# How to Read the Bus Schedule

- **Bus stop location**
- **Bus route number and name**
- **Day(s) of operation**
- **Schools are not in session (or if all Detroit Public make these trips when indicate the bus will not)**
- **Schedule times in bold**

### 1. Determine where you will get on the bus and where you want to go.

### 2. Decide on the time period you will be traveling.

### 3. Look at the route map for the major bus stop closest to you along the route you will be traveling.

### 4. Look at the route schedule for the stop closest to you and locate your departure time.

### 5. Read down the column of time to find the time that is most convenient for your trip.

### 6. Read across the columns (from left to right) to find when your bus will arrive at your destination.

### 7. If you need to arrive earlier, locate the time you would like to arrive at your destination and work your way back to the appropriate departure time.
