### Your rent + Esusu

Esusu is building the one-stop shop for renter financial health. Traditionally, paying rent doesn't help your credit score. Esusu and your property are working to change that by reporting your on-time rent payments to the three major credit bureaus.

**Pay your rent as you normally do**

**Esusu reports on-time payments to credit bureaus at no cost to you**

**Monitor your score online or on the Esusu app**

**Esusu Disclosure:** Esusu aims to help renters build financial stability now and forever. Esusu only reports on-time rent payments and does not report missed or late rent payments to the credit bureaus. Using Esusu rent reporting services does not guarantee an increase in credit scores as scores are determined by the credit agencies using multiple factors, including but not limited to the history of a renter's other timely payments being reported to the credit agencies, change in credit utilization rates, and so much more. For questions about our products and services, see Esusu's FAQs at [esusurent.com/faq](https://esusurent.com/faq) or email us at [rentsupport@esusu.org](mailto:rentsupport@esusu.org).
