Celebrating Our District

True Love in the City

Aaron and Jeanette Funderburg have been married for 72 years at their home in District 2. A couple of April babies, the misses turned 92 on April 2 while her husband reached 100 a few weeks later on April 29. As a testament to their accomplishments together they have both received a letter of recognition. Join these love birds and give them your best wishes at their 2 p.m. celebration on April 26 at Missionary Baptist Church.
