

Residents and Business Owners in the
Jefferson Chalmers Neighborhood

"What can I do to protect my home or business from basement flooding?"

"What can I do if I'm in a FEMA mapped flood zone?"

"What type of flood insurance is right for me?"

We would like to invite you to a special public workshop on August 11th, 2015 at 5:30 PM hosted directly for the Jefferson Chalmers Neighborhood. The event will be hosted by the City of Detroit on the one year anniversary of the August 2014 floods that affected people all over Southeastern Michigan and resulted in over \$240 million in damages.

The goal is to assist residents and business owners with several of the common flood risk and insurance related questions through a series of short presentations followed by an opportunity to speak with the various experts present.
