**RESOLUTION
TERMINATING THE BROWNFIELD
PLAN OF THE CITY OF DETROIT
BROWNFIELD REDEVELOPMENT
AUTHORITY FOR THE JEFFERSON
AND PIPER REDEVELOPMENT
PROJECT**

City of Detroit
County of Wayne, Michigan

By Council Member Tate:

Whereas, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City Council") for the purpose of promoting the revitalization of eligible properties in the City of Detroit; and

Whereas, On November 21, 2002, City Council approved the Brownfield Plan for

the Jefferson and Piper Brownfield Redevelopment Plan (the "Plan"); and

Whereas, The eligible property described in Exhibit A, attached hereto, is the eligible property subject to the Plan; and

Whereas, Section 14(8)(b) of Act 381 permits a governing body to terminate a brownfield plan or plan amendment for an eligible property if the project for which eligible activities were identified in the brownfield plan or plan amendment fails to occur with respect to the eligible property for at least two (2) years following the date of the resolution approving the brownfield plan or plan amendment, provided that the governing body first does both of the following: (i) gives 30 days' prior written notice to the developer at its last known address by certified mail or other method that documents proof of delivery attempted, and (ii) provides the developer an opportunity to be heard at a public meeting; and

Whereas, The City Council is the governing body (as that term is defined by Act 381) of the Authority; and

Whereas, The Authority's staff has confirmed that the project for which eligible activities were identified in the Plan failed to occur within two (2) years of City Council's approval of the Plan; and

Whereas, On June 13, 2018, the Board of Directors of the Authority adopted a resolution recommending termination of the Plan; and

Whereas, On October 3, 2017, City Council authorized the Authority, on behalf of City Council, to manage and/or administer the notices required by Act 381 in connection with any brownfield plan or plan amendment terminations; and

Whereas, The required notice of the termination of the Plan was given in accordance with Section 14(8)(b)(i) of Act 381, a copy of which is attached as Exhibit B; and

Whereas, in accordance with Section 14(8)(b)(ii) of Act 381, the developer identified in the Plan was provided with an opportunity to be heard at a public meeting on September 6, 2018.

Now, therefore, be it

Resolved, That:

1. The Plan is hereby terminated by City Council in accordance with Section 14(8)(b) of Act 381.

2. City Council hereby ratifies the termination, if any, of any agreements or contracts between the developer of the Plan and the Authority that were executed in conjunction with the Plan, including, but not limited to, the reimbursement agreement.

EXHIBIT E
RESOLUTION APPROVING
BROWNFIELD PLAN OF
THE CITY OF DETROIT
BROWNFIELD REDEVELOPMENT
AUTHORITY FOR THE
SECOND AMENDED AND RESTATED
GARFIELD AREA
REDEVELOPMENT PROJECT

City of Detroit
 County of Wayne, Michigan

By Council Member Tate:

Whereas, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

Whereas, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

Whereas, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Second Amended and Restated Garfield Area Redevelopment Project (the "Plan"); and

Whereas, The Authority submitted the Plan to the Community Advisory Committee for consideration on July 11, 2018, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on July 19, 2018 to solicit comments on the proposed Plan; and

Whereas, The Community Advisory Committee recommended approval of the Plan on July 11, 2018; and

Whereas, The Authority approved the Plan on July 25, 2018 and forwarded it to the City Council with a request for its approval of the Plan; and

Whereas, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

Whereas, The City Council held a public hearing on the proposed Plan on September 6, 2018.

Now, Therefore Be It Resolved That:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

“Eligible Activities” or “eligible activity” shall have the meaning described in Act 381.

“Eligible Property” means the property designated in the Plan as the Eligible Property, as described in Act 381.

“Plan” means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

“Taxing Jurisdiction” shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of “blighted” as defined in Act 381;

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk’s office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan.

The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each

Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments

shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. **Disclaimer.** By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. **Repealer.** All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit one (1) certified copy of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on _____, 2018, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

Housing and Revitalization Department

September 5, 2018

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, in the area of 1516 Vinewood Street, Detroit, MI, in accordance with Public Act 146 of 2000 for KSM Holding, LLC (Petition #373)

On September 6, 2018, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 1516 Vinewood Street, Detroit, MI. in accordance with Public Act

146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, KSM Holdings, LLC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 1516 Vinewood Street, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on September 6, 2018, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now, Therefore Be It

Honorable City Council:

Re: Resolution Establishing Redevelopment Project Area within City of Detroit Boundaries

Liquor Control Commission ("Com-

mission”) may issue public on-premises licenses in addition to those quota licenses allowed in cities, villages and townships under section MCL 436.1521a(1)(a) to applicants that are engaged in activities related to dining, entertainment and/or recreation.

The number of on-premise quota licenses in the City of Detroit (the “City”) exceeds the number of on-premise quota licenses that the City is authorized to issue, and the City does not expect to be authorized to issue additional on-premise quota licenses in the foreseeable future. In addition, the availability of escrowed on-premises licenses for new businesses to purchase in the County of Wayne has significantly decreased, and the price for such escrowed on-premises licenses has increased more than 100% over the past year.

The City of Detroit has hereby designated the area described in Exhibit A attached hereto and incorporated herein as a Redevelopment Project Area under MCL 436.1531(1)(a). In accordance with guidelines, the City Assessor has submitted an affidavit, attached hereto and incorporated herein as Exhibit B, stating that the amount of investment money expended for manufacturing, industrial, residential, and commercial development within the City’s Redevelopment Project Area during the preceding 3 years is not less than 25% of the total amount of investment in real and personal property within the City’s Redevelopment Project Area during the preceding 3 years; and that total investment in real and personal property in the City’s Redevelopment Project Area during the preceding 3 years exceeds \$50,000,000.

We, therefore, request that your honorable body designate the area described in Exhibit A, as a Redevelopment Project Area under MCL 436.152 la(1)(a).

Respectfully submitted,

**RESOLUTION ESTABLISHING
REDEVELOPMENT PROJECT AREA
UNDER PUBLIC ACT 501 OF 2006
WITHIN THE CITY OF
DETROIT, MICHIGAN**

Whereas, In order to allow cities, villages, and townships to enhance the quality of life for their residents and visitors to their communities, the Michigan Liquor Control Commission (the “Commission”) may issue public on premises licenses in addition to those quota licenses allowed in cities, villages, and townships under section MCL 436.1531(1) in a Redevelopment Project Area established under section MCL 436.1521a(1)(a) to applicants that are engaged in activities determined by the Commission to be related to dining, entertainment, or recreation not less than

ten (10) hours per day, five (5) days per week;

Whereas, The number of on-premise quota licenses in the City of Detroit (the “City”) far exceeds the number of on-premise quota licenses that the City is authorized to issue under MCL 436.1531(1), and the City does not expect to be authorized to issue additional on-premise quota licenses in the foreseeable future;

Whereas, The availability of escrowed on-premises licenses for new businesses to purchase in the County of Wayne has significantly decreased, and the price for such escrowed on-premises licenses has increased more than 100% over the past year;

Whereas, The City desires to establish a Redevelopment Project Area to allow the Commission to issue public on-premises licenses in the City in addition to those quota licenses allowed in the City under section MCL 436.1531(1);

Now, Therefore Be It

Resolved, That the City hereby designates the area described in Exhibit A attached hereto and incorporated herein as a Redevelopment Project Area under MCL 436.1521a(1)(a).

Further

Resolved, That the City Assessor has submitted an affidavit, which has been certified by the City Clerk, and is attached hereto and incorporated herein as Exhibit B, stating:

a) the total amount of investment in real and personal property within the City’s Redevelopment Project Area during the preceding 3 years;

b) the amount of investment money expended for manufacturing, industrial, residential, and commercial development within the City’s Redevelopment Project Area during the preceding 3 years;

c) the amount of investment money expended for manufacturing, industrial, residential, and commercial development within the City’s Redevelopment Project Area during the preceding 3 years is not less than 25% of the total amount of investment in real and personal property within the City’s Redevelopment Project Area during the preceding 3 years; and

d) that total investment in real and personal property in the City’s Redevelopment Project Area during the preceding 3 years exceeds \$50,000,000.

Further Resolved, That the City Clerk shall file a certified copy of this Resolution and the attached Exhibits with the Michigan Liquor Control Commission to establish a Redevelopment Project Area in the City, which will allow applicants to apply to the Commission for new public on-premises licenses in the Redevelopment Project Area under section MCL 436.1521a(1)(a) in addition to those quota licenses allowed in the City under section MCL 436.1531(1).

1. My name is Scott Vandemergel. I currently hold the position of Certifying Assessor for the City of Detroit. In that capacity, I am familiar with the amount of real and personal property investments in the City of Detroit.

2. Pursuant to the requirements of MCL 436.1521a, I have reviewed the amount and nature of such investments in the Redevelopment District described in the attached Exhibit A for the calendar years 2014-2016.

3. To the best of my knowledge and information, the total amount expended for real and personal property investment in the Redevelopment District for the calendar years 2014-2016 was: **\$3,151,023,516.**

4. To the best of my knowledge, the

total amount expended for manufacturing development in that district for the calendar years 2014-2016 was \$0.

5. To the best of my knowledge, the total amount expended for industrial development in that district for the calendar years 2014-2016 was \$9,574,507.

6. To the best of my knowledge, the total amount expended for residential development in that district for the calendar years 2014-2016 was \$22,300,000.

7. To the best of my knowledge, the total amount expended for commercial development in that district for the calendar years 2014-2016 was \$3,119,149,009.

8. Based on the foregoing, it appears that the amount expended for commercial investment in the Redevelopment District is not less than 25% of the total amount of real and personal property investments in that district during the calendar years 2014-2016.

Further, affiant sayeth not.

NEW BUSINESS

Mayor's Office

September 6, 2018

To the Honorable City Council,

Attached please find a slightly revised version of the Agreement between the Community Education Commission (CEC) and the City entitled "City of Detroit Support for School Transportation and After-School Agreement."

The sole difference from the version that was previously submitted is an amendment to Article 2.1. That amendment reads (in full): "If the City's obligations under the NTP Agreement exceed \$250,000.00, the CEC will pay the amount of those obligations in excess of \$250,000.00."

This amendment is meant to address any concerns that the City could be responsible for contributing more than \$250,000.00 towards the GOAL Line initiative.

If you have any questions, please do not hesitate to contact me.

ELI SAVIT

Senior Advisor and
Counsel to the Mayor

**CITY OF DETROIT SUPPORT FOR
SCHOOL TRANSPORTATION AND
AFTER-SCHOOL AGREEMENT**

This City of Detroit Support for School Transportation and After School Agreement ("Agreement") is made and entered into by and among the Community Education Commission ("CEC") and the City of Detroit ("City"), to supplement that certain Agreement Northwest Transportation Pilot entered into by and among CEC, the City, the Detroit Public Schools Community District ("DPSCD") and the Charter Schools (the "NTP Agreement") The City and the CEC are individually referred to herein as a "Party" and jointly referred to as "Parties." Any term not defined in this Agreement shall have the meaning reflected in the NTP Agreement.

The obligations outlined herein are conditional on the Detroit City Council's adoption of a resolution approving this Agreement and the NTP Agreement, and on this Agreement's and the NTP Agreement's ratification by the CEC Board of Directors.

RECITALS

A. Pursuant to the terms of the NTP Agreement, the City agreed to pay CEC 1/3 of the cost of a school transportation pilot in Northwest Detroit in exchange for CEC's performance of the services set forth in the NTP Agreement.

B. The City and CEC desire to define

the City's payment obligations more specifically, and to expand the scope of the services to be provided by CEC.

Therefore, in exchange for the mutual promises and other consideration reflected herein, the City and CEC agree as follows:

**ARTICLE I
ADDITIONAL CEC OBLIGATIONS**

1.1 **The CEC Services.** CEC shall perform the services set forth in the NTP Agreement, and shall also perform the following additional services (collectively, the "CEC Services"):

(i) Either on its own accord or through an outside contractor, operate an after-school program at the Northwest Activities Center (the "Center", as defined below) serving children in grades K-8. The after-school program shall include, at a minimum, an opportunity for children to engage in recreational activities such as basketball and swimming, as well as an opportunity for children to obtain tutoring and academic support;

(ii) Provide parents and families with information about schools in Detroit; and,

(iii) Facilitate requests to philanthropic organizations to support education in Detroit.

1.2 **Performance of the CEC Services.** CEC shall perform the CEC Services in accordance with the requirements of this Agreement and the NTP Agreement, including but not limited to those with respect to insurance, timing, supervision and security.

1.3 **Audit.** CEC shall maintain full and complete records reflecting all of its operations related to the NTP Agreement and this Agreement. The records shall be maintained for a minimum of three (3) years after the expiration or termination of this Agreement. The City shall have the right at any time without notice to examine and audit all records and other supporting data of the CEC as the City deems necessary. CEC shall make all records available for examination during normal business hours at the CEC's Detroit offices, if any, or alternatively, at its facility nearest Detroit. CEC shall provide copies of all records to the City upon request.

1.4 **Indemnification.** CEC shall defend, indemnify and hold harmless the City and its respective officers, directors, managers, employees, agents, contractors, successors and permitted assigns (each a "City Related Party") from and against any and all claims incurred or asserted against any City Related Party arising out of or relating in any manner to the CEC Services, and any use of the Center by CEC or any of CEC's officers, directors, managers, employees, agents, licensees, invitees, contractors, successors, permitted assigns, students, and/or participants of the school transportation pilot program as anticipated by the NTP Agreement and this Agreement.

**ARTICLE II
RESPONSIBILITIES OF THE CITY**

2.1. **Financial Contribution.** Commencing with the 2018-2019 school year, and continuing through each school year thereafter during the term of the NTP Agreement, and provided CEC is not in breach of the NTP Agreement or this Agreement, the City shall pay CEC Two Hundred Fifty Thousand and 00/100 Dollars (\$250,000.00; the "Annual Payment") in exchange for CEC's performance of the CEC Services. The Parties agree that the Annual Payment shall fulfill the City's entire payment/contribution obligation under the NTP Agreement and this Agreement. In no event will the City be obligated to pay more than the Annual Payment to satisfy its payment/contribution obligation under the NTP Agreement or this Agreement.

During the 2018-2019 school year, the Annual Payment shall be made not later than thirty (30) days following the ratification of this Agreement by the Detroit City Council. In each subsequent year, the Annual Payment shall be made not later than thirty (30) days following the beginning of the fiscal year.

2.2. **Facilities.** To facilitate the provision of after-school services, the City will allow the CEC and its authorized after-school contractors reasonable use of the City's facilities at the Northwest Activities Center located at 18100 Meyers Road, Detroit, MI, 48235 (the "Center"). CEC shall use the Center in accordance with the requirements of the NTP Agreement, including but not limited to those related to supervision and security.

**ARTICLE IV
TERM AND TERMINATION**

4.1. **Term.** This Agreement will remain in effect, with respect to all Parties, for a term of five school years. If, at any time, however, the CEC fails to fulfill its obligations under this Agreement, or under the NTP Agreement, the City may refuse to make the Annual Payment, and, at the City's option, any obligation to CEC under the NTP Agreement and this Agreement may discontinue immediately. The City may also terminate this Agreement for convenience by providing the CEC thirty (30) days' written notice.

**ARTICLE V
MISCELLANEOUS**

5.1. **Authority.** Each Party represents and warrants that such Party is duly formed and in good standing, has full authority to enter into this Agreement, and has taken all organization action necessary to carry out the transactions contemplated herein so that when executed this Agreement constitutes a valid and binding obligation enforceable in accordance with its terms.

5.2 **Merger.** This Agreement and the NTT Agreement set forth all the covenants, promises, agreements, condi-

tions and understandings between the Parties concerning the subject matter of this Agreement. There are no covenants, promises, agreements, conditions or understandings, either oral or written, between the Parties concerning the subject matter of this Agreement other than set forth in the NTP Agreement and this Agreement. This Agreement supersedes the NTP with respect to any bilateral obligations the City and the CEC have to one another. No alteration, amendment, change or addition to this Agreement shall be binding upon a Party unless reduced to writing and signed by all Parties.

5.3. **Successors.** All rights and liabilities herein given to, or imposed upon, the respective Parties shall extend to and bind any successors of the Parties.

5.4. **Counterparts and Electronic Signatures.** This Agreement may be signed in counterparts and electronic signatures are fully enforceable.

5.5 **Compliance With Laws.** CEC shall perform the CEC Services, and shall require that its contractors, employees, and representatives comply with all applicable federal, state and local laws in the performance of the CEC Services.

5.6 **Notices.** All notices, consents, approvals, requests and other communications ("Notices") required or permitted under this Agreement and under the NTP Agreement shall be given in writing, mailed by postage prepaid, certified or registered first-class mail, return receipt requested, and addressed as follows:

If to the City Detroit

RESOLUTION

By Council Member Benson:

Whereas, Over 32,000 Detroit school-children wake up in the City of Detroit and attend school outside Detroit City limits, in part because those schools offer free transportation; and

Whereas, There is a need for high-quality after-school enrichment programs in the City of Detroit. Research has repeatedly demonstrated that high-quality after-school programs have positive effects on children's social-emotional and mental development. High-quality after school programs, moreover, are also associated with academic gains and decreases in problematic behavior; and

Whereas, A 501(c)(3) nonprofit, the Community Education Commission, has been formed to break down barriers that prevent families and children from accessing quality schools in Detroit. Specifically, the CEC will work to:

1. Break down transportation barriers that prevent families and children from accessing Detroit schools;
2. Build safe, high-quality after-school programs for Detroit children;
3. Provide parents and families with information about schools in Detroit; and
4. Facilitate requests to philanthropic organizations to support education in Detroit.

Whereas, The City has agreed to contribute to the CEC \$250,000.00 per year to fund a portion of a school-transportation pilot the CEC will be implementing in Northwest Detroit;

Now, Therefore Be It

Resolved, That Detroit City Council hereby approves that certain "Agreement: Northwest Transportation Pilot," between the City, the CEC, the Detroit Public Schools Community District ("DPSCD") and four public school academies in the City; and be it further

Resolved, That Detroit City Council hereby approves that certain "City of Detroit Support for School Transportation and After-School Agreement,"; and be it further

Resolved, That the Mayor, or his authorized designee, is hereby authorized to execute any required instruments to make and incorporate technical amendments or changes to the Agreements in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise during the term of the Agreements, provided that the changes do not materially alter the substance or terms of the Agreements; and be it further

Resolved, That the Mayor, or his authorized designee, be and is hereby authorized to execute any document required by any of the Agreements or reasonably required to effectuate the intent of any of the

Agreements, in each and every case for no additional consideration.

**Department of Public Works
City Engineering Division**

July 27, 2018

Honorable City Council:

Re: Petition No. 145 — "220 W. Congress Detroit, LLC request to convey the alley running north-south to Congress Street and enter into a maintenance agreement regarding the alley that runs east-west from Shelby Street, both in the block bounded by Fort Street, Shelby Street, Congress & Washington

Petition No. 145 by 220 W. Congress Detroit, LLC, request to outright vacate and convert to easement the north-south alley, 17.75 and 20 feet wide; also to vacate and convert to easement the east-west alley, 20 feet wide, all in the block of Congress Street, 60 feet wide, Fort Street, 100 feet wide, Washington Boulevard, 80 feet wide, and Shelby Street, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to allow the alleys to be redefined into a more functional and attractive space for pedestrian traffic in the area.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. Traffic Engineering — DPW approves provided that 100% signatures of abutting property owners are secured; however three (3) adjoining property owners have not con-

sented to the closure. The three adjoining owners who have not consented have been notified by mail of the possible closure. The owners of record according to the City of Detroit assessor's records are:

- 1) Property owner at 201 W. Fort Street:
Atwater Acquisitions LLC
201 West Fort Street
Detroit, Michigan 48226
- 2) Property owner at 211 W. Fort Street:
211 Fort Washington Associates
211 West Fort Street #1604
Detroit, Michigan 48226
- 3) Property owner at 625 Shelby Street:
HB Hospitality Detroit, LLC
P.O. Box 2386
Birmingham, Michigan 48012

The Planning and Development Department has no objection to this proposed change in property. They request that the resolution, if approved, require continued access for service vehicles and garbage pickup in the east-west alley.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE — Gas division reports involvement with existing gas service lines. The estimated costs of removing/relocating their services is \$15,981.84 and a provision for the relocation of DTE — Gas services is a part of the attached resolution.

Comcast reports involvement and the estimated cost of removal/relocation of their services is \$13,915.95 and a provision for the relocation of Comcast services is a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into private easements for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully Submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Ayers:

Resolved, That all that part of the east-west alley, 20 feet wide, all in the block of Congress Street, 60 feet wide, Fort Street, 100 feet wide, Washington Boulevard, 80 feet wide, and Shelby Street, 60 feet wide, from the vacated westerly portion of the subject alley to Shelby Street and further described as: land in the City of Detroit, Wayne County, Michigan being part of the east-west alley, 20 feet wide lying northerly of and adjoining the northerly line of Lots 11, 12, 13, and the easterly 20.81 feet of Lot 10, said lots lying northerly of and adjoining the northerly line of Congress Street; said alley also lying

southerly of and adjoining the southerly line of Lots 10, 11, 12, and the easterly 20.81 feet of Lot 9 said lots lying southerly of and adjoining the southerly line of Fort Street "The Tract of Land granted by Act of Congress (approved May 20, 1826) to the City of Detroit as the same have been divided Into Lots and numbered by order of the Common Council of Said City also known as the Military Tract or Reserve" as recorded in Liber 5 of City Records, on page 218 Wayne County Records.

Be and the same are hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or tilings usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth,

Second, Said utility easement in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easements with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easement,

nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Sixth, Said owners hereby grant to and for the use of the public an easement over said vacated alley herein above described for the purpose of providing access to abutting property owners for emergency use such as fire escapes and service vehicle, including trash receptacles, with the right to ingress and egress at any time to and over said easements for the purpose above set forth.

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe bucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written

approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if anytime in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Shelby Street) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Be It Also

Resolved, That all of the north-south alley, 17.75 and 20 feet wide in the block of Congress Street, 60 feet wide, Fort Street, 100 feet wide, Washington Boulevard, 80 feet wide, and Shelby Street, 60 feet wide, as opened by deed accepted by Detroit Common Council on May 13, 1958 on J.C.C. pages 1048-1049 and described as follows: parcel of land lying on the North side of Congress Street, East of Wayne Street (Now Washington Boulevard), being a part of Lot 10, Military Reserve, Plat of the United States Grant to the City of Detroit, by the Governor and Judges under Act of Congress May 30, 1826, recorded in Liber 5 on Page 218 City Records, City of Detroit, Wayne County, Michigan, and more particularly described as follows: Beginning at the Southwesterly corner of Lot 8 of said Military Reserve, said point being also the intersection of the easterly line of Wayne Street, 50 feet wide, with the northerly line of Congress Street, 50 feet wide; thence N. 60d 00m E. along the northerly line of Congress Street, 127.45 feet to a point, said point being the southwesterly corner and the point of beginning of the parcel herein described; thence N. 30d 00m W. (at right to Congress Street) 138.00 feet to a point; thence N. 60d 00m E. along the southerly line of a public alley, 20 feet wide, 20.81 feet to a point; thence S. 29d 58m 50s E. 73.00 feet to a point; thence S. 60d 00m W. 3.00 feet to a point; thence S. 29d 58m 50s E. 65.00 feet to a point on the northerly line of Congress Street; thence S. 60d 00m W. along the

northerly line of Congress Street 17.75 feet to the point of beginning.

Be and the same are hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services or granting of easements if necessary, and further

Provided, That the petitioner makes the necessary arrangements with DTE — Gas division for relocation of the existing gas service lines. The estimated costs of removing/relocating their services is \$15,981.84 with all costs to be borne by the petitioner, and further

Provided, That the petitioner makes the necessary arrangements with Comcast for removal/relocation of their services at an estimated cost of \$13,915.95 to be borne by the petitioner, and further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Congress Street) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Shakila Power vs. City of Detroit.
Case No.: 15-013374-NO; File No.: L15-00767 (GBP).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seventy-Seven Thousand Five Hundred Dollars and No Cents (\$77,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seventy-Seven Thousand Five Hundred Dollars and No Cents (\$77,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Law Offices of Mindell Law and Shakila Powell be delivered upon receipt of a properly executed Release and a Stipulation and Order of Dismissal entered in Case No. 15-013374-NO.

Honorable City Council:

Re: Lance Rand vs. City of Detroit. Case No.: 17-010461-NI; File No.: L17-00532.

On July 24, 2018 a case evaluation panel evaluated the above-captioned lawsuit and awarded Two Hundred and Fifty Thousand Dollars and No Cents (\$250,000.00) in favor of the Plaintiffs in the above referenced matter. The parties have until September 25, 2018, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Two Hundred and Fifty Thousand Dollars and No Cents (\$250,000.00) is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in that amount payable to her attorney, to be delivered upon receipt of properly executed Release and Stipulation and Order of Dismissal entered in Lawsuit 17-010461-NI, approved by the Law Department.

Re: Woodward Place At Brush Park III Association vs. City Of Detroit, Detroit Planning and Development Department, and Charter Oak Homes. Wayne County Circuit Court Case No. 17-016617-CH. File No.: L18-00094 (EBG)

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the a settlement under the following terms is in the best interest of the City of Detroit: Plaintiff, Woodward Place at Brush Park III Association, is to

pay the City of Detroit the sum of Fourteen Thousand Two Hundred Sixty Five and 50/100 Dollars (\$14,265.50); and the City shall agree to the entry of a judgment quieting title to property identified as 20, 24, 28, 32, and 36 Alfred Street in the name of the Co-owners of Woodward Place at Brush Park III Condominiums.

We, therefore, request authorization to settle Plaintiffs claims in this matter by accepting the sum of Fourteen Thousand Two Hundred Sixty Five and 50/100 Dollars (\$14,265.50) from Plaintiff, Woodward Place at Brush Park III Association; and by agreeing to the entry of a judgment quieting title to property identified as 20, 24, 28, 32, and 36 Alfred Street in the name of the Co-owners of Woodward Place at Brush Park III Condominiums; such judgment shall be delivered upon receipt of a properly executed Release and a Stipulation and Order of Dismissal of Claims entered in Wayne County Circuit Court Case No. 17-016617-CH, approved by the Law Department.

Honorable City Council:

Re: Address: 7436 Pembroke. Name: Orlando Grant. Date ordered removed: October 10, 2016, (J.C.C. pages _____).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on July 23, 2018 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected and be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

DAVID BELL

Honorable City Council:

Re: Petition No. 381 — Jeffery Moss request to install an ice melt system in the sidewalk directly in front of 3720 and 3740 Cass Avenue.

Petition No. 381 — Jeffery Moss request for encroachment with an ice melt system in the sidewalk on the east side of Cass Avenue, 80 feet wide, between Parsons Avenue, 60 feet wide, and Selden Avenue, 60 feet wide.

The petition was referred to the City Engineering Division - DPW for investigation and report. This is our report.

The request is being made as new sidewalks being installed at the business, Advance Plumbing, and the ice melt system will enhance pedestrian safety for customers and others using the sidewalks.

The request was approved by the Solid Waste Division - DPW, and City Engineering Division - DPW. Traffic

Engineering Division - DPW (TED) approves provided that the sidewalk grade be maintained in original condition; and the TED condition is a part of the resolution.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Jeffery Moss or his assigns to install and maintain a subsurface encroachment with an ice melt system in the sidewalk on the east side of Cass Avenue, 80 feet wide, between Parsons Avenue, 60 feet wide, and Selden Avenue, 60 feet wide, further described as: Land in the City of Detroit, Wayne County, Michigan, being that part of Cass Avenue, 80 feet wide, lying westerly of and adjoining the westerly line of Lots 12, 13, and the northerly 15 feet of Lot 11 and extending 15 feet into Cass Avenue "Parson's Subdivision of Park Lot 64, Detroit, Wayne County, Michigan" as recorded in Liber 15, Page 93 of Plats, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That the grade of the new sidewalk shall be maintained in original condition after installation of the ice melt system with flush covers for any man holes or hand holes, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alter-

ation, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Jeffery Moss or his assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division-DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division-DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Jeffery Moss or his assigns, and further

Provided, That all costs incurred by

privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Jeffery Moss or his assigns. Should damages to utilities occur Jeffery Moss or his assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division - DPW; and further

Provided, That Jeffery Moss or his assigns shall file with the Department of Public Works - City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Jeffery Moss or his assigns of the terms thereof. Further, Jeffery Moss or his assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

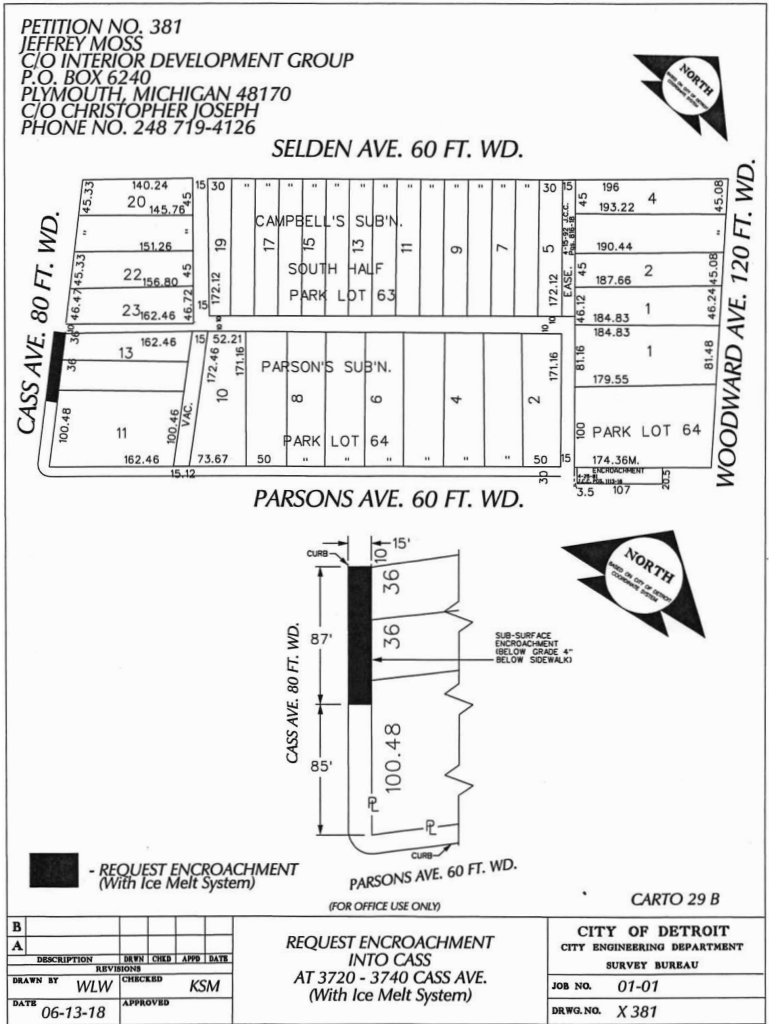

Provided, That the petitioner shall file a maintenance agreement with the Department of Public Works - City Engineering Division in a form approved by the Law Department. The agreement will provide for the financial responsibility, indemnification, insurance, and maintenance obligations of the petitioner; and be it further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Jeffery Moss acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

 Re: Petition No. 1583 First Pilgrim Guide Missionary Baptist Church request for closure of the public alley in the area of Richton and Woodrow Wilson.

Petition No. 1583 by First Pilgrim Guide Missionary Baptist Church, request to vacate and convert to easement the north

part of the north-south alley, 18 feet wide, first west of Woodrow Wilson Avenue in the block of Monterey Avenue, 50 feet wide, Richton Avenue, 50 feet wide, Rosa Parks Boulevard, 66 feet wide, and Woodrow Wilson Avenue, 85 feet wide.

The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report.

The request is being made to provide church security and prevent illegal dumping.

The request was approved by the Solid Waste Division - DPW, Traffic Engineering Division - DPW and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD

provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easements for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

City Engineering Division — DPW
By Council Member Benson:

Resolved, That all of the north part of the north-south alley, 18 feet wide, first west of Woodrow Wilson Avenue, 50 feet wide, the block of Monterey Avenue, 50 feet wide, Richton Avenue, 50 feet wide, Rosa Parks Boulevard, 66 feet wide, and Woodrow Wilson Avenue, 85 feet wide, and further described as: Land in the City of Detroit, Wayne County, Michigan, being the public alley 18 feet wide lying easterly of and adjoining the easterly line of Lot 66, and lying westerly of and adjoining the westerly line of Lots 62, 63, 64, 65, and the northerly 12.00 feet of Lot 61 "Robert Oakman's Monterey Heights Subdivision, Part of 1/4 Section 26, 10,000 Acre Tract, T1S, R.11E., Wayne County, Mich." As recorded in Liber 29, Page 73 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the

utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division - DPW,

Fourth, that if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their

heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any

action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Richton Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division - DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Re: Petition No. 1361 Gaugi Properties Group Inc. request to vacate alley between the properties located at 4201 Livernois Avenue and 4237 Livernois Avenue as well as 4237 Livernois Avenue and 4332 Gilbert Avenue.

Petition No. 1361 by Gaugi Properties Group Inc. request to vacate and convert to easement the east part of the east-west public alley, 18 feet wide, first north of Michigan Avenue in the block of Michigan Avenue, 120 feet wide, Morton Street, 50 feet wide, Gilbert Avenue, 53 feet wide, and Livernois Avenue, 120 feet wide.

The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report.

The request is being made for commercial development and land parcel combination.

The request was approved by the Solid Waste Division - DPW, Traffic Engineering Division - DPW and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE Energy-electric reports involvement and access must be maintained to their facilities. A provision for DTE Energy access is included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That all of the east part of the east-west public alley, 18 feet wide, first north of Michigan Avenue in the block of Michigan Avenue, 120 feet wide, Morton Street, 50 feet wide, Gilbert Avenue, 53 feet wide, and Livernois Avenue, 120 feet wide and further described as: Land in the City of Detroit, Wayne County, Michigan, being the public alley 18 feet wide lying

northerly of and adjoining the northerly line of Lots 3 through 9, both inclusive and the easterly 13.96 feet of Lot 10, and lying southerly of and adjoining the southerly line of Lot 12 "F. X. Starks Re-Subdivision of Lots 1 to 10 (both inclusive) part of Lot 11 and vacated alley of Starks Subdivision of the Southeast 2 acres of Lot 10, P.C. 266 and Lots 1 & 2 of William B. Wesson's Subdivision of Lot 10 and Wesson and Ingersol's Subdivision of Lot 8 of P.C. 266" Detroit, Mich." as recorded in Liber 27, Page 3 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to-wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easement,

nor change of surface grade made, without prior approval of the City Engineering Division - DPW.

Fourth, that if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That DTE Energy-electric has access to their equipment at all times for maintenance and restoration to insure the reliability of electric service to the area, and be it further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Livernois Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division - DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Department of Public Works
City Engineering Division
 July 18, 2018

Honorable City Council:
 Re: Petition No. 1847 — XLNC INVEST LLC, request to temporarily close two alleys in the area of 11345-11385 Greenfield Road.
 Petition No. 1847 of XLNC INVEST LLC, request for the renewal of the temporary closure of the north-south public alley, 18 feet wide (previously closed on a

temporary basis by a resolution adopted on November 20, 2012 J.C.C. pages 2300-01); also the east-west public alley, 18 feet wide, all in the block of Elmira Avenue, 60 feet wide, Plymouth Avenue, 86 feet wide, Winthrop Avenue, 60 feet wide, and Greenfield Avenue, 106 feet wide.

The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report.

The last petition (#2224) to temporarily close the referenced north-south alley was granted by City Council on November 20, 2012 (J.C.C. pages 2300-01) for a period of 5 years has expired. The property owner at 11245-11385 Greenfield uses the alleys as access to parking for the

apartments and wishes to provide safe secure access and prevent illegal dumping in the alleys.

All involved City departments and privately owned utility companies have reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities.

There is an appropriate resolution, containing the necessary conditions, attached for consideration by your Honorable Body.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Whereas, The Petitioner/abutting property owners have abided by all the conditions set forth in previous resolution adopted on November 20, 2012 (J.C.C. pages 2300-01); and will be held to the same conditions and provisions set in the previously granted Council resolution; therefore be it

Resolved, That the City Engineering Division - DPW is hereby authorized and directed to issue permits to XLNC INVEST LLC to close north-south public alley, 18 feet wide (previously closed on a temporary basis by a resolution adopted on November 20, 2012 J.C.C. pages 2300-01); also the east-west public alley, 18 feet wide, all in the block of Elmira Avenue, 60 feet wide, Plymouth Avenue, 86 feet wide, Winthrop Avenue, 60 feet wide, and Greenfield Avenue, 106 feet wide, and described as: north-south public alley, 18 feet wide lying east of and adjoining the east line of Lots 123 through 155, both inclusive, and lying west of and adjoining the west line of Lots 166 through 184, both inclusive; also the east-west public alley, 18 feet wide, lying north of and adjoining the north line of Lots 155 and 166 and the alley between said Lots, and lying south of and adjoining the south line of Lots 156 through 165, both inclusive, all the above in "Frischkorn's Dynamic Subdivision being part of the North East 1/4 of Section 36, T.1S., R.10E., Redford Township (now City of Detroit) Wayne County, Michigan" as recorded in Liber 48, Page 66, Plats, Wayne County Records; on a temporary basis for a period of five (5) years to expire September 1, 2023.

Provided, That the petitioner shall file with the Finance Department and/or City Engineering Division - DPW an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit harmless from all claims, damages or expenses that may arise by reason of the issuance of permits and the faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages or expenses

that may arise out of the maintenance of the temporary public alley closing; and further

Provided, The property owned by the petitioner and adjoining the temporary public alley closing shall be subject to the proper zoning or regulated use (Board of Zoning Appeals Grant) over the total width and length of the alley; and further

Provided, The petitioner's fence, gate and barricade installations shall provide 13 feet horizontal and 15 feet vertical clearances for utility maintenance vehicles and must only be installed in such a way to not prohibit pedestrian traffic within the sidewalk space; and further

Provided, No buildings or other structures of any nature whatsoever (except necessary barricades), shall be constructed on or over the public rights-of-way. The petitioner shall observe the rules and regulations of the City Engineering Division - DPW. The City of Detroit retains all rights and interests in the temporarily closed public rights-of-way. The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities in the temporarily closed public rights-of-way. Further, the petitioner shall comply with all specific conditions imposed to ensure unimpeded 24-hour-per-day access to the City and utility companies; and further

Provided, That this resolution does not permit the storage of materials, displays of merchandise, or signs within the temporarily closed public rights-of-way. Further, the placement of materials, merchandise, or signs on any adjacent temporary area is prohibited; and further

Provided, That at the expiration of the permit, all obstructions shall be removed at the petitioner's expense. The public property shall be restored to a condition satisfactory to the City Engineering Division - DPW by the petitioner at the petitioner's expense; and further

Provided, That this resolution is revocable at the will, whim or caprice of the Detroit City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and further

Provided, That this permit shall not be assigned or transferred without the written approval of the Detroit City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

July 24, 2018

Honorable City Council:

Re: Petition No. 116 — Ron and Roman, request for encroachment into the right-of-way along Erskine Street.

Petition No. 116 — Ron and Roman Architects on behalf of Brush Park Kitchen and Bar request for encroachments with four planters on the south side of Erskine Street, 60 feet wide, between

Woodward Avenue, 120 feet wide, and John R. Street, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of a restaurant being established at the southeast corner of Woodward Avenue and Erskine Street in the newly constructed "Scott" building.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. Traffic Engineering Division — DPW approves provided pedestrian traffic is accommodated, and a provision for a clear pedestrian walk, 6 feet wide, is a part of the resolution.

Detroit Water and Sewerage Department

(DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Ron and Roman or Brush Park Kitchen and Bar or their assigns to install and maintain encroachments with four planters on the south side of Erskine Street, 60 feet wide, between Woodward Avenue, 120 feet wide, and John R. Street, 60 feet wide, further described as: Land in the City of Detroit, Wayne County, Michigan, being that part of Erskine Street, 60 feet wide, lying northerly of and adjoining the northerly line of Lot 9 "Plat of Brush Subdivision of Part of Park Lots 14,15,16, and 17" as recorded in Liber 45, Page 121 of Deeds, Wayne County Records; and further described:

1) First planter being 5.0 feet long and 1.83 feet wide and adjoining the east 5.0 feet of the west 6.75 feet of the north line of above said Lot 9 and extending 1.83 feet into Erskine Street, 60 feet wide.

2) Second planter being 20.0 feet long and 1.83 feet wide and adjoining the east 20.00 feet of the west 31.75 feet of the north line of above said Lot 9 and extending 1.83 feet into Erskine Street, 60 feet wide.

3) Third planter being 4.0 feet long and 4.0 feet wide and adjoining the east 4.0 feet of the west 53.25 feet of the north line of above said Lot 9 and extending 4.0 feet into Erskine Street, 60 feet wide.

4) Fourth planter being 5.0 feet long and 1.83 feet wide and adjoining the east 5.00 feet of the west 75.25 feet of the north line of above said Lot 9 and extending 1.83 feet into Erskine Street, 60 feet wide.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That a minimum 6 feet wide clear unobstructed sidewalk shall be maintained for pedestrian traffic at all times, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance excess and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Ron and Roman or Brush Park Kitchen and Bar or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division - DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division - DPW and the Buildings and Safety Engineering Department. The

encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Ron and Roman or Brush Park Kitchen and Bar or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Ron and Roman or Brush Park Kitchen and Bar or their assigns. Should damages to utilities occur Ron and Roman or Brush Park Kitchen and Bar or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Ron and Roman or Brush Park Kitchen and Bar or their assigns shall file with the Department of

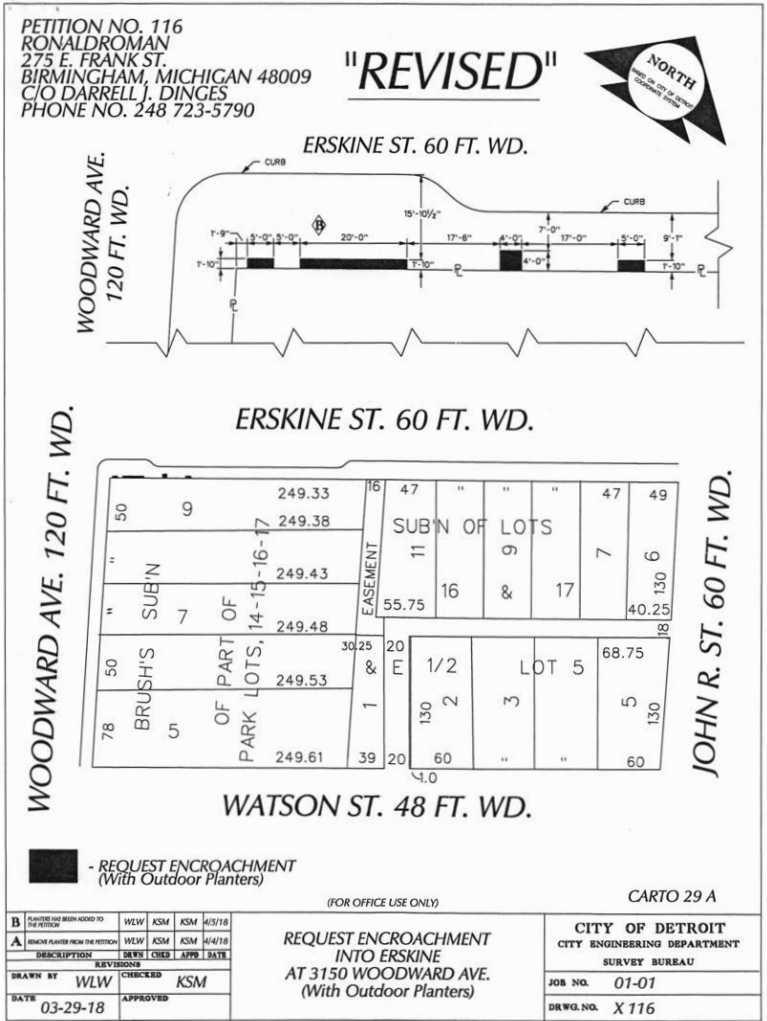

Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Ron and Roman or Brush Park Kitchen and Bar or their assigns of the terms thereof. Further, Ron and Roman or Brush Park Kitchen and Bar or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Ron and Roman or Brush Park Kitchen and Bar acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Human Resources Department
 Labor Relations Division**

August 21, 2018

Honorable City Council:

Re: Implementation of a Salary Range Adjustment for Classifications within the Department of Public Works

On May 23, 2017, this Honorable Body approved a salary range adjustment for employees in the following classifications — Vehicle Operator I (72-15-23) Vehicle Operator II (72-15-25) and Vehicle Operator III (72-15-29). This increase has impacted supervisory titles within the Department of Public Works and will place them in a position to make less than their subordinates if salary levels of supervision are not increased along with the Vehicle Operators series.

Therefore, in order to maintain traditional wage relationships between various classifications of employees which share a close working relationship and also facilitate the harmonious interaction of such employees, the Director of the Department of Public Works is requesting to increase the maximum rate for the classifications of Construction Equipment Operator — 50 Ton (72-15-38); Construction Equipment Operator (72-15-35); and Refuse Collection Packard Operator (61-81-11), effective February 2, 2018.

Therefore, in accordance with standard City procedure, the Labor Relations Division respectfully requests that your Honorable Body pass a resolution which approves the specified changes.

Respectfully submitted,
HAKIM W. BERRY
 Labor Relations Director

By Council Member Benson:

Resolved, That the 2018-2019 Official Compensation Schedule is hereby amended to reflect the following salary range adjustments, effective February 2, 2018.

Resolved, That the Chief Financial Officer is hereby authorized to honor payrolls and vouchers in accordance with this resolution, the above communication and standard City of Detroit practices.

B.U. CODE	CLASS CODE	CLASSIFICATION	CURRENT SALARY	PROPOSED SALARY

Honorable City Council:

Re: Implementation of Wage Increases for Non-Union Uniformed Police Executives

It is the longstanding policy of the City of Detroit to pass on to non-union Police Department executive employees the wage increases that are received by their unionized peers and subordinate personnel. This policy enables the City to attract and retain the highest quality employees for these executive positions.

On June 19, 2018, this Honorable Body approved a 2% wage increase, effective immediately, for the Detroit Police Command Officers Association and the Detroit Police Lieutenants and Sergeants Association. Therefore, we are recommending that your Honorable Body approve the attached resolution to provide for a 2% wage increase, effective July 2, 2018, for these non-union uniformed Police Executives on attached Schedule A.

Respectfully submitted,
HAKIM W. BERRY

Labor Relations Director

By Council Member Benson:

Whereas, It is the longstanding policy of the City of Detroit to pass on to non-union uniformed Police Department Executives the wages increases received by their unionized peers, and

Honorable City Council:

Re: Himelhoch Unit 2 2017 Limited Dividend Housing Association

Limited Liability Company — Phase II, Payment in Lieu of Taxes (PILOT).

American Community Developers, Inc. has formed Himelhoch Unit 2 Limited Dividend Housing Association, LLC (the "LDHA"). The LDHA owns Unit 2 of the Himelhoch Condominiums. The building is structured as three (3) separate condominium units with condo Unit 2 consisting of thirty-six (36) units of affordable housing for low-income seniors. The nine-story building is bounded by Park on the north, Woodward on the east, Clifford on the south and Washington Boulevard on the west.

The Project consists of floors two (2), three (3) and seven (7) consisting of thirty (30) one-bed, one-bath units and three (3) two-bed, one-bath units. There will also be three (3) studio apartments. There will be no rent increase for the existing tenants.

The Project is financed by a Continuing Collateral Mortgage provided by Lakeview Assets, L.L.C. in the amount of \$250,000. The Section 8 Housing Assistance Payment contract currently operating has been extended by twenty (20) years in order to preserve the affordability of these senior units.

Rents for all units have been set at or below sixty percent (60%) of the area median income, adjusted for family size. All residents will contribute only thirty percent (30%) of their adjusted gross income towards the rent amount. All thirty-six (36) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A).

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this housing project.

Respectfully submitted,
ALVIN HORHN
Deputy CFO/Assessor

By Council Member Ayers:

Whereas, Pursuant to the provisions of the Michigan State Housing Development Act, Act 346 of the Public Acts of 1966, as amended, being MCL 125.1401 se seq. (the "Act"), a request for exemption from property taxes has been received on behalf of American Community Developers, Inc. (the "Sponsor"); and

Whereas, A housing project as defined in the Act is eligible for exemption from property taxes under Section 15a of the Act (MCL 125.1415a) if the Michigan State Housing Development Authority

("MSHDA") provides funding for the housing project, or if the housing project is funded with a federally-aided mortgage as determined by MSHDA; and

Whereas, Section 15a of the Act (MCL 125.1415a) provides that the local legislative body may establish by ordinance the service charge to be paid in lieu of taxes, commonly known as a PILOT; and

Whereas, The City of Detroit has adopted Ordinance 9-90, as amended, being Sections 18-9-10 through 18-9-16 of the Detroit City Code to provide for the exemption from property taxes of eligible housing projects and to provide for the amount of the PILOT for said housing projects to be established by resolutions of the Detroit City Council after review and report by the Board of Assessors; and

Whereas, The Sponsor is proposing to undertake the rehabilitation of an existing housing project to be known as Himelhoch Unit 2 consisting of the rehabilitation of thirty-six (36) units in a nine-story building on one (1) parcel of property owned or to be acquired by the Sponsor as described by street address and tax parcel in Exhibit A to this resolution, with thirty-six (36) units for low-income senior housing (the "Project"); and

Whereas, The purpose of the Project is to serve low to moderate income persons as defined by Section 15a(7) of the Act, being MCL 125.1415a(7); and

Whereas, MSHDA has provided notice to the Sponsor that it intends to approve federal-aided financing for the Project, provided that the Detroit City Council adopts a resolution establishing the PILOT for the Project; and

Whereas, Pursuant to Section 15a of the Act, being MCL 125.1415a(l), the tax exemption is not effective until the Sponsors first obtain MSHDA certification that the housing project is eligible for exemption, and files an affidavit, as so certified by MSHDA, with the Board of Assessors; and

Whereas, Pursuant to Section 18-9-13(G) of the Detroit City Code, the tax exemption shall be effective on adoption, with the tax exemption and PILOT payment to occur only upon bona fide use and physical occupancy by persons and families eligible to move into the project, in accordance with the Act, which must occur as of December 31 of the year preceding the tax year in which the exemption is to begin;

Now, therefore, be it

Resolved, That in accordance with City Code Section 18-9-13, the Project known as Himelhoch Unit 2 as described above is entitled to be exempt from taxation but subject to the provisions of a service charge of four percent (4%) for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended,

being MCL 125.1401, et seq.; and be it further

Resolved, That arrangements to have collections of a payment in lieu of taxes from the Sponsor be established upon occupancy for future years with respect to the same be prepared by the Finance Department; and be it further

Resolved, That specific legal description for the Project shall be as set forth in the certification from MSHDA; and be it further

Resolved, That in accordance with Section 15a(3) of the Act, MCL 125.1415a(3), the exemption from taxation shall remain in effect for as long as the MSHDA-aided or Federally-aided financing is in effect, but not longer than fifty (50) years, and shall terminate upon the determination by the Board of Assessors that the Project is no longer eligible for the exemptions; and be it further

Resolved, That the City Clerk furnish the Finance Department — Assessment Division two certified copies of this resolution; and be it further

Resolved, That this resolution is adopted with a waiver of reconsideration.

Re: Pablo Davis II Limited Dividend Housing Association Limited Partnership — Payment in Lieu of Taxes (PILOT).

Bridging Communities, Inc. and MHT

Housing, Inc. have formed Pablo Davis II Limited Dividend Housing Association Limited Partnership in order to develop the Project known as Pablo Davis II. The Project is an existing eighty (80) unit senior apartment complex bounded by Dix on the north, Woodmere on the east, Vernor on the south and Dale on the west.

The rehabilitation Project will include seventy-four (74) 1 bedroom/1 bath and six (6) 2 bedroom/1 bath apartments. The preservation and renovation of the development will not result in a rent increase for the existing tenants.

The Project will be financed by a permanent mortgage loan in the amount of \$2,177,520 provided by Cinnaire Investment Corporation. National Equity Fund (NEF) an affiliate of Local Initiatives Support Corporation (LISC) Inc. will make Capital Contributions of \$4,059,676 which includes the purchase of Low Income Housing Tax Credits. A City of Detroit HOME loan in the amount of \$870,000 has been secured in conjunction with a loan forgiveness agreement with the City of Detroit Housing and Revitalization Department. Additionally, a construction loan amount of \$4,800,000 will be provided by JP Morgan Chase Bank, N.A.

Rents for all units have been set at or below sixty percent (60%) of the area median income, adjusted for family size. All residents will contribute only thirty percent (30%) of their adjusted gross income towards the rent amount. Re: Wendy Jones vs. City of Detroit. Water Department. File No.: 14419 (PSB).

On October 23, 2017, your Honorable Body authorized settlement of the wage loss portion of the lawsuit of Wendy Jones vs City of Detroit Water Department; File No. L14419 (PSB), in the amount \$162,000.00. At that time, Medicare's interest (pursuant to 42 U.S.C. Sec. 1395, et seq. and rules promulgated thereunder) had not been determined, and the medical part of Wendy Jones' claim was not resolved.

The City can adequately address Medicare's interests by purchasing an annuity for \$47,539.00 that will cover the cost of a Workers Compensation Set-Aside Arrangement, which was approved by Medicare on July 21, 2018.

We, therefore, request authorization to settle the medial part of this matter for the amount of Forty-Seven Thousand Five Hundred Thirty-Nine Dollars (\$47,539.00); and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Wendy Jones, and her attorney, Steven H. Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Sharon Watson vs. City of Detroit, Wayne County Circuit Court Case No. 16-012135-NI, on the following terms and conditions:

- A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.
- 2. Plaintiff shall recover a minimum amount of Twelve Thousand Dollars (\$12,000.00).
- 3. The maximum amount of any award to the Plaintiff shall not exceed the amount of Eighty-Five Thousand Dollars (\$85,000.00).

Any award under \$12,000.00 shall be interpreted to be in the amount of \$12,000.00.

Any award in excess of \$85,000.00 shall be interpreted to be in the amount of \$85,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrator.

The award of the arbitrator shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about September 23, 2015 at or near Cass and Elizabeth; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrator committed an error of law.

B. Promptly after the arbitrator announces the decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrator has announced a decision requiring the City to pay part or all \$85,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Sharon Watson and Joumana B. Kayrouz, PLLC, her attorney, in the amount of the arbitrators award, but said draft may not be less than Twelve Thousand Dollars (\$12,000.00) and shall not exceed Eighty-Five Thousand Dollars (\$85,000.00).

Re: Request to Accept and Appropriate the sub-award for the FY 2017 Clean Diesel Funding Assistance Program.

The Southwest Detroit Environmental Vision (SDEV) Project has awarded the City of Detroit General Services Department with a sub-award from the Environmental Protection Agency (EPA) — Region 5. The SDEV Project was awarded with the FY 2017 Clean Diesel Funding Assistance Program from the EPA. The SDEV Project sub-award was awarded to the General Services Department for a total of \$360,000.00. The SDEV Project share is \$360,000.00 or 25 percent of the approved amount and there is a cash match of \$1,080,000.00 or 75 percent. The total project cost is \$1,440,000. The grant period is February 1, 2018 - January 31, 2020.

The objective of the program is to protect public health and air quality by reducing pollutants caused by diesel emissions. The funding allotted to the department will be utilized to purchase eight (8) Class 6 diesel dump trucks. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20553, with the match amount coming from appropriation number 20507.

We respectfully request your approval to accept and appropriate funding in accordance with the attached resolution.

City Planning Commission

September 7, 2018

Honorable City Council:

Re: Request of City of Detroit Planning &

Development Department to amend Article XVII, District Map 56, of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing an R5 (Medium Density Residential) zoning classification where R3 (Low Density Residential) and R2 (Two-Family Residential) zoning classifications currently exist on five (5) parcels commonly identified as 7501 Webb Street, 7600 Burlingame Street, 10530 Bryden Street and 10461 and 10455 American Street. (RECOM-MEND APPROVAL.)

BACKGROUND AND PROPOSAL

The City Planning Commission (CPC) has received a request from the Planning & Development Department requesting that the City of Detroit amend Article XVII, District Map No. 56 of Chapter 61 of the 1984 Detroit City Code, 'Zoning,' to show an R5 (Medium Density Residential) zoning classification where R3 (Low Density Residential) and R2 (Two-Family Residential) zoning classifications currently exist on five (5) parcels commonly identified as 7501 Webb Street, 7600 Burlingame Street, 10530 Bryden Street, and 10461 and 10455 American Street, generally bounded by the westerly extension of Webb Street to the north, American Street to the east, the first alley south of Burlingame Street to the south and the I-96 Jeffries Freeway service drive to the west.

The subject property is currently vacant land. Historically, it was the site of Tappan Intermediate Public School which was demolished in 2001. The property is located on the west side of the City in City Council District 7.

Proposed Development

The Planning & Development Department proposes to sell or lease the subject parcels to the Council of Carpenters to build a training and education facility. The deal would also include 7515 Elmhurst Street and 7601 Webb Street which are already zoned R5. The development would be a significant investment in the neighborhood and would greatly improve accessibility for Detroit residents as the school is currently in Ferndale. This location is desirable as it has freeway access and is on a DDOT bus route (38 Plymouth).

The proposed use of Business College/Commercial Trade School is currently not allowed in any R-districts; it is first permitted conditionally in the B3 district and by-right in B4, B5 and B6 districts. It is also allowed in most industrial districts and several special districts. A text amendment is also proposed to newly allow this use by-right in the R5 district and is the subject of a companion report of the same date.

PLANNING CONSIDERATIONS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

- North: R5 (Medium Density Residential) — vacant land (included in the proposed development)
- East: R3 (Low Density Residential) & R2 (Two-Family Residential) — single family dwellings and vacant land
- South: R2 (Two-Family Residential) — single family dwellings
- West: I-96 Jeffries Freeway & M3 (General Industrial)

Approval Criteria

This proposal appears to meet the eight approval criteria for a map amendment listed in Section 61-3-80 of the zoning ordinance, specifically:

— *The amendment will not have adverse impacts on property in the vicinity.* Although the proposed rezoning allows more intense uses, it will encourage the redevelopment of this long-vacant site which will enhance the built environment and encourage further economic development.

— *The suitability of the subject property for the existing and proposed zoning classifications.* The location of the site adjacent to the freeway makes it suitable for a more intense zoning district. This development can function as a buffer between the noise and traffic from the freeway and the residential neighborhood adjacent.

— *Whether the proposed rezoning will create an illegal "spot zone".* As the property to the north is already zoned R5, this rezoning simply expands the existing R5 district an additional block to the south.

Master Plan Consistency

The subject site is located within the Winterhalter area of Neighborhood Cluster 6 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Low-Medium Density Residential" for the subject properties. The Planning & Development Department has submitted a formal master plan interpretation which finds that the proposed rezoning conforms to the master plan.

City Planning Commission Public Hearing Results

On June 7, 2018, the City Planning Commission held a public hearing on this rezoning request. One resident spoke in support of the proposal and no one spoke in opposition.

RECOMMENDATION

On June 7, 2018, the City Planning Commission voted to recommend approval of the rezoning request to amend District Map 56, of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing an R5 (Medium Density Residential) zoning classification where R2 (Two-Family Residential) and R3 (Low Density Residential) zoning classifications currently exist on five (5) parcels commonly identified as 7501 Webb Street, 7600 Burlingame Street, 10530

Bryden Street, and 10461 and 10455 American Street. The ordinance establishing the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

Honorable City Council:

Re: Request of Develop Detroit to amend Article XVII, District Map No. 5, of the 1984 Detroit City Code, Chapter 61, Zoning, and modify the provisions of the existing PD-H (Planned Development District) zoning classification established by Ordinance 833-G at the property commonly referred to as 4444, 4500 and 4520 Trumbull as well as 1303 W. Forrest (RECOMMEND APPROVAL WITH CONDITIONS).

NATURE OF PROPOSAL

The developer known as, Develop Detroit (DD) is petitioning the City of Detroit to amend Article XVII, District Map No. 5, of the 1984 Detroit City Code, Chapter 61, Zoning, and modify the provisions of the existing PD-H (Planned Development District) zoning classification established by Ordinance 833-G at the property commonly referred to as 4444, 4500 and 4520 Trumbull as well as 1303 W. Forrest. The project is known as University Meadows.

The petitioner is proposing to amend the existing PD for the aforementioned parcels to allow for the rehab of an existing 53 unit senior housing development and to construct two new residential buildings to include 88 units, new retail space as well as additional parking spaces.

The area to be rezoned is more specifically outlined on the attached map.

The subject property is on land located in the general area west of the John C. Lodge Fwy. and south of the Edsel Ford Fwy., in the neighborhood commonly known as Woodbridge at the corner of West Forest and Trumbull Avenue. The total site is comprised of approximately 4 acres of land.

The plan calls for the rehab of 48 units of senior housing while also proposing to erect two new buildings to serve the senior population by creating 88 new units within those structures. The total number of units for the overall development would consist of approximately 136 garden style apartment units. The plan calls for a mix of 90 one (1) bedroom units ranging from 550-650 sq. ft. and 46 two (2) bedroom units ranging from 750-970 sq. ft.

The proposed new buildings are planned to be three (3) story apartment structures with a total of approximately

9,020 sq. ft. of retail space to create a mixed-use development with 75 new supportive parking spaces. Amenities include a community room, computer center, library, lounges parlor, patio, community garden, pergolas and horseshoe courts.

The project is planned to be funded with multiple financing tools which include the Michigan State Housing Development Authority (MSHDA) gap financing, the 4% Low Income Housing Tax Credit Equity (LIHTC), the MSHDA Perm Mortgage and also the Deferred Development Fee.

PLANNING CONSIDERATIONS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

- North: PD: Multi-unit dwellings
- East: PD: Multi-family dwellings
- South: PD: GEE Edmonson Academy; residential dwellings
- West: B4: Forest Liquor store; Detroit Windows and Doors; multi-family dwellings

Master Plan Consistency

The subject site is located within the Jeffries area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows (RM - Medium Density Residential) for the subject property. The Planning and Development Department (P&DD) has made a determination that the proposal is consistent with the City's Master Plan.

ANALYSIS

According to Sec. 61-11-15, the PD District developments should conform to certain criteria. Some of those include:

Compatibility. *The proposed development should be compatible with surrounding development in terms of land use, general appearance and function, and should not adversely affect the value of properties in the immediate vicinity.*

The development will be built in similar mass and scale of the existing senior housing building as well as others that surround, making it consistent with the current character of the multi-family building stock in the area.

Open space. *Adequate public and private open space should be provided for light and air, landscaping and, where appropriate, for passive and active recreation.*

The development will incorporate a recreational green space and also include a looped walking path, bio-swale and other landscaping, which will enhance the property.

Urban design. *Urban design elements of form and character, especially in intensely developed areas, should be carefully considered. Such elements include, but are not limited to: richness and interest of public areas through the provision of storefronts, window displays, landscaping, and artwork; color, texture and quality of structural materials . . .*

Good urban design practice is being

employed in this plan as Lincoln Street, that lies within the project area, will once be reopened and utilized, breaking down the 'super block' that currently exists and connecting the street for easier travel for pedestrians in the area. The retail uses that will be incorporated into the new development will also add to the vibrancy of the area and serve as an amenity for residents and surrounding community.

PUBLIC HEARING RESULTS AND COMMUNITY OUTREACH

At the CPC public hearing, a representative from the Woodbridge Neighborhood Development Corporation spoke and submitted a letter in regard to support for the project with certain caveats, specifically as it relates to the design of the commercial space proposed. The Commission approved the project with direction for staff to continue the conversation regarding the design with the community and developer.

Since the public hearing, Develop Detroit has met with WNDC on an on-going basis and also with the current residents of the existing University Meadows housing complex to be rehabbed, to continuously address all questions and concerns. Staff has attended some of those meetings. CPC staff also facilitated a meeting specifically to discuss the design of the commercial space for the project. Minor design improvements were identified and

are under review to be incorporated by the developer.

RECOMMENDATION

The City Planning Commission recommends approval of the subject petition with the conditions that are as follows:

1. That the development must be consistent with the City's Master Plan, as determined by the Planning and Development Department; and
2. That the developer must continue to revise the design of the project, and to engage the community as part of the design process, all to the reasonable satisfaction of the City Planning Commission and the Planning and Development Department; and
3. That final site plans, elevations, landscaping, lighting and signage plans be reviewed and approved for consistency with approved plans by the staff of the City Planning Commission prior to application being made for applicable building permits; and
4. That the developer must mitigate construction-related impacts on neighboring properties,

City Planning Commission

September 14, 2018

Honorable City Council:

Re: Request of the petitioner American Community Developers, Inc. to modify the provisions of an existing PD-H (Planned Development-Historic) zoning classification on Article XVII District Map 4 of the 1984 Detroit City Code, Chapter 61, Zoning, on land bounded by Brush Street on the west, Watson Street on the north, Beaubien Street on the east and Wilkins Street on the south in order to allow for a three (3) building mixed-use development with below-grade parking (RECOMMEND APPROVAL WITH CONDITIONS).

NATURE OF REQUEST

Before this Honorable Body, is the

request of American Community Developers, Inc. (ACD) to modify the provisions of an existing PD-H zoning classification on land bounded by Brush Street on the west, Watson

Street on the north, Beaubien Street on the east and Wilkins Street on the south in order to allow for a three (3) building mixed-use development with below-grade parking.

The subject site is an entire city block that exists as a grassy open space, void of any structures and is approximately 1.42 acres in area, consisting of 11 parcels. Of those 11 parcels, two (2) are currently owned by the developer and the remainder are under control of the City to be subject of a development agreement with ACD, which was awarded the site after responding to the City's Request for Proposals (RFP). The subject site is located within the Brush Park Historic District.

PROPOSAL

The proposed development calls for

the construction of three (3) multi-story buildings, with one (1) level of below grade parking providing approximately 160 spaces with an additional seven (7) spaces above grade level. The Brush Street building (5 stories totaling 65 feet in height) will be roughly 56,000 square feet (sf) and the Beaubien Street building (4 stories totaling, 45 feet in height) will be roughly 45,000 sq. ft., while the mid-block building (3 stories - 35 feet in height) is roughly 35,000 sq. ft. The underground parking is planned to be 62,000 sq. ft.

22

The structures would include retail/commercial space in the Brush and Beaubien buildings. A promenade is planned to run through the middle of the site for short term parking for retail and also for other brief trips. ACD will be marketing the commercial space as a neighborhood market with a café (8,000 - 10,000 SF), but if they can't find a suitable market, the space will be marketed as neighborhood commercial/retail and/or restaurant use. There would be seven (7) surface short term parking spaces at rear along the promenade for retail. Signage would be in place to limit these spaces to 30 minutes to encourage turn-over. The southwest corner of Brush and Wilkins would possibly be a café and include outdoor seating.

Below-grade parking would be accessed by a ramp at the mid block. The underground parking is planned to be shared among the residential and retail users through a managed parking system. Residents would have keycard access. Retail users will have to take a ticket and validate at the retail. Amenities will include a dog park, fitness room, conference room, concierge system, indoor lounge and a rooftop patio.

The project will contain approximately 180 apartment units ranging from 63 efficiency units, 81 1-bedroom units and 36 2-bedroom units. Of that 180 units that are designated as affordable, 45 units are planned to reach the 30% - 60% area median income (AMI). Another 45 units are planned to reach the 80% AMI, leaving 90 units at market rate value.

The lighting and security plan for the site includes pole mounted fixtures, lighting at bollards and along each building. Buildings will be secured with card reader access for residents and security cameras will be placed around the buildings for full site coverage.

The project includes high levels of affordable units, not only at 80% AMI, but also delving deeper into the 30% - 60% range, achieving greater inclusivity with lower incomes. The development team will be applying for Low Income Housing Tax Credits, which has an early.

PLANNING CONSIDERATIONS AND ANALYSIS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows: North: is zoned PD; underutilized parcels; dilapidated church and vehicle filling station. East: is zoned PD; Brewster Homes. South: is zoned PD; Village of Brush Park Manor. West: is zoned PD; 312 Watson apartments.

Master Plan of Policies

The subject site is located within the Lower Woodward area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for

this area shows High Density Residential for the subject property. A letter has been requested from P&DD as to the consistency of the use with the Master Plan.

APPROVAL CRITERIA

In review of the approval criteria outlined in Sec. 61-3-96 of the Zoning Ordinance, staff notes the following:

(a) **Master Plan.** The proposed development should reflect applicable policies stated in the Detroit Master Plan.

CPC staff concludes the development is consistent with the Master Plan of Policies. The High Density residential designation actually suggests that the developer could exceed the heights that they are proposing if desired. However, the plans are consistent with city policy.

(b) **Scale, form, massing and density.** Scale, form, massing and density should be appropriate to the nature of the project and relate well to surrounding development.

Since the subject block is void of structures, the larger context is taken into account. The proposed buildings are at an appropriate scale and are not abrasive to neighboring buildings. In the context of the historic Sanborn maps that detail this area, the site should now accommodate more density than it likely once did. The density of the project is one of the factors that allows for greater assistance to renters in the target homes.

(e) **Parking and loading.** Where appropriate, adequate vehicular off-street parking and loading should be provided. The City Planning Commission will be guided by standards delineated in this zoning ordinance with adjustments appropriate to each specific situation.

Parking on the site should be convenient because it will be largely hidden from the public realm stationed underground. The single level of below grade parking is much more expensive than above grade options, but the benefit of traffic flow is significant. The parking is also helpful aesthetically, removing surface lots that could have occupied the site and surrounding properties.

(g) **Open space.** Adequate public and private open space should be provided for light and air, landscaping and, where appropriate, for passive and active recreation.

The project proposes a good amount of open space that will not only be available to residents, but also to the general public. The open space will be interior to the development, giving it a much more secure environment. The space will be important to accommodate the influx of people coming into the neighborhood after the numerous construction jobs, currently in process, are completed.

PUBLIC HEARING RESULTS AND COMMUNITY INPUT

The Brush Park CDC held a meeting in which this project was presented and

reviewed. Questions were raised and answered by the developer. The Administration also held a press conference to introduce this project along with another development that is just to the north.

Another meeting that was publicized and open to the public was held in August to give residents information on this project along with others. Questions again were taken from the floor and answered. The questions that were raised were seemingly answered appropriately. No opposition was stated in the meetings.

No members of the public spoke at the CPC public hearing.

RECOMMENDATION

At its regularly scheduled meeting of September 6, 2018, the City Planning Commission voted to recommend approval of the subject petition with conditions that are as follows:

- 1. That the Developer must continue to

revise the design of the project, to the reasonable satisfaction of the City Planning Commission; and

2. That the developer must mitigate construction-related impacts on neighboring properties; and

3. That the Developer receive a letter of recommendation from the Brush Park CDC prior to final zoning approvals; and

4. That final site plans, elevations, landscaping, lighting and signage plans be reviewed and approved for consistency with approved plans by the staff of the City Planning Commission prior to application being made for applicable building permits.

City Planning Commission

September 14, 2018

Honorable City Council:

Re: Request of Mr. Mohamed Elhady in conjunction with the Detroit City Planning Commission as co-petitioner, to amend Article XVII, District Map No. 16 of the 1984 Detroit City Code, Chapter 61, Zoning, by showing an M2 (Restricted Industrial District) zoning classification where a B4 (General Business District) zoning classification currently exists on thirteen (13) parcels, generally bounded by Armada Avenue extended to the north, the north-south alley first east of Conant Avenue to the east, Gaylord Avenue to the south and Conant Avenue to the west (RECOMMEND APPROVAL).

NATURE OF REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) has completed its review and deliberations on the request of Mr. Mohamed Elhady in conjunction with the Detroit City Planning Commission as co-petitioner. Consistent with the analysis and findings provided below, staff recommends approval of the request to show an M2 (Restricted Industrial District) zoning classification where a B4 (General Business District) zoning classification, currently exists on thirteen (13) parcels commonly identified as 17198, 17200, 17204, 17208, 17212, 17216, 17220, 17224, 17228, 17232, 17240, 17300 and 17340 Conant Avenue, generally bounded by Armada Avenue extended to the north, the-north-south alley first east of Conant Avenue to the east, Gaylord Avenue to the south and Conant Avenue to the west.

BACKGROUND

Upon reviewing both the Master Plan of Policies as well as zoning Map No. 16 and conducting a site visit to assess the current conditions of the subject area, CPC has determined that additional rezoning of the subject area is warranted. Therefore the Commission as co-petitioner is seeking the rezoning of twelve (12) additional parcels from B4 to M2.

The subject properties are located in

Council District 3 and measure approximately 2.33 acres in area. The parcels consist of thirteen (13) parcels commonly identified as 17198, 17200, 17204, 17208, 17212, 17216, 17220, 17224, 17228, 17232, 17240, 17300 and 17340 Conant Avenue. The two parcels to the north of Nancy Avenue identified as 17300 and 17340 Conant Avenue are currently developed, owned and operated by Winston Brothers Iron and Metal Work. The subject properties identified as 17240 and 17232 Conant are owned solely by the applicant and consists of two commercial structures which are presently licensed and permitted for used auto sales and minor motor vehicle repair. The remaining nine (9) parcels south of the petitioner's property are presently undeveloped and owned by the City of Detroit.

Proposed Development

The proposed map amendment is being requested to allow for the establishment of a "Tires, used: sales and/or service" facility at 17240 Conant Avenue and to bring the greater area into conformance with the Detroit Master Plan of Policies. The Master Plan identifies the subject site as being designated "Light Industrial" for the future general land use along the Conant Avenue frontage. The proposed used tire sales and/or services use would be permitted on a conditional basis in the proposed M2 zoning classification per Sec. 61-10-43(6) as an industrial service use.

SURROUNDING LAND USE AND ZONING

The zoning classification and land uses surrounding the subject area are as follows:

- North: M4; Winston Brothers Iron & Metal/Scrap Yard.
- East: R1; Single-family Residential.
- South: B4; Vacant Land / Hersh & Sons Auto Repair.
- West: M4; American Eagle Precast / Takbir Transmission Services.

CITY PLANNING COMMISSION PUBLIC HEARING & OTHER COMMUNITY MEETINGS

On February 16, 2018 CPC staff in conjunction with the petitioner held a community meeting at the Buddy's Pizza located at 17125 Conant Avenue. Three residents who reside on Nancy Avenue were in attendance and one resident called in via cellular phone. The petitioner's request to open a used tire sales facility was explained, as was Commission staffs position on co-petitioning. There were no objections or support offered for the proposed land use, nor were there any objections to the proposed zoning change. Those in attendance, did express concerns over the condition of the property in terms of overgrown brush, as well as the yellow paint color on the exterior of the building.

Staff did indicate that the requested land use is a conditional use, and one of

the conditions could address the exterior of the property.

On April 5, 2018, the City Planning Commission held a public hearing on this request. There were no members of the public in attendance to address the rezoning request.

The Commission raised concerns over maintenance and upkeep of the site, particularly the parcels under the control of the City of Detroit and requested that the Building Authority which is under contract to manage and market the cities commercial real estate holdings along with the General Services Department be contacted to see if the site could be cleaned, and freed of debris, particularly the illegally dumped furniture in the north-south alley immediately adjacent to the subject properties.

MASTER PLAN CONFORMANCE

The subject site is located within the Davison area of Neighborhood Cluster 1 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Light Industrial" for the subject property. CPC staff has submitted a letter to the Planning and Development Department (P&DD) requesting its comments regarding this proposal.

ANALYSIS

The proposed zoning classification of M2 would permit the requested used tire repair and service facility on a conditional basis. The proposed M2 zoning classification will permit 113 by-right public, civic, institutional, retail, service, commercial, manufacturing, industrial and other uses, compared to the 71 permitted by right uses in the existing B4 zoning classification. The most intensive uses in the M2 zoning classification includes "Truck terminals, transfer buildings, truck garages, recreational vehicle storage lots, and open areas for parking of semi-trailers, buses, and other operable commercial vehicles, not including limousines and taxicabs," and "Storage or killing of poultry or small game for direct, retail sale on the premises of for wholesale trade."

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria of Section 61-3-80 of the Zoning Ordinance, which must be considered in making recommendations and decisions on rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The petitioner's properties are presently zoned B4 and licensed for both used auto sales as well as minor motor vehicle repair. The proposed use of used tire sales and repair is consistent and compatible with surrounding land uses to the north and south. The proposed intensification in zoning however, is not conducive to the existing residential neighborhood to

the east of the subject properties, although the M2 zoning classification traditionally serves as a buffer between residentially zoned land and more intensive zoning classifications.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The Planning and Development Department has submitted their analysis of the proposed rezoning in relation to the Master Plan of Policies which states in part that the proposed rezoning will bring the area into conformance with the Master Plan of Policies. The site is adjacent to the other industrial land uses, with the exception of the residential area to the east. CPC staff is of the opinion that the intensification in zoning to M2 is more in line with the future general land use of "Light Industrial" than the current B4 zoning classification.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

The intensification of zoning adjacent to residential property is always of concern particularly when that new zoning classification allows more abrasive uses. The M2 district is designed for a wide range of industrial and related uses which can function with a minimum of undesirable effects. Industrial establishments of this type provide a buffer between residential districts and intensive industrial districts. Given the spacing and screening requirements which are specified for many of the uses permitted in the M2 zoning classification, CPC is of the opinion that this proposed amendment may protect the health, safety, and general welfare of the public.

The Commission is however, concerned about the storage of inoperable motor vehicles on the site, as well as the maintenance of the alley between the petitioner's property and the residential neighborhood.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property not will significantly change as a result of the proposed rezoning. The petitioner is making efforts to purchase the southern portion of the site between Nancy Avenue and Gaylord Avenue from the City of Detroit in order to better maintain the site.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

There are no concerns regarding any of these aspects.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

The vast majority of the uses in the immediate area are industrial in nature. However, there is a densely populated residential neighborhood to the east of the subject property. Given the spacing, setback, landscaping and screening requirements for the proposed use the Commission is of the opinion that no significant adverse impacts will occur as a direct result of the proposed rezoning.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing B4 zoning classification is not conducive for the proposed used tire sales and service facility. In providing the recommendation for a M2 zoning classification the CPC evaluated all zoning classifications and determined that the M2 zoning classification would allow for the proposed use and maintain the character of the neighborhood, while providing an opportunity for the residential community to weigh in on the licensing and permitting of such a use.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Given the industrial nature of the corridor in which this rezoning has been requested and the City Planning Commission, serving as co-petitioner; along with the proposed rezoning's consistency with the Master Plan of Policies, CPC is of the opinion that the proposed rezoning would not constitute an illegal "spot zone."

Suitability of the Property

One of the aforementioned criteria for rezoning states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No. 16 generally shows a mix of R1, B4, M2 and M4 zoning on the north, south, east and west around the subject property. This section of the Davison subsector is primarily developed with industrial and commercial uses. The existing residential properties along Nancy Avenue and Gaylord Avenue where primarily built between 1926 and 1927. As previously stated the M2 zoning classification is designed to buffered residential properties from more intensive use.

In general, the CPC looks favorably on the rezoning of the subject parcels to accommodate the establishment of a "used tire sales and services" facility and to bring the greater area into conformance with the Master Plan of Policies.

Land Use

CPC is of the opinion that an M2 (Restricted Industrial District) zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of additional automotive

related uses. Additionally, all proposed uses are consistent with the Master Plan of Policies.

Significant Impact on Other Property

CPC is of the opinion that the rezoning of this property from a commercial standpoint might add to the sustainability of the surrounding community by allowing the establishment of an economically viable, tax revenue generating development.

RECOMMENDATION

On April 19, 2018 the City Planning Commission voted to recommend approval of the request of Mr. Mohamed Elhady in conjunction with the Detroit City Planning Commission as co-petitioner. Consistent with the analysis and findings provided above, the CPC recommends approval of the request to show an M2

(Restricted Industrial District) zoning classification where a B4 (General Business District) zoning classification, currently exists on thirteen (13) parcels commonly identified as 17198, 17200, 17204, 17208, 17212, 17216, 17220, 17224, 17228, 17232, 17240, 17300 and 17340 Conant Avenue, generally bounded by Armada Avenue extended to the north, the north-south alley first east of Conant Avenue to the east, Gaylord Avenue to the south and Conant Avenue to the west.

City Planning Commission

September 14, 2018

Honorable City Council:

Re: Request of Covenant Community Care, Inc. to modify the existing PD (Planned Development) zoning classification created by Ordinance No. 15-10 on Zoning District Map No. 40 at the former Herman Gardens public Housing site (now known as Gardenview Estates) at the northerly 500 feet, more or less, of Parcel F to allow for the construction of a new one-story building to be occupied by

a medical and dental clinic at 17625 Joy Road (RECOMMEND APPROVAL WITH CONDITIONS).

Covenant Community Care, Inc. is petitioning the City to modify a portion of the existing PD at the Former Herman Gardens public housing site, now known as Gardenview Estates, which is generally bounded by Joy Road, Asbury Park Avenue, Tireman Avenue and the Southfield Freeway. The request would modify the existing PD created by Ordinance No. 15-10 of 2010 on Zoning District Map No. 40 within Article XVII, Chapter 61 of the 1984 Detroit City Code, Zoning (please see Attachment A for the location of the subject site on Zoning Map No. 40). Covenant Community Care, Inc. is proposing to construct a new one-story building on four acres of land to be occupied by a medical and dental clinic at 17625 Joy Road.

Background

Back in the late 1990's and early 2000's, when the concept design was drawn up for the Gardenview Estates redevelopment project, the southeast corner of the intersection of the Southfield Freeway and Joy Road was designated to be developed as future retail/commercial space. The Gardenview Estates Condominium Deed divided the entire redevelopment project into parcels A through U; the subject commercial area is located on the north end of Parcel F which runs along the Southfield Freeway service drive from Joy Road on the north to Tireman Avenue on the south.

Ordinance No. 15-10 of 2010 established a PD zoning district across the remaining 100 acres of the Gardenview Estates. The ordinance stated, in part, that the parcel identified on the preliminary site plan for future retail (the northerly 500 feet more or less of Parcel F) shall remain as designated vacant PD. The subject commercial area contains a total of 7.7 acres and is presently vacant surrounded by fencing.

Proposal

In early 2018, Covenant Community Care purchased 4 of the 7.7 acres from the Detroit Housing Commission (DHC) in order to develop a medical clinic. The remaining 3.7 acres at the intersection of the Southfield Freeway and Joy Road is still available for future commercial development. Covenant Community Care is proposing to construct a 1-story building containing 24,124 square feet. The building would house 3 uses: the Covenant medical clinic occupying 5,398 square feet, a University of Detroit Mercy School of Dentistry clinic occupying 10,003 square feet and a multi-purpose community meeting room occupying 5,070 square feet. Please see Attachment B for a copy of the proposed plans.

Public Hearing and Follow-up

On June 21, 2018, the City Planning Commission held a public hearing on the

PD modification. At the hearing, no members of the public attended or spoke. Covenant Community Care representatives gave an overview of the project. The Planning Commissioners discussed the following 3 primary issues:

- How would the proposed new development deal with storm water management?
- The Commissioners asked if staff had an additional background information about the original concept for developing the northwest corner of the site with commercial uses and any updates on the status of developing the remaining 3.7 acres of the site; and
- The Commissioners asked if a representative of the U of D Mercy Dental Clinic could attend when the project returned before the CPC in anticipation action.

Covenant Community Care indicates that storm water from the site would be tied directly into the large retention basin (a gravity based system) located on the Gardenview campus along the Southfield Freeway service drive. CPC staff found a Conceptual Master Plan dated August 2004 for the redevelopment of the Herman Gardens; this plan shows a concept for a retail center at the northwest corner of the site. Furthermore, sales literature for the Gardenview Estates, in part, promotes, approximately 7 acres of planned retail development along the Joy Road/Southfield frontage, CPC staff spoke with staff of the DHC, which indicated it is presently working with Holy Cross Services and Trinity Health to purchase and develop the remaining 3.7 acres. Plans for this site are still in the preliminary stages, but would include health related and retail uses. Lastly, a representative of the U of D Mercy Dental Clinic attended the subsequent CPC meeting.

Meeting with P&DD and Community

After the June 21st hearing, the petitioner met with P&DD staff to review the project and the site plan. P&DD requested several changes to the site plan including: moving the location of the main drop-off to the center of the site, switching the locations of the public vs. staff parking, moving the location of the multi-purpose community meeting room to the front of the building, reserving space at the front of the site along Joy Road for possible future residential development. The CPC agreed to moving the community meeting room to the front of the building to help activate the facade facing Joy Road and moving the main drop-off to the middle of the site. The CPC staff proposed expanding the front setback to match the senior building to the east, which was agreed to.

After the June 21st public hearing, an additional community meeting was held on July 9, 2018, with about 40 area residents in attendance. General feedback from this meeting included:

- The community affirmed maintaining

the existing fencing separating the new building from the existing residential;

- The community affirmed not connecting the site to the Gardenview roadway system, but having a pedestrian linkage;
- The community was pleased the site would be a "Project Green Light" location;
- There was need for an eye care service, but Covenant Community Care indicated it did not have plans, in part, because there was not enough room within the building;
- The community is still interested in the remaining 3 acres to the west being developed with commercial uses;
- The community was interested in using the proposed community meeting room within the building, and Covenant Community Care committed to having at least one monthly health related event in community space with Gardenview residents; and
- Covenant Community Care committed to inviting representative from Gardenview to join its board.

Analysis

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

- North: B4 (General Business District); developed with commercial buildings and vacant land
- East: PD; developed with Gardenview Estates 3-story senior apartments
- South: PD; developed with Gardenview Estates 1-story patio home duplexes and vacant land
- West: PD; vacant land. B4 across the Southfield Freeway

Parking Lot and Parking Lot Landscaping

The proposed project would have two separate parking lots; one for the public and one for staff. The revised site plan shows a public parking lot with a total of 88 spaces, and the secured staff parking lot would have 143 spaces for a total of 231 spaces.

The existing PD zoning allows flexibility in meeting the parking standards. For clinics, the Zoning Ordinance requires 1 space per 200 square feet or 5 per doctor, dentist or therapist, whichever is greater. The multi-purpose community room would require 1 space per 400 square feet. As a result, it appears the Zoning Ordinance would require 27 spaces for the medical clinic, 50 spaces for the dental clinic, and 13 spaces for the multi-purpose space for a total of 90 parking spaces required.

The petitioner indicates the medical clinic is proposed to have 12 exam rooms and a small pharmacy. At any one time, there would be 4 doctors available and about 20 support staff. The dental clinic would have 42 dental chairs, with each chair having at any one time 1 staff and 2 students assigned per chair. Because the

U of D clinic is a teaching facility, the dental clinic alone is requesting extra spaces. The CPC favors less parking provided to better match the Zoning Ordinance standards; however, the CPC understands the clinic is unique in that it is in part a teaching facility which requires additional spaces.

Some of the parking spaces on the proposed site plan are only 18 feet in length, 2 feet short of the required 20 feet. The CPC recommends the site plan be revised to show standard spaces at 9 by 20 feet.

The Zoning Ordinance lists requirements for interior parking lot landscaping. Based on the ordinance, there is adequate interior landscaping for the public lot, but not for the employee parking lot. Therefore, additional landscaping within the staff lot should be provided.

Fencing

The existing site presently has a 6 foot high black chain link fence along Joy Road, and a 6 foot high black decorative fence along the east and southeast property line.

The petitioner is proposing to keep and tie into the existing decorative fence on the east and southeast property line. The petitioner is proposing to remove the chain link fence along Joy Road. The petitioner is proposing a new fence around the new staff parking lot; the CPC recommends the new fencing around the employee parking lot be 6 foot high, black, and either chain link or decorative.

Landscaping

The petitioner has submitted a basic landscaping plan which includes landscaped setbacks, as well as parking lot islands. The site plan shows a larger yard area south of the proposed multipurpose community room.

The CPC recommends additional landscaping be added adjacent to all sides of the proposed building, as well as at the southeast corner of the site adjacent to residential units to the southeast. Lastly, the CPC recommends landscaping be provided within the yard area adjacent to the multi-purpose community room.

Linkage to Gardenview Estates

As stated earlier, the community is requesting that a pedestrian sidewalk linkage be provided between the proposed development and the Gardenview residential area to the east or southeast. The developer has agreed to provide a pedestrian path connecting the two uses.

Zoning Ordinance Map Amendment

Approval Criteria

Section 61-3-80 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based:

1. *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;*

There is no error in the current zoning

map. However, the proposed PD modification meets the challenge of a changing condition. The subject area was cleared as part of the removal of the former Herman Garden site, and there is now interest in developing commercial uses on this vacant PD parcel.

2. *Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;*

The subject site is located within the Brooks area of Neighborhood Cluster 7 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows RLM (Low/Medium Density Residential) for the entire Gardenview Estates area. The Planning and Development Department (P&DD) concludes, in part, that most residential classifications allow for neighborhood-scale commercial development, and that the development does not change the Future General Land Use characteristics of the area and conforms to various Master Plan policies.

3. *Whether the proposed amendment will protect the health, safety, and general welfare of the public;*

The proposed amendment would return an underutilized property to full use and provide affordable health care options to the city.

4. *Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;*

The proposed project is located on Joy Road which is presently a secondary service route for DDOT.

5. *Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;*

The proposal has addressed storm water issues by tying into the existing large retention pond just south of the subject site.

6. *Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;*

As long as properly buffered from the surrounding property, the proposed project would not have significant adverse impacts on property in the vicinity.

7. *The suitability of the subject property for the existing zoning classification and proposed zoning classification; and*

The subject property itself is suitable for the existing PD zoning classification.

8. *Whether the proposed rezoning will create an illegal "spot zone."*

The PD District is designed as a flexible zoning district that is required to be compatible with its surroundings. It does not constitute an illegal spot zone.

Zoning Ordinance PD Amendment Approval Criteria

In addition to Section 61-3-80, Section 61-3-96 of the Detroit Zoning Ordinance lists ten approval criteria on which PD zoning map amendments shall be based:

1. *Whether the subject site:*

a. *Covers a minimum of two (2) acres of contiguous land under the control of one (1) owner or group owners. However, upon determining that an adequate development can be accomplished on a parcel of lesser size, the City Planning Commission may waive this requirement; and*

b. *Is capable of being planned and developed as one integral unit, except in unusual circumstances;*

The subject criteria are met.

2. *That no other zoning district classification would be more appropriate.*

PD was deemed appropriate for the redevelopment of the former Herman Gardens site. The PD District is designed as a flexible zoning district that is required to be compatible with its surroundings.

3. *That the development will result in a recognizable and substantial benefit to the ultimate users of the project and to the City, where such benefits would otherwise be unfeasible or unlikely to be achieved. The benefits can be accomplished through a higher quality unified design that would be required by the typical regulations of this Zoning Ordinance. These benefits shall be demonstrated in terms of preservation of natural features, unique architecture, extensive landscaping, special sensitivity to land uses in the immediate vicinity, particularly well-designed access and circulation systems, and/or integration of various site features into a unified development;*

The proposed development with proper design, location and landscaping would benefit the city.

4. *Whether the location of the proposed Planned Development district is appropriate;*

In 2010, the PD zoning classification was deemed appropriate for the large-scale redevelopment of the former Herman Gardens site with a diversity of residential types and complimentary retail.

5. (Repealed);

6. *Whether the proposed Planned Development substantially responds to the intent of Section 503 of the Michigan Zoning Enabling Act, being MCL 125.3503, to:*

a. *Permit flexibility in the regulation of land development;*

b. *Encourage innovation in land use and variety in design, layout, and type of structures constructed;*

c. *Achieve economy and efficiency in the use of land, natural resources, energy, and the providing of public services and utilities, encourage useful open space; and*

d. *Provide better housing, employment, and shopping opportunities that are particularly suited to the needs of the*

residents;

The subject PD allows complimentary commercial uses as part of the Herman Garden redevelopment. The subject proposal allows health services to meet the needs of the area residents.

7. *That the proposed type and density of use shall not result in an unreasonable increase in traffic or the use of public services, facilities and utilities, that the natural features of the subject site have the capacity to accommodate the intended development, and that the development shall not place an unreasonable burden upon surrounding land or land owners;*

The proposed development is not expected to generate an unreasonable increase in traffic and should not place a burden on surrounding land.

8. *That the proposed Planned Development is consistent with the Master Plan, as determined by the Planning and Development Department;*

See analysis above.

9. *Whether uses and structures that are planned for the Planned Development district comply with all applicable site design standards and use regulations which are specified in ARTICLE XI, DIVISION 2 of this Chapter.*

The CPC has reviewed the PD Design Criteria in Section 61-11-15 and finds that the criteria are met with the recommended conditions listed above.

10. (Repealed)

Recommendation

The City Planning Commission recommends approval of the request of the Covenant Care Community, Inc. to modify the existing PD created by Ordinance No. 15-10 of 2010 on Zoning District Map No. 40 within Article XVII, Chapter 61 of the 1984 Detroit City Code, Zoning, with the following conditions subject to final review and approval by CPC staff:

1. For all new fencing, that a revised site plan be submitted to show a black, maximum 6-foot high, decorative or chain link fence surrounding the staff parking lot;

2. That a revised landscape plan be submitted showing additional landscaping in the following areas: 1) adjacent to all sides of the building; 2) the southeast corner of the site adjacent to existing residential units, 3) within the open space adjacent to the multipurpose community room, and 4) within the secured staff parking lot;

3. That the site plan be revised to show all parking spaces within the parking lot to be not less than nine (9) feet by twenty (20) feet (except handicap spaces, which shall comply with Article XIV, Division 1, Subdivision G of the Zoning Ordinance);

4. That the site plan be revised to show a sidewalk (pedestrian connection) between the proposed clinic and the Gardenview Estates residential area to the east or southeast;

5. That any lighting to be installed in the parking lot or on the building exterior be compatible with the surrounding residential community and designed to reflect downward;

6. That the site plan be revised to show a location for bicycle parking; and

7. That the final site plans, elevations, lighting, landscaping, and signage plans be submitted by the developer to the staff of the CPC for review and approval for

consistency with approved plans prior to making application for applicable permits.

The ordinance approved as to form is attached for your consideration.

By Council Member Tate:

AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as Detroit Zoning Ordinance, by amending Article XVII, District Map No. 40 to modify the existing PD (Planned Development District) zoning classification established by Ordinance 15-10 on property generally bounded by Joy Road, Asbury Park Avenue, Tireman Street, and the Southfield Service Drive to approve the development proposal and plans on a portion of the designated vacant PD referred to as 17625 Joy Road on a portion of Parcel F.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Article XVII, Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, is amended as follows:

District Map 40 is amended to modify the approved plans for the PD (Planned Development District) zoning classification established by Ordinance No. 15-10 currently shown on:

A PARCEL OF LAND LOCATED IN PART OF THE NORTHWEST 1/4 OF SECTION 1, T.2 S., R. 10 E., CITY OF DETROIT, WAYNE COUNTY, MICHIGAN, BEING MORE PARTICULARLY DESCRIBED AS: COMMENCING AT THE NORTHWEST CORNER OF SAID SECTION 1; THENCE S. 89°27'05" E. 148.01 FEET ALONG THE NORTH LINE OF SAID SECTION 1; THENCE S.

00°03'44" W. 60.00 FEET TO A POINT ON THE SOUTH RIGHT OF WAY LINE OF JOY ROAD (120 FEET WIDE); THENCE ALONG SAID SOUTH RIGHT OF WAY LINE S. 89°27'05" E. 270.41 FEET TO THE POINT OF BEGINNING THENCE CONTINUING ALONG SAID RIGHT OF WAY LINE S. 89°27'05" E. 449.90 FEET; THENCE THE FOLLOWING FOUR (4) COURSES ALONG THE WEST AND NORTH LINES OF GARDENVIEW ESTATES CONDOMINIUM, WAYNE COUNTY CONDOMINIUM PLAN NO. 989: 1) DUE SOUTH 240.84 FEET, 2) 144.58 FEET ALONG THE ARC OF A CURVE TO THE LEFT, RADIUS 563.00 FEET, CENTRAL ANGLE 14°42'48" AND A CHORD THAT BEARS S. 52°21'24" W. 144.18 FEET, 3) S. 45°00'00" W. 154.87 FEET AND 4) DUE WEST 226.21 FEET; THENCE DUE NORTH 442.71 FEET TO THE POINT OF BEGINNING AND CONTAINING 4.00 ACRES.

All development subject to the PD (Planned Development District) zoning classification on land herein described shall be in accordance with the proposal, site plans, and elevations prepared by HED dated August 1, 2018, subject to the following conditions:

1. That a revised site plan be submitted to show a black, maximum 6-foot high, decorative metal or chain link fence surrounding the staff parking lot;
2. That a revised landscape plan be submitted showing additional landscaping in the following areas: 1) adjacent to all sides of the building; 2) the southeast corner

of the site adjacent to existing residential units; 3) within the open space adjacent to the multi-purpose community room; and 4) within the secured staff parking lot;

3. That the site plan be revised to show all parking spaces within the parking lot to be not less than nine (9) feet by twenty (20) feet (except handicap spaces, which shall comply with Article XIV, Division 1, Subdivision G of the Zoning Ordinance);

4. That the site plan be revised to show a sidewalk (pedestrian connection) between the proposed clinic and the Gardenview Estates residential area to the east or southeast;

5. That any lighting to be installed in the parking lot or on the building exterior be compatible with the surrounding residential community and oriented at a downward angle in order not to intrude on adjacent property;

6. That the site plan be revised to show a location for bicycle parking;

7. That the phrase "future development" written on the yard/setback area along Joy Road be removed from the site plan; and

8. That the final plans, elevations, lighting, landscaping, and signage plans be submitted by the developer to the staff of the CPC for review and approval prior to making application for applicable permits.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety and welfare of the people of the City of Detroit.

Section 4. This ordinance shall become effective on the eighth (8th) day after publication in accordance with Section 401(6) of Public Act 110 of 2006, as amended, M.C.L. 125.3401(6), and Section 4-118, paragraph 3 of the 2012 Detroit City Charter.

City Planning Commission

September 7, 2018

Honorable City Council:

Re: Zoning Ordinance Text Amendment to allow Business Colleges and Commercial Trade Schools by-right in R5 (Medium Density Residential) Zoning Classification (RECOMMEND APPROVAL).

PROPOSAL

The City Planning Commission received a request for rezoning in order to facilitate the development of a Carpentry Trade School on the City's west side. Please see the concurrent report for additional details. In order to facilitate the rezoning in the most reasonable fashion the CPC determined that a text amendment to the Zoning Ordinance would also be necessary. The Commission has devised and considered changes to the provisions of the R5 (Medium Density Residential) zoning classification and now advances the proposed text amendment to your Honorable Body.

BACKGROUND

The Detroit Zoning Ordinance divides post-secondary educational facilities into two categories:

— Educational Institutions such as colleges and universities

— Business Colleges & Commercial Trade Schools

Although the uses are somewhat similar, they are treated quite differently. Educational Institutions are classified in the School use category and widely allowed in both residential and commercial districts but not in industrial districts. Business Colleges & Commercial Trade Schools are classified in the Retail Sales & Service use category and allowed in some business and industrial districts, but not generally in residential districts. One logical reason for the different treatment is the wide range of vocations taught in trade schools — some of which are generally benign such as barbers & cosmetologists or others which have potentially detrimental impacts such as truck drivers and auto repair technicians.

Trade schools have gained popularity in recent years as an alternative to traditional four-year colleges due to their lower cost and often better employment opportunities. There is also a well-documented shortage of trade workers, especially in the construction trades. By allowing Trade Schools in additional zoning districts, access could be improved for Detroit residents, thereby increasing their employment opportunities.

This specific text amendment was prompted by the potential sale or lease of city land to the Council of Carpenters to build a training and education facility within the City of Detroit.

PROPOSED ORDINANCE AMENDMENT

Provisions of the proposed text amendment are detailed as follows:

- 1. Sec. 61-8-96 — List of by-right uses in R5; Add "Business college or commercial trade school, other than truck driving school"
- 2. Sec. 61-8-102 — List of conditional uses in R5; Remove "Business college or commercial trade school, other than truck driving school"

Re: On May 2, 2018, petition #317, submitted to the City Clerk's Office requesting that the intersection of Anthony Wayne Drive and West Warren be assigned the secondary street name Tapan Datta Boulevard.

The Historic Designation Advisory Board (HDAB) staff has reviewed the documentation submitted to the City Clerk's office by the petitioner for the establishment of a Secondary Street Sign. Upon review of the documentation submitted by the petitioner (see attachment) staff has determined that reasonable grounds has been provided and therefore has concluded that the petition meets the criteria for **Secondary Naming of Street in accordance with Article VII Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code.**

Criteria

As stated in Chapter 50 of the 1984 Detroit City Code, *Streets, Sidewalks and Other Public Places, Article VII, Opening, Closing, Extending, Widening, Vacating, Naming and Renaming of Streets and Assigning Secondary Names to Streets.* A secondary street name designation may be sought to recognize a person who achieved prominence as a result of his or her significant, position, contributions to the City of Detroit, State of Michigan, the United States of America, or the international community.

1. Sites, buildings, structures where cultural, social, spiritual, economic, political, architectural history of the community, city, state or nation is particularly reflected or exemplified.

2. Sites, buildings, structures, which are identified with historic personages or with important events in the community, city, state or national history.

Housing and Revitalization Department

September 19, 2018

Honorable City Council:

Re: Petition #295 — Café D'Mongo's Speakeasy Restaurant to establish a Temporary Outdoor Café at 1439 Griswold Street.

The above-named petitioner has requested permission for temporary Outdoor Café Service. This service will

convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval at the above-referenced location.

The Department of Public Works/City Engineering Division (DPW/CED), who has jurisdiction over temporary encroachment on City right-of-ways, has approved this request contingent upon the petitioner's compliance with applicable City ordinance related to outdoor café activities, and the remittance of the annual use-permit fee to the Permit Section of the DPW/CED. The Petitioner shall remove fence and all equipment for the Outdoor Café by the end of Outdoor Café Season.

The petitioner shall secure his business license and certificate of occupancy from Buildings and Safety Engineering Department every year.

The Health Department has approved this petition, subject to the petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Health Department's Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. Prior approval from the Central District Precinct does not cover serving liquor in outdoor café area until the Detroit Police Liquor License Bureau has given approval.

The Housing & Revitalization Department (H&RD) is not aware of any objections from any other City Agencies involved. It is the recommendation of H&RD that the petitioner's request be granted, subject to the terms and conditions provided in the attached resolution.

Respectfully submitted,

JOHN SAAD, P.E.

Engineering Services Coordinator
By Council Member Tate:

Resolved, That the Department of Public Works — City Engineering Division (DPW/CED) is hereby authorized and directed to issue a use-permit to Café D'Mongo's Speakeasy Restaurant "Permittee", whose address is at 1439 Griswold, Detroit, Michigan, to install and maintain an outdoor café which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor café activities, prior to the issuance of said use-permit; and

Provided, That the café meets the regulations set by the "Outdoor Café Guidelines" as adopted by the City

Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over the Outdoor Café process; and

Provided, That the petitioner obtains all necessary permits and Certificate of Occupancy from the Building, Safety, Engineering and Environmental Department (BSEED); and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Detroit Police Department; and

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department; and

Provided, That the "Permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, That the "Permittee", prior to obtaining said permit, file an Indemnity Agreement in a form approved by the Law Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "Permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That the filing of said Indemnity Agreement for this current year shall be construed as acceptance of this Resolution by the "Permittee"; and

Provided, That the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "Permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "Permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "Permittee" at its expense; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the café; and

Provided, That the outline and location of the outdoor café is not to be different

from the site plan approved by the Housing & Revitalization Department and the Department of Public Works; and

Provided, That if any tent, canopy or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Building, Safety, Engineering & Environmental Department and the Department of Public Works/City Engineering Division; and

Provided, That the outline and location of outdoor café is not to be different from previously approved site plan by the Historic District Commission; and

Provided, That all railing equipment and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "Permittee's" expense.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Leland, Castaneda-Lopez, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

September 14, 2018

Honorable City Council:

Re: Reprogramming Amendment to the Community Development Block Grant (CDBG) Annual Action Plan for Fiscal Years 2010-11, 2011-12 and 2015-16.

The Housing and Revitalization Department (H&RD) hereby requests to amend the Community Development Block Grant (CDBG) Annual Action Plan for FY 2010-11, 2011-12 and 2015-16. The funds targeted for reprogramming consist of unused funds, balances for programs that no longer exist or are funds unlikely to be used in a timely manner. If these funds are not expended, the City's federal grant allocations will be at-risk of being recaptured by the U.S. Department of Housing and Urban Development (HUD). A summary of the proposed changes are as follows:

Line Items to be Reprogrammed:

• University Commons (FY 2010-11 and 2011-12)	\$200,000
• SHAR, INC. (FY 2015-16)	\$ 84,000
Total	\$284,000

Line Item for Funding Addition:

• Jefferson East Inc. Commercial Facade Rehab	
Total	\$284,000

We respectfully request that your Honorable Body approve the attached

resolution authorizing the reprogramming amendment to the CDBG Annual Action Plan for the stated purpose. This proposed reprogramming amendment was posted on the City's website and advertised in the Detroit News/Free Press. Upon City Council's approval, it will be transmitted to HUD.

We ask that the Council approve this with a Waiver of Reconsideration.

Respectfully submitted,
DONALD RENCHER
Director

By Council Member Tate:

Whereas, The Detroit City Council hereby approves amending the Annual Action Plan to reflect the reprogramming of Community Development Block Grant (CDBG) funds in accordance with the foregoing communication; and

Whereas, The Mayor of the City of Detroit, Michael E. Duggan, is hereby authorized to amend the Annual Action Plan, including all understandings and assurances contained therein to the U.S. Department of Housing and Urban Development (HUD), in accordance with the foregoing communication; and

Resolved, That the Budget Director be and is hereby authorized to Increase Appropriation #10620 — Jefferson East Inc. — Economic Development Commercial Facade Rehabilitation by \$284,000.00; and

Resolved, That the Budget Director be and is hereby authorized to Decrease Appropriation #11507 — University Commons — Economic Development Commercial Facade Rehabilitation by \$200,000.00; and

Resolved, That the Budget Director be and is hereby authorized to Decrease Appropriation #20155 — SHAR, Inc. Public Facility Rehabilitation by \$84,000.00; and

Be it finally

Resolved, That the Finance Director be and is hereby authorized to accept and process all documents reflecting these changes.

September 19, 2018

Honorable City Council:

Re: Certification of Abandoned Property for Accelerated Forfeiture Act (P.A. 132 of 1999).

Under the Certification of Abandoned Property for Accelerated Forfeiture Act (P.A. 132 of 1999), property that contains a structure that is vacant or dilapidated,

open to entrance or trespass and has delinquent taxes, can be certified as abandoned by the Local Unit (the City of Detroit). The foreclosure process for delinquent property taxes may then be accelerated for foreclosure.

Pursuant to the Act, the City must pass a resolution by October 1st of each year stating that parcels of abandoned tax delinquent property exist. The resolution should state that such abandoned property contributes to crime, blight and decay, and that the accelerated forfeiture and foreclosure will return the property to productive use more rapidly. In addition, residents and owners of property within the City would be hereby notified that such abandoned tax delinquent property will be identified, inspected and may be certified as abandoned; therefore, subject to accelerated forfeiture and foreclosure under the General Property Tax Act.

We hereby respectfully request that your Honorable Body adopt the attached resolution with a Waiver of Reconsideration.

Respectfully submitted,
DONALD RENCHER
Director

By Council Member Tate:

Whereas, The Detroit City Council determines that parcels of abandoned tax delinquent property exist; and

Whereas, Decades of disinvestment and high levels of foreclosures have devastated Detroit's neighborhoods and once well-established communities are plagued by thousands of vacant and vandalized properties; and

Whereas, Abandoned tax delinquent property contributes to crime, blight, and decay within the city of Detroit; and

Whereas, The certification of tax delinquent abandoned property as Certified Abandoned Property pursuant to the Accelerated Forfeiture Act (P.A. 132 of 1999) will result in the accelerated forfeiture and foreclosure of certified property under the General Property Tax Act and return abandoned property to productive use more rapidly, thereby reducing crime, blight, and decay within the City of Detroit; and

Whereas, The Accelerated Forfeiture Act (P.A. 132 of 1999) explicitly and strictly limits Certified Abandoned Property to vacant structures and cannot be used on any occupied structures; and

Now, therefore, be it

Resolved, That the Detroit City Council hereby notifies residents and owners of property within the City of Detroit that abandoned tax delinquent property will be identified and inspected and may be certified as Certified Abandoned Property under the Certification of Abandoned Property for Accelerated Forfeiture Act and subject to accelerated forfeiture and foreclosure under the General Property Tax Act.

Honorable City Council:

Re: Property For Sale By Development Agreement. 2994 and 2968 Brush, 418 and 432 Watson, 3035, 3027, 3019, 3009 and 3001 Beaubien.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Brush Wilkins 2016 L.L.C. ("Purchaser"), a Michigan limited liability company, to purchase certain City-owned real property at 2994 Brush, 2968 Brush, 418 Watson, 432 Watson, 3035 Beaubien, 3027 Beaubien, 3019 Beaubien, 3009 Beaubien and 3001 Beaubien, Detroit, MI 48201 (collectively the "Properties") for the purchase price of Nine Hundred Sixty Thousand and 00/100 Dollars (\$960,000.00). The Properties are comprised of approximately 1.1 acres of vacant land.

The Purchaser proposes to construct a mixed-income, mixed-use development on the Properties that will include residential rental units and ground-floor retail/commercial space. Currently, the Properties are within a PD-H zoning district (Planned Development-Historic). This proposed use was reviewed and approved by the Historic District Commission in August 2018. Additionally, an amendment to the respective PD-H zoning district that reflects the Purchaser's proposed use is submitted herewith for separate approval by City Council.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a development agreement, deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to Brush Wilkins 2016 L.L.C.

Respectfully submitted,
JANET ATTARIAN
Deputy Director

By Council Member Tate:

Resolved, That Detroit City Council hereby approves of the sale by development agreement of certain real property at 2994 Brush, 2968 Brush, 418 Watson, 432 Watson, 3035 Beaubien, 3027 Beaubien, 3019 Beaubien, 3009 Beaubien and 3001 Beaubien, Detroit, MI 48201 (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to Brush Wilkins 2016 L.L.C., a Michigan limited liability company, for the purchase price

of Nine Hundred Sixty Thousand and 00/100 Dollars (\$960,000.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a development agreement and issue a quit claim deed for the sale of the Properties, as well as execute such other documents as may be necessary or convenient to effect the transfer of the Properties to Brush Wilkins 2016 L.L.C. consistent with this resolution; and be it further

Resolved, That the development agreement shall obligate Brush Wilkins 2016 L.L.C. to cause a mixed-use development to be constructed on the Properties, and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Fifty Seven Thousand Six Hundred and 00/100 Dollars (\$57,600.00) shall be paid to the DBA from the sale proceeds, 2) Forty Eight Thousand and 00/100 Dollars (\$48,000.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the development agreement and quit claim deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Address: 9285 Manor. Name: Monique Vance. Date ordered removed: November 3, 2015 (J.C.C. pages 1948-1955).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on August 23, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected and be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may

proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

DAVID BELL

*WAIVER OF RECONSIDERATION (No. 20) Per motions before adjournment.

Department of Public Works City Engineering Division

September 11, 2018

Honorable City Council:

Re: Petition No. 1761 Detroit Real Estate LLC, request to vacate various streets, alleys and rights-of-way in order to support a large 313,000 square foot project.

Petition No. 1761 of Detroit Real Estate LLC request to outright vacate Newhall Street, variable width, from Mt Elliott, 66 feet wide eastward to a dead end near New York Central Railroad, also the north-south alley, 20 feet wide, and the east-west alley, 20 feet wide, in the block of Newhall Street, Georgia Avenue, 60 feet wide, Mt Elliott Avenue, and New York Central Railroad; also to outright vacate Heintz Avenue, 50 feet wide, from Mt Elliott, 66 feet wide eastward to New York Central Railroad, also the two (2) north-south alleys, both 18 feet wide, and the east-west alley, 18 feet wide, in the block of Heintz Avenue, Miller Avenue, 66 feet wide, Mt Elliott Avenue, and New York Central Railroad.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

City Engineering Division — DPW previously submitted a report and a resolution to your Honorable Body for petition

no. 1761; however the resolution has been amended to include Heintz Avenue and the alleys in the block of Miller Avenue, Heintz Avenue, Mt Elliott and the railroad. The amended resolution also provides for two (2) easements for water mains one each in Heintz Avenue and Newhall Street, and pavement encroachments over the water main easements.

The request is being made to facilitate a warehouse renovation for Arcelormittal who will operate a new manufacturing facility serving automakers and creating new job opportunities. The resolution as amended herein will encompass the entire development area for Arcelormittal.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation provided certain provisions are met. DWSD will abandon all sewers in the subject area, and has agreed to accept the water main easements as included in the amended resolution. The DWSD provisions are a part of the attached amended resolution. Detroit Fire Department (DFD) has conditions that are made a part of the amended resolution.

DTE — Electric has already received payment for relocation of their facilities. AT&T will also relocate their facilities at project cost. Provisions for both DTE and AT&T are a part of the amended resolution.

All other involved City departments and privately owned utility companies have reported no objections to the vacations. Provisions for relocation of the utilities and for City services are a part of this amended resolution.

I am recommending adoption of the attached amended resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW

By Council Member Benson:

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for

all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Detroit Real Estate LLC or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Detroit Real Estate LLC or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Detroit Real Estate LLC or their assigns. Should damages to utilities occur Detroit Real Estate LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Detroit Real Estate LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Detroit Real Estate LLC or their assigns of the terms thereof. Further, Detroit Real Estate LLC or their assigns

shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

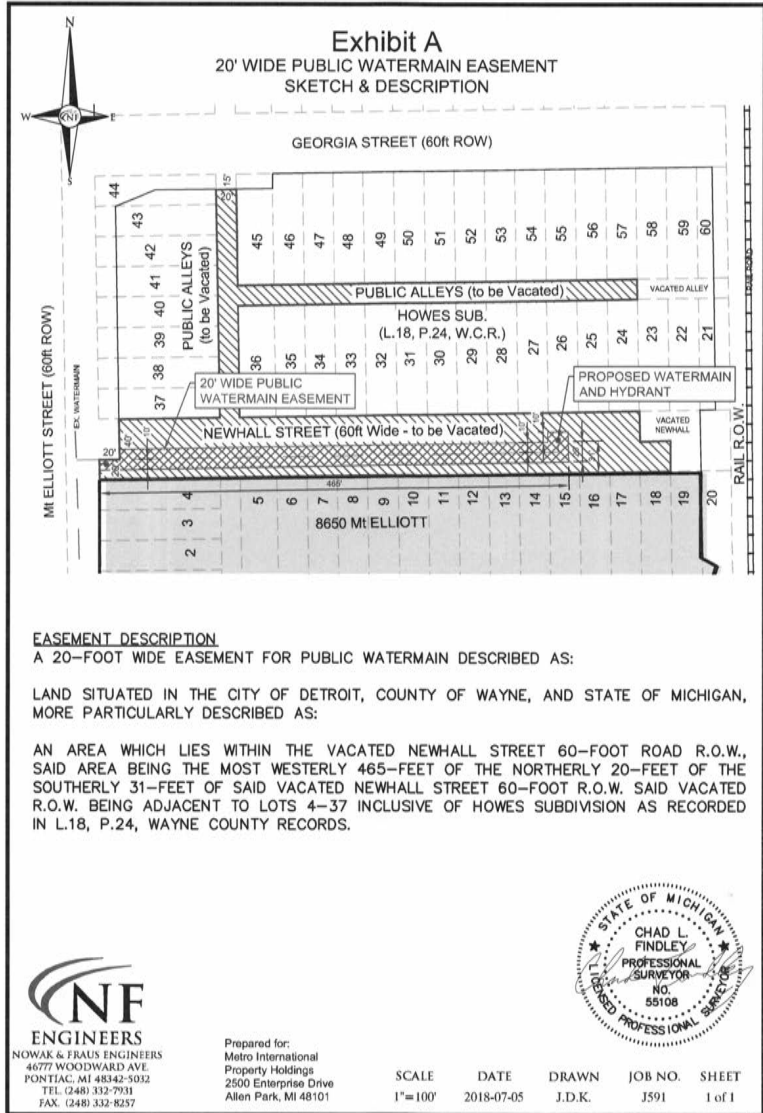

Provided, That the encroachment portion of this resolution is revocable at the will, whim or caprice of the City Council,

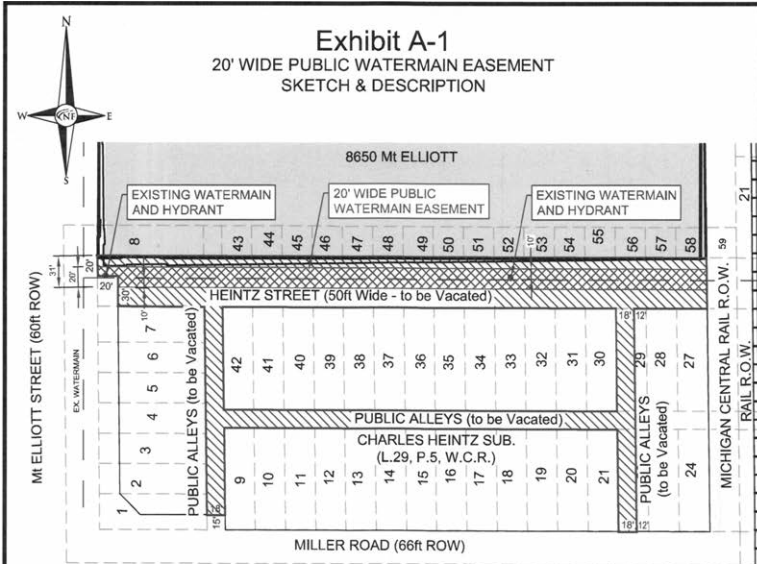

and Detroit Real Estate LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

 September 17, 2018

Honorable City Council:
 Re: Authorization to submit a grant application to the Michigan State Police, Office of Highway Safety Planning for the FY 2018 405h Nonmotorized Safety Program.

The Planning and Development Department is hereby requesting authorization from Detroit City Council to submit a grant application to the Michigan State Police, Office of Highway Safety Planning, for the FY 2018 405h Nonmotorized Safety Program. The amount being sought is \$100,000.00. The Federal share is \$100,000.00 of the approved amount, and there is an in-kind match of \$25,000.00. The total project cost is \$125,000.00.

- The 405h Nonmotorized Safety Program will enable the department to:
- Provide Safety Ambassador educational classroom activities for grade school and high school students
 - Support Safety Ambassador participation at neighborhood and outreach meetings and events
 - Purchase materials associated with the Safety Ambassador Program
 - Allow City Staff to participate and manage the initiative
- If the application is approved, the in-

kind match will be provided via PDD Staff wages and fringe benefits.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,
RYAN FRIEDRICHS
 Director

Office of Development and Grants
 By Council Member Benson:

WHEREAS, The Planning and Development Department has requested authorization from City Council to submit a grant application to the Michigan State Police, Office of Highway Safety Planning for the FY 2018 405h Nonmotorized Safety Program in the amount of \$100,000.00, with an in-kind match of \$25,000, for a total amount of \$125,000 to support the Safe Routes, Safety Ambassador community engagement and education initiative, now therefore be it

RESOLVED, The Planning and Development Department is hereby authorized to submit a grant application for the FY 2018 405h Nonmotorized Safety Program.

**RESOLUTION
 IN SUPPORT OF HB 4124:
 SAFE DRINKING WATER IN SCHOOLS
 AND CHILD CARE CENTERS**
 WHEREAS, House Bill 4124, as drafted, is designed to amend Michigan's Safe

Drinking Water Act to establish a program to assist schools and child care centers to test for and remedy lead contamination in their drinking water; and

WHEREAS, The amendments, if approved, would require the Michigan Department of Environmental Quality ("MDEQ") or its authorized agent to create a program that target the elimination of lead contaminants in drinking fountains, water coolers or other sources under the control of the schools or child care centers. Additionally, the program will require the school or child care centers to repair, replace, remove or disable a drinking water cooler that is the source of lead contamination; and

WHEREAS, Our educational institutions, such as our public schools and day-care providers, act as safe havens for the children under their tutelage. These amendments work to make sure that these institutions are not inadvertently causing harm in contradiction to the general goal of providing an environment that is both healthy and happy for these developing young minds and bodies; and

WHEREAS, According to the Michigan Department of Health and Human Services, Detroit children has the highest percentage of lead poisoning cases in the State of Michigan. This is even behind the City of Flint, which has documented high levels of lead contamination throughout its water system. Under these circumstances, we must be vigilant to address all potential sources of lead contamination including the drinking water in our schools and day care centers. Now, Therefore Be It

RESOLVED, That the Detroit City Council wholeheartedly support House Bill 4124 to require MDEQ to establish a testing program for schools and day care centers; Be It Finally

Resolved, That a copy is resolution be transmitted the Committees on Natural Resources in both the Michigan House and Senate and to the Detroit Delegation in the Michigan Legislature.

**RESOLUTION IN OPPOSITION
TO THE CONFIRMATION OF
BRETT KAVANAUGH TO THE
UNITED STATES SUPREME COURT**

WHEREAS, President Donald Trump's nomination of Brett Kavanaugh to the United States Supreme Court presents a troublesome, potentially dangerous, point of departure from traditional notions of judicial neutrality and, if approved by

Congress, his lifetime appointment to the highest court in the land could well subvert the fundamental principles of democracy; and

WHEREAS, Mr. Kavanaugh advocates in his 2009 Minnesota Law Review article, Separation of Powers During the Forty-Fourth Presidency and Beyond, for exempting a sitting U.S. President from not only civil litigation, but also "criminal prosecution and investigation, including from questioning by criminal prosecutors or defense counsel." This belief that a sitting President neither be indicted nor criminally investigated under any circumstances should be very alarming to every citizen regardless of political ideology or religious belief, particularly in today's climate where increasing numbers of the President's close confidantes and appointees are being indicted, convicted, or pleading guilty to criminal charges directly related to the Administration and/or the President; and

WHEREAS, Not only does Mr. Kavanaugh appear to believe that the President should be above the legal constraints that bind every other American, he also supports the notion that control of the Federal Reserve and other vital independent agencies should be ceded to the President. One merely needs to reflect on the current erratic state of this presidency to appreciate how dangerous and foolhardy such an action would be; and

WHEREAS, Mr. Kavanaugh's long judicial record on decisions in the area of executive power illustrates his willingness to ignore precedent in favor of an ahistorical and extreme theory of presidential power. His confirmation is a threat not only to the Federal Reserve, but also to the Department of Justice Special Counsel's Office, the Federal Trade Commission and other protection agencies that serve as important regulatory counter-balances within the federal government to safeguard the interests of the public; and

WHEREAS, It is equally concerning that Mr. Kavanaugh's nomination is being rapidly advanced without adequate investigation of multiple claims of sexual impropriety made against him by a variety of credible sources; and

WHEREAS, It is expected that if Mr. Kavanaugh is confirmed, the 5-member majority of conservative, Republican-appointed justices will dominate the Supreme Court and set the nation's legal standards for decades to come. Over the past century, hard fought but gradual victories for the freedom and equality of all citizens, and particularly the marginalized among us, have been won in the courts. Demographers project that the country is growing ever more diverse, from religious preference to sexual orientation to racial and ethnic composition. The conservative

extreme on the Supreme Court has demonstrated its resistance to those gains and promises to radically undermine a century of judicially achieved progress toward equality with the addition of Mr. Kavanaugh, a jurist with well-documented extreme views — out of step with mainstream America; and

WHEREAS, Perhaps most significantly, the Affordable Care Act with its protections for preexisting conditions would likely be decimated if Mr. Kavanaugh is seated. He has written a 65- page dissenting opinion that all but declared the Act unconstitutional, further indicating (not surprisingly) that the President did not have to uphold the law; NOW THEREFORE BE IT

RESOLVED, Mr. Kavanaugh's staunch beliefs that a sitting president is above the law, his vehement support for unfettered presidential powers, along with his willingness to remove hard fought legal protections for human (non-corporate) citizens provide weighty reasons for the Detroit City Council's vehement opposition to confirmation of the appointment of Brett Kavanaugh to the United States Supreme Court; BE IT FINALLY

RESOLVED, That a copy of this resolution be transmitted to the U.S. Senate Judiciary Committee and the Michigan delegations in both houses of the U.S. Congress.

RESOLUTION ENDORSING THE RETENTION AND IMPROVEMENT OF THE ARETHA LOUISE FRANKLIN AMPHITHEATER FORMERLY NAMED THE CHENE PARK AMPHITHEATRE

By Council Member Sheffield:

WHEREAS, In the mid-1970s under then Mayor Coleman A. Young, the City of Detroit developed a vision for a system of three linked riverfront parks providing public access to Detroit's near east riverfront between Downtown and Belle Isle; and

WHEREAS, The first of these parks was conceived as an urban amphitheater celebrating the arts and providing a concert venue and unique setting throughout the United States; and

WHEREAS, On June 16, 1982, the City held a groundbreaking ceremony for that first park, which was to complement the private sector investment in mixed use residential developments undertaken by Stroh Brewery, American Natural

Resources and Michigan Consolidated Gas, in the near east riverfront; and

WHEREAS, On August 10, 1984, following a soft opening on July 23rd, the City dedicated the open air stage, promenade and bike path, supportive pavilion, 25 foot tall hillside and pond including the fountain that comprised the newly constructed Chene Park; and

WHEREAS, Chene Park became an instant success providing the venue for many concerts, civic events and an artist in residence program, as well as a passive place to view vessels navigating the international water way; and

WHEREAS, Over the succeeding years, Chene Park would undergo various phases of improvement, including the addition of a canopy for the stage and later the seating area, fixed seating for 5000 patrons, an expanded pavilion, offices and support facilities for staff and performers and more landscaping for the grounds; and

WHEREAS, Chene Park has entertained more than 800 events over the course of its 34 year history, hosting concerts, high school graduations, Youth Day with the Detroit Police Department, Senior Day, health fairs, comedy shows, live theater, film screenings, live broadcasts of the Detroit Pistons, festivals and many private events; and

WHEREAS, Notable among these events is the jazz series which has offered low cost entertainment to Metropolitan Detroit for over 30 years, the Concert of Colors, the US premiere for Techno Music with the Detroit Symphony Orchestra and the Aretha Franklin Tribute Concert; and

WHEREAS, In 2005, the stage of the Chene Park Amphitheatre was dedicated to the memory of playwright Ron Milner; and

WHEREAS, The list of performers to have graced the Chene Park stage is a Who's Who of entertainment, including Aretha Franklin, Diana Ross, Smokey Robinson, Fela, James Brown, Ray Charles, Miles Davis, The White Stripes, Wynton Marsalis, Brandford Marsalis, Earth Wind and Fire, Deepak Chopra and India Arie; and

WHEREAS, Pollstar, an entertainment industry publication, currently rates the venue 63rd highest in worldwide amphitheater ticket sales; and

WHEREAS, On August 31, 2018, during the funeral for Ms. Aretha Louise Franklin, Mayor Duggan, and City Council President Brenda Jones acknowledged a proposal to permanently change the name of Chene Park to the Aretha Louise Franklin Amphitheater (ALFA) in honor of Aretha Franklin; the internationally acclaimed vocalist known the world over as the "Queen of Soul"; and

WHEREAS, On September 4, 2018, during City Council Formal Session, the

entire City Council, unanimously approved a resolution to permanently change the name of Chene Park, to the Aretha Louise Franklin Amphitheater; and

WHEREAS, Also on September 4, 2018, Council President Pro Tem Mary Sheffield inquired about the future of the amphitheater, amidst reports that the amphitheater could possibly be closed and/or moved downtown to Hart Plaza. Mayor Duggan responded to Council President Pro Tem Mary Sheffield and enthusiastically stated, "that the Aretha Franklin Amphitheater is not moving as long as I'm the mayor"; and

WHEREAS, Mayor Duggan acknowledged that physical improvements are needed to the 34-year-old park. Entertainers as well as patrons have strongly suggested improvements in acoustics, parking and infrastructure, in addition to addressing a number of deferred maintenance items; and

WHEREAS, The ALFA has new and unrealized potential to be the jewel that it was originally envisioned to be and more. The City must promptly pursue sufficient capital improvements to the facility in order to improve the overall physical condition and address functional and operational needs in order to encourage related investment and to increase stakeholder satisfaction before the proposed renaming and dedication ceremony tentatively scheduled for late spring of 2019; and

WHEREAS, The opportunity is before us to revisit past proposals and explore new options for expanded programs and activities at the ALFA, including those that could be done on a year round basis; and

WHEREAS, The City's east riverfront is dotted with proposed development projects to address the increase in demand for residential and commercial land uses in this area. It only stands to reason that the appropriate alterations and improvement to the Aretha Louise Franklin Amphitheater and its host community, would complement existing and future development plans and enhance the aesthetics, mobility and livability in this area; and

WHEREAS, There are a number of examples around the world where sports, entertainment and recreational facilities are fostered along with residential development. We are pursuing it here in Detroit with The District development being pursued around Little Caesars Arena. The same can be done intentionally around the ALFA, to ensure the peaceful coexistence of mixed uses in a vibrant and diverse setting; and

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions;

NOW, THEREFORE BE IT

RESOLVED, That Detroit City Council hereby concurs with the strong commitment that the Mayor has expressed in maintaining the ALFA in its present location and strongly encourages the City to fund all the necessary improvements to the facility in order to ensure its status as a treasured institution within our community and as a dynamic driver of economic development and improved quality of life for residents on the lower east side of the City of Detroit as well as the greater metropolitan area;

NOW, THEREFORE BE IT ALSO

RESOLVED, That the Detroit City Council urges the City to adopt an approach to the east riverfront visioning that is supportive of the ALFA in both short and longer term planning projections, seeks to expand upon the venues utilization throughout the year by exploring options such as ice skating in the pond, and considers the creation of node around the ALFA by encouraging the establishment of complementary entertainment and commercial recreation uses, with appropriate parking and other supportive infrastructure;

NOW, THEREFORE BE IT FINALLY

RESOLVED, That copies of this resolution shall be delivered to the Mayor's Offices, the Recreation Department, the management of the Aretha Franklin Foundation, Ms. Shahida Mausi, president of The Right Productions and to applicable community stakeholders and various media outlets.

Office of the Chief Financial Officer

September 17, 2018

Honorable City Council:

Re: Proposed Resolution to Designate the City's Main Banking Partners

The CFO's Office respectfully submits the proposed resolution to designate the City of Detroit's main banking partners. As previously discussed with this body, the Office of the Chief Financial Officer (OCFO) crafted a Request for Proposals (RFP) for one or more financial institution(s) to provide banking services to the City and assist the City in redesigning its cash management and banking management structure and processes to align with leading government practices and industry standards.

Furthermore, consistent with the Mayor and City Council's stated goals of using the City's assets to support investment in Detroit and to improve the quality of life for all Detroiters now and in the future, the

City's RFP was crafted to take in account a financial institution's commitment to Detroit as evidenced by job creation, job training, community involvement and diversity.

Should you have any questions, please do not hesitate to contact me or my office.

Best regards,
JOHN W. HILL

Chief Financial Officer

By Council Member Ayers:

Whereas, Michigan Public Act 40 of 1932, titled *Depositories for Public Moneys* (Public Act 40), defines "financial institution" as a state or nationally chartered bank or a state or federally chartered savings and loan association, savings bank, or credit union whose deposits are insured by an agency of the United States government and, (2) maintains a principal office or branch office located in this state under the laws of this state or the United States; and

Whereas, Public Act 182 of 2014 amended the Home Rule City Act by creating the position of Chief Financial Officer (CFO) to, among other requirements, "supervise all financial and budget activities of the city" and "coordinate the city's activities relating to budgets, financial plans, financial management, financial reporting, financial analysis, and compliance with the budget and financial plan of the city"; and

Whereas, The CFO directed the Deputy CFO - Treasurer and the Office of the Chief Financial Officer (OCFO) to craft a Request for Proposals (RFP) for one or more financial institution(s) to provide banking services; and

Whereas, Consistent with the Mayor and City Council's stated goals of using the City's assets to support investment in Detroit and to improve the quality of life for all Detroiters now and in the future, the City's RFP was crafted to provide solutions to the City's banking needs and to take into account each financial institution's commitment to Detroit as evidenced by job creation, job training, community involvement and diversity. In particular, the RFP stated the City would look favorably on institutions that show a commitment to future projects, initiatives, and partnerships related to economic development in Detroit; and

Whereas, On March 1, 2018, through the OCFO, the City issued a RFP to select one or more financial institution(s) to provide banking services; and

Whereas, The OCFO and the Jobs and Economy Team (JET) performed an extensive and exhaustive review of the responses to the RFP and determined the institutions that have the skills to perform banking services and have shown a commitment to Detroit; and

Whereas, The result of the review of the responses to the RFP was a recommen-

ation to the CFO to select the following institutions as the City's main banking partners:

- Chemical Bank, in partnership with First Independence Bank
- JPMorgan Chase Bank
- Fifth Third Bank; and

Whereas, The CFO accepted the recommendation to select the aforementioned institutions to provide banking services to the City; and

Whereas, Public Act 40, requires that the legislative body of a city provide by resolution for the designation and deposit of public money, including tax money, coming into the possession of the city treasurer or tax collector, in 1 or more financial institutions in the proportion and manner as may be provided in the resolution; and

Whereas, Subsection 18-1-2(a) of the 1984 Detroit City Code requires that "the treasurer shall deposit, daily, his entire receipts from all sources and all money and checks on hand to the credit of the city in such banks as may be designated by the city council as the depository of the funds of the city"; and

Now therefore be it

Resolved, That based on the recommendation of the CFO, the Detroit City Council hereby designates the aforementioned financial institutions Chemical Bank, in partnership with First Independence Bank, JPMorgan Chase Bank and Fifth Third Bank to be depositories of funds of the City of Detroit in a proportion and manner determined by the CFO.

RESOLUTION IN SUPPORT OF A \$15 PER HOUR MINIMUM WAGE FOR CITY EMPLOYEES

By Council Member Leland; Joined By Council Member McCalister:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

Whereas, While the US poverty rate stands at 14 percent, correspondingly it stands at 36 percent in Detroit, the highest among the 20 largest cities in America. In 2017, the United Way of Michigan released a study that found 52 percent of Wayne County families were either under the poverty line or were what it identified as "ALICE" families — asset-limited, income-constrained, employed, or the working poor; which represents those in our communities who are working and yet still are struggling to make ends meet; and

Whereas, In its 2017 resolution to its national convention, the AFL-CIO stated, "We must rewrite the rules of the labor market to ensure working people share in the wealth we help create and (that) our incomes rise as we become more productive. Rewriting the rules must include putting full employment back at the center of our economic policies and increasing the minimum wage to \$15 per hour"; and

Whereas, According to a study by the City of Detroit's own Office of the Chief Financial Officer (OCFO), the City of Detroit has over one thousand budgeted positions which pay a wage under \$15 an hour. The Detroit City Council is in agreement in principle with the AFL-CIO, with

the belief that in order to rewrite the rules for working people and to ensure that incomes rise as Detroit becomes more productive, the City needs both fiscal and monetary policy in place for its workers to match Detroit's resurgence; and

Whereas, Pursuant to OCFO directive 2018-101-030, in order to achieve the goal of implementing \$15 per hour as a minimum wage for City workers, the Detroit City Council hereby suggests that the City reduces a financially comparable number of vacant City positions from the City budget in order to accommodate the corresponding financial amount required to implement this policy change; and

Whereas, The OCFO has indicated that in order to implement a City of Detroit Employee \$15 minimum wage, it would require at least an \$11 million adjustment to the City's annual budget. To execute this policy the City would simply need to identify the funds to make a \$15 an hour minimum wage for City workers a reality. Therefore, it is the Detroit City Council's contention that the City should proceed to implement a minimum wage threshold of \$15 an hour for City of Detroit employees.

Now therefore, be it

Resolved That the Detroit City Council strongly urges the Mayor and the City's Chief Financial Officer to make implementing a \$15 an hour minimum wage for Detroit City workers a priority and to identify the funds for the upcoming fiscal year and beyond.

Honorable City Council:

Re: Michael Branch vs. City of Detroit.
Case No: 17-000933-NI. File No: L17-00594 (MBC).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty Seven Thousand Dollars and No Cents (\$37,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty Seven Thousand Dollars and No Cents (\$37,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Michael Branch and his attorney, Law Offices of Joumana Kayrouz, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 17-000933-NI, approved by the Law Department.

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

City Planning Commission

September 19, 2018

Honorable City Council:

Re: Request to correct errors on Zoning Map Nos. 71 and 74.

It has come to the attention of City Planning Commission (CPC) staff that in at least two instances, the zoning district maps (Chapter 61, Article XVII) inaccurately display the zoning district classification.

Map No. 71

On Map No. 71, several residential lots on the east side of Lenore Street between West Seven Mile Road and Frisbee Avenue are identified as P1 (Parking District) rather than R1 (Single-Family Residential District). The lots in question are commonly known as 19186, 19194, 19202, 19210, 19220, 19230, 19240 and 19250 Lenore.

It is unclear how this cartographic error occurred and it appears to be a simple misprint ("P1" instead of "R1") since none

of the nearby rezonings in the Telegraph/ 7 Mile area included the lots in question.

• The unrelated Map 71 rezoning made effective on December 31, 2000 by Ord. No. 27-00 (Super K-Mart on Telegraph near 8 Mile) shows the Lenore properties in question as zoned R1.

• The next Map 71 amendment, Ord. No. 44-04, rezoned 32 acres in the area of Frisbee, Telegraph, West Seven Mile and Lenore for a big box development that intentionally omitted the lots on the east side of Lenore that were less than 780 feet north of West Seven Mile; included in the intentional omission were the lots in question. However, the printed Map No. 71 that accompanied Ord. No. 44-04 appears to show the Lenore lots in question as being zoned P1. The big box rezoning created a PD (Planned Development District) where the land had been R1; no P1 rezoning was included in the then-proposed, but never-developed Home Depot project.

Map No. 74

On Map No. 74, the single block face on the north side of West McNichols Road between Trinity and Westmoreland Avenues has historically been zoned B4 (General Business District). However, with a map amendment to Map No. 74 in 2011, unrelated to the properties in question, the updated map mistakenly represented the lots commonly known as 21100 and 21174 West McNichols as zoned R1 rather than B4.

Nothing in the 2011 rezoning ordinance for the nearby Meijer shopping center at Grand River/McNichols speaks to the rezoning of 21100 and 21174 West McNichols; it is unclear how the enact-

ment of this map amendment came to include this cartographic error.

Attached, please find two resolutions directing CPC staff and the City Clerk to correct the affected maps.

Respectfully submitted,

RESOLUTION

By Council Member Tate:

Whereas, Detroit City Council amended Zoning District Map No. 71 of Article XVII, Chapter 61 (Detroit Zoning Ordinance) in 2004 to establish a PD (Planned Development District) in the vicinity of Frisbee Avenue, Telegraph Road, West Seven Mile Road and Lenore Avenue with the passage of Ord. No. 44-04; and

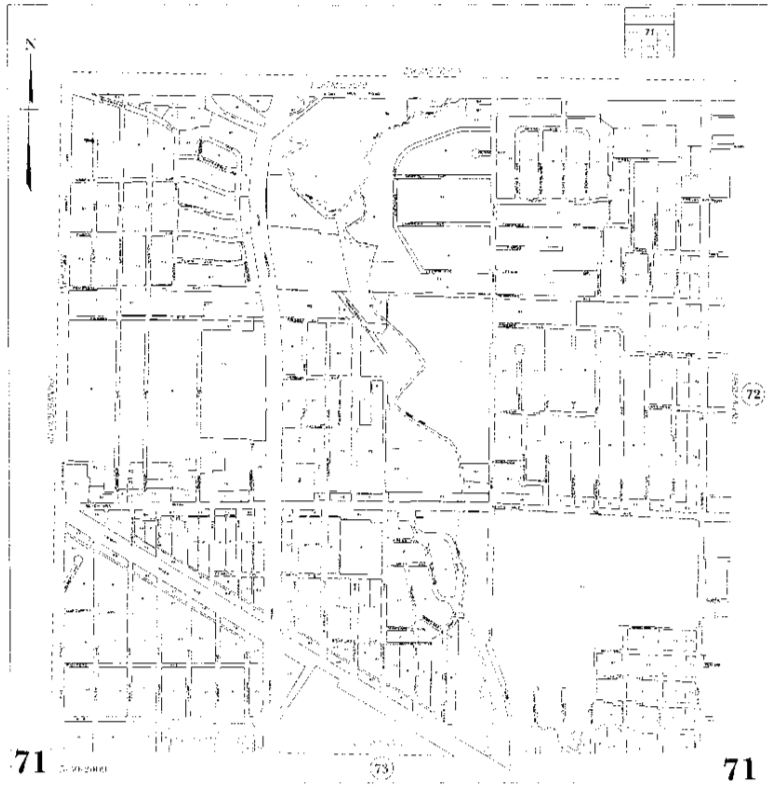

Whereas, Intentionally omitted from this PD rezoning were the several R1-zoned lots on the east side of Lenore Avenue commonly known as 19186, 19194, 19202, 19210, 19220, 19230, 19240 and 19250 Lenore; and

Whereas, None of the land included in Ord. No. 44-04 was to have been rezoned to P1 (Open Parking District); and

Now therefore be it

Honorable City Council:
Re: Special District Review request by Gensler on behalf of the Church of Scientology for a proposed roof sign at 1 Griswold Street located within a PCA Public Center Adjacent District (Restricted Central Business District) zoning classification.

BACKGROUND

Before this Honorable Body is the request of the petitioner Gensler on behalf of the Church of Scientology to approve a proposed roof sign at 1 Griswold Street. This is the second time that this request is being submitted, as the petitioner has reapplied to the City Planning Commission (CPC) and the City Council.

On July 5, 2018 the Honorable Planning and Economic Development Standing Committee reviewed the request of Gensler on behalf of the Church of Scientology to erect a rooftop sign on the building at 1 Griswold Street. At the Formal Session of July 10th the City Council voted to deny the request for the proposed rooftop sign to be located at subject address.

At the time of the request the City Planning Commission submitted a report and recommendation along with plans and other related documentation. Attached, please see original report and materials that were submitted when this matter was first considered.

Respectfully submitted,
MARCELL R. TODD, JR.,
Director
KIMANI JEFFREY,
City Planner

By Council Member Tate:

Whereas, The City Planning Commission has received a sign permit application from Gensler for the installation of a "Scientology" roof sign for "The Church of Scientology" at property located at One Griswold, which is located within a PCA Public Center Adjacent District (Restricted Central Business District) zoning classification; and

Whereas, The proposed installation would result in the alteration of the buildings current rooftop signage; and

Whereas, Section 61-11-96 of the Detroit Zoning Ordinance requires City Council approval of such work after review and recommendation by the City Planning Commission and the Planning and Development Department; and

Whereas, The Board of Zoning Appeals has found that the existing steel frame roof structure was not abandoned and is a continuing nonconforming structure per 61-15-34 of the Zoning Ordinance; and

Whereas, The proposed roof sign has been properly reviewed and found to be complementary to the architecture of the building, consistent with the provisions of Chapter 3 of the City Code and also consistent with the spirit and intent of the PCA zoning district classification.

Now, Therefore Be It

Resolved, That the Detroit City Council approves the design and appearance of the proposed roof sign as described in the foregoing communication from the City Planning Commission and depicted in the drawings attached hereto with the condition that sign not utilize any animated or flashing component.

Re: Edited Real Property at 5643 Martin, Detroit, MI 48210

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Walter E. Perez, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 5643 Martin, Detroit, MI 48210 (the "Property").

The P&DD entered into a Purchase Agreement dated August 30, 2018 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for One Thousand Fifty and 00/100 Dollars (\$1,050.00) (the "Purchase Price").

Offeror intends to use the vacant land to extend his yard. The proposed use is a conditional use within the designated M-2/Restricted Industrial zoning district as per the City of Detroit Zoning Ordinance, Section 61-10-33.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be

necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,

Re: Address: 18945 St. Mary's. Name: Kelly Misner. Date ordered removed: July 11, 2017, (J.C.C. pages _____).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 12,

2018 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected and be maintained and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Compliance, required for all rental properties

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Re: Address: 1633 Merrick. Name: Davob Properties, LLC. Date ordered removed: October 20, 2016, (J.C.C. pages ?).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 12, 2018 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter

submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected and be maintained and securely barricaded until rehabilitation is complete. Honorable City Council:

Re: Petition No. 393 The Kevin Miller Group, request to partially close alley located between 17020 and 17040 East 8 Mile Rd.

Petition No. 393 by The Kevin Miller Group request to vacate and convert to easement the north part of the north-south public alley, 20 feet wide, in the block of Carlisle Drive, 60 feet wide, East Eight Mile Road, 204 feet wide, Cushing Avenue, 86 feet wide and Kelly Road, 204 feet wide.

The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

The request is being made for commercial development and land parcel combination.

The request was approved by the Solid Waste Division-DPW, and Traffic Engineering Division-DPW, and City Engineering-DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE Energy — electric reports involvement and access must be maintained to their facilities. Provisions for DTE Energy access are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY,

P.E. City Engineer

City Engineering Division-DPW

By Council Member Benson:

Resolved, That all of the north part of the north-south public alley, 20 feet wide, in the block of Carlisle Drive, 60 feet wide,

East Eight Mile Road, 204 feet wide, Cushing Avenue, 86 feet wide and Kelly Road, 204 feet wide, and further described as: land in the City of Detroit, Wayne County, Michigan, being the public alley, 20 feet wide, lying westerly of and adjoining the westerly line of Lots 96 through 101, both inclusive, and lying easterly of and adjoining the easterly line of Lots 103, 104, and 105 Temes Superhighway Subdivision of fractional Section 5, T1S., R.13E. City of Detroit, Wayne County, Michigan" as recorded in Liber 61, Page 72 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall

be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division-DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That DTE Energy-electric has access to their equipment at all times for maintenance and restoration to insure the reliability of electric service to the area, and be it further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the DTE Electric Company (DTE) for the purpose of installing, maintaining, repairing, removing, or replacing any overhead and underground utilities facilities which may consist of underground tunnels, underground vaults, pipelines, poles, guys, anchors, wires, manholes, conduits, pipes, cables, transformers and accessories (collectively DTE facilities) with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the DTE Facilities within the easement is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the DTE Facilities; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including fences, porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with DTE; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further pro-

vided that if any DTE Facilities in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged DTE Facilities, and shall also be liable for all claims for damages resulting from his/her actions; and be it further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into East Eight Mile Road) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engi-

neering Division-DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 283 — SME, request for encroachment into the existing 50 foot wide public utility easement for the proposed building at 4255 Dequindre.

Petition No. 283 — SME on behalf of Wolverine Cold Storage Facility request for encroachments with stairwells, a concrete ramp, storm sewer roof leads, fire and domestic water service leads, a sanitary lead and a grease trap lead in Orleans Street (now an easement) 50 feet wide between Superior Street (vacated) 50 feet wide, and Canfield Avenue, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of project that will be a new building for Wolverine Cold Storage. This facility is being built in the Forest Park Rehabilitation Project No. 2 where a public sewer easement was created in vacated Orleans Street to service Pepsi Cola Bottling plant and future development projects. The resolution granting the easement was approved by your Honorable Body on July 11, 1990 and is recorded in J.C.C. pages 1563-65.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW, and Traffic Engineering Division — DPW (TED).

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY
P.E., City Engineer
City Engineering Division — DPW

By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to SME, or Wolverine Cold Storage Company or their assigns to install and maintain encroachments with stair wells, a concrete ramp, storm sewer roof leads, fire and domestic water service leads, a sanitary lead, and a grease trap lead in Orleans Street (now an easement having been vacated by City Council on November 22, 1989 — J.C.C. pages 2682-86) 50 feet wide between Superior Street (vacated) 50 feet wide, and Canfield Avenue, 60 feet wide, further described as: Land in the City of Detroit, Wayne County, Michigan, being that part of Orleans Street (now vacated and reserved as a public sewer easement by City Council July 11, 1990 — J.C.C. pgs. 1563-65) being the westerly half of vacated Orleans Street (50 feet wide) adjoining Lot 8, vacated Willis Avenue (50 feet wide), and Lot 25, the vacated public alley (16 feet wide) and Lots 40 through 46, both inclusive; also the easterly half of vacated Orleans Street (50 feet wide) adjoining Lot 9, vacated Willis Avenue (50 feet wide), and Lot 24, the vacated public alley (16 feet wide) and Lots 47 through 53, both inclusive, all in "Stoepele's Sub-division of the South Quarter of Out Lot 3 and part of Lot 8 of the Subdivision of Out Lot 4 of the Dequindre Farm" as recorded in Liber 8 page 77 of Plats, Wayne County Records; also all that part of vacated Orleans Street (50 feet wide) having been opened and extended (on May 19, 1900) as confirmed by Recorders Court and Accepted by Common Council (May 22, 1900 — J.C.C. p. 381) through a part of Out Lot 3 of the "Plat of a Subdivision of Lot 4, Dequindre Farm" as recorded in Liber 41 of Deeds, Page 518, Wayne County Records; above said encroachments further described as:

- 1) The 4 stairwells: 1st stairwell being 5 feet by 8 feet lying easterly of and adjoining the westerly line of said vacated Orleans Street beginning 18 feet southerly of the southerly line of Canfield Avenue, 60 feet wide and ending 26 feet southerly of the southerly line of Canfield Avenue and extending 5 feet into vacated Orleans Street. 2nd stairwell being 5 feet by 8 feet lying easterly of and adjoining the westerly line of said vacated Orleans Street beginning 60 feet southerly of the southerly line of Canfield Avenue, 60 feet wide and ending 68 feet southerly of the southerly line of Canfield Avenue and extending 5 feet into vacated Orleans Street. 3rd stairwell being 5 feet by 11 feet lying easterly of and adjoining the westerly line of said vacated Orleans Street beginning 278 feet southerly of the southerly line of Canfield Avenue, 60 feet wide and ending 283 feet southerly of the southerly line of Canfield Street and extending 11 feet into

vacated Orleans Street. 4th stairwell being 5 feet by 11 feet lying easterly of and adjoining the westerly line of said vacated Orleans Street beginning 371 feet southerly of the southerly line of Canfield Street, 60 feet wide and ending 376 feet southerly of the southerly line of Canfield Avenue and extending 11 feet into vacated Orleans Street. All of the above distances southerly of the southerly line of Canfield Avenue are as measured along the westerly line of vacated Orleans Street.

2) The concrete ramp being 25 feet by 50 feet (the full width of vacated Orleans Street) and being the southerly 25 feet of the northerly 96 feet of that part of vacated Orleans Street lying southerly of the southerly line of Canfield Avenue.

3) The 5 storm sewer roof leads: 1st being 6 inch PVC running north-south and being 50 feet in length, lying 5 feet east of the west line of vacated Orleans Street beginning 10 feet south of the south line of Canfield Avenue and ending 60 feet south of the south line of Canfield Avenue. 2nd being 6" PVC running north-south and being 183 feet in length, lying 5 feet east of the west line of vacated Orleans Street beginning 97.5 feet south of the south line of Canfield Avenue and ending 280.5 feet south of the south line of Canfield. 3rd being 8 inch PVC running east-west and being 45 feet in length, lying 280.5 feet south of the south line of Canfield Avenue beginning 5 feet east of the west line of vacated Orleans Street and ending at the east line of vacated Orleans Street. 4th being 6 inch PVC running north-south and being 46 feet in length, lying 5 feet east of the west line of vacated Orleans Street beginning 283 feet south of the south line of Canfield Avenue and ending 329 feet south of the south line of Canfield Avenue. 5th being 6 inch PVC running north-south and being 70 feet in length, lying 5 feet east of the west line of vacated Orleans Street and tapering to the west line of vacated Orleans Street beginning 376 feet south of the south line of Canfield Avenue and ending 446 feet south of the south line of Canfield Avenue.

4) A fire suppression water lead running east-west the full width of vacated Orleans Street and lying 410 feet south of the south line of Canfield Avenue.

5) A domestic water service lead running east-west the full width of vacated Orleans Street and lying 408 feet south of the south line of Canfield Avenue.

6) A sanitary water lead running east-west from the west line of vacated Orleans Street and extending to 30 feet east of the west line of vacated Orleans Street and lying 363 feet south of the south line of Canfield Avenue.

7) A grease trap lead running east-west running east-west the full width of

vacated Orleans Street and lying 375 feet south of the south line of Canfield Avenue.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That the petitioner maintain the DWSD required clearance of 18 feet above grade for maintenance access and repair, and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, SME, or Wolverine Cold Storage Company or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments

such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by SME, or Wolverine Cold Storage Company or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by SME, or Wolverine Cold Storage Company or their assigns. Should damages to utilities occur SME, or Wolverine Cold Storage Company or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condi-

tion satisfactory to the City Engineering Division — DPW; and further

Provided, That SME, or Wolverine Cold Storage Company or their assigns shall file with the Department of Public Works - City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of SME, or Wolverine Cold Storage Company or their assigns of the terms thereof. Further, SME, or Wolverine Cold Storage Company or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and SME, or Wolverine Cold Storage Company acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Office of Development and Grants

September 6, 2018

Re: Request to accept an increase in appropriation for the FY 2018 Comprehensive Agreement, Surge Capacity for Targeted Intervention of Hepatitis A Program

The Michigan Department of Health and Human Services (MDHHS) has awarded an increase in appropriation to the City of Detroit Health Department for the FY 2018 Comprehensive Agreement, Surge Capacity for Targeted Intervention of Hepatitis A Program, in the amount of \$50,000.00. There is no match requirement for this program. This funding will increase appropriation 20490, previously approved in the amount of \$206,000.00 by council on January 24, 2018, to a total of \$256,000.00.

The FY 2018 Comprehensive Agreement, Surge Capacity for Targeted Intervention of Hepatitis A Program is a

reimbursement grant. The objective of the grant is to coordinate a response and intervention to the recent rise in Hepatitis A cases in Southeast Michigan.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,

RYAN FRIEDRICH

Director

Office of Development and Grants

By Council Member Benson:

Recreation Department Administration Office

September 17, 2018

Honorable City Council:

Re: Authorization to accept a donation of 200 trees from Southwest Detroit Business Association to be planted in various parks in Southwest Detroit area parks.

Detroit General Services Department requests authorization from your Honorable Body to accept a donation of 200 trees from Southwest Detroit Business Association. The trees are to be purchased and planted in various Southwest Detroit parks (Patton, Kemeny, and Higgins Parks). The costs of approximately \$83,000, are being borne by Southwest Detroit Business Association.

This park improvement is part of a larger goal to support the state of Michigan's

efforts to link West Vernor to West Fort Street as the pedestrian/bike Iron Belle Trail. Tree planting will meet federal goals of reducing storm water run-off into the Rouge River and Detroit River.

The tree planting project will take place in October, 2018. SDBA has met with community representative to ensure these improvements are desired and complementary to the City's work. SDBA will obtain competitive proposals from landscape contractors to conduct the planting and provide maintenance throughout the 2019 growing season, in addition, the contract will include a one year warranty to remove and replace any dead trees.

We respectfully request your authorization to accept this donation of park improvements with a Waiver of Reconsideration.

Sincerely,
JANET ANDERSON,
Director

By Council Member Sheffield:

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

RESOLUTION IN MEMORIAM MELVIN BRAZIER, JR.

By Council Member Sheffield:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to recognize and bestow homage upon the late, Melvin Brazier, Sr., a beloved family member; and

WHEREAS, Melvin Brazier, Jr. was born on March 12, 1942, in Eufaula, Alabama. He was the third child born to the late Hattie and Melvin Brazier, Sr. Melvin Brazier, Jr. was preceded in death by his siblings: Norman and Edward. Melvin Brazier, Jr. accepted Christ at an early age and was baptized at First African Baptist Church in Eufaula, Alabama. Later in life he joined Bible Believer Baptist Church of Cerritos, CA.; and

WHEREAS, Melvin's parents encouraged all their children to seek higher education. After graduating from T.V. McCoo High School in 1960, he attended Tennessee State University in Nashville, Tennessee, graduating in 1965 with a Bachelor of Science Degree in Electrical Engineering. Later, he obtained a Master of Science Degree in Electrical Engineering from the University of California, Los Angeles (UCLA). Melvin Brazier, Jr. began his career with George C. Marshall Space Center in Huntsville, Alabama. After spending a year with George C. Marshall Space Center, his love for mathematics and science led him to the National Aeronautics and Space Administration (NASA) in Cape Canaveral, Florida as an engineer, and

WHEREAS, Due to social inequality and the treatment of African Americans in the south, Melvin Brazier, Jr. decided to hit Route 66 to California in pursuit of better opportunities. He joined Hughes Aircraft designing helicopters for the Department of Defense. He later transitioned to Thomas Ramos Woodlridge, (TRW, Inc.) as a field engineer. As his career continued to grow, he moved into a Senior Test Engineer position. In 1998, Melvin Brazier, Jr. retired from Northrop Grumman formerly known as TRW, Inc. His entrepreneurial spirit rose after retirement and he started many business ven-

tures specializing in real estate projects throughout Southern California. As he traveled the world during retirement, he enjoyed the continental United States and abroad especially, France and Australia. Melvin Brazier, Jr. never lost the thirst for sharing knowledge whether solicited or unsolicited with his family, especially his sisters Ann and Carrie. He loved to talk about politics, often spending hours on the phone discussing the latest political issues. He was overjoyed in November 2008, when a young Senator named Barack Obama won the presidency of the United States of America; and

WHEREAS, On Thursday, August 30, 2018, Melvin Brazier, Jr. was called home for eternal rest. *"I have fought the good fight, I have finished my course, I have kept the faith."* 2 Timothy 4:7.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and the office of Council President Brenda Jones hereby expresses its condolences and joins with family and friends in celebrating the life of Melvin Brazier, Jr.

**TESTIMONIAL RESOLUTION
SPIRIT OF DETROIT'S
60TH ANNIVERSARY**

By Council Member Sheffield:

WHEREAS, The Board of Commissioners of the Detroit-Wayne Joint Building Authority (DWJBA) and elected officials of the City of Detroit and County of Wayne, are pleased to commemorate the 60th Anniversary of the "Spirit of Detroit" sculpture. The iconic sculpture was commissioned in 1955, dedicated on September 23, 1958 and reaches its official 60th Anniversary on September 23, 2018. We would also like to acknowledge and give special thanks to the members of the 60th Anniversary advisory planning committee for helping to make this commemorative event a reality; and

WHEREAS, The widely-recognized "Spirit of Detroit" sculpture was first envisioned by sculptor artist Marshall M. Fredericks, who was commissioned by the Detroit-Wayne Joint Building Authority. Work on the sculpture began in 1955, when a cast was made in Oslo, Norway and transported by ship to the City of Detroit; and

WHEREAS, Created as a symbol of the basic hope of humanity and the spirit of man, the sculpture has become the iconic treasure of the city and is recognized throughout the world as a global landmark

representing the City of Detroit. The sculpture emphasized the symbolism of progress for the city, representing that the "Spirit of Detroit" endures forever. A plaque placed in front of the statue further supports the use of religion and sentimental meaning which was important to sculptor Fredericks. The plaque reads: "God, through the spirit of man is manifested in the family, the noblest human relationship." The marble wall behind the sculpture features a verse from the bible in 2 Corinthians, and the seals of both the City of Detroit and Wayne County are prominently displayed; and

WHEREAS, In the left hand is the gilt bronze sphere emanating rays to symbolize divinity and God, while its right hand holds a family being lifted up by the "Spirit of Detroit," symbolizing all human relationships. Sculptor Fredericks sought a consensus from representatives of several different religions when designing the God aspect of the work. The sphere idea was the consensus Fredericks wanted to represent and inspire Detroiters; and

WHEREAS, When installed, the 26-foot sculpture was the largest cast bronze statue since the Renaissance period. In 2008, \$170,000 in restoration improvements were made to the "Spirit of Detroit" sculpture, in time for its 50th Anniversary. Restoration funds came from operational saving; primarily through energy conservation. Today's appraised value is \$6 million. As a goal of the Detroit-Wayne Joint Building Authority, the sculpture has become the recognized image for various city departments; and

WHEREAS, The "Spirit of Detroit" means so many things to so many people. This monumental sculpture represents the spirit of the city and its people. It is an important part of Detroit's legacy and will play a pivotal role in its future. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, does hereby award this Testimonial Resolution to the Detroit-Wayne Joint Building Authority (DWJBA) in commemoration of the 60th Anniversary of the "Spirit of Detroit" statue.

**TESTIMONIAL RESOLUTION
FOR
REV. BUELL DAVID CURRY
Pastoral Installation**

By Council President Jones:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, extend congratula-

tions to Rev. Buell David Curry as he is officially installed as the Pastor of Wayside Missionary Baptist Church on September 30, 2018; and

WHEREAS, Born in Houston, Texas and raised on Detroit's eastside, Buell Curry attended Transfiguration Elementary and Middle School. He graduated from Loyola High School and later enrolled at Wayne State University and the University of Phoenix, earning a Bachelor of Science degree in Criminal Justice with a minor in Human Services; and

WHEREAS, He grew up under the tutelage and pastoral leadership of the late Rev. Dr. Sterling L. Jones of Mt. Zion Missionary Baptist Church. Rev. Curry first experienced God's power at age five when he made his confession of faith and was baptized. Through the years, he served the church in many capacities as a member of the usher board and choir, co-president of the youth department and junior deacon. In 2007, he accepted the call of God upon his life to preach the gospel. He started preaching for the Baptist training union, revivals, conferences, other churches and occasionally filled in for Dr. Jones at guest churches on his behalf. In March 2014, Rev. Curry was ordained under Dr. Jones, with Pastor Curtis Grant of the Zion Hope Baptist Church performing the ceremony and ordination process. Along the way, he received valuable training and wisdom from both Pastor Grant and Bishop Michael Jones of Fountain of Truth Church. At Mt. Zion, Rev. Curry served as an associate minister and also taught Sunday school and Men's bible study. He was eventually appointed to teach bible study for the entire church membership. The Mt. Zion bible study class grew by leaps and bounds under his teaching tenure; and

WHEREAS, As a member of the clergy, Rev. Curry has executed many administrative and ministerial duties. He is also actively engaged in community outreach and served for several years under Pastor Vincent Yancey, developing programs to educate, build social awareness and teach the virtues of life to inner-city youth. Rev. Curry values the life lessons learned from his late grandfather, Deacon Buell Porter, his grandmother, Deaconess Mary L. Porter and mother, Evangelist Dr. Denyse P. Jones, and other family members that have helped him get to this point. Rev. Curry is the devoted husband of Kathleen Raytea Curry and proud father of their daughter, Zion Aleece Curry. Rev. Buell David Curry is an anointed teacher of the Gospel, who uses his gifts and talents to praise, empower and encourage the people of God. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President

Brenda Jones, hereby joins with friends and family in honoring Rev. Buell David Curry on this momentous occasion of his official Pastoral Installation.

TESTIMONIAL RESOLUTION FOR

DEBORAH FITZGERALD COPELAND

By Council President Jones:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon Deborah Fitzgerald Copeland, for her dedication and service to the Detroit Fisk Club; and

WHEREAS, Deborah Fitzgerald Copeland was born and raised in Detroit, Michigan. She graduated from Central High School in June of 1966. Being a third generation Fiskite, she would attend Fisk University from 1966-1970, receiving a Bachelor of Arts in English. Later, she would attend Atlanta University, English Master's Program; and

WHEREAS, Two years after graduating from Fisk University, Deborah Fitzgerald Copeland returned to teach Freshman English from 1972-1974. Upon returning to Michigan, she worked for the Bell Broadcasting Company, (WJZZ/WCHB) from 1974-1994. She first held the position of Account Executive and later accepted a position as Local Sales Manager. From 2002-2007, Deborah Fitzgerald Copeland worked at N'Namdi Gallery as Assistant Manager; and

WHEREAS, Deborah Fitzgerald Copeland married her childhood and Fisk University classmate, Wilson Albert Copeland on December 29, 1971. From that union they were blessed with a daughter, Lauren Fitzgerald Copeland N'Namdi, a son-in-law Jumaane N'Namdi, and one special granddaughter, Nataki N'Namdi; and

WHEREAS, Deborah Fitzgerald Copeland has served on the board of many organizations: Detroit Fisk Club, Nataki Taliban Schoolhouse, Behavioral Health of Henry Ford Health System and Palmer Woods Association. She is a member of Delta Sigma Theta, Alpha Beta Chapter. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones, hereby presents this Testimonial Resolution to Deborah Fitzgerald Copeland for her positive contributions to the Detroit Fisk Club.

**TESTIMONIAL RESOLUTION
FOR
GRANDPARENTS RAISING
GRANDCHILDREN DAY**

By Council President Jones joined by Council Member Leland:

WHEREAS, Nearly six million children and 1.5 million grandparents currently live in grandparent-grandchild households. These households face unique daily challenges. Grandparents caring for grandchildren provide a critical service for the benefit of the children and the children's parents, but also it provides a benefit to the public responsibility; and

WHEREAS, Grandparent caregiving is not a new phenomenon; Kin care has historically been part of family life here in the United States. President Barack Obama familial experiences is one notable example of this practice. Since the mid-1990s, several social conditions have caused the number of grandparents who are raising their grandchildren to increase significantly. Parental addition and incarceration, child abuse and neglect, and economic factors all have contributed to a rise in the number of custodial grandparents: and

WHEREAS, As grandchild care has become more visible, concerns have arisen that these benefits may come at the cost of grandparents' well-being. The impact of caring for grandchildren on grandparents' health is a particular focus of concern. Compared with non-caregiving peers, grandparents who are raising their grandchildren have more extensive health problems. Often the grandchildren's needs are prioritized over those of the grandparents — whether financial, time or energy — particularly when there are limited resources: and

WHEREAS, Despite these challenges, these grandparents gladly take on the charge of loving and caring for their grandchildren. The reward to the family is greater than the cost; NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones in commemoration of Grandparents Raising Grandchildren Day, salute all grandparents who selflessly assume the responsibility of rearing the next generation of strong American citizens, and declares the month of September 2018 "Grandparents Raising Grandchildren Month."

**TESTIMONIAL RESOLUTION
FOR
CLAUDIA MAE FREEMAN MILLER
Happy 100th Birthday**

By Council President Jones:

WHEREAS, Claudia Mae Freeman Miller was born September 29, 1918 in Heflin, Alabama. She is the oldest twin to her brother, James, who preceeded her in death. Although Claudia gave birth to only

one child, John Edward, she is known as Mother to many. She came to Detroit, Michigan with her family to live when she was sixteen years old; and

WHEREAS, Claudia and her brother James had an open-door policy at the home they shared on Montclair and Charlevoix (on the eastside of Detroit) and it was where family members migrating from the south could come and live until they got on their feet. This act began a beautiful relationship with the Montclair Street community. She became known around the neighborhood for cooking her large Sunday and Holiday dinners and feeding and clothing people; and

WHEREAS, Claudia and her brother James were co-presidents of the Montclair Block Club and won many awards for their elaborate Christmas decorations throughout the 1960's and 1970's. She was a faithful member of the Mary Palmer Methodist Church and a member of the Church Bowling Team; and

WHEREAS, Claudia retired from the Pontchartrain Hotel where she received an award for 30 years of Service. She also received a letter from President Bill Clinton and medals from her track days as a teenager, just to name a few. Recently, she was captured in a photo by CNN News with her great great grandson, Edward, as he wheeled her in line to pay her respects to the Queen of Soul, Aretha Franklin at the public viewing at New Bethel Baptist Church. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Council President Brenda Jones along with family and friends would like to take this time to honor you as we celebrate your Special Day. Happy 100th Birthday, your family loves you! May God continue to bless you

Re: Khalid Khan vs. City of Detroit, et al.
Case No.: 4:16-cv-12285. File No.: L16-00586 (GBP).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum attached hereto. From this review, it is our considered opinion that a settlement in the amount of Five Thousand Dollars and Zero Cents (\$5,000.00) is in the best interest of City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Five Thousand Dollars and Zero Cents (\$5,000.00) and that you direct the Finance Director to issue a draft in that amount payable to Khalid Khan and Excolo Law, PLLC, his attorney, to be

delivered upon receipt of an Order of Dismissal entered in Lawsuit No.: 4:16-cv-12285, approved by the Law Department.

Honorable City Council:

Re: Jobrena Hood vs City of Detroit. Civil Action Case No: 15-003341.

Recommendation and Indemnification by the City of Detroit of the officer listed below is hereby not recommended. We agree with the recommendation of the Chief of Police and believe that the City Council should find and determine that the suit against the Defendant does not arise out of or involve the performance in good faith of the official duties of the Defendant. The Defendant was a zone dispatcher on August 30, 2013 and failed to dispatch a scout car in response to a domestic violence situation. A warrant request was presented to the Wayne County Prosecutors office resulting in P.O. Miller being charged with one count of willful neglect of duty, a one-year misdemeanor. The case was the subject of

numerous defense appeals but they were unsuccessful in getting the charge dismissed. The Defendant was convicted as charged earlier this year. Attached is a statement of facts submitted by the Prosecutor's office in the appeal. The Defendant violated department procedure, the criminal law and was not in the good faith performance of his official duties at the time the acts complained of were committed. We, therefore, recommend a "NO" vote on the attached resolution. Employee(s) or Officer(s) requesting representation:

Resolution Setting Required Hearings Regarding Defense and Indemnification of Certain Members of the Detroit Police Department

By Council Member McCalister:

Whereas, Section 7.5-203, *Civil Litigation*, of the 2012 Detroit City Charter provides, in relevant part, that "[upon request, the Corporation Counsel may represent any officer or employee of the city in any action or proceeding involving official duties];" and,

Whereas, Section 13-1 1-5, *Civil Service and Personnel Regulations*, of the 1984 Detroit City Code provides, in pertinent part, that "[the city council shall consider and determine whether the corporation counsel shall represent the officer or employee in the matter and find and determine whether or not the claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee];" and.

Whereas. Arbitration awards issued by the Voluntary Labor Arbitration Tribunal recognize the past practice of City Council holding hearings for police officers who have been denied representation (see Grievance Nos. 79-237, 82-055, 90-047, and 92-200/92-202): Now Therefore Be It

Resolved, That, pursuant to the above and MCL 15.268(a), closed sessions are to be held on _____

for the purpose of conducting hearings related to the following: Legal Representation and Indemnification in lawsuit of *Jobrena Hood vs. City of Detroit, Civil Action Number 15-003341 for Craig Miller*; and Be It Further

Resolved, That the hearings are scheduled at _____; and Be It Finally

Resolved, That a copy of this resolution be timely provided to the Detroit Police Officers Association and the Corporation Counsel.

**EXHIBIT E
RESOLUTION APPROVING
BROWNFIELD PLAN
OF THE CITY OF DETROIT
BROWNFIELD REDEVELOPMENT
AUTHORITY
FOR THE LAFAYETTE WEST
REDEVELOPMENT PROJECT**

City of Detroit
County of Wayne, Michigan

Whereas, Pursuant to 381 PA 1996, as
amended ("Act 381"), the City of Detroit
Brownfield Redevelopment Authority
("Authority") has been established by res-
olution of the City Council of the City of
Detroit (the "City") for the purpose of pro-
moting the revitalization of eligible proper-
ties in the City; and

Whereas, Under Act 381 the Authority
is authorized to develop and propose for
adoption by City Council a brownfield plan
for one (1) or more parcels of eligible
property; and

Whereas, Pursuant to the resolution
establishing the Authority and the bylaws
of the Authority, the Authority has sub-
mitted a proposed Amended and Restated
Brownfield Plan for the Lafayette West
Redevelopment Project (the "Plan"); and

Whereas, The Authority submitted the
Plan to the Community Advisory Com-
mittee for consideration on August 8,
2018, per the provisions of the resolution
establishing the Authority, and a public
hearing was conducted by the Authority
on August 15, 2018 to solicit comments
on the proposed Plan; and

Whereas, The Community Advisory
Committee recommended approval of the
Plan on August 8, 2018; and

Whereas, The Authority approved the
Plan on August 22, 2018 and forwarded it
to the City Council with a request for its
approval of the Plan; and

Whereas, The required notice of the
public hearing on the Plan was given in
accordance with Section 13 of Act 381;
and

Whereas, The City Council held a pub-
lic hearing on the proposed Plan on
September 20, 2018.

Now, Therefore, Be It Resolved That:

1. Definitions. Where used in this
Resolution the terms set forth below shall
have the following meaning unless the
context clearly requires otherwise:

"Eligible Activities" or "eligible activity"
shall have the meaning described in Act
381.

"Eligible Property" means the property
designated in the Plan as the Eligible
Property, as described in Act 381.

"Plan" means the Plan prepared by the
Authority, as transmitted to the City
Council by the Authority for approval,
copies of which Plan are on file in the
office of the City Clerk.

"Taxing Jurisdiction" shall mean each
unit of government levying an ad valorem
property tax on the Eligible Property.

2. Public Purpose. The City Council
hereby determines that the Plan consti-
tutes a public purpose.

3. Best Interest of the Public. The City
Council hereby determines that it is in the
best interests of the public to promote the

revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "blighted" as defined in Act 381;

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible

Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund: Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Michigan Business Tax Act credit (or assignment thereof) pursuant to Act 36, Public Acts of Michigan, 2007, as amended, or as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to sub-

mit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226

Resolution declared Adopted.

JANICE WINFREY
City Clerk
City of Detroit
County of Wayne, Michigan

Waiver of Reconsideration is requested.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on _____, 2018, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

City Planning Commission

September 12, 2018

Honorable City Council:

Re: Request of Mr. Mike Semma on behalf of his client Mr. Talal Dickow to amend Article XVII, District Map 53 of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing a B4 (General Business District) zoning classification where an R2 (Two-Family Residential District) zoning classification currently exists on three (3) parcels commonly identified as 2205, 2211 and 2215 Green Avenue, generally bounded by the one way east-west alley first south of W. Vernor Highway to the north, Green Avenue to the east, Whittaker Avenue to the south and the north-south alley first west of Green Avenue to the west. (RECOMMEND DENIAL)

NATURE OF REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) has completed its review and deliberations on the request of Mr. Mike Semma on behalf of his client Mr. Talal Dickow to amend Article XVII, District Map 53 of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing a B4 (General Business District) zoning classification where an R2 (Two-Family Residential

District) zoning classification currently exists on three (3) parcels commonly identified as 2205, 2211 and 2215 Green Avenue, generally bounded by the one way east-west alley first south of W. Vernor Highway to the north, Green Avenue to the east, Whittaker Avenue to the south and the north-south alley first west of Green Avenue to the west.

BACKGROUND

The subject properties are located in City Council District 6 and measure less than half an acre in area. The parcels are presently undeveloped and owned solely or in part by Mr. Talal Dickow under the corporate name "Six Stars Building LLC." 2211 Green Avenue is explicitly listed as being owned by Mr. Dickow, while 2205 and 2215 Green Avenue are listed as being owned by Six Stars Building LLC. Proof of interest in 2205 and 2215 Green Avenue has been provided by way of the Michigan Department of Licensing and Regulatory Affairs which has Mr. Dickow listed as the Resident Agent for Six Stars Buildings LLC.

The permitted land uses for each of the subject parcels is as follows:

2205 Green Avenue - Legal use: vacant land; last permit issued was for demolition of a residential building. There are currently open violations for an illegal parking lot.

2211 Green Avenue - Legal use: vacant land; last permit issued was for demolition of a residential building.

2215 Green Avenue - Legal use: parking lot via SLU #21-09 — Permit # 17032 which was issued on April 22, 2010.

Proposed Development

The petitioner intends to construct a one-story commercial retail store which might accommodate up to three "Stores of a generally recognized retail nature whose primary business is the sale of new merchandise, without drive-up or drive-through facilities."

The proposed rezoning to B4 would allow for the establishment of such a use on a by-right basis per Sec. 61-9-76(38).

SURROUNDING LAND USE AND ZONING

The zoning classification and land uses surrounding the subject area are as follows:

North: B4; parking lot for the La Fiesta Market located at 7403 W. Vernor Highway

East: R2; single-family residential along Green Avenue.

South: R2; single-family residential along Green Avenue at the intersection of Green Avenue and Whittaker Avenue.

West: R2; single-family residential along Whittaker Avenue.

CITY PLANNING COMMISSION PUBLIC HEARING & OTHER COMMUNITY MEETINGS

On Monday, February 19, 2018 a community meeting was held at the LA SED Youth and Senior Center located at 7150

W. Vernor Highway in the subject area of the requested rezoning. There were over 80 residents in attendance, of whom approximately five (5) spoke in regards to the proposed rezoning. There was overwhelming support for the prospect of new retail in the area, however, the community expressed some displeasure when "tax preparation services", "barber shops" and "beauty salons" were mentioned as possible tenants for the proposed development.

Staff expressed concerns over the layout of the proposed development which reflects off-street parking along Green Avenue, adjacent to existing single-family residential properties, as well as the proposed commercial building being setback away from Green Avenue.

Initial conversations were held with the applicant and the Planning and Development at which time it was requested that the development be sited on W. Vernor Highway and Green Avenue rather than south of the one way east-west alley immediately south of W. Vernor Highway. It was communicated to the applicant that should the proposed building be sited at W. Vernor Highway and Green Avenue there would be no need for rezoning as the property is already zoned B4.

CPC staff furthered expressed a desire to see the property situated at W. Vernor Highway and Green Avenue due to the fact that W. Vernor Highway at this particular junction is a part of the Vernor/Springwells Traditional Main Street Overlay Area which is defined as:

"All zoning lots abutting West Vernor Highway between the center line of Clark Street and the zoning lots at the four (4) corners of Woodmere Avenue; and all zoning lots abutting Springwells Avenue between the four (4) corners of West Vernor Highway and the four (4) corners of the Fisher Freeway (1-75) service drives."

Certain commercial areas of the City are, or have the potential to be, high quality, pedestrian-scale, walkable areas with a traditional urban atmosphere. Development within Traditional Main Street Overlay Areas should be geared, as much as possible, toward street-level pedestrian-generating uses.

Ground level treatment of buildings should be pedestrian scale. Typically in the Traditional Main Street Overlay Area buildings are built to the lot-line and parking is located in the rear of properties in order to minimize interference with pedestrian traffic.

Despite the recommendations of both CPC and PDD staff, the applicant has submitted their proposal to rezone the three subject properties.

On April 19, 2018, the City Planning Commission held a public hearing on the subject rezoning request. There were five members of the public present who expressed a desire to speak on the pro-

posed rezoning. Three members of the public spoke in support of the proposed rezoning citing increased employment opportunities for members of the public, the elimination of blight, and the potential for synergy created by this development to help bolster traffic and patronage of other businesses along the W. Vernor Highway corridor as positives of the proposed development. Conversely, two members of the public spoke in opposition to the proposed rezoning citing the poor maintenance of the subject properties and the lack of a dumpster enclosure which has exacerbated a problem with rodents and pigeons. Traffic concerns were also cited, noting that westbound Whittaker at Green is a one-way street.

Prior to the public hearing while conducting a site visit to the subject area, staff did have a conversation with the adjacent property owner at 2206 Green Avenue, Mr. Vallejo, who expressed concerns over the possibility of increased traffic and parking. Mr. Vallejo indicated that parking on the site appears deficient during peak hours on the weekends, where patrons park in the neighborhood along residential streets. Mr. Vallejo communicated his fears over what a decrease in available off-street surface parking might do to compound the parking situation and the effects it might have on the petitioner's business.

Commissioner's Concerns and Responses

The Commission raised a number of questions pertaining to the proposed development and the level of community engagement which had taken place. Commissioner Webb expressed a desire to see the developer conduct a community survey to determine what types of retail they would like to see in the proposed development. At the time of the writing of this report, no such survey has been conducted.

Commissioner Russell inquired about the construction time-table and expressed a desire to see if there were any other instances along the W. Vernor Highway corridor where commercial zoning extends either north or south of the east-west alleyway, particularly in the Traditional Main Street Overlay area. Staff had not been able to find any other instances where the proposed zoning scheme has been implemented.

The request was also made that the Department of Public Works Traffic Engineering Division report on the status of the referenced traffic study for installing a traffic light at W. Vernor Highway and Green Avenue, along with the possibility of converting Whittaker Avenue into a two-way street; both recommendations which were raised at the February 19th Community meeting. Commissioner Russell also inquired about the possibility of a B2

(Local Business and Residential District) zoning classification being considered rather than the B4. The petitioner did indicate that they would be willing to revise their application to show a B2 zoning classification rather than a B4 zoning classification which would still allow them to pursue their intended land use while prohibiting more intensive automotive related uses.

Commissioner Esparza expressed a desire to see the Traditional Main Street Overlay area preserved and would like the petitioner to consider siting the building in the existing B4 at W. Vernor Highway and Green Avenue rather than south of the east-west alley toward Whittaker Avenue. Commissioner Esparza indicated that by siting the building consistently with the Traditional Main Street Overlay area guidelines the developer would be creating a more walkable, pedestrian-friendly development which is more conducive to the residential neighborhood.

MASTER PLAN CONFORMANCE

The subject site is located within the Springwells area of Neighborhood Cluster 5 of the Master Plan of Policies. The Future Land Use map for this area shows "Low Density Residential" for the subject property. The Planning and Development Department submitted a report dated May 3, 2018 regarding the appropriateness of the proposed rezoning request which states in part:

"The development of the subject site will replace a parking lot with additional retail along the Vernor corridor in proximity to the adjacent residential area. Consideration should be given to buffering the site from the adjacent residential area and "fronting" the building along the West Vernor Traditional Main Street Overlay area."

ANALYSIS

Section 61-3-80 of the Detroit Zoning Ordinance lists eight criteria that must be considered in making recommendations and decisions on rezoning requests.

The proposed zoning classification of B4 would permit "stores of a generally recognized retail nature whose primary business is the sale of new merchandise, without drive-up or drive-through facilities" on a by-right basis. The proposed B4 zoning classification would also permit 71 by-right residential, public, civic, institutional, retail, service, commercial, manufacturing, industrial and other uses, the most intensive of which includes "Blueprinting shop," and "General Trade services."

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria which must be considered in making recommendations and decisions on rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The subject properties until recently were residential, having been demolished for surface parking for the existing Super Market located at 7403 W. Vernor Highway. The neighborhood remains largely residential, particularly south of the east-west alleyways. Commission requested staff to survey the area to determine if there were other commercial districts that extended either north or south of alleyways along the W. Vernor Highway Traditional Main Street Overlay areas. Staff has not been able to find any instances where such a zoning scheme has been implemented, and therefore is of the opinion that the request before your Honorable Body does not meet the challenge of some changing condition, trend or fact.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The Master Plan of Policies calls for the area to be low/medium density residential. The proposed rezoning is not consistent with the Master Plan of Policies, and therefore is inconsistent with the Michigan Planning Enabling Act, Act 33 of 2008 which states that zoning must be enacted in accordance with the Master Plan.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

While B2 or B4 zoning classifications are typically located adjacent to or across the alley from land zoned residential, the Commission is concerned about the intensification of zoning adjacent to residential properties, south of the alleyway. In 2015 Your Honorable Body agreed with the Commission's recommendation for denial of a similar request for a property located at 7228 Rutherford Avenue which sought to intensify the zoning north of the east-west alley to allow an outdoor storage area for a used car lot. Similar concerns over traffic, noise, and the adjacency to residential properties were raised.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property would dramatically change as a result of the proposed rezoning. While the subject properties sit within a traditional street grid, there would likely be a need to upgrade city services, such as lighting, water, sewer, etc., beyond what is currently in place; as the existing infrastructure previously served residential uses which have since been demolished.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

As previously mentioned, the physical characteristics of the subject property will dramatically change as a result of the proposed rezoning. The site is currently graded and partially paved, which creates impervious surfaces. While revised plans have been submitted which show perimeter landscaping, no drainage plans for the proposed development were submitted, however for a B2 or B4 zoning request such plans are not required.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

Adjacent property owners have cited concerns over parking, traffic and refuse. Since the April 19th public hearing, the petitioner has constructed a dumpster enclosure to address the concerns of one resident who resides adjacent to the subject properties.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing R2 zoning classification is not conducive for the proposed general retail use. Either the B2 or B4 zoning classification could allow for the proposed use and maintain the character of the residential neighborhood, however, the siting of the building is inconsistent with the W. Vernor/Springwells Traditional Main Street Overlay area.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Given the commercial nature of the subject area and the adjacency of B4 zoning to the north of the subject properties, staff is of the opinion that the proposed rezoning would not constitute an illegal "spot zone."

Suitability of the Property

One of the aforementioned criteria for rezoning states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map 53 generally shows a mix of R2 and B4 zoning on the north, south, east and west around the subject properties. This section of the Springwells subsector is primarily developed with residential and commercial uses.

In general, the Commission looks favorably on the establishment of new commercial retail in the subject area, however, would prefer the development be sited at the W. Vernor lot line consistent with the W. Vernor/Springwells Traditional Main Street Overlay area.

Significant Impact on Other Property

The Commission is of the opinion that the rezoning of these properties from a commercial standpoint might add to the sustainability of the surrounding community by allowing the establishment of economically viable, tax revenue generating businesses. Consideration must also be given to the desires of the host community,

which finds the land use of general commercial in such close proximity to residential dwellings objectionable.

RECOMMENDATION

On July 19, 2018 the City Planning Commission voted to recommend denial of the request citing, the petitioner's failure to satisfy criterion one (1), two (2), three (3) and six (6) of the approval criteria cited in Sec. 61-3-80.

By Council Member Tate:

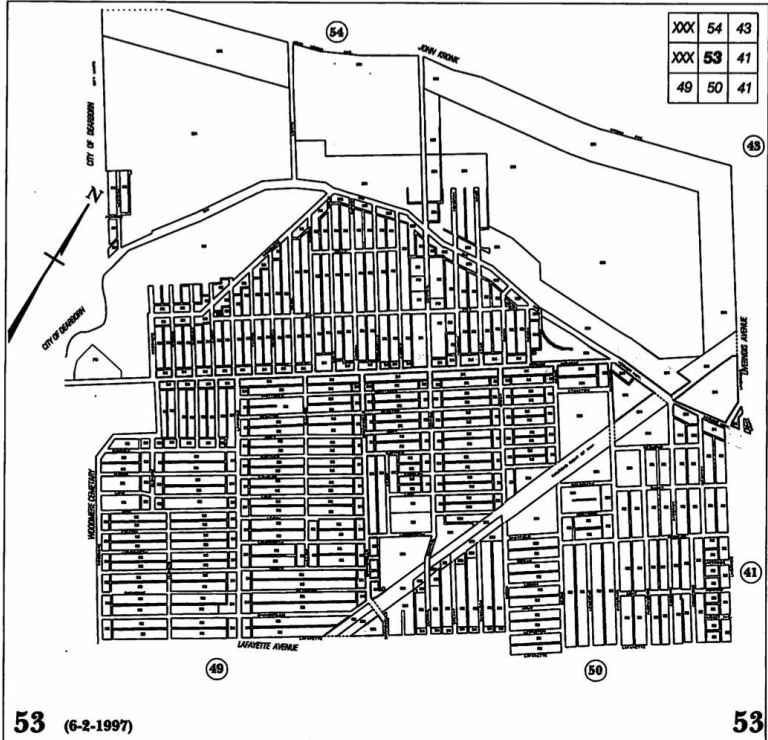

Whereas, The City of Detroit has received petition #1832 and the Detroit City Planning Commission (CPC) has concluded its deliberations regarding the request of Mr. Mike Semma on behalf of his client Mr. Talal Dickow to amend Article XVII, District Map 53 of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing a B4 (General Business District) zoning classification where an R2 (Two-Family Residential District) zoning classification currently exists on three (3) parcels commonly identified as 2205, 2211 and 2215 Green Avenue, generally bounded by the one way east-west alley first south of W. Vernor Highway to the north, Green Avenue to the east, Whitaker Avenue to the south and the north-south alley first west of Green Avenue to the west for the purpose of establishing "Stores of a generally recognized retail nature whose primary business is the sale of new merchandise, without drive-up or drive-through facilities," which is permitted on a by-right basis in the B4 district zoning classification per Sec. 61-9-76(38); and

Whereas, The CPC has held the statutorily required public hearing on this request on Thursday, April 19, 2018 and has submitted to Council its report and recommendation for denial of the aforementioned rezoning request dated September 12, 2018, stating that the commission is of the opinion that a B4 (General Business District) zoning classification is not an appropriate designation and is not consistent with the characteristics of the adjacent properties in the immediate vicinity nor the Master Plan of Policies, noting the change would result in a further increase of commercial traffic, nonresidential parking and noise, in addition to the proposed siting of the building and parking being out of conformance with the Vernor/Springwells Traditional Main Street Overlay area. Now Therefore Be It

Resolved, That the Detroit City Council hereby denies the request of Mr. Mike Semma on behalf of his client Mr. Talal

Dickow to amend Article XVII, District Map 53 of the 1984 Detroit City Code Chapter 61, 'Zoning' to show a B4 (General Business District) zoning classification where an R2 (Two-Family Residential District) zoning classification currently exists on three (3) parcels commonly

**City of Detroit
Historic Designation Advisory Board**
September 27, 2018

Honorable City Council:
Re: Secondary Street Sign request in honor of Rev. Dr. William R. Haney at the intersection of Dexter Avenue and Davison Avenue.

On June 8, 2018 petition #382 was submitted to the City Clerk's Office by Dexter Avenue Baptist Church, requesting that the intersection Dexter Avenue and Davison Avenue be assigned the secondary street name of "Rev. Dr. William R. Haney."

The Historic Designation Advisory

Board (HDAB) staff has reviewed the documentation submitted to the City Clerk's office by the petitioner for the establishment of a Secondary Street Sign. Upon review of the documentation submitted by the petitioner (see attachment) staff has determined that reasonable grounds has been provided and therefore has concluded that the petition does meet the criteria for Secondary Naming of Street in accordance with Article VII Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code.

Criteria

As stated in Chapter 50 of the 1984 Detroit City Code, *Streets, Sidewalks and Other Public Places, Article VII, Opening, Closing, Extending, Widening, Vacating, Naming and Renaming of Streets and Assigning Secondary Names to Streets.* A secondary street name designation may be sought to recognize a person who achieved prominence as a result of his or

Re: Secondary Street Sign request in honor of Rosa L. Gragg at the intersection of Ferry Avenue and Brush Street.

The City of Detroit is receipt of a petition submitted by the Detroit Association Women's Club and the Keeper of the Word Foundation, requesting that the intersection Ferry Avenue and Brush Street be assigned the secondary street name Rosa L. Gragg Blvd.

The Historic Designation Advisory Board (HDAB) staff has reviewed the documentation submitted to the City Clerk's office by the petitioner for the establishment of a Secondary Street Sign. Upon review of the documentation submitted by the petitioner (see attachment) staff has determined that reasonable grounds has been provided and therefore has concluded that the petition does meet the criteria for Secondary Naming of a Street in accordance with Article VII Section 50-7-

Re: Resolution Approving an Industrial Facilities Exemption Certificate, in the area of 5151 Bellevue Detroit, Michigan, in Accordance with Public Act 198 of 1974 on behalf of Troxell Axle, LLC (Petition #5161).

On September 27, 2018, a public hearing in connection with approving an Industrial Facilities Exemption Certificate request for the above-captioned property

was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Troxell Axle, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 ("the Act") and the

We request your Honorable Body's approval of the resolution.

Respectfully submitted,
DONALD RENCHER
Director

By Council Member Tate:

Whereas, Pursuant to P.A. 198 of 1974, M.C.L. 207.551 et seq., after a duly noticed public hearing held in 1982 this Detroit City Council established by resolution an Industrial Development District in the vicinity of 5151 Bellevue, Detroit, Michigan (the "Project"); and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, Troxell Axle, LLC (the "Applicant"), has filed with the City Clerk an application (the "Application") for an Industrial Facilities Exemption Certificate, under Public Act 198 of 1974 (the "Act") in the City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission (the "Commission"); and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Construction of the facility and installation of new machinery and equipment had not begun earlier than six (6) months before June 25, 2018, the date of acceptance of the Application; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Industrial Development Rehabilitation District; and

Whereas, Before acting on the Application, the City of Detroit held a hearing on September 27, 2018, at Coleman A. Young Municipal Center, in Detroit, Michigan at 10:05 am, at which hearing the applicant, the Assessor and a representative of the affected taxing units were given written notice and were afforded an opportunity to be heard on the Application; and

Whereas, Completion of the facility is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to retain, create or prevent the loss of employment in the City of Detroit; and

Whereas, The aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum

of the SEV of unit, plus the SEV of personal and real property thus exempted; and

Whereas, This City Council has granted until the end of December 15, 2019 for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard.

Now, Therefore Be It

Resolved, That this City Council finds and determines that the granting of the Industrial Facilities Tax Exemption Certificate considered together with the aggregate amount of certificates previously granted and currently in force under the Act, shall not have the effect of substantially impeding the operation of the City of Detroit, or impairing the financial soundness of a taxing unit which levies ad valorem property taxes within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the Application from the Applicant for an Industrial Facilities Tax Exemption Certificate in the area of the Project is hereby approved for a period of eight (8) years in accordance with the provisions of the Act, expiring no later than December 31, 2026 (the "Expiration Date"), except as set forth below, and be it further

Resolved, That the City Clerk shall forward the Application to the Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than December 15, 2019 unless an extension of that time is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable; and be it further

Resolved, That if, prior to the Expiration Date, the Applicant determines that the final cost of the Project (either the real or tangible personal property components) exceeds 10% of the estimated amount indicated on the original Application, the Applicant may request in writing that this City Council approve the additional cost for an extension of up to four (4) years; and be it further

Resolved, That upon receipt of such a request, the City Clerk shall notify in writing the assessor and the legislative body of each taxing unit and shall afford the

Applicant, the assessor, and a representative of the affected taxing units an opportunity for a hearing on the request; and be it further

Resolved, That if this City Council approves such request for a revised cost, the City Clerk shall forward a copy of the amended Application, a revised list of improvements, and the resolution of approval to the Commission; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and the City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Industrial Facilities Exemption Certificate Agreement.

Re: Resolution Approving an Obsolete Property Rehabilitation District, in the area of 6001 Cass Avenue, Detroit, MI., in accordance with Public Act 146 of 2000 for 6001 Cass Owner, LLC (Petition #282)

On October 4, 2018, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 6001 Cass Avenue, Detroit, MI, in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, 6001 Cass Owner, LLC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 6001 Cass Avenue, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is

obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on October 4, 2018, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now, Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Re: Real Property at 5920 Chene, Detroit, MI 48211

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Tocko, LLC, a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 5920 Chene, Detroit, MI 48211 (the "Property").

The P&DD entered into a Purchase Agreement dated August 10, 2018 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Four Thousand Five Hundred and 00/100 Dollars (\$4,500.00) (the "Purchase Price").

Offeror intends to use the vacant lot as parking for adjacent property being redeveloped to retail. The proposed use is a by-right use within the designated B4/General Business zoning district as per the City of Detroit Zoning Ordinance, Section 61-9-76 (22).

We request that your Honorable Body adopt the attached resolution to authorize

the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
JANET ATTARIAN

Deputy Director

By Council Member Tate:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Tocko, LLC, a Michigan liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 5920 Chene, Detroit, MI 48211, (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated August 10, 2018, with Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to use the vacant lot as parking for the adjacent property being developed to retail. The proposed use is a by-right use within the designated B4/General Business zoning district as per the City of Detroit Zoning Ordinance, Section 61-9-76.

Now, Therefore, Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Four Thousand Five Hundred and 00/100 Dollars (\$4,500.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of Two Hundred Twenty Five and 00/100 Dollars (\$225.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Hundred Seventy and 00/100 Dollars (\$270.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to

execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

**RESOLUTION AUTHORIZING THE
ESTABLISHMENT OF A SECONDARY
STREET NAME IN HONOR DR. TAPAN
DATTA AT THE INTERSECTION OF
ANTHONY WAYNE DRIVE
AND W. WARREN AVENUE**

By Council Member Tate:

Whereas, The Detroit City Council has received petition #317 from Wayne State University, to assign a Secondary Street Name in honor of Dr. Tapan Datta, to be located at the intersection of Anthony Wayne Drive and W. Warren Avenue, in the City of Detroit, City Council District 6; and

Whereas, The intersection of Anthony Wayne Drive and W. Warren Avenue is historically significant, being the near the location of the Wayne State University School of Engineering where Dr. Datta taught as a faculty member and ultimately

as Chairman of the Department of Civil and Environmental Engineering from 1973 until his retirement in the latter part of 2018; and

Whereas, The intersection of Anthony Wayne Drive and W. Warren Avenue is also historically significant being the location where Dr. Datta implemented many of the safety and design standards that he developed over his 45 years of teaching at Wayne State University; and

Whereas, It is mainly because of Dr. Datta's efforts that WSU built a nationally renowned Transportation Program, which produced outstanding graduates, many of who currently work for the City of Detroit's Department of Public Works. Additionally, many of his past students are in key positions today in leading international, national, state and city-level agencies; and

Whereas, Dr. Datta has directed countless research projects sponsored by FHWA, NHTSA, OSHA, MDOT, MOHSP, AAA, and other public and private agencies, and while during his entire time at WSU, Dr. Datta was actively involved in a variety of research projects dealing with highway safety, traffic operations, traffic signal systems, evaluation, GIS, ITS and other advanced technologies, construction work zone safety, human factors, risk management, transit systems, all of which have lead to developments such as the full second delay on traffic signals which have contributed to the saving of thousands of lives. Now Therefore Be It

Resolved, That the City Council finds the above-mentioned individual and the proposed location meets the criteria for Secondary Naming of a Street in accordance with Article VII, Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code; Be It Further

Resolved, That the intersection of Anthony Wayne Dr. and W. Warren Avenue be assigned the secondary street name "Tapan Datta Boulevard" in celebration of his noteworthy achievements; Be It Further

Resolved, That the projected cost of designing, producing, erecting, replacing and removing the necessary signs and markers shall be paid, in advance, to the street fund by the petitioner requesting the secondary name; And Be It Finally

Resolved, A certified copy of the resolution shall be transmitted by the City Clerk to the fire department, police department, department of public works and its city engineering and traffic engineering divisions, department of transportation and the United States Postal Service.

RESOLUTION AUTHORIZING THE ESTABLISHMENT OF A SECONDARY STREET NAME IN HONOR OF DR. E. N. JENNINGS AT THE INTERSECTION OF PLYMOUTH ROAD AND THE SOUTHFIELD FREEWAY

By Council Member Tate:

Whereas, The Detroit City Council has received a request from New Providence Baptist Church, to assign a Secondary Street Name in honor of Dr. E. N. Jennings, Sr., to be located at the intersection of Plymouth Road and the Southfield Freeway Service Drive in Detroit, Michigan, City Council District 7; and

Whereas, New Providence Baptist Church located at the intersection of Plymouth Road and the Southfield Freeway Service Drive is historically significant, being the location of the ministry for any good works carried out under the leadership of Dr. E. N. Jennings, Sr.; and

Whereas, Feeding the hungry, clothing the naked and providing shelter to those in need is a part of a church's mandate, Dr. E. N. Jennings, Sr. has gone above and beyond what is expected by partnering with the Detroit Public Schools Community District to provide a location for the Detroit Innovation Academy K-8 school;

Whereas, Under Dr. E. N. Jennings, Sr.'s leadership thousands of lives of residents within the City of Detroit have been touched through his personal giving as well as that of his congregation, whom on a monthly bases contribute to Alternative for Girls, American Heart Association, Angel House, Autism Speaks, Black Family Development, Bridges to Hope Program, Capuchin Kitchen, Children's Hospital of Michigan, COTS, Covenant House, Detroit Rescue Mission, Department of Human Services, Focus HOPE, Forgotten Harvest, The Guidance Center, Habitat for Humanity, Harford Rehabilitation Center, Henry Ford Village Nursing Home, Mariners Inn, Matrix Human Services, New Day Mission, Operation Get Down, Ronald McDonald House, Salvation Army, Sound Mind Sound Body (Youth Football), Starfish Youth Shelter and Turning Point Agency West Wayne Family Services. Now, Therefore Be It

Resolved, That the City Council finds the above-mentioned individual and the proposed location meets the criteria for Secondary Naming of a Street in accordance with Article VII, Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code; Be It Further

Resolved, That the intersection of Plymouth Road and the Southfield Freeway Service Drive be assigned the secondary street name "Dr. E. N. Jennings, Sr. Dr." in celebration of his noteworthy achievements; Be It Further

Law Department

August 14, 2018

Honorable City Council:
Re: Requested Amendment to the Municipal Identification Card Program Ordinance to Increase Returning Citizen Point Categories.

Council Member Janée Ayers requested that the Law Department prepare an ordinance to amend Chapter 27, *Human Rights*, Article X, *Municipal Identification Card Program*, by amending Section 27-10-4 to increase the point system value in both Category A and Category B. More specifically, the proposed amendments increase:

- Criminal Record check (AFIS) with photograph from 200 to 300 points;
- Offender Tracking Information System (OTIS) record from 200 to 300 points;
- Criminal Record check (AFIS) without photo from 125 to 200 points and
- Michigan Department of Corrections prisoner identification card from 75 to 200 points.

A copy of the ordinance, which has been approved as to form, is attached for your consideration.

I look forward to discussing this important legislation with this Honorable Body.

Respectfully Submitted,
JULIANNE V. PASTULA
Senior Assistant Corporation Counsel
Municipal Law Section

By Council Member Ayers:

AN ORDINANCE to amend Chapter 27, *Human Rights*, of the 1984 Detroit City Code, by amending Article X, *Municipal Identification Card Program*, by amending Section 27-10-4 to increase the point system requirements in both Category A and Category B for Criminal Record check (AFIS) with photograph, Offender Tracking Information System (OTIS) record, Michigan Department of Corrections prisoner identification card, and Criminal record check (AFIS) without photo.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 27, *Human Rights*, of the 1984 Detroit City Code, Article X, *Municipal Identification Card Program*, is amended by amending Section 27-10-4 to read as follows:

**ARTICLE X. MUNICIPAL IDENTIFICATION CARD PROGRAM
Sec. 27-10-4. Application; Eligibility and point system requirements.**

(a) To obtain a municipal identification card, a resident shall complete an application, under penalty of perjury, requiring proof of identity and proof of residency within the City. Such forms of proof shall be (1) issued by a governmental entity, or (2) issued by an entity that takes reasonable steps to verify the identity and/or residency of the individual to whom it is issued or (3) of a type that is normally accepted as proof of identity and/or residency in the ordinary course of business. The administering agency shall establish a list of such documents in accordance with Section 27-10-6.

(b) The administering agency shall retain the original application and copies of an applicant's supporting documentation, including all proof of identity and proof of residency credentials, pursuant to an approved records retention and disposal schedule. The administering agency shall develop and submit to the State of Michigan for approval an agency-specific

retention and disposal schedule setting forth a retention period of two years from the date of issuance.

(c) Documentation of an applicant's proof of identity and proof of residency shall include:

(1) Any combination of items from Categories A or B, totaling at least 300 points; and

(2) A minimum of one identity credential from Category A containing a photo-

graph and date of birth of the applicant; and

(3) One item from Category C showing proof of City residency within the previous 30 days; and

Department of Public Works
City Engineering Division

September 17, 2018

Honorable City Council:

Re: Petition No. 1712 — J. Blacksher request to vacate an alley located on Helen Street between Theodore and Farnsworth.

Petition No. 1712 — J. Blacksher request to vacate and convert to easement the east-west public alley, 20 feet wide, and the north-south alley, 15 feet wide, first east of Helen Street, all in the block of Theodore Avenue, 50 feet wide, Farnsworth Avenue, 60 feet wide, Helen Street, 60 feet wide, and East Grand Boulevard, 150 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made in order to close off two unused alleys in the block and for the resident's security.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

DTE Energy-electric reports involvement and require access to their facilities. A provision for DTE Energy access is included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easements for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
By Council Member Benson:

Resolved, That all of the east-west public alley, 20 feet wide, and the north-south alley, 15 feet wide, first east of Helen Street, all in the block of Theodore Avenue, 50 feet wide, Farnsworth Avenue, 60 feet wide, Helen Street, 60 feet wide, and East Grand Boulevard, 150 feet wide, and further described as: land in the City of Detroit, Wayne County, Michigan, being:

1) The east-west public alley, 20 feet wide, lying northerly of and adjoining the northerly line of Lots 12, 13, 14, and 15, Block 3; also, lying southerly of and adjoining the southerly line of Lots 8, 9, 10, and 11, Block 3 "Brewer's Subdivision of the South 24 Acres of the West 30 Acres of P.C. 678 lying North of Gratiot Avenue, City of Detroit, Wayne County, Michigan" as recorded in Liber 11, Page 71 of Plats, Wayne County Records.

2) The north-south alley, 15 feet wide, first east of Helen Street, lying easterly of and adjoining the easterly line of Lots 1 through 7, both inclusive, Block 3; also, lying westerly of and adjoining the westerly line of Lots 8 and 15 and the alley adjoining said Lots, Block 3 "Brewer's Subdivision of the South 24 Acres of the West 30 Acres of P.C. 678 lying North of Gratiot Avenue, City of Detroit, Wayne County, Michigan" as recorded in Liber 11, Page 71 of Plats, Wayne County Records.

Be and the same are hereby vacated as a public rights-of-way and converted into a private easements for public utilities of the full width of the rights-of-way, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots

abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That DTE Energy-electric has access to the easement at all times for maintenance and restoration of their facilities in order to ensure the reliability of electric service, also DTE further requires that no barricading or fencing be erected that will adversely impact their access; and be it further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever,

including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances (into Theodore Avenue and/or Farnsworth Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 1823 Union Capitol Development, LLC request to vacate an alley located behind 3729 W. Chicago.

Petition No. 1823 Union Capitol Development, LLC request to vacate and convert to easement the east-west public alley, 16 feet wide, in the block of

Longfellow Avenue, 50 feet wide, West Chicago Avenue, 60 feet wide, McQuade Avenue, 50 feet wide and Dexter Avenue, 100 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being on behalf of the Salvation Army to establish a day care for children with a playground that is accessible without crossing the alley.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific

DWSD provisions for easements are included in the resolution.

DTE Energy - electric reports involvement and they will relocate their services at project cost. A provision for DTE Energy relocation is included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, That all of the east-west public alley, 16 feet wide, in the block of Longfellow Avenue, 50 feet wide, West Chicago Avenue, 60 feet wide, McQuade Avenue, 50 feet wide and Dexter Avenue, 100 feet wide, and further described as: land in the City of Detroit, Wayne County, Michigan, being the public alley, 16 feet wide, lying northerly of and adjoining the northerly line of Lots 81 through 84, both inclusive, and Lots 180 through 183, both inclusive; also lying southerly of and adjoining the southerly line of Lots 71 through 75, both inclusive, and Lots 184 through 188, both inclusive "McQuade's Dexter Boulevard Subdivision of the East 40 acres of 1/4 section 32,10,000 Acre Tract, City of Detroit, Wayne County Michigan" as recorded in Liber 35, Page 5 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies,

or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That DTE Energy-electric estimates that the non-refundable service cost to remove their facilities in the alley is \$2,363.87 with the cost to be borne by the petitioner or their assigns, and be it further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use

September 18, 2018

Honorable City Council:

Re: Address: 5735 Buckingham. Name: Coolidge Park Realty Investments. Date ordered removed: April 3, 2018 (J.C.C. pages _____).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on September 17, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is

owner's use and occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminent-ly hazardous conditions immediately corrected and be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminent-ly hazardous conditions immediately corrected and be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Honorable City Council:

Re: Address: 2242-44 Concord. Name: Frank Lichtenberg. Date ordered removed: October 25, 2016 (J.C.C. pages 1990-1998).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on September 13, 2018 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected and be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may

proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Law Department

October 4, 2018

Honorable City Council:

Re: Amendment to Chapter 24, *Health and Sanitation*, Article VI, *Rodents and Pest Control*, Division 3, *Bed Bugs* by adding Sections 24-6-32 through 24-6-38.

The Law Department has prepared an ordinance proposed by Council President Brenda Jones, which addresses bed bug infestations in rental units in the City of Detroit. This local law will be amending Chapter 24 of the 1984 Detroit City Code, *Health and Sanitation*, Article VI, *Rodents and Pest Control*, and amending Division 3, *Bed Bugs*, by adding Sections 24-6-32, through 24-6-38. The purpose of the ordinance is to implement a protocol for eradicating bed bug infestations, establish landlord and tenant duties, methods to control an infestation, how to properly dispose of infested property, provide access to informational materials for tenants to prevent a bed bug infestation and lastly, to set forth penalties for violations of this ordinance. A copy of the ordinance, which has been approved as to form, is attached for your consideration.

I look forward to discussing this important legislation with this Honorable Body.

Respectfully Submitted,
MARY PARISIEN

Assistant Corporation Counsel
City of Detroit Law Department
Municipal Section

By Council Member Benson:

AN ORDINANCE to amend Chapter 24 of the 1984 Detroit City Code, *Health and Sanitation*; Article VI, *Rodent and Pest Control*, by amending Division 3, *Bed Bugs*, by adding Section 24-6-32, *Definitions*, to set forth definitions; Section 24-6-33, *Landlord Duties*, to establish the responsibilities of landlords; Section 24-6-34,

Occupant Duties, to establish the responsibilities of occupants; **Section 24-6-35, Cost to control infestation**, to address the cost of controlling an infestation; **Section 24-6-36, Disposal of furnishings, bedding, clothing or other materials infested with bed bugs**, to establish protocols for the disposal of infested materials; **Section 24-6-37, Education**, to require informational materials be provided to occupants on the best practices to handle and prevent a bed bug infestation; and **Section 24-6-38, Violation**, to provide penalties for failure to comply with this ordinance.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 24 of the 1984 Detroit City Code, *Health and Sanitation*; Article VI, *Rodent and Pest Control*, by amending Division 3, *Bed Bugs*, by adding Sections 24-6-32 through 24-6-38, to read as follows:

**CHAPTER 24. HEALTH
AND SANITATION
ARTICLE VI. RODENT AND
PEST CONTROL
DIVISION 3. RESERVED
DIVISION 3. BED BUGS**

~~Sec. 24-6-32. 26-6-30. Reserved.~~
Repealed.

Sec. 24-6-32. Definitions.

For the purpose of this division, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Bed bug means any stage and species of the insect Cimex.

Bedding or bedding materials shall mean any mattress, mattress-type pad, box spring, upholstered spring bed, upholstered furniture, day bed, davenport, couch, reclining chair, sleeping bag, packaged filling material, pillow, quilt, mattress protector pad, comforter, cushion or quilted bedspread that contains filling material concealed by fabric or other flexible material, or any article used or intended for use for sleeping or reclining purposes.

Control or controlling means hiring a professional service to inspect, clean, conduct thermal remediation, eradicate, properly dispose of property, and conduct treatments.

Infestation or infested means the presence of live bed bugs or viable bed bug eggs.

Landlord means any of the following:

(1) The owner, lessor, or sub lessor of the rental property.

(2) A person authorized to exercise any aspect of the management of a rental property including a person who, directly or indirectly, acts as a rental agent or receives rent, other than as a bona fide purchaser, whether or not that person has

an obligation to deliver the rent payments to another person.

Occupant means any individual, including a tenant, whom is living or sleeping in a building or structure, or having possession of a space within a building or structure.

Pest Management Professional means a commercial applicator as defined in Section 8302 of the *Natural Resources and Environmental Protection Act*, MCL 324.8301, who is licensed under Section 8313 of that act.

Rental Agreement means an agreement that establishes, extends or modifies the terms, conditions, or other provisions concerning the use and occupancy of a rental property.

Rental Property means space utilized for residential, commercial or industrial purposes.

Senior Living Community means a residential community or housing complex designed for adults age 55 and older.

Treatment means either of the following or both:

(1) A licensed pest management professional, as defined in this section, applying pesticides or other chemicals, thermal radiation, or other methods common to the pest management industry to eradicate bed bugs; or

(2) Self-help treatment, includes methods suggested by the state of Michigan.

Sec. 24-6 – 33. Landlord Duties.

(a) A landlord shall not enter into a rental agreement with the occupant if the landlord knows or has reason to know that the rental property is infested with bed bugs.

(b) A landlord shall be responsible for all of the following:

(1) Having a licensed pest management professional, as defined in Section 24-6-32 of this division, inspect a rental property for bed bugs prior to leasing, or renting it to others.

(2) Provide proof to the occupant, prior to or upon signing the lease agreement of the rental property, that the property was inspected by a licensed pest management professional and is bed bug free.

(3) Providing informational material to the occupant regarding bed bug prevention from the State of Michigan website, or the City of Detroit’s website, or any other informational forum.

(4) Within 7 days after receiving written or electronic notice from an occupant, or other reliable source of a suspected infestation in the occupant’s rental property, the landlord shall order an inspection of the rental property for bed bugs by a pest management professional. If an infestation of a rental property is confirmed, the landlord shall immediately order an inspection of any adjoining or adjacent rental units to the infested property;

(5) Within seven days after an infesta-

tion of a rental property is confirmed, the landlord and tenant shall begin treatment, by hiring a pest management professional chosen by the landlord to eradicate the bed bugs, or in accordance with Subsection (5)(a) only single family dwelling units may use self-help treatment methods.

a. For the purposes of single family residential dwelling units only the use of suggested self-help treatment methods listed on the state of Michigan’s website may be used to eradicate bed bugs.

b. Following a self-help treatment method used for an infested rental unit the landlord shall have an inspection of the unit conducted by a pest management professional within 14 days to confirm the unit is free from bed bugs.

c. If a self-help treatment method is used on a rental unit and upon inspection by a pest management professional bed bugs are still present in the unit, the landlord shall hire a pest management professional to treat the rental unit.

d. Self-help treatment methods shall not be used in situations in which the rental unit is overwhelmingly infested with bed bugs.

(6) Maintaining a record of the pest control measures performed by the pest management professional on the rental property and shall comply with the following:

a. The record shall include reports and receipts prepared by the pest management professional;

b. A log of all infestation reports made by occupants;

c. The record shall be maintained for 3 years; and

d. The record shall be readily available for inspection by the City of Detroit Buildings, Safety Engineering and Environmental Department and the City of Detroit Health Department.

7. Providing notice to all occupants of the rental property if the property has multiple occupants, of when an infestation has occurred or is taking place and shall provide a reminder to occupants of the proper procedures to prevent the spreading of bed bugs; that some rental units on the property may be inspected; and if they suspect their rental unit may be infested to contact the landlord in writing; and

(8) With exception to subsection (9) of this section, the landlord shall remove any items or materials the occupant has placed in a sealed plastic bag and properly labeled for disposal, immediately from the premises, in accordance with Section 24-6-36 of this ordinance.

(9) Occupants of a single family residence shall be responsible for removing any infested items or materials and disposing of them in accordance with section 24-6-36 of this division.

(c) Pursuant to MCL 600.5720, a landlord shall not retaliate against an occupant because the occupant has in good faith reported a suspected bed bug infestation.

Sec. 24-6 – 34. Occupant Duties.

(a) An occupant shall do all of the following:

(1) Maintain the rental property free from bed bugs;

(2) Not knowingly move items that are infested with bed bugs into a rental property;

(3) Notify the landlord in writing, or by electronic means within two days if the occupant suspects the rental property is infested;

(4) Grant reasonable access of the rental property to the landlord and the landlord’s pest management professional for inspection, control and treatment;

(5) Comply with the control protocol established by the state of Michigan for suggested self-help treatment methods if occupant of a single family residential dwelling chooses to use self-help treatment methods in accordance with Section 24-6-33(5)(a) and (d), or protocols established by the landlord’s pest management professional; and;

(6) Remove any personal property from the premises that the pest management professional has determined cannot be treated or cleaned before the treatment of the occupant’s rental property to prevent the spread of bed bugs.

Sec. 24-6-35. Cost to Control Infestation.

(a) With exception to subsection (b) of this section, if an occupant or the occupant’s guest causes an infestation, the occupant shall pay the cost of control and treatment by a licensed pest management professional hired by the landlord for the occupant’s rental property.

(b) An owner or operator of a senior living community, as defined in section 24-6-32 of this division, shall be responsible for the cost of any inspections and necessary treatments of bed bugs by a licensed pest management professional.

Sec. 24-6 – 36. Disposal of furnishings, bedding, clothing or other materials infested with bed bugs.

(a) No person shall place, discard or dispose of any bedding, clothing or other materials infested with bed bugs on the public way right of way, except when such bedding, clothing or other material is placed in or near the person’s trash or dumpster for pick-up and is totally enclosed in a plastic bag as labeled as being infested with bed bugs. If the infested material is too large to enclose in a plastic bag, it must be wrapped in plastic and a label shall be affixed to the infested item indicating that it is infested.

(b) All items infested with bed bugs

shall be bagged, sealed and labeled in the infested room prior to moving the items out of the premises for disposal.

(c) Except with respect to occupants of a single family residence, as noted in section 24-6-33 (8)(a) of this division; the landlord shall collect the infested items and materials, properly labeled and sealed by the occupant, and dispose of them immediately from the premises.

(d) No furnishing, bedding, clothing or other material infested with bed bugs shall be submitted for recycling or sold.

(e) Licensed junk removal services are not permitted to take any infested items that have been labeled and are awaiting disposal.

**Office of the Chief Financial Officer
Grants Management**

September 7, 2018

Honorable City Council:

Re: Request to accept an increase in appropriation for the FY 2017 Historic Preservation Fund Certified Local Government Grant.

The Michigan State Housing Development Authority — State Historic Preservation Office has awarded an increase in appropriation to the City of Detroit Historic Designation Advisory Board for the FY 2017 Historic Preservation Fund Certified Local Government Grant, in the amount of \$10,000.00. There is no longer a required

cash match. This funding will increase appropriation 20415, previously approved in the amount \$25,100.00, by council on July 18, 2017, to a total of \$35,100.00.

The objective of the grant is to prepare a National Register of Historic Places Nomination for Hart Plaza in Detroit. This grant will enable the department to get an inventory of the resources in and around the Plaza, including buildings, structures, objects, open spaces and other features. This is a reimbursement grant.

I respectfully ask your approval to accept the increase in appropriations funding in accordance with the attached resolution.

Sincerely,
RYAN FRIEDRICH
Director

Office of Development and Grants

**TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE**

**RESOLUTION
IN MEMORIAM**

MR. GEORGE JERONE STEVENS

November 3, 1928 - September 26, 2018
By Council Member Sheffield:

WHEREAS, Mr. George Jerone Stevens, was born on November 3, 1928, in Rome, Georgia to Joe and Lucile (Wise) Stephens, the fifth of six children. He came to Detroit at an early age. He left and served in the U.S. Military during the Korean War. After leaving the Armed Services Mr. George Jerone Stevens, returned back to live and work in Detroit, Michigan. It was in Detroit that he met his beautiful bride and wife of 56 years, Mrs. Minnie Brandon, and

WHEREAS, In 1960, Mr. George Jerone Stevens, began work as the first and only African-American employee at G-E-M contractors as a laborer. Mr. George Jerone Stevens found himself less than content with being just a laborer. So he began to teach himself all that he could by looking over the shoulder of his then boss and company owner Vern Hooper. During this time George Jerone Stevens managed to secure the knowledge of both installing and calibrating dynamometer machinery, which he did for the once big three as well as American Motors over the years while he worked at G.E.M. George gained the respect and a lifelong friendship of Vern Hooper who admired and respected what George Jerone Stevens had accomplished and made him the first African-American Supervisor at his company. George used his position to open doors for other African-Americans, enabling them to make wages that weren't traditionally paid to African-Americans during this era, and

WHEREAS, Mr. George Jerone Stevens still not satisfied with being just an employee he decided to go into business for himself with the help of his wife and lifetime partner, they along with a family member opened a chicken restaurant. This venture lead to Mr. George Jerone Stevens and his wife opening their second business, The Dairy King Ice Cream parlor. Mr. George Jerone Stevens soon realized that success of this business had outgrown the walls that it was within. This pushed George to teach himself yet another trade. So George took a heating and cooling class which he used to create his master piece. He engineered an ice cream truck using a diesel fuel generator to supply power to all the AC power machinery needed to run his dairy queen on wheels. This served as a prototype for the mobile food industry. The business gained him and his wife fame throughout the west side of Detroit as the Good Mr. Softee Ice Cream truck, and

WHEREAS, Mr. George Jerone

Stevens and his wife Minnie still not satisfied, decided to invest into real-estate where they provided affordable clean housing for many families over the years. All this was done during George Jerone Stevens thirty-five year career at G.E.M. Upon on retiring, George Jerone Stevens started his final successful business, M. Stevens & Son, that he named after his wife whom he deemed the CEO. Here he went on to use the trade that he had acquired at G.E.M. to work for Roush Industries EPA, Ricardo Industries, Bosal and GFI. While doing this George Jerone Stevens employed several young men teaching them more than just a trade. Believing that he could take this as an opportunity to teach them self-respect, self-worth and self-confidence. These were the skills he believed would help make them leaders amongst men; and

WHEREAS, George Jerone Stevens is survived by his loving wife, Minnie Stevens; daughters, LaTonya (Kenneth) Davenport and Yolanda Stevens; son, Sean (Monique) Stevens; grandchildren, Joshua Davenport, Clinton Gresham II and Sidney Stevens; sister Mary Jones; and numerous nieces, nephews, cousins and friends who he left to cherish his memory and continue to preserve and cultivate his legacy. George Jerone Stevens was preceded in death by his parents Joe and Lucile Stevens; sister, Mabel Thornton; brothers, Joe Bob, and Charles Stevens; and two beautiful grandchildren, Delando Stevens and Joslyn Davenport, NOW THEREFORE BE IT

RESOLVED, On behalf of myself, Council Member Roy McCalister, Jr, and the entire Detroit City Council we give Mr. George Jerone Stevens this blessing, as he returns to the Father. May the Lord bless you. May the Angels of the Lord lead you to your Savior's arms. For you were a sign of his presence to us, through your intuitive ideas and creative abilities that lead you to start businesses that blessed many individuals and families. May the Lord now embrace you and hold you in his love forever. Amen.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castañeda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

Council Member Ayers left the table.

**TESTIMONIAL RESOLUTION

**TESTIMONIAL RESOLUTION
PASTOR KARL L. REID**

By Council Member Sheffield:

WHEREAS, On Sunday, December 14, 2008 St. James Missionary Baptist Church called Evangelist Karl L. Reid to service as Overseer. In 2009, Evangelist Karl L. Reid accepted the call to Pastor at St. James M.B.C.

WHEREAS, Pastor Reid was very instrumental in helping St. James celebrate 100 years of Ministry in October of 2017 at the Athena Banquet Center located in Roseville, Michigan.

WHEREAS, Pastor Reid is a gospel recording artist with the group Commissioned of Detroit, Michigan. He is one of the original members of the group and has traveled for over twenty years

nationally and internationally spreading the good news of the Gospel in both spoken word and music. Since forming in 1982, the men of Commissioned have recorded 11 albums, received many Dove Awards as well as others, and have been nominated for a number of Grammy's. Pastor Reid's voice is the tenors lead on the ever-popular hit "Secret Place", which he wrote.

WHEREAS, Pastor Reid is celebrating 30 years of marriage with his wife, Minister Toi and has two adult sons who both love and serve God.

WHEREAS, Pastor Karl Reid graduated from the Bible Training Center at Word of Faith International Christian Center, with honors, where he was also licensed and ordained by Bishop Keith A. Butler. He also received his Doctorate degree in Theology. He serves faithfully as Pastor of St. James Missionary Baptist of Detroit, and faithfully as Assistant Pastor at The River Church in Livonia, Michigan.

WHEREAS, Pastor Karl Reid is celebrating 40 years of Ministry and 10 years as Pastor of St. James Missionary Baptist Church. There is no question that God has placed his anointing on the life Minister Karl Reid. There are many testimonies of miracles and deliverances through his ministry. Marriages have been restored, couples who were unable to have children received them, and cancers and all manner of sicknesses have been healed. The gifts of the Spirit are in manifestation and God does honor Minister Reid with the move of the Spirit!

THEREFORE, BE IT

RESOLVED, That the Office of City Council President Pro Tem Mary Sheffield and the Detroit City Council, on the 8th day of December, that this resolution endure as a permanent record commemoration and recognition to Pastor Karl L. McCalister, reso. setting a Public Hearing on the foregoing ordinance amendment.

RESOLUTION SETTING HEARING

By Council Member Tate:

Resolved, That a public hearing will be held by this body in the Committee Room, 13th Floor of the Coleman A. Young Municipal Center, for the purpose of considering the advisability of adopting the foregoing proposed Ordinance to amend Chapter 27, Human Rights, of the 1984 Detroit City Code, by amending Article X, Municipal Identification Card Program, by amending Section 27-10-2 to modify the definition of municipal identification card; by amending Section 27-10-4 to include the ability of a legal guardian to apply for a municipal identification card on behalf of an incapacitated or minor resident, to modify point system requirements for obtaining municipal identification cards, to add credentials, to modify the requirements of the affidavit of identifying witness and to modify the timeframe of validity for documents in Category C; by amending Section 27-10-5 to modify the age range of minors eligible for municipal identification cards and provide for proof of parentage or guardianship; and by amending Section 27-10-17(c) to specify the fee for a replacement card.

AN ORDINANCE amend Chapter 27, *Human Rights*, of the 1984 Detroit City Code, by amending Article X, *Municipal Identification Card Program*, by amending Section 27-10-2 to modify the definition of municipal identification card; by amending Section 27-10-4 to include the ability of a legal guardian to apply for a municipal identification card on behalf of an incapacitated or minor resident, to modify point system requirements for obtaining municipal identification cards, to add credentials, to modify the requirements of the affidavit of identifying witness and to modify the timeframe of validity for documents in Category C; by amending Section 27-10-5 to modify the age range of minors eligible for municipal identification cards and provide for proof of parentage or guardianship; and by amending Section 27-10-17(c) to specify the fee for a replacement card.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 27, *Human Rights*, of the 1984 Detroit City Code, is amended by amending Article X, *Municipal Identification Card Program*, by amending Section 27-10-4 and 27-10-17(c) to read as follows:

**ARTICLE X.
MUNICIPAL IDENTIFICATION
CARD PROGRAM**

Sec. 27-10-1. Purpose.

It is the City's intent that municipal identification cards will provide residents with

an additional means of proving their residency in the City for purposes of accessing City programs, services, and activities, and providing identification to law enforcement. Possession of a municipal identification card is not a pre-requisite to obtaining any City program, service, or activity for residents otherwise eligible for such program, service, or activity.

Sec. 27-10-2. Definitions.

For the purposes of this Article, the following words and phrases shall have the meaning respectively ascribed to them by this section;

Administering agency means the Mayor's Office or such other City Department or agency as the Mayor may designate to administer the City of Detroit municipal identification card program.

Municipal identification card means an individual resident's identification card that is issued by the City pursuant to this Article that shall display, at minimum, the cardholder's name, photograph, address, date of birth, signature, identification card number and an expiration date. The card shall not display gender. A preferred first name may be included provided that the resident's full legal name is also set forth on the card. A resident shall only list their legal last name on a municipal identification card. Preferred last names shall not appear on municipal identification cards.

Resident means an individual who can establish proof of identity and proof of residency pursuant to the requirements set forth in Sec. 27-10-4 of this code.

Sec. 27-10-3. Issuance and surrender of municipal identification cards.

(a) Upon request, the administering agency shall issue a municipal identification card to any resident who meets the application requirements set forth in Sec. 27-10-4 and pays the applicable fee.

(b) The card shall bear the seal of the City. The administering agency shall cause the card to be produced in a form intended to thwart replication or counterfeiting.

(c) Cards shall be valid for a maximum of two years and expire the earlier of two years from the date of issuance or when the cardholder is no longer a resident of the City of Detroit.

(d) Card holders shall surrender their municipal identification card to the administering agency upon moving residence outside of the City.

(e) In the event a municipal identification card is stolen, lost or destroyed the applicant must re-apply and pay the application fee for a replacement card. Replacement card applications shall be treated as new applications and the replacement card shall be valid for a maximum of two years from the date of issuance so long as residency in the City is maintained during that time.

Sec. 27-10-4. Application; Eligibility and point system requirements.

(a) To obtain a municipal identification card, a resident or their legal guardian shall complete an application, under penalty of perjury, requiring proof of identity and proof of residency within the City. Such forms of proof shall be (1) issued by a governmental entity, or (2) issued by an entity that takes reasonable steps to verify the identity and/or residency of the individual to whom it is issued or (3) of a type that is normally accepted as proof of identity and/or residency in the ordinary course of business. The administering agency shall establish a list of such documents in accordance with Section 27-10-6.

(b) The administering agency shall retain the original application and copies of an applicant's supporting documentation, including all proof of identity and proof of residency credentials, pursuant to an approved records retention and disposal schedule. The administering agency shall develop and submit to the State of Michigan for approval an agency-specific retention and disposal schedule setting forth a retention period of two years from the date of issuance.

(c) Documentation of an applicant's proof of identity and proof of residency shall include:

(1) Any combination of items from Categories A or B, totaling at least 300 points; and

(2) A minimum of one identity credential from Category A containing a photograph and date of birth of the applicant; and

(3) One item from Category C showing proof of City residency within the previous 30 days; and

(4) Items presented by applicant shall only be used to satisfy one credential and receive point value for that single credential in any category. Items cannot be used in more than one category or to satisfy more than one credential.

(d) Presentation of any 1 of the following documents shall fully satisfy the proof of residency and identity requirements in subsection (c):

(1) Unexpired U.S. passport; or

(2) Unexpired standard or enhanced State of Michigan operator or chauffeur's license with a current Detroit address; or

(3) Expired standard or enhanced State of Michigan operator or chauffeur's license with a current Detroit address and attached proof of renewal from the Secretary of State bearing the same identification number as the expired license; or

(4) Unexpired State of Michigan graduated driver's license with a current Detroit address; or

(5) Expired State of Michigan graduated driver's license with a current Detroit address and attached proof of renewal from the Secretary of State bearing the same identification number as the expired license; or

(6) Unexpired standard or enhanced

State of Michigan identification card with a current Detroit address; or
 (7) Expired standard or enhanced State of Michigan identification card with

a current Detroit address and attached proof of renewal from the Secretary of State bearing the same identification number as the expired card.

~~(d)~~(e) Any documentation in a language other than English must be accompanied by a certified English translation. Acceptance of such translated documentation is at the discretion of the administering agency. The administering agency may obtain independent translation if it deems it necessary in its discretion.

~~(e)~~(f) The administering agency shall not accept any credentials which have been expired more than 10 years prior to the date of application for a municipal identification card.

~~(f)~~(g) The administering agency shall issue a municipal identification card to the applicant upon receipt and verification of all of the following:

- (1) Completed application;
- (2) Proof of identity documentation;
- (3) Proof of residency documentation; and
- (4) Payment of applicable fees.

Sec. 27-10-5. Minors.

For purposes of this Article, a minor is an individual aged ~~at least fourteen years~~ but not yet eighteen. An application submitted on behalf of a minor must be completed by such minor's parent or legal guardian verified by presentation on a certified copy of a birth certificate or a true copy of a court order establishing guardianship. The parent or legal guardian may verify the minor applicant's residency, provided that the parent or

legal guardian with whom the minor resides would meet the proof of residency criteria set forth in Sec 27-10-4.

Sec. 27-10-6. Implementation; language assistance services.

(a) The administering agency shall promulgate rules necessary to effectuate the purpose of this Article. The City shall require applicants to declare the information provided in their applications under penalty of perjury.

(b) The administering agency shall identify and implement measures, including but not limited to staff training, community outreach, and language assistance tools, to address the needs of individuals with limited English proficiency in the administration and implementation of the municipal identification card program.

Sec. 27-10-7. Fees.

(a) The City shall charge a fee not to exceed \$25.00 for each application submitted. Such fees shall not exceed the costs reasonably associated with the production of municipal identification cards and administration of the program.

(b) The fee charged to minors aged at least fourteen years but not yet eighteen or senior citizens aged 62 or older shall not exceed \$10.00.

(c) The fee for renewal or replacement of a municipal identification card shall not exceed \$10.00.

Sec. 27-10-8. Acceptance by City departments.

(a) When requiring members of the public to provide identification or proof of residency in the City, each City department or agency shall accept a municipal identification card issued pursuant to this Article as valid identification and as valid proof of residency in the City, unless such City department or agency has reasonable grounds for determining that the card is counterfeit, altered, or improperly issued to the card holder, or that the individual presenting the card is not the individual to whom it was issued. In such cases, the card shall be confiscated and returned to the administering agency with a transmittal letter documenting the circumstances surrounding the confiscation. The administering agency may, after review, revoke the card or return it to the individual.

(b) Other than requiring the City to accept the municipal identification card as proof of identification and City residency, this section is not intended to replace, preempt or supersede any other requirements for production of other forms of identification in connection with the administration of City benefits and services. The requirements of this section do not apply under circumstances where:

(1) A federal or state statute, administrative regulation, or directive, or court decision requires the City to obtain different identification or proof of residency;

(2) A federal or state statute, administrative regulation, or directive preempts local regulation of identification or residency requirements; or

(3) The City would be unable to comply with a condition imposed by a funding source which would imperil the City's access to funds from that source or other sources.

Sec. 27-10-9. Confidentiality.

The City shall keep confidential to the extent permitted by applicable laws, any identifying information or other data supporting the applications of persons applying for and receiving municipal identification cards.

Sec. 27-10-10. City undertaking limited to promotion of general welfare.

In undertaking the adoption and enforcement of this Article, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Sec. 27-10-11. Counterfeit and fraudulent municipal identification cards.

(a) It is a misdemeanor violation of this Code, as specified in Sec. 1-1-9, for any person or entity to do any of the following acts:

(1) To knowingly present false information to the City in the course of applying for a municipal identification card.

(2) To alter, copy or replicate a municipal identification card without the authority of the City.

(3) To use the municipal identification card issued to another person, with the intent to cause a third person or entity to believe that the holder of the card is the person to whom the card was issued.

(4) To fail to surrender a municipal identification card when ordered to do so by the administering agency or by a City department or agency under Section 27-10-8(a).

Sec. 27-10-12. Annual reporting.

(a) The administering agency shall prepare and submit an annual report to the Mayor and City Council that includes, at a minimum, the following information:

(1) The number of applications received by the City for a municipal identification card, disaggregated by City Council district of residency of each applicant.

(2) The number of municipal identification cards issued during the preceding year to adults, senior citizens and minors.

(3) The number of applications denied.

(4) The number of occurrences, if any, of fraud or other criminal activity related to issuance or use of a municipal identification card.

(5) The costs associated with the implementation and administration of the municipal identification card program.

(6) The total amount of fees collected.

(7) The number of training sessions held for City staff regarding the municipal identification card program.

(8) The City's efforts to conduct outreach to prospective applicants regarding the municipal identification card program.

(9) The City's efforts to promote acceptance of municipal identification cards by banks and other private and public institutions and organizations.

(10) Efforts regarding language proficiency accommodations and other measures implemented pursuant to Section 27-10-6(b).

Secs. 27-10-13 – 27-10-20. Reserved.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the people of the City of Detroit.

Re: Family Fuels, LLC, MTK Family Investments, LLC and Balfour Industries, LLC vs. City of Detroit. Wayne County Circuit Court Case No. 17-011535-CH. File No.: L17-00567 (EBG).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement under the following terms is in the best interest of the City of Detroit: Plaintiffs, Family Fuels, LLC, MTK Family Investments, LLC and Balfour Industries, LLC, shall pay the City of Detroit the sum of Twenty-Eight Thousand and 00/100 Dollars (\$28,000.00) in full payment of the 2013, 2014 and 2015 personal property taxes related to the properties located at (1) 16000 W. Seven Mile, Detroit, MI 48216; (2) 18525 W. Seven Mile, Detroit, MI 48219; (3) 10001 W. Eight Mile, Detroit, MI 48235; (4) 12711 W. Eight Mile, Detroit, MI 48221; and (5) 12711 W. Eight Mile, Detroit, MI 48221.

We, therefore, request authorization to settle Plaintiffs' claims in this matter by accepting the sum of Twenty-Eight Thousand and 00/100 Dollars (\$28,000.00) from Plaintiffs, and by agreeing to the entry of a judgment dismissing this action upon receipt of a properly executed Release and a Stipulation and Order of Dismissal of Claims entered in Wayne County Circuit Court Case No. 17-011535-CH, approved by the Law Department.

Honorable City Council:

Re: Walter Williamson vs. City of Detroit and Robert Dortch III. Third Circuit Court Case No. 187-007496-NI. File No.: L17-007496-NI.

On September 26, 2018, a court ordered facilitation proceeding with a retired Wayne County Circuit Court Judge resulted in the complete and final resolution of the above-captioned lawsuit for Fifty Thousand Dollars (\$50,000.00) in favor of plaintiff.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is

being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that approval and acceptance of the above facilitation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize approval and acceptance of the facilitation and to direct the Finance Director to issue a draft in the amount of Fifty Thousand Dollars (\$50,000.00) payable to Walter Williamson and his attorneys, Andreopoulos & Hill, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 17-007496-NI, approved by the Law Department.

Re: Latrina Williams vs. City of Detroit.
 Wayne County Circuit Court Case No. 17-017886-NO. File No. L18-00006 (MA).

On October 2, 2018, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifteen Thousand Dollars (\$15,000.00) in favor of Plaintiff. The parties have until October 30, 2018, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within that period constitutes a rejection.

Based upon our review of the facts and particulars of the lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft payable to Goodman Acker, P.C., and Latrina Williams in the amount of Fifteen Thousand Dollars (\$15,000.00) in full payment for any and all claims which Latrina Williams may have against the City of Detroit and any City of Detroit employees

by reason of alleged injuries or property damage sustained by Latrina Williams on or about May 23, 2017, as otherwise set forth in Case No. 17-017886-NO filed in the Wayne County Circuit Court, and that said amount be paid upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Case No. 17-017886-NO, and, where it is deemed necessary or desirable by the Law Department, a properly executed Medicare Reporting and Indemnification Affidavit, approved by the Law Department.

Honorable City Council:

Re: Request of Mona Ross-Gardner to amend Article XVII, District Map 4, of the 1984 Detroit City Code, Chapter 61, Zoning, to modify the provisions of the existing PD-H (Planned Development District-Historic) zoning classification established by Ordinance 25-96 at the property commonly known as 2458 Brush Street and also 419 and 429 E. Fisher Freeway to allow for a standard restaurant as defined in Sec. 61-16-41 of the Detroit Zoning Ordinance, including the sale and consumption of alcoholic beverages on the premises (RECOMMEND APPROVAL W/ CONDITIONS).

NATURE OF REQUEST

Before this Honorable Body is the request of Mona Ross-Gardner to modify the provisions of an existing PD (Planned Development District-Historic) zoning classification established by Ordinance 25-96 at the property commonly known as 2458 Brush Street and also 419 and 429 E. Fisher Freeway to allow for a standard restaurant as defined in Sec. 61-16-41 of the Detroit Zoning Ordinance, including the sale and consumption of alcoholic beverages on the premises. A public hearing on this request is set for your next meeting on August 6, 2018.

BACKGROUND AND PROPOSAL

The subject property exists as a community center owned and operated by Mrs. Ross-Gardner in the Brush Park Historic District. Previously, the building's permitted use was that of a dry cleaners facility.

Currently, the petitioner proposes to develop the property at 2458 Brush Street, 419 and 429 E. Fisher Freeway, as a standard restaurant (without drive-through) to allow for the sale and consumption of alcoholic beverages on the premises. Two of the lots in this proposal function as a parking lot that lies to the east of the existing facility.

The proposed use is subject to a PD modification because it is currently not allowed on the subject parcel under the Brush Park Third Modified development plan which are the provisions that currently

govern the site. The modification to allow for this use, would amend the current PD to allow for the requested land use on the subject properties.

PLANNING CONSIDERATIONS AND ANALYSIS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: PD-H; Unoccupied parcels

East: PD-H; Unoccupied parcels

South: PD-H; Fisher Freeway

West: PD-H; Unoccupied parcels

Master Plan Consistency

The subject site is located within the Lower Woodward area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows High Density Residential for the subject property. CPC staff considers this proposal to conform with the MP.

COMMUNITY INPUT AND PUBLIC HEARING RESULTS

The petitioner has submitted a letter of support from the Brush Park CDC in regard to the proposed restaurant use. The CDC unanimously voted to support the proposed use and the letter indicates that community members have made favorable comments in regard to the project. No members of the public spoke at the August 2nd public hearing.

Proposed Form Based Zoning Consistency

Staff has evaluated the proposed use and finds that it is consistent with the intent of the draft of the forthcoming Form Based Code proposal that has been circulated amongst the community and City representatives. The plan gives provision for "standard restaurants" and "brewpubs, establishments for the sale of beer or intoxicating liquor for consumption on the premises, and SDM uses on the ground floor" given that they front a north/south street or "A streets" as the regulating plan of the FBC draft calls out. In which case, the subject Brush Street would qualify as a location for the standard restaurant use and allow for the sale of beer or intoxicating liquor for consumption on the premises.

APPROVAL CRITERIA

According to the approval criteria outlined in Sec. 61-3-96 of the Zoning Ordinance, staff points to *critterion #4 which asks, "whether the location of the proposed planned development district is appropriate"*.

Staff believes that the proposed use is appropriate because of its location and frontage being on the north/south thoroughfare of Brush Street, which is one of the locations that the City and community envisioned for such uses to be placed according to the proposed Form Based Code and other past planning efforts.

Criterion #7 states that, "the proposed type and density of use shall not result in

an unreasonable increase in traffic or the use of public services, facilities and utilities, that the natural features of the subject site have the capacity to accommodate the intended development, and that the development shall not place an unreasonable burden upon surrounding land or land owners".

The location of the facility as exists today will be conducive to the amount of traffic that will be drawn to this use. The property lies on the north/south thoroughfare of Brush Street, which has a higher capacity for traffic than the surrounding residential streets. It is also bounded by the Fisher Freeway Service Drive, which eliminates possible nuisances to the residential community because there are no residences in the immediate vicinity. The ingress to the proposed restaurant use would also be located on the service drive, limiting deleterious impacts to any adjacent property owners. The proposed use is also intended to cater to the residents of the community.

Criterion #8 asks "whether the proposed Planned Development is consistent with the Master Plan, as determined by the Planning and Development Department".

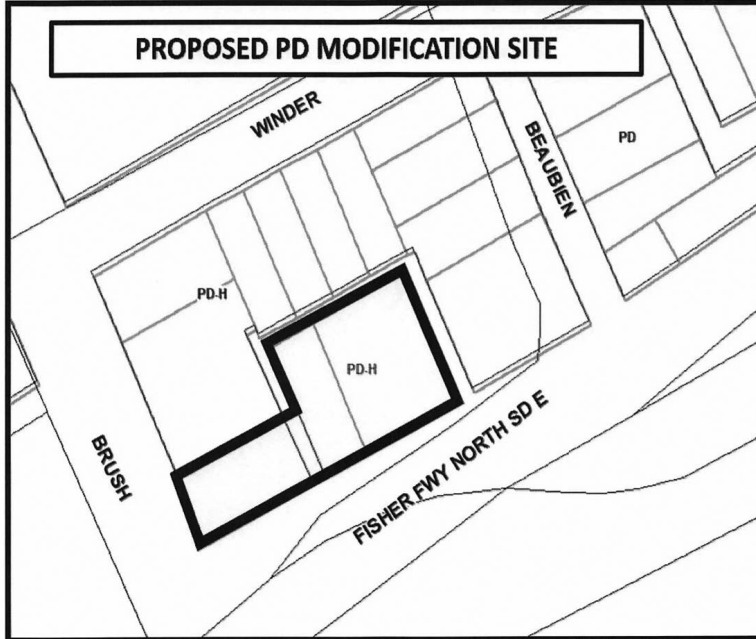

CPC considers the subject request to be consistent with the Master Plan designation for the subject area.

RECOMMENDATION

CPC staff recommends approval of Mona Ross-Gardner's request to modify the provisions of the existing PD-H (Planned Development District-Historic) zoning classification established by Ordinance 25-96 at the property commonly known as 2458 Brush Street and also 419 and 429 E. Fisher Freeway to allow for a standard restaurant as defined in Sec. 61-16-162 of the Detroit Zoning Ordinance, including the sale and consumption of alcoholic beverages on the premises with the following conditions:

1. No drive-up or drive-through facilities are allowed.
2. The developer must work with the immediately adjacent community to minimize disruption to the neighborhood during construction and address impacts that may arise;
3. Final site plans, elevations, lighting, landscape and signage plans be submitted by the developer to the staff of the City Planning Commission for review and approval prior to making application for any necessary permits.

Planning and Development Department

September 24, 2018

Honorable City Council:

Re: Approval of Corktown Area Renaissance Zone/Ford Motor Company Authorization to Submit Application to the Michigan Strategic Fund.

The Planning and Development Department ("P&DD") is hereby requesting the approval of your Honorable Body of a Corktown Area Renaissance Zone ("Ren Zone") in the City of Detroit ("City") and the authorization to submit a related Application for Creating a Michigan Strategic Fund Designated Renaissance Zone ("Application") to the Michigan Strategic Fund ("MSF") for consideration.

The proposed Ren Zone will help support Ford Motor Company's proposed development in the City's Corktown area as further summarized below.

Company/Project Introduction

Ford Motor Company is a 115-year old global company based in Dearborn, Michigan. The company designs, manufactures, markets and services a full line of Ford cars, trucks, SUVs, electrified vehicles and Lincoln luxury vehicles, provides financial services through Ford Motor Credit Company. Ford Motor Company and its affiliates employ approximately 201,000 people worldwide.

Ford Motor Company plans to invest a minimum of \$680,000,000.00 to redevelop the former Michigan Central Station building and former DPS Book Depository buildings, as well as construct a new

building at the site of the former Lincoln Brass Factory (collectively the "Project") that will result in approximately 1.2 million square feet of rehabilitated or new commercial office/laboratory space with retail and public spaces that are expected to lead to the creation of more than 2,500 new jobs in the City. Construction is expected to begin by the end 2018 with an estimated earliest completion date for the first phases of the Project by December 2022.

We respectfully request that your Honorable Body adopt the attached resolution that authorizes the City to submit the Application to the MSF and also: 1) approves the Application, 2) approves a Renaissance Zone Development Agreement for the Project and 3) approves the Ren Zone and grants Ford Motor Company and their affiliates certain tax benefits under the Act for a period of thirty (30) years.

Respectfully submitted,

MAURICE COX

Director

Planning and Development Department

By Council Member Tate:

Whereas, 1996 PA 376, also known as the Michigan Renaissance Zone Act (the "Act"), 1) allows qualified local governmental units to apply to the State of Michigan, Michigan Strategic Fund ("MSF") for a renaissance zone under certain criteria and 2) provides for the exemption from certain taxes for businesses located and conducting business activity within a renaissance zone; and

Whereas, Ford Motor Company ("Ford") plans to invest a minimum of \$680 Million (and may be up to \$738 Million including certain personal property and soft costs) to redevelop the former Michigan Central Station building and former DPS Book Depository buildings, as well as construct a new building at the site of the former Lincoln Brass Factory that will result in approximately 1.2 million square feet of rehabilitated or new commercial office/laboratory space with retail and public spaces that are expected to lead to the creation of more than 2,500 new jobs in the City of Detroit ("City") (collectively the "Project"); and

Whereas, In support of the Project, Ford has requested that the City submit an application in the form attached hereto and made a part hereof as Exhibit A (the "Application") to the MSF for the creation of a new MSF-designated renaissance zone ("Ren Zone") under the Act; and

Whereas, The Ren Zone boundaries shall be comprised of several distinct geographic areas as more particularly described in the Application and consisting of approximately 50-acres, more or less, within a portion of the City's Corktown area generally bounded by I-75

to the north, Newark to the south, Trumbull to the east and 20th Street to the west ("Ren Zone Boundaries"); and

Whereas, The area of the Ren Zone Boundaries that comprise the Project are defined on that certain "Ford Corktown Investment: Renaissance Zone" map within the Application that outlines the area in a red dashed line that is labeled "Ren Zone Development Area": and

Whereas, To further encourage the approval of the Ren Zone, Ford has agreed to make capital investments and create jobs in the City as provided for in that certain Renaissance Zone Development Agreement, which is attached hereto and made part hereof as Exhibit B; now therefore be it

Resolved, That Detroit City Council hereby approves the establishment of the Ren Zone as further depicted and described in the attached Application; and be it further

Resolved, Notwithstanding the map and tax parcels list contained in the Application, the Ren Zone Boundaries expressly exclude any existing or future tax parcels within the Ren Zone Boundaries that are used for residential purposes;

Resolved, That such Ren Zone shall be for a duration of thirty (30) years with a start date of the next January 1 after: 1) Ford has provided a written request to the MSF and MSF has approved of the start date and 2) Ford has entered into an MSF development agreement. Such start date shall be within five (5) years from the MSF's approval date of the Application. Ford shall provide written notification to the City's Finance Department — Assessments Division with the MSF's approval of the Ren Zone start date; and be it further

Resolved, That in order to receive the benefit of an exemption, deduction or credit as provided for in MCL 125.2689 of the Act ("Ren Zone Benefits"), an individual or business within the Ren Zone Boundaries must enter into a renaissance zone development agreement with the City that is approved by Detroit City Council and that obligates the individual or business to make certain capital investments and create a certain number of full-time jobs within the Ren Zone Boundaries; and be it further

Resolved, That Detroit City Council hereby: 1) approves the Application, together with any such subsequent changes to the Application that the Planning & Development Department ("P&DD") Director, or his authorized designee, approves to ensure the accuracy of supplemental documentation, including but not limited to parcel and legal description information and 2) authorizes the P&DD Director, or his authorized designee, to submit the Application, as well as any other documents required to effectuate the Detroit City Council

approvals given herein, to the MSF for approval; and be it further

Resolved, That Detroit City Council hereby: 1) approves the Renaissance Zone Development Agreement and 2) authorizes the P&DD Director, or his authorized designee, to execute the Renaissance Zone Development Agreement, as well as such other documents as may be necessary to effectuate the intent of this resolution on behalf of the City of Detroit; and be it further

Resolved, That Ford and its Affiliates (with "Affiliates" meaning an entity that is controlled by Ford, directly or indirectly through one or more intermediaries, where the term control means possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of an entity, whether through ownership of voting securities, by contract interest or otherwise) by virtue of its Detroit City Council approved Renaissance Zone Development Agreement, shall receive Ren Zone Benefits for their real and personal property within the Ren Zone Development Area upon the start date of the Ren Zone as provided for herein; and be it further

Resolved, That Detroit City Council authorizes the Finance Department — Assessments Division to assess taxes consistent with this Resolution, the Act and other applicable laws within the Ren Zone upon approval of the Application by MSF.

Re: Resolution Approving an Obsolete Property Rehabilitation Exemption Certificate, on Behalf of Lafayette 1626, LLC at 1627-1629 Lafayette, Detroit, MI, in Accordance with Public Act 146 of 2000. (Related to Petition #103)

On October 11, 2018, a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Lafayette 1626, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
DONALD RENCHER
Director

By Council Member Tate:

Whereas, Lafayette 1626, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on March 20, 2018 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 1627-1629 Lafayette, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situ-

ated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2(1) of the Act; and

Whereas, This City Council has granted until of December 31, 2019 for the completion of the rehabilitation; and

Whereas, On October 11, 2018 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, therefore be it

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Lafayette 1626, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2018 and the certificate expiring December 31, 2030, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than December 31, 2020, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Exercise of Purchase Option.
Mistersky Tank Farm a/k/a (part of)
5425 W. Jefferson.

On April 5, 2007, your Honorable Body approved the sale of the storage tank site adjacent to the Mistersky Power Plant, (part of) 5425 W. Jefferson, to Waterfront Terminal Holdings LLC, a Michigan Limited Liability Company, for the amount of \$1,900,000. The property contained approximately 9.2 acres and is zoned M4 (Intensive Industrial District).

Excluded from the purchase was a small building, surrounded by Waterfront's property, known as the Screen House. As part of the purchase agreement, the City retained easements and access to the Screen House along with the underground infrastructure, steam line and other improvements (the foregoing items, including the Screen House, collectively known as, the "Screen House Improvements"). As stipulated in the agreement, Waterfront Holding was granted the exclusive option to purchase the Screen House Improvements, in the event of the permanent cessation of the operation of the Screen House for the Mistersky Power Plant. This area of land consists of approximately 3,449 square feet.

The power generation operations connected to the Screen House for the Mistersky Power Plant have ceased com-

pletely; power is now obtained through DTE Energy. The City has undertaken the complete cessation of operations of the Screen House. Waterfront Holdings now wishes to exercise its option to purchase the Screen House Improvements. Per the terms of the agreement, the purchase price is to be \$61,081 (\$50,000 in 2007 dollars, adjusted for inflation).

We, therefore, request that your Honorable Body approve the sale and authorize the Planning and Development Department Director, or his authorized designee, to issue a quit claim deed to the property as more particularly described in the attached Exhibit A, and such other documents as may be necessary to effectuate the sale of (part of) 5425 W. Jefferson, to Waterfront Terminal Holdings LLC, a Michigan Limited Liability Company, for the amount of \$61,081.

Planning and Development Department

October 11, 2018

Honorable City Council:

Re: *Revised — Community Benefits Provision for Tier 1 Development Projects Corktown Area Projects — Ford Motor Company

Ford Motor Company ("Ford"), a 115-year old global company based in Dearborn, Michigan, is undertaking the redevelopment of the former Michigan Central Station building and former DPS Book Depository buildings, as well as construction of a new building at the site of the former Lincoln Brass Factory (collectively the "Project") in the City of Detroit's Corktown area generally bounded by I-75 to the north, Newark to the south, Trumbull to the east and 20th Street to the west.

Under the City of Detroit Ordinance 35-16 ("Ordinance"), codified in Chapter 12, Article XII of the Detroit City Code ("Code"), development projects that qualify as a "Tier 1 Development Project" are subject to certain community engagement procedures (the "CBO Process"). Because the Project is expected to incur an investment of at least \$75 million and to involve the abatement of more than \$1 million in City taxes, the Project qualifies as a Tier 1 Development Project under the Ordinance and thus is subject to the CBO Process.

The Project was reviewed by a Neighborhood Advisory Council ("NAC") as part of the CBO Process to ascertain the community's concerns related to any impacts the Project may have on the surrounding community and the ways by which Ford plans to address those impacts. A Community Benefits Report was prepared for the Project as a result of the CBO Process and such report has been submitted in accordance with Section 14-12-3 of the Code. Ford has agreed to address the concerns raised during the CBO Process by entering into that certain "Community Benefits Provision for Tier 1 Development Projects — Corktown Area Projects" that is included as Exhibit A to the attached resolution (the "Provision").

We hereby request that your Honorable Body adopt the attached resolution that approves the Provision in furtherance of the Project.

Respectfully submitted,
 MAURICE COX
 Director
 Planning and
 Development Department

By Council Member Tate:

Now, Therefore Be It Resolved, That the "Community Benefits Provision for Tier 1 Development Projects — Corktown Area Projects" attached hereto as Exhibit A (the "Provision") is hereby approved, and be it further

Resolved, That the Director of the City of Detroit, Planning and Development Department ("P&DD Director"), or his authorized designee, is hereby authorized to execute the Provision; and be it further

Resolved, That the Provision will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

EXHIBIT A**COMMUNITY BENEFITS PROVISION
FOR****TIER 1 DEVELOPMENT PROJECTS
(Corktown Area Projects)**

THIS COMMUNITY BENEFITS PROVISION ("Provision") is entered into as of its Effective Date, as hereinafter defined, by and between the CITY OF DETROIT, a Michigan municipal corporation acting through its Planning and Development Department ("CITY"), and Ford Motor Company ("DEVELOPER") on behalf of itself and its Affiliates (as defined below). The CITY and the DEVELOPER may each be referred to herein as a "Party" or collectively as the "Parties" to this Provision, as applicable.

RECITALS

Whereas, DEVELOPER is undertaking (1) the rehabilitation and redevelopment of the former Michigan Central Station building, (2) redevelopment of the former DPS Book Depository buildings and (3) new construction at the site of the former Lincoln Brass Factory (individually a "Project" and collectively the "Projects"), including associated parking facilities for the Projects.

Whereas, Under City of Detroit Ordinance No. 35-16 ("Ordinance"), codified in Chapter 14, Article XII of the Detroit City Code ("Code"), effective as of November 29, 2016, certain development projects referred to therein as "Tier 1 Development Projects" are subject to certain community engagement procedures as set forth in the Ordinance (as in existence as of the date hereof, the "CBO Process") to determine the outstanding issues related to the Projects; and the best means of mitigating the concerns of the community pertaining directly to the development of the Projects.

Whereas, Because the Projects are expected to incur an investment of at least \$75 million and to involve the abatement of more than \$1 million in city taxes, the Projects qualify as a 'Tier 1 Project' under the Ordinance and thus are subject to the CBO Process.

Whereas, The Projects were reviewed under one CBO process by one Neighborhood Advisory Council ("NAC") and the CITY has prepared a single Community Benefits Report ("Report") regarding the Projects, all in accordance with Section 14-12-3 of the Code, that concerns that certain geographic area in the City of Detroit defined in the Report as the "Impact Area".

Now Therefore, The CITY and DEVELOPER agree as follows:

Section 1: Addressing Community Impacts. The DEVELOPER understands that through the community engagement process set forth in the Ordinance, certain concerns have been raised by the Neighborhood Advisory Council regard-

ing the Projects' anticipated impact on the community, all of which are itemized in the Report. The DEVELOPER acknowledges these concerns by agreeing to the commitments set forth in the attached Exhibit A, which is incorporated herein by reference.

Section 2: Continued Community Engagement. DEVELOPER has been actively engaging with the community for input and will continue to do so throughout the development of the Projects. The DEVELOPER acknowledges and understands that pursuant to Section 14-12-3(f)(3) of the Code, the CITY will facilitate at least one (1) meeting annually between the DEVELOPER and the NAC. The CITY will facilitate, and the DEVELOPER must attend, such meetings on an annual basis for a period of two (2) years following the Effective Date of this Provision. The purpose of such meetings will be to discuss anticipated or actual impacts of the Projects on the community in connection with the development of the Projects and to coordinate the implementation of the DEVELOPER'S efforts to address such impacts, among other topics that the CITY may determine.

Section 3: Compliance Reports. The DEVELOPER must submit to the CITY annual compliance reports that summarize the DEVELOPER'S progress on and compliance with the obligations set forth on Exhibit A and the other community engagement obligations set forth herein.

Section 4: Recordkeeping and Reporting. Each Party will maintain information pertinent to its activities under this Provision for at least two (2) years following the expiration or earlier termination of this Provision, but in no case for less time than may be required to maintain compliance with Applicable Laws.

Section 5: Indemnification. The DEVELOPER will indemnify, defend, and hold the CITY harmless against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, losses and expenses, including, without limitation, reasonable fees and expenses for attorneys, expert witnesses and other consultants (collectively "Claims") that may be imposed upon, inclined by, or asserted against the CITY or its departments, officers, employees, or agents by reason of any failure by the DEVELOPER to perform its obligations under this Provision, except where remedies or enforcement are provided by Applicable Law or a separate agreement referenced in this Provision, and excluding any Claims to the extent caused by the gross negligence or willful misconduct of the CITY or its departments, officers, employees or agents.

Section 6: Compliance with Laws. Each Party acknowledges that it is indi-

vidually responsible for maintaining compliance in all respects with all applicable federal, state, and local laws, rules, regulations, and orders having the binding effect of law (collectively "Applicable Laws"). Neither Party will be responsible for ensuring the other Party's compliance with Applicable Laws at any time, unless so required under Applicable Laws.

Section 7: Non-Discrimination. The DEVELOPER will, in addressing community impacts as set forth in Section 1 herein, or in performing its activities set forth herein, refrain from refusing, restricting, withholding, or denying any accommodations, services, privileges, advantages or facilities or otherwise discriminating, whether directly or indirectly, on the basis of race, color, ethnicity, national origin, religious beliefs or practices, age, disability, pregnancy, marital status, parental status, military status, employment or educational status, gender, sex, sexual orientation, gender identity or expression, or any other protected or designated classification, in accordance with Chapter 27 of the Detroit City Code and other Applicable Laws.

Section 8: Community Reporting. The Parties acknowledge and understand that pursuant to Section 14-12-3(f)(4) of the Code, members of the community may report to the NAC allegations of the DEVELOPER'S failure to comply with this Provision. Community members can submit such reports to the CITY by personal delivery with receipt obtained or by registered or certified first-class mail with return receipt requested at the following address:

City of Detroit
 Planning & Development Department
 2 Woodward Avenue, Suite 808
 Detroit, MI 48226
Attention: Director

The CITY will forward all such reports from community members to the NAC for the Projects, which may take further action in accordance with Section 14-12-3(f) of the Code.

Section 9: Breach and Default. The failure by either Party to comply with its obligations under this Provision, which is not caused by the other Party's failure to comply with its own obligations under this Provision, will constitute a material breach of this Provision.

A. In the event of DEVELOPER'S material breach of this Provision, the DEVELOPER will be considered to be in default of this Provision upon the DEVELOPER'S failure to cure such breach within sixty (60) days after written notice of such breach and demand to cure by the CITY, provided, however, that if the nature of DEVELOPER'S default is such that more than sixty (60) days is reasonably required for its cure, then DEVELOPER will not be deemed to be in default if

DEVELOPER, with the CITY's acknowledgment and consent, commences such cure within said period and thereafter diligently pursues such cure to completion.

B. In the event of DEVELOPER'S violation of this Provision, DEVELOPER will comply with such enforcement and mitigation efforts as are determined by the Enforcement Committee in consultation with the NAC, or City Council (as applicable), until the City Council has determined that DEVELOPER is in compliance or has taken adequate steps to mitigate violations, all in accordance with Section 14-12-3(f) of the Code. Notwithstanding anything to the contrary contained in the Code or herein, (1) in no event shall the total enforcement and mitigation efforts determined for a default of this Provision exceed the total value of actual benefits received by DEVELOPER from the City for the Projects and (2) monetary damages shall be limited to the CITY's clawback of abatements of taxes received by DEVELOPER as of the date of default as provided in Section 14-12-3(e)(l)a. of the Code.

C. In the event of the CITY's material breach of this Provision, the CITY will be considered to be in default of this Provision upon the CITY's failure to commence its cure of such breach and thereafter diligently pursue such cure to completion within ninety (90) days after written notice of such breach and demand to cure by the DEVELOPER.

Section 10: Effective Date, Term, and Termination. This Provision has no force or effect until the date upon which it has been fully executed by the duly authorized representative of the CITY (if necessary, pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of Detroit), and has been approved by the City of Detroit Law Department ("Effective Date"). This Provision will remain in effect until substantial completion (excluding any tenant buildouts) of the Projects or earlier termination by the Parties if so approved by the City Council, provided that all of the DEVELOPER'S obligations set forth in Exhibit A have been materially completed. All financial commitments of DEVELOPER set forth in Exhibit A are payable upon terms that are mutually agreed to by the Parties, however in no event shall such financial commitments be paid by DEVELOPER later than six (6) years from the Effective Date.

Section 11: Amendments. No amendment to this Provision will have any force or effect against either Party unless it is in writing, expressly makes reference to this Provision, is fully executed by the duly authorized representative of the CITY (if necessary, pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of

Detroit) and DEVELOPER, and is approved by the City of Detroit Law Department.

Section 12: Notices. All notices, requests, notifications, and other communications (collectively, "Notices") required under Sections 9, 11 and 12 of this Provision shall be in writing and sent by United States mail, registered or certified, return receipt requested, postage prepaid, or sent by express, overnight courier to the respective parties at the addresses listed below, and shall be deemed delivered one (1) business day after the delivery or mailing date:

Any other written communications provided in connection with this Provision (e.g., Compliance Reports required under Section 3) may be communicated via e-mail.

Either Party to this Provision may change its address and/or e-mail contact information for the receipt of Notices and other written communications at any time by giving written notice thereof to the other as herein provided.

Section 13: Miscellaneous Terms.

A. Independent Parties; Effect of Agreement. Each Party acknowledges that the CITY and the DEVELOPER are independent of each other and do not intend, as a result of this Provision or otherwise, to become a joint venture, partners, employees, servants, agents, representatives, contractors, or any type of related business entities to one another with respect to the subject matter of this Provision. DEVELOPER and CITY

acknowledge and agree that this Provision, and the performance of the obligations hereunder, is intended to satisfy the obligations of the Ordinance and the CBO Process.

B. Assignment. This Provision sets forth DEVELOPER'S intended activities to address impacts on the community by the Projects in accordance with the Ordinance. The DEVELOPER may not delegate or assign this Provision, or any portion thereof, either voluntarily or involuntarily, or by operation of law. In the event DEVELOPER sells, assigns or transfers (whether by operation of law, foreclosure or otherwise) a Project to a non-Affiliate, DEVELOPER'S successor shall be bound by all of the obligations hereunder that accrue on and after the date of such sale, assignment or transfer (excluding the obligations set forth as item 6 on Exhibit A), provided that DEVELOPER shall remain solely responsible for any breach of this Provision that occurs prior to the date of such sale, assignment or transfer. "Affiliate" means any entity that controls, is controlled by or under common control with DEVELOPER.

C. Force Majeure. In the event of enforced delay in the DEVELOPER'S performance of its obligations under this Provision due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God or of the public enemy, fires, floods, epidemics, or severe weather, the time for performance of such obligations shall be extended for the period of the enforced delays; provided that the DEVELOPER must within thirty (30) days after the beginning of such enforced delay, have first notified the CITY in writing of the causes thereof and requested an extension for the period of the enforced delay. In the event that there is any dispute as to what constitutes such force majeure event, the determination of the CITY will control.

D. Choice of Law and Venue. The Parties acknowledge that this Provision will be governed by the laws of the State of Michigan, excluding its choice of laws rules. Any legal suit, action or proceeding arising out of this Provision will be instituted in the federal courts of the United States of America or the courts of the State of Michigan, in each case located in the City of Detroit and County of Wayne, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding. For the avoidance of doubt, any remedy for or enforcement of a breach of the obligations hereunder that relate to Applicable Law or a separate agreement referenced in this Provision shall be governed solely by such Applicable Laws or such separate agreement.

E. Severability. In the event that any

provision in this Provision is found by a court to be impermissible or illegal, then that provision shall be stricken from the Provision and shall be replaced by a provision that is permissible and legal and by mutual agreement of the Parties comes closest to expressing the intent of the stricken provision. The remainder of the Provision shall remain in full force and effect in accordance with its original overall intent.

F. **Counterparts.** This Provision may be executed in multiple counterparts, each of which shall be deemed to be an original, but all of which together shall constitute but one document. Each counterpart may be executed by facsimile or electronic signature, which will be deemed to be an original signature, to the extent permitted by Applicable Law.

G. **Authority of City.** Notwithstanding anything in this Provision or otherwise to the contrary, the CITY is not authorized or obligated to perform any of its obligations pursuant to this Provision until this Provision has been fully executed by the duly authorized representative of the CITY (if necessary, pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of Detroit), and has been approved by the City of Detroit Law Department. Any amendments or modifications must likewise be duly signed (if necessary, authorized by resolution of the City Council and approved by the Mayor), and must be approved by the Law Department, to be enforceable against the CITY.

IN WITNESS WHEREOF, the Parties have executed this Provision as of the dates shown below, to be effective as of the Effective Date.

EXHIBIT A

DEVELOPER'S COMMITMENTS

(Corktown Area Projects)

1. Create and Protect Affordable Housing in the Impact Area to help Existing Residents

A. Developer will invest a total of \$2.5M dollars in the Affordable Housing Leverage Fund ("AHLF"), which, to the extent possible, may be invested by the AHLF or its fiduciaries or intermediaries in projects that preserve affordable hous-

ing in the Impact Area. Examples of such projects may include:

- Victor Attar Apartments
- Clement Kern Apartments
- Alberta King Apartments
- Rio Vista Apartments.

2. Support Neighborhood Development

A. Developer will invest a total of \$2.5M dollars to the Strategic Neighborhood Fund or such other comparable fund as mutually agreed to by the Parties that is administered by Invest Detroit with direction from the City ("SNF") and that benefits neighborhood development, which, to the extent possible, may be invested by SNF or its fiduciaries or intermediaries in the following targeted activities:

- Funding the rehabilitation of City parks in the Impact Area,
- 0% Home Repair loans and grants,
- A neighborhood improvement fund, initially capitalized with \$750,000 of Developer's investment to be invested with its interest income deployed annually and allocated by a community panel through a "pitch" competition including participatory budgeting or community-driven budget process.

B. Developer is committed to participating in the City's Greater Corktown planning process. In addition, Developer will work with Michigan Department of Transportation ("MDOT") and the City to try to secure Michigan Ave. improvements, including more pedestrian crossings and improved signals and work to develop a traffic control plan (during and post construction) that will be made available to the public. Developer's investment to SNF could support streetscape and mobility improvements, including traffic engineering studies, pedestrian and cyclist improvements and other changes to be determined through a neighborhood planning process to mitigate or address the specific impacts raised by the NAC.

B. Developer is committed to participating in the City's Greater Corktown planning process. In addition, Developer will work with Michigan Department of Transportation ("MDOT") and the City to try to secure Michigan Ave. improvements, including more pedestrian crossings and improved signals and work to develop a traffic control plan (during and post construction) that will be made available to the public. Developer's investment to SNF could support streetscape and mobility improvements, including traffic engineering studies, pedestrian and cyclist improvements and other changes to be determined through a neighborhood planning process to mitigate or address the specific impacts raised by the NAC.

3. Ensure Impact Area Residents Have Increased Access to Training and Job Opportunities through a funding commitment totaling \$5M and to be dedicated in accordance with the following:

A. Developer will contribute \$1M to the Golightly Career Technical Education Center to train both adults and youth for emerging technology jobs.

B. Developer will be creating a local hiring hall to serve as an established entry point for Detroit residents to enable Impact Area residents to apply for Ford job openings and to be referred to job training resources as needed. The location (to be within the Impact Area) and timing will be identified by Developer at a later date.

C. Developer will commit \$2M specifically to be invested in programs such as: workforce development; scholarships and

programs for Impact Area youth pursuing careers in STEAM; potential internships and scholarships for pre-development for new mobility skillsets and entrepreneurship; and/or other community programs to be decided upon with community input.

D. To ensure access to education, training and job opportunities. Developer will commit \$1M to Grow Detroit Young Talent.

E. Developer will continue to support Wayne County Community College as a local resource.

F. Developer will commit \$1M to support other training programs for in-demand skilled trades through Detroit at Work to address training resources, including wrap-around services such as transportation and child care in support of training opportunities.

G. For any construction taking place on the Projects, the Developer agrees: 1) that at least fifty-one percent (51%) of the construction workforce must be bona-fide City of Detroit residents, and 2) that at least thirty percent (30%) of the total dollar value of contracts related to constructions of the Projects must be Detroit Headquartered Businesses and/or Detroit Based Businesses. Furthermore, the Developer voluntarily agrees to be bound by the City's Executive Order 2016-1 and 2014-5 requirements and financial commitments defined therein as penalties, as though such Executive Orders otherwise applied to all construction on the Projects.

4. Ensure Impact Area Businesses are not Displaced and that all New Retail and Services are Accessible to the Community

A. Developer will provide a path for inclusion for small local businesses within its Ren Zone developments and will participate in Motor City Match and other neighborhood-led economic development funding tools to support the existing retail experience.

B. Developer commits that all retail and service amenities in Developer-owned buildings within the Projects will be accessible to the public. Developer will take into account a retail gap analysis to balance expected future Developer and community retail needs.

C. Developer will patronize local businesses during construction of its developments within the Corktown area, will utilize local service sector businesses where available and commercially reasonable to do so, and will encourage employees to patronize local businesses following completion of the Projects.

5. Continue Community Engagement for as long as Developer is in the Neighborhood

A. Developer will continue to participate in a community engagement process for as long as Developer owns or operates a

Project. Developer will facilitate language translation for community engagement efforts when requested.

B. Developer will continue to actively involved in the community and seek input for its Master Plan for the Projects. Examples include identifying retail needs, installation of public artwork, parking structure design, need for additional surface parking, etc. Developer specifically commits to a communications center at or near Michigan Central Station that will be open to the public for easy access to project and construction information as well as other community programming.

C. Developer will submit all site plans through the standard planning review process, which includes City of Detroit Planning and Development and Buildings. Safety Engineering and Environmental Department review. Developer will provide a courtesy presentation of the former Brass Factory Project new construction development at the local Historic District Commission public meeting.

D. Developer commits to publishing its Environmental Protection Plan (EPP) and will make that report accessible and available to the public. Developer will also monitor and publish a listing of the regulated building materials found at the Projects prior to demolition and make that report accessible and available to the public.

E. Developer will abide by all existing ordinances and laws, including the City's Community Benefits Ordinance.

F. Developer is open to including public art on its sites within the Projects.

6. Engage Impact Area Residents in Mobility Planning and Development

A. Developer commits to engaging the community on mobility pilot projects located in the Corktown area, including bringing the proposed Ford — City of Tomorrow-Challenge to Detroit to study community mobility ideas and award funding for ideas that emerge from this process.

B. Developer will support the May Creek project by allowing necessary access over Developer-owned land to connect Corktown to the riverfront and will support the City of Detroit master planning effort for additional walking and biking options for the community.

C. Developer will participate in the Greater Corktown neighborhood planning process including in review and development of a Traffic Engineering Study, to help address public transit and mobility concerns.

D. Developer will request that MDOT invest in making required improvements to accommodate increased service on area roads and freeways, such as Michigan Ave. and the adjacent I-75/I-96 and Lodge Freeways.

E. Streetscape and mobility improve-

ments, including traffic engineering studies, pedestrian and cyclist improvements and other changes, including to specifically consider a Michigan Ave. "road diet", to be determined through the neighborhood planning process. Developer will actively participate in Greater Corktown planning study and support initiatives through its investment in SNF.

7. Commit to Additional Benefits Requested by the Community

A. Developer will establish security options that work best for the Impact Area. Developer will work with the City and community to facilitate this process.

B. Developer will explore community space for gathering, information sharing and posting in the Projects as part of its master planning effort.

C. Developer acknowledges that its employees that work in the Corktown Area Renaissance Zone may be subject to City of Detroit income tax.

D. Developer will build parking decks to assist with parking needs as part of the Projects. Developer commits that any surface parking lots it builds within the Projects will be up to code.

E. All buildings developed by Developer will be aesthetically pleasing and Developer will commit to minimizing the obstruction of the view of the Michigan Central Station building. Developer will work through the City Planning and Development Department's community input process on the design of the Project.

F. Developer intends to build parking decks that are sufficient to support the office and retail requirements of the area and that are expected to be available for public use.

G. Developer commits to ensuring that the Projects adhere to current codes and allowances for light pollution. Light plans for the Projects shall be publically shared.

H. Developer will be responsible for improvements that need to be made to make the buildings that are part of the Projects operable and that would be subject to special assessments related to City infrastructure if used to fund City infrastructure updates (e.g., sidewalks across its real estate parcels).

I. Developer acknowledges that it is working with DTE and City to identify the location of a new DTE Corktown power substation that will provide adequate service for the Projects, as well as other development in the neighborhood.

J. Developer's DPS Book Depository Project and former Lincoln Brass Factory site Project will include innovative sustainability principles, which are core to Developer's guiding principles that are included within all Developer's other development projects.

K. Developer will support the creation of a bird habitat within the Impact Area, working with the City's General Services

Department and the National Geographic and Audubon Society to push this initiative forward.

L. Developer will assess the overall integrity of the Warren House within the Lincoln Brass Factory Project site and evaluate all items that can be salvaged.

M. Developer shall consider participating in a wireless mesh network, however Developer currently does not have plans to create one.

8. Mitigate Construction Impacts of the Development

A. Developer commits to publishing its Environmental Protection Plan ("EPP") for the Projects and will make such EPP accessible and available to the public. Developer will also monitor and publish a listing of the regulated building materials identified at the Projects prior to demolition and make that report accessible and available to the public.

B. Developer will work with MDOT and the City to develop a traffic control plan for during and post construction that will be made accessible and available to the public.

C. Developer's EPP will provide as much information as possible with regards to baseline levels and monitoring of environmental contaminants in the air, water, and soil.

D. Developer commits to provide a telephone hotline for residents and an online portal to file complaints regarding the Projects. Developer commits to a 48-hour response time to such complaints that are filed.

E. Developer commits to utilizing normal construction hours for the Projects that will be between 7 a.m. and 7 p.m. and to give advance notice to the public if overtime or weekend work is scheduled. Developer will also commit to provide the public with periodic construction update meetings.

F. Developer commits to ensuring that it provides enough parking on Developer lots for construction workers that work on the Projects.

G. Developer commits to provide security cameras, fencing, patrols and other measures for all staging and construction storage areas related to the Projects. Developer will maintain and publish a map identifying the construction staging sites.

H. Developer will establish an online portal with Project updates and other pertinent information during construction, such as traffic changes and temporary street closures.

**PUBLIC HEALTH AND SAFETY
STANDING COMMITTEE**

**Buildings, Safety Engineering
& Environmental Department**

August 3, 2018

Honorable City Council:

Re: Address: 19752 Hartwell. Name: Infinity Homes International, Inc. Date ordered removed: May 1, 2018, (J.C.C. pages _____).

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection on July 31, 2018 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date that notice was provided to the applicant of the City Council decision.

2. The owner must contact BSEED to request a progress inspection within forty-five (45) calendar days from the date of the rehabilitation permit and thereafter submit inspection reports every forty-five (45) calendar days to BSEED to demonstrate progress during the approved time frame for rehabilitation.

3. The building shall have all imminently hazardous conditions immediately corrected and be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that

conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

By All Council Member Sheffield:

Resolved, That subject to the approval of the concerned departments, permission be and is hereby granted to Petition of Metropolitan Detroit Veterans Coalition (#517) request to hold "Armed Services Salute, Featuring 13th Annual Detroit Veterans Day Parade and 4 Start 4 Mile Race and Vets Fest" at Cass Park, on November 11, 2018 from 10:30 a.m. - 4:30 p.m. Set up on November 10, 2018 at 8:00 a.m. and tear down on November 11, 2018, with various street closures, and further

Provided, That the Buildings, Safety Engineering and Environmental Department is hereby authorized to waive the zoning restrictions on said property during the period of the event, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That the petitioner secures a temporary use of land permit, which will include the erection of any mechanical devices and temporary structures. An inspection of electrical work is required prior to opening the facility to the public, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding "Use of Tents for Public Assembly," and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department, and in compliance with applicable ordinances, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or

expenses that may arise by reason of the granting of said petition, and further

Provided, That site be returned to its original condition after said activity, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Honorable City Council:
Re: Request to accept an increase in appropriation for the FY 2019 Comprehensive Agreement — WIC (Women, Infants, and Children) Breastfeeding Program.

The Michigan Department of Health and Human Services has awarded an increase in appropriation to the City of Detroit Health Department for the FY 2019 Comprehensive Agreement — WIC (Women, Infants, and Children) Breastfeeding Program, in the amount of \$9,900.00. This funding will increase appropriation 20456, previously approved in the amount of \$134,000.00 by council on March 20, 2018, to a total of \$143,900.00.

The FY 2019 Comprehensive Agreement — WIC (Women, Infants, and Children) Breastfeeding Program, is a reimbursement grant. The objective of the grant is to assist breastfeeding mothers through the WIC program. This grant will enable the department to provide assistance through WIC clinics, including counseling for mothers who are breastfeeding, as well as providing breastfeeding supplies and food packages to mothers in need.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,
RYAN FRIEDRICHS

Re: Request to Accept and Appropriate the FY 2017 Justice Assistance Grant (JAG).

The U.S. Department of Justice, Bureau of Justice Assistance, through the Wayne County Department of Homeland

Security, has awarded the City of Detroit Police Department with the FY 2017 Justice Assistance Grant (JAG) in the amount of \$871,804.00. There is no match requirement for this grant. This grant was adopted in the current budget in error under appropriation 20231. We are requesting the FY 2017 adopted budget amount of \$1,000,000.00, be transferred from appropriation 20231, to appropriation 20555. As the grant was initially approved at a higher amount, the budget can be decreased to the award amount of \$871,804.00, post transfer, upon need. The grant period is October 1, 2016 to September 30, 2020.

The objective of the grant is to prevent and reduce crime and violence by supporting a variety of justice-related needs. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20555.

By COUNCIL MEMBER LELAND:

WHEREAS, Linda Faye Woodard

served faithfully as a member of the Board of Directors of the Ambassadors for Christ Church. As a minister and administrator at Ambassadors for Christ Church, Linda worked tirelessly, often going above and beyond with high energy and confidence. Linda knew the power of God and served Him with honor; and

WHEREAS, Linda was the fourth child of ten children who grew up in Detroit with six brothers (three of whom preceded her in death) and three sisters. Linda's late parents Richard and Veola Thomas, Sr. raised their children with "can do" attitudes and were enthusiastic advocates of high achievement. Linda matriculated through Detroit Public Schools graduating from Central High School and later earning a Master's of Arts Degree with a major in Counseling from Wayne State University; and

WHEREAS, Linda was a devoted mother to her two children Yvette and Leonard "Man" Coleman, Jr. and a loving and considerate grandmother to her many grandchildren; and

WHEREAS, Linda dedicated 38 years of service to Wayne County Community College District (WCCCD) working in its Nursing Department assisting innumerable students achieve their nursing goals. She was a dedicated member of the West Outer Drive Community Association. Linda established *Stepping Up*, a women's support group, and lovingly committed 17 years helping women in recovery accomplish their financial dreams. After retirement from WCCCD, Linda established *Key Word Counseling Services* and offered her expertise and experience giving direction and strength to men, women and families suffering under the familial devastation caused by addiction. In total, Linda dedicated 25 years to helping men and women who were struggling with addiction. Linda lived by the words, "I can do all things through Christ".

NOW, THEREFORE BE IT

RESOLVED, That the Office of Councilman Gabe Leland and the Detroit City Council expresses their deepest sympathy and hereby join family and friends in celebrating the life of Linda Faye Woodard. We honor Linda for her commitment to service and the cultural growth of Detroit families. We applaud her for many achievements and extend our admiration and appreciation for the dedication and for her vision for the community. May the memories of her love and faithfulness be remembered and continue to fill the hearts of many that love her.

RESOLUTION IN MEMORIAM FOR

MS. IRENE MCKINLEY BONNER

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to recognize and bestow homage upon the late, Ms. Irene McKinley Bonner, a beloved mother, sister, foster mother, grandmother, great-grandmother, aunt, cousin and friend to many, who was granted her angel wings on September 25, 2018; and

WHEREAS, Born on July 1, 1939, in Birmingham, Alabama, Irene McKinley, affectionately known as "Titti," was the seventh child born to Ida and Leroy McKinley. Irene accepted Christ as her Lord and Savior at an early age, under the ministry of Rev. Van Horn at Lively Hope Baptist Church in Pratt City, Alabama. She attended South Pratt Elementary School and graduated from Westin Olin High School; and

WHEREAS, While living in Alabama, Irene met her first love, Charles Bonner, who she married later in life. She loved him deeply and the couple was blessed with their daughter, Sharon. Irene's strong will and independent personality led her to relocate to Chicago, Illinois, to pursue employment. With her strong love and appreciation of music, Irene joined the legendary Thompson Community Singers choir. Being a member of the choir led her to move to Detroit, Michigan; and

WHEREAS, Irene was an incredible mother to her nine children: Sharon, Denise, Deborah, Lashawn, Crystal, Bernard, Antonio, Wayne and Andre. She also was a foster mom to 32 children over a period of 34 years, providing them with love and support. Irene encouraged all of her children to follow their dreams and believe in God. Affectionately referred to as "Momma" by the entire family, she created a bond and tradition that was fundamental in bringing the family together. "Momma" Irene was committed to family, near and far. She traveled frequently to Birmingham, Alabama, to visit nieces and nephews. Irene was determined to attend every celebration. She was always willing to listen and provided "pearls of wisdom" to those she encountered. Irene loved cooking and often hosted extravagant holiday celebrations where the house was embellished with décor to match the season. Music flowing, aromas of signature dishes, and laughter was always something that could be found during this time. Irene also had a flair for interior design and would frequently change and update the layout of her home; and

WHEREAS, A woman of strong faith, Irene was a member of Hampton Memorial Baptist Church from 1976 to 1985. She later joined Calvary Church of

God in Christ in 1985 until 2005. Irene supported her daughters and son-in-law's ministries — Bethesda Temple Apostolic and Souls for Christ Deliverance Center, from 2006 to 2010. From 2010 until her transition, Irene was a member of Christian Tabernacle; and

WHEREAS, One of Irene's most significant relationships was the bond established with Bernard Davis Sr., father to four of her children. He remained a close and supportive friend throughout their relationship. Irene McKinley Bonner was the anchor of her family and a shining example of motherhood. The lessons she taught, the example she set, the wisdom she imparted, made a significant impact in the lives of others. Ms. Irene McKinley Bonner has been a good servant and ensured that the values and traditions by which she lived, would exist in the hearts of those she cherished for years to come. Her legacy will live on through the many lives she touched.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby extends our deepest sympathy and joins with family and friends to celebrate the life of Ms. Irene McKinley Bonner. She will be greatly missed.

**RESOLUTION
IN MEMORIAM**

**FOR
STEVAN CURTIS MILLER**

By Council Member Sheffield, Joined By Council President Jones and Council Member McCalister:

WHEREAS, Stevan Curtis Miller was born in Detroit on July 26, 1955, to parents Robert and Anna Lee Miller. He and his family lived on Detroit's west side, where he attended Detroit Public Schools and served as an altar boy at St. Luke's Catholic Church. After receiving his diploma from Mumford High School in 1973, he attended college for a year then later attended and graduated from the Detroit Police Department Academy B Class in 1977.

WHEREAS, Steve's first assignment was at the 11th Precinct. It was at the 11th Precinct that Steve became skillful at extracting information from sources. He utilized that skill when he transferred to the 14th Precinct and then to Gang Squad in 1986, earning his nickname "Pitbull" or "Pit", known for his tenacity in getting criminals off the streets. In 1994, while working in the Headquarters Bureau,

Steve was assigned to the Violent Crimes Task Force working with the FBI to take down a notorious B&E gang responsible for conducting the most violent home invasions in the city's history. As the investigation reached its six month mark, Steve was credited with single-handedly taking down the crime ring's leader in a vicious gun fight featured on "The FBI Files: Forced Entry" (Season 6, Episode 17).

WHEREAS, Steve also pursued a dual career in Executive Security. He worked for decades (on his own and with Atlanta-based Executive Services Security Consulting) protecting some leading names in entertainment — Aretha Franklin, Parti LaBelle, Sinbad, Luther Vandross, Mike Epps, Alicia Keys, Judge Greg Mathis, Quenton Perry, and Toni Braxton just to name a few. Steve was also granted many awards, including Perfect Attendance Awards, numerous Letters of Appreciation, Medal of Valor Award, and Meritorious Awards.

WHEREAS, In August of 1997, Steve married the love of his life, Malkia and their family soon expanded with the births of Donovan and Tristan joining big brother Stevan Jr. His passion and commitment to Malkia and the kids were primary. Steve cherished his wife. Malkia was Steve's soulmate. Their personalities mirrored each other tremendously drawing them closer each day as they knew how to promote each other's strengths when life's challenges came along. Steve was also a dedicated and extremely proud dad who always shared his children's accomplishments complete with supporting photos. He made time to guide and support their endeavors, whether it was helping to coach Donovan's AAU hoop dreams or Tristan's tennis triumphs. He was so very proud of Steve Jr.'s academic accomplishments at U of M and his recent job promotion at Quicken Loans. Steve loved his children and his newest baby girl, granddaughter Melina.

WHEREAS, Steve leaves to cherish his amazing legacy his beloved wife Malkia; his wonderful sons Stevan Jr. and Donovan; his precious daughter Tristan; his granddaughter and joy Melina; his "first wife" Conway; his "girlfriend" Rico; and his "special little brother" Damon. He also leaves to cherish his loving memory his sisters Carol Wright, Andrea (Greg), brothers Robert Jr., Darryle (Shevawn), Aaron (Heather), sisters Leslie (Mason), and Tiffany, mother and father-in-law Toni and Ronald Booker, sister-in-law Nzinga (Robert) Carbin, and nephew/best friend Craig (Cindy) Miller.

THEREFORE, BE IT

RESOLVED, That the Office of City Council Member Mary Sheffield and the Detroit City Council hereby on this 12th day of October that this resolution endure as a permanent record of respect and

admiration, and that a suitably-enrolled copy be presented to the family of Stevan Curtis Miller.

**RESOLUTION
IN MEMORIAM
FOR**

EULA MAE BAKER

May 2, 1922 - September 7, 2018

By Council Member Castaneda-Lopez:

WHEREAS, Eula Mae Baker was a long time resident of Ethel Street in Southwest Detroit. She raised her family there and loved her neighborhood and neighbors; and

WHEREAS, Eula Mae Baker was born to the late Hattie Hicks Coney and Bee Coney on May 2, 1922 in Dublin, Georgia. Eula loved the Lord and accepted Christ at an early age. As a teenager, she joined the church and was baptized. During her teenage years, Eula moved to Key West, Florida where she worked on a naval base as a waitress; and

WHEREAS, She went from a waitress to attend Chicago School of Nursing where she earned her license as a Practical Nurse. Eula loved people and worked as a nurse for forty years. After retiring from Alexander Blaine Hospital in Detroit, Michigan, she decided to become a private duty nurse where at times she was not much older then her patients; and

WHEREAS, Eula met and married Floyd Baker in 1949. To their union, seven children were born. She joined Union Second Baptist Church in River Rouge, Michigan where she served on the usher board for fifty years. After serving as long as her legs would allowed, Eula retired from the usher board at the young age of 90; and

WHEREAS, Her favorite song was, "I Won't Complain." She also wrote and published a beautiful song entitled, "Too Old to Dream." Eula was called home to be with the Lord on Friday evening, September 7, 2018; and

WHEREAS, Eula leaves to cherish her memory: sisters, Lydia Ellington, of Dublin, Georgia and Mosie Danner, Fayetteville, North Carolina; Floyd Baker; her children, Leah (Eleanor Ross, Gloria Baker Black, Boyd (Jerome), Otto Lorenzo, Jacqueline (JB); seven grandchildren; two bonus grandchildren; sixteen great-grandchildren; one great-great granddaughter.

THEREFORE BE IT

RESOLVED, Council Member Raquel Castaneda-Lopez and the entire Detroit City Council extend our sincere sympathy to the family and friends of the late Eula Mae Baker. Our thoughts and prayers are with you as you cherish her memory and celebrate her life.

Office of the Chief Financial Officer
October 12, 2018

Honorable City Council:
Re: Bond Authorizing Resolution - UTGO Bonds, Series 2018 and Refunding Bonds

The CFO's Office respectfully submits the proposed Bond Authorizing Resolution - UTGO Bonds, Series 2018 and Refunding Bonds. The City's credit profile has been improving and there are strong market conditions that support a return to the capital markets at this time. A UTGO financing will provide the City with the necessary capital to make needed investments that will improve the quality of life for Detroiters and help spur eco-

nomie growth. In addition, there may be an opportunity for the City to repurchase and refinance a portion of outstanding LTGO bonds that will create savings and help the City proactively address rising debt service costs.

Should you have any questions, please do not hesitate to contact me or my office.

Best regards,
JOHN W. HILL
Chief Financial Officer

Resolution of the City Council of the City of Detroit, County of Wayne, State of Michigan: (1) Authorizing the issuance of not to exceed \$255,000,000 unlimited tax general obligation bonds, in one or more series for the purpose of paying the costs of certain public improvements; (2) Authorizing the issuance of not to exceed \$500,000,000 financial recovery refunding bonds in one or more series for the purpose of paying the costs of refunding all or a portion of the City's outstanding financial recovery bonds, series 2014b, financial recovery income tax revenue and refunding bonds, series 2014a, and financial recovery income tax revenue and refunding bonds, series 2014b (federally taxable); (3) Authorizing the repurchase by tender or negotiated purchase of such prior financial recovery bonds; (4) Authorizing and delegating to the authorized officers the authority to make certain determinations and to take certain actions in connection with the repurchase of such prior financial recovery bonds; (5) Authorizing execution of documents and agreements necessary to effectuate the issuance of and security for said bonds; and (6) Authorizing and delegating to the authorized officers the authority to make certain determinations and to take certain actions in connection with the sale and delivery of said bonds.

October 2, 2018

Honorable City Council:

Re: Request to Amend the Official Compensation Schedule.

Recommendation is submitted to amend the 2018-2019 Official Compensation Schedule to include the pay range of \$70,562-\$105,842 with Step Code D for the classification of Nurse Practitioner (22-24-10).

Request:

The above recommendation is at the request of Tamara Tarrance, Recruiter for the Health Department.

Rationale:

The above request and recommendations are based on the ability to attract and retain essential personnel and to improve the operations of the Health Department.

A survey of the following municipalities has been conducted: Minneapolis, MN, Kansas City, MO and Onet.

Based on the survey data Classification and Compensation recommends the

above proposed salary. This is essential for recruitment and retention purposes and it is based on the City of Detroit's ability to fund the increase. Subject to City Council approval.

Respectfully submitted,

DENISE STARR

Human Resources Director

By Council Member McCalister:

Resolved, That the 2018-2019 Official Compensation Schedule is hereby amended to reflect the following pay range, effective upon Council's approval.

DEVELOPMENT STANDING
COMMITTEE**

EXHIBIT E

**RESOLUTION APPROVING
BROWNFIELD PLAN
OF THE CITY OF DETROIT
BROWNFIELD REDEVELOPMENT
AUTHORITY FOR THE
EASTERN MARKET GATEWAY
REDEVELOPMENT PROJECT**

City of Detroit

County of Wayne, Michigan

Whereas, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

Whereas, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

Whereas, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Amended and Restated Brownfield Plan for the Eastern Market Gateway Redevelopment Project (the "Plan"); and

Whereas, The Authority submitted the

Plan to the Community Advisory Committee for consideration on August 22, 2018, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on August 30, 2018 to solicit comments on the proposed Plan; and

Whereas, The Community Advisory Committee recommended approval of the Plan on August 22, 2018; and

Whereas, The Authority approved the Plan on September 12, 2018 and forwarded it to the City Council with a request for its approval of the Plan; and

Whereas, the required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

Whereas, The City Council held a public hearing on the proposed Plan on October 18, 2018.

Now, Therefore, Be It Resolved, That:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "blighted" as defined in Act 381;

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The

Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and

then to the Local Site Remediation Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on _____, 2018, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

RESOLUTION AUTHORIZING THE ESTABLISHMENT OF A SECONDARY STREET NAME IN HONOR OF REV. DR. WILLIAM R. HANEY AT THE INTERSECTION OF DEXTER AVENUE AND DAVISON AVENUE IN FRONT OF THE DEXTER AVENUE BAPTIST CHURCH

By Council Member Tate:

Whereas, The Detroit City Council has

received petition #38 from Ms. Wanda J. Harper, on behalf of Dexter Avenue Baptist Church, requesting the assignment of a Secondary Street Name in honor of Rev. Dr. William R. Haney, to be located at the intersection of Dexter Avenue and Davison Avenue in Detroit, Michigan; and

Whereas, The Dexter Avenue Baptist Church located at the intersection of Dexter Avenue and Davison Avenue is historically significant, being the location of Rev. Dr. William R. Haney's dedicated service to the City of Detroit for 39 years as senior pastor; and

Whereas, In March of 2019 Dexter Avenue Baptist Church will be celebrating 100 years of service to the community; and

Whereas, The later Rev. Dr. William R. Haney was considered a servant leader, known around the world for his leadership and teachings which continue to inspire;

Whereas, The William R. Haney Center located on Davison Avenue named after the honoree has provided outreach services to the community for decades; and

Whereas, The late Reverend Dr. William R. Haney was revered as a Servant of God, prolific writer, instructor, teacher, community organizer, and social just leader, he travelled to nearly every continent on preaching missions, spreading the gospel; and

RESOLUTION AUTHORIZING THE ESTABLISHMENT OF A SECONDARY STREET NAME IN HONOR OF ROSA L. GRAGG AT THE INTERSECTION OF FERRY AVENUE AND BRUSH STREET IN FRONT OF THE DETROIT ASSOCIATION OF WOMEN'S CLUB

By Council Member Tate:

Whereas, The Detroit City Council has received petition #552 from Attorney Gregory J. Reed and President Angela Calloway, on behalf of the Detroit Association of Women's Club and Keeper of the Word Foundation, to assign a Secondary Street Name in honor of Mrs. Rosa L. Gragg, to be located at the intersection of Ferry Avenue and Brush Street in Detroit, Michigan; and

Whereas, The Detroit Association of Women's Club located at the intersection of Ferry Avenue and Brush Street is historically significant, being the location where in 1941 Rosa L. Gragg, who was restricted from owning property with a Ferry Street address due to her race, overcame the racist restrictive covenant practices by realtors in the City of Detroit; and

Whereas, Gragg purchased the Ferry street property for Detroit Association of Women's Club and built a new front door on the side of the Mansion facing Brush street, resulting in the Ferry entrance being blocked up and closed, however, for a time the property was the only known property in the City of Detroit with two front door addresses; and

Whereas, As a result of this historic purchase, the racially restrictive street of Ferry Avenue was further integrated by the Lewis College of Business, the State of Michigan's only Historically Black College, and Omega Psi Phi fraternity; and

Whereas, Gragg became a major Civil Rights and Women's Rights activist and consultant to Dr. Martin Luther King, Jr., and associate of Mary McLeod Bethune, and ultimately served as an advisor to three U.S. Presidents, Franklin D. Roosevelt, John F. Kennedy, and Lyndon B. Johnson; and

Whereas, Among Gragg's accomplishments are the fact that she launched the first African American vocational school in the City of Detroit on Woodward Avenue, the Slade-Gragg Academy of Practical Arts in 1947, which was the first African American owned and operated enterpris-

es on the notable avenue. Known as the Tuskegee of the North, it trained over 2000 women and returning veterans. Rosa Gragg established the youth center, library, and archives for Bethel A.M.E., which is the second oldest African American church in the State of Michigan, as well as championed the home restoration project of the historic civil rights activist and abolitionist Frederick Douglas' home in Washington D.C., lead the effort to having the home declared a national shrine by the U.S. Congress; and

Whereas, Rosa L. Gragg was inducted into the Michigan Women's Hall of Fame in 1987 for her tireless efforts for civil and gender equality, access to education and historic preservation.

Now, Therefore Be It

Resolved, That the City Council finds the above-mentioned individual and the proposed location meets the criteria for Secondary Naming of a Street in accordance with Article VII, Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code;

Be It Further

Resolved, That the intersection of Ferry Avenue and Brush Street be assigned the secondary street name "Rosa L. Gragg Boulevard" in celebration of her noteworthy achievements;

Be It Further

Resolved, That the projected cost of designing, producing, erecting, replacing and removing the necessary signs and markers shall be paid, in advance, to the street fund by the petitioner requesting the secondary name;

Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on Behalf of Ford Motor Company at 2001 15th Street and 2231 Dalzelle Street, Detroit, MI, in Accordance with Public Act 146 of 2000. (Related to Petition #434).

On October 18, 2018, a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Ford Motor Company has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
DONALD RENCHER
Director

By Council Member Tate:

Whereas, Ford Motor Company has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 16, 2018 established by Resolution an Obsolete Property Rehabilitation District

in the vicinity of 2001 15th Street and 2231 Dalzelle Street, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2(l) of the Act; and

Whereas, This City Council has granted until of January 1, 2022 for the completion of the rehabilitation; and

Whereas, On October 18, 2018 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Ford Motor Company for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12), with the certificate beginning December 31, 2018 and the certificate expiring December 31, 2030, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than January 1, 2022, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Amendment and Extension of Development Agreement Scripps Park Associates, LLC. Development: Parcel

245; generally bound by Trumbull, Canfield, Gibson & Calumet.

The above captioned property is part of the overall Woodbridge Estates housing project, located west of the Lodge free-way and north of the casino. On June 30, 2015, your Honorable Body authorized amendment no. 2 to the Development Agreement with Scripps Park Associates, LLC. The amendment allowed for the completion of the construction of eight (8) single family homes and to extend the completion of the development to December 31, 2016.

Due to market and financial constraints, Scripps Park has been unable to complete the development as proposed. The remaining vacant property contains approximately 64,911 square feet (1.5 acres) and is zoned R-3 (Low Density Residential District). Accordingly, the developer now requests to extend the development period to March 31, 2020 and proposes to construct six (6) duplex style buildings containing twelve (12) market rate condominium units. This use is permitted as a matter of right in a R-3 zone.

There have been improvements in the housing market in the Woodbridge Estates area for this type of development. Additionally, Scripps Park has obtained tentative construction financing. The Planning and Development Department has reviewed the request of Scripps Park and determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement.

Respectfully submitted,

October 3, 2018

Honorable City Council:

Re: Darreyl Coneal vs. City of Detroit, et al. Case No. 18-10060. File No. L18-00033 (PMC).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty Thousand Dollars and No Cents (\$20,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty Thousand Dollars and No Cents (\$20,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Darryl Coneal and his attorneys Law Offices of Ben Gonek, P.L.L.C., to be delivered upon receipt of a properly executed Release and a Stipulation and Order of Dismissal entered in Case No. 18-10060, approved by the Law Department.

Honorable City Council:

Re: Darreyl Coneal vs. City of Detroit, et al; Case No. 18-10060; File L18-00033.

The Law Department is representing the City employees listed below in the civil litigation matter listed above. We recommend that City Council ratify the decision to represent and approve of the request for indemnification of the officers, in order to complete a favorable settlement at \$20,000. It is undisputed that the officers were acting within the scope of their official duties at the time of incidents in question. For this and other reasons, we recommend a "YES" vote on the attached resolution for

P.O. Steven Fultz, Badge No: 141
 P.O. John McKee, Badge No: 4434

City Planning Commission

October 19, 2018

Honorable City Council:

Re: Request of the petitioner The Roxbury Group, to amend Article XVII, District Map No. 29 of the 1984 Detroit City Code, Chapter 61, Zoning, to show an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where R2 (Two-Family Residential District) and B4 (General Business District) zoning classifications are currently shown on properties abutting to the northeast corner of Kercheval Street and Van Dyke Road generally bounded by Van Dyke Road on the west, Durand Street on the north, Parker Street on the east and Kercheval Street on the south. The petitioner proposes to rezone the subject property in order to allow for a four-story retail and residential mixed-use development (RECOMMEND APPROVAL).

NATURE OF PROPOSAL

Before this Honorable Body is the request of the Roxbury Group, to show an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where R2 (Two-Family Residential District) and B4 (General Business District) zoning classifications are currently shown on properties abutting to the northeast corner of Kercheval Street and Van Dyke Road generally bounded by Van Dyke Road on the west, Durand Street on the north, Parker Street on the east and Kercheval Street on the south.

The subject site is located in the West Village area of Detroit and surrounded by mostly residential development, but also institutional and commercial uses nearby.

The petitioner proposes to rezone the subject property in order to allow for a 6,000 square foot, four (4)-story commercial/retail and residential mixed-use development. The development plans for four (4) retail spaces on the ground floor. Additionally, the plan calls for three (3) floors to be residential totaling approximately 92 residential units. Parking would be contained on-site and screened from the right-of-way.

The developer's request to rezone the parcels in question, is being proposed to add housing options and increase the walkable fabric of the Kercheval-Van Dyke Corridor. The desired SDI (Special Development District — Small-Scale, Mixed-Use) zoning classification, if implemented, would generally allow for zero lot line front setbacks, less restrictive side and rear setbacks, and mixed-uses on the site. There are 11 parcels in total proposed for rezoning which include:

Address	Current Zone	Proposed Zone
8003 Kercheval	B4	SD1
8015 Kercheval	B4	SD1
8021 Kercheval	B4	SD1
8025 Kercheval	B4	SD1
8033 Kercheval	B4	SD1
8035 Kercheval	B4	SD1
8047 Kercheval	B4	SD1
2122 Van Dyke	R2	SD1
2128 Van Dyke	R2	SD1
2132 Van Dyke	R2	SD1
2138 Van Dyke	R2	SD1

Subject site: Kercheval and Van Dyke

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: is zoned R2; residential homes

East: is zoned R2 and B4; residential homes

South: is zoned B4; Residential homes, businesses

West: is zoned R2; Marcus Garvey Academy; Butzel Community Center

Master Plan of Policies

According to the City of Detroit Master Plan of Policies (MP), the subject property is located in the Butzel area of Neighborhood Cluster 3. The future land use in the MP designates the subject parcels on Kercheval as Neighborhood Commercial

(CN) and the subject parcels that abut Van Dyke, as Low-Medium Density Residential (RLM).

According to the Master Plan-Zoning Table of the MP, which shows the correlation of MP land use designations to zoning classifications, the most appropriate zoning classifications for the RLM designation are the R2 Two-Family Residential and R3 Low Density Residential District zoning classifications. The table shows that the most appropriate zoning district classifications to be applied to the Neighborhood Commercial (CN) MP designation, are the B1 Residential Business District and B2 Local Business and Residential District classifications (see below).

Subject properties are shown in red outline. On the left are the master plan designations and on the right are zoning districts

The Planning and Development Department has submitted a master plan determination letter (see attachment) in support for the proposed rezoning. PDD anticipates a proposal in the coming months to rezone a larger area of the corridor in order to accommodate mixed-use development. The desire to rezone this corridor stems from PDD’s Islandview-Greater Villages planning study.

According to PDD, the desired rezoning of the corridor is an outcome of what the study produced, coupled with community engagement during the study period. The Roxbury Group mixed-use project being proposed here, fits within the scope of the larger zoning scheme that PDD will be advocating for. The City Planning Commission will be reviewing this larger rezoning request when it comes in the future.

COMMUNITY INPUT

The Roxbury group representatives provided a list of groups and individuals that they originally reached out to for engagement regarding this project. Those entities include the following:

- West Village Neighborhood Association
- Village CDC
- Church of the Messiah
- Genesis of the Messiah
- MACC Development
- West Village Business Association
- East Village Neighborhood Association
- Indian Village Neighborhood Association
- North Village Neighborhood Association
- Field Street Block Club; and several other residents and organizations.

PUBLIC HEARING AND CPC MEETING RESULTS

During the CPC public hearing for this

matter, PDD, the Housing and Revitalization Department, and the Mayor’s Office were in attendance and presented to the Commission.

During the public hearing approximately 17 people spoke during public comment. There were approximately ten (10) community members that spoke in opposition or with strong concern regarding the project and five (5) that spoke in support. Another two (2) spoke with concerns.

Of those community members that spoke regarding the project, some of the concerns that arose from the conversation were concerning (but not limited to):

Housing affordability — Some had questions or concerns as to whether the proposed rezoning would lead to gentrification in the neighborhood. Some of those concerns also related to the anticipated rents of the development and whether or not it would be affordable for the average resident that currently lives in the surrounding neighborhood.

Parking — Some questions or concerns were expressed regarding whether the proposed development plans to provide enough parking on-site for the residential and retail commercial components of the development. Concerns were expressed regarding the possibility of traffic generated by the West Village project spilling into the surrounding residential streets.

Traffic congestion — Concerns were raised about the amount of traffic that currently exists on Kercheval and Van Dyke.

After the public hearing, staff has also received letters of support and opposition/concern from the community members (please see attachments).

Additionally, at the second CPC meet-

ing, although the matter was not brought back as a public hearing, because of the high public attendance, the CPC chair allowed the community members to speak on this matter once more. Approximately eight (8) people spoke in support, five (5) in opposition and four (4) with concerns that they wanted to see addressed. Most of those issues were in relation to those concerns previously mentioned at the September 6, 2018 public hearing.

Lastly, CPC staff held an additional meeting after the Commission voted on October 4th to approve the subject peti-

tion. The meeting took place on October 10, 2018 and was held specifically to hear from the community residents and gather further feedback on the issues that were vital to them in relation to the subject rezoning request and also the larger future rezoning proposal. We anticipate that this will serve as one of a series of engagement meetings to come, in regard to zoning in the area. The results of that meeting and the comments that were expressed can be found in the document attached. Staff will also expound on this matter.

**ANALYSIS
General Impacts**

**HIGH-FREQUENCY TRANSIT CORRIDORS
w/0.5 mile buffer**

Parking

Typically zoning districts require a minimum ratio of 1.25 spaces per dwelling unit, however, in the SD1 zoning classification, that requirement is lowered to a ratio of 1 space per dwelling unit. Additionally, the zoning ordinance, Sec. 61-14-24 allows an additional relief for parking for multiple-family dwelling units, where located within .50 miles of a high frequency transit corridor. The additional relief lowers the parking requirement to .75 per dwelling unit for this development. Lastly, the SDI district also gives provisions for a district approach to parking, allowing accessory parking to locate up to 1,320 feet away from a principle use if the parking plan is recognized by the Planning and Development Department.

In the case of the West Village proposal, the developer is proposing 92 units total. The total required number of parking spaces that are required for them to provide is 169 parking spaces. The development is allowed the reduction due to it being located along a high-frequency

transit Corridor, as defined in Sec. 61-16-102 of the Zoning Ordinance. The development is currently proposing over 90 spaces putting them well above the required minimum number of spaces to meet code.

Land Use, Intensity and Dimensional Changes

B4 (General Business District) provisions (Allows for 164 By-right or conditional uses)

Height

The maximum height for each principal use in the B4 District shall not exceed thirty-five (35) feet; Where a lot fronts a major or secondary thoroughfare, and where the outermost point of the proposed building on said zoning lot is forty (40) feet or more from the nearest point of the lot line of all R1, R2, and R3 Districts, the maximum height may be increased, as a matter or right, one (1) foot for each one (1) foot of street width greater than eighty (80) feet.

Uses

Residential uses:

Lofts, inside the Central Business

District Multiple-family dwelling where located in a Traditional Main Street Overlay Area and where combined with certain uses.

Religious residential facilities

Residential uses, where combined in structures with permitted commercial uses and located in a Traditional Main Street Overlay Area.

SD1 Special Development District—Small Scale, Mixed Use provisions (allows for 88 by-right or conditional uses)

By-right mixed-use residential uses:

Allows by-right residential/commercial mixed-uses such as (1) Lofts (2) Multiple-family dwellings where combined in structures with permitted first-floor commercial use (3) Religious residential facilities in conjunction with religious institutions in the immediate vicinity (4) Residential use combined in structures with permitted (first floor) commercial use.

Setbacks A minimum front setback is not required. The maximum front setback allowed shall be the average of the front setback of the buildings located on the adjacent lots on each side of the subject building or twenty (20) feet.

Maximum height: thirty-five (35) feet for non-mixed-use, fifty (50) feet for mixed-use. Where a lot fronts on a right-of-way which is more than fifty (50) feet wide and where the outermost point of the proposed mixed-use building is at least forty (40) feet from all R1, R2, and R3 Districts, the maximum height may be increased one (1) foot for each one (1) foot of right-of-way width greater than fifty (50) feet. The building shall not exceed sixty (60) feet in height.

Drive-up and Drive through's banned:

Carry-out or fast-food restaurants with drive-up or drive-through facilities are prohibited on land zoned B2, PCA, SD1, or SD2.

Parking Waiver for retail, service and commercial: On properties zoned SD1 or SD2, the Planning and Development Department may grant a waiver of the off-street parking requirements, for the first three thousand (3,000) square feet of pedestrian-oriented retail, service, or commercial uses. In the case where one building or development contains multiple retail, service, or commercial uses, the total number of spaces that may be waived for a building or development using this waiver shall not exceed forty five (45) spaces.

Parking prohibition: Parking shall be prohibited between the street and front facade of the building.

Brewpub or microbrewery By-right under 3,000 sq. ft.: or small distillery or small winery may be permitted on a by-right basis where such establishments do not exceed 3,000 square feet and are not located adjacent to or across an alley

from a lot containing a single- or two-family dwelling that is located on a street other than a major thoroughfare

Bars 3,000 feet and under, By-right: establishments for the sale of beer or intoxicating liquor for consumption on the premises shall be permitted on a by-right basis where such establishments do not exceed 3,000 square feet and are not located adjacent to or across an alley from a lot containing a single- or two-family dwelling that is located on a street other than a major thoroughfare

Summary of Proposed Rezoning Impacts

• Changes to By-right, Conditional, and Prohibited Uses (approximately 76 more additional uses are allowed in B4, many of them auto-oriented traffic generating uses)

• Maximum height possibility is lowered to 60 feet, not to exceed five (5) stories if building is mixed-use fronting right-of-ways that are greater than 50 feet in width.

• An elimination of front setbacks will allow buildings to be placed at the lot line, increasing lot coverage, density and engaging pedestrians with retail offerings. Also capping depth of setbacks since they are optional.

• Off-street parking is eliminated in front setback (essentially eliminating parking lots in front of buildings and creating a more walkable environment that aesthetically looks better and fills voids, taking away dead space and adding to the visual features by the architecture that will fill that space.)

• Side setbacks are not required where adjacent to any zoning classification except R1- R4. This creates opportunity for contiguous street walls made by buildings, defined street edges, aesthetically pleasing streetscapes, and good pedestrian experience and more investment in an area.

• Elimination of Spacing Requirements for regulated uses

APPROVAL CRITERIA

Section 61-3-80 of the Zoning Ordinance lists approval criteria that must be considered for an amendment of a zoning map. Below, please find results of staffs review:

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The proposed map amendment will allow the subject site to respond to changing conditions allowing for pedestrian oriented uses. It will also allow for residential development to happen jointly with retail service and commercial. There is strong evidence that the corridor once existed as a mixed-use corridor, and returning to such will not stray from past conditions. Neighborhoods across municipalities are

converting back to more walkable conditions that once existed prior to demand for auto related uses.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The proposed map amendment has been supported by the Planning and Development Department via letter and determined to be consistent with their future Master Planning efforts.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

CPC staff does not anticipate that this development will have a deleterious impact on the health safety or welfare of the community but will add to vibrancy, increase affordable housing options, place more people on the streets increasing safety, and add to retail options for would-be tenants of the community as well as patrons.

(5) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

This project has undergone an intensive Pre-plan review by the Buildings Safety Engineering Environmental Department and all City agencies. CPC staff attended that meeting and understands that there are no major outstanding issues with this development based on that review.

(6) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management; *CPC staff does not expect this proposal to have any negative impacts on the environment as it will meet City Code in order to receive necessary permits.*

(4) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

Since the proposed development is on the corner of two secondary thoroughfares, staff does not expect any adverse impacts to surrounding property. The developer owns contiguous parcels. The administration will also be conducting a impact study that is set to complete this time next year which should also mitigate any unforeseen negative impacts.

(5) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

The proposal could be established in the current B4 zoning district to some degree, however, certain elements of the proposal would not be allowed or would have a harder pathway to approval.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Staff does not consider this proposal to create an illegal spot zone given that it is on zoned land on the corner of two intersecting streets, as opposed to a mid-block condition. The subject land also incorporates 11 contiguous parcels that would all be rezoned. This in addition to the proposed future master plan amendment and rezoning of other parcels along the corridor would alleviate any concern of an illegal spot zone situation.

CONCLUSION

The subject proposal can in part be considered a downzoning as the B4 portion of the project will eliminate a number of intensive and auto-oriented uses that are currently allowable. The residential parcels would however, be up-zoned in this proposal, to allow for higher density housing. However, the project would allow for a mixed-use development that will support daily neighborhood activity. In comparison to what is currently potentially allowed in the B4 zoned parcels, this project would seem to meet the elements necessary for a pedestrian friendly project, eliminating the possibility of intensive auto oriented uses, drive-ways, etc.

As it relates the larger rezoning proposal, CPC staff has committed to continue the conversations with the community as to what a future zoning scheme might entail, along with PDD and HRD. PDD and HRD are the entities that have proposed the larger rezoning initiative that many residents have raised in relation to the current request. CPC plans to do more in depth discussions to further educate community on what the proposed zoning changes include. Staff expects to further understand what the community hopes to realize in the area and how zoning may support that. PDD's study area has already garnered much feedback, however, CPC will also further assess opportunities.

Stemming from the CPC public meetings that were held, a number of outputs were generated. One of the major items that has been committed to, is that the Administration via Arthur Jemison of the Mayor's Office and PDD has committed to conduct an impact study that will encompass streetscape and infrastructure design, traffic analysis, parking analysis and other related issues to ensure that the infrastructure will be able to absorb the subject development and others that may be in the pipeline.

The Administration has also committed to execute on all of the items that the City Planning Commission voted to recommend at the October 4, 2018 meeting. CPC staff will continue to follow this effort, participate where appropriate, but also lead further discussions.

RECOMMENDATION

On October 4, 2018, the City Planning Commission voted to approve the

requested rezoning. The Commission also recommended the following:

1. Review of area schools arrival and dismissal policy and times; appropriate agencies make corrections of deficiencies directly pertaining to policies.
2. Transportation plan for area should be made known to the community.
3. Parking plan for area should be made known to community.
4. Enforce existing traffic laws relative to that area; specifically during arrival and dismissal of schools in area.
5. Intentional community engagement be undertaken with the Planning and Development Department, developer and community; offering small meetings with groups and individuals or projects; open to the public.
6. Commit to forming or creating a group of community stakeholders who are continually engaged in the community and with developers through an on-going dialogue.

¹Under the current B4 (General Business District) zoning classification provisions, the Zoning Ordinance requires 115 parking spaces.

²One of the ten (10) defined high-frequency transit corridors is described as, Corridor No. 5, consisting of: Van Dyke, between Eight Mile and Lafayette; and Lafayette, between Van Dyke and Randolph.

³The Planning and Development Department shall have authority to consider such waiver, ensuring that the waiver will not be injurious to the adjacent or surrounding areas by creating or increasing traffic congestion or by disrupting traffic circulation.

Re: Master Plan of Policies review of request to rezone the area at the northeast corner of Kercheval and Van Dyke Streets from a B4 (General Business District) and R2 (Two-Family Residential) zoning district to an SD1 (Special Development: Small-Scaled Mixed Use) zoning district.

Pursuant to the City of Detroit's City Charter (Sections 6-202 and 6-204), the Planning and Development Department's (P&DD) Planning Division submits the following review of the proposed rezoning.

The proposed map amendment is to allow for the construction of a four story mixed-use residential/commercial building.

Location

Parcels fronting along Kercheval, west of Parker; and parcels fronting on Van Dyke, south of Durand.

Existing Site Information

Parcels fronting on Kercheval are zoned B4. Parcels fronting on Van Dyke are zoned R2. The site is currently vacant except for a one story commercial building and single family home at the north-west corner Kercheval and Parker. The Master Plan Future General Land Use designation for the parcels fronting on Kercheval are CN (Neighborhood Commercial). The parcels fronting Van Dyke are designated RLM (Low/Medium Density Residential).

Surrounding Site Information

The parcels on the same block, to the northeast across the alley) are zoned R2 and developed with four single family homes. To the west, across Van Dyke, is the Butzel Family Center and Marcus Garvey Academy (school); the site is zoned R2. The parcels further north on Van Dyke are also zoned R2. Most of the parcels are vacant except for a one car garage on the northeast corner of Van Dyke and Durand. Parcels to the south, along Kercheval, are zoned B4. There are two-family residential structures fronting on Kercheval that are under renovation and/or with commercial uses. Further east, on Kercheval, to Parker, are commercial storefronts. At the northeast corner of Kercheval and Parker is a small "pocket" park with

tables and benches. The Master Plan Future General Land Use Designation for the Butzel Family Center and Marcus Garvey Academy site is INST (Institutional). The Kercheval frontage is designated CN. The remaining area, north and south of Kercheval, is designated RLM.

Project Proposal

The proposed project is for a four story mixed used building. There will be four retail spaces on the ground floor fronting on Kercheval totaling 6,000 square feet. The remainder of the ground floor will be for parking. The remaining three floors will be 92 residential units.

Interpretation

Impact on Surrounding Land Use

The current) zoning and master plan designation for the surrounding area is commercial fronting on Kercheval (with the exception of the Butzel Family Center and Marcus Garvey Academy) and Low/Medium Density Residential to the north and south. A comprehensive planning effort has been undertaken for the area. The plan includes "near-term rezoning recommendations" including rezoning the subject area to "SD1 to support density, mixed-use development, and retail."

Impact on Transportation

Both Van Dyke and Kercheval are designated as Secondary Streets. There are DDOT routes along both Kercheval and Van Dyke.

Master Plan Interpretation

It is anticipated that the Master Plan will be amended to accommodate development similar to the mixed commercial and residential development proposed for the area. PDD also anticipates further amendments pending the completion of the comprehensive planning effort for the surrounding area. The proposed development and rezoning is compatible with the anticipated development and plans for the Van Dyke and Kercheval corridors.

On Wednesday, October 17, 2018, the Association met and ratified the attached midterm contract proposal. Therefore, in accordance with standard City procedure, the Labor Relations Division respectfully

requests that your Honorable Body pass a resolution which approves the specified changes.

We further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,
HAKIM W. BERRY
Labor Relations Director

By Council Member McCalister,
Whereas, DPOA has met the standards for recognition as exclusive bargaining agent for their members in the employ of the City of Detroit under Public Act 336 of 1974, as amended and

Whereas, The Labor Relations Division, under the direction of the Mayor, is authorized and directed by the City Charter to act for the City of Detroit in negotiation and administration of collective bargaining agreements, and

Whereas, The Labor Relations Division and DPOA has met and negotiated a Memorandum of Understanding which shall be incorporated into the current DPOA Master Agreement

Now, Therefore, Be It Resolved, That the attached Memorandum of Understanding between the City of Detroit and DPOA is hereby approved and confirmed in accordance with the foregoing communication.

Adopted as follows:
Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

**RESOLUTION IN SUPPORT OF
STRIKING HOTEL WORKERS AT
WESTIN BOOK CADILLAC**

By All Council Members:
Whereas, Thousands of Marriott hotel workers represented by the UNITE HERE union are on strike in cities across the United States, including Detroit; and

Whereas, Workers at the Marriott-operated Westin Book Cadillac in Detroit voted to authorize a strike in September 2018 and have been on strike since the early morning of October 7th, 2018; and

Whereas, Reportedly, the Westin Book Cadillac is one of the most profitable hotels in the city of Detroit, and Marriott is among the largest and wealthiest hotel companies, having a worldwide presence; and

Whereas, Many Westin Book Cadillac employees have worked at the hotel since its much anticipated opening in 2008, after a massive \$200 million renovation of the classic hotel building, which had been vacant for more than twenty years; and

Whereas, The City and its citizens, and businesses alike suffered and struggled through the long decade of recession since the opening of the hotel. Hotel employees sacrificed, as did most

Detroiters, enduring wage freezes and forgoing wage increases. With the recent resurgence in the economy generally and particularly the phenomenal growth in downtown Detroit, the Westin Book Cadillac has profited from this growth, yet its employees have not shared in the recovery as its owners have, with some workers indicating they have only had a 70 cent pay raise over the past decade; and

Whereas, Westin Book Cadillac workers indicate they average two dollars less per hour in wages than their counterparts doing the same jobs at the Marriott's Renaissance Center hotel, a mere six blocks away, and therefore, at a minimum, seek parity with their sister facility — a "downtown standard" pay rate. The striking workers demand a livable wage sufficient to support themselves and their families with one job; and

Whereas, For most of the past century, Detroit has been regarded by many as the labor movement's capital city, making it all the more troubling when labor and management cannot reach agreement on the most basic fair wage issues - issues that raise the standard of living of our citizens, that benefit our community as a whole, and ultimately, the industry they serve.

Now, Therefore Be It

Resolved, The Detroit City Council supports the members of UNITE HERE in their struggle for the creation of a "downtown standard", that is, at the very least, wage parity with employees at the Marriott Renaissance Center hotel, and urges management to redouble its efforts to reach an equitable agreement with the striking workers, recognizing that economic fairness for the workers benefits the entire community including the hotel as their employer and a member of the local community. And Be It Further

Resolved, That this resolution be forwarded to the leadership of Local 24 of UNITE HERE, the management of the Westin Book Cadillac Hotel, and Mayor Mike Duggan.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

RESOLUTION URGING A REVIEW OF FUNERAL HOME PROCESS STATEWIDE

By Council President Jones, joined by Council Member McCalister:

Whereas, The mission of the Detroit City Council is to promote the economic cultural and physical welfare of Detroit's citizens; and

Whereas, On October 12, 2018, based on

an anonymous tip, State inspectors and the Detroit police found eleven infant corpses hidden in the ceiling of Cantrell Funeral Home, after the Michigan Department of Licensing and Regulatory Affairs (LARA) followed up on a complaint; and

Whereas, Subsequent to this gruesome discovery, one week later, the Detroit Police and inspectors from LARA discovered the remains of 63 infant bodies, some of whom had been deceased since 2015, at Perry Funeral Home in Detroit. Sadly, 37 fetuses of infants were found in three unrefrigerated boxes, while an additional 26 were found in a freezer; and

Whereas, This shocking event highlights the need for a greater level of scrutiny over the processes for disposal of human remains, including fetuses, and points to a possible systemic problem, particularly with respect to final arrangements following the premature loss of fetuses and infants. News reports raise claims of impropriety on several levels, including local hospitals, research facilities, and funeral homes; and

Whereas, The Michigan Compiled Laws, including the Public Health Code, control the disposition of human remains, and it is appropriate that DPD, the FBI, the Michigan State Police, the Wayne County prosecutor, the Michigan Attorney General's Office, LARA, the state licensing authority LARA, are cooperating to further investigate the problem, as reported in the news media; and

Whereas, That these recently revealed horrific instances at the two funeral homes, have shown that there may be a systemic issue that requires an advanced level of monitoring. However, LARA the agency charged with monitoring this industry, needs sufficient staff in place to effectively provide this monitoring;

Now, Therefore Be It

Resolved, That the Detroit City Council strongly urges the Mayor to request that these aforementioned law enforcement agencies, as well as the state licensing authority, LARA, continue to work cooperatively to determine the most appropriate and effective manner in which to investigate relevant disposition processes in all funeral homes both in the City of Detroit and statewide, to reevaluate inspection processes going forward, and to insure that all human remains are treated with dignity and respect and that no additional families suffer the trauma experienced by the complainants;

And Be It Further

Resolved, That the Council also urges the Mayor to request that the Governor initiate efforts to increase the monitoring staff at LARA;

And Be It Finally

Resolved, That a copy of this resolution be forwarded to Mayor Mike Duggan and Governor Rick Snyder.

**TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE**

Council President Pro Tem Sheffield moved the following resolution(s) on behalf of Council President Brenda Jones:

TESTIMONIAL RESOLUTION

CHARLES M. "CHARLIE" BECKHAM

By Council President Jones, joined by Council Member McCalister:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and extend congratulations to Charles "Charlie" Beckham on his retirement (for the second and final time) from the City of Detroit, after more than forty (40) years of public service; and

WHEREAS, Charlie Beckham moved from Cincinnati with his family when he was only ten years old. He is a product of the Detroit Public Schools system and a proud graduate of Cass Technical High School. Charlie attended the University of Michigan, where he earned a Bachelor of Science degree in Mechanical Engineering. In 1981, he received the "Young Engineer of the Year" award from the Engineering Society of Detroit; and

WHEREAS, The Beckham family's legacy of public service was initiated by Charlie's father, William J. Beckham Sr., who was the first African American to be named Administrative Assistant to the president of the United Auto Workers (UAW), by the union's legendary President, Walter Reuther. That legacy was further redefined by Charlie's older brother, William J. Beckham Jr., who served as the City's first black Deputy Mayor and later led both New Detroit Inc., and the Skillman Foundation; and

WHEREAS, Mr. Beckham was one of the first African-American engineers hired by General Motors and was loaned to the city after Mayor Young requested help from the company. Charlie served as a trusted advisor or key executive to each of the city's last six mayors; Mayor Coleman A. Young, Mayor Dennis Archer, Mayor Kwame Kilpatrick, interim Mayor Kenneth Cockrel, Mayor Dave Bing and Mayor Mike Duggan. During his long and distinguished career as a municipal public servant, Mr. Beckham held leadership positions in the Public Lighting, Recreation, General Services, and Water and Sewerage departments. In addition, he served as a Chief

Operating Officer, Chief Administrative Officer, Group Executive/Operations, and most recently as Group Executive/Director of the Department of Neighborhoods. In this capacity, Charlie spearheaded the city's neighborhood work and ensured that everyone's voices were heard and included. In fact, he has run more city departments serving the citizens of Detroit than any mayoral appointee in the last forty years; and

WHEREAS, Despite hardships and obstacles that would have deterred and defeated a lesser man, Charlie Beckham held his head up high through it all and exhibited grace under fire. He maintained a steadfast determination to move forward in a positive direction by helping to improve the quality of life for his fellow Detroiters; and

WHEREAS, On September 15, 2018, Charlie took the stage at the Charles H. Wright Museum of African American History to present a one-man live stage play about his life called "Seemed like a Good Idea at the Time." Charlie Beckham served the City of Detroit and its citizens ably and steadfastly with dignity and honor. The City of Detroit has benefited greatly from Charlie's leadership, commitment and dedication. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, expresses our deepest admiration, respect, gratitude and appreciation to Charles M. Beckham for a job well done and for his many decades of outstanding service to the City of Detroit and its citizens. We extend best wishes to him for a well-earned, fulfilling and enjoyable retirement.

**RESOLUTION
IN MEMORIAM
FOR**

MR. WILLIAM CHARLES BROOKS SR.
By Council President Jones, joined by Council Member McCalister:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Mr. William "Bill" Charles Brooks, a beloved husband, father, grandfather and great-grandfather, who made his heavenly transition on October 1, 2018, with his loving wife, Elizabeth "Betty" Brooks by his side. Their friendship, partnership and romance lasted for sixty-two years; and

WHEREAS, William Brooks was born on August 21, 1933, in Saint Genevieve, Missouri, to Johanna and William

Harrison Brooks. His father was a decorated World War I veteran, who served in heavy combat in France. His mother was a beloved educator, the first African American from Ste. Genevieve to earn a college degree. In 1941, even at the height of school segregation, she was elected Vice President of the Missouri Parent Teachers Association. She later became a professor at Stowe Teachers College in St. Louis. Bill earned a Bachelor of Arts degree from Long Island University in Brooklyn, New York, and a Master's in Business Administration from the University of Oklahoma in Norman, Oklahoma. He was also a graduate of the Harvard Business School's Advanced Management Program and received an honorary Doctorate of Humane Letters degree from Florida A&M University; and

WHEREAS, Bill Brooks' public service career ranged from serving in the U.S. Air Force, working at the Pentagon as an Officer for six years, and as an appointee of three past presidential administrations. Upon retirement from the Air Force in 1972, Bill was recruited to serve in the White House in the Office of Management and Budget. He was appointed Operations Research Analyst under President Richard Nixon, Assistant Secretary of Labor for the Employment Standards Administration under President George H.W. Bush, and as a member of the Social Security Advisory Board under President Bill Clinton. Bill has advised mayors, congressional representatives and presidents: and

WHEREAS, During his long distinguished tenure at General Motors, Bill Brooks served in various executive positions prior to his retirement in 1997, including Vice President of Corporate Affairs, Chairman of the General Motors Foundation and Chairman of the Board and President of Motor Enterprises Inc. After leaving General Motors, Bill served as CEO of United American Healthcare Corp. and BPI Communications LLC, Vice Chairman of Netlinks LLC, Chairman of the Detroit Economic Growth Corporation, Chairman Emeritus of the Board of Directors of the Michigan Black Chamber of Commerce and the Detroit Regional Chamber of Commerce. He also launched various business ventures and served on the boards of several publicly traded utility companies, educational institutions and healthcare institutions. Bill Brooks ran for Detroit mayor in 2001; and

WHEREAS, Bill was a treasured leader in business, public service, civic and community service, who touched so many people throughout his lifetime. He was a tireless advocate for the community and a champion for other African American business owners and professionals. Bill was a mentor to many and fought to

ensure economic inclusion. He believed in our young people and cared about their education. Bill took on the role of Chairman of the Detroit Public Schools Board of Education, hoping to improve the quality of education and outcomes for Detroit schoolchildren. He and his wife were philanthropists and supported the arts and many charities that needed help. Bill served on the boards of the Michigan Opera Theatre and the Music Hall Center for Performing Arts. Bill Brooks is survived by his wife, Elizabeth; his children, William C. Brooks Jr., Patricia Brooks and Pamela Tully; eight grandchildren and four great-grandchildren. Mr. Williams Charles Brooks Sr. has been a good servant and ensured that the values and traditions by which he lived, would exist in the hearts of those he cherished for years to come. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, joins with family and friends in honoring the life and legacy of Mr. William Charles Brooks Sr. He will be greatly missed and his contributions and the lessons he taught will live on forever.

**RESOLUTION
IN MEMORIAM
FOR**

MS. LEONTINE THERESA "TINE" PERSON

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to recognize and bestow homage upon the late, Ms. Leontine Theresa "Tine" Person, affectionately known as "The Eastside Lady," who was granted her angel wings on Sunday, October 7, 2018; and

WHEREAS, A lifelong Detroit, Leontine Theresa Person was born on January 27, 1936, to the union of Eustace and Linnie Hall. She was the apple of her mother's eye. Leontine and her mother lived together for many years. She was preceded in death by her parents and five siblings, Eustace, Robert "Showboat" Freddie, William, Meredith and Jeanette. Tine accepted Jesus Christ as her Lord and Savior as a teen at Sacred Heart Catholic Church. Even though she was not a big fan of churches, she strongly believed in God and prayer. Ms. Person would often say, "she tithed her time;" and

WHEREAS, Ms. Person was blessed to be the mother of Rosalyn, Denise, Jeanette Lynn, Frederick Alfred and Robert Joseph. She raised her children as a single mother and loved them dearly. Ms. Person was firm, yet loving and deter-

mined. She spoiled her children, helped them, cooked for them, gave them advice and prayed for them. She went above and beyond to demonstrate her unconditional love for her children. Ms. Person was the epitome of a woman that knew how to make ends meet, until she was blessed with a great job at General Motors. She worked as an assembly line worker and served as a union steward until she retired. She arranged for her union to sponsor amazing Christmas parties; and

WHEREAS, Ms. Person's three grandchildren, Leontine Theresa, Carmen Lynn and Harbert "Huggie" Jones Jr., were the loves of her life. She talked to everyone about her grandchildren. Ms. Person enjoyed cooking breakfast on Saturday mornings for them; making delicious homemade pancakes with Alaga syrup. Her weekends often consisted of making homemade rolls, cakes and each of their favorite meals. Sadly, Huggie preceded her in death; and

WHEREAS, Ms. Person loved helping people. She lived a life of service to her family, her community, and to anyone that she could lend a hand to. Ms. Person was a grassroots and political activist, always standing up for causes she believed in, advocating for the people. She enjoyed serving as the President of the Bewick Block Club. Ms. Person sponsored many fun fairs at Krolik Elementary School, volunteered at the neighborhood mini police station, and helped people to get home improvement grants, free food and housing. Later in life, she was elected as a Precinct Delegate and worked as an Election Day Poll Worker for the city's Election Department. Ms. Person was given her nickname, "The Eastside Lady" for notoriously calling into radio stations, news programs, and staging sit-ins at City Council to discuss issues that directly affected residents on the east side of Detroit. She was actually banned from calling into some radio talk shows and she was proud of it! Ms. Person protested redistricting, car insurance rates, water rates, crime and more. She received many awards and recognition for her work in the community. "The Eastside Lady" was known for her quick wit and no-nonsense demeanor. If she loved you, you knew it. If she didn't, you knew it. Whatever she wanted to tell you, she did, even if you didn't want to hear it. Ms. Leontine Theresa "Tine" Person leaves a family and community legacy of love and inspiration. She has been a good servant and ensured that her impact would be forever embedded in the hearts of those she cherished for years to come. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby extends our deep-

est sympathy and joins with family and friends to celebrate the life of Ms. Leontine Theresa "Tine" Person. She will be greatly missed and her contributions and the lessons she taught will live on forever.

NEIGHBORHOOD AND COMMUNITY SERVICES STANDING COMMITTEE LAW DEPARTMENT

Sheffield, an Ordinance to amend Chapter 40 of the 1984 Detroit City Code, *Parks and Recreation*; by adding Article VI, titled *Aretha Franklin Amphitheater*, Sections 40-6-1 through 40-6-3 to state the purpose of the Article, to provide a description of the park, and to formally rename the amphitheater previ-

ously known as "Chene Park" to be hereinafter known as the "Aretha Franklin Amphitheater." **INTRODUCE**

Sheffield, reso. setting a Public Hearing on the foregoing ordinance amendment. By Council Member Sheffield:

AN ORDINANCE to amend Chapter 40 of the 1984 Detroit City Code, Parks and Recreation; by adding Article VI, Aretha Franklin Amphitheater, Sections 40-6-1 through 40-6-3 to state the purpose of the Article, to provide a description of the park, and to formally rename the amphitheater previously known as "Chene Park" to be hereinafter known as the "Aretha Franklin Amphitheater."

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 40 of the 1984 Detroit City Code, *Parks and Recreation*, is amended by adding Article VI, *Aretha Franklin Amphitheater*, Sections 40-6-1 through 40-6-3, to read as follows:

**CHAPTER 40.
PARKS AND RECREATION
ARTICLE VI.**

**ARETHA FRANKLIN AMPHITHEATER
Sec. 40-6-1. Purpose.**

In order to recognize and bestow homage to the tremendous professional and personal accomplishments of Aretha Louise Franklin, and in recognition of her enormous impact on the City of Detroit and beyond, the City of Detroit seeks to maintain her legacy as one of the most recognizable faces and voices in soul, gospel, and R&B music, as well as acknowledge and appreciate her lifelong commitment to the civil and human rights movements, by naming a significant Detroit landmark and entertainment venue in her honor.

Sec. 40-6-2. Park description.

A 9.256 acre multipurpose recreational facility owned by the City and operated directly by the General Services Department or through contractors, with boundaries located between the south side of Atwater Street to the Detroit River and between Chene and Dubois streets, extended, commonly known as "Chene Park", in reference to its location along Chene Street.

Sec. 40-6-3. Park name designation; park to remain in location in perpetuity.

The City of Detroit hereby designates the location described in Section 40-6-2 of this Code to be hereinafter known as the "Aretha Franklin Amphitheater." Aretha Franklin Amphitheater shall remain in the location described in Sec. 40-6-2 of this Chapter and be used solely and exclusively for outdoor recreation in perpetuity.

Sec. 40-6-4 — Sec. 40-6-10. Reserved.

Section 2. This ordinance is hereby

declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. In the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

Historic Designation Advisory Board

October 19, 2018

Honorable City Council:

Re: Requested from the Office of Council President Brenda Jones, on behalf of Greater Emmanuel Institutional Church of God In Christ, that the

intersection of W. Seven Mile Road and Schaefer Hwy. be assigned the secondary street name "Bishop J. Drew Sheard Blvd."

On August 30, 2018, City Council President Brenda Jones submitted a memorandum and application requesting that the intersection of W. Seven Mile Road and Schaefer Hwy. be assigned the secondary street name "Bishop J. Drew Sheard Blvd."

The Historic Designation Advisory Board (HDAB) staff has reviewed the documentation submitted to the City Clerk's office by Council President Jones for the establishment of a Secondary Street Sign. Upon review of the documentation submitted (see attachment) staff has determine that reasonable grounds has been provided and therefore has concluded that the petition meets the criteria for Secondary Naming of Street in accordance with Article VII Sections 50-7-31 through Sections 50-7-50 of the 1984 Detroit City Code.

Criteria

As stated in Chapter 50 of the 1984 Detroit City Code, *Streets, Sidewalks and Other Public Places, Article VII, Opening, Closing, Extending, Widening, Vacating, Naming and Renaming of Streets and Assigning Secondary Names to Streets.* A secondary street name designation may be sought to recognize a person who achieved prominence as a result of his or her significant, position, contributions to the City of Detroit, State of Michigan, the United States of America, or the international community.

1. Sites, buildings, structures where cultural, social, spiritual, economic, political, architectural history of the community, city, state or nation is particularly reflected or exemplified.

2. Sites, buildings, structures, which are identified with historic personages or with important events in the community, city, state or national history.

Staff is available to answer any questions and or concerns you may have.

Respectfully submitted,

Honorable City Council:

Re: Petition #1661 Historic Designation Advisory Board submitting its final report recommending designation and proposed draft ordinance designating the proposed Prince Hall Grand Lodge Historic District (For Introduction of Ordinance and setting of public hearing)

At the direction of the Historic Designation Advisory Board (HDAB) at its meeting of September 13, 2018, we are pleased to submit to Your Honorable Body the board's final report on the proposed Prince Hall Grand Lodge Historic District. The recommendation of the Advisory

Board is for designation and, therefore, a draft ordinance of designation is attached. The ordinance has been approved as to form by the Law Department.

Ad Hoc members of the Advisory Board for this study were Mark C. Carter and Edward B. Darnell, members of the Prince Hall Grand Lodge of Michigan. Both representatives recommend designation.

Also, attached is a copy of the minutes of the public hearing held July 12, 2018, by the Advisory Board on this matter.

If you should have any questions, please contact HDAB staff at (313) 224-3487.

DRAFT Final Report
Proposed Prince Hall Grand Lodge
Historic District 3500 McDougall
Street/3100 Gratiot Avenue

By a resolution dated April 10, 2018, the Detroit City Council charged the Historic Designation Advisory Board, a study committee, with the official study of the proposed Prince Hall Grand Lodge Historic District in accordance with Chapter 25 of the 1984 Detroit City Code and the Michigan Local Historic Districts Act.

The proposed Prince Hall Grand Lodge Historic District consists of the single building and its addition situated on the southeast corner of the intersection of Gratiot and McDougall avenues, addressed as both 3500 McDougall and 3100 Gratiot. It is located approximately two miles northeast from the Point of Origin at Campus Martius Park in downtown Detroit. It is east of historic Eastern Market and north of Elmwood Cemetery in

the McDougall-Hunt neighborhood. The surrounding area features scattered institutional and commercial buildings, including the Mildner & Eisen-designed Goeschel Building located on the same block northward at the next major intersection of Gratiot and Mack avenues. The building is presently owned and occupied by the Most Worshipful Prince Hall Grand Lodge of Michigan, Free and Accepted Masons.

BOUNDARIES

The boundaries of the proposed Prince Hall Grand Lodge Historic District, outlined in heavy black on the attached map, are as follows:

On the north, the centerline of Gratiot Avenue;

On the east, the northern boundary line extended of Lot 2, Block 47 of the A. M. Campau's subdivision of McDougall

Farm as recorded in Liber 4, Page 96 of Plats by the Wayne County Register, thence southeasterly along said boundary line of Lot 2 to the centerline of the east-west alley first south of Gratiot Avenue, thence easterly along said alley centerline to the eastern boundary line extended of Lot 38 of the C. P. Woodruffs Subdivision as recorded in Liber 1, Page 280 of Plats by the Wayne County Register, thence southerly along said boundary line of Lot 38;

On the south, the centerline of Preston Street; and

On the west, the centerline of McDougall Street.

Boundary Justification

The boundaries of the proposed Prince Hall Grand Lodge Historic District contain the footprint of the building and include the entire parcel as well as the parking lot to its east.

HISTORY

Significance Statement

Prince Hall Grand Lodge, formerly known as Amaranth Temple, was erected in 1924 and is the oldest extant fraternal headquarters for Masonic lodges in Detroit (the Masonic Temple, located in the Cass Park local and national historic districts, was completed in 1926). Originally built to serve the Order of the Amaranth, the building has spent the greater part of its existence as the Most Worshipful Prince Hall Grand Lodge of Michigan, Free and Accepted Masons. Its significance is due to historical associations with freemasonry, labor organizing, African American heritage, and the civil rights movement. Designed in the Neoclassical style by Detroit architect Bernard C. Wetzel, the building is also architecturally significant.

The period of significance for Prince Hall Grand Lodge is identified as 1924, when the building was constructed, to 1994, reflecting former Mayor Coleman A. Young's involvement with the lodge. The building continues to serve its historic purpose to the present day.

Amaranth Temple

Commissioned by the Wayne Assembly Order of the Amaranth in 1920, the Amaranth Temple originally consisted of a three-story temple building facing McDougall and Preston avenues and a two-story store and office building facing Gratiot and McDougall avenues. Designed by Detroit architect Bernard C. Wetzel, it was completed in 1924 at a cost of \$250,000.

The Order of the Amaranth is a Masonic-affiliated fraternal organization open to master masons and their female relatives, founded in 1873 in New York City and based on the Order of the Amaranth created by Queen Christina of Sweden in 1653. It was chartered in Detroit in 1891 during the height of the

"Golden Age of Fraternalism," the time period between 1870 and 1910 when approximately twenty percent of American men belonged to one or more secret fraternal orders.' Fraternalism offered numerous benefits to members (self-improvement, dramatic ritual performance, health and life insurance, social and business networking, community service, etc.) but the majority of lodges did not allow women to join. In addition to the Order of the Amaranth, another prominent Masonic lodge in Detroit open to women was the Order of the Eastern Star.

The Amaranth Temple was constructed for the various Amaranth lodges in Detroit to gather and host events in a single location. The building contained a bowling alley, an assembly hall with 1,250 seats and full stage, kitchen, offices, and several lodge and club rooms. In addition to holding yearly general assemblies to install new officers and conduct business, the Amaranth Temple featured regular entertainment for both its members and the general public that included dances, bowling leagues, boxing and wrestling matches, political speeches, and charity galas.

The Amaranth Temple was originally surrounded by frame houses on the nearby residential blocks of Preston and Heidelberg streets and commercial storefronts along Gratiot Avenue. According to *Polk's City Directory* of 1924/25, early tenants in the office building included florists, barbers, dentists, chiropractors, realtors, lawyers, and physicians, many of whom were also affiliated with the Order of the Amaranth. The encompassing neighborhood, now known as McDougall-Hunt, was predominantly of German and Italian heritage.

By the mid-1920s, in response to increased traffic congestion, a citywide movement began to widen Detroit's main thoroughfares and accommodate increased automobile usage. The Detroit Superhighway Plan was prepared in 1924 by the Detroit Rapid Transit Commission and called for the widening of arterial roads to 120 feet in urban areas and 240 feet in the suburbs. In 1930, as part of the Gratiot widening project that widened Gratiot Avenue to the recommended 120 feet between St. Aubin and Mack avenues, the two-story store and office building was demolished and a portion of the Amaranth Temple was also razed. Wayne Assembly brought a condemnation suit against the city and was awarded \$80,372.31 by jury settlement.

In 1931, major alterations were made to the Amaranth Temple and a three-story store and office building addition was constructed diagonally along the newly widened Gratiot Avenue, utilizing many existing facade elements from the original building.

Detroit Retail Meat Merchants Association

In 1935, the Detroit Retail Meat Merchants Association, whose members were active in the nearby Eastern Market commercial district, began to hold regular meetings at the Amaranth Temple. In April 1946, James (Jimmy) Hoffa, a leading labor organizer with the International Brotherhood of Teamsters, began a secondary boycott campaign to organize Detroit's independent food merchants. After Hoffa demanded that all Detroit grocers and butcher shops pay five dollars each for permits to pick up their orders at wholesale food suppliers (that had unionized in 1941), the Association called an emergency membership meeting at the Amaranth Temple on April 23 to meet with Hoffa and union leadership.

After shopkeepers rejected the terms outline by union representatives at this meeting, the Detroit Retail Meat Merchants' Association pressured Mayor Edward Jeffries to order the Detroit police department to begin a formal investigation into the Teamsters' organizing tactics. In response, Hoffa organized picket lines and blockades around the loading docks at meatpacking houses. This prompted the Association to file an injunction against Hoffa for criminal extortion charges. The principal witness was Alex Bell, president of the Association, who testified that at the April 23 membership meeting Hoffa threatened to put Martin Bonkovich, a meat merchant, out of business if he didn't join the union.

In the summer and early fall of 1946, the grand jury investigation filled the front pages of all major Detroit newspapers. A *Detroit Free Press* editorial against the Teamsters proclaimed that:

"Detroit's citizens are faced with the choice of keeping control of the city's political and economic life in their own hands, or of supinely surrendering that control to a small group of lawless union leaders...The grocers and the butchers are entitled to support of everyone in this battle for civic survival. Detroit cannot surrender to law violating racketeers. It has happened elsewhere. It must not happen here."²

In August 1946, the grand jury indicted fifty Teamster officials on criminal charges of extortion of money and conspiracy to violate state labor law. This case had national significance as congressional representatives cited the investigation in their primary arguments for the Labor Management Relations Act of 1947, better known as the Taft-Hartley bill.³ Among other measures to restrict the power and activities of unions, this bill specifically outlawed the secondary boycott tactic used by Hoffa to organize the retail meat merchants in Detroit.

Despite the notoriety of this court case, Hoffa rose rapidly within union leadership

as a result of his efforts to substantially increase membership. He became president of Local 299 in December 1946 and would later serve as president of the Teamsters from 1957-1971, playing a major role in its growth and development. Prince Hall Grand Lodge of Michigan

In 1949, the Ladies of the Amaranth of Detroit merged with the Women's Benefit Association of Port Huron and vacated the Amaranth Temple. The Detroit Retail Meat Merchants Association and the Amalgamated Meat Cutters labor union continued to host regular meetings in the building throughout 1950. In 1951, the Amaranth Temple was purchased by the Prince Hall Grand Lodge of Michigan, Free and Accepted Masons and renamed the Metropolitan Prince Hall Masonic Temple. It has since operated continuously as the Prince Hall Grand Lodge.

Founded by Prince Hall in 1784, Prince Hall Freemasonry is an African American fraternal organization dedicated to promoting brotherhood, community service, and a positive black identity as well as combating racism.⁴ Little is known of Hall's early life, but it is generally accepted that he was born between 1735 and 1738 and by 1770 was a freed man who owned a leather workshop in Boston. By 1773, Hall acquired real estate and was qualified to vote, later referred to by a local clergyman as "the leading African in Boston."⁵ In 1777, having encouraged freed and enslaved blacks to enlist in the colonial militia during the Revolutionary War, Hall became the first African American to appear before the Massachusetts legislature calling for the abolition of slavery and the establishment of schools for African American children in Boston.

Although North American Freemasonry officially declared itself a universal brotherhood of equals, in practice its members routinely denied access to individuals not viewed as social equals. This segregation prevented Hall and other prominent African Americans from joining existing Masonic lodges in Boston. In 1775, Hall and fourteen other black men were initiated by a British Army lodge stationed in Boston and granted the authority to meet as a separate lodge, march in parades, and bury their dead. They were not granted permission to confer degrees or perform any other Masonic work. After repeatedly attempting to obtain a warrant from white Masonic lodges in America and being denied, Hall finally petitioned the Grand Lodge of England in 1784 for an official charter. This warrant was approved and, in 1787, Hall established the first lodge of African American freemasons in North America and served as its first Grand Master. After his death in 1807, as a memorial, the name of the organization was changed to Prince Hall Grand Lodge.

The first Prince Hall lodge in Michigan

was chartered in 1859 under Indiana authority and the Prince Hall Grand Lodge of Michigan was organized in 1865. Most early members came from the upper strata of black society: reformers, ministers, and skilled artisans who came to the lodges to meet in safety and secrecy. During the Civil War, the majority of Michigan's African American army recruits came from Prince Hall lodges throughout the state.

By 1872, there were three Prince Hall lodges operating in Detroit: St. Paul No. 4, Hiram No. 10, and Mt. Moriah No. 13. Two prominent Prince Hall masons in Detroit, George DeBaptiste and William Lambert, were leading conductors of the Underground Railroad and their masonic affiliation influenced the development of membership levels and elaborate rituals of the Negro Secret Order (also known as African American Mysteries).⁶ When runaway slaves first arrived in Detroit, the Colored Vigilant Committee often brought fugitives to the Prince Hall Masonic lodge located on Jefferson Avenue, between Bates and Randolph. Nearby the lodge, on Woodward and Woodbridge, the Mariner's Church played an active role in the Underground Railroad and featured a tunnel that ran from its basement to the Detroit River.

Reflecting the "separate but equal" racial segregation in America, parallel white and black fraternal orders developed during the Golden Age of Fraternalism period such as the Prince Hall Order of the Eastern Star with membership open to women. As membership of these black parallel orders grew, often rivaling or surpassing the membership of their white counterparts, white fraternal organizations began a conscious campaign to eliminate them altogether and organized civil and criminal legal attacks. In 1929, a landmark U.S. Supreme Court ruling struck down the lawsuit of White Shriners against Prince Hall Shriners that attempted to deny blacks the right to use the name, designation, letters, emblems, and regalia belonging to the order.⁷ This event is now celebrated yearly as "Jubilee Day" by Prince Hall lodges throughout the nation.

Lawyers representing Prince Hall lodges, especially in the South, relied on national membership resources to fund prolonged legal battles in local, state, and federal courts. These fraternal order legal battles helped establish national leadership networks and legal strategy that heavily influenced future civil rights-related work.⁸ In 1958, Thurgood Marshall, himself a Prince Hall mason, declared that without the Prince Hall lodges' financial support of the National Association for the Advancement of Colored People (NAACP), many of their cases won before the U.S. Supreme Court could not have been fought.⁹

The Prince Hall Grand Lodge of Michigan was a leading early social justice and black welfare organization, seeking to redress discrimination in schooling, voting, and other civil rights issues. For example, in 1915, after the Michigan state legislature proposed an anti-miscegenation law that would criminalize interracial marriage and intimate relationships, the Prince Hall Grand Lodge organized a delegation to protest the measure in Lansing.

In the 1940s, the Prince Hall Grand Lodge of Michigan was located at 275 Ferry Street (in the East Ferry Avenue Historic District). At the time, the two-block area on Ferry street between John R and Beaubien streets was associated with numerous prominent African Americans who led pioneering efforts to establish alternative institutions and facilities to serve blacks. Notable institutions included Bailey Hospital, Fairview Sanitorium, Household Art Guild Employment Agency, Hanbury Music School, Lewis Business School, the Slade-Gragg Academy of Practical Arts, and Omega Psi Phi.

In 1951, the Prince Hall Grand Lodge of Michigan purchased the former Amaranth Temple for \$205,000 to be their new fraternal headquarters. At the time, the McDougall-Hunt neighborhood was not yet racially integrated. Relocating from East Ferry Street to Gratiot Avenue, a major thoroughfare on the eastside, reflected the sophistication of black freemasonry in the 1950s and has been compared to moving to the Waldorf Astoria of Detroit.¹⁰ The lodge also established a credit union to provide financial services to members as well as the larger black community. Current Grand Master William Greene designed a payment plan of daily volunteer donations of \$0.07 for three years to repay the debt and also instituted a Building and Loan Program to help other lodges throughout the state purchase and establish lodge headquarter buildings. Lodges from Monroe, Saginaw, Mt. Clemens, and Muskegon Heights were among the early applicants.

In 1951, Greene was selected as a representative of Negro Fraternalism in the United States and invited to participate in a European Tour as a guest of the World Council of Churches under the auspices of the U.S. Department of State. Greene then returned to Europe in 1953 to advance the Fair Equal Masonic Citizenship program for Prince Hall Masons on an international level. His speeches focused on the effect of poor race relations on America's position of world leadership:

"I have seen Masonic discrimination outside the boundaries of our United States, I have experienced the pleasures of Masonic relationships based on internal and not the external qualifications of creed, race or origin...To put it bluntly, we

do not have the status of first class Masonic citizenship on a world level, but we can get it, and get it we shall."¹¹

Relations between white and black Masonic lodges in Michigan gradually improved. In 1985, the State of Michigan House of Representatives passed Resolution 327 commemorating Prince Hall Freemasonry. In 1997, the Prince Hall Grand Lodge of Michigan and the Grand Lodge of Michigan of Free and Accepted Masons passed a joint resolution of recognition.¹² In 2003, the first joint initiation ceremony between the two lodges was held in Bloomfield Hills.

As of 2018, there are thirty-five Prince Hall Affiliated (PHA) lodges in Michigan with a combined membership of over 1,300 masons including civic officials such as former U. S. Representative John Conyers, Wayne County Sheriff Benny Napoleon, Detroit City Council Members Andre Spivey and James Tate, Judge Craig Strong (3rd District Circuit Court), Rev. Dr. Charles G. Adams (Hartford Memorial Baptist Church), Bishop Edgar L. Vann, Jr. (Second Ebenezer Church), and Paul Hubbard (Church's Chicken franchise owner). Former PHA masons include the late Detroit mayors Coleman A. Young and Dennis W. Archer, Chief Judge Alex Allen (36th District Court), Detroit City Council Member Clyde Cleveland, and O'Neil D. Swanson (Swanson Funeral Home).

Former Mayor Coleman A. Young, who maintained a townhouse in Elmwood Park during his terms in office and was buried at Elmwood Cemetery, notably spearheaded efforts alongside the Elmwood III Citizens District Council to alter the City Planning Commission's original Elmwood Park urban renewal project. In the modified plan, McDougall Street between Vernor Highway and Lafayette Street was transformed into two loop streets: Robert Bradby Drive, named after the prominent civil rights leader and founding member of the Detroit NAACP, and Prince Hall Drive, recognizing the enduring legacy of the Prince Hall Grand Lodge of Michigan.

ARCHITECTURE

The Prince Hall Grand Lodge is located on the southeast corner of Gratiot and McDougall avenues. It is a nearly rectangular three-story Neoclassical brick building with an acutely angled plane on its northwest corner where the facade abuts against a three-story store and office building addition that follows the diagonal of Gratiot Avenue. The structures are separated by a narrow fire escape alley and courtyard that leads to the adjoining surface parking lot to the east.

The temple building rests on a smooth coursed ashlar raised basement and water table, capped with a low-pitched flat deck hip roof comprised of tin metal shingles. The facade (west elevation) and sec-

ondary facade (south elevation) are clad in buff-colored running-bond brick. The rest of the building is clad in common brick.

Both the facade and secondary facade are symmetrical and divided into seven bays, defined by the pattern of fenestration. A projecting stone cornice and plain frieze caps the first-story. At the roofline is a stone cornice with narrowly spaced classical modillions and denticulated frieze. The end bays of the second and third stories are framed by raised buff-colored brick quoins.

The facade's first-story features a central recessed entrance that is approached by a broad set of five steps and includes three sets of double doors of the modern metal and glass variety with transom windows above. Flanking the central entrance are two bays on each side that are fenestrated with one-over-one double-hung windows framed by a raised stone entablature surround with an oval cartouche in the frieze. The bay south of the entrance features a single door of the modern metal and glass variety with a transom window. The doorway features a raised stone entablature surround similar to the window openings. The cornerstone is located in the southern building corner above the water table with engraved letters that read:

AMARANTH
TEMPLE
1924

The fenestration of the second-story center bays are set into five round arched openings with brick voussiors, stone springers, and an elongated stone keystone. The one-over-one double-hung windows with lunette have been covered with storm windows and clapboard siding resulting in a two-over-two look. The second-story end bays each feature a one-over-one double-hung window framed by a stone entablature surround.

The third-story pattern of fenestration features seven one-over-one double-hung windows with raised stone sills that are evenly spaced and centrally aligned with the second-story window bays. A simple rectangular stone frieze is located on both end bays between the second and third stories. Six electrical boxes and cable wiring are positioned in the center bays between the second and third stories, vestiges from a previous illuminated sign that read "Metropolitan Detroit Prince Hall Masonic Temple" with two masonic emblems on either side.

The secondary facade's pattern of fenestration is spaced evenly across seven bays. The first-story includes a one-over-one double-hung window framed by a raised stone entablature surround with an oval cartouche in the frieze, five one-over-one double-hung windows framed with decorative brickwork and evenly spaced,

a side entrance consisting of a wooden door with transom window, and two smaller one-over-one double-hung windows with raised stone sill. The center bays of the second- and third-story include five evenly spaced one-over-one double-hung windows with decorative brickwork forming vertical panels between the window bays. The western end bay features a one-over-one double-hung window with a stone entablature surround on the second-floor, a one-over-one double-hung window with raised stone sill on the third-story, and a simple rectangular stone frieze located between the window bays. The eastern end bay has no openings.

The rear (east elevation) of the building faces a parking lot enclosed with a chain link fence. There are four six-over-three steel casement windows with stone sill, two wooden service doors painted blue, and two window openings with stone sill that have been bricked in. All openings are irregularly spaced throughout three bays, historically used as access for the backstage theatre.

The office building addition facade rests on a stone water table and is capped with a flat deck roof with an applied pitch in red clay tile. The symmetrical facade includes four bays, defined by the pattern of fenestration. A projecting stone cornice and plain frieze caps the first-story and at the roofline is a stone boxed cornice.

The first-story features three storefronts each containing a center doorway flanked by a pair of display windows on each side with transom window above, all of modern metal and glass variety. The middle and western bay storefronts have since been filled with glass block. The storefronts are each separated by a rectangular buff-colored brick pilaster with stone capital.

The western end bay features an elaborate entryway with the modern metal and glass door and fanlight framed by a stone entablature surround that includes rope molding, round Corinthian pilaster columns, and a broken pediment. Above the pediment is a simple rectangular frieze panel and projecting cornice with egg-and-dart and Greek key molding.

The second-story features seven one-over-one double-hung windows with brick jack arch and stone keystone, spaced regularly with a set of three windows in three bays and one window in the western end bay. The third-story features seven one-over-one double-hung windows with raised stone sill and brick jack arch, each centrally aligned with the second-story window bays.

The interior of Prince Hall Grand Lodge features an entrance lobby that is one-story in height and rectangular in plan. Its floor has painted wood trim surrounding beige linoleum tiles. The plaster walls fea-

ture an elaborate dentil crown molding. To the north and south of the lobby are doorways that lead to the staircases to the basement and second- and third-stories. There is a small door behind the projecting wooden box office for the ticket seller located between the sets of wooden entrance doors that lead to the auditorium.

The auditorium is two-stories in height with a flat ceiling that features ornate plaster ornaments, large round ventilator grilles with curvilinear detailing, original light fixtures, and plasterwork cornice with classical modillions, rosettes, and other decorative moldings. Its floor has red and beige linoleum tiles arranged in an alternating checkerboard pattern. The raised wooden stage is flanked by rectangular Corinthian pilaster columns. To its north and south are exit doors capped with a broken pediment and urn finial, surrounded by arch-capped pediments in plaster relief. An enclosed kitchen runs along the southern wall underneath the U-shaped second-story balcony. A small L-shaped Moderne-style bar stands beneath the balcony in the room's northwest corner.

The basement historically housed a bowling alley, vestiges that still remain, and a smoking room but has been substantially renovated into a large meeting room that retains its original hardwood floors. The second-story contains restrooms and offices. The third-story contains two lodge rooms and a club room with ante rooms, lounging rooms, and general kitchen. It connects to the office addition on its north through an interior hallway.

Architect: Bernard C. Wetzel

Bernard C. Wetzel (1876-1952), architect of the Prince Hall Grand Lodge, was a well-known Detroit architect. Born in Zilwaukee, Michigan and educated in Saginaw, Wetzel began his career in carpentry before studying architecture in 1895 and working for several leading architects in Detroit. He established his own practice in 1907, operating as B.C. Wetzel & Company, and had offices in the Hammond Building and Dime Building.

In 1909, Wetzel was commissioned by the Amity lodge of the International Order of Odd Fellows fraternal organization to design a temple building at the northeast corner of St. Paul and Van Dyke avenues, although the plan was never realized. Wetzel found early success in his 1910 design of the Ralph Phelps Building located on the corner of Michigan Avenue and First Street, first occupied by Brushaber's furniture dealers and referred to as a "climax in business architecture." Wetzel was then selected by the Detroit Public Library to design a new library on the corner of Warren Avenue and Grand Boulevard to serve the west side of the city, following a gift from businessman and philanthropist Andrew Carnegie. One of eight Carnegie

libraries constructed in Detroit, this George V.N. Lothrop Branch opened in 1912.

A prolific architect, Wetzel's designed other prominent civic and cultural buildings such as Samaritan Hospital (1912), Theatre De Luxe (1916), Gesu Catholic High School (1924), Andrew Jackson Intermediate School (1928), and Trinity Evangelical Lutheran Church parish house (1931). As his residential business grew, Wetzel notably designed the house of Jacob Danziger, treasurer and general manager of Detroit Motors Casting Company, in Detroit's prestigious Indian Village neighborhood as well as the house of Joseph Crowley, co-founder of Crowley's department store, in the exclusive suburban community of Grosse Pointe Park.

In the words of historian Clarence Burton, Wetzel's "architectural creations are of most artistic character. He has the ability to combine utility, convenience and beauty." Respected by his peers, Wetzel was a member of the Ashlar Masonic Lodge, Board of Commerce of Detroit, Detroit Architectural Club, and the Michigan Society of Architects.

CRITERIA

The proposed Prince Hall Grand Lodge historic district meets the National Register criterions A and C as well as the first, second, and third criteria adopted by the Historic Designation Advisory Board: (1) Sites, building, structures or archeological sites where cultural, social, spiritual, economic, political or architectural history of the community, city, state or nation is particularly reflected or exemplified; (2) Site, buildings, structures, or archeological sites which are identified with historic personages or with important events in community, city, state or national history; and (3) Building or structures which embody the distinguishing characteristics of an architectural specimen, inherently valuable as a representation of a period, style or method of construction.

Recommendation

The Historic Designation Advisory Board recommends designation of the proposed Prince Hall Grand Lodge Historic District.

By Council Member Tate:
AN ORDINANCE to amend Chapter 25, Article II, of the 1984 Detroit City Code by adding Section 25-2-208 to establish the Prince Hall Grand Lodge Historic District and to define the elements of design for the district.
 IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:
Section 1. Chapter 25, Article II, of the

1984 Detroit City Code be amended by adding Section 25-2-208 to read as follows:

Sec. 25-2-208. Prince Hall Grand Lodge Historic District.

(a) A historic district to be known as the Prince Hall Grand Lodge Historic District is hereby established in accordance with the provisions of this article.

(b) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Prince Hall Grand Lodge Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: Beginning at the intersection of the centerline of Gratiot Avenue with the centerline of McDougall Street; thence northeasterly along the centerline of Gratiot Avenue to the eastern line extended of Lot 2, Block 47 of the A. M. Campau's subdivision of McDougall Farm as recorded in Liber 4, Page 96, Wayne County Records; thence southeasterly along said line of Lot 2 to the centerline of the alley running east-west between Gratiot Avenue and Preston Street; thence northeasterly along said alley centerline to the eastern line extended of Lot 38 of the C. P. Woodruff's Subdivision as recorded in Liber 1, Page 280, Wayne County Records; thence southerly along said line of Lot 38 to the centerline of Preston Street; thence westerly along the centerline of Preston Street to the centerline of McDougall Street; thence northerly along the centerline of McDougall Street to the centerline of Gratiot Avenue and the Point of Beginning. (Legal Description: Land in the City of Detroit, County of Wayne and State of Michigan, being Lots 1 through 2 excluding Gratiot Avenue as widened and Lots 11 through 15 of Block 47 of the A. M. Campau's subdivision of McDougall Farm as recorded in Liber 4, Page 96, Wayne County Records; also, Lot 38 of the C. P. Woodruff's Subdivision as recorded in Liber 1, Page 280, Wayne County Records. Commonly known as 3500 McDougall Street and 3129 Preston Street).

(d) The defined elements of design, as provided for in Section 25-2-2 of this code, shall be as follows:

(1) *Height.* The temple building at 3500 McDougall Street is three (3) stories tall. Its office addition at 3100 Gratiot Avenue is also three (3) stories tall.

(2) *Proportion of Building's Front Façade.* Both the temple building and its office addition are wider than tall on all elevations. The original horizontal visual effect of the temple building façade on McDougall Street has been slightly tempered by its northwest angled corner where it intersects with the office addition façade and follows the diagonal along Gratiot Avenue.

(3) *Proportion of Openings Within the Façade.* The main entrance of the McDougall Street (west) façade is occupied by a set of three (3) double-door openings with rectangular transoms above, set deeply within a recessed opening that is wider than tall. Flanking the main entrance opening are two (2) window openings that are two (2) times taller than wide and are occupied by double-hung sash windows; a single-door-wide entrance opening is located south of the main entrance opening. Window openings above the first floor are taller than wide and are occupied by seven (7) double-hung windows on each level. The first floor of the Preston Street (south) façade feature five (5) window openings that are two (2) times taller than wide, a single-door-wide entrance opening, and two (2) square window openings. Window openings above the first floor are taller than wide and are occupied by six (6) double-hung windows on each level. The first floor of the Gratiot Avenue (north) façade has three (3) large openings in a set of three (3) bays that consists of two (2) large display windows flanking single entrance doors with transom above, resulting in a total storefront opening that is wider than tall. The first floor also contains a single-door-wide entrance opening west of the storefront openings. Window openings above the first floor are taller than wide and are occupied by three (3) bays of three (3) double-hung windows with the exception of its western end bay that features one (1) double-hung window on each level.

(4) *Rhythm of Solids to Voids in the Front Façade.* A mostly regular rhythm of solids to voids exists on all primary façades. Generally, openings are placed one over the other by floor and are evenly spaced and symmetrically arranged in rows. The regular rhythm of openings is varied only at the south elevation of the Preston façade where no openings exist at the eastern end bay above the first floor.

(5) *Rhythm of Spacing of Buildings on Streets.* The Prince Hall Grand Lodge Historic District is set on the lot lines of McDougall Street, Gratiot Avenue, and Preston Street. No rhythm of spacing of buildings on the street is established due to single building district.

(6) *Rhythm of Entrance and/or Porch Projections.* No rhythm of entrances or porch projections is established due to single building district. The main entrance opening on McDougall Street is recessed into the front façade and is located five (5) steps above grade. The concrete front steps have been covered with carpeting and descend evenly to the street, separated into three sections by simple metal handrails. The secondary

entrance on the McDougall façade is located just south of the main entrance opening and consists of a single door inset into the façade. Regularly spaced storefront entrances on the office addition facade on Gratiot Avenue are centered at grade with a single door opening that is approached by a single concrete front step. The single-door openings on Preston Street and the rear façade (east elevation) are off-center and sealed up.

(7) *Relationship of Materials.* The building is composed of running-bond brick walls and stone used for the ashlar foundation, door and window surround, decorative panels, and other detail. The original use of glass for display windows in the office addition provided transparency contrasting with the solid masonry, although the first floor opening are presently boarded or filled with glass block for protection. The temple building's roof is composed of tin shingles with stone coping, and the visible front pitch roof of the office addition is composed of clay tile. The original wood window frames have been replaced with vinyl throughout both sections of the building, although the original steel casement windows remain in the rear façade (east elevation).

(8) *Relationship of Textures.* The major textural relationship is that of brick with mortar joint juxtaposed with stone detail focused on door and window surrounds as well as the projecting cornice. Slightly projecting brick quoins form two (2) end bays that vertically align the second and third stories on the temple building's primary and secondary façade. Tall, narrow bands of decorative brickwork exist between the center bay window openings of the temple building's secondary (south) façade, contrasting with the running-bond brickwork elsewhere on the building. The tin shingle and clay-tile roofing materials also create textural interest.

(9) *Relationship of Colors.* The brickwork on buildings is buff in color, and this contrasts subtly with the light gray stone foundations and trim. Window frames and sashes are painted white; woodwork and doorways are light Grey metal. The temple building's entry door lower panels and the office addition's display window lower panels are painted royal blue. The roofing features muted shades of reds and browns.

(10) *Relationship of Architectural Details.* Regularly arranged, repetitive details in the reserved Neoclassical style embellish the temple building and its office addition. Raised brick quoins define the end bays of the temple building and a pronounced stone belt course separates the first story from the upper two (2) stories. First-story openings feature raised stone entablature surrounds with oval cartouche. The office addition's

entrance is heavily embellished with rope molding, Corinthian pilasters, and a broken pediment and each storefront is separated by a brick pilaster with stone capital. The finished façades are capped by denticulated cornices and classical modillions. The temple building features in its southwest corner a large cornerstone incised in relief, reading in three (3) lines: "AMARANTH TEMPLE 1924".

(11) *Relationship of Roof Shapes.* The temple building features a low-pitched flat deck hip roof rectangular in shape. The office addition features a flat deck roof with applied pitch. A simple brick chimney is flush with the office addition's rear wall.

(12) *Walls of Continuity.* Not applicable due to single building district, although since the buildings are located on the building (lot) line, a wall of continuity is created along the Gratiot Avenue streetscape and the McDougall corner.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* The prominent façades of both buildings abut the concrete public sidewalk and the sites do not contain any landscaping, street furniture, or other significant landscape features. Streets and alleys within the district are paved with asphalt and feature concrete curbs. The rear parking lot is surrounded by a chain link fence and is paved with pea gravel.

(14) *Relationship of Open Space to Structures.* The temple building and its office addition occupy the entire footprint; open space exists on Preston Street with the enclosed rear parking lot and, located just outside the district, a large grassy area extending eastward that once contained residential buildings.

(15) *Scale of Façades and Façade Elements.* The scale of the three (3) story temple building and its addition is slightly greater than the two (2) story commercial buildings in its immediate vicinity. Façade elements such as display windows and entrances are also moderate in scale.

(16) *Directional Expression of Front Elevations.* The front elevations of the building in the district is primarily horizontal in expression as the temple building and its addition are proportionally wider than tall as accentuated by the running belt course. The length of the temple building's façade is tempered by the verticality of the quoins separating the end bays and the window openings that are taller than wide.

(17) *Rhythm of Building Setbacks.* The Prince Hall Grand Lodge Historic District was erected on its northeast and southeast lot lines, resulting in no setback. There is no rhythm of building setbacks due to single-building district.

(18) *Relationship of Lot Coverage.* The footprint of the temple building and its office addition occupies approximately

ninety-five percent (95%) of its entire parcel.

(19) Degree of Complexity Within the Façade. The corner location and irregular lot result in three (3) major ornamental façades. The major façades are not complex due to the building's straightforward Neoclassical style; they are simple in the arrangements of openings, massing, and architectural elements with a hierarchy of classical detail on the first story, resulting in greater complexity.

(20) Orientation, Vistas, Overviews. The temple building is oriented to the west toward McDougall Street. Its office addition is oriented to the north toward Gratiot Avenue. Its siting defines the corner and presents an anchor to the intersection of McDougall and Gratiot and the surrounding commercial thoroughfare.

(21) Symmetric or Asymmetric Appearance. All façades are asymmetrical in appearance, despite the overall Neoclassical predilection towards symmetry. On the McDougall Street (west) façade, there is an additional door south of the main entrance opening instead of a window, resulting in asymmetry. On the Preston Street (south) façade the eastern end bay lacks window openings on the second and third stories, resulting in asymmetry. On the Gratiot Avenue (north) façade, the entrance bay is located in the western end bay, resulting in asymmetry.

(22) General Environmental Character. The district consists of the temple building and its office addition located at the southeast corner of the intersection of McDougall Street and Gratiot Avenue. The Prince Hall Grand Lodge is a notable example of a well-designed corner lot building anchoring one of Detroit's major diagonal commercial thoroughfares. The surrounding area features scattered institutional and commercial buildings along Gratiot Avenue. The majority of surrounding lots on Preston Street are vacant with a few remaining small scale residential buildings.

Section 2. All ordinances or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-115 of the 2012 Detroit City Charter.

**Public Hearing
Proposed
Prince Hall Grand Lodge
Historic District
Thursday, July 12, 2018**

MINUTES

I. Call to order by Chairperson Victoria Byrd-Olivier at 4:47 p.m.

II. Proof of Notice of Hearing
Janese Chapman, Deputy Director, provided proof of notice requirements, indicated notices were mailed to the required city and state agencies, neighborhood organizations, taxpayers of record for properties within 300 feet abutting and adjacent to the proposed historic district; and individuals who have expressed an interest in the matter.

III. Explanation of designation procedures and restrictions of designated property

Janese Chapman provided an explanation of designation procedures and restrictions of designated property.

IV. Description of the Proposed Historic District

Jennifer Reinhardt, HDAB staff member, provided description of the Proposed Prince Hall Grand Lodge Historic District, which included introductions of The Most Worshipful Grand Master Kevin A. Bell and Ad Hoc members, Mark Carter and Edward Darnell.

Prince Hall Grand Lodge, formerly the Amaranth Temple, is the oldest extant fraternal headquarters for the Masonic Lodges in Detroit; purchased in 1951 by the Most Worshipful Prince Hall Grand Lodge of Michigan, Free and Accepted Masons and renamed the Metropolitan Prince Hall Masonic Temple.

The period of architectural significance is identified as 1924, when the building was constructed to 1994, reflecting from Mayor Coleman A. Young's involvement with the lodge; it was designed by Bernard C. Wetzel in the Neoclassical style. It is historically associated with freemasonry, labor organizing, African American heritage and the civil rights movement in Detroit and the nation.

The boundaries of the proposed designation are:

North — the centerline of Gratiot Avenue;

East — the northerly line extended of Lot 2, Block 47 of the A.M. Campus' subdivision of McDougall Farm as recorded in Liber 4, Page 96 of Plats by the Wayne County Register, thence southerly along said Line of Lot 2 to the centerline of the East-West alley first south of Gratiot Avenue, thence easterly along said alley centerline to the eastern line extended of Lot 38 of the C.P. Woodruffs Subdivision as recorded in Liber 1, Page 280 of Plats by the WCR, thence southerly along said line of Lot 38;

South — the centerline of Preston Street; and

West — the centerline of McDougall Street.

The boundaries contain the footprint of the building, including the entire parcel and parking lot to the east.

The proposed district meets National Register criterions A and C, as well as the first, second and third criteria contained in Section 25-2-2 of the Detroit City Code:

(1) Sites, building, structures or archeological sites where cultural, social, spiritual, economic, political or architectural history of the community, city, state or nation is particularly reflected or exemplified;

(2) Site, buildings, structures, or archeological sites which are identified with historic personages or with important events in community, city, state or national history; and

(3) Building or structures which embody the distinguishing characteristics of an architectural specimen, inherently valuable as a representation of a period, style or method of construction.

October 16, 2018

Honorable City Council:

Re: Resolution Approving a Property Tax Exemption, on Behalf of Rock Eco-

nomie Development Group, in the area of 570 Clinton St., 525 Clinton St., 1326 St. Antoine St., 1441 St. Antoine St., and 1400 St. Antoine St., Detroit, Michigan in accordance with Michigan Compiled Laws Sec. 211.7tt. (Petition #522)

On October 18, 2018, a public hearing in connection with approving a Property Tax Exemption for the above-captioned property was held before your Honorable Body. The Assessor and a representative of the affected taxing units were given an opportunity to be heard. No impediments to the approval of this exemption were presented during the hearing.

Rock Economic Development Group, a Michigan nonprofit corporation, has submitted evidence that the real and personal property subject to the exemption are owned by an eligible economic development group in accordance with MCL Sec. 211.7tt.

Please adopt this proposed resolution in accordance with MCL Sec. 211.7tt. In order for this exemption to be effective starting in 2019, a waiver of reconsideration is requested.

Respectfully submitted,

DONALD RENCHER

Director

By Council Member Tate:

Whereas, Section 7tt of the General Property Tax Act, MCL 211.7tt, permits this Detroit City Council (the "Council") to adopt a resolution to exempt from the collection of taxes specifically identified real and personal property owned by an "eligible economic development group"; and

Whereas, MCL 211.7tt(8) defines an "eligible economic development group" as "a nonprofit organization, the primary purpose of which is the economic development of real property or combining parcels of real property for economic development purposes"; and

Whereas, Rock Economic Development Group, a Michigan domestic nonprofit corporation ("REDG"), has submitted a request for a property tax exemption pursuant to MCL 211.7tt (an "EEDG Exemption"); and

Whereas, REDG has represented to the Council that it has entered into an agreement with Wayne County (the "County") whereby the County conveyed the property described on Exhibit A (collectively, the "Property") as consideration for other Rock entities to construct the new Wayne County Criminal Justice Center (the "New Jail"); and

Whereas, REDG has represented to the Council that the County will continue to operate the Property (excluding the portion of the property defined on Exhibit B attached hereto) until the completion of the New Jail (the "Holding Period"); and

Whereas, REDG requests an EEDG Exemption on the Property until the expi-

ration of the maximum allowable period of 7 years or until the expiration of the Holding Period, whichever occurs first (the "Expiration Date"); and

Whereas, On October 18, 2018 in the Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on REDG's application for an EEDG Exemption, at which time REDG, the County Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, REDG, and by publication to the general public, informing each of the Application's receipt, the date and location of the Public Hearing, and their opportunity to be heard;

Now Therefore Be It

Resolved, That REDG qualifies as an economic development group under MCL 211.7t because it is a nonprofit association formed under Michigan law whose primary purpose is the economic development of real property; and be it further

Resolved, That this Council hereby exempts the Property from real property taxes until the Expiration Date; and be it further

Resolved, That this exemption shall be deemed effective as of December 31, 2018; and be it further

Resolved, That this exemption shall terminate on December 30 after the Expiration Date; and be it further

Resolved, That the City Clerk shall forward this resolution to the Michigan State Tax Commission as provided by the Act.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 8.

Nays — None.

WAIVER OF RECONSIDERATION (No. 7) Per Motions before Adjournment.

Housing and Revitalization Department

October 15, 2018

Honorable City Council:

Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on Behalf of 1249 Griswold Street, LLC at 1249 Griswold Street, Detroit, MI, in Accordance with Public Act 146 of 2000. (Related to Petition #2636)

On October 25, 2018, a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held

before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

1249 Griswold Street, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
DONALD RENCHER
Director

By Council Member Tate:

Whereas, 1249 Griswold Street, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 9, 2012 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 1249 Griswold Street, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes

improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, This City Council has granted until of January 1, 2018 for the completion of the rehabilitation; and

Whereas, On October 25, 2018 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

**PUBLIC HEALTH AND SAFETY
STANDING COMMITTEE
Department of Public Works
Administration Division**

October 22, 2018

Honorable City Council:

Re: Spirit Plaza; Petition No. 1773 The Department of Public Works — City Engineering Division requests the extension of the temporary closure of Woodward Avenue, from Jefferson Avenue to Larned Street from November 17, 2018 through November 15, 2019, with an option for an additional 12 month extension for the year 2019, for the purpose of continuing the activation and evaluation of the Spirit Plaza, in a semi-permanent state.

On June 12, 2017, the City of Detroit closed the referenced segment of Woodward to activate the Spirit Plaza for an initial pilot period of 90 days.

On November 21, 2017, City Council originally approved Petition No. 1773, which provided for extending the temporary closure of the above referenced segment of Woodward through the spring of 2018, so that the evaluation period could continue through the fall and winter seasons.

DPW is now requesting City Council approval to extend the temporary closure for a period to culminate on November 15, 2019, upon which time a recommendation will be brought back to City Council for the Plaza's optional additional year extension.

This extension, if authorized by your Honorable Body, represents a continuation of the existing process in which GSD has been established as the governmental agency, with support from DDP, who will take responsibility for ensuring that the Plaza is appropriately maintained and programmed throughout the extended period. In addition, the extension will allow for continuing outreach efforts to impacted stakeholders, as well as providing the mechanism for continued planning for events and space programming, GSD/ City of Detroit's Recreation Department and Special Events team will continue to operate with the established agreement outlining specific responsibilities for each agency, thereby ensuring that the Plaza is being programmed in a manner that maximizes its usage and is consistent with the vision of it being the "People's Plaza". GSD will continue to provide the opportunity to employ a more expansive outreach effort to individuals that encounter the space on a daily basis. The extension will also provide the opportunity to continue analyzing the impact to traffic on surrounding streets prior to the end of the extended evaluation period. City agencies, led by GSD, will summarize to City Council all findings, which will be utilized in making a determination for the future use of the public space.

Provisions protecting all utility installations in the right-of-way have been made a part of the attached resolution.

I am recommending the adoption of the attached resolution.

Respectfully submitted,

Department of Public Works

By Council Member Benson:

Whereas, The original trial period for the new "Spirit of Detroit Plaza" enhanced the downtown area with a new public space during the summers of 2017 and 2018, and the initial evaluation determined that the closure of the impacted segment of Woodward Avenue, has not been detrimental to traffic flow in the area.

Whereas, The temporary extension was granted through November 16, 2018, through prior City Council actions and whereas a determination has been made to extend the existing closure to a

semi-permanent state for 1 year through November 15, 2019 to allow for continued outreach to the impacted public and business communities as well as programming events that include local artists, community groups and local organizations.

Resolved, The Department of Public Works, City Engineering Division is hereby authorized and directed to temporarily close Woodward Avenue, 190 feet wide, from Jefferson Avenue, 210 feet wide to Larned Street, 60 feet wide for a period culminating on November 15, 2019 and being more particularly described as: Woodward Avenue, 190 feet wide, lying westerly of and adjoining the westerly line of Lots 1, 63, and 64 "Plan of Section numbered one in the City of Detroit, in the Territory of Michigan confirmed by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board. Attest: Peter Audrain, Sec'y," as recorded in Liber 34, Page 550 of Deeds, Wayne County Records; also lying easterly of and adjoining the easterly line of the west 30 feet of Lot 2 and the west 30 feet of Lots 63 and the west 30 feet of Lot 64 and the vacated alley adjoining said parts of Lots 2 and 64 "Plat of Section numbered two in the City of Detroit in the Territory of Michigan confirmed unanimously by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board. Attest: Peter Audrain, Sec'y," as recorded in Liber 34, Page 549 of Deeds, Wayne County Records; on a temporary basis.

Provided, That no buildings or other permanent structures of any nature whatsoever shall be constructed on or over the public right-of-way. The City of Detroit retains all rights and interests in the temporarily closed public right-of-way. The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities in the temporarily closed public right-of-way. Further, a specific condition is imposed to ensure unimpeded 24-hour-per-day access to the City and utility companies; and

Provided, That if there is still a need for access from any of the abutting property owners to said temporary closed street, access shall and must be maintained for those properties; and

Provided, That the Detroit Water and Sewerage Department (DWSD) shall have free and easy access to the water main and sewer facilities at all times to permit proper operation, maintenance and if required, alteration or repair of the water main and/or sewer facilities. Free and easy access shall mean that no structures or storage of materials will be allowed upon the temporarily closed

street to hinder the movement of maintenance equipment; and further

Provided, That where a fence is placed across the temporarily closed portion of a street then a gate must be installed to permit access for DWSD staff. The gate shall remain unlocked 24 hours a day, unless a guard is stationed near the gate to allow DWSD ingress and egress at any time to and from the temporarily closed street. The minimum dimensions of the gate or gates shall provide 15 feet vertical and 13 foot horizontal clearances for freedom of DWSD equipment movement; and further

Provided, That should the water main and/or sewer facilities be broken or damaged as a result of any action on the part of the petitioner or assigns, then in such event the petitioner or assigns shall be liable for all costs incident to the repair of such broken or damaged water main and appurtenances, and the petitioner waives all claims for damages, and further

Provided, That at the expiration of the permit, all obstructions shall be removed at the City's expense. The public property shall be restored to a condition satisfactory to the Department of Public Works; and

Provided, That this resolution is revocable at the will, whim or caprice of the Detroit City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued through November 16, 2018, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and

Provided, That this permit shall not be assigned or transferred without the written approval of the Detroit City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

(b) Rates for charter bus services provided by the Detroit Department of Transportation shall be set annually pursuant to the regulations of the Federal Transit Administration of the United States Department of Transportation, and the guidelines promulgated by the Bureau of Urban and Public Transportation of the Michigan Department of Transportation.

(c) Upon approval by resolution of the City Council, the Detroit Department of Transportation may charge a reduced fare, as defined in section 58-4-1 of this code, for a specified day or for specified days within ~~one hundred eighty~~ (180) days after adoption of said resolution.

(d) Upon approval by resolution of the City Council, the Detroit Department of Transportation may charge a special fare, for a specified day during an event in the City, or a special fare for a specified period during an event in the City, as specified in the resolution, within ~~one hundred eighty~~ (180) days after adoption of said resolution.

(e) the Mayor and the City Council shall provide for the preservation of the senior citizen, student and disabled fares for the residents of Detroit contained in this ordinance under any or all of the following conditions:

(1) Route consolidation between the Detroit Department of Transportation and SMART or any other subsequent regional transportation authority created by state law;

(2) The merger of the Detroit Department of Transportation with SMART or any other subsequent regional transportation authority created by state law; or

(3) The management of the Detroit Department of Transportation by SMART

or any other subsequent regional transportation authority created by state law.

(f) The schedule of fares and charges collected for Detroit Department of Transportation bus services shall be established and adopted by ordinance of the City Council, preceding the fiscal year for appropriation of such revenues, subject to the following conditions:

(1) That a public hearing on the proposed schedule of rates and charges shall be held not less than five (5) business days before adoption of such ordinance;

(2) That the Department of Transportation include in its gross and net revenue projections for its annual budget request for the next fiscal year, the estimated revenues to be derived from bus interior and exterior advertising space to be sold in the next fiscal year;

(3) That the Detroit Department of Transportation develop, maintain, and annually report to the City Council on its programs and devices implemented to reduce fraudulent activities in the use of reduced or free fare cards, badges, tickets or other devices, and other charges for access to bus services, submitting same not later than April 13th of each year;

(4) That the Detroit Department of Transportation develop, maintain and place on file an annual ridership and service delivery improvement and marketing plan that includes, as an achievable goal, an annual increase in ridership of not less than two (2) percent throughout the entire bus system; submitting same not later than April 13th of each year;

(5) That the auditor general shall cause an independent audit of the Detroit Department of Transportation by March 31st of each year for years 2004, and 2005, and thereafter every two (2) years, for the purpose of examining vehicle maintenance, availability and cost of vehicle maintenance materials, and parts, and review of inventory processes and procedures; and

(6) That the Detroit Department of Transportation submit a cost-benefit analysis, proposed schedule of fares and charges, and budgetary recommendations to the city council not later than April 13th annually.

Section 2. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. With additional funding, the Detroit Department of Transportation will evaluate this fare structure to consider the inclusion of a reduced fare category for low income riders.

Section 5. This ordinance shall be

become effective May 1, 2019, in accordance with paragraph 3 of Section 4-118 of the 2012 Detroit City Charter.

Honorable City Council:

Re: Proposed Ordinances to amend Chapter 56, *Utilities*, of the 1984 Detroit City Code

Pursuant to the request of Council Member Benson, the above-referenced ordinance is being submitted to Your Honorable Body for consideration. The proposed ordinance will amend Chapter 56, of the 1984 Detroit City Code, *Utilities*, Article III, *Sewers and Drains*, by adding Division 4, *Stormwater Management*; to include Section 56-3-101, *Applicability*; Section 56-3-102, *Definitions*; Section 56-3-103, *Exemptions*; Section 56-3-104, *Stormwater Management Design Manual*; Section 56-3-105, *Post Construction Stormwater Management Plan required*; Section 56-3-106, *Post construction stormwater management requirements*; Section 56-3-107, *Alternative compliance*; Section 56-3-108, *Performance bond*; Section 56-3-109, *Maintenance required*; Section 56-3-110, *Operations and Maintenance Plan*; Section 56-3-111, *Easements*; Section 56-3-112, *Record drawings and final approval*; Section 56-3-113, *Right of entry for compliance inspections*; Section 56-3-114, *Period self-inspections required*; Section 56-3-115, *Right of appeal*; Section 56-3-116,

Notice; Section 56-3-117, *Civil penalty*; Section 56-3-118, *Fines*; Section 56-3-119, *Additional remedies*, and to provide for stormwater management at certain construction sites within the City of Detroit.

We are available to answer any questions that you may have regarding the proposed ordinance. Thank you for your consideration.

Respectfully Submitted,

TONJA R. LONG
Supervising Assistant
Corporation Counsel

By Council Member Benson:

AN ORDINANCE to amend Chapter 56, of the 1984 Detroit City Code, *Utilities*, Article III, *Sewers and Drains*, by adding Division 4, *Stormwater Management*; to include Section 56-3-101, *Applicability*; Section 56-3-102, *Definitions*; Section 56-3-103, *Exemptions*; Section 56-3-104, *Stormwater Management Design Manual*; Section 56-3-105, *Post Construction Stormwater Management Plan required*; Section 56-3-106, *Post construction stormwater management requirements*; Section 56-3-107, *Alternative compliance*; Section 56-3-108, *Performance bond*; Section 56-3-109, *Maintenance required*; Section 56-3-110, *Operations and Maintenance Plan*; Section 56-3-111, *Easements*; Section 56-3-112, *Record drawings and final approval*; Section 56-3-113, *Right of entry for compliance inspections*; Section 56-3-114, *Period self-inspections required*; Section 56-3-115, *Right of appeal*; Section 56-3-116, *Notice*; Section 56-3-117, *Civil penalty*; Section 56-3-118, *Fines*; Section 56-3-119, *Additional remedies*, and to provide for stormwater management at certain construction sites within the City of Detroit.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 56, *Utilities*, Article III, *Sewers and Drains*, of the 1984 Detroit City Code, be amended by adding Sections 56-3-101 through 56-3-119, to read as follows:

CHAPTER 56. UTILITIES

ARTICLE III. SEWERS AND DRAINS

DIVISION 4. STORMWATER

MANAGEMENT

Sec. 56-3-101. Applicability.

(a) Subject to Section 56-3-103 of this Code, this division applies to all construction activities that involve the replacement or creation of 21,780 square feet or more of impervious surface.

(b) This division shall also apply to any construction activity that is not subject to Subsection (a) of this section, but may create a condition that would result in runoff that would:

(1) Exceed the safe capacity of the receiving public sewer or body of water as determined by the Department;

(2) Cause undue channel erosion;

(3) Increase water pollution by scouring or transport of particulate matter;

(4) Endanger property; or

(5) Endanger public safety.

(c) Notwithstanding Subsection (a) or Subsection (b) of this section. The discharge from a regulated construction activity may be determined by the Department to have previously been authorized and to have incorporated stormwater control measures that are sufficient to satisfy the performance standards in this division. In such cases, the applicant may request a review by the Department for a determination of whether additional stormwater management is required for the development site.

Sec. 56-3-102. Definitions.

For the purposes of this division, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Alternative compliance measure means a stormwater control measure that treats stormwater runoff from impervious surfaces that:

(1) Were in existence as of the effective date of this division, and

(2) Whose construction or reconstruction is not subject to the provisions of this division.

Applicant means a person or persons acting as owners or operators of a regulated construction activity on a development site who is seeking approval of a Post Construction Stormwater Management Plan under this division.

Buffer strip means a zone that is used for filtering direct stormwater and stormwater runoff into a stormwater control measure, or watercourse and for providing maintenance access to a stormwater control measure.

Common plan of development means a regulated construction activity, that is completed in phases or stages when such phases or stages share:

(1) One or more common City permits related to the regulation of land use. The discharge of wastewater or a discharge to surface waters or groundwater, or

(2) Common infrastructure such as, but not limited to, roadway access or utilities.

Construction activity means a human-made activity including, but not limited to, clearing, grading, excavating, construction and paving, that results in a change in the existing cover or topography of land, including any external demolition, modification, or alteration of a site or the footprint of a building, but does not include re-surfacing of an asphalt, concrete or similar parking lot that does not expose the sub-grade.

Conveyance means any structure or other means of safely conveying stormwater within a stormwater management system including, but not limited to, a watercourse, closed conduit, culvert, or bridge.

Demolition means the razing or destruction, in whole or in part, of an existing structure, or the removal of existing impervious surfaces.

Department means the Detroit Water and Sewerage Department and its authorized agents.

Development site means the property on which a regulated construction activity takes place. A development site may include, but is not limited to, a component of a Common Plan of Development, an individual lot as defined in the City Zoning Ordinance, or an aggregation of one or more lots subject to a unified plan for land use.

Disturbance means an activity, including a regulated construction activity, that disturbs the surface of land or underlying soils, including but not limited to, stripping, grading, grabbing, trenching, excavating, transporting, and filling of land, but does not include the activities of clearing, plowing, tilling soil, or harvesting for the purpose of crop production.

Drainage area means the land area from which stormwater runoff drains to a common point, including any area lying beyond the boundaries of a development site as defined in this division.

Equivalent volume means the quantity of stormwater runoff that is presumed to be managed through a fee-in-lieu payment, an alternative compliance measure, or any combination thereof, including any adjustments or modifications set forth in this division and the Stormwater Management Design Manual created pursuant to Section 56-3-104 of this code.

Extraordinarily difficult site conditions means those conditions present at a development site that prevent or preclude the construction of stormwater control measures in any portion of a development site.

Impervious surface means any surface area that prevents or substantially impedes the entry of water into the soil in the manner that such water entered the soil under natural conditions pre-existent to development, or which cause water to run off the surface in greater quantities or at an increased rate of flow than that present under natural conditions pre-existent of development, including but not limited to roofs, parking lots, compacted gravel and dirt, driveways, sidewalks, and storage areas.

Infiltration rate means a measure of the speed at which water enters into the soil at the surface.

Natural condition means the condition of land that is predominantly covered in

vegetation that is sustainable without regular human maintenance, such as irrigation, mowing, or fertilization, examples of which include natural cover, woodland, meadow, grassland, or shrubland.

Operation and Maintenance Plan means a document which outlines the required maintenance activities and measures associated with an approved Post Construction Stormwater Management Plan.

Pervious surfacing means a material or materials and accompanying subsurface treatment designed and installed specifically to allow stormwater to penetrate into the material, thereby reducing the volume of stormwater runoff from the surfaced area.

Post Construction Stormwater Management Plan means a document set forth by the Department that identifies all actions to be taken by an applicant in conjunction with a regulated construction activity to comply with the requirements and standards set forth in this division.

Regulated area means the portion of a development site used as the basis to determine compliance with the performance standards set forth in this division.

Regulated construction activity means construction activity that is subject to the provisions of this division. A regulated construction activity may occupy all or part of a development site.

Regulatory volume means the total quantity of stormwater runoff that must be retained in a stormwater control measure in order for a regulated construction activity to comply with the performance standards in this division.

Stormwater control measure means any structure, feature, or appurtenance that is designed, constructed, operated, practiced, or adopted, to reduce the quantity, lower the rate, improve the quality, or otherwise control stormwater runoff through retention, detention, infiltration, reuse, or other stormwater management techniques.

Stormwater Management Design Manual means a document or documents promulgated by the Department, which may be amended, specifying criteria, standards, and procedures by which an applicant may comply with the provisions of this division.

Water quality volume means the volume of stormwater runoff generated by the 90th percentile storm over the regulated area of a development site.

Section 56-3-103. Exemptions.

Notwithstanding Section 56-3-101 of this Code, the following activities shall be exempt from the requirements of this division:

(1) The improvement or construction of an individual single family detached dwelling as defined in this Code;

(2) Emergency maintenance work per-

formed for the protection of public health and safety. A written description of the scope and extent of any such emergency maintenance work performed shall be submitted to the Department within two calendar days following its commencement. If the Department finds that the work is not an emergency or if a written description is not timely submitted to the Department, then the work shall cease immediately and the requirements of this division shall be addressed as applicable: or

(3) A regulated construction activity that discharges stormwater directly to the Detroit River or Rouge River via any conveyance not owned by the City and is in compliance with state and federal regulations governing such discharges.

Section 56-3-104. Stormwater Management Design Manual.

The Department shall implement, and may amend, a Stormwater Management Design Manual which shall set forth specific procedures, criteria, minimum standards, methods and other technical information to be utilized in determining compliance with the provisions of this division.

Section 56-3-105. Post Construction Stormwater Management Plan required.

(a) No regulated construction activity may obtain site plan approval until the Department has approved a Post Construction Stormwater Management Plan.

(b) Prior to the approval of a Post Construction Stormwater Management Plan, the applicant shall certify to the Department that the applicant has met or will meet all requirements of this division and all other City, county, state, and federal requirements related to erosion and sediment control, surface water resource protection, and stormwater management applicable to the regulated construction activity.

(c) The Post Construction Stormwater Management Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include:

(1) The discharge location(s) for all post-construction stormwater runoff which will leave the development site, and the boundaries of the drainage area tributary to each discharge location;

(2) The boundaries of the development site, the common plan of development if applicable, and the regulated construction activity, clearly indicating areas of disturbance, the boundaries of any no-build or non-disturbance areas, all points of egress from the development site to a public right-of-way, and all easements and other encumbrances;

(3) The required calculations establishing compliance with the post construction stormwater management performance standards as set forth in Section 56-3-106 of this Code;

(4) The design specifications and calculations, construction details, and locations for all proposed stormwater control measures, whether located on the development site or elsewhere.

(5) The location and descriptions of all access drive easements necessary to allow for construction, inspection, operation and maintenance of all proposed stormwater control measures:

(6) An Operation and Maintenance Plan containing all required information and schedules as set forth in this division: and

(7) A copy of all applicable state and federal permits and notice of coverage related to erosion and sedimentation control, water resource and stormwater management for the regulated project.

(d) One copy of the approved Post Construction Stormwater Management Plan shall be kept on file at the site of the regulated construction activity from the initiation of site preparation until a certificate of occupancy is issued for the development associated with the regulated construction activity.

Section 56-3-106. Post construction stormwater management requirements.

(a) Stormwater control measures shall not be constructed within the Rouge River flood plain or the Rouge River flood way as defined in Section 20-1-1 of this code, or within Michigan Coastal Flood Hazard Zones.

(b) A buffer strip with a minimum width of 25 feet shall be established and preserved along the edge of any surface water and any regulated wetland as defined by the State of Michigan PART 303. Exemptions may be granted for construction activities that are within 25 feet of a surface water and regulated wetland that remain consistent with the intent of the development.

(c) The Department is authorized to require any additional stormwater control measures necessary to control the rate and volume of stormwater runoff discharged from the development site in order to prevent drainage, flooding or water quality impacts upon public or private property.

(d) Performance standards for combined sewer areas:

(1) Water quality:

a. The water quality volume shall be the 90th percentile annual non-exceedance storm.

b. The regulated area for purposes of complying with the water quality performance standard for combined sewer areas shall be defined as follows:

i. If the regulated construction activity will disturb 50% or more of the development site, the regulated area shall be defined as the entire development site; or

ii. If the regulated construction activity will disturb less than 50% of the develop-

ment site, the regulated area shall be defined as the area of the regulated construction activity.

c. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post-construction shall not exceed the runoff volume and peak flow rate leaving the regulated area under natural conditions.

d. The water quality volume shall be treated to remove a minimum of 80% of the total suspended solids as compared to uncontrolled runoff, or to a discharge concentration which does not exceed 80 milligrams per liter of total suspended solids.

(2) Combined sewer infrastructure protection:

a. For regulated construction activities discharging to the combined sewer area, the entire development site shall be defined as the regulated area for purposes of complying with the combined sewer infrastructure protection standards.

b. The peak flow rate(s) of stormwater runoff leaving the development site shall not exceed the allowable discharge rates established in the Stormwater Management Design Manual for the geographic location within the combined sewer system where the discharge occurs.

(e) Performance standards for storm sewer areas:

(1) Water quality

a. The water quality volume shall be based on the 90th percentile annual non-exceedance storm.

b. The regulated area for purposes of complying with the water quality performance standard for separate sewer areas shall be the area of the regulated construction activity.

c. The water quality volume shall be treated to remove a minimum of 80% of the total suspended solids as compared to uncontrolled runoff, or to a discharge concentration which does not exceed 80 milligrams per liter of total suspended solids.

(2) Channel protection:

a. The regulated area for purposes of complying with the channel protection performance standards shall be the area of the regulated construction activity.

b. The runoff volume and peak flow rate of stormwater runoff leaving the regulated area post-construction shall not exceed the runoff volume and peak flow rate which would occur under natural conditions for all storms up to and including the two-year, 24-hour storm event.

c. Discharges from regulated construction activities that drain into any portion of the City's storm sewer discharging directly to the Detroit River or downstream of the Rouge River Turning Basin shall be exempt from the channel protection performance standard.

(f) Performance standards for local flood control in combined and separate sewer areas:

(1) The regulated area for purposes of

complying with local flood control performance standards shall be the entire development site.

(2) For regulated construction activities for which the total of all drainage areas as defined in this division, is less than 5 acres, the stormwater control measures shall be designed to achieve a peak flow rate of fifteen one-hundredths cubic feet per second (0.15cfs)/acre for the 10-year storm.

(3) For regulated construction activities for which the total of all drainage areas as defined in this division, is 5 acres or greater, the stormwater control measures shall be designed to achieve a peak flow rate of fifteen one hundredths cubic feet per second (0.15 cfs)/acre for 100-year storm.

Section 56-3-107. Alternative compliance.

(a) An applicant may apply to the Department for review and approval of alternative compliance measures for the development site if the applicant demonstrates the presence of extraordinarily difficult site conditions, as defined in this division and in written guidance set forth in the Stormwater Management Design Manual.

(1) Extraordinarily difficult site conditions include, but are not limited to, one or more of the following:

a. The presence of sub-surface conditions, including soil contamination or shallow depth to bedrock or groundwater, that present significant and atypical technical requirements for mitigation, stormwater management measure design or installation or create a likelihood for subsurface pollutant plume transport; or

b. Unique topographic or geologic conditions that would require site regrading or re-contouring substantially different from typical and customary practices for the installation of stormwater control measures; or

c. Surface or subsurface conditions indicating a likelihood that basement flooding on properties other than the development site are reasonably foreseeable if stormwater control measures are installed; or

d. Conditions that would require pumping or other mechanical routing of stormwater in order to meet the performance standards of Section 56-3-106(d)(1)(c); or

e. Other conditions that, in the judgment of the Department, present a substantial barrier to the safe and effective construction or operation of stormwater control measures.

(2) In all cases, the applicant shall demonstrate, to the satisfaction of the Department, that the extraordinarily difficult site conditions cannot be overcome or mitigated through reasonable re-design of the regulated construction activity, or without substantial interference with the present or intended use of the development site.

(3) Any such application for a finding of extraordinarily difficult site conditions shall:

a. Quantify the degree to which the specific provisions of the performance standards set forth in 56-3-106(d)(1)(c), as applicable, cannot be met on the development site, using the analysis set forth in the Stormwater Management Design Manual;

b. Detail the stormwater control measure to be constructed on site, if any, and the water quality and detention volume to be met through alternative compliance measures; and

c. Specify the off-site alternative compliance measure, or fee-in-lieu payment proposed to satisfy the requirements of Sections 56-3-105(d) or (e) of this section, as applicable, in accordance with the provisions of this section.

(b) An applicant may propose to use one or a combination of the following alternative compliance measures:

(1) The coincident construction by the applicant of the alternative compliance measures approved by the Department under the procedures set forth in this division and in the Stormwater Management Design Manual; or

(2) The legal assignment by the applicant of the equivalent volume from an existing, approved alternative compliance measure(s); or

(3) Payment to the Department of a fee-in-lieu, in accordance with the procedures set for in the Stormwater Management Design Manual, and subsequent certification by the Department that sufficient equivalent volume has been assigned to the regulated construction activity to achieve compliance with the measurements of this division.

(c) Any person may make application to the Department for approval of the construction of stormwater control measures on lands located within the City to be authorized as alternative compliance measures, as defined in this division, subject to the following procedures and requirements:

(1) An applicant for such approval shall define the drainage area(s) to be treated by the alternative compliance measure and shall provide all relevant information, including demonstration of site control and an operation and maintenance plan, required by the Department as set forth in the Stormwater Management Design Manual.

(2) The design and construction of the alternative compliance measure shall meet all relevant standards for materials, design, safety, and other technical considerations in the Stormwater Management Design Manual.

(3) For each alternative compliance measure an applicant shall stipulate the amount of equivalent volume, if any, that shall be reserved for the applicant's own

use or assignment, and the amount of equivalent volume, if any, that may be made available by the Department for assigned through fee-in-lieu payment. In issuing its approval, the Department shall state the amount of equivalent volume assigned to the alternative compliance measure, the equivalent volume within the alternative compliance measure reserved by the applicant for the applicant's own purposes, and the equivalent volume that may be available through fee-in-lieu payments.

(4) The applicant shall obtain all relevant and applicable City, state and federal permits as may apply to construction of the alternative compliance measure.

(5) Approval issued pursuant to this section shall be contingent upon the recording of both an easement on the land on which the alternative compliance measure is constructed, and on the operation and maintenance plan for the alternative compliance measure. The operation and maintenance plan shall be fully consistent with the standards set forth in the Stormwater Management Design Manual.

(6) No portion of an alternative compliance measure may be utilized to satisfy the requirements of this division for a regulated construction activity unless explicitly approved by the Department in a post construction stormwater control plan.

(d) No discharge from a regulated construction activity to a combined sewer area may be mitigated by the construction of an alternative compliance measure discharging to a separate storm sewer system.

(e) The Department shall maintain continuously, and make available for inspection, a record of the volume equivalency of alternative compliance measures assigned to alternative compliance measures, whether constructed by the City or another applicant; all credits issued to regulated construction activities; and the timing, amount, and disposition of all fee-in-lieu payments.

Section 56-3-108. Performance bond.

(a) The Department shall have the authority to require a performance bond or other financial guarantee in the amount of the estimated cost of construction of the stormwater control measures and all landscaping associated therewith for a duration of two years after the issuance of the certificate of occupancy to ensure that all stormwater control measures have been established and installed correctly and function as designed and permitted.

(b) The Department shall have the authority to require a performance bond or other financial guarantee of a greater or lesser amount, or duration of time, where such an adjustment is warranted to reflect unique site conditions or to ensure the function and performance of the stormwater control measures in the Post Construction Stormwater Management Plan.

(c) A final inspection and approval of the stormwater control measures by the Department, the Buildings, Safety Engineering and Environmental Department, or other authorized agent shall be issued before the release of the performance bonds or other financial guarantee.

Section 56-3-109. Maintenance required.

(a) Any stormwater control measure installed pursuant to this division shall be operated and maintained in accordance with the requirements of the approved operations and maintenance plan and associated provisions in the Stormwater Management Design Manual.

(b) No area of land specified or designated to comply with the performance standards in this Division shall be altered in a manner which reduces or alters its infiltration rate, unless the Department approves an amendment to the previously approved Post Construction Stormwater Management Plan for the site, showing how the reduced or altered infiltration rate will be offset to maintain compliance with the performance standards specified in this division.

Section 56-3-110. Operations and Maintenance Plan.

(a) Prior to the conveyance or transfer of any portion of a development site to be served by a stormwater control measure(s) pursuant to this division. The applicant shall provide the Department with evidence of transfer of the associated Operation and Maintenance Plan.

(b) The Operation and Maintenance Plan shall be binding on the record owner of the property or properties subject to the Post Construction Stormwater Management Plan and their owners, heirs and assigns.

(c) The Operation And Maintenance Plan shall be developed by a professional engineer or landscape architect properly licensed to practice in the State of Michigan and shall include maintenance requirements and protocols for each stormwater control measure, including an associated schedule of inspection and maintenance activities, and procedures and checklists for each stormwater control measure consistent with the provisions in the Stormwater Management Design Manual and a signed certification statement accepting responsibility for the operation, maintenance and inspection of the stormwater control measures.

Section 56-3-111. Easements.

(a) A Post Construction Stormwater Management Plan shall include the preparation and property recording of all easements, deed restrictions, reservation of rights-of-way, or other protective covenants as are required to ensure sufficient access for purposes of maintenance, inspection, operation and repair or replacement of stormwater control measures, and to ensure that any future modi-

fication of the site is consistent with the provisions of the approved Post Construction Stormwater Management Plan, unless amendments or modifications to the Post Construction Stormwater Management Plan are approved by the Department.

(b) The Post Construction Stormwater Management Plan and applicable Operation and Maintenance Plan shall be referenced on a final plat, site plan or as-built drawing, and shall be recorded with the Wayne County Register of Deeds Office upon final approval, and shall be provided to the Department within 14 days following receipt of the recorded document.

Section 56-3-112. Record drawings and final approval.

(a) Upon final stabilization of the site of a regulated construction activity, the applicant or a professional engineer, or landscape architect duly licensed to practice in the State of Michigan, and acting on the applicant's behalf, shall conduct a post-construction inspection and shall certify in writing that the completed project is in full compliance with the approved Post Construction Stormwater Management Plan.

(b) The applicant or applicant's designee shall submit record drawings for all stormwater control measures to the Department, within 15 days of final stabilization of the site.

Section 56-3-113. Right of entry for compliance inspections.

(a) The Department, Buildings, Safety Engineering and Environmental Department or other authorized agent may enter a property to inspect stormwater control measures during any phase of construction and operation of approved stormwater control measures.

(b) The Department, Buildings, Safety Engineering and Environmental Department or other authorized agent may enter a property when the Department or its designee has a reasonable basis to believe that a violation of this division is occurring or has occurred, when necessary for abatement of a public nuisance, and to confirm the correction of a violation.

Section 56-3-114. Periodic self-inspections required.

(a) Periodic inspections shall be conducted according to the Operation and Maintenance Plan by the applicant or the applicant's successors, heirs or assigns of the stormwater control measure(s) as set forth in the applicable Operations and Maintenance Plan.

(b) An inspection report, certified by a professional engineer or landscape architect properly licensed to practice in the State of Michigan, shall provide to the Department according to the schedule in the operation and maintenance plan, commencing no more than twelve months after the date of issuance of a certificate of

occupancy for the regulated construction activity, and occurring once every three years or stipulated period thereafter.

Section 56-3-115. Right of appeal.

(a) Any person whose legal rights, duties, or privileges are determined by the Department pursuant to this ordinance and who is aggrieved by the Department's determination, may appeal to the DWSD Stormwater Appeals Board for relief of that grievance. An appeal shall be made according to the procedure set forth in this chapter.

(b) The DWSD Stormwater Appeals Board shall be appointed by the Director of the Department and confirmed by the Board of Water Commissioners and shall consist of 2 engineers from the academic sector, 2 engineers from the private sector, and 1 stormwater management expert. Meetings of the DWSD Stormwater Appeals Board shall be in person and shall be open to all interested parties.

(c) An appeal shall be in writing, addressed to the DWSD Stormwater Appeals Board c/o the Stormwater Management Group, and must be received within 30 days of the determination that is the subject of the appeal. The appeal shall set forth the specific act or matter complained of and in dispute, and shall include all documentation that supports the appellant's position.

(d) Within 30 days of receipt of the appeal, the Stormwater Management Group, or its designee, shall acknowledge such receipt in writing, and shall set a date and time for an appellate hearing to be conducted in accordance with Department rules and procedures.

(e) The decision of the DWSD Stormwater Appeals Board shall be final and enforceable at law. A person aggrieved by a final decision of the DWSD Stormwater Appeals Board may seek judicial review of the decision by the Wayne County Circuit Court. A petition for judicial review shall be filed not later than 60 days following the receipt of the final decision of the DWSD Stormwater Appeals Board.

(f) An aggrieved person shall exhaust all administrative remedies provided in this Chapter before seeking judicial review.

Section 56-3-116. Notice.

(a) If any stormwater control measure is found upon inspection to be arranged, damaged, clogged, or in such disrepair, as to impede, obstruct, or hinder the flow of surface water in a manner which conflicts with acceptable engineering practices, or if a planned and permitted stormwater control measure has not been installed per an approved Post Construction Stormwater Management Plan within 30 days of inspection, the certifying party shall give written notice to the Department of the conditions found, the actions necessary to bring conditions into conformance with the approved Operation and

Maintenance Plan, and the timeframe for completion.

(b) If any condition referenced in Subsection (a) of this section, is found by the Department upon its own investigation, whether as a result of, or independent of, a period inspection report, the Department shall give written notice to the owner of the property of the findings specifying the problem, the actions necessary to bring conditions into conformance and the timeframe for completion, as well as the potential for additional action under civil penalty or other penalty or remedy in Section 56-3-118 of this Code.

Section 56-3-117. Civil penalty.

Whenever the Department has reasonable grounds to believe that any person is violating, or has violated, any requirement of this division, the Department may commence a civil action to compel compliance in a court of competent jurisdiction to enjoin said person from discharging, or to obtain appropriate relief to remedy the violations. The Department or DWSD Board also may seek additional legal or equitable relief. The commencement of suit neither constitutes an exclusive election of remedies nor prohibits the Department, Director, Board, or City of Detroit from commencing action in federal court for discharges believed to be in violation of this division, state or federal requirements contained in the Clean Water Act, the City's NPDES permit, or other applicable laws or requirements. In addition, the City may recover the reasonable attorney fees, court costs, court reporters' fees, and other unusual expenses related to enforcement activities or litigation against the person found to have violated this division, or the orders, rules, regulations and permits issued hereunder.

Section 56-3-118. Fines.

All fines, costs, and penalties which are imposed by any court of competent jurisdiction shall be payable to the Detroit Water and Sewerage Department.

Section 56-3-119. Additional remedies.

(a) The Buildings, Safety Engineering & Environmental Department or other authorized agent may refuse to issue a certificate of occupancy for any regulated construction activity on a development site and served by stormwater control measures until such time as the applicant or other responsible person has taken remedial measures set forth in the notice of violation or has otherwise cured the violations described therein.

(b) The Buildings, Safety Engineering & Environmental Department may suspend or revoke any approvals granted for the development site upon discovery of the failure of the property owner, applicant or developer to comply with the provisions of this division.

(c) So long as a violation of this division continues and remains uncorrected, the Department, the Buildings, Safety Engin-

earing and Environmental Department or other authorized agent may withhold, and the Department, the Buildings, Safety Engineering and Environmental Department or other authorized agent may disapprove any request for a permit or site plan approval or authorization provided by this ordinance or the zoning, subdivision, or other building regulations, as appropriate for the land on which the violation occurs.

(d) The Department may institute an action in a court of competent jurisdiction for a mandatory or prohibitory injunction and order of abatement to correct a violation of this ordinance. Any person violating this ordinance shall be subject to the full range of equitable remedies provided in the general statutes or common law.

(e) If the violation is deemed dangerous or prejudicial to the public health or public safety, the Department may cause the violation to be corrected and the costs to be assessed as lien against the property.

(f) By issuance of an order of restoration, the Department may require a person who engaged in a regulated construction activity and failed to comply with this division to restore the waters and land affected by such failure so as to minimize the detrimental effects of the resulting pollution. The authority is in addition to any other civil penalty or injunctive relief authorized under this ordinance. If failure to comply is deemed dangerous or prejudicial to the public health or public safety, the Department, may institute an action to cause the violation to be corrected and the costs to be assessed as a lien against the property. **Sec. 56-3-120-56-3-149. RESERVED.**

Section 2. All ordinances, or parts of ordinances, that are in conflict with this ordinance are repealed

Section 3. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the city of Detroit.

Section 4. In the event that this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. In the event that this ordinance is passed by less than a two-thirds (2/3) majority of the City Council members serving, it shall become effective on the thirtieth (30) days after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 City Charter.

awarded the City of Detroit Police Depart-
ment with the FY 2019 Victims of Crime
Assistance (VOCA) Grant for a total of
\$964,101.00. The State share is

\$964,101.00 of the approved amount, and
there is a cash match of \$208,006.00.
There is also a required in-kind match
contribution of \$33,019.00. The total pro-
ject cost is \$1,205,126.00. The Grant was
adopted in the current budget under
appropriation 20450, in the amount of
\$1,140,093.00. The grant was awarded
for a higher value than was budgeted. We
are requesting an increase in appropria-
tion for the FY 2019 adopted budget for
the grant, in the amount of \$65,033.00.
This will increase appropriation 20450,
previously approved in the amount of
\$1,140,093.00, to a new total budget
amount to \$1,205,126.00. The grant period
is October 1, 2018 through September
30, 2019.

The objective of the grant is to review
and respond to police reports of sexual
assault, domestic violence, cases of
homicide and missing persons, child
abuse, and other assaultive crimes, in the
City of Detroit. The funding allotted to the
department will be utilized to provide
group and/or individual counseling to all
sexual assault, domestic violence, homi-
cide or child abuse victims and/or family
members requesting this service. This is
a reimbursement grant.

If approval is granted to accept and
appropriate this funding, the appropriation
number is 20450, with the match amount
coming from appropriation number
00380.

I respectfully ask your approval to
accept and appropriate funding in ac-
cordance with the attached resolution.

Re: Request to Accept and Appropriate the FY 2018 Transit Operations Modernization and Technology Deployment (TOD-TD) Grant

The Federal Transit Administration has awarded the City of Detroit Department of Transportation with the FY 2018 Transit Operations Modernization and Technology Deployment (TOD-TD) Grant in the amount of \$700,000.00. There is a required State match, from the Michigan Department of Transportation (MDOT), in the amount of \$175,000.00. The total Federal and State award amount is \$875,000.00. There is no local match requirement. The total project cost is \$875,000.00.

The objective of the grant is to prepare the Detroit Department of Transportation (DDOT) for new technology. The funding allotted to the department will be utilized to hire a small team of consultants to identify ways that DDOT can update its methods to be compatible with modern technology systems. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20556.

Re: Request to Accept and Appropriate the FY 2018 Section 5339 Bus and Bus Facilities Grant.

The Federal Transit Administration has awarded the City of Detroit Department of Transportation (DDOT) with the FY 2018 Section 5339 Bus and Bus Facilities Grant for a total of \$4,746,161.00. There is a required State match, from the Michigan Department of Transportation (MDOT), in the amount of \$1,186,541.00. The total Federal and State award amount is \$5,932,702.00. There is no local match required. The total project cost is \$5,932,702.00.

The objective of the grant is to replace old buses that have passed their useful life, with new buses. The funding allotted to the department will be utilized to replace up to seven (7) 40-foot buses that are servicing DDOT's fixed route service. Additionally, it allows for the purchase five (5) buses to replace four (4) 40-foot buses and one (1) 60-foot articulated bus. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20557.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,
RYAN FRIEDRICHS

Re: Request to accept an increase in appropriation for the FY 2015 Consolidated Youth Grant.

The Community Health And Social Services Center (CHASS) has awarded an increase in appropriation to the City of Detroit Police Department for the FY 2015 Consolidated Youth Grant, in the amount of \$21,600.00. There is no match requirement. This funding will increase appropriation 20260, previously approved in the amount of \$28,279.00, by council on March 29, 2016, to a total of \$49,879.00.

The FY 2015 Consolidated Youth Grant is a reimbursement grant. The objective of the grant is to conduct trainings to improve police response to youth survivors of dating and sexual violence. This grant will enable the department to cover the costs of the prevailing overtime rate for 4th Precinct Officers.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,

**TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION
FOR
MARY LONGMIRE-BUTLER**

By Council Member Sheffield:

WHEREAS, Mary Longmire-Butler was born October 24, 1920, in Escambia County, Florida. Mary was the second of the seven children of Reverend James and Lillie Longmire. As one of the oldest children, Mary was responsible for taking care of the younger group. According to her younger sister, not only was Mary a stand out academically, Mary was always recognized in various churches for her beautiful singing voice.

WHEREAS, Mary Longmire married her teenage sweetheart, Joseph Alexander Butler on September 26, 1938 and had 13 children together. The family was always important to Mary and Joseph. After working long and hard days and nights, they would still spend time with their children, be it allowing the children to go to work with them, along with summer picnics at Kensington Park, and

winter picnics at Belle Isle. Growing up the children always had access to books; including the Bible and World Book and Childcraft encyclopedias, etc. Mary and Joseph assured that their children always had the best education.

WHEREAS, After her youngest child started school, Mrs. Mary Butler enrolled in the Shapiro School of Nursing. As the only African American student in her class, it was not expected for her to finish. Despite the hardships that presented themselves, not only did Mary Butler finish, she finished at the top of her class in 1968, receiving recognition from Congressman Charles C. Diggs, Jr., who was the first African American elected to Congress from Michigan. The Michigan Chronicle newspaper featured an article on Mary Butler's accomplishments and the support provided by her husband Joseph. In addition, Sylvia Wayne who was one of the first featured African American television reporters came to the house to interview Mrs. Butler. The interviews were arranged by her son, Robert Butler, who was one of the first Black Fireman in Detroit.

WHEREAS, In order to further her knowledge of art, while in her sixties, Mary enrolled in the Wayne County Community College. She took classes in ceramics, drawing, painting, English and math. Unfortunately, Mary's husband died at the age of 65. Even though this was a difficult period in her life, Mary resumed her school work. Always one to strive to be the best, in spite of how difficult things were at home, Mary proceeded to graduated Magna Cum Laude.

WHEREAS, Mary Longmire Butler continued her artwork and gardening until she suffered a major stroke in 2008. Mary was not expected to live, therefore Mary was not given the level of support by the medical teams. This stroke left Mary unable to walk and also impacted her speech. However, in the later years, Mary always the fighter, constantly received kudos from her physical and occupational therapists. Today, Mary is loving-caring person to her family and her friends. Although she is in a wheelchair, children come to her Mary and immediately feel safe. Mary Butler serves as an inspiration to all.

THEREFORE, BE IT

RESOLVED, That the Office of City Council President Pro Tempore Mary Sheffield and the Detroit City Council

hereby on this 24th day of October that this resolution endure as a permanent record of respect and admiration for Miss Mary Longmire-Butler.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**TESTIMONIAL RESOLUTION

**BUDGET, FINANCE AND AUDIT
STANDING COMMITTEE**

By Council President Jones:

AN ORDINANCE to amend Chapter 18, of the 1984 Detroit City Code, Finance and Taxation, Article V, Purchases and Supplies, by adding Division 11, Detroit Supply Schedule, to include Section 18-5-170, Purpose and intent; Section 18-5-171, Definitions; Section 18-5-172, Directed by the Chief Financial Officer, managed by Chief Procurement Officer; Section 18-5-173, Request for Proposals; Section 18-5-174, Award of contracts; Section 18-5-175, Reservation of thirty percent of contracts for bidding by Detroit-certified businesses; Section 18-5-176, Request for quotations; Section 18-5-177, Outreach efforts; and Section 18-5-178, Authorization for use by other governmental units, to establish the Detroit Supply Schedule program for the purpose of negotiating more favorable prices for frequently recurring purchases of goods or services, to increase the speed and efficiency of obtaining such goods and services, and to facilitate the development and growth of Detroit-certified businesses.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 18 of the 1984 Detroit City Code, *Finance and Taxation*, Article V, *Purchases and Supplies*, be amended by adding Division 11, *Detroit Supply Schedule*, Sections 18-5-170 through 18-5-178, to read as follows:

**CHAPTER 18.
FINANCE AND TAXATION
ARTICLE V.
PURCHASES AND SUPPLIES
DIVISION 11.
DETROIT SUPPLY SCHEDULE**

Sec. 18-5-170. Purpose and intent.

The Detroit Supply Schedule Program

is designed to procure commonly-used, recurring goods and services at favorable prices generated by high volume purchases, to increase the City's speed and efficiency in obtaining these goods and services, and to advance the growth and development of Detroit-certified businesses.

Sec. 18-5-171. Definitions.

For the purposes of this division, the following words and phrases shall have the meaning respectively ascribed to them by this section:

Detroit-certified business means any contractor that is certified as a Detroit-based business, Detroit-based micro business concern, Detroit-based small business, Detroit-headquartered business, or Detroit-resident business as those terms are defined in Section 18-5-1 of this Code.

Detroit Supply Schedule means a schedule of indefinite delivery-indefinite quantity contracts to be awarded by the Chief Procurement Officer for recurring goods and services divided into broad categories of such goods and services.

Indefinite delivery-indefinite quantity contracts means contracts that establish a price and other terms and conditions for the procurement of an indefinite quantity, within stated limits, of goods or services during a fixed period of time, but do not specify the date or the quantity of delivery or performance. Such contracts must contain a maximum dollar amount, pre-negotiated prices, delivery terms, warranties, and other terms or conditions that streamline the procurement process.

Request for proposals means a solicitation to communicate the City's requirements to prospective contractors for enumerated goods and services by which the City seeks proposals for indefinite delivery-indefinite quantity contracts for those goods or services as listed in the Detroit Supply Schedule. Requests for proposals shall describe the City's requirements, anticipated terms and conditions, information required in the offeror's proposal, and criteria that will be used to evaluate the proposal and their relative importance.

Request for quotations means a request for technical and price quotations from approved Detroit Supply Schedule contractors for specific quantities of goods or services to be delivered or performed by a specific date or schedule of dates.

Reserved bidding schedule means those Detroit Supply Schedule items or categories reserved for bidding by Detroit-certified businesses only.

Sec. 18-5-172. Directed by Chief Financial Officer; managed by Chief Procurement Officer.

(a) The Detroit Supply Schedule program shall be directed by the Chief Financial Officer and implemented and managed by the Chief Procurement Officer.

(b) The Chief Procurement Officer shall:

(1) Issue Detroit Supply Schedule publications that provide an overview of the Detroit Supply Schedule Program;

(2) Issue all requests for proposals and associated guidelines issued pursuant to this program; and

(3) Publish each awarded Detroit Supply Schedule contract of covered goods and services.

(c) The Detroit Supply Schedule, publications, and guidelines shall be readily available at the Office of the Chief Financial Officer's website.

(d) The Chief Financial Officer shall conduct an annual review of the program to compare the prices paid by the City with market rates and to otherwise ensure that the City is benefitting from the program in terms of performance and price.

(e) Every five years, beginning in 2024, the Chief Procurement Officer shall prepare a report providing an overview of the Detroit Supply Schedules program. The report shall be forwarded to City Council and posted on the Office of the Chief Financial Officer's website.

Sec. 18-5-173. Request for proposals.

(a) The Chief Procurement Officer may issue a request for proposals for indefinite delivery-indefinite quantity contracts for recurring goods and services as described and enumerated for each Detroit Supply Schedule.

(b) No contract shall be forwarded to City Council for its approval unless three or more responses to the request for proposals are received.

(c) The Chief Procurement Officer will select qualified contractors for approval by Council based on the following factors:

(1) A determination that the offered prices for the goods or service are reasonable;

(2) A determination that the prices being offered are equal to or better than the offeror's current best discount to any customer; and

(3) A review of the dollar value of sales to the general public during the 12 months prior to the request for proposals.

(d) Equalization factors, as described in Sections 18-5-12 and 18-5-13 of this Code, shall not be applied in selecting qualified contractors under this section.

(e) Following the evaluation of the proposals, the Chief Procurement Officer shall submit the selected contractors for review and approval by Detroit City Council pursuant to Section 18-5-21 of this Code.

(f) All responses must include a non-collusion statement on a form provided by the Chief Procurement Officer and signed by the responding contractor.

Section 18-5-174. Award of contracts.

(a) Detroit Supply Schedule contracts shall be awarded after City Council

approval pursuant to Section 18-5-21 of this Code.

(b) Detroit Supply Schedule contracts must contain:

(1) Definite price terms for a fixed period of time, but shall not include specific quantities or delivery dates for the goods or services to be procured;

(2) A pricelist for the goods and services to be procured by the contract; and

(3) A pricelist that contains the pricing, terms, and conditions related to the Detroit Supply Schedule Item Number provided for by the contract.

(c) Contracts issued pursuant to the Detroit Supply Schedule program shall be valid for a period of five years and may include an option to extend the contract for a maximum of an additional five years, subject to City Council approval pursuant to Section 18-5-21 of this Code.

(d) Goods and services included on the Detroit Supply Schedule must be procured from approved Detroit Supply Schedule contractors following a request for quotations.

Sec. 18-5-175. Reservation of thirty percent of contracts for bidding by Detroit-certified businesses.

(a) Following review and approval of the reserved bidding schedule by the City Council, the Chief Procurement Officer shall reserve at least thirty percent of the Detroit Supply Schedule contracts for bidding restricted to Detroit-certified businesses. However, if the Chief Procurement Officer is dissatisfied with the results of limited bidding under this section, the Officer may re-issue the request for proposals without this limitation. The Chief Procurement officer shall provide the City Council with a report detailing the reasons for the rejection of the limited bidding.

(b) City Council shall review and approve the Detroit Supply Schedules Detroit-certified businesses reserved bidding schedule every five years.

Section 18-5-176. Request for quotations.

(a) Following approval of Detroit Supply Schedule contracts in accordance with Section 18-5-21 of this Code, the Chief Procurement Officer may issue requests for quotations for specific delivery and performance dates for goods and services.

(1) The Chief Procurement Officer shall forward requests for quotations to all approved contractors under the specific Detroit Supply Schedule Item Numbers and such contractors shall be given a fair opportunity to compete for the task or delivery order.

(2) Requests for quotations shall provide a reasonable period of time for response and shall describe significant factors to be considered in evaluating all responses.

(3) The equalization factors found at

Section 18-5-12 and 18-5-13 of this Code shall be applied in the award of task and delivery orders under this section.

(4) The Chief Procurement Officer shall select the lowest responsible bidder or bidders to fulfill the request for quotations and issue a task or delivery order to the selected contractor(s).

(5) The Chief Procurement Officer may select more than one eligible contractor to fulfill a request for quotations.

(b) Additional City Council approval shall not be required for the selection of Detroit Supply Schedule contractors to provide the goods or services sought by a request for quotations.

(c) As stated in Section 18-5-12(f) of this Code, a Detroit-resident business, a Detroit-based business, or a major venture or joint-venture with a Detroit-resident business or Detroit-based business, may not assign or subcontract its City contracts to a non-Detroit-resident or a non-Detroit-based business without the approval of such assignment or subcontract by the Chief Procurement Officer.

(d) No task or delivery order may be awarded to a Detroit Supply Schedule contractor after the expiration of a Detroit Supply Schedule contract unless City Council has approved a renewal or extension of the original Detroit Supply Schedule contract.

(e) The Chief Procurement Officer shall provide City Council with notice of all task and delivery orders and the dollar value of such orders on a quarterly basis.

Sec. 18-5-177. Outreach efforts

(a) The Chief Procurement Officer and the Director of the Civil Rights and Inclusion Office shall be responsible for the following efforts to encourage the participation of Detroit-certified businesses and Detroit residents in the procurement process:

(1) Development of workshops, seminars, and educational materials regarding contracting and the procurement processes;

(2) Sponsorship of at least two educational and outreach meetings in each council district each year which will be coordinated with the Council's two at-large members and the Councilmember for that district;

(3) Preparation of educational programs in collaboration with local colleges, the Detroit Public Schools Community District, and other education providers to encourage local entrepreneurship and develop the skills necessary for successful participation in the competitive bidding process; and

(4) Submission of all Detroit Supply Schedule requests for proposals to Council at the time such requests are released for bidding.

Section 18-5-178. Authorization for use by other governmental units.

The Chief Procurement Officer may

authorize other governmental units, including municipalities and counties, within Michigan, Illinois, Ohio, and Wisconsin, to procure goods and services under the terms and conditions provided for in the Detroit Supply Schedules contracts.

Sec. 18-5-179—18-5-190. Reserved.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. In the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 18 of the 1984 Detroit City Code, *Finance and Taxation*, Article IX; *Taxation Generally*, be amended by adding Division 9, *Homeowners Property Tax Assistance Program*, to consist of Sections 18-9-131 through 18-9-141, to read as follows:

**CHAPTER 18.
FINANCE AND TAXATION
ARTICLE IX.**

TAXATION GENERALLY

Division 9. Homeowners Property Tax Assistance Program

Sec. 18-9-131. Purpose.

To set forth the procedures and standards for the submission and review of applications for property tax exemptions, in whole or in part, for persons who in the judgment of the Board of Review, by reason of poverty, are unable to contribute toward the public charges.

Sec. 18-9-132. Ownership and occupancy required.

The Applicant must be an owner and occupy as a principal residence the property for which the exemption is requested.

Sec. 18-9-133. Annual application required; time of submission.

(a) The Applicant must submit a new

application each year to qualify for the exemption provided for in the Homeowners Property Tax Assistance Program.

(b) The application for an exemption shall be filed after January 1 but prior to the last day of the December Board of Review.

Sec. 18-9-134. Application for Homeowners Property Tax Assistance Program; availability.

(a) Homeowners Property Tax Assistance Program applications shall be available to the general public at the Office of the Assessor, City of Detroit Recreation Centers, Department of Neighborhood Offices and on all of the City's website under all webpages that reference property taxes for the payment of property taxes.

(1) The Office of the Assessor shall post a notice near the Homeowners Property Tax Assistance Program applications and on the Property Assessment Documents page that advises residents that the Applicant may speak with a representative of the Board of Review if they have any questions about the application.

(2) The Board of Review shall maintain and provide upon request, a resource list of organizations that will assist in the completion of the Homeowners Property Tax Assistance Program application.

(b) An application for Homeowners Property Tax Assistance Program made pursuant to MCL 211.7u, shall be made by the property owner on a form that is provided by the Assessor's Office as set forth in Subsection (a) of this section. In addition to other required information, the application shall include a place to identify the following:

(2) A valid driver's license, or any unexpired government issued identification so long as it includes the applicant's picture and address.

(3) Documentation providing proof of marital status which may included a judgment of divorce, order of separation, order

of desertion or a statement made by the Applicant attesting to the fact of the divorce, separation or desertion and that the spouse no longer resides with the Applicant. The Board retains the right to request additional information from the Applicant in support of this statement of divorce, separation or desertion.

(4) Documentation that establishes the residency for all minors at the address including but not limited to, federal or state tax returns, Department of Health and Human Services statements, Friend of the Court statements, school report cards, school transcripts and Social Security statements.

(5) Complete federal and state income tax returns, including schedules, for all adults for the current year.

a. Tax returns are not required for a person residing in the principal residence if that person was not required to file a federal tax return in the tax year in which the exemption is claimed or in the immediately preceding tax year, instead, an affidavit on a form provided for by the state tax commission may be accepted.

b. The Board of Review retains the right to request additional documentation if there is a reasonable basis to believe certain income is not reflected on the tax return.

c. For Applicants who are not required to file a tax return, the Board shall accept W2 forms, Social Security statements, or any other reasonable proof including, but not limited to, documents showing current enrollment in any government program that has the same or lower income requirements.

(6) Documents providing proof of property tax credits. For those Applicants who are not required to file tax returns, the Board of Review reserves the right to request the Applicant to list all prior year tax rebates or tax credits.

(d) The Applicant shall not be required to provide utility bills to support the claim of occupancy of the subject property.

(e) The application shall not include a requirement for notarization, but may include a signing statement acknowledging the applicant's submission under penalty of perjury and the potential criminal liability for false or fraudulent applications and statement of prosecutorial intent with respect to false or fraudulent applications.

(f) The application shall not include a deadline for submission, but shall state that all applications will be considered if postmarked or submitted in person prior to the last day of the December Board of Review. The application shall state that the Board of Review "strongly encourages homeowners to apply as soon as possible and that any application not submitted prior to the last day of the December Board of Review cannot be considered for the current year."

(g) The application shall include a doc-

ument checklist of all items needed for the application to be considered by the Board of Review.

(h) The application shall include a space for the Applicant to document extraordinary circumstances and explain why they are seeking an exemption.

Sec. 18-9-135. Short Form Affidavit.

(a) Eligibility.

(1) An applicant may submit a short form affidavit if all the following requirements are met:

a. The Applicant has received a property tax exemption for three consecutive years; and

b. The Applicant's income for the most recent tax year did not increase from the previous tax year beyond the applicable income guideline for the type of property tax exemption that was granted; and

c. The Applicant's assets for the most recent tax year did not increase from the previous tax year beyond the applicable asset threshold for the type of property tax exemption that was granted; and

d. The Applicant's ownership of the residential property has not changed from the previous tax year for which the property tax exemption was granted; and

b. The Applicant is on a fixed income that does not exceed the federal poverty limits; and

c. The Applicant received the property tax exemption in the previous year; or

3. The Applicant, or their caregiver, may submit a short form affidavit if the following requirements are met:

a. The Applicant is a person with special needs as defined by federal or state guidelines; or

b. The Applicant is a caregiver of a person with special needs as defined by federal or state guidelines; and

c. The Applicant received the property tax exemption in the previous year.

(b) *Required information.* In addition to other requested information, the short form affidavit shall require:

(1) The Applicant's name and address;

(2) A copy of the Applicant's current identification;

(3) A copy of the recorded proof of ownership; and

(4) An attestation that the information on the short form affidavit is accurate.

(c) *Filing.* The short form affidavit shall be filed with the Office of the Assessor along with the petition prior to the last day of the December Board of Review for consideration for the current tax year.

Sec. 18-9-136. Guidelines.

(a) City Council shall determine and make available to the public the policy and guidelines that the City uses for the granting of exemptions.

(1) The guidelines shall include, but not be limited to, specific income levels for property tax exemption for the applicant, specifically, that Applicants seeking a full exemption must have income at or below 138% of the Federal Poverty Level and Applicants seeking a partial exemption must have income at or below 160% of the Federal Poverty Level.

(2) The guidelines shall include asset levels of the claimant and total household income to be considered in the granting of a property tax exemption. Applicants who have less than \$12,000 in assets need not list assets, instead they can provide an affirmative statement attesting to the value of assets owned.

(b) The Board of Review shall submit the proposed guidelines to City Council by October 15th for consideration and adoption via resolution for the next tax year.

(c) The policy and guidelines shall include the appeal process for Applicants that are denied relief.

(d) The Board of Review shall not require applicants whose income falls below the eligible threshold to document their expenses or debts. Those whose income is above the eligible threshold may list debts and expenses to offset their higher income.

(e) As provided in MCL 211.1 *et. seq.*, *The General Property Tax Act*, the Board of Review shall follow the policy and guidelines of the City in granting or denying an exemption unless the Board of Review determines there are substantial and compelling reasons why there should be a deviation from the policy and guidelines and the substantial and compelling reasons are communicated in writing to the claimant.

Sec. 18-9-137. Relief.

The Board of Review shall provide a partial, 50% tax exemption and up to a full, 100% tax exemption, based on the guidelines referenced in Section 18-9-136 of this Code.

Sec. 18-9-138. Notice of the Homeowners Property Tax Assistance Program; outreach.

(a) The City shall include on the Notice of Assessment mailed to homeowners the second week in January, that the Homeowners Property Tax Assistance Program help is available and contact information to request or obtain an application.

(b) The City shall provide and maintain easily accessible information on its website that describes the Homeowners Property Tax Assistance Program, the program guidelines and the process to apply.

Sec. 18-9-139. Decision letter.

(a) All applicants for the Homeowners Property Tax Assistance Program shall receive a written notification of the Board's decision within 10 days after the close of the Board of Review.

(b) If the Board of Review denies an application the notice shall include the reasons for denial and provide the process and timeline for the appeal.

(c) If the Board of Review fails to consider an application, the notice shall include information as to the inadequacy or untimeliness of the application.

Sec. 18-9-140. Appeal of assessment preserved.

A person is not prohibited from also appealing the assessment on the same property before the Board of Review in the same year if they are an Applicant for the Homeowners Property Tax Assistance Program.

Sec. 18-9-141. Tax bill.

(a) Taxpayers that receive a partial or complete property tax exemption will be issued a revised tax bill within 30 days after the close of the July or December Board of Review, whichever is applicable.

(b) Except for a partial exemption the revised tax bill will reflect the amount of the reduced solid waste fee.

Secs. 18-9-142 — 18-9-150. Reserved.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. The division added by this ordinance has been enacted as comprehensive local legislation, It is intended to be the sole and exclusive law regarding its subject matter, subject to provisions of state law.

Section 5. In the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

Re: Resolution Authorizing Notice of Intent and Issuance of Bond for Joe Louis Arena Demolition

Dear Honorable Detroit City Council Members:

The CFO office submits the proposed Resolution Authorizing Notice of Intent and Issuance of Bond for Joe Louis Arena Demolition. The Michigan Strategic Fund has offered a loan to the City in an amount not to exceed \$12 million for the purpose of demolishing Joe Louis Arena and related activities. In order to accept the loan, the City must undertake a statutorily authorized method of borrowing money. In this case, the appropriate form of borrowing is the issuance of a general obligation capital improvement bond, which would be delivered to the MSF in exchange for the loan. The resolution authorizes the issuance of the bond under terms that reflect the terms of the MSF loan. The resolution also authorizes the publication of a notice of intent to issue the bond, which triggers a 45-day referendum period required by state law. The issuance of the bond (and therefore the closing of the MSF loan) will proceed only after that 45-day period has expired without the filing of a referendum petition signed by 15,000 registered City electors.

Should you have any questions, please do not hesitate to contact me or my offices.

Best regards,
JOHN NAGLICK, JR.
Deputy Chief Financial Officer

By Council Member Ayers:
**RESOLUTION AUTHORIZING
NOTICE OF INTENT AND
ISSUANCE OF BOND FOR
JOE LOUIS ARENA DEMOLITION
City of Detroit**

County of Wayne, State of Michigan
Whereas, The City Council of the City of Detroit (the "City") does hereby determine that it is necessary to pay all or part of the cost of capital improvement items in the City, consisting of the demolition of Joe Louis Arena and related structures

and facilities within the City and related improvements (the "Project"); and

Whereas, To finance the cost of the Project, the Michigan Strategic Fund (the "MSF") has offered a loan to the City (the "Loan") according to terms approved by the MSF and presented to the City; and

Whereas, In exchange for the Loan, the City Council deems it necessary to issue and deliver to the MSF a bond in an amount of not to exceed Twelve Million Dollars (\$12,000,000) pursuant to Act 34, Public Acts of Michigan, 2001, as amended ("Act 34"); and

Whereas, A notice of intent to issue a bond must be published before the issuance of the aforesaid bond in order to comply with the requirements of Section 517 of Act 34, Public Acts of Michigan, 2001, as amended, and said bond may be issued without a vote of the electors of the City unless a proper petition for an election on the question of the issuance of the bond is filed with the City Clerk within a period of forty-five (45) days from the date of the notice of publication.

Now, Therefore, Be It Resolved That:

1. Notice of Intent: Publication. The City Clerk is hereby authorized and directed to publish a notice of intent to issue a bond in a newspaper of general circulation in the City.

2. Notice of Intent: Form. Said notice of intent shall be published as a one-quarter (1/4) page display advertisement in substantially the following form:

October 15, 2018

Honorable City Council:

Re: Raymond Charles Blunt vs. City of Detroit. Case No.: 17-014242-NI. File No.: L17-00674 (CB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to

each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty-Five Thousand Dollars and No Cents (\$25,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty-Five Thousand Dollars and No Cents (\$25,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to The Reizen Law Group, his attorneys, Meridian Health Plan, and Raymond Charles Blunt, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 17-014242 NI, approved by the Law Department.

Respectfully submitted,
CALVERT BAILEY
