1	Detroit, Michigan
2	Thursday, February 9, 2017
3	About 6:31 p.m.
4	COMMISSIONER BELL: Good evening to
5	the weekly community meeting of the Board of
6	Police Commissioners. I am Willie Bell, your
7	Chair of the Board of Police Commissioners from
8	District 4. It's good to see all of you here
9	this evening and hopefully more will come, but we
10	have to start the meeting on time and be in
11	order, so even some of our commissioners are
12	somewhat running a little late, but I'm going to
13	ask the great pastor of this church to come
14	forward and that would be Bishop Billy in terms
15	of invocation, please.
16	(INVOCATION WAS GIVEN).
17	COMMISSIONER BELL: Amen. Bishop
18	Billy, if you want to make any other welcoming
19	remarks at this particular time in terms of your
20	church activity, whatever you feel is appropriate
21	to share with the individuals here that would be
22	highly appreciated also.
23	BISHOP BILLY: We just want to take the
24	time to thank the Board of Commissioners to be
25	part of this house to share and to welcome the

	Page 4
1	community. We're here to serve in any capacity
2	that we can and we just thank you for being able
3	to host this meeting and look forward to hosting
4	other meetings in the future.
5	Thank you for being a part of this
6	gathering tonight; thank you.
7	COMMISSIONER BELL: Thank you, sir.
8	We're going to start with introductions. I'm
9	going to ask the commissioners to introduce
10	themselves and to my left, to my immediate left
11	to my far left.
12	COMMISSIONER SHELBY: Richard Shelby,
13	District 1.
14	COMMISSIONER CRAWFORD: Yes, welcome
15	and good evening. Reggie Crawford, Commissioner,
16	District 3 which encompasses the 9th Precinct and
17	11 Precinct. Thanks for coming out.
18	COMMISSIONER MOORE: Good evening,
19	Police Commissioner Ricardo Moore, Vice-Chairman,
20	I represent District 7 on the west side of
21	Detroit. It's good to see each and every one of
22	you.
23	COMMISSIONER SANDERS: Good evening,
24	I'm appointed at large, Derrick Sanders. It is
25	great to see you guys and it's just a beautiful

1	church.
2	COMMISSIONER BELL: Unfortunately we
3	have about four excused absences. Commissioner
4	Elizabeth Brooks, Lisa Carter, Conrad Mallett, Jr
5	and Bishop Edgar Vann cannot be with us this
6	evening. And hopefully Mr. Secretary, I
7	assume we do not have a quorum at this time?
8	SECRETARY HICKS: That's correct,
9	Mr. Chair.
10	COMMISSIONER BELL: We need one more
11	commissioner, but I'm just going to flow without
12	the formalities. To my far left sitting in for
13	Chief James Craig is Deputy Chief Renee Hall.
14	Would you introduce yourself and any others of
15	the DPD family, appreciate it.
16	DEP. CHIEF HALL: Good evening,
17	everyone. Thank you for being here. I see
18	I'm getting old, so Comm. Mahone from the 9th
19	Precinct is here along with Capt. Eric Decker
20	from the 9th Precinct.
21	I see Sgt. Scott Hall, my brother,
22	who's from No. 3. Comm I'm sorry, Capt. Petty
23	who's right next to him from Downtown Services,
24	Comm. Aric Tosqui from the 6th Precinct.
25	I see Capt. Balinski from our Task

Page 6 Force, I see Comm. Mounsey from the 2nd Precinct, 1 2 Capt. Torres from Communications, Comm. Leach from No. 11. Somebody's hiding behind -- Capt. 3 Seleski from No. 10; Comm. Pritchett from No. 8. 4 5 I see Capt. Chambers from Professional 6 Standards. Am I missing anybody? Oh, Lt. Engles from the 5th Precinct. 7 8 COMMISSIONER BELL: Okay, thank you, 9 Dep. Chief Hall. Do we have any elected 10 officials or anyone representing elected 11 officials in any capacity, could you please stand 12 and introduce yourself, please, if we have such individuals in the audience. 13 14 Okay, if you would indulge me, could we sort of move forward, would that be possible to 15 16 move forward? Thank you, I appreciate that. 17 Looking out and trying to recognize the face 18 you're sitting so far it's like we are segregated 19 here and that is not the case. Thank you. 20 And I somewhat deviated I guess because 21 I wasn't following the agenda because we didn't 22 have a proper quorum, but I'm going to ask our 23 Board Secretary Mr Hicks to introduce the Board 24 of Police Commissioners staff for us at this

25

time.

Page 7 SECRETARY HICKS: 1 Thank you, Mr. Chair. 2 I'll introduce immediately to my right Mr. Robert 3 Brown seated here at the table and Ms. Johnson who's head of out Fiscal Section, Ms. White who 4 5 is sitting next to her who is our Policy Section 6 and then want to indicate a couple things and 7 then I'll come back. 8 Sgt. Quinn is doing the taping tonight, 9 Media Services is providing for the audio-visual 10 tonight and Dale Rose is the court reporter who's 11 all the way over to that end and then I want to 12 just come back to Chief Investigator Drake who typically not only introduces herself, but also 13 14 introduces her staff. 15 CHIEF INV. DAVIS-DRAKE: For the 16 record, Pamela Davis-Drake, Chief Investigator. 17 COMMISSIONER BELL: Thank you. Okay, we going to move to Deputy Chief Hall's report 18 19 and Deputy Chief Hall, you have the mic and you can have the mic for a full five or 10 minutes --20 21 I mean you can have the mic since we're 22 filibustering here, but you have the mic. 23 You can share with us all the great 24 things that's happening in the city of Detroit,

specialty in the public safety and the Chief's

1	report; thank you.
2	DEP. CHIEF HALL: Okay, thank you
3	again, Mr. Chairman. Right now I'm just going to
4	share with you some of our crime stats for the
5	city of Detroit.
6	At our homicides we sit at a 16 percent
7	increase. One of the things I do want to say is
8	that we have seen a huge increase in our
9	non-fatal shootings and our homicides.
10	However, we do want to report that we
11	have closed 10 homicides in the last week and we
12	just want to thank our citizens. The
13	relationships and the partnerships that we have
14	is what we utilize to close these homicides. You
15	are our eyes and our ears and we truly appreciate
16	you.
17	So where we're not satisfied that these
18	homicides are taking place, what we are seeing is
19	a working relationship between the police and the
20	community to ensure that we're solving them once
21	they happen.
22	We have a decrease in our aggravated
23	assaults of 10 percent, a 43 percent in non-fatal
24	shootings. As I said before, the department is
25	moving, we've changed some things around to be

Page 9

able to address non-fatal shootings from our
response, and then for our efforts on the front
end, being a little bit more proactive.
We have to balance between calls for

service, making sure that we're servicing our citizens, but we also need to make sure that we're addressing those that are causing the problems in our community and we've been doing a fantastic job.

We're not waving any flags of success, but we know it's a lot of work, but with the manpower what we have we have been really making some great strides, so I take my hat off to the men and women who are leading these precincts and that's the captains, commanders, lieutenants and police officers that are sitting before us today.

We have a 13 percent reduction in robbery and a 5 percent reduction in our carjackings overall. Just a couple of things that have taken place in the city over the last couple of days or the last week.

The partnerships between the community and the police are huge and you'll hear us talk about that because it's truly truly important.

It's one of the first pillars building legitimacy

and trust in our 21st century policing.

Page 10

2	The chief's neighborhood liaison put on
3	a Senior's Valentine's Day Dance and there was
4	also one hosted in the 11th Precinct, but the
5	Chief's one had 260 senior citizens and I think
6	we should give our citizens a round of applause.
7	(APPLAUSE )

DEP. CHIEF HALL: That was on February 4 at the Pontchartrain and it was sponsored by the Continental Management Group. They are the same group that had turned the former Colony Arms into the newly renovated RiverCrest living facility right there on Jefferson, so they actually sponsored the Seniors Day.

(COMMISSIONER BURTON ARRIVES).

We are proud to announce, we have 102 Green Light locations across the city. We have 43 on the east side and 59 on the west side. We have seen tremendous reductions in these -- at these Green Light locations. Some people are reporting upwards of 40 percent reductions in crime, so we know that they're working and we're excited that more of our citizens are getting involved with their businesses and making sure that we're all on the same page monitoring and

1	keeping our city safe.
2	Just the other day there were two
3	individuals who walked into the Dearborn Police
4	Department armed with weapons. We recognize that
5	that's an issue across this country, definitely
6	for our city, so if you look at all of our
7	precincts we have recently put up placards that
8	unless there are no weapons allowed on the
9	police premises. Of course by our officers, but
10	anyone else there's no guns permitted so they
11	won't even be allowed to come in and open carry.
12	So that's just a couple of things that
13	we're doing from the police standpoint. Homeland
14	Security is always an issue for us and we're
15	always making sure that we're kind of learning
16	from others and not having to experience those
17	things ourselves.
18	So that's where we are as a department.
19	We do have a presentation by the 9th Precinct at
20	this time, Comm. Mahone and Capt. Decker.
21	COMMISSIONER BELL: If we could pause
22	on that, on the 9th Precinct, and thank you,
23	Deputy Chief.
24	Any comments for the Deputy Chief
25	Hall's report on behalf of the Chief? I just

Page 12 1 want to recognize Commissioner Burton has joined 2 us. 3 Mr. Hicks, do we have a quorum now? SECRETARY HICKS: Yes, Mr. Chair. 4 5 COMMISSIONER BURTON: Good evening, 6 Mr. Chair. 7 COMMISSIONER BELL: So, thank you, sir, 8 good to see you. Do you have any questions for 9 Deputy Chief Hall? 10 COMMISSIONER MOORE: Just a compliment. 11 Deputy Chief, from the 2nd Precinct, Brian 12 Mounsey, Belou Mohammed; the 6th Precinct Aric 13 Tosqui, Tiffany Store, from the 10th Precinct 14 Nick Kariacu and Connie Slatin, they're doing an 15 outstanding job, I just wanted to let you know 16 that. It's a difference between a report coming 17 from your end and commissioners, it's kind of 18 rubber stamping saying it's a good job. However, 19 I've experienced the work from these six folks 20 and their leadership and I'm truly happy in 21 District 7, just wanted to let you know. 22 Thank you so very DEP. CHIEF HALL: 23 much, I'll pass that on to the Chief. 24 COMMISSIONER BELL: Any other questions

or comments for -- Commissioner Crawford?

1	COMMISSIONER CRAWFORD: Yes, sir,
2	through the chair. Deputy Chief, you kind of
3	really answered my questions or expounded on it
4	somewhat because I had concern about what
5	occurred in Dearborn and not only I but a number
6	of the citizens too and you talked about the
7	placard which really is on display to let those
8	know who open carry not to enter the precinct.
9	But have there been any or are there
10	going to be any security upgrades? Of course, I
11	don't really expect you to expose them right now,
12	but just as a general question. I'm sure you all
13	looked at security.
14	DEP. CHIEF HALL: We already had
15	security measures in place at all of our
16	precincts and, of course, the newer precincts
17	have some newer security measures than others,
18	but every day security and safety is our focus.
19	Of course, our primary focus is keeping
20	our citizens safe, but in order for us to do that
21	we first have to be safe so we're taking that
22	into consideration.
23	COMMISSIONER CRAWFORD: Yes, ma'am.
24	Also too on another subject, recently I
25	believe it was December 7 and also on February 2

	Page 14
1	in terms of one might say accidents outside the
2	city by DPD, I'll just say it that way, has any
3	and I do apologize for my ignorance if I'm not
4	aware of this or didn't read this has it been
5	kind of re-emphasized with the officers in terms
6	of the DPD manual Directives 303.2 dated June 20,
7	2414, vehicle pursuits in terms of, I guess, more
8	or less reminding them or bringing them up to
9	date on what's in that particular directive?
10	DEP. CHIEF HALL: I'm sorry, your
11	question?
12	COMMISSIONER CRAWFORD: The question
13	is, I know often times the department does kind
14	of reiterate certain things that are in the
15	manual, particularly when things occur and I just
16	wanted to know like I said, maybe I missed it.
17	I do read a lot of things, but if I do, I
18	apologize for the ignorance.
19	Recently has there been any emphasis on
20	the manual pertaining to Directive 303.2 which
21	pertains to vehicle pursuits?
22	DEP. CHIEF HALL: Yes, we recently
23	made some changes to our vehicle pursuit policy
24	due to some pursuits that we had last year in the
25	summer. However, we are aware of those two

	Page 15
1	incidents that took place outside of the city and
2	at this time it's been looked at and there's
3	nothing that the officers did that was
4	inappropriate or against policy.
5	They were acting within the scope of
6	policy when they were pursuing these individuals.
7	COMMISSIONER CRAWFORD: Yes, ma'am.
8	It's just that, like I said, I'm just one who
9	just advocates information and that it's
10	emphasized in terms of the officers being aware.
11	DEP. CHIEF HALL: They are and we sent
12	a teletype out. The actual the captains at
13	the precincts at the time actually took it upon
14	themselves and put out a teletype relative to
15	pursuits for their officers, so it was
16	department-wide and then re-emphasized at every
17	level, every precinct to ensure that the officers
18	were aware of our pursuit policy.
19	COMMISSIONER CRAWFORD: Okay, ma'am,
20	thank you very much.
21	COMMISSIONER BELL: Any other questions
22	or comments for Deputy Chief Hall?
23	COMMISSIONER SHELBY: Is there any
24	updates on the opening of the 8th Precinct?
25	DEP. CHIEF HALL: Actually we just got

Page 16 an update on the 8th Precinct. Prissy, can you 1 2 stand up and tell us. 3 (INAUDIBLE COMMENT FROM THE AUDIENCE). COMMISSIONER BELL: Any other questions 4 5 or comments? Good news for the 8th Precinct and 6 the 6th Precinct. I'd like to recognize Deputy Chief Washington from Legal Affairs, it's good to 7 see you this evening. Thank you for your 8 9 attendance and we're going to move back to the 10 agenda. 11 Commissioners, we have a quorum, so I'm 12 going to ask you to entertain a motion for 13 approval of the agenda for tonight's meeting. COMMISSIONER MOORE: So moved. 14 15 COMMISSIONER SANDERS: Second. 16 COMMISSIONER BELL: It's been properly 17 moved and supported. Discussion? Those in favor? 18 19 COMMISSIONERS: Aye. 2.0 COMMISSIONER BELL: Those opposed? 21 Motion carries. The next item will be approval 22 for February 2, 2017 minutes. Chair would entertain a motion to that effect. 23 24 COMMISSIONER MOORE: So moved. 25

COMMISSIONER CRAWFORD: Second.

Page 17 1 COMMISSIONER BELL: It's been properly 2 Discussion? Those in favor aye? moved. 3 COMMISSIONERS: Aye. COMMISSIONER BELL: Those in favor --4 5 sorry, nays? Motion carried, thank you. 6 The next item would be my report. I 7 have a brief report that myself along with the 8 Chief Investigator Pamela Davis-Drake had the 9 opportunity to visit the academy on Monday 10 morning and we spent two hours with two classes 11 there. 12 I assume the class was about 30, 25-30each class and it was a combined effort -- 28 and 13 20, she keep accurate count. It was a good 14 15 dialog, good interaction. The class is up to 16 full capacity I think, they are really working 17 in terms of training so it was a good interaction with the class. 18 19 One class only in the class for three 2.0 weeks and the other class about three months, so 21 it was really a good introduction session and 22 they was really engaged and energized in terms of 23 interaction, so we look forward to their 24 graduation in the near future.

The other part, this is Black History

1	Month and I just want to bring your attention
2	which landed on my doorstep this evening, it's
3	The Michigan Chronicle and it's highlighted black
4	and blue, how the rebellion of 1967 shaped the
5	lives and careers of two black Detroit officers,
6	namely we honored her, Deputy Chief Mary
7	Jarrett Jackson a year ago at our meeting, so
8	she's been recognized and her interactions and
9	the other is Chief Hope from the Wayne County
10	I'm sorry, Wayne State chief of police, public
11	safety officers.
12	So it's a good reminder of Black
13	History Month black and blue in terms of pick up
14	a copy of The Michigan Chronicle, it's
15	interesting how Mary started her career in the
16	'50s and was denied opportunity, but as you will
17	know she went on to have a distinguished career
18	at Detroit Police Department.
19	Some of the senior officers know her
20	and some of you probably worked with her in terms
21	of the Deputy Chief capacity.
22	I remember when she was assigned as
23	inspector to the 7th Precinct, my old Precinct,
24	and she's also former president of the Guardian
25	Police Association, so I'm glad they took time to

Page 19

keep on this, to write, to profile Mary Jarrett

Jackson and Chief Hope, so that's my brief report

as we move on.

I attended Mayor Duggan's re-election announcing his re-election and what caught my attention was, it was two issues that he talked about that impacted us as far as the Board of Police Commissioners and DPD and the community and that was education and public safety.

So the Mayor is going to focus on that for the next two years if he's going to be re-elected, so public safety, that is a primary concern, the hiring of police officers, Green Light and overall thrust in terms of making people safe in the city of Detroit.

So that is on the forefront of his platform and I was pleased to hear that and as you well know, the state of the city is coming up. At the end of this month you'll probably hear more and more about the thrust in terms of especially of public safety.

And we talked about a couple of issues that we are concerned about and those are two issues in terms of education. Our kids drop out, where do they drop out into, the city streets in

Page 20 1 terms of no future. So that impacts us in terms 2 of our interaction with young people. I know we're doing a whole lot in terms 3 of -- I'm speaking of DPD and the thrust in terms 4 5 of public safety issues dealing with young people 6 and in terms of prevention and Ceasefire was held 7 here three or four months ago, last year, and I 8 was impressed with the facilities and with the 9 effort. 10 In fact, I see the bishop here, that 11 type of effort in terms of prevention that we are 12 engaging in constantly so that's encouraging when 13 you hear that type of platform among others as we 14 go into this election year. 15 So that's a non-political statement, I 16 just wanted to make you aware of those issues in 17 terms of public statement. Thank you. 18 We're going to move right into the next 19 item of business will be a resolution and I'm going to ask Commissioner Crawford if you would 20 21 come forward and ask the family and Commissioner 22 Crawford is going to speak to who we going to 23 recognize. 24 COMMISSIONER CRAWFORD: This is a

resolution honoring Mr. Jeremaine Tilmon

1	posthumously.
2	WHEREAS, Mr. Jeremaine Devon Tilmon was
3	born July 18, 1977 to Jeremiah and Renetta Timon
4	in Detroit, Michigan and was a second eldest of
5	six children. He was educated in Detroit Public
6	School System. Mr. Tilmon married his childhood
7	sweetheart Taminko and they co-parented seven
8	children and
9	WHEREAS, Mr. Tilmon served as a
10	Ceasefire Outreach worker from 2015 to 2016 and
11	as a staff member of Detroit Youth Violence
12	Prevention Initiative working collaboratively
13	with Detroit Police Department and community
14	partners Ceasefire Detroit aims to reduce gun
15	violence among groups, crews and gangs and
16	WHEREAS, Mr. Tilmon readily told
17	stories of the time of his life when he referred
18	to himself as "Big Youngin" and the mistakes he
19	made as a young person. He used the lessons he
20	learned to help others. His compelling truthful
21	stories of his faith and how he turned his life
22	around along with his sincere desire to help
23	young people would influence listeners to live
24	better lives. He notably served as a mentor and
25	interacted with hundreds of students who attended

1	East English Village Preparatory Academy and
2	schools at Osborn and Denby High School in
3	Detroit and
4	WHEREAS Mr. Tilmon had a great sense of
5	humor, was a gifted singer and actor, Jeremaine
6	believed his life's work was to help young people
7	live better lives, make good decisions and avoid
8	pitfalls of the streets.
9	He would frequently share how important
10	his family, his faith and helping youth were to
11	him and
12	NOW THEREFORE BE IT
13	RESOLVED that THE Detroit Board of
14	Police Commissioners speaking for the citizens of
15	the city of Detroit and the Detroit Police
16	Department acknowledges the generous spirit of
17	Mr. Jeremaine Tilmon and his unselfish dedication
18	to improving the quality of life for citizens in
19	his community and throughout the city of Detroit
20	merits our highest regards.
21	We thank and appreciate you,
22	Mr. Jeremaine Tilmon, Detroit Board of Police
23	Commissioners, accountability through civilian
24	oversight, adopted by the Board of Police
25	Commissioners December 8, 2016.

1	(APPLAUSE).
2	COMMISSIONER BELL: I'm going to ask
3	our bishop of Ceasefire to identify himself and
4	speak to this particular resolution that we on
5	your request and we was proud to honor the family
6	so if you would make remarks and then, ma'am,
7	then you can have an opportunity to speak.
8	BISHOP HARRIS: You very much, Chair.
9	So my name is Bishop Darryl Harris and we are
10	with the Ceasefire Detroit Initiative which as it
11	was already stated it's a gun prevention and gang
12	and group intervention program. We work very
13	closely with the Detroit Police Department, many
14	of them we recognize here today.
15	In this very same place we laid to rest
16	Jeremaine Tilmon who was indeed one of our
17	absolute best outreach workers. He was able to
18	identify with so many young people not just on
19	the east side of Detroit, but even on the west
20	side of Detroit.
21	His name or nickname "Big Youngin" was
22	one that was known throughout the streets and he
23	brought a lot of impact to young people in terms
24	of getting them to put the guns down and to

change their lives around the same way that he

1	did.
2	So it is my pleasure from Ceasefire,
3	from the Board, we thank you all so much for
4	helping us to acknowledge and to honor the
5	sincere work that he did for he was a part of the
6	city of Detroit and he looked at himself saying
7	that when he was younger, he considered himself
8	to be a part of the problem, so when he was older
9	he wanted to be a part of the solution.
10	So thank you all very much in helping
11	us to honor him at this moment. We would like
12	his mother to have something to say.
13	MS. TILMON: I appreciate everything
14	the police department has done for my son and it
15	was a pleasure to know that he was working with a
16	bunch of lovely hard working people. Thank you
17	so much.
18	(APPLAUSE).
19	COMMISSIONER BELL: If you ever get a
20	chance or an opportunity to interact with
21	Ceasefire and watch Bishop Harris moderate that
22	particular forum and all the other panelists, we
23	talked about it last meeting, Dr. Eddy and all
24	the good people, the Chief and the Mayor coming

25

together to impact young men who have gotten off

Page 25

on the wrong start and to turn their life around and give them an opportunity, it was quite impressive and that's what we are engaged in and people have no idea.

They just think that we strictly pro enforcement, but we are pro prevention and this is a program that's really really unfortunately needed in our city to reach these young men and give them the opportunity because all the young men -- not all of them -- the majority of them, they have families, they have kids.

So if they come back on the city streets and cannot turn their life around and recycle themselves into the system, then it's an injustice that we don't try to speak of so I just want to commend the bishop and others who engage in that type of activity.

Anytime a mayor of this city, the Chief of Police and the staff would take time for that type of interaction I think if that program had been in existence for many years, how many lives we could have saved because by the grace of God all of us could have gone the other way in terms of when we was young and some of us when we was older, so second opportunity is there. We talked

Page 26 about that type of program, I can't highlight 1 2 that enough. 3 So if we try to reach out -- if anyone need help, young people, have them contact 4 5 Ceasefire. There's resources available. 6 COMMISSIONER SANDERS: I'd like to make a motion that this is entered into the record of 7 Mr. Jeremaine Tilmon. 8 9 COMMISSIONER MOORE: Support. 10 COMMISSIONER BELL: It's been properly 11 moved and supported. Those in favor? 12 COMMISSIONERS: Aye. 13 COMMISSIONER BELL: Those nays? Motion 14 I don't think we need no discussion on carried. 15 that. We have another resolution for Ms. Ruth 16 Azar. Is she here? Thank you. Please come 17 forward. 12	there until my 7th grade.
13	And I just had a calling to come back
14	and to help and I took the call and I'm so
15	blessed. People don't understand why I do what I
16	do, but I say to them the children and the
17	families think they're blessed, I'm blessed when
18	the light bulb comes on and I finally realize who
19	God is in their lives and who the police
20	department even is in their lives and we can be
21	the change one by one and I really believe in
22	that.
23	And I have taken countless amount of
24	children into my home and raised them as my own
25	and I'm just blessed by God to have that heart

Page 30 and most of us do, so don't ever think whatever 1 2 little step you take is not enough. That little step means a lot to another human being. And if 3 we all did it, we'd live in a different place and 4 5 I am so blessed to be back in the city of Detroit 6 for over 10 years now and I thank you so much for 7 this. 8 It's not something I'm very good about 9 wanting any awards because I know my blessing is 10 up in heaven, but I thank you for this honor. 11 Thank you so much, God bless you. 12 COMMISSIONER BELL: Thank you, 13 appreciate it. 14 (APPLAUSE). 15 COMMISSIONER BELL: That's why I love 16 the east side folks who held that blessing on 17 them to share over and over again. 18 I love my west side people too, you 19 know, but she mentioned she grew up on the east 20 side, so some of us can totally identify with 21 that. 22 COMMISSIONER CRAWFORD: Yes, sir,

Page 31 according to the open meetings act and Robert's 1 2 Rules of Order the vote that we took on the minutes approval for February 2, 2017, with all 3 due respect, Commissioner Burton was away from 4 5 the table and according to Open Meetings Act we 6 need a quorum, so you have to have six present so therefore his vote would reflect in the record --7 I mean, he didn't vote, so in order for that to 8 9 be approved, we would have to vote it over, if 10 you just want to call for a vote again. 11 COMMISSIONER MOORE: Is that the 12 agenda? 13 COMMISSIONER CRAWFORD: Yes, sir. 14 COMMISSIONER MOORE: Mr. Chairman, I 15 make that motion to approve the agenda for 16 February 9. 17 COMMISSIONER BELL: It's been properly 18 moved. 19 COMMISSIONER SANDERS: Second. 2.0 COMMISSIONER BELL: Discussion? Crawford.

Page 32 COMMISSIONER CRAWFORD: 1 Yes, sir. 2 COMMISSIONER BELL: Now we're going to hear from our east side precinct, the 9th 3 Precinct. We are in the 9th Precinct and Comm. 4 5 Mahone and Capt. Decker and however you want to 6 present yourself. 7 COMM. MAHONE: Good evening. 8 said, I'm Comm. Mahone and this is my partner 9 right here, Capt. Decker. I got a very brief 10 report from the 9th Precinct I want to present to 11 you, board. 12 I want to start by saying on behalf of 13 myself and Chief Craig and the other members of the 9th Precinct I just want to say thank you to 14 15 the many citizens, community organizations and 16 businesses for their unending support last year 17 when we lost Capt. Stile in the line of duty. It was a very difficult time for us, 18 19 but it was made easy by all the prayers and 20 things of kindness, acts of kindness that were 21 done for myself and the men and women that I was 22 trying to support at the time. 23 The 9th Precinct has historically been 24 one of the busiest precincts in the city of

Detroit. And our officers service about 600 runs

1	a week and those are 9-1-1 calls for service. To
2	that end Detroit Police Department is taking
3	great efforts to ensure quality service is
4	provided to all citizens regardless of their
5	economic status with the goal of making the 9th
6	Precinct a better place to live, work and
7	worship.
8	Overall in 2016 the 9th Precinct had a
9	3 percent reduction in Part 1 crime. This is on
10	top of the 12 percent reduction we experienced in
11	2015.
12	We also had a 40 percent drop in
13	non-fatal shootings as compared in the year 2015.
14	This was the largest decrease of any precinct in
15	the city of Detroit. That's about 71 shootings
16	that we didn't experience in 2016 as compared to
17	2015.
18	In order to get these things done of
19	course we have a dedicated staff in the Detroit
20	Police Department, not just the 9th Precinct.
21	However, we do participate in the Secure City
22	Partnership which is a cooperative effort between
23	the Detroit Police Department and Michigan State
24	Police and five days a week we get assistance
25	from the State Police right here in the 9th

1	Precinct.
2	We generally get between five and six
3	dedicated cars that assist us in serving our
4	citizens here. We also have 12 Green Light
5	businesses in the 9th Precinct and as a result of
6	these businesses coming online participating in
7	this project we've made some pretty decent
8	arrests and I'm sure everyone on the Board has
9	seen some of that footage on television that had
10	led to those arrests.
11	We also have domestic violence
12	advocates stationed at the 9th Precinct and last
13	year those advocates prepared about 140 personal
14	protection orders to assist our citizens with
15	ending domestic violence in their homes.
16	Last but not least, we also have a
17	monthly ComStat meeting that's held at the 9th
18	Precinct. It's well attended, a lot of our
19	businesses and citizens attend and what we do is
20	we look at quality of life issues that we need to
21	address to improve the lives of our citizens here
22	in the 9th Precinct.
23	Any report I do wouldn't be complete
24	without acknowledging the work of my NPOs,
25	Abraham Blue, Tiffany Bowles-Davis, Jay Danslo,

1	Brad Hawkins and Aubrey Wade. These five
2	officers, they handle the quality of life issues
3	that pop up all the time for our citizens as well
4	as mentor our kids through the Explorer Program
5	in the 9th Precinct. They do a lot of work and
6	sometimes they don't get the acknowledgement that
7	they should.
8	In closing, I would like to, once
9	again, thank the citizens, our community
10	partners, and the men and women of the Detroit
11	Police Department. Together we will continue to
12	make a difference in the city of Detroit and
13	that's it, that's my report for tonight.
14	Short and sweet. Any questions from
15	the Board?
16	COMMISSIONER BELL: Commissioners?
17	COMMISSIONER MOORE: Through the Chair,
18	commander, do you have any immediate needs for
19	the 9th Precinct, any more manpower or any cars?
20	COMM. MAHONE: We were just talking
21	today. You know, a lot of police departments are
22	struggling with hiring, but right now I have 16
23	probationary police officers in the 9th Precinct
24	and the way that the city is hiring, thankfully
25	I'm going to have more, so we are being

Page 36 adequately staffed right now. 1 2 Thank you, Chief Craig, thank you for 3 going out here and recruiting these officers because they're desperately needed, so -- but if 4 5 you say what we need, just we need you to just continue getting the blessings of our citizens. 6 They're been supporting us and helping 7 us solve a lot of cases and we need that to keep 8 9 coming. 10 COMMISSIONER MOORE: And what's a good contact number if a citizen wanted to contact 11 12 your neighborhood police officers, what's a good 13 contact number? 14 COMM. MAHONE: They can call (313) 15 596-5910. COMMISSIONER MOORE: 16 Thank you, sir. 17 COMMISSIONER BELL: Commissioners, any 18 other questions or comments? 19 COMMISSIONER CRAWFORD: Through the Chair. Yes, sir, commander, you expounded on it 20 21 somewhat in terms of what has contributed to the 2.2 lowering of crime and I guess the betterment of 23 the quality of life in the 9th Precinct.

Also to Ceasefire was a part of that

24

25

too?

Page 37 1 COMM. MAHONE: It was. We had our last 2 Ceasefire call-in on January 19 at 12400 East 3 Jefferson. We had about 40 kids in there. We had 38 that were mandated to be there and two 4 5 invitees actually showed up. 6 And as a community my basically told them we're going to hold you responsible for your 7 actions. However, if you need some assistance 8 9 with clearing your tickets, finding a good place 10 to live, you need education, you want a good 11 construction job, we got that for you also. 12 So it's not that we want to lock anyone 13 up, we want as many young men and women to become 14 productive here in society as possible. 15 COMMISSIONER CRAWFORD: Yes, sir, thank 16 you. 17 COMMISSIONER BELL: And I want to say, 18 commander, that forum was well attended, that 19 place was full to capacity in terms of community 20 support for these young men in terms of that type 21 of interaction. I know some of them stayed for 22 the meal and the fellowship, so it was 23 outstanding. 24 In fact, we was all pleased that these

young men -- there's no excuse not to take

Page 38

1	advantage of a lifeline, so I'm hoping that they
2	really grab hold because I met a young man just
3	this Monday in the academy, he said he was from
4	48205 zip code and that sent a chuckle through
5	the academy class because we were familiar with
6	that profile, but that's changing.
7	That profile is changing in that zip
8	code so we pleased with your work and the captain
9	and the men and women of the 9th Precinct and I
10	just want to say I see all that energy rolling
11	through the community all the time, so it makes a
12	difference; thank you.
13	COMM. MAHONE: Thank you.
14	COMMISSIONER BELL: If not, Capt.
15	Decker, anything you want to okay. Anyone
16	from the 9th Precinct or community. I know
17	they're on a little break from January to
18	February, they're going to reconvene in March.
19	Mr. Walk said he would be here. I know perhaps
20	might be running late, but they do have an active
21	community police-community relations
22	organization in that area, so I'm pleased with
23	that.
24	We're going to bring up on the next

item of business with the executive director

Page 39 David Harvey from MCOLES. He's going to speak to 1 2 the survey and I just want to pause -- we're going to initiate a new format for -- when we get 3 down to audience participation. 4 5 Mr. Brown is going to pass out a card. 6 If you would like to speak at the forum when we get to that point in time, please write your name 7 on the card and we will call you up in terms of 8 9 order that we want to really initiate. 10 We want a little bit more order in for 11 format in terms of how we conduct our meetings 12 similar of how the council flows in terms of 13 trying to control the situation where people just don't pop up over and over again, we just want to 14 15 have a format, so if we would bear with us and 16 comply with that we would appreciate it; thank 17 you, sir. 18 MR. HARVEY: Thank you, Mr. Chair, 19 commissioners, Deputy Chief Hall, I really 20 appreciate you giving me time to speak about the 21 survey. It really comes out of executive 22 directive 2016-2 that Governor Snyder gave to 23 MCOLES.

24

25

But what I want to do first if you can

indulge me just for a minute, I'd like to explain

Page 40

to you Michigan Commission On Law Enforcement
Standards is. I think many of you probably know
or are somewhat aware, but not quite sure of
everything that we do, and at least give you some
idea of why the governor gave us this particular
directive and report to do.

The commission has been around since 1965. It's governed by Public Act 203 and another act called Public Act 302, but 203 gives MCOLES the standard since 1965 or the authority to set standards for basic training, like the police academy, like your academy, and all -- we have 19 other academies across the state of Michigan, so 20 that we oversee and set the basic curriculum for.

We also set curriculum for in-service training standards and we do a multitude of other tasks with MCOLES all the aspects of licensing to include revocation. So we've got quite a wide task. We have a money side of it, Public Act 302 where we give out training funds back including to the Detroit Police Department. That's money that comes in and it's put out in a distribution. We oversee that.

We're a research and development

Page 41

1	organization to really put it bluntly for law
2	enforcement in the state of Michigan. One of
3	those curriculum developers is here tonight,
4	Ms. Shuquita Grady. She's a former Detroit
5	police officer who just came to us a few months
6	ago, so we're very happy to have her. She's
7	involved in the development of that curriculum
8	and dissemination throughout our police
9	academies.
10	We have an 18-member staff who are
11	mostly retired former police officers including
12	myself. We report to a commission, the
13	commission is a 19-member commission.
14	It includes the Detroit Police
15	Department, Detroit Police Officers Association.
16	We have chiefs, sheriffs, prosecutors, defense
17	attorneys and seven different labor organizations
18	that sit as commissioners, so I have 19 bosses
19	that I work for and report to directly.
20	We also have a citizen representative,
21	Mr. Tom Adams, who happens to be a business owner
22	here in the city of Detroit, so combined with

23

24

25

that with the commission and staff we come up

with all the basic curriculum throughout the

state of Michigan, and been doing so like I said

Page 42

1	since 1965.
2	So having that research capability I
3	believe is one reason why the governor gave us
4	this task. So what did he give to us? He gave
5	us the Executive Directive 2016-2. A very
6	important report, the governor wanted to
7	establish a best practices report for fostering
8	good community relations and trust between the
9	community and law enforcement.
10	So how did we do that? So he gave us
11	the task to go out into the communities and find
12	out a major emphasis on the report is gaining
13	community feedback on how to do this, so going
14	out and asking the community how can we better do
15	our jobs in several categories which I'll explain
16	in a minute, to build better trust with law
17	enforcement in our communities.
18	So we've been doing that. But first
19	what the report asked us to do was look in some
20	very specific areas, community engagement some
21	best practice how police departments can better
22	engage the community.
23	Training, what training can we do and

24

25

offer to help our law enforcement better interact

with our communities and then recruitment which

Page 43

is a big topic. I know that the captain was just talking about the number there and the recruitment that you do.

That's a big issue all across this state of Michigan, not just with the city of Detroit, but every agency is struggling to hire good candidates and we're struggling to keep the need with the police coming out of the academies to staff our law enforcement. We have 18,500 police officers, in fact that's 4,000 less than we had back in 2001. In fact, we're losing almost monthly police officers still, we're not gaining, and the amount of turnover with retirements is -- I'm sure Detroit is having that exact problem. Trying to keep up with the retirements is a big issue. So we share that across the state of Michigan.

So recruitment is also a big issue, how do we recruit and how do we retain police officers that are going to be the best for a particular community to engage that community, so it's a large task with some very specific areas.

The governor was very specific also in the training area of looking at issues such as implicit bias and fair and impartial policing as

Page 44 far as training modules that we could put out there into the community, so we're looking at all that.

So how do we do that? Well, we're

So how do we do that? Well, we're taking our research and development experience and we're pulling from across the country, across the state, wherever we can best practices that everyone else is using.

As an example, the Federal Cops
Organization in Washington, D.C. just had a
national report done in reference to recruiting.
We've got that report, it just came out about two
weeks ago, so we'll be utilizing that. So
there's a lot of best practices going on around
the country that we want to bring to Michigan to
see how we can best do that.

But specifically we're going out into the communities and asking what do the community members think and we're going to specific areas to do that as well as putting a survey out that's across the entire state of Michigan.

We're doing it through community forums and we're doing this in conjunction with several other organizations. Here tonight is Mr. Harvey Hollings, director of Office of Urban

Page 45 Initiatives. He's working very closely with us from the governor's office to help us organize community forums, put together the surveys. Also here tonight and also Stacey Clayton who works in the Office of Urban Initiatives, she's been of great assistance to us in helping us put this together. And I also couldn't do it without the great collaboration with the Michigan Department of Civil Rights, Mr. Anthony Lewis, Department of Civil Rights who's been working very close. So we have some state organizations that are working really hard and together on this to work with the communities. And specifically I have to mention the ALPACTs, if you're familiar with the ALPACTs organizations, there's 11 around the state, Advocates and Leaders of Police and Community Trust organizations. You've had the first and

Advocates and Leaders of Police and Community

Trust organizations. You've had the first and
longest one here in Detroit across the state
probably well over 20 years. We've had an awful
lot of involvement with ALPACT.

In fact, our curriculum competency -excuse me, our cultural competency curriculum in

our police academy was developed in conjunction

Page 46

	3
1	with the ALPACTs, so we've got a long history
2	with that.
3	We're utilizing the ALPACTs to get out
4	and help us form develop community forums and
5	help us distribute these surveys.
6	But I'm here to talk about that
7	specifically because I want your assistance as
8	well. We're doing community forums, we did one
9	in Benton Harbor, we've got one planned in Flint
10	coming up this month, we've got another one
11	planned for Grand Rapids. We've got this event
12	this evening.
13	We've got an event coming up at the
14	Wayne County Community College district in
15	February also and we're also going to Northern
16	Michigan University up in the upper peninsula.
17	The governor wanted to make sure that we touched
18	all of the counties in the state of Michigan and
19	we're trying to do that, but we can't do a forum
20	in every county, it's not just possible.
21	I have a deadline date of May 1, it was
22	a very aggressive timeline by the governor, so
23	the best way we can do that after the forums
24	where we get input in a facilitated session is to

do a survey.

Page 47 So we put together a 10-question survey 1 2 that was -- we did in conjunction with Mr. Hollings's office, with the Department of 3 Civil Rights and the ALPACT organizations across 4 5 the state and we came up with a series of 6 questions to ask the community. What do you think and what are areas you think should be 7 addressed in police training for recruitment and 8 9 community engagement. 10 So far it's been very successful. 11 We've had a pretty good turnout. The surveys can 12 be done in a myriad of ways, either with paper handwriting out. We've got electronic versions 13

Monkey to get the surveys in. We've got probably 6,000 currently, we just rolled this out a few weeks ago coming in.

There are several parts to the survey.

Some of it is just check the box, some of it is a

that people can send in. We're using Survey

21 their best ideas.

20

22

23

24

25

We've got it translated into Arabic and Spanish as well and there's online versions for that also. So we've not the survey out there and we're trying to advertise it the best we can to

narrative so people can fill it out and give us

Page 48

	3
1	get it out to every single member. I doesn't
2	work if we don't get the involvement of the
3	community and we don't get the answers back from
4	the community, so we're asking for you help in
5	doing so.
6	Shaquida Grady who is here tonight, she
7	has a box of flyers that we're going to be
8	handing out. We have the surveys that can be

scan and do the QR code which before this project

I didn't know what a QR code was. Apparently I'm

filled out here. You can take your phone and

getting old. I just learned how to do that

actual process which will give you the link right

to our website.

But you can log into the website, it's very secure. There's no information that will be tracked. We want to make sure that people feel comfortable answering these questions that we're not tracking back to any individual. We want their honest answers to us.

And we've got a dedicated e-mail box that's on the flyer as well that they can send any other narrative that they want to send to us. What we're going to do at the end, the commission is divided up into four separate subcommittees to

Page 49

address each of those areas, community engagement, training and recruitment and we have another oversight subcommittee who is helping us put together the process.

They have members of the commission and members of law enforcement, members of the communities that sit on these particular committees, along with staff we're going to be putting together the research and giving to the, they're going to give back to us the information that we can put together and report for all those best practices.

So at the end of the day in my April commission meeting my commission will be approving a final draft of that to go to the governor with recommendations in those three areas, so that has to be there by May 1.

But we really need these surveys filled out and we're setting a deadline date of March 20 because after that, then the analysis starts. We have to start crunching numbers. The narrative parts are going to be very difficult for us to do, but we're going to be looking at all those narratives and coming up with the best practices that we can put on the community.

Page 50 So I'll take some questions from you if 1 2 you have any, but otherwise Jhuquita is going to be handing out those cards tonight. 3 If you could distribute those out to 4 5 any groups that you have that any one of the 6 members of the audience that have groups they 7 represent. See us, we can give you more copies 8 or make sure they can fill it out so they can get 9 online and do it, but any and all groups, we're 10 looking for everybody's participation. 11 COMMISSIONER BELL: Commissioners, do 12 you have any questions or concerns or -- in 13 reference to this particular item? Commissioner 14 Crawford? 15 COMMISSIONER CRAWFORD: Through the 16 Chair, yes, sir, thank you for the presentation 17 and this is a biased statement, but Detroit Police Department I think if you look at their 18 19 model it's probably if one of the best, the best in the country in terms of community policing and 20 21 outreach to the community. 22 And we didn't just get here recently, 23 it took years and years of work from the police 24 department and from the community to develop that

type of relationship. But I do appreciate this

Page 51

and definitely we'll urge others to participate in this survey, but I just had to go on record and say that because I travel to a number of different cities and friends in a number of different police departments and by far I think this department and its model would be greatly appreciated and more so today than ever before.

When we look at even what is occurring abroad like what recently happened in Paris,

France and you could see that obviously just on the surface -- and I'm sure the analysis will -- once it's done will bear out the facts that -- and it's been recent incidents in France with the police and the community in those five suburban cities of Paris where there is a rebellion going on as we sit here and speak, so -- and that is the result of not having what Detroit has and some of the other cities in America and even some cities in the state of Michigan, having that good relationship, so thank you.

MR. HARVEY: Thank you. We'll be looking at Detroit, you have some well-established really good programs here and those are certainly going to be looked at and are already being talked about because you do and I

Page 52

1	think you lead in a lot of those areas for those
2	kind of engagements, so we'll look at those.
3	And I just wanted to mention one last
4	thing ig you bear with me just a second. The
5	natural question for this is what are you going
6	to do with the report. You've asked us now. Is
7	this report going to go in a drawer. This is an
8	executive directive. For us at the state level
9	an executive directive is a law, basically says
10	you shall do this, so this is going to be a
11	public document that will be available to the
L2	public at the end and we're going to put this
L3	whatever I can't say what we will do with the
14	recommendations because I don't yet know what
15	those are.
16	But I know for an example if there's a
17	training that we need to implement in the academy
L8	that based from this recommendation MCOLES has
19	the ability to change that tomorrow, so there are
20	things we can implement completely.
21	The others will be up for the
22	individual communities to work with their law
23	enforcement agency to implement.
24	Some of the early returns we're getting

on the surveys suggest things like more community

Page 53

policing. Use of social media probably, probably reflects the era that we're living in, those kind of things.

So those are things that if you're an agency that don't use social media, maybe you should be looking at it to communicate with your public.

other comments or questions? I just want to say that I had an opportunity to interact with Mr. Hollings in terms of the survey and Stacey Clayton in terms of the survey and I'm glad to see the finished product and something that I would hope that the commanders and the Deputy Chief will send it out through their networking and let people, especially your community partners, to let them know that they should take advantage of this survey.

And we can send it out through our network and if you take a minute to circulate it you mentioned here and it behooves us to really push this because you want feedback and therefore if you get feedback you have input and that would make a difference in terms as we move forward in terms of police community relations, interaction,

Page 54 we all concerned about training and etc, so I'm 1 2 hoping that we really take advantage of this 3 survey. Thank you, sir. 4 5 MR. HARVEY: Thank you. 6 (COMMISSIONER DEWAELSCHE ARRIVES). 7 COMMISSIONER BELL: Make sure they 8 circulate it and if anything else we can do you 9 say into March, March is the deadline? 10 MR. HARVEY: March 20 will be our 11 cutoff date. The report is due May 1. 12 COMMISSIONER BELL: And we have our 13 meeting next month, you're going to hear about it 14 shortly, at Wayne County Community College 15 downtown. We have quite a few criminal justice 16 students and we're going to really profile --17 that is our spring meeting for people to come 18 out, because right now some people hibernating 19 for the winter, but we're going to push this and 20 we'll push the survey also and I'm going to share 21 with my block club and my neighborhood 22 association also, make sure that they are aware 23 of that. 24 So anything else you might want to

share with us? Anything else?

1	MR. HARVEY: No, I think it's it,
2	Commissioner. Thank you very much. She will
3	pass that out. I apologize, I have to leave.
4	This is so important to me, I drove in from Grand
5	Rapids from a conference and I got to drive back
6	but she's going to stay around and pass that out
7	and any other questions you got, she can answer
8	or you can sent me an e-mail, whatever you need,
9	sir.
10	COMMISSIONER BELL: And drive safely.
11	MR. HARVEY: Thank you very much. And
12	it's good to see Commissioner Eva Dewaelsche
13	attending. She said she'll be late, but she's
14	here on time. Thank you, appreciate that.
15	So the next item of business would be
16	any standing or ad hoc committee. I know
17	Commissioners, any other comments about I
18	think you need to say Commissioner Dewaelsche,
19	you're just in time. We need to say something
20	about recruiting. We always want to highlight
21	that, if you could make some brief remarks about
22	recruiting on behalf of the Board and DPD. I
23	think we always want to make sure we put that out
24	in front of people that we are hiring,
25	aggressively hiring

1	COMMISSIONER DEWAELSCHE: Right and on
2	behalf of Commissioner Brooks who's the chair of
3	the Recruitment Committee, she's not here
4	tonight, but I will just say that she's actively
5	involved in getting schedules at different
6	community centers that we have been having our
7	meetings at. She's been work on that and through
8	the One Stops in the city of Detroit I've been
9	trying to coordinate activities so that it's
10	ongoing, we're assisting the police department
11	every week with some kind of recruiting activity.
12	In fact, I brought flyers for tonight
13	that I want to have at the back so that people
14	can take information on the recruitment of the
15	police and what is required, you know, their
16	education requirements.
17	You know, you have to have a driver's
18	I'm sorry, a good driving record. If not, you
19	will be considered, but you do have to have a
20	high school diploma. We want everyone who's
21	interested in a law enforcement career to at
22	least apply and go through the process and more
23	than likely you will qualify.
24	And we're telling you because we want
25	you to spread the word out in your community to

Page 57 1 your relatives, to your friends, to your 2 churches, to your community agencies, whoever you interact with, because the department is actively 3 recruiting and we need good men and women to join 4 5 the department, so thank you. 6 COMMISSIONER BELL: Thank you. 7 Recruitment, we have Comm. Hall, how did you arrive joining the police department? Could you 8 9 share how did you end up with DPD, just out of 10 curiosity. 11 COMM. HALL: Okay, I wanted to be 12 electronic technician, so I was in Detroit 13 Engineering Institute way back in the day. 14 COMMISSIONER BELL: You're not that 15 old. 16 COMM. HALL: Came to school one day and 17 they were shredding records. Apparently the owner of the school had did something 18 19 inappropriate with the funds, so they were 20 shredding records. And I left there, and I was 21 kind of like wow, I need to do something else 22 because I wanted to be, again, an electronic 23 engineer. 24 So I had this big dream of working for

IBM -- and that's an old computer firm from way

Page 58 1 back in the day. So I'm walking down the street 2 and kind of mad because I had put all this money into this engineering school for my degree and I 3 ended up finding out through the newspaper that 4 5 Detroit Police Department was hiring and I say, 6 you know, I'll go down here and try this out because really I wanted to be a fireman because I 7 8 wanted to drive the big red truck. 9 So got hired by Detroit Police 10 Department, I got my first check, I was living 11 with my mother, I said, "Wow, this is a lot of 12 money, they're going to have to fire me," the 13 rest is history. 14 COMMISSIONER BELL: Thank you for 15 sharing that. 16 (APPLAUSE). 17 COMMISSIONER BELL: DC Hall, how did 18 you end up, being a Deputy Chief, joining the 19 police department out of -- from the east side of 20 Detroit Kettering High School? 21 DEP. CHIEF HALL: That's right. 22 Actually, I never wanted to be the police, so --23 but what I realized in life is if you want to 24 make God laugh, tell him your plan. I always

wanted to be a lawyer, that was what my dream

Page 59

1	was.
2	When I graduated from undergrad at
3	Grambling State University I was working as a law
4	clerk here Dib & Fagan which was downtown at the
5	time and they talked me out of law school, so I
6	actually get to graduate school and lo and behold
7	I had signed up for a class and the professor was
8	to be determined.
9	Well, when I walked into the class the
10	professor was the Chief of Chief Benny Napoleon.
11	And so during the class we had a lot of debates
12	back and forth. He went you're very smart, you
13	need to join my police department, we debated
14	back and forth, here I am 18 years later. I
15	joined the police department.
16	And my father I never wanted to be
17	the police because my father was killed in the
18	line of duty, so it was something that I never
19	thought about doing and I knew that my mom never
20	wanted me to do.
21	But like I said, God had a different
22	set of plans for my life and I sit here today and
23	am very happy, I couldn't have made a better
24	choice.

COMMISSIONER BELL: Thank you, wow,

1	that's quite impressive.
2	(APPLAUSE).
3	COMMISSIONER BELL: Capt. Balinski, why
4	did you arrive here? Yes, you.
5	CAPT. BALINSKI: Capt. Ken Balinski.
6	Back in the day 40 years ago I actually wanted to
7	be a dentist, okay, and is there anybody here who
8	didn't want to be something else before they
9	became the police? I think we all went through
10	that.
11	And I didn't, and then I had met some
12	friends that were police officers, they started
13	telling me about the job and it just seemed
14	something that was very interesting. I applied,
15	took the testing, didn't get hired. Two years
16	later I says I'm not giving up, I applied again,
17	took the test and got hired, December 19, 1977 if
18	anybody remembers back that far.
19	But and here I am today, fairly
20	successful even after five and a half years
21	layoff I worked at the LA County Sheriff's
22	Department for four and a half of those years and
23	ended up coming back here when I got recalled.
24	COMMISSIONER BELL: Thank you for
25	sharing.

Page 61 1 (APPLAUSE). 2 COMMISSIONER BELL: I just want to bring out that recruitment aspect of it since we have 3 the opportunity and I assume there's no other 4 5 committee reports. 6 Mr. Hicks, Board Secretary? 7 SECRETARY HICKS: Thank you, Mr. Chair. 8 I just wanted to note a couple of things that are 9 in your packets. The survey in which the 10 representative from MCOLES indicated is included 11 in the packet, so any of the commissioners can 12 feel free to copy that and immediately begin 13 distributing that to some of the constituent 14 organizations which they are a part of. 15 Additionally, there is also the second 16 edition of the policy newsletter which is 17 including in the packet and that is a newsletter that is essentially developed and edited by 18 19 Ms. White who is head of our policy area and it 20 essentially attempts to provide the community and

including in the packet and that is a newsletter
that is essentially developed and edited by

Ms. White who is head of our policy area and it
essentially attempts to provide the community and
the commissioners with relevant information and
recent information relative to policy in
connection with not only just the Detroit Police
Department, but broad segments of the law
enforcement community.

Page 62

And then lastly I want to indicate that today we of course had a presentation from the 9th Precinct and customarily our practice -- or at least we're trying to establish the practice -- as individual units of the department come in front of the police department we then also will supply you with a financial summary of the work and the financial summary is prepared by our Fiscal Section and Ms. Johnson is here who heads that Fiscal Section.

What we tend to do is try and report out what the budget is and then according to the reports which we receive through the department we'll give you information on what has been captured in the system. We have indicated on several occasions that there continues to be a reporting issue in the system and we are working — and we believe this obviously is going to be corrected, so your report, for example, shows that aside from personnel costs there's no other costs that are being incurred by the 9th Precinct.

We obviously know that's not the case, but we want to have that section grow to the point that we can bring in front of the

1	commission as a body each time there's a
2	presentation by one of the units some financial
3	information and other information so that the
4	commission will have a backdrop if you will as to
5	how and how the section is organized from a
6	policy and fiscal standpoint.
7	So with that, commissioner, those are
8	the only things in which I wanted oh, I should
9	say, we have been successful and I have to give
10	OCI Chief Drake all the accolades on this we
11	have been successful in getting that build-out,
12	that long build-out in our office.
13	So we actually look a little different,
14	a tad bit more privacy. We still have no doors
15	to anything, but that's the way it goes, but that
16	process has been completed and in the last
17	conversations that we've had with the department
18	there looks like there's going to be some
19	movement and I think you reported it last time,
20	some movement on the OCI office that is to take
21	place in the Palmer Park area.
22	So with those remarks, that concludes
23	what I wanted to share with the Board tonight.
24	COMMISSIONER BELL: Thank you,
25	Mr. Hicks.

1	COMMISSIONER CRAWFORD: Through the
2	Chair to Mr. Hicks, we confirmed that date of
3	next Thursday, February 16 at 1:30 PM for the
4	Policy Committee to meet?
5	SECRETARY HICKS: Yes through the
6	Chair, yes, I did receive a response back
7	indicating that next Thursday Policy Committee
8	would be meeting. The Policy Committee will be
9	looking at a number of things on its agenda, but
10	a couple of things on the agenda, if you recall
11	in the last meeting I think it was Commissioner
12	Moore or Crawford, I'd have to check my notes,
13	who requested from AC White a copy of the
14	training directives associated with the what
15	was two items. One was the body-worn cameras
16	and the other one was the Tasers essentially.
17	And they have forwarded that
18	information to us. They have indicated to us
19	that that information has been forwarded as a
20	draft, so it's not been formally submitted to the
21	Commission, but what we decided we would do in
22	consultation with your committee of course is to
23	begin to look at at least the information.
24	We suspect that the formal presentation
25	or the formal information will come, it's going

Page 65 to be closely aligned with the draft, so it 1 2 behooves us to kind of take a head start in terms of looking at those two issues. 3 We are still waiting on the Taser issue 4 5 for the white paper from AC White and as soon as 6 we receive that we would schedule that into your 7 committee as well. 8 COMMISSIONER CRAWFORD: Through the 9 Chair, yes, sir, Mr. Hicks, I received a copy of 10 both today via e-mail and I would assume that the other committee members did also. 11 12 I mean, they were on the e-mail also. 13 I want to thank you and Ms. White for conveying that -- getting that information to us so we can 14 15 read and do the research so we'll be prepared for 16 next Thursday's meeting. Thank you. 17 COMMISSIONER BELL: Okay, thank you, 18 Any new business? Announcement. 19 meeting is going to be on Thursday, February 16, 2.0 2017 at 3 PM at Detroit Public Safety 21 Headquarters, 1301 Third Street, that's our 22 regular meeting time at 3 PM. 23 Item B would be our next community 24 meeting would be on March 9, 2017 at 6:30 PM,

Downtown Services downtown, Wayne County

Page 66

Communit	ty Colleg	ge,	80	)1 We	st	Fort	Street	and	we
looking	forward	to	а	good	m∈	eeting	there.		

Inspector James Jackson who headed up the police academy for many many years heads up the criminal justice program at Wayne County Community College and also our former board secretary, George Anthony, is on staff there and so it would be an opportunity to interact with the students at large and the public at large and also especially those criminal justice students who might have an interest in criminal justice, so it's like two fold that we wanted to have our meeting there, a spring kickoff.

So we going to do some promotion in reference to people coming out downtown in that particular area on that particular forum, so we're looking for a great dialog. And they going to really work it up through the Wayne County Community College networking system too, so hopefully that should be a good spring kickoff.

The next item would be oral communication from the audience and you have two minutes. The mic is there. Please give your name and Mr. Brown is going to coordinate the individuals, so prep yourself as we call you up

1	to give you the mic and give you opportunity to
2	speak and the cards is going to be with Mr. Brown
3	and also the two-minute limit, but keep in mind
4	that at the end of the meeting if we do not
5	entertain all your concerns we have the command
6	staff starting with Deputy Chief Hall to my left
7	represent the department, we have the 9th
8	Precinct commanding officer and we have our staff
9	to assist you in any questions or concerns that
10	you might have.
11	So we don't want you to go away to say
12	I didn't have an opportunity to get my 10 minutes
13	in. It's not going to happen at the mic, but you
14	do have the opportunity to have some dialog with
15	the staff which I indicated and also with your
16	commissioners at the end of meeting, so we going
17	to move in that capacity. Mr. Brown.
18	MR. BROWN: Yes, Mr. Chair. Our
19	first speaker will be Mr. Charles McFarland
20	followed by Ms. Joyce McFarland.
21	MR. McFARLAND: Hello, how you doing?
22	My name is Charles McFarland. First of all I
23	need to thank God for this golden opportunity to
24	be able to reveal all this to the city of Detroit
25	and especially to the police force.

1	Yeah, tell God your plans, you're
2	right, Chief. This is the situation. I know the
3	police do not like people forcing drugs on people
4	beyond their consent and using the law as a
5	precept. Okay, I'm going to get into it.
6	I've been getting terrorized with nano
7	bio technology since the early '90s and United
8	Nations just honored nano bio technology a new
9	global threat in 2011 on their website. Then
10	after that they shortly just snatched it down.
11	Now, it's about me singing while I was
12	in the Navy coming home on the highway. Now,
13	that's back in the '90s. Now I'm going to bring
14	it up to I working at Chrysler. I was supposed
15	to take te buyout in 2009 because the powers that
16	be, nano bio technology, this cell phone just
17	like this. That's nano bio technology.
18	Now, they said I have better take the
19	2009 buyout os they was going to murder my
20	daughter so I was forced to take that 2009 buyout
21	and it's been hard.
22	Now, I have a cousin names Derek was on
23	the Detroit Police Department, Derek Owen, ought
24	to ring a bell. At the Thanksgiving dinner or
25	Christmas back in 2011 he said his son say hey

Page 69

-- took the conversation outside and I said ahhh and then he said what's this thing about you shooting it out with fireball. Oh, got to be them doggone rap songs.

Derek was rapping in the cafeteria.

Those are songs by John call John and -- but when I told him it as nano bio technology Derek Owen, police department, flipped the script like he never asked me in the first place. He was hoping he could get me on something criminal.

Took it against my parents told down to VA and report it. So I went down to VA and it was 19 page e-mail to the United Nations. I'm calling FBI in 2012 tell them I'm being terrorized by nano bio technology, can you please direct me to the proper channel so I can make my -- hello, hello. Call right back.

They forced me to take medication that took my eyesight, that's why I wear these glasses. So I need someone to talk to because I'm being terrorized by nano bio technology and the VA forced me to take this -- locked me up in the psychiatric ward beyond my consent. Told me is I was ever to bring up nano bio technology again I would be brought up on charges and thrown

1	in jail.
2	COMMISSIONER BELL: Thank you, sir.
3	MR. McFARLAND: They going to lock me
4	up for bringing that up?
5	COMMISSIONER BELL: Thank you, sir,
6	thank you.
7	MR. BROWN: Brenda McFarland followed
8	by Bishop Darryl Harris.
9	MS. McFARLAND: On December on
10	January 20, Friday, inauguration day, we went
11	over to pick up my son, got there about 11. Saw
12	some smoke. I thought somebody was barbecuing.
13	I said when we got in front of his house I
14	said, "Chucky, look out your back window and see
15	if someone is cooking at their smoke." He didn't
16	see nothing.
17	Anyway, my husband goes in the house to
18	see about my son to come on out because we're
19	taking him to take care of his business. Around
20	11 o'clock AM about the time the President is on
21	giving his inaug whatever he was giving, but
22	then I saw all the smoke coming out of the roof
23	of my son's house. He's in the house. He had
24	checked upstairs, no smoke. Went in the basement
25	and the fuse box, smoke was coming from the fuse

1	box.
2	DTE was just ahead of us, it had pulled
3	over to the side. I got out of the door to go
4	into the house to tell them smoke was coming out
5	the roof of his house, and DTE got out of their
6	truck, came over to me and said, "Is anybody in
7	there?"
8	I say, "Yeah, my son and my husband."
9	He said, "Tell them to come out right now. That
10	is an electrical fire". So the police department
11	number is 892-19292 oh, no, that's DTE's
12	number.
13	The police department numbers is
14	170002477 and when I called 9-1-1 the line was
15	busy. I called right back. I had 80 percent
16	power on my phone. My phone went black, dead.
17	My son had called four times and
18	couldn't give through. People on the street were
19	out there calling 9-1-1. This just happened
20	January 20. And my son is homeless.
21	COMMISSIONER BELL: Thank you, ma'am.
22	You want to speak to our staff in terms of your
23	concerns. Thank you.
24	MR. BROWN: Bishop Darryl Harris
25	followed by

1	BISHOP HARRIS: Thank you. I know I've
2	had some time before so I want to be really
3	brief. The first thing is I want to thank the
4	police commission because a lot of times in our
5	streets what we hear is or what we don't hear
6	enough of is the involvement of faith-based
7	entities in terms of helping to turn things
8	around in the city.
9	I really wanted to commend the Police
10	Commission at your connection at being able to
11	not only observe that, but to support that as
12	well and just say to the rest of the community
13	that's here tonight that there are many
14	initiatives that are happening and being
15	channeled through faith-based entities right here
16	in this community.
17	We do things that are very effective
18	and even going along with some of the Green
19	Lights. Some of the Green Light initiative
20	that's in this area is there because of different
21	faith-based organizations partnering with
22	different community organizations and doing
23	things like peace walks, doing things like other
24	community services and whatnot, and I just want
25	to makes sure to let everyone know that that is

1	the clear way to be involved.
2	If you are part of a faith-based
3	entity, please let them know there are things
4	that are going on and even find out from them
5	other things that you can do.
6	And I thought that that was just very
7	important to mention on tonight. And at the end
8	in the conclusion of what it is that I'm saying,
9	in the 9th Precinct there was something that
10	happened last year that was paramount in terms of
11	how they're reaching out to the community.
12	They actually hosted a restorative

They actually hosted a restorative practice for one of the streets, I won't name the street, but for one of the streets in the city of Detroit.

And I would like to see those kinds of police involvement sessions take place in just an alternative way of being able to handle maybe some of the lower level if you can speak that way of criminal things that are taking place because I thought it was very successful when we attended in hosting with Black Family Development and, again, one of our faith-based entities so I want to thank Comm. Mahone and Capt. Decker for hosting that restorative practice and I think

Page 74 that's just another way to deal with some of this 1 2 in an alternative way. 3 Thanks a lot everyone. 4 COMMISSIONER BELL: And thank you for 5 your leadership. 6 MR. BROWN: Ms. Bernice Smith. 7 MS. SMITH: Good evening to the Chief and to the commission members. Good news. 8 9 weeks ago I came before you and expressed to you 10 some problems in regards to the towing companies. 11 Well, through working with various 12 people and I must say that our Chairman of the police commission had a hand in it and I want to 13 let all of you know he made a call to 14 15 Ms. Stephanie Lucas and he gave her the good news 16 that she can get her car without paying the 17 exorbitant fee that was charged do her, so I come 18 before you tonight to let you know that I give 19 kudos to our Chairman Mr. Bell and I hope we will 20 be on a good basis from now on because we know 21 how to work together and we can work together. 22 So I just want to thank you in person. I have been sick for the last two weeks so I 23 24 wasn't able to come here, but you want to thank

you and keep up the good work.

1	COMMISSIONER BELL: Thank you,
2	Ms. Smith, appreciate it.
3	MS. SMITH: All right, take care.
4	COMMISSIONER BELL: Thank you.
5	MR. BROWN: Mr. Eric Porter.
6	MR. PORTER: I wanted to talk about
7	Gothan Sons Towing. We had been seeing people
8	come to our church who've had problems with
9	Gothan Sons Towing. They have unjustly towed
10	people's cars from the Medical Center apartments
11	and they have and I've seen pictures of them
12	breaking into people's cars getting their
13	personal belongings and things of that nature.
14	So I want three things from the police
15	commissioners. I would like for you to stop
16	for Gothan Sons to stop their towing first of
17	all. Second of all we want to get rid of their
18	contract that they have with the Medical Center
19	and the City and third we want there to be large
20	signs by the Medical Center apartments that are
21	clear and visible and bright so people will know
22	that they cannot park there because the signs
23	there now are not visible and people park there
24	and they get towed and then they have to pay \$400
25	just to get their car out and then \$125 the next

Page 76 day, and a lot of people don't have that and 1 2 people are losing their jobs to try to pay for these high prices from the towing company, so 3 that's what I just wanted to say about that and I 4 5 really appreciate you guys listening me and I 6 wish you would do something about this. 7 you. 8 COMMISSIONER CRAWFORD: Through the Chair, yes, sir, that private towing, private 9 10 lot, is that correct, private property? 11 MR. PORTER: Well, this is a private 12 towing company. 13 COMMISSIONER CRAWFORD: Yes, sir. 14 Well, we have no jurisdiction or any authority over that. I have a suggestion, that you get 15 16 with Ms. Smith because she did raise a lot of --17 she engaged in a lot activism that one might say 18 that took care of that other issue, but I'm 19 familiar with what you're talking about, but in terms of the commission and I think I'm correct 20 21 in this, we have no author whatsoever over that. 22

MR. PORTER: Well, I just wanted it to be on the record too so people will know what's going on and maybe you can't do anything about it, but people out here --

23

24

25

Page 77

1	COMMISSIONER CRAWFORD: Just the
2	suggestion of organizing and engaging in the type
3	of activism that Ms. Smith did and getting with
4	all parties involved, the Medical Center, that
5	tow company and all the individuals who reside
6	I believe it's apartments parking or something
7	like that, is that correct?
8	MS. PORTER: Yes.
9	COMMISSIONER CRAWFORD: In that area
10	and try to solve or deal with that issue.
11	MR. PORTER: It's just that they have
12	spotters out there too 24 hours a day who prey on
13	people when they're parking their cars.
14	COMMISSIONER BELL: Sir, could you
15	pause? Commissioner Crawford, are you finished.
16	COMMISSIONER CRAWFORD: I hear you and
17	I understand and I do appreciate you going on
18	record so everyone else knows about this,
19	particularly those in the area and everyone
20	throughout the city of Detroit, but the best way
21	to do that is engage in some activism with all
22	parties or one might say against those parties to
23	get that issue resolved.
24	COMMISSIONER BELL: Mr. Hicks?
25	SECRETARY HICKS: Thank you, Mr. Chair.

Page 78

	Page /
1	I simply wanted to share with the commission we
2	have received over the last week or so at least
3	two calls on this particular company. We've
4	reached out not only to the department which
5	would be overseeing police-authorized towing, we
6	also reached out to the Municipal Parking
7	Department which is the other City entity that
8	would be towing and neither the Detroit Police
9	Department or Municipal Parking was this
10	particular company had any arrangement, agreement
11	or permit to work in this, so this is a matter
12	that is 100 percent private towing.
13	And even though we can't bring a
14	particular resolution, but I think it's important
15	for us to communicate to people that this is a
16	private towing matter and if I recall in previous
17	meetings Commissioner Mallett had indicated where
18	some of this was taking place was not exactly on

20 practice and that he was reaching out to

21 initiative some discussion on this as well so

just wanted to make that clear.

19

23

COMMISSIONER CRAWFORD: Through the
Chair, yes, sir, Mr. Hicks. When there is more
communication with that company, if there is such

DMC property, but DMC was acquainted with this

Page 79 a meeting I'd like to be a part of that, sir. 1 2 SECRETARY HICKS: Sure. 3 COMMISSIONER CRAWFORD: Even though I know they have no obligation and we have no 4 5 authority, but if out of courtesy for the 6 betterment of the community if there is going to be a meeting, I'd like to be a part of that. 7 SECRETARY HICKS: I'll indicate that to 8 9 Commissioner Mallett who is the person who was 10 facilitating such an interaction. I'm not sure 11 that that's going to result in a meeting, but I 12 will indicate to Commissioner Mallett that your voiced in the meeting a concern and would like to 13 be added to any communications associated with 14 15 this. 16 COMMISSIONER CRAWFORD: Yes, thank you. 17 COMMISSIONER BELL: Commissioner Moore? 18 COMMISSIONER MOORE: Just a quick 19 question, Mr. Secretary. Have there been any 20 criminal complaints regarding this company to 21 your knowledge? 22 SECRETARY HICKS: We did not search 23 formally for "a criminal complaint" and I'm not 24 -- well, no, no, there has not been to our

25

knowledge.

Page 80 COMMISSIONER MOORE: Thank you, sir. 1 2 COMMISSIONER BELL: We're going to continue with the format. Any others speakers? 3 MR. BROWN: No, that's it, sir. 4 5 COMMISSIONER BELL: If there is no 6 other business, I just want to thank you for coming out this evening for the meeting. I 7 8 appreciate your involvement and looking forward 9 to ongoing involvement with me. I would hope 10 that you take advantage of the survey and any 11 other interaction that the DPD is engaging in and also the Board of Police Commissioners. 12 13 Also, Officer Blue, so there some type of refreshment to my right? So there's 14 refreshment to my right, so once again, have a 15 16 great evening and have a great week. 17 Commissioners, the Chair will entertain a motion for adjournment. 18 19 COMMISSIONER MOORE: So moved. 2.0 COMMISSIONER SANDERS: Support. 21 COMMISSIONER BELL: Been properly 22 Those in favor, aye? moved. 23 COMMISSIONERS: Aye. 24 COMMISSIONER BELL: Motion carried.

25

Thank you.
