

WHAT WE HEARD

Marwood Townhomes Community Meeting

Attendees: 5

27 April 2023

Summary

Streetscape Improvements

- Marston sidewalks and streets are difficult to navigate and need immediate attention
- Would like to see more trees on John R; Residents encouraged to take initiative with planting trees on their own
- Would be interesting to have tactical urbanism testing of solutions like was done on Livernois, would be a way for residents to provide input on designs

General Q+A

- Question about alley maintenance; Calvin to follow up with residents
- Could we discuss connecting Equitable Internet Initiative to taller buildings in the area so more residents can enjoy free Internet
- No updates on North End Landing at this time
