate the use and inquiry of criminal convictions by housing providers; to establish standards for adverse action; to set forth exceptions to this article; to establish procedures for the use of evidence of rehabilitation or other mitigating factors in housing decisions; to require individualized assessments in certain circumstances; to set forth notice and posting requirements for housing providers; to establish guidelines for maintenance of records by housing providers; to protect the exercise of rights and prohibit retaliation; to require community outreach; to set forth confidentiality provisions; to establish implementation and enforcement provisions, including penalties for violations; and to establish administrative rules and annual reporting requirements.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 26 of the 1984 Detroit City Code, *Housing*, be amended by adding Article V, *Fair Chance Access to Rental Housing*, consisting of Sections 26-5-1 through 26-5-20, to read as follows:

**CHAPTER 26. HOUSING**  
**Article V.**

**Fair Chance Access To Rental Housing**  
**Sec. 26-5-1. Purpose.**

The purpose of this article is to enhance the health, safety and general welfare of the public by ensuring citizens with arrest and conviction records have a fair opportunity to secure housing by regulating the use of criminal background checks as part of the tenant screening process, thereby facilitating re-integration into society, reducing recidivism and its associated criminal justice and societal costs. Barriers to opportunities for people with arrest or conviction records increase recidivism and jeopardize the safety of the public, disrupt the financial and overall stability of affected families and communities, and impede the City from achieving its maximum potential of economic growth.

**Sec. 26-5-2. City undertaking limited to promotion of general welfare.**

(a) This article does not intend, and shall not be construed, to require a hous-

ing provider to give preference to anyone or to rent to an unqualified tenant with an arrest or conviction record. Moreover, this article shall not be construed to limit a housing provider's ability to choose the most qualified and appropriate candidate from applicants for housing.

(b) This article does not intend, and shall not be construed, to create or impose a duty or create a private cause of action against the City, its elected officials, appointees, officers, agents, or employees.

**Sec. 26-5-3. Definitions.**

For the purposes of this article, the following words and phrases shall have the meaning respectively ascribed to them by this section:

*Administering agency* means the City's Department of Civil Rights, Inclusion and Opportunity or CRIIO.

*Adverse action* means to evict an individual, fail or refuse to rent or lease real property to an individual, or fail or refuse to continue to rent or lease real property to an individual, or fail or refuse to add a household member to an existing lease, or to reduce any tenant subsidy. The adverse action must relate to real property located in the City of Detroit.

*Applicant* means an individual applying to rent or lease eligible housing. It also includes an individual applying to be added to an existing lease for eligible housing.

*Arrest* means a record from any jurisdiction that does not result in a conviction and includes information indicating that a person has been questioned, apprehended, taken into custody or detained, or held for investigation by a law enforcement, police, or prosecutorial agency or charged with, indicted, or tried and acquitted for any felony, misdemeanor, or other criminal offense. Arrest is a term that is separate and distinct from, and that does not include, unresolved arrest.

*Background check report* means any criminal history report, including but not limited to those produced by the Michigan State Police, the Federal Bureau of Investigation, other law enforcement or police agencies, courts, or by any consumer reporting, or tenant screening, agency or business.

*Conviction* means a record from any jurisdiction that includes information indicating that a person has been convicted of a felony or misdemeanor, provided that the conviction is one for which the person has been placed on probation, fined, imprisoned or paroled. Those matters identified in Section 26-5-5 about which a housing provider may not inquire and as to which they may not base an adverse action, are not considered convictions for purposes of this article.

*Conviction history* means information regarding one or more convictions or

unresolved arrests, transmitted orally or in writing or by any other means, and obtained from any source, including but not limited to the individual to whom the information pertains or a background check report.

*Directly-related conviction* means that the conduct for which the person was convicted or that is the subject of an unresolved arrest that has a direct and specific negative bearing on the health, safety, or right to peaceful enjoyment of the premises by persons and includes one or more of the offenses listed in Section 26-5-6(b). In determining whether the conviction or unresolved arrest is directly related to the housing, the housing provider shall consider whether the housing offers the opportunity for the same or similar offense to occur and whether circumstances leading to the conduct for which the person was convicted will recur in the housing, and whether supportive services that might reduce the likelihood of a recurrence of such conduct are available on-site. Those matters identified in Section 26-5-5(2) about which a housing provider may not inquire and as to which they may not base an adverse action may not qualify as a directly-related conviction.

*Dwelling or dwelling unit* means a single unit providing complete, independent living facilities occupied, or intended to be occupied, in whole or in part by one (1) or more persons, including permanent space and provisions for living, cooking, eating, sanitation, and sleeping.

*Eligible housing* means any rental property in the City of Detroit available for rent or lease where a single structure contains more than four (4) dwelling units or more than four (4) rental properties are owned by the same person.

*Enforcing agency* means the Detroit Police Department or DPD.

*Evidence of rehabilitation or other mitigating factors* means, but shall not be limited to, a person's satisfactory compliance with all terms and conditions of parole or probation (however, inability to pay fines, fees, and restitution due to indigence shall not be considered noncompliance with terms and conditions of parole or probation or both); employer recommendations, especially concerning a person's post-conviction employment; educational attainment or vocational or professional training since the conviction, including training received while incarcerated; completion or active participation in rehabilitative treatment e.g., alcohol or drug treatment; letters of recommendation from community organizations, counselors or case managers, teachers, community leaders or probation or parole officers who have observed the applicant since his or her conviction(s); and the age of the person at the time of the conviction. Successful completion of parole, probation, mandatory

supervision, or post release community supervision shall create a presumption of rehabilitation. Examples of mitigating factors that are offered voluntarily by the person may include, but are not limited to, explanation of the precedent coercive conditions, intimate physical or emotional abuse, or untreated substance abuse or mental illness that contributed to the conviction.

*Housing provider* means any entity that owns, master leases, manages, or rents eligible housing in the City of Detroit. Any agent, such as a property management company, that makes tenancy decisions on behalf of the aforementioned entities shall also be considered a housing provider.

*Inquire* means any direct or indirect conduct intended to gather information from or about an applicant, potential applicant or candidate, using any mode of communication, including but not limited to application forms, interviews, and background check reports.

*Person* means any individual, partnership, firm, company, corporation, association, sole proprietorship, limited liability company, joint venture, estate, trust, or any other legal entity.

*Rental property* means a non-owner occupied dwelling unit or dwelling units that:

(1) Is or are let or occupied by persons, including a family member of the owner, pursuant to an oral or written rental contract, or lease, or other oral or written agreement or understanding for occupation, with or without, monetary compensation; or

(2) Will be offered for occupancy under an oral or written rental contract or lease, or other oral or written agreement or understanding for occupation, with or without, monetary compensation to any person; or

(3) Is or are contained within a building with two (2) or more dwelling units that are not occupied by the owner; or

(4) Has or have been advertised to the public or previously registered with the city as rental property.

*Unresolved arrest* means an arrest that is undergoing an active pending criminal investigation or trial that has not yet been resolved. An arrest has been resolved if the arrestee was released and no accusatory pleading was filed charging him or her with an offense, or if the charges have been dismissed or discharged by the prosecuting attorney or the court.

**Sec. 26-5-4. Applicability; eligible housing.**

This article shall apply to all housing providers with eligible housing as defined in this article available for rent or lease located in the City of Detroit.

**Sec. 26-5-5. Prohibition on housing**

**provider to inquire into criminal convictions of applicants and their household members until being interviewed or qualified; basis for adverse action.**

(a) Except as provided in Section 26-5-6, housing providers shall not:

(1) Inquire about or require applicants to disclose conviction history as part of tenant screening process until the housing provider has first:

(i) Determined the applicant is qualified to rent the housing unit under all of the housing provider's criteria not related to potential past criminal convictions or an unresolved arrest; and

(ii) Provided to the applicant a conditional lease agreement that commits the unit to the applicant as long as the applicant passes the conviction history review.

(2) Base an adverse action in whole or in part on:

(i) An unresolved arrest or an arrest not leading to a conviction;

(ii) Participation in or completion of a diversion or a deferral of judgment program;

(iii) A conviction that has been judicially dismissed, expunged, voided, invalidated or otherwise rendered inoperative by a court of law or by executive pardon,

(iv) A conviction or any other determination or adjudication in the juvenile justice system, or information regarding a matter considered in or processed through the juvenile justice system;

(v) A misdemeanor conviction that is more than 5 years old, measured from the date of sentencing; or

(vi) Information pertaining to an offense or violation other than a felony or misdemeanor, such as a civil infraction.

(3) A housing provider shall not include questions regarding or require applicants to disclose on any housing application the facts or details of any conviction history or any matter identified in Subsection (2) of this Section.

(b) It is the responsibility of a housing provider to ensure that its employees and agents comply with this article.

**Sec. 26-5-6. Exceptions to prohibition.**

(a) This article does not limit the right of a housing provider to take any of the following actions:

(1) Conduct conviction history or obtain background check reports on applicants where there is a statutory duty to do so; or

(2) Notify applicants that applicable laws, including those set forth in Subsection (b) of this Section will disqualify an individual with a particular conviction history from eligibility for tenancy.

(b) Regarding applicants and their household members, a housing provider may base an adverse action in whole or in part on directly-related convictions that includes one or more of the following:

(1) Any conviction where state or federal law prohibits the applicant from being eligible for public housing; or

(2) Any conviction that leads to the applicant becoming a lifetime registered sex offender; or

(3) Any conviction for violent or drug-related felonies; or

(4) Conviction for felonies committed within the last 10 years or imprisonment for felonies within the last 5 years; or

(5) Any conviction for crimes against landlords, management agents, their employees or agents, or other tenants or real property; or

(6) Any conviction or plea to any crime involving arson; or

(7) Any conviction or plea to any crime involving metal theft, vandalizing or otherwise damaging real property.

**Sec. 26-5-7. Procedures for use of evidence of rehabilitation or other mitigating factors in housing decisions; requirement for individualized assessment.**

(a) Consistent with the procedures in this section and subject to state and federal law, a housing provider shall offer the applicant a reasonable opportunity to present evidence of rehabilitation or other mitigating factors related to convictions within the previous 5 years.

(b) In reviewing an applicant's criminal history and making a decision related to eligible housing based on such history, a housing provider shall conduct an individualized assessment, considering only:

(1) Convictions that warrant denial based on local, state or federal law; and

(2) Time that has elapsed since the conviction; and

(3) Whether it is a directly-related conviction that has direct and specific negative bearing on the safety of persons or real property; and

(4) Any evidence of inaccuracy or evidence of rehabilitation or other mitigating factors presented by the applicant.

(c) If a housing provider intends to base an adverse action related to eligible housing on an item or items in the applicant's conviction history, prior to taking any adverse action the housing provider shall provide the applicant with a copy of the background check report, and shall notify the applicant of the prospective adverse action and the items forming the basis for the prospective adverse action.

(d) If, within 14 calendar days of the date that the notice described in Subsection (c) of this Section is provided by the housing provider to the applicant, the applicant gives the housing provider notice in writing of evidence of the inaccuracy of the item or items of conviction history or evidence of rehabilitation or other mitigating factors set forth in this Section, the housing provider shall delay any adverse action for a reasonable period

of not less than 5 calendar days after receipt of the information. During that time the housing provider shall reconsider the prospective adverse action in light of the information provided by the applicant or potential applicant.

(e) The housing provider shall promptly notify the applicant of any final adverse action based upon their conviction history or contents of the criminal background check.

(f) It shall be unlawful for any housing provider to engage in any communication, including the production or dissemination of advertisements, related to eligible housing that expresses, directly or indirectly, that any person with an arrest or conviction record will not be considered for the rental or lease of real property or may not apply for the rental or lease of real property except as required by local, state, or federal law. For purposes of this Subsection, engaging in a communication includes, but is not limited to, making a verbal statement or producing or disseminating any solicitation, advertisement, or signage.

**Sec. 26-5-8. Notice and posting requirements for housing providers.**

(a) A housing provider shall state in all solicitations or advertisements for the rental or lease of eligible housing, or made on their behalf, that the housing provider shall consider qualified applicants consistent with this article. This language shall include, at minimum, the following statement:

“The rental or lease of this property must comply with the City of Detroit ordinance regulating the use of criminal background checks as part of the tenant screening process to provide citizens with criminal backgrounds a fair opportunity. For additional information, please contact the City of Detroit Office of Civil Rights, Inclusion and Opportunity.”

(b) The administering agency shall publish and make available to housing providers, in all languages spoken by more than 5% of the city population, a notice suitable for posting that informs applicants for eligible housing of their rights under this article. This notice shall be updated on or before December 1st of any year in which there is a change in the languages spoken by more than 5% of the city population.

(c) In addition to the requirements for solicitations or advertisements in Subsection (a) of the Section, housing providers shall post a notice prominently on their website and at any location under their control that is frequently visited by applicants or potential applicants for the rental or lease of eligible housing in the City. This notice shall also be available to applicants in hard copy and provided with an application. The notice requirements in this Section shall contain the following

additional information which may be summarized by the housing provider or available from the administering agency pursuant to 26-5-14(a)(1):

(1) A description of those matters identified in Section 26-5-5 that may not be considered by the housing provider;

(2) A description of the restrictions and requirements that Section 26-5-5 imposes on housing providers when inquiring about conviction history in connection with an application for the rental or lease of eligible housing in the City;

(3) The circumstances and timeline under which the applicant or potential applicant has a right to provide evidence of rehabilitation and other mitigating factors as provided in Section 26-5-7; and

(4) The telephone number, email address, and mailing address of the administering agency that the applicant or potential applicant may use to make a report if he or she believes the housing provider has violated this article in their interactions with the applicant or potential applicant.

**Sec. 26-5-9. Housing Provider records.**

(a) Unless prohibited by federal or state law, a housing provider shall maintain and retain records of tenant application forms, and other pertinent data and records required under this article, for a minimum of one year from the date of application, and shall allow the administering or enforcing agencies access to such records, with appropriate notice and at a mutually agreeable time, to monitor or verify compliance with the requirements of this article.

(b) At no time shall the administering or enforcing agencies require a housing provider to provide any information or documents the disclosure of which would violate local, state or federal law.

(c) Where a housing provider does not maintain or provide adequate records documenting compliance with this article or does not allow reasonable access to such records, the Office of the Chief Financial Officer or other city department or agency shall have the authority to provide all nonfinancial information necessary to fulfill the administering or enforcing agencies responsibilities under this article subject to confidentiality provisions of this article and all applicable laws.

**Sec. 26-5-10. Exercise of rights protected: retaliation prohibited.**

(a) It shall be unlawful for a housing provider or any other person to interfere with, restrain, or deny the exercise of, or the attempt to exercise, any right provided under this article.

(b) It shall be unlawful for a housing provider to interrupt, terminate, or fail or refuse to initiate or conduct a transaction involving the rental or lease of eligible housing, including falsely representing

that such property is not available for rental or lease, or otherwise take adverse action against a person in retaliation for exercising rights protected under this article. Such rights include but are not limited to:

(1) The right to file a complaint or inform any person about a housing provider's alleged violation of this article;

(2) The right to inform the administering agency about a housing provider's alleged violation of this article;

(3) The right to cooperate with the administering or enforcing agencies or other persons in the investigation or prosecution of any alleged violation of this article; or

(4) The right to inform any person of his or her rights under this article.

(c) Protections of this Section shall apply to any person who mistakenly but in good faith alleges violations of this article.

(d) Taking adverse action against a person within 90 calendar days of the exercise of one or more of the rights described in this Section shall create a rebuttable presumption in the administering agency's investigation that such adverse action was taken in retaliation for the exercise of those rights.

**Sec. 26-5-11. Community Outreach.**

(a) The administering agency, in consultation with the Mayor's Office, may establish a community-based outreach program to conduct education and outreach to applicants and potential applicants for housing regarding rights and procedures under this article. The program may be targeted at individuals or communities where, in the judgment of the administering agency, the need for education and outreach is greatest.

(b) In establishing an outreach program pursuant to Subsection (a) of this Section, the administering agency may partner with community-based organizations. Nothing in this Section shall preclude the administering agency, by contract or grant, and consistent with other provisions of local laws, from engaging the services of such organizations in establishing such community-based outreach programs, participating in such programs, or developing materials for such programs. Nothing in this Section shall preclude the administering agency from combining the outreach programs required by Subsection (a) of this Section with other related community outreach programs.

**Sec. 26-5-12. Confidentiality.**

The City shall keep confidential, to the extent permitted by applicable laws, any identifying information or other data pertaining to an applicant's criminal history.

**Sec. 26-5-13. Implementation and enforcement: penalties.**

(a) The administering agency shall investigate complaints regarding a housing provider's alleged violation of this arti-

cle. The administrative agency may engage third party assistance to conduct its investigation.

(1) Where the Director of the administering agency determines that a violation has not occurred, he or she shall issue a determination that a housing provider is not in violation of this article. This determination shall be provided to the housing provider and the complainant.

(2) Where the Director of the administering agency determines that a violation has occurred, he or she shall issue a determination that a housing provider is in violation of this article; provided, however, for a first violation, or for any violation during the first twelve months following the operative date of this article, the Director must issue warnings and notices to correct, and offer the housing provider technical assistance on how to comply with the requirements of this article. For a second violation, the administering agency shall refer its determination for each applicant as to whom the violation occurred or is continuing to the enforcing agency for action, to the housing provider and the complainant.

(3) Where the Director of the administering agency determines that a violation has occurred, he or she shall forward a copy of the determination to the State of Michigan Department of Civil Rights for consideration.

(b) The administering agency, in consultation with the Mayor's Office, is authorized to take appropriate steps to assist in the enforcement of this article, including the investigation of any possible violations of this article. The administering or enforcing agencies shall not find a violation based on a housing provider's decision that an applicant's conviction history is directly related unless the housing provider failed to conduct the individualized assessment as required under Section 26-5-7.

(c) If multiple applicants are impacted by the same violation at the same time e.g. all applicants for a certain housing unit are asked for their conviction history on the initial application each violation shall be treated as a separate violation.

(d) In accordance with Section 4i(k) of the Michigan Home Rule Cities Act, being MCL 117.4i(k), the penalty upon conviction for violation of this article shall be imprisonment for not more than 90 days or a fine of not more than \$500.00, or both, for each such violation, in the discretion of the court.

(e) An applicant or potential applicant may report to the administering agency any suspected violation of this article within 60 calendar days of the date the suspected violation occurred. The City shall encourage reporting pursuant to this Subsection by keeping confidential, to the maximum extent permitted by applicable

laws, the name and other identifying information of the applicant or potential applicant reporting the violation; provided, however, that with the authorization of such person, the City may disclose his or her name and identifying information as necessary to enforce this article or for other appropriate purposes, which shall include enabling the housing provider to respond to the alleged violation as part of an investigation by the administering agency.

**Sec. 26-5-14. Implementation and enforcement; administrative rules and annual reporting requirements.**

(a) Within 120 calendar days after the effective date of the ordinance that added this article, the administering agency shall promulgate administrative rules pursuant to Section 2-111 of the Charter. These rules shall include, at minimum, procedures for the following:

(1) Preparing standardized language for the notice in Sec. 26-5-8(c) that housing providers may use to satisfy the requirements of that Subsection.

(2) Timeframe and process, including notification, for the following:

(i) To housing providers that a complaint has been filed alleging violation of this article and that an investigation will occur:

(ii) Provide the housing provider a right to respond to the allegations in the complaint:

(iii) To obtain verification from the City of Detroit Buildings, Safety Engineering and Environmental Department that the eligible housing is in compliance with the registration of residential rental properties in accordance with Section 9-1-82 of this Code;

(iv) To obtain verification from the City of Detroit Buildings, Safety Engineering and Environmental Department that the eligible housing has a valid certificate of compliance required by Michigan law, Section 9-1-36 of this Code, or by other provision of this Code;

(v) Receipt and consideration by the administering agency of any response and supporting information from a housing provider regarding the alleged violation; and

(vi) Dissemination of the administering agency's determination of whether an alleged violation in the complaint was substantiated to the housing provider and complainant. If a violation is substantiated, dissemination to the enforcing agency and State of Michigan Department of Civil Rights.

(b) The administering and enforcing agencies shall prepare and jointly submit an annual report to the Mayor and City Council that includes, at a minimum, the following information for the preceding year:

(1) The number and types of com-

plaints it received alleging violations of this article:

(2) The number and types of violations of this article represented by the number of determinations issued by the Director of the administering agency substantiating the alleged violations;

(3) The number and types of violations of this article represented by the number of determinations issued by the Director of the administering agency where the allegations of violations of this article were unsubstantiated;

(4) The number and types of determinations forwarded to the State of Michigan Department of Civil Rights;

(5) The number and types of tickets issued by the enforcing agency;

(6) Data regarding the outcome of tickets issued in court itemizing the number of dismissals, convictions or plea arrangements, including the penalties assessed; and

(7) The costs associated with the implementation and administration of this article.

**Sec. 26-5-15—26-5-20. Reserved.**

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 3.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 4.** In the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

**RESOLUTION SETTING HEARING**  
By Council Member Ayers:

Resolved, That a public hearing will be held by this body in the Committee Room, 13th Floor of the Coleman A. Young Municipal Center for the purpose of considering the advisability of adopting the foregoing proposed Ordinance to amend Chapter 26 of the 1984 Detroit City Code, Housing, by adding Article V, Fair Chance Access to Rental Housing, consisting of Sections 26-5-1 through 26-

5-20, to provide for the maintenance and protection of the health, safety and general welfare of the public and to provide citizens with criminal records a fair opportunity to secure housing by regulating the use of criminal background checks as part of the tenant screening process, thereby facilitating re-integration into society and reducing the likelihood those citizens will reoffend; to establish that the City undertaking is limited to promotion of the general welfare; to set forth definitions and applicability of the article; to regulate the use of and inquiry of criminal convictions by housing providers; to establish standards for adverse action; to set forth exceptions to this article; to establish procedures for the use of evidence of rehabilitation or other mitigating factors in housing decisions; to require individualized assessments in certain circumstances; to set forth notice and posting requirements for housing providers; to establish guidelines for maintenance of records by housing providers; to protect the exercise of rights and prohibit retaliation; to require community outreach; to set forth confidentiality provisions; to establish implementation and enforcement provisions, including penalties for violations; and to establish administrative rules and annual reporting requirements.

Adopted as follows:

November 13, 2018

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2018 Regional Transit Authority (RTA) Sub-award from the Congestion Mitigation and Air Quality Improvement Program (CMAQ) Grant

The Regional Transit Authority (RTA) has awarded the City of Detroit Department of Transportation (DDOT) with the FY 2018 Regional Transit Authority (RTA) Sub-award from the Congestion Mitigation and Air Quality Improvement Program (CMAQ) Grant, for a total of \$1,279,812.00. The RTA share is 80 percent or \$1,279,812.00 of the approved amount and a cash match requirement of 20 percent or \$319,953.00. The total project cost is \$1,599,765.00.

The objective of the grant is to expand corridor express bus services. The funding allotted to the department will be utilized to provide additional transit service on the existing 17-Eight Mile bus route. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation

number is 20612, with the match amount coming from appropriation number 00151.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

RYAN FRIEDRICHS

Director

Office of Development and Grants

**FUNDING AGREEMENT  
FOR EXPANDED 17-EIGHT MILE  
SERVICE**

This Funding Agreement is entered into as of the Effective Date by and between the City of Detroit, a Michigan municipal corporation acting through its Department of Transportation (“DDOT”), and the Regional Transit Authority of Southeast Michigan, a Michigan metropolitan authority (“RTA”) for the purpose of providing funding for the operation of expanded bus service along the 17-Eight Mile route (“Expanded Eight Mile Services”). DDOT and the RTA may each be referred to herein as a “Party” or collectively as the “Parties” to this Agreement, as applicable.

**RECITALS**

Whereas, The RTA is the recipient of grant funding under the federal Congestion Mitigation and Air Quality Improvement Program (“CMAQ”) program (Grant No. MI-2016-028-00); and

Whereas, DDOT operates public bus service throughout Detroit and neighboring communities, including along Eight Mile Road; and

Whereas, DDOT and the RTA have previously entered into agreements, collectively covering the period beginning September 5, 2016 through April 20, 2018, during which the RTA agreed to provide partial funding for, and DDOT agreed to operate, limited-stop, express “Reflex Services” along Woodward Avenue until the scheduled discontinuation of Reflex Services on April 20, 2018; and

Whereas, during its operation, the Reflex Services provided a successful proof-of-concept for RTA funding for operation of expanded public bus service along designed routes; and

Whereas, RTA and DDOT desire to utilize remaining portions of its CMAQ grant funding to provide partial funding for, and DDOT desires to operate, Expanded Eight Mile Services;

Now Therefore, DDOT and the RTA agree as follows:

**Section 1: Services.** DDOT will operate Expanded Eight Mile Services, designated as Route 17, between Grand River & 7 Mile and Moross & Mack, serving all local bus stops, at service levels set forth in Exhibit A to this Agreement. DDOT may modify the daily operational details of the

Expanded Eight Mile Services at its sole discretion for any reason beyond its control, including but not limited to equipment failures, labor shortage, construction, road conditions, and weather and other environmental factors. DDOT may not make any permanent modification to the services as described in Exhibit A without the written agreement of the RTA. DDOT shall notify RTA as soon as practicable in advance of any revisions to the service details that are expected to last longer than twenty-four (24) hours. DDOT shall notify RTA forty-five (45) days in advance of any proposed revisions to the scheduled service. DDOT will operate the Expanded Eight Mile Services utilizing City-owned buses and other vehicles of such types and in such numbers as necessary to provide the appropriate service levels. DDOT will operate the Expanded Eight Mile Services utilizing trained and qualified City employees in such numbers as sufficient to provide the appropriate service levels.

The Parties acknowledge and agree that DDOT is solely responsible for, and that RTA has no control over and is not responsible for, the operation of the Expanded Eight Mile Services, including, but not limited to the operation and maintenance of vehicles and other equipment, and maintaining security, as well as employment matters, including conducting background checks and hiring, training, supervising, disciplining and terminating employees. DDOT acknowledges and agrees that the RTA will not be responsible for the acts of DDOT, or of DDOT employees, agents, or servants, with respect to the Expanded Eight Mile Services, except as may be required under Applicable Laws, as hereinafter defined.

**Section 2: Funding.** The RTA shall designate DDOT as a sub-recipient of a portion of its CMAQ grant and provide funding from such grant in accordance with Exhibit B to this Agreement ("RTA Funding Limit"). DDOT shall provide local matching funds to the extent required under the terms of the RTA's CMAQ grant, in accordance with Exhibit B to this Agreement. DDOT agrees that RTA's total funding obligation will not exceed DDOT's allocated portion of the CMAQ fund. The Federal Grant Agreement (Exhibit C) provides the RTA with preaward grant authority.

**Section 3: Reimbursement.** DDOT shall submit monthly invoices to the RTA on or before the tenth (10th) day following the end of the period covered by the invoice for funding to reimburse DDOT for the costs to operate the Expanded Eight Mile Service during the term of this Agreement. DDOT agrees that it will invoice the RTA for reimbursement of the Expanded Eight Mile Service Net Costs, which will be calculated based on the actual number of Fixed Route Revenue Hours multiplied by the Cost Per Fixed

Route Revenue Hour, equal to \$142 per hour. To fund the operation of the Expanded Eight Mile Service during the term of this Agreement, the RTA shall pay DDOT the Expanded Eight Mile Service Net Costs, less the annual LBO contribution shown in Exhibit B. RTA will submit each invoice for reimbursement to MDOT and/or FTA within seven days of receipt from DDOT. It is the RTA's goal to reimburse DDOT within 30 days of submitting the invoice to MDOT and/or FTA.

**Section 4: Service and Funding Assessment.** DDOT and RTA will meet on a biannual basis throughout the term of this Agreement to discuss the current Expanded Eight Mile Service, the levels of existing funding, any new funding that may be secured, and the options for continuing the service after the April 19, 2019 end date of this Agreement, if necessary.

**Section 5: Effective Date, Term, and Termination.** This Agreement shall become effective upon its execution by both the RTA and DDOT and its approval by the Detroit City Council ("Effective Date"). The term of this Agreement shall commence on April 20, 2018 and shall conclude on April 19, 2019.

In the event of either Party's default or other material breach of this Agreement, the Party not in breach may notify the breaching Party of the breach in writing. The breaching Party will have thirty (30) days after such written notice to cure the breach. If the breaching Party fails to timely cure, the Party not in breach may terminate this Agreement, effective ten (10) days after giving notice of termination to the breaching Party. No failure or delay in performance of this Agreement, by either Party, will be deemed to be a breach thereof when such failure or delay is caused by a force majeure event, including but not limited to any Act of God, fire, flood, hurricane, blizzard, earthquake, epidemic, strike, lockout, embargo, act of war, invasion, act of a foreign enemy, act of terrorism, riot, act of civil disobedience, sabotage, explosion, the binding order of any court or governmental authority, or any other cause not within the control of the Party.

In the event that the Parties determine by mutual agreement that the Expanded Eight Mile Service should be discontinued, the Parties may terminate this Agreement without cause. Such determination must be made in writing and will be effective upon the date of discontinuation, unless otherwise stated in such writing. In advance of any termination of this Agreement due to discontinuation of the Expanded Eight Mile Service, the Parties will jointly host at least two formal public hearings in Detroit, in accordance with FTA guidelines. DDOT will arrange for all required elements of such public hearings, including venue, legal notices, interpreters, court reporters, and presentation materials. RTA will circulate public hear-

ing materials through its channels, including website, social media, and e-blast. Both RTA and DDOT staff will be present at the public hearings. DDOT will invoice RTA for all direct expenses related to the hearings within 30 days of the final public hearing.

Upon the conclusion or earlier termination of this Agreement, DDOT shall unwind its operation of the Expanded Eight Mile Services in a manner and time-frame of its sole discretion.

**Section 6: Compliance with Laws.** Each Party shall be individually responsible for maintaining compliance in all respects with all applicable federal, state, and local laws, rules, regulations, and orders having the binding effect of law, its own FTA Master Agreement and MDOT Master Agreement, and all applicable provisions of the RTA's CMAQ grant (collectively, "Applicable Laws"). Neither Party will be responsible for ensuring the other Party's compliance with Applicable Laws at any time, unless so required under Applicable Laws. Each Party shall maintain compliance with the terms of the U.S. Department of Labor certification letter, dated August 30, 2016, pertaining to the RTA's above-referenced CMAQ grant, and corresponding protective arrangements, the terms of which are incorporated into this Agreement by reference. Prior to final invoicing DDOT shall submit a compliance statement that certifies that all services provided under this agreement were done in full compliance with all applicable federal, state and local laws, rules, regulations and orders.

**Section 7: Representations.** DDOT represents that its operation of Expanded Eight Mile Service is covered under the City of Detroit's self-insurance program as set forth in Chapter 18, Article VIII of the Detroit City Code, in accordance with the FTA Master Agreement. To its knowledge, DDOT is not aware of any existing or ongoing litigation or other legal claims arising out of its operation of the Expanded Eight Mile Services, and is not currently a party to any contract, including but not limited to any collective bargaining agreement or Section 13(c) agreement, that precludes either Party from entering into this Agreement.

RTA represents that it is authorized in all respects to designate DDOT as a sub-recipient of the CMAQ grant. To its knowledge, the RTA is not aware of any existing or ongoing litigation or other legal claims related to the Expanded Eight Mile Services, and is not currently a party to any contract, partnership or other agreement, or the recipient or grantor of any grant or other funding arrangement, which precludes either Party from entering into this Agreement.

**Section 8: Recordkeeping and Reporting.** DDOT shall maintain, and shall require its contractors to maintain,

all source documents, records, and other information pertinent to its operation of the Expanded Eight Mile Services under this Agreement for a minimum of three (3) years following the conclusion or earlier termination of this Agreement, but in no case for less time than may be required to maintain compliance with Applicable Laws.

The Parties will share information regarding the funding and operation of, including the costs associated with, the ridership of, and the performance of, the Expanded Eight Mile Services on a monthly basis or as may be required by Applicable Laws. DDOT will cooperate with any state or federal audit of the RTA's financial support of the Expanded Eight Mile Services.

**Section 9: Amendments.** No amendment to this Agreement will be effective and binding upon the Parties unless it is in writing, expressly makes reference to this Agreement, is executed by a duly authorized representative of each Party, is approved by the appropriate City departments and the Detroit City Council, and is signed by the City's Chief Procurement Officer.

**Section 10: Notices.** All notices, consents, approvals, requests, notifications, and other communications (collectively, "Notices") related to this Agreement shall be given by a Party in writing, signed by an authorized representative of the Party, and hand delivered, mailed by first-class mail, or mailed by overnight courier, and addressed as follows:

If to DDOT:

Detroit Department of Transportation  
1301 East Warren Avenue  
Detroit, MI 48207  
*Attention:* Ms. Angelica Jones

If to the RTA:

Regional Transit Authority of Southeast Michigan  
1001 Woodward Avenue, Suite 1400  
Detroit, MI 48226  
*Attention:* Mr. Matthew Webb

All Notices shall be deemed given on the date of hand delivery or of mailing. Either Party may change the name of the individual designated to receive Notices or the address for the receipt of Notices at any time by giving notice thereof to the other Party as herein provided.

**Section 11: Consideration.** Both Parties acknowledge and agree that the duties, benefits, and obligations of each Party set forth in this Agreement shall constitute valid consideration for this Agreement.

**Section 12: Independent Parties.** The Parties acknowledge and agree that DDOT and the RTA are independent of each other and do not intend, as a result of this Agreement or otherwise, to become a joint venture, partners, employees, servants, agents, representatives, con-

tractors, or any type of related business entities to one another with respect to the subject matter of this Agreement. The Parties acknowledge and agree that this Agreement does not constitute an inter-governmental agreement as defined in M.C.L. §124.2 and is not subject to the provisions of Public Act 35 of 1951, and shall not be construed as such.

**Section 13: No Third-Party Rights.**

The Parties agree that neither Party intends to create any legal or equitable rights or benefits in any third-party or any other person as a result of this Agreement. The Parties acknowledge and agree that the enforcement of the terms and conditions of this Agreement, and all rights of action related to such enforcement, shall be strictly reserved to DDOT and the RTA, or their successors and assigns, and nothing in this Agreement shall give or allow any such claim or right of action by any third party whatsoever on such Agreement.

**Section 14: Choice of Law and Venue.** This Agreement shall be governed by the laws of the State of Michigan, excluding its choice of laws rules. Any legal suit, action or proceeding arising out of this Agreement shall be instituted in the federal courts of the United States of America or the courts of the State of Michigan in each case located in the City of Detroit and County of Wayne, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding.

**Section 15: Merger.** This Agreement constitutes the entire agreement between the Parties, and all prior discussions, negotiations, communications, understandings, and agreements, whether written or verbal, are hereby merged into this Agreement. Neither Party nor its agents have made any representations except those expressly set forth herein, and no rights or remedies are or shall be acquired by the Parties by implication or otherwise unless expressly set forth herein.

**Section 16: Severability.** In the event that any provision in this Agreement is found by a court to be impermissible or illegal, then that provision shall be stricken from the Agreement and shall be replaced by a provision that is permissible and legal and by mutual agreement of the Parties comes closest to expressing the intent of the stricken provision. The remainder of the Agreement shall remain in full force and effect in accordance with its original overall intent.

**Section 17: Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original, but all of which together shall constitute but one document.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the dates shown below, to be effective as of the Effective Date.

**EXHIBIT A EXPANDED EIGHT MILE SERVICE LEVELS**

For the term of this Agreement, DDOT will operate additional transit service on its existing 17-Eight Mile bus route. The route operates between Grand River & Seven Mile on the border of Detroit and Redford Township, and Moross & Mack on the border of Detroit and Grosse Pointe Woods. The route serves eleven (11) individual communities along the Eight Mile corridor, including Detroit, Warren and Southfield. All additional trips will cover the full route, a distance of approximately

24 miles end-to-end. Trips will serve all regular bus stops along the route.

Inclusive of the additional service, DDOT intends to operate the expanded 17-Eight Mile service at these scheduled Service Levels:

**WEEKDAY**

- 24-hour span of service
- Peak period, every 15 minutes
- Mid-day period, every 25 minutes
- Evening period, every 50 minutes

This service represents an additional 19 trips over the standard Weekday schedule.

**SATURDAY**

- 24-hour span of service
- Mid-day period, every 25 minutes
- Evening period, every 50 minutes

This service represents an additional 19 trips over the standard Saturday schedule.

**SUNDAY & HOLIDAY**

- 24-hour span of service
- Mid-day period, every 35 minutes
- Evening period, every 50-60 minutes

This service represents an additional

28 trips over the standard Sunday & Holiday schedule.

As presented to the riding public, additional trips will be integrated with standard trips. DDOT shall place a special note in the printed Public Timetable to indicate that additional service is funded by RTA.

DDOT intends to assign an additional three (3) vehicles to the route, for a total of fourteen (14) vehicles operating on the route during peak time periods. Buses will be drawn from the regular DDOT fleet.

DDOT may modify the daily operational details of the service at its sole discretion and/or for any reason beyond its control, including but not limited to equipment failures, staffing shortage, construction, road or traffic conditions and weather conditions.

DDOT shall not make any modification to service levels described in Exhibit A without written agreement of RTA. DDOT shall notify RTA no fewer than 45 days before the effective date of any proposed schedule changes.

Re: Request to Accept and Appropriate the FY 2019 Specialized Services Operating Assistance Program Grant.

The Michigan Department of Transportation (MDOT) has awarded the City of Detroit Department of Transportation (DDOT) with the FY 2019 Specialized Services Operating Assistance Program Grant for a total of \$351,853.00. There is no match requirement. The grant period is October 1, 2018 through September 30, 2019.

The objective of the grant is to coordinate with the East-side Community Network (ECN) in order to provide rides to clients with disabilities. The funding allotted to the department will be utilized to supplement and/or cover the cost of each ride provided at a rate of \$1.20 per mile and \$4.07 per passenger. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20617.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Re: Clear Imaging, LLC vs. City of Detroit  
Case No.: 18-002093-NI. File No.: L18-00134.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that acceptance of the Case Evaluation Award in the amount of Thirteen Thousand Five Hundred Dollars and No Cents (\$13,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to accept the Case Evaluation Award in this matter in the amount of Thirteen Thousand Five Hundred Dollars and No Cents (\$13,500.00) and that in the event plaintiff accepts the Case Evaluation Award, your Honorable Body direct the Finance Director to issue a draft payable to Clear Imaging, LLC and Law Office of Kelman & Fantich, in the amount of Thirteen Thousand Five Hundred Dollars and No Cents (\$13,500.00), approved by the Law Department.

Re: Authorization to accept a donation of park improvements from Detroit Economic Growth Association for Palmer Park.

Detroit General Services Department requests authorization from your Honorable Body to accept a donation of park improvements from Detroit Economic Growth Association. Park improvements will consist of reconstructing the tennis courts at Palmer Park. The estimated value of this improvement is \$1.3 million dollars. Total cost of the project is being borne by Detroit Economic Growth Association.

The proposed plan will demolish the existing tennis courts, installing nine (9) full size courts, and six (6) youth tennis courts. The new courts will be painted and

striped, there will be new fencing with access gates. The plan also includes installing benches, and incorporating drainage trenches and catch basin for storm water management.

Detroit Economic Growth Association will collaborate with the General Services Department to ensure the design meets the standards and capacity of existing and planned maintenance of the site.

We respectfully request your authorization to accept this donation of park improvements with a Waiver of Reconsideration.

**Department of Public Works  
City Engineering Division**

November 8, 2018

Honorable City Council:

Re: Petition No. 1821 Giffels Webster, request to vacate a series of public alleys and street rights-of-way within and adjacent to Woodward, Monroe, Randolph, Farmer, Bates and Cadillac Square in the City of Detroit, Michigan.

**Background:**

Petition 1821 requests changes to public rights-of-way to prepare for the redevelopment of the Monroe Block site (bounded by Cadillac Square, Woodward Avenue, Monroe Avenue, Farmer Street and Bates Street), also to prepare for redevelopment of the Bates Block site (bounded by Randolph Street, Monroe Avenue, Farmer Street and Bates Street). The Downtown Detroit Development Authority (DDA) and Rosko Development Company LLC ("Bedrock") have or are entering into a Development Agreement to facilitate this important major new development. Certain changes to the rights-of-way are necessary to finalize the preparation of the Monroe and Bates Blocks for the development and allow for clear title to the land to be transferred for the project.

The City of Detroit owns all public rights-of-way in the unique area of Detroit platted in the "Governor and Judges". Therefore, the City will deed the title to the vacated rights-of-way to the DDA to then be transferred to the developer. Certain easements will be required and these easements shall also be transferred in the same manner. The easements aim to protect certain public and utility interests while also minimizing the impact on the ability to develop the land. The developer along with their project engineers have been meeting with all potentially involved agencies and utility companies to assure that satisfactory arrangements have been made regarding utility placement, abandonment or relocation.

City Engineering Division — DPW notes there have been previous resolutions in the area including: 1) The vacation of Library Street in a resolution recorded December 14, 1953 in Liber 11949, Page 276; also 2) The vacation of alleys in the "Monroe Block" recorded February 20, 2002 in Liber 35633, Page 65. The intention with the current resolution is to replace and supersede the previously granted resolutions.

**Petition No. 1821**

Giffels Webster on behalf of Bedrock request for the following vacations and granting of easements:

A) Vacation of rights-of-way: (as more particularly described in the following resolution)

1) Library Street, 60 feet wide, from

Monroe Avenue, 120 feet wide, to Randolph Street, 86 feet wide.

2) Farmer Street, 60 feet wide, from Monroe Avenue, 120 feet wide, to Bates Street, 60 feet wide.

3) Easterly 10 feet of Monroe Avenue, 120 feet wide, from Cadillac Square, 200 feet wide to Randolph Street, 86 feet wide.

4) Westerly 10 feet of Bates Street, 60 feet wide, from the north line of the east-west public alley, 20 feet wide, first north of Cadillac Square to Randolph Street, 86 feet wide.

5) Northerly 10 feet of Cadillac Square, 200 feet wide from 10 feet west of the east line of Monroe Avenue, 120 feet wide to 101.3 feet west of the east line of Bates Street, 60 feet wide.

6) 10' portion of Woodward Avenue, from Cadillac Square, 200 feet wide, to Monroe Avenue, 120 feet wide.

7) All of the public alleys in the block of Farmer Street, 60 feet wide, Randolph Street, 86 feet wide Bates Street, 60 feet wide, and Monroe Avenue, 120 feet wide, aka the Bates Block.

8) All of the public alleys in the block of Cadillac Square, 200 feet wide, Farmer Street, 60 feet wide, Bates Street, 60 feet wide, Monroe Avenue, 120 feet wide, and Woodward Avenue, variable width, excepting the easterly 101.3 feet of the east-west alley first north of Cadillac Square in the rear of the Cadillac Tower at 65 Cadillac Square, aka the Monroe Block.

B) Easements: (as more particularly described in the following resolution)

1) A pedestrian and emergency vehicle access easement in favor of the City 20 feet in width and 13.5 feet in height above grade in Farmer Street, 60 feet wide, from Monroe Avenue, 120 feet wide to Bates Street, 60 feet wide.

2) A Detroit Water and Sewerage Department (DWSD) easement 30 feet in width in Farmer Street, 60 feet wide, from Monroe Avenue, 120 feet wide to Bates Street, 60 feet wide, to accommodate an existing sewer.

3) A construction easement in favor of Bedrock for earth retention tie-backs in Monroe Avenue, Cadillac Square, Bates Street and Woodward Avenue.

4) A pedestrian access easement in favor of the City, 10 feet wide, in the vacated portion of the project perimeter streets being Monroe Avenue, Cadillac Square, Woodward Avenue, and Bates Street. The easement shall be continuous, except where the building support columns are located.

The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report.

Traffic Engineering Division — DPW (TED) reports being involved with no

objection to the changes to the public rights-of-way provided certain conditions are met regarding pedestrian access and the relocation of traffic signal poles and the relocation of controller cabinets. The TED conditions are provided for as a part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has water mains and sewers located within the areas requested for outright vacations and conversion to easement. The following conditions must be met: (a) upon Bedrock acquiring title to vacated Farmer Street, Bedrock will grant DWSD a 30 feet wide easement mutually acceptable to DWSD and Bedrock that allows the maintenance and repair of DWSD's remaining facilities within Farmer Street, if any; and (b) Bedrock shall provide confirmation to DWSD that loads from the National Theatre Arch foundations encroaching into such easement will not bear structural influence on the existing 9.9 ft. deep 1'9" (wide) and 2'6" (tall) combined flow sewer. The DWSD conditions are provided for as a part of the attached resolution.

Comcast reports involvement with fiber optics and coax cables in the area. They are in agreement to relocate their existing facilities at the petitioner's expense. A provision for Comcast relocation is made a part of the resolution.

DTE Energy — Electric (DTE-E) reports being involved with no objections to the property change provided that (a) a 5' horizontal and 18" vertical clearance is maintained between the tiebacks installed by Bedrock and existing DTE-E infrastructure; and (b) an easement the full width of Farmer Street is reserved in favor of DTE-E (the "Reservation"). The Reservation shall immediately and automatically terminate and be of no further force and effect, without the necessity of any further action, upon Bedrock or its affiliates' acquisition of title to Farmer Street and the recording of a private easement between Bedrock and DTE-E. DTE-E reports that they have received payment from the petitioner for the outright vacation of facilities in the referenced public alleys. The DTE-E conditions are provided for as a part of the attached resolution.

DTE Energy — Gas Division (DTE-G) reports being involved with no objections to the property change provided the proposed use does not hinder or impede the installation, operation, maintenance or replacement of DTE Gas Company facilities. A provision for the petitioner to remove and relocate the DTE-G facilities at the petitioner's expense is a part of the resolution.

Detroit Thermal has facilities in the subject area and a provision for the petitioner to pay for the removal of the Detroit Thermal facilities is a part of the resolution.

Public Lighting Authority (PLA) has

facilities in the subject area consisting of street lights, conduit and cable. The existing circuit will need to be removed and relocated. Public Lighting Department (PLD) reports involvement in the subject area. A provision for the petitioner to remove and relocate the PLA facilities and remove the PLD facilities at the petitioner's expense is a part of the resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacations easements and encroachments. Provisions protecting the rights of the utilities and the City are a part of this resolution.

An appropriate resolution is attached for consideration by your Honorable Body. I am recommending adoption of the attached resolution. A waiver of reconsideration is respectfully requested.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

A VARIABLE WIDTH STRIP OF BATES STREET (56.50 FEET & 60 FEET WIDE), CITY OF DETROIT, WAYNE COUNTY, MICHIGAN AND LYING WITHIN THE BOUNDS OF THE FOLLOWING MORE PARTICULARLY DESCRIBED LAND:

COMMENCING AT THE INTERSECTION OF THE NORTH LINE OF CADILLAC SQUARE (200 FEET WIDE) WITH THE EAST LINE OF WOODWARD AVENUE (VARIABLE WIDTH), SAID POINT ALSO BEING THE SOUTHWEST CORNER OF LOT 2 OF THE PLAT OF LOTS 45 & 46, SECTION 6 OF GOVERNOR & JUDGES PLAN AS RECORDED IN LIBER 1 OF PLATS, PAGE 68, WAYNE COUNTY RECORDS; THENCE ALONG NORTH LINE OF SAID CADILLAC SQUARE, N89°48'29"E, 266.02 FEET; THENCE N00°06'36"W, 120.00 FEET; THENCE N89°48'29"E, 111.16 FEET TO THE POINT OF BEGINNING; THENCE N00°06'36"W, 154.37 FEET; THENCE CONTINUING N29°35'13"E, 212.77 FEET TO THE SOUTHWEST LINE OF RANDOLPH STREET AS WIDENED; THENCE ALONG SAID SOUTHWEST LINE, S26°14'35"E, 56.20 FEET; THENCE S29°35'13"W, 161.81 FEET; THENCE S00°06'36"E, 148.11 FEET; THENCE S89°47'30"W, 50.00 FEET TO THE POINT OF BEGINNING AND CONTAINING 0.374 ACRES.

4) A permanent pedestrian access easement, 10 feet wide, commencing at

grade and extending 10 feet above grade, in the vacated portion of the project perimeter streets being Monroe Avenue, Cadillac Square, Bates Street, and Woodward Ave, as legally described above as "Parcel A" and "Parcel B". The easement shall be continuous, except where the building support columns are located.

And further,

Provided, That an easement the full width of Farmer Street is reserved in favor of DTE (the "Reservation"). The Reservation shall immediately and automatically terminate and be of no further force and effect, without the necessity of any further action, upon Bedrock or its affiliates' acquisition of title to Farmer Street and the recording of a private easement between Bedrock and DTE, and further

Provided, That a 5' horizontal and 18" vertical clearance is maintained between the tiebacks installed by Bedrock and existing DTE infrastructure; and further

Provided, That the petitioner remove and relocate DTE Energy — Gas Company (DTE-G) facilities at the petitioner's expense; also that the project does not hinder or impede the installation, operation, maintenance or replacement of DTE Gas Company facilities, and further

Provided, That the petitioner contact Comcast regarding their facilities in the subject area. The petitioner shall provide plans and payment for the relocation of Comcast facilities, and further

Provided, That the petitioner contact Detroit Thermal regarding their facilities in the subject area. The petitioner shall make the necessary arrangements and be responsible for all costs for the abandonment of Detroit Thermal facilities, and further

Provided, That the petitioner provide for a minimum 10 feet clear, unobstructed sidewalk on all affected streets, and further

Provided, That the petitioner get approval of DPW — Traffic Engineering Division for relocation of traffic signal controller cabinet and any associated traffic signal equipment. The petitioner is responsible to provide 3 feet of clearance from curb to outside face of any signal pole or traffic cabinet that will be relocated for this project. All cost for design, permit, and construction of any such relocations shall be borne by the petitioner, and further

Provided, That the petitioner shall design and construct proposed sewers and or water mains and to make the connections to the existing public sewers and or water mains as required by Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers and or water mains, and further

Provided, That the petitioner shall design and construct the removal and relocation, as applicable, of Public Lighting Authority and Public Lighting Department

facilities with all cost to be borne by the petitioner or their assigns, and further

Provided, That the plans for the sewers and or water mains shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and or water mains and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers and or water mains construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers and or water mains (unless such sewers or water mains are located in the public right of way), and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City, and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed sewers and or water mains, and further

Provided, That upon satisfactory completion, the sewers and or water mains shall become City property and become part of the City system. And any existing sewers and or water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as removal and construction of new pavement, driveways, curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Be It Also

Resolved, That a construction easement be granted to Bedrock or their assigns for earth retention tie-backs in Monroe Avenue, Cadillac Square, Bates Street, Woodward Avenue and Farmer Street in the following legally described areas:

**TIE-BACK EASEMENT 1**

A 55 FOOT WIDE STRIP OF MONROE AVENUE (120 FEET WIDE), CADILLAC SQUARE (200 FEET WIDE) AND WOODWARD AVENUE (120 FEET

WIDE), CITY OF DETROIT, WAYNE COUNTY, MICHIGAN AND LYING WITHIN THE BOUNDS OF THE FOLLOWING MORE PARTICULARLY DESCRIBED LAND:

COMMENCING AT THE INTERSECTION OF THE NORTH LINE OF SAID CADILLAC SQUARE WITH THE EAST LINE OF WOODWARD AVENUE, SAID POINT ALSO BEING THE SOUTHWEST CORNER OF LOT 2 OF THE PLAT OF LOTS 45 & 46, SECTION 6 OF GOVERNOR & JUDGES PLAN; THENCE S44°48'29"W, 14.14 FEET TO THE POINT OF BEGINNING; THENCE N89°48'29"E, 276.01 FEET; THENCE S00°06'36"E, 55.00 FEET; THENCE S89°48'29"W, 330.93 FEET; THENCE N00°11'31"W, 162.05 FEET; THENCE N29°44'23"E, 341.22 FEET; THENCE N29°38'56"E, 60.03 FEET; THENCE N29°46'59"E, 364.06 FEET; THENCE S43°33'54"E, 57.41 FEET; THENCE S29°46'59"W, 347.54 FEET; THENCE S29°38'56"W, 60.03 FEET; THENCE S29°44'23"W, 326.56 FEET; THENCE S00°11'31"E, 92.35 FEET TO THE POINT OF BEGINNING.

**TIE-BACK EASEMENT 2**

A VARIABLE WIDTH STRIP OF BATES STREET (56.50 FEET & 60 FEET WIDE), CITY OF DETROIT, WAYNE COUNTY, MICHIGAN AND LYING WITHIN THE BOUNDS OF THE FOLLOWING MORE PARTICULARLY DESCRIBED LAND:

COMMENCING AT THE INTERSECTION OF THE NORTH LINE OF CADILLAC SQUARE (200 FEET WIDE) WITH THE EAST LINE OF WOODWARD AVENUE (VARIABLE WIDTH), SAID POINT ALSO BEING THE SOUTHWEST CORNER OF LOT 2 OF THE PLAT OF LOTS 45 & 46, SECTION 6 OF GOVERNOR & JUDGES PLAN AS RECORDED IN LIBER 1 OF PLATS, PAGE 68, WAYNE COUNTY RECORDS; THENCE ALONG NORTH LINE OF SAID CADILLAC SQUARE, N89°48'29"E, 266.02 FEET; THENCE N00°06'36"W, 120.00 FEET; THENCE N89°48'29"E, 111.16 FEET TO THE POINT OF BEGINNING; THENCE N00°06'36"W, 154.37 FEET; THENCE CONTINUING N29°35'13"E, 212.77 FEET TO THE SOUTHWEST LINE OF RANDOLPH STREET AS WIDENED; THENCE ALONG SAID SOUTHWEST LINE, S26°14'35"E, 56.20 FEET; THENCE S29°35'13"W, 161.81 FEET; THENCE S00°06'36"E, 148.11 FEET; THENCE S89°47'30"W, 50.00 FEET TO THE POINT OF BEGINNING.

Provided, That Bedrock or their assigns, and the City of Detroit enter into an easement agreement to further describe, and delineate the terms of the easement for the tie back encroachments, and further

Provided, That if there is any cost for

the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Bedrock or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division - DPW and the Buildings and Safety Engineering Department. The tie-back encroachments shall be constructed and maintained under their rules and regulations. The tie-back locations shall be documented by as-built drawings and provided to DPW-City Engineering; and further

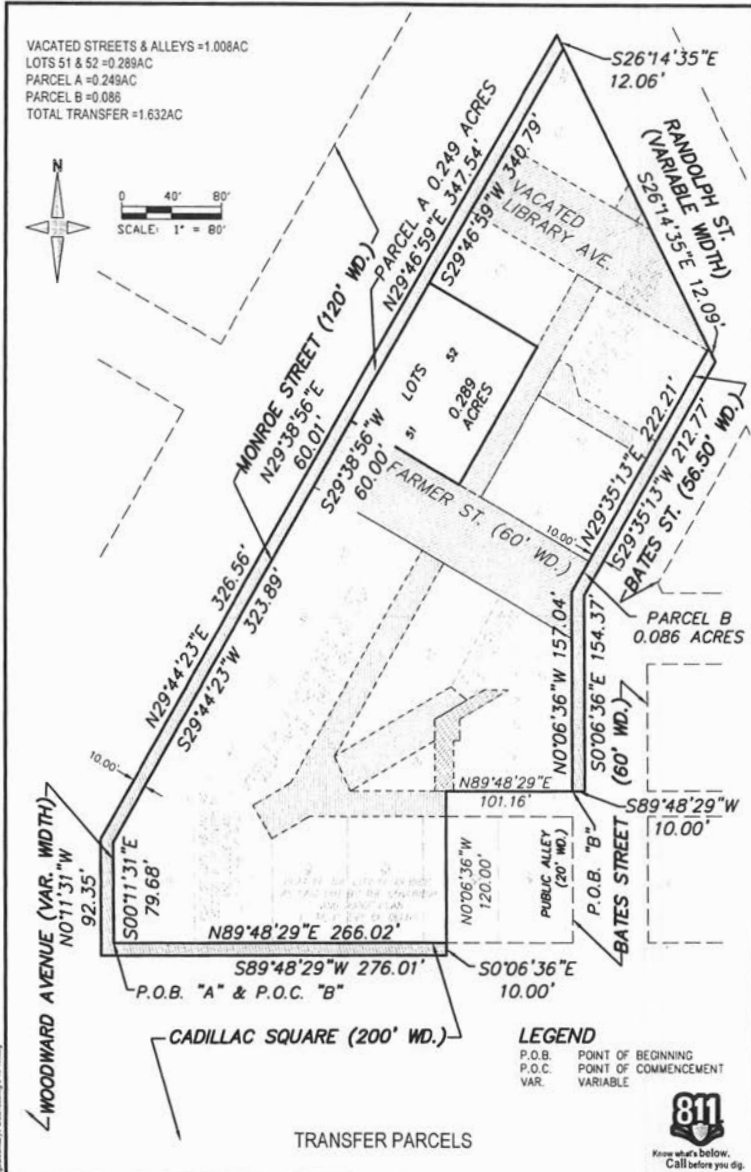

Provided, That all cost for the construction, maintenance, permits and use of the tie-back encroachments shall be borne by Bedrock or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the tie-back encroachments shall be borne by Bedrock or their assigns. Should damages to utilities occur Bedrock or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That Bedrock or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Bedrock or their assigns of the terms thereof. Further, Bedrock or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed tie-back encroachments; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

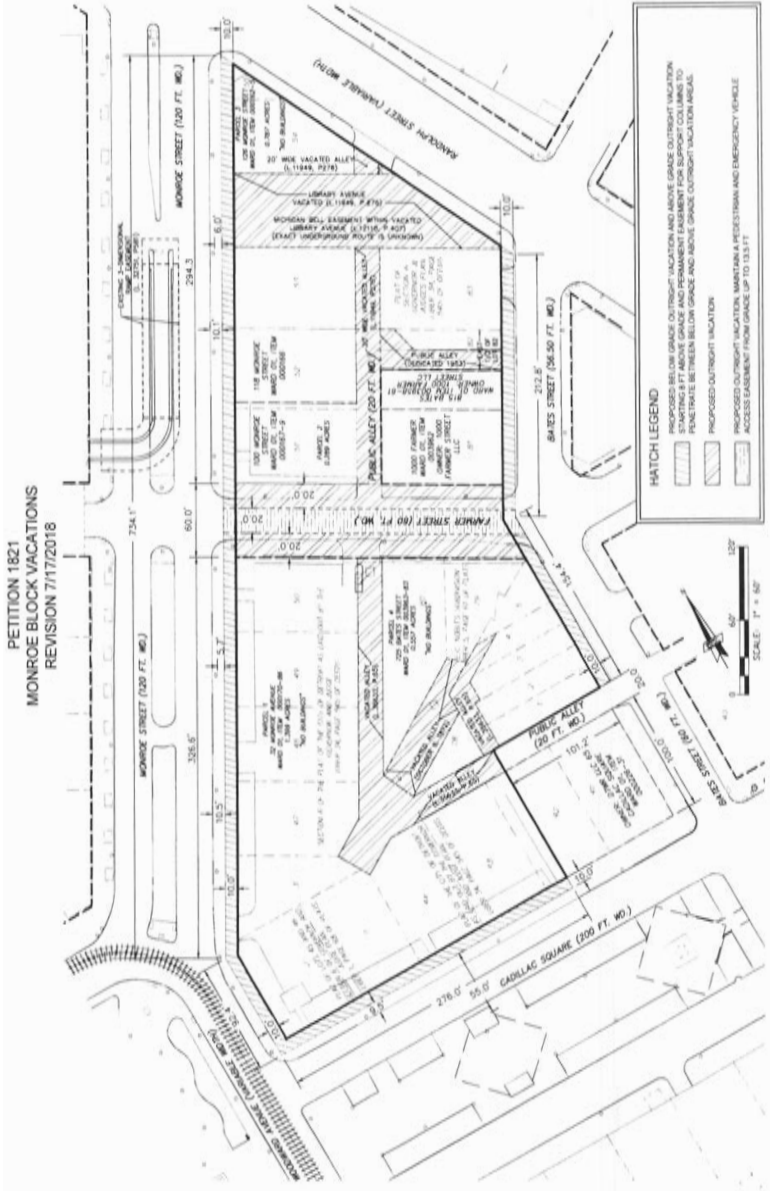

A Waiver of Reconsideration is requested.

Honorable City Council:  
 Re: Petition No. 147 Intersection Consulting Group, request the vacation of the north-south alley between Hendricks and the east-west alley west of Chene and dedication of property for 23' wide alley for continuation of existing east-west alley.  
 Petition No. 147 of Intersection Consulting Group on behalf of Ciena Healthcare

and the Eastwood Skilled Nursing Home Replacement project, request for the vacation of the south 1/2 of the north-south public alley, 18 feet wide, in the block bounded by Hendricks Avenue, 50 feet wide, Hunt Street, 50 feet wide, Dubois Avenue, 50 feet wide and Chene Street, 60 feet wide; also for dedication of an alley outlet onto Chene Street in the same block.

The request is being made to consolidate parcels of land and to accommodate a new development consisting of a 100,000 square foot skilled nurse facility and associated campus.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

Detroit Water and Sewerage Depart-

ment (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

Planning and Development Department (P&DD) reports involvement and has provided a recommendation of approval to Building and Safety Engineering and Environmental Department with the condition that the consultant continue to confer with P&DD regarding color palette before the final permits are pulled. (Special Land Use Hearing #18-17)

Comcast reports involvement with for removal and relocation of their facilities. Comcast has received payment and is in the process of rerouting fibers, and scheduling the fibers splicing for a later date as dispatch allows to splice in the new fibers.

DTE Energy — Electric Division (DTE-E) reports being involved with electric facilities in the vacation area. The estimated cost for removing and rerouting their services is \$19,570.61 to remove 2 poles, 3 spans of primary conductors, 1 span of secondary conductors, 1 span of secondary neutral, 1 transformer, 1 street light; and to install down guys & anchors and rebuild 2 poles. A provision for DTE Energy is made a part of the resolution.

DTE Energy — Gas Division (DTE-G) reports being involved with the removal of the gas facilities in the vacation area or a grant of easement. A provision for removal of DTE-G facilities at cost to be borne by the petitioner or the granting of an easement for DTE-G is a part of the resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacation and dedication. Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Honorable City Council:  
 Re: Petition No. 141 — PEA Inc. request to vacate public utility easement bound by E. Jefferson Avenue and Larned Street in vacated Russell Street.

Petition No. 141 of PEA Inc. on behalf of Prime Development request to outright vacate the Russell Street, 50 feet wide, (now an easement) in the block bounded

East Jefferson Avenue, 120 feet wide, East Larned Street, 120 feet wide, Rivard Street, 50 feet wide, and Riopelle Street, 39.07 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to combine parcels and facilitate a new commercial development.

Russell Street was vacated and converted to sub-surface easement by your Honorable Body on November 8, 1961, J.C.C. pages 2303-2310.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Depart-

ment (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacations. Provisions for relocation of the utilities and the City services are a part of this resolution.

Respectfully submitted,  
 RICHARD DOHERTY, P.E.

City Engineer

 By Council Member Benson:

Resolved, That all of Russell Street, 50 feet wide, (now an easement) in the block bounded East Jefferson Avenue, 120 feet wide, East Larned Street, 120 feet wide, Rivard Street, 50 feet wide, and Riopelle Street, 39.07 feet wide, all more particularly described as land in the City of Detroit, Wayne County, Michigan being: Russell Street, 50 feet wide, lying westerly of and adjoining the westerly line of Lot D "Re-Subdivision of Lots 3 and 4 of the Subdivision of the Mullett Farm, North of Jefferson Avenue; also Lots 9, 10, 11, and 12 of Subdivision of the Mullett Farm Between Jefferson Avenue and Larned Street according to Hathon's Map" as recorded in Liber 7, Page 43 of Plats, Wayne County Records; also lying easterly of and adjoining the easterly line of Lot 40 "Plat of the Guoin Farm as subdivided by A. E. Hathon" as recorded in Liber 11, Page 596 of Deeds, Wayne County Records.

Be and the same is hereby vacated (outright) as public right-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services, and further

Provided, That the petitioner shall maintain Fire Department vehicle access to all buildings, fire department connections and fire hydrants, and further

Provided, That the petitioner shall design and construct proposed sewers and to make connections to the existing public sewers as required by the Detroit

Water and Sewerage Department (DWSD) prior to the construction of the proposed sewers; and further

Provided, That the plans for the sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, That the petitioner/property owner shall provide DWSD with as-built drawings on the proposed sewers; and further

Provided, That the petitioner shall provide a (1) one year warranty for the proposed sewers; and further

Provided, That upon satisfactory completion, the sewers shall become City property and become part of the City system. Any exiting sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any work in the public right-of-way shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Honorable City Council:

Re: Petition No. 349 — Cholada Chan, request for Outdoor Café permit for Midtown Shangri-La at 4710 Cass Avenue.

Petition No. 349 — Cholada Chan request for an encroachment with sidewalk café, awnings and railing on the east side of Cass Avenue, 80 feet wide, between Forest Avenue, 70 feet wide and Hancock Avenue, 70 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made for an outdoor seating area at the existing restaurant Shangri-La.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW, and Traffic Engineering Division — DPW (TED). TED has conditions that are a part of the resolution.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately

owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Midtown Shangri-La or their assigns to install and maintain encroachments with awnings, railings and a sidewalk café on the east side of Cass Avenue, 80 feet wide, between Forest Avenue, 70 feet wide and Hancock Avenue, 70 feet wide and being land in the City of Detroit, Wayne County, Michigan: Cass Avenue adjoining Lots B, and C "William McGrath's Section of Stimson's Subdivision of Park Lots 55, 56, 57, and 58" as recorded in Liber 1, Page 315 of Plats, Wayne County Records. Encroachments are further described as follows:

1) Railing, and outdoor seating area being 7.5 feet wide and 33.58 feet in length and lying west of and adjoining the west line of the north 21 feet of said Lot B and lying west of and adjoining the south 12.58 feet of said Lot C.

2) Awning, with steel support poles, over part of outdoor seating area being 8 feet wide and 16.17 feet in length and lying west of and adjoining the west line of the south 16.17 feet of the north 17.92 feet of said Lot B.

3) Awning, cantilevered off of building, being 3 feet wide and 16.75 feet in length and lying west of and adjoining the west line of the north 16.75 feet of the south 25.08 feet of said Lot B.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That a minimum of 6.0 feet wide clear and unobstructed sidewalk shall be maintained for pedestrian traffic in front of the outdoor seating area at all times; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That the proposed use does not hinder or impede the operation, maintenance or replacement of DTE Gas Company facilities, and be it further

Provided, That the remaining sidewalk width meets minimum ADA requirements and all City standards and policies are met; and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any

of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD /forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Midtown Shangri-La or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Midtown Shangri-La or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Midtown Shangri-La or their assigns. Should damages to utilities occur Midtown Shangri-La or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That the area being used as an Outdoor Café shall meet the general requirements set by the "Outdoor Café Guidelines" as adopted by the City Council and guided by Section 50-2-20 (aka code 1964 §58-2-8.1) of the City Code; and further

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over the outdoor café process; and further

Provided, That said activities are conducted under the rules and regulations of the Department of Public Works and the supervision of the Police Department; and further

Provided, That the sale of food or soft drinks is held under the direction and inspection of the Detroit City Health Department; and further

Provided, That the "permittee" remit the required annual fee(s) to Department of Public Works-City Engineering Division for issuance of a use-permit and confirm license of the establishment in compliance with City Code; and further

Provided, That this use-permit shall be for a period of one year, after receiving approval of City Council, and may be

renewable thereafter on an annual basis; and further

Provided, That Midtown Shangri-La or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Midtown Shangri-La or their assigns of the terms thereof. Further, Midtown Shangri-La or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That the petitioner is responsible to obtain approval of the Michigan Liquor Control Commission, if necessary and approval from the Detroit Police Liquor License Bureau if serving liquor; and further

Provided, That the designated outdoor seating area shall be identified through the use of railings or other physical barrier in order to regulate the serving of liquor within the perimeter of the café; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Midtown Shangri-La, or their assigns; and further

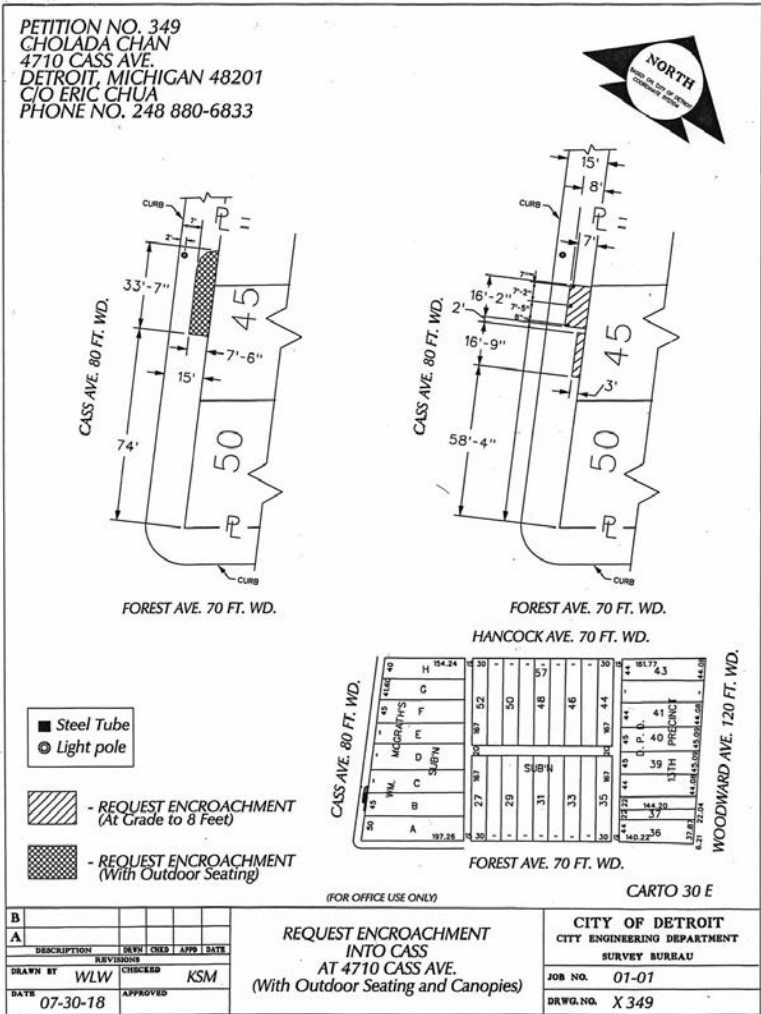

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Midtown Shangri-La acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:  
 Re: Petition No. 401 — Wayne County, request to vacate sewer easements for County Jail Project.

Petition No. 401 — Wayne County request to vacate sewer easements in Fredrick Avenue, 60 feet wide, from Chrysler Freeway Service Drive to Russell Street, 80 feet wide; also Kirby Avenue, 60 and 80 feet wide, from Chrysler Free-

way Service Drive to Russell Street; Rivard Street, 50 feet wide from 12.5 feet south of Frederick Avenue, to Ferry Street, 75 feet wide; also the east-west alley, 20 feet wide, in the block of Frederick Avenue, Kirby Avenue, Chrysler Freeway Service Drive, and Rivard Street; also the east-west alley, 20 feet wide, and north south alley, 18 feet wide, in the block of Frederick Avenue, Kirby Avenue, Rivard Street and Russell Street; also the east-west, 31.29 feet wide in the block of Kirby Avenue, Ferry Avenue, Chrysler Freeway Service Drive, and Rivard Street; also two (2) north-south alleys, 20 feet wide, and the north-south alley, 18 feet wide, and the two (2) east-west alleys, 20 feet wide, all in the block of Kirby Avenue, Ferry Avenue, Rivard Street and Russell Street; also the north 12.5 feet of the north-south

alley, 18 feet wide, in the block of Farnsworth Avenue, Frederick Avenue, Kirby Avenue, Chrysler Freeway Service Drive.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

Your Honorable Body has previously vacated the streets and alleys in the area including an alley on December 17, 1912 in J.C.C. pages 1810-11; and streets and alleys on March 16, 1971, on J.C.C. pages 548-553; and an alley per petition number 114 on April 2, 2018.

The request is being made to facilitate construction of the new Wayne County Criminal Justice Complex. The request is only to vacate and abandon any sewers in the vacated streets and alleys; and no other utilities or City Departments are involved.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacations provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

Provided, That the plans for the sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

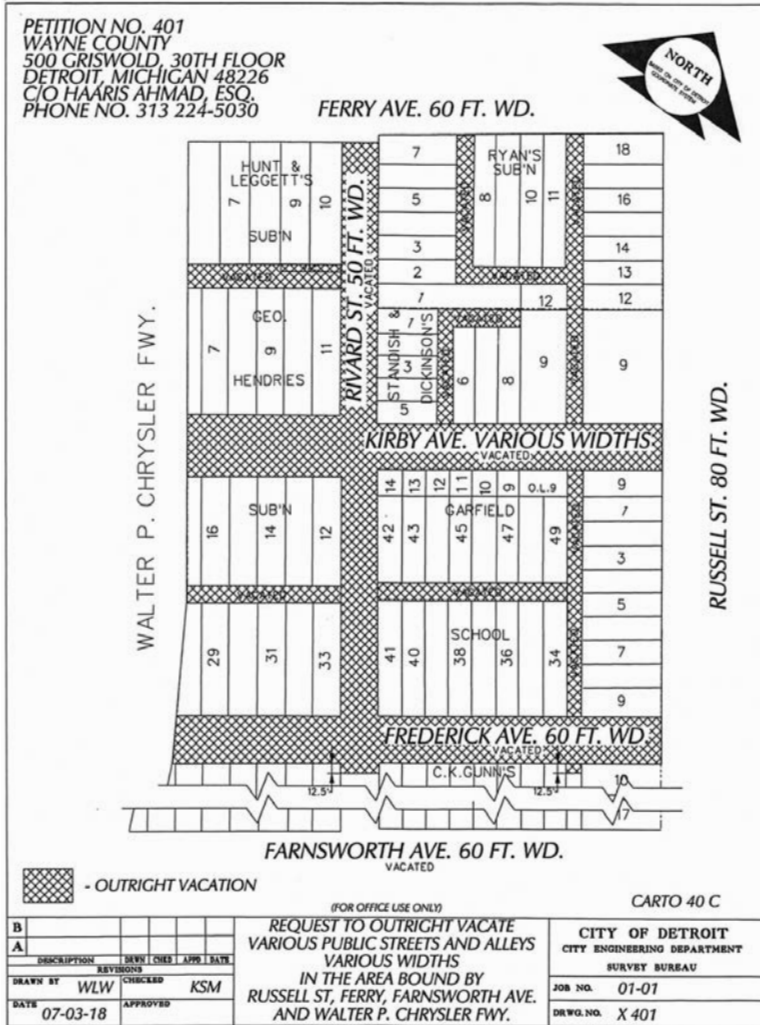

Provided, That the petitioner/property owner shall provide DWSD with as-built drawings on the proposed sewers; and further

Provided, That the petitioner shall provide a (1) one year warranty for the proposed sewers; and further

Provided, That upon satisfactory completion, the sewers shall become City property and become part of the City system. Any exiting sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any work in the public right-of-way shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 491 — Wayne County Community College District request to outright vacate utility easement on the block bounded by Fort, Sixth, John C. Lodge, and Congress.

Petition No. 491 of Wayne County Community College District (WCCCD), request for the outright vacation of utility

easement in the vacated west part of the east-west public alley, 20 feet wide, in the block bounded by West Congress Street, 50 feet wide, West Fort Street, 100 feet wide, Sixth Street, 50 feet wide and John C. Lodge Freeway.

The request is being made to consolidate parcels of land and to accommodate a new development consisting WCCCD Health and Wellness Education Center. The alley was vacated by your Honorable Body on July 23, 1922, J.C.C. pages 1366-1372.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation

provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacation. Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, That all of the vacated (on July 23, 1922, in J.C.C. pages 1366-1372) west part of the east-west public alley, 20 feet wide, inclusive of any remaining easements, in the block bounded by West Congress Street, 50 feet wide, West Fort Street, 100 feet wide, Sixth Street, 50 feet wide and John C. Lodge Freeway, said (vacated) alley being land in the City of Detroit, Wayne County, Michigan and more particularly described as: vacated alley, 20 feet wide, lying northerly of and adjoining the northerly line of Lots 8 through 13, both inclusive, and lying southerly of and adjoining Lots 2 through 7, both inclusive, all in Block 17 "Map of the Western Addition to the City of part of Forsyth and Berthelet Farms" as recorded in Liber 14, Page 136 Deeds, Wayne County Records; also lying northerly of and adjoining the northerly line of Lot 11 and southerly of and adjoining the southerly line of Lot 12, both west of Fifth Street "Plat of the Subdivision of that part of Private Claim 247 between the northerly line of Woodbridge and Larned Streets and the southerly line of Michigan Avenue or Chicago Road by Mrs. Catherine H. Jones 1851 Note, showing also the Subdivision of Lots 1 and 12 and fractional Lot 2 and 11, Block 10 of the Subdivision of Cass Farm" as recorded in Liber 44, Page 1 of Deeds, Wayne County Records; all of the above being more particularly described as: Beginning at the southwesterly corner of said Lot 7, Block 17 "Map of the Western Addition to the City of part of Forsyth and Berthelet Farms" as recorded in Liber 14, Page 136 Deeds, Wayne County Records; thence N60°E along the northerly line of the above said alley, 300.1 feet; thence, S30°E 20.00 feet to the southerly line of the above said alley; thence S60°W along the southerly line of the above said alley, 300.1 feet; thence, N30°W 20.00 feet to the northerly line of the above said alley and the southwesterly corner of said Lot 7, Block 17 "Map of the Western Addition to the City of part of Forsyth and Berthelet Farms" as recorded in Liber 14, Page 136 Deeds, Wayne County Records and the Point of Beginning. The basis for bearings from the above said plats.

Be and the same is hereby vacated (outright) to become part and parcel of

the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services, and further

Provided, That the petitioner shall design and construct proposed sewers and or water mains and to make the connections to the existing public sewers and or water mains as required by Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed sewers and or water mains, and further

Provided, That the plans for the sewers and or water mains shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and or water mains and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers and or water mains construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers and or water mains, and further

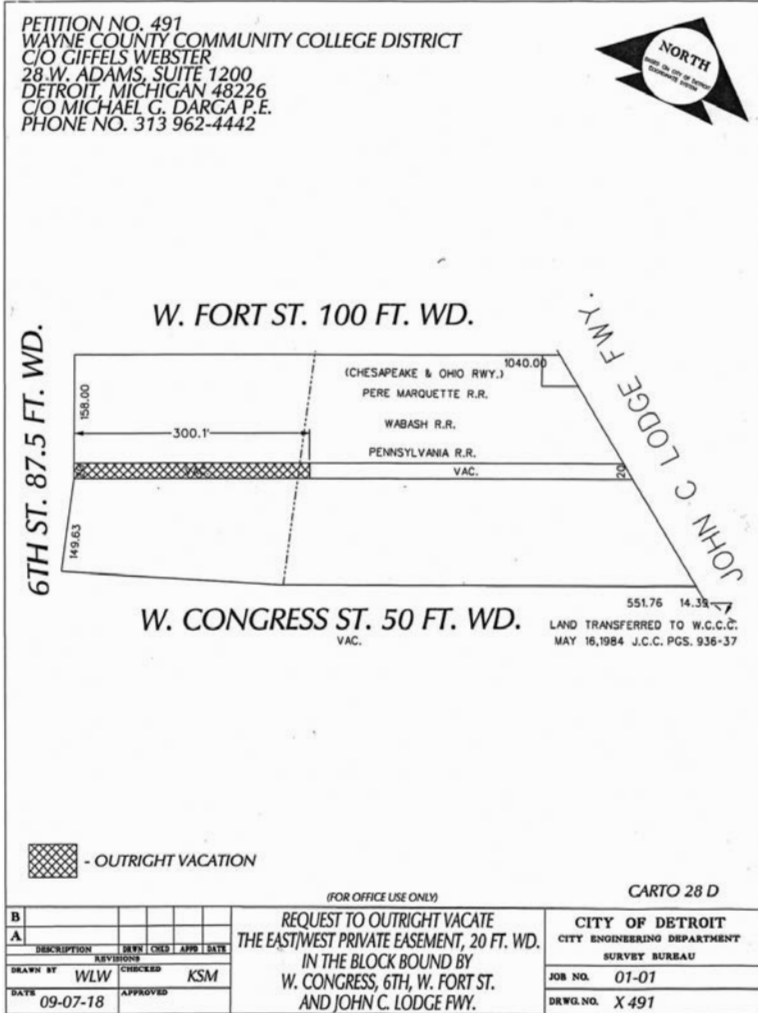

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City, and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed sewers and or water mains, and further

Provided, That upon satisfactory completion, the sewers and or water mains shall become City property and become part of the City system. And any existing sewers and or water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as removal and construction of new alley pavement, drive-ways, curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 1644 — Angel Roberson request to vacate an alley located on Santa Barbara through Pennington Street.

Petition No. 1644 — Angel Roberson request to vacate and convert to easement the west 1/2 of the east-west public alley, 16 feet wide, in the block bounded by Thatcher Avenue, 50 feet wide, Curtis

Avenue, 66 feet wide, Santa Barbara Avenue, 75 feet wide and Pennington Avenue, 75 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in order to close off an unused alley in the block and for the resident's security.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments,

and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,  
 RICHARD DOHERTY, P.E.  
 City Engineer

City Engineering Division — DPW  
 By Council Member Benson:

Resolved, That all of the west 1/2 of the east-west public alley, 16 feet wide, in the block bounded by Thatcher Avenue, 50 feet wide, Curtis Avenue, 66 feet wide, Santa Barbara Avenue, 75 feet wide and Pennington Avenue, 75 feet wide, and further described as: land in the City of Detroit, Wayne County, Michigan, being that part of the public alley, 16 feet wide, lying north of and adjoining the north line of Lot 357, also lying south of and adjoining the south line of Lots 564 through 569, both inclusive and the west 1.00 foot of Lot 570 "Palmer Boulevard Estates Subdivision of W 1/2 of SE 1/4 of Section 9, T.1S., R.11E. Greenfield Twp., Wayne County, Michigan" as recorded in Liber 35, Page 42 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or

use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building

or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or

assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Santa Barbara Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 1458 — Huntington Bank request to vacate east-west and north-south public alley, 18 feet wide, in the area bounded by Mack, Goethe, Alter, and Wayburn.

Petition No. 1458 — Huntington Bank request to vacate and convert to easement the west part of the east-west public alley, 18 feet wide, and the north part of the north-south public alley, 18 feet wide, all in the block bounded by Goethe Avenue, 60 feet wide, Mack Avenue, 120 feet wide, Alter Road, 66 feet wide and Wayburn Avenue, 60 feet wide. The request will also dedicate a new alley outlet to prevent creating a dead-end of the remaining north-south alley.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in order to consolidate properties for commercial development consisting of a new bank building.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

The location of the request is adjacent to the Detroit and Grosse Pointe Park boundary line. The petitioner is aware that the east-west alley lies partially within the two cities. The attached resolution will address the part of the alley under Detroit jurisdiction; and the petitioner is working with Grosse Pointe Park to address the part of the alley under their jurisdiction.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

Comcast reports having a relocation cost (\$3,488.69) associated with the request; and the petitioner has made arrangements with Comcast for their relocation. A provision for Comcast is a part of the resolution.

DTE Energy Electric Company reports involvement and provisions for DTE have been made a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,  
 RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
 By Council Member Benson:

Resolved, That all that part of the west part of the east-west public alley, 18 feet wide, and the north part of the north-south public alley, 18 feet wide, all in the block bounded by Goethe Avenue, 60 feet wide, Mack Avenue, 120 feet wide, Alter Road, 66 feet wide and Wayburn Avenue, 60 feet wide and further described as land in the City of Detroit, Wayne County, Michigan, being:

1) All that part of the east-west public alley, 18 feet wide, lying northerly of and adjoining the northerly line of Lot 70 and the westerly 61.68 feet of Lot 58 and the alley adjoining said Lots, all in "Maryland Park Subdivision of Lot 1 of Plat of Lot No. 2 of Alter's Plat of the West part of P.C. 570, Grosse Pointe Township, Wayne County, Michigan" as recorded in Liber 34, Page 95 of Plats, Wayne County Records; and bounded on the west by the westerly line of Alter Road, 66 feet wide; and bounded on the east by the easterly line of the City of Detroit, as established September 17, 1986 in J.C.C. pages 1780-1782.

2) All that part of the north-south public alley, 18 feet wide, lying easterly of and adjoining the easterly line of Lots 70, 71 and the northerly 15 feet of Lot 72; also lying westerly of and adjoining the westerly line of Lot 58 and the northerly 15 feet of Lot 57 "Maryland Park Subdivision of Lot 1 of Plat of Lot No. 2 of Alter's Plat of the West part of P.C. 570, Grosse Pointe Township, Wayne County, Michigan" as recorded in Liber 34, Page 95 of Plats, Wayne County Records.

Be and the same are hereby vacated as a public rights-of-way and converted into private easements for public utilities of the full width of the rights-of-way, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-

of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That the petitioner make the necessary arrangements with Comcast for the relocation of their services in the area at an estimated cost of \$3,488.69, and further

Provided, That an easement, the full width of the existing right-of-way is reserved for DTE Electric Company (DTE) for the purpose of installing, maintaining, repairing, removing, or replacing any overhead and underground utilities facilities which may consist of underground vaults, pipelines, poles, guys, anchors, wires, manholes, conduits, pipes, cables, transformers, and accessories (collectively DTE facilities) with the right of ingress/egress at any time to, and over

said easement for the purpose above set forth, and further

Provided, That free and easy access (i.e. gated access with DTE locks at all ends of the easement) to the DTE facilities and within the easement is reserved for DTE equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the facilities, and further

Provided, Said owners of the adjoining property for themselves, their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easements, nor changes or storage of materials, shall be made within said easement without prior written approval of DTE, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall

break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Alter Road) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Be It Also

Resolved, That your Honorable Body authorize the acceptance of the following described property being land in the City of Detroit, Wayne County, Michigan, for public alley purposes: The southerly 20 feet of Lot 72 "Maryland Park Subdivision of Lot 1 of Plat of Lot No. 2 of Alter's Plat of the West part of P.C. 570, Grosse Pointe Township, Wayne County, Michigan" as recorded in Liber 34, Page 95 of Plats, Wayne County Records.

Provided, That the petitioner shall design and construct the new alley outlet as required by the City Engineering Division — DPW (CED)/Street Design

Bureau and the Traffic Engineering Division — DPW; and further

Provided, That the petitioner or their assigns shall be responsible for arranging the financing of the entire cost of the proposed alley outlet construction, including inspection, survey and engineering; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by CED and constructed under the inspection and approval of CED; and further

Provided, That all taxes with respect to property of which the Dedication Area is a part of shall be paid and proof thereof furnished to the Law Department and/or City Engineering Division — DPW; and further

Provided, That proof of compliance with Detroit Ordinance No. 29-94, Detroit Code Sections 2-1-11 through 2-1-15 also known as the Environmental Review Guidelines, is furnished to the Law Department and/or City Engineering Division — DPW; and further

Provided, That the fee owner submit a properly executed deed acceptable to the Law Department and/or City Engineering Division — DPW; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works  
 City Engineering Division**

December 11, 2018

Honorable City Council:

Re: Wayne County Annual Special Events Permit.

An Annual Permit granting permission to temporarily close a County road for a reasonable length of time for a parade, marathon, celebration, festival or similar activity, or to use a County road as a

detour for traffic around such activity taking place on a non-County road may be issued by the Wayne County Permit Office to the City of Detroit.

As a condition of the annual permit, the County requires that the governing body pass a blanket resolution, effective for all permitted road closures for special events and installation of banners planned throughout the year which:

- 1) Agrees to fulfill all permit obligations and conditions for the current year.
- 2) To the extent allowed by law, hold harmless and defends Wayne County and its officials and employees against any and all damage claims, suits or judgments of any kind or nature arising as a result of the permitted activity.

3. Designates and authorizes an appropriate official of the requesting municipality to sign the permit on its behalf.

A resolution based on the Model Community Resolution Authorizing Execution of Wayne County Permits for the year of 2019 is attached.

I am recommending adoption of the attached resolution

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Whereas, The City of Detroit (hereinafter the "City") periodically applies to the County of Wayne Department of Public Services Engineering Division Permit Office (hereinafter the "County") for permits to conduct emergency repairs, annual maintenance work, and for other purposes on local and County roads located entirely within the boundaries of the City, as needed from time to time to maintain the roads in a condition reasonably safe and convenient for public travel;

Whereas, Pursuant to Act 51 of 1951, being MCL 247.651 *et seq.*, the County permits and regulates such activities noted above and related temporary road closures;

Now therefore, be it

Resolved, In consideration of the County granting such permit (hereinafter the "Permit"), the City agrees and resolves that:

Any work performed for the City by a contractor or subcontractor will be solely as a contractor for the City and not as a contractor or agent of the County. Any claims by any contractor or subcontractor will be the sole responsibility of the City. The County shall not be subject to any obligations or liabilities by vendors and contractors of the City, or their subcontractors.

The City shall take no unlawful action or conduct which arises either directly or indirectly out of its obligations, responsibilities, and duties under the Permit which results in claims being asserted against or judgment being imposed against the County, and all officers, agents and employees thereof pursuant to a maintenance contract. In the event that same occurs, for the purposes of the Permit, it will be considered a breach of the Permit thereby giving the County a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

With respect to any activities authorized by Permit, when the City requires insurance on its own or its contractor's behalf, it shall also require that such policy include as named insured the County of Wayne and all officers, agents and employees thereof.

The incorporation by the County of this

Resolution as part of a permit does not prevent the County from requiring additional performance security or insurance before issuance of a Permit.

This Resolution stipulates that the requesting City shall, at no expense to Wayne County, provide necessary police supervision, establish detours and post all necessary signs and other traffic control devices in accordance with the Michigan Manual of Uniform Traffic Control Devices.

This Resolution stipulates that the requesting City shall assume full responsibility for the cost of repairing damage done to the County road during the period of road closure or partial closure.

This Resolution shall continue in force from the date of execution until cancelled by the City or the County with no less than thirty (30) days prior written notice to the other party. It will not be cancelled or otherwise terminated by the City with regard to any Permit which has already been issued or activity which has already been undertaken.

The City stipulates that it agrees to the terms of the County of Wayne permit at the time a permit is signed by the City's authorized representative.

Be it further

Resolved, That the following individual(s) is/are authorized in their official capacity as the City's authorized representative to sign and so bind the City to the provisions of any and all permits applied for to the County of Wayne, Department of Public Services Engineering Division Permit Office for necessary permits from time to time to work within County road right-of-way or local roads on behalf of the City.

Adopted as follows:

Council Member Sheffield moved the following resolution on behalf of Council Member Ayers:

**A RESOLUTION REAUTHORIZING THE DETROIT CITY COUNCIL RETURNING CITIZENS TASK FORCE**

By: Council Member Ayers:

Whereas, A returning citizen's success outside of prison is dependent on the quality and quantity of support received in the first few months after being released. Often times, especially in low-income urban areas such as Detroit, an individual's family and community do not have the means or desire to provide this support. This leaves returning citizens in hopeless economic and social situations that quickly lead to criminal activity out of necessity; and

Whereas, Every year, between 3,000 and 5,000 returning citizens are released

back into Detroit communities. The Returning Citizens Task will work to help these men and women adjust to the numerous aspects of life necessary to be successful, both personally and professionally. The task force will bring together entities that are already helping returning citizens, ensuring that quality services are offered and fostering collaboration between service providers.

Now therefore be it

Resolved, That the Detroit City Council hereby reauthorizes the Detroit City Returning Citizens Task Force until January 1, 2020. The task force will provide a central governing body and location for willing service providers to collaborate and provide returning citizens easy access to a wide range of services;

And be it further

Resolved, That the Returning Citizens Task Force will be chaired by Council Member Ayers;

And be it finally

Resolved, That the Returning Citizens Task Force meetings are open to the public, with dates, times, and locations to be noticed by the Detroit City Clerk.

Adopted as follows:

Yeas — Council Members Benson, Leland, Castaneda-Lopez, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 24), per motions before adjournment.

**RESOLUTION AUTHORIZING THE CONTINUATION OF THE DETROIT CITY COUNCIL AIRPORT TASK FORCE**

By Council Member Benson:

Whereas, The Coleman A. Young International Municipal Airport (hereinafter "City Airport") is a potentially dynamic and valuable driver of economic development and its improved operation could significantly add to the quality of life for residents on the east side of the City of Detroit; and

Whereas, The objective of the Airport Task Force is to advocate for the City Airport to reach its maximum potential by focusing on providing world class operations as a General Aviation/Business Aviation Airport, as well as to educate our youth in the various facets in aviation to prepare them for potential careers; and

Whereas, The Airport Task Force will work with current stakeholders of City Airport to investigate strategies for airport development and make recommendations for a long-term strategy for the sustainability of the City Airport. It will also identify potential funding sources to implement these strategies,

Now therefore be it

Resolved, That the Detroit City Council

will hereby continue the Airport Task Force effective immediately and continuing through December 31, 2019.

And be it finally

Resolved, That Council Member Scott Benson will be chairman of the Airport Task Force.

Adopted as follows:

Yeas — Council Members Benson, Leland, Castaneda-Lopez, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 25), per motions before adjournment.

**RESOLUTION AUTHORIZING THE CONTINUATION OF THE DETROIT CITY COUNCIL GREEN TASK FORCE**

By Council Member Benson:

Whereas, The federal government has published an extensive report, the National Climate Assessment, that concluded human activity is the cause of global warming; and

Whereas, The New York Times reported that America's carbon emission rose by 3.4% in 2018, the biggest increase in eight years; and

Whereas, A strong, vibrant Green Task Force is needed more than ever to assist the administration in setting policies for a more sustainable city; and

Whereas, The Green Task Force is made up of a diverse group of practitioners that are derived from advocacy groups, government officials, industry representatives, foundations, and residents who are all interested in making Detroit a sustainable and resilient city; and

Whereas, The Green Task Force has five active subcommittees; Water, Organic Recycling (Composting), Renewable Energy, Recycling and Waste Reduction, and Climate Action whose roles will be to advise the administration on sustainable principles and practices that will better serve the City of Detroit; and

Whereas, The mission of the Green Task Force is to create and advocate for policies that will reflect a sustainable city; Now therefore be it

Resolved, That the Detroit City Council will hereby continue the Green Task Force effective immediately and continuing through December 31, 2019.

And be it finally

Resolved, That Council Member Scott Benson will be chairman of the Green Task Force.

Adopted as follows:

Yeas — Council Members Benson, Leland, Castaneda-Lopez, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 26), per motions before adjournment.

**RESOLUTION ADOPTING A MEETING SCHEDULE FOR THE DETROIT CITY COUNCIL**

By Council Member McCalister:

Resolved, That in accordance with Article 5, Chapter 1, Section 4-102 of the 2012 Detroit City Charter, the Detroit City Council hereby amends the previously adopted Detroit City Council meeting schedule for calendar year 2019. The dates contained therein are in addition to the Body's regularly scheduled meetings noticed separately by the City Clerk.

And be it finally

Resolved, That the Detroit City Clerk is directed to post notice of this resolution.

**FOR  
MASTER SERGEANT  
ERIC CORDELL BUCY**

**Detroit Police Department**

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Master Sergeant Eric Cordell Bucy, a dedicated member of the Detroit Police Department who was granted his angel wings on January 3, 2019; and

Sergeant Bucy was born in Flint, Michigan, on June 11, 1971, to Diane and James Bucy. As a young man, Eric loved sports including baseball, swimming and tennis. Following his graduation from

Millington High School in 1989, he matriculated to the University of Michigan in Flint, where he studied Criminal Justice. While attending college, Eric joined the Theta Chi Fraternity. He made many great friends and served proudly as President of the fraternity; and

WHEREAS, Eric worked as a security guard before being hired by the Detroit Police Department in 1996. He was a top marksman in the academy and achieved the honor of *Police Officer of the Year*. He was well respected as an officer and upheld his duties with the highest of integrity. As a result of his exemplary work ethic, he was promoted to the rank of Master Sergeant; and

WHEREAS, Throughout his tenure, Master Sergeant Bucy served the Detroit Police Department and the citizens of the City of Detroit with dedication, commitment and professionalism. His service to others will always be appreciated. He will be greatly missed by his family, friends, and brothers and sisters in law enforcement. Master Sergeant Eric Cordell Bucy has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby extends our deepest sympathy and joins with family, friends and members of the Detroit Police Department, in honoring the life of Master Sergeant Eric Cordell Bucy.

**TESTIMONIAL RESOLUTIONS AND  
SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION  
FOR**

**ALBERT L. FIELDS**

WHEREAS, Albert L. Fields joined the City of Detroit in 2002 and served under multiple Mayoral Administrations. During his tenure, he served as an Executive and held a variety of key posts including Deputy COO, Interim COO, Group Executive and Board Chair of the Detroit Transportation Corporation; and

WHEREAS, Albert L. Fields served the City of Detroit with dedication. During his tenure, he fully supported the engagement and development of the Department of Public Works and Traffic Engineering. He implemented road development, construction and citywide efforts on cleaning, sweeping and maintaining the curb area for cycling. To slow traffic and give cyclists a safe passage to enjoy on Belle Isle he directed and empowered the Traffic Engineering Division to implement bike lanes with a "Just do it" philosophy. The Belle Isle bike lanes were the first and led to over 150 miles of bike lanes throughout the City of Detroit. This change in strategic management benefited the City of Detroit's Department of Public Works and Traffic Engineering. The departments began to view the importance of cycling and gave ammunition to use the allocated 1-5% of Federal Road Funding on Non-Motorized Transportation; and

WHEREAS, Albert L. Fields building projects affected the public right of way and started to include bike lanes in the designs. Under his leadership the City of Detroit updated its non-motorized transportation plan. His plan became integral for neighborhoods, street designs and supported complete streets and school safety initiatives; and

WHEREAS, Albert L. Fields currently

serves as an Executive Board Member for Southwest Housing Solutions and President of the Board of Directors for the Greenway Coalition; and

WHEREAS, Albert L. Fields is a devoted husband, father and grandfather. He is married to Rhoda Henderson Fields and has two wonderful children; Alex and Elise. He looks forward to sharing the joy of safe cycling with his precious granddaughter, Hadley;

NOW THEREFORE BE IT

RESOLVED, That the Office of Councilmen Scott Benson congratulates Albert L. Fields on his 65th birthday celebration. Thank you for putting citizens first. May God continue to bless you and your family throughout the years.

Adopted as follows:

Yeas — Council Members Benson, Leland, Castaneda-Lopez, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

**RESOLUTION  
IN MEMORIAM  
FOR**

**LORETTA BENBOW-UKADIKE**

**October 3, 1946 — November 17, 2018**

WHEREAS, Loretta Benbow-Ukadike was born October 3, 1946 in Lansing, Michigan to the union of John Robert Johnson and Laura Brim; and

WHEREAS, Loretta Benbow-Ukadike graduated from Northern High School in 1962. Soon afterwards she was blessed to start motherhood. She had two beautiful children Siray Johnson Freeman and Edward Baxter Booth III; and

WHEREAS, Loretta Benbow-Ukadike was gifted with an entrepreneurial spirit. She opened a clothing store on the infamous Avenue of Fashion in Detroit by 1970. In 1974 she began a successful

career as a realtor. She was the first African American woman to open an office with RE/Max Realty in 1977; and

WHEREAS, Loretta Benbow-Ukadike was also gift with the spirit of giving. Noticing a need in her community she founded Exodus 321 a non-profit organization that fulfilled the needs of those plagued with mental challenges and homelessness; and

WHEREAS, It being the will of our Lord to call our beloved home after a long life of service, Loretta Benbow-Ukadike transitioned from this life, from labor to reward on November 17, 2018;

THEREFORE, BE IT

RESOLVED, That the Office of Councilman Scott Benson and Detroit City Council expresses their deepest condolences and share the sympathy in the loss of your loved one, Loretta Benbow-Ukadike, Your loss is heaven's gain. May God bless and comfort you during this time and always.

Adopted as follows:

Yeas — Council Members Benson, Leland, Castaneda-Lopez, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

And the Council then adjourned.

BRENDA JONES  
President

Re: Neighborhood Enterprise Zone Certificate Applications for four (4) newly constructed condominium units located at 1940, 1942, 1944 and 1946 Pine Street in the North Corktown Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received four (4) applications requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the construction of new condominium units located at 1940, 1942, 1944 and 1946 Pine Street.

This applications correspond to a qualified site that will facilitate the new construction of the third of three buildings containing a total of 4 townhome-style condominiums. CPC staff has reviewed the applications and recommends approval.

The subject properties have been confirmed as being within the boundaries of the North Corktown NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The NEZ certificate applications appear to have been submitted prior to the issuance of any applicable building permits.

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of 1439 Van Dyke Avenue in the West Village Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of one property located at 1439 Van Dyke Avenue. This application corresponds to a qualified facility that is to be newly renovated into housing. The project consists of the insulation on all walls and attic ceiling, new electrical wiring throughout, plumbing, HVAC and duct work, framing for the second floor bathroom and two bedrooms. CPC staff has reviewed the application and recommends approval.

The subject property has been confirmed as being within the boundaries of the West Village NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The property to be rehabilitated consists of the three-story residential structure located at 1439 Van Dyke Avenue. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

**Buildings, Safety Engineering & Environmental Department**

November 27, 2018

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 12831 Kilbourne, Name: Maurice Petty, Demolition Ordered: January 9, 2018 (J.C.C. pages \_\_\_\_\_).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on November 14, 2018 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, we respectively recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed

within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

**PLANNING AND  
ECONOMIC DEVELOPMENT  
STANDING COMMITTEE**

**Bridging Neighborhoods**

December 20, 2018

Honorable City Council:

Re: Request for Authorization to Establish a Non-Profit Corporation — Bridging Neighborhoods Program

We are requesting this Honorable Body approve the establishment of a non-profit corporation for the Bridging Neighborhoods Program (BNP) in accordance with the authority provided by Section 117.4o of the Home Rule Cities Act. The BNP was created to implement and administer the Home Swap and 1-75 Environmental Mitigation Community Benefits Programs (the "Programs"). The Programs allow Delray, and Southwest Detroit/1-75 Mitigation residents the opportunity to mitigate environmental concerns, renovate their homes or swap their homes for Detroit Land Bank homes within the City of Detroit. The Programs are supported by a \$45 million community benefits package established to assist with various environmental and economic issues such as jobs, health monitoring, home improvements, and relocation services.

Under MCL 117.4o, a legislative body of a city may by ordinance or resolution authorize the formation of a nonprofit corporation for a public purpose. As a nonprofit corporation BNP will be able to better focus its efforts and resources in revitalizing the "hardest hit" downriver communities that typically encompasses low-income, underserved neighborhoods that have experienced significant disinvestment. Further, as a legal entity BNP will be able to more easily facilitate the renovation of homes in the Programs,

including paying for utility services during construction, which is virtually impossible to do as a City program. Finally, we feel the best interest of the public will be served by creating an entity that is dedicated to strengthen and streamline the revitalization of the down-river neighborhoods.

I appreciate your assistance in making this possible, and am available at your convenience to discuss this request.

Sincerely,  
RICO RAZO  
Deputy Director  
Mayor's Office

Bridging Neighborhoods  
By City Council Member Tate:

Whereas, Pursuant to MCL 117.4o, a legislative body of a city may by ordinance or resolution authorize the formation of a nonprofit corporation under the nonprofit corporation act, 1982 PA 162, MCL 450.2101 to 450.3192; and,

Whereas, A nonprofit corporation formed under this section may be organized only for purposes that are valid public purposes for cities in this state; and

Whereas, The City of Detroit Bridging Neighborhoods Program is currently engaged in a Home Swap project renovating homes for Detroit residents, and desires to streamline the renovation of residential homes, and implement the community benefits package established to assist with various environmental and economic issues such as jobs, health monitoring, home improvements, and relocation services; and

Whereas, The City of Detroit Bridging Neighborhoods Program desires to establish a nonprofit corporation for the sole purpose of opening utility accounts at homes undergoing renovation for the Home Swap program; and

Whereas, The composition of the board of the nonprofit corporation shall include four directors; the Bridging Neighborhoods Program Director as President, a representative from the Law Department as Secretary, the Agency CFO serving the Bridging Neighborhoods Program as Treasurer, and a community representative selected by the Bridging Neighborhoods Program Director; and

Whereas, The activities to be performed by the nonprofit corporation and authorized by this Resolution shall not be expanded or changed without the approval of the Detroit City Council; and  
Now, Therefore Be It

Resolved, That Detroit City Council hereby approves the request to establish a nonprofit corporation to be used by the City of Detroit Bridging Neighborhoods Program solely for the purpose of establishing utility accounts at homes undergoing renovation for the Home Swap program, as authorized by MCL 117.4o.

Honorable City Council:

Re: Petition #577: Third New Hope Baptist Church requesting that the intersection of Plymouth Road and Steel Street be assigned the secondary street name Dr. Edward L. Branch.

The Historic Designation Advisory Board (HDAB) staff has reviewed the documentation submitted to the City Clerk's office by the petitioner for the establishment of a Secondary Street Sign. Upon review of the documentation submitted (see attachment) staff has determine that reasonable grounds has been provided and therefore has concluded that the petition meets the criteria for Secondary Naming of Street in accordance with Article VII Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code.

**Criteria**

As stated in Chapter 50 of the 1984

Detroit City Code, *Streets, Sidewalks and Other Public Places, Article VII, Opening, Closing, Extending, Widening, Vacating, Naming and Renaming of Streets and Assigning Secondary Names to Streets*. A secondary street name designation may be sought to recognize a person who achieved prominence as a result of his or her significant, position, contributions to the City of Detroit, State of Michigan, the United States of America, or the international community.

1. Sites, buildings, structures where cultural, social, spiritual, economic, political, architectural history of the community, city, state or nation is particularly reflected or exemplified.

2. Sites, buildings, structures, which are identified with historic personages or with important events in the community, city, state or national history.

Honorable City Council:

Re: Council President Brenda Jones, requested that the intersection of East Jefferson Avenue and St. Aubin Street be assigned the Secondary Street name Emanuel Steward in honor of legendary boxer, trainer, commentator and 1963 National Golden Glove winner Emanuel Steward.

On July 14, 2017, Council President Brenda Jones directed the Historic Designation Advisory Board (HDAB) staff to review documentation submitted to the City Clerk's office by the following petitioners: Hilmer Kenty (WBA/Kronk 1st World Champion), Thomas Hearn (WBC, WBA, WBO, IBF World Champion), Milton McCrory (WBC, NABF World Champion), Jimmie Paul (IBF, USB

A World Champion), Sylvia Steward-Williams (Kronk Boxing, CEO) and Marie Steward (wife) for the establishment of a Secondary Street sign for Emanuel Steward.

Shortly after the submission of the request for a Secondary Street Sign, the original Kronk Gym location suffered a catastrophic fire, resulting in the property being razed. It has taken until now for the petitioners to agree on a suitable location for the requested secondary street sign given the honorees' extensive history and multitude of contributions to the City of Detroit.

Emanuel Steward, celebrated as being the greatest boxing trainer of all time, took a small basement gym in Detroit and put it on the map as the place where championships were made. Detroit's Kronk Recreation Center is known world-wide as one of the greatest producers of world-class professional boxers. The narrative began in the 1971 when Emanuel Steward was asked to work part-time at Kronk with the boxing program. Emanuel Steward along with Floyd Logan and Walter Smith established the Kronk Boxing Club and began training Golden Gloves boxers out of the Kronk gym inside a city-owned recreation center located on McGraw at Junction. Soon promising boxers from all over the city were making their way to Kronk, wanting to be trained by "the best," Emanuel Steward.

By the 1980s, Emanuel Steward and his team had built the Kronk Boxing Team into a world powerhouse, mystifying boxing experts worldwide who marvel at the Detroit club's accomplishments. Steward trained more than 50 amateur champions, over 120 titles, three Olympic gold medalists and five World Champions.

In 1981 Steward was featured in People Magazine, concerning the Hearn and Leonard September 16, 1981 fight. In 1987 Steward appeared on the front cover of the Wall Street Journal representing Detroit in Sports; and in 1996 he was inducted into the International Hall of Fame. A year later in 1997, Steward was featured in the September 15th issues of Sport Illustrated in an article entitled; "Mr. Fix It Emanuel Steward Boxing's Guru, has created a Mecca for Fighters In Need Of Repair."

In addition to being recognized as a boxing guru and trainer of champions' Steward was also an entrepreneur and venture capitalist. The 1940 Chop House originally under the management of long-time restaurateur Don Vargo who owned and ran this popular restaurant through the 1980s on East Jefferson Avenue, ultimately closed and sold this iconic landmark to former boxing manager Emanuel Steward in 1993 after an attempt to boost sales by hiring scantily clad wait staff failed. During the reopening of this main-

stay restaurant Steward ensured that Detroiters were hired to operate and manage the facility.

Emanuel Steward became a Boxing Commentator for the HBO Network until his passing October 25, 2012.

Upon review of the documentation submitted by the petitioners, staff has concluded that the petition does meet the criteria for Secondary Naming of Street in accordance with Article VII Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code.

**Criteria**

As stated in Chapter 50 of the 1984 Detroit City Code, *Streets, Sidewalks and Other Public Places, Article VII, Opening, closing, Extending, Widening, Vacating, Naming and Renaming of Streets and Assigning Secondary Names to Streets*. 2. Sites, buildings, structures, which are identified with historic personages or with important events in the community, city, state or national history.

Attached for your review and consideration is a resolution which will authorize the establishment of a Secondary Street Name in honor of Emanuel Steward upon the conclusion of a favorable public hearing, which must be held in accordance with Section 50-7-35 of the Detroit City Code.

**Planning and Development Department**

January 4, 2019

Honorable City Council:

Re: Sale of Real Property at 2621 S. Fort

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Peter Moore ("Offeror") requesting the conveyance by the City of Detroit of real property having a street address of 2621 S. Fort, Detroit, MI 48217 (the "Property"). The Property consists of a 725 square foot garage located on an area of land measuring approximately 1132 square feet and zoned B4 (General Business District).

P&DD entered into a Purchase Agreement dated September 27, 2018 with the Offeror. Under the terms of the Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for One Thousand Seven Hundred Fifty and 00/100 Dollars (\$1,750.00) (the "Purchase Price").

The Offeror proposes to utilize the garage as storage for his adjacent thrift shop located at 2625 S. Fort. This use is permitted by right in a B4 zone.

We, therefore, request that your Honorable Body approve the sale and authorize the Director of the Planning and Development Department, or his authorized designee, to issue a quit claim deed to the Property and such other documents as may be necessary to effectuate the sale, with Peter Moore for the amount of \$1,750.00.

Respectfully Submitted,  
MAURICE COX  
Director

Planning & Development Department  
By Council Member Tate:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Peter Moore ("Offeror") requesting the conveyance by the City of Detroit of real property (the "Property") at 2621 S. Fort more particularly described in the attached Exhibit A; and

Whereas, The Property consists of a small garage situated on an area of land measuring approximately 1132 square feet located in a B4 (General Business) district; and

Whereas, P&DD entered into a Purchase Agreement dated September 27, 2018 with Offeror. The Offeror proposes to utilize the garage as storage for his adjacent thrift shop located at 2625 S. Fort, which is permitted by right in a B4 zone;

Now, Therefore, Be It

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Director of the Planning and Development Department or his authorized designee, be and is hereby authorized to issue a quit claim deed to the Property, as more particularly described in the attached Exhibit A, and such other documents as may be necessary to effectuate the sale with Peter Moore for the amount of One Thousand Seven Hundred Fifty and 00/100 Dollars (\$1,750.00); and be it further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00) and broker commissions of Eighty Seven and 50/100 Dollars (\$87.50) be paid from the sales proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of One Hundred Five and 00/100 Dollars (\$105.00) be paid to the Detroit Building Authority pursuant to its contract with the City; and be it further

Honorable City Council:

Re: Sale of Real Property at 15919 Petoskey

The City of Detroit Planning and Development Department ("P&DD") is in receipt of an offer from Carolann Lanetta Sanders ("Offeror") to purchase the above captioned property, 15919 Petoskey (the "Property"), for the amount of One Thousand Eight Hundred and 00/100 Dollars (\$1,800.00) (the "Purchase Price").

The Property consists of a single family residential dwelling, located on an area of land measuring approximately 3000 square feet and zoned R2 (Two Family Residential District). The Offeror proposes to continue the use of the property as a single family residential dwelling. This use is permitted by right in a R2 zone.

We, therefore, request that your Honorable Body approve the sale and authorize the Director of the Planning and Development Department, or his authorized designee, to issue a quit claim deed to the Property and such other documents as may be necessary to effectuate the sale,

with Carolann Lanetta Sanders for the amount of \$1,800.00.

Respectfully Submitted,  
MAURICE COX  
Director

Planning & Development Department  
By Council Member Tate:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Carolann Lanetta Sanders ("Offeror") requesting the conveyance by the City of Detroit of real property (the "Property") at 15919 Petoskey, more particularly described in the attached Exhibit A; and

Whereas, The Property consists of a single family residential structure situated on an area of land measuring approximately 3000 square feet located in a R2 (Two Family Residential District) zone; and

Whereas, The Offeror proposes to continue the use of the property as a single family residential dwelling, which is permitted by right in a R2 zone;

Now, Therefore, Be It

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Director of the Planning and Development Department or his authorized designee, be and is hereby authorized to issue a quit claim deed to the Property, as more particularly described in the attached Exhibit A, and such other documents as may be necessary to effectuate the sale with Carolann Lanetta Sanders for the amount of One Thousand Eight Hundred and 00/100 Dollars (\$1,800.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, be and is hereby authorized to execute any required instruments to make or incorporate technical amendments or changes to the deed and such other documents as may be necessary to effectuate the sale (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally;

Resolved, That the deed and such other documents necessary to effectuate the sale, will be considered confirmed when signed and executed by the Director of the Planning and Development Department, or his authorized designee, and approved by Corporation Counsel as to form.

Honorable City Council:

Re: Property Sale 13700 Mt. Elliott, Detroit, MI

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from 13700 Mount Elliott Street, LLC ("Purchaser"), a Michigan limited liability company, to purchase certain City-owned real property at 13700 Mt. Elliott (the "Property") for the purchase price of Ten Thousand and 00/100 Dollars (\$10,000.00).

The Purchaser proposes to utilize the Property in conjunction with the manufacturing operations being conducted on its adjacent property to expand business capacity. Currently, the Property is within an M4 zoning district (Intensive Industrial). The Purchaser's proposed use of the Property is consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
MAURICE D. COX  
Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves the sale of certain real property at 13700 Mt. Elliott Street, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to 13700 Mount Elliott Street, LLC for the purchase price of Ten Thousand and 00/100 Dollars (\$10,000.00); and be it further

Resolved, That the Director of the Planning and Development Department ("P&DD"), or his authorized designee, is authorized to execute a quit claim deed and such other documents as may be necessary or convenient to effect the

transfer of the Property to 13700 Mount Elliott Street, LLC consistent with this resolution; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

**Buildings, Safety Engineering  
& Environmental Department**

November 9, 2018

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 415 Mt. Vernon, Name:  
Nancy Kathryn Wood, Demolition  
Ordered: July 1, 2014 (J.C.C. pages  
1284-1297).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on November 1, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been

made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,  
DAVID BELL  
Director

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 136 W. Longwood, Name: Cimmaron Development Enterprises LLC, Demolition Ordered: September 11, 2018 (J.C.C. pages \_\_\_\_\_).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on October 24, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Honorable City Council:

Re: Recommendation for Deferral.  
Address: 8037 Brace, Name: Monique Coats, Demolition Ordered: October 7, 2014 (J.C.C. pages 2062-2068).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on November 15, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Honorable City Council:

Re: Recommendation for Deferral. Address: 438 E. Euclid, Name: Detroit Neighborhood Partners LLC, Demolition Ordered: November 7, 2017 (J.C.C. pages \_\_\_\_\_).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on December 14, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.

2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed

inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Re: Petition No. 368 — Marathon Petroleum Company LP, request to vacate a portion of Colonial between Norway and Oakwood.

Petition No. 368 — Marathon Petroleum Company LP, request to vacate and convert to easement part of Colonial Avenue, 66 feet wide, between Oakwood Boulevard, 100 feet wide and Norway Avenue, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in order to consolidate property. This section of Colonial Avenue was physically closed when Oakwood Boulevard was rerouted: and there is an existing guardrail at Norway Avenue, and no connection to Oakwood Boulevard. The Colonial Avenue pavement has been removed and the right-of-way is now unimproved.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the

conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
 RICHARD DOHERTY, P.E.  
 City Engineer

City Engineering Division — DPW  
 By Council Member Benson:

Resolved, That all of Colonial Avenue, 66 feet wide, between Oakwood Boulevard, 100 feet wide and Norway Avenue, 60 feet wide, and further described as: land in the City of Detroit, Wayne County, Michigan, being that part Colonial Avenue, 66 feet wide, lying north of and adjoining the north line of Lots 382 through 386, both inclusive, also lying south of and adjoining the south line of Lots 399 through 406, both inclusive "Oakwood on P.C's 50, 524, and 119 River Rouge (Now Detroit) T2S.,R.11E. Wayne County, Michigan" as recorded in Liber 13, Page 36 of Plats, Wayne County Records; and further bounded on the east by the west line of Norway Avenue, 60 feet wide; and bounded on the southwest by the northeasterly line of Oakwood Boulevard, 100 feet wide.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main,

gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Honorable City Council:

Re: Petition No. 205 - Bedrock Management LLC, request to encroach into the public right-of-way at 600 Woodward Avenue which is bounded by Woodward Avenue, Cadillac Square, the north-south alley east of Woodward and Congress Street.

Petition No. 205 — Bedrock Management Services LLC, request for an encroachment with sidewalk café, existing areaways (basements) below the sidewalk, existing steel ventilation grating flush with sidewalk grade, and architectural elements above grade on the east side of Woodward Avenue, 190 feet wide, between Congress Street, 60 feet wide and Cadillac Square, 200 feet wide; also on the north side of Congress Street between Bates Street, 50 feet wide, and Woodward Avenue.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made for an outdoor seating area at a new restaurant and to transfer responsibility for the existing basement under the sidewalk, ventilation grates, and for various architectural elements.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW, and Traffic Engineering Division — DPW (TED). TED has conditions that are a part of the resolution.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Bedrock Management LLC or

their assigns to install and maintain encroachments with sidewalk café, existing areaways (basements) below the sidewalk, ventilation grates flush with the sidewalk grade, and architectural elements above grade on the east side of Woodward Avenue, 190 feet wide, between Congress Street, 60 feet wide and Cadillac Square, 200 feet wide; also on the north side of Congress Street between Bates Street, 50 feet wide, and Woodward Avenue and being land in the City of Detroit, Wayne County, Michigan: Woodward Avenue and Congress Street adjoining Lot 57 "Plan of Section numbered One of the City of Detroit, in the territory of Michigan confirmed by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board" as recorded in Liber 34, Page 550 of Deeds, Wayne County Records. Encroachments are further described as follows:

1) Outdoor café seating area including barriers, planters, etcetera being 8.5 feet wide and 38 feet in length along Woodward Avenue, and being 6.5 feet wide and 72 feet in length along Congress Street and lying west of and adjoining the west line of the North 38 feet of the South 40 feet of said Lot 57 and lying south of and adjoining the east 72 feet of the west 82 feet of said Lot 57.

2) Areaways (Basements below sidewalk grade) lying up to 11.5 feet below grade and being 17 feet wide and 40 feet in length along Woodward Avenue, and being 7.3 feet wide and 100 feet in length along Congress Street and lying west of and adjoining the west line of the South 40 feet of said Lot 57 and lying south of and adjoining the south line of said Lot 57.

3) Ventilation grates flush with sidewalk grade extending into Congress Street: 1st grate being 3.58 feet long and extending 6.33 feet from building face (property line) adjoining the westerly 3.58 feet of the easterly 4.33 feet of said Lot 57; also 2nd grate being 9.25 feet long and extending 5.00 feet from building face (property line) adjoining the westerly 9.25 feet of the easterly 27.41 feet of said Lot 57; also 3rd grate being 7.00 feet in length and extending 5.00 feet from the building face (property line) adjoining the westerly 7.00 feet of the easterly 36.92 feet of said Lot 57.

4) Architectural elements lying from 8.5 feet above grade to 172 feet above grade (top of building) and extending no more than 5 feet into the right-of-way and lying westerly of and adjoining the westerly line of the southerly 40 feet said Lot 57 and lying southerly of and adjoining the southerly line of said Lot 57 and including extending up to 5 feet from the southwesterly corner of said Lot 57.

Provided, That if there is any cost for

the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That a minimum of 6.0 feet wide clear and unobstructed sidewalk shall be maintained for pedestrian traffic in front of the outdoor seating area at all times; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That the proposed use does not hinder or impede the operation, maintenance or replacement of DTE Gas Company facilities, and be it further

Provided, That the remaining sidewalk width meets minimum ADA requirements and all City standards and policies are met; and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold

DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Bedrock Management LLC or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Bedrock Management LLC or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Bedrock Management LLC or their assigns. Should damages to utilities occur Bedrock Management LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That the area being used as an Outdoor Café shall meet the general requirements set by the "Outdoor Café Guidelines" as adopted by the City Council and guided by Section 50-2-20 (aka code 1964 § 58-2-8.1) of the City Code; and further

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over the outdoor cafe process; and further

Provided, That said activities are conducted under the rules and regulations of the Department of Public Works and the supervision of the Police Department; and further

Provided, That the sale of food or soft drinks is held under the direction and

inspection of the Detroit City Health Department; and further

Provided, That the "permittee" remit the required annual fee(s) to Department of Public Works — City Engineering Division for issuance of a use-permit and confirm license of the establishment in compliance with City Code; and further

Provided, That this use-permit shall be for a period of one year, after receiving approval of City Council, and may be renewable thereafter on an annual basis; and further

Provided, That Bedrock Management LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Bedrock Management LLC or their assigns of the terms thereof. Further, Bedrock Management LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That the petitioner is responsible to obtain approval of the Michigan Liquor Control Commission, if necessary and approval from the Detroit Police Liquor License Bureau if serving liquor; and further

Provided, That the designated outdoor seating area shall be identified through the use of railings or other physical barrier in order to regulate the serving of liquor within the perimeter of the café; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Bedrock Management LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, That resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Bedrock Management LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**NEW BUSINESS**

**Law Department**

January 15, 2019

Honorable City Council:

Re: Anthony and Elaine McCallum vs. Defendant Police Officers Stephen Geelhood, Amy Matelic, Bryan Watson, David Hansberry and City of Detroit Case No. 2:15-12676 (RJB) File No. L14-00578

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to issue

a draft payable to Anthony and Elaine McCallum and his attorney, Thomas E. Kuhn, PC in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft shall not exceed Five Hundred Thousand Dollars (\$500,000.00).

Respectfully submitted,  
ROBYN J. BROOKS

Senior Assistant Corporation Counsel  
Approved:

By Council Member McCalister, Jr.:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Anthony and Elaine McCallum vs. Defendant Police Officers Stephen Geelhood, Amy Matelic, Bryan Watson, David Hansberry and City of Detroit, United States District Court Case No. 2:15-12676, on the following terms and conditions:

- A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.
- 2. The maximum amount of any award to the Plaintiff shall not exceed the amount of Five Hundred Thousand Dollars (\$500,000.00).
- 3. Any award in excess of \$500,000.00 shall be interpreted to be in the amount of \$500,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about April 27, 2013 at or near 16421 State Fair; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$500,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Anthony and Elaine McCallum and their attorney, Thomas E. Kuhn, PC in the amount of the arbitrators' award, but said draft shall not exceed Five Hundred Thousand Dollars (\$500,000.00).

### City Planning Commission

January 18, 2019

Honorable City Council:

Re: Proposed Capital Agenda FY 2019-20 through 2023-24 (Recommend Approval with Amendments)

On November 1, 2018 the Proposed Capital Agenda FY 2019-20 through FY 2023-24 was submitted by the Budget Department to the City Clerk for conveyance to your Honorable Body consistent with Article 8, Chapter 2 of the City Charter. The Legislative Policy Division and the City Planning Commission have been in review of the document since that time. At the CPC meeting of Thursday, January 10, 2019 the Commission received a presentation of the proposed Capital Agenda from Renee Short and Donnie Johnson of the Budget Department. Also participating were Planning and Development Department Director, Maurice Cox, and the Fiscal Analyst, Irvin Corley, and David Teeter of LPD. The Commission concluded its deliberations and due action on Thursday, January 17th.

#### REVIEW

The Budget Department representatives provided valuable information regarding the preparation of the proposed Capital Agenda and the underlying organizational structure that has been established to support the City's capital improvement program. Consistent with the approach inaugurated in 2016 with the last Capital Agenda, the administration has developed committees with subject matter experts corresponding to the categories and City agencies thereunder to guide these efforts. A staff unit within the Budget Department, led by Mr. Johnson was also established to provide ongoing management of the capital improvement program. This structure centralizes capital program management and provides for real-time reporting and addressing of capital needs, implementation and changing circumstance. The new capital program also moves certain equipment, such as heavy machinery, vehicles, computers and other devices from the City's operating budget

to the capital budget for greater continuity and coordination of agency needs and projects.

One of the questions raised by the Commission following the presentation concerned public participation in the process. Mr. Cox's responded indicating how the public engagement initiated by his office via the various neighborhood planning efforts fed the preparation of Capital Agenda with the inclusion of the various needs and desires expressed by the community. In this instance, we see community engagement serving more than the immediate purpose for which it may have been intended.

The CPC notes that the changes in approach to and management of the Capital Agenda provide for a better system whereby to meet and manage the City's capital improvement program. Despite this there appears to be a number of projects and initiatives that are not specifically identified or included at all in this proposed Capital Agenda. As this system continues to evolve it also needs to be more visionary, in our estimation. As the Capital Agenda provides a pragmatic vehicle for identifying and preparing for projects, as a planning tool it should also address project desires and aspirations for which funding may not be identifiable, but are otherwise viable and reasonable. A more comprehensively approached capital improvement plan can provide valuable information to resident, corporate citizen and the development community alike.

Staff also notes that while this new system is an improvement over past models, it is somewhat divergent from the structure anticipated by the City Charter. The Charter implicates the Planning and Development Department Director as key to managing and coordinating projects via the requirement that City Council seek the recommendations of the Planning Director, if Council desires to amend the document. The new system shifts and shares that responsibility across the above referenced committee structure. This is not a major problem as the divergence can be reconciled by a coordinated response via Mr. Cox. However, this highlights a preexisting need to update and revise the Charter language governing the Capital Agenda to better reflect current practices and procedures - including the timeline for review and approval.

The document itself is far superior to the one originally submitted two years ago. The document being organized by category rather than by City agency, supports a more logical and efficient approach to planning and project implementation. Infrastructure work in a public street performed by the Department of Public Works, the Detroit Water and Sewerage Department and the Public Lighting

Authority for example can coordinate their work and limit the frequency and cumulative impacts to traffic flow, general public use and eliminate redundancy of efforts.

**RECOMMENDATIONS**

The City Planning Commission finds the proposed Capital Agenda to be well organized and composed. However, we feel it is deficient known project data and lacks vision by not reflecting certain projects that the City may desire or aspire to. The Commission would also like to some additional suggest to further enhance the presentation and utility of the document. Having considered the reviews conducted by staff and information from a number of sources the Commission recommends approval of the proposed Capital Agenda for FY 2019-20 through 2023-24 with the following amendments:

1. Identification and development of a new site for the Detroit Department of Transportation Central/Administration building in light of the jail facility scheduled to be erected on the current site at Warren Ave. and 1-75;
2. Development of two new recreation centers one in City Council District 4 and one in City Council District 7 to address the deficient level of service;
3. Maintenance and improvement projects at Fort Wayne;
4. Maintenance and improvement projects at Charles H. Wright Museum of African American History beyond 2019-20;
5. Maintenance and improvement projects at the DIA;
6. Maintenance and improvement projects at City golf courses;
7. Maintenance and improvement projects at City Airport beyond that which is covered by the \$4,000,000.00 in the current fiscal year;
8. The reopening of the temporarily closed segment of E. McNichols Rd. to the flow of traffic immediately north of City Airport;
9. Streetscape and infrastructure improvements to accommodate electronic and autonomous vehicles;
10. Some inclusion of the various infrastructure and streetscape improvements the City successfully negotiated for the Delray community in association with the Gordie Howe International Bridge project;
11. Revise the language on page 36 that states, "... PDD will lead the passage of numerous zoning changes" to read, "... will request the passage of numerous zoning changes" and
12. The addition of a list and brief narrative highlighting major projects as well as a map and/or list of projects broken out by City Council District.
13. The addition of some sort of narrative speaking to the performance/implementation of the previous Capital Agenda and or making some comparative analysis of projects.

The Commission also submits the following questions:

1. Will programing at City golf courses include training and tutelage in golf going forward?
2. Is the appropriate equipment being purchased/contracted by the Department of Public Works to properly maintain streets through all seasons where bike lanes have been or are to be introduced?
3. Where might heated walkways be feasible to ensure pedestrian movement and reduce winter maintenance cost?
4. Under the Housings and Economic Development Category what initiatives or efforts are being undertaken to address the untargeted neighborhoods and communities across the City?

The Commission also recommends that a request be forwarded to the Charter Revision Commission to revise the City Charter to extend the review period for the Capital Agenda and otherwise update the provisions to be more consistent with current practices.

Following the Commission's action on this matter CPC staff recognized two more known projects for which funding has been identified, but are not specifically referenced under the General Services Department Parks and Recreation heading. They are the redevelopment of West Riverfront Park and Riverside Park. Your Honorable Body may also desire to consider the addition of specific references to these two improvements projects.

**RESOLUTION IN SUPPORT OF 2019 MICHIGAN HOUSE BILLS 4033 & 4034**

By Council President Brenda Jones, joined by Council Members Ayers and McCalister, Jr.

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's

citizens through Charter-mandated legislative functions; and

Whereas, House Bills 4033 and 4034, sponsored by Michigan House Democrats, John Chirkun & Brian Elder, respectively, are currently in the Michigan State House Committee on Government Operations. Specifically, HB 4033 is a bill to amend Act 336 of 1947, the Public Employment Relations Code; and

Whereas, If enacted, HB 4033 would prohibit any public employer or an officer or agent of a public employer to interfere with, restrain, or coerce public employees to initiate, create, contribute to, or interfere with the formation or administration of any labor organization; to discriminate in regard to hire, terms, or other conditions of employment to encourage or discourage membership in a labor organizations; refuse to bargain collectively with the representatives of its public employees; and

Whereas, Correspondingly, HB 4034, seeks to allow employees the right to organize together or form, join, or assist in labor organization; engage in lawful concerted activities for the purpose of collective negotiation or bargaining or other mutual aid and protection; or negotiate or bargain collectively with their employers through representatives of their own free choice. Unions are representative democratic organizations, whose members drive the agenda; and

Whereas, Collective bargaining is important because it sets pay standards and workplace protections. In addition, it provides a method or the regulation of the conditions of employment of those who are directly concerned about them; Now, Therefore Be It

Resolved, The Detroit City Council, as an advocate of the efficient use of tax payer dollars in the effective service delivery and by achieving a healthy and happy public workforce and to maintain the physical welfare of Detroit's citizens, expresses its support of House Bills 4033 and 4034; Now, Therefore Be It Finally

Resolved, That this resolution be forwarded to the City of Detroit's Lansing Lobbyist, the Detroit Delegation in the State House, State House Committee on Government Operations, the Michigan State House, and the Governor.
