## MEMORANDUM

**TO:** David Whitaker, Director, Legislative Policy Division  
**FROM:** Mary Sheffield, President, Detroit City Council  
**DATE:** February 27, 2023  
**RE:** Resolution Urging State Action on Guns

---

The recent mass shooting at Michigan State University underscores the need for more common-sense gun laws in Michigan such as universal background checks and red flag laws. Please write a resolution urging the Michigan State Legislature to enact the 11 common-sense gun laws recently introduced in the state house and senate.
