5 CHAIRPERSON CARTER: Good afternoon.  
6 We're going to call the meeting to order.  
7 Welcome to the weekly Board of Police  
8 Commissioners meeting. My name is Lisa Carter,  
9 Chair for the Commission, and to my immediate  
10 left is Vice Chair Willie Bell. At this time I'm  
11 going to ask that Commissioner Vann please do the  
12 invocation, please, and welcome back. Thank you.

13 COMMISSIONER VANN: Thank you very,  
14 very much. I appreciate everyone's prayers for  
15 me. Oh, God, we do thank you and we praise you  
16 today for life and for health and for strength.  
17 We ask, oh, God, that you would guide us in our  
18 deliberations today; that we might be respectful  
19 and peaceful. We ask that you would lift up the  
20 cause of safety for all of the citizens of the  
21 City of Detroit.

22 Bless our Chief and our Department as  
23 they work to accomplish that goal. For these and  
24 so many things we shall give you thanks, amen.

10 ASSISTANT CHIEF DOLUNT: Good afternoon.

11 CHAIRPERSON CARTER: Could you please  
12 introduce any staff that you have with you today.

13 ASSISTANT CHIEF DOLUNT: Okay. Director  
14 of Personnel Gail Oxendine, Sergeant Michael  
15 Woody, Officer Donna Kowski (ph), Officer Marino  
16 (ph), and that's it.

17 CHAIRPERSON CARTER: Thank you, sir.  
18 Mr. Anthony, if you could please introduce the  
19 rest of the commission staff.

20 COMMISSIONER ANTHONY: Thank you, ma'am.  
21 We have Ms. Gail Oxendine, our director of  
22 Police Personnel. We have sitting in for Pamela  
23 Davis Drake, our chief investigator, supervising  
24 investigator Lawrence Akbar (ph), Ms. Linda  
25 Bernard, our attorney to the Board, Mr. Robert

1 Brown, our administrative assistant, Sergeant  
2 Allen Quin recording our proceedings, and Ms.  
3 Shay Coleman from Hanson Court Reporting Service.  
4 That completes the introduction, ma'am.

5 CHAIRPERSON CARTER: Thank you, sir.  
6 Commissioners, you have before you the Agenda for  
7 Thursday, January 28th. Is there a Motion for  
8 Approval?

9 COMMISSIONER BELL: So moved.

10 COMMISSIONER VANN: Support.

11 CHAIRPERSON CARTER: So moved and  
12 supported that we adopt the Agenda for January  
13 28th. Is there any discussion?

14 (None responded.)

15 CHAIRPERSON CARTER: Those in favor?

16 (Several responded by indicating  
17 aye.)

18 CHAIRPERSON CARTER: Those opposed?

19 (None responded.)

20 CHAIRPERSON CARTER: Motion carries.  
21 Commissioners, you have before you the Minutes  
22 from Thursday, January 21, 2016. Is there a  
23 Motion to Approve the Minutes?

24 COMMISSIONER CRAWFORD: So moved.

25 COMMISSIONER VANN: Support.

1 CHAIRPERSON CARTER: Its been moved and  
2 supported to approve the Minutes from January  
3 21, 2016. Is there any discussion?

4 (None responded.)

5 CHAIRPERSON CARTER: Those in favor?

6 (Several responded by indicating  
7 aye.)

8 CHAIRPERSON CARTER: Those opposed?

9 (None responded.)

10 CHAIRPERSON CARTER: Motion carries. At  
11 this time, Chairperson's report. Yesterday there  
12 was another call-in for Cease Fire and I  
13 apologize to all the commissioners. I did not  
14 find out until hours before. It was at the  
15 church on the east side. It was well attended.  
16 There's been some changes with the presentation.  
17 The presentation was conducted by Pastor Daryl  
18 Harris and there was a noticeable difference in  
19 the room with him actually chairing, if you will,  
20 the program.

21 So I'm sure that Cease Fire will be  
22 coming forward reporting out what's going out  
23 with their program. They had 26 young men there  
24 that they spoke to, and they had representation  
25 from the Assistant Attorney General's Office.

1 They had the Prosecutor, Federal Prosecutor  
2 there. Mayor Duggan was there and of course the  
3 Chief of Police was there. It was a good turn  
4 out, and I think that going forward the program  
5 will do much better with the community  
6 involvement with Pastor Harris actually doing  
7 the program. So that was interesting to see. I  
8 think it was Tuesday. And that's about all that  
9 I have to report for this week.

10 COMMISSIONER CRAWFORD: Madam Chair.

11 CHAIRPERSON CARTER: Yes.

12 COMMISSIONER CRAWFORD: Yes, ma'am. The  
13 call-in since we weren't called. We didn't get  
14 the call-in.

15 CHAIRPERSON CARTER: We didn't get the  
16 call-in.

17 COMMISSIONER CRAWFORD: We didn't get  
18 the call on the call-in. Were there any  
19 presentations on jobs, jobs, jobs?

20 CHAIRPERSON CARTER: The Mayor had  
21 someone there from the office who does all of the  
22 employment--hiring the employment--

23 CHAIRPERSON DEWAEELSCHÉ: Madam Chair,  
24 Presently, Detroit Employment Solution  
25 Corporation, DESC, and Ms. Pamela Moore is the

1 director or the president.

2 CHAIRPERSON CARTER: Okay. So she was  
3 there--Pamela Moore is the director?

4 COMMISSIONER DEWAELSCHE: Yes.

5 CHAIRPERSON CARTER: Someone there named  
6 Stephanie.

7 COMMISSIONER DEWAELSCHE: Oh, Stephanie  
8 Nixon, yeah. She's the head of our youth--of the  
9 youth area of employment.

10 CHAIRPERSON CARTER: So she was there on  
11 site and she has been there the last two call-ins  
12 that I've been to. So they do have resources  
13 available. The thing is are the young men going  
14 to take advantage of the opportunities and  
15 hopefully they will.

16 COMMISSIONER CRAWFORD: And the reason I  
17 ask about that is because it's so important that  
18 those who were involved in re-entry, coming back  
19 into the community, as I say, coming back into  
20 the world, is that there are job opportunities.  
21 Last week the President mentioned that he met  
22 with, I think it was, 130 mayors at the White  
23 House and he talked about that issue of the  
24 ex-offenders and their opportunities being  
25 offered through jobs. And, as I know,

1 statistically, 95 percent of those incarcerated  
2 today will be free one day. 95 percent of those  
3 in prison are coming back to the community. It's  
4 just important that the opportunity is there for  
5 those who want to take advantage of it. Thank  
6 you.

7 COMMISSIONER BELL: Madam Chair, I  
8 would, once again, request that the Board  
9 Secretary somewhat interact with Cease Fire. I  
10 know they changed directors. When they were here  
11 we spoke to being included in that communication  
12 network and that process. So that meeting I  
13 heard about after the fact too. And I would  
14 hope that--they have changed leadership; is that  
15 correct?

16 CHAIRPERSON CARTER: They have.

17 COMMISSIONER BELL: And we need to  
18 perhaps interact with that new leadership,  
19 because I think Cease Fire is very important to  
20 the community and it's important to this Board.  
21 Bishop Vann has spoke clearly in terms of the  
22 mission and perhaps we need to sort of order our  
23 Agenda and not make them secondary to come before  
24 this Board with the new director because we want  
25 to be involved with that program because that

1 program is crucial.

2 I know they're doing some great things  
3 but we would like to be more hands-on if not be  
4 aware of what's happening. So I would make that  
5 request that the Board secretary reach out to the  
6 Cease Fire director and see if we can get them on  
7 the Agenda. Meanwhile, we need to be included in  
8 terms of their communication network. I thought  
9 we had resolved that, but quite obviously not the  
10 case.

11 CHAIRPERSON CARTER: That's not the case  
12 as nobody received notification, including me. I  
13 got it from somebody else, like I said, last  
14 minute. So we'll make that connect.

15 COMMISSIONER MOORE: Through the Chair.  
16 We're discussing a lot about Cease Fire. Is  
17 there somebody who can brief us on what exactly  
18 is the call-in? I know they've come before this  
19 Board and I'm familiar with it, but since we're  
20 going into depth about Cease Fire it seems like  
21 we should have someone that can talk about it.

22 CHAIRPERSON CARTER: Right here, right  
23 now? Is that what you mean? That would be the  
24 Police Department; Assistant Chief Dolunt.

25 ASSISTANT CHIEF DOLUNT: Through the

1 Chair, Captain Kowski who replaced Captain Cox is  
2 our lead person with Cease Fire. Cease Fire is a  
3 program where we reach out to individuals who are  
4 most at risk for violent crimes that are gang  
5 related. Most call-ins--and say, okay, you  
6 belong to Gang A you belong to Gang B. So if you  
7 people in Gang A want to act stupid we're after  
8 you first. And they'll go to Gang B and Gang C;  
9 if you don't, we're good. And we'll try to offer  
10 you jobs. Some people want the jobs; some people  
11 don't.

12 Some people are closed off. Some people  
13 think we just want to arrest them. And I know in  
14 the past people have done different ploys to get  
15 people under warrant. We brought them in; five  
16 people came in on their own just to hear what the  
17 message was. The bottom line is you do have a  
18 chance. You don't have to shoot. You can  
19 actually have mediation and talk to people.

20 Pastor Mole (ph) came in and talked. He  
21 had been incarcerated before, rehabilitated  
22 himself. And he came to tell these kids the  
23 movies, that ain't the real deal. When you die  
24 in the movies you die and get back up. In real  
25 life you don't get back up. That's not going to

1 happen to you because you're not going to make  
2 it. You're going to end up dead or in jail like  
3 I did. This is him talking. But the point was  
4 you do have a chance. You have options and we  
5 have not given up on you; the community as a  
6 whole. It's a good powerful message. And  
7 sometimes, you know, you get some guys 25, 30  
8 years and come out and say it ain't what you guys  
9 think. It ain't all glory. Some people get it.  
10 Some we will talk about in a second when I get my  
11 report; they don't care. There were some  
12 positive things to Cease Fire. Obviously it's  
13 better when you have more manpower out there to  
14 deal with it, but one thing at a time. It's  
15 definitely a positive thing and I'm going to have  
16 the secretary invited to the next thing; and  
17 that's kind of it.

18 CHAIRPERSON CARTER: Thank you. Moving  
19 along, Assistant Chief Dolunt.

20 ASSISTANT CHIEF DOLUNT: Well, in that  
21 case, real quickly. I'll give you our stats. It  
22 is early in the year so don't judge this by the  
23 stats. Because right now even with homicide last  
24 year, and I can say oh it was so cold last year  
25 and it's warm this year. Bottom line is the

1 same amount of people that have been deceased.  
2 Hopefully that will decrease in the coming days,  
3 weeks and months. Non-fatal shootings are down  
4 19 percent. Robberies are down 20 percent and  
5 we're even with carjackings. Again, it's early  
6 in the year.

7 Last night--I don't want to minimize any  
8 homicides because it's always tragic when someone  
9 dies. Yesterday this woman who was doing the  
10 right thing, had her kid involved in sports, was  
11 coming to pick him up. The bus came with the  
12 children for the basketball team. The parents  
13 were there. The coach was there. It's what a  
14 community is about. She parked her car to pick  
15 up at Sunset and Eight Mile to pick up her son  
16 and this individual who for whatever reason  
17 thought he should carjack, he walked up to her,  
18 pulled out a gun. He walked by her first, sized  
19 her up, came back, pulled a gun and shot her.

20 And her reason for shooting, she tried  
21 to get away. With her son, the sad part is, as  
22 this was about to happen the kids on the bus  
23 doing a Michigan left onto East Eight Mile; the  
24 young man actually seen this individual leaning  
25 into his mother's car. Luckily, the bus went by

1 just before the shot. She accelerated in the  
2 parking lot. Other parents seen what happened,  
3 called for the police. The young man didn't  
4 realize the severity of the injuries, got in the  
5 car with his mother who was bleeding quite  
6 profusely and then we had to deal with an 11-year  
7 old son and 15-year-old daughter who just lost  
8 their mother in a senseless crime.

9 This individual shows, in my mind, total  
10 lack of remorse. Additionally, my understanding,  
11 just three days prior he and maybe another  
12 individual were involved in a carjacking on  
13 Edmore. Through detective work, and he did a  
14 good job, we were able to get him. My  
15 understanding he was picked out of a line-up just  
16 several hours prior to that. So while we were  
17 typing up the warrants to get him in custody he  
18 pulled another crime and this one turned out to  
19 be fatal. So this one hits deep.

20 The reason the Chief is not here is  
21 because he's out there talking to the family  
22 trying to console them and the community as well  
23 for such a senseless tragic thing. I was at the  
24 house last night with DC Hall and the crews from  
25 11, and they did a fantastic job. We caught this

1           guy real quick. The young man, to his credit,  
2           despite the fact that he was upset about his  
3           mother, was able to tell us what the guy was  
4           wearing. And it was very distinct. Our officers  
5           checked the video. It was very distinct. We saw  
6           the guy in the area. He seen us, he took off  
7           running. We got him with a gun. And so with any  
8           luck he will not get bond. And he's only 17;  
9           that's the sad part.

10                   I don't know if the system failed him  
11           but he failed himself. The bottom line is, I  
12           have a really good mother who is gone and there's  
13           no reason for that. It was hard last night. It  
14           is still hard for me today, because I was  
15           actually coaching 11 and 12 year olds yesterday  
16           when I got the call. It's not like I'm a dope  
17           dealer; I'm a criminal and I got shot. I'm a  
18           good mother trying to do the right thing and it's  
19           just senseless.

20                   Maybe with the Cease Fire we can get  
21           people to take a stronger look and say you know  
22           what, that shouldn't happen. I'm glad there's a  
23           community outrage about it, because there should  
24           be as well as any shooting. But we're hoping to  
25           get the same guy in custody with the community's

1 help and I'll take any questions.

2 COMMISSIONER CRAWFORD: Madam Chair.

3 CHAIRPERSON CARTER: Commissioner  
4 Crawford.

5 COMMISSIONER CRAWFORD: First and  
6 foremost, I want to offer my condolences to the  
7 children and also to the family of the mother  
8 that was killed last night. That is my district;  
9 Eight Mile and Sunset. Assistant Chief, you  
10 answered all the questions that I had to ask when  
11 I came in today. I had some questions but you  
12 covered them all. So basically you covered all  
13 the questions I had in terms of I did hear last  
14 night that the individual was apprehended. I  
15 want to thank all of those in the Department that  
16 worked on that. We did a great job.

17 CHAIRPERSON CARTER: Any other  
18 questions? Commissioner Shelby.

19 COMMISSIONER SHELBY: I want to commend  
20 the officers that worked on this case. I worked  
21 homicide cases before. Every time you get  
22 someone in custody it takes a lot of effort. So  
23 I want to thank those officers for the work that  
24 they did.

25 CHAIRPERSON CARTER: Thank you. AC

1 Dolunt, is the Media Relations team here?

2 ASSISTANT CHIEF DOLUNT: They are.

3 SERGEANT WOODY: Good afternoon. Thanks  
4 for having us here. My name is Sergeant Michael  
5 Woody. I'm the officer in charge of Media  
6 Relations. I want to take a quick minute just to  
7 introduce my staff without whom I could not do  
8 half of the things that I do in my office. So if  
9 I could, please, will you all rise up. I have  
10 Officer Kirkwood (ph), Officer Williams, Officer  
11 Donna Kowski and Officer Murano (ph). This  
12 pretty much consists of our staff at Media  
13 Relations. We used to be called Public  
14 Information but now we're Media Relations and has  
15 been for about a year and a half now.

16 This team right here is absolutely  
17 amazing. We are a task responsible for  
18 coordinating all of our communications through  
19 media. So basically we often times like to say  
20 that the Chief is the rain maker and we are the  
21 umbrella peddlers. We like to make sure that we  
22 get the message out from the Department; let the  
23 people hear the words that need to be heard.

24 There's a lot that goes on in Media  
25 Relations. A few of our responsibilities include

1 sharing the image of--excuse me--shaping the  
2 image of the Department, the facilitation of  
3 media staging a crime scene and critical  
4 incidents as well as answering countless phone  
5 calls from media partners as well as our  
6 citizens. They often times will call us after we  
7 do press releases, press conferences and have  
8 questions for follow-up. We like to answer those  
9 personally and make sure they get the right  
10 information.

11 Historically, servicing the needs of the  
12 media has been known to be very challenging;  
13 however, we have worked very diligently with our  
14 partners in the media over the past few years and  
15 we've been able to really develop a relationship  
16 of trust, one of concession, one of respect, and  
17 I think that's been beneficial to us all. We've  
18 been able to listen to each other. We've had  
19 some knock down, drag out fights about  
20 information that was released and information  
21 that was not released. And again, it's that  
22 mutual respect that helps us drive the message.

23 As you review the Power Point  
24 presentation I'm about to show you here you will  
25 discover a lot more of what Media Relations does.

1 It's all about our Department, the changes that  
2 we're faced with, the challenges that we're  
3 consistently faced with. So it's a unique  
4 opportunity for all of us. I don't think that  
5 if I started bringing the officers up here they  
6 will tell you most of them came from patrol.  
7 They will all tell you this is not what they  
8 originally signed up for. It's not what I signed  
9 up for. I had no idea what I was really walking  
10 into, so it's something very unique and  
11 challenging for us all.

12 With that, let's get into it and I will  
13 introduce you to Media Relations. So the goal of  
14 Media Relations is to assist the Detroit Police  
15 Department and news media in prompt dissemination  
16 of information. Our main goal is to make sure  
17 it's complete and accurate. I know a lot of  
18 times when we're at critical scenes the media  
19 tends to want us to push out information a lot  
20 faster than what we can. Sometimes it leads to  
21 bad information getting out. We try and sway  
22 them from that, but they are the media and  
23 unfortunately that's the market. They have to--  
24 first one to the camera with the information  
25 wins. So we follow-up with them and we make sure

1 that they do get the right information as time  
2 and the case progresses.

3 This is--our staff is what it consists  
4 of; one sergeant, four officers and occasionally  
5 we do have student interns. Last winter we had  
6 the pleasure of having a couple of interns that  
7 really helped. We thought we brought them in to  
8 teach them something and it turned out they  
9 really taught us something. So we value this  
10 program that the Detroit Police Department has  
11 brought and continues to have--they offered to  
12 all the colleges around the State; not just in  
13 the local Detroit area, but it's actually very  
14 unique. The last two interns that we had  
15 developed, produced and designed their own  
16 segments from the Media Relations given out to  
17 the public.

18 One of the things that we are tasked  
19 with is our social media. So we use social media  
20 as a main tool to speak to our citizenry and our  
21 community. When they develop and design these  
22 programs, we put it out to the citizens, and  
23 overwhelmingly we had such a huge response that  
24 our Facebook page just grew enormously very  
25 quickly, very rapidly. So it was a large credit

1 to them and to the officers that worked along  
2 side of them. Again, they taught us a lot. Had  
3 they not found some other things come up in their  
4 life we would have been more than happy to offer  
5 them positions here. They were very good and  
6 very hard working. They had a love for the City  
7 that was unbelievable.

8 Areas of responsibility and service.  
9 Respond to immediate inquiry, arrange and manage  
10 interviews for the Chief and Department  
11 executives. We do scholarly research and speak  
12 to our youth. And obviously the web and internet  
13 based communications, as I said, we had a lot of  
14 social media things. It's the new wave. It's  
15 the era that we're in and so we are all learning  
16 as we progress.

17 We're responsible for images and  
18 branding of the Department. Remain current and  
19 remain current on newsworthy events both locally  
20 and nationally. Broadcasting missing persons and  
21 crime alerts. Police seeking assistance such as  
22 the one we did today with the Chief on a case  
23 like he was just referring to. There is another  
24 side of that case that we developed some  
25 information or received some information that

1 may--there may possibly be another person that  
2 has additional information in this case. One of  
3 the reasons why the Chief is out there having a  
4 press conference from the scene; not only did he  
5 want to get his arms around the family, just let  
6 them know that we care about them, but he wanted  
7 to get some information out to let the citizens  
8 know that there's still some information that we  
9 need to close this case.

10 So there's a good way for us to get that  
11 information out. Of course we respond to active  
12 scenes; barricaded gunman scenes. Pretty much  
13 anything that would require a detective or the  
14 Chief to respond to. We will respond to them as  
15 well. So at citizens' request, Media Relations  
16 have response to hundreds of calls per week and  
17 thousands throughout the year. Everything from  
18 general information, which is why we changed our  
19 name from Public Information to Media Relations.  
20 Because when you're public information for the  
21 City of Detroit Police Department you'd be amazed  
22 at the amount of phone calls you can receive.

23 So we do everything from referral to  
24 various units throughout the Department. We  
25 handle complaints. When I say we handle

1 complaints I mean we make sure that they're  
2 afforded and/or recorded to the proper entities.  
3 And so if we can resolve them over the phone we  
4 will. If there's something as simple as I  
5 haven't spoken to my detective what do I do;  
6 we'll call the captain, the lieutenant or the  
7 captain himself and connect those two to make  
8 sure the information is being passed on. If it's  
9 something of more of a demeanor and or criminal  
10 that Internal Affairs should be handling we make  
11 sure those entities are notified immediately as  
12 well.

13 We handle the Chief's line. We do media  
14 interview requests. A lot of times the media  
15 will ask us for interviews and/or sometimes they  
16 want to do documentaries or long projects, much  
17 larger projects. So it's our responsibility to  
18 make sure that we handle those projects; make  
19 sure that they're in the best interest of the  
20 Department. Again, we are responsible for the  
21 imaging and branding of the Department, so we  
22 want to make sure whatever goes out comes back in  
23 a positive way of course through social media  
24 engagements.

25 We are committed to be a part of the

1 Department's overall crime reduction effort. And  
2 how this happens is basically how quickly we can  
3 inform and educate our public on what's going on.  
4 Crime reports, active scenes, things that are  
5 happening in the neighborhoods, patterns, safety  
6 awareness, bulletins, tips. Those sort of things  
7 that we can get out quickly so to make sure our  
8 public and our citizens are aware of what's  
9 happening around them and in their neighborhoods.  
10 In a little while I will talk to you about some  
11 of the programs that we do have going on.

12 One of the newest programs that we just  
13 brought on is called nextdoor.com. I don't know  
14 if you heard of this yet, but it actually was  
15 handed out to our NPO, Neighborhood Police  
16 Officers. It's a web-based program. It  
17 basically acts like Facebook only for specific  
18 neighborhoods throughout the city. So we worked  
19 with this company to geo code geo map each  
20 neighborhood that was registered with the City of  
21 Detroit and then came up with this geo area for  
22 each one and you have to live in that  
23 neighborhood in order to be a part of that  
24 neighborhoodnextdoor.com.

25 So we assigned each neighbor a

1 neighborhood cadet. And then we assigned each  
2 neighborhood police officer to that area as well.  
3 So now the people that live in that neighborhood  
4 know who NPO is and have direct access to them;  
5 just another way that we can open up lines of  
6 communication with the people that we serve. So  
7 far, from my understanding, it's a huge success.  
8 The community is loving it. The ones that are  
9 actively posting and talking with their NPOs.  
10 It's a way for the community to engage each  
11 other, let them know what's going on, what  
12 they're doing; and also it gives us the  
13 opportunity to talk to them and they can talk to  
14 us and let us know what's happening so we can get  
15 involved as well.

16 We're also responsible--another way that  
17 we are involved in a crime reduction area is to  
18 make sure the Department is branding messaging  
19 and communications with the communities attained.  
20 We're always trying to find ways, new and  
21 inventive ways to reach out and talk to our  
22 community. Whatever it is; we don't shy away  
23 from anything. We always try and utilize  
24 whatever technologies that are available to us.  
25 We do so by maintaining transparencies and

1 accessibility to the public and the media. So  
2 there's a lot of other things that are coming up.  
3 Some of the things that we'd like to talk about;  
4 for example, open source data. I know that's  
5 something that the City is talking about doing  
6 very soon. I know it's something that we are  
7 already doing. The problem is that we're having  
8 some issues with the way the data can be read by  
9 the general public. So we are working to try and  
10 arrange that data so it's in a more readable  
11 format and understandable so that people can add  
12 to it, change it, modify it so it's more readable  
13 for everybody; so that it will reduce the amount  
14 of freedom of information acts that come through.  
15 It will help the general public understand  
16 exactly what data we're presenting to them. It's  
17 a little confusing just to download a graph or a  
18 chart and look at it and present it with all this  
19 information. It's hard to really get into it and  
20 understand.

21 Some of our goals are to improve the  
22 citizens' perception of the Detroit Police  
23 Department and enhance public confidence in the  
24 Detroit Police Department. I think a lot of that  
25 is being attained right now. A lot of the

1 interactions that we have we see all the time.  
2 We were just advised this morning, for example,  
3 of an officer that was on her way to court  
4 yesterday. She dropped her child off at a day  
5 care center. When she walked in the day care  
6 worker was in a very frantic state and she  
7 realized that the two-year old child she was  
8 holding she was giving thrusts to her back. The  
9 officer realized that the child was choking and  
10 couldn't breathe. She immediately jumped in,  
11 took over and helped while the day care worker  
12 called 9/1/1, notified parents and all that  
13 stuff.

14 The officer actually saved the child's  
15 life. A few more thrusts from the officer, some  
16 CPR was rendered, and the child started breathing  
17 again. EMS responded. Fortunately the child  
18 lived. That's just one of the ways that our  
19 officers reach out and connect with our community  
20 and really help out and save lives. And it's our  
21 job to put stories like that out there; so that  
22 the citizens are aware of what it is that we go  
23 through. This is not just about police work.  
24 It's about humans helping humans. So that's one  
25 of our larger responsibilities.

1                   So some of the portals used to increase  
2                   the positive outlook that we use are the national  
3                   press coverages that we get; local news media,  
4                   print television radio; Facebook and Twitter we  
5                   use quite a bit. Just in the past year I think  
6                   we've increased; we're over 42 thousand. On any  
7                   given day we're reaching over--right around 120  
8                   to 130 thousand people per day. So--and that's  
9                   on an average post. When we really hit something  
10                  that's very popular or hits well, we can at some  
11                  point reach well over the three hundred thousand  
12                  mark.

13                  Obviously DPD Connect is still out  
14                  there. We're looking at revamping DPD Connect  
15                  and ready for its next iteration. Nextdoor.com  
16                  we just talked about and obviously our community  
17                  engagements. Our efforts will continue to, you  
18                  know, reach out to our community. We are working  
19                  with the City. We do safety bulletins that we  
20                  put on the local news channels; Channel them for  
21                  our citizens as well, safety. We did some for  
22                  Halloween all throughout the holiday season  
23                  starting Halloween, Thanksgiving and all the way  
24                  through Christmas as well.

25                  So we use the You Tube channel. This is

1 our Facebook and Twitter account; DPD Connect.  
2 It's still available through Itunes and Google  
3 Play. And nextdoor.com obviously you can log  
4 into that. It's a web-based program. You can  
5 also get an AP on your phone for that as well.  
6 That's pretty much--I know I ran right through  
7 all of that. I'm sorry. I know your time is  
8 important so I was just trying to cut through  
9 this. If you have any questions I'll be happy to  
10 answer them at this time.

11 CHAIRPERSON CARTER: Commissioners,  
12 questions.

13 COMMISSIONER SHELBY: Through the Chair,  
14 how to you advise officers on the street when  
15 he's at a crime scene and he's being approached  
16 by the media? What information do you tell them  
17 to give out or not give out?

18 SERGEANT WOODY: Actually, we don't--the  
19 average officer, we don't really want them saying  
20 too much to the media. We'd rather them go  
21 through their supervisor. The supervisor will  
22 generally contact one of us at night when they're  
23 on scenes and there are some protocols in place.  
24 We'll know what the scene is and what's going on  
25 there if we're not already on scene. But really

1 there's not much that we will hide from the  
2 media. The average officer we just kind of try  
3 and let them continue on with their job. We'd  
4 rather the supervisors respond to the media, if  
5 necessary.

6 CHAIRPERSON CARTER: Commissioner  
7 Sanders.

8 COMMISSIONER SANDERS: I'd like to  
9 commend you guys on the DPD Connect. I use it  
10 every day before I leave out the house. I look  
11 at it and see what happened the day before in  
12 different neighborhoods. I think the program is  
13 an excellent program. I think everybody should  
14 use it. Is there any way you can make it better?

15 SERGEANT WOODY: Yes, sir. We actually  
16 are working on that. We are meeting with Detroit  
17 labs. When my team and I work first designed the  
18 concepts for DPD Connect we knew it was the first  
19 phase so we tried to keep it as simple as we  
20 could; making sure we hit all the most important  
21 elements for the citizens. We wanted the  
22 anonymous tips in there. We wanted to make sure  
23 that they had access to a telephone guide for the  
24 Department; and also, you know, we wanted to make  
25 sure that they saw our feeds through social

1 media; and also it gave us an opportunity to  
2 speak to them, which is the crime report that you  
3 see every morning. So they see the same things.  
4 And so our next iteration is going to be a lot  
5 more advanced.

6 COMMISSIONER SANDERS: But it's going to  
7 be simple? You're going to keep it simple where  
8 we can understand it?

9 SERGEANT WOODY: Yes. We will try our  
10 best to keep it as user friendly as possible.

11 CHAIRPERSON CARTER: Commissioner  
12 Dewaelsche.

13 COMMISSIONER DEWAELSCHE: Yes, Madam  
14 Chair. I have a question. Regarding the student  
15 interns, can you tell me a little bit about the  
16 types of interns that you have working with you  
17 and what the period of time is.

18 SERGEANT WOODY: Yes, ma'am. So, for  
19 example, we generally cater to the seniors mainly  
20 looking for some experience in public relations  
21 or marketing or something of that; journalism.  
22 And they actually are very--when they get to us  
23 they're very well educated. They just don't know  
24 how to apply their knowledge. And, so being in  
25 our office, we're very fast paced. I'm sure most

1 of you see us running around a lot of times like  
2 chickens with our heads cut off. Things develop  
3 very quickly and it gives them an opportunity to  
4 put that knowledge that they just learned in the  
5 classroom to use. And, believe it or not, we  
6 oftentimes benefit from them, because they come  
7 with a whole new set of experience and knowledge  
8 that they're getting from the classroom that we  
9 haven't had. I haven't been to college in a lot  
10 of years. So when they get to us there's new  
11 practices, new theories, new ideas and things  
12 that we can kind of work with them and challenge  
13 them so it works well.

14 COMMISSIONER DEWAELSCHE: So you're  
15 talking about college seniors?

16 SERGEANT WOODY: Yes, that's correct.

17 COMMISSIONER DEWAELSCHE: Do you work  
18 with high school students at all?

19 SERGEANT WOODY: Yes, we do.

20 COMMISSIONER DEWAELSCHE: Do you work  
21 with the Summer Youth Program with the City of  
22 Detroit?

23 SERGEANT WOODY: Yes, ma'am, we do. And  
24 we do work with them as well. And, again, they  
25 are also journalism majors and they do very well

1 also.

2 COMMISSIONER DEWAELSCHE: Thank you  
3 very much.

4 CHAIRPERSON CARTER: Any other  
5 questions?

6 COMMISSIONER MOORE: Just a follow up on  
7 Commissioner Shelby's question. Sergeant, that  
8 was a great presentation by the way. So there's  
9 not a policy in place for a front line police  
10 officer to deal with the media when they come as  
11 opposed to say stay right there, don't say  
12 nothing?

13 SERGEANT WOODY: There is not a policy  
14 per se; however, the reason we don't want them,  
15 front line officer, to say too much to the  
16 media--it's not that we prevent them from talking  
17 because they do. It's to say that we don't want  
18 them to get in front of a camera and say  
19 something that they're not supposed to because  
20 they're not used to doing it. So much like me  
21 standing up here when I ramble, typically that's  
22 a sign of being nervous or anticipating  
23 questions.

24 We don't want them to slip and say the  
25 wrong thing that can jeopardize a case. We don't

1 want them to slip and say something that could be  
2 construed as negative on the Department or on the  
3 family or the victim or anybody else for that  
4 matter. So we're not against training them, and  
5 we do train them. However, we just prefer that  
6 they not speak to the media until we have a  
7 general consensus on what is actually going on  
8 and that will be conveyed through their  
9 supervisors.

10 COMMISSIONER MOORE: So would that same  
11 philosophy carry over when officers are dealing  
12 with citizens on a critical incident on a block,  
13 on a citizens' block, is that the same?

14 SERGEANT WOODY: No, sir. That is not  
15 the same. We will allow them to speak at that  
16 point. As a matter of fact, we encourage that at  
17 that point. One-on-one conversations usually  
18 flow a lot easier. There's a level of  
19 understanding that can be reached on a one-on-one  
20 conversation. For some reason every time a  
21 microphone and camera appears on the block it  
22 sends officers into a very nervous state so we  
23 tend to be a little bit more cautious about that.

24 COMMISSIONER MOORE: One last question.  
25 On a barricaded gunman situation a lot of times

1 you stay away at a distance. Sometimes the media  
2 get's there before police. Do you have an issue  
3 with the media going live or having to brief them  
4 about officers' positions sometimes with SRT  
5 staging and setting up on a house? I mean, that  
6 can be a safety issue for the police.

7 SERGEANT WOODY: Yes sir. Oftentimes I  
8 have had to contact Fox 2 or another station to  
9 ask them to take their helicopters out of the  
10 area, move cameras back. Sometimes the media  
11 does get there and most oftentimes they do get  
12 there before we do. They know kind of where to  
13 set up and where not to set up. If they're in a  
14 bad position where they're filming our officers  
15 I'll ask them to stop. They're usually very  
16 compliant. However, if they don't we can  
17 maneuver our vehicles in place to kind of protect  
18 our officers or push the media back; ask them to  
19 move or leave the area.

20 Again, we have a very good relationship  
21 and good rapport with our local media here. They  
22 generally do what we ask them and they will  
23 protect our officers as well. One thing I will  
24 say about our media in this area, if you don't  
25 mind, sir. They're out there on the street with

1 us. They see what we see. They hear what we  
2 hear. For the most part they are kind of an  
3 extension of us. And so we are very aware of  
4 that at Media Relations and we try to convey that  
5 to the officer on the street. I know they get  
6 somewhat hostile with the media sometimes. But  
7 the understanding is that they see what we see.  
8 They hear what we hear. They feel what we feel.  
9 This particular case AC Dolunt was speaking of, I  
10 talked to many reporters today, and the outrage  
11 and the frustration they had and they felt for  
12 the loss of this poor woman and what the child  
13 had gone through. So they get it; they  
14 understand and they're not out to hurt us.  
15 They're there to do a job just like we're there  
16 to do a job. So, understanding that, and  
17 respecting that we usually can come to a  
18 mutual agreement.

19 COMMISSIONER MOORE: Thank you.

20 CHAIRPERSON CARTER: Commissioner  
21 Burton.

22 COMMISSIONER BURTON: Thank you.

23 Question--I have actually two questions.  
24 Question number one is when--does the Chief of  
25 Police, does he receive any updates or

1 notifications before the media? And, question  
2 number two, when do you all notify the Board of  
3 Police Commissioners?

4 SERGEANT WOODY: The Chief receives  
5 updates quite often, yes, sir. Not always  
6 through Media Relations. A lot of times,  
7 depending on the sense of urgency that the  
8 information needs to be given out, it will come  
9 from his command staff and his executives and we  
10 will find out at that time as well.

11 So a lot of that notification process,  
12 prior to going to a press conference, we will all  
13 huddle together, we will have all of the key  
14 players and detectives there working on the case  
15 all the way up their chain of command, all of way  
16 up to Chief to discuss the case so we have a  
17 clear understanding of what is going on and what  
18 we're allowed to say and what we're not allowed  
19 to say. Obviously we are--there are some laws  
20 that are in place that obviously we can't mention  
21 a suspect's named until they're arraigned. They  
22 have to be formally charged and arraigned. We  
23 can't charge them ourselves. We try to avoid  
24 that.

25 And, to your second question,

1 Commissioner, I apologize. There is no specific  
2 notification process for the Board of Police  
3 Commissioners; however, I will be happy to work  
4 with your staff to make sure that that is put  
5 into place and that you will start receiving  
6 updates as they become available.

7 COMMISSIONER BURTON: Thank you.

8 CHAIRPERSON CARTER: Commissioner Bell.

9 COMMISSIONER BELL: Madam Chair, I'm  
10 glad Commissioner Burton asked that second  
11 question, because I think there needs to be some  
12 form of communication; a briefing with the Board  
13 Secretary and the Chair in reference to major  
14 incidents that we're dealing with in terms of  
15 public safety issues. There's very little  
16 communication with your media staff and this  
17 Board. So I think we need--have talked about  
18 that before. I think the last time you were here  
19 several months ago we brought that to your  
20 attention. But I think we need to have that type  
21 of communication networking since we are part of  
22 the process.

23 The second part is what is--you  
24 mentioned the background of the college students.  
25 What is the background of the officer assigned to

1 your staff? What is your background in terms of,  
2 I'm curious, in terms of--you said the college  
3 interns are normally broadcast and journalism  
4 students. What is the background of our officers  
5 working that particular area?

6 SERGEANT WOODY: Officer Williams is  
7 actually a college graduate and I believe she  
8 also majored in journalism and mass  
9 communications.

10 OFFICER WILLIAMS: I received my  
11 bachelor's degree from University of--I'm sorry.  
12 I'm Police Officer Chanel Williams. I'm an 11-  
13 year veteran of the Detroit Police Department. I  
14 graduated from the University of Arkansas at Pine  
15 Bluff back in 2004 with a Bachelor's Degree in  
16 Mass Communications.

17 SERGEANT WOODY: We also have Officer  
18 Kirkwood, a college graduate. I believe her  
19 degree is in Business Administration.

20 OFFICER KIRKWOOD: Hello, I'm Officer  
21 Nicole Kirkwood. I'm a 7-year veteran with the  
22 Detroit Police Department. I have a Bachelor's  
23 Degree from Madonna University in Criminal  
24 Justice and a Master's Degree from Madonna in  
25 Business Administration.

1 COMMISSIONER CRAWFORD: Officer  
2 Kirkwood, are you related to the back-in-the-day  
3 Kirkwoods that were on the job?

4 OFFICER KIRKWOOD: Yes, I am. Those are  
5 my in-laws.

6 SERGEANT WOODY: And so the education  
7 levels vary in our office; mine as well. My  
8 degree is in Law Enforcement and Homeland  
9 Security. I was actually a patrol sergeant when  
10 I got interviewed for this position. So it goes  
11 just like that.

12 COMMISSIONER BELL: I was just curious  
13 because past individuals have been civilians, you  
14 know, former counsel intake was a part. I was  
15 just curious but quite obviously you have the  
16 background. I appreciate you sharing that with  
17 us.

18 CHAIRPERSON CARTER: Commissioner  
19 Crawford.

20 COMMISSIONER CRAWFORD: Yes, Madam  
21 Chair. Getting back to notifications; last night  
22 that heinous crime that occurred in my district,  
23 well, I'm kind of a media person anyway. I sit  
24 at my desk at home and I'm watching two  
25 televisions at the same time, listening to the

1 media and on the internet and taking phone calls.  
2 I've done that for years. I agree wholeheartedly  
3 with Commissioner Burton and Commissioner Bell  
4 in terms of that. However, I will state that I  
5 have received breaks of periodic notifications of  
6 some of the most heinous crimes in the City  
7 coming from the Chief's Office. I don't think it  
8 came from Attorney Washington, perhaps through  
9 our Board Secretary, who does forward it to us  
10 via e-mail or departmental mail.

11 So I would concur with what the two  
12 previous commissioners said about the  
13 notification. Just a simple notification;  
14 particularly in the--we all have districts, and  
15 all the commissioners, they're responsible for  
16 the citizens in the City of Detroit. So just a  
17 simple notification about something as heinous as  
18 what occurred last night so that we're not waking  
19 up in the morning we're not out and about and  
20 have no knowledge of what has occurred.

21 SERGEANT WOODY: I understand. Yes,  
22 sir.

23 ASSISTANT CHIEF DOLUNT: Through the  
24 Chair, I'll talk to the Chief about that today.  
25 We can probably get you on our e-mail

1 notification list. The one thing we have to make  
2 sure it's not for public. Sometimes people get  
3 e-mail and forward e-mails to the media and stuff  
4 that you shouldn't, and we have to make sure that  
5 who we e-mail stuff to doesn't become a source.  
6 George Hunter, I know you're out there. That's  
7 why I'm telling this out loud. So I will talk to  
8 Chief and try to get this going. I'll need all  
9 your e-mails.

10 CHAIRPERSON CARTER: Everyone has group  
11 wide. They may not use it but they have it,  
12 including me. But we did--at one point I was  
13 receiving communications and sharing them with  
14 the Board but that stopped. I do want you to  
15 know what's going on but it stopped. It didn't  
16 last that long; maybe a month. I can just put it  
17 out there; maybe less than five communications.  
18 And actually, the Call Center was calling me to  
19 let me know and then it just stopped.

20 I don't know what happened but we had an  
21 agreement with the Chief and Cecilia Washington,  
22 Attorney Washington, regarding the  
23 communications. So its been out there but its  
24 not been constant.

25 SERGEANT WOODY: I will also follow up

1 as well and find out what happened and we'll  
2 figure out something, ma'am. One way or another  
3 we will definitely figure out something.

4 COMMISSIONER CRAWFORD: Madame Chair, in  
5 reference to what the Assistant Chief said too,  
6 it is when we talk about notifications, we're  
7 talking about something that can be sanitized;  
8 no confidential information or anything like  
9 that. You made mention about something being  
10 forwarded to the media. The assumption or I look  
11 at it, the media has it, then perhaps we should  
12 be notified.

13 CHAIRPERSON CARTER: Commissioner  
14 Burton.

15 COMMISSIONER BURTON: You know, I feel  
16 that since many of us represent districts and  
17 many of us also represent, you know, the City as  
18 a whole, for the mayor appointees, represent the  
19 City as a whole and we represent districts, I  
20 think we all should receive some type of formal  
21 notification equally at the same point in time.  
22 Thank you.

23 CHAIRPERSON CARTER: Any other  
24 questions for Sergeant Woody?

25 COMMISSIONER SHELBY: Through the Chair,

1 amber alerts, are they generated through your  
2 office?

3 SERGEANT WOODY: That's a very good  
4 question, sir. No, they are not generated  
5 through my office; however, Officer Donna Kowski  
6 who works in my office, we recently discovered a  
7 problem with some of that. We are working  
8 through some policy issues right now so we can  
9 assist in generating those through my office.

10 COMMISSIONER SHELBY: What's the  
11 procedure?

12 SERGEANT WOODY: As of right now there  
13 is a web-based program in which the officers in  
14 every precinct can log into. The State of  
15 Michigan obviously controls--Michigan State  
16 Police controls amber alerts. The officers need  
17 the proper training for this particular program  
18 in order to log into it, get the accurate  
19 information in there and get it sent to the State  
20 for approval so that they will issue the amber  
21 alerts.

22 The problem, honestly, comes down to  
23 training. It comes down to procedure. We are  
24 working on that. It's something we've recently  
25 discovered is lacking in our policy. We

1 definitely want to address that. As far as Media  
2 Relations goes, because we do put out a lot of  
3 missing reports; I'm sure you see them daily.  
4 That does come through our office. So there is a  
5 procedure we're trying to put in place for that  
6 as well. There needs to be some follow up and  
7 whatnot that needs to be addressed.

8 CHAIRPERSON CARTER: Any other  
9 questions?

10 COMMISSIONER BROOKS: I have one. When  
11 you receive one of those alerts it doesn't come  
12 from the Police Department? Because I get them  
13 all the time and I know other people that get  
14 them on their phone.

15 SERGEANT WOODY: The amber alerts,  
16 ma'am?

17 COMMISSIONER BROOKS: Yes.

18 SERGEANT WOODY: No, they do not come  
19 from Detroit Police Department. They come from  
20 the Michigan State Police.

21 COMMISSIONER BROOKS: Thank you.

22 CHAIRPERSON CARTER: Any other  
23 questions? I have one question, Sergeant Woody,  
24 and this is regarding public service  
25 announcements. I can recall years ago Detective

1 Fountain doing a safety prevention kind of thing  
2 on Public Access TV. Are there any plans to  
3 bring that sort of thing back where we're giving  
4 the residents of the City tips on how to protect  
5 themselves, how to protect their homes; tips on--  
6 not tips, but recommendations to join block clubs  
7 or to join community patrols, anything like that?

8 SERGEANT WOODY: Yes, ma'am, there are.  
9 I will apologize to the Board because there is  
10 one other officer that I failed to mention that  
11 is not here. She's been off for some time,  
12 Officer Beatrice Dorsey (ph). She's actually  
13 been a very key member to this team. She had  
14 some surgery and she's been off for several  
15 months now. She put together a program just like  
16 you're referring to. She's working with  
17 Investigator Fountain and City Media Services  
18 developing those exact programs. She wrote,  
19 produced and directed all of them. And it shows  
20 Investigator Fountain doing everything from  
21 senior safety, how to protect yourself in your  
22 home, how to ensure that your windows and your  
23 doors are locked but not barricaded. Just  
24 offering services through our NPOs to make sure  
25 they come out and do security checks on their

1 homes; how we do it, what's important to look  
2 for, that sort of stuff, shrubbery around the  
3 home.

4 So we have done these. They're not  
5 completed, unfortunately. We will get to them.  
6 We are revamping that system and it will be out  
7 very soon.

8 CHAIRPERSON CARTER: Thank you. Any  
9 other questions, Commissioners?

10 COMMISSIONER MOORE: Are you working  
11 with recruiting to do some marketing?

12 SERGEANT WOODY: Yes sir. Actually,  
13 just a few days ago the Tigers were here. They  
14 were on their winter Caravan. I was speaking  
15 with Lieutenant Gardener at that point about  
16 developing and recruiting video that is more  
17 representative of the Detroit Police Department;  
18 something that's more progressive, more up to  
19 date and current. So we are working on some  
20 different ideas, yes.

21 COMMISSIONER BELL: Madame Chair, I have  
22 one more question; not a real question, just an  
23 inquiry. Black History Month is next month as  
24 you're well aware of. I had, mentioned to this  
25 Board that we need to have--initiate something

1 for Black History Month. I would like this Board  
2 to lift up the officers, the black officers and  
3 minority officers or whatever, that was hired in  
4 the '50s and the 60s.

5 I spoke to young man in the museum  
6 about profiling in the museum. I think perhaps  
7 at our next community meeting in the community on  
8 the second Thursday of the month, I would like  
9 to, maybe perhaps your office can help us in  
10 terms of generating--I look at people like former  
11 Deputy Chief Gerry Jackson who was pioneer in  
12 terms of going up through the ranks, hired in  
13 under extremely difficult circumstances.

14 I look at individuals like Moses Baldwin  
15 who hired in and he went on to become, you know,  
16 so could we perhaps work together in this short  
17 time span to roll something out that we can  
18 identify some of those officers who perhaps are  
19 still in the City. I know several of them, you  
20 know, that we can perhaps lift them up; the Gill  
21 Hills who were hired in under these difficult  
22 times and others and Hispanic officers. Could  
23 you work with us on that?

24 SERGEANT WOODY: I would love to, sir.  
25 And, just for the record, I had the unique

1 opportunity to be able to be a part of the team  
2 to write that history book. So I'm a big fan of  
3 history and I would very much love to be a part  
4 of a program like that. I would love to sit down  
5 with your team whenever you're ready at your  
6 convenience, sir.

7 CHAIRPERSON CARTER: Any other  
8 questions? Thank you, Sergeant Woody. Any  
9 standing committee reports?

10 (None responded.)

11 CHAIRPERSON CARTER: New business?

12 (None responded.)

13 CHAIRPERSON CARTER: Old business?

14 (None responded.)

15 CHAIRPERSON CARTER: Announcements. The  
16 next meeting will be Thursday, February 4th at  
17 3 p.m. here at the Detroit Public Safety  
18 Headquarters located at 1301 Third Street in the  
19 Michigan Room. Our next Board of Police  
20 Commission Community Meeting will be in the 9th  
21 Precinct February 11, 2016 at the Grace Church of  
22 the Nazarene located at 18020 Hoover Street.

23 And at this time we will have oral  
24 communications from the audience. Please give  
25 your name and limit your comments to two minutes,

1 please.

2 COMMISSIONER CRAWFORD: Madame Chair, I  
3 just had another question for the Assistant  
4 Chief. And this occurred yesterday in the City  
5 of Detroit, DPS, Detroit Public School Police  
6 arrested some protestors. As a matter of fact,  
7 it was over on the east side and some students  
8 were part of the walkout and some of the  
9 teachers.

10 I just had a question as to whether or  
11 not the Detroit Police is, I guess, in touch or  
12 meeting with DPS? Because it's my belief that the  
13 protestors are going to escalate with the  
14 teachers standing outside the school. It's my  
15 belief that the students will not go to the  
16 school and this is all because of the conditions  
17 that are deplorable because the emergency  
18 manager, the same emergency manager that poisoned  
19 a hundred thousand people in Flint, is now the  
20 emergency manager of the Detroit Public School  
21 System. It's just my belief that the protests  
22 are going to increase and there's going to be a  
23 day when the students are not going to go to  
24 school.

25 I'm just wondering whether or not the

1 Detroit Police Department is in communication  
2 with DPS on how to handle it. I know that we're  
3 better, Detroit Police Department, is much better  
4 at handling crowds and protests than DPS are;  
5 I'll go on the record and say that. Also, too,  
6 on the record, I support the teachers and the  
7 students.

8 ASSISTANT CHIEF DOLUNT: Through the  
9 Chair, we do have contact with DPS. When they  
10 ask for assistance we give it to them. Our main  
11 concerns lately have been these idiots who have  
12 been putting things on Facebook and Twitter  
13 they're going to blow up the school. The kids  
14 are going through enough, like you said, with the  
15 sick-outs and the deplorable conditions and we  
16 don't need to see these clowns out there sending  
17 threatening e-mails, we're going to shoot up the  
18 school, like they did on Monday. Or like they  
19 did in LA last month in New York. LA shut all  
20 their schools down and New York didn't.

21 We take these things seriously. We talk  
22 to DPS and we try to assess the right action to  
23 take. And so those are our biggest concerns. I  
24 totally agree with you on the protests because  
25 they're building on a lot of social issues right

1 now; not just the schools, but whenever they feel  
2 the need they call us because I think they agree  
3 with you because their top two people are former  
4 DPD Deputy Chiefs so they have no problem calling  
5 us.

6 COMMISSIONER CRAWFORD: Thank you.

7 CHAIRPERSON CARTER: Commissioner  
8 Burton.

9 COMMISSIONER BURTON: In District 5 on  
10 February 25th from 5:30 to 7 I'm hosting a  
11 business owner network social over at Steve's  
12 Soul Food on Franklin Street off of Jefferson.  
13 And, any of the Board Commissioners, you all are  
14 welcome to attend. This is third annual by the  
15 way.

16 CHAIRPERSON CARTER: Any other oral  
17 communications from the audience?

18 MS. PANYEL: Good afternoon. Sharon  
19 Panyel (ph). Detroit Police Academy Alumni--not  
20 the alumni. The class starts March the 7th. I  
21 got applications if anybody want them. That's  
22 all.

23 CHAIRPERSON CARTER: Thank you.

24 COMMISSIONER MOORE: Ms. Panyel, how  
25 long is that particular class?

1 MS. PANYEL: It's six weeks; one Monday  
2 a week for about two hours. And, like I said,  
3 they tell you different entities of what the  
4 police does. They take you on a ride along,  
5 9/1/1, and to the gun range and it's very  
6 informative, to me anyway.

7 COMMISSIONER MOORE: Do you have a  
8 contact number for anyone who wants to join?

9 MS. PANYEL: No, I got applications.

10 COMMISSIONER MOORE: For our viewing  
11 audience, do you have any contact information for  
12 our viewers that are watching us?

13 MS. PANYEL: Oh, no. Commander Betson  
14 (ph).

15 CHAIRPERSON CARTER: Thank you, ma'am.  
16 Any other oral communications from the audience?  
17 Oral communications from the audience. Any other  
18 oral communications from the audience?

19 (None responded.)

20 CHAIRPERSON CARTER: If not, I'll  
21 entertain a Motion to Adjourn.

22 COMMISSIONER DEWAELESCHE: So moved.

23 COMMISSIONER BELL: Supported.

24 CHAIRPERSON CARTER: So moved and
