Dear Taxpayers:

In order to better service the citizens, the City of Detroit has entered into a contract with GC Services, Limited Partnership (G C Services). GC Services is working with Detroit's Finance Department-Income Tax Division for the purpose of identifying non-filing, unregistered, underreporting and delinquent taxpayers and their associated tax liabilities.

We are committed to working with you and GC Services to resolve any delinquencies that may be discovered. GC Services has been assigned the task of providing taxpayer assistance to help you resolve any delinquent income tax obligation.

I am certain that you will be treated courteously, professionally, and fairly in your communications with GC Services. You can rest assured that GC Services employees are bound by the same confidentiality provisions as the City of Detroit's Income Tax employees. If you have a problem that cannot be resolved or your treatment is less than satisfactory, I ask that you notify the City in writing at the address provided on this letter.

I thank you in advance for your cooperation in working with GC Services. Providing quality service to the taxpaying public is extremely important to all of us.

Sincerely,

Tanya Stoudemire
Income Tax Manager
