

## TM-12: Review of Emergency Response Plan

---

This technical memorandum was submitted to DWSD in November 2013 with comments in review of the Department's Emergency Response Plan. Due to the subject matter, this technical memorandum is covered by a non-disclosure agreement. A meeting was held in October 2014 with DWSD to discuss progress on updating the Department's overall Emergency Response Plan. An update to comments in review of the emergency response plan, plus additional information gathered on planning for service outages on the Adams Branch and Downriver was provided to DWSD in May 2015.
