18	At this time, I'd like to acknowledge
19	Commissioner Burton who just joined us.
20	Thank you for joining us, sir.
21	COMM. BURTON: Thank you, Madam Chair.
22	THE CHAIRPERSON: At this time, Chief, the
23	floor is yours.
24	CHIEF CRAIG: Thank you, Madam Chair.
25	And, as I begin my remarks, I just wanted to

1 thank you and the Board for offering your prayers and 2 thoughts for those men and women who serve and who have -- are still recovering from being shot, those who 3 have been killed in the line of duty and so I just want 4 to say, on behalf of the Department, how much we 5 6 appreciate that. 7 And the fact that, when there is an officer, 8 unfortunately, that does get injured, certainly there is a presence from this Commission to be there to 9 10 support those of us who were hoping for a good outcome. So thank you for that. 11 I'll talk a little bit about crime. 12 I'11 save Commander Barren for last. So, as far as crime 13

goes, we are still trending in a downward -- I'm 14 15 excited. I mean, we looked over the last four years. There's been a steady decline. A number of factors, I 16 17 think, that have been -- that have helped a lot, certainly, are working with Cease Fire and also the 18 19 Green Light Initiative, which we just topped 200 locations across the City. I think, as of today, we're 20 21 at 204. And so very excited about what's becoming 22 Green Light.

In fact, one of the -- one piece of the technology I'm very excited, that we're starting to wire the stations so that the stations can monitor

1 those Green Lights in their respective precincts. We 2 also have the ability to put it on our cellphones, which I have all 200 locations on the cellphone. 3 So, if there's an emergency call, we can actually go there 4 and access the location and see what the activity is. 5 As far as the next evolution of Green Light, 6 7 I've asked the technology folks to take a look at a way that, when there is an emergency at a Green Light 8 location, that it would trigger the location, whether 9 10 it's on a cellphone, pad, in the Realtime Crime Center, and alert us in realtime that this is the location. 11 For example, robbery in progress, we go right 12 13 to that location, you can actually see the activity. So I'm very excited about that part of the technology 14 15 because I think that really takes us to another level, in terms of how effective Green Light would be. 16 17 Also where the crime numbers are, as of this week, we're down seven percent in violent crimes, 18 19 seven percent in property offenses, and overall crime we're down seven percent. 20 I think one of the -- as of today, I think 21 22 one of the areas I'm very excited that we are in the third quarter -- I know these are small numbers and, 23 24 certainly, one homicide is one too many. But we had fourteen fewer homicides as compared to last year. 25

1 In terms of nonfatal shootings, we were kind 2 of struggling for a while. Partially through the late first quarter and into the second quarter, we were 3 actually up in nonfatal shootings. As of today, we're 4 down 51 nonfatal shootings. 5 6 But the big success -- and, again, I talk 7 about Green Light as an example, we're down 240 8 robberies and 24 carjackings. So I can tell you -- I'm not waving a flag of success, of course, but I'm very 9 10 pleased that we're still trending downward. 11 And I remember when I was in Los Angeles and we were experiencing roughly 2,000 murders a year, when 12 the change took place, it just didn't happen overnight. 13 So I think we're poised. And, if we can just stay on 14 15 this trajectory downward, we can get to a place where we can say this makes sense. But, right now, I think 16 17 the overall numbers are just too high. One of the community outreach efforts I'm 18 19 very excited about, this past Sunday we participated or 20 supported the East versus West Side Car Show over in 21 the area behind the Post Office. Certainly, I'm 22 thinking of the -- the organization that allowed these 23 young people to use this facility. 24 Because you may remember, too, maybe two 25 years ago, we were having a problem with young people

1 with cars, just taking over the city streets. Prior to 2 that, they were going to Belle Isle. They moved off Belle Isle, they went to Eastern Market, booted off of 3 that. And so I went to the conservatory and I said, 4 "We need some help. We need a place for these young 5 6 people to show their cars." 7 And, for the second year, they -- they did 8 that. And we must have had roughly 400 cars, about 15 of them from the state of Ohio. But in attendance was 9 roughly 3,500 people. So it was a good effort. 10 I'm 11 very excited about that. 12 We're also, as you may have read or heard about -- it's not ours but we're partnering with this 13 young man who's an engineer at Ford who is a 14 15 professional race car driver. They're going to have a Day of Drag Racing at City Airport September 23rd. 16 So 17 I invite you all to come out and experience it. We believe there's going to be a lot of folks from the 18 19 community in attendance. As we get more information on 20 the exact time, but it will be at City Airport on the 21 23rd. 22 Also, this past week we job offered and hired

my legal adviser. As you know, Celia Washington
resigned and I hired Grant Ha, who is an existing
attorney with the City of Detroit. He was the most

qualified and so he's set to start on the 11th of
 September.

As it relates to Commissioner Vann, I didn't 3 know it was going to be an item for the agenda, 4 possibly, today. But we have completed that 5 6 investigative report. We are -- I don't know if we're prepared today. And I would defer to Commander Bliss 7 8 if we were prepared to discuss our findings in that report. I have gone through the report, signed off. I 9 10 don't know if that report was transmitted to you. 11 SECRETARY HICKS: No. No, it wasn't. 12 CHIEF CRAIG: So, if you can make a note. Ι signed off on it, I think it was last week. 13 So I 14 would -- can you touch -- First Assistant Chief, I know 15 she or you, if you can get it to Mr. Hicks so that you can review that report. And, after reviewing, we can 16 17 discuss it. 18 As it relates to Nationwide Towing, I don't

19 know if I'm prepared to let the investigative may -20 the investigation may -- and I put "may" on it -- may
21 be still continuing. I know the most important part of
22 the investigation that we were looking at, that part,
23 there's been some conclusion. But I don't want to be
24 premature. So I don't know if we have anyone from
25 Arguette's or from Bliss, if they can report out where

Page 21

1 we are with that investigation. 2 So I'll have to get back. I didn't know that was something you wanted an update on this week. 3 But --4 THE CHAIRPERSON: It wasn't this week. 5 We 6 were just saying we're waiting for the information. 7 CHIEF CRAIG: Oh, okay. 8 THE CHAIRPERSON: Yeah. CHIEF CRAIG: Then we'll definitely make 9 10 note. Mr. Hicks, I know we've been in a little bit 11 of flux on who we contact. I know deputy Chief 12 Bettison, who is here, at this point, to contact until 13 we can get the new attorney hired in. 14 15 And then, lastly, Commander Barren, as what's 16 been reported, I'm recommending him to replace Deputy Chief Hall for a number of reasons. And, certainly, I 17 offer that, if you would like to ask him some 18 19 questions, that he can come, too. But 20 Commander Barren, in the four years that I've been 21 here, has done just a marvelous job in so many ways. 22 And one thing -- well, two areas that stand out for me. 23 As we know what's going on across the country 24 with the number of protests. Protests are certainly not foreign to Detroit. We have had a number of 25

protests and we've been very fortunate that we have not
 had any arrests associated or civil disturbances
 associated with our protests.

4 One main reason is the leadership that 5 Commander Barren has shown. Factually, he meets in 6 advance. When we know there is a planned protest, he 7 meets in advance with the organizers. And that effort 8 has gone a long way in maintaining and sustaining 9 peace.

10 He also understands the importance of not appearing to be some occupying army. You know, when 11 you look across the nation -- and I am not diminishing 12 the value associated with officers in protective gear 13 because there is a time for that. But he understands 14 15 and embraces the thought of approaching as a way to keep the protesters safe and he's done that and his 16 17 team has done that very well. So that's one issue.

And I'm going to back up just on the 18 19 protests. I had a chance on -- I think it was last --20 not this past Sunday but the Sunday before last, it was 21 a planned protest at Campus Martius and I had a chance 22 to see, up close and personal, how effective 23 Commander Barren is. And I will tell you, his 24 patience, professionalism in dealing with those, some of those who were very agitated, who do and many 25

times -- most times spew a lot of anti-police rhetoric.
Despite that, Commander Barren, along with his team,
just maintains a professional decor. And, again, it's
worked in our favor.

The second part of the role he's played --5 6 and second part of the role he's played very well, it's 7 no secret we talk about active shooter situations, 8 barricaded suspects. Those events certainly -- we have one right now going on, an active shooter, a clear-case 9 10 suspect in South Carolina. Those are high-risk 11 situations that certainly don't always have a good 12 outcome.

I will tell you, in my time here, in 13 comparison to other places that I have been either as a 14 15 Chief or as a Commanding Officer, our SRT is truly one of the best of the best. They will train but they 16 17 understand the importance of patience. And, if it takes ten hours to resolve a situation, so be it. 18 19 Never a rush to go in and expose innocent people to 20 danger. Because each and every time they go into that 21 type of critical incident, there's always a risk to 22 human life, and also a risk to their life as well. So 23 I've had to always applaud him in the leadership that 24 he's shown throughout the four years that I've been 25 here.

1 And then, lastly and certainly I'll let him 2 expand more on some of the other things he has done throughout his career. But the fact that Deputy Chief 3 Bettison, who does tireless work in the neighborhoods, 4 many times Commander Barren and Deputy Chief Bettison 5 6 work hand-in-hand on community-related issues. 7 So, when people ask me, they say, "Well, how 8 come Detroit's not having some of the same problems in other cities", it's really down to one thing, it's 9 10 called relationship and trust. That doesn't mean we're 11 going to have a bad day or something's going to happen 12 that's going to shake that trust. But, at the end of 13 the day, people expect and know that, if we say it's a certain way, it is just that. 14 15 And so, with that, I would ask if you want to hear any remarks or comments from Commander Barren. 16 17 THE CHAIRPERSON: Sure. We'll take comments at this time. 18 19 COMM. VANN: Madam Chair? 20 THE CHAIRPERSON: Please. 21 COMM. VANN: I've had an opportunity to see 22 Commander Barren down through the years and his 23 exemplary service that he's given to this Department 24 and to this City. 25 And, Chief, I don't think you could have

1	picked a better person for this particular position at
2	this particular time. He's always been a stand-up guy,
3	full of integrity and hard work. And I applaud you and
4	very happy to support this promotion.
5	COMMANDER BARREN: Thank you, sir.
6	COMM. CRAWFORD: Through the Chair.
7	THE CHAIRPERSON: Commissioner Crawford.
8	COMM. CRAWFORD: Yes, ma'am. Also, too, I
9	have known Commander Barren for years. I think back
10	when he was a Sergeant or so because I knew a relative
11	of his on the job. And I just want to say that,
12	following that career for years, I mean, I echo some of
13	the same comments as Commissioner Vann. You've been
14	really a great person. You've really done some great
15	things and been a true asset to this Department. And
16	so, even up front, I just want to congratulate you.
17	COMMANDER BARREN: Thank you, sir.
18	THE CHAIRPERSON: Any other comments,
19	Commissioners?
20	Commander Barren?
21	COMMANDER BARREN: Yeah. So, first off,
22	Commander Elvin Barren.
23	Through the Chair, I want to thank Chief
24	Craig.
25	Thank you, sir, for the confidence that

1 you've shown me. 2 I like the way you paid attention to my career, the last rendition of events. 3 Certainly, I think it's important for me to 4 share with you a little bit of my history so you know 5 6 what you're getting as a Deputy Chief. So I did graduate from Detroit Public Schools back in 1990. 7 Ι 8 look good for my old age. So, after the -- afterwards, I did join the 9 10 Navy, spent eight years in the Navy. I served down in 11 a station in Norfolk, Virginia when I was aboard two ships, one which we call the U.S.S. Iwo Jima. 12 We housed Marines deployed on that ship, out of east coast 13 deployment. That should have been a decommission, 14 15 which means it was taken out of service. Then I joined the USS Briscoe, a destroyer and, again, did more east 16 17 coast deployment. 18 Most people think that I joined the police 19 department because of my relative. But the fact is, 20 towards the end of my Navy career, I was actually stationed here in Michigan, where I was living on 21 22 Selfridge and I was working at what's called the 23 Military Interest Profit Location in Troy. 24 And, again, I was living on Selfridge. Ι 25 woke up one morning and there was a newspaper on the

dresser. And the newspaper was -- it was a drawing of a police car, where it said the Detroit Police was hiring. And, from there, I sat up on the edge of the bed and just had this feeling about me. And I actually went and applied and then, fortunately, I did get the job.

7 And so, again, I joined in 1998. I was 8 stationed, originally, at Tactical Services Section. From there, I was promoted in '06 to the rank of 9 10 Sergeant, where I served at the Third Precinct. While 11 as a Sergeant, I also did investigative detective work at Copper Theft Task Force, also in Gaming Special 12 Operations, just to name a few assignments. And then, 13 from there, I was pulled to Lieutenant in 2010, where I 14 15 served in Tactical Support. Chief James Craig came in in 2014. 16

17 CHIEF CRAIG: '13.

COMMANDER BARREN: '13. From there, he 18 19 double promoted me from Lieutenant to Commander. My 20 first assignment under the Chief was Organized Crime 21 where I managed assignments, such as Narcotics, Vice, 22 just to name a few, and then, later on, Commander of 23 Metropolitan Division, which you more distinctly know 24 me as handling is a lot of critical incidents through 25 our Tactical Assets.

1 So, the Chief mentioned, again, I think he 2 had trust to allow me to manage these men and women. I had the opportunity to speak to my SWAT team yesterday, 3 SRT, and got choked up with them guys because I told 4 them that a lot of that success is through a lot of 5 6 their hard work. And, without having people to lead 7 and accept your leadership, I wouldn't be standing here 8 today.

And so I say that to SRT first, on behalf of 9 10 all the commands under Metropolitan Division and to show the appreciation that they allowed me to lead 11 them. And that's where we have had a lot of success, 12 it's not just me it's a combination of captains, 13 commanders and police officers working together to make 14 15 sure that we continue the Chief's vision of community 16 engagement.

17 And that's where it comes from, when you talk about senior management, community engagement; what's 18 19 good for the community, what's good for the officers is 20 good for the City. So, again, I thank this body for 21 approving -- I hope you will approve this promotion. 22 CHIEF CRAIG: Thank you. 23 Chair, I have just one small comment. 24 And I know, Willie, you were at Renee Hall's 25 going-away celebration. And, during that celebration,

1	she made a statement and you may remember, in the
2	statement, and I'm told was that, if she could take two
3	people with her, one would be Commander Barren.
4	And so I had not one but several
5	conversations with her. I said I just need to
6	understand one thing, if I'm going to recommend you to
7	the Commission, I need to know whether or not you
8	committed to Big D and not Little D.
9	He made a commitment, he said, if you're
10	going to recommend me as a Deputy Chief through the
11	Commission, then certainly I'm committed for Detroit.
12	So I just had to put that piece in there.
13	COMM. VANN: Madam Chair.
14	THE CHAIRPERSON: Commissioner Vann?
15	COMM. VANN: I so move that we approve and
16	support the promotion of Commander Barren to
17	Deputy Chief.
18	COMM. DEWAELSCHE: Support.
19	THE CHAIRPERSON: It's been moved and
20	supported that we approve the recommendation for
21	Commander Barren to the rank of Deputy Chief. Is there
22	any discussion?
23	COMM. BELL: Yes, ma'am. You mentioned
24	Madam Chair.
25	You mentioned, sir, public school?

1	COMMANDER BARREN: Yes, sir.
2	COMM. BELL: Let's clear the record. What
3	high school?
4	COMMANDER BARREN: Denby, east side.
5	COMM. BELL: Oh, Denby High School. And
6	that's good because the counterpart of Chief Craig made
7	mention there was one flaw with the Deputy Chief, who
8	now Chief of Police. And I've been echoing that
9	throughout my community activities, that she was a
10	Kettering High School and this is a Denby High School
11	grad from the east side of Detroit. And I just wanted
12	to let the records reflect that we have outstanding
13	individuals through our public school system.
14	And I have a great deal of respect for
15	Cass Tech. My daughter graduated from Cass Tech. But
16	I'm a Northeastern grad, proudly to say. And I just
17	wanted to lift up all the public schools in the City of
18	Detroit. It's outstanding and I just think that
19	someone said there's no way that Cass could fail
20	because they had all the resources, all the best of
21	everything. And a Denby grad. And, you know, and
22	Kettering and others, I know the shortcomings because I
23	have worked closely with the school system in my
24	career.
25	And I just wanted to echo that you're an

1 outstanding Denby grad and I just want -- you're not 2 flawed at all. And I just want the record to reflect I stated that last week but I'm glad Chief Craig is here 3 and I love all my technicians, all my technicians. But 4 I do love a public school grad or any other grad from a 5 6 high school in the City of Detroit. 7 So, as we meet the education challenge in 8 Detroit, the superintendent now, he spoke over to a

9 forum over to East Denby Prep this afternoon and I had
10 an opportunity to shake his hand at the Fisher
11 Building, on an invitation through United Way. And we
12 just need to lift up education in the City of Detroit.

I'm not getting into Charter and public but I do proudly say I'm just promoting our public schools, it's a challenge. I wish more parents lift it up each and every day. And I just wanted to put that on the record, too.

18 COMMANDER BARREN: Thank you, sir.

19 COMM. BELL: And thank you for your military 20 service, too. And I have watched you in action, too, 21 and I'm impressed.

22 THE CHAIRPERSON: Any other discussion,23 Commissioners?

24 Those in favor?

25 BOARD MEMBERS: Aye.

Page 32

1 THE CHAIRPERSON: Those opposed? 2 The motion carries. Congratulations. We 3 look forward to many more years of dedicated service from you, sir. 4 Madam Chair. 5 COMM. VANN: 6 THE CHAIRPERSON: Yes, Commissioner? 7 COMM. VANN: If I may, I wanted to just ask 8 the Chief about a couple of incidents that have been reported in the news media this week. 9 10 THE CHAIRPERSON: Okay. 11 COMM. VANN: One, in particular, concerns me with regard to the drug raid that was done in Detroit 12 by the West Bloomfield Police for, I suppose, the death 13 14 of a West Bloomfield resident who had a drug overdose, 15 allegedly. And I am not really clear on what the jurisdictional protocol would be in such an instance. 16 17 And I didn't see the Detroit Police Department involved. And, for me, it sets a bad precedent. 18 19 That's one incident. 20 Of course, the other incident is the -- the 21 officers who have a -- had a questionable use of force 22 with another individual in a store, a party store. So 23 if you could just address those two for us. 24 CHIEF CRAIG: Through the Chair, I'll start 25 with outside agencies serving search warrants.

1 If a law enforcement agency has been granted 2 a search warrant from a judge and it's inside the City of Detroit, the only requirement and the practice has 3 been that they notify this agency, which according to a 4 lieutenant who was the officer in charge of the case, 5 6 acknowledged he did. I can tell you I was asked the 7 question probably on yesterday and we haven't confirmed 8 that yet but we don't doubt that it happened. There's a lot of reasons why it happens. 9 10 One, two things should happen. One, notify the agency. There are times when the Detroit Police Department does 11 go outside the City and does serve search warrants. 12 13 But, as a matter of practice, we notify the agency and then we notify Narcotics, the Regional Narcotics, if 14 15 you will. The acronym is failing me right now. AC WILLIAMS: 16 HIDTA. 17 HIDTA. And we do that for CHIEF CRAIG: de-confliction because of obvious reasons, being 18 19 another agency may be conducting the investigation. So 20 it's not uncommon, it does happen. 21 I'll take you back in time. I think I've 22 discussed it here at this Board, I'm not certain. 23 There was an incident involving the Farmington Hills 24 Police Department where they were looking for an armed robbery suspect here in the City of Detroit. 25 He was

Page 34

held up in a hotel on Eight Mile on the City's border,
 but on the City's side.

They ended up getting into an officer-involved shooting incident, Suspect was hit by gunfire, transported to the hospital, it resulted in a nonfatal injury. However, because it did happen in the City of Detroit, as we do with any shooting incident, we take responsibility for the investigation, which we do.

In this instance, while there was reports in the paper about someone who was unhappy on the treatment, the fact that heavily armored police or armored vehicles went to this location, going after a suspect who was actually wanted from a crime earlier that day, it was an assault with intent to commit murder, and that suspect was arrested.

17 So we have since, because of what came out, not to investigate the police department that served 18 19 the warrant, I have directed Commander Bliss to meet 20 with the -- the woman who in the paper made some 21 references as to how she felt she was treated but also 22 to talk with neighbors, not -- again, not to 23 investigate the Department, but just because whenever 24 there's law enforcement action in the City of Detroit, we have to manage the neighborhood. This is the City 25

Page 35

1 of Detroit and so we want to make sure, is there something that we can do. 2 If that something is as simple as, "Well, we 3 didn't feel we were treated right", then we would 4 notify the concerned agency. In this case, I think 5 6 that's Royal Oak. We would notify them and pass that 7 on. Now, if there's -- I'm sorry? 8 AC WILLIAMS: Hazel Park. 9 CHIEF CRAIG: Oh, Hazel Park. Actually, 10 Hazel Park was the investigating agency. But kind of a 11 regional SWAT unit was the one who actually served the 12 warrant. Now, there are occasions when outside 13 agencies, whether it be Federal or another municipality 14 15 that will request the assistance of Detroit Police. And most of the times, when that happens, they request 16 17 it because they need a uniformed presence. As a matter 18 of practice, we can and, on occasions, will serve 19 high-risk warrants for outside agencies. 20 But what I never will do is mix -- what I 21 call mix and mingle our tactics. Not all police 22 departments train the same way. So I would not want 23 our SRT unit -- and certainly now Chief Barren knows 24 that if it's a DPD warrant, we serve it, if it's for 25 another agency, we'll serve it but we won't have the

> HANSON RENAISSANCE COURT REPORTERS & VIDEO COURT REPORTERS & VIDEO 313-567-8100

other officers involved in the actual tactical part of
 it because we don't know how they train and it puts our
 officers at risk.

And so I understand the concerns that have been raised. But, certainly, anytime there's an issue where a community member feels they've been wronged, even though it's another agency, we will go out to the community, make the assessment and, if necessary, if it doesn't rise to the level of alleged criminality, we will advise that outside agency.

Now, if we go out and, during the course of investigation, we find out that there is criminality, we will start the investigation, complete the investigation and give it over to Prosecutor Worthy for evaluation.

To the second incident, as I was interviewed 16 17 today on it, you probably seen it on the news, this is a story that broke yesterday. Let me first talk about 18 19 what went well. What went well, so we had a group of 20 officers assigned to the Fifth Precinct, Special 21 Operations, there was no call to the location. Two of 22 the officers were at the location. And, during their visit there, they had an encounter with, initially, one 23 24 individual. Now, I'm not certain, as of yet, whether or not there was prior contact between the concerned 25

officer and the suspect. But it appeared that way,
 looking at both videos. There were two videos, as you
 may know.

One video was a video taken by one of the
individuals that was subsequently posted on Facebook.
And then, certainly, the store had a video, which Media
has requested. And I said, "Well, we have a pending
criminal matter, and I'm not policing that." But I did
give a statement on it.

10 So what went well, in any use of force 11 situation, the command, in this case, the Fifth 12 Precinct, led by Commander Ewing, conducted -- his 13 folks conducted an investigation. He found he had some 14 concerns about what had transpired. And, because of 15 that concern, he immediately contacted Commander Bliss 16 from Professional Standards.

17 Commander Bliss then got our Force Investigation Section to start another investigation, 18 19 which they did do. As part of the investigation, there 20 were some concerns identified. They did the 21 investigation. And, on last Friday, that investigation 22 was submitted to the Wayne County Prosecutor for review 23 and evaluation as to whether or not the officer's 24 conduct was criminal.

25

Now, what was depicted on the news and the

video, it shows that the individual was facing the
Plexiglas inside of this liquor store. At some point,
while the individual stood there, the officer deployed
chemical spray and, immediately following that, using a
bomb-type technique, took the individual to the ground
to facilitate an arrest. Suspect was then arrested.

7 However, when you look at the video from the 8 store, certainly there was something that occurred prior to the actual deployment of chemical spray. And 9 10 that something was Suspect, in this instance, did swing 11 at the officer. Now, when I first looked at the video, I wasn't sure if he made contact with the officer. 12 It appeared that way. But, in the second review, I think 13 Commander Bliss suggested it doesn't look like he made 14 15 contact. So, at that point, the officer felt threatened and that's when Suspect walked away and he 16 17 deployed the chemical spray.

18 There was other activity, where the suspect 19 was contacted prior to that out in the parking lot, and 20 so that was a concern we had had. And so we will let 21 the prosecutor make that decision. If she finds no 22 criminality in this matter, then we will complete our 23 investigation from an administrative view and we will 24 take whatever appropriate action is necessary.

25

So that's where we are right now. And I'll

8/24/2017

Page 39

1 take any other questions that you may have. 2 COMM. BELL: Madam Chair, I'd like to do a follow-up on Commissioner Vann, the first question. Do 3 we have a history of rolling off the armored personnel 4 vehicle in any other city besides Detroit? 5 6 CHIEF CRAIG: All SWAT teams or SRT, 7 depending on the jurisdiction, do have armored vehicles. Detroit has what we call two BearCats. 8 We have a small one and a large one. Those tactical 9 10 armored vehicles are used during negotiations. 11 In fact, I know, vividly, in one instance, where the barricade -- during the negotiation with an 12 armed suspect, who was barricaded began to fire rounds 13 and, actually, struck the vehicle. So it doesn't look 14 15 like a military vehicle. I know the vehicle that was 16 depicted in the newspaper was a light brown 17 military-style vehicle. Our vehicle is not painted in military. It's strictly a police-type armored vehicle 18 19 that the Police Departments purchased called a Lenco. 20 It's paint in a very dull dark gray and has just the 21 "Detroit Police". 22 So, to answer your question specifically, all 23 police departments that deploy SRT assets do use armored vehicles for the safety of not only the 24 25 officers but the person that we're trying to deescalate

NAISSANCE hansonreporting.com

313-567-8100

1 the situation. 2 COMM. BELL: I'm trying to clarify, do we utilize that in, say, Warren or Grosse Pointe; do we 3 have history of rolling out an armored personnel 4 vehicle outside the City of Detroit? 5 6 I don't see us going to Grosse Pointe. Ι 7 mean, enlighten me. I'm just trying to get an idea 8 that maybe the -- to respond, I'm just trying to get an idea, do we roll out a vehicle like that in any other 9 community besides Detroit? 10 11 CHIEF CRAIG: As I indicated earlier in my remarks, on occasion, if we're going after a felony 12 13 suspect, we will go outside the City. And the reason for the deployment of that type of vehicle, if we're 14 15 going to an armed suspect who is a warrant for murder, knowing they're armed and dangerous, there is a 16 17 likelihood --And maybe, Barren, you can specifically --18 19 how many times have we -- if you know off the top, how 20 many times have we gone outside the City? 21 COMMANDER BARREN: Not off the top but we 22 have deployed, based on search warrants, for example, 23 if the suspect may commit a crime in Detroit, he may be 24 in a neighboring city and SRT gets that deployment. We 25 have what he call a matrix so the Homicide personnel

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

1 will do the matrix, it is a key to where our SRT will 2 have to make that arrest. And, since we're going after a dangerous suspect who's already shown a propensity 3 for violence, we do deploy our assets to effect that 4 5 arrest. Sometimes those incidents do turn into a 6 7 barricaded situation. Fortunately, we haven't had one 8 outside the City but we come to those scenes prepared. COMM. BELL: I'm just trying to get clarity. 9 10 The answer would be "yes" or "no". Do we he have a history of going outside the City of Detroit with 11 vehicles of that nature, as you described? 12 COMMANDER BARREN: I wouldn't say history but 13 we have done it at times. 14 15 CHIEF CRAIG: Through the Chair, we have done And, I mean, I know where you're trying to take 16 it. 17 me. COMM. BELL: The question's been posed by 18 19 people who want to know. 20 CHIEF CRAIG: We can also look at this 21 through another lens. Here's the other lens that we 22 can look at it, you know, we're reducing violence in the City of Detroit. So the suspects may feel more 23 24 comfortable now, maybe they don't want to do -whatever had happened, Suspect lives in Detroit, goes 25

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

8/24/2017

Page 42

to Grosse Pointe and commits a violent crime and comes back to Detroit, I don't know. So what I really don't want to do is I don't want to take over serving high-risk warrants for outside municipalities. We go through a very substantial workup, we have a matrix, as was alluded to by the Deputy Chief. Certainly, I mean, we believe

8 there was children in the residence because we just 9 couldn't keep up.

10 Now, again, there are agencies that will ask us, and depending on what it is, we may decline. 11 We may say, "That doesn't fit our criteria. We're not 12 13 going to do it." They may have the authority because a judge has signed this warrant to make the arrest, and 14 15 it's a high-risk warrant, they may deploy their armored assets, like we would deploy. We just don't have 16 17 anything that looks like a tank.

18 COMM. VANN: Madam Chair, I think -- I'm19 sorry.

20THE CHAIRPERSON: Crawford was next.21COMM. CRAWFORD: I'm sorry. Go ahead, sir.22COMM. VANN: No. I was just saying that, you23know, the consternation in the community on a24residential street, where all of a sudden they see an25armored vehicle and a large police presence but it's

not our police, you know, just adds to the malaise of distrust that we're working so hard -- you're working so hard, we're working so hard to try to alleviate, so that we wouldn't have the propensity of those kinds, you know, of incidents getting out of hand community-wise.

If there is some alleged mistreatment, for
example, of a Detroit resident by a suburban
department, that would be visible to the community, as
people inevitably would be in the street or on their
porches or wherever they would be observing this.

I just think it is a bit disturbing to me. 12 And though I -- I'm understanding what you're saying 13 about the jurisdictional protocol, I'm -- I'm 14 15 wondering, there are a lot of women who are Detroiters, Detroit residents, you know, who have also died of a 16 17 drug overdose. I'm just wondering if you would be conducting raids in a suburban location for a death of 18 19 a Detroit woman for that. I don't know how you would 20 allocate those kinds of resources.

But I can see some potential difficulty with people looking down their street and saying, "Wow, I don't recognize that vehicle, I don't recognize that vehicle and I don't recognize those uniforms."

CHIEF CRAIG: Through the Chair, I understand

25

8/24/2017

Page 44

1 your concern. And, you know, I'm not certain, 2 apparently, you know more about that one raid that was conducted by -- I think it was Bloomfield on the 3 overdose. Would we do it? We haven't done it. 4 But the issue is -- and I'm going back to the 5 6 one, the assault with intent to commit murder. A 7 violent fell on who happens to be in Detroit, I mean 8 what would you recommend we do with this violent felon? Are you suggesting, then, that the Detroit Police 9 10 should serve every warrant within the City limit of 11 Detroit? I mean, is that the suggestion? Or -- I just would like to understand. 12 COMM. VANN: No. I just -- I guess, for me, 13 I just thought that there would be a protocol that 14 15 would include, as you have said, but could not verify the permission of DPD, as they come in or at least the 16

17 notification that they're coming in, and that there 18 would be DPD personnel, you know, working with them as 19 a part of whatever enforcement action needed to be 20 taken.

21 CHIEF CRAIG: Through the Chair, as a point 22 of clarity, it's not a matter of notifying as to for 23 permission, it is a judge that has deemed the location 24 where, say, a felony suspect went on an attempt murder 25 has given that department permission to serve the

1 warrant. 2 Again, I'm not fond of mixing our police tactics with another outside agency. If we're asked to 3 serve a warrant on a felony, we will do that. And, 4 unless there's some issues that we're not comfortable 5 6 with. But, I mean, I could think of a number of times 7 where federal assets come in and said, "We're going to 8 serve the warrant but we just need DPD to stand by." So it's almost not -- but that's when they 9 10 need to have -- they notify the -- certainly, the precinct of occurrence, so they -- they are aware that 11 they're in the City. Just like if we go to 12 Grosse Pointe, we're going to notify Grosse Pointe PD 13 that, "We're serving a robbery warrant in your 14 15 jurisdiction" and they may show up and just stand by. We may show up and just stand by. 16 17 But, again, it's their warrant and they'll be held accountable for anything that may or may not, you 18 19 know, turn out okay. So I guess I'm trying to 20 understand, what is your, the Board's, desire? But, 21 certainly, I would not want to serve every single 22 warrant for any outside agency in the City of Detroit for a lot of reasons. 23 24 COMM. CRAWFORD: Through the Chair, good 25 evening -- or afternoon, Chief.

1	And, Commissioner Van, you and I may differ a
2	little bit on this. But the scenario that, if a
3	citizen in the City of Detroit, a woman, so to speak,
4	has overdosed on some heroin or something, as this were
5	the case, and the Wayne County Prosecutor issues a
6	warrant, if the individual is somewhere in the State of
7	Michigan, I think that we need to go get them, if
8	there's a warrant and outside the City of Detroit.
9	Also, too, in reference to this, a number of
10	phone calls about these both these incidents that
11	occurred with the the armored personnel carrier,
12	because that's what it really is, citizens likening it
13	to a tank. I mean, that's what they posted it on
14	social media and it's not a tank.
15	But, again, and those were the complaints
16	about an outside agency. My concern is also, too, most
17	importantly, is that these these two agencies and
18	that all agencies notify the Detroit Police Department
19	when coming into our city. That's real critical, not
20	only so that we know but for officer safety and also,
21	you know, for our citizens. Of course, they wouldn't
22	notify the citizens in our neighborhoods but at least
23	we would know. And when I say "we", the Detroit Police
24	Department.
25	In reference to the incident that was the

videos that was being played out on a couple different news outlets, incident at the gas station involving the Detroit police officer, what we're privy to and what the citizens have seen is that only it's that video, that's all that everyone basically knows about is what they seen in the media.

So -- and also, too, in the media there was a Detroit News, to be exact, article, where a Detroit police officer was interviewed and he likened -- or, to be exact, I believe the words were there, "The citizens have somewhat declared a war on police officers."

Again, I differ with that. I'll be glad to 12 reference some information for that particular officer. 13 Because, even as early as today, the incident that 14 15 occurred in Boston with the massive protests, thousands and thousands of protesters, recently there was a 16 17 statement from their Police Commissioner/their Police Chief, Evans, who stated that 99.9 percent of the 18 19 protesters, they didn't have an issue with, 20 99.9 percent. Out of all those thousands, it was only 21 27 arrests. A few police officers were assaulted, 22 also, in that.

But I'll reference some information from the
American Police Beat magazine, which is a police
magazine, December 2016, as stated there, confidence in

police is -- is high, high numbers contrasting conflict
 with war on cops talk.

Recent Gallup Poll -- Gallup Poll is a national organization -- 76 percent of Americans have a great deal of respect for police in their local area. I think Detroit might even be a little bit higher than 7 76 percent in this metro area. That's up 12 percent 8 from 2015.

Who say they respect police is significantly 9 higher since the 1990s, 1.77 percent recorded in 1967. 10 11 Gallup Poll reported a solid majority of Americans said they respect their local law enforcement, respect has 12 increased among both whites and nonwhites. Four in 13 five whites, 80 percent, say they have a great deal of 14 15 respect for police; that's up 11 points. Two in three nonwhites, 67 percent, say the same level of respect, 16 17 an increase of 14 points from 2015.

So I don't believe that the citizens -- or Americans across America has declared some war on police. And this -- like I said, this is from American Police Beat magazine, which is something the police publish every month. Thank you.

23 CHIEF CRAIG: Through the Chair, I know the 24 article you referenced, today's article, the writer is 25 actually here. And yeah, there was some reference to

1 this war. However, this Police Chief said in the 2 article -- and I say it constantly, that the vast majority of Detroiters support this Police Department. 3 It's a well-known fact. 4 Now, there is some members of the criminal 5 6 community that have problems with Detroit Police, some 7 of the aggression, threats that are made. The fact is 8 some officers have been shot but it certainly doesn't define that there is a war against police officers by 9 members of the community. I think the vast majority of 10 11 Detroit Police officers know that. COMM. CRAWFORD: Yes, sir, I would contend. 12 But also, I'm addressing what was in the media and was 13 quoted by --14 15 CHIEF CRAIG: I was quoted, too. 16 COMM. CRAWFORD: Yeah, I know you were. But 17 you didn't -- that wasn't -- I am not attributing that quote to you. 18 19 THE CHAIRPERSON: Commissioner Mallet? COMM. MALLETT: So, Madam Chair, I do think 20 21 that the point that Commissioner Vann and 22 Commissioner Bell were making is one worthy of some 23 degree of recognition. But it's not anything that the 24 Chief could do. So here's the recommendation: 25 We have the secretary draft a letter,

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

Commissioner Vann and Commissioner Bell, on behalf of
 the entire Board. That's that.

One, we support fully the City of Detroit's 3 requirement that jurisdictions or agencies outside the 4 City of Detroit continue and aggressively notify DPD 5 6 when they're going to serve a warrant; that the Detroit 7 Board of Police Commissioners supports the continual 8 demilitarization of our police departments and the careful use of military assets as we approach the 9 10 necessity for police service.

And then, three, that, in this particular instance, we would hope that there would be a high degree of sensitivity shown for the neighbors in the community where the warrant is going to be delivered.

I do think -- because I really don't think, Commissioner Vann and Commissioner Bell, that there's much the Police Chief can do. The concern that has been voiced, which I think all of us share, is that we want a balance, we want respect, we want careful policing, no matter what agency is providing it.

And we want to be sure that the citizens of Detroit are protected by all of the police agencies who come in contact with this particular community that we serve. So, I mean, I think that the -- the -- the point would be that the -- if we -- we want -- none of

us want to endanger any police officer anywhere. And
 we want to make sure that the police officers, when
 they're doing their job, have the assets determined
 that are required to get that work done.

However, tanks and those kinds of things, in 5 6 this particular circumstance, we would ask that that 7 policy be reviewed. And, again, I, for one, and only 8 speaking for myself, so that's why the letter has to be circulated, support the demilitarization. So we need 9 to see what that letter looks like and have it come 10 11 back to the Commission, Madam Chair, so that we can voice the concerns here to the appropriate agency that 12 carried out the -- conducted the raid that occurred. 13

14 COMM. BELL: Madam Chair -- and I support, 15 that was my -- my mode of moving to that letter. 16 Because an arrest warrant is one thing and a search 17 warrant. But just to roll through an armored vehicle, 18 whatever it looks like, whatever it is, I think that's 19 inappropriate and in a measure that we should review 20 the circumstance of this particular instance.

Because I know we don't have a history of rolling out in their cities, in that manner, for something of that nature. And I respect the Chief's response. But I think we need to look into it and that we must show if it warrants our displeasure for that

1	type of activity. Because someone raised it, this is
2	like the second incidence of this nature. I don't know
3	the history. But it's out there on social media, how
4	we respond to their community. And I know we have a
5	great deal of respect for other cities.
б	But there's a tendency not to respect Detroit
7	citizens, in terms of the nature of these type of
8	operations. And I think we need to be loud and clear.
9	If it warrants it, we need to speak as one board.
10	COMM. MALLETT: I agree.
11	COMM. BELL: And I agree with you on that.
12	So, if the Board Secretary and staff could take note,
13	in terms of circumstance, and that we could move
14	forward, I look forward to that. Thank you,
15	Commissioner Mallet and Commissioner Vann for raising
16	the issue because it's out there already, you know,
17	what is happening in our city versus their city. Thank
18	you.
19	THE CHAIRPERSON: Thank you, Commissioner.
20	So we will draft that letter.
21	SECRETARY HICKS: Yes, Madam Chair. The
22	letter will be drafted and then we'll begin to
23	circulate it between the commissioners.
24	THE CHAIRPERSON: Thank you.
25	All right. At this time thank you all for

1 your comments. At this time, we're going to have the 2 presentation from the Executive Manager Maloney White. MS. WHITE: Good afternoon, your Honorable 3 May it please the Board, I am Melonie White, 4 Board. Executive Manager of Policy and Planning. 5 6 And today I am presenting or reporting on two 7 items, the quarterly -- BOPC's quarterly audit of the 8 department's revised policy directives and, also, the upcoming NACO conference that will be held during the 9 10 month of September. 11 With regards to the BOPC's quarterly audit, you should have a chart in your package and it is also 12 up on the screen. As part of the BOPC's 13 charter-mandated responsibility and authority, the 14 15 Board, in collaboration with the Mayor and the Chief of Police, set policy, rules and regulations, which 16 17 includes making revisions to the departments police 18 manual directives. Major revisions are reviewed by the 19 policy subcommittee and voted on by the Board and minor 20 revisions are reviewed by staff and outlined in a 21 quarterly report for the Board's consideration. 22 All of the policies listed in the chart that 23 you have in front of you were taken from the 24 department's management awareness system and we wanted 25 to bring those to your attention today.

Page 54 1 In the first column, you have the department 2 directives listed and they are as follows: Patrol, strikes, demonstrations and civil orders, 3 transportation of detainees, surveillance, definition, 4 non-sworn members, timekeeping, armed and barricaded 5 6 persons, department vehicles, uniforms and appearance, 7 radio procedures, payroll and paychecks, work period, 8 time report. Those are all of the directives that the Department has made revisions to. And we first noticed 9 10 it on May 25th, as you see that in your column. 11 The second column indicates the number of readvised items to each of those directives. So, for 12 instance, for the patrol-related policy directives, 13 there were seven revised items. 14 15 The third column is the number of major items requiring the BOPC's approval. And, as you can see, at 16 17 this time, of the items that were revised, there are no -- none of them require your approval at this time. 18 19 And the fourth column indicates the number of 20 minor items where no approval is needed, and you see 21 that that indicates seven. And then the last column indicates the 22 status. And, particularly for the patrol-related 23 policy directive, we are still reviewing that 24 25 particular directive because we are awaiting additional

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

----------	-----	----	----	----	----	----	---

1 information to present to you for your review and 2 consideration. But, as for the remaining 11 policy 3 directives, no action or approval is required from you 4 at this time. 5 And, just to give you an example of some of 6 the corrections or some of the revisions that were made 7 to the policy directives, for instance, under the 8 patrol-related policy, revisions were made concerning 9 inspections following roll call, what the supervisors 10 11 are responsible for inspecting with regards to the

12 officers.

25

Under transportation of detainees, a revision 13 was made that officers are required to order EMS when 14 15 an individual is requesting medical attention concerning the handcuffs being too tight. So those 16 17 were some of the changes that were made within some of 18 the policy -- or within that particular policy directive. 19

20 And a more formal report will be transmitted 21 to the Board of Police Commissioners once we receive the additional information that I mentioned earlier 22 23 concerning the patrol. But you'll -- you will have an 24 opportunity to review each revision in detail.

And I'd also like to indicate that there are

8/24/201	017	20	12	24	12	Β/	8
----------	-----	----	----	----	----	----	---

an additional 12 policy directives that have been 1 2 revised by the Department. And the Policy and Planning Division is also currently reviewing those revised 3 directives as well. 4 And, lastly, with regards to this particular 5 6 report, just to provide you with an overall status of all of the policy directives that have come before the 7 Board of Police Commissioners, in terms of new 8 policies, they are as follows: And I'll provide the 9 status as well. 10 11 The electronic control weapons policy you all 12 approved. The body-worn camera policy directive is 13 14 currently with the Department. As you know, the 15 Body-Worn Camera Policy Privacy Act was just enacted 16 into law and you all also transmitted your proposed 17 recommendations to the Department. So it is still with 18 the Department at this time. 19 The civil asset forfeiture policy directive 20 is still under your review. 21 And, lastly, the vehicular pursuits, the 22 policy subcommittee is currently scheduling a meeting to review those recommendations as well. 23 24 With regards to the NACO conference, the 23rd 25 annual NACO conference will be held in Spokane,

1 Washington, from September -- Sunday, September 10th, 2 through Thursday, September 14th 2017. The conference sessions will take place at the Davenport Grand Hotel, 3 which is in Spokane, Washington. 4 The -- this year's conference theme is 5 6 civilian oversight in a changing landscape. The conference sessions are assigned under four tracks and 7 8 they are as follows: 21st Century Policing, which is taking --9 taken from the President Obama's President's Task Force 10 on 21st Century Policing. 11 12 The second track is current and emergent trends. 13 The third track is effectiveness and impact. 14 15 And the fourth track is correctional 16 oversight. 17 Given the events involving police misconduct, 18 the current outlook of the Department of Justice and 19 the current dynamics of our country, this conference 20 will provide useful information to you to provide 21 effective and efficient oversight of law enforcement. 22 You all will receive NACO conference package 23 materials. And, within those materials, we have 24 identified and grouped the conference sessions as -- or 25 under those sessions that are of local impact, those

1	sessions that are of broad impact and those sessions
2	that are of emergent impact.
3	Some of the local impact that we are local

impact sessions that we are recommending include 4 5 collective bargaining and its impact on police 6 oversight, mental illness and incarceration, 21 Century Policing and Procedural Justice, body-worn cameras and 7 8 lessons learned, and also use of force, evaluating use of force tactics and legal update. So those are some 9 10 of the sessions that we are recommending, as far as 11 what is locally impacting here in the City of Detroit.

12 And, also, in your package of materials, you 13 have articles and pieces that are consistent with those 14 recessions, and I've just mentioned to you some of the 15 names of those articles as well.

16 And I can take any questions that you may17 have at this time.

18 THE CHAIRPERSON: Commissioners, any 19 questions?

20 COMM. BELL: Yes, Madam Chair. We are 21 waiting on the traffic stop of Commissioner Vann. Have 22 we looked at the policy and training bulletin in 23 reference to traffic stops?

24There's a great deal of discussion that we25upheld in the community in reference to the Chief

8/24/2017

Page 59

1	mentioned a couple of issues concerning traffic stop.
2	But have you look at traffic stops and the training
3	bulletin policy on that?
4	MS. WHITE: Yes, sir. Through the Chair, the
5	Policy and Planning Division has reviewed other
6	jurisdiction's department policy directives and other
7	case law, as it relates to traffic stops. And so
8	that's why I mentioned we were waiting on that one
9	additional item before the readvised policy before we
10	present it to you for your consideration. But we are
11	currently looking at those other jurisdictions as well
12	as reviewing the current policy to identify what
13	what additional items we can recommend for enhancement
14	purposes.
15	COMM. BELL: Thank you.
16	THE CHAIRPERSON: Any other questions,
17	Commissioners?
18	Thank you, Ms. White.
19	At this time, are there any standing
20	committee reports or ad hoc committee reports?
21	At this time, we'll have the report from the
22	Board Secretary.
23	SECRETARY HICKS: Thank you, Madam Chair. As
24	you can see, what we're trying to do with staff is to
25	look at things from a no longer perspective and to try

1 and give you -- to kind of routinize the information 2 which we're bringing to you. Ms. White's report is really representative of a beginning effort on our part 3 to kind of look at the broad Department and bring it to 4 you, in this case directives, in quarterly increments. 5 6 Because there are times where the Department 7 makes a decision to do certain types of things and they 8 may be very minor in character, which is well and good. But, eventually, you need to know that the changes took 9 10 place. And then there are other ones that may be 11 major, which we route through the longer process with 12 a -- with our policy committee and then up the road to 13 the Board for its action. 14 15 In that second category, that process is largely initiated -- well, not largely, it is initiated 16 17 by the Chief's office, when they send a directive to us for -- for examination. 18 19 So we are looking in a number of other things 20 in which we're going to be trying to bring to you in a 21 more organized and regimented fashion so that you can 22 take portions of the Department and kind of look at it more systematically. I would also like to report, as 23 24 listed on the agenda, as I typically do in our meetings, there are five communications have been 25

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

1 directed to the Department. You have them listed on 2 our agenda. Again, this is exclusive for the purposes of letting Commissioners know what has come into the 3 office when they're listed at this part of the agenda, 4 that they are not necessarily there for action items. 5 6 There is one exception or there are 7 exceptions when we receive information that is after 8 the printing of the agenda. And the information in connection with the DC Barren, for example, is one 9 10 example. And we then meet with the Chairperson and put 11 those types of things on the agenda, so that you're getting to them, really, with inside a day or two of --12 of receiving communications from the Chief's office. 13 So, minus those types of things, you will get a 14 15 complete listing of what's going into the office. And, with that, and the presentation that was 16 17 made by our policy people, that concludes my report. 18 And I'm -- I as well as any of our staff are available 19 for any questions that you might have. 20 THE CHAIRPERSON: Commissioners, any 21 questions? 22 No questions. Thank you, Mr. Hicks. 23 At this time, is there any Old Business?

24 Under New Business, we've already taken care25 of the first item.

1	The second item is a personnel matter,
2	P.O. Michael Brandt.
3	SECRETARY HICKS: Yes. Madam Chair, that
4	that letter the summary in that case was transmitted
5	to us within the last, I think, day by the Chief's
б	office. We then, in turn, transmitted that
7	electronically to the Board members. And it is also
8	contained in your packet, as it is a personnel matter,
9	you may or may not select and this is clearly upon
10	you to go into a closed session to hear something.
11	Or, if you have read the review and don't
12	particularly have any questions or concerns, you can
13	decide to handle that here at the table but that's
14	really your option. And, if you simply direct us, we
15	have reserved the the conference room, I think it's
16	the Woodward Room, for a closed session in the event
17	that you determine that you want to go into a closed
18	session.
19	THE CHAIRPERSON: Is there someone that feels
20	that we need to go into a closed session?
21	Commissioner Mallet?
22	COMM. MALLETT: Madam Chair, I move that we
23	move adoption of the Chief's recommendation.
24	COMM. VANN: Support.
25	THE CHAIRPERSON: It's been moved and

1	supported that we approve the recommendation of
2	Chief Craig. Is there any discussion?
3	Those in favor?
4	BOARD MEMBERS: Aye.
5	THE CHAIRPERSON: Those opposed?
б	The motion carries.
7	SECRETARY HICKS: Madam Chair, for the
8	requirement that we have under on this, it's
9	important for me to note if there were any exceptions.
10	Otherwise, the record will reflect that everyone voted.
11	Now, because we have a threshold, a higher threshold on
12	that vote.
13	THE CHAIRPERSON: Yes.
14	SECRETARY HICKS: So, if there was any
15	exceptions or anybody voting against that, I just want
16	to simply note that and I did not see any.
17	THE CHAIRPERSON: I didn't hear any.
18	COMM. BURTON: What is the what is
19	through the Chair, what are
20	I didn't get a chance to read it. Can we go
21	into a closed session?
22	COMM. BELL: Then sustain or say "no".
23	COMM. VANN: Through the Chair.
24	THE CHAIRPERSON: Yes?
25	COMM. VANN: Madam Chair, perhaps it should

8/	24/	20	17
----	-----	----	----

Page 64

1 be necessary to read something into the record, other 2 than we're just voting to --THE CHAIRPERSON: No, we have the 3 recommendations. 4 SECRETARY HICKS: Madam Chair, you do have 5 6 the formal recommendations from the Chief. And the 7 essence of the recommendation is to change the duty 8 status of this individual and to put them on administrative leave without pay. That's the 9 10 recommendation and that would be what is entered into 11 the record, which is what you voted on. 12 And, again, from the information or the tally of the vote, at least from my side, my side is that you 13 achieved sufficient numbers on that vote in order to 14 15 support the recommendation of the Chair. And so that 16 would be what we would note in the meeting that the --17 I'm sorry the Chair -- the Chiefs recommendation was approved by the Board. 18 COMM. BELL: Madam Chair, Commissioner Burton 19 20 can abstain from voting or he can vote no but the 21 majority has already spoken. COMM. BURTON: Well, Mr. Chair and 22 23 Madam Chair, I'm just now reading it so I've barely got 24 a chance to review this. But I would love for us to go 25 into closed session and discuss this because I'm just

1	now getting this.
2	THE CHAIRPERSON: We've already voted on it.
3	We voted on it and what how many
4	commissioners do we need to say
5	SECRETARY HICKS: You needed a I believe
б	it's seven commissioners and you had well in excess of
7	seven.
8	THE CHAIRPERSON: Okay. So the motion
9	carries.
10	Thank you.
11	Under Announcements, our next meeting will be
12	Thursday, August 31st, 2017 at 3:00 p.m., here at the
13	Detroit Public Safety Headquarters, located at
14	1301 Third Street. There will not be a Board of Police
15	Commissioners meeting on September 14th, 2017, as we
16	will most of us will be at the NACO conference that
17	was just discussed by Executive Management,
18	Melanie White.
19	Our September community meeting will be
20	Thursday, September 21st, 2017 at 6:30 p.m. in the
21	Third Precinct, at the operating Engineers Local 324,
22	located at 1550 Howard Street, and that is west of
23	Trumbull, north of Fort Street.
24	At this time, we'll have oral communications
25	from the audience.

Page 66

1	Please give your name for the record and
2	limit your comments to two minutes, please.
3	MR. BROWN: Madam Chair, I have four cards.
4	The first one is Mr. Eric Blount, followed by
5	Mr. Peter Rhoades.
6	THE CHAIRPERSON: Thank you.
7	MR. BLOUNT: Good afternoon to the Board and
8	to the Chief. My name is Eric Blount. My wife and I
9	are lifelong Detroiters. As you know, I've been an
10	advocate for body-worn cameras for transparency and
11	clarity and truth and justice. My concern is on these
12	outside agencies that come in and serve warrants to the
13	City of Detroit, is there a requirement for them to
14	wear body-worn cameras or would you entertain that
15	idea? Thank you.
16	THE CHAIRPERSON: Thank you, sir.
17	Chief, do you want to respond to that?
18	CHIEF CRAIG: Through the Chair, there's no
19	requirement, that I'm aware of. I'm not even certain
20	some of the local municipalities even have in-car
21	video. So we've had in-car video for some years now.
22	We're, certainly, in this state, one of the few
23	well, we're the only very large city that has it. And,
24	as I reported out to you probably a couple weeks ago,
25	we're almost fully deployed. I think we have our SRT

HANSON RENAISSANCE COURT REPORTERS & VIDEO 1313-567-8100

1	metro	assets	remaining,	and	once	that	deployment's
2	done,	we'll k	be fully de	ploye	ed.		

3 But, in terms of a requirement, I don't even think -- in fact, I know, for certain, Michigan State 4 Police worked in the City of Detroit both on the city 5 6 streets and the freeways and they're not -- they don't 7 have body-worn cameras. So I don't think it's a 8 State -- I think it would be a State -- might be a State mandate but we couldn't make it a requirement. 9 10 COMM. CRAWFORD: Through the Chair, also, 11 too, as the Commission being a civilian oversight, even though jurisdiction is Detroit, we would have no 12 authority or jurisdiction or authority to tell another 13 agency to -- that they would have to have a particular 14 15 type of equipment coming into our -- I know what you're saying, that it is our city and it is our jurisdiction. 16 17 But we would have no authority -- this Commission would, in no way, have authority to tell -- or we could 18 19 write anything or vote up anything that would require 20 them to wear body-worn cameras or any other equipment. 21 Yes, sir? 22 Thank you, sir. THE CHAIRPERSON:

23 MR. BLOUNT: Just through the Chair, I mean a 24 lot like Commissioner Mallet talked about a letter of 25 recommendation, we could quite possibly recommend that

1 they do this type of thing. If it's important to us, 2 it should be important to them. And, here again, it's all about transparency and truth and justice. 3 Thank you. 4 5 THE CHAIRPERSON: Thank you, Mr. Blount. 6 COMM. CRAWFORD: I'm in agreement with you on that, sir. 7 8 MR. BROWN: Mr. Rhoades followed by 9 Ms. Faith. 10 MR. RHOADES: Hello. My name is 11 Peter Rhoades. I'm a resident, been here before, and it's always nice to be back. 12 Earlier this year, I was invited by the Board 13 14 to write a letter with some questions for the Detroit 15 Police Department concerning payment by the Detroit Tigers, Detroit Red Wings and other businesses for 16 17 security after games. 18 Well, I gave the questions to Mr. Hicks who 19 gave them to D.C. Bettison. They've been answered, 20 went back to Mr. Hicks who distributed it to the Board 21 last week, I believe. 22 And I'm going to be getting the official 23 responses soon from Mr. Hicks. But the unofficial 24 feedback I've gotten so far is really disappointing. 25 Apparently, there is no payment from the Red Wings or

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

1 the Tigers for all the security that we provide. 2 Now, instead of complaining about that, I'm going to make a suggestion instead. I'm going to 3 suggest that the City of Detroit place a \$2 fee on each 4 ticket sold. That would generate enough money, about 5 6 \$10 million, so that we could pay for the police 7 protection that we give to the customers who go down to 8 these games. 9 It also would liberate police officers to go 10 out into the neighborhoods. You know, if you had 30

police officers assigned to the power shift at Number 12 12, you'd have, like, a three-minute response time. We 13 hear sometimes complaints of two and a half hours of 14 response times.

15 So I'm not doing it so much just to get I'm doing it so there would be enough 16 revenue. 17 resources so that the neighborhoods can get better 18 response time when they need help, and that's the 19 purpose of this. An example, right now the casinos, 20 they generate money, they pay money to the City of That's monies used for the Gaming Division. 21 Detroit. 22 And there's proper security for casinos.

I'd like to see that -- and, although there's proper security for the casinos and it doesn't take away from the security and the response time for

1 neighborhoods, same thing could apply here. If vou 2 could have a resolution or a letter and send that to the City of Detroit City Council, I think that would go 3 a long way. Thank you very much. 4 THE CHAIRPERSON: Thank you, Mr. Rhoades. 5 6 Commissioner Bell. 7 COMM. BELL: Madam Chair, I think that's a 8 great statement, that we should address this issue to the Mayor of Detroit and, also, to Council President 9 10 and the Public Safety Committee of the Council, that we 11 should raise this issue because this issue's come up 12 over and over in the community. Even with the Pistons coming down, it would 13 be more deployment of officers and the issue is about 14 15 neighborhood response time patrol is before us. The President of the Fifth Precinct policemen just raised 16 17 that issue, in terms of manpower of afternoons and what's happening downtown. Are we certain officers --18 19 and the answer is yes to a degree. 20 So I think that we really need to voice our 21 concern about funding from these entities, like the 22 Detroit Lions, the Pistons and Red Wings or any other of that nature, especially the big three, concerning 23 24 the real issue, and that should be our issue, too. So, if Mr. Hicks could look into, how we can draft a letter 25

1 for Madam Chair to sign and get the Board approval, 2 then I think we should bring folks in on this particular matter. Enough said. 3 COMM. CRAWFORD: Through the Chair. 4 THE CHAIRPERSON: Commissioner Crawford? 5 COMM. CRAWFORD: Yes, ma'am. Also, too, it 6 7 is appropriate that it be addressed to the Mayor, as 8 Commissioner Bell stated, and City Council, because they would be the ones who would have to negotiate and 9 10 approve something like this. But, historically, I 11 recall Mike Ilitch, the late Mike Ilitch, years ago, when this issue came up, being at the podium with the 12 Chief, at that time. 13 And there was a public statement from 14 15 Mr. Ilitch that he didn't mind paying for the security, you know, for the Wings' and the Tigers' game. I mean, 16 17 that's a fact. You can check the media archives for that one. But that was his statement. He said he 18 19 didn't, at that time. 20 And there was some back and forth and, of

And there was some back and forth and, of course, City Council, at that time, and the current -the Mayor, at that time, couldn't kind of come to grips with an agreement. But that was his public statement, he didn't mind paying, and other cities, too, across America. They've done it for years, so --

MR. BROWN: Ms. Faith, followed by Mr. Davis. 1 2 MS. FAITH: This is the second time I learned how to say through the Chair. I commended you, 3 Chairperson, because you've done such a well job in 4 speaking today and everyone has done the same. You all 5 6 have made me so proud every time I come, not only 7 because the way that you speak and conduct yourselves 8 amongst one another, even on very sensitive subject matters. And it teaches me how to speak with others on 9 10 their level and how to conduct myself accordingly. 11 I want to thank you all, once again, for 12 being such exemplary people in teaching me such things. 13 Also, I wanted to -- something came to my mind. Because, on many times, I've talked to people about 14 15 civil matters and pertaining to different things about conduct and speech and law enforcement and being in 16 17 force, whether it's free individuals or between individuals or between family members. If there isn't 18 19 already instituted, may I suggest or offer or ask to be 20 instituted, if you all don't mind, a division to be set 21 aside for such matters? 22 I don't know if you have it already. Because 23 I think it would help the citizens of Detroit, the ones 24 that don't know the step-by-step protocol for those 25 matters on the outside of the police force. And I know

1 that you all care about the community the way you speak 2 and conduct yourselves amongst each other and with the citizens in the community, days that I've attended. 3 And so, therefore, I feel comfortable 4 mentioning and suggesting such. And I'm continuing to 5 6 pray for all of you all and support you and back you 7 up. Just give me the bullhorn and I will encourage and 8 back you up 100 percent. Continue to do a good job. 9 THE CHAIRPERSON: Thank you, Madam. 10 MR. DAVIS: Hello everyone. My name is 11 William Davis. I'm President of the Detroit Chapter of National Action Network. And much of what I was going 12 to say was raised by Commissioners, it was about some 13 of the things that's going on in the City that 14 15 shouldn't be going on, that's questionable. But insomuch as I asked to speak, I figured I 16 17 would just bring attention to -- I noticed yesterday I witnessed a communication action update in and around 18 19 the McDonald's on Grand River and Schaefer where some 20 D15 people had an action. And I'd like to commend the 21 command staff of the Second Precinct. They had an excellent reaction to the marches that was out there 22 23 and I think they did a good job. 24 THE CHAIRPERSON: Thank you, sir. Thank you.

MR. BROWN: Madam Chair, that was your last

1	speaker.
2	THE CHAIRPERSON: Thank you.
3	COMM. SANDERS: Through the Chair, I just
4	wanted to get this out earlier. The ride-along that I
5	did with Intelligence, it went along very well. They
6	was very professional people. And I'll tell you, they
7	was really, really great, in the way that they did
8	their job. I mean, they pulled over maybe 17 cars and
9	I was wondering why they pulled so many cars over.
10	But, when you're dealing with young people and gangs,
11	that's the way to get information without putting them
12	on the spot. I understood that afterwards.
13	And they did a they picked up some good
14	stuff, it was intel and they really went to work and
15	did an excellent job. So I really appreciate me doing
16	these ride-alongs and understanding what officers do,
17	you know, so I just had to say that.
18	And, also, Precinct Two, as I did that
19	ride-along, I went with Precinct Two, and it was a
20	shooting. And, in the process of the shooting, they
21	apprehended the person within that hour. And they did
22	great work, too. And the person that was shot, he did
23	live and one of the officers had a tourniquet because
24	the guy was shot with a .12 gauge shotgun.
25	But, because of the officer had that

HANSON RENAISSANCE COURT REPORTERS & VIDEO 1313-567-8100

1 tourniquet, it saved his life. And I really, really 2 think that Precinct Two should get recognition for that, saving that life. They did an excellent job, you 3 know, because even -- you know, what officer is riding 4 around with a tourniquet? Tell me. 5 6 AC WILLIAMS: All of us do now. 7 COMM. SANDERS: You do? 8 AC WILLIAMS: (Nods head.) COMM. SANDERS: I didn't think you did. 9 But 10 I'm glad I learned that information. Thank you. 11 THE CHAIRPERSON: Well-trained officers. 12 COMM. DEWAELSCHE: And equipment. 13 THE CHAIRPERSON: Thank you. Madam Chair, I just wanted to 14 COMM. BELL: 15 make one more acknowledgment of new terms in Sergeant Association, the DPA and command officers, they had a 16 17 great activities for all active officers and retired 18 officers in this past at Chene Park. And I think 19 that's the spirit of cooperation of the unions in 20 inviting all to come down to that type of activity, a 21 combined effort. 22 So I know Chief Craig appreciates the morale 23 and everybody working together for the spirit of 24 Detroit, in terms of public safety. And I dropped in on that. And I just thought that was rather -- I 25

> HANSON RENAISSANCE COURT REPORTERS & VIDEO A13-567-8100

1 appreciate that. Because that was not always the case. 2 So I just wanted to -- when I witness something like that, I think we need to say something and commend that 3 type of -- I know the Chief had an opportunity. We 4 didn't interact then. But I saw you on the media that 5 6 he was there, too, as always. And also --7 CHIEF CRAIG: Did he say what I think he 8 said? COMM. BELL: We had an outstanding graduation 9 10 last Friday, 25 officers, too. Welcome to membership 11 of DPD. And it was 25 officers but the place was packed, you know. And Chief mentioned that it was, 12 like, 500 officers under his watch has joined the 13 Police Department and I've had interaction with the 14 15 Michigan State Police just last night and their salary is much higher. But I always tell people, if you want 16 17 to be the real police, join the Detroit Police Department, DPD. Thank you. 18 19 THE CHAIRPERSON: Commissioner Brooks? 20 COMM. BROOKS: Yes. I should have asked this 21 question before. But how many policemen or women do 22 you have on bicycles and are they only on the 23 RiverWalk? This is where I see them and they're very 24 good; if you park where you're not supposed to park, 25 they will give you a ticket, they will tell you to turn

your music down. And I had never seen a policemen on a
 bicycle before.

CHIEF CRAIG: Through the Chair, thanks for recognizing that. That was a conversation, actually, Assistant Chief and I said -- you know, we were talking about the issues downtown on the weekends, those who have been down there. And I thought we're missing out on an opportunity during the daytime because so many people use the RiverWalk.

So I said let's put officers on bikes. 10 We 11 have officers who are bike-trained. Certainly, bikes are very effective, too; you can cover more distance in 12 13 a short amount of time. The Segway was a thing at one time but it's not as effective as a bicycle. 14 The 15 officers seem to like it, I don't know, Arnold, did you want to share any other views? Because that's really 16 17 worked out well, we get a lot of positive feedback.

AC WILLIAMS: Through the chair, we have a 18 19 number of officers, just to answer your question. 20 Actually, I'll start with what the Chief said, the 21 Segways, the officers do like them, it doesn't require 22 too much physical exertion in utilizing them. But the 23 issue we have is with maintenance. Replacement 24 batteries are in the thousands for replacements. And, when they go down, they go down for a while. 25 So it

> HANSON RENAISSANCE COURT REPORTERS & VIDEO 313-567-8100

1 doesn't -- it's not conducive to active patrol. 2 Whereas the bikes, they don't require that much maintenance. And the maintenance they do require could 3 be done by the officer, if necessary. So it's a very 4 good tool to utilize. 5 6 Like the Chief said, we put a couple of things in place where we have increased numbers of 7 8 officers on the RiverWalk as well as on the Dequindre Cut where we know people are walking now. And we 9 really emphasize our -- we really try to maintain a 10 11 higher number when we have our four-day weekends 12 because that's when we have a lot more people utilizing those spaces. 13 14 And then, to answer your question, 15 Commissioner Brooks, we have bike trained officers at almost every precinct. And the precinct commanders do 16 17 utilize them, as we see fit. Some of them are 18 neighborhood police officers, some of them are regular 19 patrol officers. But they utilize those as a different 20 types of enforcement tools. 21 COMM. BROOKS: Thank you very much. I really 22 feel safe when I'm on the Dequindre Cut. 23 AC WILLIAMS: You're welcome. 2.4 COMM. CRAWFORD: Through the Chair. 25 THE CHAIRPERSON: Commissioner Crawford?
