## Freedom Ink Tattoo Removal Program

### What is Freedom Ink?

*A volunteer service provided by dermatologists and certified medical professionals to remove tattoos for people coming out of a prison or gang lifestyle.*

**\*\*\*\*For a reasonable fee tattoo removal service is also offered to the general public (sliding scale fee only allowable with proper documentation)\*\*\*\***

### How can I qualify?

*To receive this service, participants must commit to a gang and drug-free lifestyle, be employed or currently seeking employment, in an effort to change their lives, eliminate stigmatizing obstacles to employment and to overall healthy lives, and to foster positive community interactions. Participants should perform at least 20 hours of community service or pay \$25.00 a session.*

### When are services provided and where?

*Volunteer doctors provide services bi-weekly at Detroit Hispanic Development Corporation (DHDC) 1211 Trumbull Detroit, MI 48216.*

### Acknowledgement & Thank You

*This program is supported entirely through in-kind services from Dr. Eric Seiger and The Skin and Vein Center, and volunteers from Botsford Hospital as well as individual donations.*
