**X. Presentation to the Board – BOPC Budget Actuals – Drew Fries, Executive Manager - Fiscal**

- A. **BOPC Budget Actuals – Drew Fries, Executive Manager – Fiscal** presented the Budget Actuals for the month of February 2024. Our budget hearing took place March 25, 2024 led by Chairman Pressley, and since, we have been fielding inquiries by City Councilmembers. With these inquiries, going into next year, our BOPC budget is to increase to increase the headcount of the Office of the Chief Investigator.

The following inquiries require responses from the BOPC and/or DPD:

**Commissioner Burton:** Looking at your manpower right now over at OCI what would you like to be staffed? We budgeted for Investigators at one level, but where would you like to take that number up where we'd be able to focus on a backlog as well as any current or any new cases that could be arriving at OCI.

**Chief Investigator Warfield:** Idealistically, we need 25 investigators. We need 5 senior investigators, we need 4 supervising investigators. We need an additional administrative assistant to handle the cases, to handle the processing of those cases that are coming in as well. So those are the staffing levels that I believe we need. In addition to this, and this is not something we have discussed. I am in 100% favor of us exploring a Deputy position for the Office of the Chief Investigator, because when a Chief Investigator comes to this position there has to be some significant transference of skills and knowledge.

**Drew Fries, Executive Manager-Fiscal:** Those numbers are exactly what we're working on right now. As we consider that some of these are union negotiated salaries. We are anticipating these salaries to increase next year. The Budget office is absolutely working on that.

**Commissioner Bernard:** Where are we on hiring a Policy Administrator for the Board?

**Drew Fries, Executive Manager-Fiscal:** It is in the process of being posted.

**Commissioner Burton motioned** “that Board post the Attorney position.

**YES = 2**

**NO = 5**

**MOTION: FAILED**
