DDOT ANNOUNCES ROUTE CHANGE DUE TO CONSTRUCTION
#19 Fort Bus Reroute and Bus Stop Relocations

The Detroit Department of Transportation (DDOT) has rerouted #19 Fort Street service due to closure of the Fort Street Bridge, near Schaefer, and a portion of Fort Street from Schaefer to Oakwood. The rerouting will be effective from May 10, 2010 through October 30, 2011.

Locations affected by the changes follow:

Inbound Reroute

The bus will travel west along its regular route, and then will turn right on Schaefer, to left on W. Jefferson, to left on Dearborn, to right on Fort St., and returning to its regular route.

Outbound Reroute

The bus will leave downtown Detroit along its regular route and will turn left when it reaches Dearborn St., to right on W. Jefferson, to right on Schaefer, to left on Fort St., and returning to its regular route.

Bus Stop Relocations

All bus stops on Fort St., between Schaefer and Dearborn streets, will be unavailable during the construction. Passengers may board the #19-Fort at the following locations:
