ACH - Frequently Asked Questions (FAQ)

Q. What do I do if for some reason my payment is not deposited into my account? One of the advantages of the ACH Network is that all transactions are traceable. Simply contact the **Accounts Payable Supervisor at 313-628-2715**, and ask that your payment be traced, starting with the originating financial institution.

Q. What if I want my payment to be forwarded to a financial institution outside the United States?
We will not perform ACH payments to financial institutions Outside the United States.

Q. What happens if my bank statement does not break down the invoices paid by the City of Detroit? The data provided to the bank will be general financial institution details and payment information. The payment remittance advice, which will include invoice detail, will be provided to Vendors via email.

Q. What do I need to do? Just follow these simple steps:

1. Complete the ACH Supplier Payment Authorization Agreement.
2. Attach a voided check which clearly shows the bank account holder's name
3. Account number
4. Financial institution's name
5. Routing number
6. Send the signed agreement and voided check

Email the documents to: procurementinthecloud@detroitmi.gov

*If you have any questions about ACH Supplier Payment, contact the **Accounts Payable Supervisor at 313-628-2715**.*

Q. When will my payment be deposited in my account? Your payment will be deposited into your account based on the settlement date.

Q. What about Deposit Detail - deposit information can be viewed on your electronic bank statement by notifying your banks ACH department and requesting that addendum information be made viewable for your account

Q. Is my payment safe? Billions of ACH transactions were transmitted successfully across the country in the last 10 years. This could not be done without numerous checks and balances built into the system. NACHA manages the development, administration, and governance of the ACH Network.
