

## 2011 – 2015 Consolidated Plan and 2012 – 2013 Annual Action Plan Community Survey

The City of Detroit Planning and Development Department is in the process of preparing the 2011 – 2015 Consolidated Plan and the 2012 – 2013 Annual Action Plan.

The 2011 – 2015 Consolidated Plan determines how the City of Detroit will allocate the Federal funds awarded by the U.S. Department of Housing and Urban Development (HUD). For the City of Detroit, this includes the Community Development Block Grant (CDBG) Program, the Home Investment Partnership Fund Program, the Emergency Solutions Grant (ESG) Program, and the Housing Opportunities for Persons with AIDS (HOPWA) Program. The Consolidated Plan (1) identifies housing needs and problems, (2) analyzes market conditions and resources, (3) sets priorities and adopts strategies, (4) allocates resources, and (5) contains an Annual Action Plan which describes how the City of Detroit will track spent Federal funds and measure goals accomplished.

The City of Detroit must submit these documents to the U.S. Department of Housing and Urban Development by May 15, 2012.

We ask that you complete this form so that we may include your comments and concerns in these documents. **The submission deadline for this survey is Friday, April 20, 2012.**
