

**Health
Department**

MISSION

To work in partnership with Detroiters to protect and promote their health, well-being, safety, and resilience, and to respond to every public health need with exceptional leadership, policies, programs, and services.

VISION

A robust public health system that optimizes the health and quality of life of all Detroiters through evidence-based, community-driven solutions.

SPIRE VALUES

- SERVICE:** We exist to serve all Detroiters and will adhere to the highest standards of service in every interaction.
- PARTNERSHIP:** We work collaboratively with each other, communities, and other partners to define and solve problems, and to achieve common goals.
- INNOVATION:** We embrace change by collectively trying new approaches and implementing progressive solutions.
- RESPECT:** We respect our communities and each other, evidenced by transparency and accountability in our words and actions.
- EXCELLENCE:** We accept and expect only the highest standards of quality and integrity in all of our work.

SPIRE \ 'spī(-ə)r \
noun: **the highest point or summit**
