Historic District Commission (HDC) Report: Violation Cases

As of September 12, 2022

1. VIOLATIONS SUMMARY

- HDC Staff has recently received new updated software for its management of violations on properties. Some of these updates have not yet been fully enacted. It is Staff's hope to streamline the violation reporting process itself after this software is fully enacted. Updates will be forthcoming.
- The reported number of new violation cases since the August 10, 2022 HDC meeting was one of the highest we've had in most months. Many cases were minor in scope and focused on painting violations. Most recent cases were in the Atkinson/Boston-Edison and Russell Woods -Sullivan Historic Districts.
- HDC staff issued Notices of Work Observed letters to 31 property owners and 8 real estate agents last month. This mailing includes real estate listing agents for properties that have known violations listed for sale. Per HDC Resolution 22-01, this notice is sent to both the owner and the listing agent to list any violations on the property, which becomes the responsibility of the new owner and serves to disclose any potential buyers.
- Instructions on how to inquire a potential violation with the HDC is posted at the end of this report.
- Total of all OPEN violation cases is <u>276</u> cases to date.
