Though public Services hereunder may be targeted to a particular subpopulation or problem area, the Subrecipient must abide by the provisions of Article 12 (Compliance with Laws and Security Regulations) and Article 15 (Fair Employment Practices and Nondiscrimination Requirements) of this Agreement. Therefore, the Subrecipient, in the provision of public Services, shall not discriminate against any otherwise qualified person applying for the public Services, nor give preference to persons, nor limit provision of Services to persons, based solely on factors of race, ethnicity, gender, age, handicap, disability, sexual orientation or religion.

2. CDBG NATIONAL OBJECTIVE CRITERIA

This Project will meet the Community Development Block Grant Program national objective in the following manner:

B2) Limited Clientele- FORMALLY LIMITING CLIENTELE EXCLUSIVELY TO LOW AND MODERATE INCOME PERSONS (100% must of low or moderate income.)

The Subrecipient shall limit the Services provided by the Project to low to moderate-income families and individuals. Unless the Subrecipient is otherwise notified by the City in writing, low to moderate income family limits shall be determined in accordance with the following guidelines. The subrecipient shall include in any program event advertisement where the numbers of people or method of contact make it difficult to collect low/moderate income eligibility information and will post prominently as said events the actual HUD low and moderate income limits.

The Subrecipient shall make and maintain such data and records as required by the City and as necessary for the reports required in Exhibit E hereof. Such records shall identify program participants and/or beneficiaries, the nature of the services provided, dates services are provided, the quantity or number of times services are provided, and such other information which the City deems necessary to fulfill the City’s project monitoring responsibility. The Subrecipient shall maintain all records taking care to treat participant’s personal or income information with due respect for confidentiality.

3. SERVICES TO BE PERFORMED

During the term of this Agreement, the Subrecipient shall provide the following services:

Categories of Services:

Direct Legal Assistance. LAD staff attorneys will provide legal assistance to qualified applicants, which will range from direct legal advice and brief legal services to full service representation in legal matters in the legal areas of Housing (landlord-tenant, mortgage foreclosure, tax foreclosure); Income Maintenance (public benefits and child support); Expungement of criminal records (which are a barrier to maintaining/obtaining stable housing or to employment opportunities); Domestic Relations (assisting victims of domestic violence with obtaining orders to remove abusers from households and restoration to housing); Other legal matters that may place a client at risk of homelessness.

Legal Information Workshops and Seminars. LAD staff will provide legal information workshops and seminars for the residents of the City of Detroit in legal areas which will include but not be limited to the areas of Housing, Public Benefits, Expungement, and Domestic Relations/Family Law.

In Service Training of Community Agency Staff. LAD staff will provide training to staff at community agencies and within the faith-based community to help educate the staff on the legal solutions to problems presented by their constituents that may not be readily apparent to assist them in making referrals to our office.

Client Outreach:

LAD will accept new applications for legal assistance at its Main Office located at 613 Abbott, Detroit, and LAD will also hold outreach clinics at the locations listed in 5 A) below. The dates and locations for the outreach clinics will be distributed throughout the City in accordance with LAD's Outreach Plan.

Staffing:

Services will be provided by LAD staff. Specifically designated to staff the project will be:

- a) a Supervising who will provide supervision of the legal work performed by project staff;
- b) two staff attorneys who will provide legal advice, brief legal services and higher levels of direct legal representation, as appropriate to the projects clients; provide legal workshops and seminars to project clients in a variety of legal substantive areas such as landlord/tenant rights and responsibilities; mortgage and tax foreclosure prevention; family law issues; provide in-service training to community agencies and the faith-based community to assist with identification of legal issues that may lead to homelessness;
- c) one project paralegal/community advocate who will provide new client intake support for the project.
- d) other: any additional legal assistance and support by other staff not specifically designated to staff the project, as needed.

Clientele:

The target clientele for the project will be residents of the City of Detroit who have legal issues that place them at risk for homelessness and who meet the projects income and asset qualifications. Due to the nature of LAD's major funding, services can only be provided for U.S. Citizens, legal permanent residents and persons with certain other citizenship statuses.

Expected Outcomes:

The overall goal of the project is to prevent homelessness through the legal services, workshops and seminars provided to the project clients and community agencies. Some of the specific expected outcomes will be:

Landlord/Tenant:

Expected Outcome: in the majority of cases, eviction will be prevented through advice on the tenant client's legal rights, negotiation with landlords to prevent eviction or to obtain addition time to move to more suitable housing; representation at eviction hearings to prevent the eviction; advice and representation in proceedings where a client's housing subsidy or housing choice voucher is jeopardized to try to preserve the housing benefit.

Mortgage and Tax Foreclosure prevention:

Expected Outcome: to save homes through loan modifications, advice regarding legal options and representation in litigation where appropriate where the goal is to preserve homeownership.

Income Maintenance:

Expected Outcome: to provide an increase in household income that will enable the client/family to stabilize their housing situation and prevent

Expungement:

Expected Outcome: to obtain an order expunging a criminal conviction for eligible clients which will prevent homelessness by removing a barrier to employment (no longer having to check the "yes" box to whether you have been convicted), which will increase the client's employment opportunities and potential for higher income to sustain the household. It will also remove the conviction which can be a barrier to eligibility for subsidized housing.

Workshops and Seminars for Clients:

Expected Outcome: clients will be better educated on their legal rights and options that will help them avoid situations that could lead to homelessness, and also to take action sooner to address legal issues that could lead to homelessness, when there are greater options available and a greater likelihood of a favorable outcome.

In-Service Training to Community Agencies/Faith Based Organizations:

Expected Outcome: staff will have a better grasp of the legal causes of homelessness so that they can issue-spot and make an appropriate referral to legal resources that can assist the client, and ultimately clients will seek legal advice and assistance at the earliest possible opportunity and be able to resolve situations that can result in homelessness.

CONFLICT OF INTEREST POLICY

during his or her tenure or for one year thereafter."

Please note that employees of a grantee or sub-grantee and their families are not automatically disqualified from receiving assistance, as long as they meet the qualifications of the above paragraph (i.e., they are not in a position to exercise any responsibilities, make decisions about, gain inside information into, or obtain a personal benefit). This situation would be more likely in a large grantee/sub-grantee agency than it would in a very small grantee/sub-grantee agency.

When this type of conflict of interest exists, the grantee may seek an exception by writing to the local HUD Field Office, including the following information:

1. For states and other governmental entities, a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made and
2. For all grantees, an opinion of the grantee's attorney that the interest for which the exception is sought would not violate state or local law.
3. If there is a question or the appearance of a conflict of interest of any type, please contact the local HUD field office to determine if an exception or waiver is needed.

It further provides for certain exceptions to the prohibition and requires City contractors to submit an affidavit with a copy of their application to make bids or proposals. Bids which do not comply with this division are deemed non-responsive and the City is permitted to deem contractor(s) in breach.

Ms. Pryor,

In response to the City of Detroit's concern regarding Legal Aid and Defender Association (LAD) Inc. application for employment, the question pertaining to prior felony convictions must be included on the application. LAD is a law firm, and as such, it is necessary to ask such questions as one cannot practice law if they have been charged with a felony. The application does not determine whether or not a non-attorney applicant is granted an interview.

Please contact the Grants Manager, Gina Spencer at (313) 967-5610 or at gspencer@ladadetroit.org, if you have any questions.

Sincerely,

Deierdre L. Weir
President & CEO
