Scope of the Land Stewardship Plan

Scope of the Rosa Parks Clairmount Study Area

A photograph of a busy outdoor cafe with people sitting at tables, overlaid with a white text box. The scene is captured in a warm, orange-toned filter. In the foreground, a woman with long blonde hair is seen from behind, sitting at a table. To her right, a man in a dark jacket is seated at another table. Further back, several other patrons are visible, some sitting and some standing. The background shows a building with arched windows and a street scene. The text is centered within a white rectangular frame.
