## Experience Pella® products for yourself.

To get started, search “Pella” in the app store appropriate to your device and download the Pella AR app. To view the experience, select “Live View AR” and tap on the product you’d like to load.

# We Are Dedicated to Window & Door Details

Pella ProEdge Solutions is an extension of your team, helping projects go more quickly and smoothly while reducing callbacks. With dedicated product expertise; anytime, anywhere communication; and service after the sale, you can complete jobs faster, get paid sooner and take on more jobs for your business.

## Your Local Go-To Window and Door Experts

The expertise of your local Pella representatives coupled with personalized on- and off-site support, helps cut time and hassle from every project. And with access to local Pella showrooms, your homeowners can work directly with a Pella sales rep to decide which products will work best for their home.

## Anytime, Anywhere Communication

Pella ProEdge Solutions provides builders and contractors with anytime, anywhere communication. With Pella ProConnect, you can contact your rep, track orders and see which accessories are being held. And when you need a quote or have a question, our project management team will respond within 24 hours. To create a new account, simply open your favorite web browser on your preferred device and visit [proconnect.pella.com](https://proconnect.pella.com) or use the QR code. Mobile users can add a tile icon to their home screen for easy access.

# Why You Can Trust Pella

At Pella, we don't just create windows and doors. We innovate with purpose, design with passion, build with integrity and deliver with pride.

**Rated #1 for innovation by homeowners<sup>1</sup>**

**Rated #1 for highest quality by homeowners<sup>1</sup>**

**The best Limited Lifetime Warranty for wood windows and patio doors<sup>2</sup>**

<sup>1</sup> Study of homeowner perceptions of leading national brands. Study commissioned by Pella, 2021.

<sup>2</sup> Based on comparing written limited warranties of leading national wood window and wood patio door brands. See written limited warranties for complete details, including exceptions and limitations, at [pella.com/warranty](https://pella.com/warranty), or contact Pella Customer Service at 877-473-5527.

# Wood & Clad-Wood Windows & Patio Doors

**Pella® Lifestyle Series**  
Dual-pane casement windows with between-the-glass grilles and a custom stained interior.

# Pella® Reserve™

Authentic designs with uncompromised attention to detail.

Made for the distinction creators, the purists of design, the architectural historians – each window and door is meticulously designed to achieve your vision. We deliver tailor-made solutions and intentional innovations to achieve your unique vision without concessions. From simple yet sophisticated style to historical detailing, anything less simply won't do.

Pella Reserve – Traditional windows and patio doors are exquisitely designed with unparalleled historical detailing. They feature through-stile construction, deliberate proportions and intricate profiles to achieve authentic traditional style.

Contemporary-designed Pella Reserve windows and patio doors offer simple and sophisticated styles with expansive glass, sleek, minimal profiles and through-stile construction, which embody the tenets of pure contemporary design.

# Pella® Reserve™ Traditional

Wood & Aluminum-Clad Wood

## Unparalleled historical detailing

Featuring historic elements with uncompromised attention to detail, including Integral Light Technology® grilles and a historic putty profile.

## Authentic hardware

With a historically authentic spoon-lock and our Antiek casement window hardware inspired by period furniture.

## Winner of the 2019 Most Innovative Window

From *Window and Door Magazine*, the patented Integrated Rolscreen® appears when you need it and is hidden when you don't.

Pella Reserve  
Traditional

## Historic elements

**Putty profile.** Further your aesthetic with the putty profile, recreated with historically accurate angles to provide meaningful depth and a realistic shadow. These products offer the industry's deepest sash dimension.

**Through-stile construction.** Essential to the tradition of window making, butt joinery and through-stile construction create authentic proportions and emulate historic window design.

**Integral Light Technology.** Pella's Integral Light Technology helps capture the look of true-divided-light without sacrificing energy performance.

## Intentional innovations

**Single- and double-hung Integrated Rolscreen.** The Integrated Rolscreen is a screen on a single- and double-hung window that appears when you open the window, and rolls away, out of sight, when you close it.

**Innovative sash lugs.** Add sash lugs to the exterior of our double-hung windows to create an authentic look, while maintaining modern tilting functionality for easy cleaning.

**Integrated security sensors.** Preserve the beauty of Pella Reserve windows and doors while protecting what matters most.

Exquisitely designed windows and doors with unparalleled historical detailing. Featuring through-stile construction, deliberate proportions and intricate profiles to achieve authentic traditional style. Durable interiors and extruded aluminum exteriors allow you to create the ideal look for your design. And with cutting-edge innovations that solve modern-day inconveniences without compromising the design, your clients can be proud to own Pella Reserve - Traditional windows and patio doors. We know your reputation matters, so we stand behind Pella Reserve products with the best limited lifetime warranty for wood windows and patio doors.\*

Achieve your vision and impress your clients. From preliminary drawings to installation, Pella's expert team of architects, engineers, drafters and consultants can work to deliver custom window and door solutions for your project. Partner with Pella to achieve your unique vision without concessions. And with large multi-slide and bifold patio doors, you can create a space that blurs the lines between indoors and out.

## Available in these window and patio door styles:

# Pella® Reserve™

## Contemporary

Aluminum-Clad Wood

### Clean lines

Add sleek, clean lines to your project with industry-leading modern designs.

### 90° exterior profiles

Pella's patented cladding system delivers a clean sash joint with pure, 90-degree exteriors.

### Modern hardware

Our renowned, exclusive hardware features sleek lines. The Saldo foldaway crank adds the perfect finishing touch.

Pella Reserve  
Contemporary

### Clean lines

**Expansive glass.** Expansive glass combined with some of the narrowest sightlines in the industry allow you to bring your vision to life.

**Minimal profiles.** Our industry leading modern design delivers sleek, squared-off sash profiles. Square grille profiles provide another layer of design flexibility.

**Modern hardware.** Our renowned, exclusive hardware has set the bar for the industry. Featuring sleek lines, the Saldo foldaway crank adds the perfect finishing touch.

### Achieve your vision

**Durable, extruded aluminum.** Available in a wide variety of exterior colors or create your own unique exterior color to meet your design needs.

**Virtually unlimited customization.** From extra tall to extra wide. Custom sizes, grille patterns and designs, finishes, wood types and glass options are available.

**Tailor-made solutions.** From preliminary drawings to installation, Pella's expert team of architects, engineers, drafters and consultants can work to deliver custom window and door solutions for your project.

Achieve your unique design vision without concessions with simple and sophisticated designs. With expansive glass, sleek, minimal profiles and through-stile construction, this design embodies the tenets of pure contemporary style.

With uncompromised attention to detail, our cutting-edge innovations solve modern-day inconveniences. Add an expansive multi-slide or bifold patio door to your design for a space that blurs the lines between indoors and out. Preserve the beauty of Pella Reserve - Contemporary windows and doors while protecting what matters most with integrated security sensors. Windows and patio doors can be monitored from virtually anywhere with the free Pella Insynctive® App.<sup>1</sup> And we stand behind our products with the best limited lifetime warranty for wood windows and patio doors.<sup>2</sup>

<sup>1</sup> Requires the Pella Insynctive App on a smart device, an Insynctive Bridge and a wireless home internet router with internet connection.

<sup>2</sup> Based on comparing written limited warranties of leading national wood window and wood patio door brands. See Pella written Limited Warranty for details, including exceptions and limitations, at [pella.com/warranty](http://pella.com/warranty) or contact Pella Customer Service at 877-473-5527.

Available in these window and patio door styles:

Special shapes also available.

Colors & Finishes

**Wood Types**  
C T

Choose the wood species that best complements your project's interior.

**Custom solutions:**

 Pine	 Douglas Fir	 Mahogany	 White Oak	 Red Oak	 Cherry	 Maple
---	--	---	---	--	---	--

Screens<sup>3</sup>

**Rolscreen® & Integrated Rolscreen**  
C T

Rolscreen soft-closing retractable screens roll out of sight when not in use on Pella Reserve - Traditional casement windows and sliding patio doors and on Pella Reserve - Contemporary sliding patio doors. The Integrated Rolscreen is a fully concealed Rolscreen that moves seamlessly with the sash – appearing when you open a Pella Reserve - Traditional single- or double-hung window and rolling completely away when you close it.

**Flat**  
C T

InView™ screens let in 14% more light and are 8% more open for improved airflow.<sup>4</sup>

Added Peace of Mind

**Integrated Security Sensors**  
C T

Optional integrated wireless security sensors maintain aesthetics, streamline security installation and ensure no warranty loss is caused by post-installation drilling. Sensors can be monitored via the free Pella® Insynctive® App and are compatible with major security panel systems.<sup>5</sup> For more information, go to connectpella.com.

<sup>1</sup> Color-matched to your product's interior and exterior color.  
<sup>2</sup> Appearance of exterior grille color may vary depending on the Low-E insulating glass selection.  
<sup>3</sup> Warning: Use caution when children or pets are around open windows and doors. Screens are not designed to retain children or pets.  
<sup>4</sup> Improved airflow is based on calculated screen cloth openness. Screen cloth transmittance was measured using an integrated sphere spectrophotometer.  
<sup>5</sup> Requires the Insynctive App on a smart device, an Insynctive Bridge and a wireless home router with internet connection.

# Pella® Lifestyle Series

Aluminum-Clad Wood

Pella Lifestyle Series

## #1 performing wood window and patio door<sup>1</sup>

For the combination of energy, sound and value.

## 37 time-tested innovations

Create unique, room-by-room solutions to meet real-life needs.

## 83% more energy efficient<sup>2</sup>

On average compared to single-pane windows – with performance solutions for improved comfort.

## Exceptional performance and style.

**Style flexibility.** Whether your client's home is traditional, modern or somewhere in between, create beautiful windows and patio doors that fit their style.

**Redefining performance.** Get both unrivaled energy efficiency and sound performance at an incredible value. With the Ultimate Performance package, windows are on average 79% more energy efficient and reduce 52% more outside noise than single-pane windows.<sup>2,5</sup>

**Enhanced durability.** Our windows and patio doors are designed to stand the test of time with exterior wood parts treated with exclusive EnduraGuard® wood protection and an aluminum-clad exterior with EnduraClad® finish.

## Room-by-room solutions.

### Most desired features, options and innovations.

Complement your project with the most popular colors, finishes, grille patterns and more. Many innovative solutions also come standard.

**Integrated blinds and shades.** Intentionally designed to be accessible, blinds and shades are tucked between glass panes and are protected from dust, pets and little hands.

**Added security and convenience.** Add peace of mind with optional Pella Insynctive® built-in window and door sensors and motorized between-the-glass blinds and shades that raise and lower with a button.

Create solutions that are perfect for real life. Covered by the best limited lifetime warranty in the industry for wood windows and patio doors, Pella Lifestyle Series offers everything you love about wood – including beauty, durability and style flexibility.<sup>3</sup> Begin with dual- or triple-pane glass and then select from the most desired features and options.<sup>4</sup>

Pella Lifestyle Series is the #1 performing wood window and patio door for the combination of energy, sound and value.<sup>1</sup> Packed with purposeful innovations like Integrated Blinds, Shades and Security Sensors, we designed windows and patio doors to work for your project, room by room.

<sup>1</sup> Performance solutions require upgrades to triple-pane, AdvancedComfort Low-E and mixed glass thickness. Based on comparing product quotes and published STC/OITC and U-Factor ratings of leading national wood window and patio door brands.

<sup>2</sup> Window energy efficiency calculated in a computer simulation using RESFEN 6.0 default parameters for a 2000 sq. foot new construction single-story home when comparing Pella Lifestyle Series windows with Advanced Comfort Low-E triple-pane glass with argon and mixed glass thickness to a single pane wood or vinyl window. Double-hung windows are not available with triple-pane glass. The energy efficiency and actual savings will vary by location. The average window energy efficiency is based on a national average of 94 modeled cities across the country and weighting based on population. For more details see [pella.com/methodology](http://pella.com/methodology).

<sup>3</sup> Based on comparing written limited warranties of leading national wood window and wood patio door brands. See Pella written Limited Warranty for details, including exceptions and limitations, at [pella.com/warranty](http://pella.com/warranty), or contact Pella Customer Service at 877-473-5527.

<sup>4</sup> Double-hung window only available with dual-pane glass.

<sup>5</sup> Reduction in sound based on OITC ratings of Pella Lifestyle Series windows with triple-pane glass with mixed glass thickness to a single-pane wood or vinyl window with an OITC of 19. Calculated by using the sound transmission loss values in the 80 to 4000 Hz range as measured in accordance with ASTM E-90(09). Actual results may vary.

Performance Packages

To make things easier, we've created performance packages that highlight what's most important to your customers.

Performance solutions offer an unbeatable combination of energy efficiency, sound control and value.<sup>1</sup> Upgrade from a dual- to a triple-pane glass design with the packages below to meet the unique needs of each room in your customer's home.

All values below are averages compared with single-pane windows.

**Performance**

Improved energy efficiency and sound performance.

**71%** More Energy Efficient<sup>2</sup> + **34%** Noise Reduction<sup>3</sup>

**Sound Control**

Exceptional noise control for a quieter home.

**52%** Noise Reduction<sup>3</sup>

**Energy Efficiency**

Superior energy efficiency for a more comfortable home.

**83%** More Energy Efficient<sup>2</sup>

**Ultimate Performance**

The best combination of energy efficiency and noise control.

**79%** More Energy Efficient<sup>2</sup> + **52%** Noise Reduction<sup>3</sup>

Scan the QR code with your smartphone camera to learn more about how each performance package can benefit your client's home.

<sup>1</sup> Double-hung window available with dual-pane glass only.  
<sup>2</sup> Optional high-altitude Low-E insulating glass does not contain argon in most products. Please see your local Pella sales representative for more information.

<sup>1</sup> Performance solutions require upgrades to triple-pane, AdvancedComfort Low-E and mixed glazing thickness glass. Based on comparing product quotes and published STC/OITC and U-Factor ratings of leading national wood window and patio door brands.

<sup>2</sup> Window energy efficiency calculated in a computer simulation using RESFEN 6.0 default parameters for a 2000 sq. foot new construction single-story home when Pella Lifestyle Series windows with the respective performance package are compared to a single-pane wood or vinyl window. The energy efficiency and actual savings will vary by location. The average window energy efficiency is based on a national average of 94 modeled cities across the country and weighting based on population. For more details see pella.com/methodology.

<sup>3</sup> Reduction in sound based on OITC ratings of Pella Lifestyle Series windows with respective performance package compared to a single-pane wood or vinyl window with an OITC of 19. Calculated by using the sound transmission loss values in the 80 to 4000 Hz range as measured in accordance with ASTM E-90(09). Actual results may vary.

exclusive, patent-pending Easy-Slide Operator.

**Windows & Patio Doors**  
Fiberglass

# Fiberglass Windows & Patio Doors

The natural strength and durability of fiberglass makes it an exceptional choice for windows and doors. As a leader in innovation since 1925, we created our proprietary fiberglass to give our customers more – more strength for long-lasting use and thinner profiles with more glass. Our fiberglass is the strongest material for windows and patio doors, engineered for lasting durability.\* It delivers exceptional durability for the jobsite, easier installation, larger sizes and factory and field-mulling capabilities.

**PROPRIETARY FIBERGLASS MATERIAL**  
Pella's fiberglass windows and patio doors are made from our proprietary fiberglass material through our one-of-a-kind manufacturing process.

## The confidence of a strong warranty.

We know your reputation matters and you stake your reputation on quality, dependable products. That's why we have one of the strongest warranties in the business. See written limited warranty for details, including exceptions and limitations, at [pella.com/warranty](https://pella.com/warranty).

\* Pella's proprietary fiberglass material has displayed superior strength over wood, vinyl, aluminum, wood/plastic composites, and other fiberglass materials used by leading national brands in tensile and 3-point bend tests performed in accordance with ASTM D638 and D790 testing standards.

**Unmatched strength & lasting durability**

Made from our proprietary fiberglass, the strongest material available for windows and patio doors.<sup>1</sup>

**Sleek, timeless style**

Versatile design elements combined with sleek profiles and clean lines deliver a timeless style.

**Proven performance**

Get outstanding resistance to water, wind and outside noises while increasing energy efficiency, security and ease of operation.

**Installation solutions & expertise**

Save time and reduce costly callbacks with our exclusive installation methods. Our dedicated team of experts is prepared to find a solution for your project.

**Rigorously tested, optimized designs.**

**100x more impact resistant than Fibrex.<sup>4</sup>** Pella Impervia products are made from our proprietary fiberglass material and are on average 100x more impact-resistant than Andersen Fibrex, a wood/plastic composite product. You can trust our fiberglass products to stand up to a hammer misfire and other jobsite conditions.

**Tested beyond requirements.** Tested to extremes from -40°F to 180°F, our proprietary fiberglass can handle the most extreme heat and sub-cold.<sup>2</sup> Our products are tested beyond industry standards to help ensure less maintenance with fewer callbacks.

**ENERGY STAR® certified.<sup>5</sup>** Pella Impervia products offer energy-efficient options that will meet or exceed ENERGY STAR guidelines in all 50 states.

**Sleek, versatile elements.**

**Up-to-date color palette.** Interior and exterior color options to achieve your customers' unique design style, including Black. Our colors are a durable, powder-coat finish which resists chalking and fading.

**Revolutionary hardware.** Our patent-pending Easy-Slide Operator allows your homeowner to simply slide to open casement and awning windows, without the effort of cranking. Select a complementary or contrasting hardware finish to add interest.

**Unique factory mulling.** Factory-mulled combinations help save you time on the jobsite. And the superior strength of Pella fiberglass allows you to create larger, unique combinations, made just for your remodel or new construction project.

Pella Impervia products are engineered to last. Our proprietary fiberglass material provides unmatched strength and lasting durability with sleek, timeless style.<sup>2</sup> And they balance thermal efficiency, scale and value when it matters most.

Don't leave water and structural performance to chance. Tested in extremes and designed for every day, Pella Impervia products are engineered for the rigorous performance requirements of a commercial building and are designed to resist water, wind and outside noises.<sup>3</sup> With nearly 100 years in business, it's rare to come across an application that we haven't already designed a robust installation for. We've got you covered with both products and an installation designed for your exact situation. And whether new construction or window replacement, we have a dedicated team of experts to help with your project.

**Available in these window and patio door styles:**

Special shapes also available.

<sup>1</sup> Pella's proprietary fiberglass material has displayed superior strength over wood, vinyl, aluminum, wood/plastic composites, and other fiberglass materials used by leading national brands in tensile and 3-point bend tests performed in accordance with ASTM D638 and D790 testing standards.

<sup>2</sup> In testing performed in accordance with ASTM testing standards, Pella's fiberglass has displayed superior performance in strength, ability to withstand extreme heat and cold and resistance to dents and scratches. Special shape windows are made from a fiberglass resin material.

<sup>3</sup> Pella Impervia windows and patio doors have a performance grade of LC or higher. For information on product ratings see [pella.com/performance](http://pella.com/performance).

<sup>4</sup> Impact testing performance based on testing 10 samples of each material using ASTM D256, Method C.

<sup>5</sup> Pella products may not meet ENERGY STAR guidelines in Canada. For more information, contact your local Pella sales representative or go to [energystar.gc.ca](http://energystar.gc.ca).

## Colors & Finishes

### Frame Colors

Our long-lasting powder-coat finish resists chalking and fading so you never need to paint or refinish.

#### Solid-Color Frame:

#### Dual-Color Frame:<sup>1</sup>

## Glass & Additional Energy Efficiency Upgrades

### InsulShield® Low-E Glass<sup>2</sup>

Advanced Low-E insulating dual- or triple-pane glass with argon

Advanced Comfort Low-E dual-pane glass with argon

## Screens<sup>10</sup>

### Flat Screen

InView™ screens let in 14% more light and are 8% more open for improved airflow when compared to the conventional fiberglass screen.<sup>11</sup>

InView™

<sup>1</sup> Dual-color frames are available with a block frame or non-integrated nailing fin.

<sup>2</sup> Optional high-altitude Low-E insulating glass available with or without argon on select products.

<sup>3</sup> For best performance, the laminated glass may be in the interior or exterior pane of the insulating glass, depending on the product.

<sup>4</sup> Available with Advanced Low-E insulating glass with argon with bronze, gray or green tint on selected products.

<sup>5</sup> Sound control glass consists of dissimilar glass thickness (3mm/5mm or 5mm/3mm).

<sup>6</sup> Available on direct set, awning, casement windows and sliding patio doors.

<sup>7</sup> Appearance of exterior grille color may vary depending on the Low-E insulating glass selection.

<sup>8</sup> Available on direct set windows only.

<sup>9</sup> Grille patterns offered may vary per product. See specific product information for availability.

<sup>10</sup> Warning: Screen will not stop child or pet from falling out of window or door. Keep child or pet away from open window or door.

<sup>11</sup> Improved airflow is based on calculated screen cloth openness. Screen cloth transmittance was measured using an integrated sphere spectrophotometer.

### Window Hardware

#### Casement & Awning

The patent-pending Easy-Slide Operator is a revolutionary way to operate casement and awning windows. Simply slide to open, without the effort of cranking. With precision venting technology, the window will open to an exact location. Or select the fold-away crank, which folds neatly away against the window frame. Both solutions allow roomside window treatments to hang neatly.

Easy-Slide Operator

Fold-Away Crank

Windows & Patio Doors  
Vinyl

# Vinyl Windows & Patio Doors

When your homeowners want low-maintenance, energy efficient and affordable windows and patio doors, vinyl is the right choice. Our unique vinyl formula is performance-tested for excellent weathering, durability and color retention.

Multi-chambered frames and metal-reinforced, interlocking sashes add strength and durability while helping to prevent warping, sagging and bowing. White, Almond and Fossil-colored frames, with optional upgrades to dual-color frames, are available on select product lines.

## Pella 250 Series

Innovative and enhanced security and privacy features for more peace of mind.

---

## Encompass by Pella

Competitively-priced, easy-care vinyl windows and patio doors backed by Pella.

### The confidence of Pella's warranty.

Pella products are backed by some of the strongest warranties in the business. See written limited warranty for details, including exceptions and limitations, at [pella.com/warranty](http://pella.com/warranty).

# Pella® 250 Series

Vinyl

Pella 250 Series

## Innovative security and privacy features

Optional security and privacy features on windows and patio doors give your customers more peace of mind.

## 52% stronger frames<sup>1</sup>

Multi-chambered vinyl frames and reinforced sashes are stronger than ordinary vinyl for increased durability.

## 62% more energy efficient<sup>2</sup>

Windows with triple-pane glass create a more comfortable home than windows with single-pane glass.

## Strong and Secure Vinyl.

**Improved security.** The sliding patio door with integrated footbolt meets or exceeds the highest industry requirements for forced entry and is our most secure vinyl patio door.<sup>3</sup>

**Unique tamper prevention system.** Double- and single-hung windows are designed with an interlocking checkrail, steel hardware reinforcement and a unique anti-jar sill.

**Strong vinyl material.** With multi-chambered frames and optional steel reinforced sashes, these frames are 52% stronger than ordinary vinyl, resist warping and twisting and install easily.<sup>1</sup>

## More of Everything You Love.

**Excellent energy efficiency.** Multiple insulating air chambers deliver comfort for your customers. Upgraded triple-pane windows are on average 62% more energy efficient than single-pane windows.<sup>2</sup>

**Exclusive vinyl formula.** Using our exclusive fade-resistant formula, Pella's high-grade vinyl is performance-tested for excellent durability and weathering.

**Quality that lasts.** To help ensure our products exceed industry requirements and expectations, we test both the entire window and individual parts for strength and durability.

Pella 250 Series products offer innovative and enhanced security and privacy features for more peace of mind. Our exclusive vinyl formula is performance tested for excellent weathering, durability and color retention. Insulating frame chambers improve energy efficiency and multi-chambered frame designs are 52% stronger than ordinary vinyl.<sup>1</sup>

With innovative and enhanced security and privacy features and our durable and low-maintenance, easy-care vinyl, Pella 250 Series windows and patio doors are a great complement to your project.

Available in these window and patio door styles:

Special shapes also available.

<sup>1</sup> Based on the force required to bend a window frame profile.

<sup>2</sup> Window energy efficiency calculated in a computer simulation using RESFEN 5.0 default parameters for a 2000 sq. foot existing single-story home when comparing a Pella 250 Series vinyl window with InsulShield Advanced Low-E triple-pane glass with argon to a single-pane wood or vinyl window. The range of energy efficiency will vary from 54% to 77% and will vary by location. Your actual savings will vary. The average window energy efficiency is based on a national average of 94 modeled cities across the country with an adjustment based on population. For more details see [pella.com/methodology](http://pella.com/methodology).

<sup>3</sup> To achieve a Grade 40 rating on ASTM F842, a test for forced entry excluding glass breakage, the optional footbolt must be installed and engaged.

## Competitively priced

Easy-care, low-maintenance vinyl at a price that is easy on the budget.

## Energy-efficient options

Offering solutions to improve comfort and help save on heating and cooling costs.

## Backed by Pella

A leader in the window and door industry and a brand that has been trusted for nearly 100 years.

## Easy-care vinyl.

**Low-maintenance.** The solid color throughout keeps minor dings and scratches virtually invisible and doesn't require painting.

**More comfortable.** Pella's weather protection system helps protect a home from leaks and drafts.

**Stand the test of time.** Our precision welding process makes a strong and more durable product that resists warping and twisting.

## Designed to make life easier.

**Easy operation.** Pella's true glide balance system allows single- and double-hung windows to open and close easily and quietly.

**Dust-free grilles and blinds.** Never worry about cleaning grilles-between-the-glass for windows and patio doors or blinds-between-the-glass for patio doors. They're sealed between insulating glass and kept safe from dust and damage.

**Limited lifetime warranty.** Backed by one of the best warranties in the business, you can be confident in your selection.<sup>2</sup>

With Encompass by Pella, you can get windows and patio doors backed by the brand you know and trust, at a price that is easy on the budget.

Featuring low-maintenance, high-grade vinyl frames, these windows are energy efficient and look great for years. Lower heating and cooling costs with energy-efficient options that will meet or exceed ENERGY STAR® guidelines in all 50 states:<sup>1</sup>

Available in these window and patio door styles:<sup>3</sup>
