March 8, 2018  
At or about 6:40 p.m.

COMMISSIONER CARTER: Good evening. Welcome to the Board of Police Commissioners weekly meeting. My name is Lisa Carter, chair of the commission, and I represent District Six. Thank you for attending today's meeting at the Wayne County Community College District Downtown Campus. Or if you're viewing on your local cable government channel, thank you for tuning in.

The Board of Police Commissioners meets every week except for Thanksgiving and Christmas holiday periods. Part of these meeting are in the community. Tonight is one of these meetings. Tonight's board meeting is being hosted by two commissioners; Commissioner Willie Burton from the District Five and myself.

The Board of Police Commissioner exist to provide civilian oversight to the work of the Detroit Police Department. As a board we receive and investigate civilian complaints, monitor the operation of the department, and working with the chief of police and the mayor to make and modify police policy. Our objective is the same as the City of Detroit; to provide the best use of your tax dollars to improve on the quality of life within our city.

1                   As a board we bring a unique perspective to  
2                   policing; the eye and the viewpoint of civilians. The  
3                   principal of civilian oversight is as old and as important  
4                   as all of the founding principles in our democracy.  
5                   Separation of powers between and within government allows  
6                   for accountability, transparency, rights to appeal, and  
7                   citizen control. These principles are important nationally  
8                   as well as locally.

9                   Tonight I want to thank the administration from  
10                  the Wayne County Community College District for allowing us  
11                  to access their facility. The downtown campus of WC3D  
12                  continues to contribute to a vibrant downtown and an  
13                  excellent opportunity for education at an affordable rate.

14                  I would like to the invite commissioner Willie  
15                  Burton as cohost of this meeting to address the audience  
16                  and welcome each of you to the meeting.

17                  Commissioner Burton Burt.

18                  COMMISSIONER BURTON: Thank you, Madam Chair.

19                  I just want to the say thank one of the veterans  
20                  of Precinct Community Relations and the community and for  
21                  those that, you know, took time out of your schedule to be  
22                  here this evening at the Board of Police Commissioners. So  
23                  welcome. And we look forward to serve the citizens of  
24                  Detroit proudly. Thank you.

25                  COMMISSIONER CARTER: Thank you, Commissioner

1 Burton.

2 And also I'd like to acknowledge Commissioner  
3 Brooks who lives in this community. If you'd like to say a  
4 few words, ma'am, of welcome.

5 COMMISSIONER BROOKS: Thank you. I can walk here  
6 if I like.

7 COMMISSIONER CARTER: Yes, you can. Thank you.

8 I would also like to add our thank you to Wayne  
9 County Community College for its services.

10 The district is headed by a forward thinking  
11 Wayne County Community College chancellor, Curtis Ivery.  
12 Ms. Yvette McElroy Anderson is the downtown campus vice  
13 president.

14 Ms. Anderson, if you're here. Ms. Anderson.  
15 Ms. Anderson's not here? Okay.

16 I'd also like to thank Dr. Ella Davis from the  
17 lead faculty person for the Humanities Department. Thank  
18 you for attending, ma'am. And also acknowledge James  
19 Jackson and George Anthony if they're here. The  
20 educational leaders of the school from the Criminal Justice  
21 Program. So I think I saw --

22 Thank you for attending, sir.

23 Again, on behalf of the Board, thank you for  
24 attending tonights meeting.

25 At this time we'll have the invocation. We

1 invite Yolanda Stinson -- is Yolanda Stinson here? -- from  
2 the City of Detroit Police Department Chaplain Corp. to  
3 provide our invocation for today. Thank you.

4 MS. STINSON: Thank you, ma'am. And thank you  
5 all for allowing me to be here. Let us pray.

6 (At 6:45 p.m., invocation given)

7 COMMISSIONER CARTER: Thank you, Ms. Stinson. At  
8 this time we'll have introductions of the board members,  
9 beginning with Commissioner Davis.

10 COMMISSIONER DAVIS: Good evening. William  
11 Davis, District Seven.

12 COMMISSIONER SANDERS: Derrick Sanders, At-Large.

13 COMMISSIONER BURCH: Good evening, Shirley Burch,  
14 District Three.

15 COMMISSIONER BROOKS: Good evening, Elizabeth  
16 Brooks, At-Large.

17 COMMISSIONER DEWAELSCHÉ: Eva Garza Dewaelsche  
18 Vice Chair and commissioner -- I'm from this neighborhood  
19 as well, born and raised in Southwest Detroit. And thank  
20 you for welcoming us tonight.

21 COMMISSIONER BELL: I'm Commissioner Willie Bell,  
22 District Four. And I just want to extend an  
23 acknowledgement out to my friend Dr. Ella Davis and retired  
24 Inspector James Jackson, one of my heroes on the  
25 department.

1                   And he was here, Chief Craig, back in 1974 when  
2 they proudly laid the framework for the Board of Police  
3 Commissioners. So he headed up the Criminal Justice  
4 Department and long time faculty member. And so many have  
5 benefited from his endeavors over the years and have joined  
6 the Detroit Police Department. So he's one of those  
7 legendary individuals who head up the police academy for  
8 many, many years. So I just cannot say enough for his work  
9 and his ongoing involvement in criminal justice. Thank  
10 you.

11                   (Applause)

12                   COMMISSIONER BROWN: Well that's tough to come  
13 behind. I'm just Commissioner Brown from District One.

14                   COMMISSIONER BURTON: I'm Commissioner Willie  
15 Burton. District Five.

16                   COMMISSIONER CARTER: Thank you. And I am a  
17 witness to the great work of Mr. Jackson. I was a student  
18 of yours many, many years ago. I know. I know, I'm a  
19 graduate of WC3D.

20                   (Applause)

21                   COMMISSIONER CARTER: So at this time, Mr. Hicks,  
22 if you could introduce the rest of the staff, please.

23                   MR. HICKS: Yes, thank you, Madam Chair. I do  
24 want to indicate that for the record you have a quorum.  
25 And I also would like to indicate that taping tonight's

1 meeting is Sergeant Quinn; Media Services providing the  
2 audio visual work for this evening, and Donna Williams is  
3 the court reporter for the evening. To my immediate right  
4 is Robert Brown. And then if you look to the first row --  
5 first of all, make sure that I do not forget again. Look  
6 to the second row, there is Ms. Lamar, who is the interim  
7 personnel director for the department. And taken out of  
8 order a little bit. I wanted to make sure I didn't forget  
9 you. Then if you come back to the first row we have Mr.  
10 Wyrick who is our legal advisor to the board. We have  
11 Ms. White, who is policy. Ms. Blossom, who is media  
12 outreach. And then we go typically to Mr. Akbar, who is  
13 the interim chief investigator. And he'll introduce not  
14 only himself but the balance of his staff who's here with  
15 us this evening.

16 MR. AKBAR: Good evening, Honorable Board.

17 THE BOARD: Good evening.

18 MR. AKBAR: Okay. You know you throw me off  
19 every time with that. I'm Interim Chief Investigator  
20 Lawrence Akbar from the Office of the Chief Investigator,  
21 and it's my esteemed pleasure to introduce our wonderful  
22 staff at OCI. We're going to start off first with  
23 Supervising Investigator Angel Cromwell, Investigator  
24 Roslyn Banks, Investigator Antonio Jones. And last but not  
25 least, Investigator Daniel Callaway. That's all we have.

1 COMMISSIONER CARTER: Thank you.

2 MR. HICKS: And, Madam Chair, I do want to  
3 indicate there's another person on our staff who's out of  
4 position and, therefore, I didn't see her. But that's  
5 Ms. Johnson who handles our fiscal work.

6 COMMISSIONER CARTER: Thank you, Mr. Hicks.

7 At this time I'd like to introduce the chief of  
8 police, Mr. James E. Craig. Thank you, sir, for joining us  
9 this evening.

10 CHIEF CRAIG: Thank you, Madam Chair. And

13 COMMISSIONER CARTER: Thank you, Chief.

14 At this time, commissioners, you have before you

17 COMMISSIONER BELL: So moved.

18 COMMISSIONER DEWAELSCHÉ: Support.

19 COMMISSIONER CARTER: It's been moved and  
20 supported that we approve the agenda for March 8, 2018.

21 Commissioners, you have before you the minutes  
22 from March 1, 2018. Is there a motion for approval?

23 COMMISSIONER SANDERS: So moved.

24 COMMISSIONER DEWAELSCHÉ: Support.

25 COMMISSIONER CARTER: It's been moved and

1 supported that we approve the minutes from March 1, 2018.

2 Is there any discussion?

3 Those in favor?

4 THE BOARD: Aye.

5 COMMISSIONER CARTER: Those opposed? The motion  
6 carries.

7 At this time if we have any elected officials or  
8 representatives of elected officials, would you please  
9 stand and give your name for the record, please.

10 If not I will move on to the chair report. At  
11 the top of our meetings we always indicate on behalf of the  
12 Board our concern and support for fallen and injured  
13 officers and their families. I would ask that the chief  
14 during your remarks to please provide us with any  
15 additional information related to our injured and fallen  
16 officers.

17 Because we are in the community, we have several  
18 special recognitions. The Board and the department will  
19 present a resolution to Sally Asbell Wilson. Commissioner  
20 Burton will also present Certificates of Appreciation to  
21 Arthur Williams and Tasha Green.

22 After the special recognitions and introductions,  
23 we will also receive our weekly report from the chief. The  
24 chief's report will cover crime statistics and some of the  
25 works behind the statistics that the push down crime.

1 Today we have two presentations scheduled. The  
2 first is from DPD Personnel. The report is the monthly  
3 report, and will cover in part recruitment process of new  
4 candidates for the police academy and hires in the  
5 department. The report will be made by Ms. Bridget Lamar,  
6 interim police personnel director. The second presentation  
7 will be from Downtown Services. In addition to a review of  
8 the work of the Downtown Services, we also hope to receive  
9 a presentation of the calendar events and the planned  
10 police coverage for those events -- these events for  
11 calendar year 2018. The presentation will be made by  
12 Captain Octaveious Miles.

13 Towards the end of the meeting we will have oral  
14 communication from the audience. So if you would like to  
15 speak to the Board, please make sure you print your name on  
16 a speaker's card and give it to Mr. Brown who's seated up  
17 here. Or raise your hand so we can get it. Cards are  
18 located on the back table or can be obtained from Mr.  
19 Brown. And he needs your card before the beginning of  
20 public comments.

21 At this time I'm going to have Commissioner -- is  
22 Ms. Asbell here, Ms. AsbellWilson? Okay. Commissioner  
23 Brown is going to come down.

24 Ms. Asbell, you can step forward, please. You're  
25 going to go all the way down, because she's --

1 COMMISSIONER BROWN: Put on my singing voice.

2 COMMISSIONER CARTER: You can turn around and  
3 face -- yeah. Thank you.

4 COMMISSIONER BROWN: This resolution honoring Ms.  
5 Sally AsbellWilson.

6 WHEREAS Ms. Sally AsbellWilson was born and  
7 raised in the city of Detroit. She relocated out of state  
8 and in 2010 returned "home". Choosing to live downtown,  
9 she selected a community in the Capital Park District.  
10 Ms. AsbellWilson took her role as good neighbor seriously.  
11 A year into her residency at the Washington Boulevard  
12 Apartments (WBA), she was elected President of the WBA  
13 Voices for all Tenants Council; and

14 WHEREAS Ms. AsbellWilson in her role as present  
15 of WBA Voices for All Tenants Council, she reached out to  
16 develop a partnership with the Detroit Neighborhood Police  
17 Officers (NPO) to eliminate drug traffic and curb adverse  
18 behavior within and around the Washington Boulevard  
19 Apartments; and

20 WHEREAS Ms. AsbellWilson contributed to the  
21 betterment of Capitol Park District by holding stakeholders  
22 responsible for responding to concerns and effectively  
23 resolving issues. She encouraged crime-deterrent and the  
24 safety-watch practices that engage citizens, property  
25 management and law enforcement in a cooperative effort

1 aimed at identifying risk factors and eliminating  
2 criminal/dangerous behavior.

3 NOW THEREFORE BE IT RESOLVED,

4 That the Detroit Board of Police Commissioners,  
5 speaking on behalf of the citizens of the great city of  
6 Detroit and the Detroit Police Department acknowledge the  
7 dedicated support of Ms. Sally AsbellWilson. Her generous  
8 spirit and the commitment make her an invaluable asset to  
9 the Downtown Services and to the entire City, merits our  
10 highest regard.

11 We thank you. We congratulate you for a job well  
12 done, Ms. Sally AsbellWilson.

13 Board of Police Commissioners.

14 (Applause)

15 CHIEF CRAIG: How you doing?

16 MS. ASBELLWILSON: I'm blessed. How are you?

17 CHIEF CRAIG: I just want to give you a personal  
18 thanks for being a great partner with the city, certainly  
19 the police department. As I've oftentimes said, you know,  
20 we can't do it alone. It's citizens like you who make a  
21 difference. We can't be on every corner, every block; but  
22 eyes can be everywhere. So I just want to personally say  
23 thank you for the work that you do each and every day.

24 So with that, I want to acknowledge you on behalf  
25 of the City Council. In fact, they gave you two

1 certificates. The Spirit of Detroit Award signed by every  
2 council person, including council chair. It really is for  
3 your outstanding work in the community.

4 MS. ASBELLWILSON: Thank you.

5 CHIEF CRAIG: And then on behalf of the police  
6 department, we want to give you a Certificate of  
7 Recognition. Again for your phenomenal work and efforts.  
8 Thank you.

9 MS. ASBELLWILSON: Thank you.

10 (Applause)

11 (Photo shoot)

12 COMMISSIONER CARTER: Ms. Asbell, if you want to  
13 make any comments?

14 MS. ASBELLWILSON: I just want to say thank you.  
15 I'm so overwhelmed. And I don't know that I deserve it.  
16 Because I think I just do what we all should be doing; be  
17 good stewards of our home. I love Detroit. I come from a  
18 family of law enforcement, and so I do appreciate  
19 everything that each and every one of you do. Just thank  
20 you.

21 (Applause)

22 COMMISSIONER SANDERS: Madam Chair, I'd like to  
23 move the resolution.

24 COMMISSIONER CARTER: Support? Is there a  
25 support?

1 COMMISSIONER BROOKS: Support.

2 COMMISSIONER DEWAELSCHE: Support.

3 COMMISSIONER CARTER: It's been moved and  
4 supported that we adopt the resolution honoring Ms. Sally  
5 AsbellWilson.

6 Is there any discussion?

7 Those in favor?

8 THE BOARD: Aye.

9 COMMISSIONER CARTER: At this time the  
10 certificates for Tasha Green and Arthur Williams.

11 COMMISSIONER BURTON: Yes. On behalf of the  
12 Board of Police Commissioners, we have a Certificate of  
13 Recognition to be awarded to Ms. Tasha Green, who's not in  
14 the audience as of yet. And also another Certificate of  
15 Recognition for Arthur Williams, who is en route this  
16 evening. So we want to acknowledge -- and sorry, we do  
17 have a third one. Thank you. A Certificate of Recognition  
18 to be presented to Ms. Leslie Malcolmson from the Third  
19 Precinct Community Relations.

20 All three of these individuals have done  
21 remarkable work in the community here in the city of  
22 Detroit. So we thank the three of these individuals and  
23 many of you all in the community for the work you all do.  
24 Thank you from the bottom of our hearts from the Detroit  
25 Board of Police Commissioners.

1 COMMISSIONER CARTER: Thank you, Commissioner  
2 Burton.

3 So move for -- thank you.

4 COMMISSIONER DEWAELSCHE: Madam Chair, move for  
5 adopting all three certificates.

6 COMMISSIONER DAVIS: Support.

7 COMMISSIONER CARTER: It's been moved and  
8 supported that we adopt the certificates for Tasha Green,  
9 Arthur Williams and Leslie Malcolmson.

10 Is there any discussion?

11 Those in favor?

12 THE BOARD: Aye.

13 COMMISSIONER CARTER: Those opposed?

14 The motion carries.

15 At this time, Chief Craig.

16 CHIEF CRAIG: Thank you, Madam Chair. First, I  
17 want to start on my remarks. And I want to thank the Third  
18 Precinct and Downtown Services for the work they do. Many  
19 times you don't hear about their great work. You talk  
20 about some of the most critical locations in this city.  
21 And we look around the country and there are attacks,  
22 whether it's a sporting location, place of entertainment,  
23 it's the work that these men and women do each and every  
24 day that most of times goes unnoticed. So I would ask that  
25 Downtown Services and members of the Third Precinct please

1 stand and be acknowledged.

2 (Applause)

3 CHIEF CRAIG: You be planted in downtown, so you  
4 would -- unintelligible --

5 If you have any traffic complaints certainly see  
6 Todd Bettison. Better yet, no, Assistant Chief Williams.

7 I know that many of you -- I'm included in that  
8 conversation. We are in the process of really working hard  
9 and doing something very different about downtown traffic,  
10 particularly during sporting events. We know how hard it  
11 is to get around. If I can think of one stressor that I  
12 don't miss in the city of Los Angeles, and that's traffic.  
13 And that's why California came out -- in terms of the best  
14 states to live or quality of life, California came out  
15 50th. And one of the reasons is because -- well two;  
16 homelessness and traffic. LA has the worst traffic in the  
17 country.

18 So with that I'll go into stats. We're still  
19 trending in the right direction. I don't get too excited  
20 on the first quarter, but I won't miss the opportunity. I  
21 just want to again thank the great working men and women of  
22 the department with our relationship with the community.

23 As of year-to-date, our total violent crimes are  
24 down 7%. Total property offenses are down 21%. And when  
25 you combine both part one and violent crime we're down 17%.

1 Again, I recognize during the first quarter those numbers  
2 seem high. But I'd rather start high and get ahead of it.  
3 Because we had great statistics last year. So we are going  
4 to be fighting against those statistics.

5 As of today we're down one homicide compared to  
6 last year. As you know, homicides, we had the lowest  
7 numbers in 50 years. So as of today we have 45 homicides  
8 still too many, but we are down one.

9 In terms of nonfatal shooting, we've seen 31  
10 fewer homicides with a 22% reduction. But robbery, down  
11 23%. A hundred and nine fewer robberies in the city of  
12 Detroit. So I was asked a question -- the mayor and I had  
13 a conversation about crime. And this morning he said, what  
14 do you think are driving the robberies? And we had  
15 reductions last year. And I really believe that the Green  
16 Light is having a direct impact. Not just the work of the  
17 men and women, but Green Light.

18 We have solved at least over the last several  
19 months three significant cases using our crime analyst  
20 during virtual patrol. You heard me talk about virtual  
21 patrol. And that's nothing more than our analyst sitting  
22 in our realtime crime center and going on patrol at the  
23 right times, the right locations. And one comes to mind.  
24 I think you heard me report out the incident on Woodward  
25 where a victim was shot and robbed. And it was our analyst

1 who saw it in realtime, notified the Twelfth Precinct who  
2 responded and made a subsequent arrest. So I will say that  
3 Green Light is working.

4 I want to also thank our Neighborhood Police  
5 Officers. I know we have the mayor of downtown who should  
6 stand and be acknowledged. Neighborhood Police Officer.

7 (Applause)

8 CHIEF CRAIG: Shank. Did I get it right? Shank?

9 OFFICER SHANK: Yes.

10 CHIEF OF POLICE: Yeah, he really is a great a  
11 asset to this area. I mean, many of you know him, but he's  
12 just done tremendous work. So Neighborhood Police Officer  
13 Shank, thank you for what you do each and every day.

14 In terms of -- as you know, we still have a few  
15 of our members recovering, but I'll talk about two.  
16 Certainly Waldis Johnson who was shot months ago, last  
17 year, is still in the hospital still recovering and  
18 fighting for his life. You may have heard a report out in  
19 the last couple of weeks, a lieutenant Shawn Wesley who had  
20 a heart attack while on duty is still in the hospital. And  
21 he is still fighting for Hills life as well. So I would  
22 ask that keep both Waldis and Shawn in your prayers.

23 And then lastly, before I'll take any questions  
24 that the Board might have, very excited about this  
25 installation of Real Talk with the chief of police. It's

1 set for this Saturday at -- we're asking people to come at  
2 1:00. We'll go live at 2:00. And the topic that we'll be  
3 discussing is civility.

4 You may know that at the Policy Conference last  
5 week one of the things that Dr. Vitti and I addressed from  
6 our points of view was the issue of civility. One of the  
7 things I want to engage our millennial partners and other  
8 community members is how we address issues in our  
9 community. We know that -- and unfortunately not just here  
10 but across this country there's not a lot of conversation,  
11 not a lot of civility in many instances. When we talk  
12 about issues it's certainly in rage. We don't seek to  
13 understand. We just run to a place where we shouldn't  
14 until we know all the facts, and it's unfortunate. And so  
15 one of the things that we want to engage our community in  
16 on Saturday is that issue. How can we communicate better?  
17 How can there not be a rush to judgment?

18 And while we've been fortunate here in Detroit --  
19 I've said it many times. But if you talk to some of our  
20 police officers who are out every single day, they have  
21 encounters. And some of their encounters don't go very  
22 well. And this is because of just the whole notion of  
23 being a police today in America. So we need to have that  
24 conversation. We need to have candid conversations. We  
25 need to talk about the issue of race. Because that's an

1 issue as well. And so I am looking forward to that.

2 And I want to also take this time to acknowledge  
3 Commander Ewing, who I think when you talk about civility  
4 and certainly the leadership role he has played, not just  
5 in the Fifth Precinct but mentoring other command officers  
6 in the area of procedural justice. And I just want to  
7 thank him. Can you stand and be acknowledge so the folks  
8 can see you, out of the Fifth Precinct.

9 (Applause)

10 CHIEF CRAIG: I will tell you -- and I think some  
11 of the commissioners may have attended a few of the  
12 sessions. I will tell you, the work that goes in -- it's  
13 an all day Saturday event. In fact, I think you have one  
14 where someone has been going around the same time as I have  
15 the Real Talk. Do you know what the precinct that is?

16 CAPTAIN THORNTON: Ninth Precinct.

17 CHIEF CRAIG: The Ninth Precinct. Can you talk a  
18 little bit about where in the Ninth Precinct that will be  
19 held and the time?

20 CAPTAIN THORNTON: Yes, sir. This coming  
21 Saturday, starting at 10:00 at the FREC Center, which is  
22 located on Main and Crusade. We are planning to have  
23 procedural justice program where we have with the  
24 assistance of Investigator Akbar have sent out letters to  
25 those who live in the Ninth Precinct and outside of the

1 Ninth Precinct that have complaints with the Ninth  
2 Precinct. We have extended an invitation to them to come  
3 and join us. Thus far we have eleven people who have  
4 confirmed.

5 What we're also doing is we're trying to address  
6 a cease fire -- unintelligible -- with the youth in our  
7 community as well. So we've invited some of those young  
8 individuals. And what we are attempting to do is to bridge  
9 that gap between police and the community in regards to  
10 have a greater view or greater understanding as to what the  
11 community concerns are as well as what the police concerns  
12 are. And in that gap, we hope to build an alliance with  
13 those individuals and move forward as we work through this  
14 on a repeated basis. At least quarterly.

15 CHIEF CRAIG: And I just want to also add the  
16 wisdom in this effort that really I got to give  
17 Commander --

18 CAPTAIN THORNTON: Excuse me.

19 CHIEF CRAIG: I got to give Commander Ewing a lot  
20 of credit. Because I think he went out on a field trip.  
21 You watched it in another jurisdiction. He brought it back  
22 to Detroit. But by identifying those who have made  
23 complaints against the police department, clearly that's  
24 not a happy customer. And so by bringing those folks in  
25 and engaging them, I will tell you it's just amazing to

1 watch.

2 So when you talk about Real Talk, the issue of  
3 civility and then certainly procedural justice, I think  
4 this Saturday will be a great day. So thank you.

5 CAPTAIN THORNTON: Thank you.

6 CHIEF CRAIG: I open up for any questions the  
7 Board might have.

8 COMMISSIONER CARTER: For the record, that was  
9 Captain Mark Thornton. For the record. Any questions,  
10 commissioners?

11 COMMISSIONER BURCH: Just a comment.

12 COMMISSIONER CARTER: Commissioner Burch.

13 COMMISSIONER BURCH: Yes. I witnessed what Chief  
14 Craig when he called it the Straight Talk. He did it also  
15 in precinct number two. But what was very unique, he did  
16 the Straight Talk inside of a supermarket. And inside that  
17 supermarket you have people coming and going. So I  
18 suggest -- like in number nine you said that you only had  
19 like eleven people to sign up. Sometimes if you -- it  
20 depends on where you host things like that with Straight  
21 Talk. Because the people just came all around Chief Craig  
22 to answer questions. And some were complaints, and some  
23 were compliments. So that's my suggestion to you, Chief.  
24 That worked out. If you remember, at the Imperial Market  
25 on Schafer and Lyndon is where you had your Straight Talk

1 and, it was very successful.

2 CHIEF CRAIG: Through the Chair. Thank you,  
3 Ms. Burch. I remember it very well. And I will tell you  
4 the value of Straight Talk, just like procedural justice,  
5 we're not trying to find people that like police  
6 department, police officers. We want to meet with those  
7 who have had maybe a negative encounter. And in that  
8 negative encounter, it is amazing to watch -- one that  
9 comes to mind is the one I attended over in number seven.

10 There's a gentleman that has been a regular  
11 participant here in the board meetings who has come out  
12 very angry, who has complained often. And commander -- not  
13 to put words in your mouth -- do you think we turned him  
14 around.

15 COMMANDER THORNTON: Oh, yes, we definitely did.

16 CHIEF CRAIG: We turned him around. So that's a  
17 win for us. So we're not just doing this because we want  
18 the people that are going to sing our praises. And we know  
19 many times when we have contacts out in the community  
20 sometimes they go bad. And this is an opportunity to take  
21 it to the next level. A level of excellency.

22 COMMISSIONER CARTER: Commissioner Bell.

23 COMMISSIONER BELL: Yes, Madam Chair. I just  
24 want to echo the work on Commander Ewing, which is what we  
25 just witnessed last night at the Fifth Precinct --

1 unintelligible -- and he always do an excellent job of  
2 rapport. And his team, excellent job of rapport. And I'm  
3 pleased, because I live in that particular area of the  
4 Fifth Precinct, so I'm concerned about the interaction.  
5 And it's always been upbeat and positive. It's good to see  
6 that he's mentoring others because he has that type of  
7 experience. And I remember him, Chief, from back in the  
8 day when we worked together at number eleven.

9 CHIEF CRAIG: Did we work together?

10 COMMISSIONER BELL: No, sir. You're too young.  
11 But I have -- and I want to commend the mayor on the State  
12 of the City.

13 How many had an opportunity to watch that or  
14 attended last night, or whatever? But I appreciate the  
15 mayor lifting up the officers who have sacrificed in the  
16 line of duty. I thought that was quite positive for the  
17 DPD and for the city of Detroit to know that we have  
18 suffered a loss, and these officers are still in our hearts  
19 and so many people have parade for these officers. I  
20 thought that was fitting and that was appropriate, so I  
21 want to commend the mayor.

22 Chief, I have one concerned question for you.  
23 You solicited a administration message for FBI academy. I  
24 think you have to be in the rank of lieutenant or five  
25 years experience. But what caught my attention; there was

1 something in reference to you have to commit to three years  
2 to stay with DPD. Is that enforceable, or how that works?  
3 Can you clarify that?

4 CHIEF CRAIG: Through the Chair. The reason why  
5 we put out administrative message now focusing on giving  
6 lieutenants -- as you probably know for years --

7 COMMISSIONER BELL: Yes.

8 CHIEF CRAIG: -- before my appointment we were  
9 not sending lieutenants to the FBI National Academy. It's  
10 a great opportunity for our folks -- if you look around the  
11 room it's some in here. By show of hands how many of you  
12 attended the FBI National Academy?

13 (Hands raised)

14 CHIEF CRAIG: That's wonderful. And that wasn't  
15 the case. They just stopped doing it. Stopped  
16 participating. So, of course, we made some promotions.  
17 And I wanted to make sure that the captains and above had  
18 first opportunity; who wanted to go did go. And so now  
19 we're back where we should be. Because large agencies  
20 typically will send someone from the rank of lieutenant.

21 The three year rule is not the city of Detroit;  
22 it really is the FBI. It's been that -- even when I went  
23 through, you had to make a commitment to stay at least in  
24 the profession for I think it was three years. And so  
25 that's still the case today. Because it is an investment

1 that the FBI makes, or the federal government makes. And  
2 the training is a three month training that occurs in  
3 Quantico, Virginia. You live on campus throughout the  
4 training. And so it's an investment. And that's the way  
5 they can ensure that you don't have someone who, say, goes  
6 through the next three months and then retires. That's no  
7 investment. And so, so far it's worked out well. I'm very  
8 excited about the participation today of the Detroit Police  
9 Department.

10 COMMISSIONER BELL: Thank, you, Chief, for  
11 clarifying that and enlightening us also. Because I think  
12 traditionally also it was really not publicized in terms of  
13 how you could get to the FBI Academy. So I appreciate the  
14 administration message to open it up and your explanation.  
15 Thank you.

16 COMMISSIONER CARTER: Any other questions?

17 COMMISSIONER SANDERS: Through the Chair. I'd  
18 just like to make a comment. On my ride-alongs I rode  
19 along with Downtown Services in the Third Precinct,  
20 especially with the Traffic Control. And it was cold that  
21 day. And to watch them do their work. And you had a  
22 couple of them -- I can't remember their names, but I can  
23 remember their faces. When it comes to them handling that  
24 traffic -- I mean, if you've seen them in work, man, it was  
25 like driving a Cadillac with no tires on it just sitting

1 there. It was really amazing, you know. And just like  
2 with precinct three at the ride-along. I mean, when you go  
3 to a ride-along and you think that you're just going to sit  
4 back and not see things; these officers in precincts, they  
5 open up -- what they see you see, you know. And it makes  
6 you think of officers in a whole different light. So I am  
7 glad to be in this position to see this, you know. So I  
8 appreciate them. And I just can say kudos to all of them.  
9 So thank you for your services.

10 COMMISSIONER CARTER: Thank you, Commissioner  
11 Sanders.

12 Any other questions or comments, commissioners?  
13 Thank you, Chief.

14 CHIEF CRAIG: You're welcome.

15 COMMISSIONER CARTER: At this time we'll have our  
16 report from Human Services by Ms. Bridget Lamar.

17 MS. LAMAR: Good evening Board. And bear with  
18 me; I'm a little under the weather.

19 If I can call attention to your Human Resources  
20 Report for the department. We have a total of 3,085  
21 positions filled out of the 3,180 positions budgeted. That  
22 is a 97% fill rate. Additionally we -- for the month  
23 ending February 28th, 2018 there was 17 new hires.  
24 Thirteen of which was our Emergency Services Dispatch  
25 Operators, which brought that to a 99% fill rate. There's

1 only one vacancy left with our 9-1-1 operators.

2           Additionally, with our sworn recruiting we have  
3 hired 193 officers for the fiscal year beginning 7/1/2017  
4 through February 28, 2018. Currently there were 121  
5 applicants scheduled for the written and POST testing in  
6 the month of February. Ninety-eight with the physical  
7 agility. We had 37 passing the written test; 30 with the  
8 physical agility. We will begin a new class on March the  
9 26th. And we do have a class graduating tomorrow. We have  
10 23 graduating. We had 22 graduating for the month of  
11 February; on February the 9th. So within the past --  
12 within a 30 day period we will have deployed 45 officers.

13           Additionally, out of the 17 new hires for the  
14 month of February, 10 were Detroiters. For the attrition  
15 for the month we had 25 members of the department  
16 separated. For the restricted duty and leave of absence,  
17 we have 123 members in the restricted duty capacity. For  
18 FMLA, we have 17 members, both sworn and civilian, in a --  
19 on continuous FMLA. And we have 124 on intermittent FMLA.

20           And the department continues to work on our sick  
21 audit, where we're looking at sick days and FMLA and leaves  
22 within the department and reporting that out, and looking  
23 at ways in which we can use as data to staff the  
24 department.

25           Are there any questions?

1 COMMISSIONER CARTER: Thank you, Ms. Lamar.

2 Any questions.

3 COMMISSIONER BROOKS: I don't know who to ask  
4 this question to, maybe the chief or you. But listening to  
5 what you have -- you have three years commitment to train  
6 the FBI.

7 MS. LAMAR: Yes, ma'am.

8 COMMISSIONER BROOKS: Why can't we have three  
9 years for our police officers here? Because we recruit,  
10 and then they get training -- to me they get the best  
11 training they can get -- and they leave. Why can't we have  
12 a policy, rule, regulation or something that would say if  
13 you're going to come into our academy you have to work for  
14 three years? Or two years. Whatever. But I think we do  
15 need something.

16 MS. LAMAR: Commissioner Brooks, I'm going to  
17 defer to the chief.

18 CHIEF CRAIG: Through the Chair. I don't  
19 disagree with you. I think there needs to be some  
20 restriction. I think this was a matter that's already been  
21 addressed through the courts, and the courts said we can't  
22 -- we can't order it. But I do agree. I think there's  
23 some legislation at state level that they're looking at a  
24 way to address it. You know, it's interesting that we make  
25 an investment -- it must cost upwards sixty, seventy

1 thousand when you talk about training, outfitting. And  
2 then someone graduates; and literally the day they graduate  
3 they say, I'm going to Troy PD.

4 Now here's a bit of good news. We're now finding  
5 that people will leave and go to some of these suburban  
6 police agencies, and they find out that the grass is not  
7 greener, and they want us to keep the porch light on. In  
8 fact, one such person left for one month and returned to  
9 the Detroit Police Department. Some leave under  
10 questionable circumstances, and they get hired by another  
11 agency and they want to come back, and we don't let them  
12 come back. And so it's -- you know, but of course I agree  
13 with you; we should have something. And I just don't know  
14 what that something is.

15 COMMISSIONER CARTER: Any other questions?

16 COMMISSIONER DEWAELSCHE: Could I just add to  
17 that question for the chief of police? So we can't force  
18 officers -- new officers to commit for any length of time.  
19 But can we tie a repayment plan to their contract when they  
20 get hired?

21 CHIEF CRAIG: You know, it's interesting --  
22 through the Chair. I like that idea. In fact, in Los  
23 Angeles a similar situation; that if you join the LAPD, go  
24 through the academy and let's say you leave within five  
25 years, you have to repay. I mean, so if you stay five

1 years, certainly the repayment is not as high as it would  
2 be if you left in six months. But there was a prepayment  
3 -- or repayment plan in place.

4 Now here's what's interesting. We also know that  
5 a lot of these suburban departments, they don't pay for  
6 officers to go through the academy. Like I recruit  
7 officers are paid while in the academy. So some of them go  
8 to these two year colleges. Cost \$6,000 to go through it;  
9 then they compete for positions in different departments  
10 across the state. So it would be fiscally smart for them  
11 to get hired by Detroit, go through the academy and get  
12 paid, and then leave and go to Troy or wherever else you  
13 feel you want to go. It's a problem. It's a problem.

14 COMMISSIONER DEWAELSCHE: Thank you, Chief. I  
15 would just -- as a final note, I would just ask our staff  
16 if we could research some of the departments and their  
17 policies for repayment of tuition for coming through the  
18 academy. I mean, that's something that I think we should  
19 pursue vigorously.

20 CHIEF CRAIG: Well through the Chair. I agree.  
21 I think you might -- whoever is going to take on that task,  
22 it might not be a bad idea to start with the city law,  
23 because they've looked at this. This predates me. And  
24 there's been a lot of conversation surrounding repayments;  
25 conversations, if you leave before a particular time, you

1 know, what happens. And some of the folks in this room  
2 probably have more knowledge about what took place as far  
3 as the law.

4 COMMISSIONER DEWAELSCHE: Thank you, Chief.

5 MR. HICKS: Okay, Madam Chair, if I might. This  
6 was a suggestion that had been made in a couple of meetings  
7 prior to and that we've already started to look into. This  
8 does include communicating with our Law Department for the  
9 valuable information in which they currently have. We were  
10 also directed to communicate with the council president,  
11 Brenda Jones, and really access the kind of dialogue that  
12 is currently going on in the state legislature principally  
13 through Senator Santana who is either introduced or is  
14 poised to introduce an item that might impact this  
15 particular area. So we are engaged on this question. But  
16 as of tonight, obviously we don't have any substantive item  
17 which we could report other than the fact that we are  
18 engaged.

19 COMMISSIONER DEWAELSCHE: Okay, thank you.

20 COMMISSIONER CARTER: Thank you.

21 Deputy Chief Bettison.

22 DC BETTISON: I'm Deputy Chief Bettison, for the  
23 record. I was going to speak to what Mr. Hicks spoke to as  
24 well. So I've had conversations with state rep Sylvia  
25 Santana. So she's definitely introducing -- would be

1 introducing the bill to help us recoup our cost. It is  
2 going to be that tuition component tied to it. So that was  
3 the historical issue where municipalities did not have the  
4 enforcement component from a tuition standpoint to be able  
5 to recoup our cost. So on a state level they're going to  
6 be working to push that. So -- and I do have a copy of  
7 that draft, and I'll be able to report that to Mr. Hicks  
8 through the Board.

9 COMMISSIONER DEWAELSCHE: Thank you, sir.

10 COMMISSIONER CARTER: Thank you.

11 COMMISSIONER BROWN: Madam Chair, just a point of  
12 information. I was an apprentice in IBW. And those  
13 apprenticeship are government ran by the state and the  
14 Department of Labor. In that packet I had to sign, which  
15 was very hard to do, a letter of being indentured as a  
16 servant to the apprenticeship. And a part of that -- a  
17 part of that packet -- and you might want to take this to  
18 Representative Santana, because I think they may be just  
19 looking in the wrong places. The language clearly says in  
20 there, if you receive this training and complete this  
21 apprenticeship and you leave the trade after you turn out,  
22 you cannot work in any place at the capacity of an  
23 electrician for five years after you've completed that  
24 program. And if you do, you have to repay that training  
25 for that apprenticeship. That language is already out

1 there. And that is a state ran governed board through the  
2 National Joint Apprenticeship Trade Council. And so that  
3 language is already out there. So I don't know how they're  
4 able to get away with it, but when we talk about it, it's  
5 like we're running into these brick walls. And I think  
6 they need to look at that language and how the state is  
7 governing that. And maybe it needs to come through the  
8 state to say that if you do X, Y, and Z you need to the  
9 repay this money.

10 COMMISSIONER CARTER: Thank you, Commissioner  
11 Brown. Good information.

12 Commissioner Bell.

13 COMMISSIONER BELL: Yes, Madam Chair. I just  
14 want to -- I think it's somewhat of a myth that we lose a  
15 whole lot of officers. One is too many, but overall I  
16 think when they leave the academy training most of them  
17 stay with us. Is that correct?

18 MS. LAMAR: Yes.

19 COMMISSIONER BELL: Could you also outline the  
20 failure rate and why they are failing in terms of the  
21 academy? Is it the written test or the drug test, or  
22 whatever area that they are falling short will you  
23 elaborate for us?

24 MS. LAMAR: Yes, sir. When we look at the --  
25 this is the testing, the applicant testing. We a had a

1 hundred twenty-one scheduled for the written test.  
2 Seventy-four appeared. So some had initial interest. They  
3 dropped off there. We had thirty-seven to pass the test.  
4 Thirty-seven failed the test. There was a 50% fail rate.  
5 For the physical agility, ninety-eight were scheduled.  
6 Seventy-three appeared. Thirty passed. Forty-three  
7 failed. We can research the specific reasons why they're  
8 failing, be it comprehension or what it is specifically and  
9 report back to the board as to the specific reasons.

10 CHIEF CRAIG: Madam Chair --

11 COMMISSIONER BELL: So -- I'm sorry, go ahead,  
12 Chief.

13 CHIEF CRAIG: Through the Chair. I wanted to  
14 also say, I didn't realize the rate of failure for the  
15 agility test was that high. Is that consistent  
16 for throughout? Is it just for this period?

17 MS. LAMAR: This is just for this one, sir.

18 CHIEF CRAIG: That's still very high. So I want  
19 to have a conversation about some steps that we can take  
20 that will close the gap. We did this. And when I was  
21 going through LA, it was a well known fact minority  
22 candidates were not doing very well in the rigorous  
23 physical fitness part of the academy. And so what they did  
24 is they created an opportunity. And we've talked about  
25 this before. And I wish the academy commander was here.

1 But we need to revisit that. Because if that's a failure  
2 rate, how soon can they re-test? And what are we doing to  
3 prepare them to successfully complete? Because that really  
4 is a bad sign. It's one thing to not pass a psychological  
5 test or a background investigation, but when you talk about  
6 percentages like that, that's extremely high; and we can  
7 fix that.

8 COMMISSIONER CARTER: So is that number from the  
9 pre or is that during the academy?

10 MS. LAMAR: This is for the application process.  
11 Not the academy.

12 COMMISSIONER CARTER: Okay.

13 CHIEF OF POLICE: That's fixable. I really  
14 believe it.

15 COMMISSIONER BROWN: Madam Chair. Just one more  
16 thing, Chief. One of the things the fire service did when  
17 they had a large failure rate of minorities on the physical  
18 agility thing, the union got together with a lot of the  
19 departments and they came up with the CPAT test. A lot of  
20 us was against it in the beginning. But it's the Candidate  
21 Physical Agility Test. And it was fair movements that each  
22 candidate had to do in order to pass the physical agility.  
23 And I thought mine was hard jumping through those little  
24 windows. But this test lays out specific things, almost  
25 like what M codes has. And it's governed and monitored by

1 the union, and it's administered fairly across the United  
2 States. And that may be a starting point that they can  
3 look at. I mean, the program they have, they can come and  
4 work out; they can get training on the different parts of  
5 the things that they're weak on; and they can take the test  
6 twice, I think, in a 30 day period. So, I mean, that might  
7 be something to look at, that model, to see if it's  
8 something that we can borrow from the fire service as how,  
9 you know, we test our candidates.

10 CHIEF CRAIG: Through the Chair. Those model do  
11 exist, and this was a conversation we had some months ago.  
12 But again, we can fix it. It's just a matter of holding  
13 off our sessions with candidates that have a desire to go  
14 through police testing and prepare them for the rigors of  
15 the physical fitness test. And they can do that over a  
16 month, two month period. The idea of retesting makes good  
17 sense. Why should we make a candidate wait, I don't know,  
18 three to six months to re-test and then they're still not  
19 in physical shape to complete the test the second time? So  
20 it makes no sense. So we'll fix it. So if we can talk  
21 about that.

22 MS. LAMAR: Yes, sir.

23 CHIEF CRAIG: As early as next week.

24 MS. LAMAR: Madam Chair, also and to the Chief,  
25 they are -- the academy and recruiting, they are working

1 with candidates on the physical agility. And I can give  
2 you the specifics of what programs they do have, because  
3 they do have some Saturdays that are available and some  
4 information and some tests that the candidates can go  
5 through for the physical agility before they actually take  
6 the test. But I can bring back, specifics.

7 COMMISSIONER CARTER: Okay. Thank you,  
8 Ms. Lamar.

9 COMMISSIONER BELL: Madam Chair, I just want to  
10 make one more point. We went through this series of  
11 concerns in the 70s and 80s, and I would hope that we take  
12 the initiative to talk to retired Inspector James Jackson  
13 who's the head of academy for overlap recruiting. We went  
14 through some of those changes, drastic efforts to recruit  
15 African Americans in the 70s and 80s, so we don't have to  
16 reinvent the wheel. I'm glad we're having this dialogue.  
17 I think the officers that survived that and went through  
18 their retraining went on to have outstanding careers. And  
19 so perhaps we just need to interact with some of these  
20 people like Inspector Jackson who have that experience of  
21 academy recruiting and all the efforts. And we do have  
22 that type of dialog. And he's also in criminal justice.  
23 So I think it would be timely.

24 And I appreciate Commissioner Brown, you know,  
25 elaborating and the Chief elaborating in that perhaps we

1 are really concerned in terms of how we recruit. We're not  
2 talking about, you know, the old day where we're lowering  
3 the standards. That was a different time period with the  
4 union and all that with opposition to us being hired. That  
5 is not the case today. But I think the red flag went up  
6 when the mayor and Dr. Beatty talked about educational  
7 standards in Detroit to address that concern. So I think  
8 in conjunction with all of that we're trying to educate and  
9 help these young people qualify if they have a strong  
10 desire, if they meet that standard. So thank you, Madam  
11 Chair.

12 COMMISSIONER BURCH: Madam Chair. I would like  
13 to ask Ms. Lamar, how are you. I'd just like to ask you  
14 the questions as far as the examiners that train the  
15 officers. Is there someone that monitors them to see if  
16 they're teaching to the best of their ability? Sometimes  
17 it can be within the teachers that they're not graduating  
18 or catching on to the next level. Who monitors the  
19 examiners?

20 MS. LAMAR: Yes, ma'am. Through -- the academy  
21 actually monitors the examiners. But this is before. This  
22 is the applicants. This is before they even get into the  
23 -- get into the academy. And we do have our recruiting  
24 team that's there as well as the academy, and they have the  
25 standards from M code. So they're not meeting those

1 particular standards in terms of the testing and the  
2 physical agility.

3 COMMISSIONER BURCH: Okay.

4 COMMISSIONER CARTER: Commissioner Davis.

5 COMMISSIONER DAVIS: Question. Do you have any  
6 breakdown on the number of people that failed; whether this  
7 was Detroit residents, non-Detroit residents, black, white,  
8 male or female?

9 MS. LAMAR: We can get -- I can get that to you  
10 and present it to the Board.

11 COMMISSIONER DAVIS: Thank you.

12 COMMISSIONER CARTER: Any other questions?

13 Thank you, Ms. Lamar.

14 MS. LAMAR: Thank you.

15 COMMISSIONER CARTER: At this time we will have  
16 the report from Downtown Services from Captain Miles, I  
17 believe. No?

18 LT. PRYOR: Evening, board members. Chief.  
19 Lieutenant Pryor here from Downtown Services. So in the  
20 interest of time -- we did have a PowerPoint with some  
21 data. I won't go through every category, but I'll just  
22 give you an overview.

23 So Downtown Services, we have twenty-eight day  
24 comparables, and we have year-to-date comparables. For our  
25 twenty-eight day comparables, we're pretty much trending at

1 50%. We've had some increases in some categories and some  
2 decreases in other categories. However, when we talk about  
3 our year-to-date comparables, we had significant decreases  
4 in every category except for three. Largely for motor  
5 vehicles, damaged property, and dangerous drugs.

6 In respect to larceny of motor vehicles, we had  
7 an increase of 4%; 25% damage property; and, unfortunately,  
8 113% when it comes to dangerous drugs.

9 When we talk about our identified crime trends,  
10 we're talking about our nonfatal shootings and our  
11 homicides. For the 2017 calendar year Downtown Services  
12 had eight nonfatal shootings. We had increases in the  
13 first half of 2017, and then we had decreases in the second  
14 half of 2017.

15 In respect to fatal shootings, we were at 0%  
16 across the Board with the exception of the last quarter of  
17 2017 where we had two fatal homicides.

18 When we talk about our strategy results, we've  
19 had two gun seizures, two thousand one hundred thirty-five  
20 thousand tickets issued, five hundred events policed, and  
21 thirty-four liquor license compliance checks conducted.

22 Our current identifiable crime trends are going  
23 to be larceny from autos and our stolen vehicles. In the  
24 last twenty-eight day period, we saw a 27% increase in  
25 larceny from autos and 67% increase in stolen vehicles.

1                   Our precinct strategies. Talking about our  
2 precinct strategies, we're going to introduce targeted  
3 policing in high auto related crime areas. We're going to  
4 combine our resources with Commercial Auto Theft as well as  
5 Third Precinct. We're going to increase our gun seizures,  
6 which we've already done for this calendar year  
7 significantly. We're about to conduct targeted enforcement  
8 around our liquor license venues. We're going to increase  
9 our liquor license compliance checks. We're going to  
10 conduct a mini restore order targeting our transit center  
11 and work in conjunction with them. We're going to continue  
12 to work with our business partners and to expand our Green  
13 Light program to the Washington Boulevard district.

14                   Our Neighborhood Policing Officers. Our  
15 Neighborhood Policing Officers conduct several programs.  
16 They are welcomed to the Neighborhood PowerPoint  
17 Presentation, Senior Scam and Senator Program, Safety and  
18 Security PowerPoint, presentation to our new residents and  
19 new business owners, teaching private security how to deal  
20 with the mentally ill, Detroit PAL presentations, respond  
21 to active shooters in places of worship, respond to active  
22 shooters in the private sectors, antibullying for children,  
23 and our 36 District Detroit Democracy Program.

24                   In closing, our upcoming community programs  
25 include homeless outreach and housing meetings.

1 Councilwoman Mary Sheffield Homeless Task Force, and our  
2 upcoming National Night Out in the first week of August.

3 Are there any questions?

4 COMMISSIONER CARTER: Commissioners, do you have  
5 any questions?

6 Commissioner Bell.

7 COMMISSIONER BELL: Madam Chair, I just want to  
8 say to Captain Petty and your team downtown, excellent job.  
9 You're on point. The focal point of Detroit is downtown.  
10 It starts with downtown. And I'm just pleased with that  
11 type of interaction with the public. As we well know if  
12 we're well travelled, you travel downtown first of all.  
13 And so I just want to commend you in terms of being that  
14 gatekeeper for Downtown Services over and over again.  
15 Always been --

16 And, Chief, I'm pleased that we're going to have  
17 a lot of traffic downtown. I know when we didn't have a  
18 downtown. So I'm pleased with all of that, you know. So  
19 that's a plus plus.

20 LT. PRYOR: Thank you.

21 COMMISSIONER CARTER: Any other questions?

22 Commissioner Davis.

23 COMMISSIONER DAVIS: Yes, I was wondering  
24 insomuch as you have a prepared remark, can you leave us a  
25 copy of those?

1 LT. PRYOR: Absolutely.

2 COMMISSIONER DAVIS: Okay, that would be helpful.

3 COMMISSIONER CARTER: Any other questions or  
4 comments, commissioners?

5 Thank you.

6 Commander Giaquinto.

7 COM. GIAQUINTO: Yes. I just want to clarify  
8 some numbers that kind of were introduced as a bad thing;  
9 that we were kind of fearful of. The increase in narcotics  
10 is actually a positive thing. We have improved in and  
11 enhanced our narcotics enforcement in and around the  
12 downtown area. Particularly those businesses around LCA,  
13 the Cass Park, as well as those that are taking place  
14 around the Greyhound Center. So that increase is actually  
15 a good number as a result of increased enforcement.

16 COMMISSIONER CARTER: Okay, thank you, sir.  
17 Thank you.

18 At this time are there any committee reports;  
19 standing committee reports or ad hoc committee reports?

20 MR. HICKS: Madam Chair.

21 COMMISSIONER CARTER: Yes.

22 MR. HICKS: We still have scheduled the special  
23 services portion -- special calendar portion of this  
24 presentation. I think it's another portion of it.

25 COMMISSIONER CARTER: Oh, okay.

1 UNKNOWN SPEAKER: Good evening to the Board. I'm  
2 going to do the presentation on the special events. I'll  
3 have sergeant Blackwell do it. I'd be remiss if I didn't  
4 say Captain Miles is also downtown. Actually he's a  
5 downtown captain, and I do the events. So that kudos  
6 should go to Captain Miles.

7 COMMISSIONER BELL: Captain Miles. You were that  
8 person for quite some time though.

9 CAPT. MILES: Yeah, I was. Sergeant Blackwell.

10 SGT. BLACKWELL: Greeting to the Board, to our  
11 chief of police. I will be brief. It was requested of us  
12 that we do a special events calendar so you all will have  
13 an idea of what will be going on the duration of 2018.

14 So page one. Just to give you a brief synopsis  
15 of what Special Events responsibilities consist of, we do  
16 dignitary visits, conferences, conventions. As you all  
17 know, last week Vice President Pence visited. Sometimes  
18 we'll get a call within 42 to 72 hours notice, and we have  
19 to pull together over a hundred police officers and give  
20 them positions and assignments. And we do it with ease.  
21 We worked with Secrete Service on that one and several  
22 different resources within the police department to get  
23 that accomplished. And I think we did a great job on that  
24 one.

25 We also coordinate and plan assigning personnel

1 for foot traffic, foot patrol, traffic control, recurring  
2 large events. Your parades, fun runs, marathons,  
3 walk-a-thons, we do it all. The Freedom Festival,  
4 fireworks, all your major events. And we do from large to  
5 small. We do it all.

6 We facilitate all requests to utilize police --  
7 to utilize the Detroit Police Honor Guard and the Color  
8 Guard. We do spontaneous events. Just the other day I got  
9 a call for a commercial for a Ford transit van. So we get  
10 the manpower together, and we may block off streets. We  
11 may do some intermittent traffic control. Whatever it  
12 takes to get the job done.

13 Next we have March. So without going into great  
14 detail, you can see where the month of March -- as we  
15 stated earlier, the mayor did a great job. We had the  
16 State of the City on the 6th. The Autorama just left. We  
17 had over a hundred thousand visitors for that. St.  
18 Patrick's Day parade will be this Sunday along with the  
19 Corktown Run. And then we have an event on the 25th,  
20 another one. And Tigers' home opening, which is a very  
21 large event that we will be facilitating.

22 The month of May we have several events, from the  
23 Race to Cure, Cinco de Mayo, the NAACP dinner. We have  
24 several events. Sometimes they come on the same --  
25 sometimes they end up on the same day. We're working on

1 trying to prevent that from happening. But sometimes that  
2 ends up happening, and we make it happen. Slow Roll right  
3 at the bottom of the list starts in May, and it continues  
4 on through the month of October. It's usually every  
5 Monday. So --

6 Next we have June. June is the Grand Prix, the  
7 Detroit Music Weekend. We have River Days. And the big  
8 one, which is the fireworks, that everyone comes down to  
9 enjoy from all over the state.

10 August we have the primary elections. We have  
11 the Corktown Criteria, and we do the jazz festival,  
12 diabetes walk, and of course the boat races.

13 September is Labor Day parade, 9/11 Memorial, St.  
14 Jude gala.

15 October is Making Strides Against Cancer, the  
16 Free Press Marathon 5K fun run/walk for the kids, the Bike  
17 the Bridge, and Angels Night campaign.

18 November and December we combined on the last  
19 page. You can see where we have the Armed Services Salute,  
20 General Election, the Christmas Tree Lighting will be some  
21 time in November. We don't have the date for that one just  
22 yet. The Turkey Trot and the Thanksgiving Day Parade. And  
23 we all know traditionally we have a Lions game -- usually  
24 the Lions game that day as well. Goodfellow Parade is also  
25 in November. And in December we have Noel Night, Jingle

1 Bell Walk, Menorah in the D, and the D Drop on New Year's  
2 Eve.

3 This next page just kind of shows you we also  
4 facilitate all the events at Ford Field. So in addition to  
5 the Lions games, there's a list here that -- everything  
6 marked in red shows where police presence will be required.  
7 So anything from Monster Jams to if we have some country  
8 western fans; Taylor Swift, Kenny Chesney. We facilitate  
9 those events as well. We also do the escorts for the  
10 opposing teams. When they come to visit for the games, we  
11 facilitate the escorts for those teams from the airport to  
12 the venue. And we do the same -- LCA, which is Little  
13 Caesars Arena, just reached out to us today to facilitate  
14 escorts for the NCAA teams. So we get a lot of spontaneous  
15 requests, and we hop on it. And we haven't had any issues.  
16 But we are very busy, and we are happy to be busy. Very,  
17 very happy to be busy.

18 Any questions?

19 COMMISSIONER CARTER: Commissioners, do you have  
20 any questions.

21 COMMISSIONER BURCH: Through the Chair. Yes, I  
22 have a question. Just a comment.

23 UNKNOWN SPEAKER 3: Yes, ma'am.

24 COMMISSIONER BURCH: Just to ask you, when we  
25 have the special events in Detroit, we have many of them,

1 right?

2 SGT. BLACKWELL: Yes, ma'am.

3 COMMISSIONER BURCH: Someone asked me as we were  
4 traveling to the mayor's State of the City address; and we  
5 saw all the police officers, right. And they said, while  
6 you're here who's watching Detroit neighborhoods? You  
7 know, you get these questions, which I think is a  
8 legitimate question. Because we are short officers, right?  
9 So when you do the special events, is the criminal aware of  
10 the event and they take advantage? So have you did any  
11 kind of survey to see are they a little bit busier when  
12 they know you are a little bit busier? So one of the --

13 SGT. BLACKWELL: So one of the things we do --  
14 may I through the Chair? One of the things that we do is a  
15 lot of times we pull from areas where we're not pulling  
16 from the precinct. That's our last resort. We try to pull  
17 from the areas where the officers are not busy fighting --  
18 we're all fighting crime, but they're not busy on those  
19 particular runs and things of that nature. We try to pull  
20 from -- Downtown Services usually assists us. We use  
21 Traffic Enforcement Unit, which is TEU, and we use the  
22 Metropolitan Division that assists us as well.

23 AC WILLIAMS: Through the chair, Assistant Chief  
24 Williams. What we do for the precinct; the precincts have  
25 a minimum manpower that they have to run every day. So in

1 addition to that minimum manpower, they also have  
2 specialized units to man the precincts. We do not affect  
3 that number by what we run in the Downtown Services. So  
4 everybody throughout the city receives the same services  
5 during a parade that they will receive during the day we  
6 don't have a parade. So I want to make sure that's clear.

7 COMMISSIONER BURCH: Okay, I'll tell them that;  
8 that you said we have officers. Right?

9 AC WILLIAMS: Yes.

10 COMMISSIONER BELL: Madam Chair, I just want to  
11 say --

12 COMMISSIONER CARTER: Commissioner Davis.

13 COMMISSIONER BELL: Oh, I'm sorry.

14 COMMISSIONER DAVIS: Question. Along with these  
15 requests for assistance and do all this and that, do we get  
16 any compensation for that or reimbursement for that?

17 CAPT. PETTY: Yes, we do. Everybody's invoiced.  
18 So we invoice them and bills go out.

19 COMMISSIONER CARTER: Okay. Are the bills paid?

20 CAPT. PETTY: They're coming in.

21 COMMISSIONER CARTER: They're coming in.

22 CHIEF CRAIG: Given your concern as well as mine,  
23 I know one such location we have a zero balance now?

24 CAPT. PETTY: Yes, sir.

25 CHIEF CRAIG: Or we're close to a zero balance?

1 COMMISSIONER CARTER: We're close to zero.

2 CHIEF CRAIG: So we're good.

3 COMMISSIONER CARTER: Okay.

4 CHIEF CRAIG: Moving in the right direction.

5 COMMISSIONER CARTER: Thank you, Chief.

6 MR. HICKS: Madam Chair, if I can just add to  
7 that. Our office is working with DC Bettison, and we are  
8 collectively going to pull together a report. This is a  
9 report that originally respond by Mr. Rhodes bringing to  
10 our attention, as he has and will continue to do, the  
11 question of reimbursement for services. And I think that  
12 we are kind of closing or closing up that report about now.  
13 There's a few other things that we need to do. We hope to  
14 have the report again to you, as we have indicated, as you  
15 have several conversations between the mayor and the chief  
16 and the leadership of the Board. We're trying to ready  
17 that report so that the next time that you all get  
18 together, which is late March, to have that for you all for  
19 your collective review. So that's what we're on task to  
20 do. And I think at that point, we're able then to say who  
21 the -- to congratulate those who are at zero balance and to  
22 discuss with others who may not be at zero balance.

23 COMMISSIONER CARTER: Thank you, Mr. Hicks.

24 Commissioner Bell.

25 COMMISSIONER BELL: Madam Chair, I just want to

1 say to Commissioner Burch, that's an age old question about  
2 providing services versus the precinct or neighborhood.  
3 I've heard it my whole career. But basically we provide  
4 services. And you have to provide, as they outlined, how  
5 they operate. And I just hope that the commissioners would  
6 share that with people when they raise that question and  
7 nip it in the bud. Basically it's an age old question.  
8 And some of us have worked all the precincts in the city of  
9 Detroit. We always come up, but we always management to  
10 service what we do in terms of the precinct concept. So  
11 nip it in the bud, and don't get distorted by those topic  
12 concerns. Because any major event you want to see the  
13 police. We want to see the police. But we do cover my  
14 neighborhood and your neighborhood.

15 COMMISSIONER CARTER: Thank you. Mr. Brown had  
16 the --

17 COMMISSIONER BROWN: I want to ask the Chief --  
18 the commander. I mean, one thing I think we're remiss  
19 with, with us recognizing is that the Detroit Police  
20 Department has a vigilant reserve unit, and they're very  
21 dedicated to coming out to provide their support. I've had  
22 the opportunity of being in the room with them every now  
23 and again. And then you also have the other partnering  
24 agencies like the Wayne County Sheriff that have a large  
25 number of reserve officers that come out and back up and

1 support. So I don't -- I personally don't see it, because  
2 I see a large number of reserve officers out helping. And  
3 they are police officers. They are trained police  
4 officers, but they are just volunteers. And they come out  
5 vigilantly to assist at any time that they're called upon  
6 to come out. And I think that should be noted with their  
7 help and assistance with the Detroit Police Department and  
8 serving the citizens of the city of Detroit.

9 COMMISSIONER CARTER: Thank you, Commissioner  
10 Brown.

11 COMMISSIONER SANDERS: Through the Chair.

12 COMMISSIONER CARTER: Commissioner Sanders.

13 COMMISSIONER SANDERS: I'd just like to know when  
14 you collect the money, do it go to the city or do it go to  
15 the Detroit Police Department?

16 CAPT. PETTY: The city. It goes to the city; to  
17 the general fund.

18 COMMISSIONER BROWN: Yeah, general fund.

19 COMMISSIONER SANDERS: Okay, I just wanted to  
20 clarify. I figured it did, but I just wanted to hear it.  
21 Thank you.

22 COMMISSIONER CARTER: Any other questions,  
23 Commissioners? Thank you.

24 COMMISSIONER DAVIS: I have a question. I have  
25 one more question.

1 COMMISSIONER CARTER: Okay.

2 COMMISSIONER DAVIS: So I know you said there's  
3 at least one that has a zero balance. So is there any that  
4 have like -- that haven't paid any?

5 CAPT. PETTY: No, no. No, there's a lot.  
6 There's more with zero balances than there are not.

7 COMMISSIONER DAVIS: But is there any that  
8 haven't paid any?

9 CHIEF CRAIG: Through the Chair. Let me help you  
10 with this. When we looked on this report there was a  
11 company that owed a significant backpay. I got involved in  
12 the conversation. They have paid probably 85%. And so I'm  
13 very encouraged. And the balance that's remaining is just  
14 a fraction of what they owed. I anticipate that in the  
15 next thirty days that the balance will be paid in full.  
16 Part of the problem is that our finance person should have  
17 been handling that function, not police officers. We have  
18 always billed the vendors. That's not the appropriate way  
19 to do it. And as a result we went into a backlog. When I  
20 spoke to an executive with the firm, his response was, well  
21 we never got a bill. And so if we're not billing you, it's  
22 hard for me to get angry. But to the credit of that  
23 company, and you'll see it in the report, it only took was  
24 one request and they paid 75%. Probably even more than  
25 that. And I'm certainly at the appropriate point when we

1 get the remaining balance, you'll see the amount that was  
2 paid in one check.

3 COMMISSIONER DAVIS: And I look forward to that.

4 CHIEF CRAIG: Okay. I was happy we got to that  
5 place for sure. It was a significant amount. But --

6 COMMISSIONER DAVIS: Thank you.

7 CHIEF OF POLICE: -- we didn't bill. And we're  
8 partially to blame. If we're rendering services, you know,  
9 one would think I owe money. But the other part is if  
10 we're not billing you -- so that problem has been resolved.

11 CITIZEN: You made a telephone call too.

12 CHIEF CRAIG: No, that was face-to-face. It  
13 wasn't a telephone call.

14 COMMISSIONER CARTER: Thank you for your  
15 information.

16 Okay, now we can go own to the committee reports.  
17 Standing or ad hoc committee reports.

18 Report from the board secretary.

19 MR. HICKS: Thank you, Madam Chair. I simply  
20 want to just call your attention to six items that are  
21 listed on the agenda. Remember the crux of the report that  
22 comes in this section is really incoming or communications  
23 that have been shared with the Board. Much of our work in  
24 this last period has been in connection with the budget.  
25 The annual budget for the department. And we have largely

1       been involved in responding to varying questions from  
2       different council members; and you see those listed on the  
3       report.

4               In addition to that, while there are other items,  
5       the next significant item is that we did receive an answer  
6       or a response for an update that this Board requested on  
7       body worn cameras. We've reviewed -- first of all, we have  
8       sent a copy of that out to each one of the commissioners.  
9       You should have received that within the last week.  
10       Secondarily, we're reviewing that. And we think that  
11       there's some comments that we want to make in connection  
12       with the report. And as typical, the subcommittee that has  
13       jurisdiction over that work is the Policy Committee. So  
14       the work there or the comments are scheduled go into the  
15       next Policy Committee meeting. And then depending upon  
16       what the Policy Committee does or thinks in connection with  
17       the report, it would come to the full Board for a  
18       discussion. And that would be in terms of the update that  
19       you requested on body worn cameras.

20               With that, the other items are fairly  
21       substantial. We've had candidate -- or disqualification  
22       appeals. We've requested files in connection with that.  
23       Personnel files from HR. But you can see a complete list  
24       on your agenda. With that unless there is some additional  
25       questions in which I can respond to, that would be the

1 report for this evening.

2 COMMISSIONER CARTER: Thank you, Mr. Hicks.

3 Commissioners, is there any old business at this  
4 time? New business?

5 COMMISSIONER BROWN: Yes, Madam Chair. And this  
6 just falls -- it's not really business, but I just want to  
7 make a comment and give out some kudos at this point to the  
8 Office of the Chief Investigator. Reading the citizen  
9 complaint records and going through them, you know I've had  
10 an opportunity to talk with some of the investigators. And  
11 I just want to give them my applaud for a job that they do  
12 with all of the things they do to make sure that the  
13 citizen's rights are not violated, but more importantly  
14 that our officers are acting professionally in following  
15 the procedures of the Detroit Police Department.

16 But one in particular that I'd like to recognize  
17 is investigator Lasonya Sloan. And there was a particular  
18 case that I had some concern with. But it was like at  
19 every time I turned the page and I was thinking that well  
20 wait a minute, did they do this? she was on it. I mean,  
21 every time I had the thought, she was on the next page. I  
22 just had to keep reading. So I just wanted to just give  
23 her some recognition of the fine work that she did and the  
24 steps that she went. Really to me she went above and  
25 beyond to just make sure that this citizen's rights were

1 not violated. She had to come to a conclusion, but she did  
2 a really good job at laying out the detail and using all of  
3 the tools at her fingertips to really go through  
4 investigating this complaint. And it really bothered me  
5 the nature of the complaint. But I just wanted to -- and I  
6 talked with some of the other investigators in the office.  
7 I know they're here. Just give yourselves a round of  
8 applause for working so hard.

9 (Applause)

10 COMMISSIONER BROWN: And we have to understand  
11 that, you know, the things that Commander Ewing is doing in  
12 leading with them; these are the people that are going to  
13 hear the voices of the people in the community. And this  
14 is who they need to talk to and at the same time meet the  
15 men and women of the Detroit Police Department to try to  
16 come to some resolution of what the issues are and what  
17 they have and their fears of that uniform. So I just  
18 wanted to just say good job. You know -- how many did you  
19 give me this time? But good job. And I enjoy reading  
20 them. And I'm getting involved with what's going on and  
21 how this side of the department actually functions and  
22 works. And thank you.

23 COMMISSIONER CARTER: I am so happy that you're  
24 enjoying reading those reports. I have a packet of my own  
25 tonight. But it really -- they do a wonderful job, a

1 thorough job with their investigations, and they leave no  
2 stone unturned, and they do good work. So thank you for  
3 that.

4 Commissioner Bell.

5 COMMISSIONER BELL: Madam Chair, I'm glad you  
6 said that. And I just want to commend Commissioner Brown.  
7 And I just want to challenge the other commissioner who are  
8 offered to take the time and go through the training and  
9 get on board to go through this process. Because I know  
10 Akbar would know from the past, we had to chase  
11 commissioners down to get them to embrace the cases that  
12 OCI worked up. So I just want to challenge the other  
13 commissioners to get involved with that process like  
14 yesterday, because we should not be engaging. They should  
15 be engaging. And any of you -- this is going into the  
16 fourth quarter almost, so we need to have them on board as  
17 soon as possible in terms of training and being able to  
18 receive these cases. Just like Commissioner Brown, due  
19 diligence, you get a understanding of what OCI is all  
20 about.

21 COMMISSIONER CARTER: A better understanding.  
22 Right. Absolutely. Thank you.

23 Commissioners, any other new business?

24 Our next meeting will be Thursday, March 15,  
25 2018, at 3:00 p.m. at the Detroit Public Safety

1 Headquarters, located at 1301 Third Street. Our next  
2 community meeting will be Thursday, April 12, 2018, at 6:30  
3 a.m., in the Eleventh Precinct at the Peace Baptist Church,  
4 located at 13450 Goddard Avenue.

5 At this time we'll have oral communication from  
6 the audience. Please give your name for the record and  
7 limit your comments to two minutes, please.

8 Mr. Brown.

9 MR. BROWN: Madam Chair, I currently have two  
10 cards. Your first speaker will be Ms. Berniece Smith,  
11 followed by Mr. Peter Rhodes.

12 MS. SMITH: Call the second one while I'm getting  
13 up.

14 MR. BROWN: Ms. Bernice Smith.

15 MS. SMITH: Call the next one while I'm getting  
16 up.

17 COMMISSIONER BELL: Help her up.

18 MS. SMITH: Thank you. You know I got my bad  
19 knee.

20 Good evening, commissioners.

21 THE BOARD: Good evening.

22 MS. SMITH: I'm going to be brief. Welcome to  
23 Sixth Precinct -- I mean the Sixth Region. This is my --

24 COMMISSIONER CARTER: District.

25 MS. SMITH: District. Thank you, baby. Chief,

1 welcome to our meeting. So it's good to see you.

2 I want to let you know I'm concerned at a meeting  
3 -- I live in Cathedral Towers, by the way. It was recently  
4 purchased by some outsiders. And I was shook up last week,  
5 because they wanted my apartment. So I was quite upset.  
6 But I was fortunate enough to get an apartment in the  
7 Whittier. And the Whittier wanted me because they don't  
8 have any police activity down there to keep them busy. But  
9 in the meantime I get a call from Ohio saying you can stay.  
10 So God's good. I just want to let you know that.

11 In the meantime -- so I will be still active in  
12 my district of three and also in the region, six which I've  
13 been there going on 24 years. So, therefore, I'm very  
14 blessed to stay. In the meantime I was concerned over  
15 looking at items on the TV this past week, and it was at a  
16 meeting also that I attended of the break-ins. Not only  
17 the gas station -- not the gas station, but liquor stores.  
18 Cars were backing into them and breaking the windows and so  
19 forth and robbing them and taking the things out of there.  
20 Our suggestion was -- at least one of the suggestions was,  
21 could we possibly inform them if they did not have the  
22 Green Light to get the Green Light? Because we do have a  
23 lot of energy as far as the police concern in making that  
24 run. And they do make it in a hurry, in other words. It  
25 don't take them no 30 minutes. So I suggest that you

1 inform these businesses in each one of your districts, if  
2 you have not as of yet, to get the Green Light and put it  
3 up there. Because it is very -- a good deterrent for the  
4 drivers. Also another thing, put a barricaded if it's  
5 possible to be across there so the cars will not back up  
6 into the businesses. I think that's another deterrent.  
7 And that was brought up also.

8 So again, I thank you for coming into our  
9 district, or region. Whatever. And do come back again,  
10 because you're always welcome. And we love our police and  
11 our third -- as a matter of fact, all over. Petty is very  
12 busy down there, and Johnson is too, in the district of  
13 Detroit. So we do know they have a big task. That L1 rail  
14 runs by my house all the time, and I'm looking down there  
15 at it, and it stays crowded. So we do have a lot of  
16 traffic down there on Woodward. Again, thank you for  
17 coming to our district.

18 COMMISSIONER CARTER: Thank you, ma'am. Thank  
19 you for your comments.

20 Mr. Rhodes.

21 MR. BROWN: Mr. Peter Rhodes.

22 Madam Chair, that will be your last speaker.

23 COMMISSIONER CARTER: Thank you.

24 MR. RHODES: My name is Peter Rhodes. I'm a  
25 resident. Live up in District Two, Twelfth Precinct. You

1 folks probably have this memorized by now.

2 Police response times in the neighborhoods need  
3 improvement. That's for the safety of the residents and  
4 the safety of the police officers in making the police runs  
5 and making the responses.

6 Downtown and midtown has three minute response  
7 times. And large venues like LCA, Comerica Park, Ford  
8 Field, they have instant response time, because police  
9 officers are assigned to those venues. But these large  
10 venues are not part of secondary employment program. And  
11 I'm saying that these venues did not pay their fair share  
12 for this premium police protection. From the discussion,  
13 apparently some of that was the vendor never got an  
14 invoice. Could be a dozen different reasons. But they  
15 didn't pay their fair share.

16 This first came up with the Detroit News article  
17 in March 2017. That's a year ago. When it takes one year  
18 for the report to be done, that is not transparency and  
19 that's not public accountability. I don't know what it is.  
20 But I met several of you again at the city of Detroit  
21 budget hearings. The report could have been presented  
22 weeks before the budget hearings. Instead that report will  
23 be ready weeks after the budget hearings. Now I'm supposed  
24 to be civil. I'm supposed to be polite. I'm supposed to  
25 show respect. But respect goes both ways.

1 State Senator Coleman Young, II has introduced in  
2 Lansing a bill for a \$3 ticket tax. The proceeds will be  
3 split evenly between police, fire and EMS. When the  
4 process -- actually the process works up in Lansing they're  
5 going to ask questions. They're going to ask for reports.  
6 I just pray that during this legislative process we have  
7 more transparency and more respect from the city of Detroit  
8 than what we've gotten in the last year. Now that's the  
9 civil version. Thank you very much.

10 COMMISSIONER CARTER: Thank you, Mr. Rhodes.

11 COMMISSIONER BELL: Madam Chair, if there's no  
12 other business, I move for adjournment.

13 COMMISSIONER BROWN: Support.

14 COMMISSIONER CARTER: It's been moved and  
15 supported that we adjourn. Those in favor?

16 THE BOARD: Aye.

17 COMMISSIONER CARTER: Meeting is adjourned.
