RE: Question about the Detroit Windsor Dance Academy Employment Application

Dear Ms. Person:

I am writing to respond to your question regarding why Detroit Windsor Dance continues to use a question about an applicant's criminal history on our employment application.

Our agency works primarily with youth under 18 years of age. Our client ages ranges from 2 years to 18 years old. We also serve children who are disabled.

It is imperative that we screen our employees who will work closely with these children for the safety of the children and the peace of mind of their families.

It is our policy to look at felonies that are child related or occurred less than 4 years ago.

If you have any questions, you can reach me at (313) 872-7200.

Sincerely,

Bruce Hunt  
Director

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

**Reviewer Comments:** Although the agreement expires in 6/30/2014, invoices have been received from the vendor for all expenses under the grant. The name of the City staff contact was revised. The vendor uses limited clientele for CDBG National Objective. It is acceptable although the use of area benefit criteria would be less cumbersome.

8.07 In Addition to the above requirements, the Subrecipient shall, if applicable, comply with the bonding and insurance requirements set forth in OMB Circular A-122 and in the Federal regulations at 24 CFR 84 including without limitation those regarding bonding insurance.

## 9. TERMINATION

9.01 The City may terminate this Agreement for cause upon giving written notice of termination to the Subrecipient at least twenty-four (24) hours before the effective date of the termination, should the Subrecipient: (1) fail to fulfill in a timely and proper manner its obligations under this Agreement; or (2) violate any of the covenants, agreements, or stipulations of this Agreement; the Subrecipient shall be liable to the City for any damages it sustains by virtue of this Subrecipient's breach or any reasonable costs the City might incur enforcing or attempting to enforce this Agreement, including reasonable attorney's fees. The City may withhold any payment(s) to the Subrecipient for the purpose of setoff until such time as the exact amount of damages due to the City from the Subrecipient is determined. It is expressly understood that the Subrecipient will remain liable for any damages the City sustains in excess of any setoff. If the Agreement is so terminated, the City may take over the performance of the Services and prosecute the same to completion by contract or otherwise, and the Subrecipient shall be liable to the City for any costs occasioned to the City, thereby.

9.02 The City may terminate this Agreement without cause at any time, without incurring any further liability whatsoever, other than as stated in this Article 9, by giving written notice to the Subrecipient of such termination (herein called a "Notice of Termination"), specifying the effective date thereof, at least twenty-four (24) hours prior to the effective date of such termination.

The amount of the payment shall be computed by the City on the basis of the Services provided, which, in the judgment of the City, represents a fair value of the Services provided, less the amount of any previous payments made, which final payment the Subrecipient agrees shall constitute full and complete payment and satisfaction under this Agreement. Should the City or the City's designee undertake any part of the Services which are to be performed by the Subrecipient, the Subrecipient shall not be entitled to any compensation for the Services so performed. This Section 9.02 is subject to the maximum sum payable provision in Section 5.01.

9.03 After receipt of a Notice of Termination and except as otherwise directed by the City, the Subrecipient shall:

a. Stop work under the Agreement on the date and to the extent specified in the Notice of Termination;

b. Obligate no additional Agreement funds for payroll costs and other costs beyond such date as the City shall specify, and place no further orders on contractors for

materials, services, or facilities, except as may be necessary for completion of such portion of the work under this Agreement as is not terminated; and require all contractors to place no further orders on subcontractors for materials, services, or facilities, except as may be necessary for completion of such portion of the work under this Agreement as is not terminated;

c. Terminate all orders and contracts to the extent that they relate to the portion of work so terminated, and cause to be terminated all subcontracts, if any, to such extent;

d. As of the date the termination is effective, preserve all Agreement records (as hereinafter defined) and submit to the City such records and reports as the City shall specify, and furnish to the City an inventory of all furnishings, equipment and other property purchased for the Project (if any), and all pertinent keys to files, buildings and property and carry out such directives as the City may issue concerning the safeguarding or disposition of files and property; and

e. Submit within thirty (30) days a final report of receipts and expenditures of funds relating to this Agreement, and a listing of all creditors, contractors, lessors, and/or other parties with which the Subrecipient has incurred financial obligations pursuant to this Agreement (if any), and a listing of all subcontractors, if any.

9.04 Upon completion or other termination of this Agreement, (1) all finished or unfinished original documents or copies (when originals are unavailable) data, studies, surveys, drawings, maps, models, photographs, files, intermediate materials, supplies, notes, reports or other materials (herein collectively called the "Work Product") prepared by the Subrecipient under this Agreement or in anticipation of this Agreement, and (2) all property, including without limitation, all materials, supplies, and equipment, which were/was purchased by the Subrecipient on a cost basis hereunder and which has not been consumed in the normal and proper performance by the Subrecipient hereunder as of the effective date of the Notice of Termination or the expiration date hereof, shall become the sole and exclusive property of the City, whether or not in the Subrecipient's possession, free from any claim or retention of rights thereto on the part of the Subrecipient, except as herein specifically provided, and shall promptly be delivered to the City upon the City's request and the City shall return all Subrecipient's properties to it.

The Subrecipient acknowledges that any intentional failure or intentional delay on its part to deliver the Work Product to the City will cause irreparable harm to the City not adequately compensable in damages and for which the City has no adequate remedy at law and the Subrecipient accordingly agrees that the City may in such event seek and obtain injunctive relief in a court of competent jurisdiction and compel delivery of the Work Product which the Subrecipient hereby consents to as well as all applicable damages and costs. The City shall have full and unrestricted use of the Work Product for the purpose of completing the Project. In regard to the property so purchased on a cost basis, the City may at its sole option setoff against any Agreement payments due to the Subrecipient hereunder, the actual amount(s) which had been reimbursed by the City to the Subrecipient for the cost(s) of all such property acquired on a cost basis less the amount as determined by the City for any such property delivered to the City.

9.05 Each party shall assist the other party in the orderly termination of this Agreement and the transfer of all aspects hereof, tangible or intangible, as may be necessary for the orderly, non-disrupted business continuance of each party.

9.06 In accordance with the Federal regulations at 24 CFR 85.43, the City may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any term of this Agreement, and the City may terminate this Agreement for convenience in accordance with the Federal regulations at 24 CFR 85.44. In the event that the City so suspends or terminates this Agreement then the City shall so suspend or terminate this Agreement pursuant to said Federal regulations and pursuant to Sections 9.01, 9.02, 9.03, 9.04, and 9.05 hereof, except that if there is any conflict between the said Federal regulations and the said sections of this Agreement, then the said Federal regulations shall govern.

9.07 It is understood by the parties hereto that Federal regulations require that this Agreement remain in force for so long as the Subrecipient has control over CDBG funds, including program income. Therefore, notwithstanding the other requirements set forth herein regarding (1) termination of this Agreement and (2) the expiration date of this Agreement, the Subrecipient shall comply with all requirements of this Agreement for a period which shall extend beyond the expiration date and/or termination date of this Agreement for so long as the Subrecipient shall continue to maintain control over such funds.

## **10. ASSIGNMENT, CONTRACTING OR SUBCONTRACTING**

10.01 The Subrecipient shall not assign or encumber directly or indirectly any interest whatsoever in this Agreement, and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of the City thereof. Any such consent given in any one instance shall not relieve the Subrecipient of its obligation to obtain the prior written consent of the City to any further assignment.

10.02 None of the Services covered by this Agreement shall be subcontracted out by the Subrecipient without prior review and approval by the City. Such covenant shall not constitute a basis for privity between the City and any subcontractors of the Subrecipient, and the Subrecipient agrees to indemnify and hold the City harmless from such claims initiated pursuant to any such contracts it enters into in performance of this Agreement.

10.03 This Agreement shall inure in all particulars to the City, its agents, successors and assigns.

10.04 In the event that the Subrecipient, under this Agreement, enters into contract(s) with subcontractor(s), the Subrecipient shall obtain independent contractors liability insurance coverage in addition to all other types of coverage required hereunder

10.05 The parties hereto acknowledge that the Department of Housing and Urban Development requires all CDBG recipients and subrecipients to keep records and report on the use of CDBG funds. Therefore the Subrecipient shall ensure that for all contracts and subcontracts under this Agreement that each sub-contractor shall keep records and report in sufficient detail to the Subrecipient, and that each subcontractor, if any, shall keep records and report in sufficient detail to the contractor, on all use of CDBG funds, so as (1) to enable the City to meet all of its Federal reporting and monitoring obligations and (2) to enable the Subrecipient to meet all of its reporting and monitoring obligations under this Agreement and/or as required by Federal regulations. At a minimum, all record keeping and reporting requirements imposed on the contractor by the Subrecipient shall include all record keeping and reporting requirements similarly required of the Subrecipient herein, unless otherwise specifically provided for in this Agreement. In the event of any dispute between the parties hereto as to reporting requirements required hereunder or to be required of contractors and/or subcontractors, the reasonable determination of the City shall govern.

10.06 Costs to be paid under this Agreement which are the result of costs incurred under:  
(1) cost type contracts with for-profit organizations, or cost type portions of contracts with for-profit organizations; or

(2) cost type subcontractors with for-profit organizations, or cost type portions of subcontracts with for-profit organizations; shall be allowable only if such costs are consistent with the Federal cost principles set forth in the Federal regulations at 48 CFR Part 31.

10.07 The Subrecipient shall include in all contracts under this Agreement, and cause to be included in all subcontracts under such contracts, all clauses described in the Federal regulations at 24 CFR 84.48, including without limitation those set forth in Appendix A of said Part 84, as applicable as determined by the terms of the provision, except that the thresholds set forth therein for applicability of the Contract Work Hours and Safety Standards Act shall be revised to cover only contracts in excess of \$100,000.

The Subrecipient may request copies of the above named OMB Circulars, and/or copies of said regulations, or their respective revisions, from the City, but the Subrecipient shall comply with all requirements of these Circulars and regulations and shall comply with all requirements of this Article 12 of this Agreement irrespective of whether the Subrecipient requests copies of these Circulars and regulations or of their respective revisions from the City and irrespective of whether the Subrecipient actually receives any such copies from the City.

The Subrecipient shall use any real property under the control of the Subrecipient, that was acquired or improved in whole or in part with CDBG funds in excess of \$25,000, in such a manner so that such use, for at least five years after expiration of this Agreement, shall meet one of the three national objectives required by the Federal regulations at 24 CFR 570.208; or, with prior written City approval, dispose of such real property in a manner that results in the City being reimbursed in the amount of the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. The City may, at its sole option, waive reimbursement after the five year period mentioned above in this paragraph, only if all national objectives have been met during the five year period.

In the event that, pursuant to the regulations at 24 CFR 570.503(b)(8), the Subrecipient is required to ensure that any real property that was acquired or improved, in whole or in part, with CDBG funds in excess of \$25,000, shall be used and/or disposed of in compliance with 24 CFR 570.503(b)(8), then the Subrecipient shall comply with all requirements of this Agreement applicable to use and/or disposition of such real property, including record keeping requirements, for five years after the expiration or termination of this Agreement.

A. The work to be performed under this Contract is subject to the requirements of Section 3 the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has received notice or has knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. The Subrecipient shall report all violations to HUD, to the USEPA Assistant Administrator for Enforcement (EN-329), and to the City.

13.11 The Subrecipient shall comply with and recognize mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94-163).

13.12 The Subrecipient shall include in all procurement contracts under this Agreement and cause to be included in all subcontracts under such contracts the provisions of the Federal regulations at 24 CFR 84.48, including without limitation those set forth in Appendix A of said part 84, as applicable.

13.13 The Subrecipient shall comply with all requirements of the rule entitled "New Restrictions On Lobbying" found at 24 CFR 87 (the "Lobbying Rule", hereinafter). The language of the certification required from the Subrecipient and from all affected parties, including but not limited to the parties at all lower tiers, is attached to this Agreement as Exhibit O. The meaning of the terms in this Section 12.07 and in said certification shall be construed pursuant to the definitions of said terms as they are defined in the Lobbying Rule.

The Subrecipient shall require all parties at all lower tiers to comply with all requirements of the Lobbying Rule applicable to said parties and shall include the language of the certification, and require that the language of the certification be included, in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements). The Subrecipient shall adhere to the terms of the certification and shall require all parties at lower tiers to so adhere. Notwithstanding the above described lobbying requirements, it is understood by the parties hereto that the submission of the certifications described above is required only if the compensation of this Agreement, as it may be amended, exceeds \$100,000.00, although all other requirements of this Section 12.07 are applicable, irrespective of the amount of said compensation.

13.14 The Subrecipient shall comply with the requirements of the HUD Reform Act of 1989, as set forth in the Federal regulations located at 24 CFR Part 12, as applicable in regard to all applications received by the Subrecipient in performance of the Services required hereunder, shall keep records on such compliance, shall make such records available for audit, examination, and monitoring, and, if required by the City, shall report on such compliance to the City in a manner as may be required by the City.

## **18. MISCELLANEOUS**

18.01 No failure by the City to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement or to exercise any right, term, or remedy consequent upon a breach thereof, shall constitute a waiver of such breach of such covenant, agreement, term or condition. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall constitute in full force and effect with respect to any other then existing or subsequent breach thereof.

18.02 Each party reserves and shall have the exclusive right to waive, at its sole discretion, and to the extent permitted by law, any requirement, or provision, in its favor, under this Agreement unless such waiver is specifically prohibited herein. No act by or on behalf of the party shall be, or shall be deemed to be, a waiver of any such requirement or provision, unless the same be in writing, signed by the authorized representative of the party and expressly stated to constitute a waiver.

18.03 This instrument, including all exhibits and attachments as specified in Section 1.01 hereof, which are attached hereto and are made a part of this Agreement, and all prior negotiations and agreements are merged herein. The Subrecipient shall comply with all terms and conditions set forth in all Exhibits as attached hereto and shall utilize all sample forms included as Exhibits, as applicable, unless allowed otherwise by the City.

18.04 Unless the context otherwise expressly requires, the words "herein", "hereof", and the words of similar import refer to this Agreement as a whole and not to any particular Article, Section or other subdivision.

18.05 All the terms and provisions of this Agreement shall be deemed and construed to be "covenants" and "conditions" as though the words specifically expressing or imparting covenants and conditions were used in each separate term and provision.

18.06 The headings of the sections in this Agreement are for convenience only and shall not be used to construe or interpret the scope of intent of this Agreement or in any way affect the same.

18.07 The rights and remedies set forth herein are not exclusive and are in addition to any of the rights and remedies provided by law or equity. This Agreement shall be governed by, subject to, and construed according to the laws of the State of Michigan. The Subrecipient agrees, consents and submits to the personal jurisdiction of the U.S. District Court For The Eastern District Of Michigan or of any competent court in Wayne County, Michigan, for any action brought against it arising out of this Agreement. The Subrecipient also agrees that it will not commence any action against the City because of any matter whatsoever arising out of or relating to the validity, construction, interpretation and enforcement of this Agreement, in any Courts other than those in the County of Wayne, State of Michigan, unless original jurisdiction can be had in either the Michigan Court of Appeals or the Michigan Supreme Court.

18.08 If any Affiliate (as hereinafter defined) of the Subrecipient shall take any action which, if done by a party, would constitute a breach of this Agreement, the same shall be deemed a breach by the Subrecipient with right legal effect. "Affiliate" shall mean a "parent", subsidiary or other company controlling, controlled by or in common control with the Subrecipient.

18.09 Neither party shall be responsible for force majeure events. In the event of a dispute between the parties with regard to what constitutes a force majeure event, the City's determination shall be controlling. Except, that in the event of an occurrence beyond the control of the parties hereto, the City may, at its sole option, terminate this Agreement. Such termination shall be made in accordance with the provisions of Article 9 herein.

18.10 The Subrecipient warrants that any products sold or processes used in the performance of this Agreement do not infringe upon or violate any patent, copyright, trademark, trade secret or any other proprietary rights of any third party. In the event of any claim by any third party against the City, the City shall promptly notify the Subrecipient and the Subrecipient shall pay for the full reasonable cost of the City defending such claims, but at the Subrecipient's expense, and shall indemnify the City against any loss, cost, expense or liability arising out of such claim, whether or not such claim is successful.

18.11 The Subrecipient covenants that it is not, and will not become, in arrears to the City upon any contract, debt or other obligation to the City, including real property, personal property and income taxes. The Subrecipient shall require that, as a condition of contracting and/or subcontracting, that any and all contractors and/or subcontractors shall also agree to be bound by the provisions of this Section.

18.12 This Agreement may be executed in any number of counterparts and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Promptly after the execution thereof, the City shall submit to the Subrecipient a confirmed copy of this Agreement.

18.13 As used herein, the singular shall include the plural, the singular, and the use of any gender shall be applicable to all genders.

18.14 For purposes of the hold harmless provision contained herein, the term "City" shall be deemed to include the City of Detroit, and all other associated, affiliated, allied, or subsidiary entities now existing or hereafter created, their agents and employees, but shall not include the Subrecipient or any of its contractors or subcontractors.

18.15 If any provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such

provisions to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

18.16 The Subrecipient shall not, directly or indirectly, employ, award contracts to, or otherwise engage the services of, or fund any contractor, or subcontractor or subrecipient, or principal as defined in the Federal regulations at 24 CFR 24.105, during any period of debarment, suspension, or placement in ineligibility status or during any period during which said contractor or subcontractor or subrecipient, or principal is proposed for debarment under 48 CFR Part 9, subpart 9.4, under the provisions of 24 CFR, Part 24. If during the term of this Agreement, the Subrecipient is placed on the HUD debarred list, or is placed in ineligibility status, or is suspended, pursuant to the regulations at 24 CFR Part 24, the Subrecipient shall immediately notify the City. The requirements of this Section 17.16 shall apply equally to (1) all government-wide debarment, suspension, placement in ineligibility status, or proposal for debarment whether due to such statuses under action taken by HUD pursuant to the regulations at 24 CFR Part 24, or by any other comparable Federal government action and to (2) such statuses which are not government-wide but which rather are limited to inclusion on a comparable department-wide HUD list.

The Subrecipient shall submit to the City a certification regarding debarment or proposed debarment under 48 CFR Part 1, subpart 9.4, suspension, ineligibility and voluntary exclusion utilizing the form attached hereto as Exhibit N, and in conformance to the instructions thereon.

The Subrecipient shall require all parties who stand in a lower tier relationship to the Subrecipient, if any, to submit said certification to the Subrecipient, if such lower tier relationship is a covered transaction defined at 24 CFR 24.110. The Subrecipient shall also require all parties who occupy a position with the Subrecipient defined at 24 CFR 24.105 as a principal to submit said certification to the Subrecipient. The Subrecipient shall immediately notify the City if, pursuant to the requirements of any such certification received by the Subrecipient the party who had submitted said certification notifies the Subrecipient, or the Subrecipient otherwise learns that said certification is erroneous or has become erroneous by reason of changed circumstances.

The Subrecipient shall require all subrecipient agreements, contracts, and subcontracts under this Agreement to contain a provision comparable to this Section 17.16.

18.17 The payments under this Agreement are contingent upon receipt of grant funds by the City. The City of Detroit reserves the right to delay payment until receipt of adequate funds from the government grantor agency, without penalty or interest.

18.18 It is understood that this is not an exclusive service contract, and that during the term of this Agreement, the City may contract with other consulting firms and that the Subrecipient is free to render the same or similar advisory services to other clients.

18.19 The Subrecipient warrants that it is currently registered to do business in the State of Michigan and is amenable to service or process at the address stated in Section 16.01, "Notices".

## 19. CONFIDENTIALITY

19.01 In order that the Subrecipient effectively fulfill its covenants and obligations to the City under this Agreement, it may be necessary or desirable for the City to disclose confidential and proprietary information to the Subrecipient's Employees pertaining to the City's past, present, and future activities. Since it is difficult to separate confidential and proprietary information from that which is not, the Subrecipient shall instruct its personnel and consultants to regard all information gained by each such person, as a result of the Services to be performed hereunder, as information which is proprietary to the City and not to be disclosed to any organization or individual without prior consent of the Director of the Planning and Development Department.

19.02 The Subrecipient agrees to take appropriate action with respect to its personnel to insure that the obligations of non-use and nondisclosure of confidential information concerning this Agreement can be fully satisfied.

19.03 All of the reports, information, data, etc., prepared or assembled by the Subrecipient under this Agreement are confidential and the Subrecipient agrees that they shall not be made available to any individual or organization without prior written consent of the Director of the Planning and Development Department except as required by Federal law pursuant to Article 14 herein, and except as required by any other requirements or provisions of this Agreement. The reports and documents reference in this paragraph may also be subject to disclosure under the Michigan Freedom of Information Act.

19.04 The use or disclosure of information concerning services, applicants or recipients obtained in connection with the performance of this Agreement shall be restricted to purposes directly connected with the administration of the programs implemented by this Agreement.

## 20. HIRING POLICY

20.02 The subrecipient agrees to establish a hiring policy in compliance with the City of Detroit's Ordinance No. 29-11 as amended. Such policy shall be submitted to the City of Detroit prior to the approval of this agreement by both parties.
